COMMENCEMENT PROGRAM HERE FRIDAY NIGHT

The 1930-31 term of the Crowell school will come to an official close Friday evening when the commencement program for the Senior class will be held in the high school auditorium.

The program is to begin at 8 o'clock and the address of the evening will be given by Ray H. Nichols, president of the Texas Press Association and editor of the Vernon Record.

The following program has been arranged:

Invocation—Rev. C. V. Allen.
Trio—Josephine Griffith, Peggy Simpson and Merle Smith.
Address—R. H. Nichols.
Solo—Lella Ben Allee.
Presentation of Diplomas—I. T. Graves.
Benediction—Rev. W. W. Smith.

Legion Auxiliary to Sell Poppies Saturday

An opportunity to wear a poppy in memory of the soldiers killed during the World War will be afforded people here Saturday as the result of a poppy sale that is to be conducted by the Legion Auxiliary on that day, which is National Poppy Day.

These little paper poppies are made by soldiers that were wounded in the war and who are now in the veterans hospitals. The poppies will sell for ten cents each and half of the proceeds will go into the local legion statue fund and the other half will be used in the veterans hospital work.

FOARD COUNTY IS BENEFITED BY RAINFALL

Rain amounting to one and three-tenths inches fell in Crowell this week. The first rain came shortly before dark Monday and amounted to 1.2 inches in less than an hour. The tenth of an inch fell here Wednesday night. Both rains were accompanied by extra strong winds. The rain Monday was light in the main community and did not reach the city. The rain Wednesday night was not general over the county.

Crops in general will be benefited here the rains fell.

Baccalaureate Service Held Wednesday Night At Methodist Church

Baccalaureate services for the senior class of Crowell High School were held Wednesday evening at the Methodist Church. The services were to have been held Friday evening but in respect to the memory of Mrs. George Allison, one of the class mothers, who was stricken on that day, the services were postponed until Wednesday.

A good crowd was in attendance. Woodie W. Smith, pastor of the Crowell Baptist church, delivered a very interesting and inspirational sermon for the occasion. The services opened with Mrs. Arnold Tucker playing the processional, after which the choir led the congregation in a song. An anthem by the choir was next given, and Rev. C. V. Allen followed with prayer. "Father Heaven," was the title of a duet Mrs. Adolphus Wright and Mrs. B. Klepper. Rev. Smith delivered a sermon following this number. The services were brought to a close by the singing of the doxology.

DAIRY SHOW IS POSTPONED INDEFINITELY

The Foard County dairy show that was to have been held in Crowell on Monday, June 1, has been indefinitely postponed as a result of the action of the committee in charge of the show in a meeting at the county seat on Saturday afternoon.

Joe Orr, T. F. Welch, Tom King, J. Benham and Chas. Gafford, committeemen, and Fred Rennels, county agent, were present for the meeting. The reason for postponing the show was the fact that the grain harvest would be too close at hand at the time of the show and would interfere with its success.

All of the men expressed a desire to have a show later and hope that they can be arranged in connection with a county fair in Crowell next fall, where other classes of livestock and farm products may be exhibited. Interest has also been shown in an exhibit of beef cattle, and along with the excellent crop prospects Foard county should be able to have a good fair this fall, if one is held.

Twenty-Seven to Graduate from Seventh Grade

Graduating exercises for the seventh grade class of the Crowell schools were presented in the form of a Greek pageant at the high school auditorium Thursday evening, May 21.

The 27 students graduating from the seventh grade this year are: Fred Allen Beverly, Ada Beidleman, Burk Bell, Weldon Bradshaw, Edward Brisco, Mary Edna Bursey, Geraldine Carter, Prudence Coffey, Mattie Florence Collins, George Cook, Ruth Fox, James Riley Gafford, Frank Hofues, Aldon Horn, Elizabeth Hrabal, Edwin Keith Hunt, Beulah Ivis, Ala Ketchersid, Stella Machac, Milton Magee, Vidilla Miller, Doris Oswald, Neil Patton, Bernice Poland, F. L. Rennels, Margaret Schlagal and Marjorie Schooley.

WILL ADDRESS SENIORS

R. H. Nichols of Vernon, president of the Texas Press Association and governor of 41st District of Rotary International, will deliver the address at the commencement exercises for the senior class of Crowell High School, that are to be held Friday evening, May 22, at the school auditorium.

Mr. Nichols is one of the most popular speakers in West Texas and school officials feel fortunate in securing his services for this occasion. He is editor of the Vernon Daily Record and is well known to many Crowell people.

WILL HARRISON FUNERAL HELD SUNDAY, MAY 17

William Henry Harrison, 61, died at the home of his sister, Mrs. H. E. Ferguson, Saturday afternoon, May 16, at about one o'clock. He had been dangerously ill for the past two weeks and had been in ill health for the last year, during which time he had lived in the Ferguson home.

William H. Harrison, more commonly known as Bill Harrison to his many Foard County friends, had lived in this county for the past 37 years. He was born at San Saba, Texas, on Dec. 26, 1869. When just a boy he moved with his parents to Alexander, in Erath County, and from there he came with his parents to Foard County in 1894, settling on a farm, about nine miles south of Crowell.

His father, J. C. Harrison, died here on June 17, 1927. Mrs. J. C. Harrison died on June 11, 1908. Both were buried in the Crowell cemetery and the body of Bill Harrison was laid to rest next to their graves.

He is survived by one sister, Mrs. H. E. Ferguson, and one brother, J. B. Harrison, of Paducah, who was here for the funeral and for a number of days preceding his death. Mrs. W. C. Lane of Denison, a niece, also arrived here before his death and was here for the funeral.

During the greater part of his life, Mr. Harrison followed the carpenter trade and had also worked as a farmer. Until about a year ago he had resided in the old family home in the south part of Crowell. He had never married.

Funeral services were held at the Ferguson home Sunday afternoon at 1:30 o'clock with Rev. B. J. Osborn, pastor of the Methodist Church, officiating. Interment followed in the Crowell cemetery. Pall bearers were: George Self, M. S. Henry, T. V. Rascoe, Jeff Bruce, John Raso and A. Y. Beverly.

Mr. Harrison lived an honorable and upright life and his passing is regretted to a great extent by the many friends he had made during his long residence in Foard County.

The Texas oil test on the L. K. Johnson ranch, west of Crowell, is now drilling at a depth below 3,970 feet, according to John Bock, drilling contractor. Nothing of special interest has been encountered in the test since the oil sand was reached in it several weeks ago.

MRS. GEORGE ALLISON KILLED IN AUTO ACCIDENT NEAR FREDERICK, OKLA.; FUNERAL HELD SUNDAY

Senior day for the graduating class of Crowell High School came to a tragic end last Friday afternoon with the death of Mrs. George Allison, one of the two class mothers, in a hospital at Frederick, Oklahoma, at 12:30 o'clock as the result of injuries she received when the automobile in which she and five others were riding, overturned on the highway, 14 miles east of Frederick, when the right front tire became flat, causing the car to swerve badly and overturn before its driver, Mrs. W. B. Carter, the other class mother, could regain control of it. The car, a Chevrolet Coach, was owned by Charley Hunt.

The accident occurred at about 9:30 o'clock in the morning while a group of the Crowell Seniors and others from this city were en route to Medicine Park, Oklahoma, for a proposed two-day outing, which was promptly called off following the accident.

Miss Mildred Callaway of Foard City, daughter of W. L. Callaway, received a serious injury to her hip, along with other bruises. She and Mrs. Allison were rushed back to the Frederick hospital for emergency treatment in the car driven by Rev. Henry Black, who was riding and which was the first car to reach the scene of the accident, as it was traveling behind the Hunt car.

Mrs. J. R. Allee and Mrs. Carter, chaperons, and Miss May Randolph and Miss Johnnie Mae Short, members of the class, were the other occupants of the car and escaped with bruises, minor cuts and shock.

At the hospital it was found that Mrs. Allison's chest was badly crushed and that her internal injuries were extremely severe. Dr. Hines Clark of this city was called to the hospital and reached there shortly after death came. On his return to Crowell he brought Miss Callaway with him.

Mr. Allison was with his wife at the time of her death. When word reached Crowell of the accident Mr. Allison was returning from Wichita Falls with a truck load of oil for his wholesale oil agency, R. H. Cooper and Henry Ross met Mr. Allison at Vernon and immediately rushed him to Frederick.

A number of other Crowell and Foard County people, including relatives of Mrs. Allison, rushed to Frederick after word of the accident was received here.

W. R. Womack, local undertaker, returned to Crowell with the body in his hearse shortly after six o'clock of the same day. The hearse was followed by many Crowell and Foard County people.

The death of Mrs. Allison came as a severe shock to her hundreds of friends who had become so closely attached to her during the twenty-four years that she had lived in Foard County. Few women anywhere have so tenderly touched the hearts of the people in general as Mrs. Allison had. She was always ready to serve (Continued on page 7)

FOARD PARENTS URGED TO BRING ALL CHILDREN TO FREE HEALTH CLINIC HERE TUESDAY, MAY 26TH

Every child in Foard County is eligible for service at the free health clinic that is to be conducted in Crowell on Tuesday, May 26, at the high school building.

Mrs. R. L. Kincaid, chairman of the Foard County health committee, states that there has been some misunderstanding about this service as some parents have thought that it is for school children only, however, this is not the case and children of pre-school age, as well as grown-ups may secure the service to be offered free. Special emphasis is being given by the Foard County committee to immunizing the children of the county from typhoid, small pox and diphtheria, through the administration of serums and toxoids.

The clinic will be conducted under the directions of the State Health Department, in co-operation with local doctors. Miss Susie Durden, health nurse for the district composed of Foard, Knox, Baylor, Throckmorton and Haskell counties, will be in charge of the clinic here.

Blanks were distributed among the school children of the county this week to be signed by their parents, authorizing them to receive the service offered at the clinic. Most of these blanks have been signed by the parents and returned to school officials.

Parents of pre-school children are being especially urged to have these children at the clinic along with those that are of school age.

The clinic is to open at 9 o'clock in the morning.

Maj. Macke Speaker at Rotary Luncheon Wed.

Major R. W. Macke of Paris, Texas, veteran of the World War and famous globe trotter, was the principal speaker at the luncheon of the Club Wednesday.

Major Macke served as a chaplain in the Pitchfork regiment of the Winnipeg "Black Devils" and lost his left arm and still bears many other scars as a result of his services during the war.

He gave an interesting talk on the American Legion and the Legion Auxiliary and the proposed soldier and sailor statues that are to be erected here. A talk relative to the statues was also made by Woodie W. Smith.

Miss Jimmy Lois Gafford gave 2 entertaining readings at the beginning of the program of which George Self was in charge.

Leslie McAdams was a visitor at the luncheon.

El Brendel in "Just Imagine" Next Week

"Just Imagine," featuring El Brendel, will be the picture that is to be shown at the Rialto on Monday, Tuesday and Wednesday.

The story of this unusual picture is supposed to take place fifty years from now and numerous unusual scenes are shown in it. El Brendel, as usual, provides a great amount of humor.

MILDRED CALLAWAY DOING NICELY FOLLOWING ACCIDENT

Miss Mildred Callaway of Foard City, daughter of W. L. Callaway, is getting along nicely at the Claude Callaway home in this city. She received a severe hip and spinal injury in the auto accident near Frederick, Oklahoma, last Friday, in which Mrs. George Allison lost her life.

Over \$18,000 Sent to Foard Farmers Thru Drouth Loans

A total of \$18,594.70 in Federal drouth relief loans has been received by one hundred and thirty-two farmers of Foard County. April 30 was the last day for which applications for loans were allowed, however, all of the applications have not yet been passed upon and a few checks are still coming.

The greater part of this money came from the St. Louis office, since most of the applications were sent in to it before the branch office at Fort Worth was established. This money was loaned for the use of the farmers in buying seed, stock feed, fuel oil for tractors and general farm supplies.

Before being mailed to St. Louis or Fort Worth, the applications for loans were approved by the Foard County drouth relief committee, consisting of Dr. R. L. Kincaid, chairman, N. J. Roberts, secretary and Hiram Gray. Those assisting this committee in taking applications were Miss Margaret Curtis, Fred Rennels, L. A. Andrews, John Long, J. E. Acheson and J. R. Beverly.

The largest loan received was for \$380 and the smallest was \$47.50. The average was around \$140.

SCHOOL CENSUS FOR FOARD CO. REVEALS LOSS

Foard County has a total of 1,648 children of scholastic age, according to returns from the school census that have been turned in to the office of the county superintendent, Claude Callaway. The number last year was 1,946, or more than 298 above the number for this year.

The Crowell district has 573 scholastics in the census just taken, which is 138 less than the number of 711 for last year. Every district in the county showed a loss with the exception of Fish, which has 34 scholastics this year compared with 28 last year.

The scholastic census, when approved by the State Department of Education, will serve as the basis for the per capita aid allowed by the state to the schools. This year the state aid has been \$17.50 for each scholastic.

The number of names for each district of Foard County, as shown in the scholastic census follow:

District 1, Four Corners	18

Miss Ruth Mack arrived in Crowell Tuesday morning for a visit of about a week in the home of her aunt, Mrs. W. O. McDaniel. Miss Mack formerly lived in the McDaniel home and is now a nurse at Sanatorium, having been engaged in this work for the past thirteen months. She will be a graduate nurse by next April. She is to resume her work at Sanatorium by May 29.

CONCRETE STRIP ON NO. 28 TO BE COMPLETED SOON

Froemming Bros. Co., contractors for the concrete paving from Crowell to a point 4.5 miles west of this city will complete their work by next Wednesday or Thursday, if weather conditions are favorable, according to George Kies, one of the officials in charge of the work here.

Thursday afternoon the strip of concrete had been extended to within a little over a mile of the court house square. The work was started at the far end.

Local Golfers Attend Greenbelt Tournament

Grady Magee, Alton Bell, R. D. Oswalt, Guy Crews, Sam Rosenthal and T. S. Haney represented the Springlake Country Club of Crowell in the annual tournament of the Greenbelt Golf Association that was held in Clarendon on Monday, Tuesday and Wednesday of this week.

Out of fourteen teams represented in the tournament, the Crowell team won fifth place. Guy Crews was the only player at the tournament to score an eagle on any of the holes. He took but three strokes on a five par hole. L. S. Walker of Memphis and Ira Merchant of Clarendon went in to the finals Friday.

TWO SINGINGS

A singing will be conducted at Margaret, beginning at 2:30 o'clock Sunday afternoon. On the following Sunday an all-day singing will be conducted at the Black school house.

C. H. S. FOOTBALL SCHEDULE FOR 1931 ARRANGED

The hardest football schedule in the history of Crowell High School faces the Crowell Wildcats next season, when Crowell will be a member of District No. 3, Class B of the Interscholastic League.

The schedule for the nine teams of this district was arranged at a meeting of school officials in Olney Saturday afternoon, which was attended by Coach Grady Graves and Supt. I. T. Graves of Crowell.

The district race will open on September 28, however, Crowell was the only team of the district to draw a bye for this date and will open the season on October 2 with Seymour. It was not decided at the Olney meeting where the games would be played and this matter will be attended to later by the representatives of the teams involved.

Crowell's schedule in District 3 follows:

October 2—Seymour.
October 9—Ancher City.
October 16—Chillicothe.
October 23—Henrietta.
October 30—Burkburnett.
November 6—Olney.
November 11—Iowa Park.
November 20—Mezardel.

There will be dates for about four other games during the season, three before October 2, and one on Thanksgiving. Games on these dates will be arranged with teams, other than those in District 3.

The schedule at Olney was arranged through the method of preparing a schedule with numbers representing the 9 teams and then the representatives drew numbers for the purpose of following the schedule corresponding with their numbers.

Olney was the district winner last year with Chillicothe as runner-up. Crowell was not in the league last year in football. Crowell's prospects for next year are favorable and it is expected that the Wildcats will make a creditable showing in the district race.

STORAGE LOSS IS CAUSED BY GREEN WHEAT

Considerable loss in storage may result if wheat is threshed too green, according to Fred Rennols, county agent. "With an excellent yield of wheat in prospect, it is going to be very tempting to get into the fields early, however, if loss from storage is to be prevented no threshing should be done until the wheat is thoroughly ripe," he said.

Silas Moore of Margaret, in commenting on this subject, stated that last year he made three attempts to harvest before his wheat had ripened. He made one round with a combine and deciding that the wheat was too green to harvest, he left a considerable quantity of wheat in his grain hoppers. Within a few hours the wheat had started to heat.

Wheat men agree that if a large quantity is thrown together that is not thoroughly ripe, heavy loss may be experienced.

AFTER 40
bowel trouble

Constipation may very easily become chronic after forty. And any constipation at that time of life may bring attacks of piles and a host of unpleasant disorders.

Watch your bowels at any age. Get them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proved perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, gassy condition warns of constipation.

"When I sell anybody on Germ-Processed Oil once . . . they stay sold!"

THE use of Conoco Germ-Processed Motor Oil becomes a decided preference once you have had it in your crankcase. Its value to your motor, and to you, is quickly demonstrated. You may never have need to call on it for the extra safety factor it provides. You may never drive fast enough to test its ability to stand up day after day at 60 miles per hour.

But when your speedometer says it is your usual oil changing time and you find your oil in perfect condition for longer use . . . when your gas gauge tells you that your mileage has definitely increased . . . when the space of time between added quarts of oil and between repair bills has appreciably lengthened . . . then you know that you were right in changing to Germ-Processed oil.

So many motorists have changed to Germ-Processed and "stayed sold" that it has caused a real stir in oil circles. Join these motorists in their satisfaction. Stop today at the sign of the Conoco Red Triangle and ask for Conoco Germ-Processed Motor Oil. All grades 25¢ per quart.

Maryland Woman Happy Now—LOSES 55 LBS.

Edith J. Marriott of Baltimore, Md. writes: "Last winter I weighed 200 lbs. and was very much ashamed. I bought a bottle of Kruschen Salts which gave such wonderful results I bought more. After 4 bottles I weigh 145 lbs. and all my friends say, "How slender you've gotten—how did you do it?" I say only 4 words—thanks to Kruschen Salts."

A generous bottle of Kruschen Salts that lasts 4 weeks costs but 85 cents at all drug stores—take one-half teaspoon in a glass of hot water every morning before breakfast—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—that will help Kruschen take off your fat.

Take Kruschen every morning—it's the little daily dose that does it—if not joyfully satisfied after the first bottle—money back.

Use Cotton Body to Be Organized at Houston Fete

Austin, Texas, May 21—Through organization committee composed of more than a score of prominent Texans, preliminary steps toward organizing the Texas division of the Association for Increased Use of Cotton was launched today.

Call for an organization meeting to be held at 2 p. m., Friday, May 22, at Houston, at the height of that city's three day King Cotton festival, was issued by the committee.

The Texas division will work in cooperation with the national association formed recently at Atlanta, Ga., to encourage and promote the use of cotton in every conceivable way, to the end that a surplus, greater than any other in the history of the South, may be consumed and cotton restored to a fair price.

Bankers, merchants, chambers of commerce, women's organizations, clubs, farmers, all agricultural agencies and all others "desirous of bringing depression to an end, of preventing recurrent low prices, and of fostering permanent and profitable agriculture" were invited by the committee to attend the organization meeting or to communicate with J. E. McDonald, commissioner of agriculture, vice-president of the national association.

IN congratulating the winners in the great Camel contest we want at the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

We wish also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack as is evidenced by the notable increase in the sale of Camel cigarettes.

By means of this dust-proof, germ-proof,

moisture-proof Cellophane wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack all we ask is that you switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.

Old-Time Cowboys to Meet in Stamford on June 25, 26 and 27

Stamford, Texas, May 20.—Invitations to the second annual Texas Cowboy Reunion to be staged in this city, June 25, 26 and 27, are being broadcast to all who saw actual service on the range of West Texas prior to 1895. All who fall in that classification will be honor guests of the three-day program.

In addition to the get-together meetings that will be held for the pioneers during the reunion there will be numerous entertainment features including cowboy contests each afternoon and evening, square dances, old fiddlers contest, a group of ranch chuck wagons and numerous other attractions.

On the evening of June 26, all who qualify for membership in the old-timers organization will be guests at a chuck wagon supper, where a variety of early day dishes will be served. Arrangements for the entertainment of the pioneers is in charge of a committee headed by Col. E. L. Penick, who settled in Jones County in 1880.

According to A. C. Cooper, vice president of the reunion association, the entertainment program to be staged for the particular benefit of the pioneers of the range will be of interest and pleasure to everyone and he is expecting several thousand people here for the affair in addition to those who will be the honorees.

Only cowboys, who are actually engaged in ranch work will be allowed to compete in the rodeo contests. Last year there were 98 entrants in the program and W. G. Swanson, president of the organization, is expecting more than that number this year. The rodeo will be directed by "Scandalous John" Selmon, foreman of the S. M. S. Flat-top ranch, located near Stamford, well known among the cattlemen of the Southwest.

Work of providing better accommodations for the program of the reunion for this year than were available last year are under way, with D. E. Perkins in charge. A permanent grandstand is being created at the rodeo arena; a pavillion for the dances is to be built, and other improvements made during the next few weeks.

Last year over 300 of the early day citizens of the West Texas cattle ranges were here for the reunion. It is expected that at least 500 of those men and women will come this year to meet their friends of the past and enjoy the various features of the program.

Lefevre-Eubanks

At the Methodist Church in Foard City on May 7, Sunday, were celebrated the nuptials of Mr. I. A. Eubank and Miss Maude Lefevre; Rev. Worley of Thalia officiating.

The attendants were Mr. Archie Campbell of Crowell and Miss Mary Eubank, sister of the groom, Mr. T. Teel and Miss Armenda Lefevre, sister of the bride.

A large concourse of friends of the high contracting parties assembled to witness the happy cementing of their lives and destinies; among them being Messrs. T. M. Beverly and T. L. Hughston of this city, and also the following young people of Crowell: Misses Ragland, Magee, Perkins, and Aldrede and Messrs. Thompson, Beverly, Roark, Crowell and Klepper.

The Crowell Grocery Company's mule team entered themselves for the spring handicap Tuesday, and sprinted around the court house square and up towards the east end of town and would have circled back to the store if a meddling guy on horseback had not interfered with them. Free Trip to Chicago for Outstanding 4-H Livestock Workers

Chicago, Ill., May 21.—A free trip to the Tenth National Boys and Girls 4-H Club Congress and the International Live Stock Exposition in Chicago next December is the reward in store for the most outstanding 4-H livestock club members of 1931 in fourteen middle-western, north-western and southern states, according to the National Committee on Boys and girls Club Work.

The winners of these awards will be selected from club members enrolled in baby beef, swine and sheep club projects in the various states. This prize offer, which was inaugurated in 1919, is made by Armour and Company to the boy or girl club member having the best record in his livestock project in each of the following states: Florida, Idaho, Illinois, Indiana, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, Texas, Washington and Wyoming.

A previous winner of a trip to the National 4-H Club Congress is not eligible to compete for the Armour award.

Pictures show the three major prize winners in the Camel cigarette contest. James Thomas Sharkey, 32, a milkman in Boston, was the first prize of \$25,000; Mrs. Walter Sweet, mother of three children, wife of a Marine Corps captain stationed at the Brooklyn N. Y. Yard, won second prize of \$10,000, and Julius M. Nolte, real estate and former secretary of the Duluth Commercial Club, received the prize of \$5,000. In addition, five prizes of \$1,000 each, five prizes of \$500 each and twenty-five prizes of \$100 each were awarded.

The three fortunate prize winners will go to Winston-Salem, where Camel cigarettes are manufactured, to receive their checks.

The largest telephone booth ever built was in the White House during the administration of President Taft.

The average American family pays four times as much for groceries as it does for electricity, telephone, gas and street cars.

The 100,000 slaves who labored twenty years building the Pyramids developed the equivalent of the horse power generated in only seven weeks by the electric power companies of any one of several different American States.

Using the telephone, the director general of the Chilean Railways recently ordered four American electric locomotives valued at a half million dollars, the entire transaction being completed by conversation over thousands of miles.

Recent survey of available parking space in ten large cities of the United States showed there was curb space for less than 2 per cent of the cars registered in those cities. A New York survey showed 50 per cent of the public garage space vacant throughout the day and that it would require ten miles of street space to provide parking for employees in four new skyscrapers in the Grand Central district of the city.

Consumption of natural gas in the United States has increased from 300 billion feet in 1906 to one trillion, 800 billion feet in 1929. Texas is now leading all the States in production of natural gas, taking the lead from Oklahoma in 1930 with California, Louisiana and West Virginia following Oklahoma.

Even though Americans spend more than a million dollars a year on sports, some of them are not good ones.

WHERE THE MONEY GOES

It costs the average American family a little more than one-third of its income for food. The average wage earner has an income of \$1-513.29 a year, or just under \$30 a week, out of which he spends \$548.51 for food, according to the most recent statistical compilation of figures on the cost of living. Rent, whether in the form of maintenance and taxes on a home, or in actual rent paid to a landlord, averages a little over one-fifth of the total income of the average family. Clothing for the entire family, on the same scale comes to \$237.60, leaving \$385.04 out of this average wage-earner's income for miscellaneous expenditures.

That is substantially a quarter of the average worker's yearly earnings, out of which he has to pay doctor bills, cost of educating his children, all amusements, his life insurance premiums, if any, and everything else that he spends money for. On the same basis of figuring the average wage earner spends \$16.33 for automobiles. Since the cheapest automobile sells for around \$500, this means that only one wage earner in thirty buys a car in any given year. With ordinary care, however, even a cheap car will last for years. It is a safe assumption that at least one out of every ten wage workers in America owns an automobile.

Doctor's bills for the average family run nearly four times the cost of automobiles. Insurance accounts for \$43.28 a year out of the average family income. And after paying for all of the things already mentioned, this average American working man has \$90 a year left for cigarettes, Christmas presents or other unnecessary expenditures, besides putting \$78.93 in the savings bank.

Those are figures which cannot be matched anywhere else in the world. Nowhere has the man who works with his hands such a surplus above his actual living as he has in America. For that matter, no worker under any other flag has as comfortable living quarters or as good and ample food. It is this surplus of earnings above expenses that has enabled American workers to carry through a long period of depression and un-

employment without being reduced to beggary and starvation.

THE PEACETIME COST OF WAR

The whole subject of war and its cost has been brought into the arena of public discussion in the United States as a result of the recent meeting of the International Chamber of Commerce in Washington. As is always the case when the subject is discussed, everybody agreed that all nations are spending too much money on their military and naval establishments, but nobody was willing to commit his own country to a reduction in this terrific charge upon the taxpayers.

President Hoover, however, took the first step by summoning the Secretary of War and the Chief of Staff of the Army into conference and asking them to figure out ways whereby the cost of maintaining the military establishment of the United States can be reduced without impairing its efficiency. This is a move in a direction which most Americans will commend. There is no doubt in the world, in our own minds, that we are a peace-loving nation. The peoples and governments of other countries do not always believe us when we say that, but every American knows that it is true. Mr. Hoover, by reason of his Quaker birth and upbringing, is naturally opposed to war as the means of settling international disputes. And it is reported that he found the heads of the Army in accord with his desire for economy.

The money spent by the War Department in time of peace, is, of course, very largely for internal improvements. The development and dredging of harbors, the building of bridges, everything that has to do with keeping navigable rivers in their channels, and many other government engineering projects, are carried out by army engineers. There is no idea of cutting down on any of these activities, which are now providing employment for tens of thousands of men who would otherwise, perhaps, be out of jobs. Nor is it planned, according to the information from Washington, to reduce the army personnel. But there are expenditures in connection with the upkeep of the military establishment which, it is believed, can be reduced or suspended to result in a saving of between \$300,000,000 and \$400,000,000 a year.

Such a saving would go a long way toward making up the nation's billion dollar deficit, and it would also be a gesture toward the rest of the world in the way of proof that we have no immediate war-like aims.

THE HOMESTEAD AMENDMENT

He is a wise prophet who can forecast public reaction to every political proposal.

SUNKEN PILLARS

I went to a function where a brilliant young man received a distinguished honor. Fine speeches about him were made, and the mayor of the city presented a gold medal.

Back near the door sat a demure old couple who seemed ill at ease. Their faces were lined; their hands showed the marks of hard labor. They alone of all the guests did not wear evening clothes.

But when the young man came down from the platform he strode quickly across the room and, reaching the old couple, put his arms around them.

The audience cheered. I thought of Thomas Carlyle who, when fame came to him, looked back from the fashionable society of London to the rugged farm where he had grown up, and the humble parents whose self-sacrifice had made his career possible. Said he:

"I feel to my father, so great though so neglected, so generous always towards me, a strange tenderness peculiar to the case, infinitely soft and near my heart. Was he not a sacrifice to me?"

And he added: "I can see his life in some measures as the sunken pillar on which mine was to be built. Had I stood in his place, could he not have stood in mine and more?"

I thought of the father of Robert Burns and the "pains he took to get proper schooling for his boys, and when that was no longer possible, the sense and resolution with which he set himself to supply the deficiency by his own influence. For many years he was their chief companion; he spoke to them seriously on all subjects as if they were grown men; at night when work was over, he taught them arithmetic; he borrowed books for them on history, science, and theology. . . . He would go to his daughter as she stayed afield herding cattle, to teach her the names of the grasses and wild flowers, or to sit by her side when it thundered."

I thought of the father of John Stuart Mill, neglecting his own interests in order to work patiently at the education of his boy; of Thomas Lincoln, struggling to keep his poverty-stricken family together—of all the uncounted hosts of hidden father . . . "sunken pillars" . . . who suffered oblivion cheerfully in order that their sons might rise.

It would be fairer if every life could be measured by a double standard—first, by its own achievement; second, by the careers of its children. On this basis many obscure lives become glorious.

And many a medal, placed in the strong, achieving hands of brilliant youth, should be passed back to the gnarled hands of the little old couple sitting shyly by the door.

Ask any man who has become wealthy and he will tell you making money is not of prime importance, but they all get that way after they make it.

ECLIPSE SELF-SHARPENING LAWN MOWERS

TO SHARPEN

One simple twist of the wrist and the reel on an Eclipse Lawn Mower is reversed for sharpening. No changing of wheels or gears, no greasy hands. With this feature you will sharpen your mower while transporting it across your lawn.

TO ADJUST

An easily accessible thumb nut raises and lowers the cutter bar evenly from end to end. No wrench or pliers required. No danger of getting one end too tight, causing unbalanced wear on the reel and uneven cutting. In one minute adjustment for heavy or light grass can be made without tools or without turning the mower upside down.

There are other features about this machine that you will like. Let us show you the different sizes. A quality product reasonably priced.

Mrs. Allison

(Continued from Page One)
the sick and throughout her life in Foard County she did a great amount of work along this line. She practiced nursing before her marriage and her service along this line was always cheerfully given to those in need of it. One of the principal reasons that Mrs. Allison shall always hold such a warm spot in the hearts of all those who knew her was the fact that she so kindly gave her assistance to her many friends in many different ways, whether in grief, sickness or whatever the occasion might be.

At the election of officers for the senior class at the beginning of school, Mrs. Allison was elected as one of the class mothers, along with Mrs. W. B. Carter. She took an active interest in all of the class affairs and contributed much to the success and enjoyment of them. She put forth much effort to make the proposed two-day outing of the class a success and it was while on this mission of service for those who elected her as one of the class mothers that she lost her life.

Born in Texas
Mrs. Allison, originally Miss Amelia Pechacek, was born in Lavaca County, Texas, on October 28, 1882. In 1905 she moved with her parents to Jones County, near Hamlin, and two years later the family moved to Foard County and settled on a farm about seven miles northwest of Crowell.

On February 8, 1911, she was married to George Allison and to this union was born three children, two of whom died in infancy. Miss Frances Allison, her only child, is a prominent member of the senior class of this year and holds the position of secretary-treasurer in it.

Besides her husband and daughter, Mrs. Allison is survived by her mother, Mrs. Rosalie Pechacek, who lives on the original Pechacek place northwest of Crowell; eight brothers, four sisters. They are Rudolph, Adolph, Emil, and Albin Pechacek, all of Foard County; Bill Pechacek of Vernon; Henry Pechacek of Gonzales, and Joe and Charles Pechacek of San Antonio; Mrs. Joe Drabek, who lives near Crowell; Mrs. Joe Marek of Shiner, Mrs. August Marek of Yoakum, and Miss Louise Pechacek, who lives with her mother. Mrs. Allison's father, Joseph Pechacek, died in June, 1914. All of the brothers and sisters, with the exception of Henry and Mrs. Joe Marek and Mrs. August Marek, were here for the funeral.

Funeral Services
Funeral services were held Sunday afternoon at three o'clock in the local Catholic Church with Father Gerlich, priest of Vernon, officiating. Three songs, "Face to Face," "Lead Kindly Light," and "Nearer My God to Thee," were sung by Mrs. J. A. Huber of Vernon, who accompanied herself at the organ.

The crowd was one of the largest that ever attended a funeral service in Foard County and only a comparative few of those present were able to get inside the church. The greater part of those inside were relatives, pall bearers, members of the Senior class and school officials. At the cemetery the casket was opened and hundreds filed past it for a last view of the remains. After final services on the part of Father Gerlich, Rev. Woodie W. Smith, pastor of the local Baptist Church, made a short talk and concluded it with a prayer.

Active pall bearers were: the seven brothers present; Chas., Joe, Emil, Albin, Rudolph, Adolph and Bill Pechacek; Alton Bell, and Edgar Kimsey of Texon. Honorary pall bearers were: A. D. Campbell, J. H. Lanier Sr., Leo Spencer, W. F. Thomson, E. Swaim, H. L. Kinsey, M. F. Crowell and M. N. Kenner. The following were flower girls: Alysie Lanier, Josephine Griffith, Lella Ben Allee, Evelyn Sloan, Anabel Carter, Idah Pearl Harris, Kathryn Crowell, Leoma Knox, Dessa Housouer and Ludell Green.

THE WORLD IS PROGRESSING

A sign of old age is looking behind,
Of reviving old methods of every kind,
Of believing the world will go on the rocks,
Unless children mind and wear different frocks;
But the fact really is the world's moving on
As it always has done since earliest dawn;
And the way to keep young is to keep in the race,
And to move with its progress, not backward face.

The world is progressing, will not come to grief.

CHURCHES

Christian Science

Sunday, 11 a. m. and 8 p. m. Subject for Sunday, May 24, "Soul and Body." Sunday School at 9:35. Wednesday evening service at 8:00. The public is cordially invited.

First Christian Church

Last Sunday's attendance was above the hundred mark. Let's keep it there and realize our goal of one hundred average for the year. The pastor preached the baccalaureate sermon at the Truscott High School last Sunday. Bro. Long taking his place here. We have heard many fine things about Bro. Long's sermon.

"It is high time to awake" will be the subject of the sermon next Sunday morning as the first of a series of sermons leading up to and preparatory for the revival in August when Dr. Packard comes to assist us. "The Wages of Sin" will be the second of the series. The whole series will carry the theme—"The Harvest Is White."

A report of the State Convention at Wichita Falls will be given next Sunday evening and a brief presentation of one of the fine addresses of the convention, "Christianity and the Ordinary Man," by Dr. Edgar DeWitt Jones, pastor of the First Christian Church of Detroit, Mich. We can but put a small part of the force and power into the message as compared to Dr. Jones, yet it is a wonderful message and one you will enjoy. Come and hear it.

Pray, study, work and Christ will be glorified and His kingdom advanced.

C. V. ALLEN, Pastor.

Baptist Church News

Last Sunday was a worthwhile day in Baptist ranks. The pastor spoke at the morning hour on "Christ Our Saviour." At the evening hour Major Macke spoke, using the theme, "Legion." The Major is here in the interest of the American Legion.

The Sunday School was fine and the training service was wonderful. The Senior Union of Vernon First Church had charge and gave us a great program. We hope they will come again soon.

There were three additions to the church during the day. One fine young woman for baptism and a fine man and wife by letter. We welcome these friends into our fellowship.

Next Sunday: Sunday School at 9:45; preaching at 11 and 8; B. Y. P. U. training service at 7. All are invited to come. Let us make next Sunday a banner day for the cause we love.

The Worker's Council will meet next Tuesday with the Thalia Baptist Church. A goodly number from our church will be expected to attend.

Don't forget next Sunday and find your way into one of the departments of our Sunday School and study the word of God with us. A proper place to spend Sunday. Come and welcome.

T. E. L. Class

The T. E. L. Class met in the home of Mrs. W. W. Smith on Thursday afternoon, May 14. Mrs. W. W. Smith, Mrs. Roy Hanna and Mrs. Frank Moore were hostesses.

The meeting opened with a song, "Jesus Paid It All." Mrs. Moore read a scripture from the twelfth chapter of Romans. After the business session Mrs. Rader led in prayer.

Two contests were enjoyed very much by all. A delicious plate of refreshments, carrying out our class colors, Nile green and white, was served to 12 members and one visitor.

We adjourned to meet again the second Thursday in June.—Reporter.

Sunday School Lesson

International Sunday School Lesson for May 24 JESUS PREPARING FOR THE END Luke 22:7-23 Rev Samuel D. Price, D. D.

At all times Jesus of Nazareth was loyal to His Jewish extraction. He observed the Sabbath, made full use of the synagogue and kept the Hebrew feasts. His work during recent weeks had the Jewish Passover as its objective. Preparation was made on Thursday of what we now call Holy Week. With His disciples He proceeds to Jerusalem and instructs how they may find the room where they will keep the feast. It was easy to find a man bearing a pitcher of water, whereas water carrying was the job for women. It is thought that John Mark was the young man and that he led them to the house of his mother, Mary.

A most significant act took place when Jesus washed the feet of all, since each one of the disciples purposely avoided this customary duty lest he appear to belittle himself and have a lesser place in the Kingdom they expected the Leader to establish. Following the Passover meal and the departure of Judas, Jesus performed one of the few acts that deals with organization. He took some of the unleavened bread and gave to it the significance of His body that was about to be yielded up on the cross. The cup typified His shed blood. These emblems were to be taken by His disciples throughout all time as memorials of the gift of Self on the cross on the morrow. Thus we have the sacrament of the Lord's Supper, through which we make confession of Christ as our Savior. Read the table conversation in John 14, 15, 16, and not the prayer of Jesus in that upper room as recorded in chapter 17. "This do in remembrance of me" is the abiding command to all believers.

SERMONETTE

THE CHILD

By Arthur B. Rhinow

A young mother stopped her baby-carriage, tilted the hood, gently drew a dainty, lacy covering aside, and asked me to admire her first-born. I did, but I saw more than a child. I saw a miracle. Every child comes to us trailing clouds of glory.

The story is told of a little six-year-old gazing at his baby brother in the crib.

"Come now," he urged, "and tell us all about God before you forget." He had been told that the baby had come from God. We feel like joining in the request, for we are struck with the wonder of it all.

Children ever remind us of our ideals. We want them to have the very best; not only the best that money can buy, but also the best that money cannot buy, that best that we cannot give unless we honestly try to be our best. Character, rooted in faith, is the best of gifts, and we cannot give that unless we have it.

No one can truly love a child without becoming a better man or wo-

man. Mothers have forsaken the pursuit of vain pleasure for the good of their children; fathers have learned to pray because they have learned the responsibility of parenthood to bear without God's help. We need the Father to be true to our child.

A woman of the world brought her life until she was told that her daughter was following in her steps. Then she recoiled and asked the Lord to help her child.

University professor says that is not far distant when man and mals will talk to each other. That time arrives, there's a dog we know of that's going to his feelings hurt.

McCORMICK-DEERING HARVESTER-THRESHER and SERVICE

—The Soundest Investment in the Combine Field!

PURCHASE of a harvester-thresher is a very important investment. You are buying it for 10 years or more of harvesting. Each year will be exactly as important to you as this first year. That is why combine service is just as valuable and vital to you as the combine itself. Be sure you get both!

Buy a time-tried, efficient McCormick-Deering Harvester-Thresher, coupled with our assurance of branch house and dealer service—right here in your own community—to back you for the full life of your machine. If you can't count on both the machine and the permanence of the service when you buy you will make a costly mistake, no matter what price you pay.

Sometimes the lack of even a small part, of trifling cost in itself, may mean disaster at the height of the harvest-time rush—but not with McCormick-Deering. We maintain a service of great cash value, substantial stocks of genuine IHC repair parts, fast handling in any emergency, never-failing aid close at hand year after year. This assurance, which may in time save you many hundreds of dollars, can be had in the McCormick-Deering investment.

The McCormick-Deering Harvester-Thresher is the surest, soundest, most economical investment in the combine field today, and it is also the easiest to buy. Under the newly announced McCORMICK-DEERING HARVESTER-

THRESHER SAVINGS INVESTMENT PLAN, you or any other responsible grain grower can buy a McCormick-Deering Harvester-Thresher now and meet your first payment after harvest with just a part of the savings made possible by the new machine—with two more years to pay the balance.

Crop production cost figures compiled by McCormick-Deering users show savings of 20 cents or more per bushel, and show conclusively that the harvester-thresher will pay for itself in two or three years. Make these savings in your own crops and in custom work... and count on the permanence of McCormick-Deering service.

See the McCormick-Deering dealer in your own community for labor-saving power and machines essential to profitable handling of this year's crops. Keep in mind that McCormick-Deering Tractors—10-20, 15-30, and Farmall—and tractor-operated equipment may be had on terms arranged to help you begin at once cutting the costs of your operations and increasing your profits.

Investigate Our New Savings Investment Plan

IN MEMORIAM

We, the Seniors of '31, have collectively and individually suffered an irreparable loss in the untimely death of our friend and class mother, Mrs. George Allison. All through our school days her heart and her home have been open to us, unreservedly. Whenever we have needed help we have always known we could find it with Mrs. Allison. She gave of herself unstintingly to the demands we made of her. She died helping us. Whether it was party picnic, or program, the class was planning, she was always ready to help with her work and suggestions, even before we asked her. Our joys were her joys; our sorrow her sorrow. Each of us loved her, and shall always miss her. That we, in our lives, might uphold the ideals of usefulness and love that she set before us, is our desire.

Thanks

As sponsor of the High School News, I should like to thank all those who have made this publication possible.

First, The Foard County News, for the space they gave us each week. It is a great favor you have done for us and I am sure the whole high school is grateful to you.

Then, to the public, for your great interest. If you have liked it, we are glad, and next year we hope to please you more.

To the editor of the News, Lella Ben Allee, goes much praise. She has been a most faithful worker, and without her the task would have been much more difficult. Evelyn, as assistant, has worked right by her side.

The following reporters have been largely responsible for this publication, and I should like to express my appreciation to them: Jim Lois Gafford, Bonnie Cogdell, Merle Smith, Jo Roark, Leslie Thomas, Josephine Griffith and Harold Hinds.

There is the Owl, too, who has probably done most of all, for we are not always interested in the mysterious. Thanks to you, Mr. Owl, and we hope you will occupy your perch again next year.

To others, Mr. Black, the grammar school students and faculty, high school faculty, and high school students, we are grateful.

perhaps gladness, to the day not far away when time will draw its curtain on their part in this school, and the Swan song to their career as students in this institution will be sung as they pass across the stage for their diplomas. True, there will be some few who will return for graduate work and perhaps win. Some may return as teachers, but to the majority graduation means exit.

Those who have upheld the glory of the school on the stage, in athletics, and those that have achieved honor and distinction for themselves and for the school in scholastic work, to the whole Senior class who as one, has greatly worked for the advancement of the school who have won an everlasting place in the hearts of the students we wish to extend our good wishes for their progress in the world to which they graduate. May they realize they are finishing yet just beginning.

PERSONALS

The Seniors are so sorry that they could do no more than wish Mildred Callaway a speedy recovery. The class and Henry Black gave to her a pretty pot plant.

To show their love and appreciation for what Mrs. W. B. Carter has done a beautiful pot plant of dwarf roses was presented to her by the Seniors of '31 and Henry Black.

WE THANK YOU

The Seniors wish to express their sincere thanks to Margee Toggery, faculty, T. B. Richmond, George Self and class mothers for what they have done during our last year in high school. We cannot name all the people that have helped us during this year but we can say that we have enjoyed and appreciated all that you have done and shall never forget the things you did for the Seniors of '31.

FACULTY ENTERTAINS

Last Thursday evening the entire faculty of the Crowell Schools returned the social that was extended to them early in the season, with a theatre party. The show was very

amusing and was greatly enjoyed. During the show popicles were given to each member present.

Many Score 100 Per Cent in Music Memory

Two hundred and sixty pupils scored one hundred per cent in the Music Memory Contest which closed recently in the grammar school. Each pupil in both the primary and intermediate departments took part in the contest. The work had been conducted as music appreciation for a number of weeks preceding the contest. Various activities were featured in connection with the contest preparation, the outstanding one being the musical program given in grade school assembly shortly before the contest closed. Prizes, small pins, will be given each individual making one hundred per cent in the contest.

The music memory contest has been conducted annually in the Crowell schools for seven years and has been sponsored each year by the Columbian Club.

Let's have a SHOWDOWN on this matter of TIRE Comparisons

WITH all the conflicting claims published about tires, it is obvious that misleading statements are being made. The only conclusion that you as a tire buyer can draw is that either we, as Firestone Dealers, are misrepresenting Firestone products, or that a certain mail order house is not telling the truth about theirs. Both can't be right—one or the other is misleading the public by their comparisons.

Firestone, in their advertising, only make comparisons that can be easily verified by the customer before buying tires. To attempt to substantiate the comparisons made by this mail order house, it would be necessary to go into a laboratory and employ experts.

The very reason that the comparisons made in Firestone advertising enable you to get the facts yourself, makes it unnecessary for Mr. Firestone to make affidavit on the truth of his statements or to file any complaint with the Federal Trade Commission, and then advertise it, in an attempt to lead the public to believe his statements were true.

Mr. Firestone doesn't ask you to accept comparisons about Firestone Tires and special brand mail order tires until you see the facts yourself. Neither do we. All we ask is that you make your own comparison.

We have cross-sections cut from special brand mail order tires purchased from stocks of mail order house and from Firestone Tires—no "tricky" or misleading comparisons—come in today and make your own comparisons for Quality, Construction, and Prices. YOU and YOU ALONE be the judge!

NEW OFFICERS INSTALLED AT MEETING OF COUNTY FEDERATION AT MARGARET

The Foard County Federation met at Margaret with the Home Demonstration Club of Margaret as hostess club.

Mrs. Schindler led the opening songs after which all united in the Lord's Prayer.

The morning session was devoted to business and the report of district convention at Memphis given by Mrs. Agnes McLaughlin.

At noon a very beautiful lunch was enjoyed by all. The afternoon session was opened by the installation of the new officers. Mrs. T. W. Cooper, president; Mrs. M. S. Henry vice-president; and Mrs. Pete Bell secretary-treasurer, were the officers elected.

With Mrs. Henry as leader the following program was given:

Household Linens—Mrs. Henry. Zane Grey—Mrs. Chas. Ferguson. The Bible in Art—Mrs. George Self.

The Health Program for Foard County—Mrs. Kincaid.

This was one of the most interesting programs that has ever been given at the Federation meetings and was thoroughly enjoyed by all.

At the close of the regular program several impromptu talks were given and the meeting was closed with Mrs. Speck leading the assembly in singing, "The More We Get Together."—Contributed.

JOHN WESLEY OF MARGARET CELEBRATES 91ST BIRTHDAY

Throughout the day Monday, May 18, a number of relatives and friends visited John Wesley at his home in Margaret to congratulate him on his 91st birthday. Mr. Wesley is one of the most widely known men in this section of Texas, having lived in this section continuously since 1880 when he and his wife, who is still living with him, first came to this part of the state. They are regarded as the first citizens of what is now Foard County.

Relatives present during the day were a daughter, Mrs. W. H. Grimm, and husband, of Guyton, Okla. They were accompanied by their daughter, Lois, and small grandson, Bobbie Byers, and another daughter, Mrs. Con Gilliland, and husband and three sons, the sons being great-grandchildren of Mr. Wesley.

Mrs. Loretta Magill of Kansas City, Mr. Wesley's youngest daughter, and Mrs. Margaret Trout, a granddaughter, and her young daughter, Helen, were other out-of-town relatives present. Geo. C. Wesley and family, Fred Taylor, John Taylor, Garland Taylor and H. A. Wesley, all of Margaret, were other relatives present.

Mrs. Fannie Bond of Vernon and Mr. and Mrs. W. A. Dunn of Margaret also spent the day in the Wesley home.

Numerous congratulations from Connecticut, New York, New Jersey, Pennsylvania, Illinois, Kansas and other states were received from relatives and friends. Announcement of Mr. Wesley's birthday was also made from New York City over the N. B. C. network early Monday.

It was planned to have the gathering at Mule Creek, where Sul Ross fought the Comanche Indians and captured Cynthia Ann Parker, but due to unsettled weather, it is proposed to have the fish fry later.

ADELPHIAN CLUB REPORT

The Adelpian Club met at the home of Mrs. Fred Rennels May 13, with Mrs. George Self leader.

The feature for the afternoon was the history of the Adelpian Club presented in the form of a playlet.

The one charter member present, Mrs. Mark Henry was presented with a lovely corsage in appreciation of the work she has done in the club and in the district.

Miss Frankie Kirkpatrick gave a very interesting report of the district meeting of Federated Clubs which met in Memphis in April.

A lovely refreshment plate was served to club members and Mrs. John Mayberry of Sayre, Okla.—Reporter.

ATTEND SCHOOL REUNION

Mr. and Mrs. Jimmy Doolen attended the meeting of the high school alumnae at Mangum, Oklahoma, last

Friday. Both are graduates of Mangum High School. They reported that former students were present from various parts of the nation with a total attendance of over four hundred. The Mangum High School Alumnae Association is said to be the largest active high school alumnae association in the United States. Mr. Doolen is a former president of the association.

OFFICERS FOR CROWELL PARENT-TEACHERS ASS'N. INSTALLED TUESDAY

The final meeting of the Crowell P. T. A. for the present term was held in the High School Auditorium on Tuesday afternoon. Mrs. R. R. Magee presided in the absence of the president, Mrs. A. D. Campbell.

Mrs. S. T. Crews' music pupils rendered a splendid program of piano and harmonica numbers. After the musical program the business was dispensed with and the officers for the year 1931-32 were installed by Mrs. R. L. Kincaid, president of 13th district, in an impressive way.

Mrs. Clint White was installed as president, Mrs. Sam Y. Beverly as secretary and Mrs. Jno. Long as treasurer. After a few words of thanks from Supt. I. T. Graves for the efforts of the P. T. A. during the term, Mrs. White made a short talk on "Life Membership, explaining what it is, and that the money therefrom is used for extension of P. T. A. work. She stated that a life membership had been pledged by the delegate at the Wichita Falls District meeting for Mrs. R. L. Kincaid.

The next meeting of the local unit will be held next fall with the opening of school.

MRS. KINCAID INSTALS VERNON P. T. A. OFFICIALS AT MEETING LAST THURSDAY

Mrs. R. L. Kincaid of this city, president of the Thirtieth District Parent-Teachers Association, installed officers of the Vernon High School and Junior High School Parent-Teachers Associations for the new school year at a joint installation ceremony held at the junior high school auditorium in Vernon last Thursday afternoon.

Mrs. Kincaid made a talk on the duties of the officers and co-operation of the parents in connection with the installation services.

NUTRITION SPECIALIST OF A. & M. COLLEGE HERE FOR DEMONSTRATION MONDAY

The home of Mrs. E. A. Dunagan in the Gambelville community was the scene of a demonstration that was given Monday by Miss Leola Cox Sides of College Station, nutrition specialist for the A. and M. Extension Service.

Miss Sides stressed the importance of a protective diet, especially a non-mellagria diet. While here she was accompanied by Miss Dosca Hale, home demonstration agent, in visiting the 4-H pantry demonstrators of the county.

VIVIAN CLUB

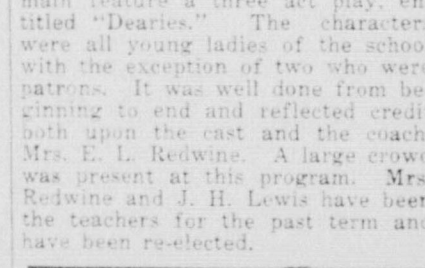

The Vivian Club met May 14 with Mrs. Henry Begg as hostess. Our subject was "Milk, the National Drink." Miss Russie Raspberry led the program. After the program Miss Hale gave a demonstration on how to make American cheese. We were all very anxious for the demonstration and we had 26 members and 14 visitors and Miss Hale present.

We will meet with Mrs. Frank Kirkman on May 28.—Reporter.

FISH SCHOOL BROUGHT TO CLOSE WITH PROGRAM FRI.

The Fish School was brought to a close last Friday and on Friday evening a splendid program was given on a stage improvised on the school grounds. There were dialogues and marches and drills with the main feature a three act play, entitled "Dearies." The characters were all young ladies of the school with the exception of two who were patrons. It was well done from beginning to end and reflected credit upon the cast and the coach, Mrs. E. L. Redwine. A large crowd was present at this program. Mrs. Redwine and J. H. Lewis have been the teachers for the past term and have been re-elected.

DRESS CONTEST TO BE HELD IN CROWELL MAY 29

Miss Dosca Hale, home demonstration agent, has requested that all women entering the street dress contest here next Friday, May 29, to bring their dresses to her office on Thursday, the day before the contest.

A program in connection with the contest is to be held and will begin at 10:30 o'clock in the morning in the district court room. Each home demonstration club of the county is to furnish two numbers.

A covered dish luncheon is to be served at noon. After the lunch the contestants will put on their contest dresses and march before the judges and others in attendance.

Besides the home demonstration club women, Miss Hale stated that it is hoped that at least five girls from each girls' club in the county will take part in the contest.

Wall paper for five rooms and material and paint for a 4-H party are being offered as prizes in the contest by Wm. Cameron Co.

The following score card will be used in judging the dresses: suitability of garment to purpose—10 points; material and trimmings—10; originality, beauty of design—15; workmanship—15; appearance—15; laundering possibilities—5; pressing—10, total—100.

MRS. I. T. GRAVES PRESENTS PUPILS IN EXPRESSION RECITAL

A pretty and interesting program of the spring season was that on Tuesday evening in which Mrs. I. T. Graves presented her expression pupils in recital. The first part of the program was given by individual members of the expression class, readings by J. M. Hill, Fred Allen Beverly, Wanda Rose Liles, Helen Harwell, Frank Hofues, Clark Rennels and Dan Hines Clark, a piano solo by Peggy Thompson, and a musical reading by Clark Rennels.

"The Importance of the Creature," a skit given by Jim Lois Gafford and Dan Hines Clark, completed their visit.

NUTRITION SPECIALIST OF A. & M. COLLEGE HERE FOR DEMONSTRATION MONDAY

The home of Mrs. E. A. Dunagan in the Gambelville community was the scene of a demonstration that was given Monday by Miss Leola Cox Sides of College Station, nutrition specialist for the A. and M. Extension Service.

Miss Sides stressed the importance of a protective diet, especially a non-mellagria diet. While here she was accompanied by Miss Dosca Hale, home demonstration agent, in visiting the 4-H pantry demonstrators of the county.

VIVIAN CLUB

The Vivian Club met May 14 with Mrs. Henry Begg as hostess. Our subject was "Milk, the National Drink." Miss Russie Raspberry led the program. After the program Miss Hale gave a demonstration on how to make American cheese. We were all very anxious for the demonstration and we had 26 members and 14 visitors and Miss Hale present.

We will meet with Mrs. Frank Kirkman on May 28.—Reporter.

FISH SCHOOL BROUGHT TO CLOSE WITH PROGRAM FRI.

The Fish School was brought to a close last Friday and on Friday evening a splendid program was given on a stage improvised on the school grounds. There were dialogues and marches and drills with the main feature a three act play, entitled "Dearies." The characters were all young ladies of the school with the exception of two who were patrons. It was well done from beginning to end and reflected credit upon the cast and the coach, Mrs. E. L. Redwine. A large crowd was present at this program. Mrs. Redwine and J. H. Lewis have been the teachers for the past term and have been re-elected.

Mayor of Liverpool

British mayors believe in dressing the part. Lord Edwin Thompson met Jimmy Walker of New York, in the above robes.

Champion Speller

Sylvia Diederich won a spelling bee from forty thousand Chicago school children, and a trip to Washington as the prize.

Quannah and Electra to Play Here This Week

Crowell defeated Eldorado, Oklahoma, 8 to 6 in a baseball game at Eldorado Sunday. William Bell pitched for Crowell and struck out ten men during the game. Only three balls were lifted from the infield by the opposing batters. Everett Meason of Crowell was the only person to secure a home run in the game.

Two good games are expected here this week-end when Crowell plays Quannah here Saturday and the Texas Co. team of Electra on Sunday. Both games are to start at 3:30 o'clock.
