## COLD WEATHER CONTINUES IN FOARD COUNTY

Winter weather has existed in Foard County for nearly two weeks now, however, a hard freeze has not yet resulted. A thin coat of ice has been noticed on a few mornings. Exceptionally heavy snows have fallen in the southwester part of Texas and on the Plains, however, no snow other than a few flakes, have fallen in Foard County yet. Rain Saturday night amounted to .61 of an inch. One-tenth of an inch fell again Monday night, bringing the total rainfall for November to 3.36 inches. October rains amounted to 3.65 inches. There was no rain in September, thus the total rain for the fall is 7.01 inches. A few wet frosts have resulted in the past week, the first one coming last Friday.

## Dick Todd Elected Captain of Crowell 1932 Football Team

Dick Todd, flashy quarterback of the Crowell High School football team for the past season, was elected captain for 1932 by his teammates Monday morning. This was Todd's first year on the squad, however, he played like a veteran and local fans look upon him as the brightest football prospect in the history of Crowell High School and expect his work in the future to overshadow the great playing of his older brothers, Guy and John, who have done much to make football history for Crowell. He was just a freshman this year.

Dick was one of the outstanding punters of the district during the past season. Time and again he punted around 45 yards. His outstanding punt of the season, and no truer this year was against Chillicothe. Standing behind his own goal line he took Crowell out of a very dangerous position by punting sixty-six yards. The punt covered that distance from the line of scrimmage, however, it was even longer than that as he was near the sideline and the ball rolled out-of-bounds on the other sideline. He is also an outstanding ball carrier and passer. With Todd as captain and about half of the squad returning for the team next year, fans are looking forward to another successful season.

## RETURNS TO MEXICO

Mrs. J. H. Shults, who is visiting her son, Grady, in Dallas, informs The News that her son, Garland, has returned to Mexico City, after being released from a Fort Worth Hospital, where he had been for the past several months as the result of an injury that he received to a foot while in Mexico. Mrs. Shults stated that Garland's foot was doing nicely, although he was still on crutches.

## E. J. SMITH ENTERS CANDY MANUFACTURING BUSINESS

E. J. Smith of this city has started the manufacture of candy here and is now selling his product to business institutions in Foard and Knox Counties. He has started out on a small scale and is now specializing on nut candies, especially peanut patties. He stated that other lines would be added as condition justified.

## First Basketball Game Here Saturday Night

The first basketball game of the season will be played in Crowell at the local gymnasium Saturday night between the Crowell High School and Kings High School of Hardeman County. The game is to start at 7:30 o'clock. The admission is 10c and 20c. Those who are reporting for basketball practices are: Bill Middleton and John Todd, last year regulars; Harold Hinds, J. M. Crowell, Lorain Carter and Dick Todd, members of last year's squad, John and Furd Glover, Mitchell Allee, Fred Spears, Leslie Thomas, Dan Hines Clark, Hubert Smith and Stanley Tinker. Tinker played with Williams High School of Hardeman County last year. Coach Grady Graves is arranging a strong schedule for the local quintet and games have already been arranged with Nocona, bi-district champions of last year, Childress, Olney, Electra, Quanah and others.

## CROWELL IN DANGER OF LOSING 15 PER CENT FIRE INSURANCE CREDIT IF DECEMBER LOSSES ARE HEAVY

Unless fire losses in Crowell during December are exceedingly low, this city is in danger of losing the fifteen per cent good fire record credit that has been given Crowell for the past three years, according to a letter received by Mayor C. T. Schlagal from J. W. DeWesse, Texas fire insurance commissioner. Fire losses in Crowell for the first ten months of 1931 amount to approximately \$13,737.00, which is over twice as much as insured losses for this city for all of 1930, according to reports of the local fire marshal to the State Fire Insurance Department. Citizens of Crowell have saved approximately \$7,772.00 during 1929, 1930 and 1931 as the result of the fifteen per cent credit. Crowell is now in danger of losing this credit for 1932. The letter from the Fire Insurance Department follows: Hon. C. T. Schlagal, Mayor, Crowell, Texas. Dear Sir: According to the official fire reports we have received from the local Fire Marshal of your city, your city has suffered a fire loss for the first ten months of this year of approximately \$13,737.00 which is over twice as much as your insured fire losses for the year 1930. The records of this Department show that your premiums and losses for the last two years have been as follows:

Year	Premiums	Losses
1929	\$15,728.54	\$2,838.75
1930	14,059.25	6,800.00

During the years 1929 and 1930 Crowell received a 15 per cent Good Fire Record Credit which means that during these two years your citizens saved approximately \$5,291.00 in insurance premiums. During this year, 1932, your city is again saving \$2,481.00 in insurance premiums. The total amount saved by your citizens during 1929, 1930 and 1931 in insurance premiums amounts to approximately \$7,772.00. However, judging from the amount of your 1931 fire losses thus far, it appears that there is some danger of your city losing part of its Good Fire Record Credit for the year 1932. However, we are hoping that your December losses will be exceedingly low. We will appreciate your advising this Department by return mail just what steps are being taken by your city to bring about a reduction of your fire losses. We can see little excuse for so many fires occurring in some of our Texas cities and towns and know that they can be stopped if the proper efforts are put forth. We are of the opinion that your city officials are interested in keeping this 15 per cent Good Fire Record Credit for your city. Awaiting your reply, and with best wishes, I am Very truly yours, J. W. DEWESSE, Fire Insurance Commissioner.

## New Pavement Opened In Cottle on Hi-way 4

Curtis Ribble of this city, superintendent of maintenance for the State Highway Department for Foard and Cottle Counties, has informed The News that 8.5 miles of concrete pavement north of Paducah on Highway 4 has just been opened up. Construction has also started on two bridges over North and South Peace River north of this pavement. The remaining 14.5 miles to the Childress County line will likely be paved next year, Mr. Ribble said.

## FIRST AUTO LICENSE

The first auto license for 1932 to be issued from the tax collector's office was secured Tuesday, Dec. 1, by J. Henry Lewis, principal of the Fish school, according to R. J. Thomas, collector. The license plates this year are bright green with white numbers and start at 465-001. The letters preceding the numbers such as D6-8797, have been left off of the license plates this year. The truck license plates for Foard are yellow with green numbers and are in the 81-000 division.

## LETTERS GIVEN TO 17 MEMBERS FOOTBALL TEAM

Black sweaters with a large gold letter "C" were presented to seventeen members of the Crowell High School football team by Supt. I. T. Graves at the regular assembly period Monday morning. Those receiving sweaters were: Melvin Joy, Lester Patton, Lorain Carter, Gerald Knox, Dan Hines Clark, George Fox, Hubert Smith, Doyle Carter, Lewis Gibson, Dick Todd, Mitchell Allee, Roy Mullins, Crews Cooper, Bill Middleton, J. M. Crowell, Recie Womack, and John Todd. Womack and J. Todd received their fourth letters. Cooper, Fox and Middleton have lettered three years, while two letters have been received by Allee, Knox, Mullins, Crowell, Smith, Gibson and Clark. Those who lettered for the first time are:

## PRODUCTION OF COTTON IS FAR ABOVE '30 CROP

Total cotton ginnings in Foard County to the present time have more than doubled the total production for 1930, according to figures from the Bureau of the Census at Washington. Cotton ginned in Foard County prior to Nov. 14 amounted to 9,709 bales, compared with 3,253 bales at the same period last year. The total production for last year was 4,429 bales. The cotton production in counties of this area for this year and last year, prior to Nov. 14 of each year, follows:

County	1930	1931
Cottle	18,540	4,720
Hardeman	23,203	8,515
Wilbarger	37,749	20,675
Knox	27,381	19,388
Childress	22,641	6,568
Wichita	17,780	10,940
Baylor	8,720	6,195
King	3,558	1,190
Foard	9,706	3,253

In Cottle the production is four times that of 1930. In Foard, Hardeman and Childress the production out triples that of last year, while substantial gains are shown by the other counties. Baylor County's increase is not as impressive as that of the other counties of this area.

## Excellent Report Is Made by Mrs. Erwin

The following is the 4-H Pantry report that has been given Miss Dosca Hale, home demonstration agent, by Mrs. Kelly Erwin: Last spring when I accepted the offer of Pantry Demonstrator of the Wilmadousis Home Demonstration Club I began to lay plans for a better garden and hence more canned products for my pantry. I planted my first garden in February, such as onions, potatoes, english peas, and green beans. This year the freeze came, then another and on until I had planted three gardens. By this time I was a little blue over my prospects for I had rather risk early gardens than late gardens in West Texas. My English peas came on enough to supply the table for three or four weeks, also a few green beans and blackeye peas. I had about four stands of beets so I began to thin them out and can them very small. I had a nice row of carrots across the garden, which furnished me plenty through the summer for salads. I had fresh onions every day until July when I dug them and had over two bushels to store. I had about one half bushel of potatoes. I canned thirty-four quarts of beet pickles and exchanged one bushel of beets for one bushel of cucumbers and canned thirty-four quarts of cucumbers. Then I gave friends the remainder of beets. I began to can peas and corn on the shaves until I had canned ninety-seven quarts of corn and two hundred and ten quarts of peas. I bought enough peaches to can nineteen quarts and enough pears to can nine quarts and nine quarts of preserves. I had fifteen quarts of plums left from the year before. Early in the year I canned ten quarts of beef. I also can quarts of kraut. I had thirteen cans of greens, fifteen quarts of plum butter, and ten pints of chow chow from last year's canning. About the 10th of September I went out to Floydada to can. I canned one hundred fifteen quarts of vegetables, tomatoes and tomato preserves. I brought back several large pumpkins and canned twenty-one cans of pumpkin and seventeen cans of sweet potatoes. I canned ten pints of grape marmalade, two pints of sweet peppers, four quarts of hot pepper, eleven pints of pinto beans and six hundred and sixty-eight cans of vegetables, meats, preserves and fruit, along with two and one-fourth bushels of dried peas that I went to the sand and gathered on the halves. In all I have about five. I raised about fifty friers and have an adequate supply of milk, butter and eggs. I got a recipe file with tickets saved from one of my local stores and began collecting recipes, being careful of my selection. I attended several lectures on adequate diets from A. & M. experts adding such recipes as they gave us to better the health of our families. Miss Dosca Hale, our Home Demonstration Agent, also gave us a demonstration on the adequate diet. I never add a recipe that calls for expensive foods as there are plenty of (Continued on Last Page)

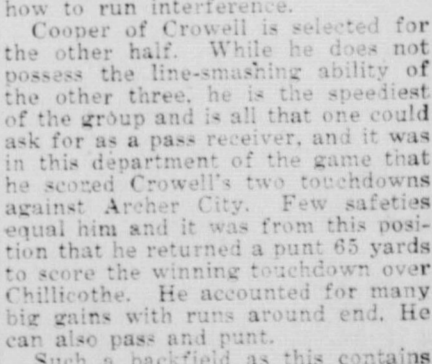

## ALL-DISTRICT 3 FOOTBALL TEAM CHOSEN BY NEWS

Pos.	Player	Team
L. E.	R. Wright	Olney
L. T.	J. Todd	Crowell
L. G.	Vaughn	Olney
C.	B. Hays	Archer City
R. G.	Womack	Crowell
R. T.	Bryarly	Burkburnett
R. E.	D. Carter	Crowell
Q. B.	Graves	Olney
L. H.	Ramsley	Chillicothe
R. H.	Cooper	Crowell
F. B.	Duckworth	Olney

With sincerest apologies to any of the more than one hundred players on the first string squads of District 3-B to whom we may have done an injustice, The Foard County News submits the above as the list of gridiron warriors that it conscientiously believes should constitute the mythical eleven. We have seen everyone of these players in action against Crowell, or with Crowell. We have kept up with their records in other games through news stories and through personal contact with boys who have participated in games with these players, together with statements from coaches. In making the above selections we have tried to forget that we even lived in Crowell and that we should let merit alone govern our selections. What the players did, and not what they were capable of doing, and failed to do in the district games, is what counted. Olney and Crowell have four men each on the above team, with Chillicothe, Archer City and Burkburnett having one each. Olney and Crowell are not given a majority of the players just because they had the best teams in the district, but because we feel these players were the best for their positions. We do not mean to say that Crowell has just as good a team as Olney when we give each of those clubs four men each on the all-star eleven, for we know that there is no doubt about Olney having the best team in the district, as its championship indicates. We believe that Ramsey of Chillicothe was the outstanding backfield man of the district and that John Todd of Crowell was the outstanding lineman. We nominate John Todd for the honor of being the "Most Valuable Man" of the district. Graves, Quarterback Graves of Olney is chosen as the team's field general. He is a wonderful ball carrier, fully capable of smashing the line or circling the ends. It was his smashing line crash that gave the Cabs their only touchdown against Crowell. He can pass well and we believe his generalship was the best in the district. On the defense, Graves played in the line and aided greatly in keeping Olney's goal line unbreached. Ramsey of Chillicothe played a quarterback on his team, however, we place him at half because we believe Graves is the better field general. Few high school players anywhere can consistently gain through the line or pass better than Ramsey. He is also a good punter and is a whale of a defensive man and blocker. Duckworth, Olney's giant fullback, is selected for this position. He possesses plenty of ball carrying ability, is an excellent punter and passer, is defensively reliable and knows how to run interference. Cooper of Crowell is selected for the other half. While he does not possess the line-smashing ability of the other three, he is the speediest of the group and is all that one could ask for as a pass receiver, and it was in this department of the game that he scored Crowell's two touchdowns against Archer City. Few safeties equal him and it was from this position that he returned a punt 65 yards to score the winning touchdown over Chillicothe. He accounted for many big gains with runs around end. He can also pass and punt. Such a backfield as this contains plenty of weight, speed, an ideal (Continued on Last Page)

GRID GOSSIP

(By Mack)

Fred Kimsey barely defeated Robert Oswald to win first place in the final guessing contest of this season.

Victories by A. & M. over Texas and by Arkansas over Centenary, upset most of the predictions.

The actual scores of last week's games, along with Kimsey's predictions, with winning teams and actual scores coming first, follow:

The Rice-Baylor game came out as everyone had predicted. Everyone missed the S. M. U.-T. C. U. contest, since it resulted in a scoreless tie.

Since there are no more guessing contests this year, Kimsey is in line to be No. 1 predictor in the first contest of the 1932 season.

Winners of the contests of this year follow: Tom Reeder Jr., Lee Black, Oscar Boman, William Bell, Otis Ross, Tanner Billington, Jack Roberts Jr. and Fred Kimsey.

Others who predicted this year are: Merl Kincaid, Herbert Edwards, Jimmy Doolen, Brudge Andrews, Gordon Gribble, George Cates, Frank Weatherall, Ragsdale Lanier, John Wishon Jr., Ernest Patton, Herman Fox, George Self, Raymond Burrow, J. E. Harwell, Guy Todd, John Carter, W. W. Griffith, Jimmy Ashford Jr., Chas. Thompson, Tom Beverly, Eli Smith, Gabe Sanders, Grady Graves, Marion Crowell, Lee Allen Beverly, Byron Reese, Boss Roark, Hid Haney, Floyd Thomas, Fred Rennels, Ernest King, Amos Lilly, Gordon Bell, Ted Burrow, Robert Oswald and Verne Walden.

During the first year of the contest we failed to pick a person who won first place. In fact, most of those we predicted to win landed in last place.

This year we picked three firsts, two seconds, one third, one fourth, one fifth, but no last place.

Crowell High School has just closed the most successful football season in its history. The Wildcats suffered only one defeat in district competition, and that to the champion, Olney, by just one touchdown.

Crowell won a great deal more than mere football games this year and in losing to Quannah and Olney the Wildcats won the undying respect of those teams and their fans.

Without taking any credit from members of the Crowell team, we feel that Coach Grady Graves is in a large way responsible for the wonderful record of clean sportsmanship that the Wildcats have gained in each game they have played.

Well, we imagine that Chillicothe is perfectly satisfied to occupy third place in the final district standing after losing to Olney 45 to 0 on Thanksgiving. After Crowell defeated the Eagles 7 to 0 at Chillicothe, it was loudly proclaimed in that city throughout the season that Chillicothe had the better team and that Crowell had merely won on a lucky break.

The record for the rest of the season will show which is the better team," said Chillicothe with all the confidence in the world that the Eagles would have the best record.

On account of rain the Seymour-Chillicothe game was never played. Crowell beat Seymour 33 to 2. Chillicothe beat Megargel 74 to 0, and according to that Crowell should have beaten Megargel about 100 to 0 or more, but Megargel forfeited to Crowell and the score for that unplayed game was only 1 to 0 but even at that Crowell's total score in the district for the year was 152 to 9, while Chillicothe's was 139 to 64.

Practically all local fans expected Olney to have little trouble in defeating Chillicothe, however, no one expected such a lopsided score as 45 to 0. According to the Chillicothe Valley News, which is "Northwest Texas' Best Weekly" by its own admission, Chillicothe would have no alibis if it lost to Olney.

All the first string men are in fine shape. Therefore, there shall be no alibis if the Eagles lose, something local fandom does not think will occur.

Table with columns CROWELL and CHILLICOTHE, listing scores for various games and totals.

Now that the football season is over "Grid Gossip" is making its last appearance this week and with the beginning of the basketball season we wish someone would suggest a name for a basketball column.

Before closing "Grid Gossip" we wish to pay tribute to the best and most loyal pep squad that a school could wish for.

As far as heart and spirit goes, this group of 40 girls was right in there in each game and fought for victory just as much as any player on the field.

In saluting the pep squad, the Crowell band, which so ably assisted it, cannot be overlooked.

We would like to say something nice about each and every member of the Wildcat squad, for too much credit cannot be given them so we will let it go at that.

the people will be there, it is easy to make preparation. If it is at all possible, please come to the Sunday services. If the church work holds up under these depressing times, it is going to take the cooperation of the entire membership. All we ask each and every one, and all the Lord expects, is to do his very best. If we can have the unanimous cooperation and support of the membership then we have hopes of success. Pray for us, and come to church, Sunday. Yours for success, B. J. OSBORN, Pastor.

## Baptist Church News

Rev. R. D. McMahn filled the pulpit at both hours Sunday, Nov. 22, to the delight of all. We hear many fine things about his messages. In spite of the bad weather the house was well filled. Last Sunday, Sunday School and B. Y. P. U. training services, but no preaching as the pastor was away at Devol, Okla., in a revival.

The weather was so bad that it greatly hindered the revival but much good was done and nine souls were saved. The church expressed its aim to call a pastor soon. Many churches go the way of least resistance, and since it seems to cost less not to have a pastor, they do not call, but my friends, a church without a pastor is like a ship without a rudder. When the storms come, many are the rocks to wreck it, and it finds, too late, that going without is poor economy and never pays.

Services next Sunday: Sunday School 9:45; preaching at 11 and 7; training school at 6. Everybody welcome.

Head Line for Sunday Morning Dr. V. L. David of Spain will preach for us at 11 a. m. Dr. David is one of our best missionaries and you will want to hear him. His father was a missionary to Africa. He was born on a mission field, educated in Texas and is now one of our best missionaries to Spain. Let's give him a great hearing. Come and bring a friend.

## Christian Science Churches

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced," was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, November 29.

The golden text was from Jeremiah 29:8,9. "Thus saith the Lord of hosts, the God of Israel: Let not your prophets and your diviners, that be in the midst of you, deceive you, neither hearken to your dreams which ye cause to be dreamed. For they prophesy falsely unto you in my name: I have not sent them, saith the Lord."

Included in the service was the following from the Bible: "They have healed also the hurt of the daughter of my people slightly, saying, Peace, peace; when there is no peace."—Jeremiah 6:14.

The lesson-sermon also embraced the following citation (p. 101) from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"The author's own observations of the workings of animal magnetism convince her that it is not a remedial agent, and that its effects upon those who practice it, and upon their subjects who do not resist it, lead to moral and to physical death."

ROME AND BEYOND

Timothy 4:6-18

Rev. Samuel D. Price, D. D.

The historical record of Paul's life does not go beyond the first Roman imprisonment. Probably Luke planned to write a third book and complete the account of this apostle to the Gentiles. After the release, return was made to Asia Minor and Timothy was left at Ephesus as Paul proceeded to Macedonia. Titus was sent to both Corinth and Crete. In the interim, Paul wrote two more letters: I Timothy and Titus.

The burning of Rome took place after Paul was released from prison. Emperor Nero was the incendiary but the Christians were charged with this dastardly deed. Wholesale arrests began and it is likely that special favor was gained by some officials who again apprehended Paul and had him taken to Rome. This time the freedom of his own hired house was not granted and confinement, according to tradition, was in the underground dungeon of the Mamertine prison which was visited by the writer a few years ago.

II Timothy is Paul's farewell and it is addressed to the young man who must take up the responsibilities of the apostolic office.

With calmness and assurance in faith Paul faces whatever may take place. His self audit is best expressed in the Golden Text: "I have fought a good fight, I have finished the course, I have kept the faith." 4:7. There is no question about the beyond as he faces Judgment.

Only Luke was with him. Others who would have been helpful had deserted the Cause or were away on indicated missions. Timothy is sent for and also John Mark, who once failed but later made good in the ministry. Of one thing Paul was constantly certain: "The Lord will save me unto his heavenly kingdom." According to tradition, release came by beheading.

## SERMONETTE

By Arthur B. Rhinow

I had to visit a patient in Kings County Hospital, Brooklyn, an institution of almost a dozen buildings and ministering to as high as two thousand patients at a time. Of course, it is not easy for an outsider to find his way. So I asked an orderly whom I met in the yard to direct me to my ward. He studied for a while and then began elaborate directions.

"Go to that large building over there," he started with illuminating gestures; "take the first door to the right, walk along the corridor, and so forth and so forth. Suddenly he checked himself, and after a pause of a few seconds he simply said, "Follow me." In other words, "Never mind what I told you, just follow me." What a relief it was and how easily I found my patient.

And I could not help thinking of how bewildered the warfarer upon life's highways and byways often becomes when he is treated to many and sometimes gratuitous directions, system here and system there, and how refreshing it is to meet a teacher who sincerely tries to live what he teaches, so that his life plainly says, "Follow me."

What disillusion children suffer when they grow up to realize that parents are so liberal in giving advice and so delinquent in setting the example. How disappointed we are when biographies disclose the fact that some of the sweetest and purest sentiments were uttered by men who wallowed in sin. They could not say, "Follow me."

To be sure, the honest man hesitates to tell others to follow him, for he is conscious of his own failings, but he does not have to tell them. His life invites eloquently: "Follow me in honestly striving to

## BOWELS need watching

Let Dr. Caldwell help whenever your child is feverish or upset; or has caught cold.

His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste.

You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without the loss of one mother or baby is believed unique in American medical history.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite—makes digestion more complete.

## TALES OUT OF SCHOOL

I sat at a medical dinner recently—a meeting of the county society of which I am secretary. The 77-year-old chairman sat next me—he at the head of the table. Parts of the general conversation I feel sure may interest my readers.

I asked the president, "Doctor, do you still cling to the idea that the breast of the fowl—the light meat—is easily digested, nutritious, and good for a sick man?"

The doctor, trying his best to tear the meat off a drumstick with a dull fork—"Naw, I don't . . . never did."

Another physician, grey-haired: "I've quit recommendin' light meat, because I'd rather eat shucks myself."

The hot tea-biscuits came along; they were deliciously put up, brown-crust and flaky inside. An X-ray specialist at my left grew takative: "Well—we used to condemn hot biscuits; I've never in a quarter of a century of practice found peptic ulcer in a man that was a hot-biscuit-fiend."

The president: "I've eat 'em for seventy-five years; they've never hurt me—that I've noticed."

The essayist—a young man who was to speak on plastic surgery: "The only time hot biscuits ever hurt me was—when I couldn't get 'em." (He was reaching for his fourth.)

There were thirty-nine at the table, doctors and their wives. It was remarkable how they all went after those hot biscuits and the dark meat of fried spring chicken—and nobody suffered from indigestion because of it.

For myself, if my patient can handle chicken at all, I give him soft-cooked dark meat, not part of an old asbestos breast. And, if he can't eat a fine little hot biscuit with butter, he is too sick to tackle a slab of tough "light-bread." So there.

live the noble life." Sublime were the words of Jesus, but sublimer still was his life, and through endless ages will echo his great invitation, "Follow me."

## SWEATERS PRESENTED IN ASSEMBLY MONDAY

The high school and grammar school, also many patrons, witnessed another interesting program Monday evening, when the football boys were presented with sweaters.

Mr. Graves, superintendent, made a short talk previous to the presentation, and urged that the student body think not so much of the sweater, but what it stood for. He also impressed the younger boys, so intended to be C. H. S. future stars, that it was not so much the sweater as the sportsmanship and team playing. The boy's motto should be, "Sportsmanship, then Victory," and Mr. Graves stated that he seemed to have been true during the 1931 season.

Then Mr. Graves presented each boy with a sweater and recalled to everyone's mind some outstanding play he had made during the season. Bill Middleton and J. M. Crowell, co-captains, each made talks, and thanked their team-mates, the coach, the fans, and everyone who had made their team a success.

Following this Coach Graves presented Peggy Thompson and Jim Gaffard, with silver vanities for the wonderful leadership of the pep squad.

Then Bill Middleton presented Coach Graves with a leather jacket as a gift from the team for his splendid work with them. The boys then elected Dick Todd as their captain for 1931. It is hoped that everyone will witness many more such programs.

## DEDICATION

This issue is dedicated to the 1931 football team, and its supporters.

### To the Team

In behalf of the student body, the faculty and the fans, we wish to take this means of expressing our appreciation of our Wildcat team. When it defeated Chillicothe by a margin of seven points.

In holding such strong teams as Archer City and Burk Burnett scoreless. Like Trojans they fought hard but clean, in defeat as well as in victory.

Defeating one class A team, and losing only two games, those to District winners, proved they could hold their own with any class B team.

Clashing with the district champs, they held that great team scoreless for three quarters, and they went down fighting like Wildcats. At Seymour, where the district race was opened, they defeated the Panthers so decisively that they were regarded as one of the strongest teams in the district.

Trampling Monday to win by the highest score on record by a Crowell football team.

Scoring 225 points to their opponents 28, they hung up an impressive record.

### To Coach

To you, Coach, we wish to lay at your feet the honor of having offered and made possible the best eleven Crowell has ever supported. You have shown the up-lifting spirit and good sportsmanship of which you are made, through the football team you have coached.

### To the Pep Squad

We wish to express our apprecia-

tion to the pep squad. The pep squad has been one of the best that has ever been in C. H. S. It has been to the games regardless of the weather. It has ridden a truck ever so many miles to see the "Ole" Wildcats win the game. It has been loyal whether winning or losing, and the people of the town as well as the football team should be proud of such a pep squad. So let's give three cheers for the good "Ole" Pep Squad and its leaders, Jim Lois and Peggy.

### To Mr. Graves

How could the high school have had a football team if our superintendent had not taken the interest he did? We wish to express our appreciation of the wonderful football spirit he had. He not only tried to attend the games himself, but also wished the entire student body to attend as many of them as possible. We all know that the backing of the high school students as well as everyone else, means a lot to the football team.

### To Miss Patterson

To the sponsor of the pep squad, who has so loyally guided them through the 1931 season, we wish to take this means of expressing our sincerest appreciation.

### To the Band

Everybody realizes that Crowell High has the greatest football team and pep squad in its history, because they have proved it many times, and also because everybody is talking about it. Had it ever occurred to you that the good old Crowell band helped put that punch and pep into the team and the pep squad? If it had not occurred to you, try to imagine, if you can, another game without it? This music helped, without a doubt, to keep the pep squad on its toes every minute of the game, and it put something into the team that nothing else could supply. Here is hoping it is back to help us next year. We could not do without it.

### To the Fans

The school as a whole wishes to thank the football fans, who backed the team so loyally and stood behind them whether they lost or won. If it had not been for you, perhaps Olney would have never come to our town.

The school also wishes to thank you for the banquet, and the loyalty you showed to the team.

Especially, we wish to thank Geo. Cates for helping in so many ways.

### To the Foard County News

We wish to thank the Foard County News for giving us the great amount of space which it has given us during the football season. Also we wish to thank the Wichita paper and the Rambler. It is seldom that a daily paper will give a class B football team such write-ups.

## CHAPEL PROGRAM

The children from the Low Sixth Grade were responsible for the chapel program last Wednesday morning. The program was composed of the following numbers: Reading, Harry Harwell; reading, Ruth Ferguson; song, Mrs. Self's room; reading, Helen Harwell; songs by the chorus: "Whistling in the Dark," "When the Moon Comes Over the Mountain," and "What Makes Thanksgiving Day?"; reading, Evelyn Lee Cauthon; reading, Anne Mabe.

## UNIQUE

Henry Ashford, 16, Senior in Crowell High School, is the youngest son of any Texas Confederate Veteran. His father, "Uncle" Jimmy Ashford, is 86 years old. He enlisted at the age of 17. He was born in 1845, the year Texas was admitted to the Union.

## ART

Crowell High School was instrumental in having the art placed in the Interscholastic League work. This started under the auspices of the Adelpian Club and still is under their direction. The art contest is to be given in a few days.

## JOKES

Bonnie: Shame on you for such talk.  
John: Bosh, the monkey can't understand us.

Miss Winnie: Ruth, what is a miracle?  
Ruth: A miracle is something that happens that can't happen.

Miss Patterson: What goes to make up quartz?  
Helen: Pints.

Mr. Todd: You're the slowest youngster we've ever had here. Aren't you quick in anything?  
I. J.: Well, I get tired quicker'n anybody else.

Mr. Graves: Does the moon affect the tide?  
Orville: No, sir, only the untide.

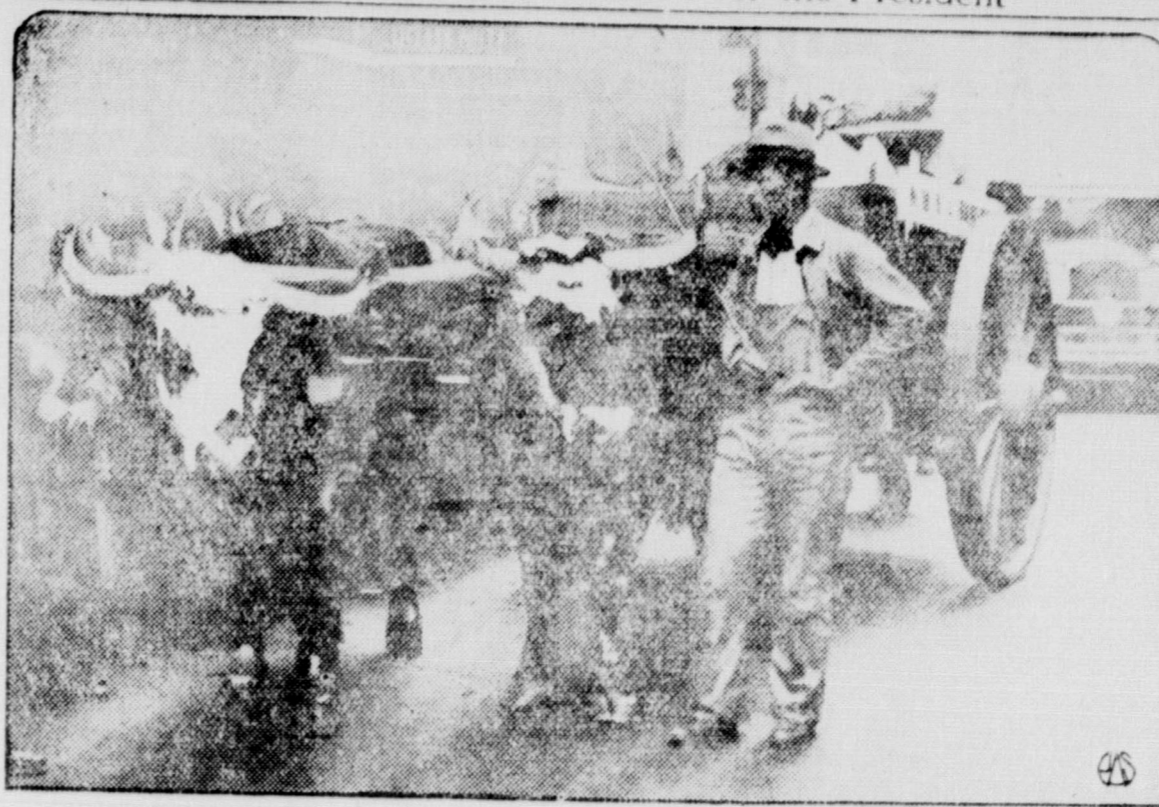

Furd: Why didn't you get your trousers pressed?  
Mr. Black: I couldn't.  
Furd: Why?  
Mr. Black: Well, every place I'd come to would have a sign, saying, "Trousers pressed inside."

Well?  
Mr. Black: I wanted mine pressed on the outside.

Mr. Black (in Ancient History): Who do the Ancients say supported the world on his shoulders?  
Mary Edna: Atlas.  
Mr. Black: But if Atlas supported the entire world, who supported Atlas?

Dovie: Ireland should be the richest country in the world.  
Bernice: Why is that?  
Dovie: Her capital has been Dublin for many years.

## A Cartload of Maine Potatoes for the President

'Way Down East they still use the slow, patient ox for jobs that call for heavy hauling. Maine's great money crop is potatoes. So Lenville Hawkes of Cumberland Center loaded 40 bushels of spuds into this 100-year-old ox-cart, yoked up his team of white-faced Hereford steers, and started to take the load to Washington as a gift from Governor Gardner to President Hoover. City folks who had never seen an ox-team crowded around the rig as it was photographed in Times Square, New York, and wondered what the long load in the driver's hand was for.

## PERSONALS

High school students and teachers enjoyed the holidays very much.

Doyle Carter attended the S. M. U-T. C. U. game.

Mrs. Troy Aikens (Miss Shaw), former teacher of Crowell school, visited here over the holidays. Her former students were all very glad to see her again.

Virginia Sue Crowell, Venson Hall and Nancy Cogdell, '30, of the North Texas State Teachers College, Denton; Allison Self, '28, and Mary Frances Self, '31; Annabelle Carter, '31, Lubbock; and Frances Allison, '31, Wichita Falls, spent the holidays here.

There will be a basket ball game in the gymnasium between the local team and the team of Kings' High School here Saturday night.

The Juniors are working on their play, "Okay," sponsored by Miss Ball.

Skits from the one-act plays that were presented Friday night were given Wednesday morning to the high school students.

## BASKET BALL PRACTICE

Basket ball practice has just begun. Everybody who can hit a basket with a basket ball is urged to come out and practice every afternoon next week.

The basket ball team suffered great loss when it lost Guy Todd, Rags Lanier and Ralph Burrow, but the backbone of the team, John Todd, and right arm, Bill Middleton, are left. Some of those who have been reporting for practice are Dick Todd, John Todd, Bill Middleton, J. M. Crowell, Doyle Carter, Loraine Carter, John Glover, Furd Glover, Harold Hinds, Leslie Thomas and Fred Spears.

## 1932 FOOTBALL CAPTAIN CHOSEN

Captain Todd  
Dick Todd, freshman, was elected football captain Monday morning at the regular assembly period by the football boys. Dick will make a very good captain, everyone thinks, and everyone hopes to see many victories for Captain Todd's eleven next year.

## One-Act Play Program Pleasing to Audience

A very pleasing performance was given by the Crowell High School drama class in two one-act plays that were presented last Friday evening at the high school auditorium under the direction of Mrs. I. T. Graves.

"The Under Dog," a tragedy with Peggy Thompson, Dan Hines Clark, Mitchell Allee and Jim Lois Gafford in the cast, was presented first. "The Flattering Word," a comedy was the other play. Recie Womack, Jim Lois Gafford, Bertha Womack, Leslie Thomas and Ruth Ferguson played in it.

The same fine talent that has enabled Crowell to win the district one-act play tournaments for the past two years was exhibited in these plays.

Marion Crowell's orchestra, with Evelyn Sloan at the piano; Joe Ben Roberts, banjo; J. M. Crowell, saxophone; Henry Ashford, drums, and Marion Crowell, trumpet, provided numbers in connection with the program that were well received by the audience.

## THE WEST SIDE CLUB

The members and families of the West Side Club met Nov. 27, at the home of Mrs. T. S. Patton for a tacky party.

Refreshments of cookies and hot chocolate were served.

Everyone reported a very enjoyable time.—Reporter.

good recipes without them. I gave many good recipes to my club members from my collection, stressing the use of the adequate diet. My recipe file includes several one-dish menus, hot rolls, sandwiches, cookies for the lunch box and desserts. This is the hardest year we have ever gone through but I have more varieties and more containers in my pantry than any other year; been out very little expense and had lots of good times. There is no use to make a list of this sort a burden, several ladies can go together, share the expense, meet your friends in other localities and exchange your ideas and products, fill your pantry with the better foods and with less expense. Next year I expect to profit by this year's experience.

I have tried to pass on what I have learned about canning, food preparation, menu making, etc., to club members.

combination of ball carriers, passers, pass receivers, punters, blockers, a brainy quarterback and an ideal safety.

## Powerful Line

Raymond Wright of Olney and Doyle Carter of Crowell provide an excellent combination for ends. They have the power to break up interference, can tackle hard and are capable pass receivers and blockers. With his accurate drop-kicking, we believe that D. Carter was the best "point after touchdown" man in the district, and it is these little one-point margins that often win the great big games.

For tackles, John Todd of Crowell and "Brick" Bryarly of Burkburnett, Todd was just about perfect, so why say more. Bryarly was a sensational defensive man and the best punter in the district. In spite of the fast charging Wildcat line he got off nine punts against Crowell for an average of 42 yards, an excellent record for even a college player. Next to Todd, we believe he was the best lineman in the district.

Recie Womack of Crowell and Vaughn of Olney are given the guard assignments. Womack played tackle regularly, but it is a cinch that both he and Bryarly deserve a place regularly, but it is a cinch that both he and Bryarly deserve a place on the team and for that reason we put Womack at guard because we think that he could play there just as good as he could at tackle and that Bryarly is better at tackle than he would be at guard. Both Vaughn and Womack gave good accounts of themselves throughout the season and it was not at all uncommon for them to block punts, recover fumbles and intercept passes in addition to their regular assignments. Crowell backfield men stated that Vaughn was the hardest blocker they met this season. He often pulled out of the line to run interference.

In the Archer City-Crowell game, B. Hays of Archer City gave the best performance at center that we have seen in a long time and according to reports he did good work all season. He passed accurately from his position and his defensive playing was certainly a thorn in the side of the opposition.

Well, that completes the line and the team as a whole. What a powerful squad that would be if these boys could really be assembled for regular practice. The line is unusually strong on the defense and is capable of opening up big holes for the finest kind of backfield men. The ends have proven many times that they can receive passes and get down under punt to down the safety man in his tracks.

Outstanding scoring ability plus an air-tight defense is provided in such a team. What more could you ask?
