BARBECUE IS HELD TO HONOR FARM TENANTS

Wedding Anniversary Of Pioneer Couple Celebrated

Mr. and Mrs. C. P. Sandifer entertained the tenants of their farms and a large number of other friends with a barbecue at the alf elevator Thursday afternoon. The barbecue was given honoring the tenants and other guests and to celebrate the 51st wedding anniversary of Mr. and Mrs. Sandifer, which will be Feb. 7.

The program was opened by two members of the members of the Crowell band, after which George Self, pastor of ceremonies for the afternoon, took charge. After a short talk in which he introduced the host and hostess and told the purpose of the barbecue, Mr. Self invited upon some of Mr. and Mrs. Sandifer's oldest friends, some being known to them in Collins county before they moved to Foard county, to say a few words. T. N. Hill, M. S. Henry, J. C. Thompson, John S. Ray, Mrs. Belle Allee, M. S. Henry, T. L. Ward, G. Carroll, O. D. Rader and F. E. Diggs made short talks, telling of the relationship with Mr. and Mrs. Sandifer and appreciation of their friendship.

In these speeches, the married couple of the host and hostess was recalled from the time of their wedding in the Indian Territory, which was an Indian ceremony performed by a Baptist preacher. In hard times that they have gone through together and the things that they have done for other people, were told.

Mr. and Mrs. Sandifer then closed the guests and thanked them for their kindness. Mr. Sandifer told the crowd that the barbecue was for them and not for himself.

Mr. Henry presented the host and hostess with presents from the tenants and a present from the other guests to show their appreciation of the couple. Rev. E. Diggs, pastor of the Methodist church, offered a word of prayer for a number from the band. The barbecue was served. About 100 guests were present at the occasion and the tenants present were G. Y. Carroll, F. E. Diggs, Sam Cook, John Jobe, O. D. Rader and Elton Carroll.

Two muttons and half of a goat were barbecued in the pit at the alf elevator by L. G. Andrews and B. Griffin.

County Federation Officers to Be Elected At Meeting, Jan. 14

The County Federation will open its January meeting at 10 o'clock next Thursday at the home of Mrs. M. S. Henry. Mrs. R. D. Swait will be leader of the program, the first number of which will be a number of opening songs, followed by the Lord's Prayer in Union.

Business, with the election of officers for the year, will be finished before the program proper begins. Mrs. Oswald will give New Year's Greetings. Mrs. Sam Walden will talk on "State Income" from Texas Almanac (page 288). Mrs. W. B. Jones will discuss "Texas State Government," also Texas Almanac (page 0).

In the afternoon the subject will be "Bible Day." "Where Bible Characters Live" from Geographic 5, will be discussed by Mrs. Roy Cole. Mrs. A. D. Campbell will discuss "Flowers of the Bible." A quiz on "Mothers of the Bible" will be given by Mrs. W. B. Jones. It will be conducted by the leader.

A covered dish luncheon will be served at the noon hour. Each guest is to bring a plate, cup and a glass, as is the custom in the past. It is desired that the resolution of all club women is to make the county Federation one of the highest of the year.

Four Boys From Foard Will Go to CCC Camp

Four boys from Foard County are to go to CCC camp Jan. 12, according to H. E. Thomson, manager of the local relief office. They are wishing to enter the CCC camp and apply at the local relief office before that time, as they will have to enter their applications at Quanah by 10 a. m., Jan. 12.

Those eligible to apply are those whose parents are on the relief list or doing WPA work, or on the Rural Resettlement Administration program. Four of the ones to apply will go to Quanah, where they will make their applications for CCC service and be assigned to their camps.

Mrs. W. M. Randolph's Son-in-Law Killed in Oil Field Explosion

Roy B. Jones of Nocona, son-in-law of Mrs. W. M. Randolph of the Foard City community, was killed instantly at 2:30 o'clock last Thursday in an oil field explosion near Nocona. Mrs. Jones and baby daughter were here visiting her mother at the time of her husband's death but left immediately for Nocona.

Two other men were killed instantly in the explosion. Funeral services for Mr. Jones were held Friday at the First Baptist Church in Electra. He is survived by his wife and small daughter, Wanda Jeanette; his parents, one sister and four brothers.

Those attending the funeral from Crowell were Mrs. W. M. Randolph, Buford, Lucy and Susie Randolph, Mrs. J. P. Rader and baby, Mr. and Mrs. Jim Christian and children and Noah Jones. Other relatives who attended were Miss Maye Randolph of Quanah, Mr. and Mrs. J. D. Harper and children of Wellington and Mr. and Mrs. G. C. Matthews and son of Waxahachie.

WILDCATS WIN 2 GAMES FROM PADUCAH FIVE

Crowell High School's Wildcats took a two-game series from the Paducah Dragons last Thursday and Friday. The first game was played in the Crowell gymnasium Thursday night and the Crowell lads won 38 to 32. The second game was played the following night at Paducah which the Wildcats took by a score of 33 to 20.

Paducah made a good comeback in the last half of the first game as they were trailing 22 to 11 at the end of the half. The Dragons (Continued on Page Five)

DIES AT DENTON

Mrs. Susie Minnerly, sister of the late M. E. and George Moore, died Dec. 24 at her home in Denton. Mrs. Minnerly's death was the third in the Moore family in less than five months. LOW RECORD ON INSURED LOSSES BY FIRE IN 1936

Five Alarms in Past Year; City Regains Full Fire Credit

A new low record on insured fire losses in Crowell was set in 1936. Only two damaging fires were recorded during the year and one was at the Frank Long residence and the other being the Hough hatchery that burned in the Allison building. Damages paid for by the insurance company on the Long residence amounted to slightly over \$100, this being the only loss covered by insurance, neither the hatchery or building was insured, although this was the most disastrous fire of the year.

Only five alarms were turned in during 1936 and only two were damaging fires, as the other three were put out before the fire department arrived. Two were brush fires and the fifth was a stove explosion.

Due to the fact that the past 3 years have had low fire records, the City of Crowell has regained its full insurance credit rating, which it lost in 1931, following the burning of the Famous dry goods store, in which practically the entire stock was ruined, and a damaging fire in the Crowell Gin. A house owned by J. W. McCaskill and the Martin hotel burned in the same year. The insurance rating ranges from 15c penalty to 15c credit, and Crowell now has the 15c credit rating.

In the past decade, 1932 had the least number of alarms and 1927 recorded the most. Although 1932 had the least alarms, 1936 came through with the least insured losses, as three houses and an asphalt tank burned in 1932. The number of fire calls in the last 11 years are as follows: 1926, 12; 1927, 18; 1928, 9; 1929, 17; 1930, 12; 1931, 14; 1932, 4; 1933, 8; 1934, 13; 1935, 8; 1936, 5. Since Aug. 1, 1925, the department has answered 127 alarms.

Five Generations Represented in G. W. Wallen Family

Last Thursday representatives of five generations of the G. W. Wallen family were together at the home of Mr. and Mrs. Wallen's daughter, Mrs. Joe Owens, of the Foard City community. They were Mrs. G. W. Wallen of Denton, Mrs. Joe Owens, Mrs. O. E. Connel, Mrs. D. H. Scott and small daughter, Sandra, all the oldest in their respective families except Mrs. Wallen.

Sandra, one-month-old daughter of Mr. and Mrs. Scott, has all of its grandparents living on both sides of the family, and its great grandparents on its mother's side are living.

Several Youths in Foard Eligible for NYA If Registered

Any youth between the ages of 18 and 25, inclusively, whose parents are doing WPA work or on the relief rolls or in the Rural Resettlement Administration program, are eligible for participation in the National Youth Administration program in Foard County.

Quite a number of youths in this county are eligible for this work, with the exception of registering with the NRS, and are unaware of the fact, according to H. E. Thomson, local NRS representative. Those wishing this work can register with an NRS representative at the relief office any Friday.

This is only part time work, but pays \$10 for 50 hours per month. Further details can be obtained at the relief office from Mr. Thomson.

Building Occupied By Bursey Imp. Co. Being Re-Modeled

The building owned by Mrs. J. H. Self west of the corner court building used by the Bursey Implement Co. is being re-modeled and the work will be completed within a short time.

Included in the work of re-modeling is a new tin ceiling covering the entire front of the building and the installation of glass front doors. The office partition made of hollow tile has been torn down and a new office built with lumber in the front. The entire front of the building will be used for the display of implements. All of the building inside will be painted, including the floors.

Carpenters employed in the re-modeling work are Rob Banister, Verge Allen and R. L. Pechack. Howard Bursey, owner and

T. L. Hayes Attacked Wed. Night, Dec. 28, By Would-Be Thief

T. L. Hayes was attacked and struck over the head with a board by an unknown assailant Wednesday night, Dec. 28.

Mr. Hayes was opening the gate to the lot in which he had his cows, when someone stepped up behind him and struck him on the top of the head before he could dodge. The assailant was standing under a low shed and could not get much power into the blow, but the board, which was a weather-beaten, sun cracked 1½, four feet long, was broken into two pieces. Although Mr. Hayes was not hurt, he was stunned and the prowler made his get-away.

The assailant was dressed in a khaki work suit and was either a light colored negro or a white person. Places that were made in an attempt to enter the chicken house were found and evidently Mr. Hayes surprised the would-be chicken thief.

ELDORADO AND WILDCATS TO MEET TONIGHT

"Hot Shots" Will Play Team of Faculty Members

Thursday night at 7:30 in the Crowell gymnasium, the Wildcats will play the Eldorado, Okla., quintet in their last game before they start their "Big 7" conference schedule at Childress Friday night, Jan. 8.

FUNERAL FOR MRS. IDA CHEEK HELD SUNDAY

Resident of Crowell for 38 Years; Large Crowd Attends

Mrs. Ida Cheek, pioneer resident of Crowell, passed away at the home of her daughter, Mrs. T. S. Haney, Saturday morning at 12:40 o'clock at the age of sixty-nine years, one month and three days, following a serious illness of several weeks. She received a fractured hip and other injuries on her 60th birthday, Nov. 30, when she was accidentally struck by a boy running for a football on a down town street. Pneumonia developed several days before her death.

Funeral services were held Sunday at the Methodist Church auditorium which was filled to capacity by friends from all over Foard and adjoining counties. The floral offering was large and beautiful.

The funeral sermon was delivered by Rev. Paul J. Merrill, minister of the Christian Church of Henrietta, a long-time friend and former pastor of the deceased. Assisting Rev. Merrill were Rev. G. T. Reaves, pastor of the Central Christian Church of Vernon, who read the Scripture and offered prayer, and Rev. John W. Tyndall Jr., minister of the Crowell Christian Church, who read the obituary. Mrs. A. F. Wright sang "Beautiful Isle of Somewhere" as a special musical number, accompanied at the piano by Mrs. Arnold Rucker. Mrs. R. C. Williamson of Quanah was accompanied for the choir.

Burial was in the Crowell cemetery under the direction of the Womack Funeral Home.

Active pall bearers were J. C. Self, C. C. McLaughlin, M. L. Hughton, J. R. Beverly and A. D. Campbell of Crowell, and John Risor of Vernon.

Honorary pall bearers were J. S. Ray, H. E. S. J. and C. R. Ferguson, Dr. Himes Clark, Paul Shirley, W. B. Johnson, Gordon Bell, Alton Bell, N. J. Roberts, C. P. Sandifer, Dr. R. L. Kincaid, T. E. Womack, J. E. Long, S. P. Mc (Continued on Last Page)

Luncheon Held for Out-Going County Officials Thursday

As a parting compliment to the out-going county officials, Misses Margaret Curtis and Mamie Lee Collins entertained with a luncheon at O'Connell's Lunch Room Thursday, December 31, at noon. Guests were subpoenaed to the Court of Burlesque to hear the case of W. E. Were vs. I. M. Tobe, and to witness the execution of the last will and testament of the retiring officers. The legal atmosphere prevailed in the place cards, which were sketches of the court house.

The court was called to order by R. D. Oswald, who presided as judge. Miss Curtis made a short welcome address, and Miss Collins proposed a toast to the New Year. The judge followed by reading a bit of modern philosophy and recessed the court for lunch.

Following the two-course turkey dinner, court re-convened and the will was read. This proved to be a very amusing document, after which short talks were made by A. G. Macee, J. E. Atcheson and Vance Swalm.

Covers were laid for Vance Swalm, W. A. Dunn, A. W. Barker, J. M. Marr, J. R. Ford, Mrs. Leon Solomon, Grady Magee, Mrs. Alva Spencer, R. J. Thomas, S. T. Crews, Lottie Russell, J. E. Atcheson, Alma Walker, J. W. Klepper, L. A. Andrews, Myrta Holman, Roy Huckabee, Mrs. Ira Denton, R. D. Oswald, and the hostesses.

Records Show That Marriages Drop As Divorces Increase

Check-up on records in the clerk's office shows that 1936 proved to be a bad year for Dan Cupid. The number of marriages were 6 less than those of 1935 and divorces gained 14 over those of last year.

In 1936 there were 38 marriage licenses issued, compared to 44 in 1935, while there were 21 divorces granted in 1936 and 14 in 1935.

This is the smallest number of marriages in the past three years, but it is not the smallest to be recorded as there were 12 issued in 1930. The record was set in 1928 when 86 were recorded.

MARRIAGE LICENSE

The first marriage license to be issued in 1937 was to Herbert King and Miss Era May Jones on January 2.

A Tribute TO 1937 CARS FROM THE 1937 GASOLINE

NEARLY 500,000 workers are now building your 1937 car. For this vast productive employment, the nation owes a deep debt of gratitude to the automobile industry. Undaunted by the depression, it courageously expanded its facilities to give greater value... made real improvements in safety, in driving and riding comfort, in beauty... lifted engine efficiency and operating economy. As cars have changed, so have gasolines. In fact, Phillips 66 Poly Gas has been called "the gasoline that is years ahead," ready now for the cars of tomorrow. The reason lies in Phillips' initiative, independence, chemical research, and engineering skill. All these combined have helped give Phillips a remarkable record of "firsts." Whenever you read or hear about custom-tailored gasoline... remember that Phillips did it first! Whenever you read or hear about highest test gasoline at the price of ordinary motor fuel... remember that Phillips did it first, and still offers higher test than others! Whenever you read or hear about the patented POLYMERIZATION process which puts extra energy units into every gallon... remember that Phillips did it first! That is why Phillips 66 Poly Gas stays out in front, always at the head of the parade—whether you judge it for faster starting, more mileage, or finer all-round performance. It delivers more power, more pep, more flexibility, and faster response to the throttle. So it gives you service and savings which simply are not possible in old-fashioned gasolines. I invite you to prove these statements for yourself. Just try one tankful of the new Phillips 66 Poly Gas. It does not cost a penny more than ordinary low-test motor fuels.

"Ribbon Building" in England

"Ribbon building" was banned in England by a law passed in 1285. This compelled landowners to clear all land within 200 feet of the road. The object was to deprive robbers of any cover.

Brief Bits of News From Here and There

In the past fifteen years floods along the Hwang-ho, Yellow River, of China have caused death by drowning of more than 30,000,000 Chinese.

The United States Navy has 79 ships under construction at the present time; these consist of destroyers, airplane carriers, submarines and cruisers.

It has been hinted that the new battleships now under construction will carry twenty inch guns if permission can be secured and the terms of the London Naval Treaty are not violated by ordinance of this size.

The United States aircraft carrier Ranger has 22 sets of brothers enlisted in its crew.

It is one thing to be merely opposed to war and quite another thing to be opposed to war to the degree that one would turn down orders for merchandise amounting to a million and a half dollars to warring nations and to nations preparing for war.

Bausch and Lomb Company recently did. This company is engaged in the manufacture of lenses for telescopes, periscopes, range finders, gun sights, binoculars and artillery fire control instruments, all very necessary in warfare.

Back of the Rogers-Astaire pictures in which the dancing seems to move off so easily and almost

carelessly there has been eight weeks of hard practice for hours each day. In spite of this some of the scenes have been taken as many as forty times before they were accepted by the director.

One scene in "Stepping Stones" a Rogers-Astaire picture, was shot forty-seven times before it was accepted.

Squirts Blood From Eyes
An Australian lizard, which is an almost exact duplicate of the horned "toad," has a peculiar and unexplained habit of squirting

The helpful idea we're talking about will give you extra protection against a freeze-up in your car's gasoline system.

The smart thing to do first is to have your carburetor drained—a quick, simple operation for whoever takes care of your car.

He will also empty the little glass filter bowl, or "trap." And if you want to be real careful, you will have a certain amount drained from the bottom of the gasoline tank.

Thus you get rid of any water that might freeze on the first cold day.

This water was not in the gasoline originally, if you are careful where you buy. But you know that the air

always contains more or less moisture, which can gradually form water in your gasoline system.

There is less chance of this when you keep too much air out of your gasoline tank, by having it filled close to the top. It is still just as important as ever to get a gasoline that always fires away lickety-split in any cold ... not dripping and flooding waste-fully ... not draining your battery by a lot of "false starts" ... not thinning your oil by needless choking.

The most helpful thing you can do for yourself right there is to keep your tank full of sure-firing Special Winter Blend Conoco Bronze. Continental Oil Company

New State Health Officer Appointed

Austin, Dec. 29.—A young man's ambition formed nearly thirty years ago materialized on December 14 when Dr. George W. Cox was chosen State Health Officer.

Dr. Cox has had a varied and interesting career in medical and health service. He was born at Guadalupe and educated in public schools there and at Polytechnic College at Fort Worth.

Mrs. Cox, wife of the new State Health Officer, also has had an extensive career in civic work. She is president of the fifth district of the State Federation of Women's Clubs.

Know Texas

Denton.—Beginning with this issue The News will bring to its readers a series of short feature articles intended to better acquaint them with a "greater Texas."

Overshadowing all other industries are those of oil, cotton and cattle, but dozens of others are rapidly coming to the fore.

Few people probably realize that Texas produces about 75 per cent of the sulphur used in the United States and a large proportion of the supply used throughout the world.

First to claim a producing company was Brazoria County in which the Freeport Sulphur Company began operations. Today Matagorda, Wharton, and Duval counties are producing most of the Texas sulphur.

NEWS OF PICTURES AND PLAYERS

Florence Rice adds a gay note to her sports costumes by wearing silk scarfs printed with amusing sayings.

Seventh Heaven is in production. This time with Simone Simon and Jean Hersholt. This is the play which several years ago brought Charles Farrell and Janet Gaynor into prominence.

The "stowaway" is Shirley Temple's fifteenth major picture. Robert Taylor, one of the most popular of the male stars, was discovered two years ago by Louis B. Mayer.

Billie Burke (Mrs. Florenz Ziegfeld) who will be remembered by many of the movie fans of a few years back is getting into the movie business again.

Twenty-four new canning plants have been established in the lower Rio Grande Valley during the last five months to supply the demand for Texas citrus juice and other citrus products.

CONGRESSMAN W.D. McFARLANE

The Seventy-Fifth Congress For the first time under the Norris-Lamm Duck Amendment the New Congress will convene on January 5th instead of March 4th.

The New House

Fire works will start on Monday the 4th, at 3 p. m., when the House holds its Democratic Caucus for the purpose of electing its Speaker, Majority Leader and other House officials to carry on the work of the House.

There is no contest for Speaker. Mr. Bankhead will be re-elected without opposition. The only known contest is that of Majority Leader, now being hotly contested between Honorable Sam Rayburn of Texas and Honorable John O'Connor of New York.

Neutrality

It is well recognized that one of the first pieces of important legislation will be to strengthen our Neutrality laws. The recent shipment by Robert Cuse of the Vindicator Company of Jersey City of nearly \$3,000,000 worth of airplanes to Spanish Loyalists, caused the President and others to deplore such action and to recognize the immediate need of strengthening our Neutrality laws.

New Labor Legislation

Because of the emergency existing new labor legislation will be pushed in both Houses at an early date.

Conferences have been had between Members of Congress and the President regarding such legislation and it now seems that a satisfactory substitute for NRA has been agreed upon which in substance will broaden the definition of "interstate commerce" so that a Federal Agency may regulate wage and hour standards for all those engaged in interstate commerce.

Looking Forward

This session promises to be one of the busiest and most important sessions of Congress convened in Washington. As soon as the House and Senate is organized and its officials selected to carry on the work, this session will immediately get under way and begin to consider important legislation covering many phases of Government activity.

Remembering the President's Madison Square Garden speech, we eagerly await his messages containing his new recommendations.

Featured at Rialto During Week-End

"Labeled Lady" is featured at the Rialto Theatre at the Saturday night preview, Sunday matinee, Sunday night, and Monday night. In the principal roles Jean Harlow is characteristically hard boiled, William Powell is suavely polished even though one situation tosses him into a welter of ridiculous comedy, Myrna Loy is smartly regal and Spencer Tracy excitedly flustered.

UNEMPLOYMENT COMPENSATION IN TEXAS

Editor's Note.—Following are questions and answers prepared by R. B. Anderson, chairman-director of the Texas Unemployment Compensation Commission, which is an interpretation in simplified terms of the various provisions of the recently-enacted Texas Unemployment Compensation Act.

Further questions and answers in this series will appear in this paper from time to time.

When Benefits to Workers Begin
Question 1: "When will the payment of benefits to workers start under the Texas Unemployment Compensation Act?"

Answer: Payments will begin on January 1, 1938. This is a very important fact for every employee to remember. Why? Because your possible compensation, if you become unemployed during 1938, will be figured on the basis of your employment record during 1937.

If you have steady employment during 1937, you will be entitled to more benefits in case you lose your job in 1938. On the other hand, if your employment record for 1937 is poor, your compensation will be strictly limited until you have improved your record of employment.

Just how this system of "credits" works will be fully explained in a later article. The important fact to remember now is this—your employment record during 1937 will have an important bearing on the credits you build up.

Unemployment compensation may be compared to a savings account. Until you have put something in, you cannot draw anything out.

You, as a worker, will want to understand the other sections of the Texas law so that you will know what to do to build up the best possible record. The aim of unemployment compensation is to keep men in jobs. This fact will become clearer as these articles proceed.

What Benefits Can I Expect?
Question 2: As an employee, suppose I become unemployed in 1938. What benefits may I expect when the Commission begins payments to the unemployed?

Answer: In the first place, you must realize that to receive any benefits at all, you must meet certain eligibility requirements. Questions concerning these eligibility requirements will be discussed later.

But suppose that you are eligible. The law sets up a maximum and a minimum for benefits, but the average rate of benefits is 50 per cent of the weekly wage.

With the following examples, you may take your own present wage and determine just what you could expect to receive if you became unemployed:

(1) All persons who have a wage of more than \$30 a week will receive the maximum benefits—\$15.00 a week.

(2) Those whose wage falls between \$10 a week and \$30 a week will receive an amount equal to one-half their weekly wage. If your pay was \$20 a week, your benefit, if totally unemployed, will be \$10.

(3) Those whose wage is between \$10 a week and \$6.25 a week are entitled to benefits of \$5 a week. Those whose wage is less than \$6.25 a week will receive an amount equal to three-fourths of the weekly wage. If you are getting \$6 a week and become unemployed, then you will get \$4.50 a week.

The Effect of Part-Time Work on Benefits
Question 3: "Suppose I lose my job, but had a chance to get another at considerably less money, say a part-time job. Would my taking the part-time job deprive me of benefits? In other words, could I make more money by not working?"

Answer: As was said before, this law was designed to encourage employment, not unemployment. Therefore, it has been worked out so that the man with part-time

made only 3 points in the first period, all from gratis shots, while the Wildcats sank 4 field goals and a free toss. In the second period the Cottle County boys found the hoop for 3 counters and scored twice as results of fouls to total 8 points. Crowell sharpshooters hit the basket for 11 points.

The Dragons came back to the court after the half and outplayed the Wildcats for the remaining two periods. They scored 9 points and the local quintet counted for 8 in the third quarter. The fourth quarter was the big period for the Dragons as they scored 12 points and nearly overcame the lead that had been piled up against them in the first half. The Cats marked up 8 points in this period to hold their lead.

Irons was the outstanding player for Paducah, while Kelsey and McLain did good work for Crowell. Fitzgerald and Nelson, substituting for Owens and Whitfield, who have been absent from the Wildcat line-up on account of illness, turned in a good game at their defensive posts in both games.

Second Game

Both teams displaying a better brand of basketball, the Wildcats again emerged with another victory over the Dragons in the contest at Paducah Friday night by the score of 33 to 20.

As in the first game, the Dragons staged a come-back in the last half, but the Wildcats paced them point for point to hold the lead they had at the half which was 22 to 11.

Dameron was high point man for Paducah and was closely followed by Irons. Middlebrook and Kelsey were the outstanding players for Crowell. Although Middlebrook missed the basket with several of his tosses, he proved himself to be the star of the evening with his defensive play.

work will have a larger income than the man who is totally unemployed.

You are eligible for limited benefits if you are "partially unemployed." The law says a man is partially unemployed when he earns, in a new job, an amount "less than six-fifths" of the amount he would have received in compensation had he been unable to find part-time work.

Example: Suppose you were making \$30 a week and lost your job. Being totally unemployed, you would be entitled to \$15 per week as compensation. However, you get a part-time job paying \$18 per week. The sum of \$18 equals exactly six-fifths of \$15; therefore, you would not be entitled to any benefits.

But if your new wage is only \$12, your wage is less than six-fifths of the compensation you are entitled to. Therefore, you are entitled to "partial employment benefits." The question now is—"How much will I get?"

The law says that in such cases the benefit shall be an amount equal to the difference between the

possible weekly benefit (\$15 in your case) and five-sixths of your new wage. Your new wage is \$12. Five-sixths of \$12 is \$10.

The difference between \$15 and \$10 is \$5, which would be the amount of your benefit. Now, this \$5 added to your wage of \$12 gives you a total income of \$17.

Therefore, it paid you to get part-time employment.

If you have any questions concerning the various phases of this law as it affects employers or workers, you can have your questions answered by writing to R. B. Anderson, chairman, Texas Unemployment Compensation Commission, Austin.

To The Board of Trustees of Crowell Independent School District

About three weeks ago you asked me to take a list of the delinquent tax-payers of the Crowell School District and talk to them personally about their delinquent taxes. Having completed this work, I wish to state that I have talked to ninety-five per cent of all that are behind with their school taxes. Practically all are anxious to pay and most of them promised me they would pay all or part during the month of January, 1937, and I feel sure they will do so. Practically everyone was nice to me and expressed themselves as being very much interested in the School and wanted to do their part. I told them the School Board was trying to make the Crowell School one of the best and by all patrons co-operating with them, this could be done; and when the new building is completed we would all feel glad that we had a part in it.

I certainly thank all the tax-payers for being so nice to me when I approached them concerning their taxes, for I feel sure you know I only had the best interests of the School and your children at heart.

I am counting on you doing your best during this month.

Respectfully submitted,
C. P. SANDIFER

Christian Science Services
"Sacrament" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, January 10.
The Golden Text: "Thou preparest a table before me in the presence of mine enemies" (Psalms 23:5.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "After these things Jesus shewed himself again to the disciples at the sea of Tiberias" (John 21:1.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "This spiritual meeting with our Lord in the dawn of a new light is the morning meal which Christian Scientists commemorate.

They celebrate their Lord's victory over death, his probation in the flesh after death, its exemplification of human probation, and his spiritual and final ascension above matter, or the flesh, when he rose out of material sight" (page 35.)

Previous Names of Atlanta

Atlanta, Ga., was first called Whitehall, then Terminus, and Marthasville, receiving its present name in 1845.

Two Minute Sermon (By Thomas Hastwell)

To Such There Is No Freedom: One of the sweetest words in all languages is the word "Freedom." It appeals to all men of all classes everywhere. Men will take up arms against unnumbered odds to fight for it. They will gladly give up their lives and their arms in its cause and count their giving a privilege. This has been true of men in all ages. In the struggle to attain it nations have been bankrupted of their material resources. No sacrifice has been counted too great in the end it brought to man this coveted prize. Notwithstanding this I have seen many men and women too, who have cast aside this priceless blood bought heritage as though it were a thing of little value. They have trampled under their feet a gift for which empires have been freely given, for the pawn of sin. No man who lives in sin is free. To such there is no freedom. The most ruthless and cruel taskmaster of slavery's darkest days was kind indeed beside such a master, for sin lays on a heavy lash. Such a man may live in the land of greatest freedom but about his heart are burdensome shackles that crush out and stifle the pure air and the sunshine of true freedom. To such a man, in truth, there is no freedom anywhere.

Your Horoscope

January 4, 5—You have an unconcerned manner but can take a thing over and really get it done and it is never a task to you. People like to have you at the head of things because of the fun there is in it. You love your children and want them to show affection for you. You are very musical and you love travel. You have great self control even though you sometimes fail to use it.

January 6, 7—You are mechanically inclined, a good business man, look after your own interests and are affectionate, but only when it is not detrimental to you and your interests. You have a disagreeable disposition, like to give advice, and are capable of little, underhanded tricks. You have a good understanding of right and wrong, but you do not always choose to use your understanding in the best way. You are very selfish at times.

January 8, 9, 10—You will always have a fight unless you decide to take worldly things as they come and make the best of them. With the best of intentions and the general knowledge of things you are always running up against a snag.

THIS WEEK IN HISTORY

January 4—Triple alliance signed between England, France and Holland, 1717. Women granted suffrage in Toronto, Canada, 1886.

January 5—First use of floating mines in American military history, 1777. Zebulon M. Pike, soldier and explorer, born, 1779.

January 6—New Mexico admitted to the Union, 1912. Tom Mix, actor, born, 1880. Theodore Roosevelt died, 1919.

January 7—Lafayette sailed from Boston to aid France in her war with England, 1779. First regularly established bank in America opened in Philadelphia, 1782.

January 8—Brilliant victory by General Andrew Jackson over the British at New Orleans, 1815. World's Fair buildings at Chicago destroyed by fire, 1894.

January 9—San Francisco dedicated its Auditorium, the largest civic building of its kind in the world, 1915. First shot in Civil War, 1861.

January 10—Tailors in New York formed the first labor union in America, 1805. League of Nations established, 1920.

THOUGHTS OF SERIOUS MOMENTS

If you would not be forgotten as soon as you are dead, either write things worth reading, or do things worth writing.—Franklin.

You will find as you look back upon your life that the moments when you have really lived are the moments when you have done things in the spirit of love.—H. Drummond.

The world owes every man a living, but there is no delivery system to bring it to his door. He has to go after it early and often and elbow his way through the

crowd that gets there first.—Harold Holmes.
Be a friend, the rest will follow.—Dickerson.
The final test of religious faith is to live it.—Charles Reynolds Brown.
Who brings sunshine into the life of another has sunshine in his life.—D. S. Jordan.
No matter if you are hidden in

an obscure post, never content yourself with doing your second best, however unimportant the occasion.—Gen. P. Sheridan.
Always laugh when you can, it is a cheap medicine. Merriment is a philosophy not well understood. It is the sunny side of existence.—Byron.
Certain thoughts are prayers. There are moments when, whatever

be the attitude of the body, the soul is on its knees.—Victor Hugo.
Silence is a true friend who never betrays.—Confucius.
No man lives without jostling and being jostled: in all ways he has to elbow himself through the world giving and receiving offense.—Carlyle.
Time to me is so precious that with great difficulty I steal an hour in eight days, either to satisfy myself or gratify my friend.—John Knox.
He who is taught to live a little owes more to his father than he who has a deal left him does to his father.—William Penn.
Courage and perseverance a magical talisman, before difficulties disappear and obstacles vanish into air.—Quincy Adams.

WATCH NIGHT SERVICE

New Year's Eve was the occasion for a party held for the people of Crowell in the Methodist church and sponsored by Rev. E. Yeats. The program started with a talk to the young people by Rev. Yeats. The talk was followed by games and refreshments. A group sang while the New Year was coming in and at one o'clock after twelve was dismissed.

UNION MEETING

The Methodist young people are planning to go to Paducah on Saturday, Jan. 14, for a Union Square meeting. The following are planning to attend: Juanita Brown, Marie Wells, Dophyn Moore, Thelma Jo Ross, Theda Wright, James Erwin, Sam Russell, Gordon Thomson, Billy Russell, James Long, Edward Roark, and Leroy Steele.

ONE-MINUTE INTERVIEWS

Question: What was your greatest thrill of 1936?
Maxine Thompson—When Mike and I scored for a touchdown in the Chillicothe football game.
Vernon Joy—My romance with Dan.
Frances Welch—My first date with Marion Benham.
Glenn Shook—When Helen Harlow was in the lead for the FFA sweetheart race.
Ann Mabe—When Sam returned for the Christmas holidays.

WE WONDER—

Is it true Marie Wells, Mary Frances Bruce and Cecil Carroll are trucking Saturday night after the party with Raymond Joy?
 If Margaret Woods and Bob had a good time at the Witch party?
 Where Faye Zeibig and Ruth went after the party Saturday night?
 Why Lois E. Norris was at work Sunday night. Keep the oil work going, Lois.
 What Mrs. Poland said to LeRoy Steele about driving recklessly in her garden Sunday afternoon.
 Who the girl is from the Black community that received a new dress for Christmas from her boy friend.
 What Ira Klepper was so happy about Monday. He went to the party three times and danced with his desk.
 Why Mary Housouer came to the party with Ed Gafford and left with Bob Lilly.
 Why Thelma wanted her school book from Pat Thursday night, could it have been a love letter?
 Look out, Helen, Daphn is hot on your trail for Glenn Shook.
 Who Faye Zeibig took home after the party. Could it have been Ed?
 Why Margaret Woods was so sorry when Raymond took Marie instead of her.
 Where Mary and Bob went when they left in Faye's car.
 Why Margaret Woods wanted to learn to dance Saturday night.
 Why Ed Gafford looked so funny when he lost his cigar. Who did it?
 Where Cecil and Mary Frances went.

SPEAKING DENTALLY

Lately several of our high school students have said something about having an appointment with the dentist. At the time there seemed to be nothing to it, but after the number that had spoken about having dental trouble was counted up, it came close to becoming an issue.

All of the dental cripples in the world can trace their trouble back to the days when they were growing up. They all say that if they had taken care of their teeth when they were young, they would have had teeth now, and that would make them the happiest persons in the world.

Take care of your teeth now and your later life will be much happier. That is a well-known fact, it seems, but it also seems that it takes a whole life-time to bring this fact to light.

There are two simple rules to bring good teeth: wash them at least twice a day, and eat hard-to-chew food as much as possible. These rules and you will have good teeth.

C. H. S. POET

CHS has in its midst a poet, Miss Mary Frances Green. Mary has a collection of almost 100 poems, all of which are very interesting. The predominant theme of most of her poems is nature, which she beautifully portrays.

Mary is a prolific writer, for she writes a poem a day, and if she has extra time she may even write three in one day. She states that she is planning to publish her works in the near future. Besides her writing, Mary finds time to study and make the A honor roll. Her chief hobby, other than writing, is the designing and making of paper dollies.

"COMPENSATION OF METALS"

The term "compensation of metals" refers to an arrangement of different metals of varying expansion coefficients so that the effect of temperature changes on the whole is compensated for. Thus a "compensation bar" or strip is constructed of parts of different metals so that its length does not vary with temperature, and a "compensation balance" is a wheel in a timepiece so constructed of different metals that variations of temperature produce such changes in its mean rim diameter as to offset the changes produced in the hairspring; and so on.

Legend of St. Cecilia

"The Sandy McPherson I want has red hair," the searcher said. "120 of the Sandy McPhersons have red hair," said the officer. "The Sandy McPherson I want to see is cross-eyed," the searcher said. "60 of the McPhersons are cross-eyed," the officer said. "I don't like to say this," the now desperate inquirer said, "but the Sandy McPherson I want is a little queer." "All the McPhersons are a little queer," the officer said.

This firm uses \$400,000 worth of gold each year in the production of 350,000 rings and employs 350 people. In order to guard against loss, sweepings are saved and the gold extracted, and the water in which the employees wash their hands is filtered to separate the gold particles. Last year gold was retrieved in this way to the amount of \$15,000.

Dinner Honors Wayne Cobb's 14th Birthday

Mrs. Clyde Cobb was hostess to a number of boys and girls at a luncheon in her home Sunday to celebrate the 14th birthday of her son, Wayne.

The program consisted of songs by the boys, group singing and individual numbers, and piano numbers by each of the girls.

A delicious three-course luncheon was served at noon, with the table centered with a large pink angel cake and decorated with 14 candles. A green cake was placed at each side of the pink and a piece of each cake was served with the dessert.

Games were played in the early afternoon, after which most of the guests went with Mr. and Mrs. Cobb to the picture show. Wayne received nice birthday gifts.

Those present were: Virginia Moseley, Reed Sanders, Doris Campbell, Marjorie Peckacek, Virginia Thomas, June Billington, Beverly Hughton, Lois Evelyn Flesher, Virginia Mabe, Wanda B. Cobb and A. Y. Olds, Charles Davis, Ralph Flesher, Charles Nelson, Joe Wallace, Beverly, Billy Klepper, J. M. Hill and the honor guest, Wayne Cobb.

Watch Party Given At Texaco Plant

The home of Mr. and Mrs. J. L. Welch was the scene of a watch party New Year's Eve, Dec. 31, for employees of the Texaco Plant eight miles west of Crowell in the Texas Company oil field. Mr. Welch is manager of the gasoline plant.

Twelve couples were present which included the host and hostess, Mr. and Mrs. Welch. Others were Mr. and Mrs. R. E. Chick, Mr. and Mrs. E. M. Marshall, Mr. and Mrs. J. B. Fairchild and Mr. and Mrs. Joe Quinn of the Texaco Plant, and Mr. and Mrs. Charlie Holder of Paducah.

Games were played until 12 o'clock when sandwiches were served.

GARDEN CLUB PROGRAM

With Mrs. N. J. Roberts as leader, the Crowell Garden Club will meet in January, meeting in the Legion Hall at 3 o'clock, Jan. 8.

Roll call will be responded to by January garden notes. Mrs. Roberts will discuss "Crowell Garden Club's Responsibility in Community Service." The subject "What State Laws Are Enacted for Plant and Bird Protection," will be discussed by Mrs. W. A. Dunn. The question box will be conducted as usual. The exhibit of the month will be in charge of Mrs. J. H. Olds.

MARRIED AT FARMERSVILLE

News has been received by relatives here of the marriage of Mrs. A. Y. Norman to Walter L. Buck on January 1 at the home of Mr. and Mrs. Jim Wheatland of Farmersville. Mrs. Wheatland is a sister of Mrs. Buck.

The ceremony was performed by the Baptist minister, Rev. Fleming, of Farmersville. Mr. and Mrs. Buck will make their home in Farmersville.

Mrs. Buck is a former citizen of Crowell and has made her home here for a number of years.

Nu-Way Laundry Adds Equipment

The Nu-Way Laundry, owned and operated by Mrs. Susie Franklin, has been enlarged in the last two weeks with the addition of all standard laundry equipment with the exception of a mangle. The new equipment includes two new washers, tumbler and extractor. A steam press and an ironer are also included in the new machinery.

A 10x18 feet enlargement has been made to the wash house which makes the floor-space cover about 1,000 square feet.

Owen McLarty of Vernon has accepted a position as solicitor for the laundry and has been working since Jan. 1. He also delivers the finished clothes. Mr. McLarty was formerly with the Vernon Steam Laundry and a former resident of Crowell.

The Nu-Way Laundry now gives employment to five people besides Mrs. Franklin.

New Books Added to Library Last Week

Two new books were added to the library this week. These are "Drums of the Night" by Norma Patterson and "The Lorenzo Bunch" by Booth Tarkington.

Tarkington has been described rather accurately as "the complete novelist." He has twice been awarded the Pulitzer Prize for literature. "The Lorenzo Bunch" is a dramatic story of an ambitious woman who uses her beauty as a weapon and her vanity as a shield.

In this story, Tarkington pictures woman in all her guises. Norma Patterson who already has written "two best sellers" and several short stories has another interesting novel to add to her list—"Drums of the Night."

It tells of Chris Progress, who is young in years but old in wisdom. She held a secret in her heart against the day when a stern man might also feel the pain of loneliness that she knew. Stuart Progress tried to mold their lives, the man who said, "I am always right." But whether he could or could not is told in this stirring romance.

Fat and Lean Men of Thalia to Engage in Basketball Game Friday

A basketball game between the fat and lean men of Thalia will be played at the Thalia gymnasium Friday night. A small charge of 10 cents per family will be made and the money will go to the Thalia Parent Teachers Association.

This will be the second game between these two teams, as the first was played last Friday night when the Fats beat the Leans by the score of 16 to 8. The largest crowd ever in the gymnasium attended this game.

Immediately following the Crowell-Eldorado clash, Jack Thomas' "Hot Shots" will play a team made up of members of the faculty of the Crowell schools.

Probable starting line-up for the "Hot Shots" will be Jack Thomas at center, John Todd and Ernest Spears at the forward positions, with Ted Reuter and Leon Spears as guards. For the Crowell facility, Walker Todd and Henry Black will take forward duties, Conch C. G. Graves will jump center against Thomas, while Pat McDaniel and Ted Burrow will fight off the offensive threats of the "Hot Shots" in the guard positions.

Periodic Health Check Important

Austin.—"Check up on your health assets and liabilities during the first month of this new year, and establish a working balance in health that will carry you through the year," is the advice urged upon all citizens of Texas by George W. Cox, State Health Officer.

"Destruction of human beings by the forces of nature is often unavoidable, but sacrifice of life to preventable diseases results from neglecting the principles of health," he said, "and is due largely to man's supreme indifference to his physical welfare."

"The purpose of the periodic health examination is not the detection of physical defects or predisposition to disease and faults in living habits, the correction of which would have even a remote beneficial action on the life of the person examined. Disease, physical failure, and ultimate death are due not to time alone, but to definite physical causes. The periodic examination endeavors to determine the causes or defects so that they may be removed or corrected."

"Innumerable surveys and examinations have been made of preschool groups and of children in school to detect conditions that might lead to illness later on or to a physical handicap of some sort, if allowed to run on without correction."

"The annual physical check-up is the great bulwark against death dealing conditions of middle-life such as certain heart ailments, diabetes, nephritis, and other so-called degenerative diseases. These maladies oftentimes sneak up on one, so to speak, and work unannounced, up to a certain point. It is during this period that they are discoverable by the trained diagnostic ability of the physician."

"The unfortunate increase in premature deaths of middle-age and beyond, in a measure at least, can be credited to the public's lack of appreciation of the inestimable life-saving and disease-preventing value of the periodic physical examination."

Employers Given Data On Old-Age Benefits

San Antonio, Jan. 6.—Particular forms for keeping wage records of employees have not been prescribed, and it will not be necessary for employers to install elaborate systems of bookkeeping for employees covered by the old-age benefits provisions of the Social Security Act, it was announced today by Oscar M. Powell, regional director of the Social Security Board.

Powell said he has received numerous letters from employers in Louisiana, Texas, and New Mexico requesting information on record keeping.

"Treasury regulations require employers who are liable for taxes under old-age benefits provisions of the Social Security Act to keep accurate records, in any form convenient to them, of all remuneration paid to employees after December 31, 1936, for services performed after that date," Powell said.

"This information then will be submitted to the Collector of Internal Revenue for the employer's district on forms designated by the Treasury Department as SS-1, SS-2, SS-2a, and SS-3. These forms will be available at the office of Collectors of Internal Revenue well in advance of due dates."

"Form SS-1 is the monthly tax return and must be filed for each month, beginning with January, 1937. Forms SS-2 and SS-2a are information returns and must be filed initially for the period of January 1, 1937, to June 30, 1937. Thereafter, they are to be filed quarterly. These three forms must be filed on or before the last day of the first month following the period for which they are

SAFETY SLOGANS

There is a growing demand for drivers license laws with "teeth" in them. Unless the accident toll can be stopped it is going to result in some drivers being legislated off the highway.

At the approach of the skating season it is well to remember that even the best swimmers are unable to swim in ice water with skates and winter clothing on.

If a member of the skating party breaks through the ice in water beyond his depth the rest of the party should join hands at once and make a human rope to reach him. Remember no one will live long in ice cold water.

Bobby Breen Music in "Rainbow on the River" Story-Keyed

Movie-goers will have their last chance to see the new singing sensation of the screen tonight in "Rainbow on the River." Bobby Green sings the theme song, "Rainbow on the River," on three occasions as a solo and again with the assistance of the famous Hall Johnson Choir. Songs featured are: "The Flower Song," "Stradella," "Ring, Ring de Banjo," "Ava Maria," "Capetown Races," "Old Folks at Home," "Waiting for the Sun," and "Holy, Holy, Holy."

"The Unknown Ranger" introduces to fans a new western star, Bob Allen, when it shows Friday night and at the Saturday matinee. Sally Eilers returns to the Crowell screen for the first time since "State Fair" in "Without Orders," when it is presented Saturday night. The airplanes used in shooting scenes in the picture were owned by Harry Phillips of the Phillips Petroleum Co.

"Labeled Lady" brings four of Hollywood's greatest stars to the silver screen when it shows at the Saturday night preview, Sunday night and matinee and Monday night.

Joel Urea and Jean Arthur are cast in the leading roles of "Adventure in Manhattan," which will be presented to movie fans Tuesday night.

Plans Laid at Social Security Board Meet

San Antonio, Jan. 6.—Field representatives of the Social Security Board in charge of field offices at Dallas, Austin, Houston, and San Antonio, Texas; New Orleans and Shreveport, Louisiana; and Albuquerque, New Mexico, who met here Monday, January 5, with Henry P. Seidemann, director, and Sherwood H. Avery, acting regional representative, of the bureau of federal old-age benefits of the Social Security Board.

Oscar M. Powell, regional director of the Board for the states of Louisiana, Texas and New Mexico, announcing the meeting said its purpose will be to establish uniform procedures for the field offices of the region.

Primary functions of the field offices are expected to include maintenance of certain records in connection with employees covered by the old-age benefits provisions of the Social Security Act and work incident to adjudication of old-age benefits claims.

Seidemann, who has been spending the holidays with relatives here, will return to Washington after the meeting to resume his duties as director of the old-age benefits bureau of the board.

"Form SS-3," Powell said, "is information return for employees who attain the age of 65 or who die before reaching that age."

Here she was married to Samuel A. Rash Feb. 21, 1888. To this union one daughter was born, Mrs. J. H. Cope of Vernon. Mr. Rash died Sept. 13, 1889. Her second marriage was to J. F. Cheek, Foard County ranchman, Nov. 22, 1898, when she moved to Crowell, making her home here for the past 38 years.

To this union three children were born, Mrs. T. S. Haney of Crowell; Herman Cheek, who died at the age of two years, and Miss Marion Cheek of Childress. Mr. Cheek died Nov. 21, 1924.

Mrs. Cheek was a charter member of the First Christian Church of Crowell and all through the years she had been a loyal member of that church and a consecrated Christian character.

Besides her daughters, she is survived by three grandchildren, Sharon Sue Haney, daughter of Mr. and Mrs. T. S. Haney, Marjorie Ann and Robert Rash Cope, daughter and son of Mr. and Mrs. J. H. Cope, of Vernon. She is also survived by four brothers, W. H. and J. C. Terrell of Norman, Okla., A. B. and Herbert Terrell of Rotan, Texas, and two sisters, Mrs. John Hoard of Texola, Okla., and Mrs. J. Ed Glenn, of Kopperl, Texas.
