## Big rush on at cotton gins

Cotton rush is on in Garza County's seven cotton gins as they have gone onto 24 hour operating schedules. Dispatch's "gin check" yesterday afternoon revealed a total of 1,823 bales of Garza County cotton to date with another 1,015 bales to be ginned by the end of the week. The Graham Co-op Gin, the only gin in the county that employes couldn't stay long in the phone. They've got cotton trailers lined up the way to the road and I've got help weigh them in," she said.

Trucks from all parts of the county were optimistic. Generally farmers were getting bales to the acre than they expected. Mainly there was no complaint of the fall weather. It was the cotton—in years and years. Late fall — with the first

stiff freeze coming only last mid-week—has helped late planted cotton to mature.

Some is still a little green, but as one ginner explained with a weary sigh, "Just about everybody is pulling now who has a trailer to put it in."

Two more weeks of good weather should see the bulk of the 1963 cotton crop onto the gin yards, most ginner's predict.

Although one, said hopefully, he "hoped it would take three more." This is the "gin report" by gins: Planters Gin: "Covered up." The gin shifted over to 24 hour operation last night and would have gone earlier except for a help shortage. The rush there started Monday. To date, the gin total stands at 1,823 bales with 100 more on the yard.

## Chest is lagging at \$9,500 mark

Garza County's 1963 Community Chest drive passed the \$9,500 mark yesterday afternoon as the "push" is being organized to reach its \$12,331 goal.

The big gifts division, which normally accounts for 80 per cent of the volume subscribed in the annual financial drive, has just completed its initial campaign.

Metcalfe, chairman of big gifts, told Post Rotarians a little later at the club's Tuesday luncheon program on the Chest campaign that the big gifts have fallen off this year in its giving. He may have to make a lot of

callbacks in efforts to obtain increased donations if the drive is to be a success," Metcalfe told Rotarians.

Tom Power, drive chairman, praised results in the Postex Mill employes division and in the school division, in a brief resume of campaign progress before the Rotarians.

He said a house to house campaign may be launched as a last resort in an effort to reach the \$12,331 goal.

The late cotton crop has made returns slow in the rural and ranch division it was reported to Rotarians.

Metcalfe told Rotarians that evidently many donors have lost sight of the original purpose of the Chest campaign—to combine all the various fund raising efforts into a single campaign.

"Any one of the eight participating organizations could raise more money separately," he explained. "And that is what it will come to again if we can't reach our Chest goal each and every year."

James Mitchell, chairman of the Chest budget committee, explained that two of the eight aided organizations—the summer baseball program and the Garza youth center—had trimmed their budget requests this year by a total of over \$800 and the other six organizations had "held the line" without requesting any increases from the Chest.

This is "your Chest campaign", everyone who spoke at the Rotary program emphasized, including S. E. Camp, Chest organization president who led off the program.

Next to our churches, this is the single most important effort in our community each year, Metcalfe declared.

Workers with cards out and those in various divisions who have received their cards but not as yet, are urged to do so immediately.

## Funeral services today for Mrs. Tom Morgan

Funeral services for Mrs. Tom Morgan, who was found dead of a heart attack at her home at 412 West 11th Street at 8:15 a. m. Tuesday, were held at 2 o'clock this afternoon at the First Baptist Church, which she was a member.

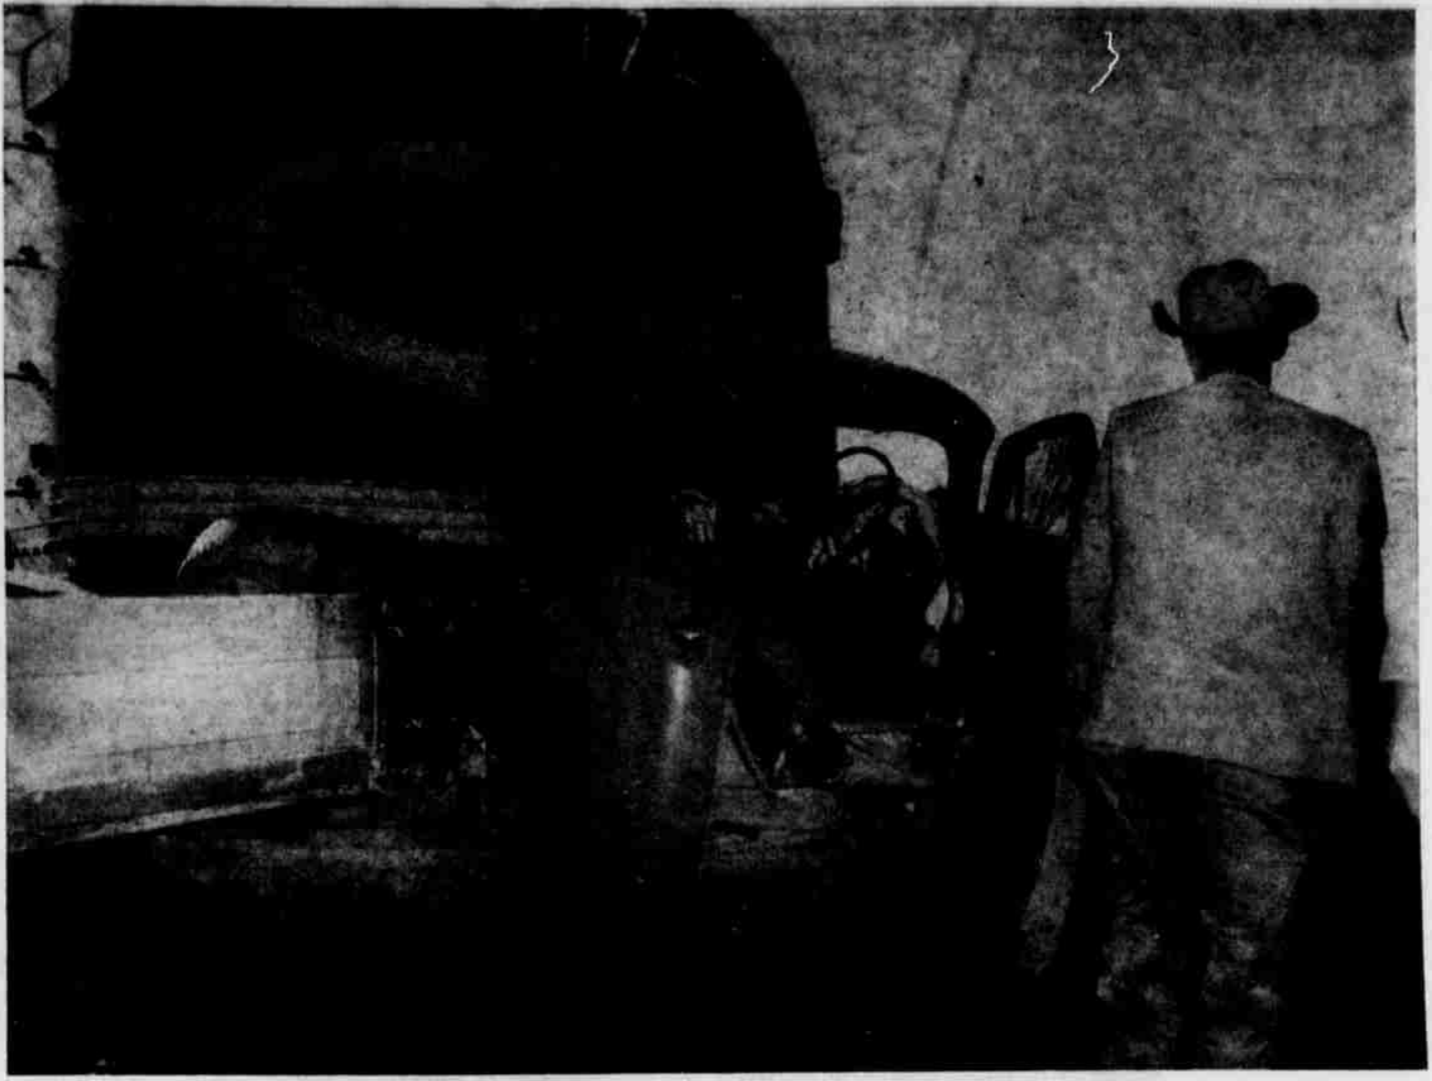

Mrs. Morgan, who apparently died in her sleep, was found by her husband, Mr. Dick Allen, who was away from home for two days away from her. Mrs. Morgan's physician was summoned and placed her in a casket at about two and one-half hours before her body was found. Mrs. Morgan had suffered a heart attack in April, but had recently recovered to be up and about much of the time.

Mrs. Morgan had been a resident of Garza County since 1915. She and her husband were married May 27, 1940, moving to Garza County the year after their marriage on Jan. 17, 1941. Mrs. Morgan was the daughter of Maggie Millie Lillian Heaton.

# The Post Dispatch

Thirty-Seventh Year Post, Garza County, Texas Thursday, December 5, 1963 Number 27

**Postings**

We're not going to say a bad word about our old press this week. We've said about everything that can be said to it already. What's more nobody wants to hear any more stories in Christmas season. So if you have The Dispatch in your hand you'll know that we made it "out" one way or another, after too many breakdowns to count. At least we got some variety this week.

The big Christmas parade is Saturday and from all reports it will be a "humdinger." Remember 10 a. m. is parade time. You want to see Santa, all the pretty floats, the South Plains beauty queen, the state champion twirler in action (she's a "looker" too), a string of refurbished antique cars, and the bands. So make a gala day of it. Spend your time before and after.

(See Postings, Page 8)

## Warren is named city supt. here

The city council voted unanimously Monday night to employ Acting City Supt. E. A. (Eddie) Warren as city superintendent and to raise his salary from \$300 to \$350 a month, effective Dec. 1.

The council also voted unanimously to give water department employe Jimmy Holleman the title of city water superintendent.

Warren had been acting city superintendent since June when City Supt. Henry Tate resigned to accept a similar position at Jacksboro.

Every councilman agreed with Mayor Harold Lucas that Warren, with no previous experience in such work, has done "an extraordinarily good job" in his position as acting city superintendent.

"He has shown a high degree of interest in all phases of city operation and has applied himself well in learning their procedures," the mayor said.

The mayor and council also expressed themselves as well pleased with Holleman's work with the water department, particularly his work to raise his qualifications. He recently passed a state examination for plumbing inspector and is now at work toward raising his state rating as a water works operator.

In other action Monday night, the city council:

- 1) Heard the police department report for November.
- 2) Named a committee of three councilmen to contact potential members of the proposed Citizens Advisory Committee.
- 3) Voted to transfer \$11,500 from the general fund to pay for principal and interest due Dec. 31 on paving warrants.
- 4) Voted to pay the Post Volunteer Fire Department bill of \$7,605 for the year ending Nov. 30, 1963.
- 5) Voted to pay for a State Historical Medalion for the gate at Terrace Cemetery.
- 6) Discussed Post's Civil Defense needs.
- 7) Voted Christmas bonuses for city employes and set the date of the annual Christmas party for Dec. 12.
- 8) Heard a brief report on the search for an airport site.
- 9) Discussed the problem of trash-cluttered streets and vacant lots in some sections of the city.

Councilmen Potts, Arnold Parrish and Wesley Scott were appointed by Mayor Lucas as a committee to contact potential members for a Citizens Advisory Committee, which the council is in favor of.

## Driver of pickup truck killed in crossing crash

Charlie Sparks, 61-year-old Negro, who was killed about 9:30 a. m. Thanksgiving Day when his pickup truck was struck by a northbound Santa Fe freight train at the East 15th Street crossing, was buried Sunday after funeral services at 2 p. m. at the First Baptist Church.

Sheriff's officers and city policemen who investigated the accident said Sparks apparently was killed instantly. His truck was jammed against the front of the diesel locomotive and carried about a quarter of a mile before the engine could stop the train.

Sparks' body could not be removed from the cab of the truck until after the vehicle was cut loose from the locomotive with an acetylene torch.

The train's engineer, M. M. Tumlison, told officers that Sparks, traveling west on 15th Street, evidently did not see the train, which the engineer told Sheriff Fay Claborn was approaching the crossing at a speed of about 48 miles an hour.

The train's conductor, C. J. Felty, also was questioned by Sheriff Claborn and by Police Chief Elton Corley.

The crossing is equipped with the same system of warning signals as the Main Street crossing—flashing lights and bell signals.

The pickup was sheared almost in half by the crash. It was lodged high up on front of the locomotive.

The 15th Street crossing is on a slight grade with an unobstructed crossing.

## Certificate, pin to Judge Parker

County Judge J. E. Parker this week received from the office of the President of the United States a Certificate of Appreciation for 15 years service on Local Board No. 48, Selective Service System. Judge Parker also received a lapel pin in recognition of his 15 years of service.

The Certificate of Appreciation, signed by the late President John F. Kennedy, read as follows: "Certificate of Appreciation to James E. Parker in grateful recognition of 15 years of service to the nation as an uncompensated member of the Selective Service System."

The certificate was also signed by Gov. John Connally, Lewis B. Hershey, director of the Selective Service System, and Morris S. Schwartz, state director.

Accompanying the certificate and lapel pin was a letter to Judge Parker from Schwartz, in which the state director wrote his regrets at not being able to come to Post and make the award personally.

## Enrollment sets record at 1,392

Enrollment in the Post Public Schools totaled 1,392 on Monday, Dec. 2, an all-time high, according to figures released today from the office of Supt. Barry B. Thompson.

There are 328 enrolled in high school, 377 in junior high school, and 687 in the elementary school, the figures disclosed.

High school enrollment by grades was: 12th, 53; 11th, 99; 10th, 83; 9th, 93.

Junior high enrollment was: 8th, 82; 7th, 147; 6th, 148.

The enrollment by grades in the elementary school was: 5th, 132; 4th, 130; 3rd, 126; 2nd, 123; 1st, 138.

## Christmas floats and Santa to be featured

Post's Christmas parade—a unique combination of yuletide floats, fast-stepping bands, and colorful antique cars—will start down Main street at 10 a. m. Saturday in what should be a real pleaser for an anticipated big crowd of adults and youngsters.

Barry Thompson, parade marshal, today reports "everything is in readiness."

ONE OF THE parade's new additions, since its postponement two weeks ago, will be Marsha Kay Dement, 16-year-old state solo twirling champ from Lubbock.

Miss South Plains, a Brownfield beauty now attending college in New Mexico, is also scheduled to ride in the parade.

Thompson reports that the postponement has changed the parade lineup only slightly.

Five bands are now expected to be in the line of march—with O'Donnell and Plains High School Bands being the two newest entries. Others will be the Post High School and Junior High Bands and the Gail High School Band.

Only losses from the parade lineup will be a marine color guard from Lubbock and the Sam Houston Rifles, ROTC drill team from West Texas University. Both have been ordered not to appear in parades during the 30-day mourning period for the late President Kennedy.

The Slaton Topperettes, a group of 45 twirlers from Slaton, will participate. These youngsters are of all ages.

NO. 1 GUEST for the parade doesn't have exactly youth and "looks" like some of the others, but just the same he's sure to be the main attraction for all the boys and girls.

He's Santa Claus, who will ride the High School Senior's float as a Space Age Santa Claus. The sen-

MARSHA KAY DEMENT State Twirling Champ

## State champion twirler to be in Post parade

Top new attraction for Post's Christmas parade Saturday morning is 16-year-old Marsha Kay Dement of Lubbock, the 1963 N. B. T. A. Senior Girls' Solo State Twirling champion.

Attractive Marsha Kay, who holds a total of seven first place state awards, has quite a trophy case at home. It contains 222 trophies she has won twirling and 228 medals besides.

One of the top ranked twirlers in the national twirling competition this year, she will compete at the St. Paul, Minn., Winter Carnival in January in the national twirling competition again.

Marsha Kay is the daughter of Mr. and Mrs. Ted Dement, 2611 36th Street, Lubbock. She is a twirler for the Monterey High School's Sophomore Band.

The Lubbock girl was the two-baton junior state champion in 1962 and the junior girls' solo state champion for 1960.

In 1961 she was named Valentine Sweetheart of Lubbock.

Victor Hudman, chairman of the Christmas parade executive committee, arranged for Marsha Kay's appearance in the Saturday morning parade.

She is expected to appear in front of the Post High School Band in the line of march.

## Germer rites are to be held at 4 o'clock today

Funeral services for Pete Germer, 75, retired farmer, who died at 8 p. m. Tuesday at his home on Route 1, Post, will be held at 4 p. m. today at the First Baptist Church.

Mr. Germer, who was born Dec. 8, 1887, in Bremen, Germany, had farmed in Lynn and Garza counties since 1921, when he moved to this vicinity from Hope, N. M. He had been retired since 1944.

Mr. Germer came with his parents to the United States when he was eight years old and lived in Oklahoma before moving to New Mexico.

He was a charter member of the Lutheran Church at Southland and a member of the Masonic Lodge here. He had served on a gin board of directors at Grassland and as a member of the board in the old Garnolia school district.

The Rev. R. F. Kamrath, Lutheran minister, will officiate at the funeral services.

Burial will be held in Terrace Cemetery under the direction of Mason Funeral Home and with Masonic graveside rites. Grandsons of Mr. Germer will serve as pallbearers.

He is survived by his wife, Nora; five daughters, Mrs. Edna Mason of Lubbock, Mrs. Emma Mueller of New Lynn, Mrs. Alene Brewer of Post, Mrs. Mary Lormond of Ulim, Germany, and Miss Freda Germer of Los Angeles, Calif.; three sons, Amos of the Garnolia community, Raymond of San Angelo and Rufus Germer of Post; three stepdaughters and one stepson; one sister, Mrs. Emma Bunker of Clinton, Okla.; 13 grandchildren and three great-grandchildren.

## Final rites held at Southland for T. L. Barnes, 85

Funeral services for Thomas Lee Barnes, 85, who died Sunday in Mercy Hospital at Slaton, were conducted at 2:30 p. m. Tuesday at the Southland Methodist Church.

Mr. Barnes, a resident of the Pleasant Valley community, had lived in this vicinity since 1916. He was a retired farmer and a native of Bunker Hill, Tenn., where he was born May 5, 1878.

The Rev. Roy Bassett, pastor of the Southland Methodist Church, and the Rev. Ross I. Dunn of Lamesa officiated at the funeral services.

Burial was held in Resthaven Memorial Park in Lubbock under the direction of Hudman Funeral Home. Pallbearers were Douglas Livingston, Virgil Smith, Dillard Dunn, Jack Hargrove, Clovis Robinson and Hansell Hallman.

Mr. Barnes is survived by his wife; five daughters, Mrs. Grace Kane of Amarillo, Mrs. Agnes Rinker of the home, Mrs. Fern Pope of Redwood, Calif., Mrs. LaMoine Conner of Albuquerque, N. M., and Mrs. Tommie Lee Aulsborn of Long Beach, Calif.; eight grandchildren and 16 great-grandchildren.

Other survivors include a niece, Mrs. H. S. Eubanks of Lubbock, and two nephews, Bedford Shearer of Texline and Russell Shearer of Westlake.

## FFA banquet to be held here Monday

For the third consecutive year, the Post Future Farmers of America chapter will host the Mesa District FFA banquet, to be held at 7 p. m. Monday, Dec. 9, in the school cafeteria.

The highlight of the banquet will be the selection of the district FFA sweetheart from among contestants from all 17 schools in the district.

The banquet will also include the district FFA talent contest, with entries expected from Lamesa, Tahoka, Klondike, Brownfield and Post.

Guest speaker at the banquet will be Nelson Hogg of Lamesa, state FFA vice president, who is a student at South Plains College in Levelland.

Linda McMahon, Post High School senior, is the local chapter's representative in the sweetheart contest. Last year, the Post chapter's sweetheart, Vivian McWhirt, won the district title.

Other sweetheart contestants already certified for the district contest are: Patricia Sikes, Tahoka; Dottie Oliver, Wellman; Janet Ginn.

(See FFA Banquet, Page 8)

## Further plans made for Chamber banquet

Further plans were made for the annual Chamber of Commerce banquet in January at a meeting of the Chamber directors Monday night.

Jim Cornish was elected a director to fill the vacancy on the board left by the resignation of Charles Luttrell, former Chamber president, who is moving with his family to California.

Cornish will serve through 1965.

## Order-of-the-day is "Carry On!"

A man superbly trained to be the President of the United States has taken over in Washington.

During his entire administration, however, Lyndon B. Johnson probably will rise to no greater stature in the minds of the people than he did in his Thanksgiving plea to them for their help, their strength and their prayers.

The President pointed out manifold blessings that many may have forgotten in the full week of emotional upheaval that began with a sniper's rifle shot in Dallas on Nov. 22.

And there is profound truth in his statement of Thanksgiving evening that "a deed intended to tear us apart has bound us together."

In the vast confusion and numbing shock of assassination—unthinkable in our time, it had seemed—this nation was, for 100 minutes, without

a chief executive. And then, in the space of an oath, given in the cabin of the aircraft to which President Kennedy's body had been brought, President Johnson contained the distraction of grief with his first executive order. "Let's get this plane to Washington," he said.

In his address to the joint session of the Congress in which he had served 32 years, almost to the day, President Johnson declared that belief in the integrity and independence of the Legislative branch "is deep in the marrow of my bones." And he said: "With equal firmness, I believe in the capacity of the Congress, despite the divisions of opinion which characterize our nation, to act—to act wisely, to act vigorously, to act speedily when the need arises."

The order-of-the-day, if we read it correctly, is "Carry On!"—CD

## Oil industry's 'Christmas tree'

At this time of year, the words "Christmas tree" conjure up a wonderland for young and old—visions of gaily decorated branches, nostalgic carols and brightly wrapped gifts.

The words have a different meaning throughout the year for numerous other residents of Garza County and for other petroleum-producing areas.

In these areas, wells often are topped by complex arrangements of pipes and valves which control the flow of oil or gas. Years ago, some unsmiling oilfield worker noticed how the fittings branched out above the well head and dubbed the equipment a "Christmas tree." The name stuck.

More important than the name is the job these clusters of fittings do in helping oil men to recover and market 80 per cent of the oil below—rather than the 25 per cent they were able to bring to the surface a few decades ago. Improved methods, symbolized by the Christmas tree, have enabled the petroleum industry to keep years

ahead of the soaring energy demands while holding down costs to the consumer.

To meet the ever-increasing need for its products, the petroleum industry must find and develop vast new reserves in the next few years. Production techniques must be further improved. Adequate financial incentive must be provided to attract investments dollars into the risky business of drilling thousands of new wells every year in the search for new oil and gas fields. Only three out of 100 wells drilled in untested areas find commercial quantities of petroleum.

Facts and figures like these make it clear why it is vital to the nation to maintain a strong, free and competitive petroleum industry. For if the industry is ever crippled by unwise tax policies or unwarranted extension of federal controls, the consumers of America will be the losers.

They will find, to their sorrow, that oil and gas do not grow on trees.—Christmas or otherwise.—CD

## Help speed up Chest campaign

President Kennedy's assassination disrupted an entire nation in every phase of its day-to-day life. One of the thousands or small efforts it threw off schedule was the 1964 Garza County Community Chest drive.

The Chest campaign was just swinging into high gear when the sniper's bullet struck down our President on a Dallas street.

It was several days before workers could get back to their tasks. That has put the Chest behind in its drive for \$12,331 in funds for next year.

From Tom Power, Chest drive chairman this year, on down among the division leaders of the campaign, all are urging workers to get busy and wind up their calls just as quickly as possible.

They also appeal to the good judgment of this community to respond to the needs of the eight participating organizations. The Chest or-

ganization has "held the line" in accepting requests from the participating organizations.

But if the Chest is to succeed, a responsible community reaction is needed.

With the Christmas season fast approaching, the principal Chest efforts need to be expedited and wound up.

When you are approached respond quickly and generously. Repeated callbacks will delay the campaign. The object of the united drive is to wrap up all the calling in one single package and your one single check.

Donors can speed things along with a quick response when presented their pledge card.

Fund raising is no easy community chore at best. Let's help the volunteers who are giving so freely of their time by cooperating individually.—JC

## All is ready for Christmas parade

Post's downtown business district looks the prettiest for Christmas it has in many a yuletide season.

The Christmas street decorations and lights are up and the Main Street tree has been erected. Store windows are bright with holiday trim. Store interiors also wear their Christmas garb.

Even the vacant store buildings have Christmas windows for this holiday season—thanks to the cooperative efforts of local school students who have put in a Christmas window in each and every vacant store.

Saturday comes the climax when the Christmas Opening parade—with Santa as the special guest—winds its way down Main Street at 10 a. m. Although the parade was postponed for two

full weeks, due to President Kennedy's assassination, everything that was originally planned for the parade is expected—at this writing—to be back in the line of march.

High school organizations deserve a real pat on the back for their cooperation, both students and sponsors, in building Christmas floats for this unusual parade.

The merchants have banded together in efforts to make this Christmas kickoff the biggest and best ever.

All that is needed now is for a good break in the weather and the presence downtown Saturday morning of you and yours to enjoy all of it.

It will be something worth seeing. So be sure and come and bring all the youngsters.—JC

## Band rating worthy of praise

The Post High School Band and its director, Bruce Evans, are to be congratulated for their Division I rating last week in the district band marching contest at Lubbock.

This was the first time, as far as is known, that the high school band has received such a top rating.

Such ratings do not come easy. They are the result only of hard work and real dedication by the band members and the director to the organ-

ization.

School patrons and the town are proud of the band for its achievement. It is a significant step upward.

The band now will be aiming at the March contest in sight reading and concert playing. We know the organization's 66 youngsters will be striving just as hard for the best honors to be obtained there, too.—JC

AFTER TWO WEEKS of getting the paper out a day early, the tragic happenings of weekend before last and the Thanksgiving holiday, The Dispatch, along with most everything and everybody else is about back to normal this week.

As I predicted in this column three weeks ago when I wrote of our plans to publish early 1.0 weeks in a row—THOSE WERE THE WEEKS THAT WERE! Some of the things that happened, such as Thanksgiving, were, of course, anticipated. Other events, such as the tragedy that shook the nation, were not.

NEITHER HAD WE here at The Dispatch anticipated the breakdown of our printing press, which came near adding chaos to confusion.

The Man up the Street says the best safety belt in the world is the one you don't take for the road.

WITH THE once - postponed Christmas Opening Parade coming up Saturday, perhaps these few "thoughts of the season" will help get you in the proper mood for it: December is when people come in different sizes—none of which you know.

It's the time when you realize that Christmas comes but once a year—to stay a month.

Mistletoe: Bad for trees, but good for two's.

You know the Christmas season has reached the proper height about the time "Sweet Adeline" replaces "Silent Night."

On & Off — In his "Post Card" column in the Houston Post, George Fuermann reports that Arthur C. Evans notes a recent story, in the Saturday Review, to which may now be added a sequel. Many Russian names, it said, end in "off"—Romanoff and the like—and many famous American names end in "on"—Washington, Jefferson, Madison, Hamilton. Now add two more: Lyndon Johnson.

SUDDEN THOUGHT: A person can be so well-rounded that he isn't pointed in any direction.

Once upon a time, long, long ago, in 1938, Robert Benchley made a list of ways to kill time, a goal that seems to be less than a necessity a quarter of a century later, but you never know. Here, just in case, are some excerpts from Benchley's list:

Stringing wire paperclips together to make a chain a hundred feet long.

Running just as fast as you can to the end of the room and back. Making tiny tinfoil balls and snapping them at everyone you see who is over 80. (Benchley says you can kill a lot of time with this dodge because you will have to make a lot of inquiries, as a lot of people don't look their age.)

Rowing a rowboat without using the oarlocks.

Walking up and down the aisles of a train, scanning each passenger's face and asking him, in a whisper, if he can tell you the lucky number.

Following fish up and down their tank in an aquarium and driving them crazy.

Driving nails just as hard as you can into a board and them pulling them out.

Counting your fingers, omitting every second one.

OVERHEARD LAST Thursday: "So it's Thanksgiving. What have I to be thankful for? I can't even pay my bills."

"Be thankful you're not one of your creditors."

Here is a "quicker" for our puzzle fans:

Jane, Joan and Jean will marry the three men named below. Who will marry whom if: Peter is a lawyer. Joan is not engaged to the engineer.

The doctor's future wife is not Jean. Mike is engaged to Jane. Arthur is the engineer. (The answer will be found on today's Dispatch classified page.)

MORE THAN three billion Christmas cards were sent last year. How about this year? Have you mailed yours yet?

## New reading, study skill program evolves in the Junior High School

A new reading and study skill program is taking shape in Post Junior High School, Barry B. Thompson, superintendent of schools, has announced.

The materials and theory involved in the study is the result of a number of years research by Educational Development Laboratories. Gene Matthews, former reading instructor at the Air Force Academy, is the area representative.

The new approach in reading includes controlled readers, reference materials and a tachistoscope. Each student is allowed to move at individual levels. Grades I through 9 are covered in the material.

Research material is being carefully collected to validate or disprove the theory involved. Initial accumulation of data included a vision check by photographing the reflection of light from each pupil's cornea. This film showed clearly reading fixations, regressions and erratic movement of the eyes, if any. A careful analysis of each student's reading ability is being charted for future reference.

This program is another in a series of scientific observations that will allow the Post Independent School District to provide im-

**Adult education program planned**

The Post Independent School District is interested in providing an adult education program for citizens in and around the community. Supt. Barry B. Thompson announced this week.  
In order to receive high school credit, certain time requirements must be met. But when high school credit is not sought, more liberal time allotments can be arranged.  
The cost per course is \$25 per student. The teacher is to receive \$20 of this amount, per student, and the school will keep the remainder for overhead expenses.

Money must be deposited with the school at the first organizational meeting before school will be conducted.  
The tentative starting date is toward the end of January. A minimum number of students must register before the school can be held.  
Those interested in taking any of the courses listed below are asked to check at the appropriate place and mail to the address listed below. Further information concerning the response and pertinent data will be published in The Post Dispatch in the near future.

—By MRS. C.

Advantage of having a home from college is no dirty clothes to wash and iron. This at school so they bring home is nice to see with sons. Most of their mothers with cheek while they are laundry bag FULL of into her hands.

I can remember being shocked every year on my parents' birthdays and thinking it wasn't possible for anyone to be THAT age. Well, Miss C the elder saved the day by remarking: "I always think of you as 38 and I think I always will." Ill savor that as the years keep marching on.

Excitement is mounting as the BIG holiday approaches. Mr. C even wrote our Christmas letter over the weekend. Now that we have our own printing press we get out a newsy letter of happenings throughout the year for out-of-town friends instead of cards that notes must be written on.

The teen-agers are starting to ask questions about the third annual Christmas nativity scene. We elder Cs get a nice glow from that. We're always so happy about them anticipating and inviting different kids to join in each year. There is already some good-natured haggling going on about who will be Mary and Joseph, etc. We all have our eyes open for animals for the scene.

I'm looking forward to the Christmas parade Saturday. There is another flurry of borrowing going on as the school groups add finishing touches amid play practice, basketball tournaments and games, choir practice and heaven knows what all. I've only seen one float so far so am expecting lots of surprises come Saturday. See you at the parade!

Mrs. Joe B. Taylor of the Graham community called in to report that someone had run over a nd killed Helen Vern's 18-month-old Pekinese dog. Helen Vern, the Taylor's daughter, is in a Dallas rehabilitation center after having recently undergone brain surgery in New York City, and is going to be terribly upset over the loss of her pet. Mrs. Taylor said. The Graham resident says it is too late now, of course, to do anything about her daughter's pet, but that she does wish drivers would be more careful of pets that wander out the highway.

Miss Ann Martin, sister of the bride, and Miss Nancy Hart, sister of the bridegroom, were candlelighters. They wore identical blue dresses fashioned with pleated skirts, fitted bodices and high necklines. Their headpieces matched their frocks and each wore a wrist corsage of white carnations.

For travel the bride wore a wool dress with a gold coat. She added bond patent accessories, a white hat and gloves.

The couple will be at home in Post at the Cross H Ranch where Sidney is employed. Mrs. Hart graduated from Brownfield High School and Mr. Hart from Post High School. Both attended South Plains Junior College in Levelland.

Among the out-of-town guests attending the wedding were: Mr. and Mrs. Louie Burkes and Dale, Mr. and Mrs. Paul Jones and Marianne, Mr. and Mrs. Sterman Young, Mrs. Sammie Bolin of Hereford, Mr. and Mrs. Walter Arnold, Mr. and Mrs. Marc Ray Burkes of Lubbock, Mr. and Mrs. Jimmy Moore, Mr. and Mrs. Chester Morris and Anne, Mr. and Mrs. Rufus Hart and Jim Prather of

At 7:30 on the evening of Thanksgiving day, Nov. 28, Miss Ethel Serena Martin and Sidney Herston Hart repeated their wedding vows in the Southside Church of Christ in Brownfield.

The Rev. C. B. Hogue, pastor of the First Baptist Church in Post, officiated at the double ring service.

Parents of the couple are Mr. and Mrs. Reg Martin of Route 2, Brownfield, and Mr. and Mrs. H. H. Hart of Post.

Given in marriage by her father, the bride wore a full-length white satin dress with a bell-shaped skirt. The long-sleeved bodice was enhanced with an overblouse of French lace. The sleeves extended to petal-points over the hands. Her elbow-length veil of tulle was accented with lace appliques scattered through it. She carried a bouquet of a white orchid surrounded by white roses atop a lace-covered white Bible. Carrying out the tradition of something old, new, borrowed and blue, the bride wore a necklace belonging to her grandmother; her veil; her mother's Bible, and a garter.

Miss D'Lynn McGinty of Plains was maid of honor, and Miss Sue Davis of Seminole was bridesmaid. They wore blue dresses featuring bell-shaped skirts, fitted bodices and high necklines. Their headpieces were of matching fabric and each carried a long-stemmed white rose.

Mr. Hart served his son as best man.

Jimmy Moore was groomsmen. Ushers were Royce Hart and Richard Hart, brothers of the bridegroom, and Reggie Martin, brother of the bride.

The reception followed in the Pary House of the County Park. The table was laid with a white lace cloth. Crystal appointments were used. The three-tiered wedding cake was topped with bride and groom was the focal point of the table.

Mrs. M. J. Malouf was hostess for the Post Music Club, National Federation of Music Clubs, when it met in her home Monday night.

After repeating the club collect in unison, roll call was answered with "My Favorite Symphony".

Mrs. Ed Sawyers, president, gave reports on the district meeting held in October and the opera film, "Rigoletto" shown at the open November meeting. Mrs. Boo Olson, vice president and program chairman, reviewed the coming programs.

Mrs. William Bennett was program leader and gave a talk on "The Development of the Symphony." Mrs. Arthur Jackson played recorded excerpts and gave resumes of "Surprise Symphony" by Haydn, and "Choral Symphony" by Beethoven.

A musical gift exchange was held by the Christmas tree. Each member placed a gift under the tree to which a name of a composer was attached. Matching names were given to those attending for the gifts.

Mrs. Malouf recorded Christmas carols sung by the group and accompanied by Mrs. K. S. White. The hostess served fruit cake with whipped cream, sandwiches, nuts, candy canes, and coffee to the following: Mmes. W. R. Graeber, I. N. McCrary, Tom Power, Willard Kirkpatrick, K. Kirkpatrick, Olson, Jim Poer, Jackson, Ronnie Bouchier, Lew Marks and Sawyers.

## Country Club women organize

The first business meeting of the Women's Division of the Post Country Club was held Monday night in the home of Mrs. Claud Collier.

Leo Acker, president of the club, and Claud Collier, chairman of the ways and means committee, met the women to help them organize.

The women will work with the men and help with the social life of the club; such as bridge parties, suppers, and golfing.

It was pointed out that all the women who are members are invited to attend these meetings, not just those who play golf.

Six women were elected to serve on the ways and means committee with the men's committee. They are Virginia Collier, Lucille Acker, Pat Greenwood, Doris Lucas, Isabelle Stelzer and Carolyn Hopkins.

Others present were Mmes. Dee Keck, Larry Hopkins, D. H. Bartlett and Howard Carlyle.

## Football banquet to be held Dec. 20

The second annual Football Banquet given by mothers of the players will be held Friday, Dec. 20, at 7 o'clock.

Eleven mothers met Monday and made plans for the annual affair. Mrs. Edsel Cross was named decoration chairman, and Mrs. Victor Hudman, chairman of the food committee.

Football players and their dates will be guests with the coaching personnel in charge of the program.

The place for the banquet will be announced.

Mrs. Glenn Davis was a guest when the Merry-makers Club met in the home of Mrs. Lonnie Peel, Nov. 16.

The afternoon was spent visiting and piecing quilt blocks for the hostess.

Refreshments of tuna salad sandwiches, pumpkin pie with whipped cream, mints, nuts, punch and coffee were served to the following:

Mmes. Davis, Mable Martin, A. E. Floyd, Nora Kiker, J. F. Storie, Bertha Printz, S. C. Storie Sr., H. N. Crisp and Bonnie Adamson.

Dec. 10, the club will have their Christmas party in the home of Mrs. S. C. Storie. A gift exchange will be held.

**"HAVE A HEART"**  
AUSTIN — "Have a heart" is a familiar slang expression. But scores of people would like to do just that—have a whole unimpaired heart.

The one you were born with is the only heart you'll ever have at least until medical science crosses further frontiers and can transplant a human heart, much as is done with an eye.

True, certain types of repair work is possible today, but it is a costly, tedious process.

Rightly termed a "vital organ," your heart is a muscle-operated blood pump. It starts beating before you are born and continues an estimated 70 years—at an average of 70 to 80 beats a minute—without so much as a coffee break.

Heart diseases rank first ahead of cancer as cause of death. Cancer and cardiovascular diseases together account for over 60 per cent of the deaths in Texas. About 30 per cent are attributed to heart diseases.

The term "heart disease" actually covers a broad range of heart and blood vessel diseases. They are linked together because sooner or later they impair heart functioning ability.

Most common among cardiovascular ailments is coronary heart disease, a condition precipitating heart attacks. It is a condition of the arteries, affecting mainly middle-aged men.

Another well known cardiovascular condition is high blood pressure, i. e. hypertension. Over a long period of time, increased blood pressure can cause the heart to overwork and to lose efficiency.

Rheumatic heart disease strikes another note of familiarity in the line-up of cardiovascular ailments.

## Girl Scouts give toys to project

Girl Scout Troop 49 met recently at the Girl Scout Little House, and made plate favors for the residents of Post's nursing homes.

Each girl brought a toy and used clothing which they took to Wilke's Supply to be used in the Lions Club Christmas project. Mr. Wilkerson served refreshments to the girls.

Carol Davies was hostess for the meeting which was attended by Becky Brewer, Evelyn Gonzales, Debra Mason, Willa Branson, Debra Odom, Lena Lockhart, Syan Thomas, Yolanda Pantoja, Charlotte Hill, Janie Smith, Belinda Blacklock, Quay Williams, LaRue May, Pam Britton and visitors, Mrs. Wayne Thomas and Tammye.

## 'Kachina Doll' is title of Santa Fe's new '64 calendar

AMARILLO—"The Kachina Doll"—a colorful scene of an Indian with two of the unique dolls, is the title of Santa Fe Railway's 1964 calendar.

Reproduced from an original oil painting by the late E. I. Couse of Taos, N. M., the 1964 calendar is another in the series featuring Southwestern Indians which dates back to 1914. Many people throughout the country have been collectors of the calendar art, and pursue their hobby diligently. A few have complete sets of the Indian illustrations.

Kachina dolls may be any size from a few inches up to a foot or better in height. Carefully carved from the root of the cottonwood tree, Kachinas represent supernatural beings in the Hopi religion. They are not idols and are not worshipped, but are designed to familiarize young Hopis with the spirits they represent. At least 200 different varieties of Kachinas have been counted.

At tribal ceremonies dancers are garbed to resemble the spirits, and a close resemblance can be seen between dancers and dolls. Not a thing of the past, Kachina dolls and ceremonial dances are still an important part of tribal life.

## Commandant of Marine Corps urges young men to 'stay in school'

"Stay in school," this advice comes from the Commandant of the Marine Corps, Gen. David M. Shoup.

In a letter currently being delivered throughout the nation to young men in their senior year of high school, the Marine General urged: "By all means complete high school and, if you have the opportunity, go to college." The Marine Commandant's letter stems from a number of inquiries from students in high school asking advice as to how they can best plan for their future in light of their military service obligation.

In his letter, General Shoup stated that it is true that the Marine Corps needs young men. But he added: "Not just any young men." The Marine Corps chief said that the Marine Corps especially needs young men who have the educational background and ability to assume the responsibilities required of the modern Marine.

General Shoup said that a high school or college education is an investment in one's future. The Marine General added that the same high school and college education which increases one's opportunities for promotion, higher technical training, and positions of leadership and responsibility as a Marine will also benefit a young man in whatever civilian career he may follow.

Members of the First Methodist Church were served an "austerity supper" recently in Fellowship Hall.

A menu of multi-purpose food and rice was served as a part of the "Meals for Millions" program being sponsored by churches of many denominations.

The multi-purpose food, referred to as MPF is a food supplement which can be mixed with the basic food of an underprivileged country. Soy beans form the base of MPF. Rice was used here, as it is

## Atomic Energy Merit Badge is now available to Boy Scouts, Explorers

LUBBOCK — The South Plains Council, Boy Scouts of America announced today that all Second and First Class Boy Scouts and Explorers are now eligible to earn the Atomic Energy merit badge—the 105th in the series.

Dr. Glenn T. Seaborg, chairman of the Atomic Energy Commission, himself a former Life Scout with 25 merit badges, took part in a ceremony in New York when he honored 34 Boy Scouts and Explorers of four states who were the first to qualify for the new merit badge.

Irving Feist, of Newark, N. J. International Commissioner of the Boy Scouts of America, read the names of the 34 recipients in a ceremony witnessed by members of the American Nuclear Society and the Atomic Industrial Forum at a special session of their joint annual meeting.

Merit badges are provided in the Boy Scout organization to encourage boys to increase their skill in things they like to do. They give boys a chance to try out new activities that may result in new interests.

Currently there are 105 subjects ranging from agriculture to zoology, falling into 15 groupings. These cover animal husbandry, aquatics, arts, building, campcraft, citizenship, communication, conservation, crafts and collections, nature, outdoor sports, personal development, plant cultivation, public service and transportation.

Last year 1,722, 928 merit badges were earned by America's Boy Scouts.

Before qualifying for a merit badge, a Scout meets with the counselor in the subject he has chosen. The counselors are men who are successful in their respective fields and interests who believe in Scouting enough to give valuable time to help Scouts advance.

Requirements for the new Atomic Energy merit badge were developed by a committee of experts who began work on them in 1957. The requirements allow a Scout to demonstrate the concepts

John McQuien, 74, dies in hospital

John McQuien, 74, retired farmer of the Verbena community, died in Garza Memorial Hospital at 9:30 p. m. Wednesday after a lengthy illness. He was admitted to the hospital Monday.

One son, Walton, farms the McQuien home place since his father's retirement and lives with his parents.

Other survivors include his wife, Maggie Jo; another son, J. W. McQuien of Plainview, and one daughter, Mrs. Hal Jones Jr. of Post.

Mr. McQuien, a resident of Garza County for 47 years, was a veteran of World War I.

Funeral arrangements were incomplete this morning. Hudman's Funeral Home is in charge.

Fire Dep't bill for year \$7,605

A bill from the Post Volunteer Fire Department for \$7,605, covering the fiscal year from Dec. 1, 1962, to Nov. 30, 1963, was submitted to the city council Monday night at its regular December meeting.

The bill is the second largest on record for the fire department, but is still some \$1,300 below the record bill of \$9,034, presented last year.

The city council voted to pay the bill after reviewing and discussing expenditures. The county will pay \$3,000 as its share of the fire department expense, leaving the city to pay \$4,605.

The fire department report showed that 56 calls were made within the city limits, costing \$2,494, and 65 were made outside the city limits, costing \$4,480. Other items were \$1 per man per meeting for a total of \$531, and the annual firemen's banquet, \$100.

Each fireman is paid \$2 for each call he answers and \$2 an hour after the first hour, it was explained to the council.

There were more fires this year than there were last year, but last year's higher cost was due to the disastrous grass fires, which were not as widespread this year.

The fire department report and bill had been submitted to the city by Fire Chief Lloyd Mock and Secretary-Treasurer Rufus Gernert.

Funeral services—

(Continued from Page 1) in Montague County on Jan. 14, 1892.

After moving to Garza County, the Morgans settled on a farm near the Close City community, which they named "Tipperary Farm." They moved north of town in 1919 and later to what is now the Ed Sims place, just east of town, where they were living when Mr. Morgan died. Mrs. Morgan moved into town in 1944.

The Rev. A. C. Hardin, a former pastor of the First Baptist Church here, and the Rev. C. B. Hogue, pastor, will officiate at the funeral services.

Interment will be in Terrace Cemetery under the direction of Mason Funeral Home. Pallbearers will be Charlie Pierce, Wilson D. Williams, Carl Rains, Tom Harmon, Homer McCrary and Hans Hudman.

Besides the daughter, Mrs. Morgan is survived by a grandson, Tommy John Allen, and a brother, George B. Heaton of Nocona. Besides her husband, Mrs. Morgan was preceded in death by two daughters, both of whom died in infancy.

Postings—

(Continued from Page 1) the parade shopping in Post's holiday decorated stores. The town has never been prettier.

Garza's Community Chest is "in trouble." With \$9,500 reported in contributions to date, drive workers are beginning to wonder if the \$12,331 goal can be reached. It's not the workers' fault. The organization is at work. Whether the Black Friday of two weeks ago has put a damper on the "giving" or not, something surely has. Chest division chairmen are talking of retracing their steps and asking for more.

Maybe with the cotton rush now on, the Chest will pull out of it. Gin reports are optimistic. But the fact remains that the need is still here and the Chest drive is one of this community's most important functions. The Chest has to succeed each and every year. A failure now—a bad one—will fold the Chest effort and put fund raising back on a hurry-scurry basis, something no citizen should want.

It's your Chest and mine. Let's do our part. Let's be generous. Remember your contribution is divided among eight different and worthy organizations.

GUESTS OF COOKES Saturday guests of Mr. and Mrs. A. C. Cooke were Sam Sloan and son, Billy, of Roswell, N. M. Sunday guests were Mr. and Mrs. Sam Roberts of Lubbock and Mr. and Mrs. Lem Forbis of Roswell.

Warren named—

(Continued from Page 1) or of appointing. The proposed five-member committee would meet periodically with the council on matters of interest to city government.

"The paving bond warrants for which the general fund transfer was made are the 1957-58 series. Due Dec. 31 is \$13,000 principal and \$325 interest.

Payments are also due Dec. 31 on three other paving bond warrants series, but the city's bank balance for each of these series is sufficient to cover the payments.

The historical medallion for the cemetery gate will cost the city \$104.50. The medallion was recommended by the cemetery by the Garza County Historical Society because of the unique stonework used to construct the entrance.

This stone, the council was told by the mayor, was hauled from canyons near Post by George "Scotty" Samson and Jimmy Napier, who built the entranceway. There is not believed to be any other stone like it in any similar structure in the state.

The medallion will be appropriately inscribed, Mayor Lucas said. It will replace the present star on the cemetery gate, which Councilman Walter Duckworth said has a "seven or eight bullet holes through it."

The Civil Defense discussion came after Mayor Lucas told the council he did not realize just how ill-equipped Post is for disaster relief until he attended a recent Civil Defense meeting in Lubbock.

He said he learned at the meeting that Post can take steps to overcome its lack of disaster relief facilities by qualifying for Civil Defense equipment.

The mayor said that a 90-bed emergency hospital unit would be moved in here by Civil Defense if the city would take steps to qualify for it. These steps, he pointed out, would include finding a storage place for the hospital unit until it is needed and to provide a building in which to set the unit up for emergency use.

The mayor also said that the city would be badly in need of an emergency power unit in case of a disaster.

The council decided to invite Emmarhe I. Hartel, head of the Civil Defense in Garza County, and other persons in a position to help improve disaster relief facilities to meet with the council for a further discussion of the situation.

After setting Dec. 12 as the date of the annual Christmas party for employees, the council voted to continue the custom of giving each employe of a year or more a \$50 bonus and giving employes of less than a year a bonus prorated on their monthly salary.

The report on a city council committee's search for a possible airport site was brief and not encouraging, in view of the fact that the lease expires Jan. 1 on the present privately-leased airport here. Mayor Lucas said negotiations still are under way with the owners on a proposed airport site east of town but that there is nothing further to report.

ATTEND PLAY Among those attending the play, "A Thousand Clowns", in Lubbock Monday night were Mr. and Mrs. Irbly Metcalf, Mr. and Mrs. Giles McCrary, Mrs. C. I. Dickinson, Mrs. D. C. Williams, Mrs. J. E. Parker, Mrs. Ralph Welch, Mrs. Lee Davis, and Mr. and Mrs. Ira Lee Duckworth.

THANKSGIVING DINNER Thanksgiving dinner guests of Mr. and Mrs. Jim Hays were Mr. and Mrs. Bill Hays and family, Mr. and Mrs. Jackie Hays, Mr. and Mrs. Pete Hays and family, Mr. and Mrs. Ray Gilmore and family, A2c Herbie Hays of Webb AFB, Mrs. Liberty Anthony, Donnie Hays and Miss Marilyn Minor, Mrs. Charles Probst and daughter visited in the afternoon.

UNDERGOES SURGERY Word has been received here that Howard Smith, a brother of Mrs. Lee Bowen, underwent surgery for removal of cataracts in San Francisco, Calif. Mr. Howard is living at Daly City, I7A Peoria, for the next six months so he will be near the hospital for checkups during that time. He would enjoy hearing from old friends.

FAMILY THANKSGIVING T. A. Lovd, Mrs. Ray Farrar of Ontario, Calif., and Mrs. Nova Clary of Dallas spent Thanksgiving in Breckenridge with Mr. and Mrs. Harold Caffey and were joined there by Gunn A. Lovd of Huntington Park, Calif. All those mentioned are the children of T. A. Lovd. Mrs. Farrar and Mrs. Clary are here visiting their father through the Christmas holidays.

RELATIVES VISIT Visiting last Friday in the home of Mr. and Mrs. Jim Hays were Mrs. Ernest Rhoades, Mrs. Clary Rhoades and Mrs. Ida Moore of Ontario, Calif., and Mr. and Mrs. Emmitt Rhoades of Earlimont, Calif. Mrs. Emmitt Rhoades is the sister of Mrs. Hays and Sam Lee. The group, all former residents, had been in Abilene to attend the funeral of a son-in-law of Mrs. Ernest Rhoades.

Cotton referendum is set Tuesday, Dec. 10

The polls will open at 8 a. m. and close at 6 p. m. Tuesday, Dec. 10, in the 1964 cotton marketing referendum, it was announced here today by Emmarhe I. Hartel, office manager of the Garza County ASCS office.

Polling places in Garza County will be at the Southland Hardware Store for voters in "A" community; Graham Co-op Gin office for voters in "B" community, and county ASCS office for voters in "C", "D" and "E" communities.

"You are eligible to vote in the referendum if you were engaged in the production of upland cotton in 1963 as landlord, tenant or sharecropper," Mrs. Hartel said. If two-thirds of the growers vote for marketing quotas and acreage allotments, the following will apply:

- 1. Cotton planted in excess of the farm allotment will be subject to penalty.
2. The price of cotton on complying farms will be supported within a range of 65 to 90 per cent of parity.

If two-thirds of the growers do not vote for marketing quotas, the following will apply:

- 1. Farm acreage allotments will continue in effect.
2. Cotton planted in excess of the farm allotment will not be subject to penalty.
3. The price of cotton on complying farms will be supported at 50 per cent of parity.
4. Farms with cotton planted in

Crossing crash—

Police Chief Corley said there was a possibility that Sparks did not hear the crossing signals because he had the glasses of his pickup rolled up against a cold wind.

Sparks had been employed here as a dishwasher, but had not been actively employed for some time because of his health, officers said. He lived on South May Street.

The funeral services were moved to the First Baptist Church when it became apparent that the Pleasant Home Baptist Church, where the services were to have been held, would not hold the crowd attending the funeral.

The pastor of the Pleasant Home Baptist Church officiated at the funeral services. Burial was held in Terrace Cemetery under the direction of Hudman Funeral Home.

Sparks' survivors include his wife, Inez. The names of other survivors were not available.

Fire destroys trailer belongings today

A fire destroyed a U-Haul-It trailer filled with a traveling couple's belongings at 2 a. m. today, 10 miles east on the Clairemont highway.

Post firemen answered the call but the trailer was completely destroyed. The pickup truck hauling the trailer was not damaged.

The man was going to a job in New Mexico and was taking his wife to Lubbock.

Big rush—

(Continued from Page 1) cleaned up at night anymore."

Farmers are getting more and better cotton than expected, both a good turnout and good grade. Ginned to date—689 bales with 30 on the yard.

Graham Co-op Gin: Rush began Saturday and the gin went into 24-hour operation Sunday night for the first time. Gin total—1,631 bales, 100 more on the yard, and more coming.

Close City Co-op Gin: Cotton in area is turning out better than expected and is ginning better than last year. Operating 16 hours. Still quite a few report cotton too green to pull. Getting 125 to 140 bales a day. Ginned to date: 1,365 bales with 45 bales on yard.

Pleasant Valley Gin: Onto 24-hour operating schedule Friday with "everybody pulling." Cotton is better than expected. Total ginned to date: 1,388 bales. One hundred twenty five on yard.

Basinger Gin, Southland: 300 bales on yard yesterday afternoon with 1,305 bales ginned to date. Gin went onto 24-hour schedule Friday. A few farmers still report cotton a little too green. Generally, cotton is making more than expected. It should take three weeks to end the big rush.

Hackberry Gin: 3,102 bales ginned to date, half of which is counted as Garza cotton with 435 bales in yard. Have been running on 24-hour schedule for last two weeks. See end of rush with two more weeks of good weather. Majority of farmers pleased beyond expectations.

## Workshop in visual communication skills is held for Post teachers

All of the administration and approximately 65 per cent of the teaching faculty of the Post schools voluntarily attended a Technifax workshop held Nov. 20-21, it is reported from the office of Supt. Barry B. Thompson.

The Technifax Visucom Program is designed to train its participants in visual communication skills, with emphasis on overhead projection.

Laboratory training was offered in the utilization of Diazochrome projectors; layout, design and construction of masters; exposure and development; mounting and the use of constructed materials in the classroom. The phenomena of polarization was described and demonstrated.

The program was a participating one and the general reaction of all who attended was that the time was well worthwhile.

## Post, Tahoka in two-game split

Does win, 'Lopes lose

The Post Antelopes and Does broke even in games at Tahoka Tuesday night, the Does winning, 56 to 45, and the Antelopes losing, 52 to 48.

It was the second victory against one defeat for Coach Mary Lee Stockton's girls' team and the second loss against no wins for Coach Will Bigott's boys.

In the boys' game, the Antelopes and Bulldogs were all even at 9-9 at the end of the first quarter, but Tahoka held a 24-22 lead at the half and were out in front 37-34 at the end of the third quarter.

Tahoka's top scorer was Allen Cox, with 17 points. Williams scored 11 points and Wells, 10.

The Does jumped out to an 18-8 first quarter lead and led all the way in the girls' game. They were ahead 30-20 at halftime and 44-31 at the end of the third period.

Although she reinjured her knee and missed one quarter, Nita Wilson took scoring honors with 24 points, bringing her season total to 102 in three games. Other Doe point-makers were Vivian McWhirt, 12; Shirley Sappington, 8; Marilyn Jones, 6, and Becky Thompson, 6.

Pam Stewart saw duty at both forward and guard position.

Post's starting guards were Dee Ann Walker, Cheryl Martin and Darla Pierce, with Edith Johnson and Mary Ann Stone also playing.

## Southland Eagles 3-1 in cage play; girls even at 2-2

The Southland boys' basketball team possessed a 3-1 record and the Southland girls a 2-2 record going into this week's games against New Home.

The Eagles opened their season Nov. 12 with a 46-44 victory over Union. The same night, the Southland girls defeated Union, 38 to 25.

In games Nov. 15, the Southland teams were defeated by Girard, the boys losing, 71 to 59, and the girls, 47 to 29.

On Nov. 19, the Eagles downed Anton, 60 to 58, with Rod Callaway scoring 36 points for Southland. The girls also won, 47 to 30, with Judy Kiesel's 14 points high for the Eagles.

Nov. 26, the Eagles overpowered New Home, 67 to 61, with Callaway scoring 21 points for the winners. The Southland girls lost, 48-38, with Marion Eckert's 19 points high for the Eagles.

Two Southland Eagle football players, Ronald Saunders and Joe Hall, have been named to the all-District 6-B team.

Saunders, a senior student and a four-year letterman, was selected at an offensive end position. He is the son of Mr. and Mrs. Wendall Saunders of Route 1, Post.

Hall, a junior student, was named as a defensive guard on the all-district team. A three-year letterman, he is the son of Mr. and Mrs. Buddy Hall of Route 1, Post.

## 20 Post Antelopes earn grid letters

Football letters were earned by 20 members of this season's Post Antelope squad, Coach Harold Teal announced Tuesday.

Requirements for lettering were playing at least four plays in each of 16 quarters in five games, except where honorary letters were voted by the squad, Coach Teal said.

Senior lettermen are Tom Clark, Pat Cornell, Curtis Hudman, Wendell Johnson, Ricky Little, Danny Odom, Pat Sullivan, Jackey Fluit and Richard Hart. It is the third letter for Clark, Hudman, Sullivan and Fluit, the second for Cornell, Johnson, Little and Odom and the first for Hart.

Juniors lettering were Butch Cross, Billy Blacklock, Charlie Brown, Billy Mitchell, Dennis Odom, Benny Owen, Danny Pierce, Teddy Scott, Ronald Simpson and Jackie Braddock. For Cross, Scott and Pierce, it was their third letter, for Blacklock, Brown, Mitchell, Owen and Simpson, their second, and for Odom and Braddock, their first.

The only sophomore letterman is Donnie Cornell.

Manager's letters were earned

## Southland site of Junior High meet

Southland Junior High School is sponsoring a basketball tournament this week end, beginning Thursday and continuing through Saturday.

Teams entered in the tournament are Post, Slaton, Cooper, Wilson, Roosevelt, Crosbyton and Lubbock Christian Junior High.

Southland's Junior High boys' team is undefeated in two games, having defeated Cooper, 37-13, and Post, 38-32. The Junior High "B" team defeated the Post "B" team 23 to 18.

The Southland Junior High girls have lost to Cooper, 31-23, and to Post, 26-24.

## Two Southland players on all-district team

Two Southland Eagle football players, Ronald Saunders and Joe Hall, have been named to the all-District 6-B team.

Saunders, a senior student and a four-year letterman, was selected at an offensive end position. He is the son of Mr. and Mrs. Wendall Saunders of Route 1, Post.

Hall, a junior student, was named as a defensive guard on the all-district team. A three-year letterman, he is the son of Mr. and Mrs. Buddy Hall of Route 1, Post.

## Junior High district rules are announced

Post's Junior High basketball teams—7th and 8th grade boys and girls—are members this season of a junior high district, set up at a recent meeting in Tahoka.

Other schools in the district, are Tahoka, Idalou, Frenship and Slaton.

A double round-robin schedule will be played, with results not to count toward the championship. The championship tournament will be held in Tahoka on Feb. 20, 21 and 22. This will be a single elimination tournament to decide the champions in each of the four divisions.

The district tournament will also include a consolation bracket. Trophies will be awarded champion, runner-up and consolation winner.

Age limits for participation in district play were set, with each school responsible for adhering to the limit. Seventh grade students should not be 14 years of age before Sept. 1 in order to be eligible. Eighth grade students should not be 15 before Sept. 1.

A student not eligible in the 7th grade because of age would be eligible for 8th grade play if he meets eligibility requirements for that grade.

The junior high games will consist of six-minute quarters, three-minute intermissions at halftime

## 8th grade cagers in area tourney

Post's 8th grade boys' and girls' teams will play Wilson tonight in first round games of the annual Southland Junior High Basketball Tournament.

The boys' team plays Wilson at 7:30 o'clock, with the girls' game between Post and Wilson to follow.

Coaches of the Post teams are Elvin Jones, boys, and Billy Hahn, girls.

Other teams in the three-day tournament are Southland, Slaton, Cooper, Roosevelt, Crosbyton and Lubbock Christian Junior High.

Linda Sanchez — I went to my cousin's, Gloria DeLeon's house.

# Science & Math members meets

Comments on the Science and Math Workshop held here Nov. 16 were made by Mr. May at a recent meeting of the Science and Math Club.  
Thanks were extended to Danny Odom, Dee Ann Walker, Susan Ramsey, Elisabeth Tubbs and Teddy Scott for their participation in the workshop.  
Mr. Gee discussed the talks made by two Andrews girls on their science projects. He also commented on projects for the Science and Math Club of Post.  
Danny Odom, club president, presided over the business meeting, at which the float for the Christmas parade was discussed. Volunteers were asked to work on the float.  
The club's next meeting was set for Dec. 3.

# Garza County SCHOOL PAGE

**NAMED 'MISS SHS' 1963-64**  
New honors have come to Kelly Jo Myers, Southland High School senior, with her election as "Miss SHS" for the 1963-64 school year. Previously, Kelly Jo had been elected Football Sweetheart at Southland's homecoming. She is also head cheerleader, editor of the yearbook and secretary of the senior class. Kelly Jo, who is 17, is the daughter of Mr. and Mrs. Jack Myers.

# Nita Wilson is 'Doe of Week'

By Diane Kiker  
Our Doe of the week, Nita Wilson, was born Oct. 13, 1946. She is 17 years old and a senior in Post High School.  
Nita is a member of the First Baptist Church.  
Nita's outstanding activity in high school is basketball. This is her fourth year to play basketball in high school. She also played in the 8th grade. Nita is a forward.  
In Nita's sophomore year, she received "Outstanding Forward" in the Big Spring tournament. In her Junior year, she was honored with two awards at the all-sports banquet for "Most Valuable Player" and "Most Outstanding." She made all-district three consecutive years.  
Nita was also one of the three nominees for football queen this year.  
Nita says, "My biggest honor of all is being one of the Does and having them elect me as their captain."  
Nita states her opinion on the team this year as follows: "We have a very good chance to go all the way to state. We have a team this year and everybody's real close, which makes it all the better. I think the Does are more determined and much more experienced, so it's State or Bust!"

# Junior High honor roll is announced

The second six-weeks honor roll at Post Junior High School was released this week by Principal Glenn Whittenberg.

- POST JUNIOR HIGH**
- This and That**  
By Janet Cheshire  
What's this I hear about a concert that the 8th graders are going to give in December? Keep it up, Mr. Evans.
- 6 C and 6 D are forever getting in trouble in Science class by Mrs. Lobban.
- Maybe Nancy Hart won't have to sit at the back of the film room for talking again.
- Pam, when are you going to quit combing your hair in Science class?
- 6C class is fast in Language Arts. Keep it up!
- Nancy, everyone knows that you like Jan O.
- Glenda Bilberry we know that you like David Clark.
- Kay please don't beat your sister up.
- Debbie, did Coach Hahn give you your licks for your birthday, Nov. 15?
- Just because it's six-weeks don't forget to come by the library to get a book. Mrs. Walker will be there to help you.
- Just imagine Mary Carter being tall.
- What's this I hear about Larry Cummings and Ginny Edwards?

# Junior High Gab

Jimmy Jones, did we see you walking Karen Lee down the hall? Speak out, Jimmy.

Donna and Vicki how do you like where Coach Black has his desk?

Joe Reno, we are sorry you are moving.

Paula, what's this we've been hearing about you and Bill?

Donna has Gary been writing you letters lately?

Good luck to the 7th and 8th girls basketball team!

Hey, boys, how do you like Patti Power's hair cut?

How does the 1st period Science class like the movies that the 6th grades have 1st period every day?

We've been having six weeks tests lately. Hope everybody passed them. Good luck!

# Post Highlights

Our basketball girls are really going to give a good team, even if they do have to work out at "South Pole." Not every team wears long-handles and coats while playing.

This high school is really full of young, beautiful, intelligent girls who are going to make efficient, accurate and prompt secretaries. If in doubt, ask any of the seven shorthand girls. They are up to four words a minute!

Wonder what the people in church thought when the two front benches started shaking on which Margie Harrison, Dr. Pennell, Mary Beth Ford and Diane Kiker were sitting Sunday night.

I sure hope Mary Beth Ford and Shirley Sappington enjoyed their sight-seeing in Southland, Monday.

Couples, beware of Diane Kiker and Shirley Sappington. It seems they have been doing some investigating in dark places.

**COUPLES SEEN**

**Bulletin boards in library nice**  
By Patsy Snow  
The library bulletin boards have really been looking nice. Lucy Guthrie and Mrs. McRee have worked on these.  
The present bulletin board display shows a clown balancing on a rope. "Balance Your Reading" is the theme. Several of the covers of the new books are displayed also.  
They also made bulletin boards for the Primary and Elementary buildings for National Book Week.  
The city books for children have been classified, processed, and catalogued.  
These books are excellent, easy to read, and have good bindings. They are also well illustrated and on the grade level of 1-9.  
During Book Week some of these new books were displayed at the Primary and Elementary buildings.

# CHANGE IN OFFICE HOURS

Effective immediately, I will take appointments by phone for between 9 a. m. and noon and from 2 to 6 p. m. Mondays, Tuesdays, Wednesdays, and Fridays.  
Thursday and Saturday mornings appointments will be made for between 9 a. m. and 1 p. m. No appointments will be made Tuesday afternoon to permit surgery but the full staff will be on duty. I will be in my office each Sunday morning until church time, and until 11 a. m. on holidays.  
I have established an office behind my home at 405 West 13th for emergency care at other hours.  
Patients are urged to telephone for appointments to save office waiting.

Harry Tubbs, M. D.

192 guests attend anniversary event

By MRS. O. H. HOOVER
Mr. and Mrs. Carl Greer celebrated their Golden Wedding anniversary at their home Nov. 24 from 2 until 5 p. m. The serving table was laid with a lace cloth over gold satin. The centerpiece was an arrangement of large gold mums featuring an arch across the top with a large "50 years" in gold. Long white satin streamers with "Lula and Carl" in gold lettering completed the arrangement. The wedding cake was a three-tiered cake with gold roses and a bride and groom atop the cake. One hundred and ninety two guests registered. Friends called from Lubbock, Lamesa, Post, Tahoka, Colorado City, Lampasas, Killeen, Burnet, Seminole, Hobbs, N. M., Lampco, Calif., Whiteface, Justiceburg, Hale Center, Petersburg and Ropesville and a host of friends from the Grassland community. It was a lovely party.

Mr. and Mrs. Elmer Rash and children, Mrs. Red Henry and Mrs. Martha Harris spent the Thanksgiving holiday with Mrs. Mamie Evans, daughter of Mrs. Harris, who lives in San Benito. Visiting Mrs. C. A. Walker this week were Mr. and Mrs. Ray Norman, Mrs. Zilla Huddleston, Mr. and Mrs. Yeats, Mrs. Eva Childs, Mrs. Etta Burk, Mr. and Mrs. Lucian Walker, Mr. and Mrs. Bill Moore and Crisly of Seagraves, Mr. and Mrs. Doyle Terry of Lamesa and Mrs. Letha Porterfield.

Mr. and Mrs. Gus Porterfield accompanied by her mother, Mrs. D. G. Cook, spent the Thanksgiving holidays in Abilene with the Porterfields' son and family, Dr. and Mrs. D. G. Porterfield.

Mrs. Bill Moore and Crisly spent Thursday through Sunday with her mother, Mrs. Lucille Walker. Mrs. Walker has been in the hospital and came home Friday afternoon. She is recovering nicely.

MR. AND MRS. J. E. SHERRELL, Mrs. A. Z. Sewell, Mr. and Mrs. W. T. Luttrell, Mr. and Mrs. Zan Hensley, Mr. and Mrs. Gus Sherrell and Paula attended the annual Thanksgiving dinner in O'Donnell. This dinner is a project of the O'Donnell Cemetery Association.

Mrs. Willie Martin of Rising Star is visiting in the home of her brother, J. E. Sherrell.

Billy Cox and family of Tulsa, Okla., visited his sister and brother-in-law, Mr. and Mrs. A. L. Norman, over the weekend.

Mrs. Hoover spent Wednesday afternoon with Mrs. Carl Fluit.

Mrs. R. B. McCord has returned from visiting her daughter, Mrs. Jim Looker in Ingram. She spent Thanksgiving here with another daughter, Mrs. C. E. Short. Other visitors in the Short home for dinner were the Harry Lee Short family of Tahoka.

The Rev. and Mrs. Yeats had as Thanksgiving guests their son-in-law and daughter, Mr. and Mrs. Eddie Ray and family of Morton. Mr. and Mrs. W. T. Luttrell attended funeral services in Tahoka Sunday for Mrs. Henry Douthett.

Mrs. W. G. McCleskey, the Rev. and Mrs. Yeats, Mrs. H. E. Huffaker and Mrs. Tom Murray visited Mrs. G. H. Spears Tuesday. She is doing fair.

Mr. and Mrs. L. S. Turner's grandchildren, Kim, Kenneth, Kei and Karen spent the holidays with them.

Mrs. Polly Chism and Mrs. May Lewis of Wichita Falls are spending some time here with relatives. They are visiting the Kelly Laws at this time.

Mr. and Mrs. Claude LeMond spent the Thanksgiving holiday with her sister, Mrs. Hazel Flitts.

They were supper guests of the Roy LeMonds and spent the night with his sister, Mrs. A. Z. Sewell.

Joel Holloway spent Sunday afternoon with Mr. and Mrs. W. T. Luttrell. He reports that his son, Keith, who had major surgery recently will go back to school this week.

Mrs. Edith Inklebarger visited Mrs. McCleskey Friday afternoon. They visited Mrs. Billie Inklebarger a while.

The Rev. and Mrs. Ira Campbell visited in Oklahoma City over the Thanksgiving holidays and returned with a load of shrubs for the Nazarene Church here.

Judy Wilson of Houston and Louise Gerner of Dallas spent the holiday weekend with the Amos Gerners. They didn't have the turkey dinner until Saturday. Sunday, the girls had to go back to their jobs—Judy to Houston and Louise to Dallas.

Mrs. Fay Claborn and Mrs. O. F. Haley visited in the Amos Gerner home Monday.

MR. AND MRS. J. C. ALLEN of Lubbock, Mr. and Mrs. W. G. McCleskey and the C. O. McCleskeys all took their Thanksgiving dinner over and ate at the Carlos McCleskeys. The men were pulling cotten.

Mr. and Mrs. Odie Campbell and daughters were Sunday luncheon guests of the H. D. Gartmans.

There was quite an operation going on today (Tuesday) on the Amos Gerner farm. Amos was running a cotton stripper; Jerry was right behind him with a stock cutter; then came Kenneth with a disc plow turning the land for next year's crop—cooperative farming.

Mrs. Emma Muller and Linda Kay visited in the Gerner home Saturday evening.

Mr. and Mrs. Jack Hare spent the Thanksgiving day with the Ralph Deans.

The W. G. McCleskeys had lunch Sunday with the Tom Murrays. They all went to Jim Pattersons to visit him. He came home from the hospital in Slaton Saturday. He is doing fairly well.

A. L. Norman is building a 20 by 66 foot addition on to his present Butane Building. It will help store additional merchandise.

Mr. and Mrs. Dale Kincer and three children of Floydada spent Thanksgiving with her parents, Mr. and Mrs. A. L. Norman.

Mr. and Mrs. Leroy Davis spent the weekend in Denver, Colo., visiting their daughter, Dixie, who is a teacher there. They came home late Sunday.

The C. O. McCleskey's had lunch Sunday with the M. C. Ritcheys. Wade and Sherry Gerner of San Angelo came up on the bus Thursday and spent the weekend with their grandparents, Mr. and Mrs. Bob Norman.

Mr. and Mrs. Lyda Odum spent the afternoon Thursday with the Ralph Deans.

THE FAMILY of the late J. W. Norman and wife met at the clubhouse in Slaton Sunday for their annual Christmas dinner. They really had a banquet and nearly everyone was there. Everyone enjoyed themselves very much but all were saddened by the absence of their beloved sister, Jessie. She was and is greatly missed. Eighty people registered.

The Grassland and Draw WSCS met in joint session in the church at Draw Monday at 9:30 a. m. There were 10 present. Mrs. Gus Sherrell is teaching the book, "The Christian Family and Its Money." We would like to invite you to

Announcement
On January 21, 1964, I will retire from the practice of medicine. According to an old maxim, "What doctor can no longer step briskly the steps of retire." After 50 cherished years of practice among my friends, I find that I have reached that plateau and must take the firm step of complete retirement. With greatest appreciation and all wishes. DR. A. C. A Moment With God OUR PARDONING GOD Who is a God like unto Thee, that pardoneth iniquity and passeth by the transgression of the remnant of His heritage? He retaineth not His anger forever, because He delighteth in mercy. Micah 8:18, 19 There is one all-important element that distinguishes Christianity from all other religions. That element is the doctrine of forgiveness of sin through God's pardoning grace of the cross. Other religions and moral philosophies may resemble the Christian religion in certain external matters, such as ethical principles, concern for social justice and emphasis on human freedom. In one matter, however, there is an unbridgeable gap between Christianity and the rest of mankind's religions—all of them. For only Christianity knows a God who offers pardon—full and free—without regard to any merit on man's part. We can therefore echo Micah's words of adoration: "Who is a God like unto Thee, that pardoneth iniquity?" He is a God indeed whose anger gives way to His mercy when He beholds the cross and accepts the atonement of His Son in the sinner's stead. For it is only through Christ that we can receive the pardon and mercy of which Micah speaks. That pardon is the expression of God's grace alone; it is unconditional. But on our part it requires unconditional surrender—to His direction of our life, to His rule within our heart. Nothing in my hand I bring; simply to Thy cross I cling. Amen. # A REMINDER

One of the charms of being young, is the ability to forget. That is, to forget quickly, what might appear to be a hurt, a wrong, a slight, an injury. Then, as we grow older, there is a tendency to brood over hurts, and wrongs, and injuries — real or imaginary — and sometimes we lose that beautiful mental balance, between forgetting and remembering.

There is a place to take all your hurts, your memories, your injuries of spirit; that place is your church. There you will find peace and contentment. Tie a string around *your* finger, now! Remember church this Sunday!

# State Capital NEWS

By Vern Sanford

With a shocked and agonized still grieving nation still grieving the death of its President, a court of inquiry to determine all facts surrounding the assassination of President Kennedy is being held in the shooting of Gov. Connally and the related

court. But the law laying down the procedure for a court of inquiry says that "any person" may be forced to testify before such a public hearing, and if that person refuses, he can be held in contempt and jailed.

Therefore, the Russian-born wife of accused assassin Lee Oswald can be forced to testify against her husband. But any evidence her testimony may produce may not be used against her husband in a criminal trial. However, in Oswald's case, there will be no trial to follow the inquiry.

It may be that such evidence would be helpful to State attorneys when they prosecute the case against Jack Ruby of Dallas, the man accused of murdering Oswald.

Governor Connally said he hopes all investigations will be directed "toward determining the facts, conditions and circumstances that occurred" and will have as their purpose determining whether the assassination was the work of an individual maniac or a conspiracy . . . and development of plans for future presidential safety. He pledged his cooperation with any investigation—local, state or federal.

**LITTLE WHITE HOUSE** — A rambling, 13-room stone and frame ranch house 65 miles west of Austin has become the nation's Little White House. Home of new President Lyndon B. Johnson, it was built by his grandfather a century ago.

It is doubtful that President Johnson, who has urged Congress to immediately pass Kennedy's civil rights and tax bills and who faces staggering responsibilities in the months just ahead, will have much time to spend in Texas for awhile.

## 64 Pontiac

Here's why you'll like it.

Here's why you'll tell other people you like it.

For instance, Wide-Track is what you get with tilting your way around turns. It's smoother, quieter ride is another thing you might point out. A big 389-cubic-inch V-8 is standard in each and every Pontiac. You get to choose from 34 different transmission teams to harness all that power (happy choosing!)

Then—on to more of the things that make the '64 Pontiac so thoroughly likeable. Frankly, we couldn't think of anything radical to do with this car. Oh, we made the styling even more stylish, as you can plainly see. We lavished even more care on the interiors. We even improved the light bulbs. But as for more vital things, why change? Improve, refine, sharpen—yes. Change—no. And you can tell that to your friends.

But many of the world's top national and world leaders have come to the quiet banks of the Pedernales River to confer with Johnson in recent years. No doubt he often will return to the family home he loves so well, not only for rest from the cares of his office, but for the planning of tasks ahead.

## Officers elected by Library Club

By Patsy Snow  
The Library Club held its first meeting recently to elect officers. The new officers are: President, Nancy Bingham; vice president, Billy Bland; secretary-treasurer, Lucy Guthrie; reporter, Patsy Snow; Student Council representative, Linda Cowley.

Also the Dewey Decimal System, date sheets and book pockets were discussed. Due to lack of time the club plans to meet again to discuss other things. The sponsor is Mrs. McRee.

## Junior Jottings

Many of the students attended the Memorial Service on Nov. 25 to show their great respect for the late President John F. Kennedy.

The Christmas Parade, which was postponed, will be held on Dec. 7. Much time and work has been spent on the floats for the parade. We would like to express our thanks to the merchants who are supporting the parade.

Everyone is happy that six-weeks exams are finished.

The Juniors are still working hard on their class play. We hope everyone comes out to see it, because we feel it will be a big success.

## Lunchroom Menu

Lunchroom menus for the Post schools next week, Monday, Dec. 8, through Friday, Dec. 13, are as follows:  
Monday: Barbecue beef on bun, creamed potatoes, blackeye peas, peanut butter cookies, fruit, milk.  
Tuesday: Large lima beans with pork, glazed carrots, chilled tomatoes, canned fruit, corn bread, milk.  
Wednesday: Fried chicken, gravy, buttered whole kernel corn, spring salad, jello with fruit, rolls, milk.  
Thursday: Hamburgers, lettuce, tomatoes, pickles, onions, cheese sticks, fruit cobbler, milk.  
Friday: Chili and crackers, stuffed celery sticks, fruit, oatmeal cookies, milk.

## THE COURTS SPEAK

Abilene Christian College is the rightful owner of 41,824 acres in Pecos and Terrell counties, the State Supreme Court agreed.

## VOTES CANVASSED

Now it's official: Poll tax repeal was defeated resoundingly by Texans in a constitutional amendments election on Nov. 9. Only one of four proposed amendments carried. Vote on poll tax repeal was 316,775 against to 243,120 for in the official canvass announced by Secretary of State Crawford C. Martin. Only amendment which carried was the increase in welfare assistance payments. The vote here was 330,922 for to 192,050 against. Proposed increase in the Veterans Land Fund authorization failed 258,433 to 250,556. The Jefferson County retirement, disability and death compensation fund program for public officials was defeated 250,415 to 218,712.

## THE COURTS SPEAK

Abilene Christian College is the rightful owner of 41,824 acres in Pecos and Terrell counties, the State Supreme Court agreed.

## VOTES CANVASSED

Now it's official: Poll tax repeal was defeated resoundingly by Texans in a constitutional amendments election on Nov. 9. Only one of four proposed amendments carried. Vote on poll tax repeal was 316,775 against to 243,120 for in the official canvass announced by Secretary of State Crawford C. Martin. Only amendment which carried was the increase in welfare assistance payments. The vote here was 330,922 for to 192,050 against. Proposed increase in the Veterans Land Fund authorization failed 258,433 to 250,556. The Jefferson County retirement, disability and death compensation fund program for public officials was defeated 250,415 to 218,712.

## The Mystery Student

By Heilyn Cheshire  
She is a nice girl. She is 13. Her hair is blond. She has blue eyes. Her height is 5 feet 3 inches. Her favorite song is "Talk Back, Trembling Lips." Her favorite color is blue. Her hobby is barrel racing. Her favorite pastime is riding her horses and playing with her dogs. Her favorite sport is basketball. I might add she's very good. She was born on April 12, 1950, in Slaton. From there she moved to Guthrie, and then she moved to Post. Can you guess who this is? I bet you can't, but try. P. S. Don't peek! (Nathia Jo Meares)

In 1910 there were only 348,088 employees in the U. S. Civil Service.
