

New Glorieta test just outside city highlights oil activities

Oil activity in Garza County was picking up considerably this week with a new 3,700 foot Glorieta test getting under way just outside the city limits in north-west Post Tuesday by the Bond Oil Corporation of Dallas.

Little information was available here. The test is being drilled by the Robinson Drilling Co.

Brown Brothers, Et Al, which plans to start drilling soon inside the city just north of the First Christian Church with an 8,500 foot wildcat which will test everything down to and including the Ellenburger, also is getting ready for two additional tests in the near future.

A CITY HEARING has been set for 1 p. m. July 19 at city hall on that firm's request to drill another well on Lot 3, Block 42, in the City of Post.

Oil reporters also report that Brown Brothers is planning to drill the No. 4-G F. B. Robinson as a 1,200-foot stepout to its S. Z. 5 Glorieta, located a quarter of a mile northwest of Post and 1,500 feet northwest of Z-1 Glorieta production in Garza South multi-pay field.

Shell Oil Co. will plug back from 8,350 to 8,220 feet and attempt to recomplete as an oil discovery from the Mississippian, topped at 8,124 feet, its No. 4-C Slaughter Estate.

It is 660 feet from north and west lines of Section 32, Block 2, T&NO Survey, a former dual Pennsylvania and Ellenburger oil producer in the Teas field of Garza, nine miles south of Post.

R. S. ANDERSON of Midland has completed two operations in the Rocker A field of Garza, five and one-half miles northwest of Justiceburg. One is a dual completion and the other a single producer.

The dual is the No. 6-A Skelly-Stoker, which was potentiated from the San Andres to pump 24 barrels of 36-gravity oil daily plus 35 per cent water from perforations between 2,496 and 2,741 feet. The pay was fractured with 60,000 gallons of fluid and 90,000 pounds of sand. Gas-oil ratio was too small to measure.

From the Glorieta it pumped 16 barrels of 36-gravity crude plus 82 per cent water daily. Perforations at 3,073-105 feet were treated with 2,000 gallons of acid and the gas-oil ratio was too small to measure.

Anderson's single producer is the No. 4-A Skelly-Stoker, which was completed to pump 43 barrels of 36-gravity oil plus 33 barrels of water in 24 hours. It spots 990 feet from south and 1,808 feet from east lines of Section 944, Block 97, H&TC Survey.

JOSEPH I O'Neill Jr., of Midland has finished the No. 1 W. F. Simpson as a producer from the San Andres C zone on the southwest of Garza's multi-pay area, a mile west of Post.

On 24-hour potential it pumped 15 barrels of 37-gravity oil plus 88 per cent water from perforations at 3,297-3,301 feet which had been injected with 2,500 gallons of acid.

The well, a re-entry of Midhurst Oil Co. No 1 Simpson, a former producer from the 2900 foot San Andres Horizon is 735 feet from south and 2,196 feet from west lines of J. V. Massey survey 1231 in Garza.

O'Neill deepened the project to 3,787 feet, possibly in the Glorieta, which apparently was barren, and then plugged back and set a four-

Rites conducted here Wednesday for Jim M. Hays

Funeral services for Mrs. Myrtle M. Haddleston of Ira, mother of Mrs. Ila Mae Hodges and Homer Haddleston, both of Post, were conducted at 3 p. m. Sunday at the First Baptist Church in Snyder.

Mrs. Haddleston died at 10:15 a. m. Friday in Cogdell Memorial Hospital at Snyder. She was 81 years old.

Born Aug. 15, 1884, in Coke County, she married Walter Haddleston May 14, 1901, in the home of her parents, Mr. and Mrs. William C. Hays. She was a member of the Knapp Baptist Church for 60 years.

Mrs. Haddleston was preceded in death by her husband, Walter, March 22, 1955.

Besides the son and daughter of Post, Mrs. Haddleston is survived by two other daughters, Mrs. Lois Berryhill of Ballinger and Mrs. Laverne Meyers of Snyder; three other sons, Aubrey and Cecil of Ira and Leo Haddleston of Snyder;

Three sisters, Mrs. J. M. Jennings of Sweetwater, Mrs. Kenneth Daugherty of Compton Springs, N. H., and Mrs. Carl Meyers of Fort Smith, Ark.; two brothers, W. E. Haysley of Sweetwater and Log Haysley of Waco; 13 grandchildren and 25 great-grandchildren.

The Rev. D. W. Copeland of Sweetwater officiated at the funeral services, assisted by Dr. A. B. Lightfoot of Snyder. Burial was in the Ira Cemetery.

200 more volumes coming to library

The Post Public Library is receiving another shipment of 200 books on indefinite loan from the Texas State Library, Mrs. Rosa Gamblin of the library aides committee of the Friends of a Public Library announced this week.

The library also has received another box of books from the Dawson County Library at Lamesa for use here. This is the fifth box received from that library to aid the Post library in getting under way.

Other gift books were received by the library here over the weekend from local donors. A group of volunteers under direction of Mrs. Rosemary Chapman processed a large number of these books last night, cataloging them and getting them onto the shelves.

Mrs. Gamblin said the Texas State Library offers a special service of sending books here requested by local library patrons not on local shelves. She said requests already have been made to Austin for five such books.

A total of 188 books have been checked out since the library opened.

Considerable interest also is being shown in the "swap shelf" in the library for paperbacks. By bringing a paperback, the reader can exchange for any paperback on the shelf. These are not checked out.

Directors of the Friends of a Public Library will meet tonight to complete plans for a library open house.

Eleven youngsters attended the children's Story Hour for boys and girls age five through the third grade last Thursday at 10:30 a. m. and adults in charge are hoping for more.

Nichols one-hits Floydada here

Righthander Doyle Nichols pitched a one-hit shutout at David Nichols Park here last night as the Post Teen-age team handed the Floydada Teen-age club its first loss of the season, 6-0.

Nichols had a perfect game going against the champions of the Caprock Teen-age Division for six innings, retiring the first 18 men to face him without a runner getting to first base.

Floydada's only hit was a scratch single with one out in the seventh.

Norman Tanner hit a home run for the locals with one on in the sixth. Post scored once in the second and added two more in the third to take command.

Post will play a return game at Floydada next Wednesday night.

Blanton elected as Legion head

Frank Blanton was elected post commander of James C. Cole Post No. 270 of the American Legion at the Legion's annual Independence Day supper Saturday night. He succeeds Bill Woods.

George Childers was elected vice commander and Ira Greenfield, adjutant.

Appointive officers are O. L. Weakley, service officer; Floyd I. Stanley, sergeant-at-arms; Dean A. Robinson, chaplain, and T. L. Jones, finance officer.

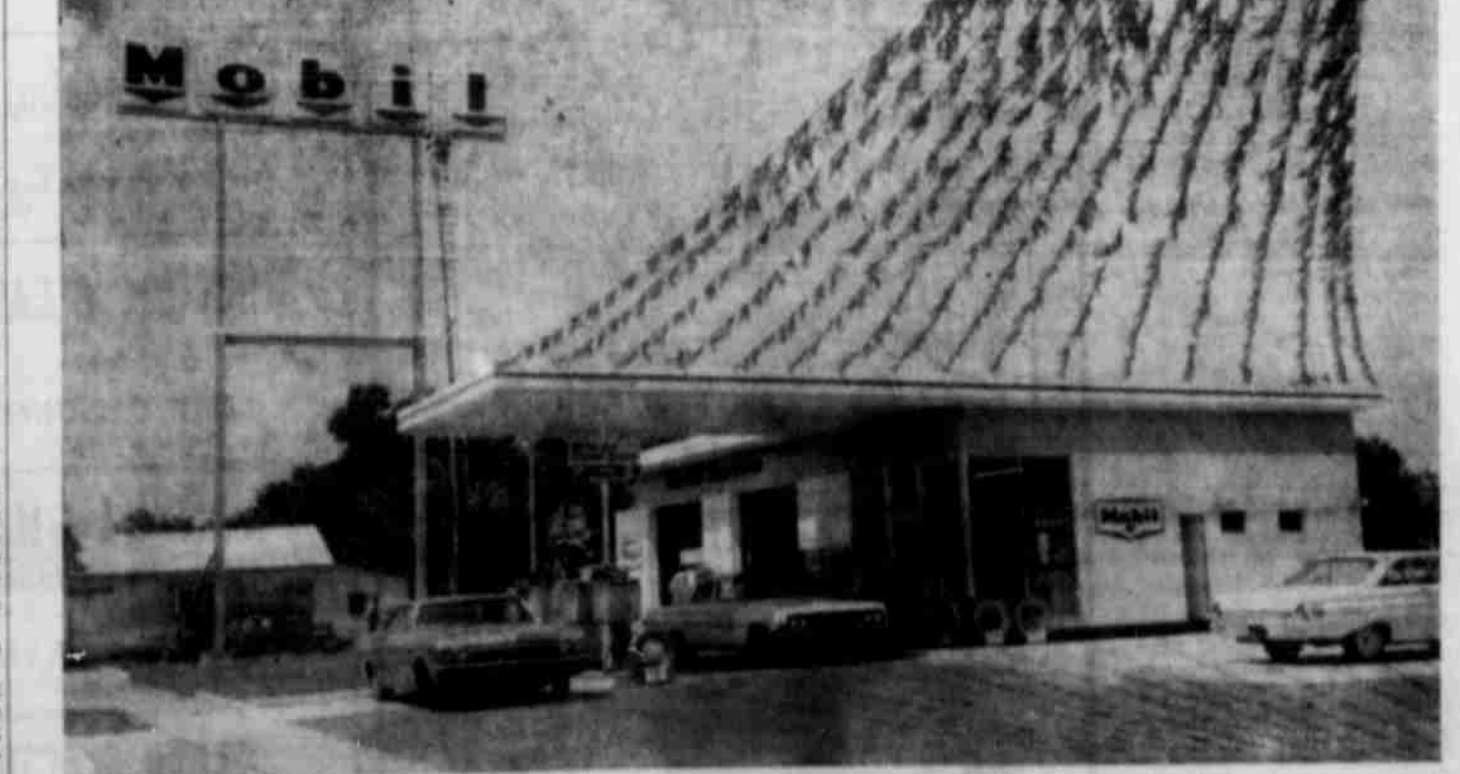

A. C. Cooke, 66, dies suddenly; rites are today

Funeral services for A. C. Cooke, 66, who died suddenly at his home here at 801 West 6th St., during the noon hour Tuesday, were to be held at 2:30 p. m. today at the First Methodist Church.

Mr. Cooke, who had been engaged in the practice of law since moving here from Lubbock in 1960, died of a heart attack in the yard of his home, where he had gone to turn off a water sprinkler.

Two employees of Brown Bros., Et Al, who had driven up to the home of Everette Windham, next door to the Cooke residence, saw Mr. Cooke slump to the ground after suffering the heart attack. They and Mr. Windham took him to a doctor's office, where he was pronounced dead.

Born March 21, 1900, at Topsy, Tex., near Gainesville, he had been engaged in the practice of law for 45 years. Mr. Cooke practiced law in Lubbock for 26 years.

Water deposit charge is increased to \$15

In a move designed to cut down on the amount of revenue lost through customers moving out of town without paying their water bill, the city council voted unanimously Monday night to raise the residential water deposit charge from \$10 to \$15.

City Supt. Eddie Warren told the council that \$800 owed the water department by customers who had moved away was "charged off" last year and that the loss this year probably will reach \$1,200.

A list of customers who have moved away and the amount of the water bill they owe was passed around for the councilmen's inspection, with a comment by City Supt. Warren that "You'll be surprised at some of the names on the list."

Warren told the council that one recourse the city has in collecting these debts is that if the same customers move back to town they won't get their water turned on again until they pay their delinquent bill.

The new deposit charge of \$15 will apply only to deposits put up in the future and not to present users who have already paid a deposit, it was explained.

The council authorized City Atty. Carlton P. Webb to draw up an ordinance for the issuance of \$16,100 in time warrants as the city's part of the airport construction cost.

The warrants will be purchased by the First National Bank at 5 per cent interest, payable within a five-year period. The warrants will be issued in series of \$1,000 payable from the city's general fund.

The council voted to send three members of the Post Volunteer Fire Department to the state firemen's and fire marshals' school at College Station later this month. The cost to the city will be \$400, with the county paying \$150 for a total of \$550. This amount pays the firemen's expenses and their salaries during the week they are at College Station.

Masons to install officers Tuesday

Post Masonic Lodge No. 1058 AF&AM will install officers at 7:30 p. m. Tuesday, July 12, in open lodge with the public invited.

The following officers are to be installed:

Joe Williams, worship master; Lewis Ammons, senior warden; J. P. Parnell, junior warden; Max Knox, senior deacon; Joe Pearson, junior deacon; Paul Jones, secretary; Donald Windham, treasurer; L. M. Crowley, chaplain; Lloyd Mock, senior steward; Junior Higgins, junior steward; E. R. Moreland, tiler.

Tahoka and Post golfers to play

Golfers representing the Post Country Club and the T-Bar Country Club of Tahoka will start teeing off at 1 p. m. Sunday at the Caprock Golf Course in the first match of the annual cup series between the two clubs.

Local golfers interested in playing in the match are asked to contact D. H. Bartlett at the golf course before Sunday.

Post newcomer drowns on outing

Carl Paul Earnest, a 22-year-old newcomer to Post, was drowned at about 2:30 p. m. Monday in Lake Sweetwater while on a holiday outing with his family.

Earnest moved here last week from Snyder to accept a position as an upholsterer at Custom Upholstering.

He is reported to have been swimming in shallow water when he got into deep water. Efforts were made to rescue him but he slipped from a rescuer's grasp and sank in 30 feet of water. It took 50 minutes to recover the body.

Survivors include his wife of the home; two daughters, Darlene of Post and Shelly of Cheyenne, Wyo.; one son, David, of Cheyenne; his parents, Mr. and Mrs. W. D. Karry, east of Snyder; and two brothers, Reginald of Snyder and Harold R. of San Jose, Calif.

Funeral services were pending Tuesday at the Bolger Funeral Home of Snyder awaiting arrival of the brother from California.

Glenn Polk has lead in college production

"The Will to Win" with Glenn Polk of Post in the lead role, will be performed at 8:15 p. m. Saturday, July 9, in the University Theater on the Texas Tech campus.

"The Will to Win" is a drama of conflict by Texas playwright Ramsey Yelvington. The dramatist's theme in this production is that competition is vital to every society if that society is to retain "The Will to Win." He believes that this spirit is promoted in America through athletics.

Polk, a junior majoring in drama at Texas Tech, plays the part of Coach Bud Kellum. The primary and obvious conflict in "The Will to Win" is between the coach and he president of a Texas university. President Lockridge, played by G. W. Bailey.

Glenn's 43-year-old brother, Chip Polk, a Post Junior High School student, also has a part in the play. He has the role of Coach Kellum's 13-year-old son, Buster. Glenn and Chip are the sons of Mr. and Mrs. T. C. Polk.

Tickets for Saturday night's performance of "The Will to Win" are set at 50 cents per person and there will be no reserved seats.

Other Texas Tech productions in which Glenn has played the lead role or a prominent part include "Romeo and Juliet," "The Tempest," "Noah," "Electra," "Firebugs," "The Apollo of Balzac" and "Hello, Out There."

Rev. Graham into graduate study

The Rev. and Mrs. Edgar H. Graham Jr. plan to move to San Antonio Sept. 1 where Mr. Graham will begin two years of graduate study at Trinity University, specializing in sociology and its application in the work of the church.

The Rev. Graham announced the plans to the congregation of the First Presbyterian Church at the Sunday morning worship service.

A congregational meeting has been called for next Sunday morning after worship service at which the congregation will vote on joining with the pastor in a request to Plains Presbytery of the Presbyterian Church to terminate the Rev. Graham's pastoral relation.

Plains Presbytery will meet in Austin July 14.

Mr. Graham completed his third year as pastor here June 28. He has been taking graduate work at Texas Tech in sociology part-time during the past year.

He had made known his plans to the members of the local church and the session voted to call the congregational meeting for July 10.

It's tourist time at Texas' state capitol

By VERN SANFORD
Texas Press Association

It's tourist season at the historic Texas State Capitol building on any summer day, visitors from all parts of Texas, many from other states and even foreign countries, are found in its spacious halls and in the splendid legislative halls or on the green, tree-lined grounds.

More than 200,000 tourists look on portions of the 78-year-old building during the 145th anniversary of the Capitol Tour, which is operated seven days a week by Texas Highway Department personnel.

FREE parking is available for visitors on a lot at Congress Avenue—across the south Capitol grounds. Parking is also provided for a "come-first" served marked tourist spaces on the grounds.

Part of the famous Capitol was reopened last year for the first time in 12 years. Visitors are taken to the fifth floor landings by a company of a guide and rewarded by a spectacular view of the capital city from an elevated balcony.

Guided tours a day take visitors from the fourth-floor elevators—up 112 steps to the fifth floor.

Many less adventuresome visitors are content to wander on their own through the columned corridors, to look up their legislators' pictures in the House or Senate or to drop by the Governor's office and sign the guest book.

The Capitol covers three acres of ground and has 192,374 square feet of floor space.

AT THE TIME of its completion in 1888, it was said to be the seventh largest capitol building in the world.

In 1879, the Legislature appropriated more than three million acres of land in 10 Texas counties to pay for the building. Construction was begun Feb. 1, 1882. Owners of Granite Mountain near Marble Falls in Burnet County offered free of charge to the state all granite needed to complete the building. (Original plans called for construction of Texas limestone.) Extended labor problems delayed completion, but Texas finally got a building that cost more than \$3,700,000 in exchange for her three million acres of land.

Rising to a height of more than 309 feet (from basement floor to top of the Goddess of Liberty statue on the dome), the building is seven feet higher than the National Capitol in Washington.

IT IS 585 feet long and 299 feet wide, including outside steps in both measurements.

Fifteen thousands carloads of Texas red granite for exterior walls were hauled into Austin from Burnet County by ox - power and a specially built railroad. Texas limestone forms interior and dome walls.

Wainscoting of oak, pine, cherry, cedar, walnut, ash and mahogany would reach a length of seven miles.

Door and window frames are all in oak and pine, except those in the Governor's ornate reception room, which are of cherry.

The original copper roof covers 85,000 square feet. Original floors were of hard-blocked clay tile, glass and wood. New hall and rotunda floors are of terrazzo, all Texas rock aggregate except for the blue in the U. S. Seal which was imported from Italy. These rotunda floors tell the story of Texas history and are regarded as among the largest and most beautiful terrazzo floors in the world.

MODELED after the classic design of the National Capitol, the Texas Capitol is built in the form of a Grecian cross.

Maintenance requires a most constant effort. Crews of painters, carpenters, electricians and plasterers are at work in some portion of the sprawling building almost every day. Many areas, including the Governor's quarters, have been remodeled, modernized and air-conditioned.

Most dramatic of the maintenance work is painting the interior of the Capital dome every seven years. Painters work on a platform suspended 260 feet above the

star on the rotunda floor. There are still a few oldtimers around who remember when the grand old building was brand new.

"The Texas Capitol is more than a seat of government; more than a fountainhead of law," one writer has said. "With its treasures of Texana, it acts like a lodestone upon even the 'summer soldier and the sunshine patriot.' And those who enjoy deeper drafts of history may stand again and again before the Capitol's paintings, sculptures and documents, each time finding something they had missed before. Here, one must thrill to the feel of an undercurrent of the tremendous energy and vigor which continues to keep Texas great."

WHILE THE Capitol used to house all agencies of state government, now only the Legislature and its agencies, plus the Governor, Lieutenant Governor, Secretary of State and State Comptroller are under its spreading roof.

Many other state agencies are located in modern buildings just off the Capitol grounds. Visits to some of these buildings are also worthwhile.

Especially fascinating is the fine Archives and Library building east of the Capitol.

The Capitol Tourist Bureau, one of nine such units of the Highway Department, maintains complete information about other Austin attractions and provides travel information about the entire state.

Last year, these bureaus played host to 753,000 travelers out of a record total of more than 12,600,000 out-of-state people who were passengers in autos visiting the state.

Soldier receives early promotion

FORT BLISS, Tex. — David D. Baldwin, whose wife, Anne, lives at 1007 West 10th, Post, Tex., received an early promotion to army pay grade private E-2 on completion of basic combat training at Fort Bliss, Tex., June 11.

He was awarded the promotion two months earlier than is customary because of his score in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities.

The early promotion program is an Army policy providing incentive for outstanding trainees. Baldwin entered the Army in April of this year.

The 23-year-old soldier, a member of Alpha Tau Omega fraternity, was graduated from DuMas High School in 1961 and from West Texas State University, Canyon, in 1965. His parents, Mr. and Mrs. A. C. Baldwin, live at 7522 Park Place, Houston.

Boys and girls between 9 and 19 years of age can become 4-H Club members. Contact the County Extension office.

Work begins on lake buildings

Plans for the commercial construction planned at the new White River Lake this week were given the approval of the Texas Board of Health in Austin.

Engineers for White River Marina, Inc., the corporation of Crosbyton businessmen which is developing the commercial facilities, have been at work on the plans for the last few weeks.

Al O'Brien, manager of the White River district, accompanied firm representatives to Austin to get approval of the plans by the health department so there would be no question of any health hazards developing.

\$931. damage suit transferred here

A \$931.06 damage suit brought by T. E. McClanahan of Slaton against Adrian Cook of Post has been transferred to the Garza District Court here from Lubbock.

McClanahan seeks the \$931.06 to pay for repairs to his car allegedly damaged when a cattle trailer being pulled by Cook came loose in Slaton Jan. 27, 1964, and crashed into McClanahan's car on the parking lot of Bruce's cafe.

There are an estimated 24 million former 4-Hers in the U. S.

Construction is being begun on a grocery store, steak house, and marina, according to O'Brien.

Car insurance rates are hiked

Not all auto insurance rates are going up in Garza County Aug. 1, in accordance with rate actions taken by the State Board of Insurance in Austin June 28, but most of them will.

Collision rates for drivers over 25 actually will drop \$2 from \$49 currently to \$47, but that is the exception not the rule, as boosts statewide averaged 5.9 per cent with the announcement that drivers can expect even bigger increases next year.

This is the way the auto insurance rates shape up for Garza County, effective Aug. 1:

Liability \$10,000/\$20,000: Drivers over 25, from \$41 to \$42, \$1 increase; unmarried male under 25, from \$107 to \$114, \$7 increase; married male, under 25, from \$67 to \$76, \$9 increase.

Comprehensive: All drivers, up \$5 from \$48 to \$53.

Collision: Driver over 25, down from \$49 to \$47; unmarried male under 25, up \$4 from \$135 to \$139; married under 25, up \$2 from \$83 to \$85.

Climbing accident tolls and costs were cited by the board as the reason for the increases.

Summer enrollment at LCC sets new mark

LUBBOCK — A record-setting 224 students signed up for summer school classes at Lubbock Christian College June 1.

This broke the previous mark of 196, set at this time last year. Late registration continued through June 6, pushing the total to the final 224.

Thirteen foreign students are included in the group, representing 10 different countries. Paraguay, Zambia, Ireland, the Philippines, Japan, Iran, Lebanon, Panama, Syria and Saudi Arabia all have representatives in the student body.

Residents of 14 states are also attending during the first session. The majority of students, of course, are from Texas, with Lubbock boasting 94 enrollees.

Earning capacity of youths gain

WASHINGTON, D. C. — Young people who began their careers within the last two years have a life-time earning capacity of almost twice that of those who began working in 1949.

Those words of encouragement are contained in the June issue of Finance Facts, a monthly newsletter on consumer financial behavior, published by the National Consumer Finance Association.

Finance Facts points out that the average life-time earnings of those who started their careers in 1964 is approximately \$260,000. This figure represents an increase of almost one-third over those who started working as recently as 1958. Based on statistics provided by the Institute of Life Insurance, Finance Facts points out also that education is an important income-determination factor. For the man who never went beyond high school and who started working in 1964, the average life-time earning power is \$219,000. A high school diploma increases his potential by \$44,000 to \$263,000, and a college degree jumped his earning potential by another \$141,000 to a prospective life-time income of \$444,000.

Vet's Forum

Q. I am severely disabled and in a VA hospital. I will be hospitalized about 2 months, then will require nursing home care as my wife will be unable to care for me. Shall I wait until I am discharged from the hospital to file claim for increased pension?

A. You should file your claim for increased pension now, as "household benefits" of \$35 per month may be payable while you are hospitalized.

Q. I had active duty in the Army from January 1956 to December 1965. I spent more than two years of this time in Viet Nam. I was in an automobile accident in February 1966 which rendered me permanently and totally disabled. May I receive pension for these disabilities since I am a veteran of the Viet Nam war?

A. No. Pension is payable to veterans of World War I, World War II, and the Korean Conflict discharged under other than dishonorable conditions after 90 days or more active duty, or because of a service-connected disability from reasons not traceable to their service.

Q. What period of service is required for entitlement under the new GI Bill?

A. Six months (181 days) of continuous active service since Feb. 1, 1955 or discharged for service incurred disability. Full time duty in Armed Forces shall include authorized travel to or from active duty.

OF tennnis AND religion

It happened on the very first point as everyone knew it would. The champ was testing the challenger's backhand.

Champs are like that. Right from the start they probe for some flaw in the opponent's game. And when they find it — look out!

Life is just as probing and relentless. Quickly it uncovers our weaknesses . . . then assaults them again and again.

Is that why men go to church? It's one of the reasons!

Victories never come with glorying in our uncertain strength. They come with doing something about our proven weaknesses.

Long ago it became trite to observe that the Church is meant for sinners rather than saints. But it is sound Christian living to recognize honestly our shortcomings . . . and constantly, persistently to seek God's help in overcoming them.

CORRESPONDING BY TAPE

Former Post resident's hobby is subject of story in newspaper

Mr. and Mrs. Ted R. Hibbs visited in Post the first of the week en route to their home at Mountain Grove, Mo., after attending the 1966 convention of Rotary International in Denver, Colo.

The Hibbs are former longtime residents of Post, where he was manager of the Southwestern Public Service Co. office. They moved to Mountain Grove after his retirement over a year ago.

The Mountain Grove Journal recently published the following article on Mr. Hibbs that will be of interest to his friends here: "After 41 years in the electric light and power business in western Oklahoma and Texas, Mr. and Mrs. T. R. Hibbs retired and moved to the Ozarks to be near their daughter, Mrs. David N. Pointer and family of near Mountain Grove, Mo. Hibbs has been a Rotarian since 1944. Two of his hobbies are harmonica playing and taping with relatives, friends and other Rotarians."

"Before retiring at Post, Texas, the town built by the late C. W. Post, the cereal manufacturer, Mr. Hibbs made a harmonica tape with a friend, Georgie Willson, at the piano. Mr. Willson also put some special piano music on side two of the tape. A copy of this tape was sent to Rotarian Stanley Barker of Seattle, Wash., who saw fit to send the tape 'round robin' to other Rotarians and this is the route it took:

"Henry Gordon, Connellsville, Pa.; Dan Harrison, Dermott, Ark.; Frank Hirsch, Elizabeth, N. J.; Jim Simpson, Hallettsville, Tex.; Gordon Cordner, South Africa; Shereenarian Somani, India; Guy Hebblewhite, Australia; Alex Hood, New Zealand, and then back to Barker, who sent it to Hibbs, since all these Rotarians made some kind remarks on the blank tape that was left on side two.

"The tape traveled over 40,000 miles and many people had the pleasure of hearing it. This is one of the many ways used to build good will and international understanding by the 590,000 Rotarians in 132 countries of the world.

"Hibbs has a 30-minute tape made up of introductions of four Rotarians in the States, one in South America and one in England. He has used this tape as a program before a number of Rotary clubs."

ANOTHER BIG ONE
Larry Hair, son of Mr. and Mrs. Jack Hair, assists The Dispatch photographer by restraining this large terrapin found in the back yard of the G. L. Perkins home, 114 West 13th St. The terrapin measured more than a foot in length.

Editor, Post Dispatch
I have always been annoyed by the trash along the highways and in our public parks and recreation areas. However, until recently I accepted the beer cans, soft drink cans and tops, paper bags, plates and napkins as normal.

Having just returned from Mexico, I am more than annoyed. There is an appalling contrast between the lack of pride we Americans have for our beautiful country and the pride the Mexicans have for theirs. We spent four days on our trip from Mexico City. During that time we stopped frequently. Only once did we see any trash where we stopped. There were several bottle caps scattered around a camp site.

If we would each pick up a little bit of trash whenever we stop, maybe a few bottle caps would be all we have to worry us. I'm ashamed of the sight I saw at White River Lake July 4. Are you?
Sincerely yours,
Elisabeth Tubbs

'Fiddler on the Roof' is to be State Fair feature
DALLAS—"Fiddler on the Roof", hailed as the most in demand musical on Broadway since "My Fair Lady," will be a featured entertainment attraction at the 1966 State Fair of Texas.

The long-running Broadway hit will present 22 performances in the State Fair Music Hall Oct. 7-23. In New York this warm-hearted, funny show has passed its 700th performance at the Imperial Theatre with never an empty seat since it opened on Sept. 22, 1964.

Twenty-two performances of "Fiddler on the Roof" will be given during the 1966 State Fair of Texas, beginning with the opening night performance on Friday, Oct. 7. Evening performances at 8:30 p.m. follow each day through Oct. 22, and matinees at 2:30 p.m. will be given each Saturday and Sunday. The run closes with the Sunday matinee, Oct. 23.

Post physician attends seminar in Mexico City
Dr. and Mrs. Harry A. Tubbs returned last week from Mexico City, Mexico, where he attended a seminar presented by the Texas Academy of General Practice.

They were joined in Mexico City by their daughter, Elisabeth, who has completed her freshman year at Michigan State University, and their son, Charles, who is a student at the University of Texas Medical Branch in Galveston.

Elisabeth and Charles are working at the Medical Center this summer.

CANYON VISITORS
Mr. and Mrs. Benny George visited recently with her parents, Mr. and Mrs. Thurman Francis, and took their daughter, Donna, home with them to Canyon after she had spent a week here.

1966 Panhandle South Plains Fair catalogs outline details of event

LUBBOCK — Catalogs outlining details of the 1966 Panhandle South Plains Fair, slated here Sept. 26-Oct. 1, have been mailed to more than 5,000 prospective exhibitors throughout the West Texas area.

Charles L. Adams Jr., president of the fair association, said the informational catalogs were mailed to persons and firms who have sponsored displays at previous fairs, to all area high schools and to individuals who have made inquiries about the exposition, one of the largest in the Southwest.

Additional copies may be obtained free of charge by writing to or appearing at the fair association office, 105 E. Broadway, Adams pointed out.

Many of the details regarding the 1966 fair have been completed, including the booking of television and recording star Tennessee Ernie Ford and the Young American Singers, a double attraction that already is generating considerable interest throughout the South Plains.

Appearing in Fair Park Coliseum on the fairgrounds, Ford and the singers will present two shows daily, at 3:30 p.m. and 7:30 p.m., on all six fair dates.

All performances will be "in-the-round." Officials estimate the fair this year will draw 250,000 persons — up from last year's turnstile count of 225,018.

A total of \$30,619 in premiums is being offered. In 1965, premiums of \$19,778 were paid when 2,961 individuals and firms displayed nearly 6,500 exhibits during a six-day stand.

The fair again will feature displays and competition in agriculture (general, junior, vocational and individual), farm mechanics, livestock (cattle and swine), rabbit show, industrial arts show, and 11 major divisions in the women's department.

In addition, the 13th annual West Texas Twirling Festival, the Parade of Bands, and World's Our Little Miss preliminary pageant will be featured attractions, along with the midway and numerous other crowd-pleasers.

4-H Rally Day to be July 12

The annual Garza County 4-H Rally Day will be held Tuesday, July 12, at the 4-H building, beginning at 10 a. m., and concluding with a weiner roast.

"There will be lots of recreation, eats, and time to work on 4-H record books," said county Extension Service agents Syd Conner and Juanette Gentry.

Every 4-H member is urged to attend, and members of their families are invited for the 6 p. m. weiner roast.

Each 4-H member attending is asked to bring a sack lunch and 25 cents registration fee, the agents said.

Methodist under way with 'Talent Program'

What do you want to buy? Sheets and pillow cases? Homemade bread? A road and reference atlas?

You can get these items and dozens more, as well as all sorts of services, including a handwriting analysis, by patronizing the First Methodist Church's unique fund-raising campaign now under way.

They call it the "Talent Program," with members of the church working individually and in teams to raise extra funds with which to help pay off the building debt.

As explained by one member, the program is a simple one, but requires many hours of work on the part of the members. Each person takes as much money as needed from the church treasury. They are to "exercise their talent" to increase that money by as much as they can during the period from March to September.

Several members have teamed up to serve barbecue suppers, picnic lunches, chili suppers, and even banquets. Many of the men and children are feeding livestock. Some of the members, who are local merchants, are giving their profit off designated items in their stores. One lady sold a station wagon load of bedding plants in

the early spring.

Some of the services available in the talent program are as follows:

Dianna and Don Collier, collecting coat hangers; Malcolm Bull, buying and selling feed sacks; Mrs. V. L. Peel, sewing; Mrs. A. C. Cooke, painting portraits and pictures; Mrs. N. C. Outlaw, handwriting analysis; Mrs. J. E. Parker, Mrs. Syd Conner, Mrs. Lewis Herro, Mrs. Jack Ballentine and Mrs. Ralph Welch, banquet catering.

Items offered for sale include the following:

Sheets and pillow cases, Mr. and Mrs. Jack Ballentine; road and reference atlases, Harold Lucas; swag lamps, Mrs. Jack Kennedy; waste baskets, Mrs. Noah Stone; net wind caps, Mrs. Carlton P. Webb and Bonnie McMahon; Pillows, aprons and hand towels, Mrs. Ethel Redman; huck towels, Mrs. H. W. Schmidt; peach and plum preserves, Mrs. Pat Walker; party desserts, Mrs. J. E. Parker; homemade bread, Mrs. Jack Kirkpatrick and Mrs. A. M. Lucas; homemade cakes and pies, Mrs. Boone Evans, Mrs. J. A. Rogers, Mrs. Carl Aycock, Mrs. H. W. Schmidt; date loaf candy, Mrs. James Dietrich.

This is an incomplete list, with other church members working on other projects, it was explained.

Gospel meeting to open July 11

Paul B. Faulkner of Fort Worth is the preacher for a week-long gospel meeting which will open Monday at the Church of Christ here for morning and evening services through Sunday, July 17.

Mr. Faulkner is now working on his doctor's degree at the Baptist Seminary in Fort Worth. He is on leave of absence from Abilene Christian College where he was dean of students.

Ray Hall of Post will be the song leader for the services. Weekday services will be held at 7 a. m. and 7:30 p. m. Monday through Saturday with Sunday services on the concluding day at 10:25 a. m. and 8 p. m.

A special young people's fellowship and service is planned for Saturday evening, July 16 with the following to begin at 6 p. m. Mr. Faulkner's topic for the 7:30 p. m. Saturday service will be "Parents and Young People."

Items offered for sale include the following:

Sheets and pillow cases, Mr. and Mrs. Jack Ballentine; road and reference atlases, Harold Lucas; swag lamps, Mrs. Jack Kennedy; waste baskets, Mrs. Noah Stone; net wind caps, Mrs. Carlton P. Webb and Bonnie McMahon; Pillows, aprons and hand towels, Mrs. Ethel Redman; huck towels, Mrs. H. W. Schmidt; peach and plum preserves, Mrs. Pat Walker; party desserts, Mrs. J. E. Parker; homemade bread, Mrs. Jack Kirkpatrick and Mrs. A. M. Lucas; homemade cakes and pies, Mrs. Boone Evans, Mrs. J. A. Rogers, Mrs. Carl Aycock, Mrs. H. W. Schmidt; date loaf candy, Mrs. James Dietrich.

This is an incomplete list, with other church members working on other projects, it was explained.

Cooke rites—

(Continued From Front Page) after moving there from Clinton, Okla.

Mr. Cooke was married to Mrs. Eleanor Webb here July 2, 1960.

Survivors other than Mrs. Cooke include two step-children, Charles Webb of Marietta, Ga., and Mrs. Betty Smith of Stamford; a sister, Mrs. Alice Schenewolf, who is 98 years old, of Concord, Calif.; one nephew, Virgil Cooke of Fresno, Calif., and three nieces, Mrs. Lynn Welch of McAlester, Okla., Mrs. Rufus Bain of Fresno, Calif., and Mrs. Opal Thompson of Clinton, Okla., and four grandchildren.

The Rev. Curtis Lee, pastor of the First Methodist Church, will officiate at the funeral services. Masonic graveside rites will be conducted at Terrace Cemetery, where interment will be under the direction of Mason Funeral Home.

Mr. Cooke recently transferred his Masonic Lodge membership here from Clinton and would have been eligible for a 50-year membership pin in the very near future.

Sermon subjects for Sunday announced

Sermon subjects at the First Christian Church this Sunday will be "The Clue Bird of Happiness" at 11 a. m. and "The Knocker" at 7 p. m.

The Lord's Supper will be observed at the morning worship. The church is air-conditioned and there is a supervised nursery for babies and small children.

Bernard S. Ramsey, minister, extends a cordial invitation to attend all services.

Little League district tournament to be played here

July 21-22 tentative dates 4-club playoff

David Nichols Park here will be the scene next week after that of the Little League district tournament ever held in Post.

Charlie Cooper, president of the Little League, said today that the district tournament is tentatively scheduled for Thursday and Friday, July 21-22, but that league officials here are trying to get the tournament re-set for Friday and Saturday, July 22-23.

Cooper was in Lubbock Wednesday night meeting with district officials on tournament details and whether the dates can be changed July 22-23.

City water has been pumped to the baseball park in preparation for the district tournament, that being one of the requirements for it being held here.

The tournament teams will be Post All-Stars, Lamesa, Slab and Taboka. Local teams will play in the post team's first series, Cooper said.

Meanwhile the Post All-Stars have been selected and workouts under way in preparation for the playoffs.

Twenty players were selected as

all-stars, but the squad will be cut to about 15 for the tournament, the league president said.

Those selected, as announced at last Thursday night's awards program, were the following:

Cardinals — Jerry Saldivar, Robert Mindieta, Reginald Moore, Kelly Duren, Gary Shepherd.

Dodgers — Kim Owen, Kyle Josey.

Red Sox — Danny Lee, Thomas Zachary, Jay Stone, Buddy Blacklock, Mearl Earthman.

Wildcats — Mike Hays, Mark Clayton, Glen Branson, Bill Hudman.

Yankees — James McAfee, Larry Hair.

Tigers — Jimmy Dooley, Kenny McKamie.

The league president presented the championship trophy to Manager Jerry Hays' Cardinals at Thursday night's awards ceremony. Also presented was the highest batting average trophy to Mike Hays and sportsmanship trophies to Jimmy Dooley and Jerry Saldivar.

THREE TROPHIES AWARDED

Little League President Charlie Cooper presented trophies to three players in a ceremony last Thursday at David Nichols Park. Jimmy Dooley (left) and Jerry Saldivar (center) received identical trophies after tying for the sportsmanship award. Mike Hays (right) received the highest batting average trophy on the strength of his .519 average for the season.

Denver City playoff site

Babe Ruth All-Stars selected for tourney

Post's Babe Ruth All-Star squad is working out this week in preparation for the area tournament starting Monday, July 18, at Denver City.

The Post All-Stars drew a first round bye and will see their first tournament action at 8 o'clock Tuesday night, July 19, against the winner of a first round game between Lamesa and Slaton. Other teams in the tournament are Brownfield, Tri-Cities and Frontier, the latter two of Denver City and Morton.

This season's all-star team is managed by Jimmy Bird, whose Indian team won the championship in Babe Ruth League play. The coach is Max Martin, whose Pirates finished second.

The all-star squad consists of Jay Bird, Butch Heaton, Darrell Odom, Steve Collazo, Robert Saldivar, George Torres, Larry Scrivner and Neff Walker, all of the Indians; Gary Martin, James Stone, Terry Cross, Victor Vargas and Tommy Duncan, all of the Pirates; Dennis Dodson and David Pierce of the Braves; and Ray Altman of the White Sox.

Five other players were named to the all-star squad, but for various reasons, including injuries, vacations, etc., would not have been available for the tournament. These players were Terry Moreau of the Indians, Mike Scott and Kari Hall of the Pirates and Jackie Hair, and James Pollard of the White Sox.

League President Glen Barley said that on behalf of the league he wished to thank business men who donated prizes for the Babe Ruth League ticket contest, and also wished to thank all who bought tickets.

Barley said the league raised a little over \$200 that will be used to help defray tournament expenses. The prizes were awarded at the final game of the league season last Thursday at David Nichols Park.

The Indians defeated the Pirates, 8 to 6, in the final game, with the winners using four pitchers. Steve Collazo pitched three inn-

ings, with Darrell Odom, Jay Bird and Butch Heaton coming in on relief. Bird was the winner.

Victor Vargas hurled five frames before being relieved by Gary Martin, who was charged with the defeat.

Both teams scored two runs in the first inning, with the Pirates going out in front with two more in the third. The Indians tallied three in the top of the fourth to take a 5-4 lead, but the Pirates came back with two in the bottom of the fourth to recapture the lead, 6-5.

Three runs in the top of the seventh on five walks, one hit and an error won the game for the Indians.

In a make-up game Wednesday night of last week, the Pirates beat the White Sox, 13 to 11, by scoring eight runs in the bottom of the seventh after the White Sox had tallied in the top of the seventh to take an 11-5 lead. James Stone went all the way for the win, with Ray Altman the loser.

Pre-season sports review

Texas Tech coaches promise big effort

All-out effort by both the Texas Tech football and basketball teams next season was all Red Raider coaches could promise at the annual pre-season sports review before Post Rotarians at the club's weekly luncheon here today in City Hall.

John Conley, first assistant gridiron coach who discussed football prospects in the vacation absence of head coach Jim T. King, de- emphasized simply.

"Next year we've just got to start showing the club, position by position, Conley said the Raiders

to many two and three-year veterans that it is difficult to predict what will be coming up in the fall except an attractive six-game home schedule, which includes Texas, Arkansas, and Baylor. Three of the four clubs favored for it out for the Southwest Conference title.

From the Raiders passing attack, which helped Tech win straight games and go to Gator Bowl, is Quarterback Wilson who threw 172 of the completed passes in 1965 and American Halfback Donny Anderson. Ends Shipley and Jeff

who among them caught 128 passes last year. Conley said Tech won't have either as good a throwing or as many catches as the club had last

year. "We've got quite a few good tail players still left on our roster," Conley added.

He said a lot of sophomores will be called next year and no one can predict what a sophomore will be under actual game conditions, but at the start.

Of the three quarterback candidates fighting it out for the starting job—Guy Griffin, John Scovell, and Ronnie Smith—he said "We weren't particularly happy with any of them in spring drills."

Conley can throw like Wilson, he said, but Smith is the best thrower of the three. Smith is a sophomore. The other two are more experienced and better runners, how-

ever, will be bigger overall next year, but mighty short on line-backers," Conley said.

Head basketball coach, Don Gibson, said he is rebuilding by losing five all-league players in the last two seasons.

"We will be more rugged, but we will have to slow it down," Gibson commented.

Gibson wouldn't hazard a guess on who the starters might be, but he said in Billy Tapp he has the only basketball player on the roster who "we know what he can do for a full 40 minutes."

Gibson called freshman Larry Johnson "one of the best shooters I've ever seen" but didn't know whether he could meet defensive demands. He said Joe Dobbs, a red shirt, and Jim Nelson, 6-5 transfer from Tyler, will help opening letterman. He said Nelson has proven defensive ability.

Gibson said in simple terms, Gibson said "I honestly don't have any idea what kind of a ball club we'll

have."

He said Tech had a good spring recruiting with one 6-11 player, one 6-7, one 6-6, and three 6-5 high school stars signing up with the Raiders.

The two coaches were introduced by Athletic Director Polk Robison. Also introduced in the Lubbock contingent were Matt Lair, gridiron coach in charge of defense; Lee Jackson, executive vice president of the Red Raider Club; and Buddy Forbes, Red Raider Club director.

Bryan Williams was in charge of the program.

The Rev. Curtis Lee, new First Methodist Church pastor, was inducted by Rotary President Dick Tanner, as a new member. Tanner also announced the board had elected Ansil O'Neal as club vice president for the coming year to fill a vacancy left by the Rev. Ed Graham, former club president, who has gone inactive.

Teen-Age team beats Cotton Center, 14-1

Post's Texas Teen-Age League team, which drubbed Cotton Center, 14 to 1, on the latter's diamond last Thursday night, goes to Idaho tonight (Thursday), then play Roosevelt here Friday night in a make-up game, which was postponed from its original date because of rain.

The locals, who have lost only to Petersburg in league play, take on Shallowater here Monday night. Filemon Vargas limited Cotton Center to six hits in pitching the Post team to its victory Thursday night.

The visitors scored first in the top of the second on back-to-back singles by Barrett and Weaver, but Post tied the score in the bottom of the second when Donnie Windham, who had walked, crossed the plate on Paul Walker's single.

Post scored six runs in the third inning, six more in the fourth and one in the sixth.

Stavenhagen, the Cotton Center pitcher, got off to a good start by striking out the first three Post batters, but bases on balls and

fielding errors helped Post score 12 runs in the third and fourth frames on only five hits.

Williams going to Action Forum

Bryan J. Williams WTCC director from Post, will attend an Action Forum for directors of District II of the West Texas Chamber of Commerce on Thursday, July 7, at 2:30 p. m. in the Graham Cafe Dining Room, Abertaylor.

Williams is one of 36 business and community leaders who will evaluate plans for the development of the Growth Potentials of West Texas. These plans were developed by experts in many fields during a recent series of nine brainstorming sessions which covered Agriculture, Ranching, Water Resources, Tourist and Industrial Development, Education, Petroleum and Chemicals and Public Affairs.

Gerald Sanders of Littlefield, district vice president, will preside.

West Texas Chamber of Commerce President John Ben Shepherd of Odessa will outline West Texas Growth Potentials.

A discussion of methods to attain these goals through local community action and the West Texas Chamber of Commerce will be led by Dr. Joe T. Nelson of Weatherford, vice president of the organization.

Minor League ends season

Post's Minor League season ended last Friday night with the Harvesters drubbing the Giants, 12 to 4, and the Colts sinking the Rebels, 7 to 4, in make-up games.

The Harvesters finished as league champions with a 9-1 record. The Colts, by beating the Rebels while the Giants were losing, pulled up into a second place tie with the Giants, both with 4-5 records. The Rebels finished in the league cellar with a 2-7 mark.

Terry Tyler was the winning pitcher in the Harvesters' win over the Giants, with Randy Josey the loser. Rodney King was the winning pitcher in the Colts' victory over the Rebels, with Buddy Britton the loser.

Lyntegar granted \$1.4 million loan

TAHOKA — Lyntegar Electric Cooperative has been granted a loan of \$1,400,000 by the Rural Electric Administration to finance construction of 323 miles of distribution line to serve 1,832 new consumers and to finance extensive improvements.

Garland Pennington, manager, said the loan is to cover estimated future construction to serve new irrigation wells, to make short extensions in the areas now served, to build new sub-stations and for system improvements.

Lyntegar serves rural sections of nine counties, including Garza.

Worker's hands burned in accident on farm

By MRS. GLENN DAVIS
We are sorry to report that Carter White received a bad electric shock, resulting in burns on his hands, Saturday about 8 p. m., when he and his brother-in-law, Billie Woods of Odessa, were working on a pump on one of the late Hardie Smith farms. Carter cut off the electricity, so he thought, but because of faulty wiring, it didn't cut off. Billie tried to knock the wire loose from Carter with a stick and was injured when the stick broke and struck him. I have heard they are both much better. Noel White took Mr. and Mrs. Woods home Sunday. Their daughter and son remained for a two week's visit with the Whites.
Mrs. Jake Sparlin and daughters visited Wednesday and Thursday of last week with her parents and sons and in Post with the Albert Sparlins.
The Ray McClellans visited Sunday afternoon with the Bill Stone family.
Mrs. Maud Thomas, Mrs. Carl Fluitt and Mrs. W. O. Fluitt Sr. visited one evening last week with Mrs. Wanda Morris.
Mrs. Glenn Davis spent from Thursday until Saturday with the Alvin Davises and helped a little getting ready for the Appaloosa Horse Show held on their farm near Levelland July 4. David Sparlin, Mrs. Davis and the Eivus Davis family attended the horse show, which was a fine one.
Mrs. L. W. Gandy spent last week with her daughter, Mrs. Carl Fluitt, and family.
Recent visitors in the W. D. Williams home were Maj. and Mrs. D. M. Stark and family of the Air Force Academy in Colorado. Karen remained for a longer visit. The R. L. Gilstrap family of Denver City spent the weekend.

THE COMMUNITY social will be held Saturday at 8 p. m. with an ice cream and cake supper planned. Those who can't bring ice cream are to bring a cake. The usual games will be played and visitors are welcome.
Donald, Keith and Fred Gossett spent Thursday night at Lake Thomas and didn't have much luck fishing.
Mrs. Bryan Maxey and Mrs. Ambers Parrish visited Tuesday afternoon with Mrs. Junior Morris.
Mrs. E. E. Peel and Beth, Mrs. Paul Hedrick and Mrs. Chester Morris returned a week ago Wednesday from a visit in Oklahoma City, Okla., and in Tennessee with the Glenn Huntleys.
The Bruce Evans family were Sunday luncheon guests of Mr. and Mrs. Quannah Maxey. The John Kirkseys visited in the afternoon.
Mrs. Jimmy Byrd and daughters visited her parents last Friday and the girls remained for a longer visit.

The Roy Hollands of Portales, N. M., attended services Sunday at the Church of Christ and were luncheon guests of her brother, Bryan Maxey, and family.
Terri, Gregg and Brad Lawrence of Lubbock spent last week with their grandparents, the James Stones.
The Jerry Ligon family spent Monday in Levelland visiting her relatives.
THE W. D. Williams, Quannah Maxey's played "88" with the Ray McClellans Saturday evening.
The Carl Fluitts and Mrs. W. O. Fluitt Sr., visited in Morton Monday with the Marion Matthews, Maurice Fluitt and W. O. Fluitt Jr. families.
Mr. and Mrs. Lonnie Peel spent the July 4 holidays in Ruidoso.
Mr. and Mrs. Bob Lusk spent the weekend in Ruidoso and El Paso.
We extend sympathy to Mrs. Charles Propst, and all the other members of the Hays family.
Visitors of Mr. and Mrs. Bryan Maxey Sunday and Monday were the Dave Oakleys of McLean, the C. S. Oakleys of Lubbock, Miss Alta Kincade and Mr. Paul Kincade of Swink, Colo.
The Melvin Williams and Stanley McMillin families and Mr. and Mrs. Jim Hord spent the weekend fishing at Lake Nasworthy, but it seems all they caught were bad sunburns.
One day last week the Fred Gossetts met the Jason Justices, the Jack Stevens, the Garry Loyds and Donald Gossetts at Buffalo Lakes for a picnic.
Mr. and Mrs. Gene Peel and son spent from Sunday until Tuesday in Olton visiting her relatives.

Letters to the Editor...

THANKS NEWSPAPER
Dear Editor:
This is for the 14,395 crippled children and adults whose names are on the patient rolls of affiliates of the Texas Society for Crippled Children and Adults and whose current source of pride is the collection of 1966 Easter Seal Campaign stories clipped from your paper.
The agreement is unanimous: the Post Dispatch is a very special friend of the disabled.
Our patients thank you for the financial help you have fostered through your thorough and accurate reports of the Easter Seal Program in Texas. The assurance is theirs that treatment will continue in the year ahead.
And then they say thanks for the understanding you have persistently conveyed to your readers. This, perhaps most of all, bolsters their conviction that independence—for each of them—is in the offing.
Sincerely,
Lloyd J. Gregory
Publicity Chairman,
Texas Society for Crippled Children and Adults

Monahans firm gets road job
A contract for 12,712 miles on U. S. Highway 84 from the top of the caprock northwest of Post to the Lynn County line near Southland has been awarded to the Border Road Construction Co. of Monahans, it was announced in Austin by the State Highway Commission.
The Monahans firm earlier had been named as low bidder on the contract, which calls for the widening of U. S. 84 into a divided highway. Grading, structures, flexible base and asphalt concrete paving are called for.
The project is expected to take 280 working days, according to O. L. Crain, district highway engineer at Lubbock.
Julian F. Smith, resident engineer at Post, will be in active charge of the project while it is under construction.

Kent 4-H Horse Show Saturday

JAYTON — The Kent County 4-H Horse Club will hold its second annual 4-H Club horse show on Saturday, July 16, at the Kent County Roping Arena in Jayton. Invitation is extended to all 4-H Horse Club members to participate.
E. W. Wade of Rotan will judge the show. Floyd Hall will serve as ring steward.
Halter classes will be the same as outlined in the state rules for 4-H Horse Shows. Performance classes will include a junior and senior division. Junior members include ages 9 through 13, with senior members from 14 through 18. Entry fee is \$2 per class.
A pre-4-H class will include youngsters under 9 years of age. Ribbons will be awarded to each entry. Special awards will be presented to first place winners in each class. Trophies will be presented to the champion and reserve mare and gelding, outstanding showman, and high point horse.

A 25th Anniversary Salute

to the 500,000 star-spangled Americans who work for this country's security without pay

The U. S. Treasury Department sells about \$4 1/2 billion worth of Savings Bonds every year.

Yet no one ever tries to sell you Bonds on the phone.

Though you rarely see them, there are about 15 million patriotic Americans who will help you buy Bonds. Have been, since the first Series E Savings Bond was issued 25 years ago.

Your banker, for instance. He'll give you folders and facts, issue your Bonds, make certain they're properly registered, cash them when the time comes.

Your employer and thousands of other employers who have set up the Payroll Savings Plan are also on the team. So are the officials of your union who have endorsed Bonds.

There are many others. Like your neighbor, the advertising man, and the radio, TV, poster, magazine and newspaper people he works with.

All of these volunteers work for the Bond program without pay.

You can do your part, too. Buy U. S. Savings Bonds.

Now pay 4.15% when held to maturity

COULD YOU GET BY IF YOU HAD TO PAY CASH?

How many people could enjoy the pleasure and convenience of an automobile, piano or refrigerator if they had to pay cash? Credit is your most valuable possession.

The only way to maintain a good credit record is to buy only what you can pay for—and pay for it on the date it is due.

You will find it mighty convenient to say: "Charge it please."

Post graduate attends St. Mary's law school

Wayne Gambelin has moved from Austin to San Antonio where he is attending law school at St. Mary's University, one of the first Post High School graduates to do so in recent years.

Wayne, the son of Mr. and Mrs. Tom Gambelin, is working at the San Antonio Dun & Bradstreet office, while attending St. Mary's. He formerly worked for the Texas Aeronautical Commission in Austin while attending the University of Texas.

DELBERT J. WARTES

Seaman recruit finishes basic

GREAT LAKES, Ill. — Seaman Recruit Delbert J. Wartes, 20, USN, son of Mr. and Mrs. Carl C. Wartes of Southland, Tex., has completed seven weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian to sailor, he was taught and supervised by experienced Navy petty officers. He learned the basic skills of seamanship, as well as survival techniques, military drill and other basic subjects.

Upon completion of his recruit training, he was assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires, and the needs of the Navy.

Funeral held for accident victim

Graveside services for Mrs. Augustina Leal, 28, Route 2, Tahoka, who was killed Friday in a tractor accident near her home, were conducted at 3 p.m. Monday in the Grassland Community Cemetery.

Mrs. Leal was dead on arrival at Tahoka Clinic at 9:45 p.m. Friday after the accident.

Justice of the Peace H. L. Roddy of Tahoka ruled accidental death, after holding an inquest. He said Mrs. Leal was riding on the tractor with her husband and fell off when the tractor made a turn at the end of a row.

Mrs. Leal, a native of Bryan, moved to the Tahoka vicinity about a month ago. Survivors include her husband; a son, Larry; her mother, Mrs. Louisa Gonzalez of Bryan, and a sister.

The Rev. Richard F. Casey, pastor of Holy Cross Catholic Church here, officiated at the graveside rites.

I bought my first Savings Bond 25 years ago

I was 14 years old

Mr. Jack Benny, distinguished star of the entertainment world, may not have a computer's memory when it comes to his age, but his dates are accurate about Savings Bonds.

The first Series E U.S. Savings Bond was issued 25 years ago on May 1, 1941, by Secretary of the Treasury Henry Morgenthau to President Franklin D. Roosevelt.

Mr. Benny was already famous as a radio comedian (the youngest in the business, by his own admission). And in the years which followed, he proved himself to be a good friend of the Bond Program, not only buying Bonds, but helping to sell them to the American people.

Why not start building your nest egg with Savings Bonds—for yourself, and to back up our men in Vietnam? But give it a chance to build up by starting young. Like Jack Benny.

NOW—Savings Bonds Pay 4.15%!

Interest on new E and H Bonds you purchase has been raised to 4.15% when held to maturity. E Bonds mature faster—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.
