Fortieth Year Post, Garza County, Texas Thursday, November 17, 1966 Number 25

Post, Memphis will clash at Plainview

It's on to Plainview and a 7:30 p. m. appointment Friday with the Memphis Cyclones for Coach Glynn Gregg's Post Antelopes, who finished their regular season last Friday night with a 9-1 record and are heading into their first bi-district playoff since 1948.

Coach Bert Glascock's Cyclones, who finished with a 7-3 record, are rated as slight underdogs to the Antelopes, but appear about even with the Post team on the basis of all comparative scores except one.

Post drubbed Floydada, 40-14, while the Cyclones were lucky to come out with a one-point 13-12 decision over the same team. Floydada was at full strength against Memphis, however, whereas the Whirlwind squad was hard-hit by the "flu bug" the night they played Post.

MEMPHIS defeated Lockney, 26-14, while the Antelopes downed the same team, 20-6. The Cyclones and Antelopes were about even on the Hale Center game, with Post winning, 14-8, and Memphis, 13-6.

The Cyclones playing their first season in Class AA since 1953, were hard pressed to win the title in the eight-team District 3AA, with the playoff representative not being decided until Friday night's games.

In their finale, Memphis tied Friona, 7-7, but lost on penetra-

Maybe you didn't know, but there are five officials for bi-district playoff games.

There are the same four officials on the field, but the fifth is a statistician who keeps track of penetrations, first downs, etc., just in case the two clubs wind up deadlocked on the scoreboard after 48 minutes of action.

ANTELOPES RETAIN NUMBER 9 RATING

The Post Antelopes retained their No. 9 ranking among the Texas Class AA high school eleven in this week's Fort Worth Star-Telegram "top ten" ratings.

The Star-Telegram rankings remained unchanged from last week with Sweeney ranked at the top and Iowa Park, which probably will be Post's regional foe if it wins bi-district from Memphis Friday night, in the runner-up spot.

Others in the top ten are Mineola, third; Granbury, fourth; Decatur, fifth; Phillips, sixth; Plano, last year's Class AA state champ, seventh; Hondo, eighth; and Hillsboro, tenth.

The Antelopes didn't crack the Dallas News' final "top ten" state ratings.

The Dallas News' ratings, as selected by sports writers over the state, listed them, in order, Sweeney, Iowa Park, Mineola, Plano, Granbury, Decatur, Phillips, Clarksville, Hillsboro, and Hooks.

"HAPPINESS IS" WINNING DISTRICT CROWN

Flashing the "No. 1" and "Victory" signs, the Post Antelopes were a happy bunch of youngsters in the dressing room at Stanton Friday night following their 27-0 win over the Stanton Buffaloes, which left them with a 5-0 District 4AA record and their first district football championship in 18 years.—(Staff Photo)

No argument on site of playoff

There wasn't any argument over the selection of Plainview as a bi-district playoff site when Memphis coaches and officials got together in Tech's Student Union building last Saturday morning.

Game officials are paid on a scale graduated to the game receipts, plus their expenses. For example, if receipts are between \$3,000 and \$4,000 they receive \$25.00 each. They make slightly more if receipts go higher.

Both Lockney and Floydada bid for the bi-district game site. Actually, Lubbock never entered a bid.

With three games already booked in Lubbock for the upcoming weekend, including Arkansas vs. Texas Tech on Saturday afternoon, local officials figured more Plainview fans would turn out at Plainview than Lubbock fans at Lubbock.

The two schools had "perfect harmony" in their negotiations for the bi-district game, the local group reported.

Supt. Bill Shiver, High School Principal Charles Hutchins, Head Coach Glynn Gregg, and his assistant, Billy Hahn, comprised the local delegation. Shiver left the decisions to Hutchins and Gregg.

The two schools agreed on ticket prices of \$2 for adults and \$1 for students.

Post won the coin flip for the home side of the Plainview Stadium. The Post High School band will play the national anthem before the game and go on the field second for its halftime appearance.

Seven and one-half per cent of the gross gate receipts of the game will go to the state high school athletic office.

Jr. High cagers in tournament

Post's 8th grade boys' and girls' basketball teams, who lost their openers at Jayton Monday night, are playing in the annual Southland Junior High School Tournament that opened today (Thursday).

Coach George Edgerton's girls' team is to play Wilson at 5 p. m. today in the Southland tournament, with Coach Bud Davis' boys' team playing Wilson at 6:10 o'clock.

The Post teams will play again Saturday, with the time of the games depending on whether they win or lose today's contests.

Crosbyton junior high cagers will be here for games Monday night, with the 8th grade boys and girls and the 7th grade boys to play. The first game will start about 6 p. m.

The 8th grade girls lost to Jayton, 16 to 10, Monday night, with Sherry Bird getting six points for Post. The 8th grade boys also lost.

Booster club pushing advance ticket sales

The Antelope Booster Club is pushing hard for a Post contingent of between 1,000 and 1,500 rooters for the bi-district playoff game at Plainview Friday night—and would like to have 2,000 in the stands.

They point out that heavy fan support here will be a big morale factor for the Antelope football team when they take the field against the Memphis Cyclones.

With this in mind, the booster organization has volunteered to take over the advance sale of the bi-district game tickets here.

Tickets—priced at \$2 for adults and \$1 for students—have been placed on sale here at numerous downtown business locations.

There are no reserve seats for the game, the boosters emphasize, but there are 8,000 seats in the stadium.

Sweeny and Edna to clash Friday

Sweeny, which finished the regular season right where it started—at the top of the Class AA football ratings—meets Edna at 7:30 p. m. Friday on the Sweeny gridiron in a District 25AA - District 26AA playoff game.

Sweeny already holds one decision over Edna, a 27-6 verdict posted early in the season.

Edna, where Kenny Poole, former Post Antelope, is on the coaching staff, was runner-up to Plano last year for the state Class AA title.

Sweeny finished its season with a perfect 9-0 record, while Edna wound up with an 8-2 mark.

Sweeny's record: 40. West Columbia 0; 35. Dickinson 0; 29. Wharton 0; 27. Edna 6; 30. Palacios 6; 36. Boling 0; 68. Santa Fe 6; 53. Pearland 0; 25. Needville 0. Edna's record: 34. Cuero 0; 7. West Columbia 10; 20. Goliad 8; 6. Sweeny 27; 7. Houston Jesuit 6; 18. Hallettsville 7; 28. Palacios 7; 31. Yoakum 13; 22. Ganado 6; 28. Vanderbilt Industrial 7.

Denver City back top 4AA scorer

Gary Hatfield, Denver City quarterback, scored four touchdowns and two extra points in the Mustangs' 41-0 romp over Frenship Friday night to go around Paul Walker of Post in the District 4AA scoring race.

Until Friday night's games, Walker was the district's leading scorer with 58 points on five touchdowns, a field goal and 25 extra point kicks. Against Stanton Friday night, he scored one touchdown and kicked three extra points to bring his season total to 67.

Hatfield, who trailed Walker by 10 points going into the Frenship game, wound up the season with a total of 74 on his 26-point performance Friday night.

Post's Dick Kennedy finished third with 48 points and Davis Heaton fourth with 42.

Memphis Cyclone end former Post student

Ray Long, junior end on the Memphis Cyclone football squad, is a former student in the Post schools. He is the son of Mr. and Mrs. Lee Long, who moved to Memphis after the Postex Mills' sewing room was moved there a few years ago.

Although he weighs only 138, Ray has seen considerable action for the district champion Cyclones this season. The sports editor of the Memphis Democrat described Ray as having "perhaps the best pair of hands" of any end on the Cyclone squad.

'Antelope Day' is proclaimed here

Friday has been officially proclaimed as "Post Antelope Day" and all local stores are being urged to close at 5 p. m. to give everybody time to get to Plainview and be in the stands for the bi-district game against Memphis.

These two developments came yesterday as the Post Chamber of Commerce swung into action behind the ball club to get maximum fan support.

Mayor Pro-tem Bob Collier issued an official proclamation Wednesday morning in the absence of the city of Mayor Harold Lucas, declaring Friday to be "Post Antelope Day" here in Post.

Post Chamber directors then voted to ask all local merchants to close at 5 p. m. Friday to enable everybody to "hit the road" for Plainview and the 7:30 p. m. kickoff against the Memphis Cyclones in the bi-district game.

The proclamation follows: "The 1966 Post Antelope team has had a proud and wonderful football season, filled with strong determination to win and great sportsmanship displayed by each individual player.

"We owe a great debt to these boys and coaches. All too often, in these modern times, we tend to overlook and fail to recognize and appreciate the labors of these fine young men.

"The City of Post appreciates our schools and their athletic programs. Therefore, I as mayor pro-tem of Post, do hereby designate Friday, Nov. 18, 1966, as POST ANTELOPE DAY in Post and Garza County and urge all citizens to support the Antelopes in their march forward to the State Championship. In official recognition whereof, I hereby affix my signature this 16th day of November, 1966."

Post beats Stanton, 27-0 for District 4AA crown

'Lopes wind up with perfect loop record

The Post Antelopes wrapped up their first district championship in 14 years by overcoming the stubborn Stanton Buffaloes, 27 to 0, at Stanton Friday night in a game that offered the fans just about everything in the book.

The game was nowhere near as close as the score would indicate, since the Antelopes had three goal line crossings rubbed out by penalties and the Buffaloes failed to cross the 50-yard line except on one pass play that was erased by offsetting penalties.

In clinching the District 4AA championship with a 5-0 mark and closing out the regular season with an imposing 9-1 record, Coach Glynn Gregg's Antelopes scored single touchdowns in the first and second quarters and a pair of six-pointers in the third quarter, with Paul Walker kicking three out of four extra points.

THE FIRST Antelope touchdown came nine minutes deep in the first quarter at the end of a 90-yard drive.

Stanton received to open the game, but was forced to punt from their 26, with the ball getting away from the Post safety men before finally being fielded by Dennis Altman on the Antelope 10.

Walker powered through the line for six and then 10 yards, and Dick Kennedy kept for five. Walker picked up seven yards with a pitchout and a five-yard penalty against Stanton gave Post its second first down on the Antelope 43.

Davis Heaton kept the drive going with six yards through the line, and Kennedy rolled out for 14 more. Walker gained seven yards in two carries, and Heaton added 11 for another first down, this time on the Stanton 17.

Walker got two at the line and Heaton seven, with Kennedy making it a first down on the six-yard line with a quarterback sneak. Walker was held to a scant yard, but Heaton powered through for five yards and the touchdowns.

AFTER QUARTERBACK Larry White returned Walker's kickoff to the Buffalo 25, Stanton made it up to their 49-yard line, but a fourth down try by halfback Allen Springer lost two yards and Post took

over on the Buffalo 47.

Walker romped for 27 to the Stanton 20, but the gain was rubbed out with the Antelopes receiving a 15-yard penalty to their 33 for holding. Following an incomplete pass, Walker and Heaton such gained five yards, and Heaton santed out of bounds on the Stanton 27.

Three plays later, the Buffs were forced to kick from their 28, with fullback Phillip Payne's punt going out of bounds on the Post 43.

On the first play, Walker broke through the middle and raced 32 yards to the Stanton five-yard line, where he was overhauled by end Ricky Corbell. Walker fumbled in a slash at the right side of the Stanton line, with Clyde Cash covering the loose ball in the end zone. The play was no go, however, with the Antelopes penalized to their 20 for holding.

Kennedy kept around end for 11 to the nine, and Walker cut back to go the distance, but again Post was penalized, this time for five yards to the 14. After Heaton failed to gain and Kennedy picked up five, Walker's field goal try fell short, with Stanton taking over on their 29.

TWO OF White's passes failed to find receivers and the third one was picked off by end Donnie Windham on the Stanton 27, with the senior wingman making a line broken field run to score Post's second touchdown with 5:25 left in the first half.

Stanton was unable to move after bringing the kickoff back to their 20, and Jimmy Bartlett returned Payne's punt 13 yards to the Stanton 45. Walker gained four at center, but Payne intercepted Duke Altman's pass on the Buffalo 40.

Two plays later, Windham again picked off one of White's passes, this time on the Stanton 45, and pitching back to Cash, who brought it to the 40.

Stanton drew a 15-yard personal foul penalty on the play, which set the ball on the Buffalo 25. Bartlett went all the way on a well-executed double reverse, but for the third time a Post touchdown was called back, with the Antelopes penalized to the Stanton 42 for clipping. White intercepted Altman's pass on the 10 and brought it back to the Stanton 35 as the half ended.

The Buffaloes' on-side kick to the Buffalo 25, Stanton made it up to their 49-yard line, but a fourth down try by halfback Allen Springer lost two yards and Post took

over on the Buffalo 47.

Walker romped for 27 to the Stanton 20, but the gain was rubbed out with the Antelopes receiving a 15-yard penalty to their 33 for holding. Following an incomplete pass, Walker and Heaton such gained five yards, and Heaton santed out of bounds on the Stanton 27.

Grid playoff win may delay cage opening

How and when the Post Antelopes' basketball season will get under way is going to depend in large measure upon how far Post's district championship football club goes in the post-season playoffs. Will Bigott, Antelope cage mentor, told The Dispatch this week that if the footballers win their bi-district clash with Memphis at Plainview tomorrow night he probably will cancel the Post cage opener.

The tipoff of the basketball campaign is scheduled at Hamlin Friday night, Nov. 25, the day after Thanksgiving. But if the Antelopes beat Memphis, the school will be wholly occupied with the football regional clash that same weekend.

ANTELOPE CAGERS defending district co-champions with Denver City, will be one of the favorites in this winter's district basketball race, but Coach Bigott isn't worrying about any slow start.

District basketball play doesn't get under way until mid-January. Denver City has had the same playoff problem for years and it hasn't kept the Mustangs from winning most district cage crowns.

Coach Bigott reports that the Antelope cagers have two scrimmages scheduled with Snyder High next Monday and Wednesday afternoons, Nov. 21 and 23, and he intends to keep the scrimmage dates and use only the cagers who have been practicing since Nov. 1.

The Antelopes will scrimmage at Snyder Monday and here on Wednesday afternoon. Both scrimmages are set for 4 p. m. Fans are welcome to the local one, Bigott announced.

AFTER THE Hamlin game, Antelope cagers are scheduled against Seagraves on Tuesday night, five.

The fine defensive play of the Antelopes' Jack Huff, Joe Hudman, Tanner, Ronnie Petty, Windham, Cash, Danny Cooper, and others, kept the Buffaloes well away from the Post end of the field throughout the contest.

Sixteen teams are entered in the Plainview tourney and Coach Bigott indicated he will enter the best team he has in that one, despite current lack of depth, and probably will play the Seagraves game even if the football team is still winning Friday playoff games at the time.

"We might as well give the players we have available some experience," he commented.

The Plainview tournament will be a good one with four AAAA schools entered, three AAA schools, three AA teams (Dimmitt and Phillips being the others besides the Antelopes), four A schools and two tough B schools.

Post will open with Coronado High of Lubbock at Plainview and play the winner of the Levelland-Lorenzo game in the second round of the single elimination tournament if they beat Coronado.

Coach Bigott said if he name a starting lineup for the present squad, he would name Pierce and Johnson at forward, Harper at the post, and Pantaja at guards.

Coach Bigott expects to see the football squad — and the basketball team — in action on Nov. 23, and then will play in the Plainview tournament Dec. 1-2-3.

For A Leadership Job Well Done!

We are not only proud of our fine POST HIGH ANTELOPE FOOTBALL TEAM in winning the district football championship but of the excellent job this coaching staff has done in team direction and inspiration. Coach Gregg and his assistants have shown the squad and community how to win a championship without taking the fun out of football.

Attitude is team's biggest strength, Coach Gregg says

Coach Glynn Gregg took time Sunday afternoon in his office to look back over the Antelopes' championship season before expressing his confidence in Friday night's bi-district playoff game with Memphis. The big 8,000 seat Plainview stadium will be the scene of the game.

"We think that Memphis is going to try to get up there for Memphis," Gregg said.

REVIEW of the regular season completed, Gregg had a lot to say about the Antelopes' performance. He said "one game at a

time." "We tried to keep the boys from ever looking beyond the next Friday night," he said.

The coach pointed out that the Antelopes certainly will be playing them "one at a time" in the upcoming playoffs for the very obvious reason that a team has to win each week to stay alive.

Coach Gregg said the coaches figured from the very start of the season that the Antelopes "would be tough for anybody." "Our biggest worry," he added, "was our lack of depth at all positions."

THE GRID MENTOR said the biggest strength of his championship team was the players' attitude.

"We have won some games this year on attitude," he added.

The coaches have been getting 25 Antelope players into games "when we could," but have been using "only 14 or 15 in tight situations."

Ten of the 14 or 15 are seniors.

Coach Gregg in explaining the "14 or 15" said that Jimmy Bartlett alternates with Davis Heaton and Paul Walker at the running back assignments. Duke Altman and Dick Kennedy have alternated at quarterback, that Guard Ronnie Petty and Tackle Danny Cooper have split time with Joe Hudman playing either tackle or guard depending on whether Petty or Cooper was in the lineup, and that Dwayne Gannon has been used some at both split end and wingback.

Coach Gregg credited the Antelope footballers with being "a very unselfish bunch that pull for each other and don't care who does the scoring."

ANOTHER EXAMPLE of the "attitude" Gregg talks about is the fact that coaches have called on several players to "learn three or four positions or a new position

entirely" due to lack of squad depth and the need to keep the 11 best available players on the field.

He pointed out that to solve one weak spot in the line at the start of the campaign, Clyde Cash, a running back and wingback, was asked to shift up front to guard. Cash made the change and has become a quick who shines both in blocking and pursuit.

Dick Kennedy is another example. This season, Kennedy played tight end, split end, and running back on offense before moving in as regular quarterback when Signal Caller Duke Altman injured his knee in mid-season. Kennedy plays left linebacker on defense. As Kennedy put it at the beginning, "Coach, just find me a place to play."

FULLBACK Paul Walker, who carries the biggest running load on offense with his smashes inside and slants outside, was shifted up to a regular defensive guard at the start of the season when the other team got the ball.

But the latter part of the 10-game slate he has been used mainly for spot defensive duty in the line and given some rest when the Antelopes don't have possession.

Jimmy Bartlett is another of the switch players. Jimmy is a fine running back, but has also played some at guard when the occasion demanded and also handled split end assignments.

Big Donnie Windham, who started for two years at end before this season, made the shift to tackle to open the 1966 campaign at the coach's request to make better use of his tremendous blocking ability.

He played tackle for two or three games. When Tackle Joe Hudman returned to play after an illness and the line as a unit was in better shape, the coaches moved Windham back to end.

GREGG RATES his club as

strong at tackling, although it was a "little sloppy in a couple of games", and thinks the team's most impressive offensive ability is its downfield blocking.

"We think we can move the ball by both running and passing," Gregg said in summation.

He said the Antelopes call their defensive unit their "pride unit." "We take a lot of pride in our defense (only one touchdown has been scored against the defense in five district starts)," Gregg declared.

"That's why we don't substitute much on defense," he explained.

IN REVIEWING the 10-game regular season, Gregg said he thought his team was "up" pretty well for its first three games. "We weren't up for either Hamlin or Tahoka," he said. "We were real high for Denver City and Slaton and played good ball against Morton."

He rated his club's games against Frenship and Stanton as "just average."

The coaches haven't held a tight rein on the squad this year because the players have the ability to "play loose" as the expression goes. They enjoy their football and have a lot of fun playing it, he added.

Gregg said in retrospect the season's only loss — that 6-3 defeat by Tahoka — probably did the squad a lot of good.

"It was like a slap in the face," Glynn said. "It proved to the boys that we have to get ready for every game."

GREGG SAID that all season the coaches have emphasized to players the meaning of pride and of "being a man."

As the coach said in the beginning, the attitude of the squad has been its biggest asset on the long road to the district football championship.

YOU'RE NO. 1

Congratulations, Post High Antelopes!

In Winning Post's first District Football Championship Since 1948

Being No.1 is never easy. To climb all the way to the top requires not only outstanding individual ability—but team work, desire and dedication.

You have paid the price and earned the respect and support of our entire community.

You have been ably coached by Glynn Gregg and his assistants.

We're solidly behind you to not only win the bi-district playoff, but to battle all the way to the state championship.

Good Luck!

Suffers eye burns in tractor mishap

By MRS. GLENN DAVIS

Lonnie Gene Peel's eyes were burned last Sunday morning when a cap blew off the tank on his tractor. Mrs. Peel rushed him to Lubbock and he found that his eyes were not badly burned and would soon be all right. We are hoping they will soon be as good as before the accident.

Clarence Chandler and Elvius Davis had bad luck a week ago Tuesday afternoon when they each had a trailer load of cotton catch on fire. It burned all of the cotton and trailer belonging to Elvius and then he lost another one Friday morning. He doesn't smoke so they haven't found the cause of the fires.

The Graham Gin lost a load of bales of cotton by fire Sunday night after they got to the com-

press with it. They saved the truck.

The Clark Cowdrey family spent the weekend with his parents, the Delmer Cowdreys. They were all luncheon guests of the Donald Windhams along with the Bobby Cowdreys.

Mr. and Mrs. Melvin Williams visited Friday evening with the Butch Burkett family and David spent the night with his grandparents. Sunday afternoon the family and Randy Burkett visited in Tahoka with the Cleve Littlepages and Mr. and Mrs. Spence of Lubbock who were visiting there.

The Deimo Gossett family and the Gary Taylors of Lubbock and Mr. and Mrs. Lonnie Peel were Sunday supper guests of the Lonnie Gene Peels.

The Elva Peels visited Sunday

with the Jimmy Byrd family. Mrs. Byrd has recently been in a hospital but came home Sunday. We wish for her a quick recovery.

M.MES. JEWELL Parrish and Mary Cowdrey were hostesses to the Graham HD Club Nov. 10. Roll call was answered with "A Book I Have Read This Year." A report on the amount of money received from the Halloween Carnival was given by Iris McMahon, secretary. Viva Davis gave a council report. The Christmas party date was set for Dec. 8. County HD Agent, Juanette Gentry, presented a program on "Family Games and Party Ideas." The next regular meeting will be held Nov. 28 as the regular meeting date would have fallen on Thanksgiving Day. Refreshments were served to 13 members.

Mr. and Mrs. Raymond Thane and family moved to Tulsa, Okla., this week. We wish for them the best of luck in their new home.

The Fred Gossetts spent part of the weekend with their daughter and family, the Jason Justices.

Mr. and Mrs. Lewis Mason entertained with a birthday luncheon Sunday for one of their sons. I am not sure if it was Brent or Brad. Attending were Mrs. Willie Mason, Mr. and Mrs. Quannah Maxey and Mr. and Mrs. G. T. Mason and

baby. Mr. and Mrs. Curtis Williams and family and Mr. and Mrs. Claud Williams attended funeral services of a cousin, Arthur Miller, in Portales, N. M. Sunday.

Mrs. Lola Richardson of Idalou has been visiting her sisters, Mrs. Ollie Sappington and Mrs. Bon Longshore and Mr. Longshore. Mrs. Richardson and Mrs. Longshore attended services at the Graham Church of Christ Sunday.

Mr. and Mrs. James Stone have been visiting in Lubbock recently with their daughter, Mrs. Jim Eblin, who has been a patient in Methodist Hospital. The Eblin children spent the weekend with the Stones. We wish for her a quick recovery.

The Aubrey Ritchies recently visited in Garland with their daughter and son-in-law, Mr. and Mrs. Junior Smith.

Mmes. Willie Mason, Lewis Mason and G. T. Mason visited Sunday afternoon with the Ray McClellans.

We were sorry to hear of the death of Mrs. Ada Oden's brother. We extend sympathy.

Sunday guests of the Carl Fluitts were the Douglas McWhirt family, the Jack Fluitts and the Delwin Fluitt family. Mrs. Jack

Iowa Park and Phillips to play at Wichita Falls

While the Post Antelopes and Memphis Cyclones are deciding the bi-district championship at Plainview Friday night, two other regional semifinalists, Phillips and Iowa Park, will be mixing it at Wichita Falls.

Phillips is the District IAA winner with a 9-1 record, and Iowa Park finished with a 10-0 record to win the title in District 2AA.

The winner of the Phillips-Iowa Park game will play the Post-Memphis winner in a second round playoff game.

There are 32 Class AA districts in the state and after this weekend's first round games the field will have been narrowed to 16, with eight quarter-finalists emerging from the games of the following weekend.

Under the University Interscholastic League playoff system, the District I winner plays the District 2 champ, District 3 vs. District 4, and so on.

Iowa Park's record is as follows: 49, Henrietta 14; 28, Decatur 0; 12, Wichita Falls Hirschi 8; 36, Burk Burnett 16; 14, Bishop Dunne of Dallas 7; 41, Wellington 7; 28, Seymour 7; 53, Electra 20; 27, Quanah 0; 32, Olney 0.

Phillips' record: 18, Canyon 6; 0, Dumas 8; 20, Hereford 8; 20, Dalhart 0; 31, Spearman 7; 44 Boys Ranch 8; 80, Sanford-Fritch 0; 20, Stinnett 8; 39, Shamrock 0; 43, Panhandle 0.

Fluitt and Mrs. McWhirt were celebrating birthdays. Other visitors of the Fluitts have been Mrs. Maud Thomas, Robin Gandy, Jimmy Doggett and Mrs. Tommy Wilson.

Mrs. Glenn Davis was a Sunday luncheon guest of the Elmer Cowdreys.

Mr. and Mrs. Joe Parrish from Oklahoma were Saturday and overnight guests of his brother, Ambers Parrish. They also visited his sisters, Mrs. Bertha Hill and Mrs. Arthur Nelson. The Nelsons and Mrs. Hill also visited in the Parrish home.

WEEKEND AT HOME

Dee Ann Walker and three college friends from Baylor University in Waco spent the weekend in Post with her parents, Mr. and Mrs. Pat N. Walker. The girls arrived in Stanton during the second half to see the Antelopes defeat the Buffaloes, 27 to 0. They also attended the Baylor - Tech game at Lubbock Saturday afternoon.

ATTEND FUNERAL

Mrs. Ethel Redman attended funeral services of a longtime friend, Mrs. Walter Gaston, at Plainview Monday.

Gridiron receipts lag behind 1965

Although this is a championship football season, the Post Antelopes' 1966 football receipts for the regular season are well behind last year's.

But there is a very good reason. Post draws better at home than on the road. In 1965, the 'Lopes had six home games to only four in Antelope Stadium this season.

With revenue from the season finale against Stanton yet to be

received, football receipts for the regular season now total \$18,700.

This includes \$1,324 in season ticket sales here, \$5,850.44 in season ticket sales at the game, \$2,700 in game contracts (percentage of gate receipts received for road games), \$3.95 for other revenue, and \$622.25 revenue from football programs.

Last year, in comparison, Antelopes drew \$8,337.20 in season ticket sales here as compared to \$7,000 for the current season. Game contracts last year for four road games brought in \$2,881.72. This year 'Lopes have slightly less for the games with the sixth game yet to be received, but sure to be more.

POST ANTELOPES "FIGHTING FOURTEEN"

These 14 players have gone just about all the way in every Antelope game this season. In the line, from left, are Donnie Windham, Danny Cooper, Joe Hudman, Ronnie Petty, Jackie Huff, Clyde Cash, Norman Tanner and Roy Sappington.

Backs, left to right, are Jimmy Bartlett, Paul Walker, Duke Altman, Dick Kennedy, Davis Heaton and Dennis Altman. All are seniors except Cooper, Petty, Tanner and Dennis Altman.—(Staff Photo)

Recap of grid season shows win over Denver City as high point

Lopes went 'by air' at start, later turning to ground game

Quick review of the Post Antelopes' 10-game regular 1966 season shows that the locals had to lead on their air arm at the start, but as the weeks passed ground attack with hard running and behind hard blocking moved to the front.

"big moment" of the fall, was the 14-0 triumph over the Denver City Mustangs in the first Denver City defeat ever in district AA play.

POST 14, HALE CENTER 8
The season's opener here Sept. 12. The Antelopes had to come from behind in the final six minutes of a 73 yard TD pass play.

Quarterback Duke Altman hit Kennedy with a 23 yard toss to the middle stripe and Kennedy ran the remaining 50 yards for the winning points.

After a scoreless first half, the Antelopes got on the board when a pitched a 30 yard scoring

loss to Halfback Jimmy Bartlett behind the Owl safety man, Paul Walker converted.

Hale Center took the lead early in the fourth when Davis Heaton's punt was blocked and the Owls had it in close. Halfback Mike Jones went on four yards to score. Owl quarterback, Chris Hicks, passed to End Lindol Dyer for a two-point conversion and an 8-7 lead.

Post got but nine first downs and only 44 yards rushing. The Antelopes got favorable field position only once in the entire first half, but played tough on defense with four pass interceptions and two fumble recoveries.

POST 20, LOCKNEY 6
The Antelopes rang 20 points up in lights in the first half and then played masterful ball control the second half to pin a 20-6 defeat on the Lockney Longhorns on a rain-slick Lockney gridiron Sept. 16.

This time the Lopes ground out 230 net yards on the ground and totaled 18 first downs while putting the ball in the air but three times.

Post has to come from behind in this one too. On the third play of the game, Lockney's fleet halfback, Melvin Sinsney broke for 70 yards and a touchdown.

Post knotted the game five minutes later when Walker pounced on a Longhorn fumble on the Lockney 14 with Quarterback Altman sneaking across from the one, four plays later. The conversion kick was missed.

The Antelopes went ahead to stay early in the second period when Altman again "sneaked" across from the one to cap a 69 yard drive. Walker converted.

Late in the period, Heaton's booming punt for 45 yards was killed by Donnie Windham on the Longhorns' one. Lockney could kick it out only to its 35. The Lopes' scored in six plays 38 seconds before intermission when Walker swept end for 11 yards and his first TD of the campaign. He converted to end the scoring for the night.

POST 40, FLOYDADA 14
Sept. 23 was a night to remember for Post fans as the Antelopes put points on the board in every quarter to shellack the Floydada Whirlwinds, 40-14 for the first Post victory at Floydada in a full decade.

The Winds suited up only 14 players for the game as nine

were out with the flu, but most of their offensive unit was in the game but couldn't go against a stout Antelope defense.

For that matter, Post used but 13 men until it was time to "clear the bench."

Six Post players got in on the scoring as the locals got at least one touchdown in every quarter. Heaton led the 331 yards of total offense for the Lopes with 154 yards on 12 carries, including a 62 yard sweep around end for a touchdown.

POST 14, HAMLIN 12
Paul Walker's talented toe was the difference in this one in Antelope Stadium Sept. 30 as the Antelopes scored twice in the first half and then hung on for dear life in the final two stanzas to squeeze out a 14-12 decision in what definitely wasn't one of the locals' better games.

The Antelopes got their first score in 89 seconds when Hamlin fumbled the game opening kickoff and Davis Heaton swept right end for 18 yards and a TD on fourth down.

The defense got the other all-important touchdown on the first play of the second quarter. Defensive Back Dennis Altman halted a Hamlin drive by intercepting a Pied Piper pass on the Post 15 yard stripe and racing 85 yards

7TH GRADE GRIDDERS GAIN EXPERIENCE

Coch Will Bigott's 7th grade team failed to post a win this season, but gave a good account of itself and gained valuable experience. Squad members, shown here with Coach Bigott and the team managers, are: Willie Bell, Jimmy Smith, Jimmy Dooley, Glen Branson, Mark Clayton, David Woods, Danny Vargas, Bobby Norman, Danny Rose, Gary Shepherd, Merrill Earhman, Kyle Josey, Bobby Ammons, Kim Owen, Ronald

Tyler, Johnny Wallace, Larry Hutchins, David Hart, Sonny Bevers, Billy Criswell, Kenny McKamie, Jimmy Bertran, Don Eilenburger, Rickey Hair, Terry Cates, Larry Hair, Scott Lee, Ronald Martin, Richard Sanchez, Keith Howard, Thomas Zachary, Thomas Shumard, Wayne Aycock, Ricky Bush, Mike Hays, Kelly Duren, Tony Rosas and Marshall Huffman.

down the sidelines for the tally.

The Hamlin team drove 80 yards in the third quarter to score with a bad center snap ruining the conversion attempt. In the fourth the visitors went 76 yards on passes and runs with a 26-yard end-around by Lewis Shelton producing the points. A pass try for two conversion points fell incomplete.

Hamlin outgained Post in total net yards 306 to 227. Walker was Post's leading ground-gainer with 122 yards in 16 calls.

TAHOKA 6, POST 3
It was strictly a defensive battle

Playoff game—

Altman, wingback.

Roy Sappington, who played long enough in the Stanton game to catch a pass for a touchdown, is slated to see more action against Memphis, after having been out for some time with an injury.

DUKE ALTMAN, rounding into better shape all the time after having been injured in the Morton game in mid-October, will see action both on offense and defense, Coach Gregg said.

Kennedy has been slowed by a leg injury, but is expected to be near top condition Friday night.

Coach Gregg said six members of Coach Bill Smith's freshman squad have been moved up to the varsity this week and will be suited out Friday night at Plainview. They are Jay Bird, quarterback and halfback; George Torres, halfback; Neff Walker, wingback; Randy Hudman and Timmons Bull, guards, and Steve Newby, tackle.

Three other freshmen would have been moved up to the varsity but for injuries, the coach said. They are Ray Altman, quarterback; Larry Don Johnson, tackle, and Dennis Dodson, center.

Several hundred fans from Post are expected to attend the game, view's 8,000-seat high school stadium, with a large Memphis delegation also expected.

between two unbeaten teams before a record crowd in Tahoka stadium Oct. 7, as the Antelopes almost but not quite made a Paul Walker field goal in the second quarter stand up for the victory.

Tahoka stopped a Post drive on their 12 yard line late in the final period and then drove 88 yards, mostly through the air to score the winning points with 2:06 left on the clock.

The big play was a 17 yard TD pass from Quarterback Mitchell Williams to End Chris Roberts.

Post also lost a second scoring chance in the last half on a fumble on Tahoka's 8.

The Antelopes won the statistical battle, outgaining Tahoka 210 yards to 173, and holding Tahoka's running ace, Cliff Thomas, well in check.

Walker's field goal was for 20 yards and came when the Lopes faced a fourth down on the Tahoka two in the second period.

POST 35, MORTON 0
The Antelopes opened their district campaign by rolling up 330 yards by rushing Oct. 14 to score on easy 35-0 win over the Morton Indians.

Paul Walker, who rambled 80 yards for a touchdown on the Antelopes' first scrimmage play, rang up 179 yards on 13 carries while scoring three touchdowns and booting five conversion kicks for 23 points. Post's individual scoring high for the season.

This was the game in which Dick Kennedy moved into the regular quarterback slot as Duke Altman was injured early in a defensive pileup. Kennedy got the second TD on a 33 yard up-the-middle ramble.

Kennedy proved his worth as a substitute kicker too, booting one punt 57 yards dead on the Morton 8, when regular punter, Heaton, was out with an injury.

POST 14, DENVER CITY 0
This was the high point of the season for the Antelopes in their home stadium before 2,400 cheering fans Oct. 21. Post and Denver City fought to a scoreless stand-

off for three periods of fine football.

Then Post's rugged defensive unit held the Mustangs first penetration of the night, throwing them back for losses from the 13 and forcing a wide fourth down placement try from the 23 yard stripe.

The Lopes moved to the attack from their 20 and drove 80 yards for the winning touchdown with only 5:15 left on the clock. Jimmy Bartlett got the six points, sweeping left end from eight yards out. Walker booted the placement.

On the ensuing kickoff, Tackle Norman Tanner forced a fumble and the Antelopes were again in

business only 20 yards from the Denver City end zone.

Quarterback Dick Kennedy rolled out around right end for the final four yards for the second touchdown with 2:16 left on the clock.

The Lopes totaled 188 yards rushing against the "Big Red" defense to only 99 yards on the ground for the Mustangs.

POST 48, FRENSHIP 2
Post had to come from behind—sort of—in this one too as the Frenship Tigers got on the scoreboard with a first period safety before the Antelopes got their hands on the football and started to roll. This one was played at Wolfforth Oct. 28 and spoiled Frenship's homecoming festivities.

Post wingback Dennis Altman, who was caught in the Antelope end zone for the safety attempting to run back a short field goal try, more than made up for that miscue by scoring three touchdowns, one on a 75 yard pass interception.

Dick Kennedy got the final Post touchdown on a 55 yard scoring sprint in the fourth period with another pass theft.

POST 27, SLATON 7
The Antelopes assured themselves a district playoff rights in their homecoming game when they waited until the second half to bury the Slaton Tigers for the fifth straight year, 27-7.

The two clubs fought to a 7-7 stand-off in the first half when Doyle Ethridge, Slaton halfback got behind the Post secondary to take a 21 yard pass and race 35 yards more for the only touchdown scored against Post in district play.

Post had drawn first blood, punting 66 yards in the first period to score with Heaton hanging across from the one.

Post drove 59 yards for the winning TD in the third, Kennedy rolling out for the final 12 yards. Den-

nis Altman set up the third Post touchdown running a pass interception back 34 yards to the Slaton 26. Kennedy got this score too on a rollout.

Post went 50 yards for their final touchdown, Heaton breaking clear down the middle for the final 25 yards and the longest scoring run against the Tigers this year.

Post's 27-0 victory over Stanton is reported in detail elsewhere in this edition.

TEXAS CLASS AA

Playoff Picks

By HARRIS RATING SYSTEM OF DALLAS

AS SPONSORED WEEKLY BY BOB COLLIER, DRUGGIST

Here are the 32 Texas high school teams in the 1966 Class AA bi-district playoffs this weekend, as the five week countdown begins to determine the Class AA state champions. Each team is listed with its power ratio. The difference between the power ratio of the opposing teams is the number of points by which the Harris system picks the higher ratio teams to win. The 32 teams are divided by regions. The path of the Post Antelopes to the state finals, should the locals go all the way, would be to meet the Iowa Park-Phillips winner in the regional. In the state playoff quarter finals, they would meet the regional 2 winner. In the semi-finals, they would meet the winner of the regions 3 and 4. In the finals they would face the best of regionals 5 through 8. Post is not in the top ten-ranked Class AA teams in the state as determined by Harris. Harris' top ten are 1. Sweeny 135.2; 2 Plano 129.2; 3 Iowa Park 128.0; 4 Mineola 123.4; 5 Granbury 122.8; 6 Phillips 121.6; 7 Decatur 121.0; 8 Jacksboro 119.3; 9 Bastrop 114.8; and 10 Edna 113.7.

Coaching staff here operates as unit first time this season

Coach Glynn Gregg's four-man coaching staff, which carried the Post Antelopes to a district championship and the freshman squad to a near all-winning season, is operating together as a unit for their very first season.

In fact, only Gregg himself was operating in the same coaching job here last year.

But all four know and have played a lot of football.

Coach Gregg has real words of praise for the work of all three of his assistants, Billy Hahn, Waco Reynolds and Bill Smith.

THIS IS Gregg's second season as the Antelopes' head football coach.

But it is his eighth coaching year in the Post coaching system.

A native of Borger, Glynn came to Post for the 1959 season as eighth grade coach, following his graduation three months earlier from West Texas State University.

Glynn had played fullback in high school football in Borger but was shifted to end at West Texas State where he lettered three years for the Buffaloes under Coach Frank Kimbrough, now the school's athletic director. The team in Glynn's sophomore year won ten out of its 11 games and went to the Tangerine Bowl in Florida where the Buffaloes beat Mississippi Southern, 21-14.

After his first season here as eighth grade coach, Gregg in his second year coached both the freshmen and the eighth graders. In his third season he moved up a notch to freshman coach and B team assistant.

For the next three years he was assistant coach under Harold Teal for the Antelope varsity. When Teal left for a New Mexico high school coaching job two seasons ago, it was only natural that the well-liked Gregg be given another promotion — this time to head football coach.

GREGG'S FIRST assistant, Billy Hahn, has been in the Post system for nine years, several of them as junior high girls' basketball coach.

Two seasons back, he was handed the B team coaching assignment and was second varsity assistant. With the departure of Charles Black last winter, Hahn was advanced to first assistant on the Antelope varsity this season. He is the line coach this year with Gregg handling the backs.

What most local fans probably don't know is that Hahn has an excellent football background to help him in his present job.

A native of Spur, Hahn was a running star for the Spur Bulldogs while in high school and then made a real name for himself as a college back with the Eastern New Mexico Greyhounds at Portales. Hahn was a real speedster in his playing days, being clocked in 9.8 seconds for the 100 yard dash.

He played through his junior year at Eastern New Mexico and then entered the air force for World War II service before returning to Eastern New Mexico to play his senior year and obtain his degree.

Hahn was an assistant coach at Spur High School for nine years and then went on to serve two seasons as head coach at Springlake, a Class A school, before coming to Post.

He teaches junior high history here.

WACO REYNOLDS, who joined the coaching staff here at the start of the second semester last year, played guard on the McMurry College Indians at Abilene for three seasons before graduating in the spring of 1965.

He played his freshman football at Southern Methodist University before transferring to McMurry.

Reynolds is a Fort Worth football product. He played for Bird-

ville High in Fort Worth as a guard and in 1959 was one of the Fort Worth players participating in the Bi-County High School All-Star game against a squad of Dallas standouts.

Waco's football assignments this fall have been threefold. He has served as chief scout for the Antelopes, scouting all of Post's seasonal opponents. While the Antelopes were sewing up their district title at Stanton last Friday night, Waco was busy watching Memphis go down to defeat and making notes about the Cyclones' plays and players.

He also assists in coaching the varsity and two days a week helped Bill Smith coach the freshman squad. He worked with the freshmen on Mondays and game days. Waco is married and has two children. He teaches junior high history and physical education.

FRESHMAN COACH Bill Smith is off to an auspicious coaching start, almost coming up with an undefeated season in his first year. The Post freshmen lost their final game, 21-0, to Spur High B team at Sour last Thursday afternoon, for their only loss of the season in eight starts.

Bill played his high school football product. He played for Bird-

FRESHMAN FOOTBALL SQUAD AND COACH

Post's freshman football team came up with a 6-1-1 record, losing only to the Spur "B" team in its final game. A number of these boys are slated for varsity action next season. Front row, left to right, are: George Torres, Butch Heaton, Ken Herron, Don Collier, Larry Barner, Neff Walker, Johnny Hair, Jimmy McKamie, Terry Cross, Grady Shytles and Karl Hall.

Back row, l. to r.: Randy Hudman, Howard Keel, Timmons Bull, Boyd Noble, David Pierce, Steve Newby, Ray Altman, Dennis Dodson, Manuel Sanchez, Jay Bird and Coach Bill Smith. Larry Don Johnson, a starter, was not present for the picture.

Spur 'B' team hits freshmen with only loss on 1966 slate

Coach Bill Smith's freshman football team lost to the Spur "B" team, 21 to 0, last Thursday to end its season with a record of seven wins, one loss and one tie. Two of the wins were by forfeit. Coach Smith said his youngsters played "a real good game" against Spur, which has a number of

sophomores and one junior on its "B" team. The Post team was weakened by the loss of three starters, Larry Don Johnson, Dennis Dodson and Ray Altman, who were out with injuries or because of illness.

The freshman team is used to winning. Last year, as eighth grad-

ers under Coach Bud Davis, they posted an undefeated season, winning all their games by one-sided scores.

Coach Smith describes his charges as an exceptionally good bunch of youngsters, and predicts that a number of them will help bolster the Antelope varsity squad as sophomores next season.

The freshmen opened their season by tying the Wilson "B" team, 6 to 6, in a game played here in the rain. The Post touchdown came on a 60-yard run by Jay Bird, who in addition to performing as a running back has alternated with Ray Altman at quarterback.

The Post team followed with a 36-0 victory over the Slaton freshmen, with Bird and George Torres scoring two touchdowns apiece, and Manuel Sanchez, one. Larry Don Johnson, Randy Hudman and Steve Newby were among those playing outstanding defensive

games to hold Slaton scoreless. The freshmen won a 20-8 decision over the Frenship frosh in their next outing, with Altman to Bird nasses accounting for two touchdowns, and with Torres also

scoring. Post rolled over Slaton for a second time, 28 to 0, on Oct. 26, with Bird and Torres each scoring a touchdown and another coming on a pass from Altman to end David Pierce. The defensive unit also got into the scoring act by posting a safety.

The freshmen downed Frenship, 36-0, Oct. 27, with Torres cracking over for the first touchdown after Neff Walker had blocked a Frenship punt and Pierce had covered the loose ball on the four-yard line. Other touchdowns were scored by Sanchez, by Torres on a 55-yard run with an intercepted pass and by Pierce on a 65-yard run, also with an intercepted pass.

Post gained revenge for the Wilson "B" team tie by winning, 14 to 8, when the teams met for a second time Nov. 8. Sanchez scored both touchdowns in the come-from-behind victory.

Big things will be expected of many of these freshmen next year, with the varsity squad hard hit by graduation, and if this season's record is any indication, they'll come through with flying colors.

Odus Mitchell

Early-day Post coach will retire at NTSU

Odus Mitchell, who began his coaching career at Post High School in the 1920's, will retire from the coaching profession at the end of this season at North Texas State University, Denton, where he has been head coach for the last 21 years.

Mitchell's first team at Post won the district title.

He went on from here to a coaching career that has covered 42 years as a head football coach.

The "North Texan," published at NTSU for former students and friends of the university, has this to say about Mitchell's retirement: "Mitchell hopes to wind up as he began—a winner . . .

"When he announced his retirement plans at an August press conference, he said he didn't want a lot of to do about it. Modesty is part of his character.

Spts. inside 4-72 Grid playoff of that fine club returning.

Bigott said he noticed the Stanton football team had a 6 foot, 7 or 8 inch player on the gridiron last Friday night and he expects to see him playing center for the Duffaloes this winter.

Bigott also pointed out that the Morton Indians lost only one starter from last year's club and that Slaton is going to be tough again, with Washington, their scoring ace, returning.

As for Denver City, the Mustangs will have some good outside shooters back. If they find a big boy for rebound work they may be right in the thick of it too.

"But he confessed he'd chosen this year to retire because he thought it would be a good season. Honesty is also a Mitchell trademark.

"Mitchell has carved himself an enviable lifetime record of 279-127-17. At North Texas, his teams have won or shared nine conference championships . . .

"In his 41 years as head football coach, Mitchell has coached something like 2,000 men. Among them have been such outstanding athletes at Y. A. Tittle, whom Mitchell coached at Marshall High School, Ray Rentro and Abner Haynes.

"His influence in the lives of his players is part of the Mitchell legacy. Former players, including his assistant coaches, call him Mister Mitchell. One ex-Eagle, now 40 years old, confesses he won't smoke a cigarette in front of Mitchell.

"Another Mitchell alumnus who has made good in pro football recalls: 'He always made football fun, even in workouts. It wasn't drudgery, but a pleasure.'

"One of football's real gentlemen, a Dallas News columnist called him.

And of him, Fred Graham, NT sports publicist, writes:

"Mitchell . . . is a rare breed. He has won more than his share of games. And he did it as a decent man, one who treated his players as human beings, not as pawns on the field. He is a modest person, one who has never smoked, drank or cursed. Nor does he brag. Yet, he is a competitive man with strong pride."

"In most of the record books, 'Mister' Mitchell winds up as he began — a winner."

Lower rate of unemployment for graduates

WASHINGTON, D. C. — It pays to get as much schooling as you can. Those who complete their secondary education can earn 50 per cent more than their fellow students who quit school. A Labor Department survey of young high school graduates and dropouts in 1965 (actually a re-survey follow-up to a 1963 study) showed that during the two-year period graduates had a lower unemployment rate, better earnings and steadier employment than dropouts. So reported Finance Facts, monthly newsletter of the National Consumer Finance Association, in its October issue. The Washington D. C. based association represents approximately 1,300 member companies in the consumer finance industry.

Men with more education also make more effort at self-improvement; dropouts often lack the minimal education required to learn more specialized skills and probably have less motivation and adap-

The report stated that median earnings of 1964 graduates were about 50 per cent higher than the median of school dropouts, \$3,961 compared to \$2,608. Differences in the occupations of the two groups explain part of the variance, with a greater proportion of the graduates also working all year. Among those employed a full year, graduates had a median income of \$4,399; dropouts, \$3,740.

Post Does lose to Springlake, 73-55

The Post Does "A" and "B" basketball teams evened their record at 1-1 Tuesday night when they lost to Springlake on the latter's court, after having won their openers last week from Meadow.

Coach Jiggs King's Does lost to Springlake, 73 to 55, and his "B" team by a score of 46 to 37.

The Springlake girls outshot the Does from the field with 32 baskets to 23, while both teams hit nine free throws.

The Post Springlake sextet got off to a 23-12 first quarter lead, which they had boosted to 37-21 by halftime, and led 55-36 going into the fourth quarter.

Sherry Woods paced the Post scoring with 23 points on nine field goals and five charity tosses, while Edith Johnson got 14 points on six from the field and two from the free throw stripe. La Gayluah

Young scored 11 points on five fielders and one free throw; Sharon Windham, five points on two field goals and a free throw, and Karon Windham, two points on a field goal.

Susan Britton was high scorer for the winners with 24 points, closely followed by Marsha Dawson with 22.

Seeing action at the guard positions for the Does were starters Marcia Newby, Cheryl Pennell and Vicki Martin, and Jaynie Jolley. Jane Hutchins, Voda Beth Voss and Kay Altman.

In the "B" team game, Springlake led 9-7 at the end of the first quarter, 21-12 at the half and 38-23 going into the final period.

Karen Leo was high scorer for Post with 11 points on five field goals and a free throw. Other scorers were Benita Noble, 9; Brenda Lee, 8; Sharon Bilberry, 3; Judy Huff, 3, and Irene Saldivar, 2.

The Post guards were Theresa Sims, Glen Ann Barley, Brenda Stitzer, Debbie Brewer, Martha J. Jo Walls, Nancy Hart and Irene Saldivar.

Jane Washington was high scorer for Springlake with 19 points.

THOSE POOR YANKEES

The Baltimore Orioles really picked on the last place New York Yankees in 1966. The Birds won 15 of 18 games played. It was the most one-sided series in both leagues.

In the end, Glynn asked the squad what the players thought about the chartered bus. They told him loud and clear that chartering that bus wasn't going to have anything to do with the outcome—they were going to beat Memphis and win the bi-district title, bus or no bus, or anything else too.

So, Coach Gregg chartered the bus.

8TH GRADE TEAM COMPLETES SEASON

Coach Bud Davis' 8th grade football team finished with a 2-5 record and was showing big improvement when the season ended. Their wins were over Lockney, 8-6, and Tahoka, 6-0. They lost twice to Slaton and Frenship and once to Tahoka, tying with Tahoka for third place in the district standings.

Cotton is rolling in to Grassland gins

By MRS. O. H. HOOVER

The cotton is coming into Grassland from every direction. The Farmer's Co-op Gin has put on two crews, day and night. Up till report time they had ginned about 1,000 bales. They turn out about 200 bales a day. The Producer's Gin still have just one crew but they run a lot of overtime. Sure hope the weather holds.

Kenneth Huffaker, Jim B. Porterfield, Dick King, Alton and J. B. Greer, Elmer Rash, Darin White and James Mitchell have all gone to Rock Springs to hunt deer. Sure hope they had good luck.

Mrs. O. H. Hoover visited Bernice Propst one morning and then she and Mrs. C. C. Jones visited Mrs. Bernice Gribble and Mr. and Mrs. Carl Greer in the afternoon. Doesn't seem as if Mr. Greer gains much—stays about the same.

Mr. and Mrs. L. S. Turner had their three grandsons, Kenneth, Keith and Kane Turner of Tahoka with them over the weekend.

Mrs. W. A. Oden has gone to Fort Worth to attend funeral services of her brother, Carol Potter, who passed away Sunday at 2:30 a. m. with a heart ailment. We extend to Mrs. Oden and children our deepest sympathy.

The Sonny Patterson family visited Sunday with her parents, the Raymond Pitts.

Mrs. Hoover visited her sister, Mrs. Edith Inklebarger, Saturday afternoon.

Bobby Huffaker and family were in the community last week. Bobby helped his brother, Kenneth, pull cotton a few days.

Larua Gerner was home over the weekend and Linda Kay Muller spent Sunday with her. They all attended church at Slaton.

Mrs. Lorene Gerner visited her mother Thursday afternoon.

Mrs. Gerner visited the Victor

Kuykendoll family Tuesday afternoon.

The Gerners had a letter from Jerry who is stationed at Camp Pendleton, Calif., in which he said he wasn't feeling too well. Hope you fell better real soon, Jerry.

Mr. and Mrs. Bob Norman visited their daughter and family at San Angelo Sunday. Mr. and Mrs. Olen Long also visited their daughter there. In fact, they went together.

Wade Gerner, the Normans' grandson is stationed at Ft. Bragg, N. C. He was doing fine last report.

Mr. and Mrs. John Stover of Tahoka visited the Carl Greens Sunday afternoon. Mrs. W. L. Gribble visited the Greens Saturday.

Hollie and Laverne McCleskey and Leonard and Bernice Gribble were Sunday luncheon guests of Laverne's brother, Harold Allen, and family in Lubbock.

Mr. and Mrs. H. E. Huffaker came home last Wednesday from their trip to Colorado. They report a nice visit and everyone doing fine.

THE JAMES MURRAY family visited the Carlos McCleskeys on Sunday afternoon.

The Tom Murrays and W. G. McCleskeys attended a big sing-song in the Slaton Clubhouse Sunday.

Uncle Mac and Aunt Nora Ritchey were Sunday luncheon guests of the Rev. and Mrs. Rawlings.

The Gus Sherrill family visited the Frank Bailey family in Seminole Sunday afternoon.

J. E. Sherrill is recovering nicely from eye surgery.

Visitors in the C. A. Walker home Sunday were the Bill Moores and Mrs. Doyle Terry and children. Cristy Lynn had spent the weekend with her grandparents. They all stayed for supper.

Meals will be served in the Post schools cafeteria Monday, Tuesday and Wednesday only as school will be dismissed Wednesday afternoon for the Thanksgiving holidays.

Monday: Barbecued ham slices, cabbage slaw with green peppers, creamed potatoes, cookies, canned pear half, milk, bread.

Tuesday: Sliced turkey with giblet gravy and dressing, buttered peas, cranberry sauce, fruit salad, mixed vegetable salad, bread, milk.

Wednesday: Chili served with crackers, crisp celery sticks stuffed with cheese and relish, onion rings, buttered rice, egg custard, milk.

small grandson, Gary Castle Watson, is in Methodist Hospital. He is improving now and we wish for him a speedy recovery.

Mrs. Watson's mother, Mrs. Spears, seems to be getting weaker these last three or four weeks. She doesn't get around much and stays in bed a lot.

THE SUB-DISTRICT meeting of the Brownfield district was held in the Methodist Church in O'Donnell last week. Mrs. Gus Porterfield is president and she had a very nice program prepared. The theme was "Faith For New Situations." Mrs. Roy LeMond had the topic "God's People or No People" and she made a very good talk.

Mrs. Wilmer Smith gave a talk on "United Nations" as only Mrs. Smith can. After lunch (our new setup) the topic was very ably discussed by the Ropesville WSCS.

To close the meeting, Mrs. R. M. Stewart of Tahoka told us a lovely story that made all of us want to do better and work harder. It was an inspiring day.

Mr. and Mrs. J. A. Propst have gone to an Oklahoma hospital for a few days.

Thanksgiving dinner scheduled for today

Christmas Fiesta set for Dec. 3 with Santa visit as a highlight

Post's second annual Christmas Fiesta — with all kinds of music, Santa Claus, and a lot of prizes, including \$30 in cash — is scheduled for Saturday afternoon, Dec. 3, to open the local holiday buying season.

The Chamber of Commerce Retail Promotions Committee, headed by Bryce Martin, approved a \$700 budget for the fiesta at a final planning session yesterday afternoon at Post Pharmacy.

DISPATCH OUT EARLY FOR THANKSGIVING

The Dispatch will be published on Tuesday morning next week instead of Thursday due to the Thanksgiving holiday.

This will permit city and rural mail delivery Wednesday morning before the holiday.

Correspondents must have their copy in Monday morning for next week's paper. The advertising deadline will be Monday morning.

Plans call for two well known area western bands and one rock and roll band to alternate in playing throughout the afternoon at a downtown bandstand.

Prizes donated by the merchants will be given away at intervals throughout the afternoon with the grand prize being \$50 in cash offered by the Chamber committee.

Shoppers can begin signing up here Saturday in downtown stores for the Christmas Fiesta prize drawings. Persons whose names are drawn for the prizes must be present to win Dec. 3.

Santa Claus, the town's jolly guest from the North Pole, will open the Fiesta. He will be escorted through the business district and then will spend several hours downtown giving away candy and interviewing youngsters on their Christmas wants.

Complete details for the fiesta will be announced in next week's Dispatch.

Dave Sanford is contracting for the three fiesta bands.

The fiesta idea last year was such a real crowd pleaser the promotions committee agreed to stay with the same format again this year. Added, however, is the big prize drawing.

Merchants are making up the \$700 budget for the promotion. Committee members have been busy the last two weeks contacting merchants.

POST HIGH BAND OFFICERS

The Post High School band, whose officers are pictured here, will compete Saturday in the University Interscholastic League marching contest at Big Spring. Mahon said 15 million bales of cotton was the carry-over last year and that the new cotton program is virtually sure to remain unchanged for three more years. He said cotton exports are up this

year to 5.2 million bales from only 3 million bales last year.

With cotton in the decline in the area as a revenue producer, the congressman said "banks are doing the best they can, but they can't finance all of agriculture." He said the Farm Home Administration is going to need more

Garza to sell its Bailey school land

The Garza County Commissioner's Court this week decided to sell their 227.19 acres of "school land" in Bailey County next Jan. 1 to the highest bidder instead of leasing it to J. E. Birdwell, Garza rancher, for the next five years.

Birdwell signed a five year lease for the irrigated farm land in July for \$3,000 per year less the cost of a new irrigation well.

When it was called to the court's attention that such a lease posed a problem because the county could be required to place all \$3,000 of the lease money in the

available school fund" and pay the improvement costs of the land out of general fund revenue, the court asked Birdwell for a release on the lease to permit sale of the property.

A new lease is being drawn with Birdwell for only one year.

The court in Monday's action voted to sell the land to the highest bidder for "not under \$275 per acre if royalties are included in the sale." The county is not sure whether or not it or the state owns the royalties for the land.

County Judge J. E. Parker said the court's decision to sell the land is that with current government programs the county can realize more revenue for the school fund by investing the sale price at five per cent interest than by continuing to lease the land and improve it.

The tract has approximately 200 acres in cultivation and is irrigated. It is located in the sand hills

Woman injured in auto wreck

Mrs. Dave Cheshire was in fair condition in the intensive care unit of West Texas Hospital in Lubbock today after being injured in a one-car auto wreck here last night.

The car she was driving southeast on U. S. Hwy. 84 veered off the highway at South Lake here, and smashed into a tree, with the tree and car plunging into the mud bog on the west side of the highway.

Mrs. Cheshire was reported to have suffered a broken right arm, several broken ribs, bruises and lacerations. She was given emergency treatment at the Medical Center here and then taken by ambulance to West Texas Hospital.

Police Chief Bill Gordon, who investigated the accident, reported that it happened at approximately 10 p. m.

Calvary Baptists have new pastor

The Rev. Dale Dozier and family moved from Odessa to Post Tuesday of last week where he has assumed the pastorate of the Calvary Baptist Church, replacing the Rev. Lee R. Jones, who moved to the Airport Baptist Church in Big Spring.

Rev. Dozier has been pastor of the Friendship Baptist Church in Odessa for the last two years and is a former pastor of the Justiceburg Baptist Church.

The new pastor's hometown is Seagraves and he is a graduate of Decatur Baptist College and Texas Wesleyan College in Fort Worth.

Rev. and Mrs. Dozier are the parents of four children, all in school here. Danny is a sophomore, Rhonda Kay, an 8th grader; Julie, a 3rd grader, and James, a 2nd grader.

Funeral services for George Ben Richey, 56, of Route 1, Post, who was dead on arrival at Mercy Hospital in Slaton Monday after he suffered an apparent heart attack, were held at 10 a. m. Wednesday in Resthaven's Little Church of the Flowers, Lubbock.

Mr. Richey was manager of the cotton gin in the Pleasant Valley community, where he had resided for the last few months. Born Jan. 27, 1911, in Roxton, Tex., he lived in Seminole 10 years and had lived in the Lubbock area before moving to the Pleasant Valley community.

Survivors include his wife, three sons, a daughter, two brothers, three sisters and five grandchildren.

Cline Drake, Church of Christ minister, officiated at the funeral services. Burial was in Resthaven Memorial Park cemetery.

Funeral services for C. W. Gindorf, 79, of Route 1, Post, who died Sunday in Mercy Hospital in Slaton after an illness of six days, were held at 2 p. m. Tuesday at St. John's Lutheran Church in Wil-

son. Mr. Gindorf, a farmer, had been a resident of this area since 1927. He is survived by his wife, Rosa Lee; two sons, Chris W. of Route 2, Post, and Elmer Gindorf of Wilson; one daughter, Mrs. Walter Stolle of Route 1, Post; two sisters, nine grandchildren and 10 great-grandchildren.

The Rev. Jimmie Leader, pastor of the Posey Immanuel Lutheran Church, officiated. Burial was in Southland Cemetery under the direction of Williams Funeral Home of Slaton.

Early risers see 'show of century'

Early risers among Garza countians today were treated to one of the brightest meteor showers in well over a century.

Meteors by the dozens were shooting across the sky in all directions just before dawn today.

Astronomers termed it the most spectacular Leonid meteor shower since 1833. In that year, Americans thought the "world was coming to an end."

The meteors, or meteoroids, have been explained as fine debris from the comet Tempel-Tuttle, first identified in 1869.

Golf tournament starts Sunday

Play will begin Sunday, Nov. 20, in the Post Country Club's annual city championship golf tournament, with the finals scheduled for the following Sunday, Nov. 27.

The tournament will consist of 36 holes of medal play, with two championships — handicap and non-handicap — to be decided. The tournament is open to members of the Post Country Club as well as to non-members who are residents of Garza County.

Golfers wishing to enter the tournament are asked to contact D. H. Bartlett at the Caprock Golf Course or telephone 3829.

If public will cooperate

Early 'over the top' seen for Fund drive

Citing the enthusiasm and hard work of his campaign organization, the Rev. Curtis Lee, chairman of Garza's 1967 United Fund drive, predicted today that "we can go well over the top" of the \$8,200 goal by next Wednesday's dead-

line if "the public will cooperate." "No contribution is too small," Mr. Lee declared, in emphasizing the need of drive workers to reach everybody for "fair share" contributions this year.

Committee chairmen for the drive, include: Big gifts: Giles McCrary, J. B. Potts and Shelley Camp. School: Mrs. Bettye Scott, Bud Davis and Gordon Lee. Farm: Lewis Herron, Jerry Thurtell and Russell Wilks Jr. Postex Mill: Dick Dickson. Santa Fe employees: J. A. Stallings. Liquor stores and employes: Mike Mitchell. Ministerial Alliance: Rev. George Miller. Postex employes: Carl Aycock. City employes: Bob Collier. Oil: Earl Chapman and David Newby. Downtown employes: Frank Blanton, assisted by Mrs. Helen Cornish and Jim Jackson. Ranch: Jack Lott, Bob Macy, Arnold Sanderson. County employes: Mrs. Juanette Gentry. Federal employes: Wayne Richardson. Bank employes: Fred Myers. The week-long drive opened yesterday and is slated to close next Wednesday, Nov. 23, the day before Thanksgiving.

"Fair Share" pamphlets explaining the drive and how the \$8,200 is used by participating organizations and pledge cards were distributed to drive chairmen in a meeting Monday night at City Hall.

The \$8,200 in United Funds sought will be distributed as follows:

\$700, Garza Youth Center; \$1,200 Girl Scouts; \$75, Texas United Fund; \$1,100 Salvation Army; \$1,825 summer baseball program; \$1,000 American Red Cross; \$2,000 Boy Scouts of America, and \$300 to United Fund for expense of campaign.

Touch of 'playoff fever' is deserved

The Dispatch today salutes the Post High Antelope football team and its coaches for a job well done in winning the school's first district football championship in 18 years.

It took a lot of doing—and it all wasn't done this year either.

We can remember when we came to Post nearly ten years ago that the Antelopes went through some pretty disastrous seasons in which they got whacked, and whacked and whacked by lopsided scores.

The road back to respectability wasn't easy. But it has been taken and Coach Glynn Gregg and his current Antelopes have at last reached the summit, subdued the Big Red of Denver City, and marched to the crown.

Post fans have always supported their high school teams well no matter what their won-lost records might be. They deserve a touch of "playoff fever" together with Thanksgiving indigestion for a change.

This 1966 Post championship club has what used to be called "class". In the current vernacular it's "attitude", as Coach Glynn Gregg terms it.

There are only 14 or 15 players on the squad

of top individual abilities, so there isn't any depth. But these youngsters got into shape at the very start and stayed in top physical condition. That is the best way to avoid the regular run of football injuries.

They are a clean-cut group of youngsters of which any town could be proud. They play hard and enjoy the game. They are ably coached by the type of coaches who are good at "character building" as well as winning.

The ten seniors on this club are certainly an exceptional bunch. They represent an unusual group of grid talent which was essential to win the championship. But they might not have won it without attitude and good leadership.

This community this week is boiling with playoff fever. But as we look ahead with the expectancy of playoff victories, let us also look back at the road up which we came. Let us resolve to "have and to hold" a good athletic program, keeping it in proper perspective, and accrue the many benefits which such a program kept in proper focus can bring to both the young men who participate in it and the community which supports it.—JC

New zing in United Fund campaign

There is a hustling, fresh approach this November to the annual task of raising funds here for the various agencies and organizations which merit our financial support.

Even the name's been changed — from the Community Chest to the United Fund.

The difference is simply new talent at the helm.

Fund drives lose their zing when conducted year after year by the same folks whose only motivation factor is the realization that somebody has to do the job.

This year they agreed to take the time and trouble to reorganize the county chest organization on a broad base of organizational and community support.

Ten clubs were asked to name a director each and five more were elected from the community at large by these ten to complete the Chest board.

Since that was done only a week ago, several meetings have been held, the budget set, campaign plans made, and the week-long drive al-

ready kicked off.

That shows a tremendous amount of energy already has been put into the community fund raising task.

If this new zeal can be passed on to all the drive workers, the result could be tremendous, for it is the drive worker who ultimately must contact the individual citizen, make the appeal for funds, and accept a "fair share contribution" or be brushed off.

Garza County will have no difficulty raising its \$2,200 goal if all Garza countians will participate. And here the task is organization and getting drive workers with cards in hand to make all the individual contacts.

We hope all our readers will catch the new zing in the United Fund campaign this year and cooperate financially with a contribution representing your fair share.

When a United Fund worker calls on you, give him your attention and then a generous contribution. Keep the new zing going.—JC

Lions urge peace essay entries

The Post Lions Club is offering a \$100 prize to the local youngster who writes the best essay on the theme "Peace is Attainable," but so far there has been little or no interest shown on the part of boys and girls here, says Jack Alexander, the Lions Club's peace essay chairman.

The contest is world-wide and there will be a chance at bigger prizes than the \$100 offered locally, the chairman points out. The top prize offered by Lions International is \$25,000, and the essay contest is open to youth between the ages of 14 and 23 in 135 countries of the Free World.

The essay contest is a part of Lions International's "Search for Peace" project. Eight hundred thousand Lions around the world are making efforts in getting youth interested in thinking and writing about peace.

The deadline in the local phase of the contest is early in December. Post boys and girls interested in writing an essay on "Peace is Attainable" are urged to beat the deadline with their entry. There is \$100 in it for the local winner and the opportunity to go on to much bigger prizes — plus the opportunity for each contestant to do his or her bit toward helping promote world peace.—CD

I'M JUST AS happy as the next one over the Post Antelopes winning the district championship and going into the Class AA playoffs, but excuse me if I bring up the fact that this football is getting a little out of hand here at The Dispatch office. For instance, on account of this week's Playoff Edition, "Thursday to Thursday" is being written later in the week than it ever has been before and I'll be lucky to duck under the deadline with it.

But, it couldn't happen to a nicer bunch of fellows than the Post coaching staff and to a nicer bunch of boys than the Post Antelopes.

SOMEONE ASKED me the other day if I really think the Post Antelopes are "Number One" and I assured him that I do. Then he wanted to know "for how long," and I told him that's all in the way you look at it. The Antelopes are always "Number One" to their hometown fans, and if anyone wants to get down to brass tacks about it, I can show him—by comparative scores—that the Antelopes not only are No. 1 in District 4AA, but they're No. 1 in the state.

LET'S START with the Floydada game, which Post won by a score of 40 to 14. That gave us a 26-point edge over Floydada and a 19-point margin over Tulia, which beat Floydada by only 14-7. Tulia edged Littlefield, 15 to 14, which makes us 20 points better than Littlefield. Littlefield romped on Lubbock Coronado, 40 to 15, so we're 45 points better than Coronado.

Coronado lost to Lubbock Monterey by only 14-8, so the Antelopes have a 28-point edge on Monterey, which lost to Odessa Permian, 17 to 7, so we come up with a 29-point margin over Permian, which last Friday knocked off top-ranked San Angelo, 12 to 6, giving us a 35-point edge over San Angelo.

WELL, YOU SAY, Amarillo Tascosa is No. 1 since San Angelo tumbled. So what? Tascosa beat Permian by only 6-0 and, remember, we're 29 points better than Permian, which gives us a 23-point bulge over Tascosa.

It wouldn't be fair to stop there, however. Tahoka beat Post, 6-3, so they're 26 points ahead of Tascosa. Tahoka lost to Seagraves, 18 to 12, which puts Seagraves 32 points out in front of Tascosa, and Coahoma, one of this year's "forgotten teams," clobbered Seagraves by ... but let's stop right here before the whole thing gets ridiculous and we wind up with some team like Lorento having a big point spread over Notre Dame.

THE MAN UP the street says what you don't know may not hurt you, but what you suspect can be awfully disturbing.

The following appeared a few weeks ago in the First Presbyterian Church bulletin as something written by a little girl who lived in an orphan's home:

"A grandmother is a lady who has no children of her own, so she likes other people's little girls. A grandfather is a man grandmother. He goes for walks with the boys, and they talk about fishing and tractors and things like that.

"Grandmothers don't have anything to do except be there. They're old, so they shouldn't run or play hard. It is enough if they drive us to the market where the pretend horse is, and have a lot of dimes ready. Or if they take us for walks, they should slow down past things like pretty leaves or caterpillars. They should never, ever say, 'Hurry up.'

"Usually they are fat, but not too fat to tie kids' shoes. They wear glasses and funny underwear. They can take their teeth and gums off. It is better if they don't twewrite, or play cards except with us.

"They don't have to be smart, only answer questions like why dogs hate cats and how come God isn't married. They don't talk baby talk like visitors do, because it is hard to understand. When they read to us, they don't skip, or mind if it is the same story again.

"Everybody should have one ... because grandmas are the only grown-ups who have got time."

The youngster on your Christmas list would appreciate a gift of U. S. Savings Stamps or Bonds—the gift that keeps on giving.

San Antonio show adds paint horses

SAN ANTONIO — Competitive classes for colorful Paint Horses have been added to the 1967 San Antonio Livestock Exposition according to Fred W. Shield, vice president and horse show chairman.

Exhibitors in the Quarter, Paint and Appaloosa horse shows and contestants in the Cutting Horse contest will be competing for an estimated \$19,000 in premiums and entry fees, a new record for the horse show.

According to Shield, Quarter Horses will be judged for the first three days of the exposition starting Feb. 10 through 12th; judging of Paints, Tuesday and Wednesday, Feb. 14-15; judging of Appaloosa horses Friday and Saturday, Feb. 17-18 with Appaloosa Stake Races taking place during the evening Rodeo performances, Feb. 16 through 18th.

Judges for the 1967 horse show include Jim Calhoun, Cresson, Texas who will judge Cutting, Quarter and Paint Horses and Jimmie Randall, Montoya, N. M. who will judge Appaloosa and Cutting Horses.

Southland gridder seriously injured

By MRS. EDMUND WILKE
Davis Dabbs received a serious neck and back injury last Friday night during the Southland-Wellman football game. He is in Methodist Hospital and the doctors will probably decide one day this week if David requires surgery or not. We are all hoping and praying that he won't have to have surgery and will get to come home soon. To top it all off we lost the game too, so it was a pretty sad night for all the Southland fans and friends who attended the game.

The football season is over now and the boys will start practicing basketball. The girls' basketball team played Slaton last week in a practice game. We have only nine girls out for basketball this year and one of them, Karen Melcher, got her knee hurt in the practice game last week and won't be able to play for a couple of weeks.

Southland will host a Junior High Basketball Tournament Thursday through Saturday of this week. Come on out and watch some good games!

Mr. and Mrs. Bill Winterrowd of Amarillo visited the Paul Winterrowds during the weekend.

Mrs. J. W. Basinger was honored with a pink and blue shower in the home of Mrs. Virgil Smith Wednesday evening. Hostesses were: Mmes. Kenneth Callaway, Nell Swinburn, Billy Thorp, Jan Boatman, Dorothy Jones, Donald Penning, Leo Stolle, Joyce Odum, Virgil Smith, Lucille Myers and Herman Havis. The guest list included the following relatives: Mmes. Ona Lively, Bernice Smith and John Baker of Post, Mrs. Larry Alford of Lubbock, and Mmes. Iva Basinger, Clarence Basinger, James Mason and Sam Ellis, and Mrs. Opal Boyd of Ralls.

When you love your work, it shows.

And we love our work. So much that we couldn't bear to stop with the slickest-looking split grille ever to grace a Wide-Track. (Or any other car, for that matter.)

We went ahead and made the windshield wipers disappear. The car not only looks cleaner, but the wipers are less subject to icing and freezing, too.

Then we got rid of the vent windows on all Grand Prix hardtops. We replaced them with nifty monograms and a flow-through ventilation system.

We even designed a rather unique hood-mounted tachometer option that's available on all Pontiacs. As are our other new options like stereo tape and stereo radio.

And, of course, our handsome interiors have to be seen to be believed.

All Pontiacs have standard safety features that include a dual master cylinder brake system with warning light, outside rear-view mirror, and GM's energy absorbing steering column.

Isn't it time you decided to see your Pontiac dealer? If you love our work the way we do, it's the least you can do.

18 years between titles for Post

It has been 18 years between district football crowns for the Post High Antelopes. The last time they took the title was in 1948 when Coach Bing Bingham's club sailed through a 10-game schedule undefeated and took the District 4A crown with a 14-0 playoff victory over Littlefield.

That game - on Nov. 19, 1948 - drew 4,500 fans, the largest crowd ever to see a football game here before or since.

That year the district was split into southern and northern divisions. Post sailed through the southern division defeating O'Donnell, Slaton, Tahoka and Seagraves. Littlefield won the northern division.

Stangely enough, Littlefield, now in triple A classification, won its district crown this year, too, for the first time in many a year.

And strangely enough, if the Antelopes can defeat Memphis in their bi-district clash Saturday night they may meet the Phillips Blackhawks in the regional. Phillips thumped the 1948 Post district champs 41-0 in their regional class in Amarillo Dec. 4, 1948.

Post Office helps count livestock

Rural mail carriers from the post office here will leave some livestock survey cards along their routes beginning Nov. 29.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster A. J. McAllister explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," McAllister said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carrier assisting with the survey are: Curtis Davies, Route 1; J. D. McCampbell, Route 2, and Phil Boucher, Route 3.

Facts and figures secured in this survey are the basis for Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio and television.

MEETING IN SAN ANTONIO

Mrs. Bettye Scott, Elementary Supervisor in the Post schools, is attending a supervisor's meeting in San Antonio, Wednesday through Friday. Mrs. Scott was scheduled to be a panel member at one of the programs.

BOYD DODSON

Takes position as technician

Boyd Dodson, son of Mr. and Mrs. R. E. Dodson, recently moved to Carlsbad, Tex., where he will be employed as cardio - pulmonary technician at McKnight's State Hospital.

Boyd served four and a half years in the U. S. Navy as a medical corpsman. He finished his training as cardio - pulmonary technician in October 1964 and was transferred to St. Alban's Hospital in New York, where he served in this capacity until he received his military discharge in June 1966.

Post woman undergoes surgery at San Angelo

Mrs. Oliver G. Morgan underwent surgery at the Clinic Hospital in San Angelo a week ago Tuesday and was brought to her home here last Friday by her granddaughter, Mrs. Joe Dick Rogers, who is staying here while her husband is in Vietnam.

Mrs. Morgan's sister, Mrs. Joe Bundy, of Houston is also here while Mrs. Morgan is recuperating from the surgery.

She is reported to be doing fine.

"Where Is God?" is sermon topic

The Rev. Mr. Miller is a representative of the Protestant Synod of Texas.

"Where Is God?" is the sermon topic chosen by Jim Collie, a Texas Tech pre-theology student, Sunday at the First Presbyterian Church at 11 a. m.

Mr. Collie will be preaching in the absence of the minister, the Rev. George Miller, who, along with the Rev. Curtis Lee, pastor of the First Methodist Church, will be attending a Faith and Order Conference at Mo Ranch.

Holiday sermon set for Sunday

Thanksgiving Sunday will be observed this coming Sunday at the First Christian Church with a special message by Bernard S. Ramsey, the minister, entitled "Thank You! So Much!" The Lord's Supper will also be observed at the 11 a. m. worship.

At 7 p. m. continuing the series on the Ten Commandments, the minister will speak on the Sixth Commandment: "Live and Let Live." A baptismal service will open the evening worship. The church family is happy to welcome Miss Donna Kolb and Mrs. Bob Short into its fellowship.

The Baltimore Orioles lost only one season series during 1966. The Cleveland Indians beat them 10 times in 18 meetings.

Jerry West of the Los Angeles Lakers set a National Basketball Association record last season when he scored 40 foul shots.

Mock election is held at Post High

By Sherry Woods
High school students were given opportunity to vote for state and local officials in a mock election Nov. 8. The election was supervised by Coach Bigott's Civics class.

Before the lunch hour dismissal, Billy Jack Hodges and Paul Walker presented speeches advocating the candidates of their choice.

Sixty-six out of 116 Juniors and Seniors voted for a 57 per cent voter turnout. Of 204 Freshmen and Sophomores, 99 voted, for 49 per cent. The percentage for the entire school was 51.5 while the nation's percentage was 58.

The results were as follows:
Governor, Connally 120, Kennerly 28, Gillespie 1; Senator, Tower 95, Carr 60; Preston Smith was elected Lt. Gov. with 121 votes. Crawford Martin was voted Attorney General with 100 votes. In the Commissioner of Agriculture race, White won with 81; Sadler was elected Commissioner of General Land with 97 votes. The winner of the Comptroller of Public Accounts was Calvert with 91 votes. Jesse James was elected Treasurer, having 96 votes. J. E. Parker was elected County Judge with 91 votes.

Even though the votes did not count in the actual election, this staged election, inside the school, gave students a chance to see how much or how little they knew about voting.

Kit is given at meeting of FHA

"Everybody's Doing It" was the title of a skit presented by Pammy, Nina Young, Cathy Jones, Martha Miller at the Future Homemakers of America meeting Friday night. The skit brought out the fact that although everyone else is doing it, it doesn't mean you have to. The program was later turned over to the Rev. Jimmy McGuire, who spoke on the topics individualism and conformism. The talk brought out many pointers and everyone seemed to enjoy it. While at the meeting, the girls received a yearbook containing various FHA things, as well as certain duties. As you may have noted, one of these duties is to go and take down the flags. The Little Sister chapter officers introduced themselves by telling a joke and singing a song. The girls were later served punch and cookies.

Juniors selling Lopes plaques

By James Kinzie
The Junior Class is making plaques to be hung on the wall or put on your front yard. These plaques are lettered on them "Antelope Fan," "Antelope Fan," or anything you want on them. These plaques will advertise your spirit and pride in the Antelope team.

The plaques are selling for \$1. They may be purchased at various places in town, at the school, or from any Junior class member. They are selling fast — get yours now.

Post twirlers in area competition

Nine girls will represent Post High School at the University Interscholastic League twirling contest Saturday afternoon, Nov. 19, at Memorial Stadium in Big Spring.

Entered in the twirling quartet competition will be Sharon Windham, Karon Windham, Patti Peel and Kay Herron.

Solo twirling contestants will be Jo Beth Dillard, LaGayluah Young, Elaine Bland, Janice Gordon and Brenda Lee.

WEEKEND VISITORS

Mr. and Mrs. Roy Brown Jr. and children of Carlsbad, N. M., and Misses Diane Kiker and Linda McMahon and Jeff Brown, all of Lubbock, spent the weekend in the W. C. Kiker home.

POST BAND TO MARCH AT BIG SPRING

The big Post High School band, directed by Doug Hillock, will compete at Big Spring Saturday in the University Interscholastic League marching contest. The Post band will compete in Class AA, along with 12 other bands of that classification, and will march at 12:45 p.m.—(Staff Photo)

Speech students work on plays

By Jimmie Johnston

The speech classes of Post High School are now composing, directing, and acting in one-act plays. The students, in groups of five and six, presented their productions last Thursday to various classes and are in the process of preparing others for presentation.

The plays presented Thursday were: "Wall to Wall Bodies," a dramatic murder mystery; "Box Canyon Wedding Bells," a hillbilly farce; "The Playwright," a comedy about college students trying to write a play, and "Agony Is," a series of comedy sketches based on "Peanuts." A later play will be "Good Guys Don't Always Wear White," a western play.

Speech students participating in the plays were: Ray Altman, Debra Britton, Paula Cravy, Terry Cross, Randy Hudman, Larry Johnson, Jane Johnston, David Pierce, Nathaniel Mammel, J. O. Smith, George Torres, Hulen Hoyle, Neff Walker, Deanna Adams, Beverly Allen, Jodi Cash, Nedra Childs, Danny Cooper, Dennis Dodson, Linda Foster, Debbie Gray, Paul Harmon, Jimmie Johnston, Kay Litton, Sue Litton, Kim McClellan, Boyd Noble, Phillip Noble, Nita Smith, and Glenda Watson.

Post High School Happenings

By Marcia Newby

The Antelopes are the Class 4-AA District Champs and on their way to state, in case anybody asks. Everybody's so proud of them because even the District Championship is a feat for Post High School. But if I know the Antelopes, nothing will completely satisfy them but the state title!

The Pep Rally last week was a little shorter than usual since we got out of school at 3 o'clock to go to Stanton. Our speaker was Paul Walker, who had to speak on the spur of the moment because of a rather large boo-boo on the part of one of the cheerleaders. I won't mention any names, but she's a Senior, and her name isn't Linda Altman. Regardless of the circumstances, Paul did a great job.

Skits presented by Drama Club

By Peggy Bevers

The members of the Drama Club in Junior High school voted to have a business meeting only on the first Friday of every month. The first part of the period will be used for the committees to meet.

"United Spy," a short skit, was given by Syan Thomas, Robert Hullock, Jerry Hoyle and David Hart.

The skit, "It Can Happen in the Best of Families," was given to the Archeology Club by Cynthia White and Lee Wayne Maddox.

Homemaking girls in Junior High are busy

The Homemaking class in Post Junior High School is under Mrs. Kinard's supervision. The girls are preparing a classroom to be furnished as a home-like living room. Donations of furniture are being received.

Curtains and waxing and general industriousness are the order of the day for these busy girls.

Book-a-day goal is project of students

Language Arts students in the 7th grade level are reading in a project of non-fiction for a book-a-day goal. The books being utilized are high interest biographical sketches of 40 great Americans. The sketches are about explorers, Indians, scientists, presidents, military people, educators, farmers, and medical doctors.

Film tells story of the alphabet

By Peggy Bevers

Last Friday, the student body was shown a film, "The Alphabet Conspiracy."

The film brought out how the alphabet was invented, how important it is to language, and it explained phonemes.

Not just one man invented the alphabet, but many invented it while trying to communicate. There is a different alphabet for every kind of language.

Animals do not have an alphabet, but they have a different way of communicating. The bee, for example, has a dance in which to tell the other bees where the flowers are.

Phonemes are the basic sounds of all speech, and sounds are the basis of all languages. There are 45 phonemes in the English language.

Band to march at Big Spring

The Post High School band, directed by Doug Hillock, will compete with 12 other Class AA schools in the Class AA marching contest Saturday at Memorial Stadium in Big Spring.

The Post band, marching third in its class, will march at 12:45 p.m.

The band has put in extra time this week to make the show extra good. Director Hillock said.

There will be 52 bands at Big Spring Saturday, all hoping to get a Division I rating.

"The Post band will be in there trying all the way," the director said. "Your support and encouragement is always welcome and needed."

Its new look is just one nice thing about the '67 Chevy pickup

THERE ARE LOTS OF OTHERS.

For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhousings with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas.

Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

Local needy comes first

'Project Viet Nam' is to be assisted here

R. G. Wilkerson of Wilke's Supplies here has announced that he has volunteered to help in "Project Viet Nam," now under way in the area, but that needy people in Post will be helped first.

Wilkerson said that if enough used clothing and other supplies are received to help the needy here with some left over, that the surplus will go to the "Project Viet Nam" program.

Wilkerson, who has collected clothing for the needy here for the last four years and toys for needy children at Christmas time, asks that anything usable be left at his store, 212 East Main, or at his home, 108 East 13th St., if he is not at the store.

School land—

(Continued From Front Page) area of Bailey County.

Returns from this school land and other school land investments are prorated to Garza County schools annually on a per pupil basis.

The court named Ray N. Smith as commissioner to handle the sale of the school land.

In another action, the court decided to rescind its motion of June 13 to employ Jack E. Gray of Lubbock to act as the county's financial advisor for the purpose of drafting a bill to organize a hospital district in this county and to present such a bill to the next state legislature. The county at that time also intended to seek a vote by Garza voters on the proposition to organize a hospital district.

Gray was to have received \$3,500 if the bill went through and the vote was favorable, and \$1,000 if voters turned down the hospital district proposition.

In other actions, the commissioner's court:

Canvassed the vote in the general election and corrected some minor errors in vote totals. The biggest was to take 24 votes off Max Chaffin's vote for county judge in Precinct No. 1. The Republican total totaled 239 votes, instead of 263 county-wide.

The court found Ted Aten, unopposed for county commissioner from Precinct 2, had a total of 229 votes instead of the 224 earlier reported. One voter box was overlooked in the first announced tabulation.

Approved the purchase of a two-ton truck for Precinct 1 from Floyd Pontiac - Buick - GMC. Floyd's firm was the low bidder for a GMC V8 truck at \$2,132.93. Also bidding were Hickman Chevrolet-Olds and Scott-Pool, Inc.

Approved the trade to A. C. Squires of one hot patch pot by Precinct 2 in return for \$100 worth of road maintenance labor.

Raiders to host Hogs Saturday

LUBBOCK — University of Arkansas' pace - setting Razorbacks and the Texas Tech Red Raiders conclude the 1966 season in Jones Stadium at 2 p. m. Saturday.

Texas Tech is leading the Southwest Conference in total offense, and Arkansas is the top defensive team in the conference.

Arkansas has a habit of being stringy with such leaders, however. Last week the Southern Methodist Mustangs were leading the conference in total offense, and the Razorbacks limited them to about half of their usual yardage — just 185 — in blanking the Mustangs 22-0. Texas Tech had its troubles with Baylor, bowing 28-14.

Further complicating Tech's task against Arkansas is the fact that Mike Leitner, the Raiders' leading rusher and second leading receiver, is sidelined with a sprained ankle suffered on the opening kickoff against Baylor. On the brighter side, the Red Raiders may have for the first time in three games offensive guard Ronnie Paek, held out with a kidney infection.

Arkansas is 8-1 for the season, 5-1 in conference play. The Red Raiders are 3-6, 1-5 in the conference.

A crowd of about 35,000 is expected.

Williams rites—

(Continued From Front Page) Mrs. June Adams, of Seneca, Mo., Mrs. Roberta Owens of Springfield, Mo., and Mrs. Myrtle Kessel of Carthage, Mo.; one stepson, Albert Boswell of Columbus, Kans.; 24 grandchildren and five great-grandchildren.

Bernard S. Ramsey, minister of the First Christian Church, will officiate at the funeral services, assisted by the Rev. Charles E. Peters, pastor of the Church of the Nazarene.

Burial will be in Terrace Cemetery under the direction of Hudson Funeral Home. Pallbearers will be Amos French, Buck French, Edgar French, G. L. Perkins, Kenneth Bullard and Bobby Blacklock.

"Project Viet Nam" is a response to a letter from Capt. Jerry Brown, a 1963 honor graduate of Texas Tech. Captain Brown is stationed near a large refugee camp, which has 7,000 needy Vietnamese in it — people in dire need of such necessities as bandage equipment, salves for skin disorders, soap, school supplies, salt, toys, garden equipment, and clothing. The clothing can be any size as long as it is clean and in good repair.

Mahon advises—

(Continued From Front Page) federal loan funds to help farmers.

"It won't be easy to get the money, but I think we can do it," he said.

THE BRACERO PROGRAM is "out", Mahon said in response to a question. Only congressmen from California, Arizona and West Texas have any interest in it and the program has been "furnished" he added by a lot of wild stories about how the braceros are treated and how they live.

The congressman who is chairman of the powerful house appropriations committee, said both Democrats and Republicans in Washington are "agonizing" about what can be done with the Viet Nam war.

He predicted that the United States will have 400,000 men in Viet Nam by the time the year is out and that the total will climb to a half million in 1967.

"Nobody wants to escalate the war," Mahon said, but nobody can seem to agree of what positive new steps to take. He said this nation is spending 70 billion dollars this year for defense and its war effort.

MAHON SAID it is up to everybody to exercise "as much restraint as possible" in national spending. Pressure in Washington is to spend more not less. He pointed out that people favor economy in general, but "nobody is in favor of economy specifically."

As for the new "poverty program", Mahon opined that its programs are "going too far afield, especially in time of war." He said he has opposed the poverty program because "it has so many abuses."

The congressmen told Rotarians "we're going to have federal aid to education in increasing amounts from here on" although "I think it is wrong in principle."

When five Burlington industry officials were introduced at the Rotary luncheon by Louise Burkes, Congressman Mahon asked them to stay after the luncheon so he could talk with them about what could be done to upgrade the quality of West Texas cotton.

The five were V. M. Shepherd, Paul Burkholder, T. E. Davis, H. F. Warren and Winfred Hawley, administrative officials here on business at Postex from Durham, Greenville and Greensboro.
