

Folks Praise By Adams

Adams, state chairman of the Finance Committee, commended Garza citizens for their part in the 3rd War Loan drive. He sent a letter to the week Mr. Adams also thanks to the bond committee, to the theatre, to the other agencies for their part in the drive. Without the part of fellow-volunteers personal efforts of each other with the newspaper, radio, and outdoor advertising in Texas which enabled to be at the top among all other drives—a thing essential to victory on the battle front and on the financial front—our boys come home.

No. 4 To Be By Nov. 1

War Ration Book No. 4 will start using stamps A, B, and C from October 1. These stamps will be used for buying goods in the same way as stamps in Book Two. The stamps in Book Two remain good through October 22-23 at the latest. One individual may have Book Four for all members of his family residing at the same address. The applicant must have Ration Book Three for each person for whom he obtains a Book Four.

RATIONING CALENDAR

Point Rationing
Brown "F" stamps in Book No. 3 become valid in buying meats, fish, cheese, canned goods through Oct. 30, as are "D," "E," and "F" stamps. "G" stamps will be valid through Nov. 1 and "H" stamps through Dec. 20.
Blue stamps "U," "V," "W" in Ration Book No. 2 and processed (foods) stamps "X," "Y," "Z" and good through Green stamps "A," "B," "C" in War Ration Book No. 1 become valid for purchases Nov. 1 and Dec. 20.
Sugar
Stamps No. 15 and 16 in Ration Book No. 1, each worth one pound of sugar for the year ending Dec. 31, 1944.
Stamp No. 14 in War Ration Book No. 1, good for five pounds of sugar valid through this year. Stamp No. 29 in War Ration Book No. 1, also good for five pounds of sugar. Good through Dec. 31, 1944.
Shoes
No. 1 airplane stamp in Ration Book No. 3 becomes valid for purchase of one pair of shoes until used. Stamp No. 2 in Ration Book No. 1, also good for one pair of shoes, valid through Dec. 31, 1944.
Mileage
Deadline for third of year for "B" book for 1943.
Deadline for fourth of year for "C" book for 1943.
Deadline for coupons (three for one) in basic "A" gas rationing.

Red Cross To Conduct 1944 Drive In March

The Garza County Red Cross chapter will conduct its 1944 Red Cross War Fund campaign in March. T. L. Jones who is chairman of the chapter, announced today.

Heading the 1944 Red Cross War Fund campaign as national chairman will be Leon Fraser, president of the First National Bank of New York. His appointment, made with the approval of President Roosevelt, was announced by Red Cross National Chairman Norman H. Davis.

Jones said that the national goal for the coming campaign will be announced as soon as budgetary studies are completed and will be determined on the basis of international, national and local needs of the Red Cross for one year from March, 1944.

"Present and anticipated expenditures indicate a national goal larger than that of last year when the quota was \$125,000,000," he said. "Global war has placed increasingly heavy demands upon the Red Cross for more new services and an expansion of existing services. A much heavier load is expected in 1944 as the United Nations carry the war deeper into continental Europe and the Far East."

"Of course, in the event of major national disasters or other major emergencies," Jones explained, "the Red Cross will take such immediate steps as may be necessary to meet the situation." Fraser is a veteran of World War I, having enlisted in 1917 as a private. He was promoted to major judge advocate and then to assistant judge advocate in the Service of Supply for the AEP. While serving in France he won the Distinguished Service Medal and was named Grand Officer of the French Legion of Honor. After the war he was appointed associate director of the Bureau of War Risk Insurance and later became executive officer and acting director of the United Veterans' Bureau. From 1924 to 1927 he was the Paris representative of the Agent General for Reparations Payments. In the 1941 Red Cross War Fund he served as general chairman of Greater New York.

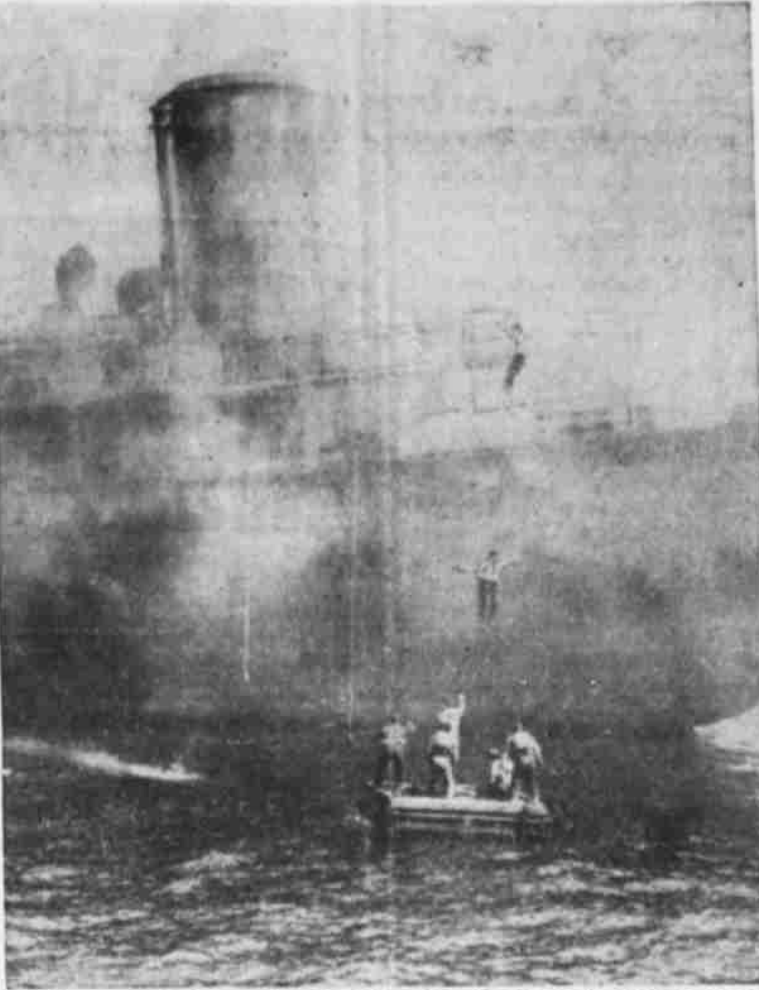

Chevrolet Urges Thorough Check-Up On Motor Vehicles

Chevrolet service directors are emphasizing the significant fact that most motor vehicles are entering their third winter of wartime operation with more than 20,000 to 30,000 miles of abnormal, slow-speed operation added since this country has been at war. The coming winter will put an especially heavy strain on long-use batteries, and a careful check of batteries, terminals and cables is recommended. Other suggestions to motorists are: give your car a thorough check-up in advance of cold weather; thermostats should be checked early and careful attention because of scarcity of materials; cooling systems should be flushed out and all connections tested before anti-freeze is added; spark plugs and distributor points should be checked and cleaned, and all residue drained from carburetor and fuel pump; brakes should be equalized and adjusted and brake line filled with fluid. All preventative maintenance measures to conserve parts and assure operation are urged on motor owners.

Annual P-TA Party Was Enjoyed At H. S. Gymnasium Thurs.

One of the highlights of the P-TA of the year was the Parent-Teacher Party Thursday night, Oct. 14, to honor the teachers. A clever welcome was given by Mrs. Kelly Sims and Miss Ruth Haggard gave the response. The group enjoyed a sing-song led by Miss Irene Kral, after which witty introductions of the teachers were made by the parents. Forty-two and other games were enjoyed by each one present. Miss Ruth Haggard spent the weekend in Austin.

WAR WORKERS OF THE SEA

Seamen of the merchant marine face the hazards of days, weeks or months in open boats exposed to cold, heat, snow and rain. To the United Seamen's Service, a member agency of the National War Fund, falls the task of contributing to the costs of their hospitalization and convalescence, in cooperation with the War Shipping Administration.

Last Sunday At M. E. Conference Fine Reports Made

Dr. O. P. Clark, district superintendent of the Lubbock District, held the quarterly conference at the First Methodist church here Sunday. Dr. Clark is closing a six year term as superintendent of the district and will be transferred to another district at the convention that is scheduled to be held in Lubbock on November 9. A most gratifying report was made at the conference and the Post church has an enviable record in many branches of the church program. Rev. O. B. Herring who has served as pastor here for two years is to be commended for his interest in keeping up the par excellence record. The church has the best financial record it has had since its organization.

School Lunch Room Opened Last Week

Over 100 pupils are being fed daily at the school lunch room, according to information being received by the Dispatch. The room is being operated under the supervision of the school this year and meals are being served for twenty cents. Miss Ruby Carpenter has charge of the room again this year and is being assisted by Mrs. Miller and Mrs. Hunton. If it is possible the price of the meals will be lowered but due to the rise of food prices a like increase was necessary. "Good, wholesome and nutritious meals will be served each day," Miss Carpenter said. Mrs. G. B. Hoskins of Tahoka visited her granddaughter, Kitty Faires on Tuesday afternoon.

Every Farmer Will Need To Feed Four City Families

Every farmer has got to take care of four city families. Soil conservation is the answer to food production. It has a vital role to play in winning the war for the United Nations and building a post war world of greater abundance and opportunity. This productive soil which we are asked to preserve, maintain and build up for our prosperity and security is not an inanimate matter, but a living vital thing. Handle it with care as you would your own body. Give it rest, nourishment, protection, variety. Soil is like a human body. When topsoil goes the land is stunted, wounded, or scarred. The land can bleed to death and it can be healed. Gullies are the earth's cancer—erosion is a contagious disease.

Store Room Near Graham Gin Destroyed By Fire Tuesday

Fire at the Graham gin Tuesday afternoon destroyed a store room near the gin, according to information received here late Tuesday afternoon. Cause of the fire and its estimated damage was not revealed by sources available to the Dispatch. Reports at first said the Graham gin was on fire but that statement was later found to be incorrect. Buy a War Bond today!

New Arrivals...

Sergeant and Mrs. Dan Altman are announcing the arrival of a baby girl at 12:03 o'clock Wednesday morning in the Slaton Mercy hospital. The father is somewhere in Italy taking part in the military campaign in progress there. Mrs. Altman is making her home with her sister-in-law, Mrs. Ira Greenfield. The new baby weighed 6 pounds, 13 ounces and was named Judy.

Church Group From Lubbock Dist. Meets Here

The First Baptist church of Post was host to the Lubbock Worker's Conference Tuesday. "Stewardship and Missions" was the theme of the inspirational meeting.

Highlighting the day's events were the two sermons given by Rev. North and Rev. W. Ferguson. The morning session was well attended and the following program was presented: Song service, J. G. Leverett; Devotional, Rev. Hershel Hinkle; The Bible Doctrine of Tithes and Offerings, Rev. Rowe; Outline of The Texas Cooperative Program, J. D. Riddle; Business and Announcements; Special Music arranged by J. C. Leverett; and sermon by Rev. North.

Women of the Baptist church served a delicious lunch in the dining hall of the church at the noon hour.

The afternoon session opened at 1:30 o'clock with associational board meetings. The WMU division gave an interesting report. Following a song service, Rev. L. I. Richardson gave a very interesting talk on using the Sunday school and other organizations to finance the church. Special music was arranged by Mr. Leverett. Business and announcements were given preceding the inspirational talk by Rev. Ferguson on Missionary address.

Rev. R. C. Tennison, host pastor greeted the guests and was assisted by a large group of church members in seeing that everyone was well taken care of throughout the day.

Welcome Is Given To Mill Personnel

Post merchants and business men are extending a welcome to the new mill owners, employees and the new mill manager through the columns of The Post Dispatch this week. This group of men realize just what the mill and its personnel mean to Post and want to use this method in extending a welcome and offering cooperation to all those connected with the concern.

The mills have been operated here for over thirty years and the firm which was recently sold to Leslie, Evans & Co., has been the backbone of the town since its organization. The people of this section appreciate the mills, what they mean to the town and what they will continue to mean in the future under the proposed expansion by the new owners.

Senate Votes Higher Pay To Dependents

Washington, Oct. 19—The Senate, by voice vote, today approved a bill raising cash payments to dependents of service men. The measure now goes to the White House. The legislation, providing \$80 a month for a wife and one child and \$20 monthly for each additional child, passed the House unanimously yesterday. Present payments are \$62 a month for a wife and one child and \$10 for each additional child.

Russia Thanks American Farmers

The sincere appreciation of the Russian people for American seeds sent to aid Russian farmers in the war-devastated areas recaptured from the enemy was recently expressed by Russian officials, the Department of Agriculture has reported. As of July 1 this year, nearly 1 million pounds of vegetable seed and 2 1/2 million pounds of field seed had been contributed to the Russian war relief agency through the efforts of United States seed improvement associations, extension services and thousands of individual farmers and seedsmen.

Immediate Induction Slated For Draft Delinquents

Registration For Book 4 To Be Held Friday-Saturday

Information on registration for war ration book No. 4 was released this week.

Friday and Saturday, Oct. 22 and 23, have been set as registration dates. Every community will hold registrations in the school house of that community. Registration for Post will be held at the High School.

Hours on Friday at Post have been set for 8 a. m. to 6 p. m. on Saturday from 8 a. m. to 4 p. m. Hours for the individual communities were not announced. All teachers will assist in the registration.

War Ration Book No. 3 should be presented with the name, address, sex, signature and description of the person to whom the book has been issued.

The housewife or any other member of the family may apply for the entire family group, it was announced.

WAC Recruiters To Be In Post Tuesday At Garza Theatre

The Army Air Forces opened a campaign in West Texas this week to enlist recruits for the Women's Army Corps. In the interest of the drive, a recruiting team will be in Post Tuesday night, Oct. 26, at the Garza theatre, according to B. J. Edwards, manager of the show. A booth will be placed in the theatre and all persons who are interested in joining the WACs are invited to make inquiries of members of the team who will be in Post at that time. At a later date a regular schedule will be worked out for Post. The month of November has been designated as WAC recruiting month for Texas.

Seventy thousand women are being sought in the nation to replace men for active duty. Texas has a large quota and the trip being made in the next few days by the recruiting team is to explain the work the women's army can do to help in the war effort and to recruit those who are ready to join. Women between the ages of 20 and 30 are invited to make inquiries at the booth at the Garza theatre.

FORMS BEING SENT TO FARMERS BY LOCAL RATIONING BOARDS

To assist farmers in sending OPA the ration points they collect from the sale of rationed foods, local rationing boards are mailing the necessary reporting form, addressed envelopes, and complete instructions. Farmers who either sell or transfer rationed foods such as fresh or smoked meat, all types of sausage, lard, butter and cheese, are required to collect ration points from purchasers. The full cooperation of farmers is essential for the success of the food rationing program, OPA said.

Russia Thanks American Farmers

The sincere appreciation of the Russian people for American seeds sent to aid Russian farmers in the war-devastated areas recaptured from the enemy was recently expressed by Russian officials, the Department of Agriculture has reported. As of July 1 this year, nearly 1 million pounds of vegetable seed and 2 1/2 million pounds of field seed had been contributed to the Russian war relief agency through the efforts of United States seed improvement associations, extension services and thousands of individual farmers and seedsmen.

Measure To Become Effective November 1

Moving to close in on "draft dodgers," Selective Service regulations have been amended to provide for the immediate induction or prosecution of men 18 through 44 who become or remain delinquent on or after November 1. It was announced today by State Director, General J. Watt Page.

"The continuing manpower demands of the armed forces and the manpower needs of war production and agriculture, plus fairness to men already serving in the armed forces and to men, including fathers, who will soon be inducted, make it imperative that every man acceptable to the armed forces, who knowingly becomes delinquent, should be promptly made available for service in the armed forces or prosecuted under the terms of the law," General Page said.

The new regulations provide (1) for the prompt classification into Class I-A, Class I-A-0, or Class IV-E, without reference to sentence of order numbers or dependency groups, of all delinquent registrants 18 through 44; (2) that all delinquent registrants 18 through 37 so classified shall be immediately ordered to report for induction or for work of national importance, as the case may be, by ANY local board to which he reports or before which he is brought after apprehension; (3) for the registration of a non-registrant delinquent and his classification and induction by ANY local board before which he is brought or to which he voluntarily reports; and (4) for the correlation of actions concerning delinquents among all Selective Service agencies and United States Attorneys.

General Page pointed out that no man is relieved from complying with the Selective Service law during the time he is in custody, confinement or imprisonment, and that immediately upon his release from such confinement he must advise his local board of the fact and perform the duties and be regarded the rights of all registrants. This obligation, he said, applies equally to a man employed for a violation of the Selective Service law and to a man confined for any other cause.

In a great many instances, General Page said, cases of delinquency investigated by the Department of Justice have been due to carelessness of registrants concerning their duty to keep their local boards advised of changes of address. If a registrant has failed in this obligation, then he is suspected of delinquency and has been or will be classified as a delinquent. He warned that any registrant who is not absolutely certain that his current address is on record with his local board, or that his whereabouts are known to the "person who will always know," as shown on his Registration Card, should immediately communicate with his local board and keep that board advised of all future changes of address.

Dean A. Robinson Is Named Head Of Co. Superintendents

Election of officers for the ensuing year was the principal business of South Plains county school superintendents in regular monthly meeting at Hilton hotel at Lubbock Tuesday night. Officers elected for district 2 a county superintendents, comprised of 18 counties, were: Dean Robinson, Garza county sup., president; Mrs. Leonard N. Binsell, Lynn county, secretary; and Roy Boyd, Lubbock county, reporter. E. H. Boulter, deputy state school superintendent, discussed forms to be sent in by teachers, and new policies of the state department of education.

17 JOBS IN ONE

In Garza County's forthcoming United War Chest Drive, Clint Herring, county chairman, said Wednesday evening, "We plan on one concerted drive for all 17 war services and relief agencies."

"Instead of letting appeals be made, one at a time, for all agencies concerned, we want one special drive to obtain donations, once and for all, for the coming months. Civilians will appreciate this group of relief appeals, and the federal government heartily approves one drive for the centralized agencies."

OF COURSE WE'LL TAKE A TEXAN'S SHARE

"Sure I'll take a Texan's share." The Dispatch has no doubt that hundreds of folks around the county will be saying the next few weeks, "Sure I'll take a Texan's share" with reference to the United War Chest drive being conducted in Texas.

It's not only a question of reaching the county's quota although, the quota is far above what it was last year. It is a question of WHO will help reach the county's quota.

Unfortunately Garza county's population is so scattered that many citizens are never personally contacted on most financial drives, no matter how hard the committees work. This time, because of the tremendous worthiness of the drive, the leaders in the United War Chest feel that many citizens will want to mail or bring in their contributions without waiting for personal solicitation.

When you contribute to the United War Chest, you contribute to the very minute USO, United Seaman's Service, War Prisoners Aid and 14 other agencies of the National War Fund. Ample these agencies are several that give direct relief to the war-torn Allied countries of Europe whose children are starved, whose mothers are often treated as animals.

When you buy a War Bond, you are making an investment for yourself in your country's future. When you make a contribution to the United War Chest, you are helping the men and women who are actually suffering from this war. What an investment to make out of the bountiful money that is now coming into Garza County.

PHILOSOPHY OF FASCISM

Mussolini seems to be the father of Fascism—at least he made the public conscious of the word, although the aim he sought under that title are as old as history.

Fascism has been broadly described as "the philosophy that political officials should run the people, instead of the people running the political officials."

Mussolini sought power for officialdom through an under another name of hallyho.

The National Resources Planning Board program presented to Congress proposes the formation of Federal agencies or corporations to code the development and use of electric power in the public interest. In the United States, electric power has already reached the highest peak of development and serves a greater portion of the population than in any other country. It didn't take tax-exempt government industries to accomplish that result.

Within the program of the Board are the blueprints for ultimate government ownership or control of many of our basic industries, following absorption of the electric industry.

What You Buy With WAR BONDS

Services

On Sunday morning as you sit in church and see the vacant places in the choir and wonder where the war has taken the young people from your community you may feel certain that they are attending divine services if circumstance permits.

Chaplains and choral leaders are found on the larger ships and even abroad in the Army centers.

Millions of hymnals have been distributed to the men and women of all services and you may rest assured that a portion of the savings you are placing into War Bonds is used for their spiritual welfare.

U. S. Treasury Department

While the exact speed of the mosquito plane is a secret it is believed to be around 423 miles an hour.

Hollanders once regarded the crow as a good luck symbol.

mate government ownership or control of many of our basic industries, following absorption of the electric industry.

It is not yet too late to block the flowering in this country of the philosophy that "political officials should run the people." But unless that philosophy is blocked, the power that Mussolini once wielded over the people of Italy under the term of "Fascism" will be child's play alongside the power of officials who control the basic industries and the natural resources of the United States under government control.

While the present drive for national socialism is apparently aimed at the electric industry, its consummation could only mean destruction of individual liberty and opportunity. The taste of official restrictions we have experienced as a war necessity is but a sample of the restrictions we would be subjected to if bureaucrats dominate in the management of our future industrial-political structure.

Views of Neighboring Editors:

The Scurry County Times—Indication that we, as a nation, are getting down to the bottom of the manpower barrel is evidenced on all hands by calls for family men to the colors before Thanksgiving. Indications also that the war is getting mighty close to home is seen from the resultant break in homes and family ties when family breadwinners have to enter training camps.

Drafting of family men, of course, is inevitable, but such course of action means we need a lot more fighting, and considerably less talking, to get this war won and over with. The war cannot be over too soon, civilians declare in unison.

The Texas Spur—Peter Molyneux, noted author and magazine writer of Dallas, tells of a wealthy Fort Worth man who, some years ago, went to Europe to consult an eminent specialist. The physician said, "Return to America and go to Texas"—he had not asked where the man was from—"to a place called Mineral Wells and drink and bathe in the waters there."

And when a European sent a great coin collection to the United States to be sold, he sent it to the governor of New York, who communicated with a Manhattan authority on coins and was advised that the greatest coin dealer in the United States is Max Mehl of Fort Worth.

Just two more evidences of the greatness of Texas!

The Linotype News—When Herman C. Mergenthaler, son of the inventor of the Linotype, saw a copy of the story released by the New York Ordnance District on the part Linotype craftsmanship played in the success of the North African campaign, he wrote Joseph T. Mackey, Linotype president, in part:

"It is interesting to note that my father's first work was on meteorological instruments for the government, when he was very young. Later he made gun sights for the army. In World War I my mother and I made shell rings and depth gauges. Thus the name Mergenthaler has for a long time been associated with government assignments, and I am proud that it continues to carry on with the government both in peace and war."

The Rotarian—"If we do not make common cause to save the good old ship of the Union on this voyage, nobody will have a chance to pilot her on another voyage." Abraham Lincoln said that in February, 1861. It fits our time so exactly that it bears repeating—and remembering. For something like 25 centuries the ingenious minds of free men have been observing parallels between two of man's greatest inventions—his far-ranging ships, and his democratic governments. The phrase "the ship of state" appears in a play written for the democratic Greeks more than 400 years before the birth of Christ. The tendency to think of the state as a ship is strong in America. It's especially strong when our way of life is threatened by the storms of war. . . . In times such as these . . . it's your duty to think of the republic as your ship. It's my duty to say to myself, "It's my ship." From an address before the Rotary club of Brighton, Michigan.

The nature of said suit being substantially as follows, to wit: Being a suit for Divorce, alleging 12 months residence in State and 6 months in County, preceding the

Texas Farmers Can Earn Money By Terracing

Because farmers need to use every practice that has been proved to conserve soil fertility and increase farm production, B. F. Vance, state AAA administrative officer, is asking county AAA forces to cooperate with county agents, soil conservation service technicians, and local vocation teachers, in organizing terracing programs in all of the hill counties of the state.

Under the 1943 AAA program farmers can earn 80 cents per 100 linear feet of standard terrace established. Last year Texas farmers built 109,927,000 feet of approved terraces to conserve soil and moisture and earned \$824,407 in payments for carrying out this practice, Mr. Vance said. The goal for 1943 is 150,000,000 feet.

Soil conservationists say the correct construction of terraces with proper outlets is one of the first and most important steps to take to prevent erosion and to conserve soil and moisture on cultivated rolling lands.

Terraces serve to collect and retard the flow of water off the land. The grade of the terrace causes the water to move more slowly, giving it more time to soak into the soil.

The State AAA Committee can make terracing available to farmers of any county as conservation assistance upon proper application to the county AAA committee for this service, Mr. Vance said.

In counties where terracing has been approved as conservation service, local farmers can get terrace lines run and terraces constructed and have the cost deducted from the soil-building payments they earn, Mr. Vance stated.

filing of this Suit, Grounds for divorce Complete Abandonment of more than 3 years.

Issued this the 27th day of September, 1943.

Given under my hand and seal of said Court, at office in Post, Texas, this the 27th day of September A. D., 1943.

Increased Goals For Agriculture Are Planned For 1944

Easing of the rationing restrictions on farm machinery, increased production of new farm machinery, and a campaign among farmers to "Keep Your War Equipment Fit and Fighting" are indications of plans now being laid by the War Food Administration to meet increased production goals for 1944. Suggestions for expanded wartime production have been sent for consideration to State Agricultural War Boards and other farm representatives. State Boards have been asked to set 1944 goals. The national program calls for a record-breaking 380 million acres in crops. Problems relating to labor, machinery, supplies, conservation practices, and prices will be considered at 48

state meetings of state groups with representatives of WFA during October.

Stationed At Black Hills Teachers College

Grady T. Porter, AVH/S, has arrived at Black Hills Teachers college for a course of Army Air Force instruction lasting approximately five months prior to his appointment as an Aviation Cadet in the Army Air Forces. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator or bombardier and go on to schools of the Flying Training Command for training in these specialties.

Grady is the son of Mrs. and Mrs. L. M. Porter of Post. Black Hills College is in Spearfish, South Dakota.

The average production of coconuts per tree in the Philippines is about 30 nuts per annum.

With The Men In Service

Interesting Letter Is Received from Troy McNeil

An interesting letter was received this week from Troy McNeil by his sister, Mrs. Buck Richardson. McNeil has been in service two years and has been in foreign service over a year. He is "somewhere in the Middle East." A part of his letter is reprinted here:

"I had a seven-day furlough and went to Palestine. Really had a swell time. I went on a three-day tour through the 'Holy Land,' some of the places I saw were: Jerusalem, Nazareth, Bethlehem, The River Jordan, The Hills of Jericho, Dead Sea, and the Sea of Galilee. I spent one night in Jerusalem and one in Haifi. This tour is arranged by a special service, so the whole trip cost me only \$15.00. The rest of the time I stayed in a rest camp and was it swell... we could stay in bed as long as we wanted to, and the 'chow' was swell.

"Did I tell you that Jack Benny's show was here? They put on two shows at our camp. They're a swell bunch.

"I'll be glad to get the Xmas gifts, don't know just where I'll be, but couldn't tell you if I did, but I'm sure I'll get them."

Troy was raised and went to school in Post. He is the son of Mrs. J. W. McNeil. He is getting the Post Dispatch now.

Herbert Hoover Begins Training In San Marcos

Twenty-one Texans have reported to the Army Air Forces Navigation School at San Marcos, Texas, to begin 18 weeks of training in advanced aerial navigation leading to commissions as second lieutenants as flight officers in the Army Air Forces.

Among this group is Aviation Cadet Herbert C. Hoover, son of Mr. and Mrs. O. H. Hoover of Graham.

Upon graduation in February 1944 these men will wear the silver wings of the Air Forces navigators and be ready for assignment as aerial navigators for America's mighty air fleets blasting the enemy on every battlefield.

Lt. James Minor Heard From After Several Weeks

Lt. James Minor, son-in-law of Mr. and Mrs. Marshall Mason, is well and doing fine and "is on the move" he wrote members of the family. He has not been heard from recently and neither has he had any mail in two months. He is now company commander. When last heard from he was in Sicily and it is presumed that he is in Italy now.

His brother, Jack Minor, who is also well known here, is on duty in Bermuda. He is a seaman first class with the U. S. Navy. He wrote his mother in Tahoka, "Here's hoping everything is tops around there now. I'm sending you greetings from the beautiful island of Bermuda, the land of fast horses, slow women, and bicycles."

Phil Foreman Back In The States

Phil Foreman wired his aunt, Miss Nora Stevens and Mrs. W. Hyde, Wednesday that he is back in the states and maybe would see them in a few weeks. Phil is a member of the U. S. Navy, and is assigned to a submarine chaser and has been stationed in Alaska.

Joe Moss Assigned To Duty

Private Joe S. Moss of Post was graduated from Enlisted Branch No. 3, Army Administrative Schools, Brookings, South Dakota, this week, and has been assigned to duty with the Army Air Forces as an administrative clerk.

During his eight-weeks course of study at this school he has learned the basic principles of army administration and the proper methods of handling army records. Throughout the course he has learned the importance of accuracy in every phase of his work. He has been cautioned to keep in mind the fact that behind every record is a man.

He is the son of Mrs. Rose Moss of Lufkin, Texas. Before entering the army he was engaged in the practice of law in Post.

Sgt. Kenny Cash, son of Mrs. Emma Cash spent the week end in Post. Kenny was promoted to the rank of Sergeant three weeks ago. He is stationed in Bryan, Texas.

HUNGER IN GREECE

Many of these children and grown-ups too would receive no food were it not for the Mercy Ships of the Greek War Relief, a member agency of the National War Fund. These ships sail from this continent monthly with grain, dried vegetables and powdered milk.

Junior Haws Returns to Fort Riley After Visiting Parents Here

Sgt. A. B. Haws, Jr., returned Sunday to Fort Riley, Kansas, after visiting his parents for fifteen days. Junior is an instructor at the Fort, which is the largest cavalry training center in the United States. He is giving instructions in B. I. training at the present. This includes a number of phases of commando tactics and drills. The foot specialties in mechanized and mounted cavalry work Junior is a graduate of New Mexico Military Institute of Roswell, New Mexico.

Second Lieutenant Roy Jones of Camp Polk, La., spent from Monday until Friday of last week with his parents. He is being transferred to Los Angeles, California.

R. D. Travis Accepted At Lubbock Induction Station

Reason Duke Travis, jr., was accepted at the Lubbock Induction Station on October 16, according to a news release from the local draft board Tuesday morning. He was transferred to the Reserve Corps and will await his call to that unit.

Sgt. Winifred Fumigalli In South Pacific Hospital

Sgt. Winifred Fumigalli, formerly of Post, is in a hospital somewhere in the South Pacific. The former Post boy is in the Marine Corps. His brother, Johnny, is in the Navy and stationed in the states. The boy's mother, Mrs. Anna Mae Fumigalli, now lives at Houston.

Colerain Browning left the first of the week after spending several days here with his wife and daughters. He has been on maneuvers at the desert training center in California. He will report at Camp Dix, New Jersey.

Miss Thelma Crumer, teacher in the Post Grade school, underwent surgery in the West Texas hospital early this week. Mrs. W. F. Pession is substituting for her at the school.

Southland Boys In Service

Carlos H. Wagoner recently had the little finger on his right hand and his left wrist broken. Then on Sept. 29 he hurt his leg. The wrist still bothers him a lot. He is with the Navy in the Southwest Pacific. Aubrey Numley who was with the Marines in New Zealand, is back in the Solomon.

Chester Penneil is in North Africa.

Tuesday the J. L. Whites received their first letter from their son, Wayne, since one written in August. This letter written Sept. 25, said that he had operated a switch board in a trench in Sicily. He is in the radio division in the 5th army.

S-Sgt. Dalton Ferguson, who is also in the 5th army, was wounded in September. His wife and daughter live in Coleman. His father settled the Claude Cooper place west of Hackberry in 1916.

J. L. Taylor arrived Saturday morning to visit his parents, the John Taylors of Hackberry.

C. W. Dodson, Jr. came last week to visit friends here and his father, who now lives near Wilson.

Sgt. and Mrs. Harold W. Taunton of Galveston visited her parents, the I. J. Duffs last week end.

James Becker who arrived last week, has one star on his multi-colored pin, showing that he has participated in one major sea battle. His ship was near the one on which Manuel Trueblood is stationed, but he didn't know it then. He likes sea battles so much better than those on land, because they don't last so long. Monday night of this week, this sailor's parents, Mr. and Mrs. August Becker, gave him a birthday party.

Harvey Herd Receives Commission

Harvey Herd received his commission as Second Lieutenant recently and is here now on delayed traveling orders visiting his wife and baby and his father, John Herd. He is a member of the Photographic Division of the Army Air Corps and has just finished an intensive officers' training course.

Word has been received from Walter Gene Carlson by his parents, Mr. and Mrs. Elmer Linn. Just upon arrival back at the base his wallet, containing \$52.00 in money, his family pictures and other papers, were stolen. Walter Gene is assigned to a submarine and is stationed at San Diego.

Rennion In New Guinea Reported

Through various sources it was learned that two Garza county boys, Sonny Nance and Bruce Sheppard, had met in New Guinea. Bruce wrote his mother that he was living in a bamboo hut and eating coconuts at his new station to which he has just recently been transferred. Sonny, it is said, sent word that he looked out his window one morning and there he saw Bruce. They really enjoyed a "gab fest" about things in general but "home" in particular.

Homer McCrary and Weldon Jode of Greenfield Hardware Company went to Dallas Tuesday night to take physical examinations for enlistment in the Seabee division of the Navy. They spent Tuesday at Lubbock at the Lubbock Induction Station and passed the tests at that station. If examinations and other papers are satisfactory these young men will be sworn into the Seabees sometime before the end of the month. It is understood that Alvin Camp of the Soil Conservation office accompanied them and will also take examinations for this branch of the service.

REAL DISCOVERY HIGH BLOOD PRESSURE

Dangerous High Blood Pressure (Essential Hypertension) is marked by distressing symptoms such as dizziness, throbbing aches, sleeplessness and nervousness. If disregarded, it may lead to Heart Trouble, Stroke, Paralysis, Hardening of the Arteries, Nephritis, and other serious conditions. Diamonex, the work of a heart specialist, is the only quick aid in the relief of distressing symptoms.

A Chicago resident suffered from High Blood Pressure several years with increasing severe throbbing headaches, nervousness and shortness of breath. He showed the Diamonex form to my doctor and, on his advice, the treatment for two weeks. Identical conditions as a result. Within only two weeks my bad headaches and dizziness were gone. My high blood pressure was reduced and I sleep peacefully.

Diamonex goes directly to the relief of these dangerous symptoms. Results are speedy as short a time as two weeks. Others often find that Diamonex accomplished 75% of the reduction possible with this drug. If you suffer from High Blood Pressure you may try DIAMONEX without risking a penny. To reduce this wonderful treatment a million new sufferers this trial offer is made for a time only.

Send only \$1.50 to the Diamonex Company, 318-A North Michigan Ave., Chicago, Illinois for 210 DIAMONEX, prepaid. Diamonex according to the instructions for only two weeks. At the end of that period, if not delighted with results, money will be refunded immediately on request. There are no strings or conditions—yourself to make the most of it at once. Write today, offer is fully guaranteed.

Recent Bride Is Honored With Gift Party Wednesday

Mrs. Elmo Bush, a recent bride, was complimented on Wednesday afternoon with a lovely miscellaneous shower when four hostesses entertained in the home of Mrs. Glenn Davis of Graham. Other hostesses were Mrs. Elmore and Delmer Cowdrey and Lonnie Peel. The farm scheme was carried out.

A lovely array of gifts were presented in a wheelbarrow full of hay. A wagon and lawn mower were also loaded down with gifts.

Over thirty guests registered in the bride's book, and others sent gifts that could not be present.

Adell Fluitt, Mae and Naomi Norman dressed as "Farmerettes" assisted during the afternoon.

Mrs. Elvus Davis Is Party Honoree On Last Monday

Mrs. Elvus Davis of Bryan, Texas, was complimented on Monday afternoon, Oct. 5, with a miscellaneous shower in the home of Mrs. Mollie Morris of Graham. Mrs. Davis was until her marriage in July, the former Miss Alma Ingram of Post.

The red, white and blue color scheme was used throughout for the party. The bride's book was presided over by Mrs. Ada Mae Tucker. The red, white and blue was carried out in the bride's book. A beautiful array of airplanes and a patriotic display were used as a background where the guests registered. Others who helped display the gifts and helped with the affair other than Mrs.

Mrs. Tilden Brown Complimented With Farewell Shower

On Thursday, Oct. 14, the home of Mrs. Mabel Caldwell was the scene of a going away shower honoring Mrs. Tilden Brown who is leaving soon for Levelland, Texas where she will make her home. Mrs. Lizzie Mangum and Mrs. Carrie Henderson assisted with the party. There were twenty-one guests registered in the memory book, each one writing a parting tribute to Mrs. Brown. Eight ladies who couldn't be present sent gifts. Quite a few games were played. Mrs. Mary Gale Young won first prize of an embroidered cup-towel for the highest score made and Mrs. Inez Ritchey won second prize of a "chose girl."

The gifts for Mrs. Brown were brought in in a blue box with red wheels made to resemble a wagon with the words "moving away" on each end. She received many useful and lovely gifts.

Delicious refreshments consisting of angel food cake and iced cocoa were served.

Those present were Mrs. Carrie Henderson, Lizzie Mangum, Morris, Consuela Thuet, Leta Tip-ton, Ted Miller, Dorothy Richardson, Gertrude Gaker, Pearl Crisp, Mozelle, Bartlett, Sadie McNabb, Parsons, Scdie Storie, Mary Gale Baker, Ida Cook, Tilden Brown, Mandell Cook, Ida Wheatley, Inez Ritchie, Mabel Caldwell and Miss Bern Wilson.

Tips On Cleaning Sewing Machines Given By Expert

"How do you clean a sewing machine?" is one of the fifty-dollar questions women are asking county home demonstration agents of the A. & M. Extension Service every day.

Mrs. Dora R. Barnes, Extension clothing specialist who helps agents supply the answers, says it's much easier to show than to tell, and consequently machine cleaning demonstrations have been in great demand.

Naturally, some implements are necessary . . . beginning with a pair of pliers and some screw drivers. A half-inch paint brush is handy, although a feather could be substituted. Among the other useful items are tweezers and a crochet hook to pull out lint, an old tooth brush for cleaning the teeth of the feed dog, and adjustable wrench, an ice pick and razor blade, a shallow tin bread pan, an oil can with a long spout and some good gum-free oil.

A quart and a half of gasoline or kerosene and some soft cloths and newspapers should complete the tools for the job. Most of these can be found in any home, Mrs. Barnes points out.

It is advisable to clean a machine on a table of comfortable height and beneath a good light. Some papers should be placed beneath the machine to absorb oil. The bread pan, containing kerosene, is used for soaking the parts that need cleaning, and this solvent works miraculously, Mrs. Barnes says. By placing the parts in line as they are removed from the machine, one can clean and reassemble the mechanism with a minimum of difficulty.

A bulletin entitled "Sewing Machine Cleaning and Adjusting," F. B. 1944 and other helps are available from county home demonstration agents. However, Mrs. Barnes suggests that the average homemaker would profit from observing a demonstration before she attempts to clean her machine "by the book."

Mrs. Mae Gossett Is Graham Club Hostess Thursday

The Graham Homemakers club met on Thursday afternoon, Oct. 14 with Mrs. Mae Gossett as hostess.

There were fifteen members and three visitors present. The afternoon was spent in visiting and in doing fancy work. A short play was also enjoyed.

The next meeting will be with Mrs. Dorothy Cowdrey on Thursday afternoon, Oct. 28. We will quilt for the Red Cross at this meeting and each lady is asked to come early and bring her thimble and needle.

Lovely refreshments consisting of sandwiches, cocoa, snacks and pumpkin pie with whipped cream were served to the following visitors: Mrs. Reed of Davidson, Oklahoma, Mrs. Ley Gossett and Mrs. Vera Mae Gossett. Members were Mrs. Nettie Seay, Claudie Fluitt, Rene Fluitt, Alma McBride, Dorothy Cowdrey, Mary Cowdrey, Viva Davis, Dora Redman, Iris McMahon, Mae and Naomi Norman, Minnie Wright, Lucille Bush, Lola Peel and the hostess.

Merry Makers Meet In McNabb Home Last Tuesday

On Tuesday, Oct. 12, twenty-five members of the Merry Makers club met with Mrs. Sadie McNabb with Mrs. Sims as co-hostess. There were two visitors, Mrs. Esker Stone and Mrs. Harrison. The afternoon was spent in quilting for the Red Cross.

The club presented Mrs. Tilden Brown with a lovely table cloth as a going away gift as Mrs. Brown is moving soon to Levelland, Texas, to make her home.

Delicious refreshments consisting of punch, cake, muffins and a salad course were served.

At the next meeting, which will be with Mrs. Will Teaff with Mrs. Dalby as co-hostess, another Red Cross quilt will be put up. Everyone come early and bring your needle and thimble. It will also be gift day. This will be on Tuesday, Oct. 26.

Hackberry Red Cross Resumed Weekly Meetings

Last Wednesday the Hackberry Red Cross resumed their weekly meetings with an all-day working at the Club House. Of the five thousand 2x2 inch dressings recently received, 500 were folded that day. Wednesday afternoons will be regular meeting days during the fall rush.

Mrs. H. Basinger, chairman and Mrs. Herman Dobbs, assistant, have charge of the inspection of the folded dressings. Mrs. Claude Cooper is secretary-treasurer and Mrs. Ed Denton checks in the knitting.

Mrs. Roddy and Phal of Tahoka were out-of-the-community visitors at the all day meeting. Others present, besides the above mentioned officers were: Mrs. J. E. Rackler, L. E. Bartlett, B. Spence, F. W. Hall, W. P. Lester, J. H. Flemings, Grandma Flemings, B. M. Billinsley, John Taylor, Lewis Manly, Martin Edmunds, and Misses Ora Mining and Alta Clements.

CULTURE CLUB PROGRAM FOR OCT. 27 ANNOUNCED

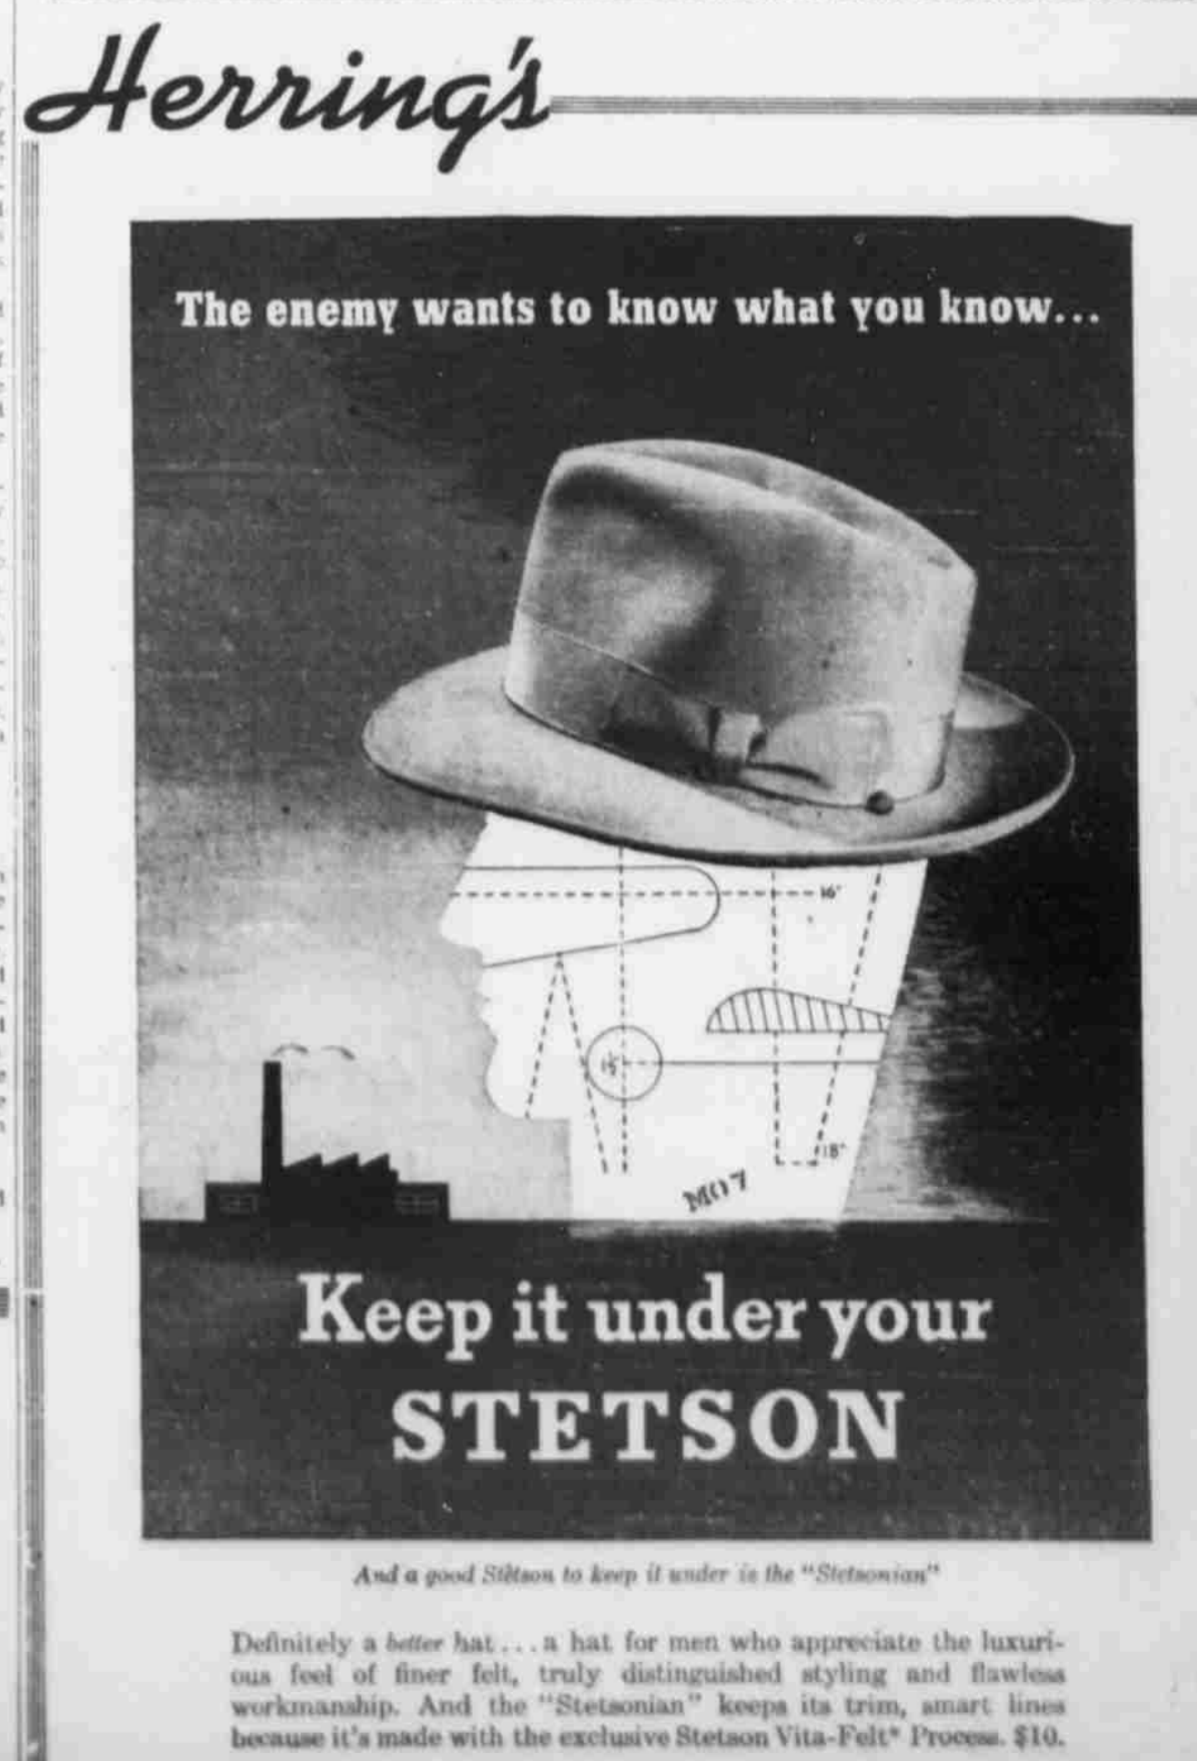

Mrs. B. E. Young and Mrs. Tom Bouchier will be hostesses for the Woman's Culture club next Wednesday at the home of Mrs. Young. Special emphasis will be placed on Pacific Relations as it is discussed in relation to the United Nations and the New World. Mrs. J. N. Power will be leader. Those appearing on the program will be Mrs. J. R. Durrett and Mrs. John Cearley.

PRICE CEILINGS FOR VEGETABLES ANNOUNCED
 Ceiling prices that will prevail for 13 fresh vegetables at country shipping points have been announced by OPA and WFA. The vegetables are lima beans, snap beans, carrots, cabbage, cauliflower, celery, cucumbers, eggplant, lettuce, green peas, peppers, spinach, and tomatoes. Maximum prices for beets, asparagus, watermelons, cantaloupes and the 1944 crop of onions are to be announced soon. Prices were announced to assist vegetable growers in completing their production plans.

Get Acquainted . . .
 The teacher with auburn and brown eyes. The one that was born and lived in Eastland until time for her to go to college and then moved to Abilene and went to Hardin-Simmons. Yes, the one that teaches commercial subjects and is quite good (we hear). That's right—a favorite among students—Miss Winnie Pitzer.

Senior of the Week
 Buddy Malouf, a member of the Senior class is the son of Mr. and Mrs. M. J. Malouf. He has beautiful black curly hair and a personality plus. His being born on Sept. 15, 1923 makes him the youngest member of the class and though the youngest he is one of the smartest. Here's to luck for you, Buddy.

Hallowe'en Queens Selected By Classes
 On last Friday class meetings were held by all classes. The purpose of them were to choose a candidate for queen for the annual Hallowe'en Carnival.
 The nominees were: Seniors, Mary Margaret Graham; Juniors, Norma Joy Hudman; Sophomores, Mary Ella Norman; Freshmen, Betty Kennedy; 8th grade, Edith Williams.

Seniors Select Class Play
 The Seniors chose their play, which is to be "Ghost In The Glass" and is going to be presented on December 3.

Graham School Students
 Due to the teacher shortage, 27 students of the Graham school were transferred to the Post High school. These transfers come from the 8th and 9th grades.

DAIRY PAYMENT RATES ANNOUNCED FOR OCTOBER, NOVEMBER AND DECEMBER

Rates of payment which will be made to farmers delivering whole milk and butterfat to offset increases in dairy feed costs since September, 1942, have been announced by WFA. The rates range from 36 to 50 cents a hundredweight on whole milk deliveries and 4 to 6 cents a pound on butterfat. They are applicable for October, November and December, 1943.

Mr. and Mrs. J. B. Shepherd and children returned to their home in Los Angeles, Calif., Friday after spending two weeks visiting in the homes of their parents Mrs. W. J. Shepherd of Graham community and her parents, Mr. and Mrs. Rogers of Levelland.

Cross Roads News

Mrs. Elizabeth Fisher, Correspondent
 We had a good attendance at Sunday School but failed to reach our goal in attendance last Sunday.

Darwyn Howell celebrated his eighth birthday October 17. Twenty children attended his party. The children enjoyed many games. Delicious cake and punch were served. Darwyn received a number of gifts.

Dinner guests in the home of Mr. and Mrs. Barney Martin last Sunday were Mrs. Hugh Martin and two children, Mr. and Mrs. Wayne Martin of Levelland and Mrs. Martin's mother, Mrs. Nelson, Dolores and Winston James.

Mr. and Mrs. C. M. Hutto are spending the weekend in Dallas. Attendance at school for the first six weeks of the term was 95 per cent. The children are helping harvest the crop in the afternoons.

Mrs. Fred Custis is Improving After Operation

News of Mrs. Fred Custis will be of interest to her many friends here. She underwent major surgery at the West Texas hospital in Lubbock last Wednesday morning and according to husband Fred, who was in Post Monday of this week, "is doing fine." She was in Lubbock prior to the operation and took x-ray treatments before the operation. Her mother and other members of her family have been with her as well as her husband.

Mabel and Fred, until two years ago, were Post citizens and have a host of friends and acquaintances who are interested in their welfare. Fred is now minister of the Church of Christ of Santa Fe, New Mexico.

Mrs. Ozella Hill of McKinney, wrote friends here recently that her son Albert Woodrow Hill, S 2/c, and his wife, the former Miss Estelle Poe, visited her in McKinney. Woodrow is now stationed at Camp Endicott, Providence, Rhode Island. He has completed his Seabee training and expects to go overseas before many weeks. He visited his sister, Mrs. Gus Johnson, the former Opal Hill in Bergenfield, New Jersey, during his furlough.

SEND POST OFFICE MONEY ORDERS IF YOU SEND MONEY TO BOYS OVERSEAS

Don't send a serviceman overseas a check drawn on a bank in the United States. This warning was issued to Garza counties today by Ollie Weakley, home service chairman of the Garza Red Cross Chapter. The best way to send money to servicemen abroad is by post office money order, he advised.

American Red Cross workers overseas report that soldiers are constantly asking them to cash checks sent from this country. Cashing them is almost impossible as by post office money order, he advised.

find them valueless. On the other hand, post office money orders can be cashed wherever there is an army post office.

HAWES DRY GOODS

Visiting in Lubbock last Friday afternoon were Mrs. Ira Greenfield and Mrs. J. E. Parker, Mrs. D. C. Williams and daughter, Betty.

A plant of the grass family, grown to the height of 100 feet in three months, has been familiar to the Chinese from remotest antiquity.

March of Time Shows Rumor Ridden Portugal

"Europe's Crossroads," the latest March of Time, shows rumor-ridden Portugal, where the groundwork for the surrender of Italy was laid, and where Allied and Axis ministers rub elbows at state functions. It shows Wednesday and Thursday, Oct. 27-28 at the Garza Theatre.

In new, exclusive film material, rushed straight from one of the few spots in Europe still open to March of Time cameramen, it tells the story of this tiny corporate state, and its significant position as the listening post of Europe.

To sift the flood of rumors and inspired stories, the Associated Press maintains extensive facilities, shown in the film. And also shown is the lavish night life of the city of Lisbon, where undercover agents hang on every careless word, and refugees await the downfall of Hitler, or scheme how to reach the United States.

Other scenes show the development of Portugal's natural resources, particularly the important wolframite, mining of which to supply precious tungsten has made many swift fortunes for peasants—sometimes on the Nazi black market.

Climax of the film are scenes showing how Portugal continues to maintain her diplomatic neutrality.

In every sense this is a real screen scoop, both timely and significant.

Forty-seven percent of the country's bank clearings are made by New York City banks.

Southland News

Mrs. Marvin Truelock, Correspondent

The honor roll for the first six weeks of school includes the largest number of High school students since there has been a Southland column in this paper. Seniors: Wesley Scott, Nelda Smith, Billy George Kelly—two A's; Roella Rankin, Roderic Duff, Doris Becker, Anne Russell, Marilee Crisp, Jimmy Morris—one A; Juniors: Jack Lancaster—four A's; Doris Nelson—three A's; Eldon Lancaster, Dorothy Winterrowd—two A's; Mildred Nelson and B. H. Thomas—one A. Sophomores: Joe Gayle Fleming, Wilma Wheeler and Bobby Mining—three A's; Eddie Cummings and Anna May Voigt—one A; Freshmen: Billy Lancaster, Harley Martin—two A's; Peggy Bartlett, Mark Tankersley, Harrell Tanner—one A; Eighth Grade, Seventh, Sixth, Fifth, Fourth, Third—none. Second Grade, Etta Dee Hagler and Vernon Scott; First, William Becker, Jr.

There will be a carnival at the school the Friday night before Halloween.

Rev. H. B. Coggin, who was pastor of the Methodist church here for three years, wrote for a position as pastor in the district once more. The Presiding Elder wired an answer that he was holding a church for him, but it won't be made public until after the Annual Conference. Rev. Coggin is now chaplain at Manhattan, Kansas but is to be released for civilian duty the first of November.

Dinner guests of Mr. and Mrs. Walter Voigt last Wednesday were Rev. and Mrs. E. Herber and children and Mrs. Nelson.

On Oct. 10, the Wolfarth Baptist church burned in the afternoon. The fire was of undetermined origin. The pastor, Rev. V. W. Allen, was former pastor of the Southland church. Last month, the Levelland Baptist church burned.

Sunday Mr. and Mrs. August Becker and children, including their son, James, who is on leave from the Navy, and Dorothy, an Army nurse stationed at Lubbock, Mr. and Mrs. Ed Becker and Carolyn, Mr. and Mrs. Wallace Becker and daughter, and Mr. and Mrs. Joel Neubauer, Douglas and Bernice, spent the day with the Albert Krause family of Crosbyton.

Mr. and Mrs. Roy Parr and daughter, Martha of Bonham came Thursday to spend the rest of the week with Mrs. Parr's sister, Mrs. J. L. Whited.

Sunday evening the Quarterly Conference at the local Methodist church, the reports included an increase in attendance at Sunday school, benevolences paid in advance, and the pastor's salary increased from 1,200.00 per year to \$1,350.00. The stewards were re-nominated for this year.

Monday evening dinner guests of the Walter Voigts were Mr. and Mrs. Charlie Stewart and family.

Saturday Mr. and Mrs. Roy Morris visited Rev. and Mrs. O. J. Harmonson. They had just returned from a trip to Weimer to see W. A. Smith who was superintendent here when Mr. Morris was High school principal and coach.

The Ed Kings visited the Boone Pennells of Barnum Springs Sunday.

Thursday evening dinner guests of the Walter Kellums were Mr. and Mrs. Carl Stewart and daughter Ruby of Lubbock.

Mrs. W. M. Weaver returned Saturday morning from visiting in San Angelo.

Miss Jo Dell Bailey, niece of Mrs. A. J. Malock, came last Tuesday to visit for several days. Miss Bailey made her home with the Malock for fourteen years. She is now employed as x-ray technician at Amarillo Air Base.

Mrs. G. W. Basinger's sister was operated on Friday morning at Frederick, Okla. Mrs. Basinger returned home Sunday afternoon.

Mrs. Cholon Carson (better known as Louise Denton) returned home Oct. 6 for the duration with her parents, the Ed Dentons of Hackberry. Her husband left St. Louis, Mo., Aug. 10, and is now in England.

Miss Cleon Moore and Belle Kuykendoll, who are employed in Lubbock, spent the week end here and at Hackberry.

Harrell Tanner, who is the new assistant at the post office, had charge of the office for the first time Saturday afternoon, which happened to be the largest half-day of money order receipts for the year of 1943.

The Walter Voigts attended the all-day services of the Lutheran church in Wilson Sunday.

Miss Marie Voigt has recently purchased a farm near Levelland. Thursday her visitors were Mr. and Mrs. Malcolm Linner and daughter, Miss Edna Voigt and Mrs. Walter Voigt.

Guests in the home of Mr. and Mrs. F. I. Bailey Sunday were Mr. and Mrs. Jackson and son of Blackwell.

Washing Machine Repairs May Be Available Soon

Families whose washing machines are idle because they lack parts were offered a ray of hope last week by a representative of the War Production Board Office of Civilian requirements who is traveling in Texas to learn where war-time shortages pinch civilians the hardest.

With persistence, families or dealers can get parts for washers made by standard manufacturers, the WPB representative said. She was Mrs. Janet Lublon of Washington, D. C., who spoke recently before the home demonstration staff of the Extension Service at College Station.

Mrs. Lublon also visited in Orange, Gregg, and Midland counties where she talked with rural and urban families of all income levels about the household merchandise they need most when civilian production can be increased or resumed.

There is little hope at the present for families whose electric irons lack parts or repairs, but families whose electric refrigerators lack parts stand a pretty good chance of relief. No new family-size electric refrigerators are in sight, Mrs. Lublon said. She believes more wash tubs will be available for families now doing their own laundry for the first time. The new war-time glass wash board is proving quite satisfactory, the WPB has been informed.

Home demonstration staff members told Mrs. Lublon how rural homemakers have had difficulty in obtaining boys overalls, baby clothes, scissors, safety pins, and many other items. Asked about the prospects of getting elastic for repairing underwear, Mrs. Lublon said none could be expected before the latter part of 1944, and that would be synthetic. Homemakers might have to choose between elastic and tires, she commented jokingly.

Miss Nettie Lee Caldwell of Marfa, Texas, visited with her parents, Mr. and Mrs. S. C. Caldwell, over the week end.

Harvard University had the first American printing press, brought to the United States in 1640.

VICTORY HINTS
In Buying Fruits
This is what to look for in buying fruits: Red apples should be distinctly red, yellow apples definitely yellow. Berries are best when uniform in size, not green, not mouldy. Skin of ripe bananas is flecked with brown. Citrus fruits should be firm and springy to the touch—thick skinned varieties often have the most juice. Vine ripened melons can be spotted by the smooth, only slightly sunken scar at the point where melon was attached to the vine.
Short Cut
Soak kidney beans in hot water and you shorten the cooking time. So much the better if you have soft rain water—home economists explain that hard water tends to make the beans tough so that they never seem done.
For Vitamins' Sake
Fresh vegetables, such as carrots, radishes, beets and the like, should be thoroughly cleaned before you refrigerate them, and the stems and leafy portions should be removed. Don't shell peas and lima beans or husk corn until ready to use. Otherwise they'll lose their vitamins home economists say.

GO LIGHT!

Overweight Oil makes Old Cars Older—Fast
Note how Light a grade of oil can make good, with your engine Winter OIL-PLATED

You can change to an OIL-PLATED engine by changing to any grade of Conoco Nth motor oil—from lightest to heaviest—and you can change to any grade of Conoco Nth at the same popular price. But the lightest possible grade of oil that's fit for the Winter change your car needs now will help to save your battery—your gasoline—your engine. The more the oil is overweight the greater the wear, and when that makes you try still heavier oil you get still more wear—still more oil and gasoline consumption—worse and worse and worse. Short-circuit this ruinous process by having your engine OIL-PLATED.
OIL-PLATING is distinct from the familiar liquid type of high-strength oil film also provided by Conoco Nth oil. Both oil film and OIL-PLATING are paired against wear every mile. Every time your engine rests, however, any liquid film drains down to the crankcase. But OIL-PLATING doesn't all drain down. It tends to stay wherever attached by Conoco Nth oil's "magnet-like" action—achieved synthetically. Often now you don't use your car for days. Yet when you start, the OIL-PLATED surfaces are still ready lubricated. . . "faster than instantly." That's how the former fierce wear of cold starting is reduced by OIL-PLATING your engine. All other wear, too, meets its match in your OIL-PLATED engine. Change at Your Mileage Merchant's Conoco station—today. He knows the lightest grade of Nth for you. Continental Oil Co.
CONOCO Nth MOTOR OIL
Dread Engine Acid is Fought by OIL-PLATING
Normal combustion always leaves acids inside of your engine when it stops.
Formerly it seldom stood idle long. Soon mileage and speed heated your engine enough to oust acids.
But nowadays rationing may force long rests, while corrosive acids gnaw. To combat corrosion, metals are plated. You combat acid corrosion with your engine OIL-PLATED.
