

City and county will call referendums on airport

Poll tax receipts at low ebb here

With only about six "shopping days" left before the Jan. 31 deadline, purchase of poll taxes were lagging this week in Garza County as they've never lagged before. Up to noon yesterday, only 589 poll tax receipts had been issued at the county tax assessor-collector's office — less than one-third the number that have been issued in recent election years here.

The lag can be attributed, of course, to the fact that the validity of Texas' poll tax as a requirement for voting is being decided in federal court, and some folks seem to think it will be decided before the Jan. 31 deadline.

Judges in the court trying the case advised Texans a few weeks ago to go ahead and pay their poll tax if they wished to vote, since there is little likelihood of the poll tax case being decided before the deadline.

Meanwhile, five additional candidates announced for office here this week, four of them for re-election.

The only new candidate this week is Bob Tidwell, who seeks the office of Precinct 4 county commissioner. Herbert Walls had announced earlier for the same office, and Mason Justice entered the race this week as a candidate for re-election to the office.

Others announcing this week for re-election are Renal B. Rosson for state representative, Truett Smith for judge of the 106th Judicial District Court, and D. C. Roberts for Precinct 1 justice of the peace.

Feb. 7 is the filing deadline for candidates.

Rites conducted here Sunday for John B. Hudman

Funeral services for John B. Hudman, 93, a resident of Post since Jan. 1, 1922, who died early last Friday night at the Golden Years Nursing Home, were conducted at 2 p. m. Sunday in the First Baptist Church.

Born Dec. 10, 1872, in Kaufman County, Texas, Mr. Hudman homesteaded in Lincoln County, New Mexico, before his marriage and was acquainted with lawman Pat Garrett, who shot Billy the Kid. Mr. Hudman lived in a log cabin he himself built while in New Mexico.

He moved from New Mexico to Bronte, Tex., where he farmed and taught school. He was married there and the family moved to Brownfield in 1915, from there to Hackberry, in Lynn County, the same year, and then to Post.

After farming here for several years, Mr. Hudman was employed at Postex Mills until his retirement. He had been at the nursing home about eight months.

Survivors include five sons, S. (See Hudman Rites, Page 8)

Walls candidate for Commissioner

Herbert Walls, who earlier announced his candidacy for the office of Garza County Commissioner, Precinct 4, today issued the following statement to the voters on his candidacy.

"In asking you to elect me as your next Precinct 4 county commissioner, I wish to say that I have been engaged in construction work on 90 per cent of the roads in Garza County since 1950, up to which time I was employed by the Postex Mills. I am married and have four children.

"I feel that my experience in road construction qualifies me to serve you as Precinct 4 commissioner. I think I know how to keep a road up and at the same time take care of the taxpayers' equipment and the taxpayers' dollars.

"Taking care of the county government, not only in Precinct 4, but at all levels of county government, will be one of my objectives, if you see fit to elect me.

"I intend to see each and every voter of the precinct between now and the date of the election. In the meantime, I solicit your vote and influence."

\$313 gate is reported for Slaton cage games

Three hundred and thirty-five adult admissions and 247 student admissions were sold to last Friday night's basketball games here with Slaton for gate receipts of approximately \$313, School Supt. Bill Shiver reported.

The gate was one of the biggest since the present high school gym was built.

The two officials for the game were paid approximately \$65, the superintendent said.

Brooks funeral set for today

Funeral services for Mrs. Annie Carlton Brooks, 63, former resident of Post, who died Sunday in Denver, Colo., were to be conducted at 2 p. m. today at the Calvary Baptist Church, with the Rev. Lee C. Jones, pastor, officiating.

Mrs. Brooks moved from Post about 40 years ago. She had been a member of the Baptist Church since childhood.

Survivors include two sisters, Mrs. Lorene Clayton of Denver and Mrs. Tennie Baker of Amarillo, and three brothers, Larry Carlton of Post, and Glenn and Bill Carlton.

Burial will be in Terrace Cemetery under the direction of Mason Towner Home. Pallbearers will be Joseph Welborn, Vester Smith, Foster Stephens, Carl Rains, T. H. Owen and Lyda Odom.

Home front also can be hazardous

Two Post GI's home on leave, one from Viet Nam and the other from Turkey, no doubt have ideas of their own as to whether things go smoother at home.

Specialist Fourth Class Frankie Gary developed a case of laryngitis en route home from Turkey by plane and had to cancel plans to call his parents, Mr. and Mrs. Roy Gary, from New York to tell them he had arrived.

By the time the GI's plane reached Dallas, he had recovered his speech enough to whisper a phone message to his parents to meet him at the Lubbock airport.

Saturday night, Frankie fell and broke his leg while out with friends. He will spend most of his 30-day leave recuperating at home.

The other soldier, Pfc. Ramon Gonzales, who arrived home Dec. 28 from Viet Nam on 30-day emergency leave, was involved in an automobile collision Friday night. The soldier escaped injury, but his brother's car that he was driving was heavily damaged.

Pfc. Gonzales, who is a security guard with the Army at Pleiku, came home on emergency leave after being notified that his mother, Mrs. Sabina Gonzales, had been killed in a car wreck in Kansas. Scheduled to return to Viet Nam on Jan. 27, Ramon said Tuesday that he might take advantage of a 15-day extension to his leave that had been offered him through the Red Cross. He has been in the Army since 1961 and has until April of this year to serve.

Sp4 Gary, a 1963 graduate of Post High School, attended South Plains College in Levelland before entering the Army where he has served two years, 17 months of that time in Turkey with the Army Security Agency. He will report to Two-Rock Ranch at Catoma, Calif., upon the termination of his leave period.

Justice of Peace asks re-election

D. C. Roberts, Justice of the Peace of Precinct 1, today authorized The Dispatch to announce his candidacy for re-election, subject to the May and June Democratic primary elections.

Judge Roberts' statement follows:

"I would like to continue to serve you in this office the next term. I can only promise I will do my best to be fair, impartial and just to all, as I have tried to be in the past.

"I appreciate your support in the past and will continue to appreciate your support if you see fit to support me in the Democratic primary in May."

Votes will come in late February or early March

Both city and county voters will go to the polls on the same day—probably in late February or early March — to decide if they want the city and county to jointly build an \$88,248 airport at an estimated cost of only \$16,062 each.

The price might even be considerably less.

New plans now call for letting the construction to the low bidder from private contractors instead of employing county road machinery and labor on the project.

TOTAL COST OF the airport by engineer's estimate is \$88,248 with the state contributing \$12,000 and the federal government half of the total cost — or \$44,124.

If the construction contract is let for less, both the city and county's share would be reduced as would that of the federal government which has offered a grant to match half of the total cost up to the estimated \$88,248. The state grant would remain unchanged.

The city and county vote decisions both came Tuesday as rapid progress was made by the Chamber airport committee — all aimed at meeting the first of the two airport aid deadlines — that of March 31 set by the state for use of its funds.

It will also mean less in the years ahead for the Southland school district, but the loss there may not be as great dollarwise because the Post school district is larger and therefore receives more state aid funds.

Shiver said he had discussed the situation by phone last Friday with the director of finance of the Texas Educational Agency in Austin and was told the loss would be "sizeable."

BUT IT WON'T come next year and the exact amount won't be known until state aid is apportioned to all school districts each year under a complicated formula.

Tidwell in race for Commissioner

Bob Tidwell of Justiceburg today authorized The Dispatch to announce his candidacy for Precinct 4 County Commissioner of Garza County, subject to the Democratic primary elections.

His statement to the voters follows:

"I have lived in Garza County nearly all my life, am now engaged in farming, but have worked for the county. This is my first time to seek election to public office.

"I feel I am thoroughly familiar with the needs and the duties to be performed by the Precinct 4 county commissioner. If elected, I promise to serve in the office to the best of my ability.

"My intentions are to visit with every voter of the precinct between now and the election. In the meantime, consider this statement a solicitation of your vote and influence."

Bank introduces Cowpokes' cartoons to local readers

The First National Bank on page 2 of today's Dispatch introduces its first of a regular weekly series of advertisements based on Ace Reid's Cowpoke cartoons.

"Cowpokes", as the cartoon is known, concerns two characters, Jake and Zeb, and their situations with politics, every day events, and livestock.

"They're pure ranch country and that's where they came from. Ace Reid, by his own account, got his education on a school of hard knocks during very droughty conditions near Electra, Tex.

Ace Reid is a lanky cowboy himself.

After returning from the Navy, and after trying several business ventures, including ranching and oil drilling, he set his sights on breaking into cartooning.

When Ace found a few takers among the newspaper editors, these editors were greatly surprised and pleased to learn that Cowpokes was enjoyed just as much by their neighbors in town.

So Cowpokes moved into the big city dailies.

Valuation increases would 'hit' schools

Which takes the wealth of all the state's various counties into account.

The poorer the economic index of the county, the more state aid its school districts receive on a per pupil basis.

The richer the county the less amount of state dollars per pupil is given.

The economic index of the county is based on the county economic property total. As it increases, the complicated state aid apportionment formula decreases the state aid to its school districts.

In figuring the state aid formula, the county's economic index, as determined partially by the valuation, is taken for an average of three years, but the three years figured run two years behind the year in which the state aid is given.

THIS YEAR the county's economic index, including county tax valuation, was averaged for the years of 1961, 1962, and 1963 in determining state aid for the current 1965-66 school year.

Next year, any 1966 county valuation increase won't be figured into the 1966-67 state aid formula. Nor will it be for 1967 either.

But starting in 1968-69 school year, state aid will be based partially on the county valuations for 1964, 1965, and 1966 and therefore any 1966 boost will be averaged into the state aid formula for the first time.

It will be averaged into the formula for two out of the three years in 1969-70 school year, and into all three years on which the formula is figured for the 1970-71 school year.

So any increase in valuation of the county in 1966 will start to be felt in three years and won't reach its maximum amount of loss in state aid until five years from now.

IF OTHER counties, and most of them won't, increase in valuation next year the blow would not be as great.

Supt. Shiver pointed out that the state aid formula has again been changed this year in Austin which required the Post school district to pay into the state's minimum foundation funds \$30,000 more than it had the previous year which meant it received that much less net gain from state funds.

Shiver said next year under the present state formula the school (See Re-evaluation, Page 8)

Judge candidate makes statement

John N. Hopkins, who announced his candidacy for the office of County Judge of Garza County on Jan. 3, makes the following statement to the voters in regard to his candidacy.

"I have decided, after giving the matter considerable thought, to ask you to elect me to the office of County Judge of Garza County.

"I fully realize the importance and responsibilities of the office and would not seek election if I did not think I was qualified to carry out its duties.

"I have been a businessman in Post and Garza County since 1947 and feel that I am well qualified by business experience to serve as your county judge.

"I believe in economy at all levels of county government, and do not believe in tax increases, either across-the-board or by property re-evaluation, until sincere efforts have been made to cut costs wherever costs can be cut.

"It is also my belief that our county hospital, which was established for the benefit of the people of Garza County, should not fail in its duty because of a handful of people dictating its policies and saying which doctor can and which doctor can't be on its medical staff.

"If elected your county judge, I will make an honest effort to see that any and every reputable medical doctor practicing in Post can (See John Hopkins, Page 8)

Jaycees endorse airport project

The Post Jaycees have officially endorsed the city-county airport project.

Action came at a special meeting of Jaycee officers called by Frank Blanton, club president, Friday afternoon.

Blanton said the club will support the project, which will be up-coming for a vote at both city and county levels, in every way it can.

Poll tax law not changed yet

The number of poll taxes paid in Garza County is below normal and this can be attributed to the fact that there is some confusion as to the part of many as to whether a poll tax must be paid this year because of the recent lawsuit attacking the requirement.

An organization for young men

This week The Dispatch team with other business firms and individuals of the community is sponsoring the Post-Dispatch Young Men's Club.

Will Garza County be gobbled up?

Many people are asking the question "Will Garza County be gobbled up?"

The question is being asked because of the recent article in the Dallas Morning News.

The article discusses the possibility of the county being absorbed into the State of Texas.

The article also mentions the fact that the county is not a state.

The article concludes by saying that the county is not a state and should not be.

There is no more to state in this year's election for anyone is sure their vote by waiting for a decision that even the judges to be sure have said not likely to come before the poll tax decision.

As to our feelings about a poll tax per se, we are opposed to it as a prerequisite for voting. Voting is a right which should be free to all who wish to exercise it.

There are a number of things to remember this month as you pay your poll tax.

Walter Owen, Dallas Times-Herald columnist, wrote one of the recent columns with this title of Texas. "The entire town of Post was built in Garza County because of a trick that wanted every farmer to own his own farm and home."

Shower held on Friday evening for recent bride

Mrs. G. T. Mason, the former Miss Brenda Richards, was accompanied with a miscellaneous shower last Friday night at the Graham Community Center.

Approximately 35 guests called between the hours of 7 and 9 o'clock, and were received by the honoree, Mrs. Grover Mason and Mrs. Fannie Richards.

Mrs. Lewis Mason, Mrs. Jody Mason, Mrs. Jackey Fluit, Mrs. Ronnie Graves and Miss Linda McMahon alternated with hostesses duties, serving white cake squares, orchid punch, mints and nuts.

The serving table was laid with white lace over orchid and centered with an arrangement of orchid flowers entwined with orchid streamers inscribed with the names "Brenda and G. T."

Hostesses were:

James Lucille Bush, Alma McBride, Imogene Morris, Iris McFadden, Sue Maxey, Wanda Morris, Imogene Stone, Maud Thomas, Mrs. Davis, Carl Fluit, Mary Stine, Ruth Doggett, Helen Taylor, Tommy Williams, Pat McCoy, Mae Gossett, Mary Cowdrey, Lucille McBride, Myrtle Peel, Bernice Maxey, Dorothy Cowdrey, Jewel Parrish, Orabeth White, Lola Mae Ledbetter.

Caprock District holds workshop

Three members of the Woman's Culture Club attended the Caprock District workshop held last Friday in Plainview.

Representing the club at the Plainview event were Mrs. C. R. Thorton, president; Mrs. Tillman Jones, a member of the maintenance committee of the Texas Federation of Women's Clubs, and Mrs. D. C. Williams, a member of the Caprock District's credentials committee.

Speakers at the workshop included Mrs. Kermit Haugen, GFWC recording secretary, and Mrs. Louis Cummings, Caprock District first vice president.

A luncheon attended by approximately 130 club women was held at the Alcove Restaurant preceding the workshop, which followed Mrs. Haugen's talk.

During his absence, Sunday, Jan. 30, Jack Alexander will fill the pulpit at the morning worship at the First Christian Church. A rally will be held at Monterey High School at Lubbock Sunday evening for all district Christian church members. Dr. Spencer of Austin, and the executive director of unified promotion from Indianapolis, Ind., will be featured speakers. The Texas Christian University a capella choir will perform.

Windham-Mock wedding vows said in double-ring ceremony

Double ring wedding vows were read for Miss Wyanza Arieta Windham and Robert Lee Mock, Saturday, Jan. 15, at 7:30 o'clock in the evening at the First Baptist Church.

The Rev. Joe Vernon, pastor, officiated before a setting of candles and baskets of white gladioli.

MRS. ROBERT LEE MOCK (Wyanza Windham)

The bride is the daughter of Mr. and Mrs. Everette Windham, and Mr. Mock is the son of Mr. and Mrs. Robert Mock, Route 2, and Mrs. Alexander of Post, who is the beauty award. Martha Markham of the Iowa Eta Sudan chapter was first place winner, and Shirley Steward, Gamma Nu of Lubbock, placed second. Each was presented with corsages and gold charms. Mrs. Alexander was presented a silver charm.

Plans were made for the State Executive board meeting to be held in Austin's Charrlott Hotel, Feb. 12-13. Mrs. Pace will represent the district.

Attending from Post were Blenda Roberson, Sandra Alexander, Bertha Irons, Mary Raphael, Mary Hill and Kay Pace.

Priscilla Club meets with Mrs. Boy Hart

Mrs. Boy Hart was hostess to the Priscilla Club at her rural home last Friday afternoon.

After sewing and visiting the ladies enjoyed refreshments of jelly salad, party wafers, pound cake and coffee.

Those attending were: Mrs. Jess Hendrix, Robert Cox, Dean Robinson, L. A. Barrow, E. L. Duncan, Monroe Lane, Victoria Hudman, J. W. Willis, C. W. Terry, Inez Satterwhite and Keith Kemp.

A reception followed in the church parlor. Mrs. Tommy Hill registered the guests, and Misses Sherry McAfee and Scharlene Holland, served punch and wedding cake.

For the wedding trip to Austin, the bride donned a three-piece turquoise suit of mohair with black accessories. She added the orchid from the bridal bouquet.

The couple is at home in Southland where Mr. Mock is engaged in farming. Mrs. Mock is a 1963 graduate of Post High School and is attending Merriman's Business College in Lubbock. Mr. Mock graduated from Southland High School in 1963.

New Year experiences told at club meeting

New Year's experiences were told at roll call Friday when the Needlecraft Club met with Mrs. Tillman Jones as hostess.

Following a business meeting conducted by Mrs. R. A. Moore, the new secretary, Mrs. Carl Jones, read the by-laws and constitution, as is the custom for the first meeting of each new year.

Mrs. Jones told of interesting and unusual questions she was enjoying from various magazines and papers club members subscribe to.

Refreshments were served to the following:

Mmes. Moore, F. C. Barker, F. I. Gilley, Noah Stone, W. R. Graeber, Will Wright, Lillian Tizard, Nell McCrary, S. C. Storie, Connie Caylor, Oscar Smith, L. G. Thuyett Sr., M. J. Malouf, Jack Kennedy, Homer Irons and Carl Jones.

There are almost 12,000 caves known in the United States.

Demonstration on 'Antiquing' given

Lynett Thuyett gave a demonstration on "Antiquing" at the Monday night meeting of the Garza County Young Homemakers when it met at the high school home-making department at 7:30 o'clock.

Mrs. Thuyett antiqued a table and some flowers and also showed some other pieces of work and flowers which she had done at home.

The club voted to invite the Tahoma Young Homemakers to their next meeting which will be held Feb. 21. During the business session they also heard a report from the yearbook committee.

Elfreda Carpenter and Joyce Howard were hostesses and served refreshments to the following members and sponsors:

SINGING ENJOYED

The Rev. Raymond Walker led the singing at the Central Baptist Church Sunday in the absence of Jim Jackson, who was ill. Church members wish to express their appreciation to those who came from the Berry Flats church and the young people from Post for their special numbers.

Sermon subjects are announced

Sermon subjects at the First Christian Church Sunday will be "God on a String!" at the 11 a. m. worship, and "He Betrayed Me by Judas Iscariot" at the 7 p. m. service. The latter is the second in a series of messages on the theme "They Knew Jesus."

The minister, Bernard S. Ramsey, is in Fort Worth attending Minister's Week at Texas Christian University. Some 500 Texas ministers are in attendance at this annual series of theological lectureships by renowned theologians and scholars.

Speakers include Dr. Theodore F. Adams, minister of First Baptist Church of Richmond, Va.; Dr. James Mullenburg, professor emeritus of Hebrew and Cognate languages, Union Theological Seminary, New York and Rabbi Levi A. Olan, Temple Emanuel, Dallas.

The minister will return to Post Friday.

HOME FROM HOSPITAL

Charlie Kiker was dismissed from Methodist Hospital to his home last Saturday.

It's My Turn

— By MRS. C.

I was waiting to see how the union fared in the big transio strike in New York and then I was going to ask Mr. C for a 30 per cent salary increase. That is, until I stopped to figure out that 30 per cent of nothing is still nothing.

The woman who lives at 307 Osage was heard to comment (by Miss Sam Bassett, no less) that the reason people aren't paying their poll taxes as fast as usual this year is because they keep thinking Texas is going to admit they've been declared illegal one of these days and we can stop paying them.

This same woman was also heard to comment that as far as voting is concerned she has become a good Texas voter. She can hardly wait to go to the polls and scratch a few names.

But back to Mrs. C and her doings. According to the report on the school page about BB gun damage to the school bus fleet, Santa Claus must have answered all the wishes of every other little boy in the vicinity and brought each one a BB gun for Christmas. I knew we were in for trouble if they all got their wishes.

I see that articles about the "new math" are being run in several daily newspapers and magazines. Why don't they leave parents alone? They have no conception of the load that was lifted

Abilene girl to become bride of Don Leon Barnes, Feb. 11

Mr. and Mrs. William S. Thomas of Abilene are announcing the forthcoming marriage of their daughter, Delores Opal Thomas, to Don Leon Barnes, son of Mr. and Mrs. Leon Barnes of Post.

The wedding will take place Feb. 11 in the University Baptist Church of Abilene.

Miss Thomas, a graduate of Abilene High School and Commercial College of Abilene, is employed by the Abilene Public Schools as secretary to the director of special education. Mr. Barnes, also a graduate of AHS, attended Hardin-Simmons University where he was a member of the Cowboy Band. He is a lease supervisor for Zale's Jewelry of Dallas.

Church is scene of bridal shower

Approximately 50 guests called between the hours of 7:30 and 9:30 o'clock in the evening at a shower held Jan. 8 for Mrs. Robert Mock, the former Miss Wyanza Windham at the Pleasant Valley Baptist Church Fellowship Hall.

Carrying out the bride's chosen colors of turquoise and white, the serving table featured a turquoise flower arrangement and streamers inscribed with the names, "Wyanza and Robert." Mrs. Edwin Lewis and Mrs. Travis Lancaster served spiced tea, cookies, mints and nuts.

Hostesses, who presented the bride with an electric iron, included Mrs. Buddy Hall, Paete Lancaster, Carl Patton, Elmer Pitt, Richard Lewis, Edwin Lewis and Travis Lancaster.

POST CHURCH LEADS

The Post Church of God of Prophecy led the area in average Sunday School attendance during December, according to the church's January bulletin. The average December attendance here was 58.

A WORLD IN TROUBLE

What has happened to this marvelous world of ours in this twentieth century of God's grace? Mankind seems to be passing through a sea of troubles which has no counterpart in human history.

There are wars and rumors of wars among the nations, and many of the nations themselves are split into warring factions, each faction striving for supremacy, and each intolerant of the views, hopes, and rights of others.

The great trouble with the world is that men have forgotten God. They no longer seek spiritual guidance, but follow the vain ways of the modern world. We have become a cynical, materialistic generation.

If this drift toward world tragedy and chaos is ever stopped, the churches of the world must do it. The world's hope—our hope—is in God and His Church. He alone can save mankind from a sorrowful fate.

The Church seeks to turn the hearts of men from the ways of war and fear and hate to the ways of peace and love.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BIG LIFT HYDRAULIC CRANE

An 80-foot electric transmission line structure can be lifted and set into place in 8 1/2 minutes with Southwestern Public Service Company's new hydraulic crane. The unit, the second one to go into service in the nation, was specifically designed for use in the electric utility industry. Southwestern Public Service Company has announced a 1966 construction program calling for the investment of \$19,353,000 in new facilities, with a large portion of the additional investment to be in transmission lines.

Southwestern Public Service Co. outlines 1966 construction plans

A 1966 construction and improvement program which calls for the investment of an additional \$19,353,000 in new facilities throughout the company's service area was announced today by A. R. "Lon" Watson, president and general manager of Southwestern Public Service Company.

"Comparing our construction plans with a military operation, 1966 could be described as a year when we are going to strengthen and consolidate our position. In other words, this is a year when we are going to build into an already strong interconnected electric system new facilities which will provide even greater service dependability for our customers," Watson said.

New transmission lines, and related equipment, are the largest single investment in the 1966 program, with nearly \$7,500,000 of the total construction program designated for the construction and improvement of the electrical highways which bring the power from the generating stations to the areas served by the electric company. A principal result of this new construction will be that

the "backbone" transmission line, or principal electric artery linking the three largest generating stations will become a 230,000 volt line. Nichols Station, northeast of Amarillo, Plant X, in Lamb County, and Cunningham Station, west of Hobbs, N. M., are the three generating stations.

This means that early next year, it will be possible to move four times more power than we are able to now transmit between these three major plants.

"Let me emphasize that this conversion to 230,000 volts of the 'backbone', or main, line is an addition to existing facilities, and means there will be one more way to move power throughout our system. In other words, there are other transmission routes, in addition to this new one, which can transport the power between all of our 11 generating stations and carry the load in the event of an emergency," Watson reported.

Major construction will begin during 1966 on another 210,000 kilowatt steam - electric generating unit at Nichols Station, northeast of Amarillo. This will be the third generator installed since 1960 at

this location and will increase the capability of the plant to 435,000 kilowatts. Completion of the new units is scheduled for mid-1968.

Electric power's role in meeting the municipal water needs of the region are a part of the 1966 improvement program. A 115,000 volt transmission line will be completed during the year to provide the power to pump the water from Lake Meredith to a storage reservoir near Amarillo. The Lake Meredith water is scheduled to be distributed to the 11 member cities of the Canadian River Municipal Water Authority, beginning in late 1967.

THE NATIONAL: JAYCEE STORY:

The world's young men's civic organization began because young Hery Giessenbier, in St. Louis, Mo., felt that young men should not have to wait until middle age to participate in civic affairs.

Giessenbier was struck by the thought young men should be organized for the purpose of performing civic service and developing leadership in themselves. He called a meeting of interested young men and 32 responded.

By 1916 the work of the new organization had attracted attention of many others. The Jaycees had promoted projects aimed at securing greater participation in government, a better relationship among agriculture, industry, and labor, less juvenile delinquency and a host of other activities.

Word about their activities spread and inquiries began to pour in from all parts of the United States. In 1919 Giessenbier sent a call to all known groups asking them to St. Louis to form a national organization. Twenty-four cities responded and on Jan. 21, 1920, the United States Jaycees came into existence.

The Jaycees have grown until the present membership exceeds 200,000 in 2,500 local clubs.

 sent his patients to our county hospital.
 "I believe in better relations between county and city governments than we now have. Nothing can be more wasteful of public funds than two such units of government not pooling their efforts and resources for the welfare of the people they serve.
 "If elected County Judge, I will conduct the affairs of the office in an impartial manner, and will treat every citizen alike, regardless of race, creed or color.
 "I plan to see as many of the voters as I can between now and the first primary. In the meantime, I solicit your support and influence, and will appreciate your vote in the primary election May 4."

Help sought as x-ray sponsors

Post Rotarians voted Tuesday to see if other local civic and women's clubs would like to join them in co-sponsoring the mobile x-ray unit here again this year.
 Cost of the unit is 90 cents per x-ray taken and if voluntary contributions do not equal this the sponsoring organization must make up the difference as well as furnishing clerical workers to staff the x-ray unit here.
 Last year the sponsoring VFW paid some \$200 to make up the difference in a record setting day of x-rays here. Most of this was due to few voluntary contributions from school students.
 Eleven or more possible chest problems were uncovered by the x-rays last year.

First snow for Post in over a year

Post received its first snow in over a year Tuesday night when six inches of wet snow fell here, measuring .13 of an inch of moisture.
 No reportable snow fell here during 1965.
 The snow was the first moisture recorded officially here this year.

Jaycees to hold cage tournament

The Post Junior Chamber of Commerce voted at last Thursday night's meeting to sponsor an independent basketball tournament and to award a showmanship trophy at the Garza County Junior Livestock Show to be held March 18-19.

A date will be set later for the basketball tournament. Jaycees said.
 Don Ammons was elected inter-club director, and the club voted to pay for the dinner of one prospective member visiting the organization on its dinner meeting night.

It was announced that several Jaycees and Jaycee-ettes will attend the Area I Jaycee meeting in Lubbock this weekend.
 A. J. Baumann, Jaycee vice president, presided at the meeting in the absence of Frank Blanton, president.

Airport—

(Continued From Page One)
 here yesterday said they will need a preliminary set of airport plans "for comments and corrections" as well as a set of specifications for the proposed airport.
 They said the agency will make suggestions as to the "specific runway layout."
 Approximately 157 acres would be purchased as an airport site, according to present planning.
 Airport plans call for a paved north-south runway 3,500 feet long and 50 feet wide and a 3,150 foot east-west runway of caliche also 50 feet wide.

Also called for are a paved taxiway to the paved runway and a caliche taxiway to the caliche runway as well as a paved aircraft parking area.
 The two engineers said the runways will accommodate planes up to a DC-3 as the heaviest. They explained this would include 95 per cent of all general aviation aircraft, including executive type jets.
 Airport plans call for neither lighting nor hangar construction.
 Hudman said the airport commission envisions that a joint airport board would lease airport space on which private hangars could be constructed.
 The paved runway would be of asphalt concrete.
 The engineers said the two proposed runways would give the airport "greater than 95 per cent wind coverage" for landings and takeoffs.

In response to questions, the pair said that airport maintenance on the runways would be simply seal coating and weed control and would cost no more than maintaining a highway of equal size.
 They said present plans for the airport would provide adequate landing facilities for general aviation for the next 20 years.

COUNTY COURT

Three persons pleaded guilty Monday to a charge of destruction of personal property and each was fined \$15 and costs by Judge J. E. Parker. The three are Eugene Curtis, Alvin Lyvon Watson and Ileana Thomas Jr.

IRRIGATION WATER DEPLETION AND 1965 INCOME TAX

Added income tax benefits may be in store for those producers who own irrigation water rights in the Ogallala formation for the taxable year 1965, says John J. Seibert, area farm management specialist, of the Texas Agricultural Extension Service in Lubbock.
 Representatives of the Internal Revenue Service and the High Plains Underground Water Conservation District are currently developing "guidelines" which an eligible taxpayer may use when filing a claim for the depletion allowance. They say it is doubtful that these guidelines will be established and published before Feb. 15, when farmers who have not filed an estimated return must have their completed tax forms filed.
 Therefore eligible farmers who are planning to claim an irrigation water depletion allowance for 1965 may elect to file an estimated return by Jan. 15. This would give these taxpayers until April 17 to file their completed 1965 return, Seibert said. By this date, there is a good possibility that depletion "guidelines" would be published. This would allow farmers to include in their completed tax returns any eligible depletion allowance and enable this allowance to be within these established "guidelines."
 There is no substitute for complete and accurate records, emphasizes Seibert. This is particularly true where cost basis, annual depletion rate, and thickness of water bearing strata are used in determining the annual depletion allowances. Guidelines are just part of the total picture cautions the farm management specialist. If questioned, farmers would no doubt also be asked to substantiate the information used in arriving at their cost basis—value used as "water rights." This would also be true for the thickness of the water-bearing strata.
 Farmers who elect to file for water depletion allowance in 1965 will want to keep in close communication with their accountant, water district representative, or other individuals who are keeping abreast of regulations governing irrigation water depletion. Utilizing official rulings may save embarrassing questions and may also result in more income tax savings.

City Basketball League to open

The City Basketball League, sponsored by the Post Junior Chamber of Commerce, will open play with two games Monday night in the junior high gym.
 The league was organized with four teams at a meeting last night. The captains are: Team No. 1, Pete Maddox; Team No. 2, James Brown; Team No. 3, Ed Blanton; Team No. 4, Jimmy Redman.
 Games will be played on Monday and Thursday nights with the first game starting at 7 o'clock.
 Players for the four teams will be drafted by high school coaches. Anyone wishing to play is asked to turn in their names not later than next Wednesday.

Will Bigott is Jaycee basketball chairman.

Judge is named to commission

District Judge Truett Smith of Tahoka was one of the two district judges appointed Monday by the Texas Supreme Court to a commission which will investigate complaints against judges.

Voters created the nine-member State Judicial Qualifications Commission by adopting a constitutional amendment in the Nov. 2 special election. It will study complaints that state court judges are guilty of misconduct or that they are unable to perform their duties properly because of physical or mental disabilities.
 Judge Smith was appointed to a four-year term.

The state supreme court also named two appellate judges as well as two district judges. The Texas Bar Association will select two attorneys to serve on the commission and Gov. John Connally will appoint three laymen to complete the commission.

Commission members receive no pay.
 The supreme court may remove a judge from office if the commission finds him guilty of misconduct. The constitutional amendment also empowers the supreme court to require a judge to retire if the commission believes he is too disabled to perform his duties properly.

Lions selling house numbers

Lions Club directors voted following Tuesday night's meeting to sell reflector-type house numbers for the benefit of their community eye health project.
 The house numbers, which may be installed at the curb or on the house, will sell for \$1 each. Anyone wishing to purchase the numbers is asked to telephone 3245 or 2500.

Announcement was made that the club has purchased a bus ticket to and from Galveston for Ed Franklin, who is going there to have his eyes treated. Franklin recently went blind, but his eyesight has been partially restored, Lion President Jim Jackson said.
 The directors voted to sponsor a talent show again this year and are taking entries at this time. A date for the show has not been set.

The program at Tuesday's meeting consisted of a follow-directions quiz conducted by Preston Poole.

Re-evaluation—

(Continued From Page One)
 district will be required to pay in an additional \$3,000 over the \$20,000 increase this year providing the county's economic index remains the same.

County valuation increases therefore mean some sizable loss of state aid funds in the future to school districts of this county.
 Exactly how much can't be determined and will depend too, of course, upon how much total county property valuation is increased next year plus other factors in determining the economic index.

TAXPAYERS already had the bad news from the start that an increase in county valuation for county taxes means taxpayers will have to pay increased state taxes as the state tax rate also is figured on county valuation.
 Shiver emphasized that he is not taking a position as to the county's need to raise county valuations for county tax purposes, but he feels the taxpayers need to understand that it will affect in the future the amount of state aid money which will become available for the operation of the Post school district because in these future years the raise in county tax valuations will affect the schools and how they can be financed.

Post singer takes part in area choir concert

Billy Jack Hodges, member of the Post High School choir, participated in the regional choir concert at Big Spring, Saturday.

After practicing for seven and one-half hours with only a break for lunch, the regional choir presented its concert for the public Saturday night. All except three of the songs the choir sang were memorized.

Problem of water main under study

The city council called Tuesday night for alternate proposals and the cost of each for building a new water main to reach to the new 4-H livestock pens near the rodeo grounds.

The city wants to serve as many potential customers as possible in the water main extension.
 The commission discussed several alternatives of going up either side of the highway and what size main to use so that it could best serve future area development as well as present need.

The commission asked City Supt. E. A. Warren to have City Water Supt. Jimmy Holleman come up with several alternatives together with probable costs of each and his recommended choice.
 The city will meet again at a special session in the near future so as not to hold up construction of the main.

The commissioners also extended the condemnation hearing on an old house which Frank Blanton had moved behind the Post Pharmacy to Jan. 31.
 The hearing extension came after Blanton told the commission he is in the process of purchasing land on which to move the house and had intended to move off the house before the special Tuesday night meeting.

Warren reported the other property cited for such a hearing now being demolished.
 Commissioners also instructed Warren to look into the failure of the owner of the Ameen Hotel property to put the building in proper repair as promised more than a year ago.
 The commission plans to take up the Ameen Hotel problem at its next regular meeting, members indicated.

Hudman rites—

 C., Marvin, Victor and Harold Hudman, all of Post, and John Post, Melvin Bruster and Bernard Brown of Slaton, Velva Brown of Amarillo and Jack Cockrell of Seminole; two sisters, Mrs. Daniels of Abilene and Mrs. Marie Yock of Phoenix, Ariz.; two brothers, Henry of Abilene and Floyd Hudman of Odessa, and a number of grandchildren and great-grandchildren.
 Mr. Hudman's wife preceded him in death in 1955.
 The Rev. Joe Vernon, First Baptist pastor, officiated at the funeral services and delivered the sermon. The scripture reading was the Rev. Clarence Stephens, Methodist pastor, and the prayer by Bernard S. Ramsey, minister of the First Christian Church, Hudman's grandson, Melton Ester of Slaton, said a prayer at graveside.

Vernon Scott sang two hymns at the church services, accompanied by Mrs. Margie Pennell at organ.
 Interment was in Terrace Cemetery under the direction of Hudman Funeral Home. Pallbearers were Dave Sanford, J. D. Campbell, Bailey Matster, Law Scrivner, Harold Lucas and O. Ticer.

Graveside rites held here for Gill infant

Graveside services for 11-month-old David Gill, still-born infant of Mr. and Mrs. Archie Gill of South Ave. F, were held at 3 p. m. Wednesday at Terrace Cemetery, with the Rev. Clarence Stephens, First Methodist pastor, officiating.
 The baby was born dead Tuesday in West Texas Hospital at Lubbock.

Burial was under the direction of Hudman Funeral Home.

Let's Cut County Expenses \$20,600!

I am continuing to advocate a \$20,600 reduction in county expenses even though I was voted down by the Garza County Commissioners' Court last week on the property re-evaluation proposition.

The specific cuts I propose to save the county \$20,600 annually: (1) Eliminate all travel allowance for county judge and commissioners, savings of \$4,100; (2) \$10,000 reduction in road and bridge expenditures for all precincts; (3) elimination of judge's secretary, \$3,000 savings; (4) eliminate one deputy clerk at \$3,000 savings; (5) make one deputy tax assessor half-time, \$1,500 savings; and (6) miscellaneous reductions, such as long distance phone calls, supplies, etc., \$1,000 savings.

Proposed salary reductions would not necessarily throw a greater amount of work on remaining personnel as the present work force was hired when the county was geared to a far greater work load than exists today.

Morton, Denver City next for Post Antelope cagers

Does will play Tahoka Friday

The Post Antelopes will continue their bid for the District 4AA basketball championship in games at Morton Friday night and against Denver City here Tuesday night.

The Post Does will meet the Tahoka girls at Tahoka Friday night, but do not have a game scheduled Tuesday night. Neither Morton nor Denver City has a girls' team.

The Antelopes are favored over the Indians at Morton Friday night, but the game here Tuesday night with the defending champion Denver City Mustangs is a horse race of another color.

Morton lost to Slaton by 34 points Tuesday night, while Denver City was drubbing Frenship 28 points.

Coach D. W. Harkins' Denver City team won the championship in their division in the Caprock Holiday Tournament at Lubbock, but lost two games in the Crane tournament after opening with a win over Sterling City.

The Mustangs have lost close contests to Seminole and Andrews, Class AAA schools, but won over Brownfield, also a Class AAA school.

David Mitchell and Jim Spivey, who is 6 feet 6 inches tall, have the scoring in most of the Mustangs' games this year. Spivey scored 27 points in Denver City's win over Andrews. Other starters for the Mustangs include Greg Black, Vernon and Ricky Henson.

Post's go-go "B" team, which won the New Home tournament over the weekend, will play the Denver City and Denver City "B" teams in preliminaries to the varsity games with Morton and Denver City.

Although looking ahead to Denver City, Coach Will Bigott's Antelopes aren't taking Friday night's

Post stuns Slaton in 4AA lidlifter, 85-61

The Post Antelopes not only won their District 4AA opener when they defeated the Slaton Tigers, 85-61, here last Friday night, but they also gained revenge for the only blot on their record — a 53-52 loss to Slaton a few weeks ago in the Idalou tournament.

Playing before one of the largest crowds ever to attend a game in the local gym, the Antelopes jumped off to a 17-8 first quarter lead and were never headed. They were out in front 44-27 at halftime and 65-47 going into the final period.

Sammy Sims started the scoring for Post with a quick field goal and by the end of the first quarter Ronnie Pierce had hit three fielders and two charity tosses, Donnie Windham two field goals, Davis Heaton a field goal and a free throw and Ruben Solis a free throw.

Jackie Mason, held to two field goals in the first half by a tight Antelope defense, led a Slaton rally in the third quarter that at one point pulled the Tigers up to within eight points of the Antelopes.

The Tiger star for the night, however, was Richard Washington, who scored 16 points before foul-

ing out early in the fourth period. Post out-rebounded the Tigers, but had a few anxious moments throughout the game because of the success of Washington, John Henry Johnson and Orin Smith in driving for the basket.

Pierce took scoring honors for the night with 36 points on 13 field goals and 10 free throws. Heaton and Windham scored 15 points each.

Except for Birch Lobban, who came in for Sims, Coach Will Bigott stayed with his five starters throughout most of the game.

Late in the contest, Filemon Vargas went in for Heaton when the latter fouled out, and still later, Coach Bigott cleared his bench, giving J. O. Smith, Ricky Welch and Luis Ayala a chance to see action in the district opener.

The scoring summary:

SLATON — Mason 6 1 1 13; Smith 1 2 4 4; Johnson 4 1 3 9; Cristan 4 2 4 10; Washington 6 4 5 16; Ethridge 0 0 2 0; Hall 1 1 2 3; Pickens 1 0 0 2; Burrell 1 0 0 2; Farwell 0 2 3 2. Totals 24 13 24 61.

POST — Sims 2 0 3 4; Windham 6 3 4 15; Pierce 13 10 2 36; Heaton 5 5 5 15; Solis 2 5 4 9; Lobban 3 0 1 6; Vargas 1 0 2 2; Smith 0 0 0 0; Welch 0 0 0 0; Ayala 0 0 0 0. Totals 32 21 21 85.

Cage coach sees even chance for district title

Post High Basketball Coach Will Bigott told Post Rotarians at the club's Tuesday luncheon in City Hall that he believes the Antelopes have "as good a chance as any team to win district this year."

Denver City, the defending champs, will be the No. 1 hurdle if the locals are to break the Mustangs' five year reign as cage champions. Bigott said district is much better balanced this season than recent years when Denver City completely dominated play.

"We have seven district games to play and we will appreciate your fan support," Bigott told the Rotarians. He added that the Antelopes' present record is 16-1.

In his talk on the basketball program, Bigott reported that 42 high school boys reported for basketball this year — a record turnout.

Of these 11 have been retained on the varsity squad, 13 on the junior varsity and 12 on the freshman squad. This year's varsity squad is composed of six juniors and five seniors.

He said that 12 of the candidates did not go out for football participated in a pre-season program devoted to weight lifting, running, and instruction in basketball fundamentals.

Judy Huff's 24 points led the Post scoring, with Irene Saldivar getting nine, Karen Lee, three, and Sharon Bilberry, two. Vickie Martin and Isabell Valdez were other forwards.

Seeing action at the guard posts were Cathy Orf, Brenda Holly, Glenda Watson, Judy Martin and Theresa Sims.

"The Chalk Garden" set as Wayland production

PLAINVIEW — The coming of age is theme for the 1966 Homecoming production at Wayland Baptist College, "The Chalk Garden," a three-act play by Enid Bagnold, announces Jerry P. Watson, director.

Performances will be on Feb. 10, 11 and 12 in Gates Hall Auditorium on campus. Curtain time on Thursday is 7:30 p. m., and Friday's performance will get underway following the annual Homecoming banquet. On Saturday, during Homecoming Celebrations, the play is set for 2 p. m.

SPUR APPOINTS TWO

SPUR — The Spur city council has reappointed Ransom Galloway to a new two-year term as the town's representative on the board of directors of the White River Municipal Water District and has appointed Foy Riddle to a two-year term as a new member of the board. Riddle succeeds George Gabriel, who had been a director since the board was organized.

Frosh team in Snyder tourney

Post's freshman basketball team will play Sweetwater's freshmen at 8 p. m. Friday in a first round game of the Travis Junior High School's 9th grade tournament at Snyder.

The winner of the Post-Sweetwater game will play the winner of the Travis-Goliad game at 11:30 a. m. Saturday. The Post-Sweetwater loser is to meet the Travis-Goliad loser at 8:30 a. m. Saturday.

Other teams in the tournament are Runnels, Colorado City, Lamar and Stamford.

'B' team girls lose in tourney

The Post Does "B" team lost to Frenship "B", 44-38, last Thursday in the single elimination New Home Basketball Tournament.

The Post team was ahead, 8-7, at the end of the first quarter, but were behind, 20-17, at the half. They cut Frenship's lead two points in the third quarter to trail by only one, 31-30, going into the final period of play.

Judy Huff's 24 points led the Post scoring, with Irene Saldivar getting nine, Karen Lee, three, and Sharon Bilberry, two. Vickie Martin and Isabell Valdez were other forwards.

Seeing action at the guard posts were Cathy Orf, Brenda Holly, Glenda Watson, Judy Martin and Theresa Sims.

Does rally for close loop win

The Post Does opened their District 4AA campaign on a winning note here Friday night by eking out a 53-51 victory over the Slaton Tigerettes, but had to come from behind in the third quarter to do it after trailing 20-8 at the end of the first quarter and 28-22 at the halftime intermission.

The Does were way off form in the first half, particularly the opening quarter when they repeatedly threw the ball away or lost it on other errors.

The home team began settling down after the halftime intermission, however, going around the visitors and them grimly hanging on. They were ahead by three points, 42-39 going into the final period.

With the Tigerettes fighting gamely and both teams fouling excessively, the game was in doubt right up until the final whistle, which broke pandemonium loose on the Post side of the crowded gym.

After the shaky first quarter start, Coach Jiggs King began shuffling his line-up, substituting Pat Landreth for Sherry Woods at a forward position and sending starting forward Edith Johnson to the other end of the court as a guard.

Marilyn Jones hit 13 field goals and 12 free throws to take scoring honors with 36 points. Judy Tefertiller scored 30 points for the losers on 10 fielders and the same number of free throws.

Other scorers for Post were Landreth, eight; Johnson, six; Woods, two, and La Gayluah Young, one.

The Does hit 20 field goals to 15 for Slaton, but fell behind at the free throw line, where Slaton hit 21 of 29 and Post 13 of 20.

Seeing action at the guard positions were Marcia Newby, Marta Solis, Cheryl Pennell, Linda Altman and Johnson.

'B' five captures tournament trophy

The Post Antelope "B" team won the championship trophy in the New Home Basketball Tournament Saturday night by shooting down the Frenship "B" team, 83-51, behind Duke Altman's 30-point shooting.

Coach Charles Black's Post cagers had won their way into the finals by disposing of Lubbock's Christ the King in a first round game Thursday and then breezing by the Petersburg "B" team, 83-51, in a semi-finals contest.

Against Frenship in the championship game, Post raced to a 32-11 first quarter lead, were out in front 56-25 at the half, and led 69-36 going into the fourth quarter.

Helping out Duke Altman's 30 points were 15 points by Dennis Altman, 11 each by Norman Tanner and Nick Pantoja, seven by Ronnie Petty, six by Roy Sappington, two by Charles Harper No. 1, and one by Danny Pennington. Mike Robinson also saw action.

Tanner was high scorer in the semi-finals win over Petersburg with 24 points. Other scorers for Post were Duke Altman, 22; Dennis Altman, 13; Pantoja, 10; Sappington, eight; Charles Harper No. 1, four; Charles Harper No. 2, two, and Petty and Pennington, one apiece.

Deer and turkey takes estimated

AUSTIN — The 1965 Texas big game season just ended produced an estimated 211,548 deer and 12,852 wild turkey for sportsmen, according to preliminary figures based on field reports by Texas Parks and Wildlife Department personnel.

It was emphasized that the totals are not final and serve only to provide "an early estimate of the kill."

The official totals will not be available until the shooting preserve records are compiled later this year.

These are based on the approximately 9,000 reports made by land owners, land renters and others who operate hunting facilities throughout the state and who charge for hunting privileges.

Under the law, records are required to be turned over to the department by May 1 each year.

The books, designed for itemizing harvest results, are meticulously kept by conservationists eager to cooperate under the state's game management program, said a Department spokesman.

Weather is unusual to pastor, family

By MRS. EDMUND WILKE

Today (Monday) we are feeling a little bit of winter weather that we have been waiting for. I, for one, am glad to see some cold weather, and maybe it won't be too many days until we get some rain or snow. Granted, warm weather and sunshine are very nice at this time of year, but it just isn't what we really need. Our new pastor, the Rev. Richardson, is from Illinois, living for the first time in Texas. He and his family just can't get over this weather. Well, it has kinda been unusual, hasn't it?

Little four-month-old Michelle daughter of the Michael Dowises of Lubbock is spending a few days with her aunt and uncle, Mr. and Mrs. Willie Becker Jr.

Mrs. Gilbert Becker and daughter of Kansas City, Mo., have been here two weeks visiting the Willie Beckers and her parents at Brownfield. They returned home with the Willie Beckers who had been in Kansas City visiting them and other relatives. They had a bad pick-up wreck in Amarillo on the way here, but luckily no one was injured seriously.

Mr. and Mrs. Carl Cederholm visited the D. D. Pennells during the weekend. Other visitors in the Pennell home were their children, the Jerry Pennells and Harvey of Lubbock, the Donnie Pennells and the Kenneth Callaway family. Tracy Callaway has been staying with the Pennells during the day while her mother was working.

We were so sorry to hear that Mr. and Mrs. Lary Alford were involved in a car wreck near Lubbock Sunday night. Mrs. Alford, Donetta is the daughter of Mr. and Mrs. Sam Ellis. They were riding in the back seat of the car and weren't hurt as badly as the couple in the front seat. May God grant them a speedy recovery.

Mrs. Ed Siewert has been dismissed from Mercy Hospital and at the present time is staying with her daughter, Mrs. Bob Camden, at Slaton.

Mrs. Gertrude Stolle has also been dismissed from Mercy Hospital and is recuperating at the Dan Siewert home at Slaton.

Mrs. T. W. Bryson entered Methodist Hospital Sunday evening to undergo surgery Monday morning.

BRO. AND MRS. Hill and Darrell are enjoying company this week. Their son, Don and family are here for a visit. Don is in the Air Force and has been stationed at Shreveport, La., but is leaving for a two-year stay in Guam shortly.

Mrs. Bess Gregg of Post and Mrs. Neil Crosby visited Max and Ethel Davis at Cleburne for a week while there they went to Fort Worth one day.

Mr. and Mrs. Neil Crosby visited her brother and sister-in-law, Mr. and Mrs. Willis Bascham, at Midland. They had recently visited their daughter and family, the Johnny Rodgers at Crane.

Recently Mrs. Paul Winterrowd was visiting in Fort Worth and was downtown. You know how it is when you are in a big city with people all around you and not a familiar face anywhere. Well, all of a sudden she thought she saw someone she knew and sure enough it was Mrs. Hansel Hallman. What a coincidence.

Our basketball teams didn't do so well this past week. The high school teams lost to Shallowater Tuesday night and our junior high teams both lost their games in the Roosevelt Tournament. All teams will play Cooper this week and we wish them better luck.

Mr. and Mrs. C. W. Gary of Shallowater and the John East of Slaton visited the Jack Hargroves on Sunday.

The J. F. Allen family of Denver City visited Mr. and Mrs. Delbert Abshire and family Sunday night on their way home from Oklahoma. They are cousins of the Abshires.

Mr. and Mrs. Lee Mayberry and sons have moved to Slaton.

Edmund's sister, Mrs. Bertha Betts, is back in Methodist Hospital and had leg surgery again. This makes the third time since she broke it about three years ago. We are all hoping that everything goes right this time because she sure has suffered with it.

Mr. and Mrs. Weldon Becker's house burned one day last week close to Flovada. Weldon used to go to school here and his wife, Mazie, is a Slaton girl. It is a terrible thing to lose all of your belongings like that!

Sunday visitors of Mr. and Mrs. Payton Crawford were the James

December wrecks kill 2 in Garza

The Texas Highway Patrol investigated 11 accidents on rural highways in Garza County during December, according to Sgt. A. E. Roberts, Highway Patrol supervisor of this area.

The 11 accidents resulted in two persons killed, four injured and a property damage estimated at \$7,760.

The rural traffic accident summary for the calendar year in Garza County shows a total of 52 wrecks, resulting in two persons killed, 28 injured and an estimated property damage of \$38,480.

Four of the 29 counties in the Highway Patrol's Lubbock district had no traffic fatalities during 1965. These were Bailey, Kent, Terry and Throckmorton — but 77 persons were injured and property damage reached \$95,975 in those four counties during the year.

VISIT IN COLORADO

Mrs. Al Norris left Sunday for a visit in Canon City, Colo., with her sister and brother-in-law, Mr. and Mrs. George Bayer.

Crawford family and Miss Janet Hollingsworth. Mr. and Mrs. J. S. Hamaker visited the Crawfords on Saturday.

WE WOULD like to extend our congratulations to Mr. and Mrs. Robert Lee Mock who were married Saturday night. May they share many, many years of happiness together.

Mrs. G. D. Ellis held a good old fashioned quilting party in her home last Thursday. Each lady that could stay for lunch brought a dish and they all enjoyed a pot luck luncheon. Attending were the following: Meses, Winnie Henderson, Lillie Short, Nora Willingham, Lucille Myers, Evelyn Hill, John Leake, Nancy Belk, Elsin Crawford, Dahlene Dunn, Ed Denton, Tommy Wilson, Ruby Ellis, and Mrs. Yeates and a Mrs. Cavanaugh of Slaton. I was invited and was so sorry I didn't get to go because I bet that the ladies had fun, sewing, talking and eating.

Mr. and Mrs. G. D. Ellis went to Lubbock Saturday and enjoyed some good "84" games with Mr. and Mrs. Straley, Mr. and Mrs. Ben Vernon and Mr. and Mrs. Otto Karnes.

Sounds like Mr. and Mrs. Arthur Smallwood had a big birthday party at their house Sunday. Their two sons have birthdays in January and they usually celebrate them together. Douglas was 13 on the 16th, and Ronnie was seven on the 4th. Those attending the celebration and dinner were Mr. and Mrs. David Daniel and children, Mr. and Mrs. Herbert Pinkert and Janis of Lubbock, Mr. and Mrs. Harvey Hancock and children of the Robertson community, Mr. and Mrs. Jerry Don Ross and children of Wilson, Mr. and Mrs. Fagan Ross, Mrs. Annie Davis and Mr. and Mrs. Joe Ross and Demetra of Slaton, Mr. and Mrs. G. N. Smallwood, Terri and Julie. Bet they all had a big time! Birthday parties are such a great fun.

RENAL B. ROSSON

Renal B. Rosson is candidate for re-election

Renal B. Rosson has announced he would seek the Democratic nomination for candidacy for election to the office of State Representative of the 74th Legislative District of Texas, which under the recent Apportionment Act is composed of Baylor, Borden, Fisher, Garza, Kent, King, Knox, Scurry and Stonewall counties.

Rosson was born at Breckenridge, in Stephens County, Dec. 24, 1919, and moved to Scurry County with his parents in 1928 where he attended public schools and was graduated from Snyder High School in June, 1937. He is a graduate of Texas Technological College with a BBA degree, and the University of Texas with a LL.B. law degree. Rosson is a veteran of World War II and is presently a member in the U. S. Air Force Reserve, retired.

Rosson served two terms as district attorney of the 132nd Judicial District of Texas, and has been engaged in the active practice of law in Snyder for more than 15 years.

As a member of the legislature for the past seven years, he has served on many of the important committees in the House of Representatives including the Appropriations Committee. At the present time he is chairman of the Judiciary Committee, and a member of the Livestock & Stock Raising, Insurance, Judicial Districts, and local and uncontested Bills Committees. He was recently appointed chairman of the Inland Water Pollution Study Committee composed of a number of outstanding citizens from different areas of Texas. He is also a member of the Texas Civil Judicial Council which makes studies and recommendations for needed changes in civil laws of our state.

Rosson states that he has enjoyed the work of this office, and greatly appreciates the opportunity to represent this area of West Texas as a legislator in Austin. He is also deeply appreciative of the cooperation which he has received from the people in the past, and feels that the experience which he has gained by serving in the House of Representatives will be bene-

Letters to the Editor...

TODAY'S YOUNGSTERS

To the Editor: Nearly all the magazines and papers we read, there is something about "teen - agers delinquent."

When we open a box of apples we always look to see if there are any bad apples. We usually find one or two. We never think about condemning the whole box because there was one bad one.

In these modern times we have radio, TV and daily papers, and we know that everything bad that takes place. But there is very little said about the fine outstanding youngsters all around us.

When I was young, we had bad boys and girls, along with the youngsters. We never knew much about what was going on, except in the county where we lived.

Don't you think, honestly, that we ought to quit pronouncing judgment on all our fine youngsters just because we have a few bad? I know a lot of youngsters who I admire and respect. Many of them are trying to live right, despite the examples we older people are setting in front of them.

Respectfully,
L. P. Baker

Gets foot caught in boll puller

By MRS. GLENN DAVIS

A number of farmers finished pulling cotton last week but there are some who didn't quite finish.

Bobby Cowdrey had the misfortune of getting his right foot caught in a boll puller Saturday afternoon. It is painful but he did not break any bones. We are hoping it will soon heal.

Mr. and Mrs. Aubrey Ritchie were Sunday luncheon guests of Mr. and Mrs. Fred Gossett.

Mr. and Mrs. Gary Glasscock and baby recently visited her parents and sisters, Mr. and Mrs. Joe Taylor.

Mr. and Mrs. L. E. Rylant and Larry of Lovington, N. M., and Mr. and Mrs. Marion Mathews and Phil of Morton were Sunday luncheon guests in the Carl Fluit home. Afternoon guests were Mr. and Mrs. Grover Mason.

Sunday visitors of the Bobby Cowdrey family throughout the day were the Bruce Evans, the Bob Bakers, Mack Ledbetters, Vernon Lusk, Melvin Williams family, Jim Redman, Bryan Maxeys, Delmer Cowdrey, Lonnie Peels, Elmer Cowdrey, Mrs. Glenn Davis and Stephanie and Patricia Davis.

Mr. and Mrs. W. D. Williams and Quay and Svan Thomas and the Quannah Maxeys visited Saturday evening with the Ray McClellans. Kim went home with Quay to spend the night and Sunday.

WE ARE SORRY the Jimmy Byrd family is moving. We will miss Mrs. Byrd and the children each Sunday at the Church of Christ and at Bible class each Wednesday evening. We wish for them the best of everything in their new home.

The Melvin Williams family visited Friday evening with the Troy Nelsons and Saturday evening with the Stanley McMillans. They showed slides of Holland.

Mr. and Mrs. Walter Crider and grandson, Bill Doggett, visited during the weekend in Chico with her mother, Mrs. John Lawson.

Linda McMahon spent the weekend at home with her parents and attended a bridal shower for Mrs. G. T. Mason.

Mr. and Mrs. Elvius Davis and Mrs. Jerry Ligon visited Sunday afternoon with Glenn Hill in Methodist Hospital. They report Glenn is much improved after undergoing back surgery and will probably be discharged to his home in Plainview sometime this week.

Mr. and Mrs. Mack Ledbetter and family, Mrs. Johnnie Rogers, and Mrs. Cletus Pollard and children were Sunday luncheon guests of Mr. and Mrs. Melvin Williams. Mrs. Ledbetter celebrated a birthday Sunday.

Mrs. Mason McClellan, Mrs. Jerry Ligon and Mrs. Lewis Mason visited Saturday in Lubbock with the family of the Travis Guy baby in West Texas Hospital.

Mr. and Mrs. Fred Gossett visited at St. Mary's Hospital Saturday with Mr. and Mrs. Bill Bennett.

Mr. and Mrs. Hugh Blevins and daughters of Lubbock visited Sunday with her sister and family, the Jimmy Doggetts. Tommie Wilson visited a short while.

LeAnn Williams spent Saturday night with the Jack Burkett family.

Mrs. Delwin Fluit entered West Texas Hospital Monday and was scheduled to undergo surgery Tuesday morning. We wish for her a quick recovery.

Mrs. David Rogers and sons and Mrs. Oleta Hawkins and children visited Saturday afternoon with Mrs. Melvin Williams and David.

The Jimmy Parrish family were Saturday overnight guests of his parents, Mr. and Mrs. Ambers Parrish.

Mrs. Troy Nelson was on the sick list Sunday and unable to attend church services. We hope she is feeling better.

Mr. and Mrs. John Sibert of Winnet, Mont. are spending a few days with their friends, Mr. and Mrs. L. G. Thuest Sr.

MRS. JOE McCOWEN entertained with a party honoring her daughter, Nancy, on her sixth birthday Saturday afternoon. Those attending were LeAnn and Andy Williams, Cindy and Jana Terry, Kar-

Kindergarten to take train trip

The Methodist Kindergarten and Pre-School will begin its new term with a train trip excursion to Slaton on Friday, Jan. 28.

The group will be served a brunch at Bruce's Restaurant, after which they will return by bus coach to Post. The trip will climax an intensive study by the children on public transportation.

The first school semester will be completed Jan. 21 when the children will present individually made report card scrapbooks to their parents.

Persons interested in enrolling their children for the second semester may call the church office or the director, Mrs. Ed Paetzel, at 3045. Four-year-olds will be accepted on a regular three-day basis for this term.
