Mason and Dee Justice are shown at a chemical display in the physical science classroom of Tom Hamilton at Post High School. The board is only a part of the molecular display, with others dangling from the ceiling the length of the classroom. —(Staff Photo)

Hospital is turned down for renewal of Medicare

Unpaid billings total \$13,000

Hospital trustees and Administrator Kenneth Sledge haven't given up the fight, but — unofficially, as of now — Garza Memorial Hospital has been turned down for renewed Medicare participation and left holding the bag on \$13,000 in Medicare billings since Dec. 18.

will be knocked off Medicare's certification list. The chairman went on to point out that big hospitals who can meet the requirements are going to be "swamped with Medicare patients" that the smaller hospital can't admit if the rules of Medicare aren't changed. "It's not fair to require small hospitals to meet the same standards as large hospitals," Sawyers said. "Medicare should have separate rules and regulations for smaller hospitals."

Administrator Sledge told The Dispatch that there is a provision under which the county hospital could be approved for Medicare if authorities would apply it to the local case as they did back in July of 1967 when Garza Memorial Hospital originally received Medicare approval for one year. This provision permits hospital certification providing the hospital

is making the best possible use of its resources to improve its facilities. The local hospital didn't have a registered nurse on duty at all times last July either, but it was approved under the above provision that it was doing its best to improve its facilities. The administrator said the hospital here has an "appeal coming" when official rejection for certification is made. (See Medicare, page 8)

Farmers Union event

225 expected at tonight's banquet

Approximately 225 persons are expected to attend the Garza County Farmers Union first annual banquet at 7 o'clock tonight (Thursday) at the Community Auditorium. Jay Naman of Waco, president of the Texas Farmers Union, will be principal speaker at the banquet, discussing legislation of importance to farmers and ranchers. The program, which will be emceed by Arnold Sanderson, president of the Garza County Farmers Union, will also include talks and entertainment. Mrs. Donald Wooten of Crosbyton, a state director of Blue Cross and Blue Shield, will speak on the organization of a Tel-a-Lady

program, Sanderson said. Miss Andrea Wooten of Crosbyton will be in charge of the youth portion of the night's program. Entertainment will include numbers by "The Ranch Hands," an instrumental group of Post youngsters Cy Willson, John Johnson, Jimmy Norman and Bruce Sanderson. They will be accompanied by George M. Willson. Joe Rankin of Ralls, District 2 director of the Texas Farmers Union, will introduce the principal speaker. There has been an advance sale of tickets to the banquet, but those who have not yet purchased one may do so at the door tonight.

Reception Friday for Preston Smith

Lt. Gov. Preston Smith of Lubbock, a candidate for governor, will be guest at an informal reception from 4:45 to 5:15 p. m. Friday, March 1, in the First National Bank Community Room. All citizens of Post and area are invited to be present, to talk with the lieutenant-governor and to hear his informal remarks. Jackson's Cateria will cater coffee and cookies for the reception. Well-known to Post and Garza County citizens in general, Lt. Gov. Smith has appeared as a chief speaker at local banquets and meetings. The 54-year-old Lubbock businessman has served as lieutenant-governor for five years. Before his election to the office, he served six years in the State Senate, and previous to that was a member of the House of Representatives from the Lubbock district for six years.

readers won't see to the Post Dispatch other 28 years — unless the old town booms patch grows into a big daily. Feb. 29 Leap falls on Thursday only 28 years.

Post's 1968 rodeo goes back to senior status

For the first time since 1964, this year's Post rodeo will not be a combined senior-junior affair, directors of Post Stampede, Inc., have announced. The rodeo, set for Aug. 6-9, will be staged entirely by Post Stampede, Inc., the two rodeo groups having reached a mutual agreement not to combine this year's show. Stockholders of the Post Junior Rodeo Association will meet Monday night, March 4, to decide whether or not they will stage any sort of rodeo event this year. They have considered putting on a "Little Britches" rodeo, according to Pete Maddox, president of the senior board of the junior rodeo association. Directors of Post Stampede, Inc., met Monday night and signed a contract with Charlie Plummer of Elk City, Okla., to produce the August rodeo here. Plummer is considered one of the country's top amateur rodeo producers. The rodeo he put on at Canadian, Tex., last year was voted the most outstanding amateur rodeo of the year by the Southwestern Cowboys Association. An officer of Post Stampede, Inc., said following Monday night's meeting that the organization in-

tends to put on this year's rodeo in the best tradition of those held here from 10 to 15 years ago — when the whole town "went western" for one entire week just ahead of and during the rodeo. Plans are being made to sponsor a beard-growing contest and other promotions for Western Week, and to have one of the best rodeo parades in the event's history. (See 1968 Rodeo, page 8)

around town isn't streets as it appears muddy, but instead "mud" due to eight weeks of wet weather.

The bonus books range in price from \$3 to \$11 each and carry admissions to various special attractions on the grounds. The variety includes books for persons who already have their \$2 gate admission and those who do not but are just beginning their

Post minister named as new volunteer librarian

The Rev. George L. Miller is the new volunteer librarian of the Post Public Library. He was named Monday night by library trustees to fill the vacancy left by the resignation of Mrs. Rosemary Chapman Jan. 1. In another major action, trustees at the request of the new librarian and Mrs. Patty Kirkpatrick, new overdue book secretary, reinstated library fines of 5 cents per day for overdue books, effective Monday, March 18. A \$2 maximum was set for each individual book fine. The fines were reinstated, after several months of experimentation without fines, because more and more books are now overdue and in many cases volunteers are having difficulty in getting them returned. Some have been overdue since November. A change in procedure, Miller told trustees, will in the future prevent anyone having an overdue book out from checking out additional books until the overdue book is returned. Miller announced that Mrs. Marge Lee, high school librarian, has volunteered to catalogue incoming books for the Post Public Library. The new librarian was asked to work out a summer reading program for various youth groups (See Library Board, page 8)

Bailey Mayo new United Fund head

Bailey Mayo is the new president of the Garza County United Fund organization for 1968. New officers for the funding organization were elected at a recent organization meeting. Mayo succeeds Dick Dickson in the top post. Harold Lucas was elected vice president and Mrs. Ruth Ann Newby, secretary. Lou Marks was re-elected treasurer. New directors named were Mrs. Newby, Ronnie Morris, Fred Myers, and Charles Adams. Eight holdover directors remain on the board. Directors going off the board include Dickson, Vernon Scott, Mrs. Ronald Babb and Lonnie Duke.

Uranium major looks over Garza

For the last two weeks when weather permitted, a major uranium firm has been doing both aerial and ground reconnaissance work throughout Garza County. The Dispatch understands the firm will be back in the near future to make a more detailed study.

During Public Schools Week

Patrons invited to school open houses

The Post schools will hold open houses Monday and Tuesday evenings in observance of Texas Public Schools Week, March 4-5. The open houses at the high school and junior high school will be from 6:30 until 8:30 Monday evening, and at the elementary and primary schools from 6:30 until 8:30 Tuesday evening. An invitation is issued patrons to visit the schools at any time during the week while classes are in session, Supt. Bill Shiver said. The superintendent said open houses are being held two nights this year instead of one to give patrons time to attend open house at more than one building during Public Schools Week. Parents are being urged this year to come with their children when they attend the open houses at the schools. "We want you to let your children 'bring you' and introduce you to their teachers when you attend our open house," said Vernon Payne, principal of the elementary and primary schools. Payne said members of the Future Teachers of America chapter will be present at the elementary and primary school buildings Tuesday night to "take charge" of the parents who do not "let their children bring them." At the high school and junior high school open houses Monday evening, refreshments will be served in the buildings. During the elementary and primary schools' open houses, refreshments will be served in the school cafeteria, with members of the Future Homemakers of America chapter assisting with the serving. Payne said patrons attending the open houses Tuesday evening will be introduced to the high school students who are assisting with physical education in the lower grades and also those who are helping with school bus duties. Displays of the students' school work will be on display in all buildings, Supt. Shiver said.

Rev. Curtis Lee to head Rotary

Bob Carpenter is Jaycee of Month

Bob Carpenter is the new club year begins July 1, replacing Ansil O'Neal. Dick Dickson has been named vice president of the club for the new club year and Lou Marks was re-elected secretary. Carl Cederholm will remain as treasurer. The new officers were elected at a recent board of directors meeting and announced at the club's Tuesday luncheon by O'Neal. Rotarians reelected T. B. Odam and A. C. Cash as directors and elected Lee to the third open director position. Both Odam and Cash had served out unexpired terms by appointment. Bill Pool has resigned from the directors and Dickson has been appointed to fill his unexpired term, O'Neal said. One of the Post Junior Chamber of Commerce's newest members, Bob Carpenter, has been named "Jaycee of the Month" for his chairmanship of two projects and his assistance on a number of others. Carpenter, who has been a Jaycee less than three months, currently is a member of the committee on the club's Billy Snow project. An employee of the JELCO Service, Carpenter also is Webelo leader for Cub Scout Pack 314, and is assisting in the American Heart Fund drive now under way here. He and his wife, Sue, and their two sons live at 116 South Ave. O.

X-ray unit return, Interact Club new Rotary projects

Post Rotarians are going to sponsor another appearance in Post of the TB mobile x-ray unit and is moving ahead with plans to sponsor an Interact Club in Post High School. At the club's Tuesday luncheon in City Hall, President Ansil O'Neal named County Agent Syd Conner to make arrangements for the mobil unit's appearance here this spring before school is out. This will be the third appearance of the mobil x-ray unit here the club has sponsored. Bill McBride, the Rotarians' community service chairman, spoke to the club briefly on the Interact Club, which is a Rotary-sponsored youth organization aimed at developing community leadership among community youth. Interact clubs have sprung up by the hundreds under Rotary club sponsorship around the world in the last few years and there are several highly successful ones in this area. Many Rotary clubs have expressed the thought that the sponsorship of such a club is the best community effort they have (See Rotary Club, page 8)

The Weather Doctors—

Grand opening is Saturday

Over \$300 worth of door prizes are going to be given away Saturday when Bill Fellers and David Peterson hold the grand opening of Post's new heating, air conditioning and plumbing firm, The Weather Doctors at 126 East Main. The prize drawings are slated for 3 p. m. Saturday afternoon. Fellers explained the drawings were being held earlier than usual because factory representatives who will be present for the day-long affair will need to be "getting off for home" by late afternoon. Major door prizes include a \$115 Aprilaire humidifier, an \$85 Day and Night glass-lined water heater, and a \$59 In-Sink-Erator garbage disposal unit. All prizes include free installation. There will be free hot or cold drinks and doughnuts throughout the day with free hand fans for all adults and free balloons for the youngsters. The grand opening will get underway at 9 a. m. and persons who register up to drawing time do not have to be present to win one of the many prizes if their names are drawn for them. The two "weather doctors" expanded into Post Jan. 15 from their successful first store at Wilton. Peterson continues to operate the Wilson store and Fellers is manager of the operation in Post and Garza County. Fellers already has moved in one technician, Ken Thorp, and his family and hopes he can bring in a second technician in the near future if their growing business warrants it.

Shown above are Bill Fellers, center, and David Peterson, right, the two partners who will hold the grand opening of The Weather Doctors here all day Saturday. Technician Ken Thorp is pictured on the left. Fellers and Peterson are holding one of the portable TV sets they give away with each add on air-conditioning installation ordered during their present off-season special. —(Staff Photo)

Library easy on delinquent borrowers

Friends of a Public Library are hopeful that the library's new drive-in window service at the City Hall will help get library books back on time.

The drive-in window is certainly a convenience to library users and if it does help get books back on time, it might well prove to be one of the best gimmicks the library has come up with since it was established.

Slowness in returning library books is universal. Many folks who are principled to the point of annoyance in other things are unprincipled about returning books borrowed from the library.

The library staff made it easy on delinquent book borrowers a few months ago by cutting out the collection of fines on overdue books. It is doubtful, however, that this generous gesture has helped get books back on time.

It should, though, if for no other reason than that very few public libraries are as easy on their readers as the Post library, and local book borrowers should show their appreciation by taking their books back when they are due.

As an example of what we're getting at, let's take Stamford, Texas, where the city council has passed an emergency measure making it a misdemeanor to keep library books out beyond a certain length of time.

As in the library here and in most other towns, books are checked out of the Stamford library for two weeks. If a book is not returned at the end of three weeks, a notice is sent out. This is followed by another notice at the end of another week.

The new Stamford ordinance provides for the city to mail a registered letter to the borrower a week after the second notice. If the book is not returned within two weeks after the registered letter is mailed by the city, a charge of misdemeanor will be filed against the borrower.

The ordinance provides that a fine of as much as \$200 may be levied upon conviction.

Also included in the ordinance are provisions for providing penalties for damaging books, manuscripts, records and periodicals.

Goodness knows, being a frequent offender yourself, we're not trying to put ideas in the library staff's head about what should be done in regard to overdue books. We're merely attempting to show procrastinating book-returners why they should be appreciative enough of the library's good nature to return their books within at least a reasonable length of time after they are due. What if they lived in Stamford?—CD

Visit your child's school next week

Patrons of the Post Independent School District are invited to visit the three schools next week, March 4-8, which is Texas Public Schools Week.

This year, each of the three schools—high school, junior high and elementary—is having its own special open house, which is a departure from the usual procedure of one open house for all three schools. By having an open house at a different time at each of the schools, patrons will have more time to visit than is the case when they have to rush from one building to another in order to visit them all within the open house time.

Patrons are also invited to visit the schools at any time during the day next week, while classes are in session.

With Public Schools Week coming up, the question might be asked, "What does it cost to keep a nation progressive—not just in dollars, but in things like the personal help and support we give our children, and thereby our public school systems?"

Our children are our most valuable resources.

You've heard the trite expression many times: "Tomorrow's leaders, etc." And yet, it's true.

So, the cost is not just in what we pay each year in taxes for school books, and teachers' salaries—not just school clothes and lunch money. It's more than that. It's how much and what kind of encouragement you give your child.

And, that's the reason for Texas Public Schools Week. During the week-long observance, you can participate in your child's school life. Visit him in his classroom. Show him you're actively interested in the progress he makes, and that you care enough about him to take the time to visit his school.

When you hear, "Is Texas investing enough in education?" ask yourself, "Am I?" The well-lighted school rooms and libraries, the books—all very important—are just one part of an education. The other part is the help and confidence your child receives through you—his parents.

Show your child you care. Visit his school next week!

March is 'Beautify Texas Month'

March has been proclaimed "Beautify Texas Month" by Gov. John Connally, and while Post and most of the other towns in West Texas probably won't stage their annual cleanup drives until a little later in the year, it is hoped that the idea behind the Governor's proclamation catches on state-wide.

As has been said so many times before in recent months, the state of Texas probably will have more visitors this year than in any previous year in its history. Which is all the more reason why every Texas town and city should take extra special pains in 1968 to clean up and beautify.

COFFEE

IN HIS HONOR
4:15 TO 5:15 P. M.
FRIDAY
March 1

COMMUNITY ROOM OF FIRST NATIONAL BANK

COFFEE AND COOKIES WILL BE SERVED

Pol. Adv. Paid by Garza Supporters of Preston Smith

FRIDAY IS THE first day of March, which this year has five Saturdays—five pay days for those who get paid by the week. There isn't much else that can be said for March, however, with the possible exception of St. Patrick's Day, March 17, which falls on a Sunday this year.

Locally, the month gets off to a start with Texas Public Schools Week, March 4-8, and the third annual Garza County Junior Livestock Show will be March 13-16. The month also brings filing deadlines for City of Post and school board candidates.

INCIDENTALLY, OUR "Happy Birthday" column editor is still looking for a March 5 birthday. That is the only day of the year for which no birthday is listed in our "Happy Birthday" book.

The man up the street says no one is ever too old to learn, but many people keep putting it off.

I DON'T WANT to leave the impression that ours was an unseemly family, but if, when I was a kid, I had picked up a plate and said, "What do you know? I can see myself in this china," I'd have been sent away from the table.

At a Rotary Club meeting in Georgia, the postmaster was to show a film explaining the Zip code and how much faster and more reliable it makes the mail. He got up, stammered a few moments and then said there would be no film. It has been lost in the mail.

MOST PEOPLE believe that they work hard. A great many believe that they work much too hard for the money they get and are always looking around at somebody else who works less and makes more.

Well, maybe none of us have such a hard time, at that. Until he reaches the age of 21, a man's parents are responsible for him and take care of most of his expenses, if not all of them.

After he reaches the age 63, the government takes over.

Subtracting 12 from 63, a calculation which is within the reach of most of us, we perceive that this leaves only 44 years in which a man is pretty much on his own.

But of these 44 years, the average man will, at eight hours a day, sleep one-third of the time, thus cutting his life work to about 28 years.

Add in the Saturdays off and the Sundays, the national holidays, the vacations with pay and other fringe benefits like the coffee breaks every working day and the sick leave, and you can see that the actual chore of working for a living steadily dwindles.

In fact, counting all the time a man doesn't work, you come up with the astonishing fact that the average person works only about seven years of his three-score and ten, or about one-tenth of the time.

In fact, if we actually got down to it and scrutinized the work habits of a lot of people, we could find even this a generous estimate. So quit griping. You don't work as hard or as much as you think you do.

A press agent was admiring a flourishing plant in the office of a newspaper editor. "How did you ever get it to grow so tall?" he asked.

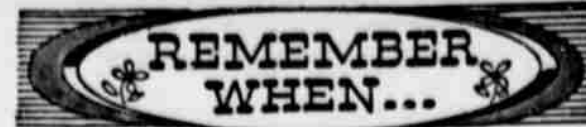

"I'll tell you the secret," said the editor. "We grind up all the press releases that come in, and use them for fertilizer."

SECOND STREET is the first street in America. According to R. L. Polk & Co., publishers of city directories, Second Street is the most common street name in this country. Park Street is in second place, Third Street is third, Fourth is fourth, Fifth is fifth, Main is sixth, First Street?—it's seventh.

It won't be long until Girl Scout Week, a highlight of which will be the annual cookie sale. A few weeks ago, I attended the Girl Scouts' Father and Daughter banquet and heard a "hillbilly band" that everybody ought to hear during Girl Scout Week. The band is composed of members of Troops 84 and 277, whose leaders are Mrs. Homer J. Irons and Mrs. Bill Gandy, respectively. Rotarians, Lions, Jaycees or any other group wanting an entertaining program for Girl Scout Week should get this hillbilly band to play for them.

MOVING TO LUBBOCK

Mrs. J. A. Rogers will move to Lubbock soon and will make her home at 3413 48th St. Mrs. Rogers has lived in Post a number of years and is moving to Lubbock to be near her son-in-law and daughter, Mr. and Mrs. B. H. Powers. She has rented her house at 1008 West 10th St., to Mr. and Mrs. T. B. Odum, owners and operators of Western Auto.

Texas will host safety leaders

AUSTIN — Over 200 prominent personalities from more than a dozen different states and the nation's capital will be featured speakers at the 29th Annual Texas Safety Conference scheduled for March 17-20 at the Sheraton-Dallas Hotel, Dallas. Keynote speaker for the Conference will be Texas Gov. John Connally who will address the General Assembly at 10 a. m. on March 17. He will talk to the 2,000 delegates expected to attend the Conference which is the largest safety meeting held in the Southwest and one of the largest in the nation.

Official Memorandum

By
JOHN CONNALLY
Governor of Texas

GREETINGS:

The State of Texas has had a proud and colorful history, an unsurpassed heritage filled with dedication, devotion and individualism.

We owe a great debt to our forefathers; the pioneers and early settlers whose accomplishments have been an inspiration and a guiding light to all Texans.

All too often, in these modern times, we tend to overlook and fail to recognize and appreciate the labors of these great men and women.

Increased public appreciation is needed for the men and women who toiled, under extreme hardships, and traveled so far corners of our great state, and established themselves as the pioneers of our proud heritage.

The Texas State Historical Survey Committee and the hundred fifty-four County Historical Survey Committees are working diligently and efficiently to Record, Appreciate, Preserve and Survey Texas' historic past. The County Committees, this year, are making a special effort to focus public attention to the dramatic course of events in their Counties, by designating each day of a week for special activities highlighting the various elements of the RAMPS Program such as the identification of the approaches to and areas surrounding historic sites and markers; the locating and recording of noteworthy landmarks; honoring pioneers and early settlers; involving youth in historic work, and touring historical exhibits, sites and markers.

THEREFORE, I, as Governor of Texas, do hereby designate the week of March 4 thru March 9, 1968, as

COUNTY HISTORICAL APPRECIATION WEEK in Garza County, Texas and urge all citizens to support and participate in the activities of this observance.

In official recognition whereof, I hereby affix my signature this 1st day of Feb., 1968.

(s) JOHN CONNALLY
Governor of Texas

The Weather Doctor Is 6 Men in One!

HE SERVICES WHAT HE SELLS—

Stands behind it. Like your car, your year around air conditioning system needs maintenance care on a regular basis—to do its job right, and to prevent costly wear and repair (as you would expect in a car never lubed or oiled). It pays to make sure you buy from someone who wants to do that for you—quickly, competently and economically.

HE IS YOUR NEIGHBOR . . . A LOCAL BUSINESS MAN—

and when you buy something as important and lasting as a heating and air conditioning system it makes good sense to buy from someone you know, someone whose home and family and interests are like yours, someone who values your good will and friendship—and depends on it for his future.

HE IS A FULL-TIME HEATING AIR CONDITIONING EXPERT—

With years of experience in this business already—and looking forward to years more. It isn't just part of his business but all of it, and since it is, he makes it his business to know it—inside out. He gives it his full attention, engineers, installs and services every job as though his future depended on it—because it does.

HE IS A DEPENDABLE BUSINESS MAN—

He owns his business. And when you talk to him you talk to the boss. He speaks for himself as well as his company when he tells you what you can expect for your money, what he delivers, what he guarantees. He doesn't quote and interpret policy and promises second-hand. What you hear from him is first-hand.

HE IS A TECHNICALLY TRAINED EXPERT—

and that is very important with mechanical equipment like a heating and air conditioning system. It isn't a plug-in appliance like a TV set or a dishwasher. Even the best equipment can't do a good job unless it is properly installed. That takes engineering skills. It is wise to buy direct from the man who has those skills—and won't skimp on them.

HE IS AN INSTALLING CONTRACTOR—

He follows through on every job, doesn't just make a sale and leave the rest up to someone else. This means that your system is not only carefully engineered to deliver full satisfaction but it is installed according to plan—the man you buy from makes sure of this. There is no divided responsibility for satisfaction.

Y'all Are Invited To Our GRAND OPENING DON'T MISS IT! A GREAT EVENT! SATURDAY, MARCH 2

Beginning At 9 a.m. - Prize Drawings Begin At 3 p.m.

LET'S GET ACQUAINTED

We would like to meet each and every Garza resident during our Grand Opening Saturday if it would be possible for all of you to come. We expanded into Post from Wilson Jan. 15 with our second Weather Doctors business. David continues to operate the business in Wilson as he has done for 12 years and Bill manages our new Post store.

We would like for all of you to drop in Saturday and see what we have to offer this community and area. Factory representatives of many of our product lines will be on hand to meet you and answer any questions you might have.

As Weather Doctors we offer you: (1) No obligation planning and engineering service on heating, air conditioning and plumbing systems; (2) complete refrigeration and heat recovery and service; (3) preventive maintenance contracts on refrigerated air conditioning and heating systems, as low as \$15 per year; and (4) plumbing installation and repair service.

Please stop by Saturday to say hello, sign up for our many door prizes, have some refreshments, take a look at our sales floor, and take a minute to get acquainted. We want to know you.

BILL FELLERS & DAVID PETERSON

Our Door Prizes Include:

\$115 Aprilaire Humidifier Installed

\$85 30-Gallon Day & Night Glass Lined Water Heater Installed

\$59 In-Sink-Erator Garbage Disposal Installed

Two Annual Preventative Maintenance Contracts for Existing Heating and Air Conditioning Systems, worth \$15 each.

Two Free Service Calls, 7.50 Value Each.

PLUS Numerous Small Prizes.

SIGN UP SATURDAY WITHOUT OBLIGATION FOR THESE DOOR PRIZES BETWEEN 9 A.M. & 2:45 P.M.

Only persons 16 years of age or older, or heads of households eligible for prizes. You do not have to be present to win. Prize drawing to be held at 3 p. m. Saturday.

Workers named in Heart drive

City workers in the American Heart Fund drive now under way in Garza County were named today by R. G. (Wike) Wilkerson, county chairman of the campaign.

The workers include: Bob Carpenter, Mrs. Bill Lawrence, Mrs. Mavis Heaton, Mrs. Walter Didway, Mr. and Mrs. Talley Williams, Bill Shiver, Mrs. Jim Poer, Mrs. C. H. Bausman, Toby Thomas, Robert Pace, Mrs. Jerry Hays and Mrs. Hettie Holly.

Coin containers for the Heart Fund drive have been put in business places, Wilkerson said.

Naval officer and wife visit relatives here

Petty Officer 3rd Class Kenneth Wayne Howard and his wife, Janet, and daughter, Thana Jane, were recent visitors of his mother, Mrs. Judy Howard, and his brother, Keith.

Petty Officer Howard is on his way to Vietnam where he will serve for 12 months after being stationed with the Navy at Charleston, S. C. He has been in the Navy for four years and has enlisted for six more years of duty.

His wife will make her home with her parents in Phoenix, Arizona, while her husband is in Vietnam.

Crime in Texas hits new high mark in 1967

AUSTIN — Crime in Texas during 1967 jumped 11.8 per cent over the previous year to set a new all-time high for criminal offenses, according to the Texas Department of Public Safety.

Col. Homer Garrison Jr., director of the DPS, said today that an estimated 332,986 major crimes were committed during 1967, compared to the 297,510 offenses estimated in 1966.

All major categories of crime showed increases of over 10 per cent during 1967. Murder and homicide rose 12.4 per cent, rape was up 12.8 per cent, robbery climbed 19.0 per cent, burglary was up 11.4 per cent, aggravated assault rose 12.8 per cent, theft increased 11.4 per cent and auto theft was up 14.1 per cent.

Garrison said that only 27 per cent of known offenses were cleared by arrests during the year, compared to a 29 per cent clearance rate during 1966. The national figure for crimes cleared by arrest during 1966 was 24.3 per cent.

Junior Rodeo meeting set for Monday night

All stockholders in the Post Junior Rodeo Association are urged to attend a meeting at 7:30 p. m. Monday, March 4, in the district courtroom.

Plans for the year's activities will be discussed and other business transacted at the meeting.

Trinity Baptist Junior girls bowl in Lubbock

The Junior girls of the Trinity Baptist Church enjoyed bowling in Lubbock Monday night.

Girls going were Nancy Maddox, Sue Britton, Tonya Starcher, Cynthia Morris, Kathy Morris, Susie Smith and her guest, Sherry Brockman.

Accompanying the group were Mrs. Billy Cross and Mrs. Nell Morris and Sherry and Judy.

Anti-Measles drive extended

The Rotary - sponsored "Measles Must Go" campaign of free measles vaccinations for all children, 6 months and over, has been extended an additional week.

The month - long February campaign, which was to have ended today, has been extended to March 7.

Parents may have their children vaccinated at either Post's physician's office or at the nurse's station in Garza Memorial Hospital. A 25 cent voluntary contribution may be made per child for vaccinations at the hospital.

The state furnishes the vaccine without charge. It is hoped to wipe out measles as a health threat to children within the next few years through use of the new measles vaccine.

No new school board filings

With Wednesday, March 6, the filing deadline, no one had filed up to noon Wednesday to challenge the candidacies of A. C. Cash and Kay W. Kirkpatrick for re-election to the board of trustees of the Post Independent School District.

Cash and Kirkpatrick filed for re-election some two weeks ago. Cash as a Place 4 candidate and Kirkpatrick as a Place 5 candidate.

The school trustee election will be held Saturday, April 6.

Webelos to meet

Cub Scouts of Webelo rank — 10 years and older — will meet from 4 to 5 p. m. Saturday, March 2, with Webelo Leader Bob Carpenter at 116 South Ave. O.

Post Lodge No. 1058 A. F. & F. M.

Enlistments in Army Air Defense Command open, recruiter says

S-Sgt. Jerry Kuykendall, U. S. Army recruiter for this area, said today that enlistments into the Army Air Defense Command are now being accepted.

ARADCOM, as it is known, is the Army's contribution to the task of protecting the North American continent from aggressor air attack.

ARADCOM offers qualified men topnotch missile and electronics training and assignment. Because of the lengthy training period and high degree of skill required to successfully perform ARADCOM duties, a minimum initial enlistment of four years is required.

Those enlisting in ARADCOM may select their location of initial assignment following basic training. They will be guaranteed 14 months' assignment to that location as long as ARADCOM units continue to exist in the area.

To obtain a list of assignments being offered, those interested are asked to contact Sgt. Kuykendall at 1010 10th St., Lubbock, or call him collect at PD 23821.

BLACK SOULS ON RAMPAGE

Dennis Hooper (right) with Chris Noel, who he has just kidnapped, on back of cycle, leads his renegades, The Black Souls, in an escape from murder and kidnap charges in "The Glory Stompers," showing this weekend at the Tower Theatre.

Library

LISTENING POST

By ROSEMARY CHAPMAN

Dear Mrs. Chapman: In your column of Feb. 8 you state "It's been three weeks since I've had a column in the paper so I'm going to assume that I've lost all 12 of my fans." Let's see — there's Earl, Larry, Kurt, Mr. and Mrs. Anderson, Mr. and Mrs. Chapman Sr., and me — who are the other four?

In regard to your collection of quarters for a 4010 Book Display Rack being exchanged for a chair or chairs — I have no objections to chairs, only to quarters. New quarters are for use only in apartment house washing machines; old quarters are to be hoarded. I therefore enclose a dollar bill, as pennies are too heavy to mail.

Your Fort Worth fan would like to know how you're fixed for Erle Stanley Gardner mysteries and if you want those detective book club books.

Sincerely,
Vicki Anderson Jones

In all sincerity, smart, I should like to point out that (1) Everybody deserves the right to exag-gerate just a little bit (2) I can't seem to find any dollar in this envelope and (3) We'll take anything we can get.

George Miller, vice president of the Friends, reports that Marge Lee has volunteered to be our new Executive Chairman. We love Marge! In addition, we hear from Mary Prather, Library Aides Chairman, that two old hands, Sue Stevens and Needer Cawley, are working at the library again.

Here's the way our new schedule looks:

- Monday: 9-12 a. m., Ruth Ann Newby
- 2-4 p. m., Sue Shytles
- 4-6 p. m., Larry Barton
- Tuesday: 7-9 p. m., Rosemary Chapman
- Wednesday: 9-12 a. m., Sandra Cowley
- Thursday: 7-9 p. m., Pee Wee Pierce
- Friday: 9-12 a. m., Jo Cash
- Saturday: 9-12 a. m., Louise McCrary

We've recently received several good books from Bill Mills. Bill is one of our best "customers" as well as book donor.

You've already read what columnist Helen Cornish had to say about "The Instrument" in last week's "It's My Turn". Here's what Saturday Review's Herbert R. Mayes has to say about the same book: "John O'Hara and I haven't been on speaking terms for quite a stretch of years, so I'll make my comment as brief and generous as possible. Without the dirt, this thing (The Instrument) — now well up on the best-seller lists — wouldn't sell 5,000 copies." Sounds like the experts agree — I can hardly WAIT to read it!

ATTENTION, TROOPS. For those who have said, "I told you so", congratulations. We will be returning to the fine system for overdue books sometime in the near future. Chronic offenders will please plan to return their books on time or be prepared to pay their fines like a man. No more excuses — if the library's closed, books can be returned at the City Hall drive-in window between 8 a. m. and 5 p. m.

VISIT FAMILY

Mr. and Mrs. Victor Hudman spent the weekend visiting their son and daughter-in-law, Dr. and Mrs. Victor Hudman Jr., at Carrollton, and their sons, Curtis and Joe, at McMurry College at Abilene.

NO CONNECTION

A new Swedish study of 7,801 pairs of twins reports that no association was found between cigarette smoking and angina pectoris, a major symptom of heart disease.

What kind of

installs Gas Air Conditioning in the Winter?

A WISE ONE! He's the kind of nut that's hard-headed about solving a problem before there is a problem. That's the story in a nutshell. Install gas air conditioning now. You'll like the way it makes big cooling jobs seem small. Next summer you'll be the cool one while others are cracking under the heat.

Refreshing Outlook

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

What an exciting, stimulating century we live in! There's so much to see and to do. From morning until night we're on the go, and sometimes we can't sleep because our minds are whirling with plans for a busy tomorrow.

It pays to take time to breathe . . . time to unwind. We need a way to restore our souls and bodies so that the demands of modern life will not be overwhelming.

The Christian faith offers in full measure that healing peace within us that the psalmist describes. The Christian outlook is refreshing in its sincere approach to the problems of our complex society.

Why not join your neighbors, and attend church this Sunday? Here is a way to find "that peace which the world cannot give."

Senior highlights for week revealed

Irene Saldivar GANNON, son of Mr. J. Gannon, is among the graduating class. A member of the Let-ub and the Rodeo Club, he was selected as Most Senior Superlative. He highlights of his school year - Senior Banquet, the junior play, the class parties, football games, and FFA activities.

He plans to work during the summer and attend South Plains Junior College in the fall.

CHARLES HARPER I, better known as "Big Charles", is the son of Mr. and Mrs. Albert Harper. While in high school, Charles has played varsity football and basketball and is a member of the Lettermen's Club. A big high school highlight for Charles was this year when he was elected basketball sweetheart by the Does. After graduation Charles hopes to go to college.

REBA ELAINE HAIR, daughter of Mr. and Mrs. D. O. Hair, is also a graduating senior this year. Reba says that the highlights of high school for her have been the football games and of course to Junior - Senior prom. She plans to get married after graduation.

High School Happenings

By Natha Jo Mears

Last weekend Mrs. Alexander, Mrs. Lee, Danny Cooper, Elbert Rudd and Donna Stewart attended the Future Teachers of America convention in Dallas.

Friday night, everyone enjoyed the Junior play, "Red-headed Royalty from Arkansas."

During activity period Friday, the Seniors and Freshmen had a meeting to discuss Initiation Day.

Also three recruiters of the Army, Marines and Navy talked to the Juniors and Seniors.

Was this a special weekend Adrienne?

FROM PENNSYLVANIA

Mr. and Mrs. G. Lewis Rhoads of Norristown, Pa., arrived in Post Saturday to spend two weeks with their son-in-law and daughter, the Rev. and Mrs. George L. Miller, and granddaughter, Anne Louise.

The Post (Texas) Dispatch Thursday, Feb. 29, 1968 Page 7

In Our Time

WHILE STATIC ELECTRICITY MAY HOLD THE PROMISE FOR FUTURE PROGRESS, WHY SHOULD ONE TOLERATE ITS EFFECTS IN CLOTHING WHILE WAITING FOR SOME YOUNG INVENTIVE GENIUS TO MAKE IT USEFUL?

TODAY WHEN SYNTHETIC FIBERS HAVE HELPED TO REVOLUTIONIZE OUR MODE OF LIVING THERE'S NO REASON WHY STATIC CLING SHOULD BE SUCH A NATIONAL PROBLEM...

ONE CAPFUL OF NU SOFT FABRIC SOFTENER ADDED TO THE WASHER'S FINAL RINSE WILL TAKE ALL THE STATIC OUT OF YOUR FINE SYNTHETICS; DELICATE LINGERIE, BABY THINGS, SUITS, BLOUSES, DRESSES, SLACKS, ETC....

A QUARTER CAPFUL OF FABRIC SOFTENER IN TWO QUARTS OF WARM WATER AS A FINAL RINSE IN SHAMPOOING SYNTHETIC HAIR PIECES WILL ALSO ELIMINATE "STATIC" THAT CAN MAKE THEM HARD TO MANAGE.

High School Editorial

You're Invited to Visit the Schools

Remember, how as a child, you were eager to have your mother and father notice your achievements — encourage your aims and ambitions? Stop to think about it, and we find that even as adults, attention once in a while still feels good.

It's the same for your children. That's why Public Schools Week in Texas is such a good idea.

This year, March 4th through 8th is Texas Public Schools Week, and it's your chance to visit your child at his school. You'll meet his teachers, and see first hand what he's accomplishing — the progress he's making towards his goals.

Besides offering him encouragement, a visit to your child's classroom will let you see how your tax dollars are being spent for modern education. You'll marvel at the many advancements Texas education has made in just the last year.

Texas teachers and the newest innovations in Texas schools are readying your child for tomorrow's world. You can help your child, and our public schools with a visit to your child's classroom during Public Schools Week in Texas, March 4th through 8th. This visit is your responsibility. But, it's one both you and your child will enjoy.

All-Girl Rodeo set at Lubbock

LUBBOCK — An All-Girl Rodeo will be held Saturday and Sunday, March 2-3, at Aulfil's Indoor Sports Arena here. Saturday's performance will begin at 7:30 p. m. and Sunday's at 1:30 p. m.

The rodeo is sponsored by the West Texas Barrel Racing Association and is open to all girls.

A hand-tooled trophy saddle will go to the all-around champion, with the runner-up receiving a sterling silver belt buckle.

The rodeo events are wild cow milking, goat tying, barrel racing, flag race, ribbon roping, pole bending and steer riding.

The featured attraction will be Herby Clay of Wellington riding a wild buffalo.

'Tobacco Road' cast includes Glenn Polk

LUBBOCK — Glenn Polk of Post will have a role in Texas Tech's third major drama of the season — Jack Kirkland's famous adaptation of "Tobacco Road", slated for a four-performance run in the University Theater March 16-18.

Speech Prof. Larry Randolph will direct the play based on Eskine Caldwell's novel about poverty-stricken Georgia sharecroppers during the 1930s.

Polk, son of Mr. and Mrs. T. C. Polk of Post, is cast as Lov Benney in "Tobacco Road".

Items from West Texas Museum are to be on display at HemisFair '68

LUBBOCK — Playing a part in HemisFair '68 will be West Texas Museum, Lubbock, when several historical items from the Museum collection go on loan to the Institute of Texan Cultures.

In one of the largest glass showcases in the Institute's exhibit of Anglo-American Ingenuity will be placed a harness maker's bench of the 1880's.

Two pieces of early Spanish armor, used by the explorers of Coronado's day, will be exhibited in the Spanish section.

Also on loan will be a Winchester rifle, of the type used by the early settlers on the South Plains.

The Institute of Texan Cultures will tell who came, when, where they settled, and what they contributed to the State's development. Some 25 major ethnic groups have been recorded as helping to determine the future of the State.

Photos of an old Eclipse windmill, on display in the Museum's Life on the Plains Gallery, and seen by hundreds of school children each year on special tours of the Museum, will be used to reconstruct a similar windmill in the Institute of Texan Cultures at HemisFair.

The items in the exhibits will be seen by the public during the six months of the fair, after which they will be returned to the Museum, and the Institute will enter into its permanent phase, to function as a "clearing house" between museums and the people of Texas.

Oil men hope for dry spell

Many oil operators are hoping for dry weather after the current siege of freezing rain, ice and snow in much of West and North Texas and the Texas Panhandle. Operations have been hampered for more than a month by wet ground, preventing the staking of new locations and in some cases drilling operations.

The Abilene area has been particularly hard hit by the soggy conditions, with several operators and drilling contractors shutting down operations where possible and waiting on firmer roads to new locations.

Activity is expected to increase sharply as soon as weather conditions permit.

Phone your news to 2816.

Put your Treflan® on NOW

Get your cotton off to a clean start

This year get the biggest head start on grass and weeds you've ever had. Apply dependable Treflan early... well before planting. Weatherproof Treflan works in any kind of weather... bone dry or gullywasher wet.

Farmers' Supply

MELVIN WILLIAMS 495-2743
GEORGE PIERCE 495-2947

Hold out on the phone company.

After 7 p.m., you can call anywhere in the country for a dollar.

Long distance callers worth their salt know that calling in the daytime is more expensive than calling in the evening hours. Usually, most people call during the day, when we charge our regular rates.

Long distance callers aren't interested in regulations.

The only thing they care about is calling for the cheapest possible price.

So to get more for their money, they devised a scheme you might call The Waiting Game.

The idea is to do just what the name implies: Wait and wait and wait and wait.

Because they know if they can hold out till after 7 p.m. or any time of the day on Saturday or Sunday, they can call anywhere in the country for a dollar or less.

Which just goes to prove that anybody can afford to call long distance.

Provided they know how to play The Game.

General Telephone
A dollar goes a long way.

Welcome PARENTS

BACK TO SCHOOL!

Next Week During Post's Observance of SCHOOL WEEK TEXAS PUBLIC

High School & Junior High OPEN HOUSES

Monday Night, March 4 — 6:30 to 8:30 P. M.

Elementary & Primary School OPEN HOUSES

Tuesday Night, March 5 — 6:30 to 8:30 P. M.

Let's Support Our Schools By Attending These Open Houses!

Thanks for Your Efforts

On behalf of the entire community we wish to say a sincere thank you to Supt. Bill Shiver, his administrators and his fine faculty for their continuing efforts to make the Post School System one of the finest small school systems in Texas today.

The First National Bank

Activities scheduled

History Appreciation Week to be observed

History Appreciation Week, March 3-9, will be observed by the Garza County Historical Survey Committee with its regular monthly meeting Tuesday morning, March 5, and with other activities.

The committee meeting, which is to be held at 10 a. m. at the First National Bank Community Room, will feature a program by the Texas History class of Lee W. (Bud) Davis Jr., in which the students will act out phases of Texas history. The public is invited to attend the meeting.

The committee issues a special invitation to the public to visit the county courthouse and city hall during History Appreciation Week to see the historical pictures on display at those places. These series of pictorial history, incidentally, are incomplete, and an appeal is made to the public to help complete them.

The committee will also complete its annual revision of the historical landmarks list during which will welcome all suggestions of the week-long observance and any sites of historical interest that might be marked.

Plans will also be completed for the publication of the early-day history of Garza County schools, being compiled and written by

Deepened well to be dual producer

The old City of Post No. 14, a George R. Brown well at 118 North Ave. R. has been deepened and completed as a dual producer from two new levels after what is best described as "36 days of trouble."

Pumping units were scheduled to be moved onto location this week, but this was delayed by Wednesday morning's rain. Potential tests are scheduled for next week.

E. R. (Buster) Moreland said the well has been completed in the San Andres C zone and the Glorieta SZ-1. He said the well will be known as the City of Post, Unit 42, on a 40-acre unit, and production from the original San Andres zone will be abandoned.

He said Brown's future drilling plans will depend upon the outcome of potential tests next week. Moreland is hopeful of a 30-barrel potential from the San Andres C and an 80-barrel production from the Glorieta.

Bonus books—

(Continued From Front Page) mission, but does not include an official guidebook and tickets for one Tower of the Americas elevator ride, skyride, mini-monorail trip, lagoon cruise, three fun rides on Fiesta Island, and admission to the HemisFair Theme Gallery and the "El Encanto de un Pueblo" (The Magic of a People) exhibit showing new world life and customs in miniature.

The lowest priced adult bonus book, which does not include a gate admission, is available at \$5 and represents an extra value of 45 per cent, containing tickets worth \$7.25 on the fairgrounds.

It entitles the bearer, after admission, to the tremendous display of exhibits, the guidebook, Tower ride, skyride, mini-monorail, scenic lagoon cruise, one fun ride at Fiesta Island, entrance to "El Encanto de un Pueblo", the HemisFair Theme Gallery and to Laterna Magika a European hit show combining live actors and film in its first southwest appearance.

For \$7, the traveler can buy an adult bonus book worth \$9.85. It includes one gate admission, all the extra values of the \$5 bonus book plus two additional rides at Fiesta Island.

The biggest bonus book savings, a 44 per cent extra value, includes two adult gate admissions, two tickets each to the Tower of the Americas elevator ride, mini-monorail, two admissions to each of the three exhibits included in the other books, two fun rides, a guide book, scenic lagoon cruise and skyride. The book may be purchased for \$11, a savings of \$4.35 under its \$15.85 value.

Bonus books will not be available on the fairgrounds and are in limited supply. If you want the savings you will have to buy your books here at The Dispatch office during March.

Should The Dispatch supply of any particular bonus book be exhausted during the month, we can reorder and secure them for Dispatch readers. This, of course, will not be possible if all interested fairgoers wait to the final couple of days to purchase their books.

Shower brings .27 of inch of more moisture

The late Tuesday night thunder shower here brought an additional .27 of an inch of moisture officially to Post, County Agent Syd Conner reported Wednesday.

County Supt. Dean A. Robinson. The committee will sponsor a guided tour of historically-marked places for the youth group of the First Methodist Church, which the group has requested.

Blue and Gold banquet

Indian 'chief' is Cub Scout speaker

Cub Scout Pack 314's annual Blue and Gold banquet Tuesday night was momentarily threatened by a one-man "Indian raid," but the raid turned out to be a friendly one and was the highlight of the program.

"Chief" Runkles, camp ranger at Camp Post, dressed in the authentic regalia of a Sioux Indian chief, made his unannounced entrance midway of the program, and for 30 minutes entertained the Cub Scouts and their guests with Indian lore.

The chief dressed up two of the Cub Scouts, Terry Harden and Ray Martinez, in Indian regalia, and also showed how tom-toms and other Indian musical instruments are played, demonstrated dances, and showed and described various articles used by the Sioux Indians.

Chief Runkles concluded his demonstration by dancing around the room and then giving an Indian war whoop — much to the delight of the Cub Scouts and their guests.

Cubmaster Jack Bishop presented the following awards at the banquet, which was held in the school cafeteria:

Wolf: Ralph Howell, Rodney Teaff, Danny Sawyers, Ricky Bishop, Terry Harden, Keith Little, Morris Huff

Arrows: Ralph Howell, one gold; Danny Sawyers, one gold, one silver; Keith Little, one gold, one silver; Mark Kirkpatrick, one gold, one silver; Danny Hutchins, one gold, one silver; Byron Gray, one gold, one silver; Tracy McAlister, one gold, one silver; Wynn Sterling, one gold; Bruce Blanton, one silver.

Bear: Garland Dudley, Bobcat: Joe W. Mason, Sammy Gandy

Recruiter: Byron Gray, Ricky Bishop, Jimmy McLerny, Tracy McAlister, Mark Kirkpatrick, Bill Rose, Ray Martinez.

The Cubmaster also presented den mother patches to Maudie Payne Rose, Patty Kirkpatrick, Lorry Lou McAlister, Joyce Teaff, Joyce Howard and Margaret Bayley.

The award for the outstanding official in the Cub Scouting program went to Mary Mayn, who is

Directors of the Garza County Junior Livestock Association will meet at 7:30 p. m. Monday, March 4, at the 4-H building to make further plans for the annual junior livestock show and sale to be held March 15-18.

Directors of the third annual show and sale are inviting donations of beef for the barbecue lunch to be served at noon Saturday, March 16. They also ask the support of local and area residents in the bidding on the youngsters' animals at the sale, including merchants' jackpot bids.

The Garza County Fair, sponsored by the county's home demonstration club women will be held in conjunction with the stock show. Women are reminded that now is the time to prepare projects and exhibits for the fair.

Jaycees to contribute \$1,500 to auditorium

Members of the Post Junior Chamber of Commerce have voted for the organization to contribute \$1,500 over a five-year period to the new Community Auditorium project.

The Jaycee contribution to the project will be \$300 a year for five years, according to Ed Blanton, the club's representative on the community auditorium board.

1968 rodeo—

(Continued From Front Page) "With our town becoming more and more promotion-minded in its efforts to attract industry and tourists, we figured we ought to help all we can with this year's rodeo," he Post Stampede officer said.

This year's rodeo events will be calf roping, saddle bronc riding, bareback bronc riding, team tying, barrel race and wild mare race.

Lutheran Church has new pastor

The Rev. Frank Kessel, 35, is the new pastor of Faith Lutheran Church here and St. Paul's Lutheran Church at Wilson.

Rev. Kessel, who is from Michigan, will conduct services at Faith Lutheran Church at 7 p. m. Sunday. He was here Tuesday night getting acquainted with some of the members of the church.

The new pastor's family consists of his wife and their three children — two daughters and a son.

The church here has been without a pastor since the resignation of the Rev. Robert Kamrath several months ago.

Library board—

(Continued From Front Page) and present it to the trustees at their March meeting. Summer reading programs used by other libraries will be investigated by Miller in setting up the 1968 effort.

Trustee David Newby was given authorization to have two new book case sections built for the library's new east room which will be converted into the library's youth department as soon as the new shelving is ready.

Newby also said he is having a book drop made for the front of the library so that library patrons may leave books any time when the library is closed. The slot for the books will have an all-weather cover, Newby said. He said it should be installed within a week.

Trustees decided to reword a table of organization for library operation as proposed by the Friends of a Public Library Board. The organization table would place all library operating committees, manned by Friends volunteers, directly under the volunteer librarian who is responsible directly to Post Public Library trustees.

Other committees of the Friends, except those dealing with library operations, will remain under operating control of the Friends board.

Duties of the volunteer librarian also are detailed. Trustees are in agreement with the Friends directors on the proposed organizational setup but want it more detailed on paper for future reference.

Other trustees attending the February meeting included Mrs. Patty Kirkpatrick, Mrs. Rosa Gambelin, Mrs. Ruth Young, and Jim Cornish.

Medicare —

(Continued From Front Page) Such a committee is now organized. Services of a dietician who is a registered member of the American Dietetic Association. The local hospital now has the services of Mrs. Beverly Crawford, dietician of Highland Hospital in Lubbock on a consulting basis.

Organization of an infection committee, composed of the administrator and a member of the medical staff. This committee has been organized to check hospital cleanliness and prevent the spread of any infections inside the hospital.

A registered medical records librarian. This requirement has been fulfilled by employing the medical records librarian of St. Mary's hospital in Lubbock on a consulting basis.

Need of a pathologist in the hospital's lab department who would visit the hospital at least monthly. Sledge is "working on this."

Purchase of a cardiac monitor and a defibrillator heart machine for use during operations. These range in cost from \$2,000 to \$9,000. Sledge said, and Medicare has been assured the hospital would purchase one from Medicare funds if the hospital is approved.

That leaves registered nurses on duty at all times — an assignment which Sawyers calls "impossible."

This week in an effort to break the Medicare impasse, hospital trustees began turning to all available political channels to see if any help could be secured in obtaining Medicare approval.

Letters have gone out to Texas senators and Cong. George Mahon, the governor and other state officials soliciting their help if possible in solving what is promising to become a new financial stumbling block for the hospital here.

Sawyers told The Dispatch that all public spirited citizens who want to help could do so by writing their congressman and senators and pointing out the "impossibility" of the registered nurse requirement for Medicare certification for the Garza Memorial Hospital — and all small hospitals.

The chairman of the hospital trustees said some of the \$13,000 in Medicare billings can be recovered through insurance, but that the local hospital is going to have to eventually receive Medicare approval to "make it" financially.

What's more, he says, the old folks who qualify for Medicare hospitalization want to be in a hospital at home close to relatives and friends.

Rotary Club—

(Continued From Front Page) Where there's a will there's a way. And there are plenty of business folks on Main Street who fear the old Ameen Hotel enough they want to see it torn down.

T. J. Davis Jr., of Lubbock, who operates the Davis Construction Co. of Lubbock, has made a firm bid to the City of Post to demolish the old stone hotel and clear the premises for \$3,500.

Jim Hundley got Davis down here to make the bid. The lots, cleared of the old building, have been appraised as being worth \$3,000. If the city could condemn the hotel and have it torn down by Davis for \$2,840 very possibly could sell the cleared lots for at least the demolition costs and then get the property back on the tax rolls with maybe a new building on it. The matter, we understand, will come up at the next city council meeting with a Main Street delegation on hand to urge action to get this unsightly firetrap once and for all out of the business district.

Antelope track team to compete at Idalou Saturday

Morales opens season by tracking meet mile mark

Antelope track team, Morales and Arthur Torres, opened almost sure points in the mile run, will compete in the annual Idalou invitational and field meet Saturday.

The defending state champion in the mile, Torres, a freshman, finished in 4:28.6. Morales were the only members of the track team Coach Waco Reynolds took to the Brownfield meet. In fact, they were the only ones who had been working out, the others having been delayed until Monday because of basketball and bad weather.

Candidates for this season's track team besides Morales and Torres include: Norman Tanner, Charles Harper, Jerry Crenshaw, Ronnie Petty, David Pierce, Steve Newby, Steve Collazo, Neff Walker, Ray Altman, George Torres, James Pollard and Jay Bird.

Morales, showing fine form for this early in the season, ran the mile in 4:28.6 at Brownfield to erase the old mark of 4:31.6 set by Lupe Ysaguirre of Union in 1963.

Torres' fine showing of fourth place in the mile with a time of 4:56.0 gives the Antelope thinclads a one-two punch in the event that will be hard to beat.

Both Morales and Torres have been working out since the close of the football season.

SECTION TWO Sports The Post Dispatch

Thursday, February 29, 1968 Page 9

Scheduled for December

Basketball tourney brackets nearly full

The line-up of teams for Post High School's first invitational basketball tournament in at least 15 years was near completion this week, according to Athletic Director Glynn Gregg.

The 16-team tournament is scheduled for Dec. 19-21 in the high school gymnasium here.

There will be eight teams in the boys' division and eight in the girls' division, with seven teams in each division having already been confirmed Tuesday, Coach Gregg said.

Invitations to the tournament were sent 48 Class A, AA and AAA schools in this area, and 24 had been heard from up to noon Tuesday, Gregg said.

With 24 yet to hear from, we're pretty sure of getting the one team needed in each division to complete the brackets," the coach said.

Teams already entered in both the boys' and girls' divisions are Friendship, Lockney, Tahoka, Aspermont, Spur and Post, with Littlefield entered in the boys' division and Rails in the girls' division.

The first year after it was built, the new high school gym was the scene of a high school boys' basketball tournament, but it actually was Denver City's tournament, staged here by agreement because Denver City was still in the football playoffs through the tournament dates.

Earl Carter and James Dickson each scored 22 points to lead the Hornets to victory over the Dimmitt five.

By winning bi-district, Midland Carver goes to the regional tournament in Lubbock Saturday, along with Colorado City, Quanah and Brady.

Midland Carver finished its regular season with a 25-5 mark. The Hornets were 11-1 in District 4AA, losing only to Stanton.

Nine 1967-68 Post Antelope basketball lettermen, four of whom will graduate, have been named by Coach Wilbert Bigott.

The senior lettermen, all of whom were starters this season, are Dennis Altman, Charles Harper, Norman Tanner and Nick Pantoja.

Junior letter winners are James Pollard, Kenneth Mitchell and Elbert Rudd.

Lettering as sophomores were starter Ray Altman and Neff Walker. Manager's letters will go to Dee Justice and Tommy Cole.

Fred Myers of Post and Truman Mauldin scored the best average Sunday in a jackpot head and heel contest at Roby.

Games tonight in City cage loop

Two games tonight (Thursday) will open play in the City Basketball League, sponsored by the Post Junior Chamber of Commerce.

The games will be played in the high school gymnasium, with Ken's Mobil Service playing Post Pharmacy at 7 o'clock in the first game, and First National Bank playing Jelco Service in the second contest.

Tuesday night, March 5, it will be Jelco vs. Post Pharmacy and First National vs. Ken's Mobil.

Post Jaycee-ettes will help keep time and score at the games. Trophies to be awarded at the end of the league campaign are on display in the Post Pharmacy window.

No admission is charged to the games.

Midland Carver beats Dimmitt

Midland Carver, District 4AA champions, shot down Dimmitt of District 3AA, 77-67, in their bi-district clash at Levelland Tuesday night.

Earl Carter and James Dickson each scored 22 points to lead the Hornets to victory over the Dimmitt five.

By winning bi-district, Midland Carver goes to the regional tournament in Lubbock Saturday, along with Colorado City, Quanah and Brady.

Midland Carver finished its regular season with a 25-5 mark. The Hornets were 11-1 in District 4AA, losing only to Stanton.

Lettering as sophomores were starter Ray Altman and Neff Walker. Manager's letters will go to Dee Justice and Tommy Cole.

Fred Myers of Post and Truman Mauldin scored the best average Sunday in a jackpot head and heel contest at Roby.

Competing against 19 other two-man teams, Myers and Mauldin won first in the first go-round and second in the second go-round for the best average award.

Visits highlight news in Justiceburg community

By FRAN McWHIRT
"In the good old summer time..." That's what it was like Sunday, I was about ready to go fishing but guess this won't last long as the weatherman said we are due for some more bad weather this weekend. Oh, gosh!

Well, we were in Albany over the weekend to visit my parents, Mr. and Mrs. Frank Broeden. On Saturday I took him to Abilene to see his doctor. He is some improved. Other house guests were Jackie and Vivian Fluitt of Arlington. We also visited in the hospital, Boyce Nichola, and with Jack and Carl Broeden.

Weekend guests of Mr. and Mrs. Henry Key were their grandsons, Joe and Ronnie Page, of Spur. Their parents, Mr. and Mrs. Bobby Page, were in Lubbock on business.

Mrs. Cameron Justice visited in the homes of Betty Boren and Mrs. Winnie Tuffing on different days last week.

Sonny Nance and David of Haslet were weekend guests of his parents, the Elton Nances.

Mr. and Mrs. Sam Bevers and children went to Lubbock Friday to see her sister, Mrs. Jack Russell, who is in critical condition at Methodist Hospital. Della stayed with her Friday night. Saturday J. K. and Kerry Russell came home with the Bevers to spend the night and were taken home Sunday. We do hope Mrs. Russell is better real soon.

Mrs. Pearl Nance and Mrs. Winnie Tuffing were in Snyder Tuesday.

We are so sorry E. C. Pettigrew fell and hurt himself Friday and is in Garza Memorial Hospital again. We wish him a speedy recovery.

Wanda Blacklock is back on the job again at the luncheon. She was ill part of last week and Mrs. Don Robison cooked for her.

MR. AND MRS. Cecil Smith entertained with a birthday dinner Sunday in honor of their grandson, Dee Cecil Justice. Others attending were Mr. and Mrs. Mason Justice, Mr. and Mrs. Cameron Justice and Mrs. Pearl Nance.

James Maxwell of Houston stopped by to visit Douglas McWhirt last Thursday. He is a former employee of Humble Oil Co. and used to live here in the Deerwood Camp.

Mrs. Eugenia Odum of Lubbock was a weekend guest of Mrs. Lee Reed. The Eddie McCowens of Snyder visited Sunday afternoon.

Cecil Smith took his sister, Mrs. Ella Murphy, and Fred Miller to Slaton Monday.

Mrs. Pearl Nance and Mrs. Sid Cross attended the Farmer and

Ranchers Cattle Auction sale last Thursday.

George Duckworth attended a convention of the Church of God of Prophecy Saturday night in Sweetwater.

Sunday guests in the home of Mr. and Mrs. Cameron Justice were their son-in-law and daughter, Mr. and Mrs. Buster McNabb, and Dennis of Ropesville, their granddaughter, Miss Sandra Price of Lubbock and her friend, Miss Sylvia Elich of Slaton.

to hold tourney

The Slaton Classifiers Association will hold its annual Outsiders Volleyball tournament in the high school gym here March 18-23.

Men's and women's divisions are scheduled. Six individual trophies will be awarded to winners in both divisions.

Prizes must be received by mail and may be mailed to Pat West Lynn, Slaton, or VA 8-5374 after 5 p. m.

Reservations go fast at Boy Scout camps

Troop reservations for the use of Camp Post and Tres Ritos during the regular camping season is far ahead of this time last year, according to Howard Schmidt of Lubbock, council chairman of activities and camping for the South Plains Council, Boy Scouts of America.

All campsites at Tres Ritos for the first four weeks are filled and consideration for an additional week is now being studied. Only 25 sites remain at Camp Post for the four weeks of operation there.

Schmidt noted that it would, in fact, be impossible for all troops in the Council to make reservations this summer, if they so desired.

Schmidt also said that several new program features have been added to this year's operation to give the scouts attending camp additional experiences, both fun and skill-oriented. The Firebird Trail, Rainbow Trail and Wildcat Trail have been added at Camp Post, while an exciting overnight opportunity has been put into the Tres Ritos program.

Boys should make a small deposit with their scoutmasters on the camp fee now so that the troops know they plan to attend camp, Schmidt said. Most families need to know the troop plans so that their scout's camp time can be taken into account.

Schmidt concluded by saying that this will probably be one of the largest camping seasons the Council has had in several years, both in terms of scouts attending and the program offered.

Deadline dates listed by ASC

The following "Dates to Remember" are listed in the February newsletter of the Garza County office of the Agricultural Stabilization and Conservation Service:

March 15: Last day to sign intention to participate in the domestic cotton program; last day to sign intention to practice in the feed grain program.

March 30: Last day to request measuring service; next sign-up for cost-sharing assistance on ACP practices.

March 8: Last day to release cotton acreage; last day to request an increase in your allotment from released cotton acreage.

Volleyball tourney at Wilson is March 18-23

WILSON — The dates of the Invitational Mustang Volleyball Tournament here have been changed to March 18-23, according to Coach Al Mitts.

All teams are welcome to take part in the tournament. Entry applications should be sent to Wilson High School, Al Mitts, Wilson, Tex., 79381.

Individual trophies will be awarded men and women on the first place team, runner-up, and consolation winner.

Games tonight in City cage loop

Two games tonight (Thursday) will open play in the City Basketball League, sponsored by the Post Junior Chamber of Commerce.

The games will be played in the high school gymnasium, with Ken's Mobil Service playing Post Pharmacy at 7 o'clock in the first game, and First National Bank playing Jelco Service in the second contest.

An Open Letter To Garza Countians

It has come to the attention of the local committee of the Salvation Army that reports are being circulated that some children are unable to attend the Post Schools because of the lack of shoes and proper clothing.

If such a situation does exist, parents of such children or those with specific knowledge of individual cases should contact members of the Salvation Army's local committee—Bob Collier, chairman, Mrs. Marvin Hudman or Sheriff L. E. (Fay) Claborn.

Money is available from local Salvation Army funds to provide for such needs. It has been given by Garza Countians through their United Fund contributions.

It is the desire of your Salvation Army committee to see that all such situations are taken care of and we ask the cooperation of public spirited citizens to bring any and all such situations of need to our attention.

New Baptist pastor moves to Southland

By MRS. EDMUND WILKE
Hi there! How about this "fishing weather" that we have been having? We can have some of the most beautiful weather right here in dear old West Texas, than any other place I know! Time to start cleaning out the flower beds and —oh, who wants to think about all that work? Think I'll sit here and dream about going fishing.

The congregation of the Southland Baptist Church has hired a new pastor, the Rev. Ike Harris, of Lubbock. He preached his first sermon here last Sunday. He and his wife will be moving to Southland soon. We would like to welcome this family to Southland and let's all try to stop by and welcome them in person.

Recent visitors in the home of Mr. and Mrs. Jesse Ward were Mr. and Mrs. Jerry Norberry,

Donnie and Debbie of Moore, Okla. and Mrs. Thelma Cook of Levelland.

Mr. and Mrs. Donald Pennell went to Plainview last Wednesday to visit Mr. and Mrs. Harvey Louis Pennell and son, Heath. Also visiting the Pennells from Sacramento, Calif., was Mrs. Pennell's (Bennies) mother, Mrs. Ben Holliday. Her husband, Lt. Col. Ben Holliday is in Thailand.

Mr. and Mrs. Jerry Pennell and daughter, Kim, of Lubbock spent Saturday evening visiting the Donald Pennells.

Mr. and Mrs. Billy Lester, Gregg and Gary, spent Friday night and Saturday in Jayton visiting Mr. and Mrs. Jon Kelly. On Saturday they attended the Kent County Livestock Show at Clairemont.

Guests in the home of Mr. and Mrs. W. P. Lester Sunday were their sons and families: Mr. and Mrs. Troy Lester and children of Midland, Mr. and Mrs. I. J. Duff and family of Levelland and Mr. and Mrs. Billie Lester and sons. Mrs. Lester cooked a joint birthday dinner for Troy and I. J. Birthday greetings to both of you! Congratulations to Mr. and Mrs. Don Basinger who were blessed with a baby boy last week in Mercy Hospital, Slaton. Proud grandparents are Mr. and Mrs. W. A. Basinger. May God bless this young family.

Mr. and Mrs. Gilbert Becker and four small sons of Kansas City, Mo., have been visiting the Willie Beckers and other relatives in this community for the past two weeks.

Utilities firm nominated for Edison Award

The Southwestern Public Service Company is one of five of the nation's investor-owned electric companies to be nominated for the 1967 presentation of the Edison Award, the industry's highest honor. It has been announced by Charles Avila, president of the Edison Electric Institute.

The review committee for the Edison Award selected Southwestern for "implementing a program to help solve the electric utility industry's critical manpower shortage by developing a seminar program with New Mexico State University to improve the image of power system engineering and thereby encourage outstanding students to seek careers in the investor-owned electric utility industry."

The Edison Award consists of a gold medal, a certificate of presentation, and a check for \$1,000 for the employees' benefit fund of the winning company. The winner will be announced at the annual meeting of the Edison Electric Institute in June.

The other nominees in addition to Southwestern Public Service Company are West Penn Power Company, Philadelphia Electric Company, Public Service Company of Colorado and the Central Hudson Gas and Electric Corporation.

Easter Appeal letters going out this week

Easter Seal Appeal letters are to be delivered this week in Garza County, according to Mrs. Martha Compton, the Easter Seal representative of the Easter Seal Society for Crippled Children and Adults of Texas. As representative, Mrs. Compton serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as treasurer of the Easter Seal Appeal in Garza County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

Mrs. Compton pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1967, the Texas Easter Seal Society provided treatment and services to 17,622 children and adults who were in need of rehabilitation services. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Mrs. Compton added.

The Easter Seal Campaign will run through Easter Sunday, April 14.

POST MAN ON PROGRAM
Vernon Scott of Post was among the ministers of music in the program at the 47th annual Panhandle - Plains Pastors and Laymen's Conference held Monday and Tuesday at Wayland Baptist College in Plainview. "Other Foundations—Not" was the theme of the conference, which had an attendance of more than 400.

Area family visits in Tulsa with relatives

By MRS. GLENN DAVIS
We are sorry that Mrs. O. H. Hoover moved away. We will all miss her so much. We know she will soon make new friends and that she will be happy as possible in her new home.

Sunday luncheon guests of the Ambers Parrish family were Mr. and Mrs. Bruce Evans and family, Bob Lawrence and Oscar McGovern of Worcester, Mass.

Mr. and Mrs. Mason McClellan and daughters visited recently in Tulsa, Okla., with his sister and brother-in-law, Mr. and Mrs. Raymond Thane, and children. They had trouble coming home because of the snow.

Mr. and Mrs. Elmer Crowder attended funeral services in Tahoka last Wednesday afternoon for Mrs. Ruby Meeks, mother of Mrs. Bobby Roy Pennington of San An-

gelo. We extend sympathy.

Sunday luncheon guests of the E. E. Peels were the Jimmy Byrd family.

Mr. and Mrs. Bobby Cowdrey and Kirk were Thursday luncheon guests of Mrs. Viva Davis.

Mrs. Johnnie Rogers was a Saturday luncheon guest of Mr. and Mrs. Hayden Rogers in Post.

Mr. and Mrs. Dave Oakley and Lori left last Friday for their home in Piqua, Ohio, after a month's visit here with her parents, the Bryan Maxeys, and with relatives in El Paso, Santa Fe and Abilene. The Franklin Maxey family of El Paso visited here part of last week. Dave Oakley attended the lectureships at Lubbock and Abilene Christian colleges while here.

Mrs. Gerald Dean Jr., and children and Miss Dean are here visit-

ing her parents, Mr. and Mrs. James Stone. The Deans live in Capitan, N. M.

Sunday luncheon guests of Mrs. Viva Davis were the Elmer Cowdreys, Delmer Cowdreys, L. H. Peels, Bobby Cowdrey family, Mr. and Mrs. Delmo Gossett and Johnnie of Lubbock. Bud Sparlin and Don Maxey stopped in a short while in the afternoon.

The Billie Lesters and the Dean Laws visited Saturday evening in the Jim Doggett home.

Mr. and Mrs. Fred Gossett spent Sunday night in Lubbock with the Donald Gossett family. They visited Monday with the Jason Justice family.

Mrs. Myrtle Peel, Mrs. Sue Maxey and Mrs. Viva Davis visited awhile Monday afternoon with Mrs. Maud Thomas. Mrs. Peel and Mrs. Davis visited later with Mrs. Willie Mason.

Miss Bonnie McMahon is staying with the Fred Gossetts and the Billie Lesters while recovering from her broken arm. We wish for her a quick recovery.

Bob and Shelly Fluitt visited over the weekend with the Carl Fluitts and stayed with Mother Fluitt while the Carl Fluitts visited in Tahoka Sunday afternoon

with Mrs. L. W. Gandy.

Mr. and Mrs. Noel White and Steve and Mr. and Mrs. Mack Ledbetter were Sunday luncheon guests of the Quanah Maxeys.

THE TED TATUM family and the Danny Stone family visited on Sunday with their parents, the Albert Stones and attended services at the Graham Church of Christ.

The Elvus Davis family visited in Plainview Sunday with Mr. and Mrs. Glenn Hill and family.

Mr. and Mrs. Quanah Maxey visited Monday evening with the Carl Fluitts.

Mr. and Mrs. Ronnie Graves were supper guests of the Noel Whites.

The Lonnie Gene Peel family visited in Olton Sunday.

Miss Karen Hawley and Bud Sparlin were Sunday luncheon guests of the Bryan Maxeys.

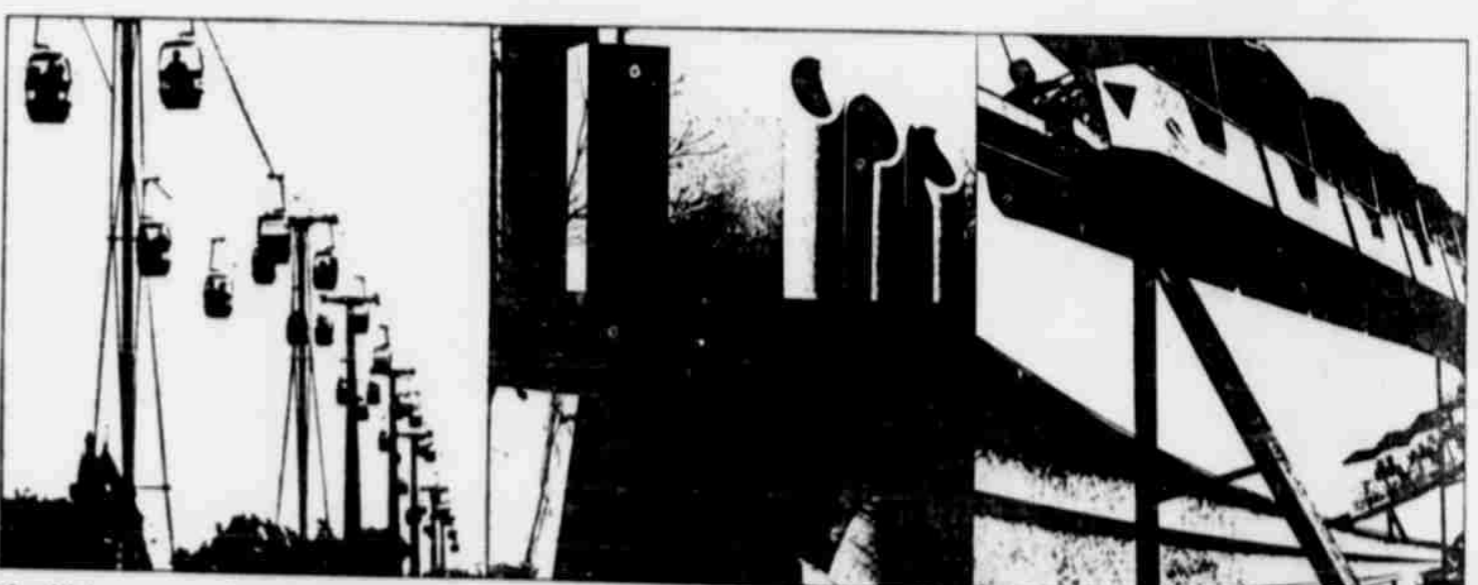

Ed Sullivan Show originate in Las Vegas
The Ed Sullivan Show will be live from the Circus Circus theater - restaurant at the Palace, Las Vegas, Nev. The broadcast will be of great interest here since a former Post man, Red Floyd, is now as a security officer at the Palace. Floyd is a former County deputy sheriff and longtime resident of Post. He and his wife, Lois, now live in Las Vegas a few years ago here at 7 p. m. over CBS. The program, which will feature a scene from the Caesars Palace production musical hit "Fiddler on the Roof."

The measles vaccine used in the United States is John Enders and T. Pennington.

Ports Trail takes 108-mile journey

Historic forts and throughout Texas have a source of pride and a to those Texans who are for their preservation, under the direction of Connally, their dedication repaid with the establishment of the Texas Forts Trail. The trail is 108 miles long and is the third annual Governor's Development Conference.

The trail passes through the counties of Brown, Comanche, Eastland, Erath, Mason, McCullough, Palo Pinto, Runnels, San Soter, Shackelford, Taylor, Tarrant, Tom Green and

It shows that 70 to 80 percent of a national sample of sites indicated they are interested in the presence of these sites in planning their

On the trail are Fort Belknap in Jacksboro, Fort Griffin in Young County near Fort Griffin north of Albany, Fort Phantom Hill north of Fort Chadbourne in Coke County, Fort Concho in San Angelo, Fort McKavett near Menard, Fort Mason near Mason.

Fort Richardson, located at the intersection of Depot Street in downtown Sherman, was built in 1867 and is one of a chain of forts built to halt Indian raids.

The 1870s Fort Richardson was the largest military installation in the United States from 1867 to 1878. It was abandoned in 1878.

Fort Mason, built in 1851, lies north of Mason at the junction of State Highways 377 and 87. The fort was established in 1855 and was used to halt attacks by Comanche and Lipan-Apache Indians.

Fort Mason was closed by the Army in 1889. The Forts Trail follows Highway 29 to Menard, then Highway 10 to Fort McKavett, then west on State Highway 10 to San Angelo, then south on Highway 10 to Fort Concho, then east on Highway 2084 leading northward to Fort Phantom Hill. Fort Concho is located within that city. Built about 1864, it was first occupied by part of the 4th Cavalry from Fort Chadbourne which had been abandoned because of water supply failure.

Fort Concho was finally ordered abandoned in 1889. The community which became San Angelo actually grew up around Fort Concho. Today, it is one of the largest primary wool producing areas in the United States and is home of Goodfellow Air Force Base, Angelo State College, Lake Concha and a pair of reservoirs between San Angelo and Menard.

Fort Chadbourne is located in Comanche County, 12 miles north of Broste. The fort was built in October, 1852, for the 5th Cavalry. The land was in private ownership. Some of the original buildings are still standing.

Fort Phantom Hill is 14 miles north of Abilene although very few remains. It was established in 1852 and served as an important frontier defense station from the Red River to the Colorado River.

Fort Albany, reached by the 23rd out of Abilene and is fifteen miles north of Fort Mason. U. S. 283 stands Fort Albany in a state historical park. The state-owned herd of bison at the fort was established in 1867 to replace Fort Mason which was being abandoned. Fort Griffin and its troops played a major role in campaigns

against the Indians on the Staked Plains of the Texas Panhandle. The fort was abandoned in the spring of 1881.

U. S. 283 leaves Albany and runs northward to lead Forts Trail travelers to Throckmorton. State Highway 24 eastward to Graham, Lake Graham and to the vicinity of Newcastle, where Fort Belknap is located. This fort was established in 1851 and is situated three

miles south of Newcastle in Young County. The fort is owned by the county and is within a 20-acre county recreational and historical park. Fort Belknap was one of the largest military posts in North Texas prior to the Civil War. The fort was abandoned once in 1859, reoccupied by the Army in 1867, but abandoned again that same year. Belknap, the first county seat of Young County, grew up around the fort.

Those admitted to Garza Memorial Hospital since last Tuesday were:

MOVES HERE FROM TAHOKA
Mrs. Bonnie Adamson has moved into her newly purchased home at 111 Ridge Road. Mrs. Adamson formerly lived in Tahoka and is well-known in Post, where she is a member of several Post clubs.

Jaycees banquet tickets issued

Tickets to sell for the annual Jaycee installation banquet and dance were issued members pre-

sent at last Thursday night's meeting of the Post Junior Chamber of Commerce.

Representatives from several other organizations attended the meeting, at which a report was given on the Jaycees' Billy Snow project and film shown on the trip to Galveston.

Representatives of other organizations attending the meeting were Paul Jones, Bobby Pierce, Billy Hall, James Pollard, Mrs. Howard Kolb, W. D. White, Ansil O'Neal, David N. Newby and Mrs. A. J. Baumann.

Guests present were Harvey Boulware, who is employed by United, Danny Richardson of the Post, Mrs. B. E. Young, Mrs. Harold Voss, Miss Thelma Clark and Lew Baker.

Sermon subjects told at First Christian

Sermon subjects at the First Christian Church Sunday will be: "O God, Why Was I Born?" at 11 a. m. and "God Loves and Blesses Pagans Too!" at 7 p. m.

At the 9:45 Church School hour, the minister, Bernard S. Ramsey, will begin a six week's class in church membership for the Junior Department and junior high school youth.

"Beautify Texas Month" is set by governor

AUSTIN—March will be "Beautify Texas Month," Gov. John Connally proclaimed Wednesday.

"Government at all levels, private individuals and organizations are becoming increasingly aware that beautification must be a continuing concern if we are to preserve and attain an environment befitting our advanced state," he said.

Lions seeking applications for summer camp

Post Lions Club members are asking, "Do you know a handicapped child who would like to spend two wonderful weeks at summer camp . . . free?"

Applications for a summer vacation full of fun for handicapped children are being accepted by members of the Lions Club.

The unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session June 2 to begin five sessions to be held this summer for boys and girls from ages seven through 16.

The camp has facilities for 720 campers and is free to eligible blind, deaf, mute or crippled children.

Transportation to and from the camp is supplied by the Lions Club and all requests for the summer camp will be handled by the club's members.

More detailed information about the camp may be had by contacting Lions President Henry Harden or any other Lions Club member.

SEMESTER HONOR LIST
BRADFORD, Mass. — Bradford Junior College has announced that Miss Marcia Newby, daughter of Mr. and Mrs. David N. Newby, is on the semester Honor List. Miss Newby has recently been elected freshman representative - at-large to the Bradford Student Government Association.

Meeting series set at church

"Christian Motivation" will be the subject of a four-day meeting beginning at 6 p. m. Sunday at the Post Church of Christ with Don Browning, minister of the East Side Church of Christ at Snyder, as the preacher.

The meeting is scheduled to continue through Wednesday, with the weekly meetings beginning at 7:30 p. m. in the church auditorium, according to Don Davenport, minister of the Post church.

Following the Sunday night service, there will be a special fellowship for young people.

"The public is cordially invited to attend these meetings and hear God's Word preached in its simplicity and truth," the minister said.

The \$10 million Texas exhibit at HemisFair '68 will feature films constantly shifting on 52 screens all around the over head walls.

SWISS SKYRIDE—Sidewalk superintendents are viewing progress on HemisFair '68 from the air with the help of the Swiss Skyride over the World's Fair grounds. These early bird visitors are part of more than 20,000 persons who have taken the skyride since it was opened to the public on Christmas weekend. The 622-foot Tower of the Americas with its six-story tophouse in place draws the attention of many sightseers.

Church at Grassland is to host zone meeting

By MARY LEE LAWS

Boys have been having some pretty weather the last few days—almost like spring. Sure do hope the sun shines for several more to come.

There will be a missionary zone meeting at the Nazarene Church Saturday beginning at 11 a. m. Dinner will be served in the Sunday School annex. The morning speaker will be the district superintendent's wife, Mrs. Hearn. Special music will highlight the afternoon program. Everyone is invited to come and be in this service.

Mr. and Mrs. Victor Bradford and Vickie and Stanley of Lamesa were Sunday dinner guests of Mr. and Mrs. Dean Laws.

Arch and Cynthia Ann left last Thursday morning for Harper to make their home until Arch's grandson is out of school in the spring.

Central Baptist Church had a guest speaker Sunday morning. Harold Britton of Post brought the message. His wife and family also attended services here.

Mr. and Mrs. Bill Ingle and a family were Thursday night supper guests of the Dean Laws.

The Nazarene Teen-Age area Zone Bible Quiz was held in Lubbock Saturday at the Monterey Nazarene Church. Several zones were represented and 10 pastors were present. Attending from here were the Rev. and Mrs. E. A. Rawlings, Jeannette, Kirk, Carla, and Kent McCleskey and Clifford Laws. The questions were asked on the Book of John.

Wade and Thelma Ray of Lar Luns, N. M., and Johnny and Opal Ray of Post were Friday dinner guests of their mother, Mrs. J. B. Ray.

Leona Pendleton and Judy Davis and son, Mark, of Brownfield ate dinner Friday with Mrs. R. L. Craig.

Mr. and Mrs. Buck Thompson of Two-Draw Lake were Friday dinner guests of the Jurd Youngs.

The Rev. and Mrs. E. A. Rawlings, Mr. and Mrs. H. C. Gribble and children and Mr. and Mrs. W. G. McCleskey were Sunday dinner guests of the Leonard Gribble.

Several people in our community are on the sick list. Hope they are better by now.

Mr. and Mrs. J. E. Ramsey, went to Lubbock Saturday and spent the night with their son-in-law and daughter, the Richard Rays, and wife.

Mr. and Mrs. Dean Laws and children copied Mr. and Mrs. Joe Thomas and their daughter, Sonny, and grandson, Chris, Friday night.

The Kelly Laws went to the Kenneth Huffakers after church Sunday night to help eat birthday cake.

After church Sunday night, the W. L. Gribbles and the W. G. McCleskeys all went to the Tom Murra's in eat ice cream and cake.

Mr. and Mrs. William Young of Lubbock spent Friday night with his parents, the Jurd Youngs. Saturday they took his parents to Fort Worth to see their son, Serman, who is recuperating from surgery. He is doing just fine. They came home Sunday.

Local Jehovah's Witnesses are home from weekend convention in Vernon

Meetings for the Post congregation of Jehovah's Witnesses were resumed this week with the regular schedule of Bible study activity being conducted at Kingdom Hall, 105 East 13th St.

Local members returned home from having attended a three-day convention in Vernon over the weekend where 538 heard the principal speaker answer the question "Why Does God Permit Wickedness?"

"The history of the human family is not a particularly pleasant one," according to A. A. Catanzaro, traveling representative of New York who addressed the hundreds of delegates as they assembled in Wilbarger Memorial auditorium. "It is filled with the record of man's inhumanity to man," he declared. "Over and over again individual or collective acts of wickedness have plunged large segments of humankind into brutality and bloodshed. As man's inventiveness has progressed, so has

his capacity to cause grief." In commenting on the fact that God's guidance is vital, Catanzaro said that "man was not made to govern independently of God. In fact, he could not live without God. Initially, this is the cause for wickedness today," he stated. "Our first parents chose to turn their backs on God and they, with the help of an invisible spirit creature were induced to join him in rebelling against God. The improper desires of this perfect spirit were, in time, translated into improper actions. He came to be known as the Devil and Satan, John 8:44."

Catanzaro indicated that God

will not tolerate wickedness much longer. He pointed to the Bible's promise that very soon all the wicked will be destroyed by Jehovah God. Psalm 145:20 "After that, God's heavenly government will shower down upon its earthy subjects blessings beyond compare. Perfect peace and happiness will be enjoyed by all who live in a restored paradise here on the earth." Psalm 37:11, 29.

The local presiding minister, Leonard Robertson, in commenting about the convention said that traveling ministers such as Catanzaro are giving similar Bible discourses all over the world in 197 lands where Jehovah's witnesses

Museum Institute is to be held in March

AUSTIN — "Because of the growing interest across Texas in the establishment and maintenance of museums, both large and small, the Texas State Historical Survey Committee will hold their annual meeting in Austin, Texas, March 15 and 16."

The announcement was made by Charles R. Woodburn, president of the Texas State Historical Survey Committee, a committee that has spearheaded the movement of historical museums in the state.

The Smithsonian Institution, Washington, D. C., will be participating in the Institute held at the Fort Worth City Museum.

are active. "All who attended the assembly in Vernon have returned home convinced that they are going to learn more about God and his requirements by stepping up the tempo of their Bible study activity both in the home and in the local congregation," Robertson said.
