Marker goes up at Close City

"I bring greetings from the number one county historical survey committee in the state to the number one community in the state," County Judge J. E. Parker said Saturday evening at the C. W. Post dry land farming marker dedication at the Close City community center.

Judge Parker, in his introductory remarks, pointed out that the historical survey committee responsible for the new marker is "tops in the state," and that the residents of Close City have attained the same ranking in the community development contest they have entered the last few years.

W. D. (Darren) White officiated at the dedication, with the Rev. Ronnie Killingsworth, pastor of the Friendship Baptist Church, giving the invocation. Others on the program included Mrs. A. C. Surman, chairman of the historical survey committee, and committee member Walter Duckworth, who read the inscription on the new marker.

Conner called on old-timers present to round out the program with some of their own experiences in the early days of the community, which was founded about 1905 as one of C. W. Post's colonizing ventures.

Old-timers responding included County Supt. Dean A. Robinson, who taught school at Close City for eight years beginning in 1926; George "Scotty" Samson, Mr. and Mrs. Paul Duren, Walter Duckworth, Tom Bouchier, Mrs. Lola Knowles, Mrs. Myrtle Ashley, Mrs. Della Churchill, Dr. A. C. Surman, Mrs. Gwendolyn Boren, Mrs. Mattie Belle Fluit, and others.

'Suspension of operations' at hospital scheduled for Oct. 1

Will last until funds available

Too few patients and the lack of any more available tax subsidy funds for the final quarter of 1967 has forced "suspension of operations" for Garza Memorial Hospital effective Oct. 1.

The Garza County Commissioners' Court by a unanimous vote ordered the hospital to suspend operations Tuesday afternoon after a joint meeting with hospital trustees, and following a Friday afternoon conference between three representatives of hospital trustees and three court members on the future of the hospital.

The court's order said the suspension "is to last until funds are available and a careful study of the feasibility of its operation is made at that time."

This means that the hospital could be returned to operation Jan. 1, 1968, when tax subsidy funds again become available, providing that conditions at that time warrant such a move.

The Dispatch understands that the court and hospital trustees are now at least in partial agreement as to the size of the 1968 tax subsidy.

The court has agreed, this newspaper has been told, to provide the tax funds which 15 cents of the general fund tax will raise next year.

This is estimated at \$25,000 to \$27,000.

But still undecided is whether or not future payments of the hospital improvement warrants each year will come out of this allocation or not.

Hospital trustees told the court Tuesday afternoon there would be no use resuming hospital operations in 1968 unless the full return could be applied to tax subsidy for hospital operations because "year in and year out we can't do it for less."

The court, as The Dispatch understands it, is not in a position at this time to commit itself on the issue. But the court's present position is that the tax subsidy funds for the hospital probably will have to include the hospital warrant payment.

The hospital warrant payment for 1968, including interest, will be \$8,120.

Hospital trustees individually agreed to pay the warrant payment.

The decision to suspend operations of Garza Memorial Hospital Oct. 1, which is the kind of bad news The Dispatch hates to print, probably will make everybody who has the best interests of this community at heart a little sick.

A renewed search already is under way to attract more physicians to Post. That job is never easy.

Hospital trustees who are making the effort are appealing for all the community help that can be mustered to aid them with the job.

The plain facts are that the hospital can resume operations only when it can be assured of a sufficient patient load to pay most of its way aided by a reasonable amount of tax subsidy funds.

Both the court and trustees agreed that it appears necessary to secure additional physicians for the community who would use the hospital if the hospital is to receive a sufficient patient load for resuming operations.

Trustees in the Tuesday meeting raised the point as to whether the court would permit hospital operations to be resumed anytime this fall if additional physicians moved to Post.

County Judge J. E. Parker told trustees that it would be "a good gamble" with next year's tax subsidy funds to resume operations before Jan. 1 if sufficient doctors moved here to make an earlier reopening feasible.

Trustees told the court they did not feel it within their realm of responsibility to act jointly with the court in the action to suspend hospital operations Oct. 1. Trustees said this is only the court's prerogative.

The court and trustees agreed that once hospital operations are suspended, maintenance of the physical plant and equipment at the hospital becomes the responsibility of the court.

Hospital trustees after their joint meeting with the court took the following actions relating to the suspension of the hospital's operations Oct. 1:

Set 6 p. m. yesterday as the deadline for admission of any new patients to the hospital or the scheduling of surgery in the hospital.

Requested the hospital's medical staff to complete all Medicare forms, charts, and insurance forms for hospital patients as of Sept. 30.

Recommended to the commissioners' court that Mrs. Marilyn Miller, hospital administrator, and Mrs. June Peel, office secretary, be retained at \$1.25 an hour for a four-hour working day schedule during the hospital's suspension to collect bills, keep supplies, and complete a complete inventory of hospital equipment and supplies.

Voted to give present hospital employees the first opportunity to rejoin the hospital staff when the hospital goes back to full operation.

Voted to turn over all physical properties of the hospital to the commissioners court as of 3 p. m. Sept. 30.

The plan to suspend hospital operations was developed Friday afternoon during a meeting of three hospital trustees and commission members.

To recommend where to cut expenses

Citizens' group reports tonight

The Citizens Committee will report tonight at 8 o'clock in the district courtroom to the Garza County Commissioners Court on its recommendations on cutting county expenses.

The meeting is a public one and those who are interested are invited to attend.

The committee is composed of Arnold Sanderson, Bob Collier, Harold Lucas, Earl Chapman, and County Commissioner Ted Aten.

The committee was asked two weeks ago to make their recommendations on all county areas in which it believed expenses could be cut so that the \$85,000 owed from the general fund by the county could be retired without a tax increase and the \$20,000 in other warrants for last year's property equalization project paid off.

His parents were driving not far behind him and came upon the scene of the accident shortly after it occurred.

An ambulance took the youth to Garza Memorial Hospital and then to Merry Hospital at Slaton after it was determined that no doctor was available here. One doctor

was out of the city on business and the other had accompanied a heart patient to a Big Spring hospital.

The injured youth's father told The Dispatch yesterday afternoon that doctors at the Slaton hospital had told him his son would be able to go home in a day or two.

City council grants gas rate increase

The Post City Council unanimously approved the 1 1/2 per cent gas rate asked by the Pioneer Natural Gas Co. in a special meeting Friday afternoon, a day after the Lubbock city council had taken the same action.

"We had no other choice," council members agreed.

The council postponed action on the rate boost four times while waiting to see if Lubbock and all the bigger cities would fall in line.

Councilmen told The Dispatch, just prior to taking the action that "as a group we don't feel the utility firm is entitled to the increase, but apparently we don't have any other choice."

Pioneer officials had informed the council earlier in the week that the cost of the Pioneer petitioning of the Texas Railroad Commission for the rate increase in those towns which rejected or failed to approve the hike would be in the neighborhood of \$50,000.

This cost would be charged off on a per meter basis among the cities or towns which rejected or didn't approve the increase. With-

High school student hurt in 'cycle crash

Larry Brown, 16, son of Mr. and Mrs. Terrell Brown of the Pleasant Valley community, suffered a broken right leg and a cut on his forehead about 6:40 p. m. Tuesday when his motorcycle collided with a pickup truck at the junction of Avenue S and U. S. Hwy. 84.

City Police Sgt. Otis Shepherd Jr., and City Patrolman Richard Brush said their investigation showed that the collision occurred as the pickup, driven by Michael Johnson, 16, was making a left turn from the east lane of the divided highway.

The police said the motorcycle struck the pickup just behind the cab. The youth was not thrown from the motorcycle, which fell on him and pinned his leg after hitting the pickup.

Young Brown, a junior in Post High School, was en route home.

SEAT MIXUP STIRS FANS FRIDAY NIGHT

The reserved seat mix-up that left some ticketholders more than slightly confused at the Post-Lockney football game Friday night won't happen again, High School Principal Charles R. Hutchins said today.

The mix-up was due to the fact that the numbering of rows began at the first row behind the bleacher bar, which actually is the third row. As a result tickets were row-numbered for seats two rows higher.

Hutchins said the rows are being re-numbered this week in their proper order.

Hospital closing temporary measure

The announced closing of Garza Memorial Hospital Oct. 1 — even as a "temporary measure" for three months—comes as a shock to the entire community.

It is the first time in the hospital's 15-year history that it has had to close the doors. A year ago it was "closed" for two months when there were no doctors on the staff to admit patients.

The closing points up the seriousness of the county's and hospital's financial situation.

There simply was no money left in the till for tax subsidy and little prospects for admitting enough patients to limp through the final quarter.

The action certainly was a reluctant one on the part of hospital trustees.

But with financial prospects as they are, it was a sound decision to proceed in an orderly fashion with notice given to hospital staff members and doctors on the staff, rather than running until the expense hole was so deep that a serious problem for 1968 would develop by committing 1968 tax subsidy funds in 1967.

As The Dispatch understands the situation, as of Monday morning, the county commissioners court and the hospital trustees have come to an understanding on the tax subsidy which extends through 1968.

A great bunch of 'grid kids'

What the fans liked in Antelope Stadium Friday night when the Antelopes were going down to a three-touchdown defeat was the way our youngsters stayed right in there and battled back.

They fought hard and gave up cheap touchdowns through inexperience. But they were right in the game until midway in the fourth quarter when the Lockney Longhorns put it out of reach.

The 'Lopes were considerably improved over their opener. Tomorrow night we expect them to have more poise, balance, and savvy against the Floydada Whirlwinds.

When you analyze what happened Friday night — the way that young ball club kept bouncing right back and not giving up—the squad played an exciting ball game which had the fans up on their feet cheering any number of times.

While the 'Lopes learn and improve, The

This is a big step in the right direction which The Dispatch enthusiastically applauds. There is no use living in the past.

The hospital trustees and the court have put their past differences, or misunderstandings, or whatever you wish to call them, behind them and closed ranks for the county's future welfare.

In the final quarter of the fiscal year, trustees are going to devote their full energies to seeking more physicians for Post and its trade area, in the belief that more doctors here will give the hospital a better chance in the future to stand on its own financial feet.

The scheduled closing of the hospital was a hard decision for everybody, but when one considers the hard facts it was a necessary one.

The Dispatch, which has tried to report the situation from week to week thoroughly as the crisis grew, has this suggestion for our readers.

For the community's best interests, it is time to close ranks throughout the community behind the court and hospital trustees. There is a workable financial plan for the future, starting Jan. 1, 1968, providing that hospital use is sufficient to not require wholesale subsidies by the taxpayers.

It is time to quit arguing about who should have done what back down the road and to start working together and planning together for the future.—JC

WEATHER NOTE: Saturday, Sept. 23, is the first day of Fall. There is a rumor that the television industry is trying to get the first day of Fall set up a week or two so it will coincide with the opening of the college football season. They might pull it off, too. They persuaded Texas A&M and SMU to change the date of their football game from later in the season to last Saturday so they'd have a major college game to telecast on that date.

The man up the street has found a way to make his wife drive more carefully. He told her that if she had an accident The Dispatch would print her, age.

OUR CAT Blackie says to heck with football until after the World Series are over. Like many other Post fans, Blackie is pulling for Norm Cash and the Detroit Tigers to win the pennant in the tight American League race and then take the World Series by beating the St. Louis Cardinals, who've already wrapped it up over in the National League, where the Houston Astros and New York Mets are staging their annual feud to see who stays out of the cellar.

I just saw a newspaper filler that said American families today are using almost twice as much hot water as they did 10 years ago. They're also in about twice as much hot water as they were 10 years ago.

THE DRY LAND farming marker dedication program at the Close City community center Saturday night was one of the most enjoyable I've had the pleasure of attending since I began covering the historical marker dedications for The Dispatch some four years ago. Old-time residents of the Close City community spun many tales, some of them hair-raising, about the community's early days.

The program didn't officially start until a few minutes after 7 o'clock, but as early as 6:30 some of the county's old-timers had gathered outside the school building, which is now the community center, to recall early-day happenings. I especially enjoyed listening to Tom Boucher, Polly Duren and Walter Duckworth refresh each other's memories about just how the community was laid out before some of the changes took place — where the windmills were located, who lived where, etc.

THE REMINISCING continued inside the building after the marker was dedicated, with Darin White, master of ceremonies, and County Agent Syd Conner, the speaker, giving everybody an opportunity to be heard.

No less enjoyable than the talking, was the refreshment hour that followed, with coffee, punch and a wide variety of home-baked cookies served. If there had been a prize for the most appropriate cookies baked for the occasion, Mattie Belle Fluitt would have won it. She used Post Toasties in making the cookies and then sprinkled them with chocolate syrup to give them a "sand storm" effect.

A POST RESIDENT who never thought much of Lubbock's new slogan, "Lucky Me, I Live in Lubbock," says he saw a bumper sticker the other day on which the slogan had been shortened to "Lucky Me, I Live."

And speaking of bumper stickers, University of Texas football boosters are displaying one which reads, "Year of the Horns." Texas A&M boosters have countered with their own bumper sticker, which reads, "Year of the Horns. Ho, Ho, Ho!"

NO LONGER DOES our world end at the county line. This is the day of the super-jet, inter-state highways, missiles, satellites, laser beams, moon exploration, mini-skirts, hippies and flower people. Locally, people are still interested in who heads what civic committee, or whom broke bread with whom, but there are too many other things going on for anyone to be interested only in such trivia. Maybe some of the things we have to know about to be well informed will go away, but most of them are here to stay.

This classified ad appeared recently in a Missouri weekly newspaper: "Wanted: Someone to stay with my wife, mostly at night. Good wages."

Texas' only Indian reservation attracting hundreds of tourists

LIVINGSTON, Tex.—Texas' only Indian Reservation, home of the Alabama-Coushatta tribes, continues to attract both Texans and out-of-state visitors.

The fall schedules are now under way with attractive weekday historical and Big Thicket tours operating from mid-morning through mid-afternoons. The museums, craft shops and dining room are open daily for the visitors.

Popular activity for both the adults and the children is now offered over the weekend when the Saturday and Sunday programs offer the Living Indian Village with all of its yesterday activity in full regalia.

The new Indian Chief Railroad, in operation since July, carries its riders into the interior of the reservation forest. The various Indian dances presented by the "Na Ski La" (Dogwood) dancers continues to be the most popular attraction on the tribal enterprise operated program. Each dancer is in full dress and most audiences join with them in their final number.

The past weekend some 2,500 visitors were on the reservation. Many came at noon to enjoy the Indian barbecued beef and chicken dinners served in the activity complex.

Out-of-state visitors are daily using the camping areas and staying overnight.

The reservation business is adding to the economic development of the area.

NEW STYLING FEATURES FOR '68 CHEVROLETS

Chevrolet's new look for 1968 goes on display today at Hickman Chevrolet-Olds. In this smart new Chevrolet Caprice coupe styling features include new grille and hood that conceals the windshield wipers, recessed taillights in the rear bumpers and new body side lines.

New peak in individuality is reached in 1968 Chevrolet line

A new peak in individuality among Chevrolet's six car lines is reached for 1968, H. E. Hickman announced today as he placed the new line on display in the showroom of Hickman Chevrolet-Olds.

"Each member of our automotive 'family' has a distinct pace-setting personality with features that fully span its market," Hickman said. "This matches the growing customer desire for one-of-a-kind cars built in mass production."

A total of 41 new Chevrolet, Chevelle, Camaro, Chevy II, Corvair and Corvette models are included in the new 1968 lineup. Highlights include:

All new advance design bodies for Chevelle, Chevy II and Corvair, with introduction of two wheelbases within the Chevelle line.

A longer, more luxurious regular Chevrolet, new sportiness for Camaro and continued stress on the special features offered only by Corvair.

Important safety improvements, exhaust emission controls, and anti-theft provisions are standard equipment on all models. Improvements in ride, handling

and performance including a larger base V-8 engine for the regular Chevrolet, Chevelle and Chevy II.

Introduction on several lines of full door windows without ventiplanes, hidden windshield wipers and dual level "astro" ventilation.

Heading a list of more than 400 options and accessories is a power vacuum door lock system, a lamp monitoring system to tell the driver if his front and rear lights are working, front disc brakes and added availability of stereo tape players.

Safety improvements range from energy-absorbing front seat backs and safety armrests positioned to shield door handles to seat belts for all passenger positions and exterior side marker lights.

The regular Chevrolets have increased length and new front, side and rear styling reinforcing the "big car" image of the industry's top selling car, offered in 18 models in four series on a 119-inch wheelbase.

The auto industry of the United States produced a record 9,335,000 cars in 1965, about 18 every minute of the year.

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

Brunch is held to open Amity's new club year

Amity Study Club opened its new club year with a brunch last Saturday morning at the First Methodist Church with the study course, "Texas and Texans", being announced as the year's program theme.

Mrs. Curtis Lee gave the invocation. The president's welcome was given by Mrs. Ronald Babb. The tables were decorated with blue flowers, symbolizing the state flower — the bluebonnet, the six flags of Texas and miniature state maps. A bluebonnet nosegay was placed at each member's place.

The yearbook committee, Mmes. Wayne Carpenter, Lee Davis Jr., Preston Poole, Hoyt Thomas and Dean Sterling, sang an original version of "Hello, Amity" in presenting the new yearbook to the club.

The decorating committee, Mmes. Pat Walker, V. L. Peel, Bill Carlisle and Malcolm Bull, answered with their version of "The Yellow Rose of Texas."

Members told one fact about her wedding in answering roll call. The meeting was concluded with a unison reading of the club col-

Interior decorator to give program

"Beautify Your Home" will be the program topic presented by Mrs. Ann Parsons, interior decorator for Dunlap's Decorator Shop in Lubbock, Thursday, Sept. 28, at the 4-H building at 2 o'clock in the afternoon.

Mrs. Parsons is a graduate of the Texas Tech school of home economics and has been in the decorator business in the Lubbock area for a number of years.

Members of the local Home Economics Committee, who are sponsoring the program, will have exhibits on display, giving information on buying furniture, improving storage, selecting carpet, and color coordination.

The public is cordially invited to attend. There will be a 25-cent registration fee and refreshments will be served.

Others attending were: Mmes. Bob Collier, Thurman Francis, George Miller, Bill Pool, Wayne Richardson, Vernon Scott, Russell Wilks Jr., C. H. Hartel, James Brown, Jess Hendrix, Jack Burress and Miss Thelma Clark

Past matrons and patrons honored

Past matrons and patrons of the Post chapter were honored at the regular meeting of the Order of Eastern Star Tuesday night at the Masonic Hall.

The program, which was arranged by Rosa Gambin and Louella Bilberry, was a presentation of songs and poems appropriate to the occasion. Participating in the program were Nancy Norman, pianist, who accompanied Donna Maddox, Jody Cash, Becky Poer, Cathy Cates and Barbara Lucas.

One song was dedicated to affiliated past matrons and patrons, one to the present worthy matron, Beatrice Dodson, and worthy patron, Julius Tanner, and three to the honorees.

Refreshments were served to 30 members and guests with Louella Bilberry, Lillie Mills and Marvel Pierson as hostesses.

'Ma Ferguson' is chapter's topic

Xi Delta Phi chapter of the Sigma Phi met Monday night at the home of Sherry Jolley and enjoyed a program given by Jolley on "Ma Ferguson".

The talk carried out the program topic for the new club year, "Famous Women."

The Chamber of Commerce community center project was discussed and members were asked to attend the next Chamber of Commerce meeting. Plans were made for a rush party to be held Sept. 28 at the Community Room.

Duncan-Simpson wedding vows exchanged in outdoor ceremony

Miss Beverly Jean Duncan and Ronald Wright Simpson were united in marriage at an outdoor candlelight ceremony at the Robert E. Cox residence Saturday night at 8:30 o'clock. The Rev. Bernard S. Ramsey, minister of the First Christian

MRS. RONALD WRIGHT SIMPSON (Beverly Jean Duncan)

Church, officiated at the reading of the double ring vows before an ivy-covered trellis behind an arch enhanced with bells. Arrangements of white chrysanthemums were placed on either side of the arch, and wrought iron candelabra completed the setting.

Parents of the couple are Mr. and Mrs. Floyd W. Duncan and Mr. and Mrs. Wallace Simpson of Denton, former Post residents.

The bride, given in marriage by her father, was escorted down an aisle marked with hurricane lamps of wrought iron holding pink candles and pink bow. She wore a street-length lace cage dress fashioned with a lace edge bateau neckline and bracelet-length sheer puffed sleeves with cuffs. A full loose cage of lace over the peau sheath was accented with tiny buttons. A petal couplet and pearls held a shoulder veil of illusion. She carried a colonial bouquet of gardenias.

Miss Cerretha Jones was maid of honor. She wore a shift of pink crepe and carried a white basket of pink and white pom-pom mums.

Edsel Ray "Butch" Cross was best man. Seating the guests were Wendell F. Duncan of Lubbock, brother of the bride, and David L. Nichols.

Misses Kelly and Kim Mitchell were flower girls and their brother, Pat, was ringbearer.

Vernon Scott sang "More" and "The Twelfth of Never", accompanied by Miss Lin Alyn Cox.

The lawn and porch of the Cox home was illuminated with pink lights for the reception. Members of the house party were Mrs. Jerry E. Bush, Mrs. Donny Johnston and Miss Sherry Gist.

The bride chose a beige and tan tent dress, accented with tiny buttons down the front, and beige accessories for travel. Her corsage was of gardenias.

Mr. and Mrs. Simpson are at home in Stephenville where he is a junior physical education major and a member of the football team at Tarelton State College. Both are graduates of Post High School and Mrs. Simpson attended Texas Tech last year.

She was named Miss PHS while a high school senior.

Out-of-town guests included the bride's aunt and uncle, Mr. and Mrs. Lloyd Duncan of Big Spring, and the bridegroom's grandmother of Lubbock.

Book review at chapter meeting

Epsilon Sigma Alpha sorority met recently at 7:30 o'clock in the Community Room and heard a book review by a guest speaker, Mrs. Lee Davis.

Mrs. Davis reviewed "Life Is a Journey Now," by Lula Gracia, a book review by a guest speaker, Mrs. Lee Davis.

The sorority voted to help support the Chamber of Commerce project of acquiring a community building.

Margaret Allen and Bienda Robinson were hostesses and served coffee and cakes to Sandra Alexander, Gail Birkes, Bertha Adams, Mary Mayo, Betty McLeroy, by Pace, Linda Reynolds and a guest, Sidney Gregg.

The next meeting will be a social, Sept. 21.

Mrs. Marks to attend state board meeting

Mrs. R. L. Marks, state chairman of the audio visual department of Texas Federation of Music Clubs, will attend the state board meeting at the Inn of the Hills at Kerrville, Sept. 25-26.

The Wednesday Music Club of Kerrville will host the two-day event.

Mrs. Marks will be on a panel discussing the president's duties and responsibilities on the district and local levels. Mrs. Dellon Bumgardner of Carthage, president of the TFMC, will preside.

National Federation of Music Clubs, formed in 1898 in Chicago, Ill., has about 600,000 members who work to promote, develop high musical standards, to aid and encourage musical education, and to promote American music and American artists.

Mr. Marks will accompany his wife.

MRS. ELDON MAY (Patricia Ann Martin)

Patricia Martin becomes bride of Eldon May in ceremony here

Double ring vows were read for Miss Patricia Ann Martin and Eldon May at the First Christian Church last Friday at 7 o'clock in the evening with the minister, the Rev. Bernard S. Ramsey, officiating.

The sanctuary was decorated with arrangements of white gladiolas, blue carnations and candelabras with a background of greenery.

The pews were marked with white candles, blue carnations and greenery, and white wedding bells enhanced the pulpit and lectern.

The bride is the daughter of Mr. and Mrs. Pat O. Martin, and the bridegroom is the son of Mr. and Mrs. R. D. May of Whiteface.

Given in marriage by her father, the bride wore a formal-length

gown of Chantilly lace fashioned with a bateau neckline, and elbow-length sleeves. The princess A-line sheath fell into a full cage sweep. A miniature queen's crown of lace petals, edged in pearls, held a shoulder-length veil of imported silk illusion. She carried a bridal fall of white carnations edged with devil's ivy.

The bride carried out the tradition of something old, new, borrowed and blue. As she came down the aisle she presented her mother with a white carnation and as she left the altar presented her mother-in-law with one.

Mrs. Leroy Schuster of Jones, Okla., was her sister's matron of honor. She wore a formal-length empire style dress of blue bonded crepe with dyed-to-match shoes. Her headpiece was made of matching blue crepe with a bow to hold a shoulder veil. She carried a white gladiola crowned with pink carnations.

Royce May of Whiteface served his brother as best man. Kenneth Martin, brother of the bride, and Jerry Bush seated the guests. Lee Schuster of Jones, Okla., nephew of the bride, was ringbearer.

Miss Melvita Floyd, played traditional wedding music and also played background music at the reception which followed in Fellowship Hall.

The bride's table was laid with a white damask cloth and centered with an arrangement of candles, white gladiolas and blue carnations. The three-tiered wedding cake was topped with a miniature bride and groom. Crystal appointments were used.

Mrs. Joe Hall registered the guests, and Mrs. Jerry Bush and Miss Joy Freeman of Lubbock, served cake and punch.

For the wedding trip to New Mexico, the bride donned a two-piece white silk and linen suit with hot-pink accessories. Her

Priscilla Club meets with Mrs. Robinson

The Priscilla Club met Sept. 8 with Mrs. Dean Robinson as hostess.

Refreshments of cheeseburgers, pumpkin pie and punch were served by the hostess.

Those attending were: Mmes. W. C. Terry, Victor Hudman, Robert Cox, N. C. Outlaw, E. L. Duncan, Monroe Lane, C. J. Mangum, Keith Kemp, Morris Neff, and the hostess.

It's My Turn

— By MRS. C.

There was a shootin' and a killin' in the peaceful neighborhood on the corner of 10th Street and Osage Avenue in the wee hours of Monday morning.

I knew it was going to happen one of these days because lots of people had spotted a stranger prowling around in the area. I figured it was just a matter of time and only hoped none of my family would be involved.

The neighborhood dogs had been a bit jumpy for the last several nights and several times during the night kept most of the neighborhood awake with their barking. Even Miss Sam Basset, who is not an avid barker nor a barking "copy cat," joined in occasionally.

One just had a feeling that something was going to happen!

About 4 o'clock Monday morning the dogs really started going at it and were soon joined by Miss Sam who was awakened from a sound sleep on the patio. Mr. C rushed out to tell her, rather unpolitely, to shut up. She ended up being put out the front door with a threat of violence if she barked one more time. I wondered at the time if I were wise of Mr. C to put Miss Sam out after all the "prowler" reports, but didn't want to wake up enough to add to the confusion.

It wasn't long before we saw flashing lights and then heard a shot. Both Mr. C and I sat up and I exclaimed: "What was that?" Mr. C, who was looking out the window by this time, said: "That was a rifle shot." Not knowing one shot from another, I was pretty impressed with Mr. C being so knowledgeable so early in the

morning.

Miss Sam was promptly let back into the house, as we didn't want her to get tangled up in anything she couldn't handle and Miss Sam being Miss Sam can't handle a

Just about the time the shot was fired the neighborhood became a rather undesirable place to live and most of the residents out there were probably deciding to move—at least temporarily.

I'm sure you're all hanging onto the edge of your chair by now so I better explain that the intruder was a rather innocent-looking black and white animal with a deadly smell, and the hero of the neighborhood was Elwood Wright.

Elwood, with a borrowed 22 rifle, aimed one fatal shot—but not before his dog, Tags, tangled with the skunk and came up smelling mighty unlike a rose.

Elwood and Mary Lee had been awakened by the dogs and upon looking out their bedroom window had spotted a skunk in their fenced backyard. Naturally, this made them a bit concerned. Our "hero" jumped out of bed and did his deed.

Did he receive a conquering hero's welcome from his wife when he finally returned from the chore of getting rid of the skunk and digging out a puppy who became stuck between fence and storage house during the fray?

No. Like all wives, Mary Lee suggested he take a shower, before turning over on her side and drifting off to dreamland.

HOW IS YOUR CREDIT?

The worst thing you can do is not to respond to a reminder that your payments are overdue.

The best thing you can do is go in and talk it over.

TIPS ON KEEPING A GOOD

1. Pay promptly. This is more important than a big income.
2. Don't buy more than you can afford with charge accounts and time payments.
3. Leave some of your income free for emergencies.
4. Balance your use of cash and credit.
5. Never try to dodge your debts.
6. Explain matters to the credit manager.
7. Start making payments, however small.

Recent bride is shower honoree

Mrs. Charles "Butch" Alexander, the former Miss Lynda Taylor, was complimented with a bridal shower at the Community Room Monday from 7:30 until 9:30 o'clock at night.

Receiving the guests were the honoree, her mother, Mrs. O. B. Taylor, and her mother-in-law, Mrs. James Alexander.

Mrs. Tommy Poison of Odessa, niece of the recent bride, registered the guests. Serving refreshments were Vickie and Angela Taylor of Lubbock, also nieces of the bride.

The serving table was laid with white lace over blue and centered with an arrangement of blue flowers, flanked by crystal candleholders holding blue candles. Crystal appointments were used.

Hostesses were: Mmes. Dan Lamb, D. W. Livingston, Jack Ballentine, Fannie Richards, Harvella Mason, M. J. Malouf, J. R. Hagins, Jacky Taylor, Arnold Parrish, G. W. Greer, Arville Ferguson, Barney Martin, Richard Cook of Jal, N. M., and Richard Souter of Tulsa.

MECHANICAL CHANGES FEATURE 1968 OLDS

In addition to dramatic new styling both front and rear, the 1968 Oldsmobile Demont 88—along with all the new Oldsmobiles—features a long list of important mechanical improvements.

Post soldier completes Army machine course

FT. LEONARD WOOD, Mo. (AH-TNC)—Army Pvt. James R. Hart, 22, whose parents, Mr. and Mrs. James D. Hart, and wife, Vickie, live on Star Route, Post, Tex., completed an eight-week construction machine operator course on Sept. 14 at Ft. Leonard Wood. He was trained in the operation of grading bulldozers and learned the techniques of cutting ditches and forming drainage systems.

New power train concept featured in 1968 Olds unveiled here today

The 1968 Oldsmobiles, which are being unveiled here today at Hickman Chevrolet - Olds, feature a new power train concept for all models which will give the owner additional benefits in mid-range performance, fuel economy, quietness of operation and durability. In addition, the new Olds line features a performance option

and substantial styling improvements in the front-wheel drive Toronado, development of a brilliant new front-end look for the 88's and 98's, and a completely changed appearance for the F-85, Cutlass, Cutlass Supreme, 44-2 and Visa Cruiser.

"Of practical interest," H. E. Hickman, local Olds dealer points out, "are the two-door models in the Cutlass series identified as 'S' coupes. We expect this line of coupes, pillar, hardtop and convertible, to augment Oldsmobile's recent gains in the youth market."

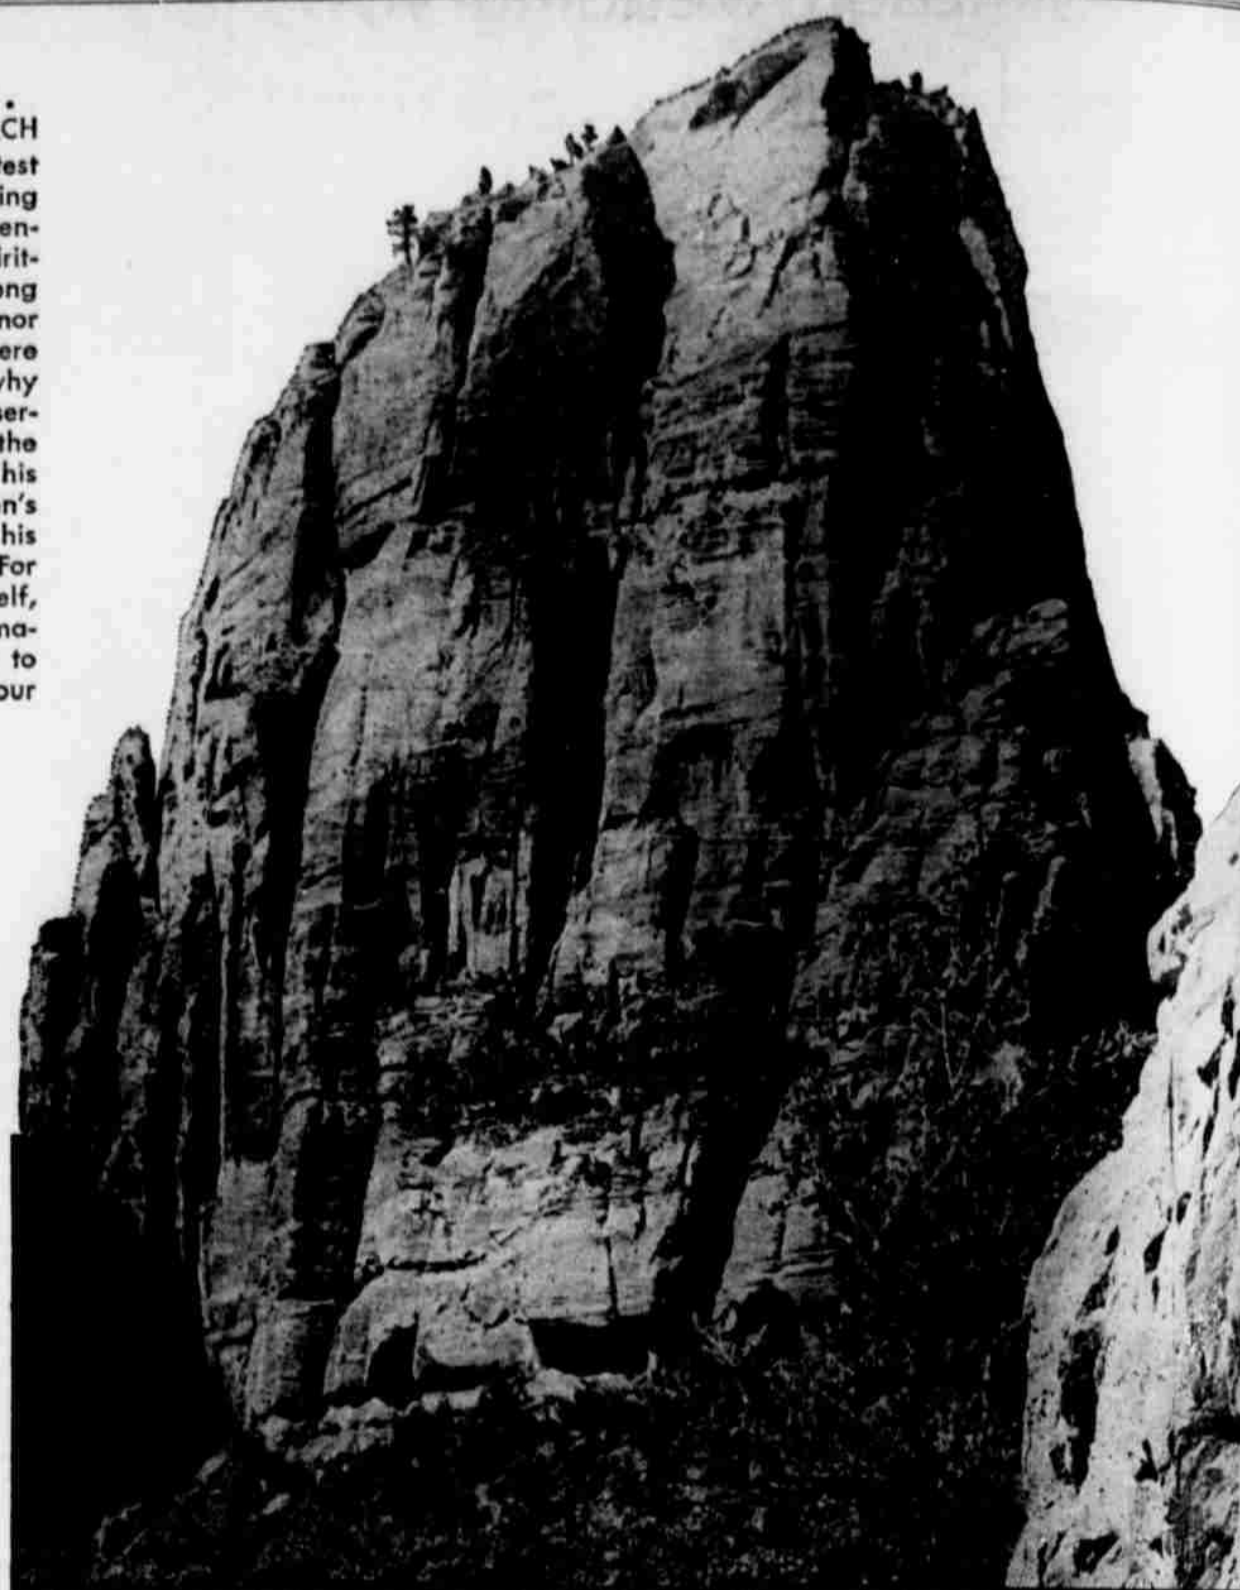

"An extremely important part of our 1968 product story," Hickman said, "is the engineering concept adopted for all Oldsmobile power trains, which provides better fuel economy, improvement in mid-range operation, and fuel economy."

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

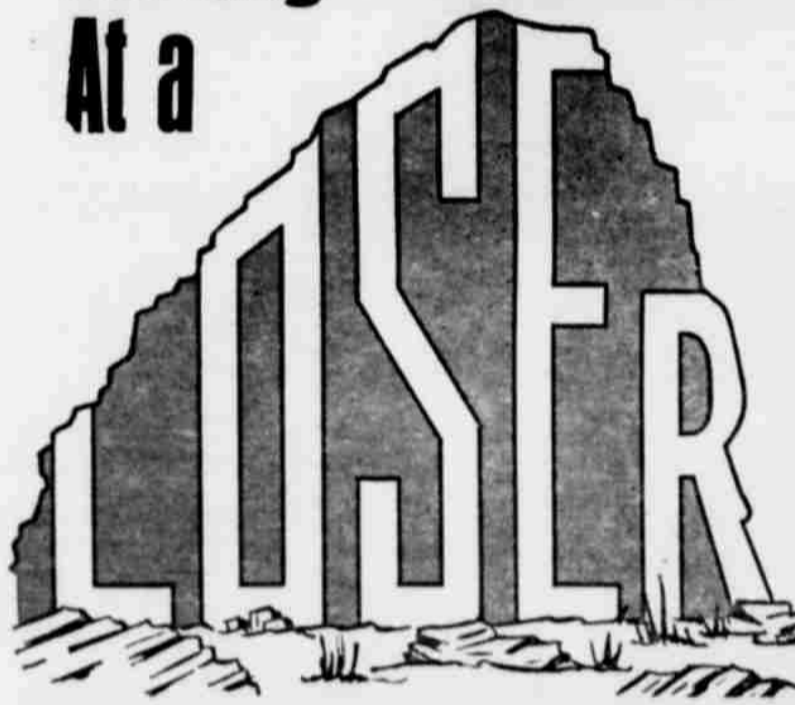

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Here is an example of a one-sided battle! It's that same old battle between the irresistible force and the immovable object.

Study the rounding edges of this massive granite formation. The wind is winning—persuasively and very definitely. Note the deep clefts where chips have fallen from the old block. Rain, snow, ice are the victors here.

And see the pines growing topside on this barren bulk. Each year their roots press deeper into the hidden faults.

What does this prove? Well, for one thing it shows that the lifeless rock is no match for the *moving, living, growing* forces in God's creation. So never overestimate the strength of that stubborn secularism that sometimes appears to dominate our world.

In worship and religious pursuit, millions are linking their souls with the vital spiritual forces which *shall* prevail!

Student Council holds first meeting of year

By Micki Sterling
The Post High Student Council met in the school, Sept. 12 to elect their officers and to plan projects for the coming year.
Last spring, the president, Jim Johnston, and vice president, Ben Miller, were elected by the student body.
Tuesday, Sept. 12, Emily Potts was elected as secretary, Norman Tanner as treasurer and Micki Sterling as reporter.
There will be several projects this year which will improve the relationships between the students and faculty, such as the Student-Teacher panels.
The Student Council has many other projects which will be very beneficial to the school. The Student Council has ordered four new trash cans for the high school and bids are being taken for two air-conditioners for the Post High School Library.
The Student Council is the governing body of the high school, so if any club, organization, or individual has an idea or plan for the betterment of the school, they are asked to report to their student council representatives, so the plan may be put into action.

High School Happenings

The major business of the meeting was the election of officers. The new officers are Voda Beth Voss, president; Helyn Cheshire, vice president; Adrienne Cook, secretary; Sue Harrison, treasurer, and Jane Strofer, reporter.
Dues were set for the year and the constitution and duties of the officers were read and discussed.
Those attending were Teresa Maddox, Sue Harrison, Kay Litton, Helyn Cheshire, Jane Strofer, Isabel Valdez, Emily Potts, Irene Saldivar, Miriam Smith, Elbert Rudd, Zelika Freeman, Sullinda Little, Natha Jo Mears, Carolyn Davis, Patsy Pierce, James Hawkins, Voda Beth Voss, Adrienne Cook and Kathy Hamilton.

Dallas will host 4-H Dress Revue

DALLAS — Forty-six finalists will compete for top honors in the 1967 State 4-H Dress Revue Oct. 6-7 in Dallas.
The 4-H educational clothing activity will again be staged as a feature of the State Fair of Texas. Contestants will be presented in two public fashion shows at 10 and 11 a. m. Oct. 7 in the Women's Building Auditorium at Fair Park.
Dress Revue winners will be announced during an awards luncheon Oct. 6 in the Houston Room at the Sheraton - Dallas.
First place winner at the State Dress Revue will receive a trip to the National 4-H Club Congress in Chicago Nov. 26-30.
Girls who will take part in the State Revue have earned that right by winning at their county and district levels. They represent approximately 20,000 Texas 4-H girls enrolled in clothing work this year.

69 members in Post High band

By Zelika Freeman
The Post High School band is marching onward this school year under the direction of Herb Germmer, band director, and Mike Petty, drum major.
The organization is composed of 69 proud members, two of whom are Seniors, 13 Juniors, 31 Sophomores and 23 Freshmen.
An 8-to-5 marching style is in effect, which means that the band takes eight steps to every five yards, unlike the six steps to five yards used last school year.

All ages require birth certificate for license

AUSTIN — Col. Homer Garrison, director of the Department of Public Safety, reminded Garza countians today that any person, regardless of age, must have a birth certificate, or other legal document showing birthplace, in possession at the time they first make application for a driver's license.
"Apparently many applicants are unfamiliar with the new requirements in the law," Garrison said, "and large numbers of prospective drivers are being turned away until they return home and get such a document."
This part of the law applies only to those drivers who make application for their first Texas driver license, and not to those wishing to renew a license, Garrison explained.

'68 Buick. Now we're talking your language.

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on all Skylark Custom models.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't you really rather have a Buick?

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.

Electric rates—

(Continued From Front Page) trend toward increased use of electric service in modern day living and offers to the customer the benefits accruing to the company when it is able to utilize larger, more efficient service, according to Barley.

The new commercial rates call for the following schedule:
6.50 cents per kwh for the first 100 kwh used each month; 4.20 cents per kwh for the next 900 kwh used per month; 2.15 cents per kwh for the next 6,000 kwh used each month; 1.30 cents per kwh for next 6,000 kwh used each month and 80 of a cent per kwh for all additional kwh each month.

The company projects that the rate increase will produce additional annual revenues in Texas, where it serves the great majority of its customers, of \$1,874,000, with the company-wide increase being just over \$2,460,000. Of this amount \$1,179,229.49 will go for additional taxes.

The new rates will raise the company's rate of return on its investment from 5.65 per cent to 5.95 per cent. Barley said 6.5 to 7 per cent is generally regarded as a fair rate of return and Texas law allows as much as 8 per cent.

Through the years, the company has introduced every possible economy in its operations, Barley said. The most efficient generating equipment available has been installed and an automatic load dispatching system which utilizes the most economical equipment under all load conditions has been placed in operation.

Barley pointed out that gas for making electricity, for example, has increased in price from 7.25 cents per mcf to 19.21 cents in the 16 years since the last general rate increase. Steel for substations is 27 cents a pound today, compared to 15 cents in 1951. Copper wire has gone from 38 cents a pound to 57 cents. Hourly wage scales have increased more than 90 per cent, motors are 26 per cent higher and taxes have increased by almost 200 per cent.

"Although we are asking for a rate increase, there are pluses for our customers in this new rate structure if they will utilize them by living better electrically," Barley said. "No other source of energy available has held the price line for as long as the electric industry. Ours is a service which costs less for each unit, the more units that you use, and this type of economy is still available in these new rates," Barley concluded.

Rotary talk—

(Continued From Front Page) infected with hindweed, Moore told Rotarians. He said the Russians have developed dual purpose cattle for both meat and milk.

Much of the farm machinery the group saw on the farms were old with new machinery improvements ingeniously added to old machines to make them perform better. He said Czech farms were "stripped" of their farm equipment. He said Czechs resented both Communism, and Americans for not liberating their country instead of the Russians.

"Russian people are not motivated by anything but patriotism as the state owns everything," Moore pointed out. "Farm workers are paid only \$80 monthly."

In Moscow, he reported, Russian high school students can speak English. He found Russians very friendly. He said Moscow University has 40,000 students and its own sports stadium which seats over 100,000.

Although the Russian capital has 5,500,000 population, one sees only 15 or 20 per cent of the amount of private vehicles you see in Lubbock, Moore said. Public transportation is the principal method of getting around the big city which has no telephone directories or information operators, he added.

Borden County manhunt ends

GAIL — An intensive manhunt ended at 10 a. m. last Friday when three juvenile boys from Alvin, Tex., surrendered to a peace officer three miles north of Gail. Two gave their ages as 16 and the other was said to be 15.

The three were apprehended by Harmon Watts, Lynn County deputy sheriff, following a search by officers from a number of area towns, including sheriff's officers from Post. The capture climaxed a manhunt that began about midnight Thursday.

Airplanes, including one private plane from Post, were used in the search for the youths, who got officers on their trail after they headed west towards Lamesa after failing to pay for some gasoline obtained at a Snyder service station.

The high-speed motor vehicle chase ended about 14 miles west of Snyder when the suspects' car skidded off rain-slick U. S. Hwy. 189 into a ditch. The youths abandoned the car and fled north on foot in Borden County.

Officers recovered the abandoned vehicle and learned that it had been reported stolen in Houston.

Neither team has 1967 victory to its credit

The Post Antelopes will try to make it three in a row over the Floydada Whirlwinds here Friday night and at the same time win their first game of the 1967 season.

Coach Bill Curry's big Floydada team will also be seeking its first win of the season after shellacking the hands of two Class AAA teams, Hereford and Tullia, by scores of 41-6 and 48-0, respectively.

The Antelopes won over Floydada in 1965 and again in 1966 after having lost eight consecutive games to the Whirlwinds.

POST SCOUTS, who saw last Friday night's Floydada - Tullia game, report the Whirlwinds to be big and powerful, with their smallest man from tackle to tackle weighing 190 pounds.

Coach Glynn Gregg said he isn't taking Floydada's losses to Hereford and Tullia as any indication of what they might do here Friday night against his lighter and inexperienced Antelope eleven.

"Both Hereford and Tullia are strong Class AAA outfits, and we remember how Floydada came along and almost won their district after we beat them last season," Coach Gregg said.

The Whirlwinds mount a potent passing attack off the arm of senior quarterback Larry Barbee, a 155-pounder and co-captain of the Floydada team.

THE 'WINDS operate their offense from an "I" with a split end slot formation.

With Barbee in the starting backfield for Coach Curry's charges will be fullback and co-captain Joe Christian, who weighs 185 pounds, and halfbacks David Miller, a 170-pound senior, and Tommy Jackson, a 190-pound senior.

In the offensive line will be Wayne Golithly, 150, and Todd Vester, 140, ends; Dale Baker, 219, center; Hulan Carthel, 190, tackle; Bobby Gilliland, 198, and Bryan Alding, 199, guards, and Steve Perce, 195, center.

As a team, Floydada's tentative starting line - up will outweigh Post's 19 pounds to a man, with a height average of 180 as compared with 161. In the line, the 'Winds will outweigh the 'Lopes 25 pounds to a man - 184 average to 159 - and in the backfield the visitors

will hold a weight advantage of nine pounds to a man - 173 weight average to 164.

WITH THE exception of back Pete Morales, who injured an ankle in the first quarter of the Lockney game, the Antelopes are in fair condition physically, Coach Gregg said. Morales was held out of practice Monday and Tuesday to give the ankle time to mend. Charles Harper (No. 2), 140-pound senior back, is running again this week after having missed the Lockney game because of an attack of the flu.

Coach Gregg and his assistants are drilling the Antelopes hard this week trying to overcome mistakes they made in the loss to Lockney.

The head coach said the 'Lopes showed some improvement over the Hale Center game, but still made more than their share of mistakes.

He said he was pleased with the fact that the team played together more as a unit against Lockney than it did in the opener against Hale Center.

"We'll stick with our same basic offense against Floydada, but there'll be some assignment changes on defense," Coach Gregg said.

Horse show to be held at Andrews

ANDREWS—The Andrews County Sheriff's Posse is sponsoring a Registered Quarter Horse Show, AQHA approved, on Oct. 7.

There will be halter classes for stallions, mares and geldings and performance classes in reining, western pleasure, barrels and pole bending.

Trophies will be given for grand champion, reserve champion and high point horse. Ribbons will be awarded for first through sixth place.

Doyle Saul of Plainview will be the judge.

Further information may be obtained by writing the Andrews County Sheriff's Posse, Box 634, Andrews, Tex., or calling 523-5479 or 523-5560.

Lockney scores 35-13 win over Post eleven

The Post Antelopes lost to the Lockney Longhorns, 35 to 13, last Friday night in a home - opener that saw the young Antelope eleven at its best in the third quarter.

Trailing 21-7 at halftime, the 'Lopes came back strong in the third quarter to pull up to 21-13, but that was as close as they came, with the Longhorns putting the game on ice with two fourth quarter touchdowns.

The charges of Coach Glynn Gregg showed improvement, particularly in the "desire and hustle" department, over their performance at Hale Center in the season opener.

ONCE AGAIN, however, it was "cheap" touchdowns that beat the Antelopes, with only two of the Longhorns' five touchdowns coming on sustained drives.

The 'Lopes showed improvement in pass defense over their Hale Center performance, but the 'Horns didn't need to do much passing, with the Post team unable to cope with the off-tackle smashes of fullback Tim Stansell and halfback Tommy Ball.

Lockney drove 60 yards for its first touchdown after receiving the opening kickoff, Ball tearing six yards through the line, and end Jim Kropp kicking the first of his five-for-five conversions.

The Antelopes were stubborn on that first drive, however, and it took six minutes and 22 seconds and 14 plays for the Longhorns to light up the scoreboard.

THEIR SECOND touchdown, early in the second quarter, came easier, with Stansell smashing through the left side of the Post line and going 58 yards for the six-pointer.

The Antelopes countered on a 54-yard drive, with halfback Dennis Altman cracking the Longhorn line for 14 yards, and sophomore center Randy Hudman scoring his

first varsity point with a perfect kick from placement.

The score stayed that close, 14-7, until the final play of the first half when quarterback Randy Henderson passed 28 yards to end Carlton Johnson, who, after making a "circus catch" had only to wheel and step over the goal line.

Before the 'Horns scored their third touchdown, tackle Norman Tanner had recovered a Lockney fumble on their 36, but the Antelopes were unable to capitalize on the break.

POST WENT 67 yards to get back in the ball game after taking the second half kickoff on their 33.

After quarterback Ray Altman kept for two yards, he hit end D'Wayne Gannon with a 10 - yard pass completion, then D. Altman gained four and James Pollard seven for another first down.

A 12-yard pass completion, Altman to Gannon, was good for a first down on the Lockney 33, and after Pollard fumbled the ball out of bounds for a four-yard gain, pass interference was ruled against Lockney on a heave from Altman to Gannon, and the 'Lopes had a first down at the 19.

A five - yard penalty against Lockney and a three - yard gain by D. Altman took the ball to the 11, from where D. Altman fought his way through a maze of Longhorn defenders for the touchdown.

Hudman's extra point holder was just a split second slow getting the ball positioned, and the first-year lineman's kick missed for the extra point.

The Longhorns put the game beyond reach with 8:47 left when Stansell burst through the line and raced 61 yards for a touchdown. They scored their final touchdown after taking the ball on downs on

the Post 37.

TWO LINE plays failed to gain, but Robert Duckworth took a pitch-out from Henderson and hit Raymond Sterling on the Post 12-yard line with a 26-yard pass. Four plays later, Stansell crashed through the line for 14 yards and his third touchdown of the night, with only 4:12 left in the game.

Post got a big break when the 'Horns were penalized 15 yards on the kickoff for obstructing the receiver, and got the ball on Lockney's 36.

Altman passed to Gannon for a first down on the 11, but the 'Lopes could get only two yards in four tries and Lockney took over on their nine-yard line.

Dennis Altman was Post's leading ground gainer, netting 74 yards on 17 attempts. Pollard's net was 14 yards on six carries, with George Torres carrying twice for six yards, and Pete Morales once, on an end around, for five. Ray Altman, trapped three times when all his receivers were covered, had a minus 13 yards on six attempts, while Gannon, on an end around, lost seven yards on his only carry.

Junior High gridders rip O'Donnell teams

Post Junior High's football teams opened their season with a double-header win at O'Donnell Tuesday night, Coach Bud Davis' 8th grade team taking an 18-6 victory, and Coach Waco Reynolds' 7th graders winning, 12-6.

The junior high teams will play Lockney here Tuesday, Sept. 26, with the 7th grade game starting at 5:30 p. m.

The Post 8th grade team had four touchdowns called back because of infractions and was penalized a total of 95 yards.

They opened the scoring in the first quarter on a 40-yard pass play from quarterback David Hart to halfback Danny Vargas, with halfback Kim Owen failing in a try to punch over the extra points.

Hart rolled out 40 yards for an apparent touchdown in the second quarter, but it was called back, and Kyle Josey followed with a TD on a 30 - yard sweep that was also called back.

O'Donnell tied the score in the third quarter on a 60-yard reverse but Post went back ahead with Josey scoring from 50 yards out.

Two other touchdowns, one by Josey with an intercepted pass and the other by Vargas on a 35-yard run, were also wiped out by penalties before Hart and Vargas got together on a 35-yard pass play that stood up.

All 33 boys on Coach Davis' 8th grade squad saw action in the game, with Hart, Josey, Vargas and Owen shining on offense, and center Bobby Ammons, guards Ricky Bush and Tommy Shumard, tackles Tommy Zachary and Ken McKamie, and ends Ricky Hair and Don Eilenberger standing out on defense.

The first touchdown for Coach Reynolds' 7th graders came in the second quarter on a six-yard sweep by Ricky King. The second quarter

Post's Improving Antelopes

tangle with the

Floydada Whirlwinds

Coach Glynn Gregg's young Post High Antelopes are improving each and every week. The way they fought back against Lockney's Longhorns last Friday night had the fans on their feet cheering. It was an exciting ball game decided by mistakes and resultant 'cheap' touchdowns on long gainers.

The ball club showed real improvement, especially in the second half and they battled back twice instead of giving up. That spirit needs to be matched by the fans in the stands. Together this young club and the fans may surprise some football people before the year is over—and together they can build a solid foundation for an improved, more experienced ball club next year, and an even better one a year after that.

Let's have a "spirit year"—instead of a week for one big game or two. Let's get with it in the stands just as our youngsters are doing down on the field. If they keep improving, the Antelopes are going to win some games. And that first victory could come tomorrow night.

Zip-a-List kits delivered in Post Wednesday on Postal Services Day

On Postal Services Day, Wednesday, letter carriers began delivering to every householder a kit of eight postal cards which can be mailed back to the post office to obtain the ZIP Codes for "zip-less" addresses.

Each completed card will be sent to the post office which services the address needing a ZIP Code. There the proper five-digit number will be added before the form is returned to the sender.

No postage will be needed on the cards.

"Delivery of the ZIP-A-LIST kit during the celebration of Postal Services Day is in keeping with the event," Postmaster A. J. McAlister said. "ZIP Code is the key to better service and we want to make it as easy as possible to obtain the codes needed to fill out personal mailing lists."

Each of the eight postal cards in the kit contain a message encouraging the general use of ZIP Code. There is a ninth card of instructions. All are folded together like a closed accordion. There are perforations between each form. In addition, another separate card is delivered along with the kit which is a reminder of the local ZIP Code.

Last year approximately 3,500 addresses were ZIP Coded by the Post Office as part of a similar program using only one (or two) cards with spaces for as many as 13 addresses. Postmaster McAlister said.

Nationally, about eight addresses per card were returned during the 1966 project.

The unit cost of entering the code onto each card will be less than the system used in 1966 because no look-up will be necessary. Every card in the final post office will need the same code, so an inexperienced clerk will be able to simply stamp it on the card and send the form on its return journey.

On an average day, between 175 and 250 million new pieces of mail enter the postal system. It is not expected that more than 10 million of the ZIP-A-List cards will be in the system at any one time during the peak periods of mailing. Since they will be handled essentially as ordinary postal cards, there will be no burden or dislocation of service.

"The ultimate result will be an improvement in service," Postmaster General Lawrence F. O'Brien has said about the project. "ZIP Code is the base upon which the modern postal service is being built. But, it won't work and the modernization and efficiencies ZIP Code will bring cannot go into effect until there is more widespread usage of the five-number code."

"The ZIP-A-LIST project is the most dramatic aspect of our continuing campaign to make ZIP Codes readily available to the public."

came on a 60-yard punt return by Robert Mindieta.

O'Donnell scored in the final period after recovering a fumble on the Post 20-yard line.

John Johnson, Mindieta and Ricky Thomas took turns about at quarterback for the Post team. Outstanding defensive players included Mike Huff, Mike Hughes, Charles Johnson and Johnny Min-

Coach Reynolds played all 42 boys on his 7th grade squad and said they all did a fine job in their first game.

CASH CONNECTS IN LOSS TO RED SOX

Norm Cash of the Detroit Tigers hit two home runs Tuesday in the Tigers' 6-5 loss to Boston in a ten-inning game.

The home runs were the 20th and 21st of the season for the Justiceburg native and Post High School graduate.

The Boston victory left them, Detroit and Minnesota tied for the lead in the tight American League pennant race.

Post freshmen and sophomores nip O'Donnell here

A team of Post freshmen and junior varsity sophomores outlasted the O'Donnell Eagle "B" team, 44 to 30, in a wild and woolly game here last Thursday night that opened the season for both teams.

Post lit up the scoreboard first with freshman back Johnny McGuire scoring on a run, but the extra points try failed, to give the locals a 6-0 lead.

O'Donnell showed that it had come to play by scoring on a long run on the Eagles' first play from scrimmage and then adding the extra points to go out in front, 8-6.

FRESHMEN TO SLATON

The Post freshman football team will play the Slaton freshman today (Thursday) on the Slaton gridiron. The kickoff is scheduled for 5:30 o'clock.

Post scored again, however, and stayed ahead the rest of the game. One of Post's second half touchdowns came on a kickoff return by freshman back Robert P. a. c. e.

Others scoring included Larry Bilberry and Robert Bullock, both freshmen. The freshmen, in fact, did most

of the offensive work for Post, with the sophomores mainly manning the line positions. Defensive standouts for Post included sophomores David Pierce, Steve Newby, Karl Hall, Butch Heaton, Larry D. o. n. Johnson and Kenneth Mitchell. The Post team was coached by Waco Reynolds and Bill Smith.

Eagles outlast Smyer, 28-26

The Southland Eagles, winners over Bula and Smyer in their first two games, are expected to make it three in a row Friday night at Cotton Center in an eight-man football battle.

The Eagles of Coach Bob Dyess had their hands full against the Smyer Bobcats last Friday night before finally winning 28 to 26 in a cliff-hanger.

Southland scored first, with Bill Bevers passing to Darrell Wilke for 20 yards in the first quarter,

then added another touchdown the second period on a six-yard scamper by Bevers, who also over the extra points to give Eagles a 14-0 lead.

Smyer pulled up to 14-6 on a 60-yard kickoff return by Alton Altman, but Southland tipped score to 22-6 in the third quarter. Wilke ran five yards and provided the extra points. Smyer finished strong with more touchdowns, but the Eagles also added another, with points deciding the outcome.
