

# Whole town full of bargains awaits Double \$ Day shoppers

## C. of C. crowd may hit 200

of Commerce officers are making preparations for a crowd of at least 200 at the annual banquet Friday, Feb. 5, at the luncheon. The Chamber's annual report will be made by manager John N. Hopkins. The invocation will be by the Rev. Gene Matthews, pastor of the First Methodist Church. Kelley's address will be on "Water", which is the theme of this year's banquet—tied in with the White River dam project. Kelley has been chairman of the water resources committee of the WTCC for many years, and has been a member of the Governor's water advisory committee under the last three governors. He is also a director and a member of the executive board of the Southwest Water Evaporation Research Corp., and a member of the finance committee of the Texas Water Conservation Association.

FRANK H. KELLEY

## White River project water rates will soon be known

White River dam project water rates for the four communities under the White River project. The rate requirements are being prepared by experts for the water district's fiscal agents after a study of present water debts of the four towns, cost of water department operations in the communi-

ties, and loss of water in the various water systems. RANSOM GALOWAY of Lubbock, representative of the fiscal agents, told White River directors at their January session in Crosbyton last Thursday night that the water rate report should be ready "within ten days or two weeks."

## 8 homes slated new addition

Westgate Terrace is expected to get within 60 days on the new homes in Westgate. Post's newest building, which will be developed by J. Williams. The 17-acre addition lies just west of Williams' Westgate addition on the northwest edge of the city. It will contain 48 home sites, who thus launches his

third and largest building addition here, announced this week that home construction in the new addition will be under direction of Commuter Homes, Inc., Lubbock firm, which has completed 88 homes in Shallowater and will over 100 others in Abertonia. The city council at a special session last Thursday afternoon formally accepted the plat of the new addition. Williams said FHA approval for the addition is planned so that buyers may construct under FHA financing. The new addition is approximately three blocks long and almost three blocks wide. From the far edge of Westgate addition it will extend from 10th Street clear to 13th Street with exits on both of these streets.

## Threatened farm case is up here

Carl Rains said today he is up on the case of the farm laborer near here. On Jan. 17, with one of the threatening the Mexican of chain. The boys, whose did not disclose, out to Russell Wilks Jr., apologized to the Mexican employed there, and

An unusual twist to the project—especially as far as Post is concerned—is that the only territory in the White River district in which voters are eligible to vote and upon which taxes will be levied at the beginning are the townships of the four towns at the time the Texas legislature voted to establish the water district. THIS APPARENTLY means that only the original townships of Post is included and the territory

Westgate Terrace will have building restrictions similar to those in Westgate and Sunset additions which have been developed by Williams. It will have paved streets, and planning includes alleys.

Garth Stephens, president of Commuter Homes, Inc., is very enthusiastic over prospects of home building in Post. West 11th Street will extend into the addition and connect with drives in the addition.

Westgate Terrace lies within the expanded city limits and thus becomes the first new home addition in the new city area for which a plat has been accepted by the city.

Two blasts on the fire siren at 7 o'clock tonight will herald the annual Mothers March on Polio here, which annually is one of the biggest fund-raising events in the March of Dimes.

Standard garbage can requested by council

Post householders are being asked by the city council to procure a standard garbage can with lid by Feb. 1.

The Mothers March here tonight will be under the direction of Katharine Trammell, chairman, and will be held from 7 until 8 o'clock. Residents wishing to contribute to the MOD are asked to have their porch lights burning or a light in the window.

Standard garbage can requested by council

Post householders are being asked by the city council to procure a standard garbage can with lid by Feb. 1.

A barbecue supper is scheduled for 6:30 p. m. Friday at the Justiceburg school house, and a "42" party will be held the same night at the community center in the Graham community.

Standard garbage can requested by council

Post householders are being asked by the city council to procure a standard garbage can with lid by Feb. 1.

The meeting has been called by Lee Ward, president of the youngsters' baseball program in Post. All directors of both leagues are urged to attend the meeting.

# Flu hits Post schools hard blow; school at Southland shuts down

Post's flu epidemic, believed to have reached its peak during the weekend, apparently was on the decline today after having threatened for awhile to close the schools.

up are not as severe as the earlier ones. He said "three or four" types of viruses are causing the outbreak of respiratory diseases, and that some of the illness is the Asian flu.

The outbreak has been as widespread among adults as it has school children. Pharmacists here are reported to have filled more prescriptions for flu and other respiratory diseases within the last

few days than at any other time in the town's history. State Health Department officials said the outbreak of flu is not as great as during the Asian flu epidemic but is far greater than during an average winter.

Although the outbreak here reached the epidemic stage several days ago, only one death has been reported from a respiratory disease. That was the death Sunday of 13-month-old Ricardo Garza from pneumonia.

Supt. R. T. Smith said he seriously considered closing the schools when reports Monday from the offices of the principals showed approximately 240 students absent, most of them ill with the flu.

The superintendent said the 240 students represented between 18 and 20 per cent of the total enrollment.

Attendance began to pick up again Tuesday, however, and through Wednesday the number of absentees had decreased to 167 in the elementary school, 43 in junior high school and 37 in high school.

He said the best protection is an injection series of two shots that is effective against several varieties of the flu.

"The trouble is," he said, "that most people don't become interested in taking this precaution until they are already sick."

James West, elementary school principal, said the flu epidemic hit his school hardest last Thursday when 80 of the 420 students enrolled were absent. The number of absentees had decreased to 67 Friday, 57 Monday and 48 Tuesday.

A number of faculty members in the three schools also have been ill with the flu within the last few days.

A Post physician said yesterday that the fresh cases of flu showing

All eight of Post's regular clothing stores are included in the promotion as well as six of the town's grocery and food markets.

Levi's restaurant is offering a special Double \$ Day lunch for both days to aid thrifty shoppers who want to eat downtown and the service departments of Storie Motor Co. and Caprock Chevrolet - Olds are offering Double \$ Day shop specials for the shoppers' automobiles.

# The Post Dispatch

Thirty-Third Year

Post, Garza County, Texas, Thursday, Jan. 28, 1960

Number 35

GEORGE H. HANSARD

## Hansard seeking elective term

George H. Hansard of Lamesa has authorized The Dispatch to announce his candidacy for an elective term in the office of district attorney of the 106th Judicial District.

## Victor Kuykendoll Pct. 1 candidate

Victor Kuykendoll of the Pleasant Valley community today authorized The Dispatch to announce his candidacy for the office of county commissioner, Precinct 1, Garza County.

Hansard was appointed to serve as first district attorney when the district was reorganized from a six to a four-county district effective Sept. 1, 1959. The present district is comprised of Dawson, Lynn, Garza and Gaines counties.

Kuykendoll's statement to the voters follows: "This is to announce I am a candidate for county commissioner of Precinct 1.

"I have lived in Garza County in the Pleasant Valley community for the past 16 years.

"I will try to see each of you as soon as possible. In the meantime, I earnestly solicit your vote and influence."

## City election to be April 5

The City Council at a special meeting last Thursday afternoon set Tuesday, April 5, as the date for the spring municipal elections at which three councilmen will be elected for two year terms.

Monday is the last day for candidates to file with the county Democratic chairman to assure getting their name on the ballot.

## Pneumonia fatal to Garza infant

Ricardo Garza, 13 months old, who died of pneumonia Sunday while en route to the hospital, was buried in Terrace Cemetery following graveside rites at 4 p. m. Monday.

Two important political deadlines are coming up Saturday, Jan. 30, and Monday, Feb. 1. Saturday is the last day to qualify for a vote in this year's election by paying a poll tax or claiming an exemption.

## Midnight blaze destroys auto

An Oldsmobile automobile owned by A. C. Osborne was destroyed by fire Wednesday night at the owner's home at 306 North Avenue I.

Men and equipment of both the city and Ozell Williams' precinct 3 of the county are working together on the road and another road in the eastern part of the city. Both are being given a caliche covering.

## Baseball directors are to meet here tonight

Directors of the Pony League and Little League will meet at the city hall tonight for the purpose of splitting up of the Pony League and shifting to a Babe Ruth League.

The city and county are cooperating on opening a new street exit from the Postex Cotton Mills.

## Church educational building

Open house at the Church of Christ's new classroom building will be held from 4 until 5 o'clock Sunday afternoon. Minister Ronnie Parker has announced.

The city and county are cooperating on opening a new street exit from the Postex Cotton Mills.

## Double \$ Days begin Friday

Post merchants, cooperating together in the first big city-wide bargain promotion in years, will introduce Post's new Double \$ Days to city and area shoppers here Friday and Saturday.

## Postings

By JIM CORNISH

All of the Post business district is in a bargain mood for the new promotion. Merchants with Double \$ Day specials will have attractive red and green announcement placards in their store windows.

The Amity Study Club is undertaking a worthy project to inform county voters of the varying views of county candidates on county problems. And The Dispatch has promised this newspaper's full cooperation in publishing the views once obtained. Too often candidates run for office on their personalities entirely leaving voters no idea of their views in various problems or issues. In the cities, the League of Women Voters undertakes to clear the air to voters with circulating questionnaires to the various candidates and then publishing the results of the questionnaires. It's an A-1 idea too.

Cooperating in this city-wide Double \$ Days promotion are K&K Food Market, Piggly Wiggly, Parrish Grocery, Corner Grocery, Levi's Restaurant, K. E. Cox Lumber Co., Dunlap's, Cal Castle Studios, Forrest Lumber Co., Caprock Chevrolet-Olds Co., Dowe H. Mayfield Co., Inc., Thaxton Cleaners, Hushman Furniture Co., Wacker's, Herring's, Dodson Jewelry, Western Auto, Lavelle's Parsons Dress Shop, Young's Hi-Way Groceries & Company, Hundley's Men's and Boys' Wear, OK Foods, Marshall-Brown's, Maxine's and Jackson Brothers Food Locker.

That is what the Amity Study Club has in mind for Garza County—carefully preparing some questions to ask the various candidates for office and then once the candidates have answered to publish those answers. The women's club voted Tuesday night to undertake the project with Mrs. Beth Walker, chairman of the club's legislative committee, in charge of the project. The Dispatch quickly consented to publish the results. We think the club is doing the community a real favor by getting the candidates' positions on various problems before the voters.

Men and equipment of both the city and Ozell Williams' precinct 3 of the county are working together on the road and another road in the eastern part of the city. Both are being given a caliche covering.

Don't forget that poll tax deadline is Saturday. The County Tax Assessor - Collector's office will remain open Saturday afternoon just for late poll tax payers. The Postex Mill has really been selling poll tax receipts during the last ten days—passing the 100 mark over the weekend. T. H. Tipton predicts a record poll tax payment well over 1,500. All of which means a record number of voters for the many 1960 elections. So if you haven't paid your \$1.75, better hurry and get it done by Saturday afternoon. If you don't you'll be sidelined for a very important political year—with only yourself to blame.

Men and equipment of both the city and Ozell Williams' precinct 3 of the county are working together on the road and another road in the eastern part of the city. Both are being given a caliche covering.

David Newby and his wife, Ruth Ann, are in Dallas today where Garza County's Oil Information chairman is scheduled to receive the highest award obtainable from the state Oil Information Committee of the Texas Mid-continent Oil & Gas Association at See POSTINGS, Page 8

Men and equipment of both the city and Ozell Williams' precinct 3 of the county are working together on the road and another road in the eastern part of the city. Both are being given a caliche covering.

## Permanent library is best 'deal'

The Texas State Library Bookmobile soon will be rolling out of the West Texas counties it has been visiting regularly for 11 months—not to return.

The mobile library service appears to have aroused more interest, as far as "let's do something about library service," in other counties than here in Garza.

In one county, the commissioners court has voted to spend \$2,500 providing the other three counties involved in the current bookmobile demonstration would put similar sums to buy and operate a four county bookmobile of our own.

But most towns want permanent libraries where the public can go regularly for books—not visit a truck once every 10 days or two weeks.

Some towns are urging voluntary and volunteer library efforts to get something started on a non-tax basis. A number of communities are advocating some type of book-sharing plan among several libraries so that while libraries would be permanent in the various towns the books could be shifted from library to library and pooled to save on book costs.

The other counties have two or more communities. So in them the county library plan is not discussed as much. Branch libraries under such a plan would work well, however.

Voluntary library efforts are not the answer.

Putting the library on a tax-supported basis with as broad a base as possible is the best solution.

If each of the counties would go for county libraries with branch libraries in various communities and some practical sort of share-the-book plan—that probably is the most satisfactory long range answer.

Money shouldn't be poured into a building, but into books and in providing enough operating funds so that a trained librarian can be hired to sell and expand library service into each community for the fullest cultural advantage.

Why can't the county commissioner courts in each of the four counties name library study committees to meet together and see what might be worked out?

The Texas State Library stands ready and willing to help, not only with the voice of experience but with book loans of up to several thousand books for a reasonable period of time.

The towns have cooperated in their efforts to solve their water problem. The White River Dam today is not far from reality thanks to the fine efforts and the cooperation of the member towns seeking a common goal.

Why can't we apply the same "togetherness effort" to our mutual library problem. Working together we can do more, do it better, and probably do it for much less.—JC

## Let's hope the attendance is good

Good attendance at Chamber of Commerce membership banquets means almost as much, in a manner of speaking, as financial support, although those of a more practical turn of mind no doubt will argue this point vigorously.

Financial support, it is true, is what it takes to keep a Chamber of Commerce "in the black" and up and going, but it also takes a deep-seated interest in the organization and its objectives by each member.

In other words, it takes both—financial support and interest.

The annual membership banquet, which is always held shortly after the beginning of the new club year, usually serves as a barometer to indicate what, if any progress will be made during the year. If there is a high degree of interest leading up to the banquet and near 100 per cent attendance the night it is held, then it's a pretty sure sign that the organization will prosper and press

forward during the year in carrying out its program of work and in developing new projects to add to the program.

Every member of the Post Chamber of Commerce is urged to attend the membership banquet Friday night, Feb. 5. It's the member's opportunity to "sit in" with C. of C. officials and directors as the past year's accomplishments are reviewed and plans outlined for the new year. In addition, it'll turn out to be an entertaining evening, with this year's program theme to be "Water," which is of vital importance to the continued prosperity and growth of Post.

Record attendance at this year's banquet would indicate to the officers, directors and members that their efforts are not in vain, and might even make some of the non-members, when they hear about it, wonder if they are not missing out on something by not belonging.—CD

## Milady's fashions more sensible

The Dispatch spoke out against the recent rather crazy trends of milady's fashions.

Now we wish to raise our voice in commendation to those fashion designers who finally saw the light. Spring fashions, we are told, have dropped all the extremes which make mockeries out of clearance sales (who wants a weird last year model dress even at a give-away price).

Instead new spring fashions emphasize wearability and high travel qualities.

The new fashions are not only more sensible. But we'll guess that they're going to add a lot more eye-appeal to the women who wear them.

If women buy their clothes to please men, as we have also been told, then they're about to emerge from the jungle into the light.—JC

## February has had a 'rough time'

The month of February, which has had a rough time keeping its days together, makes its advent Monday.

February will be coming in on a brighter note this year, since it won't be saddled with the responsibility of bringing more than its normal amount of moisture, an unusually "wet" January having eased the burden there.

Since this is a Leap Year, February will have one more day than usual and folks who were born on Feb. 29 will get to celebrate their birthday for the first time since 1956.

February has been treated rather harshly from the moment that time recording began. It wasn't even included in the year when Romulus, one of the founders of Rome, drew up the first Roman calendar.

Numa Pompilius, the second king of Rome, added it. He took the name from a Latin word meaning "to purify," for February was the month in which the Romans were purified for the religious festivals of the following months.

But Numa tacked "Februarius," as it was called, onto the end of the year. It wasn't until hundreds of years later that it found the place it occupies today.

In the meantime, the emperor Augustus, swiped a day to add to August, the month named after him.

But the worst blow came in 1913, when, on Feb. 25, the federal income tax was made legal by the Sixteenth Amendment to the U. S. Constitution.—CD

## A record Post needs to keep

There's always a bright side to everything and we suppose one could say the bright side on the crime front here is that no one has been victimized in recent years by armed hold-up men.

There've been burglaries, thefts, vandalism and other acts of lawlessness, but, we're happy to report, no one has been held up at the point of a gun. Lady Luck has smiled on us there.

In recent weeks, Lubbock has been hard-hit by hold-up men, many of them in hood disguises. At Brownfield a few weeks ago, a 34-year-old ser-

vice station attendant—the father and sole support of two small children—was slain in an armed hold-up.

There's never any telling what will happen though when the mind of a man runs in channels outside the confines of law and order. For that reason, owners and employees of firms staying open late at night are warned to be careful when waiting on strangers. Such records as no armed hold-ups are the sort no town wants broken.—CD

## What our contemporaries are saying

Floydada people who have allowed their residence property to go to pot will be influenced to fix up their houses to match the new look due in the residence sections when more than a hundred blocks of new paving becomes a reality. Run-down property is a detriment to a town. Floydada, for instance, needs people, more people. With the farm program driving more and more home owners from the rural areas, any town on the plains, to stay in competition, must ready their community to compete under changing conditions. Many a couple has looked Floydada over in the past two years and decided against casting their lot here with their families. This is a bald statement of fact. Property owners have a right to do as they wish with their property. But if their wishes are against making the property attractive enough to entice people to live in the town, it takes a bite out of the pocketbook.—The Floyd County Hesper-

Communism is said to be bad for the country, and just as soon as I find out what it is, I'm going to be agin it from sunup to sundown. I am only an average guy with the average educational background, and while in college I studied Marx and Lenin, which are supposed to be communism. But it reads so much like democracy in the United States today, which is supposed to be good, that it offers a disturbing comparison. What Stalin had was supposed to be bad, for us, and what Khrushchev has is supposed to be equally so. Now if we can just find out what these gentlemen have or had, then I'll have a better idea of what I'm against. Mr. K. says he is for peace. So am I, and if that makes me a Russian sympathizer and communist, then I'm against the United States.—The Rails Banner.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

DURING THE FIRST three months of every year, there are all sorts of deadlines creeping up . . . so many, in fact, that the more forgetful among us find it necessary to red-circle the deadline dates on the calendar.

Coming up this weekend, for instance, are two deadline dates—poll tax payment and candidate filing, which, by the way, are closely related. Later on, there'll be such deadlines as auto inspection, car tag purchases and income tax filing.

THE WORD "DEADLINE" is getting to be such an important one in the life of the average American that it makes me wonder how the word originated. I'll try to find out, but won't set any deadline for doing so, and let you know.

Not only is 1960 a Presidential year, but it is also the year the federal government takes the census. It appears to me that if the government had to cut corners on expenses like most of the rest of us, it could combine the two operations into one at a big saving to the taxpayer. It not only sounds, but is, a bit far-fetched to suggest having the census takers carry around ballots on which folks could mark their preference for office-holders at the same time they furnish the census information.

THE CENSUS TAKER, of course, might find out how we vote, which is supposed to be secret, but then so is much of the information he is going to gather in taking the census. Some of the women, bless 'em, had much rather have the census taker know how they vote than to tell them how old they are.

The man up the street says a plastic surgeon can do almost anything with a nose except keep it out of other people's business.

GREAT MEDICAL strides have been made. What used to be the itch is now an allergy.

Texas, with its Muleshoe, Dime Box, Notrees, etc., doesn't have a corner on oddly-named towns. Historic mining towns in Nevada include: Red Dog, You Bet, Town Talk, Alpha Omega, Rough and Ready, Humbug, Relief Hill, Gouge Eye, Christmas Hill, Grizzly Hill, Bourbon Hill, Scotch Hill, Brandy Flat, Remington Hill and Delirium Tremens.

A FRIEND REMARKED that if he were the editor, he would deliberately keep half of the people mad at him all of the time. That would be easy. Most editors can do it unintentionally.

If you're keeping up with such things as best-sellers, you might be interested to know that the Boy Scout handbook is second only to the Bible. I turned through one of the new handbooks the other day and was amazed at how much bigger the book is and how much it has been improved over the one I owned when I was a Boy Scout. Back in those days, the Boy Scout handbook was so interesting and so chock-full of information that none of us Boy Scouts thought it could ever get any better.

PURCHASERS OF NEW flags might be reminded that it doesn't do much good to have the correct number of stars if you keep the flag out of sight.

There is nothing teenagers enjoy more than being left alone while their parents are attending juvenile delinquency meetings.

Do you believe in omens? Or would you suspect that a strange coincidence which has existed in Presidential elections for 40 years is a key to the future?

Consider this: Eisenhower defeated Stevenson, Truman defeated Dewey, Roosevelt in his four contests defeated Dewey, Willkie, Landon and Hoover; Hoover defeated Smith, Coolidge defeated Davis, and Harding defeated Cox.

Now, in every one of those campaigns—extending back to 1920—the man with the longest last name has been the winner.

If the same thing should happen this election year, it would mean that Stevenson, as the Democratic nominee, would be elected over Nixon, or any other Republican candidate with a shorter name, and I can't think of any potential GOP candidates with a longer last name than Stevenson.

The Norwegian Defense Research Institute in Oslo has found that radioactive substances stay in the atmosphere six to 12 months, not five to 10 years as previously estimated.

Celebrants of the annual Oyster Festival of Galway, Eire, downed 3,000 large oysters and 1,200 bottles of stout.

Ecuador gets its name from the equator, which passes through the South American country, reports World Book Encyclopedia.

## COUNTY AGENT'S COLUMN

by Lewis C. Herron  
COUNTY AGRICULTURAL AGENT

### DECISIONS ON COTTON FARMING

Marketing quotas have been voted by farmers on the 1960 upland cotton crop. The next decision is whether to take Choice A or Choice B for planting.

Choice A provides for regular farm allotments and price support at not less than 75 per cent of parity to growers who comply with these allotments.

Choice B provides for farm allotments which are 40 per cent larger than the regular farm allotments and price support at not less than 60 per cent of parity to cooperators.

The level of price support for the crop will be determined not later than Jan. 31, 1960.

Under the quota program, cotton produced under Choice A is eligible for the price support through

## Lubbock man to direct census in 19 area counties

Establishment of a district office for the 1960 Census of Population and Housing at Lubbock County Court House, Lubbock, was announced today by Director James W. Stroud of the Census Bureau's regional office at Dallas.

Earl E. Kerr will be supervisor of the district office. He will direct a force of 24 crew leaders and 376 census takers in the following counties: Andrews, Bailey, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Martin, Mitchell, Terry, and Yoakum.

Taking the 1960 Census nationally will require the services of 160,000 enumerators, 10,000 crew leaders, and 400 district supervisors, all temporary workers. The district supervisors, working under the general direction of the permanent regional field directors, are responsible for all phases of the census in their districts. Duties of the district supervisor include the recruiting of the crew leaders, obtaining space for crew leader training, recruiting and training a small office staff, reviewing the completed questionnaires, and direct supervision of the field canvass which begins on April 1.

Prior to the start of the census, all households will receive in the mail an Advance Census Report Form, a new census-taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form, which contains the basic population and housing questions, gives the family a chance to assemble information about each member in advance of the census taker's visit.

## Burglary of O'Donnell butane store solved

O'DONNELL — The Jan. 6 burglary of the Jeff Shook Butane firm here has been solved with the arrest of three men and a juvenile.

Deputy Sheriff Tom Hale of Lynn County said an adding machine, typewriter and radio taken in the burglary were recovered.

The year 1962 will be the Chinese "Year of the Tiger."

## BETWEEN SEMESTERS VISIT

Charles Tubbs was scheduled to arrive here early today from Trinity University at San Antonio for a between-semester weekend visit with his parents, Dr. and Mrs. Harry A. Tubbs. He will return to Trinity Sunday.

## TRANSACT BUSINESS HERE

Mr. and Mrs. Clayton Pennington of Decatur were here over the weekend transacting business and visiting friends and relatives. The Penningtons are former Post residents.

## CHURCH IS BUILDING

O'DONNELL — Official groundbreaking ceremonies have been held for the new \$50,000 sanctuary and improvement program of the First Methodist Church here.

## ATTENDS MEETING

Ted R. Hibbs, local manager of Southwestern Public Service Co., attended a company meeting Thursday and Friday of last week in Amarillo.

### Attempt to crack Tahoka safe fails

TAHOKA — Burglars failed in an attempt to crack the safe at the Tahoka post office.

The knob of the large safe was knocked off and an attempt made to "peel" the safe door.

Officers believe the burglars were "scared away" while attempting to open the safe.

Burglar tools, a blanket and a topcoat were left at the scene.

All that was missing was \$13.36 in money from a small cash box.

The burglars entered the post office through a skylight.

### White is candidate

AUSTIN — Agriculture Commissioner Jahn C. White has announced for re-election. White, commissioner for nine years, said he wanted to continue to develop and expand the policies and programs inaugurated by the department under his administration.

### TOMLINSON ELECTED

Bland Tomlinson, former Post resident, has been elected president of a newly organized Lions Club at Slaton. The organization was sponsored by the Wilson Lions Club.

**PARTY IS HELD**

The Intermediate Fellowship of the First Methodist Church were guests for a party at the home of Charles Hopkins Wednesday evening of last week. Cokes and cookies were served.

**DALLAS VISITORS**

Mr. and Mrs. Virgil Bilbo and Gary were recent Dallas visitors, where Gary underwent a medical check-up.

**MONDAY IN SLATON**

Mrs. Vera Gossett and Mrs. Jimmy Stanaford, Jim and Judy Dawn, visited in Slaton Monday with Mr. and Mrs. John Berkley.

**Postscripts**

Mr. and Mrs. Giles McCrary, 122 N. Avenue Q, received a telephone call from their daughter, Mary Louise, at Duke University the first of the week. Mary, who attended Post schools, will be among those attending the "Fancy Dress Ball" of the Washington Lee School in Lexington, Va., the alma mater of her father. The McCrarys' other daughter, Pam who is a student at Hookaday School in Dallas, will be among those at the opening of the Fort Worth Stock Show and Exposition and rode over the weekend.

Mr. and Mrs. Marshall Mason of Mason & Company were among those attending the Southwest Furniture Market in Dallas over the weekend.

Several Post women were among those in attendance last Friday for a benefit March of Dimes luncheon and style show in Lubbock. The event was held at the Plains Club. Attending from Post and getting a sneak preview of spring fashions were: Mmes Warren Yancey, David Newby, Jim Cornish, James Minor, R. T. Smith, J. E. Birdwell, J. E. Parker, Pete Morgan, Rube Jennings, Lee Davis, Kay Kirkpatrick, Jack Kirkpatrick, Jack Lott, Tom Power, Earl Chapman, W. M. Kirkpatrick, and R. A. Thomas of Grassland. Other guests included Mmes. C. I. Dickinson, Jim Renegar and Bob Hester of Levelland, and Mrs. John Lott of Lubbock. Mrs. Power was a model for the style show.

Mr. and Mrs. Ronnie Morris and Mrs. Vera Gossett visited in Slaton last Thursday evening with the John Berkleys. Mrs. Morris and Mrs. Gossett were guests at a shower honoring Miss Helen Wright, bride-elect of Gene Berkley, and Morris spent the evening visiting John Berkley.

Mayor and Mrs. Powell Shytle had as their guests last week their daughter, Barbara, and several of her classmates at Southern Methodist University, Dallas. Here for a visit during the between-semester holiday were Sydney Waddles of Albuquerque, N. M., Susan Elliott of Lubbock, Beverly Wilson, Mary Ann Mathany and Sally Pennell, all of St. Louis, Mo., and Barbara's roommate, Sandra Sturdivant of Houston. The St. Louis girls were very impressed with their first visit to West Texas and Post. Mrs. Shytle took the girls back to SMU Wednesday to resume their studies for the second semester.

Members of the newly-organized Brownie Troop 309 and their leaders were taken on a tour through The Dispatch office and back shop Wednesday afternoon by Publisher Jim Cornish. Attending were Jan Adams, Cindy King, Ginny Edwards, Debbie Gray, Karen Wilson, Carol Wilson, Juliann Lancaster, Karen Carpenter, Jan Wilks, Carol Bowen, Jodie Kolb, Linda Foster, Janie Smith, leaders, Mrs. Howard Kolb and Mrs. Charles King, and a guest, Mrs. Gordon Wilson.

**Mrs. Larry Hopkins to head Girl Scout cookie sale here**

Mrs. Larry Hopkins was named to head the Girl Scout Cookie Sale here March 4-19 at an organizational meeting for a "Neighborhood Scouting unit" for Post in the Girl Scout Little House Wednesday morning. The local flu epidemic cut heavily into attendance as leaders were selected for the Garza County scouting movement. Mrs. Clint Herring was selected

**Mrs. Jack Kirkpatrick speaker at Woman's Culture Club meeting**

"Coronado's Route Across the Staked Plains" as told by Mrs. Jack Kirkpatrick held the undivided attention of the Woman's Culture Club last Wednesday afternoon.

The guest speaker was introduced by Mrs. T. L. Jones, program chairman, and presented many topics of Coronado's famed trip. She told how he left dressed as a king and returned in rags. Mrs. Kirkpatrick described various incidents of interest, stating events, reasons and results of the tour. Of special interest to the group was her highlight points on Coronado's trip through Texas, in which she used the present known names of Muleshoe, Palo Duro Canyon, and others.

In keeping with the program subject, Miss Maxine Durrett, music chairman, introduced Mr. and

Mrs. Jim Mallard, teachers in the Post school system, who in turn played several recordings of Spanish music made while they were on mission work in Mexico. They also sang a number in Spanish.

The program on "Coronado" further completed the club's course of study for the year on the Great Southwest, and was begun with Bronson Alcott's quotation, "Travel is no fool's errand to him who carries his eyes and his itinerary along with him".

Roll call was answered with "Pioneer Women, Good and Bad", from the May 11, 1959, issue of Life.

A copy of Mrs. Kirkpatrick's talk will be sent to the national club magazine.

Members of the culture club are:

Mrs. Walter Boren, Mrs. Las Buchanan, Mrs. Connie Davis, Mrs. J. R. Durrett, J. H. Haire, Miss Maxine Jones, Mrs. M. J. Koeninger, Mrs. M. J. Matthews, Mrs. John Ed. T. Smith, Mrs. D. H. Mayfield, Mrs. E. S. Stewart, Mrs. Er. Mrs. J. F. Storer, Mrs. Thaxton, Mrs. Bess Thompson, Mrs. Ralph Welch, and Mrs. Manly.

The event was held in the home of Mrs. K. Stoker with Mrs. Stewart as co-hostess.

## Plans completed Thursday for Beta Sigma Phi Valentine event

Texas Mu Alpha Chapter of Beta Sigma Phi sorority met last evening at the home of Douglas Hill for a combined session and social.

Douglas Hill, president, presided over the business discussion during which plans were made and committees appointed for the sorority's annual Valentine dance. It was announced that Clyde Hankins and

his band of Lubbock will play for the event, to be held Saturday night, Feb. 13 at the American Legion Hall. Mrs. Jimmy Moore is the sorority sweetheart.

Those present included get-well cards for sorority members who were ill.

Those attending the meeting were:

Mrs. Bob Smith, Mrs. Ed Sawyers, Mrs. Charles Hopkins, Mrs. Roy Teaff, Mrs. Leon Miller, Mrs. Gerald Loyd, Mrs. Royce Josey, Mrs. Jim Durbin, Mrs. W. B. Holland, Mrs. Jim Boren, Mrs. Dennis Eubanks.

Also, Mrs. Mike Mitchell, Mrs. Darrell Eckols, Miss Mercedes Pearson, Mrs. James Rushing, Mrs. Jack Kirkpatrick, Mrs. John Hopkins, Mrs. John May, Mrs. James Simms, Mrs. Wendell York and Mrs. Burton Hill.

The sorority committee was hostess.

## Naomi Circle ends study on Africa

Members of the Naomi Circle of the First Methodist Church continued their study on Africa at a recent meeting, with Mrs. T. L. Jones as program leader. Assisting Mrs. Jones were Mrs. George Booher and Mrs. L. G. Thuet Sr.

Ten members were present.

## Family party set for Mystic Club

Plans were made for a family party when members of the Mystic Club met Friday afternoon at the home of Mrs. Winnie Henderson. The family get-together was held tonight at Antelope

refreshments of sandwiches, and spiced tea were served.

Following members Friday:

R. E. Shedd, Mrs. Arnold Shedd, Mrs. Darrell Eckols, Mrs. West, Mrs. Eva Bailey, Mrs. Lodges, Mrs. E. R. Moreland, Lester Nichols, Mrs. Marvin Man, Mrs. Everette Windham, Lowell Short, and a visitor, Maud Stout.

Feb. 5 the club will hold an irregular bi-monthly meeting at the home of Mrs. Ray Hodges.

WELL ON THEIR WAY

To being Girl Scouts, that is, are the 11 young ladies pictured above shortly after they received their first pins as Brownies last Wednesday afternoon. Members of the newly organized Girl Scout Brownie Troop 309 are (left to right), seated: Carol Bowen, Juliann Lancaster, Janie Smith, Linda Foster, Cynthia King, and standing (left to right) Carol Wilson, Jan Wilks, president; Ginny Edwards, sergeant-at-arms; Jodie Kolb, secretary and treasurer; Karen Wilson, vice president, and Jan Adams.—(Staff Photo Ruby Williams)

## 'Literature' sets program theme at sorority meeting

A program on "Literature" in relation to happiness was presented when the Texas Mu Alpha Chapter of Beta Sigma Phi sorority met Tuesday evening in the home of Mrs. James Simms, with Mrs. Burton Hill as co-hostess. Mrs. Walter B. Holland was in charge of the program, which was taken from the sorority's course of study for the year, "Happiness".

On Feb. 8, with the place yet to be announced, Miss Maxine Durrett will present a travelogue on her trip to Europe last summer. Hostesses for the event will be Mrs. Charles Hopkins and Mrs. Darrell Eckols.

Present for the Tuesday meeting were:

Mrs. James Simms, Mrs. Douglas Hill, Mrs. John Hopkins, Mrs. Jim Durbin, Mrs. Jim Boren, Mrs. Tommy Markham, Mrs. M. L. Pierce, Mrs. Roy Teaff, Mrs. Rex King, Mrs. Royce Josey, Mrs. Bob Smith, Mrs. Leon Miller;

Mrs. Douglas Shepherd, Mrs. Walter B. Holland, Miss Mercedes Pearson, Mrs. Mike Mitchell, Mrs. James Rushing, Mrs. Tom Gambelin, Mrs. Burton Hill, Mrs. Ed Sawyers, Miss Marie Lusk, Mrs. Wendell York, Mrs. John May, and Mrs. Ella Norene Ryder.

## Stain removing suggestions offered by county HD agent

By LETA SMITH

Your clothing is important to you.

To be a well dressed person your clothing should be given the best possible care. Often an unsightly stain will shorten the life of a garment, and spoil the look of attractiveness. Often these stains can be removed easily without much trouble or expense if you follow these tips on stain removal.

Always treat a stain immediately, before it dries, if possible. A stain that has been allowed to set will usually be hard to remove. Study the fabric before deciding which remedy to use. Cold water is the simplest remedy of all, it does not harm the fabric and will steam out easily.

Never rub a stain, use a light brushing movement and use removers sparingly.

There are three classifications of stain removers — absorbents, bleaches, and solvents. The well

known absorbents are cornstarch, French chalk, corn meal, talcum powder and various commercial products. Bleaches include borax, ammonia, lemon juices, and oxalic acid. These products are used to remove rust and keep material white. Solvents are denatured alcohol, carbon tetrachloride, kerosene and other commercial products.

Listed are some common stains and the remedy suggested for the removal of these stains.

Grease: A grease stain can be removed by either a solvent or an absorbent, if the fabric is washable use soap and water, a solvent can be applied and let stand for a few hours and then brushed off. For automobile grease, axle grease, or tar, use kerosene.

For rouge or lipstick stains use carbon tetrachloride and if it is a stubborn stain rub in white vaseline or lard and then use carbon tetrachloride.

For mildew stain the spots should be treated when fresh, before the mold growth has a chance to weaken the fabric. On washable fabric, soap and water will remove fresh stains and drying in the sun will help to bleach the spots.

A tannin stain is the most difficult to remove. This stain is from soft drinks, coffee, tea, nuts, and grass stains and can be removed with an equal part of alcohol and water. Then pour glycerin on the stain and work it in. Let this stand for 1/2 hour and then rinse with water.

Come by my office and pick up a bulletin on stain removing.

## Presbyterian Youths will attend rally

The Westminster Fellowship Group of the First Presbyterian Church will go to Amarillo Friday for an overnight youth rally.

The program will be a series of discussions on the new organization, United Presbyterian Youth. The new organization replaces the former Westminster Fellowship and is the result of the merger, two years ago, of the Presbyterian Church, U. S. A., and the United Presbyterian Church of North America, to form the United Presbyterian Church, U. S. A.

## 'The Nun's Story' reviewed at Amity Study Club Tuesday

Table decorations depicted the book, "The Nun's Story" at Tuesday night's meeting of the Amity Study Club in the home of Mrs. Leo Acker, with Mrs. Powell Shytles as co-hostess.

The program for the evening was a book review on "The Nun's Story", by Kathryn Hulme, presented by Mrs. Lewis Herron.

G. W. Curtis' statement on "Books are the everburning lamps of accumulated wisdom", opened the evening, followed with meditation by Mrs. Malcolm Bull, Roll call was answered by "An Interesting Book".

The serving table featured a centerpiece of a Madonna and napkins imprinted with "The Nun's Story".

Members of the club are:

Mrs. Leo Acker, Mrs. Malcolm Bull, Mrs. Jack Burrens, Mrs. Billy J. Carlisle, Mrs. Lorene Cash, Mrs. Bill Cates, Miss Thelma Clark, Mrs. Leo Cobb, Mrs. Bob Collier, Mrs. Thurman Francis, Mrs. Conrad Hartel;

Mrs. Lewis Herron, Mrs. George Miller, Mrs. Wilma Olson, Mrs. V. L. Peel, Mrs. J. B. Potts, Mrs. Powell Shytles, Mrs. Pat Walker.

## 'THREE WORK HORSES'

"Three Work Horses", sub-titled "A formula for Christian Action", will be the sermon subject Sunday morning at the First Presbyterian Church. The sermon will come from 1 Thess. 1:3, Rev. Clinton Edwards announced.

# Bring A Friend To Church

Years of service, covering many miles, and carrying heavy loads have taken their toll on this tire, however, if you put it in the hands of an expert, this tire may be rebuilt, and renewed for years of service.

How like the tire we are, working at home or on the job, meeting the challenges that come up each day. How good it is then to enter the house of the Lord, and let our Master remold, rebuild, and strengthen us for the days ahead.

Attend church regularly and receive the benefits of a bountiful love.

# Give You Texas . . .

By **BOYCE HOUSE**  
 could be freer in the ex-  
 of our appreciation of

In the 1920's when I was a  
 in Mineral Wells, an ac-  
 ce called my attention to  
 an wearing a dark over-  
 a hotel lobby, with the re-  
 He wrote "The Slow Train  
 Arkansas."  
 as W. Jackson! I remem-  
 name well, for as a small  
 I not read his book while  
 traveling on a slow train  
 very state? The jokes were  
 me; and how I chuckled  
 and re-told them.  
 at impulse was to go over  
 him how much his books  
 wrote several others, in-  
 "Through Missouri on a  
 had entertained me; but  
 thought, "He wouldn't be in  
 in meeting me," so I

didn't. Now, years and years later,  
 having written some books myself,  
 I know that a writer is always  
 glad for anyone to tell him that  
 his writings have given pleasure.

When I was a little boy, our  
 family lived in Benton, Ark. Our  
 physician was Dr. Gann. He wore  
 a silk hat—maybe it was just  
 once, on some special occasion, but  
 the circumstance so impressed  
 my young mind that his memory  
 is always associated with a top  
 hat. He officiated when my sister,  
 Marion, was born. One time, how-  
 ever, when I needed his services,  
 he was out of town, so another  
 doctor was summoned. I had fallen  
 out of a small wagon and had  
 cut my chin on the stump of a  
 sapling in our yard. The wound  
 left a scar and I remarked, "There  
 wouldn't have been one if Dr.  
 Gann could have been here."

Nearly 25 years later, I re-visited  
 Benton on business and, having  
 a little time before my train ar-  
 rived, I inquired about Dr. Gann.  
 He was still living but had retired.  
 Learning the location of his home,  
 I thought I'd pay him a visit.  
 There were several persons sitting  
 in the yard, back from the side-  
 walk, and, even in the gathering  
 dusk and without his silk hat, I  
 recognized the elderly physician.  
 doesn't remember me and he won't  
 Then came the thought, "He  
 want to be bothered," and so I  
 walked on. Not many years ago,  
 in driving through Benton, I saw,  
 near the cemetery fence, the monu-  
 ment at his grave.

Being older now myself, I realize  
 he would have been glad for a  
 former patient to have greeted  
 him and by that act to show that  
 a once-little boy still remember-  
 ed him as a faithful physician.

We should be freer in the ex-  
 pression of our appreciation of  
 others.

## Arrests made in Wilson burglary

**TAHOKA** — Lynn County and  
 Lubbock County officers have solv-  
 ed the Jan. 14 burglary of a farm  
 house six miles east of Wilson  
 with the arrest of three men and  
 the recovery of loot from the Yel-  
 lowhouse Canyon north of Slaton.

The three men, all Mexicans,  
 have been charged with burglary.  
 They are alleged to have enter-  
 ed the farm home of V e r r o n A.  
 Green on the C. C. Weaver place  
 and to have stolen goods valued at  
 more than \$700, including a color  
 television set.

A wage boost in tea gardens at  
 Darjeeling, India, will give 50,000  
 workers a total of \$15,000 addition-  
 al per month—about 30 cents each.

## The Texian Editor's Frontier News Flashes

Department of Journalism & Graphic Arts  
 University of Houston

JAN. 25 - 30, 1860

### LETTER FROM BROWNSVILLE:—

Capt. Little reports that Cortinas  
 is reorganizing his desperadoes and  
 was camped across the river from  
 Boston (25 miles north of Browns-  
 ville) with 150 men. Capt. L. (cq)  
 sent two of his men to the river  
 bank to watch his movements and  
 upon their being seen by Cortinas'  
 force, some 15 or more of Cortinas'  
 men ran up to the edge of the river  
 on the opposite bank, but did not  
 fire as two scouts took to the chap-  
 arral. Capt. L. (cq) and his men  
 were anxious to cross the river  
 and give Cortinas another battle,  
 but refrained from the gratification,  
 for the want of authority to do so.  
 Cortinas has been seen on this  
 side of the river lately with small  
 parties and as he and his men were  
 on foot, they were no doubt on a  
 stealing excursion for horses and  
 cattle. You may rely on it: this  
 trouble is far from its finale.

Letter from Brownsville: The late  
 treaty between the United States  
 government and Mexico is extreme-  
 ly distasteful to nearly all the Mex-  
 icans, even those of the Liberal par-  
 ty. This will have the effect of soon  
 making the church party dominant  
 in Mexico unless the United States  
 government sends troops to the as-  
 sistance of the liberal parties. If  
 this government does assist the  
 liberal party with troops, it will be  
 war and it will take some time to  
 put down and make peace and  
 quietness in unfortunate Mexico.

### THE LABOR OF MAKING HOOPS

A correspondent of the Hartford  
 Times gives the following curious  
 facts about the manufacture of steel  
 hoops for ladies skirts:

Mr. Henry S. Washburn, owner of  
 a steel mill, makes some of the  
 finest hoops in the world. He showed  
 us a specimen of No. 62 iron wire  
 finer than a hair. It weighed only  
 seven ounces and was 68,000 feet,  
 or 13 miles, 15 rods, 12 feet and 6  
 inches in length. It was drawn cold  
 from a piece of iron one-fourth of  
 an inch in diameter.

Mr. Washburn manufactures 20,-  
 000 yards a day of steel cranoline  
 or flat wire which is covered al-  
 ready for the ladies skirts. He es-  
 timates that 5,000 tons of steel  
 and iron are used annually in this

way for the ladies of the United  
 States, South America and Mexico.  
 If 10 million of females wear out an  
 average of three skirts a year, the  
 cost is seven and a half millions of  
 dollars.

### EXCITING SCENE IN THE HOUSE

Washington.—  
 In the House, democrats and  
 others endeavored to obtain the  
 withdrawal of the resolution of Mr.  
 Clark of Missouri relative to the  
 Helper book and a Helperite Speak-  
 er, and to substitute one of a less  
 harsh expression.

Mr. Clark refused to withdraw  
 his resolution.

An exciting debate followed dur-  
 ing which a pistol fell from the  
 pocket of Mr. Haskins of New York  
 who was speaking energetically at  
 the time. A furious scene followed  
 and a collision was feared, some  
 believing that an assault was in-  
 tended on Mr. Clark. The Sergeant-  
 at-arms restored quiet and explana-  
 tions followed.

Washington, D. C. Jan. 17.—  
 Com. Vanderbilt and other mem-  
 bers of a committee from New  
 York who came to Washington, D.  
 C. to attempt to promote an organ-  
 ization of the House of Representa-  
 tives, have failed entirely in their  
 efforts.

### Asphyxiation ruled

LAMESA — Justice of the Peace  
 Earl Goen has returned a verdict  
 of death by asphyxiation here Jan.  
 20 in the deaths of an Ohio couple  
 found in a motel room. Bodies of  
 the couple, Mr. and Mrs. Clarence  
 Earl Mowrer, were sent to Ohio  
 Thursday night for burial.

## Tour of textile mill area being planned by PCG

Eight reservations have already  
 been made for the Plains Cotton  
 Growers Textile Mill Tour to the  
 Winston Salem, N. C., area March  
 1-4. PCG officials announced to-  
 day.

The tour is being sponsored by  
 the PCG in cooperation with the  
 American Cotton Manufacturers  
 Institute. Plans call for the group  
 to leave Lubbock at 8 a. m. on  
 March 1 by chartered airliner and  
 fly to Winston Salem. The group  
 will be met there by officials of  
 ACMI and representatives of text-  
 ile mills in the area. They will  
 spend March 2 and 3 visiting mills  
 in that vicinity and leave Winston  
 Salem at 8 a. m. March 4 for a re-  
 turn flight to Lubbock.

The tour is open to any farmer  
 or allied cotton businessman or  
 woman. Several reservations for  
 farmers and their wives have al-  
 ready been made.

Total cost of the tour is not ex-  
 pected to exceed \$200. A definite  
 cost figure will be announced as  
 soon as complete arrangements for  
 an airplane are made. A \$50 de-  
 posit should accompany each re-  
 servation and checks should be  
 made out to Plains Cotton Grow-

## Business courses are planned here

Those wanting to take shorthand,  
 typing or bookkeeping courses at  
 night now have them available—to  
 start in February—providing there  
 is enough interest for presentation  
 of the courses.

Supt. R. T. Smith announced  
 this week that Mrs. Cora Fleming,  
 high school commercial teacher,  
 will be the instructor for these  
 three courses.

A minimum of ten students are  
 required before the course can be  
 offered, Smith said. The tuition  
 charge will be \$30 per student for  
 each course.

The courses will be conducted  
 one night each week for nine  
 weeks.

Those interested should contact  
 Mrs. Fleming, phone 201J by Feb.  
 5. Classes will begin the week of  
 Feb. 15.

ers Mill Tour. All reservations can  
 be made at the PCG office, 1720  
 Avenue M, Lubbock, phone Port-  
 er 2-0553.

Reservations will be accepted on  
 a first-come basis and only as  
 many people as the airplane will  
 hold can be accommodated. It is  
 now estimated approximately 50  
 people will make the trip.

### Five permits are issued builders

Five building permits for construction ranging in cost from \$550 to \$2,200 have been issued at the city hall.

The permits were issued to the following:

William Snow, addition of 12x24 room to residence at 512 West 13th, also addition of carport and restructuring of residence; estimated cost \$1,900.

A. T. Nixon, \$15 West Fifth, addition of cabinet space in kitchen, finishing of utility room inside and building redwood fence at a later date; \$500.

E. E. Cass, moving in and repairing residence; \$2,200.

David Midkiff, addition of 12x20 room to residence; \$1,500.

Mrs. Ethel Redman, 114 East 12th, addition of 10x12 room to residence and moving garage.

The permits, exclusive of the one issued Mrs. Redman, on which estimated cost had not been determined, brings the January total to \$29,550.

### White River—

(Continued From Front Page)

taken in last year will remain until the district until future steps can be taken for expansion of the district.

This problem was given to the water district's attorney to study and report upon.

It was estimated at the directors' session in Crosbyton that the water rate elections in the four member towns probably will come in March.

Secretary Robert Work of Crosbyton at the monthly session read the amending application offer approved by the federal Housing and Home Finance Agency for the \$2,750,000 government loan to the water district. Since the offer does not have to be ratified, signed, and returned to the Fort Worth office before March 12, directors decided to make up copies for each board member so that the changes could be thoroughly studied before action upon it is taken at the board at its February session.

MARVIN McLAUGHLIN of Ralls, chairman of the board's finance committee who headed the district's negotiations for the changes, told directors he wanted them all to thoroughly understand it before they voted upon it.

In another action at the monthly session held in Crosbyton's city hall, White River directors all signed a letter to the family of Reese McNeill expressing their sympathy for the family, community, and entire area's loss. McNeill, then mayor of Spur, was killed Dec. 31 when his private plane crashed in misty fog near Lamesa. McNeill was one of the Spur leaders in the White River project and worked tirelessly through the years to turn the water project from dream into reality.

Attending the directors' session from Post were Tom Boucher, president of the White River board, Director R. J. (Rube) Jennings, and Dispatch Publisher Jim Cornish.

### District governor visits Rotary

Rotarians at their Tuesday luncheon in City Hall heard their district governor, Floyd Hemphill of Amarillo, declare that Rotary "has dedicated itself on a world scale to the problem of human relations."

"Seventy-five to eighty per cent of the people in the world today are waiting to be led," Hemphill declared, "by somebody under some ideology."

Hemphill held a club assembly Monday night in City Hall with Rotary officers and committee chairmen following a barbecued chicken dinner.

### High school building entered Tuesday night

The Post High School building was broken into Tuesday night, but nothing had been missed up to Wednesday afternoon, Supt. R. T. Smith reports.

The superintendent said it would have been hard to tell there had even been a break-in except for evidence that an attempt had been made to pry open the doors to the homemaking department upstairs. Smith said it had not been determined how entrance to the building was gained, but that it probably was through an unlocked window.

### Typewriter bought for county judge's office

The Garza County commissioners' court has authorized the purchase of a new electric typewriter for the office of County Judge J. E. Parker.

The typewriter will cost \$362.50, less an allowance of \$35 for a 1950 model manual typewriter.

THURSDAY IN SLATON  
Mrs. W. C. Sullivan spent today in Slaton visiting her mother, Mrs. W. A. Argo, and her sister, Mrs. J. C. Champion.

### Fall Victim—

(Continued From Front Page)

Haire vs. William Taylor Jr., executor of the estate of Myrtle H. Roy, the defendant filed a motion for summary judgment, bringing on a continuance of the case.

The Evans, Coleman & Browne vs. Garza County case was one in which the plaintiffs sought \$500 from the county as the result of the death of two cows and two calves.

In the only case heard by the jury, Mrs. Bounds was awarded 60 per cent of average salary for 401 weeks. Mrs. Bounds claimed total and permanent disability for that length of time as the result of injuries sustained in a fall while at work at Postex Cotton Mills, Inc.

### USAF officer is home on leave

Capt. Joe Aimo of the U. S. Air Force is home from overseas duty on a 30-day leave and is visiting his wife and their two children.

Aimo was promoted from first lieutenant to captain Dec. 14.

He will leave Feb. 8 for Misawa, Japan. His tour of duty is scheduled to end in May.

Mrs. Aimo is the former Miss Nita Ray McClellan, daughter of Mr. and Mrs. Ray McClellan of the Graham community.

### Tom Power low bidder for new city pickup

Tom Power Ford, Inc. was low bidder on a new pickup truck for the city water department last week with a bid of \$1,662.45.

Of the three bids received, the winning bid was within \$5 of the second lowest. The new Ford truck is a six cylinder, standard body without extras.

City Supt. Henry Tate pointed out that the city, county, and schools do not have to pay the tax on new vehicles enabling dealers to bid lower to the units of municipal government than they can offer individuals.

### 'The Way in Africa' study concluded by Mrs. Malcolm Bull

"The Way in Africa", course of study for the Wesleyan Service Guild of the First Methodist Church, was concluded by Mrs. Malcolm Bull when they met Monday night of last week.

Six members of the guild were present for the study.

### Methodist circle completes study

Mrs. George Booher was in charge of the beginning study on Africa when members of the First Methodist Church's Rebecca Circle met recently.

The leader led a quiz in which the six members present participated.

VISIT IN TULIA  
Noel White and Jack Morris visited in Tulia Monday in the Orville Morris home.

### Traffic complaints filed in JP court

Fifteen traffic complaints have been filed in the office of Justice of the Peace D. C. Roberts the last few days.

The complaints, date of filing, and amount of fine, where paid, are as follows:

C. L. Milo, no operator's license, Jan. 23.  
C. L. Milo, running stop sign, Jan. 23.  
D. E. Nickens, no operator's license, Jan. 23.  
A. L. Hernandez, no operator's license, Jan. 23.  
C. D. Crews, over gross weight, Jan. 19.  
Lee I. Carpenter, over gross weight, Jan. 21.  
J. C. Sanchez, no motor vehicle inspection sticker on trailer, Jan. 21.  
W. H. Carroll, over regulation weight, Jan. 21; \$16.50.  
D. L. Sims, over regulation weight, Jan. 21; \$16.50.  
J. B. Cole, over regulation weight, Jan. 21; \$40.50.  
H. L. Houchin, over gross weight, Jan. 19; \$40.50.  
Pres Busby, over gross weight, Jan. 21.  
G. A. Jackson, running stop sign, Jan. 19.  
A. D. Rippetoe, running stop sign, Jan. 19; \$16.50.

### Bookmobile is due to leave in March

The Texas State Library bookmobile will be in Post Saturday, with only two more stops scheduled during the demonstration year.

During its visit here Saturday, the bookmobile will be open from 9 until 11:30 a. m. and from 12:30 until 3 p. m.

The bookmobile will be here again on Feb. 20 and then will make its final visit on March 12, according to Miss Mary Jo Vines, librarian.

"All books must be turned in on the March 12 date," Miss Vines said.

During the demonstration year now drawing to a close, the bookmobile has served Garza, Crosby, Dickens, Floyd and Kent counties.

### Band to sell candy for benefit of fund

Again this school year, the Post Antelope band is selling chocolate candy for the benefit of the band fund. Director Bob Meisch said today.

This year's shipment of candy has arrived and will be put on sale this weekend by members of the band.

### Postings—

(Continued From Front Page)

a luncheon presentation today. David is being honored for the leading role he played in spearheading Garza County's Oil Centennial Week commemorating the 100th birthday of oil in this country. The award certainly is well deserved.

A delegation of Post folks will be among those attending a Library Workshop tonight in the Ralls auditorium to explain how various counties being serviced for the last year can develop libraries of their own. Leaders of the Texas State Library in Austin will be out for the session. All other towns served by the bookmobile have been invited to send all the representation possible. There is considerable interest here in organizing a county library. And we only hope that interest grows tonight and spreads.

COACH IS VISITOR  
Frank Krhut, assistant football coach at Tulia High School spent the weekend in Post. Krhut, who is in his first year at Tulia, was head coach here two years and assistant coach one year.

## New Arrivals

A son was born to Mr. and Mrs. Jerry Kotral, Jan. 20 in Garza Memorial Hospital. He weighed eight pounds 10 and one-half ounces. His name is Perry Matthew.

Mr. and Mrs. Daniel Aumada are parents of a daughter born Jan. 21. She has been named Sylvia and weighed seven pounds nine and one-half ounces. She was born in Garza Memorial Hospital.

A son, Rodney Brent, weighing eight pounds one ounce, was born to Mr. and Mrs. V. A. Dodson Jan. 23 in Garza Memorial Hospital. Mr. and Mrs. R. B. Dodson are the paternal grandparents and Mr. and Mrs. Roy Ethridge of Route 3 are the maternal grandparents.

### New wildcat test for Garza County

Oil exploration is beginning to give signs of picking up again in Garza County with the advent of 1960.

Latest wildcat effort announced is by Cyrus B. Frost Jr. of Eastland and William Fleming of Fort Worth, who will drill a 4,500-foot, the No. 1 Continental - Ellis in northwest Garza County, 9 miles northwest of Post.

On an 80-acre lease, the exploration will test through the San Andres and into the Clear Fork, one-half mile north of Buenos (Mid-Permian, 3,400 foot) field and is a northwest, quarter - mile offset to a 3,470 foot failure.

It spots at 990 feet from south and 330 feet from west lines of Section 1, 303 BS&F survey.

### 'Slide Tour of hospital taken

Post Lions and their wives and a large group of guests were conducted on a colored slide tour of the Methodist Hospital in Lubbock Tuesday evening by Bill Carter, Methodist hospital administrator, at the Ladies Night dinner meeting of the club at Tom's Place.

Carter explained that a new dorm will be completed in May for 120 student nurses at the hospital. He said the hospital trains West Texas girls to stay in West Texas as nurses.

He also said "our school of nursing" has the highest possible accreditation and that just recently the hospital has been approved for residency training program in pathology by the American Medical Association.

The administrator said the hospital has received a large enough gift to purchase its own cobalt bomb for the treatment of cancer and he praised the work of the hospital's women's auxiliary.

His assistant, Marvin Hunter, showed the slides during the illustrated talk.

Guests included County Judge and Mrs. J. E. Parker, Mr. and Mrs. Walter Duckworth, Mr. and Mrs. Don Curl, Dr. and Mrs. Jim Matthews, the Rev. and Mrs. Gene Matthews, Mr. and Mrs. Don Dunbar, Dr. Harry A. Tubbs, Henry Wheatley, Dr. A. B. Carter and Mr. and Mrs. Jim Cornish.

# oop-leading 'Lopes to play at Tahoka Friday night

## l to Spur day night

mpaging Post Antelopes to Tahoka tomorrow try to protect their record against the Tahoka who've blown hot and far this season. Tuesday night, the Antelopes begin the second round robin play in District 3AA at the Bulldogs' court. Tahoka tomorrow night, Coach Murray's charges will play for the first time in the new gymnasium, which opened in December.

edged Slaton Tuesday night's first conference win against Floydada and by 18 points—51-33—in conference opener, the Bulldogs' Jake Jacobs had led as title contenders against the Antelopes and the Bulldogs.

Friday night, the Bulldogs beat the Antelopes, 47-44. The Bulldogs' Frank Greathouse, junior, who was one of the leading scorers last season, led the Bulldogs' boys on the Bulldogs' George Adams, Huford.

## d undergoes surgery on knee

Beard, 16, Post High School sophomore, was returned to school Monday from Methodist Hospital in Lubbock where he had an operation Friday for removal of cartilage from an injured knee.

suffered the knee injury in the Post-Monterey League of the Caprock Holiday All Tournament. To the injury, he had been considerable action at a position on the Post Antelope team and had scored in nine games. He is to have returned to school Wednesday, but will be on the sidelines for some time yet. He is the son of Mr. and Mrs. Beard.

## girls lose loop tilt

Leading through the first half, Post Antelopes' team Floydada, 42 to 37, here in night for their third consecutive win in as many starts. The Spur and Slaton games, Slaton's girls started strong, but faded in the third quarter. They held a 10-8 lead at the end of the first quarter, and led, 21-17, at halftime. The Antelopes scored 16 points in the third quarter to tie the game, but were out front by three points, and nine points to Post's score in the final period. Whittenberg's 16 points for the game, with Ann scoring 10, Peggy Ramsey, and Raynona Young, three. Martin and Janith Short starting at forward.

### Antelopes defeat Wildcats, 62-45

Roaring to their 17th victory in 18 games, the Post Antelopes rode roughshod over the Littlefield Wildcats, 62 to 45, here Friday night in a non-conference game. The Class AAA Wildcats, who'd lost to Post by only five points, 54-49, at Littlefield, didn't have a chance here Friday night against the Antelopes, who were paced by the 25-point output of Scotty Pierce.

Pierce dumped in four quick field goals under the basket to get the Antelopes off to a big lead, which was never threatened by the shorter visitors.

The first quarter ended with Post leading, 17-5, and a sensational 30-point second quarter by the Antelopes boosted their halftime lead to 47-17.

The 30 points scored by the local cagers in the second quarter was their biggest eight-minute output of the season.

Pierce scored 15 points in the first half, then added 10 more before Coach Pete Murray called a half to the slaughter with 3:48 to go in the third quarter and inserted his second unit.

Dan Rankin's rebounding and the tight defensive play of Derwood Mayberry, Forrest Claborn and Curtis Didway kept the Wildcats throttled.

Against the second unit, the Wildcats began to pick up and outscored the Antelopes, 13-8, in the

third period and 13 to 7 in the fourth.

Mayberry, although picking up five fouls in the process, held the Wildcats' hotshot Jerry Koller to seven points. When the blond Antelope forward picked up his fifth foul with 3:48 to go in the third quarter, Coach Murray waved all his starters to the bench and called on his reserves to finish the game.

The only Antelope besides Pierce to score in double figures was Claborn with 12. Koller led the Wildcats with 12, followed by De Pierce and Richard Thompson, who split 22 points between them.

Coach John Blocker's "B" team won easily, 38-15, from the Littlefield "B" quintet. Post led 12-2 at the end of the first quarter, 21-4 at the half and 32-9 at the end of the third period.

Donnie Hays' nine points was tops for Post, closely followed by Leslie Acker's eight. Other scorers were Jimmy Minor, five; Dewayne Capps, six; Harold Wayne Mason, four; Clarence Ivie, four, and Tommy Bouchier, two. Others in the Post line-up were Jimmy Ivie, Glen Poik, Jerry Ligon and Mike Cornell.

### Raiders to host TCU quintet on Saturday night

LUBBOCK — Texas Tech and Texas Christian University, both bolstered by former West Texas-South Plains area schoolboy cagers, meet in the Coliseum here at 8 p. m. Saturday.

In the preliminary, the Picadors tangle with the Ince Oilers, composed of former collegiate basketball stars, at 6 p. m.

Just three nights later, Tuesday night, Texas Tech will be host to University of Arkansas, one of the Southwest Conference contenders.

The frosh will meet Lubbock Christian College in the first half of the doubleheader.

Coach Buster Brannon includes such high school grads as Pampa's Jerry Pope, Amarillo's Ronald Maberry, Graham's Bobby Bernard, and Pecos' Billy Simmons in his TCU lineup.

Among Polk Robison's Red Raiders are Perryton's Del Ray Mounts, Vernon's Mac Percival, Sweetwater's Dale McKeenan, Amarillo's Gene Arrington and Robert Echols, Cotton Center's Steve Lee, and the other former Lubbock stars, Dwayne Key, James Wiley, and Bill Spitzer.

Reserved and general admission tickets will be available both Saturday night and Tuesday night.

ILLINOIS VISITOR Mr. and Mrs. Norman Moriarty and family have as their guest this week his sister, Miss Stephanie Moriarty of Lincoln, Ill.

### Whittenberg on all-tournament

The Post High School girls won the consolation championship of the Wilson Tournament Sunday night by overwhelming their "county cousins," the Southland Eagles, 50 to 24.

Forward Glenda Whittenberg, who scored 43 points in three tournament games, was named to the all-tournament team.

After being eliminated from championship contention by Tahoka, 50 to 32, the Post team edged Cooper, 44 to 40, to advance to the consolation finals.

Post scoring for the three games was as follows: Southland; Whittenberg, 15; Doris Ramsey, 13; Raynona Young, 11; Ann Morris, 7; Linda Taylor, 2; Judy Clary, 2.

Cooper: Whittenberg, 21; Ramsey, 14; Morris, 5; Young, 4; Tahoka: Ramsey, 10; Young, 8; Whittenberg, 7; Morris, 7.

### Pierce boosts scoring total to 343 points

Through Friday night's game with Littlefield, Scotty Pierce, the Post Antelopes' leading scorer, had run his season total to 343 points, an average of 19 points a game.

As a team, the Antelopes have scored an average of 55.3 points in winning 17 games and losing one, while holding the opposition to 43.8 points a game.

In second place in the Antelope scoring totals is Dan Rankin, whose 140 points is only four points ahead of Forrest Claborn's 136.

The other two Antelope starters, Derwood Mayberry and Curtis Didway, have scored 118 and 97 points, respectively.

### Post Antelopes win consolation at Wilson

The Post High School girls won the consolation championship of the Wilson Tournament Sunday night by overwhelming their "county cousins," the Southland Eagles, 50 to 24.

Forward Glenda Whittenberg, who scored 43 points in three tournament games, was named to the all-tournament team.

After being eliminated from championship contention by Tahoka, 50 to 32, the Post team edged Cooper, 44 to 40, to advance to the consolation finals.

Post scoring for the three games was as follows: Southland; Whittenberg, 15; Doris Ramsey, 13; Raynona Young, 11; Ann Morris, 7; Linda Taylor, 2; Judy Clary, 2.

Cooper: Whittenberg, 21; Ramsey, 14; Morris, 5; Young, 4; Tahoka: Ramsey, 10; Young, 8; Whittenberg, 7; Morris, 7.

### 8th grade boys lose to Slaton

Post's 8th grade boys, coached by Glynn Gregg, lost to the Slaton 8th grade team, 28 to 19, last Thursday night in the Post gym.

The Post team played a good defensive game, but couldn't hit an offense, Coach Gregg said.

Post scorers were Pat Cornell, eight; Danny Odom, four; Jacky Fluit, four; Ronnie Storie, two, and Larry Bishop, one.

Johnny Mayfield was the only substitute seeing action for the Post 8th graders.

Advertising doesn't cost, it pays!

## Post drubs Floydada, 86-60, for loop lead

Coach Pete Murray's Post Antelopes proved here Tuesday night that their 17-1 record was no fluke by almost blowing the Floydada Whirlwinds off the court, 86 to 60, and taking over undisputed possession of the District 3AA leadership.

The game completed the first half of play for the Whirlwinds and left them with a 3-1 mark. Post will not complete its first half until Friday night at Tahoka.

Behind the 34-point output of big Scotty Pierce, the Antelopes were unstoppable in their first game of the season against the team with whom they shared the district championship last season.

So rugged was the Post defense that there was only 1:52 to go in the first quarter before the Whirlwinds managed their first field goal, a shot from under the bucket by Rodney Teague, who probably is the most improved player in the district.

But, while the 'Lopes were bottling up the Floydada offense, they were committing a rash of fouls, and it at first appeared that the visitors would stay in the game through their efforts at the free throw line.

But as the game progressed and the Whirlwinds fell farther and farther behind, they, too, commenced fouling and the game ended about even in that department.

For the first time this season, Pierce received double-figure help

Floydada	fg	ft	tp	Post	fg	ft	tp

POST	22	27	61				

in the scoring column from both of Post's back court men, Curtis Didway and Forrest Claborn, who scored 17 points apiece, most of them on fast breaks.

Forward Dan Rankin was bottled up in the second half after scoring nine points in the first half, but pulled down rebound after rebound and stood out on defense.

Forward Derwood Mayberry also helped pull down rebounds and added seven points to the Antelope scoring before fouling out with 4:14 left in the game.

All seniors were used by Coach Murray, with Hoss Smith and Glendon Washburn the only substitutes seeing action.

Post led 22-10 at the end of the first quarter, 49-28 at the halftime intermission and 65-43 at the end

### Junior High girls vanquish Slaton in two contests

Coach Billy Hahn's 7th and 8th grade girls won a pair of games from Slaton Thursday night in the Post gym.

The 8th grade girls, with Mary Beth Ford scoring 11 points, won by a score of 17 to 13. Shirley Sappington scored six points, and the other starting forward, Linda McMahon, contributed to the victory with a good job of rebounding.

The starting guards were Linda Penrell, Romelia Solis and Lynette Potts.

The 7th grade girls racked up a 16 to 8 win, with the guards holding Slaton to a single field goal.

Vivian McWhirt was top scorer with eight points. Shirley Isaacs and Pamela Stewart contributed four points each. Others playing at forward were Cindy Wilson, Sandra Gary and Gayla Johnson.

The starting guards were Frances Solis, Socorro Raymundo and Dee Ann Walker. Others playing were Gayle Tittle, Darla Pierce and Cheryl Martin.

### Junior High teams at Tahoka tonight

Post's junior high basketball teams—7th and 8th grade boys and girls—will play conference games at Tahoka this evening.

The girls are undefeated in conference play, having won over Friendship and Slaton.

Both boys' teams have won from Friendship and lost to Slaton.

**Justiceburg Women's Club to hold barbecue supper for MOD benefit**

By MRS. WELDON REED  
 The Justiceburg Women's Club met Friday. The financial report was read by Mrs. Buddy Roper. They decided to sponsor a barbecue on Friday, Jan. 29, for the March of Dimes. Barbecued chicken with beans, potato salad, pickles, and onions will be served. Everyone is invited. Those attending were: Mrs. Riley Miller, Mrs. Douglas McWhirt, Mrs. Jim Boren, Mrs. Buddy Roper, Mrs. Bandy Cash and Mrs. Weldon Reed.  
 Mr. and Mrs. Jeff Crane and family of Andrews visited Mr. and Mrs. Douglas McWhirt and family Saturday night.  
 Vivian McWhirt spent Friday night with Dee Ann Walker in Post.  
 Mrs. Bandy Cash honored her husband and Raymond Key with a birthday supper Thursday night. Those attending were the honorees, Raymond Key, Clyde Cash and Dee Justice.  
 Mr. and Mrs. W. T. Helms visited Mr. and Mrs. Riley Miller Friday night.  
 Mrs. Weldon Reed attended a shower in Post Friday night honoring Miss Ruth Ann Long.  
 Mr. and Mrs. Walker from Lubbock visited Mr. and Mrs. Riley Miller, Ben and Jennifer Friday night.

H. C. AND Tom Drake, Shirley Lauderdale and Pat Sherrer visited Mr. and Mrs. Weldon Reed Sunday night.  
 Mr. and Mrs. Sid Cross transacted business in Lubbock Saturday.  
 Mr. and Mrs. Ott Nance and Harry Wood attended the sale at Keeton's Monday.  
 Pearl Nance visited Lee Byrd in Post Sunday.  
 Mrs. Harry Wood, Mrs. Mason Justice and Mrs. Ott Nance attended a Stanley party in Dermott Thursday afternoon.  
 Joe Reed and Mrs. Harry Wood visited their grandson and son, Mr. and Mrs. Haskell Odum and Joel in Lubbock Saturday.  
 Mrs. Ott Nance was in Amarillo over the weekend to visit her daughter, Lois Nance.

MRS. DOUGLAS McWhirt, Vivian, Dwayne, Robert and Danny visited her parents and son, Mr. and Mrs. Frank Breeden and Skipper McWhirt in Albany over the weekend. Robert stayed to spend a few days with his grandparents.  
 Mr. and Mrs. Bud Schiehuber visited Mr. and Mrs. Cecil Smith Thursday night.  
 Mr. and Mrs. Riley Miller, Ben and Jennifer visited Mr. and Mrs. Ralph Miller in Fluvanna Tuesday night.  
 Mr. and Mrs. Lonnie Sexton of Idalou visited Mr. and Mrs. Riley Miller, Ben and Jennifer Thursday. Also visiting the Millers were Mr. and Mrs. Billy Blacklock and sons.  
 Mr. and Mrs. Clyde Miller of Fluvanna and Mr. and Mrs. W. T. Helms and Paula visited Mr. and Mrs. Riley Miller Wednesday.

THE JUSTICEBURG Home Demonstration club met Thursday with Mrs. Leta Smith giving a demonstration of yeast bread. Those attending were Mrs. Bud

Schiehuber, Mrs. Jim Tidwell, Mrs. Fernie Reed and Bruce, Mrs. Don Robinson, Mrs. Harry Wood, Mrs. Mason Justice and Mrs. E. C. Franklin.  
 Mr. and Mrs. W. T. Helms transacted business in Colorado City Wednesday.  
 Bud Cornett of Gail brought his children, Dale, Randy, and Rita Ann, to spend a few days with Mr. and Mrs. Fernie Reed and Bruce Gene.  
 Mr. and Mrs. Riley Miller, Ben and Jennifer visited Mr. and Mrs. Clyde Miller in Fluvanna Sunday afternoon.  
 Mr. and Mrs. Weldon Reed spent Saturday night with her parents in the Barnum Springs community, Mr. and Mrs. O. F. Pennell and family.  
 Mr. and Mrs. Weldon Reed visited Mr. and Mrs. Joe McCown, Johnny and Nancy Jo in Post Thursday evening.

The Justiceburg Women's Club is sponsoring a barbecue supper Friday night, Jan. 29, at 6:30 in the Justiceburg school house for the March of Dimes. Barbecued chicken, beans, potato salad, pickles, onions, dessert, bread, coffee and tea will be served. Music will be furnished and tables to play dominoes and "42" will be furnished. Everyone is invited.

**GETTING YOUR MONEY'S WORTH**  
**Good grazing management can influence value winter crops**

COLLEGE STATION — Do you get your money's worth from winter grazing crops?  
 If the answer is no, perhaps changes are needed in winter grazing practices. Extension Agronomist John Box points out that when small grains, grass, and legume mixtures are properly grazed, they can supply the forage needed to step up the milk production from a dairy herd. The extra milk means larger milk checks.  
 However, many dairymen make the mistake of letting the entire herd graze as soon as a little green growth begins in the pasture. When this happens, the crop is grazed to the ground in a few days and future growth may be impaired. Box says closely grazed young plants recover very slowly since the root system has not developed and there is little leaf surface.  
 New growth on pasture plants is produced at the expense of pre-

viously stored organic food in the plant and over-grazed plants cannot develop sufficient leaf area to produce food for storage. Box recommends that grazing be controlled so that enough leaf area is left for food production and vegetative growth.  
 He says it's best to keep cows off of winter crops until there is enough growth to provide continuous grazing for at least two hours each day or until the plants are about six inches high. Even cool season crops stop growing when temperatures drop below 50 degrees F., says Box.  
 The agronomist points out that dairy cows grazing two or three hours daily and fed high quality hay will produce about as much milk as cows grazing all day. He also warns against grazing water-soaked winter pastures. This practice can damage a pasture. He advises dairymen to use their good judgment about grazing winter pastures during wet weather.

**Fort Worth is 'going Western' for stock**

Fort Worth is "Going Western" for the Southwestern Exposition and Fat Stock Show, Jan. 29 through Feb. 7. To publicize the Stock Show, citizens of Fort Worth are donning western wear, including bow ties with Fort Worth Stock Show printed on them, flashy vests as of old, ten-gallon hats and polished boots.  
 Local merchants are encouraging their employees to join the fun and wear western clothes. Booster trip personnel from Fort Worth Civic clubs are being presented the bow ties. Even downtown bank personnel are going western.  
 The Stock Show will open on Jan. 29 with a mammoth western parade through downtown Fort Worth starting at 2 p. m. The parade will include hundreds of riders, numerous bands and horse drawn vehicles. The first trail ride for the Fort Worth Show will start in Teague on Jan. 23 and arrive in Fort Worth in time to participate in the opening parade.

**County records**

 Andrew M. Colvin to Dennis L. Osborn, 50-1746 interest in northeast quarter Section 1404, ELRR.

**Most taxpayers use simplified form for filing**

"Treasury records show that one out of every four taxpayers use the simplified income tax Form 1040A," says Howard O. Nichols, administrative officer, of Internal Revenue Service, Lubbock.  
 Revenue's midget (size of an average bank check) tax form may be used by individuals with total income of less than \$10,000, consisting of wages reported on Form W-2 and not more than \$200 in dividends, interest, and wages not subject to withholding.  
 Husband and wife may file a joint 1040A return for '59, if their combined income doesn't exceed the stated limits.  
 "Taxpayers using Form 1040A automatically claim the standard 10 per cent deduction allowed for such personal expenses as contributions, interest payments, medical expenses, and such. Taxpayers with allowable deductions for these items in excess of 10 per cent of their income for '59 must use the standard Form 1040, if they wish to claim them," Nichols explained.  
 Taxpayers with incomes under \$5,000 may figure their own tax, or have Revenue do the chore. Taxpayers with incomes of \$5,000 or more must figure their own tax.  
 Form 1040A must not be used when taxpayers claim "head of household" or "surviving spouse" status; dividends received credit or retirement income credit, "sick pay" exclusion; deducts for travel, transportation, or "outside salesmen" expense; or estimated tax payment credit, the IRS representative said.

**RATTLESNAKE RODEO**

SPUR — Directors of the Caprock Peace Officers Association have announced that the organization's annual Rattlesnake Rodeo will be held May 12 on the Horace Wood Ranch near here.

 Your Big Self - Service Store

**MEDICINE CHEST "LEFTOVERS"**  
  
 There's but one good place in the home for "leftovers." That's the refrigerator — and the "leftovers" should be foods, not medicines.  
 Medicine chest "leftovers" are risky at best, and often downright dangerous. The medicine your physician prescribed a year or so ago was intended to be used then, not now.  
 Avoid serious danger — dump old medicine at once.  
 Each illness requires scientific diagnosis — and, usually, specialized medicine is indicated.  
 See your physician. Let him decide what's best. Call on us to provide your medication.
