

Livestock directors accept show building plans; start fund drive

Building would cost \$24,200

Directors of the Garza County Junior Livestock Association accepted architect's plans for a new show building Monday night and immediately launched a drive for public support to help finance the \$24,200 project.

The all-metal building would be constructed on the junior livestock association's grounds, consisting of 5.5 acres, just west of the Post Stampede Rodeo grounds.

The split-level building would serve the community not only as a livestock show building, but also as a place for county fair exhibits and as a meeting place for organizations, clubs, etc.

A member of the junior livestock association's building committee told The Dispatch Tuesday that "we have got to know for sure by next Monday night whether or not we can get enough help from the public to finance construction of the building."

The building committee member pointed out that the junior livestock show has "completely outgrown" the 4-H building, where it has been held the past two years. "We've got to have a show building or drop the show," he said.

The over-all size of the building would be 60 by 180 feet. The front part, which would be used

for fair exhibits and as a community meeting place, would be 60 by 40 feet. There would be a show area of 60 by 60 feet and a display area of 60 by 80 feet. Although not included in the architect's plans, bleachers would be installed in the show area.

The building would be equipped with a heating and cooling system, including exhaust fans, livestock pens, wash racks, etc.

The front part, or meeting room area, would be paneled, insulated and air-conditioned and equipped with kitchen and rest room facilities.

Better Products, Inc., of Lubbock, which would construct the building, estimates that it would take six weeks to complete, the building committee member said. "We're emphasizing to everybody we call on for help that the

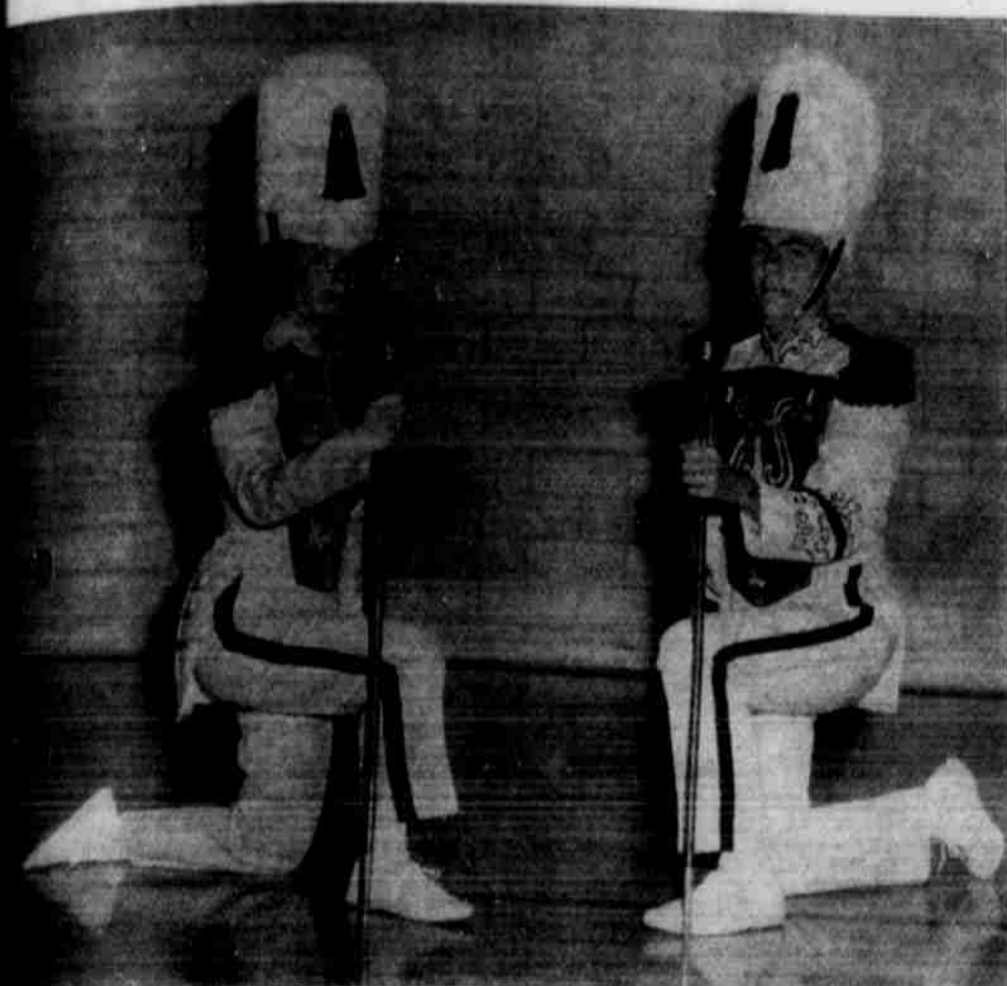

new show building would be for the public's use at any time," the committee member said.

Anyone wishing to volunteer assistance in financing the building is asked to contact one of the stock show directors before Monday night.

The building committee member who announced the acceptance of plans for the building said the livestock association has "only

about \$2,500" to go with toward financing construction. That amount, he said, has been contributed at the two previous junior livestock shows staged by the association, which is now in its third year of operation.

Members of the building committee are Arnold Sanderson, Jim Jackson and Joe Irons. Jerry Thurtell is president of the livestock association.

POST BAND'S DRUM MAJORS

Stepping out in front of the Post High School marching band this year are drum majors Nancy Norman and David Hamilton. They will be leading the band at 10 a. m. Monday when it marches in the parade opening the Panhandle South Plains Fair at Lubbock. Parents of the drum majors are Mr. and Mrs. Glenn Norman and Mr. and Mrs. Tam Hamilton.

Rev. Curtis Lee

Post minister going on overseas mission

The Rev. Curtis Lee, pastor of the First Methodist Church, has accepted an invitation to participate in an evangelistic mission in the Philippines next month.

The Post minister is one of four from Texas invited to take part in the mission and one of approximately 30 from the entire United States.

The mission will be undertaken at the invitation of Methodists in the Philippines.

The Rev. Mr. Lee said his congregation here enthusiastically gave him permission to accept the

invitation to participate in the mission. During the four Sundays he is absent, one layman and three area Methodist ministers will fill the pulpit at the local church.

The Post minister is scheduled to leave Sept. 30 for a full day of orientation and training in San Francisco on Oct. 1, a day ahead of the group flight to Tokyo on Oct. 2.

The group will go on guided tours of Tokyo and Hong Kong, and possibly Taipei, before arriving in Manila on Oct. 10 for further training and orientation for the mission, which will continue through Oct. 28.

The missionary group is scheduled to arrive in San Francisco on Oct. 31 on its return trip.

In the Philippines, the mission members will work "two by two" as assigned teammates, with each team serving in two (and some possibly in three) different situations, traveling from one assignment to the other.

Trimble funeral set for today

Mrs. Eva Trimble, 73, a former resident of Southland, died in Mercy Hospital at Slaton Monday afternoon after a long illness.

Funeral services will be held at 2 p. m. today (Thursday) in the First Baptist Church of Slaton. Burial will be in Englewood Cemetery at Slaton.

Mrs. Trimble was the mother of Mrs. Jo Ann Basinger of the Close City community, whose husband, Melvin Basinger, was killed in a traffic accident Sept. 5.

Mrs. Trimble lived at Southland for 11 years before moving to Slaton in 1954. Her husband, Elmer E. Trimble, died in 1954.

Mrs. Trimble's survivors include 130 direct descendants. Besides Mrs. Basinger, she is survived by 10 other daughters, six sons, two sisters, six brothers, 53 grandchildren and 60 great-grandchildren.

Congregation first met in one-room schoolhouse

Graham Church of Christ to celebrate 60th anniversary

The 60th anniversary of the Graham community Church of Christ will be observed Sunday, Sept. 22, with everyone invited to attend, especially the old-time members.

The Sunday morning service will be held at the church at the usual time, with lunch to be served at noon in the Graham Community Center.

The church was organized Sept. 21, 1908, with services held in the one-room Graham schoolhouse. The start had been made when J. I. Wilburn, a pioneer resident of the community, went to Fluvanna and sought the help of the congregation there in finding a preacher to hold a meeting at Graham. They obtained a Bro. Coleman and in a ten-day meeting he baptized eight people.

Rites conducted here Monday for retired druggist

Funeral services for Robert Henry Collier, 88, a resident of Post since 1909, and owner and operator of Collier Drug Store here for nearly 40 years, until retiring in 1948, were conducted at 3 p. m. Monday at the First Methodist Church.

Mr. Collier died about 3:30 p. m. last Saturday in Methodist Hospital at Lubbock, where he had been for ten days.

He was born June 30, 1880, at Hickory Flat, Miss., and was married to Ida Thomas on July 15, 1906, at Ennis, Tex.

Mr. Collier was employed as a salesman for a pharmaceutical firm for a few years before he and Mrs. Collier moved to Post. Here, he became associated with Mrs. Collier's brothers in the operation of the Thomas Bros. Drug Store. He later purchased his brothers-in-law's interest in the store and changed the name to Collier Drug Store.

Mr. Collier operated the store until 1948 when his son, Bob Collier, the present owner, assumed management upon completing pharmaceutical school.

Mr. Collier was honored a few years ago upon completing 50 years membership in the Masonic Lodge. He was a charter member of the First Methodist Church here.

Mr. Collier is survived by his wife and son; a daughter, Miss Lucille Collier of Lubbock; five grandchildren and six great-grandchildren. A son, Wynne Collier, who owned a drug store at Tahoka, preceded his father in death.

The Rev. Curtis Lee, First Methodist pastor, officiated at the funeral services. Interment was in Terrace Cemetery under direction of Hudman Funeral Home.

Palbearers were: J. D. McCollier (See Collier Rites, page 8)

Applications for director being taken

Day Care Center sets Oct. 15 opening date

Oct. 15 has been set as the target date for the opening of Post Day Care Center.

This action was taken at an organizational meeting of the board of directors last Thursday night at the home of Mrs. Ruth Ann Newby.

It was also decided to advertise for applications for a director of the non-profit organization. An ad for the position is on page 8 of today's Post Dispatch. Those wishing to apply may pick up application blanks from Mrs. Helen Cornish at the Post Dispatch office.

The board of directors and their chairmanships are as follows:

Chairman, Mrs. Newby; secretary, Mrs. Cornish; treasurer, Pat N. Walker; building and equipment, Mrs. Maxine Marks; education, Bill Shiver; food and nutrition, Mrs. Betty Scott and Mrs. Huleme McDaniels; admissions, Mrs. Madie Johnson; public relations, Rev. George L. Miller; personal and volunteers, Mrs. Louise Valdez.

Mrs. Jeri Lott was selected by the board of directors to head up the personnel and volunteers. She will work with board member, Mrs. Valdez.

Public relations chairman Miller mailed a newsletter to all churches and clubs in the area over the

weekend to explain the needs of the center and the actions of the board.

Financial aid is still being sought as it is essential to have the funds on hand before opening the Day Care Center.

Approximately \$1,500 has been raised toward the goal of \$4,000

which is needed to hire a director, mandatory under state licensing laws, buy supplies and furnish a hot noon meal to the 20 children accepted for the center.

The congregation of the First Methodist Church has offered the use of their facilities for the operation of the center.

Friday is last day

Deadline nearing for new voters to apply

A reminder that new residents of Texas who wish to vote in the presidential election this year must apply at the county clerk's office by 5 p. m. Friday, Sept. 20, has been issued by County Clerk Carl Cederholm.

The reminder is for voters who will have lived in Texas more than 60 days but less than a year on next Nov. 5, general election day. This is the first time that residents of less than a year will be able to vote in the presidential election in Texas.

A law passed in 1967 allows a new resident to vote if he will have lived in Texas for at least 60 days on election day, possesses all qualifications required for voting in Texas elections except the normal residence requirements, and was either a qualified voter in another state immediately prior to his removal to Texas or would have been eligible to vote in the

presidential election in the state of his former residence if he had remained there and complied with the state's legal requirements for voting.

Rotary governor in official visit

Dr. Jack Rodgers of Odessa, Rotary district governor of District 573, paid his official 1968-69 visit with the Post Rotary Club here Tuesday and in his governor's address at the club's Tuesday noon luncheon called for "participation" from every Rotarian.

President of Odessa College, Dr. Rodgers met with Post Rotary officers and committee chairmen Monday night at the Community Room and expressed himself as well pleased with the club's operation.

In his address Tuesday, he called for every Rotarian to participate in club activities, in his own vocational field, in community projects and in international projects.

Booster Club to purchase machine

Members of the Antelope Boosters Club voted at Monday night's meeting to purchase a machine for use by Antelope football squad in the treatment of deep muscular injuries and for similar types of injury.

The club postponed, for the second week in a row, the election of new officers. They are scheduled to be elected at next Monday night's meeting, at which a film of the Lockney game will also be shown.

All supporters of the Antelope football team are invited to attend the Booster Club meetings, said Elwood Wright, president.

Blanton new chairman Post Housing board

Ed Blanton was elected chairman and Bill Pool vice chairman of the Post Housing Authority at a meeting Monday night at the PHA office.

Blanton is a newly appointed member of the board and Pool is a holdover member. Other members attending the meeting were Malachi Mitchell, also newly appointed; Ed Sawyers and Jim Jackson, along with Mrs. Twilight Dudley, executive director.

MARY GRACE HOLMES

Former Post girl begins training

AUSTIN — Mrs. Mary Grace Holmes, daughter of Mr. and Mrs. Floyd W. Hodges of Route 1, Post, has just begun three months of training under the Austin State Hospital Psychiatric Nursing Program, reports Dr. Willard Segerstrom, superintendent.

Mrs. Holmes is a 1965 graduate of Post High School and is currently a senior at Brackenridge Hospital School of Nursing. Mrs. Holmes has a son, Michael Allan, nine months old.

The psychiatric nursing course is designed for affiliating students in their junior or senior years and consists of a review of personality development and a study of etiology, symptomatology, course and treatment of common types of psychiatric disorders.

Moisture total tops 20 inches

Showers over the weekend here have added Post's first September moisture and sent the 1969 moisture total over the 20 inch mark for the first time.

Official measurements at the courthouse were .10 of an inch of moisture Friday night, .15 more Saturday and .32 of an inch Monday night for a total of .57 of an inch for September.

This brought 1969 rainfall totals here to 20.06 inches.

County Agent Syd Conner said rainfall was much heavier just north of Post where .70 fell Monday night.

Funeral held for former resident

Mrs. John Pike, 69, of Lubbock, a former 18-year resident of Post, was buried in Terrace Cemetery here last Friday following funeral services at Terrace Baptist Church in Lubbock.

Mrs. Pike died Tuesday night of last week in a Lubbock nursing home. She was the mother of Mrs. Charles Morrow of Post.

Other survivors included three other daughters, Mrs. John Willis of Springfield, Mo., Mrs. Norman Hunt of Nolan and Mrs. Glenn Manning of Lubbock; three sons, L. J. Charles Ray and Jackie Pike, all of Davenport, Ia.; 28 grandchildren and three great-grandchildren.

Graveside rites for Mrs. Pike were held at the cemetery here.

Highway offices invite visitors

National Highway Week in Texas will be observed Sept. 22-28 with a theme of "Highways Are for People."

Gov. John Connally proclaimed Highway Week in an official memorandum urging citizens "to devote thoughtful consideration to the contribution of highways to the lives of all Texans, mindful of the continuing need for more and improved highway facilities."

Julian F. Smith, resident highway engineer in Post, said today that no special observance is being planned here for Highway Week, but that the public is invited to visit the offices and buildings of the highway department here while the week is in progress.

Downtown well coring at 3,167

Post's "downtown well" was coring in the San Andres A Zone at a depth of 3,167 feet yesterday morning, George R. Brown interests here reported.

The test, located across the street south from the courthouse, is George R. Brown's City of Post, Unit 43, Well No. 1.

E. R. (Buster) Moreland said "it will be three or four days" before we know whether we'll make a producer from the deeper pay zones which the well is seeking.

It is nice to return to the land of the living. Post hasn't changed much. But then we were only gone a week.

We really had a bout with pneumonia. That's the first time in over years we've been floored by anything for over a couple of days.

We're still a bit weak and do not feel like resting when working.

Best part of the nasty bit was the smooth way the Dispatch gang stepped right in and got the paper. It isn't easy when a hand is being on a weekly newspaper to get things running like nothing is wrong. But here at The Dispatch we always seem "to man" and this time they managed it.

We tried all the juices, drank a couple of gallons of water a day, consumed all kinds of pills and ourselves bored to death with four daily newspapers (of course, even when we're sick). I think that is called TV programming, and finally wound up reading an 800-page war novel.

Now we've given our local editors a brief respite we hope to be busy, busy next week to come out with a real-sized week for a change. It will be a Car Week here next weekend which will help.

Open houses to be soon at schools

Open houses in the Post Public Schools are going to enable parents to meet the teachers of their children and daughters at the start of school year instead of toward the end. Supt. Bill Shiver announced today.

The open house for the first five schools will be held Monday evening, Sept. 30. The open house for the other schools will be held Tuesday night, Oct. 3. Shiver said everybody can understand each other better if teachers and parents get to know each other at the start of the school year. He said times for the open houses would be announced next week.

Jan Wilks chosen Post FA sweetheart

Jan Wilks, daughter of Mr. and Mrs. Russell Wilks Jr., was elected chapter sweetheart by Post Farmers of America at a meeting Tuesday.

Jan Wilks succeeds Janice Gordon as chapter sweetheart and will serve during the 1968-69 school year.

Other candidates for this year's sweetheart were Sue Eubank and Anna Sims.

The chapter expressed its appreciation to Miss Gordon, the outgoing sweetheart "on doing such a great job representing our area at the area and state conventions."

Dispatch Editorials

SEPTEMBER 19, 1968

Tax rate cuts always welcome

Tax rate cuts are always good news and the city council's action in cutting the city tax rate 10 per cent, from \$1.50 to \$1.35, is no exception.

The city was able to reduce its tax rate through efficient operation the last few years, plus increases in oil valuations last year and again this year.

One facet of city operation that has paid off is cash payments for new equipment, thus saving interest charges. That has been only one of a number of savings effected through efficient operation, however.

The tax rate is set on a year-to-year basis, of course, and the lower tax rate may have to go

up again in the future, especially if oil valuations show sizeable decreases in the next few years, as predicted. Even so, it is good to have lower city taxes for the 1968-69 fiscal year.

Another thing that makes the tax rate cut look good is the fact that it comes at a time when many Texas towns and cities are having to vote the one per cent city sales tax to raise operating revenue.

It is also reflective of good city management that the operating balances at the end of each of the last few fiscal years have built up without the necessity of any cutbacks in operation, municipal improvements here having kept pace with the times.—CD

Rat menace no joking matter

There's been a whole lot of joking going on by members of both major political parties, as well as by new party members, about the deep concern expressed by President Johnson several months ago over the "rat danger" in this country.

Actually, the rat problem is no joking matter. The 100 million rats that infest the United States cost the nation more than \$1 billion in contaminated food and in property damage, plus the huge loss from rat-borne diseases. It is estimated that there are at least 50 million rats on farms,

30 million in towns and 20 million in cities.

The common house rat has been responsible for the deaths of more people than were killed in all the wars in the past 5,000 years.

Whatever amount has been, or will be, appropriated to rid this country of rats will be money well spent. Bedbugs and other vermin, while never as costly as rats, have been practically eliminated through the use of new insecticides. Let's hope that some equally effective eradication agent is developed against rats.—CD

Shopping list for Vietnam GIs

It won't be long now until the Post Office Department will begin warning patrons that it is time to mail Christmas packages to overseas servicemen, if the packages are to reach their destination by Dec. 25.

Again this year, most of the overseas packages will go to Vietnam, where it doesn't appear now as if we will have the boys "out of the trenches" by any Christmas within the next few years at least.

As a tip to parents, other relatives and friends planning to send packages to Vietnam, we pass

along suggestions from the USO, which each year conducts a survey to help the general public shop for the men overseas.

This Christmas, according to the USO, GIs in Vietnam want most: Insect repellent, puzzles, gum and foam insoles.

New items on this year's GI want-list include plastic containers for soft drinks; Q-tips; instant breakfast drinks and wallet-size calendars.

Also included is an old favorite, poster-type pictures, but now the boys want state-side landscapes.—CD

Dear Turnrow Junkel

O. C. McBRIDE

Did you read where a sociologist blames advertising for much of the unrest in America, by causing some people to be discontented with their lot?

He may be right. I know of one television commercial that is causing a lot of trouble—the one put out by an airline encouraging wives to go along with their husbands on business trips.

I understand that an electric saxophone is now on the market. It weighs 68 pounds.

I'll bet that thing makes a lot of racket, but anyone big enough to play it probably won't get many complaints.

Some political experts are saying that the Democratic party can no longer count on the solid support of organized labor as in the past. How did they reach this conclusion?

They probably figure that after some of the recent wage settlements, many union members are going to be in such a high bracket they will start thinking like Republicans—worrying about taxes and Government spending.

I read that a marriage counselor says many marriages suffer because of a lack of communication between the partners.

Maybe so. It might help if wives didn't always want to do their communicating while their husbands were trying to read the morning paper, or watch a favorite television show in the evening.

I understand that Larry O'Brien, Vice President Humphrey's campaign manager, has accepted a job with the Howard Hughes organization after the campaign, although he would be in line for a high government position if Mr. Humphrey won.

That's good thinking on Larry's part. There's a lot more future in working for an outfit that is solvent.

Did you know that a British scientist has invented an anti-snoring device? When a person begins, it delivers an electric shock.

That's not much improvement over my wife's system—an elbow to my ribs.

QUESTION: Who was the first pin-up girl? (Answer at bottom of column.)

The Weather Man says the only effects this area got from Hurricane Naomi was Saturday morning's rain. That's good... we have enough troubles without having to put up with hurricanes.

OUR CAT BLACKIE is getting into the "swing of things" as this picture shows. He especially calls your attention to the reminder on the front of the speaker's stand.

If you have been warned lately not to take any wooden nickels, you might like to know that a lumberman has now figured out that the lumber in today's wooden nickel is worth seven cents.

AN OLD, OLD dictionary I have out at the house defines a sandwich simply as "a piece of meat between two slices of bread." That definition is years behind the times, however. Order a sandwich in a restaurant now and you have a dozen decisions to make—plain bread or rye, toasted or untoasted, single deck or double deck, everything on it, etc., etc. Even out at the house the only time I get a sandwich that is a piece of meat between two slices of bread is when I make it myself.

The man up the street says anybody who thinks this is a man's world probably doesn't understand a lot of other things, either.

NEARLY EVERYBODY, including some of the city councilmen, are discussing the new hit song, "Harper Valley P-T-A." A few minutes before one of last week's three city council meetings started, two or three of the councilmen were up front talking about the song when I walked in. Like nearly everybody else who has heard it, the councilmen were of the opinion that the critical Harper Valley P-T-A members got what was coming to them when the mini-skirted mama they had criticized walked into their meeting and checked off the P-T-A members' shortcomings one by one. Sung by Jeannie C. Riley, "Harper Valley P-T-A" is selling 150,000 copies a day and is fast nearing the three million mark.

A father was complaining about all the time his kids spend watching TV. "I have a six-year-old," he said, "who can say only one word—Shhh!"

WILLIE KEY BROUGHT in an 1898 copy of the old St. Louis Star newspaper the other day to see if it could be restored, since it is falling apart all over. In fact, it is so far gone that even The Dispatch can't restore it, but by handling it carefully I was able to scan through it, and, because of its interest, it's a shame that it can't be restored. This particular issue of The Star was printed just after the United States had gone to war over Cuba, which, as it has turned out, wasn't worth it—now that Castro is in charge down there. Someone here at the office told Willie she should have done something a long time ago about having the newspaper restored. Willie promptly gave them to understand that she wasn't around to have it done until long after the newspaper was published.

That old newspaper Willie Key brought in isn't the only thing that is about to fall apart, however. The scoreboard at Antelope Stadium isn't in much better shape, at least not as far as its working parts are concerned. At Friday night's opener with Hale Center, the visitors' side of the board wasn't working, and Hale Center's first touchdown couldn't be chalked up. After they got up to 14 points, the board registered 10, then when the Owls ran their total to 20, the board registered that score correctly. It seems that it would work only on combinations ending in zero. So, through Hale Center's cooperation, that problem was solved, but then in the final quarter, the scoreboard clock stopped working and time had to be kept on the field the rest of the way. Outside of all that and the fact that the Antelopes lost the game, everything was all okay.

ANSWER to question at top of column: The first pin-up girl was the rural school teacher who tried to hop a barbed wire fence on her way to the school house.

DIES IN COLLISION RANGER—An El Paso man, Thomas Tolson, was killed Saturday and four other persons injured, none seriously, when a vehicle in which he was riding collided with a pickup truck about five miles west of Ranger on U. S. Hwy. 80.

Receive \$100 to \$250 Cash for Every Week in the Hospital

This new concept in hospital insurance offers a FAMILY COVERAGE plan which will pay the full amount to every member covered — even if in hospital at same time.

This policy has these important additional advantages:

1. It pays from the first day you are hospitalized.
2. It pays in cash directly to you to use as you like without regard to hospital charges such as bed, board or operating room.
3. The benefit is paid for each covered person for as long as 52 weeks.
4. You may include your spouse and children under 18 years.
5. This policy is guaranteed renewable to age 65. As long as you pay the premium coverage continues
6. For an additional premium, you can add a surgical benefit rider to help pay surgery bills. Four surgical riders are offered with maximums of \$200, \$300, \$400, and \$500.
7. Provided both husband and wife are covered in the policy for a period of at least 30 days prior to the commencement of the pregnancy, the policy will pay one full week's pregnancy benefit.

regardless of how poor your health becomes or how often you have collected benefits. Naturally, you must be in good health to qualify.

Support Our Antelopes on Their First Road Game!

POST ANTELOPES

Vs

Lockney Longhorns

AT LOCKNEY

Friday Night

Sept 20

Another 8 P.M. Kickoff

The Lopes took one on the chin Friday night from Hale Center but made a good, spirited showing despite their wholesale lack of experience. Post fans were pleased with their hustle.

This is a "learning year" for the Antelopes—and they should improve from Friday night to Friday night. Lockney came up with a 14-0 win over a good Crosbyton team in their opener. The Lopes will be out to avenge a 32-13 loss to the Longhorns here last year.

These Post Business Firms are Rooting for the Lopes to bring home a Win from Lockney:

- Dr. B. E. Young
- Rocker A Well Service
- Lester Nichols—Gulf Wholesale
- Post Implement
- Wilson Brothers
- Cash Implement Co.
- Higginbotham—Bartlett
- Howell's Gulf Service
- Martin's Department Store
- Corner Grocery & Mkt.
- Ge'nez Steak House
- Hudson-Sparks Dirt Cont.
- Bill's Long Branch
- Elwood Wright's Texaco Service

- Canrock Liquor Store
- R. E. Cox Lumber Co.
- Jackson Bros. Food Locker

For State Representative:
 RENAL B. ROSSON (Re-election)

For Sheriff:
 L. E. (FAY) CLABORN JR. (Re-election)

For Tax Assessor-Collector:
 T. H. TIPTON (Re-election)

For Pct. 1 Commissioner:
 PAUL H. JONES (Re-election)

For Pct. 3 Commissioner:
 BEN SANCHEZ (Re-election)

Card of Thanks

I wish to take this means to say thank you to all the people who were so nice and did so many thoughtful things for me while I was a patient in Garza Memorial Hospital. Your visits were certainly appreciated.

E. L. Duncan

The family of Mrs. A. C. Howell expresses appreciation for the prayers, kind words and deeds, flowers, food and other acts of sympathy shown us during the illness and death of our loved one. May God richly bless each of you.

I wish to thank everyone who was so kind and thoughtful during my stay in the hospital. I am especially grateful for the cards, visits and other expressions of kindness.

Mrs. T. F. Davis

Son of former Post woman is new missionary

John E. Simpson Jr., whose mother, Mrs. John E. Simpson Sr. of Westmont, N. J., is the former Georgia Pennell of Post, has been accepted as a missionary, along with his wife, Terry, with the Rural Home Missionary Association, whose headquarters are in Morton, Ill.

On Aug. 31, Simpson was ordained into the gospel ministry in his home church, the First Baptist, of Pemberton, N. J. After completing their deputation early in October, the Rev. and Mrs. Simpson will leave for Red Lodge, Mont., to begin their work of pioneering a new church.

Terry is the daughter of Mr. and Mrs. Harry Emy of Burlington, N. J., and the Rev. Mr. Simpson's parents are Mr. and Mrs. John E. Simpson Sr. of Westmont. The Rev. Mr. Pennell is a nephew of Mr. and Mrs. Donald Pennell of Southland.

The Rural Home Missionary Association has as its sole purpose the reaching of the 20 million people in the rural areas of America who have never heard the gospel of Jesus Christ.

Ask Dr. QUIZMEE

If you are the first to submit a question which Dr. Quizmee, our information specialist, answers in this column, we will present to you, free, the complete, illustrated, 25-volume set of Funk & Wagnall's Standard Reference Encyclopedia. Mail your question to Dr. Quizmee in care of this newspaper.

This week's prize encyclopedia sets go to: Ann Bell and John Bell Jr., who asked Dr. Quizmee to: "Please explain why the hoop snake seems to roll down hills."

The belief that the hoop snake or mud snake takes its tail in its mouth and rolls is erroneous. The belief comes from the fact that this snake is usually seen in a semi-coiled position.

Susan Orloff who says she's interested in witchcraft and asks: "Who is the 'Devil's Advocate'?"

The 'Devil's Advocate' has nothing to do with witchcraft. It's an expression which arises from the name given to the individual appointed to give reasons why a person should not be canonized a saint in the Roman Catholic Church.

Pedro Rivera for asking: "Who was the first American to climb Mt. Everest?"

James W. Whitaker was the first American to reach the summit. He did it on May 1, 1963, with an expedition headed by Norman G. Dyhrenfurth.

RETURNS TO COLLEGE

Miss Annette McBride, daughter of Mrs. Lucile McBride, is continuing her studies at Hardin-Simmons University in Abilene where she is a senior.

ENROLLS AT NMMI

Paul Walker, son of Mr. and Mrs. Pat N. Walker, has enrolled for the fall semester at New Mexico Military Institute at Roswell.

DISCHARGED FROM ARMY

Benny Owen was discharged from the Army last week at Fort Carson, Colo., with the rank of Specialist Five and has enrolled for the fall semester at Texas Tech. Benny, the son of Mr. and Mrs. Ben Owen, served three years in the service, one and a half years which were in Vietnam. He is a 1965 graduate of Post High School.

VACATION IN NEVADA

Mr. and Mrs. Marvin Hulse left Saturday by plane for Las Vegas, Nev., where they will spend the week vacationing with their son-in-law and daughter, Mr. and Mrs. Bill McGrew of Midland.

The largest museum in America is the Tokyo National Museum which contains around 30,000 exhibits.

THE POST DISPATCH

Needlecraft Club observes its 5th anniversary here Friday

The Needlecraft Club celebrated its 5th anniversary by observing its anniversary at last Friday's meeting in the home of Mrs. Graeber.

The club, which is the only one of its kind in this area, has a membership of 100 members. She gave a brief history of the club, naming its founders, Mrs. J. B. Slaught, Mrs. Stevens and A. W. Bouch-Graeber also commented on the club's progress.

Tillman Jones has been a member for 47 years.

The following is a report of the meeting, submitted by Mrs. Graeber:

"In keeping with the recent opening of schools, the program was patterned somewhat in the nature of the pioneer school days.

"Roll call was in the guise of a contest of 'Who's Who', wherein each lady present was supposed to recognize herself.

"This was followed by classes learning the alphabet, after which

they progressed to the study of music. A graphic description of what constitutes an anthem was given by Mrs. Gladys Presson that proved very enlightening, to say the least.

"The literature, geography—even physiology—classes were given satisfactorily but then came the grammar session. The teachers, consisting of Mrs. E. Shields, Lucy Callis, Lelia Gilley, Roberta Herron, Maggie Mae Jones and Gladys Presson, had to be called in and we were not sure they knew what it was all about.

"Lastly came arithmetic and one problem especially, was not solved to the satisfaction of all present. To wit: 'How many apples did Adam and Eve eat in the Garden of Eden?' It occasioned much controversy but the final figures, which the contender had proof to sustain were that together they ate 81,896,854. Believe it or not.

"A number of out-of-town guests were present for this homecoming. Among them was Cora Lee Byers of San Diego, Calif., and Mrs. Tillman Jones had a birthday in the near offing and since Mrs. Byers and Alla Mae Presson were former pupils of the then Miss Marjorie Griffin of Sulphur, Okla., we named Mrs. Jones our honoree as we all stood and sang 'Happy Birthday.' Her two pupils stood on either side of her.

"We remained standing an instant in silent prayer in memory of Mrs. N. C. Outlaw with Mrs. Blanche Clark asking God's blessing on the bereft ones."

Refreshments of ribbon sandwiches, pressed chicken, potato chips, olives, cranberry sauce, jelly puffs, butterfly rosettes, mints and coffee were served to the following guests and members:

Mmes. Cora Lee Byers, Virginia Hoffman, Midland, Ethel Shields and Eula Mae Brummett, Amarillo; Marvin Neely, Plainview; Annie Burkett, Archer City; Nevia Rogers, Mary Winder, Jimmy Samson, Bud Samson and Irene Rodgers, Lubbock; Althea Caylor, Blanche Clark, Gladys Presson, Alla Mae Presson, Roberta Herron, Joy Parker, Tillman Jones, Bonnie Lee, Helen Welch, Boone Evans, Lelia Gilley, M. J. Malouf, S. C. Storie Sr., Jack Kennedy, Nell McCrary, L. G. Thuest Sr., F. C. Barker, Will Wright, Montee Adams, Oscar Smith, Lucy Callis and Graeber.

Mrs. Jack Kennedy will be hostess for the Sept. 27 meeting.

So, along come eight young men with a dream and what happens? A bunch of rumormongers, that probably contribute nothing to the community, try to spoil it all. Great day in the morning, where is your "trust" that you're supposed to have as far as our youth is concerned? Why do they need supervision at all times? Who supervises them on their dates? If you trust your child out in a car with a boy (and sure in the neck now) why can't you trust a bunch of kids together in a coffee house?

Post's coffee house is no different from any other coffee house in any other town. The majority of them are run by youths with no adult supervision. That is the whole point of their being. Some of them are sponsored by organizations. By that I mean they are costing somebody a lot of money. This is where OUR coffee house does differ. Here we have eight young men who are learning what private enterprise is all about. Private enterprise is what America is all about, you know!

You can't convince me that boys who will take their mother's vacuum sweeper, complete with attachments, to keep things clean and neat at "The Estate" could be running a place that could be referred to as trashy or sinful. You can't tell me that boys who offered their facilities to the Post Day Care Center board (after they were turned down by some responsible adults) can be doing anything bad.

Let's put a little trust into our thinking along these lines and don't holler unless we have something to holler about. If you want to know what's going on at "The Estate" put on your best bib and tucker, smile sweetly at your husband and ask him to take you out for a night on the town.

Last Saturday night, several adults and some lucky kids enjoyed hearing Bengier Dickson, a graduate student at Texas Tech and a well-known folk singer, entertain and for only a quarter admission. The coffee house even offers pizza and soft drinks and coffee at a modest sum.

Go downtown and see for yourself what is going on and then if you see something you don't like tell the operators about it. If I know kids, they'll listen gratefully and do something to correct it.

Barring that, put some trust where your mouth is.

JAMES BEARD USES CHINESE KRAUT IN SUMMER SALAD

Sauerkraut is so very European that it is hard to believe the Chinese invented it. But in his introduction to the newly published, *Confessions of a Kraut Lover*, famed James Beard explains that sauerkraut originated in China where several centuries ago it was fermented with wine.

The international popularity of sauerkraut is emphasized by Beard in the variety of American and foreign recipes which appear in the book. For instance, he includes German Sauerkraut Turnovers, Russian Sauerkraut Soup, Island Kraut and Loim of Pork (Polynesian), and Choucroute Garni (French).

Now that hot weather is here, how about this cool, crisp salad:

SAUERKRAUT BEAN SALAD

1 lb. 11 oz. can Silver Floss Sauerkraut, drained

1 15-oz. can kidney beans, washed and drained

2 green onions, thickly sliced with green tops also

1/2 cup finely cut celery

4 tbs. salad or olive oil

1 1/2 tbs. wine or cider vinegar

1/2 tsp. fresh ground black pepper

Combine all in salad bowl, toss lightly and serve. The salad complements any meat but especially good with ham, pork and sausages.

Confessions of a Kraut Lover is delightfully illustrated in full-color, and would be a welcome addition to your cooking library. You may obtain your own copy by sending your name and address with 25¢ for postage and handling to: James Beard Kraut Book, Box 215, Phelps, New York.

Theta Eta holds first meeting of new club season

Theta Eta chapter of Delta Kappa Gamma, international Honor Society for Women Teachers, met Sept. 11 for its first meeting of the new club year in the Community Room with the executive committee as hostesses.

Following a salad supper, the president, Florene Allen, led in the discussion of the regional meeting to be held in Post Nov. 16. Members also planned their year's work. Theme of the organization this year is "Study of Economic Values in Our Community—Teaching Others to Help Themselves."

The society is composed of teachers from Lynn, Terry and Garza counties. Bettye Scott is vice president of the group.

Special guests were Virginia Howle of New Home and Thalia Burks of Tahoka. Members attended from Tahoka, Wilson, O'Donnell and Brownfield.

Those from Post attending were: Mmes. Allen, Scott, Lora Blanton, Sue Cornell, Ella Mae Hudson, Eda Jones, Florene King, Anita Myers and Chris Wilkins.

Refreshments were served in the dining hall following the meeting.

OES to begin studies school of instruction

The Order of Eastern Star met in a stated meeting in regular form Tuesday night at 8 o'clock in the Masonic Hall.

Plans were made to begin studies in preparation for the OES school of instruction to be held soon in Lubbock.

The first study will be Tuesday, Sept. 24, in the home of Mrs. J.E. Tanner at 7 p. m.

Refreshments were served in the dining hall following the meeting.

Post woman to be installed tonight as officer in THDA

Two South Plains women will be installed at 7 o'clock tonight (Thursday) as officers of the Texas Home Demonstration Association at the annual meeting in McAllen which began Tuesday and will conclude following the dinner tonight.

The new officers from District 2 of the Texas Agricultural Extension Service are Mrs. Neil Norred of Big Spring and Mrs. Howard Kolb of Post, according to Mrs. Aubrey W. Russell, district home demonstration agent of Lubbock.

Mrs. Kolb will serve as the new secretary of the state association. She has served as a district director the past year. Mrs. Kolb is a member of the 55 HD Club and has served as the club's president in addition to being chairman of the County HD Council and chairman of the District HD Council.

About 1,000 members, including Mrs. John Bland of the Barnum Springs HD Club, Mrs. Wilborn Morris of the Graham HD Club and Mrs. Paul Payton of the Pleasant Valley HD Club, are attending the meeting. They represent the 36,000 Texas members of the association.

General theme of the event is "The Great Force That Reads: Just the World Originates in the Home," a quotation from the late Dr. Seaman A. Knapp, considered as founder of the Extension method of informal teaching.

Home demonstration work is an adult education program in better homemaking and is administered by the Extension Service, a part of the Texas A&M University System, according to Mrs. Russell.

Keynote speakers included Dr. H. O. Kunkel, dean of the Texas A&M College of Agriculture and acting director of the Texas Agricultural Experiment Station; Mrs. Florence Low, Extension assistant director of home economics; Mrs. Ben T. Williams of Oklahoma City, a homemaker and wife of Justice Ben T. Williams of the Supreme Court of Oklahoma, and Mrs. R. O. Pearson of Odessa, state advisor for the National Foundation for Infantile Paralysis.

Convention highlights also included six educational workshops in the areas of citizenship, family health, cultural arts and recreation, 4-H Club and family life education.

Close City schedules monthly social event

The Close City community will hold its monthly social Saturday night at the community center at 7:30 o'clock with a covered dish supper being planned.

Games of "88", "42" and dominoes will be played. Guests are always welcome.

VISIT AT PLAINS

Mr. and Mrs. Wesley Stephens and their daughter, Mrs. Lucille Windham, were in Plains last Saturday to visit the Bowen Stephens family. They were guests at a dinner consisting of barbecue chicken, hot rolls and homemade banana nut ice cream that night.

ENJOY FISH FRY

Mrs. Wesley Stephens, Mrs. Mell Pearce and Mrs. Charlie Bowen enjoyed a fish fry at the home of Mrs. J. Lee Bowen last Friday night at 7 o'clock. The fish was furnished by A. D. Bowen of Stacy. Miss Jane Cannon, granddaughter of Mrs. J. Lee Bowen who is attending Hardin-Simmons University at Abilene, was also a guest.

FIRST CHRISTIAN CHURCH

The sermon subject at the First Christian Church Sunday as announced by the pastor, Bernard S. Ramsey, will be: "Do Churches Join People?" The service is at 11 a. m.

Southland couple is honored on 25th wedding anniversary

Mr. and Mrs. James Mason were honored with a surprise celebration on their 25th wedding anniversary Sunday when their children, Mickey and Mike, entertained with a family gathering in the Mason home at Southland.

Mr. Mason and the former Pauline Baker, daughter of Mrs. John Baker and the late John Baker, were married in Southland, Sept. 17, 1943, in the home of Mrs. Mason's brother-in-law and sister, Mr. and Mrs. C. E. Basinger. Mr. Mason was in the Navy at the time of their marriage and remained in the Navy for 20 years. They have lived in Southland since his retirement nine years ago.

The serving table was laid with a lace tablecloth, a wedding gift from one of Mrs. Mason's aunts. Crystal and silver appointments were used.

Mickey and Mike presented their parents with an oil portrait.

Guests included Mrs. John Baker, Mrs. Thelma Francis and Mr. and Mrs. Vernon Lively, Post; Mrs. C. E. Basinger and Joy Southland; Mrs. Oscar Outlaw and children, Miss Jo Ann Roberts and Allen Miles, Slaton; Mr. and Mrs. Monroe Rowden and children, Brownfield.

Mrs. Windham is hostess to club

Sewing and visiting were enjoyed by members of the Mystic Sewing Club when they met in the home of Mrs. Nell Windham last Friday afternoon.

Mrs. Windham served tuna sandwiches, chips, applesauce cake with whipped cream and soft drinks to the following:

Mmes. Opal Williams, Winnie Henderson, Mae Shipley, Estlea Nichols, Annie Hodges, Catherine Rankin, Alylene Runkles, Ruby Butler and Miss Henrietta Nichols. Mrs. Butler will be hostess of the Sept. 27 meeting.

Sunday School class makes Lubbock trip

Members of the Junior girls Sunday School class of the Trinity Baptist Church and their guests went to Lubbock last Saturday evening to play miniature golf.

The group included:

Illa Workman, Susie Smith, Tanja Starcher, Sue Britton, Nancy Maddox, Ronda Criswell, Brenda Spinks, Marilyn Williams, Gail Browning, Angelique Byrd, Carla Josey, Sherry White, Sherry Brockman, Donna Maddox and Paula Criswell.

They were accompanied by Mr. and Mrs. Irvin Cross, Mr. and Mrs. Thurman Maddox and Mrs. James Criswell.

Mrs. Ida Wheatley is Merrymakers hostess

The Merrymakers Club met last week in the home of Mrs. Ida Wheatley for an afternoon of visiting.

The hostess served refreshments to the following:

Mmes. Bige Cross, Lola Peel, Bonnie Adamson, Pearl Storie, Alma Sims, Pearl Crisp, Sadie Storie, and Bertha Printz, who will be hostess for the Sept. 24 meeting.

HOME ON FURLOUGH

Freddie Simmons arrived home last week to spend a 30-day furlough in Post with his wife after training at Fort Benning, Ga. Upon completion of his furlough he will be sent to Vietnam. While in Post Freddie is working at Postex plant. He will also visit his parents, Mr. and Mrs. Virgil Simmons, in Lubbock.

'Get-acquainted' shower is held

A "get-acquainted" shower was given for Patricia and Michael Maddox, newly adopted children of Mr. and Mrs. Pete Maddox, last Thursday night at the Community Room.

A centerpiece displaying a back-to-school theme was used, welcoming the two honored guests. Coffee, punch and cookies were served.

Miss Tina McAllister registered the guests.

Hostesses were:

Mmes. Joyce Teaff, Janey Middleton, Allane Ammons, Carolyn Gray, Twana Short, Karen Callaway, Barbara Ethridge, Lorry McAllister, Kay Hays and Juanella Hays.

Calvary Baptist WMU studies mission wives

Mrs. Dortha Jackson was hostess for the Women's Missionary Union of the Calvary Baptist Church in her home Tuesday afternoon at 2 o'clock.

Mrs. Jackson was also program leader for the mission study, "Pioneer Mission Wives" in which she told about Mary and John Williams, who were missionaries in the South Sea Islands in 1817.

Refreshments were served to 13 ladies and three children.

Mrs. Bessie Windham will be hostess at the Sept. 24 meeting at her home. This will be a business and visitation meeting.

It's My Turn

—By MRS. C.

Half of the enterprising men who are operating Post's "onliest" coffee house, may I in your mothers and fathers' sitting in your cars, walking across the street, and come in and join in the good clean fun and merit.

There parents sitting across the street "watching" THAT if not, the rumors flying are untrue and we hope that is correct. We're about parents who place is "trashy"; parents who think that something illicit about the "parents"; and parents who ought to be some adult.

It has come to me with these thoughts. They are sitting in and out of doors in and out of doors.

Hearing the first such rumormongers to Mr. C. "Does sound familiar to you?" I'm going back to the days first came to Post about ago and found ourselves with Teen Town. We served several years on that board. Misses C's were growing and listening to rumors that ridiculous we couldn't take seriously. We even laugh a long-gone local minister to the place as a "den of

Post's coffee house is no different from any other coffee house in any other town. The majority of them are run by youths with no adult supervision. That is the whole point of their being. Some of them are sponsored by organizations. By that I mean they are costing somebody a lot of money. This is where OUR coffee house does differ. Here we have eight young men who are learning what private enterprise is all about. Private enterprise is what America is all about, you know!

You can't convince me that boys who will take their mother's vacuum sweeper, complete with attachments, to keep things clean and neat at "The Estate" could be running a place that could be referred to as trashy or sinful. You can't tell me that boys who offered their facilities to the Post Day Care Center board (after they were turned down by some responsible adults) can be doing anything bad.

Let's put a little trust into our thinking along these lines and don't holler unless we have something to holler about. If you want to know what's going on at "The Estate" put on your best bib and tucker, smile sweetly at your husband and ask him to take you out for a night on the town.

Last Saturday night, several adults and some lucky kids enjoyed hearing Bengier Dickson, a graduate student at Texas Tech and a well-known folk singer, entertain and for only a quarter admission. The coffee house even offers pizza and soft drinks and coffee at a modest sum.

Go downtown and see for yourself what is going on and then if you see something you don't like tell the operators about it. If I know kids, they'll listen gratefully and do something to correct it.

Barring that, put some trust where your mouth is.

Legal Notice

ORDER OF SALE THE STATE OF TEXAS

To the Sheriff or any Constable of any County of the State of Texas — Greeting:

WHEREAS on the 29th day of July 1968, TOM W. LANDERS recovered in the County Court of Gregg County, a judgment against TECLA LEONI for the sum of Four Hundred Twenty-Seven and 97/100 Dollars with interest thereon from the 29th day of July 1968, at the rate of Six percent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of an Attachment lien on the following described property, to-wit:

(1) Tom W. Landers - McCrary "B" Lease and being all of the East Half (E½) of the Northwest Quarter (NW¼) of Section 125, Block 5, H&GN Railroad Company Survey of Garza County, Texas;

(2) Tom W. Landers-McCrary "C" Lease and being all of the Southwest Quarter (SW¼) and the West Half (W½) of the Northwest Quarter (NW¼) of Section 125, Block 5, H & GN Railroad Survey of Garza County, Texas;

(3) Tom W. Landers-McCrary "D" Lease and being all of the East 80 acres of West 213.43 acres of Section 1, E. W. Clark Survey of Garza County, Texas; and

(4) Tom W. Landers-McCrary "E" Lease and being all of the East Half (E½) of the West Half (W½) of Section 2, Holmes, Divers and Long Survey of Garza County, Texas.

as said Attachment lien existed on the 15th day of August, 1967, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said Tecla Leoni. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient mineral deed, and place the purchaser of said property in possession thereof within 10 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make a good and sufficient mineral deed and to place the purchaser of the same in possession thereof within 10 days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Two Hundred Thirteen and 43/100 Dollars, together with the interest that may be due thereon, and the further sum of Ten and 45/100 Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant Fia Grieshaber. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 90 days, showing how you have executed the same.

Given under my hand and seal of the County Court of Gregg County, at my office in Longview, this 29th day of August, 1968.

B. M. "Buck" Birdsong Clerk, County Court Gregg County, Texas.

ORDER OF SALE THE STATE OF TEXAS

To the Sheriff or any Constable of any County of the State of Texas — Greeting:

WHEREAS on the 29th day of July 1968, TOM W. LANDERS recovered in the County Court of Gregg County, a judgment against CLARA ZEHNDER for the sum of Two Hundred Thirteen and 43/100 Dollars with interest thereon from the 29th day of July 1968, at the rate of Six percent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of an Attachment lien on the following described property, to-wit:

(1) Tom W. Landers - McCrary "B" Lease and being all of the East Half (E½) of the Northwest Quarter (NW¼) of Section 125, Block 5, H&GN Railroad Company Survey of Garza County, Texas;

(2) Tom W. Landers-McCrary "C" Lease and being all of the Southwest Quarter (SW¼) and the West Half (W½) of the Northwest Quarter (NW¼) of Section 125, Block 5, H & GN Railroad Survey of Garza County, Texas;

(3) Tom W. Landers-McCrary "D" Lease and being all of the East 80 acres of West 213.43 acres of Section 1, E. W. Clark Survey of Garza County, Texas; and

(4) Tom W. Landers-McCrary "E" Lease and being all of the East Half (E½) of the West Half (W½) of Section 2, Holmes, Divers and Long Survey of Garza County, Texas.

as said Attachment lien existed on the 15th day of August, 1967, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said Clara Zehnder. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient mineral deed, and place the purchaser of said property in possession thereof within 10 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make a good and sufficient mineral deed and to place the purchaser of the same in possession thereof within 10 days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Two Hundred Thirteen and 43/100 Dollars, together with the interest that may be due thereon, and the further sum of Ten and 45/100 Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant Clara Zehnder. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 90 days, showing how you have executed the same.

Given under my hand and seal of the County Court of Gregg County, at my office in Longview, this 29th day of August, 1968.

What's A Man Worth?

By Bernard S. Ramsey

Over the Building of Man at the World's Fair at New York were written the words of St. Augustine: "Man wonders O'er the earth; the stars; the flowing waters; but the greatest wonder of all is man himself."

It is the soul of a man that makes him of infinite value. If every person in America and the world today were to think of himself as the Bible thinks of him, which is to say: as God thinks of him, as a living soul infinitely precious, and were to treat all other men as living souls, infinitely precious, the Golden Age of

"Peace on earth, good will toward all men" would at last become a reality.

I shall never forget that when mother kept a boarding house in order to rear three sons, sometimes around our huge dining table, someone who perhaps was living an unworthy life was being ridiculed or critized or judged, Mother would say: "Careful! Take it easy, the person about whom you are talking is one of those souls for whom Christ died!"

What's your soul worth to you? Worth feeding at least once a week?

ANTELOPE TRACKS

Post Public School News

The Post (Texas) Dispatch Thursday, Sept. 19, 1968 Page 7

27 seniors of last year attend college

Names of 27 of last year's High School seniors and the colleges they are attending have been compiled by the Antelope Tracks. They are as follows:

West Texas Tech: Dennis Altman, Ad Cook, Zelika Freeman, Jim Johnston, James McGuire.
Howard County Junior College: Mrs. Jerry Lynn new teacher

By Bob Wilkins
Mrs. Jerry Lynn is happy to welcome Mrs. Jerry Lynn as the new teacher of Junior and Senior English.

and Mrs. Lynn arrived in last March. Her husband is currently working as an industrial engineer at the Postex plant.

Lynn graduated from Texas Tech after four years of study, a Bachelor of Arts in English and a minor in history.

Lynn has been teaching English for two years in Seminole, Tex. She also taught English in Shreveport, La., one year.

Her philosophy of teaching is understanding, but beware Juniors. Seniors, her pet peeve is the student who refuses to follow instructions.

Senior FHA officers had picnic at park
By Donna Maddox
The officers of the Post FHA Chapter had a picnic at the park Sept. 10 to start off this year's FHA meetings. The purpose of this picnic was to install the 1968-1969 Senior Chapter Officers.

Present were Marsha Tipple, Helen Hodges, Nancy Norman, Karen Potts, Kaye, Martha Jo Walls, Theresa, Irene Walls, Donna Maddox, sponsors, Mrs. Wheatley and Casey.

Dr. Frank Butterfield, Optometrist

Student Council meets at Post Junior High

By Jay Pollard
The Junior High School Student Council held its first meeting on Sept. 10.
President Rusty Conner presided and introduced each member of the Council. The secretary, Lindy Bird, read the constitution. Jay Pollard was elected reporter for the group. Mrs. Walker, sponsor, viewed the projects of the past year. Mr. Pollard talked about the importance of the Council and stressed that each person was to represent his school in the best manner possible at all times.
Members attending were Becky Dalby, Jerry Tyler, Cindy Bird, Danny Lee, Jo Beth Gandy, Don Rogers, Kevin Duren, Tony Conner, Kent Kirkpatrick, Tol Thomas, Jay Pollard, Eddie Gannon and Rusty Conner.

New teachers in Post Jr. High

There are several new faculty members in Post Junior High Schools this year.
In the 6th grade there are three new teachers. They are Mrs. Sylvia Shipp, Mrs. Wilma Burk and Mr. Pat Burk.
Mrs. Shipp received her degree from Texas Tech and moved here from Lubbock.
Mrs. Burk received her degree from Adams State College at Alamosa, Colo. Mr. Burk finished his work at Eastern New Mexico, Portales, N. M. Mr. and Mrs. Burk moved to Post from Farwell.
Mrs. Linda McGinnis teaches all of the 7th grade Science and one section of eighth grade Science. She is from De Leon and graduated from West Texas State at Canyon.
Mr. Gary Parnell teaches Physical Education classes. He is a graduate of Texas Tech. He taught at Lorraine before moving to Post. We are happy to have these fine teachers with us this year.

Southland High elects officers

SOUTHLAND — The classes of Southland High School held officer elections recently with the following results:
Senior: Joe E. Basinger, president; Mike Mason, vice president; Darrell Wilke, secretary - treasurer.
Junior: David Mock, president; Gary Lester, vice president; Norma Eckert, secretary-treasurer.
Sophomore: Douglas Smallwood, president; George Cardenas, vice president; Breonne Winterrowd, secretary-treasurer.
Freshman: Hearty Cisneros, president; Laura Bevers, vice president; Tommy Jack Taylor, secretary-treasurer.

7th grade has new students

By Sue Cowdrey
The 7th grade class has several new faces in the classrooms and halls this year. We want to welcome these new students and make them feel at home in Post Junior High School.
These new students are Lynda Hall, Southland; Charles Higgs, Beeville; Teresa Hollis, Canyon; Darlene Jones, Lubbock; Liddie Bell Mize, Justiceburg; Delores Valdez, Houston; Cynthia Villa, Lubbock; Freddie Kay Williams, Snyder; and Wayne Bell, Ranger. Welcome to the 7th grade, New Students!

First pep rally of season held

By Sharyn Bilberry
PHS had its first pep rally of the 1968 football season Friday afternoon. A great deal of spirit was shown in the yells, even though not everyone knew the new ones. Along with new yells the cheerleaders were wearing new uniforms.
The band did a good job of building spirit while the twirlers did their routines in their new outfits.
Coach Gregg introduced the coaching staff and all the football players. He told the position or positions that each played. He also told us a story about George Washington, who told us not to give up.
Mike Scott, Student Council president, spoke to us, as did one of the captains of the football team, Randy Hudman.
The pep rally ended with the school song and then the boys leaving the gym to the fight song.

Visitors at the pep rally included Nedra Childs, Emily Potts, Felton Gatlin, Micki Sterling, Norman Tanner, Adrienne Cook, Voda Beth Voss, Lee Norman, Wiley Miller and Mrs. Maxine Cummings.
Other humans at the dance included Curtis Lancaster, Jane Johnston, Rhonda Johnston, Kay Hundley, Nancy Hart, Liz Dalby, Pam Petty, Ryan Thomas, Sherry Bird, Karon Windham, Neff Walker, Steve Newby, Sharon Windham, George Torres, Dennis Dodson, Patti Peel, Debbie Dickson, Debbie Cummings, Arthur Torres, Mike Petty, Ben Miller, Mike Scott, James McGuire, Ronnie Petty, Larry Cummings, Jan Bullock, Ronnie Williams, Barbe Gilmore, Kim McClellan, Ann Aten, Patti Allison, Carol Compton, Jimmie Bartlett, Charles Neff, David Midkiff, Bo Hutchins and Larry Rosas.
Many thanks to Mrs. Cummings for the dance. As of Sunday, plans for a dance this weekend were indefinite.

Miss Molinar new teacher at PHS

By Elbert Rudd
A new teacher in PHS is Miss Teresa Molinar, who instructs Spanish, English and American History.
Miss Molinar is a graduate of Alpine High School. From there, she attended Sul Ross State College, where she obtained her B. A. degree in English, a B. A. degree in Spanish and a minor in French.
Before teaching here at Post, Miss Molinar taught first in Alpine in the pre-school and the second grade. From there, she went to Fort Davis where she taught high school English and Spanish.
When Miss Molinar first began her teaching career in Post, she didn't really know what to think. Her first few days were spent just as those of the other new teachers, getting to know the students.
After three full and exciting weeks of absolute confusion, Miss Molinar commented on her opinion of Post and the student body of PHS. "It is really a great place!" she said. "I can really work with the students, because they are very friendly and cooperative!"

Kent County Fair

CLAIREMONT—The Kent County Fair is scheduled for Friday and Saturday at the county show barn and fairgrounds here. An open horse show is scheduled with an entry fee of \$1 per animal. Trophies will be presented owners of top horses.
Rhonda Johnston of Carlsbad, N. M., visited with her cousin, Jane Johnston, in Post last week-end.
Don't forget about the football game at Lockney this Friday

Karen's Korner

By Karen Hundley

You can tell that school has earnestly begun. People walk around with their eyes closed, the first football game has been played, and research papers are written. (Yes, already!) However, look at it this way: You seniors must treasure every minute because you will not be a senior for very long. Times flies faster than you think!

Last Friday night "The 14th Phoenix Blues Band" played at a dance after the football game. Couples there were Jan Adams and Don Collier, Ruth Ann Byrd and Benny Owen, Donna Stewart and Dennis Altman, Janice Gordon and Anthony Altman, Glen Ann Barley and James McBride, Kathy Jones and Joey Lee, Kim Hundley and Jerry Bourne, Natha Jo Mears and Davis Heaton, Debbie Tucker and Duke Altman, Kippy Payne and Johnny Hodges, Karen Hundley and Jimmie Johnston, Micki Sterling and Norman Tanner, Roger Dale Blair and Debbie Eubank, and Karen Lee and Wiley Miller.

MULESHOE MAN KILLED
MULESHOE — Robert Lee Brooks, 76-year-old retired plumber, was struck and killed about midnight last Friday after he stepped in front of an auto on U. S. Hwy. 84 near here. Brooks was returning from a visit to a neighbor's house.

Also, don't forget your locker number. (?)

Army medal goes to Post soldier

LONG BINH, Vietnam — Specialist Five William R. Moxley, 26, son of Mr. and Mrs. William B. Moxley, 606 N. W. 12th Pl., Andrews, Tex., received the Army Commendation Medal Aug. 19, while serving with the 632d Heavy Equipment Maintenance Company near Long Binh, Vietnam.
Spec. Moxley earned the award for meritorious service with the company.
He entered on active duty in September 1966, completed basic training at Ft. Polk, La., and was stationed at Ft. Lee, Va., prior to his arrival in Vietnam last September.

Spec. Moxley, whose wife, Diana, lives at 210 South Ave., E. Post, is a 1960 graduate of Ozona High School and received a bachelor of business administration degree in 1965 from Texas Tech at Lubbock.

Petroleum big help in food production

NEW YORK — Petroleum will fill an important role in helping farmers to produce enough food to satisfy a world population expected to double in 30 years, according to Oil Facts.
Because oil is needed in farm mechanization and as a base for fertilizers, pesticides and weed-killers, farmers can be expected to rely heavily on the petroleum industry in meeting a projected two- and a-half to threefold expansion of food production between now and the end of the century.

Vietnam View

as reported by
Marine Corps Combat Correspondents
and edited by
GySgt. Bob Montgomery

Vietnam does offer an occasional chuckle and opportunity to display a bit of humor if you are so inclined.

The 1st Marine Division Sergeant Major recently received the following letter which was apparently intended for blanket distribution to all stateside Marine Corps bases:

"To assist the Career Advisory Program for retention of Marine it would be most helpful if you have any information like books, pamphlets, or any publication giving information on housing or the duty at your base or station that can be used to encourage Marines to extend or reenlist for duty."

"Pulling punches the Sgt. Major forwarded this reply. 'I received your letter concerning your duty at my duty station. I'm sorry, but we don't have a book or brochure, so I'll have to give you the details.'"

"We are fortunate in that we have a beautiful tropical climate and a variety of housing, some of which is quite similar to stateside bases, some of which is not. For example, we have huts, bunkers, shelter halves and the usual collection of tents. Many of them have running water, especially at this time of year. Mine does. Married personnel have a few problems here. We treat them all alike."

"Uncle Sam not only pays us extra for serving here, we are also tax exempt."

"We also have shuttle runs to 11 Far East cities, which are provided free of cost by our indulgent 'Uncle,' just to provide us with five days of relaxation —. Check with your local travel agency to see what any one of these trips cost stateside."

"Sometimes the troops go picnicking and carry box lunches. These contain ham, pork, 11 m beans, hot dogs and beans, fruit, bread, candy, coffee and sometimes even cocoa —."

"Our Marines learn a variety of trades here: bridge building, sandbag filling, bunker building, sandbag filling, carpentry, sandbag filling, maintenance and care of a variety of the latest firearms issued to all who furnish proper identification. In short, it is a little more interesting than the routine guard duty and classroom instruction you are faced with."

"I hope the above details about our duty station will help you in your reenlistment program. Sincerely, Sgt. Major, 1st Marine Division, Da Nang, Vietnam."

They weren't using lever action Winchester, but the new, versatile M-18 rifle.

They weren't wearing dusty, old, white steamer hats, but green camouflaged helmets.

They weren't riding through sage brush and cactus, but walking through bamboo tree lines and rice paddies. You didn't hear "Head 'em up, move 'em out," but the cry, "Marines, let's go."

These props for a western-Vietnamese melodrama were staged when Viet Cong "cattle rustlers" stormed through a village south of Phu Bai, stampeding a herd of water buffalo.

Col. B. F. Meyers, commanding officer of the Twenty-sixth Marine Regiment, 1st Marine Division of the Republic of Vietnam, told the village Chief of Thon Cahn Duon that an estimated force of 20 VC "rustled" a herd of 200 water buffalo from the village and forced the villagers to leave.

About three days later, after the homeless Vietnamese moved to the village of Trung Kien, a group of them went after their animals. The VC drove them off with small arms fire.

Then it was time for a showdown. The village chief appealed to the Twenty-sixth Marine Regiment for help.

On "Operation Buffalo," the nickname given to the Vietnamese cattle drive by Marines of "M" Co., 3rd Bn., Twenty-sixth Marines, the unit provided security for the Vietnamese "Vaqueros" as they rounded up the buffalo. As the operation kicked off, the "trail boss," 1st Lieut. W. C. Hutsler, 26, Ferguson, Mo. formed his men around the herd to protect the "cowboys" while the buffalo were driven back to the village.

A Huey helicopter gunship "rode drag" on the buffalo strays, keeping them in the herd. When a stray broke from the herd the gunship swooped down and drove it back. Combined Action Platoons of "H" Co., Combined Action Group assisted the villagers.

It was a long, hot "trail drive" for the weary Marines but there was one consolation not offered to

Collier rites—

(Continued From Front Page)
Campbell, Sexton Huntley, Lewis C. Herron, J. B. Potts, George Ramage, Malcolm Bull, Robert Cash and Dr. Noah Stone.

Named as honorary pallbearers were: Noah Stone, Lou Marks, Pete Hegl, Walter Duckworth, Dr. A. C. Surman, O. V. McMahon, Doug Morrel, George Samson, J. E. Parker, Tom Bouchier, Phil Bouchier, Harold Voss, J. A. Stallings, C. R. Thaxton and Charles Hill.

Robinson funeral set for Sunday

Graveside rites will be held at the Terrace Cemetery at 2 p. m. Sunday for Mrs. Willie Mae Robinson, 52, of 602 Jasper, who died suddenly Wednesday morning.

Mrs. Robinson became suddenly ill at her home and was dead on arrival at Garza Memorial Hospital where she was taken by ambulance.

Mrs. Robinson, who had been a resident of Post for 10 years, is survived by her husband, Curtis Robinson; two sons, five daughters, 3 grandchildren and one great-grandchild.

Hudman Funeral Home is in charge of arrangements.

Ice cream supper is set by FFA chapter

The Post chapter of Future Farmers of America will hold its annual ice cream supper at 7:30 p. m. Tuesday, Sept. 24 in the school lunchroom.

Invitations to attend the ice cream supper have been mailed parents of members and other persons who have supported the chapter.

SHOOTING AT OLTON

OLTON — Charles Alford McClain, 42, an insurance adjuster here, was killed and his wife was seriously injured in a shooting incident Saturday afternoon. Justice of the Peace W. G. Finney conducted an inquest and ruled McClain's death was caused by self-inflicted gunshot wounds.

COUNTY COURT

Nicolas Aguilar pleaded guilty to two charges Sept. 16 in county court. He was fined \$50 and costs for driving while his license was suspended. He was fined \$100 and costs, sentenced to three days in jail and had his driver's license suspended for six months for driving while intoxicated.

AUTOMOBILE IS FAVORITE

NEW YORK — Two new surveys show that Americans' favorite form of transportation is the automobile, whether for pleasure driving or for commuting, according to Oil Facts.

HERE FOR WEEKEND

Mrs. Maxine Edwards of Richardson spent the weekend in Post visiting friends. She also attended the opening football game of the season between the Post Antelopes and the Hale Center Owls.

GASOLINE TAX RATE

NEW YORK — The average state gasoline tax rate has reached a high of 6.8 cents per gallon. Oil Facts reports. Including the 4-cent federal levy, U. S. motorists now pay an average direct tax of 10.8 cents per gallon.

cowboys of the old west — steak and cold drinks instead of beans and jerky were waiting on their return.

County selects Prichard, Abbott

The Garza County Commissioners Court at its September meeting last week contracted the services of Prichard & Abbott, valuation engineers, to evaluate for tax purposes oil and gas, public utilities and railroad properties for the next two years, 1969 and 1970.

The contract is on the basis of 5 cents per \$100 valuation.

In other actions, besides voting to pay the bills, the court voted to replace Lonnie Peel as election judge of precinct 5 (Close City) with Mrs. Cleo Sappington, and named Sexton Huntley as judge of absentee voting.

Been somewhere? Had company? Tell The Dispatch news department.

Annual homecoming slated at Southland

SOUTHLAND — Cards have been mailed for the Southland schools' annual homecoming on Friday, Sept. 27.

The homecoming activities will start with a barbecue dinner at 6:30 p. m. in the school cafeteria.

Reservations for the dinner are required to be in by Sept. 25. No tickets will be sold at the door.

Those who did not receive cards may mail their registration and \$2 for the dinner to Mrs. O. D. Dillard, 845 South 17th St., Slaton.

STUDENT AT NMMI

John Birdwell, son of Mr. and Mrs. J. E. Birdwell, is a student at New Mexico Military Institute at Roswell this year. He is classified as a high school junior. The Birdwells are former Post residents now living in Lubbock.

Former resident dies at Lamesa

Funeral services for Christopher Columbus Cornett, 74, a former resident of Garza County, who died Monday in a Lamesa nursing home, were held at 2 p. m. Wednesday in Branon - Phillips Chapel at Lamesa.

Mr. Cornett, who moved to Dawson County in 1934, was the father of Mrs. Fernie Reed of Justiceburg.

He is also survived by his wife; another daughter, Mrs. Pete Price of El Paso; three sons, Bud of Lamesa and Dick and Bill Cornett, both of Hobbs, N. M.; a sister, three brothers, 11 grandchildren, and eight great-grandchildren.

Burial was in Grassland Cemetery.

Old business discussed was the project of helping to beautify the community center and new business was the decision of buying a 4-H pledge flag.

Steve White was welcomed as a new member.

CHURCH OF CHRIST

Don Davenport, minister of the Church of Christ, announced the following two sermon topics for the 10:30 a. m. and 6 p. m. Sunday services, respectively: "Determining Specific Will" and "Marriage, Remarriage and Divorce."

Two school buses slashed over

One fire on each of two buses was slashed with a knife sometime during the end, bus foreman Ode reported Monday.

Campbell said the tires could make their run. The tires were cut while were parked on their bus parking area.

NEW INDUSTRIAL

AUSTIN — Ray H. Harwell, executive director of the Texas Chamber of Commerce, has announced James H. Harwell as executive director of the Chamber of Commerce in Falls, Texas. Harwell is a general manager of the Falls Chamber of Commerce and has accepted the position.

Antelopes to play Lockney Longhorns there Friday

Injuries, viruses sock black and gold squad

Antelope football squad, which will play Lockney Friday night at the Lockney Longhorns, opened last Friday with a 14-0 win over Crosbyton.

Also on the injury list Tuesday was sophomore back Larry Bilberry, who received a back bruise in Monday's practice.

End David Pierce and tackle Boyd Noble are still on the injured list and won't see action Friday night, according to the coach.

"WE'RE LOOKING at both Jimmie McKamie and Jerry Crenshaw as replacements at Bird's tight end position," Coach Gregg said. Lockney, which defeated Post, 32-13, here last year, scored twice late in the final period to notch their 14-0 win over Crosbyton last Friday.

Robert Duckworth, 143-pound junior back, went over from eight yards out to give the 'Horns their first score with 3:28 left in the final period. Tandy Johnston, 156-pound senior quarterback, swept left end for 48 yards for the second touchdown and added the extra points.

Although stymied in their scoring efforts until late in the game, the Longhorns rolled up a total of 327 yards against 50 for Crosbyton. Of Lockney's total yardage, 314 came on the ground and 13 in the air.

Coach Gregg said Lockney is not a big team, but is real quick, according to scout reports.

ON OFFENSE against Post, the 'Horns are expected to start Raymond Sterling (133) and Tim Jefferson (158) at ends; Johnny Weathers (178) and Steve Barker (183), tackles; Doug Hodel (153) and Dickie Lambert (141), guards; Gary Stennett (173), center; Johnston, quarterback; Bruce Bacous (147) and Carlton Johnson (156), halfbacks; and Jim Martin (171) fullback.

Top defensive players for the Longhorns include Duckworth at cornerback, Lambert at linebacker, Barker and Waverley Washington, a 206-pound senior.

"We showed improvement in the Hale Center game, but just made too many mistakes to win," Coach Gregg said. "Fumbles, intercepted passes and penalties, along with our mistakes on defense, cost us the ball game."

The coach said that with Hale Center running a total of 70 plays to Post's 55, there was just too much pressure on the defense.

"We've got to get our offense smoothed out and even things up," he said.

The coach said he thought all four of Post's front "down men," Newby, David Stelzer, David Perez and George Morales, did a fine job. He also said the linebackers, Dennis Dodson, Randy Hudman and Walker, hustled well, but that their coverage was a "little loose."

Cornermen James Pollard and Arthur Torres also did a good job, along with defensive halfbacks Ray Altman and Jay Bird, each of whom intercepted a pass.

Southland Eagles past Bula opening tilt

Seeking to make a row, the Southland light-man football squad opened Friday night in the letters' gridiron. The Eagles opened last Friday with a 26-16 win over a game played at Bula.

Wilke scored on runs of seven yards and passed for two extra points in the first quarter to give the Eagles a 14-0 lead going into the second quarter.

He kept the pressure on the defense when Wilke passed to Larry Bevers for a 10-yard gain and Stanley Abshire for the extra points.

In the third quarter, Southland scored on a 23-yard run by Wilke pass, and Tommy Abshire adding the extra points for a 26-16 return for a game by Abshire ended the

Locals blow short-lived lead

Owls beat Antelopes, 20 to 7, in opener

Fumbles, pass interceptions, breaks and mistakes cost the Post Antelopes an opening game victory here last Friday night, with the Hale Center Owls taking home the long end of a 20 to 7 score.

The Antelopes were ahead by one point, 7-6, for a little over nine minutes of the first half, but were unable to hang on, with Hale Center taking advantage of intercepted passes and fumble recoveries to regain the lead and add an insurance touchdown.

Hale Center scored first a little over four minutes deep in the first quarter after recovering a fumbled punt on their own 45.

The Owls had punted after being forced deep into their own territory by good defensive play on the part of the Antelopes and a 13-yard holding penalty. The punt traveled

7 for 85 Penalties	10 for 90
1 Lost Fumbles	2

to the Hale Center 40, but touched an Antelope there and was recovered by the Owls on their 45.

A PASS FROM quarterback Burt Ferguson to halfback Tommy Dyer gave the Owls a first down on the Post 39, and two plays later, end Mahon Roberts took a 26-yard pass from Ferguson on the Post 13. Dyer carried twice and Ferguson once for a first down on the three-yard

line, from where Ferguson bored through the center of the line for the touchdown. An attempted place kick for the extra point was wide of the mark.

The Antelopes went 80 yards for their touchdown after fielding an Owl punt on the 20.

Quarterback Ray Altman hit end Jay Bird with a pass to the Post 34, and George Torres added six yards in two carries. Then, for the only time during the game, the Antelopes capitalized on one of their own mistakes. Altman dropped the ball as he faded back to pass, but picked it up and threw 30 yards down the field to Bird, who had maneuvered into an all-alone position behind the Owl secondary. Bird gathered the ball in on the 29 and went across untouched for the counter. Randy Hudman's place kick gave the 'Lopes a 7-6 lead with 3:25 remaining in the first quarter.

Unable to move past their 10-yard line, the Owls punted, with James Pollard returning 20 yards from his 40 to the Hale Center 40, but the gain was nullified by a 15-yard clipping penalty that set Post back to its 40.

Torres broke through for 25 yards to the Hale Center 35, and after two short gains at the line, Altman threw to Neff Walker for six yards and a first down on the 24.

Pollard ran right end for six and an offside penalty against the Owls gave Post another first down on the 13. Two running plays failed to gain, and a 15-yard penalty set the 'Lopes back to the 30, where the Owls took over on downs.

Passes from Ferguson to Dyer and Paul McDaniels took the Owls to the Post 40, and an offside penalty against the 'Lopes placed the ball on the 35. Ferguson gained two at the line, but Steve Newby threw the Owl quarterback for a 12-yard loss on a passing attempt. The Owls made it back and some 18 yards to end Bill Davis on the Post 27. Larry Hamitt, Owl speedster, scored from there with a pitchout from Ferguson, and the latter passed to Dyer for the extra points to make it 14-7.

HAMITT intercepted an Altman pass on the Post 44 following the kickoff, and the Owls made it to the Post 25 before surrendering the ball on downs late in the first half.

Hale Center's final touchdown came early in the second half after Hamitt intercepted Altman's pass on the Post 34.

A 15-yard penalty set the Owls back to the 45, but Ferguson hit Dyer with a short pass to the 41, then found Roberts wide open on the 25 and chunked to him for the touchdown.

The Owls threatened again when Altman fumbled after returning the kickoff eight yards and Hale Center recovered on the Post 23.

A 15-yard penalty against the Owls after they had driven to the five-yard line momentarily halted the drive, and Hudman stopped it for good by intercepting Ferguson's pass on the five and getting back up to the 10.

Late in the third period, the Antelopes took over on downs on their 40 and made it to the Hale Center 23 before Hamitt again latched on to one of Altman's passes. The big gainer in the Post drive was Jerry Crenshaw's catch of Altman's 25-yard pass while flat on his back.

EARLY IN the final period, Altman stopped an Owl drive with an interception on his 15 and a run-back to the 26. Hale Center came storming back after taking the ball on downs on the Post 33, but Newby recovered an Owl fumble on the 29 to halt the Hale Center thrust.

Hale Center ran a total of 70 plays to Post's 45 during the game, with the Owls in possession of the ball most of the second half.

Torres was Post's leading ground gainer with 49 yards on nine carries.

Ask Dr. QUIZMEE

If you are the first to submit a question which Dr. Quizmee, our information specialist, answers in this column, we will present to you, free, the complete, illustrated, 25-volume set of Funk & Wagnalls Standard Reference Encyclopedia. Mail your questions to Dr. Quizmee in care of this newspaper.

The winners of the encyclopedia for this week are: Mrs. R. J. Karajczyk for being the first among several readers who suggested that we clarify our answer to an earlier question about how kangaroo offspring get to the mother's pouch.

The complete answer is that the undeveloped kangaroo embryo, about one to one and a half inches long, instinctively climbs into the pouch after birth for warmth, protection and nursing. It remains there for about four months until it is strong enough to emerge as a baby kangaroo.

Mrs. Alice Williams who writes: "If no presidential candidate receives a majority of electoral votes, the choice of the president will revert to the House of Representatives where each state has one vote. Has a president ever been elected in this way?"

Yes. In 1800, Thomas Jefferson, with 73 electoral votes, tied for first place with Aaron Burr. The House of Representatives decided on Jefferson, and Burr became Vice-President. This led Jefferson to propose the 12th amendment to the Constitution to separate Presidential and Vice Presidential voting in the electoral college. In 1824, Andrew Jackson failed to win enough votes in the electoral college. Although he polled 99 to John Quincy Adams's 84 votes, the vote in the House gave the presidency to Adams. Four years later Jackson defeated Adams in the electoral college and won the presidency.

Denver City, Morton

Only two district clubs win openers

In season opening games involving District 4AA teams Friday, Denver City and Morton won. Frenship battled to a tie, and Post, Idalou and Tahoka lost.

Denver City, with John Powell scoring two touchdowns and kicking a field goal, won over Class AAA Seminole, 15 to 7, for their 11th opening game win in 13 years. Last year, Seminole spoiled Denver City's opening with a victory over the Mustangs.

The Morton Indians flashed a potent offense in shellingacking the Plains Cowboys, 44 to 13. Halfback Alex Soliz amassed 243 yards rushing, scored two touchdowns and passed for another to lead the Indians to their opening game triumph.

The Frenship Tigers, who went winless in 1967, tied Boys Ranch, 20 to 20, after blowing a 20-0 lead. Waddell Smith scored two of Frenship's touchdowns. The Tigers' new coach is John Blocker, a former member of the Post coaching staff.

Post lost to Hale Center, 20-7; Idalou was dumped by Kress, 26-6, and Tahoka lost to Stanton, 20-7.

Charlie Brown scored Tahoka's only touchdown in the Bulldogs' loss at Stanton, with Jim McCord booting the extra point.

Idalou's touchdown in the Wildcats' 26-6 defeat at Kress was scored by quarterback Donnie Drake on a 35-yard runback of an intercepted pass.

Post 'B' team goes to Ralls

The Post Antelope "B" team, composed of varsity reserves and freshmen, will play its first game of the season against the Ralls "B" team at Ralls at 6 p.m. today (Thursday). The Post team is coached by Waco Reynolds.

Post's 7th and 8th grade teams will open their season here Tuesday, Sept. 23, also against Ralls, with the first game starting at 8:30 p.m.

Bud Davis coaches the Post 8th grade team and Reynolds the 7th grade team.

DAUGHTERS IN SCHOOL

Karen and Micki Sterling, daughters of Mr. and Mrs. Dean Sterling and both 1968 graduates of Post High School, are enrolled at different schools to further their education. Karen is attending a Vocational Nursing School at Lubbock and Micki is a freshman at the University of Texas at Arlington. The Sterlings took Micki to Arlington last Saturday.

Wilhelmina became queen of The Netherlands when she was 10 years old.

Hospital Notes

Those admitted to Garza Memorial Hospital since last Tuesday were:

- Emmett Duncan, medical
- Brenda Lee, medical
- Edna McMahon, medical
- Rosa Gamblin, medical
- Robert Hobbs, medical

Dismissed

- Mercedes Allam
- Irene Burleson
- Carrie Parker
- Lois Johnson
- Brenda Lee
- Emmett Duncan
- Robert DeLeon Jr.
- Edna McMahon

HOME FROM HOSPITAL

E. L. Duncan was dismissed from Garza Memorial Hospital to his home last Saturday. Mr. Duncan suffered a stroke and spent three days in the hospital. He is reported to be doing well.

COMPETE IN RODEO

The Prather brothers, Tim and Jim, both competed in the Pendleton, Ore., rodeo last week. They were accompanied by their wives.

Another Word About Lunch

We want BOTH students and adults to eat lunch in our new lunchroom.

There is but 5 or 10 minutes of time conflict involved.

Students are out of school 10 minutes before noon. The "student rush" is all over by 12:15 as students have to be back early too.

That means if our adult customers will either call your lunch order in before you drive down or give them to us at the drive-up window when you arrive, your orders will be ready for you by the time you get inside.

Remember—there ARE plenty of booths available.

DON'T FORGET, WE OPEN AT 6 AM (EXCEPT SUNDAYS) WITH FULL BREAKFAST MENU!

Mark Twain's Story OF THE READING SPIDER

During Mark Twain's days as a newspaperman, he was editor of a small Missouri newspaper. One day he got a letter from a subscriber, stating that he had found a spider in his newspaper and asked if this was an omen of good luck or bad luck.

Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

You will find no spider webs across the doors of the merchants who advertise in your local newspaper.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Interest remains high in sign-up on special emergency funds to replace damage done by June rains. The SCS reports that well over 50 individuals have requested assistance in rebuilding damaged terraces and ponds. Some funds are still available. Those individuals who have work that can be done now will be contacted during the next two weeks by a representative of the Soil Conservation Service. Both ACSC and SCS encourage those who can, to do some of the work now in order to avoid a last minute rush in completing these practices before the Dec. 31, deadline.

If our rangelands are not rested from time to time their stored food supply in the root system can be

depleted. This can leave the grass plant in a weakened condition and this weakened plant is much more susceptible to dying during a drought period. Because the grass plant produces its food in the leaves, it is necessary to give this food factory a rest from time to time so that it may replenish its depleted food supply.

Deferred grazing also gives the most heavily grazed plants a chance to recover. Since these are the most desirable plants, a rest period can be an economical method of range improvement. If the desirable plants are not given a rest, the livestock can easily overgraze these plants hard enough to kill them, leaving less desirable and less productive plants on the range.

The best deferment programs are planned in order that each pasture is rested on a scheduled basis. One of the most popular and most beneficial systems consists of four different pastures, each having approximately the same carrying capacity. The total carrying capacity of these four pastures is determined and then divided into three "herds." One herd is placed in three of the pastures, leaving the fourth to rest. These three pastures are grazed for four months and then one herd is moved to the fresh pasture and the pasture they were moved from is rested for four months. The next herd is then moved to the rested pasture and the one they have grazed for eight months is rested. This deferred-rotation grazing system is continued with each pasture being grazed for 12 months and then rested for four months. After 16 months, each pasture will have been rested once. In four years each pasture will have been rested during each of the seasons of the year — allowing a rest in the early growth period of the spring, a rest during the summer maturing season, and a rest during the winter dormant months.

These different rest periods provide periods that new seedlings can be protected from grazing and the food supply in the roots can be restored; plants will have an opportunity to mature seed crops, and the winter rest will provide extra forage for early spring grazing.

Other deferred-rotation grazing systems can be arranged around two or three pastures. The rest periods can be scheduled so that the pastures will be deferred during all seasons, therefore reaping many of the same benefits of the four pasture system.

The Double U Ranch, cooperators with the Garza County Soil and Water Conservation District, presently have a four pasture deferred-rotation grazing system in operation on 6,530 acres of their ranch. This is the seventh year that the system has been in use. The ranch manager, Tom Cog-

Many service stations are due faceliftings

NEW YORK — Improving the appearance of service stations is the goal of several programs now under way within the oil industry, according to Oil Facts.

These efforts to upgrade stations include programs emphasizing that "good housekeeping is good business," adoption of "Codes of Good Neighbor Practices," and "Service Station of the Year" contests sponsored by state oilmen's groups.

land, reports that the system was started with a total of 200 mother cows — 66 animals on each grazed pasture. After six years part of the range has improved from fair to good condition and the rest has improved from good to excellent condition. Bobby Ragsdale, range extension specialist, Texas A&M University, recently said, "All of the range in the four pasture system, shows great improvement — both in grass composition and in forage production." Copeland further reports that the system presently carries 300 mother cows — an increase by one half over the original number.

A recent range inventory, provided by the SCS, shows these four pastures to be green and lush late in the growing season. Desirable plants such as blue grama, sideoats grama, vine mesquite, plains brome, and Arizona cotton top are increasing; seedling plants are abundant, and production is very high — these are benefits that can be directly attributed to the Deferred-Rotation Grazing system.

It's a FACT

The art of brick-laying dates back beyond the time of Christ--

BRICKLAYERS built America's first cities with bricks that at first were brought by ship from Europe.

Today, building with brick is increasing. So is productivity. Surveys show bricklayers average 700 bricks a day—sometimes 1,000 on thick walls.

Wasp stings Grassland woman several times

By MARY LEE LAWS — Looks and feels like Fall is here these past few cool mornings. One of these mornings soon we'll wake up and find Jack Frost has been here.

Ruth Williams has been on the sick list after being stung by a wasp several times. We hope that she is feeling lots better now.

H. C. Gribble, Rocky and Kim went to Dallas Monday afternoon where Rocky was to have a check-up on Tuesday.

Congratulations to Mr. and Mrs. Tom Smiley on the birth of a son one day last week. They have two other children.

The Dean Laws and Sheila Warren visited the Bill Ingles at Roundup Sunday. They sure have some pretty crops up that way.

Mr. and Mrs. Ruel Smith visited Mrs. H. A. Hood in a nursing home in Plainview Tuesday.

J. E. Ramsey is at home after a two-week stay in Methodist Hospital. He is reported to be doing pretty good but will need lots of rest.

The Draw and Grassland Cotton clubs bake sale was a big success. Mrs. R. L. Craig was a Tuesday dinner guest of the Jurd Youngs.

Henry and Mildred Ray, who have been visiting friends and relatives here, went to East Texas to visit her father who is 91 years old, before returning to their home in New Mexico.

Mrs. Amos Gerner visited Laura in Lubbock Tuesday night. The Grassland Nazarene Teenage Bible Study was held at the home of Kelly Laws Monday night. They are studying the Book of Acts.

Kathy Warren and children and Cindy Laws visited Mr. and Mrs. R. A. Weatherby and Mr. and Mrs. Victor Bullard in Lamesa Friday night. Cindy spent the night with the Warrens.

DEAN LAWS and Kathy Warren went to Lubbock to see the Johnny Cash Show Thursday night. Mary Lee baby sat with all the kids. Leona and Ricki Pendleton of Brownfield visited Saturday with Mrs. R. L. Craig and were supper guests.

Mrs. T. B. Green of Idalou visited with the Jurd Youngs Monday.

Mr. and Mrs. W. M. Dubose of Brownfield visited the W. G. McCleskeys Thursday.

Mr. and Mrs. W. L. Gribble and Lucy Cunningham were Sunday luncheon guests of Mr. and Mrs. Hoolie McCleskey.

Mother Gribble is reported to be

doing just about the same. James Babb will undergo surgery Friday morning at West Texas Hospital in Lubbock.

Jerry Gerner visited Jerry Turner in Perryton over the weekend and saw his sister in Lubbock on the way home.

Mr. and Mrs. Carlos McCleskey and children visited the Ivy J. Meltons in Ropesville after church on Sunday.

Mrs. E. A. Rawlings and Mr. and Mrs. W. G. McCleskey visited Uncle Mac Ritchie and Aunt Nora Monday afternoon.

Mr. and Mrs. Tom Murray ate Sunday dinner with the W. G. McCleskeys.

Mr. and Mrs. Elmer Ritchie and family, who have been visiting his parents and other relatives, left Tuesday morning to go to San Antonio and tour HemisFair before returning to their home in California.

Hoolie and Laverne McCleskey visited Mr. and Mrs. Mac Ritchie Sunday afternoon and took them a freezer of homemade ice cream. Mr. and Mrs. William Young were Sunday dinner guests of his parents.

Ruth Ingle visited the Dean Laws Wednesday. Ruth and Mary Lee also visited Mrs. Lois Ingle and Mrs. Z. T. Ingle in Tahoka.

MRS. AMOS Gerner visited her mother in the nursing home Saturday. Mrs. Haley helped Mrs. Gerner shell peas for the freezer. Also visiting his mother was R. W. Haley of New Home.

The Rev. and Mrs. Duane Morrison and sons of Lubbock visited while Sunday morning with J. E. Ramsey.

Mr. and Mrs. Rufus Gerner and children of Spur visited the Amos Gerners Sunday afternoon.

Jurd and Artie Young visited Sunday evening with Walter and Addie Josey. Addie had injured her hand.

Mrs. L. E. Claborn Sr. and Ruby Claborn visited the Amos Gerner home Friday morning (also the pea patch).

Ivy Young was a dinner guest of the Jurd Youngs recently. Call news to 326-5417.

VETERAN TAKES LIFE

DENVER CITY — William Eugene Walthall, 22-year-old Denver City oil field worker, shot and killed himself last Thursday outside the bedroom window of his ex-wife. Walthall was a veteran of fighting in Vietnam where he served as a member of the Green Beret special forces as a paratrooper.

Rain combines buzzing the Southland area

MRS. EDMUND WILKE says, how about this? Nice, huh? The combines have been buzzing in the area this past week and if it stays nice, it won't be all the grain harvest will be this year! We did have a rain on Saturday, but don't hold up the grain harvest long. There is cotton popping all over too. One of these cotton pickers will be moving some action! Did you see a cotton picker at work? It's quite fascinating! I just got quite understand just a bit of work, but I do know that

whoever invented them was a pretty smart fellow!
Mrs. Paul Winterrowd received a letter from Mrs. Claudia Monk quite some time ago and she let me read it the other day. I found it quite interesting. As you will remember, Mrs. Monk taught school here for a number of years and moved last May to Beatty, Nev., with her family. She says that Beatty is surrounded by barren mountains which are very pretty, especially in the early morning and late evening. Her oldest son, Bill, has started a paper route there, and since nearly all the houses are situated on a hill, he is quite worn out then he finishes with his route. Mrs. Monk is teaching three grades in a rural school that is 35 miles out on the desert and only has 18 students. Since they have been in Beatty, they have gone trout fishing, catching 30 rainbow trout one time, and they plan on going deer hunting during the Thanksgiving holiday. Mrs. Monk says that nearly everyone out there is a "rock hound" and that there are many pretty rocks everywhere. Their address is Box 607, Beatty, Nev. 89003. Why don't you drop them a card? I know they would appreciate it.

Vet's Forum

am thinking of selling my which I bought with a G. I. loan has not been paid. I will be liable to the VA for the amount of the loan? Is my VA loan can be released if I sell the house?

answer to both of your questions is yes. If you sell your house which has not been paid for, you must pay the VA for the loan guaranty contract. The VA generally will not assume full responsibility for the repayment of the loan. A written agreement required.

deceased veteran had a VA loan in both World War I and World War II. Will a burial allowance of \$250 be paid for each of the two wars?

industry overcame oil-caused shortages
YORK — The petroleum industry was able to more than make up for oil shortages caused by the Middle East war by heavy capital expenditures during the past year.

EXPERT TIPS FOR HOME MAKERS... by Doris Thompson

TO GET MAXIMUM VALUE FROM LIGHT BULBS, TRY DUSTING THEM OFTEN AND WASHING THEM WITH LUKEWARM WATER AND A LITTLE AMMONIA ABOUT ONCE A MONTH!

POOR LIGHTING NOT ONLY MAKES WORK MORE DIFFICULT, PSYCHOLOGICAL STUDIES SHOW, BUT CAN ACTUALLY MAKE MANY PEOPLE FEEL DEPRESSED. IDEAL LIGHTING IS ADEQUATE, CONSTANT, EVENLY DISTRIBUTED AND DOESN'T CAUSE GLARE.

TO MAKE LIGHT OF YOUR HOUSEWORK, "TOP CLEAN" OFTEN INSTEAD OF WAITING UNTIL TASKS TAKE A LOT OF ELBOW GREASE, HAVING A BOTTLE OF DIET PEPSI CAN BE A GOOD LOW-CALORIE WAY TO FEP YOURSELF UP IN THE MIDDLE OF THE DAY.

THE AMOUNT OF LIGHT YOU GET FROM YOUR LAMPS MAY BE CUT DOWN BY COLORED SHADES. FOR MAXIMUM LIGHT, WHITE, EGGSHELL OR IVORY SHADES ARE PREFERABLE.

It's the Law . . .

SIGN LANGUAGE
When Ed's car was stolen from a repair shop, he demanded damages for the loss. In a court hearing, he accused the management of negligence for leaving the car in a vacant lot, unattended, with the key in the ignition. But the company replied: "We have a sign on our wall reading 'NOT RESPONSIBLE FOR THEFT.' That means exactly what it says."

Nevertheless, in spite of the sign, the court upheld Ed's claim. The judge said that, as a matter of public policy, the law usually will not let a garage escape liability for its own carelessness. In other words, the law does not always accept signs at face value. Other factors may be taken into account in deciding on a sign's legal efficacy.

Thus, not only public policy but also the legitimacy and the position of a sign may affect its value. In one case the manufacturer of a powerful cleaning fluid was held liable for a customer's injury because the warning on the label was so small, and so obscure, that it was easily overlooked.

But that doesn't mean the public can disregard signs with impunity. For the most part, signs do serve an important purpose by putting people "on notice"—and are indeed entitled to be obeyed. Certainly if you disregard the "WET PAINT" sign on a park bench, you do so at your own peril.

NOTES
Trespassers will be persecuted

Field Day draws good attendance

LUBBOCK — More than 900 farmers, businessmen and others interested in agriculture, including approximately 20 from Post, got a firsthand look at research in action at the 59th annual field day and open house at Texas A&M University Agriculture Center, north of here, on Sept. 10.

The general theme for the event was "Service to West Texas Agriculture, Past—Present—Future." On field tours conducted from 1 to 5 p. m., visitors saw test plots on cotton varieties, control of cotton diseases, sorghum midge and weeds, soil fertility trials and water conservation and irrigation flexibility studies.

Displays in greenhouses and in the center's main building depicted soil testing, weed control, plant physiology, plant pathology, nematology, cotton and grain sorghum varieties, plant nutrition, castor products, home economics and 4-H Club work.

to the full extent of 2 mean mongrel dogs which aint been overly soshibil with strangers.

No doubt any court would hold that the farmer's sign made its point abundantly clear.

Library LISTENING POST

By ROSEMARY CHAPMAN
AS SOME OLD DRIP PUT IT, "WATER, WATER, EVERYWHERE, AND NOT A DROP TO DRINK"

Dear Rosemary:
Since I am in a depressed mood — can't agree with the bank on my balance — here are some title suggestions for your "Coffin Corner" box.
How about "The Corpse That Lost Its Cool"? Or would you prefer "The Corpse That Kept Its Cool"?
Would you consider "The Noose" to be subtitled "Oh, What a Hang-up This Is"; or "The Long Hang-over"?
As for historical fiction, how about "Rasputin, Rat Fink"?
Oh, well, I am not so clever as those two soul sisters, Rosecki and Mary Vic.

Love,
Mother
That WAS poor mother, but this time you have company. Who, I'm not quite sure, as the following suggestions were turned in anonymously: "Gaspar, the Friendly Corpse"; "Roll Out the Barrow"; "Caroline of the Catacombs"; and "You're No Body Till Somebody Loathes You" by Tommy, the tongue-tied hit-man. Would you believe "The Body's in the Dell, the Body's in the Dell, Hi-ho the Dirge-o, the Body's in the Dell"? Someone should capture THAT nut. Oh, well, they say long titles are fashionable these days.

"Murder in the Rue Morgue" was suggested. Not bad, but I think it's been used before.
Vicki is still working on a title from the body - in the bookdrop angle: "Return Bodies Here"; "Don't Drop Any Books on Me"; and "Night Deposit" (to be used with lurid picture of sexy blonde on cover).

So far, I like Jack Lott's suggestion, "Two For the Tomb", best. It has a nice ring to it. Unfortunately (1) You know Jack. He always wants a 25 per cent override on everything, including our book if we use his title, and (2) We had only planned on one body. Two is so messy.

We may drop the whole idea, anyway. It's easy enough to say that one is going to write a mystery, but when one gets down to the hard, practical details, it becomes another matter entirely.
Have you every really thought about getting a body down a bookdrop? It won't fit, right? Right. It won't fit UNLESS YOU TAKE IT APART, and, personally, I could never stand that sort of thing.

Father of Graham area woman dies at Crane

By MRS. GLENN DAVIS

Mrs. Roy Edthridge returned to her home last week after almost a week's stay in Methodist Hospital in Lubbock. She is doing real well. Mrs. S. D. Lofton came home a week ago Tuesday from a week's stay in West Texas Hospital and is getting along slowly.

We extend sympathy to Mrs. Pat Kelson whose father passed away last week in Crane. Ray McClellan entered Highland Hospital Saturday and came home Monday. He didn't get to stay long as he had to be returned to the hospital for more treatment.

Mrs. Maud Thomas entered the Highland Hospital last Thursday as a medical patient and will be transferred to Methodist Hospital for more treatment.
We wish for all these people who are ill a quick recovery. We pray that something can be done to make them all comfortable.

Recent guests of Mr. and Mrs. Elmo Bush were Mr. and Mrs. John Ragan of O'Donnell.
Mrs. Bryan Maxey visited Friday morning with Mr. and Mrs. Roy Edthridge and Mr. and Mrs. A. P. Hedrick.
The Curtis Williams family visited in Seagraves Sunday with the Dolan Dempseys.
Mr. and Mrs. L. G. Thuettt went to Hereford Monday of last week and spent the night with the Jimmy Thomas family. Mrs. Thuettt and Mrs. Thomas attended a Founder's Day dinner at the Methodist Church for the King Manor. Mr. and Mrs. Carl Fluit visited Sunday afternoon with the Thelbert McBrides and in the evening with the Roy Edthridges.
Mrs. Hubert Cook visited Sunday in the Jimmy Redman home. Other visitors were Mrs. Ethel Redman, Bob Baker and children and the Bobby Cowdrey family.
Jerry Ligon came one day last week to get his son, Richard, who had spent a few days visiting the Elvius Davises.

services in the church, especially the oldtime members. Visitors are welcome.
Natha Jo Mears, who is a student at Cisco Junior College, spent the weekend with the J. L. Hedrick family.

Mr. and Mrs. Bobby Thuettt, of Hereford visited Monday evening with his great-uncle, L. G. Thuettt Sr., and Mrs. Thuettt.
Mrs. Lucy Crane and sons are visiting her parents, Mr. and Mrs. Elgie Stewart, and her sister, Mrs. Harvelva Mason, and Darla. Mrs. Jimmy Byrd and daughters were Sunday visitors of her parents and attended church services at the Church of Christ.

Mrs. Johnnie Rogers visited Sunday afternoon with Mr. and Mrs. S. D. Lofton.
Mrs. Glenn Davis visited overnight in Levelland Friday, returning home Saturday in the rain.
Mr. and Mrs. W. T. Hall of Orlton spent Sunday night with the Lonnie Gene Peel family.
Sunday visitors of the Ouanah Maxeys were their three daughters and their families.

Miss Karen Hawley was a Sunday luncheon guest of Mrs. Glenn Davis.
The Melvin Williams family visited throughout the weekend with the Noel White, Troy Nelson, Martin Hawkins and Jesse Edwards families.
Mr. and Mrs. Bobby Thommarson of Kiro City, Calif., and his parents, Mr. and Mrs. J. W. Thommarson of Lubbock, and the Lonnie Gene Peel family were Thursday supper guests of the L. H. Peeples, the Fink Peel family visited in the afternoon.

Mr. and Mrs. Jim Dogger visited Saturday evening with Mr. and Mrs. Bill Bertran.
Mrs. Don Brown and children were Saturday overnight guests of her parents, Mr. and Mrs. Bill McMahon. The Bob Footes visited on Sunday.
Mr. and Mrs. Boyd Fortner of Graham visited Monday with her cousins, Mrs. Ethel Redman, and Miss Bera Wilson in Twin Cedar Nursing Home. Mrs. Arthur Floyd also visited in the Redman home.
Mr. and Mrs. J. A. Probst returned home Monday from Kansas where they visited the Charles Propets.

Rodeo finals are fast shaping up

DENVER, Colo. — Professional cowboys have less than two months to determine their eligibility for the classic National Finals Rodeo, the Rodeo Cowboys Association said today.

The finals is the world series of rodeo, where only the top 15 cowboys in each rodeo event — based on money won during the year — are eligible to compete for more than \$70,000 in prize money.
Cut-off date for qualifying for the finals is the San Francisco rodeo, Oct. 25 - Nov. 3. The finals will be held for the fourth consecutive year in Oklahoma City, Okla., Nov. 30 - Dec. 8.

SERMON TOPIC ANNOUNCED
"What's in a Word?" will be the 11 a. m. Sunday sermon topic at the First Presbyterian Church as announced by the pastor, the Rev. George L. Miller.

Proposed Amendments

AMENDMENT NO. 7 — (Providing for continuously reducing state ad valorem property taxes and abolishing all state ad valorem property taxes after Dec. 31, 1967, with the exception of the tax levied for certain institutions of higher education.)

This proposed amendment adds a new Section 1-e to Article VIII. It is comprised of five subsections that set forth procedure for diminishing and eventually abolishing all state ad valorem property taxes, with the exception of the 10 cents per \$100 valuation tax for college and university building programs.

BACKGROUND: Dating from the depression years (1929-1939), there has been considerable agitation for total abolition of the state ad valorem tax. In 1932 Section 1-a of Article VIII was added to the Constitution and stipulated that \$3,000 of the assessed taxable value of all residential homesteads was to be exempt from taxation for state purposes. The exception of that portion of state taxes remitted to certain counties or other political subdivisions during the period of remission. A further amendment to Section 1-a in 1933 provided that if the governing board of the counties or other political subdivisions certified to the state comptroller that the need for remission of taxes had ceased to exist, then the state homestead tax exemption would also extend to those counties or political subdivisions.

As the importance of general property taxes for state revenue purposes declined during World War II years when revenues from other forms of taxation were large and steadily increasing, Section 1-a was amended further and Sections 1-b and 1-c were added (1948), to become effective Jan. 1, 1951. With these amendments, the state property tax for general revenue purposes was abandoned with a few minor exceptions. The 1948 amendment did provide, however, that the ad valorem tax was to re-

main an integral and important part of the tax structure of the state no longer taxable by the state. The residence homestead to the extent of \$3,000 of its taxable value was no longer taxable by the state, and the \$3,000 valuation exemption of the homestead was almost made applicable to county taxes. Counties were authorized to levy a general property tax not to exceed 30 cents on the \$100 valuation, the income of which was earmarked for farm-to-market roads and for flood control.

The first ad valorem tax to provide an annual operating fund for public schools was instituted by amendment of Section 3, Article VII in 1883. Maximum rate set by the 1883 amendment was 20 cents per \$100 valuation. In 1918 another amendment permitted the adoption of free textbooks and provided for a state tax to supply the necessary revenues. The state ad valorem tax was raised from 20 cents to 35 cents on the \$100 valuation for maintenance and support of the public schools and for providing free textbooks. It is this 35-cent ad valorem tax which Amendment No. 7 proposes to phase out at the rate of five cents each year, beginning in 1969, until it is finally abolished on Jan. 1, 1975.

The two-cent ad valorem tax now levied for Confederate pensions by Article VII, Section 17, was reduced from seven cents per \$100 valuation in 1947. The remaining five cents of the original seven-cent tax was allocated as a constitutional source of revenue for the use of certain state-supported colleges in the construction of new buildings.

Article VII, Section 17, was again amended in 1965 to increase the five-cent college building fund tax to 10 cents on the \$100 valuation in order that additional schools named in the amendment would benefit from the fund. This ten-cent college building fund tax is the one segment of the pre-

state ad valorem tax which is not abolished by the proposed amendment.

The two-cent segment of the tax, providing for pensions of widows of Confederate veterans, and retirement and disability payments to Texas Rangers and their widows, will be abolished after Dec. 31, 1976, if Amendment No. 7 is adopted.

Should the legislature choose to do so, the proposed amendment authorizes establishment of a trust fund before Dec. 31, 1976, to be used in satisfying the needs of the present two-cent tax, and thus it is possible that the tax may be abolished prior to the deadline set in Amendment No. 7.

ARGUMENTS FOR: The state ad valorem tax has long been the subject of attack on the basis that it is poorly and inequitably administered. Certainly, under evaluation, evasion, and lack of uniformity in the assessment rate from county to county, among different kinds of property

within the same county, and among individual owners of the same kind of property in the same county do exist in many instances. Adoption of the proposed amendment would overcome these inequities in keeping with the constitutional mandate that taxation be "equal and uniform."

Complete abolition of the state ad valorem tax by gradual reductions over a period of years, as proposed by Amendment No. 7, would create no undue pressure on the state fiscal structure. It would benefit counties and local subdivisions of the state, now finding it ever harder to meet growing gov-

ernment needs with present revenue sources, by making the ad valorem tax exclusively available to them.

AGAINST: Phasing out the ad valorem tax at a time when it is ever harder to obtain funds needed for state government operations, as proposed by Amendment No. 7, would necessitate an increase in other taxes, possibly the state sales tax, to provide compensating revenues. Tax experts are already predicting an increase in the present sales tax, and further increases, in view of the one per cent levied by most Texas cities, would overburden those least able to pay. The ad valorem tax, though it may sometimes be inequitably as-

Big production faces oil industry
NEW YORK — The petroleum industry is facing the task of producing 40 billion barrels of liquid petroleum between 1965 and 1980 while maintaining adequate reserves, according to a new U. S. Department of the Interior study.
Oil Facts says the study concludes that oilmen must increase their rate of petroleum production and achieve greater efficiency in recovering oil already in the ground if future petroleum requirements are to be satisfied.
