

Fireguards Will Prevent Grass Fires

Conservation representatives of the Garza office are urging farmers and ranchers to take precautionary measures in fighting fires.

It is a crop to the livestock and ranchman just as cotton is to the row-crop farmer. It is the means of harvest. It is the conservation of soil water.

Every year rolls around and considerable loss from the greatest loss, of course, is individuals on whose grass the fires occur. But this loss will be furthered: It is a loss to the state and nation. These losses may be measured in several different ways: First, there is the loss of reduced livestock products which are marketed due to lack of pasture on burned-over areas; second, there is a loss of more machinery, equipment and vegetation used in exterminating grass fires; and last, but by no means least, is the permanent loss of productive topsoil resulting from rains that fall on this scorched ground.

Grass does not hold back water nor control soil erosion.

Farmers are constructing fireguards. These fireguards, approximately 10 feet wide, free of dead vegetation, constructed of fence lines, public roads, vegetative type boundaries, the contour through the pasture have not only aided in fire prevention, but facilitated in maintenance activities on the ranch.

SEVERAL MASONS GIVING EXAMINATIONS

R. H. Brooks, San Angelo, a Member of Committee on the Grand Lodge of Texas Masonic work in Post Friday.

Those receiving first year certificates were John Cearley, J. A. Sims, Bailey Matsler and the Patts.

Those receiving three year recertificates were Dr. A. C. Can, Bob Warren and Ira Lee. Rex Everett had recently received three year recertification at Lubbock.

RATIONING CALENDAR

- Point Rationing**
- Oct. 15—Brown "E" stamps in Ration Book No. 3 become valid for use in buying meats, fats, and fish, cheese, canned milk and through Oct. 30, as are brown and "D" stamps. Other brown stamps valid as follows: "F," Oct. 15; "G," Oct. 24-Dec. 4; "H," Oct. 31-Dec. 4.
 - Oct. 20—Blue stamps "U," "V," in War Ration Book 2, for meat and processed foods, except blue stamps "X," "Y," "Z" valid and good through Nov. 1.
- Sugar**
- Oct. 11—Stamps No. 14, 15 and 16 in War Ration Book No. 1 (each for five pounds of sugar, the two for home canning) expire.
- Shoes**
- Oct. 1—No. 1 airplane stamp in War Ration Book No. 3 becomes valid for purchase of one pair of shoes. Good until used.
 - Oct. 18 in War Ration Book No. 1, also good for one pair of shoes, valid indefinitely.
- Mileage**
- Oct. 11—Deadline for third of the deduction for "B" book expires.
 - Oct. 30—Deadline for fourth of the deduction for "C" book expires.
 - Oct. 21—A-B coupons (three each) in basic "A" gas book expire.

Harley Sadler To Present Two Shows Here Tuesday

Harley Sadler will present two shows in Post on Tuesday, October 19, at the Harley Sadler Tent Show on Main street. It is understood, that Harley, who is now a member of the State legislature, will probably be in Post with the show. Billie Sadler travels with the show and will be welcomed by her many friends here.

The show is presented under the auspices of the American Legion and National War Fund. One of the features of the show will be the showing of "Ravaged Earth," a film depicting the atrocities practiced by the Japanese. It is a show that every person should see and was filmed by Mark L. Moody. In commenting on the picture and Mr. Moody, Mr. Sadler said, "Mark L. Moody, an American business man, who lived in China for 23 years, and who was present and filmed the actual scenes of the Japanese infiltration and invasion of China, is well known in Texas and the South. He is the brother of Mrs. Edmund H. Gibson, wife of the Reverend Gibson of Trinity Episcopal church in Galveston, and has visited the state many times."

"In making the shots from which 'Ravaged Earth' was conceived, he had to resort to various stratagems in order to avoid detection by the Japanese. Most of the filming was done secretly. Some of the shots being made by secreting the camera under his coat and exposing the film through a buttonhole. Others were made by the use of a periscope which enabled him to photograph the scenes over his shoulder."

"After he completed the films, they were concealed in bamboo fishing poles and smuggled out of China, and brought to the United States, where they were blown up to professional 35 mm. size—edited—musical score added and a narration made by Knox Manning, well known radio commentator."

"'Ravaged Earth' is the terrible but true story of the atrocities committed by the Japanese in China. It shows for the first time how the Japs fight. It tells the truth about what our boys are up against in the Pacific."

Churches Sending Xmas Gifts To Boys In Service

Boys in service from various churches in Post will be remembered at Christmas this year. Committees in several churches are busy compiling names of boys who have been associated with the Sunday schools and churches and are making plans to send them boxes at Christmas.

Boxes for those already overseas are already in the mail, said Mrs. W. L. Davis who is chairman of the committee from the First Baptist church. "Other boys from our Sunday school and church who are in camps in the United States will be remembered nearer Christmas," she continued.

The Methodist boys will be remembered too and the free will offering taken last Sunday during the morning service "will insure our servicemen of a gift for Christmas," the pastor stated. "The response to a call for donations to buy these boys a gift was one of the most spontaneous ones ever held in the church. It certainly did our hearts good to see how eager the audience was to provide donations for this project," he continued.

News from Mrs. D. C. Williams of the Presbyterian church reveals that boxes are already in the mail for boys overseas from the Presbyterian church and others are to be remembered.

Friday, Oct. 15, is the final mailing date on mailing overseas packages to soldiers, Oct. 31 to sailors, coast guardsmen and marines.

ENDORSE GAS COUPONS

Motorists should endorse their gasoline ration coupons immediately and not wait until they buy gas. Holders of A, B, C, D or T books are to write their license number and state of registration on the face of all coupons. Holders of E or F books are to write their name and address on the face of all coupons.

Motorists should endorse their gasoline ration coupons immediately and not wait until they buy gas. Holders of A, B, C, D or T books are to write their license number and state of registration on the face of all coupons. Holders of E or F books are to write their name and address on the face of all coupons.

Presidential Endorsement

THE WHITE HOUSE
WASHINGTON
May 21, 1943

Dear Mr. Aldrich:

All Americans and all American institutions are united in their determination to win this war. They are showing to our allies and to our enemies a generous devotion and sacrifice that promises victory.

That unity and devotion are shown in the National War Fund. To October 15 presents to our people an appeal for service to our fighting forces, for service to the unconquerable people of the United Nations, and for service to the home front in the United States. The U.S.O., the other agencies devoted to the common war aim to foreign lands, and those guiding the families of servicemen and war workers and their families toward necessary health, welfare, and recreation—all these are joined in one campaign.

With the strength of union, the economy of federation, and the backing of traditionally generous Americans, the National War Fund—like all essential parts of our war effort—must be given abundant and prompt support toward its goal.

As Commander in Chief, I ask all our people to remember this—that a share in the National War Fund is a share in winning the war.

Very sincerely yours,

Franklin D. Roosevelt

Winthrop W. Aldrich, President, The National War Fund, Empire State Building, New York, N. Y.

"... a share in the National War Fund is a share in winning the war," stated President Roosevelt to Winthrop W. Aldrich, president of the National War Fund, the federation of agencies serving on the United Nations front and the Military front.

Milk Subsidy Program Bill May Be Halted

A bill to halt the government's milk subsidy program, which went into effect Oct. 1, and instead to force federal agencies to increase milk prices so as to compensate dairymen for higher production costs was introduced last week by Senators Eastland (D-Miss) and McClellan (D-Ark).

Dairymen all over the state are vitally interested in the outcome of the measures.

The milk shortage in this area is becoming acute and Lloyd Crosslin, representative for the dairymen, is seeking a quick solution to their problems.

Claims For More Gas To Be Studied Beginning Oct. 15

October 15 has been set as the date when local War Price and Rationing boards will begin handling claims for additional mileage under the new regulations and motorists are asked not to present their claims until this date. Instruction for procedure in handling these claims will not be in the hands of the board members until that time. Pending receipt of these instructions, boards will use the present table for issuing new or renewal rationing.

Boards will adhere closely to the new gasoline regulations on "B" and "C" coupons. A ruling effective Oct. 1 sets the coupons value at 2 gallons each.

Additional mileage should not be issued unless applicant produces positive proof of bona fide need for eligible purposes under the regulations, it was revealed.

Crippled Children's Hospitals In Need Of Canned Foods

W. S. Duckworth, President of the A. O. U. of Khiva Temple A.A.O.N.M., for Garza county, has just received letters from the Shriner's Hospital for Crippled Children in Shreveport, Louisiana, Saint Louis, Missouri, and the Texas Scottish Rite Hospital for Crippled Children at Dallas.

They are all in need of canned fruits, vegetables, jellies, and jams. Everyone can have a part in this worthwhile humanitarian enterprise by bringing just one can, jar or glass from their shelf at home, either home canned or store purchased to Mr. Duckworth.

"Let us help and do our part in these unfortunate children have the things so essential to their health," said Mr. Duckworth.

A. Pinkerton was called to his daughter's home in Fort Worth Monday afternoon due to the sudden death of his son-in-law, Dr. T. H. Chestnab, who was found dead in his office.

Payments On 190 Garza Farms Expected Soon

Applications for payment for compliance with the 1943 Agricultural Conservation Program have been submitted to the State Office for audit on 190 Garza County farms, announced James A. Boyd, Secretary ACA.

The State Office has only made preliminary checks on these applications but will begin certifications for payment in the next few days. The County Association expense factor deduction has not been announced for Garza County at the present time.

Garza County should receive some payments well in advance of the earliest date last year, since no applications were submitted before November 1st in 1942.

Boyd further stated that he expected to have all 1943 applications for payment submitted by December 1st, which is the close of the program year. Checks will be mailed directly to the producers from the Treasury Department as they were in 1942, therefore, if any producer makes a change of address before receiving his payment he should advise the County AAA Office in order that no delay should occur in receiving checks.

P-TA To Honor Teachers Tonight With Party At Gym

School patrons are reminded of the party tonight at 8:00 o'clock in the High school gymnasium in honor of the teachers. The affair is sponsored by the Parent-Teacher Association each year and is given in order that school patrons and parents may meet the teachers.

Special music has been arranged by Mrs. R. C. Tension and the program committee has arranged a suitable program.

Table games will also be featured.

All adults are invited.

SPEAKER FROM TAHOKA HEARD AT TUESDAY ROTARY LUNCHEON

The Rotary club had a guest speaker from Tahoka this week, John Herd was responsible for this week's program and surprised the club by introducing Tom Garrard who made an inspiring address on the great citizens obligation to his country in strengthening the home front. He also warned of the dangers of inflation that was sure to follow the war and said War Bonds were our best cushion to break our all.

Bryan Williams was also a guest of Mr. Herd.

December 29 was set as the date for the Rotary Christmas party. It was voted to send Christmas packages to Rotarians and their sons in service. Rotarians overseas have also been remembered with packages.

Interest Loan Rates Lowered By Natl. Loan Assn.

J. E. Robinson, Assistant Secretary-Treasurer of the Post National Farm Loan Association, has received information that the board of directors of the Federal Land Bank of Houston has authorized the lowering of the interest rate to 4 per cent on all Federal Land Bank Loans, made through national farm loan associations that now bear interest rate at above 4 per cent per annum, effective July 1, 1944.

This reduction in the contract rate of interest will effect about 70 per cent of the land bank borrowers in this area, according to Mr. Robinson.

Prior to 1935, he said, loans were closed at 4 1/2 to 6 per cent, depending upon the cost of money in the bond market at that time. All land bank loans have been made at a contract rate of 4 per cent since March 1935.

"The action of the board of directors of the bank in effect guarantees that the rate will not go higher than 4 per cent for the life of the loan," Mr. Robinson said. "This voluntary reduction of the contract rate of interest is made possible by the successful operation of the Land Bank System of cooperative credit which is designed to make available necessary farm credit at low rates and on long terms."

Cotton Decrease Is Estimated For 1943 Crop

According to information based on figures already obtained and a general estimate, cotton yield for this county will show a noticeable decrease in figures of last year. This announcement was made by Andrew R. Alvarez of Corpus Christi, who is connected with the U. S. Employment service. Mr. Alvarez comes to this county from Corpus Christi and it is his job to contact the Mexicans and to get the farmer and crew together.

According to government figures released by Alvarez there are 38,000 acres in cotton in this county. It is estimated that the cotton yield will be around 13,000 bales.

An incomplete estimate on the number of bales ginned in the county to date are as follows: Cisco City, 63; Hackberry, 166; Gordon, 374; Pleasant Valley, 500; Post gins, 508; and Graham, 400. These figures are not complete as a few totals were released on Tuesday and Graham is only an estimate. It is hoped that by next issue a complete tabulation can be released.

Cloudy, misty weather has hindered gathering of cotton almost since the beginning of the season. However, very little rain has fallen and when the sun shines everyone hikes to the fields.

Regardless of the weather over 2,000 bales are already ginned.

Christian Church Opens Meeting On Tuesday Night

Rev. Jim Wright of Cisco opened a ten-day revival meeting at the First Christian church Tuesday night. The visiting pastor has a fine reputation and comes to Post highly recommended. He was accompanied by his wife who will assist at several of the musical features during the meeting.

Services will begin each night at 8 o'clock. All churches in Post are invited to attend as well as others who are interested in hearing fine and inspirational sermons.

Saturday night services will be designated as Young People's night and following the service a social will be held for them, according to information from the pastor, Frank Crow, who will arrive here Saturday from Texas Christian University where he is a student. He will be here during the two services on Sunday and is anxious for all who will to come and worship with the church members and get acquainted with the visiting pastor.

Baptismal service will be held Sunday morning.

Driver Of Film Truck Victim Of Accident

Harry Wilford Bunch, driver of a truck for the A & O Film Service, which operates between Dallas and Lubbock, died in the office of Drs. Surman and Williams Wednesday morning from injuries received when his truck turned over about 4 miles from Post on the Post-Justiceburg road. The victim was brought to Post by Mason & Company ambulance and died a few minutes later. He suffered a broken neck bone, possibly internal injuries, and cuts and bruises.

The truck, according to witnesses hit a bridge abutment and turned over, later bursting into flames. Bunch was trying to get out of the truck when passerby gave him assistance. The truck burst into flames soon after and the Post Fire Department was called.

The trailer attached to the truck did not burn and film assigned to the Garza theatre was saved as well as the Fort Worth Star-Telegram which are transported each day by the company. The A & O Film Service transports films for all theatres in this district and it is understood that all films were saved. The driver was well known by B. J. Edwards, manager of the local theatre. His home was in Lubbock at 1509, 15th street. He is survived by his widow of Lubbock and eight brothers and two sisters in Tennessee. His body was taken to Lubbock for burial by Sanders Funeral directors.

The accident occurred about 7 o'clock Wednesday morning.

Lions Club May Erect Honor Roll For Men In Service

Plans were set in motion Tuesday night by the Lions club for erecting a Service Honor Roll for Garza county boys who are now in the armed forces. A committee was appointed to make investigations and draft plans for such a project.

The club has long felt that Garza boys should be given this recognition and are anxious to erect a board in their honor. Results of the investigations will be announced at an early date.

It was announced that Christmas packages to Lion's club members overseas had been mailed and other members would receive packages from the club.

Fire prevention featured the program and was under the direction of Weidon Johnson. Others on the program were Walter Crider, fire marshal, and George Barker. An interesting program was presented.

A GAME OF TAG—WITH DEATH

Through the long night the helmsman of the merchant marine guide their ships through infested seas, facing sudden death or days adrift. In the ports of two hemispheres, United Seamen's Service, a member agency of the National War Fund, operates rest centers, hotels and clubs for merchant seamen.

National War Fund Drive Opens In Garza County

The United War Chest of Texas, which is divided into War Fund organizations in every county of the state, officially was launched in Post this week. The quota for Garza county has been set at \$2,785.00.

The campaign in Texas will be responsible for \$4,855,781.00. The National goal is \$125,000,000.00.

Clint Herring was named County chairman of the drive several weeks ago. B. J. Edwards, publicity director, and John Herd, treasurer.

Several news pictures and an advertisement in this issue of the Dispatch tell the story of why there is a need for such a drive. Readers of the paper as asked to study these pictures, read the ad and then give what you can to a most worthy cause.

The seventeen organizations participating in this drive are: USO, United Seaman's Service, War Prisoner's Aid, Belgian War Relief Society, Dutch Relief Fund (Jaeen Wilhelmina Fund), French Relief Fund, Friends of Luxembourg, Greek War Relief Association, Norwegian Relief, Polish War Relief, Russian War Relief, United China Relief, United Czechoslovak Relief Fund, United Yugoslav Relief Fund, Refugee Relief Trustees and the United States Committee for the care of European children.

This is a campaign for funds to help the needy in this war program. Hungry children will be fed by funds raised in this county war fund drive, some will be clothed and kept from freezing, others will be given shelter in countries where battles have, and are raging at this moment. Only one drive will be held during the year.

Your contribution to this fund means that you will give to the greatest need in the history of the world to help the unfortunate.

Some member of the committee or their workers will call upon you during the drive, and you will be expected to give freely and willingly to the capacity of your means.

Dates For War Ration Book No. 4 Set for Oct. 22-23

Registration in Garza county for War Ration Book No. IV will be held on Friday and Saturday, October 22 and 23, at the High school according to information received Wednesday from the local rationing board. The hours on Friday will be from 8 a. m. until 5 p. m. and on Saturday, 8 a. m. until 4 p. m. Teachers in the Post schools will lend their services to this registration.

War Ration Book IV, which will last approximately two years, will be issued to more than 120,000,000 persons in the nation through school house distribution, Miss Gilleston said. She estimates that there will be 5,800 persons registering in Garza county for Book IV. Applicants must bring their Book III with them when applying for Book IV, she said. She pointed out that consumers will not be asked to declare any supplies at home and books will not be tailored.

War Ration Book IV is expected to become usable sometime in November, the clerk said. It will contain eight pages with a total of 384 stamps of blue, red, green and black colors with the work "spare" appearing on 72 of them. The book designed before coffee rationing was lifted will have 12 coffee stamps which may be used as "spares."

All persons who register for Book No. IV will be asked to sign a woman's pledge to help fight the Black Market.

Drivers Are Warned That Many Licenses Expire This Month

Some Texas auto drivers' licenses expire this month, Director Garrison of the State Department of Public Safety reminded by urging applicants to exercise care in seeking renewals.

Licenses are good for two years from date of issue.

Congress, March 3, 1879.

POSITIVE PROOF

There was an absent-minded
Sunday school teacher with whom
the boys of his class liked to have
fun. One day when the boys knew
that their teacher was to read a
certain passage from the Bible
they pasted together the connect-
ing pages.

The teacher came into the room
and began to read: "When Noah
was 120 years old he took unto
himself a wife who was"—then he
turned the page—"140 cubits

What You Buy With
WAR BONDS

School Days

When our fighters fly at 400 miles
an hour with a Jap Zero or a Mes-
serschmidt on their tails there isn't
much time for cogitation so the
Army and the Navy show as many
motion pictures of actual dog fights
and air battles as possible to our
student fliers.

Pictures of trainer flights, bomb-
ing flights and flights by fighters are
all a part of the routine for our stu-
dent pilots and must be drilled into
them just as it is necessary for us
to remind ourselves daily of the ne-
cessity to buy an extra \$100 Bond
in September.

U. S. Treasury Department

long, 40 cubits wide, built of
gopher wood and covered with pitch
inside and out."

The teacher looked puzzled for
a moment, re-read the passage,
and then said:

"Boys, this is the first time I
have come across this passage in
the Bible, but I am ready to ac-
cept it as evidence of the assertion
that we are fearfully and wonder-
fully made."

RATIONING ALONE NO
REMEDY FOR SCARCITY

England has been experiencing
a bad coal strike. In our own
country the Federal director of
coal mines estimates that strikes
have cost the United States 25,000-
000 tons of coal this year. It now
develops that coal must be ship-
ped for use of the Army in keep-
ing Italian utilities, ships, loco-
motives, factories and other facili-
ties going.

In the meantime, the question of
how cold American homes will be
this winter will depend on weath-
er, with which neither the govern-
ment nor labor unions have any
influence.

A discussion is now underway
as to whether the work week in
coal mines shall be extended from
42 to 48 hours, which would in-
volve more pay and a little higher
price for coal. When the work
week was extended from 35 to 42
hours, price increases of 15 cents
a ton were approved which, accord-
ing to simple arithmetic, meant
\$1.40 price increase for ten
tons of coal. The average family
would be glad to pay another 14
cents a ton price increase to offset
wage increases, if by so doing
homes could be kept warm this
winter.

It would seem like the value of
rationing and price ceilings of
commodities is virtually nil if
the net result of such policies is
scarcities which encourages boun-
tiful production as a sound curb on
inflation which is caused by
scarcities.

This is a family war. Put
your War Bond buying through
the payroll savings plan on a
family plan, which means fig-
ure it out yourself.

Views of
Neighboring Editors:

Scurry County Times—October,
as one Snyder church announced
last week, is an ideal month in
which to get non-church goers
back to church and Sunday school,
a fitting period in which to
strengthen spiritual ties for the
tremendous months ahead. Every
month and every week of the
year should be devoted factually
to getting people back to church,
but special efforts, it is felt can
be well expended in Scurry Coun-
ty to get church pews filled dur-
ing the bright blue days of October.
Why not plan to start now, Scurry
County, in getting our people
back to the house of the Lord for
the spiritual value on our home
front?

The Ralls Banner—No doubt
the warning published this week
by Army Leaders concerning the
growing strength of the Axis
powers is timely. If the conditions
are accurate, then Americans are
much surprised. The statement
that Germany has a greater army
and a greater army of war work-
ers than when she invaded Poland
gives us something to worry about.
The statement that Japan, in spite
of heavy losses in the Southwest
Pacific, is growing stronger, is
something else to cause us to
wonder if this war can really end
in 1944. Major Gen. George V.
Strong of the Army Intelligence
tells these things at a time when
maybe a lot of people had about
decided the thing was settled. But
after the capitulation of Italy and
the desperate fighting now going
on in that land, we are about ready
to agree that the war isn't over
yet.

Nolan County News—The other
day we were trying to figure out
this "Pistol Packin' Mama" craze
among the high schoolers, and
wondering with our "older genera-
tion" mind just what the tastes
of today's youngsters are coming
to, what with booze-woogie and
letter-burgling and all that stuff.
... All of a sudden we remember
a few things about our own high
school days. ... Things like "Yes,
We Have No Bananas" and "Bar-
ney Google" (which had a verse
Mamma wouldn't let us sing in
the house) and "Hard-Hearted
Harrah" and "Agravatin' Papa"
and "H Ain't Gonna Rain No More."
... Yes—and there was the
Charleston, too. ... So now we've
got it all doped out. The tastes of
today's youngsters are coming to
the same place where ours were
sway back when. ... And you'll
have no trouble figuring out how
far "back when" if you've got
your song memories filed properly.

The Lynn County News—Don't
Doubt! It seems that our school is
going to the dogs, literally speak-
ing. Again, we appeal to the
parents of school children to please
see that their dogs do not follow
your children to school. Already
one child has been bitten, and one
ear week has been caused from
dogs being on the school grounds—
(Signed) A School Patron.

PRICES MUST INEVITABLY
FOLLOW WAGES

With the milk, butter and
cheese situation daily becoming
more critical, not to mention many
other agricultural crops, Fred H.
Sexauer, President of the Dairy-
men's League Cooperative As-
sociation, says:

"Food scarcity could have been
avoided had the government
treated the problem as realistically
as it has the problem of produ-
cing tanks, planes and ships."

"To obtain the materials for
war, the government has follow-
ed a policy of paying prices for
equipment that encourage manu-
facturers to expand their facili-
ties and production. In the case of
agriculture, particularly dairying,
the policy has been just the op-
posite."

"Limiting milk sales will not
cause any increase in production.
The only way that a greater re-
duction in the supply of milk can
be prevented is through a price to
producers that will enable them
to meet steadily rising costs of
production."

Senators were originally paid
\$6 a day.

Mozart's hobby was billiards.

Cross Roads News

Mrs. Elizabeth Fisher,
Correspondent

Homer H. Hutto of Dallas has been visiting in the home of his brother during the past week.

Mrs. N. E. Howell reports that her mother Mrs. Hollie Anderson who underwent surgery at an Amarillo hospital is improving.

Interest in Sunday school is increasing despite the busy harvest season. Fifty in Sunday school next Sunday is expected. Every person in the community is urged to be present on that day.

The people of this community will register at the school house for ration book No. 4 beginning at 1:00 o'clock p. m. Thursday, October 21st. Registration hours are the following: Thursday, Oct. 21, 1 to 5 p. m.; Friday, Oct. 22, 9 a. m. to 5 p. m.; Saturday, Oct. 23, 9 to 12 a. m.

Rev. Grayson Tennison Elected President of Sophomore Class At Howard Payne College

In recent class elections at Howard Payne College in Brownwood, Rev. Grayson Tennison of Post was elected president of the Sophomore class.

Tennison, graduate of Wichita Falls High school and a former student at Hardin Junior college, is the pastor of the Calvary Baptist church of this city. From a family of ministers, Rev. Tennison, a second-year ministerial student at Howard Payne college, is the son of Rev. R. C. Tennison, pastor of the First Baptist church. He is also the brother of Rev. Clifton Tennison, pastor of Central Baptist church of Wichita Falls. Both young Tennison's father and brother are graduates of Howard Payne.

Mrs. Iven Clary and son Benny and Mrs. Dan Cockrum and son Dannie spent Friday in Lubbock.

Filing of this Suit, Grounds for divorce Complete Abandonment of more than 3 years.

Issued this the 27th day of September, 1943.

Given under my hand and seal of said Court, at office in Post, Texas, this the 27th day of September A. D., 1943.

Garza County, Texas

ABOUT THAT GARDEN

... the Scotchman

Beds reserved for annuals (flower or vegetable) should be deeply spaded and the soil left rough for the winter. Sticks removed in the fall will obviate raking in spring.

Don't forget to keep adding to the compost pile every leaf that falls. Whether it be a tree, shrub or evergreen, it should be added to the pile. All the refuse plants from your vegetable garden, provided they are not seriously diseased, should be added to the pile. If you do not like the looks, cover it with a very thin layer of soil. There is no need for adding lime. If you do not mix garbage in the pile, there will be nothing to attract flies; and unless you have some seeds in it, it will not even tempt rats and mice. By next fall you will have a fine lot of humus to spade into the soil to loosen it or put on top of the ground as a mulch.

The difficulty of obtaining shipments from nurseries, owing to labor shortages and trucking restrictions, may make it temporarily necessary for us to grow our own shrubs from seed. Besides, it is lots of fun. Since the seeds of many trees and shrubs require rest periods at low temperature, it is well to sow all of them this fall, preferably before Christmas. Germination can be hastened by removing the fleshy part of the fruit and sowing just the seeds alone. Why not get together in your neighborhood and gather the seeds of all your various shrubs, and swap? Try this with the various flowering crabs, bush honeysuckles, viburnums, privets, and particularly the rose of Sharon. Since you are apt to forget where you have sown these seeds, you had better make a cold frame, sow the seeds in rows, making a little planting plan, and put it where you can find it when they come up next year.

Fruits and vegetables left to rot on the ground all winter spread disease next season. Remember that a well bred pig will be thankful for even the rottenest of rotten apples.

Mrs. Luther Harper of Gatesville is visiting in the home of her daughter, Mrs. Paul Moore and Mr. Moore.

PUBLIC SERVICE
Company

FAMOUS FOR FOOD

The Algerita Coffee Shop

is now open for business under the management of Mr. and Mrs. H. H. Tracy.

"KEYED TO THE TIMES" will be the keynote of the service offered. Quality food and Expert Service will be featured.

Patrons Are Invited To Make Reservations For Special Dinner Parties.

HOURS . . .
Breakfast . . . 7 a. m. - 9 a. m.
Dinner . . . 12:00 - 2:30 p. m.
Supper . . . 6 p. m. - 8 p. m.

MR. AND MRS. TRACY EXTEND A CORDIAL INVITATION TO THE PEOPLE OF GARZA COUNTY TO VISIT THE COFFEE SHOP . . . "FAMOUS FOR FOOD."

ALGERITA COFFEE SHOP

ALGERITA COFFEE SHOP IS NOW OPEN FOR BUSINESS

Mr. and Mrs. H. H. Tracy, owners of the Algerita hotel, are announcing the opening of the Algerita Coffee Shop this week. The coffee shop has been newly decorated and new equipment has been added to insure patrons a pleasantly attractive and comfortable dining place. Everything in the shop has been thoroughly cleaned and rearranged.

Meals are being served from 8 a. m. to 8 p. m., from 12 noon to 2 p. m., and from 6 p. m. to 8 p. m. Mrs. Tracy, who is famous for serving fine foods, is in charge of the shop.

Patrons will be able to make reservations for parties at the Algerita. Rotarians and Lions are holding their regular luncheons there and other clubs are invited to make reservations for their club banquets.

Carnival Plans Are Being Made By P-TA

Plans are already being formed for the annual Halloween Carnival to be held the last of this month. Every person in the county looks forward each year to the annual fun night of the organization. It is on this night that the P-TA raise funds for operating throughout the school year.

Mrs. B. J. Edwards is carnival chairman this year.

ODT Warns About School Buses

School buses may not be used to transport students to athletic games, state or county fairs, or similar events, the Office of Defense Transportation has stated.

Potatoes sink in water, but apples, oranges and onions float.

With The Men In Service

Southland Boys In Service

Eleven packages were mailed here Monday to our boys in service—they will be insured a Merry Christmas. If you want to send Christmas cards to boys in foreign service, see your news correspondent, as she has a collection of their addresses.

Junior Hord of Ft. Knox, Ky., arrived in Lubbock Thursday 7:30. He was here Friday and Sunday visiting friends in his former home town.

S/Sgt. Woodrow Dunn, who was transferred in August from Ft. Adair, Oregon to Camp Shelby, Miss., arrived last Monday to visit his parents, the L. A. Dunns and three brothers, returning to camp Saturday. Sgt. Dunn is in the Artillery.

Lucius Thomas Foster, whose mother, Mrs. C. W. Dodson now lives near Wilson, has been promoted to corporal. He has been in foreign service more than a year.

Henry M. King is in the hospital at Nashville, Tenn., and the doctors want to cut into his leg, which was wounded by shrapnel early in the year.

Letter From Robert J. Owen

Dear Editor: I just finished a swell trip from Buckley Field, Colo., where I have been since July 18 taking basic training. We had 9 weeks of close order drill, bayonet drill and we got to fire the M1 30 cal. gun and the sub-machine gun. We had a lot of fun and we also had a lot of K P. We were transferred to Camp Santa Anita to go to school. This is a swell place. Our mess hall is in the grand stand and we are staying in the stables that were used for the race horses but it is really a nice place. It is Heaven compared to Buckley Field. We are only 18 miles from Los Angeles and about a mile from Arcadia. It is sure hot here. On the trip out we ate in the diner all the way and had a swell time. I am writing this so my friends and folks will know my address. It is Pvt. Robt. J. Owen, 38345503, Co. C, 30th Ordnance Trn. Bn., Camp Santa Anita, Arcadia, California.

L. D. Stevens, Jr. In Training At The University of Colorado

Boulder, Colo.—Among the many young men in training at the University of Colorado as Marine officers of the future is Private Lewis Duke Stevens, Jr., 18, son of Mrs. B. L. Sarge of Post.

Private Stevens attended Texas Technological College, where he was president of the freshman class and a member of the student council, before he was called up for training by the Marine Reserve.

These young Marines are taking regular college courses under the V-12 program, and after from one to four semesters here, they will begin actual officer training with seven weeks in "boot camp", then go to Quantico, Va., for officer candidate class, where they will wear their commissions as Leatherneck Lieutenants.

While in college, the officers-to-be wear uniforms, work under Marine officers, eat a mess hall and live in barracks. They are rated as privates and receive \$50 a month, plus all uniforms and meals.

A tough physical conditioning course is a part of their curriculum, and they are allowed to participate in athletics.

Three Boys Join Armed Services

Among the boys who entered the armed services during the month of September and who were well known here were:

Grady Glenn Norman, Navy; L. J. Walker, Army; and William Elbert Carey, Army.

All three boys joined through the Lynn county board.

Garza Army Nurse Visits Here

Lt. Zelma Stephens, daughter of Mr. and Mrs. Wesley W. Stephens, Sr., and sister of Mrs. Harold Cass was a recent visitor in Post with her family and friends.

Lt. Stephens is with the Army Nurses Corps and is stationed at the South Plains Army Air Field in Lubbock. She has been in service 3 1/2 months and likes her work fine. She is the only Garza nurse in uniform. She finished Post High school in 1939.

Mrs. B. F. Rogers left last Saturday for a month's visit with her son John in Oldsmar, Florida.

DESPAIR ON THE BOULEVARD

— This picture, taken on what was once one of the most famous streets in the world, depicts the despair which now replaces its former gaiety. To alleviate despair and suffering is the objective of the French Relief Fund and other United Nations member agencies of the National War Fund.

Useful Information Released By Social Security Board

"Some people who do not understand that old-age and survivors insurance benefits are paid as an insurance right hesitate to claim their insurance," said Erton Tate, manager of the Social Security Board at Lubbock.

He said that recently the telephone rang at the Social Security Board office and a lady's voice asked if he would send a representative to her home to take claims from the woman and her husband.

On further questioning, it was ascertained that the couple were not incapacitated. Physically, they were able to visit the Social Security Board office, but the wife hesitated because she feared someone would learn that they had filed a claim. She said she did not want her friends and neighbors to think that "they were taking charity."

"We explained to her," Tate said, "that we ordinarily call at homes to take claims only when the claimants were unable to call at the office." After a brief conversation she agreed to come the following morning. The husband said that social security was one of the few things about which he and his wife had disagreed. He had wanted to file his claim ever since he had retired, but his wife considered it charity and something that would be very embarrassing.

When asked if she would be embarrassed by accepting money due on a paid-up insurance policy, she said she would not.

"After considerable discussion and several intelligent questions,"

Presentation Of Old Ration Books Planned

Persons registering for war ration book four the latter part of this month will be required to present copies of book three for each family member for whom application is made, the Office of Price Administration said recently.

Registration and distribution will be in the nation's school houses between October 18 and 30.

OPA said issuance of the new book will be noted on book three which will then be returned to the applicant.

Guests in Walter Jullary's home Monday were her sister, Mrs. Earl Mangum and niece, Mrs. Herman Whiteside of Slaton.

Jean and Artie Brown of Leveland are visiting their grandparents, Mr. and Mrs. Tilden Brown of Close City.

Mrs. Red Floyd underwent surgery last week in a hospital in Los Angeles, Calif. Her parents, Mr. and Mrs. Ted Thomas, report she is doing nicely.

Buy a War Bond today!

Tate said, "the lady remarked, 'Why, that's not charity, that's insurance. I don't care who knows we have filed these claims—I am going to tell all my friends myself.'"

"Survivors of all deceased employed persons, and all persons who have been employed and who reach age 65," Tate said, "should contact the nearest Social Security Board office and inquire concerning benefits that may be payable to them."

Further Cuts Seen In Use Of Newspaper

A War Production board official said recently the supply of woodpulp for newsprint is 25 per cent below full demand and told a congressional committee "further curtailment orders" on uses of papers were being prepared.

Harold Roeschenstein, director of WPB's production control bureau said if the present use of pulpwood continues there will be an "overall shortage of approximately 25 per cent" next year.

He told a House subcommittee investigating the use of woodpulp the WPB is "engaged in preparing and issuing further curtailment orders dealing not only with newspapers but also many other varieties of paper products." He did not elaborate, however.

The nation, he observed, must either curtail use of pulpwood in 1944 by 25 per cent or increase production by that amount.

TRAVEL LIGHT IS ADVICE TO VISITING SERVICE WIVES

"Travel light." This is the advice to Army and Navy wives visiting their husbands in the service, given by Mrs. Pearl Blough, USO Director of services to Women and Girls. A small suitcase is the first requisite for the trip, she says. Other tips are: Take a night gown and undergarments that do not need pressing, but shoes and a pair of slippers by dancing. If possible, wear a suit and take change of blouse. If you can fit it in, take one street length dress for dances. Take a magazine to while away waits in transport. Pack a sandwich in case of delay. Wrap up a box of candy for your husband and his buddies. Take with you pictures of the family and the children.

Assembly Of God

The Assembly of God are having services in the building formerly used as the Fry Feed and Hatchery. This will be a temporary location for this church. Everyone is invited to attend the services— Sunday school each Sunday, 10 a. m.; Worship service, 11 a. m.; Children's church, 7:30 p. m.; Evangelistic service, 8 p. m.; Saturday night, Evangelistic services, 8 p. m.

Covered Dish Luncheon Held By Presbyterians Mon.

Presbyterian women could not have chosen a more fitting subject than that on Foreign Mission Outposts for their subject when they met Monday at the home of Mrs. J. N. Power. The subject was presented as a book review by Mrs. A. C. Surman. To add human interest and to give a fitting background to the review; Mrs. Glenn Newman, a visitor from California, who has spent some time at army posts in foreign lands, gave many interesting facts preceding Mrs. Surman's review.

During the business meeting, the group voted to send Christmas boxes of candy and cookies to boys associated with the Presbyterian church. It was also voted to hold a Thanksgiving service in the church, Mrs. D. C. Williams, president, presided.

A covered dish luncheon preceded the program and business meeting.

Priscilla Club Is Sewing for Red Cross

The Priscilla Sewing club has been quilting for the Red Cross recently. A number of members of the club met there Thursday, Friday and Tuesday of last week. They plan to continue this type of work as long as there is need for such work in the Red Cross Sewing Room.

One new member has been accepted into the club, Mrs. Steve Luce, the former Lena Manly.

Recent meetings were held with Mrs. Earl Thaxton and Mrs. Chas. Walden as hostesses.

The Raymond Redman home was the scene of the party when Mrs. Thaxton was hostess. Colorful giant dahlias were used throughout the house to add bright fall decorations to the tables. Lovely refreshments were served after an hour of sewing and talking to: Mmes. Ben Williams, Jim Hundley, Clyde Hundley, A. B. Haws, Rex Everett, Lee Smith, H. G. Smith, Jessie Voss, Victor Hudson, L. W. Kitchen, N. C. Outlaw, Marvin Hudson, Tom Miller, Raymond Redman and the hostess.

California Visitor Is Entertained On Saturday With Tea

Mrs. H. G. Smith and Mrs. Ben Williams were co-hostesses on Saturday with a seated tea to complement a former Post Woman, Mrs. H. E. Smith. The visitor now lives in California. The party was held in the home of Mrs. H. G. Smith.

A Texas program was given in song and readings.

Guests registered on a five pointed Texas Star and the honored guest was presented with a lovely book on Texas by a Texas author.

Tea was poured from a beautifully arranged lace covered table set with crystal. Winter daisies in an attractive bowl centered the table. Mrs. J. A. Stollings and Mrs. W. F. Presson poured tea.

Out-of-town guests who attended were Mrs. Smith's daughter, Mrs. Wilson Connell, and children who live on a ranch near Snyder, Mrs. Clarence Wood and daughter of Lubbock and Mrs. Ila Parker and daughter, Linda, of Oklahoma.

Mrs. D. C. Williams Is Hostess To Bridge Club Friday

Fuchsia colored giant dahlias added an effective color note to the entertaining rooms of the D. C. Williams home when Mrs. Williams was hostess to the Bridge club on Friday afternoon. The chosen flowers were used also as table centerpieces during the refreshment hour.

In the bridge games, prizes were awarded to Mrs. Bryan J. Williams and Mrs. B. J. Edwards. War stamps were presented as prizes.

Tables were arranged for the following players: Mmes. W. V. Roy, Marshall Mason, J. A. Stallings, Martin Reynolds, B. J. Edwards, Walter Duckworth, T. L. Jones, Glenn Newman of Los Angeles, R. S. Davis, Bryan J. Williams, Novis Rodgers, Bryan Williams, Belle Fairbanks, Phil S. Boucher, Jim Power, A. C. Surman, Slaughter, Gildes, Connel and Wallace Kimbrough. Mrs. Irene Rodgers was a tea guest.

The letter "q" is said to be from the french word "queue" meaning a tail.

Candle Ceremony Installs YWA Officers Monday

The YWA held their Installation Service for the officers of the coming year in the First Baptist church at 8:15 Monday night.

The program consisted of a brief summary of the YWA with Doris Kirkendoll giving the watchword of the YWA; the YWA hymn, "Oh, Zion Haste" sung by the members; The Aim of YWA by Joyce Stephens; The Auxiliary Ideals by Maxine Tucker; "The Dedication" by Reeda Bell Franklin; "A Summarized History of YWA" by Gretta Bilberry; "St. John 13 (34-35)" by Agnes Windham; and a special story, "Living for Jesus," by Maxine Tucker and Frances Terry.

The Installation Service followed. Shirley Bowen presided and presented to each girl her charge as an officer of the YWA. The girls came from the wings and lighted their candles from Shirley's candle, then received their charge. They marched back in twos holding their lighted candles. After a dismissal prayer the group adjourned to the dining room for refreshments.

Those present were: YWA girls, Agnes Windham, Shirley Bowen, Gretta Bilberry, Virginia Evans, Norma Joy Hudman, Imogene and Charlene Preston, Elouise Dodson, Reeda Bell Franklin, Frances Terry, Maxine Tucker, and Joyce Stephens; WMU members, Mmes. Marva Smith, Z. D. Kemp, W. B. Franklin, Ira Lee Duckworth, and W. L. Davis and Mrs. Suits, the YWA counsellor. —Rep.

Mrs. Iven Clary Is Complimented With Party Thurs. Night

Mrs. Iven Clary was complimented with a lovely pink and blue party last Thursday night when Mrs. Dan Cockrum was hostess.

Fall flowers were used in the entertaining rooms. A series of contests in keeping with the party theme were enjoyed with Mrs. Lester Nichols and Mrs. Dub Curtisinger proving more adept than others at giving correct answers.

Following the games, the hostess presented Mrs. Clary with a basket laden with many useful and appropriate gifts. After the gifts were examined a delicious refreshment course of pumpkin pie, topped with whipped cream and hot chocolate was served to the following: the honor guest, Mesdames Curtisinger, Franklin, Kemp, Lancaster, Carpenter, Blacklock, Nolan Clary, Boyd, Nichols and Edwards.

Southland Church Elects S. S. Teachers And Officers

The newly-elected Sunday school teachers and officers of the Southland Methodist church are: Superintendent, James Becker, Men's Bible teacher, J. P. Hewlett, Ladies, Mrs. M. E. Morris; Young Adults, Mrs. Grady King; Intermediates, Mrs. Herbert Dunn; Juniors, Mrs. Ray Robinson; Primary, Mrs. Geo. Bahlman; Pianist, Mrs. Huraee Wheeler; Choirister, Mrs. Geo. Bahlman; Secretary, Wilma Wheeler. The attendance a week ago Sunday was 73—the largest crowd since their summer revival. —Rep.

Mrs. B. E. Young Is Guest Reviewer Of Slaton WSCS

Mrs. B. E. Young was a guest of the Women's Society of Christian Service in Slaton last week. She was presented on the program and gave a very interesting review of the book "Religion and the World Tomorrow." The meeting was held in the home of Mrs. Earl Mangum who formerly lived in Post.

Accompanying Mrs. Young to Slaton was Mrs. Surman Clark and son Bill. Mrs. Clark is the daughter of Rev. H. C. Gordon, pastor of the Methodist church of Slaton.

Post Girl Marries In New Mexico Oct. 2

Mrs. Della Kirkendoll is announcing the marriage of her daughter, Joan, to Vernon Allgood of Pedernals, New Mexico, on October 2. The marriage took place in Albuquerque, New Mexico. Mrs. Allgood was formerly employed with Maggie's Beauty Shop. Mr. Allgood is engaged in farming.

Mrs. H. G. Smith Made Life Member Of WSCS Monday

The Womens' Society of Christian Service met at the church in regular session Monday, Oct. 11.

The committee on Life Membership reported that Mrs. H. G. Smith was entitled to this honor by virtue of seniority of membership.

The committee appointed for the nomination of officers for the coming year consists of the following names—Mrs. H. G. Smith, Mrs. J. R. Durrett, Mrs. T. L. Jones, Mrs. R. H. Collier and Mrs. T. R. Greenfield.

Mrs. Lemley reported on the boxes for the soldiers, which are to be packed and made ready for shipment at the Red Cross rooms, Tuesday, Oct. 12.

The program opened with a medley of patriotic airs with Mrs. T. L. Jones at the piano.

Mrs. Herring led the prayer session and Mrs. Smith and Mrs. Lemley had charge of the responsive readings.

The study of our new book—"We Who Are America," was led by Mrs. B. E. Young, study lesson leader, assisted by Mrs. T. L. Jones and Mrs. J. E. Parker.

The meeting closed with Mizpah benediction. —Reporter

Mrs. Kenneth Hale Has Interesting Job In Dallas

Mrs. Kenneth W. Hale visited over the week end in the home of her parents Mr. and Mrs. E. C. Pettigrew of Justiceburg. Mrs. Hale will be remembered as Bessie Pettigrew. She was a 1941 graduate of Post High school and is now employed with Western Union in Dallas. Bessie has had the pleasure of handling several telegrams for friends of Post. Bessie likes the Western Union work. Her husband, T-Sgt. Kenneth W. Hale, is now stationed at Camp Kilmer, N. J.

Maudie Sue Hughes Entertained With Birthday Party

Mrs. Bill Hughes entertained with a party for her small daughter on her birthday Saturday, Oct. 9 at the home of Mrs. Harve Mathis. The little guests enjoyed games after which they enjoyed looking on as Maudie Sue opened her gifts and blew out her candles. Her cake was iced in white and lettered in pink—"Happy Birthday To Maudie Sue."

Twenty-four guests enjoyed the refreshments.

NEEDLECRAFT CLUB MEETS WITH MRS. TERRY

Mrs. C. W. Terry was hostess to the Needlecraft club on Friday, Oct. 9 at her home. An enjoyable hour of sewing and visiting was enjoyed.

Those enjoying the occasion together were Mmes. Gilley, Suits, Makul, Evans, Thomas, Stone, Pierce, Carmichael, Weaver, Morrison, Rector, Faulkner. The hostess, with the help of her two daughters, Frances and Allene, served delicious pumpkin pie and hot chocolate.

The next meeting was announced. —Reporter

Mrs. Winnie Pitzer Gives Book Review At Club Meeting

The Junior Culture club met in the home of Mrs. Wilbur Love on Tuesday, Oct. 12th.

The program was arranged by Miss Barbara Jo Cox, which was a very interesting book review given by Miss Winnie Pitzer. The book review was Berry Fleming's "Colonel Effingham's Raid." This was the first of a series of reviews to be given during the year. A pat-ctic refreshment plate was served by the hostess. —Rep.

FLAVOR POT-ROAST WITH CRANBERRIES

For a different flavor in pot roasts, try cooking cranberries with the meat. You'll have an exceptionally fine, good gravy.

Have 3 or 4 pounds of chuck boned and rolled at the market. Dredge with flour and brown in hot lard. Season with salt and pepper. Pour over it 2 cups of tart cranberry sauce, with 1 cup hot water. Cover closely and cook slowly about 3 hours, adding more water if necessary. When done, remove the pot-roast to a hot platter and thicken liquid for gravy.

JELLIED BOLOGNA RING
Making the Ring
Dissolve one package aspic flavored gelatin in one cup hot water. Add 1 cup tomato juice, 1 teaspoon salt and 1 tablespoon onion juice. Pour enough of mixture in the mold to line the bottom. Chill gelatin in mold.

Arrange slices of bologna on gelatin. Add 1/2 cup chopped cabbage, 2 tablespoons chopped pimiento, 1/4 cup diced celery, 1/2 cup grated carrots to gelatin mixture and pour over bologna slices.

The Finished Meat Ring
Unmold bologna ring and fill center with cottage cheese. Overlap bologna slices in circles around gelatin ring. Garnish with parsley and cottage cheese.

Pfc Bob Dietrich and wife of Camp Air Base are guests in the home of Mr. and Mrs. Harry Dietrich. Another visitor in their home is their daughter, Helen, whose husband, Joe Frank Hopper, is in maneuvers.

First Baptist Church

R. C. Tennison, Pastor
Sunday school 10 a. m. Preaching 11 a. m. Message by Dr. Malone of Lubbock. Evening Sermon 8:15 p. m. by pastor.

We will observe Lord's Supper at the close of the evening message.

Training Union 7:30 p. m. Monday, WMS, 8:30 p. m. Tuesday, G. A.'s, R. A.'s and Sunbeams, 4 p. m.

Sunday is Laymen's Day. We hope that each and all will help us to have good attendance this Sunday by being present. Can we count on you? Men, women and children—will you make an effort to be present Sunday?

Tuesday, Oct. 19 the Lubbock County Workers Conference meets with our church. A good attendance is expected. Let's have a good number of our own people present.

Church Of The Nazarene

Stop, look, listen . . . Say, do you go to Sunday school? No, then you are welcome to attend the Nazarene Sunday school!

Sunday school 10 a. m. Preaching at 11 a. m. This is family day, bring them all.

Morning Sunday school lesson, "Jesus and the Sabbath." Message: Is it well with thee, is it well with the sea? NYPS, 7:45 p. m. Preaching at 8:15 p. m. Subject: "Is there an excuse?"

A. T. Moore, pastor.

CALVARY BAPTIST CHURCH

Grayson C. Tennison, Pastor
Sunday School 10 a. m. Preaching 11 a. m. and 8 p. m. Training Union 7:30 p. m. Prayer Services Wednesday 8 p. m.

Mrs. Jeff Justice left Monday for Temple where she will undergo a check-up at the Scott-White hospital. She was a recent patient there. Before returning home she will go to Fort Worth to visit her sister, Mrs. Ella Howard.

SOUTHLAND NEWS

Mrs. Marvin Truelock, Correspondent

Under the leadership of Messrs. Sam Martin and Hub Haire, the community gave a farewell dinner, honoring Mr. and Mrs. Virgil Young at the Lunch Room Sunday. The Youngs have lived here for 18 years and will be greatly missed when they move to Bonham. Each family brought their Sunday dinner and spread it on the lunch room tables; thus making no hardship on anyone.

Monday of this week the school lunches were reduced in price to 10c each. This reduction of one-third was made possible through Federal aid.

Last Friday a large crowd gathered to the football game between Whiteface and Southland on the home field. The visitors defeated us only one point—20-19.

Miss Mary Lynn Morris of Tech spent the week end here with her parents, Mr. and Mrs. M. E. Morris.

The Jack Barbers and Leo Hoffmans of Monahans visited their parents Sunday—the H. A. Kings of Southland, the Greens of Gordon, the Hoffmans and Bounds of Slaton.

Congratulations to Ensign and Mrs. McGee Moore, whose daughter, Judith Arme, was born Oct. 4th at Dublin. McGee Moore was our Grade school principal one year and Superintendent last year until he enlisted in the Naval Reserve early in 1943. Mrs. Moore was primary teacher during that time.

Rev. and Mrs. E. C. Armstrong are proud grandparents of Troy Douglas, a 6 lb., 10 oz. boy who arrived at 5:55 Friday evening. The child's father, Vernon Armstrong, was released from the Army on a medical discharge several months ago but is now a civilian employee at the same Air Base—SPAFS.

Mrs. J. M. Corley and daughter Gaynelle of Lubbock spent the week end here with her daughter, Mrs. Dan Siewert and family.

Mr. and Mrs. Herman Whited and son Don of Odessa came Tuesday and left Friday. They visited his parents, the J. L. Whiteds and her mother, Mrs. Annie Landers.

Two weeks ago Mr. and Mrs. G. W. Basinger took her mother,

Mrs. F. M. Donahoo to her home in Davidson, Okla. Mrs. Donahoo had visited here for the past three months.

Mrs. Jack Martin and daughter Sandra Jack of Lubbock spent the week end with the Sam Martins, whose son, Lieut. Jack T. Martin, is now stationed at Denver, Colo. Next Sunday is regular date for the Fourth Quarterly conference of the Methodist church. The WSCS of that church has decided not to meet again until the fall rush is over.

Mrs. Ella Rennell and daughter, Mrs. Victor Fredrickson and son of Houston visited their son and brother, Donald Pennell and family from Friday to Sunday. They expect to return later to make their home here.

Mrs. J. W. Dunn and daughter of Camp Shelby, Miss., accompanied their husband and father in visiting here last week. Other guests of the L. A. M. A. and Herbert Dunns were Mr. and Mrs. V. O. Dunn of Abilene, Mrs. Leon Powers and son, David, of New Mexico.

Congratulations to the Glen Ray Herds of Lubbock, whose daughter, Orella Idilla, weight 6 lbs., was born Sept. 23. The mother is better known here as Ola Mae Bell.

Mrs. Herman Irwin of Lubbock came Thursday to visit Mrs. Buck Loveless until Monday.

Mrs. Arnie Landers spent the week end in Lubbock with her niece, who is in the hospital.

Ben Cardenas was with his brother most of last week. The latter underwent an operation Friday.

Mr. and Mrs. Hansell Sartain moved to the Noack house last week from Montrose, Calif., to live here until they get possession of their farm south of town.

The Sampson Gillilands spent the week end in Horsford, visiting her sister Mrs. Ennis Harris and family.

Mr. and Mrs. Tom Craft and children, accompanied by her mother, Mrs. O. C. Finehan, were Sunday afternoon visitors in Southland.

Mrs. J. Young of Bryan came last Monday to spend four days here. She is the daughter of the E. L. Kings.

Linda Gay and Shirley Fay, the

twin daughters of the Jack Oakleys, returned home Sunday after a three week's visit with their grandparents at Anton.

The Budget Committee of the Baptist church met at the home of Rev. and Mrs. O. J. Harmonson last Friday night. The church accepted their recommendations to raise the pastor's salary ten dollars a month and double the contributions to the cooperative program.

Father of Mrs. R. G. Merrell Buried In Oxford, Miss. Sept 28

Funeral rites for Linburn Cullen, father of Mrs. R. G. Merrell of Post, were held in Oxford, Miss., on Sept. 28. The 83-year-old man was a native of Mississippi but had lived in Oklahoma for a quarter of a century.

For many years, he engaged in farming and the nursery business. He was considered an authority on trees.

His widow and six children survive.

U. S. Proposal For World Bank Hailed

Washington—A U. S. Treasury proposal for a \$10,000,000,000 world bank to help war-ravaged lands get on their feet was hailed as another move toward insuring the peace.

The banking plan was widely published in the British press last week, confirming what Treasury Secretary Morgenthau had been reported as telling a secret congressional meeting earlier in the week.

Immediately from Lisbon, Portugal—the neutral outlet for many fleeing Europeans—came this reaction:

"It is a colossal effort that only a powerful, rich nation, full of generosity and capable of large scale initiative, could realize."

The statement in the Lisbon newspaper Diario de Lisboa added that "peace would be another war just as dreadful and dangerous if victory should serve only to give satisfaction to plutocratic appetites."

Its hand flashed by the British press, the Treasury made public the draft "guiding principles" for the proposed world bank.

Overweight Oil Undermines Your Car

Why Lightest grades of oil are made safe for you by changing to Winter OIL-PLATING

Any oil that has been doing its best in your car for a while back, will be badly overweight this Winter. Everything ever said about not being caught with overweight oil goes double today on account of rationing. Your battery has been undercharged, because your car now runs fewer miles per start. Your gasoline has been wasted by the drag of overweight oil. Your engine has been abused because it hasn't been warm steadily enough for ideal lubrication. Your car could approach the end of its rope with any overweight oil apt to become jelly-like. Before Winter causes that, go light.

Whatever you do, change oil for lightness. At the same time though, you can make the whole big change to an OIL-PLATED engine, by getting popular-priced Conoco Nth motor oil—just as light as needed. OIL-PLATING is applied to inner engine surfaces as closely as chrome plating on your bumpers. The "magnet-like" properties of a Conoco Nth synthetic are the basis of OIL-PLATING. No plating would all drain down to the crankcase fast. It can long remain at its topmost point to safeguard the very first starting stroke. And right after that, even the lightest Conoco Nth oil assures an extremely strong normal type of fluid oil film. Oil film and OIL-PLATING are both present to rebuff wear, and that's how your engine can go through a long Winter—and a long War—always using its lightest possible Nth oil economically. Change at Your Mileage Merchant's Conoco station today. Continental Oil Company

Dread Engine Acid is Fought by OIL-PLATING

Normal combustion always leaves acids inside of your engine when it stops.

Formerly it seldom stood like long. Soon mileage and speed heated your engine enough to out acid.

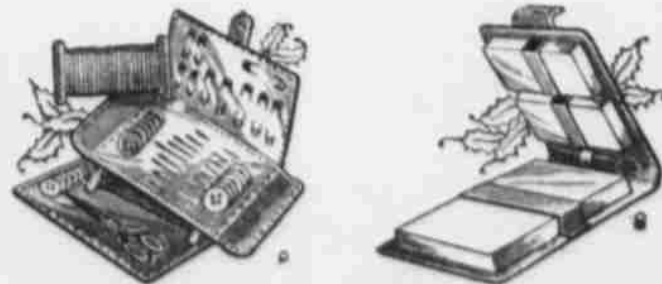

But nowadays rationing may force long runs, while excessive acids gnaw. To combat corrosion, metals are plated. You combat acid corrosion with your engine OIL-PLATED.

NATIONAL WAR FUND

THREE FRONTS—ONE CAUSE

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

E. E. O'BRYANT IS NEW MANAGER OF COURT'S CAFE

The Court's cafe, a unit of the Connell Courts, was reopened last week under the management of E. E. O'Bryant.

Quick, efficient service together with fine foods will be given to patrons of the Court's Cafe, he said.

The new manager and a corps of efficient helpers invite the people of Garza county to make the Court's Cafe their headquarters.

The first edition of Pilgrim's Progress appeared in 1678.

Close Friends Are Pall Bearers For Childress Funeral

Pall bearers serving at the funeral of Thomas W. Childress who died last Wednesday as a result of injuries received in an automobile accident and whose funeral was held last Thursday were: Walter Crider, H. F. Wheatley, Will Williams, R. E. Cox, Frank Stevens, T. A. Loyd.

Those who had charge of the flowers were: Mmes. Sadie McNabb, Faye Mathis, A. F. Wheatley, M. Hudman, L. W. Kitchen, Edith Clary, Ardalina Wheatley and Miss Vera Gollehon.

'We've Never Been Licked' At Garza Sunday - Monday

Youth in command, is the significant theme of the production, "We've Never Been Licked," coming Sat. night, Sunday and Monday to the Garza Theatre.

The graphically filmed story is enacted by a cast of youthful celebrities including Richard Quine, Anne Gwynne, Noah Beery, Jr. and Martha O'Driscoll.

Harry Davenport, William Frawley, Edgar Barrier, Bob Mitchell and Bill Stern, famed personality of Radio's thrilling "Army Hour," have important assignments.

Spectacular scenes of the mighty training center highlight the film's stirring action which focuses attention on the intimate career of a certain student officer.

POST HIGH SCHOOL NEWS

HAZEL CASH, Reporter

Girls P. E. Class

With school well under way and nearly all enrollments made we would like to give you the low-down on girls sports. About 85 girls meet the last two periods every day for training in physical education.

The rest of the period is spent in competitive games of basketball. The girls enjoy these classes and feel like they are receiving lasting benefit.

Get Acquainted . . .

There are many new faces as you wander idly down the hall. It seems strange to see the small boys and girls in high school. The smallest is Annette Seay from Graham who is a freshman but is only 4' 9" and weighs 94 lbs.

There is a lovely Junior girl who answers to the name of Sue North. Her sister, Imogene, is a Senior and both classes are fortunate in having them.

Everybody meet these people and next week I will introduce some more.

We are happy to have a number of new teachers this year and in case you don't already know who they are we will have one each week so you may know more about them.

Miss Margaret Weaver will be the first. She went to Spur High school at Spur, Texas all four years of high school.

Then attended Tech and received her degree in Home Economics this last spring. Her pleasant smile and friendly greeting for each student is making her a favorite among the students.

Senior of the Week

Frank Stokes . . . who is vice-president of the Senior class. Frank lives in the Graham community and is well liked by all students of the school.

Guess Who???

She is a member of the Sophomore class and was born between the 10th and 25th of June. She has pretty black hair and lives in the Garza community. She makes good grades and works hard. Who is she?

Last week's personality was Don Shirley.

Basketball Game

Thursday night the boys and girls both had a basketball game. The girls game was very exciting. It was a close game. The girls were divided into two groups, one being called the Graham team and the other Post. Those on the Graham team were Mary, Etta Norman, Melba Jo Miller, Joy Shepherd, Billie Cowdrey, Ganelle Babb and Jimmie Chandler.

On the Post team were Betty Williams, Iris Parker, Tommy Chandler, Dorace Propst, Mary Carpenter and Marion Edwards. The Post team won with a score of 16-14.

The boys game was between the 3rd and 4th period gym classes. Those playing on the third period class were Johnny Thomas, Frank Stokes, Herbert Duren, James Wheeler, Alvin Davis, Buddy Bailor, Billy Mac Shepherd and J. D. Wall. Those on the 4th period team were Junior Shepherd, Don Shirley, Ralph Seay, Bobby Cash, Hugh Templeton and Marshall Mason. The 4th period class won with a score of 16 to 7.

Senior Class Meeting

The Seniors had a call business meeting to choose the design for their invitations and cards. Mr. Wilson, a representative from the Star Engraving Co., was here to show the class samples.

Can You Feature . . .

A basketball game on any night but Friday night? Mr. Bearden with hair? Fifty students being smart enough to be Seniors? Marshall with anyone but Marson?

Dinner Bell Club

The Dinner Bell club met in the High school building Thursday night for their main initiation. All week these 30 girls have overcome very embarrassing situations

A scene from Mark L. Moody's famous picture "Ravaged Earth" presented in Harley Sadler's Tent Theatre Tuesday night, Oct. 19.

Business Men Given Credit For Change In Civilian Standards

Elmer Davis, Office of War Information director, said Saturday that civilian change-over to wartime standards would have been impossible without the cooperation extended by American business through paid advertising.

Mr. Davis said, "Up until the time the various government war programs were consolidated, Mr. and Mrs. Smith were being exhorted to do too many things at once, in too little time, by too many agencies. The Smiths are not only doing what is expected of them today, but doing it with a minimum of confusion."

He described the campaign, which resulted in an over-subscription of the Third War loan, millions of victory gardens and participation in government conservation, salvage and manpower programs, as "one of the most effective examples of close cooperation between government and business in our entire history."

The small town business firm, as exemplified by Post merchants and business men, has played its part in the tremendous change-over. Without their undivided cooperation the educational feature of the war time program would not have been so successful.

and everyone proved herself by going through much more difficult tasks Thursday night. There were pencils to be pushed by their noses down the hall, stairs to be cleaned with toothbrushes, and many unappetizing foods which they surprisingly ate very well.

Next a program was directed by the new president, Betty Williams, officers of the club and new members. Later refreshments were served and the girls were justly qualified to be members of the Dinner Bell club.

Large Quantities Of Cotton Going Into Navy's New "Grays"

Large quantities of cotton twill are being purchased for the production of the slate gray uniforms recently selected by the Navy.

The idea of slate gray is primarily for camouflage purposes when men are on board ship. At the same time it provides a uniform that is easily distinguished from the Army's summer khaki as the Navy's dress blues are distinguishable from the Army's olive drab.

Slate gray will be adopted by commissioned, warrant, and chief petty officers for their summer working uniforms. Enlisted men's undress jumpers, trousers, and peaked caps will also be made of the new gray twill, though blue dungarees will continue to be worn for work on ship and shore.

Issuance of the gray working uniforms is expected to ease the wear on the enlisted men's dungarees and thereby reduce replacements.

The fiercest honey bees are in India.
