Survey shows support for 'beefing up' sports

Post Athletic Director Glynn told school trustees Monday that an evaluation of Post's athletic and physical educational programs showed strong community support behind most of his six recommendations to Supt. Bill Shiver for program improvements. Gregg was reporting to trustees the evaluation program carried over a number of weeks by coaches in which approximately 10 per cent of the high school student body was interviewed. Twenty-two teachers queried via questionnaires and over 30 local businessmen and professional men questioned.

who came out for the first time as a senior for football "and made a hand." Gregg said only one player made it in two seasons. Gregg cited the loss of several fine prospects who have blossomed or are blossoming into stardom in other area schools as one of the reasons why the high school athletic program isn't showing more results from junior high talent moving up. They moved from

Post with their parents. He said of course there were other reasons such as a loss of interest by some boys or the failure of others to develop athletically beyond junior high accomplishments. In answer to a question, he estimated there aren't even five per cent of high school students who are not in the schools' athletic programs who "could help".

Gregg reported that the evaluation of the athletic program among downtown boosters produced these general recommendations: Need of best equipment available ("we have it now," Gregg commented) need more staff, need more community support for school program, more emphasis needed on physical education program in the lower grades, and need for a summer camp for the younger grades. (See Athletic survey, Page 8)

Trustees boost salaries of two

Contracts extended six on school administrative staff

Post school trustees Monday night voted unanimously to extend 1969-70 contracts to six on the school administrative staff upon Supt. Bill Shiver's recommendations.

Two will receive \$500 annual pay boosts with the others getting "increment increases" similar to those provided teachers in the state salary scale.

Offered new contracts were High School Principal Vernon Payne, Junior High Principal James E. Pollard, Elementary Principal Jack Alexander, Athletic Director Glynn Gregg, Mrs. Bettye Scott, staff consultant for elementary education, and Dan Rankin, assistant elementary principal.

Receiving pay increases, other than increment boosts, were Mrs. Scott, who has been elementary supervisor for four years at just

slightly above the state pay scale; and Alexander, who was started on administrative duties at approximately the state pay scale.

In other actions at the five-hour February meeting, which lasted well beyond midnight, trustees:

1. Set the date for the spring school trustee election (see separate story).

2. Gave final approval to publication proofs on board policies, adding a new policy providing for the expelling of students having a dangerous or narcotic drug or alcoholic beverage in their possession or being under influence of one of them while in school or participating in a school-sponsored function.

3. Discussed progress being made in efforts to collect delinquent personal property taxes, which began two weeks ago with

the mailing of letters to all such tax delinquents.

4. Heard Athletic Director Gregg present results of an evaluation of Post schools' athletic and physical educational programs and his recommendations to the superintendent concerning such program (see separate story).

5. Accepted recommendations of Supt. Shiver to employ Mrs. Barbara Babb as a teacher aide for the second grade at \$240 monthly and Bob Hudman as a teacher aide for the fourth and fifth grades at \$300 monthly, both for the remainder of the current school year. Hudman is a recent Texas Tech graduate.

6. Discussed the possibility of establishing an auto mechanics trade course in Post High School now that an experienced local mechanic has qualified to teach such a course. Trustees expressed considerable interest in this proposition and asked Shiver to make a thorough study of the proposal to see if state financial aid could be secured for such a course and if credit could be allowed to ward graduation.

The addition to board policy of the drug and alcoholic beverage provision was recommended by Leon Graham, assistant commissioner of the Texas Educational Agency, as a prerequisite for any action against any future student violators.

Supt. Shiver pointed out Post has no such problem now but the schools should be prepared to take future action should any drug usage be uncovered here.

In the discussion on the first delinquent personal property tax collections, as a result of the board's recent letter, Supt. Shiver (See School board, Page 8)

Grass fires keep firefighters busy

Post firemen were kept busy fighting grass fires during last Friday's high winds.

Early Friday afternoon, the Post firemen, along with firemen from Snyder, fought an outbreak of grass fires on the Luther Reed and Bandy Cash places and on other property in the Justiceburg area. Large acreages were burned over, with the fire also destroying some new cedar posts and some lumber on the Cash farm.

About 7 p. m. Friday, the firemen put out a grass fire on the Douglas Buchanan place in the Verbena community, with neighbors of the Buchanans also assisting in fighting the fire. About 30 acres of pasture land were burned.

The firemen were called out again Monday to a grass fire on the Continental Oil Co. lease about five miles northwest of Post, where from 15 to 20 acres were burned over.

Also last Friday morning, the Post firemen extinguished a George R. Brown heater fire on the Montgomery - Davies "B" lease southeast of town.

Hopkins for re-election; Pierce in council race

John N. Hopkins has filed for re-election to a second term as mayor, and Bobby Pierce has filed for one of three places to be filled on the city council, according to City Secretary Wanda Wilkerson.

The city election will be held April 5. The filing deadline for candidates is March 6.

Junior student winner in Sweetheart contest

Nancy Hart, a Post High School junior representing the high school choir, won the Future Homemakers of America annual Valentine Sweetheart contest held Saturday night in the primary school auditorium.

Miss Hart, daughter of Mr. and Mrs. Boy Hart, won over 17 other contestants.

First runner-up was Donna Stewart, representing the Letterman's Club, and second runner-up was Beth Peel, representing the Junior class. The other two finalists selected by the judges were Peggy Bevers, representing the Student Council, and Karen Lee, representing the Future Teachers of America chapter.

The sweetheart crown was placed on the winner's head by Ben

Miller, the FHA chapter's sweetheart.

Jack Alexander, elementary school principal, served as master of ceremonies. The contest theme song, "My Own True Love," was sung by Vernon Scott, with other entertainment provided by Sharyn Bibbery, Charles Baker, Nina Young and Nancy Norman, who played background music and was accompanist for the special numbers.

The FHA members express their thanks to all who helped make the contest a success. They include the three out-of-town judges, Mrs. Wheatley and Miss Casey, FHA chapter sponsors, and Gwen Weatherby and Karen Miller, student teachers in the homemaking department.

County-wide tax levy to hold at 95 cents

Garza County's county-wide tax levy will remain at 95 cents for 1969, but taxpayers in road district 2 will get a "break" in that the 25 cent road district levy has been removed.

None of the commissioner districts will have any special taxes now.

While the county-wide levy remains the same, the levy breaking down for various county funds was changed.

The jury fund was increased from one to two cents and the permanent improvement fund was boosted from four to six cents. The general fund levy was dropped from 61.5 cents to 60 cents and the hospital improvement sinking fund from 13 cents to two cents.

Remaining the same as 1968

were the road and bridge special at 15 cents and the road and bridge levy at 10 cents.

The Justiceburg common school district levy was again set at 75 cents, the same as for 1968.

In other actions, the commissioner:

Reappointed Sexton Huntley, A. C. Cash and Earl Chapman as hospital trustees for two year terms, effective Feb. 10.

Changed the voting place for 1969 elections in Precinct 1 from Teen Town to the First Presbyterian Church.

Increased Deputy Sheriff Reed Parker's monthly salary \$50 to \$450 for extra duties in the sheriff's office.

Transferred \$4,000 from the general fund to the hospital operating fund, leaving a \$15,000 balance in the general fund available for hospital operating use during 1969.

Designated the First National Bank of Post as the depository for county funds for a two-year period from Feb. 8, 1969, through Feb. 8, 1971.

Jaycees ask for auction items

Those with articles they wish to consign to the Jaycee community auction to be held Saturday, Feb. 22, are asked to turn them in by this weekend, if at all possible, so they can be included in the club's advertising of the auction. The absolute deadline is 6 p. m. Friday, Feb. 21 for non-perishables.

Such articles as tractors, tan-trucks, ice boxes, clothing, furniture, household appliances and stock trailer tandems are welcomed, as well as "most anything else," the Jaycees said.

The Jaycees also announced that Ambros Gray, auctioneer, has offered to donate his services to the auction, which will be held in conjunction with the annual George Washington Birthday Sale.

Little League meeting to be Saturday night

Jerry Conoly, Little League president, has called a Little League and Minor League meeting for 7:30 p. m. Saturday, Feb. 15, at the Ruddy Room.

The league president urges everyone interested in the Little League program to attend, especially those who have served as managers and coaches.

'ADOPTED' DOG IS POISONING VICTIM

City police Tuesday night disposed of a dog that had been poisoned after "taking up" with the Wanda Zachary family at 611 West 13th St.

Mrs. Zachary, who said she and her four children had become attached to the dog since it came to their place about a week ago, called the police to take it away only after they had tried every way they knew to save the pet.

"The children fed the dog grease and eggs all day trying to save it," Mrs. Zachary said.

One reason the children had become so attached to the dog was that "Go-Go," a dog they had owned for seven years, was run down by an automobile several weeks ago, Mrs. Zachary said.

Meanwhile, the reward for information leading to the arrest and conviction of the dog poisoner, or poisoners, was increased \$121 by contributions this week.

There is a lot of support in the community for the recommendations of Athletic Director Glynn Gregg aimed at improving the quality of the Post schools' athletic and physical education programs.

School trustees are mulling over Gregg's evaluation report and his recommendations after getting them Monday night during a long session which finally wound up about 12:30 a. m. Tuesday.

Any and all the recommendations cost money.

Are trustees for or against them? Well, the trustees haven't talked over the matter as yet, but the most educated guess we would make is that the board is simply going to have to wait and see what the cost of the expected hefty state teachers' pay raise is going to be to the local district before committing themselves on any new expenditures. If they can be "afforded" after the pay hike without raising school district taxes, we think trustees will give them fair consideration.

Pioneer Natural Gas has a company-owned subsidiary named Amarillo Oil Co., or something like that, which they mail out press releases about. The press releases, which we haven't used because they pertain to the Gulf Coast activities of the firm, are, of course, all about uranium development.

What we'd like to spring on page 1 is a press release that their subsidiary now holds uranium leases on about 12 or 15 sections in eastern Garza County. That's the story we get, but nothing official from Pioneer.

50 attend annual Chamber banquet

Plaques are awarded three 'outstanding'

Approximately 250 members and guests attended the annual Post Chamber of Commerce banquet in the junior high school gymnasium last Thursday night, at which three "outstanding" award plaques were presented to two individuals and one organization, and at which Lee D. Herring, Grand Preakn banker, was guest speaker.

The "Outstanding Man of the Year" award went to David N. Newby, production superintendent at R. S. Anderson, Oil Operator; the "Outstanding Woman of the Year" award to Mrs. Helen Livingston, Chamber of Commerce secretary, and the "Outstanding Organization" award to the community's "young men on the go," the Post Jaycees.

More than 90 per cent of Herring's talk was in a lighter vein. One point in his chain of "funny stories," however, he turned to the big banner on which the banquet theme, "Progress Through Unity," was printed, and said, "With that theme, I don't see how you can miss; it will take you years."

Herring also said, "Being in a Chamber of Commerce is important to anyone."

Jim Cornish presented the outstanding man plaque and in his presentation talk referred to Newby as a "do-it-yourselfer," who, among his other accomplishments, had "defused a fire bomb" in taking the initiative and doing much of the actual work in getting the old Queen Hotel building boarded up for safety and made more attractive.

He said Newby also had provided the town with a major tourist attraction in the sextuple (six-level) well in the west part of town; that he has served as an adult leader at Teen Town for many years, is a Post Public Library trustee, and a former member of the school board.

Mrs. Ruth Young, in presenting the outstanding woman plaque, called attention to Mrs. Livingston's devotion to her duties as Chamber of Commerce secretary,

which she said is only a continuation of the devotion she has shown to her work in 22 years of working "away from home."

"She has always had the interest of the community at heart," Mrs. Young said.

Tommy Young, Jaycee president, accepted the outstanding organization plaque following the presentation talk by Vernon Scott.

Scott told of the many community projects the Jaycees have carried on since their organization in 1964. He said that, unlike some other organizations, the Jaycees spend "less than 10 per cent of their time talking and more than 90 per cent of their time doing."

Also on the program was the presentation of ex-councilman city (See C-C banquet, Page 5)

Disastrous grass fires strike Justiceburg area

By MRS. SAM BEVERS JR.

Last Friday about 1:30 p. m. grass fires started burning east of Justiceburg on the Luther Reed, Bundy Cash and W. V. Roy estate property. With the wind so high you couldn't see any smoke but it sure did destroy several hundred acres of grass land and burned some new cedar posts and lumber at the Cash farm. The Post and Snyder fire departments were summoned and the Cash barn would have burned if the fire departments hadn't been there. Many oil field crews came along with many other people in the Justiceburg community to help fight the fire. It was brought under control about 4:30.

A week ago Saturday the Don Robisons lost about 200 acres of sorghum and pasture land to fire. The grass is so dry now it wouldn't take much to cause a much bigger fire than we have already had, so everybody should be real careful.

Sunday visitors of the Sam Bevers were the Spence Bevers family, Sam Heintz family, Don Robisons and Billy Blacklocks.

Mrs. Kenneth Hale and Kenneth Wayne of Greenville were weekend guests of her parents, the E. C. Pettigrews. Sunday visitors were the E. B. Morgans of Slaton.

Mr. and Mrs. Carroll Moore of Snyder were Monday visitors of the Elton Nances.

Mrs. Maudie Justice visited her sister in a rest home in Brownfield Friday.

Mrs. Duckworth returned from Amarillo Sunday from a three-day visit with her sister, Mrs. Winnie Henderson, who is still in very serious condition.

Johnnie Mack Carruth of Andrews is visiting in the home of his uncle and aunt, the Willie Mizes.

Miss Glenna Bevers attended a 4-H meeting last Thursday. Mrs. Billy Blacklock visited Mrs. Tina Faza Wednesday and Monday evenings.

Mr. and Mrs. E. C. Franklin met their son, Harold Franklin, and family in Seminole Sunday for a visit.

Kirt Robison visited his grandparents, the Don Robisons, from Monday to Wednesday.

Mrs. Sam Bevers Jr. visited the George Tillman's Thursday night.

MR. AND MRS. Cecil Smith, Mrs. Mason Justice and Mrs. Powell Shytles went to Albany Sunday to be with Mrs. Frances McWhirt whose father, Frank Breeden, had passed away.

Mr. and Mrs. Elton Nance were Sunday dinner guests of Mr. and Mrs. Henry Key.

Mr. and Mrs. J. C. McMurry of Tulsa visited Wednesday with the Don Robisons.

Gordon Bright and children of Crystal City visited his wife over the weekend. Mrs. Bright is a house guest of Mrs. Jewel Reed. The Inon Neuman family visited the Weldon Reeds Saturday. Joe Pennell was a weekend guest.

Mr. and Mrs. Don Robison visited the W. C. Caffey Friday. Recent visitors of the Cecil Smiths were Allen McDonald of

Value Showdown:

Match these features against what competition gives you for the same kind of money, and you'll have a better idea why more people are buying Chevrolets again this year.

Built-in "guard rails"

There's a strong steel beam built into every door of every 1969 Caprice, Impala, Bel Air, Biscayne, Kingswood Estate Wagon, Kingswood, Townsman and Brookwood.

We call it a side guard beam, and it looks like one of those guard rails you see along the freeway.

That's what it's there for: To guard you. To strengthen the door and put a more solid wall between you and the outside world.

Not a glamorous feature. But you'll have to admit, worthwhile.

Computer-selected springs

Maybe you'll order your new Chevy equipped to the hilt. Or maybe you'll order it with hardly anything on it.

Either way, you're going to get your full measure of our renowned ride.

Because we go to the trouble of programming each car's equipment load into an electronic computer.

The computer then tells us exactly which springs to use, depending on the car's weight and the way it's distributed.

Chevrolet, the only car in its field with computer-selected springs.

Fenders inside fenders

We could have skipped this. (The other cars in our field do.) But we're as anxious as you

are to keep your beautiful new Chevy looking beautiful and new.

So, up inside the regular fenders we've placed a second set.

They do all the in-fighting. Catch all the splashed-up rain, slush and road salt. Stop the kicked-up stones.

While your "outers" just sit there looking pretty.

Astro Ventilation

The other two cars in our field give you air intakes down by the floor.

So do we. We also give you two up on the instrument panel.

And all four of them are adjustable so you can regulate the flow of air just the way you like it.

Even with all the windows closed, you'll be comfortable inside. You get air without wind. Without noise.

Astro Ventilation is standard, now, on all the big Chevrolets.

The theft-thwarter

On the steering column there's a lock.

Only Chevrolet has it in Chevrolet's field. You turn the key and it locks three things:

- Your ignition.
- Your steering wheel.
- Your shift lever.

When you own a car this tempting, you don't dare take chances.

Biggest standard V8 in our field

Ask any car enthusiast, he'll tell you: Chevrolet builds great engines. Especially V8s.

And this year there are six great V8s available for the big Chevrolet. Standard: Our 235-hp 327-cubic-inch Turbo-Fire.

Another thing: We've lowered the price of several of our bigger V8s along with our automatic transmissions and power disc brakes. Which makes it possible for you to buy a '69 Chevrolet for even less money than you could last year.

Show up for our Showdown. You can't lose.

Putting you first, keeps us first.

LISTENING POST

By ROSEMARY CHAPMAN

Ever since Barbara Babb, Zoe Kirkpatrick, and I did a toy animal dance for Post Music Club's production of "The Nutcracker", Barbara has been waiting patiently by the telephone for an offer to come through from Walt Disney Studios. "I know they need us," Barbara reiterates wishfully.

Poor starstruck kid. I could tell her a few things about show biz. I myself waited some 34 years before the big break came. Hanging around, waiting for calls from Otto Preminger, Stanley Kubrick and Howard Hughes, little did I realize that golden opportunity would knock right in my own backyard. George Miller offered me a part in "Don Juan in Hell" at a Post Christmas party.

I decided to play it cool. It doesn't do to let these small-time producers know that one is anxious.

"Georgie, dah-ling," I drawled huskily in my best imitation Garbo. "Tell me more about this play of yours."

"Did you get something stuck in your windpipe?" asked George. "Your voice sounds odd."

Quickly I switched to early Tony Curtis: "Take me to da castle of your fadder."

"I believe you've been drinking," said George.

Doesn't he know talent when he sees it. Oh, well. Back to Garbo: "RAH-ly, dah-ling, you c'N't ex-

pect me to appear in a play by an unknown author."

"Rosemary," said George. "Don Juan in Hell" was written by George Bernard Shaw.

"Oh, Him." I said. "THAT old fag."

"Actually, I think you'd really enjoy the role of Dona Ana de Ulloa," George continued. "It's perfectly suited for you. When you find yourself in Hell, you get to say indignantly, 'Oh! and I might have been so much wickered!'"

"That IS a good line."

"You'd be the star of the show," said George. (He thinks he knows me.) "Also, you'd be the only female in a cast of four." (He DOES know me.)

"Go on," I urged.

"I'll be Don Juan. I hope to get Gordon Lee for Lucifer, and Bryan J. for the statue."

"Bryan J. Williams? George, that's ludicrous."

"I think he'd make a GOOD statue."

"O. K. Tell you what. I'll read the play and let you know. May I borrow your copy?"

"We have all of GBS's plays at the library, remember? Why don't you just check it out."

These librarians.

Anyway I did. And you know what? The only girl part I could find in "Don Juan in Hell" was a listed as THE OLD CRONE.

Thinks the part suits me, huh?

'Paper Lion' to show at Tower

"Paper Lion," George Plimpton's hilarious best-selling book about his own experiences as a rookie quarterback with the Detroit Lions, has been made into a movie opening in Technicolor Friday at the Tower Theatre and showing through Sunday.

Starring Alan Alda as Plimpton, the film introduces Lauren Hutton and also stars the real Detroit Lions.

On the best-seller list for 26 weeks, "Paper Lion" is a factual account of Plimpton's almost suicidal exploits, faithfully transposed to the screen in a warm and witty screenplay by Lawrence Roman.

WEEKEND GUESTS

Mr. and Mrs. Richard Lane of Stamford spent the weekend in Post as guests of Mr. and Mrs. Monroe Lane and Mrs. Vi Terry.

Star of the show, huh? NO, George, I WON'T be in your silly old play. However, I would be GLAD to direct it. I can see us now.

"Places, everybody, PLACES. Gordon, baby, move left center—you're blocking Bryan."

"That's impossible," says Gordon.

"MOVE it," says Bryan.

"Now, cast — no fighting, no biting. All one big happy family, right? Hey, YOU, LOVER BOY, DON JUAN. That's right — You, librarian. Get Raquel Welch on the phone. See if she wants to do Dona de Ulloa. If she's tied up, give ol' Barbara Babb a ring. "Maybe she's getting desperate."

"We've Had More Experience"

By Bernard S. Ramsey

James M. Minifie, political analyst, says

that, when he was driving back to Chicago with Senator Charles Percy after a swing around the suburban schools in the 1966 campaign, Percy asked him (Minifie) to tell Robert Kennedy that, of the thousands of letters of condolence which he had received at the time of his daughter's murder, the most comforting one had come from Senator and Mrs. Kennedy. And when Minifie passed that word on, Robert Kennedy was touched, nodded slowly, and

said: "We've had more experience."

So have Christians had more experience. Their whole faith is centered in a suffering sacrifice of Christ.

They are the ones who are able to face the tragedies of life with the right word.

There is no person who does not at times, need the sympathetic and empathetic understanding of others, and frankly, I know of no better place to find it than in the worship and fellowship of the Church.

★★ SALUTING ★★ THOMAS A. EDISON ★★★★★★★★★★★★★★★★★★★★ -BORN FEBRUARY 11, 1847-

When Thomas Edison, the great American inventor, discovered the electric light almost a century ago, he opened the way for one vital portion of America's 19th century industrial revolution.

Electric power today is not only a vital part of our industrial way of life but our farm way of life as well. As we celebrate National Electric Week next week, Lyntegar Electric Co-op points to its achievements in the ten-county West Texas area it serves.

Today it has approximately 14,000 connections with approximately 5,600 members in Hockley, Lubbock, Garza, Terry, Lynn, Yoakum, Gaines, Dawson, Borden and Martin counties.

Operating approximately 5,000 miles of lines, Lyntegar constantly is extending additional service into its areas. Some 6,300 irrigation wells are being served at this time, with new ones added throughout the area as the demand is made. Lyntegar currently has an approximate \$12,000,000 investment in its electric system.

Herman Dabbs is the director representing an area which includes the Gaza County operating area.

Last Saturday's excitement from the FHA Valentine Sweetheart Contest is over. Finished. But congrats go to Nancy Hart, the new Sweetheart, and Donna Stewart, first runner-up, and Beth Peel, second runner-up. These talented girls truly deserve their awards. After being in the contest last Saturday, I know what it means to have "your heart in your throat!" All you can feel and hear is the loud, persistent pounding of your heart, which is enough to give you a headache. But, it was fun participating in the contest and sharing your fears with the other girls in the contest.

After the contest last Saturday night, "The Purple Haze" played for the dance at Teen Town. Couples there were Patti Peel and Roy Sappington, Mary Ann Wright and Ken Herron, Linda Justice and Leslie Davis, Jan Adams and Ronnie Petty, Nancy Hart and Jerry Bourne, Sherry Bird and Karl Hall, Donna Stewart and Dennis Altman, Karen Hundley and Jimmie Johnston, Janice Gordon and Anthony Altman, Karen Lee and Wiley Miller, and Voda Beth Voss and Charlie Brown.

Others present included Nancy Cook, Jane Johnston, Davy Midkiff, Cheryl Pennell, Rebecca Pruitt, Rickie Jones, Gary Workman, Patti Allison, Sue Johnson, Paula Cravy, Pam Conolly, Larry Ross, Charles Neff, Johnny Hodges, Jay Bird, Debbie Cummings, Debbie Dickson, Brenda Lee, George Torres, Jan Olson, Larry Johnson, Ronnie Williams, Kathy Jones, Debbie Eubank and Richy Lee.

THANKS goes to Mrs. Cummings, who arranged and sponsored the dance. Mrs. Cummings does a wonderful job for the teenagers of this community, and I think that more appreciation from the kids should be shown towards her. For example, EVERYONE come to the Valentine dance this Friday night from 8 to 12:30 p. m. "The Coachmen" from New Mexico will play at a cost of \$1.25 per person. So, BE THERE! (Please!)

Well, last Tuesday we didn't have school because of the teachers' meeting. I slept late, watched TV, and practiced on my lines for the Senior play. "That Groovy Guru," which will be performed Feb. 28, Now, since . . . Would you believe HAPPY VALENTINE'S DAY? How about Happy Thursday - Because - Tomorrow - Is - Friday - Day?

'Top Twenty' on banquet program

The "Top Twenty" from the Post High School choir, under the direction of Georgie M. Willson, sang at the annual Post Chamber of Commerce banquet last Thursday night.

'One Fantastic Night' to be sponsored at Ralls by Explorers

RALLS — Virgil and Julie, who will bring their spectacular production, "One Fantastic Night," to the stage of the Ralls High School auditorium on March 5 under the sponsorship of Explorer Post 333, promise an amazing demonstration on ESP, Telepathy, and Thought Control.

Some psychologists have thought that the scattered instances of one person picking up the thought impulses of another is mere coincidence. If, however, one person is able to call total strangers by their names and tell them their innermost thoughts, can it be mere coincidence? This is just one phase of the demonstration Julie will present during her "Mysteries of the Mind" act in "One Fantastic Night."

Laughter and entertainment is the keynote of this full evening show as Virgil and Julie take you into a dream world of fantasy.

'For Pete's Sake' booked at Slaton

SLATON — "For Pete's Sake," from World Wide Pictures, will premiere at Slaton High School on Feb. 27-28 and March 1 at 7 p. m. Produced in wide screen and brilliant Eastman color, this comedy-drama stars Robert Sampson and Pippa Scott in a mile-high Denver setting, against the magnificent backdrop of the Rockies.

"For Pete's Sake" lives day by day with a meat- and - potatoes guy who has dared to take on big questions about Christianity today, and comes up with even bigger answers. To Pete, God was not dead! Or was He?

On a damp, gray, Sunday afternoon, Pete Harper was one of a large crowd at Denver's Bear Stadium listening to a sermon during a Billy Graham Crusade. Why was he there? "It was free." It was free, but Pete, his wife, and their son all got more than they had bargained for. Moved by the message, they found themselves going forward. What then?

Texas and North Carolina are the only states with a larger farm population than Iowa.

SPUR — The Spur Jaycee organization has set March 14-16 as the dates of its second annual Rattlesnake Roundup. The event will be held in Swenson Park here.

Prizes will be awarded for the largest snake, the snake with the most rattles, and to the hunter bringing in the largest poundage of snakes.

Cecil Fox, retired game warden, will give demonstrations with live rattlesnakes.

Fried rattlesnake meat will be sold at the concession stand along with cold drinks, coffee and sandwiches.

Students hear talks on college requirements

By Kay Lofton

Tuesday, Feb. 4, the Juniors and Seniors of Post High School met in the primary auditorium for a special program presented by Nathan Tubb, Dean of the Academic Department at South Plains College.

Mr. Tubb told the students of the requirements and specifications in general for college. Another representative also discussed some of the particular programs at South Plains College.

After the representatives spoke, the students asked questions about different colleges.

Join Oldsmobile's Great 88 Escape. Step into the big-car world without overstepping your budget.

Once you move into 88's big-car world, you've got yourself a lot of basic value.

But we don't stop there. We always put extra values into an Olds 88 that keep it way ahead of its price.

Like new guardrails built in the doors for added security.

Even a pushbutton ashtray.

They're little things that make the big things about an 88 that much more enjoyable.

The smoother, softer ride on its new, longer, 124-inch wheelbase.

The quiet comfort of that roomy, big-car body.

And the big, responsive Rocket V-8 engine.

Go let an Olds dealer show you: you're closer to Olds than you think.

Escape from the ordinary at your Oldsmobile Dealer's.

Installing Gas Air Conditioning is a Snow Job

Put in Gas Air Conditioning in the winter . . . and beat the rush that always starts on the first hot or dusty day. This spring, while the crowd's all steamed up waiting for overworked installers, you'll be cool, calm and collected . . . enjoying the benefits of the smart air conditioning buy . . . economical gas air conditioning. Quietly cools your whole house for what you may have been paying to cool two or three rooms. You'll save on repairs, too, because gas air conditioning has no major moving parts to wear out.

And the payments . . . forget 'em until May 1st.

Call Pioneer tomorrow. A representative will be glad to put on his overcoat and come tell you just what it will take to convert your present forced air heating to comfortable, efficient Gas Air Conditioning. It costs you nothing to get a complete cooling survey of your home or business.

Tulia rites held for Altman youth

Jack Melvin Altman, 19, of Tulia, who died Sunday night of injuries received in an automobile accident east of Happy, was buried in Rose Hill Cemetery following funeral services at 3 p. m. Thursday in the First United Methodist Church of Tulia.

Altman, a student at South Plains College in Levelland, was a nephew of Deamos Altman, and Ira "Dad" Greenfield, both of Post.

He was the son of Mr. and Mrs. Dan Altman of Tulia. Other survivors include a brother, Danny, and a sister, Mrs. Barwell Jones Jr., both of Tulia.

Hankins funeral held in Lubbock

Funeral services for Edward Allen Hankins, 88, of Lubbock, who died Friday, were held at 10:30 a. m. Monday in the Ford Memorial Chapel of the First Baptist Church of Lubbock, with burial in the City of Lubbock Cemetery.

Mr. Hankins, who had been in poor health for several months, died in a Lubbock nursing home.

Survivors include his wife, Mrs. Maude Pettigrew Hankins of Post, a stepson, J. W. Pettigrew of Slaton, two stepdaughters, Mrs. W. C. Caffey Jr. of Post and Mrs. E. C. Hill of Eloy, Ariz.; four sisters, three brothers and one grandchild.

Area residents visit El Paso Stock Show

By MRS. GLENN DAVIS

Here we are trying to write the news with very little to tell.

The Noel White family and Mrs. Bryan Maxey spent the weekend in El Paso visiting the Franklin Maxeys and attending the stock show.

Maybe we owe an apology to the Close City community and to Tommy Young. When we congratulated Delwin and Tommy in last week's news we said they grew up in and around Graham, but it didn't come out in the paper that way. Tommy attended the Close City School. His home, where he grew up, is a few feet closer to Graham. So what! We were not entirely wrong.

Sunday luncheon guests of the Stock Ledbetter were the Homer Jones family of Wellman, Hall Rogers, Joe Puckett, Rickey Jones and Mr. and Mrs. Hower Jones Jr. all of Lubbock and Kay Altman, Don Maxey, Charles and Dickie Wallace and Guy Nelson.

Mrs. Ada Oden was hostess at last week's meeting of the Thursday Club and served refreshments to Mmes. Iris McLaughlin, P. and L. Wallace, Lella Gilley and Viva Davis. The club will meet with Mrs. Wallace Feb. 20.

Mr. and Mrs. Mike Hewitt of Abilene visited Friday with her parents, Mr. and Mrs. Elmer Lindsey and her brother, Bud Swain. The visit was on Saturday and stayed overnight. After another visit from the Hewitts returned home Monday.

Mrs. Linda Oden, Mrs. Oletha Cook, Mrs. Edna Oden and a Debbie and Wavland Morris of General Wells visited the Melvin Williams Saturday.

Charlette Taylor spent the weekend at home with her parents, the Taylors.

Mr. and Mrs. Melvin Williams attended a Northrup King Seed Co.

banquet Monday in Lubbock and Melvin was presented a plaque.

Sunday luncheon guests of Mrs. Glenn Davis were the Elvus and Alvin Davis families. They all helped Elvus celebrate his birthday. The L. H. Peels and Delmer Cowdreys visited in the afternoon.

Mr. and Mrs. L. G. Thuet Sr. visited in Lubbock hospitals Monday with Julius Johnson, Mrs. T. L. Jones and Mrs. J. M. Bush.

Talk on 'hippies' heard by Lions

The "hippie" movement and its effect on today's young people was discussed by Don Davenport, minister of the Post Church of Christ, at Tuesday night's Lions Club meeting at Floyd's Steak House.

The possibility of the club sponsoring a youth program was among the items discussed at a board of directors meeting which followed the program.

Also discussed was the purchase of new rodeo flags, erection of new highway signs in cooperation with Rotarians and Jaycees, and presenting at the next meeting of the club's backing of the proposed spring clean-up campaign.

Sextuple well is film feature

Southwestern Public Service Company's economic growth film on its Texas - Oklahoma - New Mexico trade area contains an action shot of the world's only sextuple oil well, located in the northwest part of Post and signed as a tourist attraction.

The film was shown Post Rotarians at their weekly luncheon Tuesday in City Hall.

Bill Hart of Lubbock, divisional sales manager for the utility firm, introduced the picture.

Host Thomas, scoutmaster of Rotary - sponsored Boy Scout Troop 316, was a guest of the club and told members that 15 new scouts have joined the troop in recent weeks and troop activity is on the upgrade.

Dimmitt man chosen for state OYF title

Mr. and Mrs. Delwin Fluitt and Mr. and Mrs. Jerry Thuet attended the Texas Jaycees' Outstanding Young Farmer banquet Saturday night in Pampa, where Fluitt represented Garza County in the state OYF competition.

The state OYF award went to Donald J. Wright, 34, of Dimmitt, who will represent the state in next month's U. S. Jaycees' national competition at St. Paul, Minn.

plaques by the City of Post to Arnold Parrish and Robert Cox. The presentation was made by City Councilman Bob Collier. Parrish was a member of the city council from 1963 to 1968 and Cox in 1967-68.

Jim Jackson, taking over the reins of president of the organization, asked for the community's help in going forward under the theme "Progress Through Unity."

The president introduced new directors Ken Callaway, Gene Moore, E. R. Moreland, Fred Myers and T. B. Odum; holdover directors John Brockman, Harold Lucas, Bill Shiver and Dr. B. E. Young; and outgoing directors A. C. Cash, Robert Cox, Dick Dickson, Bill Pool and Vernon Scott.

The Rev. O. Curtis Lee served as master of ceremonies, with Dick Dickson making the welcome address. Guests from Lubbock, Slaton and Denver, Colo., were introduced.

"The Top Twenty," a high school choir group, sang three numbers under the direction of George M. Willson, who also played dinner music.

The invocation was by the Rev. George L. Miller and the benediction by Arthur "Bo" Jackson.

Junior rodeoers name directors

Junior and senior officers and directors of the Post Junior Rodeo Association were elected Monday night at the group's first meeting of 1969, with a large turn-out of members reported.

Johnny Pennell was elected president of the junior board, along with Ronnie Williams, vice president; Sue Johnson, secretary-treasurer; Mike Johnson, arena director; and Gary Workman, manager. The junior directors are: Larry Bilberry, Joan Minor, Joe Pennell, Melvena Stewart, Jimmy Kemp, Becky Dalby and Mike Short.

Pete Maddox was re-elected president of the senior board, along with Walter Josey, vice president; Cecil Johnson, manager; Herb Propst, arena director, and Dillard Morris, secretary-treasurer (re-elected). The senior directors are: Leon Clary, Jimmie Redman, Bob Short, Robbie King, Bobby Terry, Jack Morris and Johnny Kemp.

The Junior Rodeo group will meet again at 7 p. m. Tuesday, Feb. 18.
