GETS FIRST BALE PREMIUM—Bill Powers (center) is receiving a \$50 check from W. S. Duckworth, president of the Post Chamber of Commerce, for bringing in the first 1954 bale of "breaks" cotton, ginned Aug. 25. At the left is Buck Craft, Jr., manager of the Planter's Gin, which bought the \$30-pound bale from Powers at 36 cents after ginning it free. The Chamber of Commerce will also pay \$50 premium for the first bale of "plains" cotton.—(Staff Photo).

Garza County Gold Star Boy And Girl Selected

Dean Huddleston, 14, son of Mr. and Mrs. Homer W. Huddleston of the Crossroads community, and Oneita Jones, 15, daughter of Mr. and Mrs. Barney Jones of the Close City community, have been selected as Garza County's Gold Star Boy and Gold Star girl for 1954.

Announcement of the selections was made this week by Lewis C. Herron, county agricultural agent, and Miss Jessie Pearce, home demonstration agent.

August Rainfall In Post Totals 2.56

Monday afternoon's .32 of an inch of rain helped the month of August close out with a rainfall total of 2.56 inches. According to records compiled by County Agent Lewis C. Herron, it was the heaviest August rainfall since 1946, when 4.84 inches fell during the month. Rainfall in August, 1953, measured 1.98 inches.

Monday afternoon's rain is reported to have deposited an inch and a half of moisture in the Justiceburg area, but other sections of the county either were missed entirely or reported less than the .32 of an inch measured in Post.

Post's rainfall total through the first eight months of the year stands at 10.72 inches, according to the county agent's measurements.

Dryland cotton is opening throughout the county, and late-planted feed continues to hold up fairly well, the agent reported.

Herron said some leaf worm damage is being reported, but that the infestation seems to be spotty.

1,310 Vote In 2nd Primary Here Saturday

Saturday's second primary election brought out 1,310 Garza County voters, who cast 685 votes for Ralph W. Yarborough and 619 for the incumbent, Allan Shivers, in the governor's race.

The Texas Election Bureau's final report at 4 p. m. Monday gave Governor Shivers a 92,406 vote edge over Yarborough.

The bureau said only about 2,500 votes were uncouneted in 20 counties.

The final tabulation, from all 254 counties with 234 complete, gave Shivers 773,690 votes and Yarborough 681,284.

In the only other contested state race, Garza County voters cast 660 votes for Associate Justice Few Brewster, candidate for re-election, and 459 for his opponent, Alfred M. Scott. The election bureau's final count gave Brewster 777,478 votes and Scott 428,301.

Driver Is Injured In Bridge Crash

V. A. Lobban, Sr., 42, was reported resting well in Slaton Mercy Hospital Wednesday after being seriously injured shortly before 5 p. m. Tuesday when his automobile struck a concrete culvert one mile west of town on U. S. Highway 380.

Lobban, who was returning home from his work in an oil field, suffered a broken collarbone, a deep gash on his forehead, a smashed right elbow and other injuries.

Deputy Sheriff J. W. (Red) Floyd, who investigated the accident, said it might have been caused by a tire blowing out on the 1954 Ford sedan Lobban was driving. A tire on the car was blown out, but it had not been

Registration Begins For 1954-55 Term

Registration for the 1954-55 school term opening Monday began this afternoon in the high school gymnasium and will continue through Friday morning.

Sophomores, Juniors and seniors began registering at 1 o'clock this afternoon. Registration for eighth grade and freshman students will begin at 9 o'clock Friday morning.

Grade school pupils will be enrolled at the school Friday, according to Ellis M. Mills, principal.

School buses will run at the regular time Friday morning and make the return runs at noon, Chant Lee, high school principal,

ASC Committee Named For Year

Claude E. Spence, Post Rt. 1, was elected as chairman of the Agricultural Stabilization and Conservation Service County Committee Monday morning at the annual county convention in the ASC office here.

Spence, who served as vice-chairman of the county committee during the past year, succeeds, J. C. Fumagalli.

Will Wright, Post Rt. 3, was elected vice-chairman to succeed Spence, and Avery Moore, Jr., Post Rt. 1, was elected as regular member.

Named as first and second alternate members were Hansel D. Hallman, Post Rt. 1, and Homer W. Huddleston, Post Star Rt. They succeed Ray Hodges and Glenn M. Davis.

The new committeemen took office Wednesday. They were elected by convention delegates representing the three Garza County communities.

Mike E. Custer, ASC office manager, said the committee's primary duties are: 1. To conduct matters pertaining to the agricultural conservation program; 2. To aid county officials in setting up acreage allotments on all crops for which they are set; 3. To take charge of the

D. C. Arthur, superintendent of schools, announced Tuesday the resignation of one teacher and the employment of two new ones.

Herbert F. Aduddell, a member of the faculty for the past three years, has resigned to accept a position in Dallas as elementary school teacher and playground supervisor. He taught eighth grade classes here last year and coached the eighth grade football team.

Aduddell's wife, Nelda, also resigned as high school office secretary, a position she had held since they moved here.

The two new teachers are J. F. Banta and Mrs. Marian Hol-

Banta, whose home is in Marshall, will replace O. C. Strickland as a high school science and mathematics teacher. He is a graduate of East Texas Baptist College in Marshall, with a major in science and a minor in mathematics. Following his graduation from the Marshall college, he served two years in the Army and attended school this summer at the University of Texas.

Mrs. Holman, who will teach in the grade school, was a member of the faculty here during the 1951-52 school year. She is the wife of J. C. Holman, former Church of the Nazarene pastor here, who is now engaged in evangelistic work.

The only faculty vacancy re-

maining late Tuesday was that of a music teacher for the grade school. Supt. Arthur said.

Everything else is reported in readiness for the opening of the new term. A number of improvements have been carried out at all the schools during the summer months.

The overcrowded condition of the past two years will have to be contended with until mid-term, at which time the new junior high school building is expected to be ready for occupancy.

Rate Increase Request To Be Taken Up Here

A request by General Telephone Company of the Southwest for higher rates in Post will be considered at tonight's meeting of the City Commission, according to Mayor T. L. Jones.

In submitting the request last month for the new rates, R. E. Saunders, the company's general manager for Post, said decreased earnings brought about by increased operating costs was the principal reason for the request.

Since 1932 Saunders said, there have been only two rate adjustments in Post, totaling approximately 31 per cent.

The present rates in Post are: Business One-party, \$7.75; two-party, \$6.25; extension, \$1.50. Residence — One-party, \$4.50; two-party, \$3.75; extension, 75 cents.

The telephone company has set the following as the required rates:

Business — One-party, \$11.50; two-party, \$10; extension, \$1.50. Residence — One-party, \$5.75; two-party, \$4.75; extension, 75 cents.

The last increase in Post was put into effect on Oct. 1, 1951, according to the district manager.

Furniture Here For New School

Furniture for the \$275,000 junior high school building under construction here arrived this week and has been stored in the old band hall until completion of the building, which is expected by mid-term.

The approximately \$3,500 worth of furniture was purchased from the American Desk Manufacturing Co. of Temple. The shipment includes 12 teacher's desks, 300 folding chairs, eight heavy-duty folding tables and 32 stools for the arts and crafts room, office furniture, filing and storage cabinets, laboratory desks and miscellaneous items.

ANTELOPES SHORT ON WEIGHT, EXPERIENCE; LONG ON ENTHUSIASM

Post '11' Opens Friday Against Roscoe

The Post Antelopes will pry the lid off their 1954 grid season here Friday night against the Class A Roscoe Cowboys, with the kickoff scheduled for 8 o'clock.

Coach V. F. (Bing) Bingham's Antelopes, with only one regular from last year in the starting line-up, will be short on weight and experience for their opening game, but long on enthusiasm, it was indicated in this week's strenuous practice sessions.

The Antelopes' tentative starting offensive line-up will find Ted Tatum, 150, and Mack Terry, 141, at ends; Billy Meeks, 191, and Junior Smith, 162, tackles; Bowen Stephens, 157, and Dickey Beggs, 152, guards; No-

vis Pennell, 159, center; Tommy Murray, 148, quarterback; Darrel Norman, 149, and Ronnie Kennedy, 150, halfbacks, and Don Gates, 155, fullback.

Pennell and Gates have been named by Bingham as co-captains for the opening game.

The Antelopes' probable starters on defense will be Tatum and Andy Schmidt, 137, ends; Beggs and Leon Davis, 156, tackles; Stephens, guard; Smith, Gates, Homer Cato, 147, and Pennell, linebackers, and Terry and Ray Gary, 138, halfbacks.

Houston Jolly, coach of the Plowboys, has announced the following tentative starters: Eddie Dooley, 130, and Jackie

Duncan, 150, ends; Dale Robinson, 160, and Carl Thorp, 215, tackles; Mike Mays, 165, and James Miller, 150, guards; Delbert Smith, 160, center; Rodney Hastings, 135, quarterback; Kendall Cleckler, 135, and Marshall Brown, 138, halfbacks, and Darrel Boyd, 155, fullback.

Offensively, the Post eleven averages 156 pounds to 154 for the visitors. The line average is: Post, 159, and Roscoe, 161, and the backfield average is Post, 150½, and Roscoe, 141.

Fans are expected to see a wide-open game in the season's first contest, with both teams probably relying on passing for major gains.

Bingham reported Wednesday that the field was in good shape for Friday night's kickoff. A group of Post Quarterbacks Club members helped lime-mark the gridiron Tuesday evening and Wednesday morning. Kerosene for burning out the yardage lines was donated by Shelley Camp.

A large crowd is expected at the opening contest, which will include a between-halves demonstration by the Post Antelope band.

A Roscoe school official reported early this week that their band and pep squad would not accompany the team to Post.

READY TO GO AGAINST ROSCOE—Coaches Bing Bingham and Vernon Ray are shown here with most of the squad that will go against the Ho-roe Plowboys here Friday night in the season's opening football game. Front row, left to right: Jimmy Hutton, manager; Jack Morris, Ray Gary, James Gibson, Jackie Carpenter, Moody Graham, Dickey Beggs, Ted Tatum, Andy Schmidt, Darrel Norman; middle row: Bill Stephens, Leon Davis, Damon Ethridge, Billy Meeks, Homer Cato, Nevis Pennell, V. A. Lobban, Jerry Key, Lee Sullenger; back row: Coach Ray, Don Gates, Don El Dale, Mack Terry, Noel White, Tommy Murray, Jerry McCampbell, Charles Kilpatrick, Ronnie Kennedy, Coach Bingham. Not present when picture was made were Bowen Stephens and Junior Smith.

WITH THE SECOND PRIMARY election now history, politics will fade from the scene until November's general election—in which proposed constitutional amendments will replace politicians as the center of interest. There will be, of course, a few Republican candidates in some of the state and district races, but not enough of a GOP ripple to arouse much interest.

TEXAS VOTERS WILL BE reminded time and again, however, of the 11 proposed amendments to be voted on in the general election. Each of these proposed constitutional changes merits the study and consideration of every voter. Some of the more important are those proposing increased welfare spending, requiring jury service for women, allowing four-year terms for precinct, county and district elective officers who now have two-year terms, and allowing counties of 10,000 population or less to vote on whether they want a tax assessor-collector.

WITH THE HELP OF OUR desk copy of the 1954 World Almanac, we were able to tell a woman who telephoned Saturday the date on which Easter Sunday will fall next year. Pretty sure that the almanac would have the information, we asked the party at the other end of the line to hold on while we tried to find an answer to her question. Imagine our surprise when, with the help of the index, we found a table which gave Easter Sunday dates from the year 1901 until the year 2100. In case anyone is interested, Easter Sunday in 2100 will be on March 28.

THE GOVERNOR'S RACE WASN'T the only topic of interest here last week. Sharing the spotlight and creating almost as much interest was the tiny, but flashy, new Nash Metropolitan being driven by Jimmy Hundley.

WE DON'T SUPPOSE A movie or television film trailer ever leaves out a name when it's giving credit where credit is due, but we're often guilty of the act. In giving credit two weeks ago to individuals who helped make the Garza County Quarter Horse Show such a success, we omitted the names of Walter Duckworth, Tommy Bouchier, Don Richardson, Ruth Ann Long, Jean Samson and Mr. and Mrs. Shelley Camp. Our only excuse is that there were so doggone many horses that by the time we got through listing them we just plumb glided over the human element.

IT WAS GOOD TO SEE Paul Gooch back down at the Post News Stand Saturday night. Although he wasn't doing anything except sitting in a booth and enjoying an ice cream soda, Paul apparently is well on the road to recovery after quite a session in the hospital.

THURSDAY AND FRIDAY OF this week will be busy days at the Post High and Elementary Schools, with registration and enrollment under way for the new term. Chant Lee, high school principal, has announced that the gymnasium will be used for high school registration, Monday, then, will start another nine-month school term—the first for a large number of six-year-olds; the last for a much smaller group of seniors.

HEAVILY-LADEN WITH sophomores, this year's edition of the Post Antelope football team isn't expected to set the woods afire, but 'no doubt' will make all 10 games on their

Price Downswing Which Commenced In 1951 May Have About Run Its Course

BABSON PARK, Mass.—Have you been waiting to buy a new car, television, fur coat, or outfit for the children? If so, now may be the best time for some months to come.

Where We've Been
Commodity prices began their long decline in early 1951, but it was not until much later that the consumer began to feel the effects in the market place. As the spiral of the decline gathered momentum, the downward adjustment in business got under way just about a year ago. Production cutbacks were ordered. Tens of thousands were laid off. Overtime schedules were curtailed. Business slowed down its buying of raw materials; consumers pulled in their belts and cut back spending.

Where We're Going
What does this mean, now, to you? It means that, in general, the downswing in prices which commenced in early 1951 may have about run its course. Retail prices, for the next six months or so, will probably go no lower. So, if you're waiting for a further decline in prices to buy a cherished article for which you have been saving, you can be reasonably safe in buying now. Some prices, such as for metals and textiles, may seek higher levels during the months to come. Barring crop failure, I forecast that farm prices will sag when this year's crops are in. Food ought, therefore, to be a little more reasonably priced. However, these savings for you will, I expect, be offset by increases in rent, transportation, and other cost-of-living components.

Several factors support my reasoning: (1) The anticipated increase in second-half business activity will probably spur some raw

ANOTHER SCHOOL YEAR . . .

Each and every time a community's public schools open for a new term, that term is potentially the greatest in the school system's history. The fact that the term does not always wind up as the greatest can be attributed to a number of factors—so many, in fact, that it would be impossible to touch on them all in the space we have here.

One of the contributing factors to a school's success, however, is the part the patrons play in the school's activities, both curricular and extra-curricular. Neither faculty members nor students can, by themselves, bring about a successful school year. Even together, their best efforts fall far short unless they have the cooperation of the patrons. It takes all three—faculty, students and patrons—to make a school year great.

The Post Public Schools are at the threshold of what might well be the most successful year in their history. A new junior high school building will be ready for occupancy by mid-term, and if the transition from overcrowded quarters to plenty of room is made as smoothly as administrators hope, then the second half of the term will be off to a truly great start.

The new building, of course, will contribute to this school year's chances of being one of the best yet, but there still remain those other factors, including the one we have gone into—cooperation by the patrons. By taking an interest in their child, his class work and his other scholastic activities, and the problems of the administrators and faculty members, the patrons will contribute immeasurably to the over-all success of this school year.

One of the best mediums through which the parents can make this contribution to the schools is the Parent-Teacher Association, which has as its theme this year, "We, the People." Let's not let the "people" in this case be only those few who are active members of the P.T.A. It is possible, of course, to take an interest in the community's schools without joining the P.T.A., but it makes for a much more effective program all the way around if the organization's membership rolls include as many as possible of the school's well-wishers.

It is difficult to make a man miserable while he feels he is worthy of himself and claims kinred to the great God who made him—Abraham Lincoln.

schedule interesting enough to satisfy most football fans. Glancing at the schedule, it would appear to us that the Antelopes have a good chance to come up with a 5-5 record, which would equal the performance turned in by last year's team. And there's always the chance of doing even better.

LET'S ALL GO OUT AND help them off to a good start in Friday night's game against Roscoe.

THE POST CITY COMMISSION will be a busy group at its regular monthly meeting Thursday night if it considers all the business expected to come before it. Heading the list, of course, is the request for a rate increase by General Telephone Company of the Southwest. If they get around to it, they'll also go into the matter of whether or not to pass a fireworks ordinance, and consider the Chamber of Commerce's recommendation that stop signs be installed at traffic crossings on Main Street.

DID YOU KNOW?—Childlessness is hereditary. If your parents had no children, you won't have any, either.

Speaking of children, when asked if she had a mamma and a papa, a Hollywood tot answered: "I should say so; I got three poppas by my first momma and two mommas by my second papa."

A lecturer tells us that prehistoric men were never bow-legged or round-shouldered. Still, we'd rather be bow-legged than prehistoric.

MY WIFE AND I got the surprise of our lives this week upon learning that the 1954-55 edition of the Post Elementary-High Parent-Teacher Association's yearbook is being dedicated to us.

The copy for the yearbook has been turned in to us here at The Dispatch office, and right at the front of the book we found the following:

"DEDICATION — To Mr. and Mrs. E. A. Warren for their invaluable aid in publicizing P.T.A. projects and activities, for their artistry in composing and printing our yearbooks, and for their pride in the high rating our yearbooks have received, this 1954-55 volume is gratefully dedicated."

While we feel that the part we have played in the publication of the P.T.A. yearbook every year has been a small one, we are indeed grateful for this honor. To those engaged in the publishing trade, few greater honors could come than having a book of any sort dedicated to them.

Even before being honored by the dedication, we were extremely proud of the fact that during the 28 years we have been printing the yearbook, it has won many first places in district contests. During the past several years, Mrs. Warren and I have alternated in designing the scrapbook cover. It has become a sort of a "pet hobby" with us.

The mention in the dedication of "publicizing P.T.A. projects and activities" refers, of course, to the many items we have carried in the pages of The Dispatch concerning the organization. These items have been clipped and pasted into a P.T.A. scrapbook from year to year. One of the scrapbooks won a prize a few years ago in a contest at the State Fair. Several of these P.T.A. scrapbooks have been compiled by Mrs. Warren.

It has always been a pleasure to us to print the yearbooks because of the excellent manner in which the copy has been prepared and turned in to us by members of the group's yearbook committee.

The yearbooks and the scrapbooks of the Post Elementary-High P.T.A. tell the story of a worthwhile organization, one which works for the betterment of the school system and the community. We repeat that we are proud to have had a hand in recording the history of such a worthwhile group, and feel honored in having the current yearbook dedicated to us.

Our Contemporaries Are Saying

Put On The Spot

A Hamlin mother was really put on the spot the other day when her six-year-old Mary reported that brother Bobby had said a very naughty word. When she asked her for details, the little tyke replied: "Well, mother, you told me never to say such words, but if you'll say all the bad words you know I'll tell you know when you come to it."—The Hamlin Herald.

Hit Another High

We're hitting another high with this issue this week. For the past few months we've been stepping up our press run every week trying to have enough. And almost every week we've had to sneak out on Monday or Tuesday and try to buy a few back from our news dealers for our files. This week the stepping-up process reaches 1,600 papers—that's almost 250 pounds of paper per week—and over 5,200 readers.—Andrews County News.

Short Night

Somebody was telling me recently about the cowboy who was invited to spend the night at a ranch. He retired to the bunkhouse late in the evening. Because of plans to drive cattle to the railroad, everyone was routed out of bed at 3:30 the next morning. "Humph," yawned the visitor, "it shore don't take long to stay all night here."—The Hamilton Herald News.

Why Worry?

The following little thing, entitled "Why Worry?", was contributed by a local preacher, who shall here be nameless.

"There are only two things to worry about. Either you are well, or you are sick. If you are well, then there is nothing to worry about. But if you are sick, there are two things to worry about. Either you will get well, or you will die. If you get well, there is nothing to worry about. If you die, there are only two things to worry about. Either you will go to Heaven or Hell. If you go to Heaven, there is nothing to worry about. But if you go to Hell, you'll be so busy shaking hands with friends, you won't have time to worry."—The Slaton Slatonite.

Freedom Complex

Only the latitude of modern living makes it possible for me to defer the necessity of replacing the flint in my lighter. I am aware that often enough time is consumed in finding a single match to execute the chore, but I am the victim of a freedom complex which is appeased by ignoring the essential as long as possible. The condition might be defined better by admitting that I am lazy.—Matador Tribune.

Mother Goose In Texas

By RAY WOOD

I had a little pony, his name was Dapple Gray; I lent him to a lady to ride a mile away; She whipped him, she lashed him, she rode him through the mire. I would not lend my pony now for all the lady's hire.

This rhyme, which has appeared in most of the Mother Goose books printed in this country, texts of which were copied from similar books printed in England, may have, indeed, inspired the following rhyme, often used as a "ride-a-cock-horse" rhyme for very young children:

I had a little pony his name was Dapple Gray; I sent him to the barn to get himself some hay. First he walked, Then he trotted, Then he loped, Then he galloped.

However books of Mother Goose rhymes were far from common in rural districts of this country even as late as 75 years ago. Yet long before that country kids were rhyming about their little ponies. One of the favorites being:

I had a little pony, his name was Jack; I put him in the stable and he jumped through a crack; I picked up a cob and knocked him back; Whoa, Jack!

Next Week: "My Black Hen." Variants of these or similar rhymes will be recorded in the permanent collection of Mother Goose in Texas if sent to Ray Wood at Raywood, Texas. Copyright 1954 by Ray Wood.

'Paratrooper' Is Ripcord Thriller

Two of the most daring and spectacular paratroop attacks ever to strike Europe and Africa are seen in color by Technicolor on the Tower screen in Columbia Pictures' "Paratrooper," which shows Sunday and Monday.

The picture stars Alan Ladd and Leo Genn with lovely newcomer Susan Stephen.

A spectacular re-enactment of the historic campaigns, "Paratrooper" is a ripcord thriller that reared yesterday's audiences with the grim excitement of its commando realism.

Carefully watched by the Army during its production, "Paratrooper" is a thrilling record of the boldest hand-to-hand combat filmed with what obviously was the most faithful devotion to accuracy.

Close City School Opening Is Today

Approximately 30 pupils were expected to enroll today for opening of the 1954-55 term at the Close City Rural School. School was to be dismissed at noon today, with classwork resuming Friday for a full-day session. Principal A. T. Nixon said.

The first school lunches will be served Monday. Mrs. Vinie Horton is lunchroom supervisor. During the summer, the interior of the teacherage was repapered and the woodwork repainted.

Dalby's Condition Is Said Critical

The condition of L. W. Dalby, pioneer Post resident, was reported critical at his home here this week.

Mr. Dalby, who is 78, has been confined to his bed for the past six months. His condition was showing improvement until suddenly taking a turn for the worse about three weeks ago.

He has lived in Post for more than 40 years.

X-Ray Technician Is To Be Interviewed

An application for the position of x-ray technician at Garza Memorial Hospital is to be interviewed Saturday, L. E. (Buck) Gossett, new administrator of the hospital, said Wednesday morning.

Gossett, former Precinct 2 county commissioner, assumed the duties of administrator Wednesday. He replaces Jack Rex, who was also hospital technician. Rex is going to Graham as administrator of a hospital.

UNSUCCESSFUL SUIT

HARTFORD, Conn.—Three persons complained that they had contracted trichinosis from a pork roast cut. They sued the sellers, but the Connecticut Supreme court threw the case out on the grounds that the pork had not been properly cooked. Said the court: "Many foods cannot be eaten in the state in which they are bought. One could not expect to recover x x x for the distressing effects which would follow eating pipeapples without peeling them, or of a partially cooked chicken which had not been drawn."

FARMER GETS HELP

PETOSKEY, Mich.—Harvey Brubaker imported 600,000 farm workers from Phoenix, Ariz., to help him with his 1954 potato crop. The farm hands were ladybugs and came by plane. Brubaker figured each ladybug would eat 45 insects a day and multiply at the rate of 15-to-1 in the first 15 days. They eat aphids, lygus, flea hoppers, small worms and their eggs.

Lions To Discuss Plans For Fair

The Garza County Fair Sept. 17 and 18 will be the main topic of discussion at next Tuesday night's meeting of the Post Lions Club, which is sponsoring the event for the second year.

At a regular ladies' night meeting Tuesday, H. W. Schmidt was named to be in charge of the novelty stand at the fair. Other committee chairmen and workers were appointed several weeks ago by Jess Rogers, president of the club.

New Equipment In For VA Students

The more than fifty boys who enroll this school year for vocational agriculture courses at Post High School will have several new items of farm engineering equipment with which to work, according to E. F. Schmidt, instructor.

Wiring of the building during the summer will make it possible for the students to use all three of the shop's electric welders, which have been repaired and put in shape for use.

New equipment includes wood-working vises, a 10-inch circular power saw, a six-inch joiner, and a fully-equipped drill press, including routers, dovetailing, tenoning and mortising attachments.

Other improvements in the department include repainting of the interior of the classroom and addition of three work benches in the shop.

Vocational Agriculture I, II and III is taught in the high school.

'Eddie Cantor Story' Coming To Tower

"The Eddie Cantor Story" shows Tuesday at the Tower Theatre.

The story of one of America's great entertainers and private citizens has been filmed by Warner Bros. in color by Technicolor.

With Keefe Brasselle playing Cantor and Marilyn Erskine as Ida, the film traces the fabulous career of the man who started in a basement in the slums of the lower east side of New York and who reached world-wide fame through his humanitarian and philanthropic ventures.

APARTMENT DEFINED

HARTFORD, Conn.—An apartment only if it has private toilet facilities, says an official ruling here. Otherwise it's a rooming house or hotel. The opinion was sought by the fire department as a guide to enforcement of the fire laws. The requirements for rooming houses and hotels are more stringent than for apartment houses.

LOW ASSAY

BURLINGTON, Vt.—Workmen digging footings for a new schoolhouse thought for a moment they had struck oil. Then their noses told them different. It was a broken sewer line that flooded the diggings.

Mrs. Lena Stephens Buried Last Week

Funeral services for Mrs. Lena Stephens, mother of Wesley W. Stephens and Mrs. T. H. Tipton, Sr., were held Thursday at Flint Creek in Coryell County. She died of a heart attack in Houston.

Mrs. Stephens and her husband, who preceded her in death by 24 years, were pioneer Garza residents and lived in the Close City Community.

Other survivors are a son, Chester, of Waco; a brother, Johnny Webb of Gatesville; a sister, Mrs. Sue Clawson of Flat; 20 grandchildren and 21 great-grand children.

Horticultural Confusion

HAVEVILLE, Ga.—B. L. McLeroy says he is confused. He reports he transplanted a wild cherry tree from a field to his yard. The first year it bore cherries much larger than the usual wild ones. Next year, he insists, it produced apples which were small but at least grew like apples should, singly. Then it began producing apples clustered together like cherries. McLeroy won't be surprised if it comes up next with cherries the size of apples. But he can't explain the tree's habits.

Russell-Pierce Vows Are Read In Lubbock Christian Church Friday

Alarah Pierce, daughter of A. Pierce of Bakersfield, and formerly of Post, became the bride of James R. Russell of Mrs. C. J. Reddick and J. A. Russell of the First Friday evening in the First Lubbock Christian Church of Lubbock.

Rev. Dudley Strain, pastor, officiated for the double ring ceremony at 8 o'clock. Altar decorations were white gladioli, lily of the valley and white tapers in candelabra.

Robert Colvin presented an introduction and accompanied Bill Gunter of Littlefield sang "I Love Thee" and "Do I Love Thee."

Willa Mae Ray of St. Louis, Mo., was maid of honor. Miss Gay Lujan Pierce of Lubbock, sister of the bride, was bridesmaid. They wore ball-length dresses of antique style with fitted bodices, styled with fitted bodices, scalloped necklines and wide sleeves, full skirts and wide shawls. Their velvet cord necklaces had flesh-colored veils attached. Miss Ray's was pink and Miss Pierce's was white. They wore pearl necklaces and carried bouquets of matching their dresses.

Pierce gave his daughter in marriage. She wore an original gown of white Chantilly over net and satin. It was fitted with a portrait neckline with lace applique, long sleeves ending in points over the hands, pointed waistline and voluminous skirt of white tulle over net and satin. Finger tip silk illusion veil pinned to a tiara-type cap, bordered with rhinestones and pearls. She carried a white Bible on a white ribbon belonging to Mrs. Strain, who received as a wedding gift from her husband. Her only jewelry was pearls and earrings, gift of her groom.

Paula Angle and Miss Russell of Crane, candle-lighters, wore white ballerina dresses and matching bouquets.

John Owen and Bennie Jones, best man and nephew of the bride, were flower girl and ring bearer. Groomsmen were George Kirchoff, Ben Owen, L. D. and Monroe Moore.

Over a hundred guests attended the ceremony in Fellowship Hall of the church. Hostesses were Mrs. Shelley, Mrs. Howard Brock, Mrs. J. H. Brock, Mrs. Kuykendall, Mrs. W. M. Kirk, Mrs. George Deardorff and Mrs. Roberts. Other members of the house party were Miss Brock, Jane and Jean Lila Ann Sandifer, Richards, Marilyn Goodrich, V. Dawson, Shirley and Julia Fifer.

Bridal attendants' bouquets were decorated with a white cake topped with white orchid wedding bells. Mrs. W. M. Kirk and Mrs. Ben Owen served refreshments. Mrs. D. L. registered the guests.

After a trip to Colorado, Mrs. Russell will be at 3214-A 35th St. in Lubbock Sept. 10. For travel she wore a black and white cotton dress with black accessories.

The bride was graduated from High School and Texas Woman's University. She is completing Christian education at Lubbock First Christian Church.

Members of Girl Scout Troop One met Monday night at the Methodist Church for a court of awards, with parents and friends as guests.

The program opened with the flag ceremony by Delores Dye, Kay Martin, Kay Gordon and Barbara Shyites of troop two. Kay Jones of troop two led the candle lighting ceremony with the Girl Scout promise. The honorees then repeated the Girl Scout Laws.

Mrs. James Dietrich gave the welcome and made the presentation of curved bar pins to Sharon Brooks, Mary Bowen, Patricia Crowley, Frances Dietrich, Barbara Haragan, Lucy Trammell, Linda Lott and Marquisette Williams. This award is earned in the play leader field, preparing to be program aids to younger scout troops by teaching them songs, games and scouting ceremonies.

After the badge presentation, troop one members flew up into senior scouting. They removed their intermediate ties and pins and were presented senior membership pins by Mrs. Phil Trammell. Group singing of "Golden Sun Sinks in the West" closed the program. Movies of camping activities for the last four years were shown by Mr. and Mrs. Trammell and the troop scrapbook was displayed.

Refreshments of punch and cookies were served from a table laid in yellow and green, centered with a floral arrangement.

Mrs. T. L. Jones and Mrs. L. A. Barrow, troop one committee members assisted with serving and decorating.

Mrs. Dietrich Is Needlecraft Host

The Needlecraft Club met Friday afternoon with Mrs. H. J. Dietrich, with nine members and one guest present.

The guest, Miss Frances Dietrich, and her grandmother, Mrs. H. J. Dietrich, played two piano duets, "The Rough Riders" and "Charge of the Uhlans."

The hostess served refreshments of lime freeze and angel food cake.

Members present were: Meses. Pat Walker, J. R. Durrett, Max Gordon, R. M. Hendricks, H. H. Bledsoe, Lewis Herron, T. L. Jones, T. R. Greenfield and the hostess.

The club's next meeting will be Sept. 10 with Mrs. J. C. Taylor.

The Rev. Charles Gates is announcing that Friday night's revival service at the Methodist Church will be moved up one hour so that everyone will be free to attend the Post-Roscoe football game. Prayer services will be at 6:30 and the preaching service at 7 o'clock.

The Rev. Roy Shahan, First Baptist pastor, reports: "The revival services were a great blessing to all who attended. We want to express our appreciation to those of other Christian denominations who attended, we have many visitors in the services and we do appreciate them. The Sunday morning subject will be 'Satan's Compromise.' The evening theme will be 'Troubles' (Exodus 15:1-9). These two messages will be the first in a series of sermons by the pastor on the experiences of the Children of Israel, from the time they left Egypt until they arrived in the land of Canaan. These experiences will be compared to those of the Christian from the time of his conversion until he is completely surrendered to doing the will of God. Visitors are always welcome here."

Calvary Baptist WMU met Monday night for a social at the church. After a series of contests and Bible quiz games, refreshments of ice cream and cake were served to 15 mem-

Miss Mary Elizabeth Wilson Is Bride Of Dowe H. Mayfield, Jr.

Miss Mary Elizabeth Wilson and Dowe H. Mayfield, Jr., exchanged wedding vows Saturday evening in the College Avenue Baptist Church in Bryan. The Rev. Clinton Watson and the Rev. Charlie Bullock read the ceremony at 8 o'clock before an altar decorated with white mums and five visitors.

The Junior Training Union Department of Calvary Baptist Church enjoyed a picnic at the city park Tuesday evening. Mrs. Lonnie Peel Is Honored On Birthday

Mrs. Lonnie Peel was honored at a surprise birthday party in her home in the Close City Community last Wednesday evening.

Those present were Mrs. and Mrs. Glenn Davis and Carol, Mr. and Mrs. Delmer Cowdrey and Clarky, Mr. and Mrs. Elmer Cowdrey and Brenda Sparlin, Mr. and Mrs. Elvius Davis and Jerry and Stephanie, Mr. and Mrs. Delmo Gossett and family of Lubbock, Mr. and Mrs. Punk Peel and Patti and Mrs. Nita Coleman of Post.

and gladioli, palms and white tapers in candelabra.

Parents of the couple are Mr. and Mrs. A. V. Wilson of Bryan and Mr. and Mrs. Dowe H. Mayfield.

John Petry of Abilene sang "Tell Me Why," "Because" and "Wedding Prayer." He was accompanied by Miss Linda Vaughn, organist.

The bride, given in marriage by her father, wore a gown of white satin and lace. It was fashioned with a fitted lace bodice, topped with a lace bolero with high neckline and long sleeves that ended in points over the hands, and lace train over the full satin skirt. Her fingertip veil was attached to a pearl trimmed headpiece of ruffled net. She carried a white orchid on a white Bible.

Mrs. Clinton Watson, matron of honor, was attired in bronze antique taffeta, styled with a sweetheart neckline, fitted bodice and full skirt. She carried a bouquet of bronze mums and ivy leaves.

Bridesmaids were Mrs. Jerry Drake, Mrs. Wyatt Battle and Miss Evelyn Courtney. They wore light green dresses, like that of the matron's, and carried yellow mum bouquets. Ann Wilkerson, flower girl, was dressed in pink antique taffeta.

The bride's niece, Mary Jean Wilson, and the bridegroom's brother, Johnny Mayfield, served as miniature bride and bridegroom. Mary Jean's dress and

bouquet were identical to that of the bride.

Tommy Mayfield was his brother's best man. Groomsmen and ushers were Hugh Barnett, Charles Pierce and Dalton Copple.

Mrs. Wilson chose for her daughter's wedding a navy linen suit with navy and pink accessories. The bridegroom's mother wore an eggshell faille suit with brown accessories. Both wore mums corsages.

Mr. and Mrs. Wilson were hosts for a reception in the church parlor immediately following the ceremony. White mums and gladioli were used in decorations throughout the hall.

iced fruit punch and cake were served by Misses Judy Rosier and Nancy Stewart, Mrs. Hugh Barnett presided at the guest register.

After a trip, the couple is at home at 1602 Sandefer, St. Abilene. The bride traveled in a brown silk suit with checked trim, brown accessories and a white orchid corsage.

Mr. and Mrs. Mayfield are senior students at Hardin-Simmons University. A religious education major, he is a member of the Pershing Rifles, an honorary society, and the Life Service Band. The bride is majoring in education and holds membership in the Life Service Band, Young Women's Auxiliary, Future Teachers of America and the Cowgirl Band.

Garza County's Booth To Compete With 14 Others At Lubbock Fair

Garza County's exhibit at the Panhandle South Plains Fair in Lubbock Sept. 27-Oct. 2 will be in competition with exhibit booths from at least seven other area counties.

The county entry list now stands at eight. Latest to enter, and the county agent, are: Dawson County, LeRoy Colgan; Lynn County, W. B. Griffin, and Mitchell County, Jack Burkhalter. Other counties to have displays are Hale, Lamb, Biscoe and Hockley. At least 15 such displays of county products are expected to be shown in the new Agriculture Building.

In the Livestock Department, Limer & Neely of Lubbock have entered 15 Durocs and 13 Poland China swine as the first entries in that division.

For the first time in a number of years, a Berkshire swine division has been added, on the request of numerous South Plains hog breeders.

The 77 Ranch of Wichita Falls has entered 12 head of Aberdeen Angus cattle as the first cattle entries. Dan Roberts is manager of the ranch.

Approximately \$15,000 will be offered as premiums in the various departments of this year's Fair, officials have announced. The Fair will be held here from Sept. 27-Oct. 2 and promises to be the most outstanding regional Fair ever staged in Lubbock. Three new buildings, including a 5,500-seat Fair Park Coliseum, a new Agriculture Building and new Women's Building will provide adequate display space for an expected record entry list.

VA Questions And Answers

Q. My National Service Life Insurance has been lapsed for more than three months and I understand I must take a physical examination in order to reinstate it. Will VA give me the examination?

A. Yes. You may receive your physical examination, at no cost, from a VA regional office or hospital clinic.

Q. I intend to go to school under the Korean GI Bill. I would like to get a part-time job to supplement my GI allowance. Is there any limit on how much money I would be permitted to earn?

A. No. There is no limit on the outside earning of veterans in school under the Korean GI Bill. No matter what you earn, your GI monthly allowances will remain the same.

Q. I am enrolling in college this fall under the Korean GI Bill. When can I expect my first GI allowance check?

A. You will receive your first check about two months after you enroll. Under the law, payments are made after the end of each month of training so that accounts for one month. Then, you and your school must sign a certification that you've been in training all month. VA pays its allowance within 20 days after it receives this certification; so that accounts for almost another month.

Completes Training At Medical School

PORT SAM HOUSTON (Sp.)—Pvt. Melton J. Welch, Jr., son of Mrs. Mary Owings, of Post, has completed the academic phase of training in the Medical Intermediate Course given at Medical Field Service School, Brooke Army Medical Center, and now will receive the applicatory or "on-the-job" phase of training at Fitzsimons Army Hospital, Denver, Colo.

The Medical Intermediate Course trains medical and operating room technicians who, upon graduation, are qualified to give bedside care to patients or assist medical officers in surgery. Military training in this course will prove of personal value throughout the student's life and can lead to future civilian hospital and clinical careers.

The Medical Field Service School is one of seven units of Brooke Army Medical Center, the Army's largest medical installation. The Center carries on virtually all phases of professional and technical training in military medicine as well as patient treatment and research.

'Tom's Lunch Box' Wins Name Prize

David Lee, son of Mr. and Mrs. Chant Lee, has won the \$5 prize offered for naming Tom Williams' place, across the street from the Post High School.

The place will be known as Tom's Lunch Box, which was the name submitted by David. More than 100 names were suggested, Williams said.

In his newly-remodeled building, Williams will sell hamburgers, hot dogs, plate lunches, etc., and offers fountain and delicatessen service. School supplies and other items also are stocked.

Williams has been in business at the location for over 5 years.

Lubbock Group Is To Make Stop In Post

Post is included on the itinerary of a "Good Neighbor" trip to be made this month by Lubbock businessmen.

The group will be in Post Tuesday afternoon, Sept. 14.

The trips will be made in all directions from Lubbock and advertising of the Panhandle-South Plains Fair will also be expedited.

In each of the 44 towns and cities to be visited, the Lubbock businessmen will fan out and visit their counterparts and friends in the respective stop points.

Miss Charline Didway of Levelland spent the weekend with her parents, Mr. and Mrs. Charles Didway.

several days with his brother, Edgar, and family.

Mrs. Ruby Dick of Merkel spent Sunday with Mr. and Mrs. Earl Lancaster. She was en route to Lubbock.

Mrs. L. B. Hambright has been in Abilene with her father, who has been ill for several weeks.

Mrs. Carl Foster and Snappy of Lubbock recently visited their sister and aunt, Mrs. Earl Lancaster and family.

August Water Use Sets New Record

A total of 32,485,000 gallons of city water was used in Post during August, setting a new monthly record for water consumption, according to City Supt. R. H. Tate.

The August total was an increase of 2,297,000 gallons over the 30,188,000 gallons shown on the master meter for July, Tate said.

Still standing, however, is the one-day record of 1,269,000 gallons set on July 13. The August high mark came on the 14th, when 1,228,000 gallons were used.

New Furniture—

(Continued From Page One) building has been completed. Supt. D. C. Arthur said. Most of the glass windows are in at the front of the building, and workmen this week are completing decking for the gymnasium roof. "At the rate the work is progressing now I see no reason why we shouldn't be able to move into the new building by mid-term," the superintendent said.

Driver Injured—

(Continued From Page One) definitely established Wednesday whether it had occurred just before or at the time the automobile struck the bridge.

The door and one of the fenders on the right side of the automobile were ripped off and hurled to the creek bed. The car was knocked across the road after hitting the right side of the bridge and scraped against the structure as it skidded eastward to a point about 60 feet from where it first struck the bridge. The automobile did not turn over.

Harry Wood, a driver for O. C. Garner Appliance Co., said he heard the crash as he approached the bridge from the east. He and another passerby helped Lobban from his wrecked automobile, and Wood radioed his company, from where an ambulance was called.

After being treated at Garza Memorial Hospital, Lobban was transferred to the Slaton hospital for x-ray examinations. The hospital here is temporarily without an x-ray technician.

The Lobban moved here several days ago from Justiceburg, where Mrs. Lobban has taught school for the past 11 years. She is to teach this year in Post Elementary School.

Mill Workers Make MOD Contribution

Employees in the bleaching and finishing department at the Postex Mill have contributed \$120.12 to the Emergency March of Dimes, Bob Poole, drive chairman, reports.

Poole reported the contribution Monday and said that mill employees still were working on the drive. Among those heading the campaign at the mill are Oman Ticer, Bill Thomas and Lee Ward.

Half the proceeds at the municipal swimming pool Friday, amounting to \$8.50, were contributed to the drive, Poole said.

POST COACHING STAFF—Shown here mapping strategy for this season's Post Antelope "A," "B" and grade school football squads are V. F. (Bing) Bingham (right), head coach; Vernon Ray (left), assistant coach, and standing, Olin Reddell (left), "B" team coach, and Herman F. Raphael, grade school coach. Reddell, newest member of the coaching staff, is from O'Donnell.—(Staff Photo).

Grade Footballers To Get Equipment

Football equipment will be issued Friday afternoon to candidates for the 7th and 8th grade football team, Coach Herman F. Raphael announced Monday. Practice is to get under way Monday.

Raphael said he will also inform sixth grade grid candidates Friday when to expect their uniforms.

Senior Class Rings To Arrive Sept. 15

Post High School seniors will get to wear their class rings throughout most of the school year.

Principal Chant Lee has announced that the rings will arrive Sept. 15. Students purchasing rings are asked to go by Dodson's Jewelry and pay the balance on the rings they have ordered.

Cash Income Of Farmers Rises

AUSTIN (Spl.)—Texas farmers' cash income exceeded \$703.5 million during the first six months of 1954, a rise of \$58,129 or 9 per cent from the \$645.4 million total for the same period last year.

The University of Texas Bureau of Business Research said increased revenue from cotton and cattle were primarily responsible for the overall increase. Cotton income showed a 35 per cent gain, from \$114 million in January-June, 1953, to \$150.8 million during the first six months of this year. Cattle income rose 22 per cent, from \$161.5 million to \$196.7 million.

Anything Can Happen

If you stick around in baseball long enough, anything can happen. Schoolboy Rowe had the experience Aug. 15 of being ejected from a game by an umpire. Rowe, a coach for the Detroit Tigers, got the thumb for taking part in a dispute over a pitch, and later was fined \$25. The Sporting News says that since Rowe first entered Organized Ball in 1932—22 years ago—this was the very first time he had ever been kicked out of a game.

Nothing To It

Manager Eddie Joost of the Athletics says there's really nothing to the job of managing a major league club. As quoted in The Sporting News, Joost says all you need is four great pitchers and eight guys hitting about .340. To pass on another baseball wisecrack, Walker Cooper once said: "I always enjoyed baseball. Not just the money, but the amount."

May Break Record

Cardinal Pinch Hitter Joe Frazier has a good chance this year to break the major league record for most hits delivered in a pinch. When he hit a home run as a pinch-hitter against the Braves, Aug. 17, it raised his pinch-hit total for the year to 18. That put him within four of the mark set by Sam Leslie for the Giants back in 1932. The American League record, says The Sporting News, is 20, set by Ed Coleman of the Browns in 1936.

Jayton Rider Wins In Rodeo At Roby

Harold Thomas of Jayton made the best saddle bronc ride last Thursday night in the opening performance of the ninth annual Fisher County Rodeo at Roby. Thomas was one of the riding judges in the Southwestern Championship Junior Rodeo here Aug. 11-14.

Two other riders well known to Post rodeo fans, Don Workman of Olton and John Farris of Iowa Park, finished second and third in the saddle bronc riding event.

More Than 100 Walks

For the fifth straight year, Third Baseman Eddie Yost of the Washington Senators has been given more than 100 bases on balls. He made it number 100 for 1954 when Frank Sullivan of the Boston Red Sox walked him in a game on Aug. 12.

Jinx Is Active

For Bobby and Billy Shantz a jinx is active. Pitcher Bobby and Catcher Billy, when they were small boys, dreamed one day of becoming big league battery mates. Both are with the Athletics now, says The Sporting News, and it seemed they would realize their dream. But just when Bobby reported improvement after a shoulder injury, Billy suffered a compound fracture of the middle finger of his right hand. He will catch no more this year.

Loes' Red Letter Day

Sunday, Aug. 15, says The Sporting News, should always be a red letter day for Dodger Pitcher Billy Loes. That was the day when Billie turned in a memorable clutch pitching performance against the New York Giants. In the second inning, Loes walked Monty Irvin, gave up a double to Don Mueller, and then loaded the bases by walking Willie Mays. But that was it. Billy settled down and struck out the next three men—Davey Williams, Pinch-Hitter Bobby Hofman and Jim Hearn.

Passes 100 Mark

Four Cleveland pitchers now active have the honor of pitching at least 100 victories for the Indians. Mike Garcia reached the 100 mark when he beat Baltimore, Aug. 15. Other Indian pitchers who also have 100 or more victories are Bob Feller with 259, Bob Lemon with 155 and Early Wynn with 103.

Mr. and Mrs. Bobby Pierce and Mrs. Edna Pierce and Ann were visitors in Lubbock and Shal-lower Sunday.

SLATON TIGERS PICKED FOR LOOP CROWN

Scribe Picks Post To Bring Up Rear

Writing that the Antelopes "will be too tight to make much of a dent," Herb Owens, Fort Worth Star-Telegram sports writer, picks Post to finish last in this season's District 2A-3 grid-iron race.

Owens picks Slaton to top the conference crown, and Tahoka, Abernathy and Spur to finish in that order ahead of Post.

Following are facts and figures on the District 2A-5 squads, as listed by the Star-Telegram sports writer.

SLATON TIGERS

Head Coach—Horner Tompkins.
1953 Record—Won 5, Lost 5.

First Meeting Is Held By QB Club

More than 100 persons, including members of the Post Antelope football squads and some of the parents, attended the first 1954 meeting of the Post Quarterback Club Monday night in the school cafeteria.

Charles R. Gates, president of the club, presided and welcomed the members and guests to the first meeting. He reported that 160 memberships have been sold in the club and that the total may reach the 200 mark.

Coach V. F. (Bing) Bingham called on the parents to cooperate with him and other members of the coaching staff in helping mold a football team of which the school and community can be proud.

Bingham introduced Coaches Vernon Ray, Olin Reddell and Herman F. Raphael, each of whom made a brief talk. He then introduced members of the "A" squad.

Brief talks were also made by Bud Everett, immediate past president of the club; Bill Edwards, a member, and Billy Weeks.

The program highlight was a filming of the 'Gator Bowl' football game played last New Year's Day.

Following the film, refreshments were served.

Gates announced that the club will meet at the cafeteria every Monday night during the football season.

Eight-Foot Water Level Drop In Last Three Years Reported At City Wells

The water level in city wells has dropped at least eight feet in the last three years, it was disclosed this week by City Supt. R. H. Tate, following a check of the wells.

Increased water consumption within the city and drainage by irrigation wells in the area of the city's water supply are blamed for the lower levels.

Two new city wells were dug recently by Dyer White of Lubbock, but one was filled up after it failed to meet requirements, Tate said. The other well makes a total of 18 from which the city draws its water supply. One of the well pumps has

been re-worked and lowered because of the lower water level, and this procedure will be followed on the other wells, if necessary, the superintendent said.

Rains and cooler weather during the past few weeks has cut water consumption in half from what it was during June, July and throughout most of August, Tate said. An average of about one-half million gallons a day is being used now, as compared to more than a million gallons daily a few weeks ago.

A new record for city water use in one day was established July 13 when 1,259,000 gallons were used.

4-H Boys To Show Pigs At Lubbock

Twenty Garza County 4-H Club boys will exhibit animals at 10 a. m. Sept. 11 in the annual Lubbock store area Sears Pig Show at the Texas Tech Beef Cattle Center.

County Agent Lewis C. Herron said Tuesday that Lewis Mason will exhibit a registered Poland China bear in the show. He said the gilt to be shown will be selected next week from among animals owned by Jerry Stone, Jerry Ligon, Harold Wayne Mason, Joel Morris and Delwin Fluitt.

The Lubbock show is held each year for 4-H Club boys who received pigs earlier through the Sears Foundation 4-H Club pig program. Only pigs which were won through the program will be entered in the show.

The manager of the Lubbock Sears store will treat the boys, their parents and the county agents attending to a barbecue luncheon that day.

Approximately 20 counties will be represented.

Mr. and Mrs. E. E. Pierce, manager and supervisor, respectively, of the Post School lunchroom, have released the following information of interest to students, faculty members and patrons of the school district:

"Every day's lunch includes a meat or meat substitute, a green or leafy vegetable, butter in some form, milk, bread and a dessert. Cost will be 30 cents per grade school pupil per day or a ticket may be purchased good for five meals for \$1.50; and 35 cents for high school students and for employees and husbands and wives, or a ticket may be purchased for five days for \$1.75. Parents and other visitors will be charged 50 cents per meal.

"For those who patronize the lunchroom, in order to hold the cost down, the government furnishes much of the food at no cost and a five-cent subsidy for all children. All this goes into the cost of running the lunchroom. This is a non-profit institution that is run for the benefit of the school children. The more that take advantage of the lunchroom at this low cost, the better it is for the lunchroom. We have appreciated your patronage in the past and hope to feed an average of 400 daily this year. Parents are urged to eat at the lunchroom that they may know what we serve and whether the lunchroom is clean and sanitary.

"The menu will be run in the Post Dispatch each week in order that mothers may plan the other two meals without too much repetition. A copy of the menu will be posted on the bulletin boards of each school and any room may obtain copies on request.

"The lunchroom will be avail-

Cost will be 30 cents per grade school pupil per day or a ticket may be purchased good for five meals for \$1.50; and 35 cents for high school students and for employees and husbands and wives, or a ticket may be purchased for five days for \$1.75. Parents and other visitors will be charged 50 cents per meal.

"For those who patronize the lunchroom, in order to hold the cost down, the government furnishes much of the food at no cost and a five-cent subsidy for all children. All this goes into the cost of running the lunchroom. This is a non-profit institution that is run for the benefit of the school children. The more that take advantage of the lunchroom at this low cost, the better it is for the lunchroom. We have appreciated your patronage in the past and hope to feed an average of 400 daily this year. Parents are urged to eat at the lunchroom that they may know what we serve and whether the lunchroom is clean and sanitary.

"The menu will be run in the Post Dispatch each week in order that mothers may plan the other two meals without too much repetition. A copy of the menu will be posted on the bulletin boards of each school and any room may obtain copies on request.

"The lunchroom will be avail-

Band To Appear At Friday Game

Even though school will not have opened, the Post Antelope band will appear at the first football game here Friday night, Bill Parks, the new band director, said Tuesday.

Parks said he is expecting a good band this school year, and that he intends to have a junior band in addition to the larger group. The beginners band will be composed of students from the fifth grade and above.

"Your public school is offering free music instruction to those above the fifth grade," Parks said. "All the school asks you as parents to do is to secure an instrument for your child. Instruments can be bought on payment plans or rented from nearby music stores."

"If you have a child in the fifth grade or above and would like to see him in the band, you are urged to drop by the band hall, meet and discuss the matter with me," Parks said. "Let's make our Post band one to be very proud of!"

Stanwyck Is Star In 'Witness To Murder'

"Witness to Murder," powerful suspense melodrama starring Barbara Stanwyck, George Sanders and Gary Merrill, will show at the Tower Theatre on Wednesday and Thursday of next week. The Chester Erskine presentation is being released by United Artists.

With Miss Stanwyck starring in a role reminiscent of her "Double Indemnity" and "Sorry, Wrong Number" appearances, "Witness to Murder" is the hair-raising story of a woman who sees a murder committed but can find nobody who believes her.

Local Girls Are To Attend Hockaday

Miss Patricia Lott and Miss Linda Lott will attend the opening exercises of the Hockaday School in Dallas, Sunday, Sept. 12.

Patricia will begin her third year in the Dallas school as a member of the Third Form, the 11th grade. This will be Linda's first year. She will be a member of the First Form.

The girls are the daughters of Mr. and Mrs. John F. Lott, Post. Hockaday girls will come from ten states and six foreign countries to attend the Dallas school. Sunday's exercises will mark the beginning of the forty-second year of preparatory education for Hockaday.

Mr. and Mrs. Alvin Woods and baby of New Jersey visited this week in the home of her parents, Mr. and Mrs. U. B. Partlow. Mrs. Emmett Shedd who had been visiting the Woodises, returned home.

4-H Dress Revue Set For Sept. 11

The annual Garza County 4-H Club Dress Revue will be held Saturday afternoon and evening, Sept. 11, Miss Jessie Pearce, county home demonstration agent, announced this week.

The girls are to bring the dresses or suits they have made to the courthouse at 9 a. m. Saturday for judging of construction. At 2 p. m. the dresses and suits will be modeled by the girls.

A public presentation of awards will be held at 8 p. m. in the grade school auditorium.

Mr. and Mrs. Wesley Stephens and Sue and Bowen, Mr. and Mrs. Mansel Richardson, Jr. of Lubbock and Mr. and Mrs. Jerry Queen and Sonja of Mineral Wells attended the funeral of their mother and grandmother, Mrs. W. C. Stephens, in Coryell County last Thursday.
