Sheriff's sales are set in big delinquent tax drive

First 29 go on block Nov. 2

Sheriff sales are scheduled at the Garza County courthouse door here Nov. 2 on a wide range of local properties, including many homes, for the collection of delinquent taxes on behalf of all local taxing units.

Twenty-nine legal notices for such sheriff's sales, listing the legal descriptions of the properties involved, appear on pages 6 and 7 of today's Dispatch and also will be published in the issues of Oct. 14 and 21.

Pat N. Walker, local attorney who launched the combined delinquent tax collection drive here in June of 1969 told The Dispatch this week that approximately 100 more judgments against properties on which taxes are delinquent have been secured in Garza County District Court and will be offered for sale to the public in groups similar to the first one of properties contained in today's notices.

Walker said such sheriff sales probably will be held monthly. Property owners of course have the right to retain the properties being advertised for sale providing they pay all back judgments plus the court costs already involved prior to the date of the sale.

Walker also announced he has filed 32 citations by publication actions in the district court here in efforts to locate the owners of other tax delinquent properties so that judgments may be secured and the properties offered at sheriff's sale.

These legal citations will begin a four weeks run in The Dispatch on Oct. 21.

Walker said the County of Garza will be a defendant in these actions because the county did not extend its contract with him this summer for the collection of delinquent taxes. Walker said the county in these cases will have to employ its own attorney to establish its rights in court in each of the 32 cases.

Many of the properties for which the legal owners cannot be determined are vacant lots upon which taxes have not been paid in years.

Since Walker began his delinquent tax collection drive, approximately \$185,000 in delinquent taxes, penalties and interest have been paid.

"In order that the public might not think that our local units of

government are being unfair toward the delinquent taxpayers," Walker told The Dispatch Tuesday, "I think the public should be aware that each person whose property is being offered for sale has received six notices that the property would be offered for sale and the last notice was a plea asking the

taxpayer to make some arrangements to pay the taxes in installments, if necessary, in order that a sale of the property and additional costs would not be incurred by the taxpayer."

The attorney said "there seems to be one remaining myth now, and that is that a homestead can

not be sold for delinquent taxes. Perhaps a sale of some properties will destroy this myth. The political subdivisions do not desire to work any hardship upon any taxpayer and in following through on the sale of property for delinquent taxes they are only carrying out their sworn duty."

ONE OF FINAL CEREMONIES

Liz (Dalby) Gannon holds the Giles Wilson Connell Memorial Trophy that was presented to Clark McEntire (second from right) Sunday after he won the O. S. Ranch benefit steer roping. At the left is Liz's sister, Becky Dalby, and at the right Jim Prather, president of the Garza County Benefit Association.

Oklahoma cowboy is steer roping winner

Clark McEntire, 43-year-old, 220-pound cowboy from Kiowa, Okla., finished with a total time of 84.5 seconds on four head Sunday afternoon to win the championship of the first annual O. S. Ranch benefit steer roping, and the \$3,500 first place money that went with it.

McEntire, who turned pro in 1947, roped and tied his final steer in 21.5 seconds to end the two-day calf and steer roping that was held for the benefit of the West Texas Boys Ranch in San Angelo.

A crowd variously estimated at from 1,000 to 2,000 saw the roping finals in the 300-yard long roping arena at the historic ranch. Other events in the two-day benefit affair included Saturday's tie-down and team calf roping, a dance Saturday night at the Community Center in Post, and a barbecue at the ranch.

Jim Prather, president of the Garza County Benefit Association that staged the steer roping, told The Dispatch that the entire 12-member board of the association

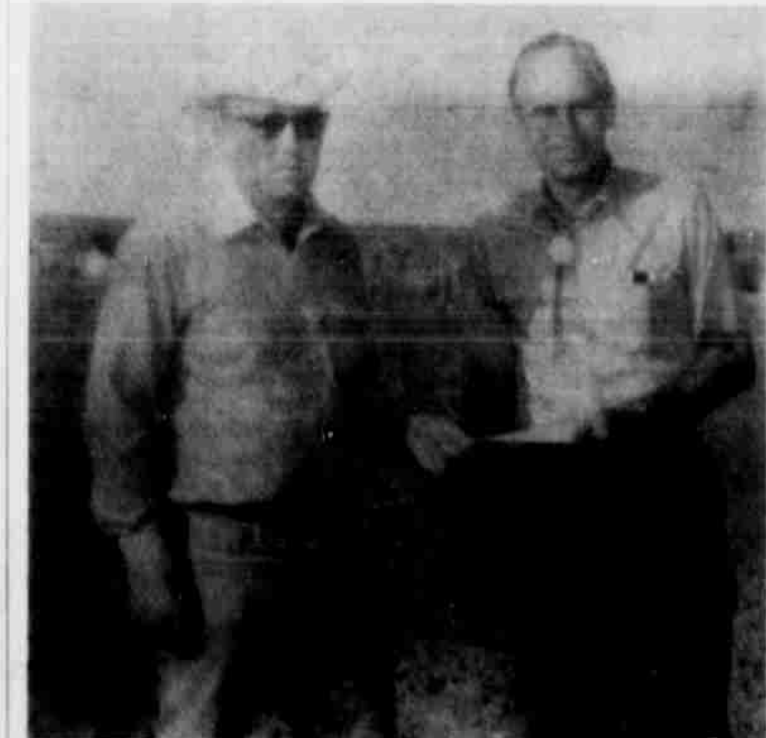

considered the two-day event "an outstanding success."

The total amount of funds raised from the sale of tickets to the roping and from the related events had not been announced late Wednesday, since the books were "still open" and no final accounting yet made. The barbecue alone is said to have raised approximately \$1,100.

The barbecue, presided over by Virgil Rodgers of San Angelo, was put on by the West Texas Boys Ranch in conjunction with the steer roping.

The entire 72 boys at the ranch were here for the Sunday roping, with some 30 of them arriving on Saturday and spending the night as guests in Post homes. The boys assisted at the barbecue and sold programs Sunday.

Each of the 32 ropers competing Sunday put \$350 in the jackpot, with half of each \$3 spectator ticket sold also going into the jackpot. (See Steer roping, Page 8)

CHECK IS PRESENTED

Junior High band is parade winner

The high-stepping, 85-member Post Junior High School band won the first place trophy in its division and a \$75 cash prize Saturday in the annual Harvest Festival parade at Brownfield.

The Post band, directed by Herbert Germer, won over Levelland, which took second place, Hale Center, Denver City and Ralls. Abernathy won first in the high school division and Levelland second.

Following the parade, which was at 10:30, the director and band members stayed in Brownfield several hours to enjoy the Harvest Festival.

VALUATIONS ON \$19,027,000

Garza budget okayed; no increase in taxes

Garza County Commission at its recent budget hearing adopted a 1972 budget which provides for no increase in either the rate or taxable valuation percentage, but does provide for about

\$51,000 in added receipts from a variety of sources other than the taxpayers.

It also provides for approximately \$10,000 increase in general fund expenditures due to increased cost

in many things, not to one or two expenditure items.

County Judge Giles W. Dalby told The Dispatch yesterday that the county found it necessary to borrow \$20,000 in no-interest tax warrants from the First National Bank in late summer to have money to meet county expenditures before new tax money would begin to flow in this month.

The bank and county agreed on the no-interest warrants because the bank has other county funds on deposit and payment of interest on those deposits would offset any interest the bank would charge on the warrants.

"We hope, Dalby said, "that we can pay this back and not have to borrow again next year, but we cannot be sure that some tax warrants won't be necessary in 1972."

Judge Dalby said that the commissioners court held the tax line this year, despite rising costs, because of the spring drought and uncertain local economic conditions.

The court in July authorized the borrowing of up to \$30,000 as needed in no-interest tax warrants from the bank when it became apparent that the county would need additional cash before tax time.

The tax rate has again been set at 80 cents on \$100 valuation with the taxable valuation again set at 25 per cent of true value.

County property valuations rose \$227,000 this year to \$19,027,000. Based on the estimate of 95 per cent collections, county tax payers will pay in \$143,622.20 of the \$350,952.57 in total expenditures.

The county's bonded indebtedness, including both bonds and time warrants, will increase during 1971 from \$32,183.34 at the beginning of

(See Garza budget, Page 8)

One of the most unusual ads The Dispatch has printed in some time is a quarter-pager on page 8 of today's edition wishing a "happy birthday" to Mike Mitchell on his 40th.

We don't know if Mike will appreciate this unique method of extending birthday wishes or not because the advertiser who paid cash for the ad asked that the advertiser's name not be bandied about — especially to Mike.

We were "out on the street" at the time and so secretively has the staff handled this ad that we ourselves do not really know who ordered it. Cross our hearts, Mike!

Anyway, Mike, there's nothing to that malicious rumor that one is "over the hill" when he reaches 40.

The O. S. Ranch Steer Roping was a huge success — a great field a fine show, a big crowd and plenty of money raised for West Texas Boys Ranch. It was such an unusual event — with the whole community chipping in work, homes, money or a combination of the three — that we want to call your attention to the appreciative letter from West Texas Boys Ranch officials which appears on page 8.

John Brockman, Wacker's store manager, was hoping to have the announcement in this week's Dispatch as to relocation plans for Wacker's store. But the word has not arrived — as yet!

We "ran out" of Dispatches last week because of the fire coverage, so we are willing to buy back the first 10 Oct. 7 papers in good condition at double the original sales price.

POLLING PLACE

Bond assumption vote scheduled for Oct. 11

The Post consolidated independent school district will go to the polls Monday, Oct. 11, to determine if taxpayers in the former Justiceburg school district will assume their share of the Post school district bonded indebtedness.

The one polling place will be in the High School with the polls opening at 8 a.m. and closing at

7 p.m. with Mrs. Elizabeth Hart as election judge.

The Post school district owes approximately \$645,000 in bonds outstanding. They are scheduled for a complete payout in 1981.

The Justiceburg school district had no bonded indebtedness.

If the issue carries Monday, taxpayers of the former Justiceburg district will assume their share of the indebtedness.

Should the issue not carry, Justiceburg property owners in the future will pay only taxes for the schools' operations. At the present time Post school district taxpayers are paying 21.6 cents per \$100 valuation for bonded indebtedness annually.

The \$645,000 in bonds includes \$65,000 of the 1949 series, \$60,000 of the 1953 series, and \$520,000 of the 1959 series.

Supt. Bill Shiver told The Dispatch yesterday that he has received some calls from people who erroneously believe that the Monday election is a bond issue election to issue more bonds instead of being a bond assumption election.

YOUTH CENTER TO BE TALKED TONIGHT

A public meeting has been called for 7:30 o'clock tonight in the bank community room to discuss formation of a Post Youth Center.

Don Rankin, a local teacher who headed a drug abuse educational program this summer as representative of the Post schools, has called the meeting.

He wants to determine the interest in having a youth center here which would be open several nights a week to give local youngsters something to do and someplace to go at night.

STILL GOING STRONG

Garza Green Thumbers oldest

The oldest and second oldest Green Thumb crew members in the state, both members of the Garza County crew, were honored at a birthday party Monday afternoon at City-County Park.

The honorees were 87-year-old E. H. Britton of 311 West 13th St., whose birthday was Tuesday, Oct. 5, and Albert Pantoja of 615 North 1st, who was 84 years old on Oct. 1.

Mr. Hazel Abernethy of Plainview, district supervisor for the Green Thumb program, attended the party along with other crew members Johnny Johnson, foreman, G. H. McAfee, safety monitor, D. C. Roberts, J. C. Caylor and Burl Milton.

An especially baked birthday cake, punch and coffee were served.

Britton and his wife have been members of Post since the early 1940's after moving here from Lorena, in Mitchell County. He is a member of the original Green Thumb crew, which began work in February. After moving to Post, Britton was employed at Posttex until 1965, having started to work there after he was past 65. Pantoja also began work with the original Green Thumb crew in February. Unlike many Green Thumb members, he was not retired at the time he entered the program, but was actively engaged in building fences.

CITY COUNCIL MEETING POSTPONED TO OCT. 14

The regular monthly meeting of the Post city council scheduled for Monday night was postponed to Thursday night, Oct. 14, at 8 o'clock.

Monday night's meeting was postponed because of Mayor Giles C. McCrary and Public Works Supt. Pete Maddox being in Houston for the annual meeting of the Texas Municipal League.

SATURDAY NIGHT'S 'BOMB SCARE' IS FIRST-EVER HERE

You can't say Post is behind the times. It had its first "bomb scare" Saturday night.

A male voice called Vera Browning, radio dispatcher at the sheriff's office at 10:29 p. m. Saturday and told her a bomb was set to go off in 10 minutes at the Community Center, crowded by an estimated 700 dancers attending the O. S. Ranch Steer Roping benefit dance.

Mrs. Browning put out a call on law enforcement radio and County Judge Giles W. Dalby, who was in his car at the Community Center, heard the report. He immediately had an announcement made for everyone to evacuate the center.

The building was thoroughly searched and no bomb was found. The dance resumed about 11 p. m.

It was so successful it netted \$580 for West Texas Boys Ranch after the expenses of the band and the cost of erecting a bandstand were paid.

Firemen do professional job

Every fire department, sooner or later, meets its big test. The Post Volunteer Fire Department met its Monday night of last week when fire destroyed Wacker's store—and the firemen came through with flying colors.

Naturally, the citizens of a town expect a professional job from their firemen, and that is just what the citizens of Post got from their "fire boys" in their hours-long battle to bring the costly fire at Wacker's under control and keep it from engulfing adjoining buildings.

Collectively and individually, the firemen

did a good job. At such times, when the firemen are fighting a big blaze group coordination is virtually impossible, but when the firemen perform individually in the manner they did at the fire here, coordination just comes about naturally.

Even though they expect—and get—a professional job from their firemen, citizens should not take them for granted to the extent that they fail to appreciate their efforts and the fact that they are always "available" in such times of need.

What our contemporaries are saying

The main functions of schools is to make grown-ups out of people.—The Slaton Slatonite.

There will be no wars when nations learn how to completely break each other without fighting.—Brownfield News.

The Abundant Life...

DOES GOD CARE?

"Then drew near unto him all the publicans and sinners for to hear him and the Pharisees and scribes murmured, saying, This man receiveth sinners, and eateth with them. . . . And he arose, and came to his father. But when he was yet a great way off, his father saw him, and had compassion, and ran, and fell on his neck, and kissed him." Luke 15:1, 2.

A lump must have swelled in the breast of Jesus and tears welled in his eyes. Before him was a multitude of people. Jesus said Himself they were sheep without a shepherd. These people were sinners of all stripes and colors.

Luke 15 is the gospel in miniature, the story of God's amazing grace. Jesus at this time had a special awareness of who He was and what He had come to do. Jesus came to seek and save the lost. The crowds were pressing around Him for hope. He wanted to tell each individually that heaven knows and God cares.

He chooses a parable to illustrate the love of God. The story of the prodigal son is so pointed that no one can miss its message. Not only does God care for all men, but God will run. Yes! God runs when prodigals walk.

The prodigal is saved by grace. He is saved because God loved him as a son and God forgave him. And God emphasized both by words and deeds one fundamental fact—that a relationship is restored, that God is still the father, and the prodigal is still the son.

God is willing to run to any man's side. However, it is up to man to make the first move. God runs when prodigals return.

WITH THE Post Antelopes having won their first game of the season Friday night, you'll forgive me, perhaps, if I fill this week's column with football.

It was good to hear the old Victory Bell at Antelope Stadium peal out for the first time since the second game of the 1970 season. Let's hope we don't go so long anymore between victories.

THE ONLY thing that wasn't working for Post at the stadium Friday night was the scoreboard clock—and it wasn't working for Ralls, either.

And to round out the column, here is a classic by Dr. Charles Loftus, Director of Sports Information, Yale University:

WHAT IS A FOOTBALL PLAYER?

Between the innocence of boyhood and the dignity of man, we find a sturdy creature called a football player. Football players come in assorted weights, heights, jersey colors, and numbers, but all football players have the same creed: to play every second of every minute of every period of every game to the best of their ability.

Football players are found everywhere—underneath, on top of, running around, jumping over, passing by, twisting from or driving through the enemy. Teammates rib them, officials penalize them, students cheer them, kid brothers idolize them, college girls adore them, alumni tolerate them, and mothers worry about them. A football player is Courage in cleats, Hope in a helmet, Pride in pads, and the best of Young Manhood in muleskins.

When your team is behind, a football player is incompetent, lazy, careless, indecisive, uncoordinated and stupid. Just when your team threatens to turn the tide of battle, he misses a block, fumbles the ball, drops a pass, jumps offside, falls down, runs the wrong way, or completely forgets his assignment.

A football player is a composite—he eats like Notre Dame, sleeps like Notre Dame, but more often than not, plays like Grand Canyon High. To an opponent publicity man, he has the speed of a gazelle, the strength of an ox, the size of an elephant, the cunningness of a fox, the agility of an adagio dancer, the quickness of a cat, and the ability of Red Grange, Glen Davis, Bronso Nagurski and Jim Thorpe—combined.

To his own coach he has, for press purposes, the stability of a mush, the fleetness of a snail, the mentality of a mule, is held together by adhesive tape, baling wire, sponge rubber, and has about as much chance of playing on Saturday as would his own grandfather. To an alumnus a football player is one who will never kick as well, run as far, block as viciously, give as little ground, tackle as hard, fight as fiercely, score as many points, or generate nearly the same amount of spirit as did those particular players of his own yesterday.

A football player likes game films, trips away from home, practice sessions without pads, hot showers, long runs, whirlpool baths, recovered fumbles, points after touchdowns, and the quiet satisfaction which comes from being part of a perfectly executed play. He is not much for wind sprints, sitting on the bench, rainy days, after-game compliments, ankle wraps, scouting reports or callisthenics.

No one else looks forward as much to September or so little to December. Nobody gets so much pleasure out of knocking down, hauling out, or just plain bringing down the enemy. Nobody else can cram into one mind assignments for an end run, an off-tackle slant, a jump pass, a quarterback sneak, a dive play punt protection, kick-off returns, a buck lateral, goal line stands, or a spinner cycle designed to result in a touchdown every time it is tried.

A football player is a wonderful creature—you can criticize him, but you can't discourage him. You can defeat his team, but you can't make him quit. You can get him out of a game, but you can't get him out of football. Might as well admit it—he is your alumnus, coach or fan—he is your personal representative on the field, your symbol of fair and hard play. He may not be an All-American, but he is an example of the American way. He is judged, not for his race, not for his religion, not for his social standing, or not for his finances, but by the democratic yardstick of how well he blocks, tackles and sacrifices individual glory for the over-all success of his team.

He is a hard-working, untiring, determined kid doing the very best he can for his school or college. And when you come out of a stadium, grousing and feeling upset that your team has lost, he can make you mighty ashamed with just two sincerely spoken words—"We tried."

Skating on ice is possible because the weight of the body melts the ice and the skater really is traveling on a film of water which freezes again as the weight is removed.

Byrd Heard??

By WYNETTE BYRD

I would like to congratulate ever one on getting off of their hands and doing something liked I asked them to last week. There was quite a bit of excitement this week.

Friday was "Get a Jackrabbit Day" but it should have been "Be Kind to Animals" day. Some one hung a jackrabbit (yes, a real one) on the flagpole. Why don't you guys pick on someone your own size?

Officers chosen by Greenhands

By BECKI DALBY

The Greenhand Chapter of Future Farmers of America met for the first time on Sept. 27.

This meeting included the election of new officers. They are: president, Jerry Johnson; vice president, Jay Kennedy; secretary, Eddie Gannon; treasurer, Jackie Blacklock; sentinel, Kelvin Thomas; reporter, Becki Dalby; and executive committee member, Ricky Cross.

There were 20 members and two guests present. And also present was our advisor, Mr. Horton.

Speaking of brotherly love (who was?) Steve Mason drug his little brother, Randy Mason, out of a burning building during the disastrous fire that raged through Post last Monday. Randy was overcome by smoke and suffered only minor burns. Randy was back in school Wednesday.

Will the person with the tack in his seat please stand up! The rattlesnakes must be getting desperate. They are coming around the school now, right, Nancy?

Have you got your wheels in balance yet, Rob? Did everyone get enough of hopping in band? Maybe now you'll march right!

Detective Byrd is on her toes again; she found a new mystery character, "Moron"???. Any one knowing who this is please tell Jackie Moore; she can't figure it out.

The burning down of Wacker's has left the pep squad in a daze. All their supplies went up in smoke! We'll try to keep going and make do with what we have. I hope everyone got a great big teddy bear at the fair.

Thought for the day: Typewriters bite. And that's the truth Pfff!

Store's burning dazes pep squad

By WYNETTE BYRD

The pep squad would like to extend their deepest sympathies to Mr. Brockman. We are very sad that Wacker's burned down. This was almost our sole source of supplies. So please hurry and build it back, so we can start buying our supplies from you again, OK?

Even after this horrible event, the pep squad worked very hard to decorate the halls last week. I would like to congratulate each and every one that worked.

The pep squad had a meeting last week to select our Pep Squad Beau. This Beau will be presented to the public on Homecoming, Oct. 15. Everyone come so you can see this presentation.

We came up with a new paint, that, starting on homecoming, will be the standard color. Instead of yellow as we have been using it will be metallic gold. It is an improvement over the yellow because old gold and black are our colors. Be looking for the difference.

Roosevelt Eagles

Friday Night, Oct. 8

7:30 P. M. Kickoff

On Roosevelt's Home Field
 IN LUBBOCK COUNTY

Two of District 4AA's co-leaders will clash tomorrow night up on Roosevelt High School's rural gridiron when Coach Bobby Davis' Antelopes, flushed with their first victory of the season, invade the nest of the Roosevelt Eagles.

Both teams are unbeaten in league play as the Eagles scraped by the Idalou Wildcats 7-4 in their district opener while the 'Lopes were thoroughly enjoying beating the Ralls Jackrabbits 23-6 on Robert Mindieta's three touchdown zips.

Roosevelt thumped Spur's Bulldogs by about 40 points in its opener and Spur outplayed the Antelopes in a pre-season scrimmage.

But since Spur, the Eagles' offense hasn't been any more prolific than the Antelopes, beating New Deal and losing to a strong Cooper club.

Coach Davis' club hasn't lost its zing after three opening non-district losses and up to this point have shown marked improvement every game. If they improve on last week's victory over Ralls, they can win again.

And that wouldn't be a bad feeling—2 and 0 in district play!

Pearl beaded plastrons of chantilly lace accented the front of the bodice. The long bishop sleeves were softly shirred to wide cuffs of chantilly lace ending in natural scallops over the wrists. Library Listening Post

By GEORGE L. MILLER
Good news, Hailey fans, we now have a copy of his latest book "Wheels" in the library. I mentioned this book a few weeks ago and since then there have been a number of people asking for it. It's probably going to be a popular one, so you'd better get in line quick.

I stopped by the Pix bookstore this week and picked up a few books that looked interesting. One is a new novel by Norah Lofts called "A Rose for Virtue." Miss Lofts' books have always been popular, and though I find her writing a bit uneven — some of her books are fascinating, others awkward — she is usually worth reading. You can learn a lot of history from her books.

Science fiction fans will glory in a new book — "The Hugo Winners: Volume Two" edited by Isaac Asimov. For those of you who don't know what a "Hugo" is, a Hugo is to science fiction what an Oscar is to the movies. It is a highly coveted award, and only top quality will earn one.

This particular volume is a collection of 14 stories that have won the Hugo in the past nine years. It looks like an excellent collection, certain to delight your science fiction readers.

If any of you like R. F. Deiderfeld the way I like him, you'll be happy to learn that he has just published a new volume, "Theirs Was the Kingdom." This is a sequel to "God Is an Englishman" that came out last year. Reviewers are comparing this work to Galworthy's "The Forsyte Saga" (we have that too!), and that means a long, leisurely family saga, just the thing for a cold winter's night.

Do you remember "The Amazing Mrs. Pollifax" by Dorothy Gillman? It was the story of a little old lady — retired and bored to death — who volunteered to help the CIA. In no time at all, her life was far from boring, and the book — a first novel for Miss Gillman — was a smash hit.

Fortunately for us, Mrs. Pollifax did not return to retirement. She's back in a new adventure called "The Elusive Mrs. Pollifax." If it's anything like the first one, it's a sure winner.

One new title that came out this past month was too irresistible to pass up. "There She Is" by Frank Deford, is a history of the Miss America Pageant held in Atlantic City each year. Here's the full story behind the pageant, going back to the very beginning. It includes pages and pages of statistics about the winners, supplying more data on Miss America than you probably ever thought of.

Thor Heyerdahl became famous overnight when he sailed a balsam raft from Peru to Polynesia and wrote the adventure up in a book called "Kon Tiki." He was trying to prove that the Polynesians could have come from South America.

Now he's done it again, this time on a new theory. He thinks that the Egyptians may well have crossed the Atlantic to settle America. He built a reed boat and tried making the journey. It was rough work, but he finally made it. He's written it

all down in his newest book, "The Ra Expeditions." Aside from being a fascinating account, it's a beautiful book, sure to be popular. These are a few of the new books we are putting in the library this week. And there is more to come.

Steer roping—

(Continued from Page 1)
The other half of the ticket sales went to the boys ranch.

The entry fees totaled \$7,200 and \$1,775 from ticket sales increased the jackpot to a total of \$8,975.

McEntire went into the final go-round with a 2.1 second lead over Randy Burchett, another Oklahoma cowboy, from Pryor. Burchett beat McEntire by one-tenth of a second on the final calf — 21.4 to 21.5 — but that wasn't enough to overcome McEntire's lead.

Burchett earned \$2,692.50 with his second place time of 86.7. Shoat Webster of Lenapah, Okla., was third in 91.8, winning \$1,795, and Allen Keller of Olathe, Colo., finished fourth with a 93 flat to earn \$897.50.

Other ropers in the top 13 who went into the fourth go-round were: Don Howell, Elida, N.M.; Walt Arnold, Silverton; Ben Patterson, Niotaza, Kans.; Phil French, Crescent; Olin Young, Peralta, N.M.; Marvin Cantrell, Nara Visa, N.M.; Billy Frank Good, Elida, N.M.; Don McLaughlin, Fort Collins, Colo. and Tim Prather, Chico, formerly of Post.

The final go-round had 13 ropers instead of 12 because of a tie between McLaughlin and Prather.

Go-round winners in the steer roping, their times and amounts won, were as follows:

First Go-round: 1. Roy Thompson, Happy, 17.8, \$400; 2. Ben Patterson, 18.0, \$300; 3-4 (split) Walter Arnold and Billy Frank Good, 20.5, \$150.

Second Go-round: 1-2 (split) Olin Young and Clark McEntire, 16.8, \$350, 3-4 (split) Don McLaughlin and Jim Bob Altizer, Del Rio, 17.1, \$150.

Third Go-round: 1. Roy Thompson, 16.2, \$400; 2. Ben Patterson, 16.3, \$300; 3. Phil French, 17.2, \$200; 4. James Allen, Santa Anna, 17.5, \$100.

Fourth Go-round: 1. Olin Young, 15.1, \$400; 2. Don McLaughlin, 17.7, \$300; 3. Shoat Webster, 19.7, \$200; 4. Randy Burchett, 21.4, \$100.

Best average winners in Saturday's tie-down calf roping were: 1. Eldon Dudley, 27.5 (two head); 2. Ed Workman, 28.1; 3. Jess Everett, 29.9; 4. Tim Prather, 33.0.

First Go-round: 1. Workman, 12.6; 2. Dudley, 13.0; 3. Burl Mar- dis, 13.1; 4. Everett, 14.5.

Second Go-round: 1. Jerry Harlan, 13.2; 2. Toots Mansfield, 13.6; 3. Bob Johnson, 14.4; 4. Dudley, 14.5.

Team roping best average winners were: 1. James Allen and Harry Howard, 48.3; 2. Walter Arnold and Rex Prather, 49.2; 3. Toots Mansfield and Walton Pogue, 49.8; 4. Kenny Smith and Tommy Price, 57.6.

First Go-round: 1. Phillip Berry and Billy Teague, 12.1; 2. Rex Prather and Walter Arnold, 12.5; 3. Choc Carruth and E. P. Driver, 13.3; 4. Roy Thompson and Bob Johnson, 14.0.

Second Go-round: 1. Harry Howard and Frank Boyd, 11.2; 2. Bill Teague and J. L. Kenny, 11.3; 3. Kim Gripp and Jim Monroe, 11.5; 4. Bob Johnson and J. L. Kenny, 14.2.

RANCH VISITORS AND HOSTS

Five of the West Texas Boys Ranch visitors here for the O.S. Ranch steer roping were guests in the K. W. Kirkpatrick home. AN OPEN LETTER TO THE CITIZENS OF POST AND GARZA COUNTY

West Texas Boys Ranch is more than just a home for boys; to us who love the boys, work with them, and toil for them, it is a way of life, a state of mind, and a deep inner-felt satisfaction of helping a boy, of giving a youngster a chance.

You folks, men, women, boys and girls, all of you, have just demonstrated to us that our boys have a host of friends on the edge of the caprock. Never in our years of working with the Ranch and the boys have we had the distinct pleasure of experiencing such an all out effort in one community and county to help the 72 boys at West Texas Boys Ranch.

The way that all of you opened your homes and hearts, and worked demanding hours to put on the first annual OS Ranch Steer Roping to benefit West Texas Boys Ranch is an inspiration to us all. We are humbly grateful, and immensely proud.

We are grateful for such a display of concern and charity towards the Hard-Luck boy of West Texas, and we are indeed proud of the cooperative spirit that prevailed among the leaders and laborers alike. We are humbled that we were chosen to be the recipients of the benefit, and we are pleased that you took our boys into your homes.

Your unselfish display of energy, your complete rallying to the cause, your steadfast approach in working together to reach a goal and the union with which you all placed your shoulders to the wheel to make the OS Ranch Steer Roping a success left us a little breathless.

Words can not convey how we feel about all of you. We cannot thank Jim Prather enough, or Mayor Giles McCrary, Judge Giles Dalby, or the 12 members of the Garza County Benefit Association, nor can we properly thank Mrs. Wyvonne Kennedy and all the families who look in our boys. We can only try.

We can not possibly name all the wonderful people who helped on the Roping, nor can we adequately express our feelings for you all. We can only say that it was our privilege to get to know you, and say "Thank you" to some of the finest people in the world. Our thanks also to Jim Cornish for the excellent publicity given to the Roping, and West Texas Boys Ranch, and for carrying this message in The Post Dispatch.

As the dust has now settled over the historic OS Ranch, the last steer roped, that last car crosses the cattle guard and the last ember dies in the Bar B Que fire, we look back over our shoulders up towards the Cap, and say "Thank you Post, Thank you Garza County, and May God Bless each and every one of you for your kindness."

In behalf of the 72 boys at West Texas Boys Ranch, our entire staff and Board Directors, "much obliged."

Dave Gottshall, Assistant to the President West Texas Boys Ranch	Kenneth Howell, Superintendent West Texas Boys Ranch	Harvey Hartgrove, President, Board of Directors, West Texas Boys Ranch

Lopes will try to keep on rolling against Roosevelt

4AA tilt set for 7:30
Friday on Eagles' grid

The Post Antelopes, showing improvement with each successive game, will go up against the experienced and blinding speed of the Roosevelt Eagles at 7:30 p.m. Friday on the Eagles' home field.

Both teams won their conference games last Friday. Post beating Falls, 23 to 6, and Roosevelt mugging the Idalou Wildcats, 7 to 4, on the Wildcats' gridiron.

Friday night's game at Roosevelt will pit District 4AA's two leading scorers against each other in fullback Robert Mindieta of Post and wingback David Vasquez of Roosevelt. Each has scored 24 points on their touchdowns.

After opening with a 27-0 win over New Deal, Roosevelt lost to the strong Cooper Pirates of District 3AA, 14 to 7, then bounced back to wallop Spur, 40 to 0, before opening district play last Friday against Idalou.

With 19 lettermen back from a 23 season, the Eagles start 11 seniors on offense. In addition to experience, the Eagles have outstanding personnel and good size.

Speed in the backfield is the main strength, however. Wingback David Vasquez has been clocked at 8.8 in the 100-yard dash, while fullback Walter Mann, a 195-pounder, runs the 100 in 10 flat, and tailback Hesea Brown in 10.2. Don Jackson, 165-pound senior quarterback, is a three-year letterman and considered one of the area's top field generals.

Roosevelt runs from a multiple offense, but basically a tandem set according to scouts. They employ the "4-3" defense, the same as that used by Post, but stack more and rely on some stunting, scouts said.

Line starters for the Eagles on offense, all seniors, will be: Kenney Maines, 170 pounds, center; John James, 170, right guard; Armando Gonzalez, 200, left tackle; Jimmy Matsler, 200, right tackle; Wayne Morris, 170, tight end, and Daniel Hammett, 160, split end.

The injury jinx hit the Antelope squad again last week with sophomore halfback David Conoly, suffering a broken bone in his right

foot Wednesday, after sophomore Mark Bevers had broken his hand Tuesday. Both injuries came in practice sessions.

Conoly, who was Post's leading ground gainer in both the Lockney and Floydada games, probably is out for the season, since his leg is encased in a cast which he is scheduled to wear six weeks. Bevers was a defensive end and also a member of the kickoff team.

"We are improving every week and hope to keep it up," Coach Bobby Davis said Tuesday. "However," he added, "we have got to take a look at the opposition coming up in the six games remaining on our schedule. They're all tough ones."

"We're not only showing improvement in performance, but also in attitude," the coach said.

Fearless Fosdick, the Dispatch's pigskin prognosticator, did much better last week than he has been, getting seven right and missing only two, for a .777 percentage mark.

Fosdick's fan mail this week included a letter from Austin, signed "A Longhorn," which takes him to task for not forecasting the University of Texas' games.

"Try forecasting whether Texas will win or not," the Longhorn wrote. "It ought to be easy — we've won 33 of our last 34 games. Got to admit it's a good way to bring up your average. Poor of Tech still hasn't got it."

Fosdick's answer to the Longhorn is that his prognosticating is confined to this immediate area, since he doesn't care to spread out and compete with Tom Harmon, Will Grimley and some of the other experts. This week, however, he is including the University of Texas in his forecasts (see below).

Following is the way the fearless forecaster thinks this week's games will go (his pick in capital letters).

POST at Roosevelt. Two in a row for the Lopes.

DENVER CITY at Tahoka. Mustangs as tough as they say they are.

IDALOU at Ralls. In a close one.

FRENSHIP at Slaton. In a battle of Tigers.

Abernathy at LOCKNEY. Abernathy having quarterback problems.

Friona at DIMMITT. Bobcats one of District 3AA's toughest.

FLOYDADA at Morton. Mean

Green may be in for rough evening.

LITTLEFIELD at Olton. Wildcats making biggest splash in years.

Texas A&M at TEXAS TECH. Don't look for either team in Cotton Bowl.

OKLAHOMA vs Texas at Dallas. Don't say he didn't tell you.

RALLS 23-6 VICTIM IN 4AA OPENER

Mindieta scores all 3 TD's in Post win

A long "dry spell" ended for the Post Antelopes here last Friday night when they bounced the Ralls Jackrabbits, 23 to 6, in the District 4AA opener for both teams.

The well-earned win broken an 11-game losing streak for the Antelopes that stretched back through the third game of the 1970 season. It was also the first victory for the Lopes under their new head coach, Bobby Davis, and his assistants.

The Antelopes did all their scoring in the first half on touchdown runs of 46, 40 and 5 yards by fullback Robert Mindieta, and extra points engineered by halfback Johnny Minor, John Johnson and end Roger Pace.

The Jackrabbits came back with six points early in the third quarter, but after that the game settled down into a defensive battle between the two elevens.

Both of Mindieta's long touchdown runs came in the first quarter after handoffs from sophomore quarterback Jerry Tyler, who faked beautifully both times. On both touchdown trips, Mindieta broke through the line behind a sharp blocking, veered to the right and went the distance untouched.

The 170-pound fullback's second quarter touchdown came on a five-yard dive play after the Lopes had driven the ball down from the Ralls' 42.

The Jackrabbits' touchdown came after they recovered a Post fumble on the 'Lope 27 on Post's first series of plays after receiving the second half kickoff. An 11-yard run and a 15-yard pass took the ball to the one-yard line, where quarterback Joe Flores sneaked over for the score.

The visiting Jackrabbits had some of the starch taken out of them when a five-yard illegal procedure penalty wiped out a 75-yard return of the opening kickoff to the Post 15-yard line.

Unable to move any farther upfield than their 46, the Rabbits punted to the Post 25 to give the Lopes their first possession of the night. The Antelopes couldn't go, either, and David Woods barely got a high snapback down in time to punt to the Ralls' 38.

On Ralls' first play, Woods intercepted quarterback Lee Clodfelter's pass on the 'Rabbit 47 and ran it back to the 31. Mindieta crashed through the line for six, but a 15-yard holding penalty set the ball back to the Ralls 41, and an illegal procedure penalty pushed it five yards on upfield to the 46.

Mindieta took a handoff from Tyler, rammed through the left side of the Ralls line, angled to the right and sped 46 yards for what

was only the second Post touchdown in four games. The snapback was bobbled by Minor's attempted kick from placement, but the kicker picked up the ball and swept Ralls right end for two points to make the score 8-0.

A Ralls receiver bobbled the ensuing kickoff, allowing it to go into the end zone, from where it was brought out to the 20. Fullback Tony Chron made four yards, but Roger Pace came up to stack the next try for a four-yard loss, and a short Ralls punt took a Post bounce back to the 'Rabbit 40.

On the first play, Tyler faked to the first man through, then handed off to Mindieta, who went through the same hole as on his first touchdown, this time to score from 40 yards out. Minor kicked the extra point to boost Post's lead to 15-0.

On the third play of the second quarter, Woods' 37-yard punt was killed on the Ralls one-yard line, and when the Rabbits kicked out to their 42, Woods returned eight yards to the 34.

Halfback Kyle Josey ripped off a 22-yard gain to the Ralls 12, then Mindieta gained two yards and Josey five more to deposit the ball on the five, from where Mindieta crashed through for the touchdown. Johnson, in to hold for kicker Johnny Minor, threw instead to Pace, who made a diving catch in the end zone for two points, boosting the score to 23-0.

Post recovered two Ralls fumbles before the first half ended, one on the 'Rabbit 35 and the other on their 38, but was unable to capitalize on either break, mainly through not being able to get a passing game going.

The Lopes fumbled on their first series of plays after receiving the second half kickoff, and Ralls recovered on the Post 27. Chron traveled through the line for 11 to the 16, from where Flores hit Chron with a pass to the one-yard line, with the Ralls field general sneaking over on the next play. Chron was stopped short in an attempt to run over the extras, leaving the score at 23-6.

The rest of the third quarter and most of the fourth was played between the 30-yard lines, but Post drove deep into Ralls territory late in the fourth period after holding for downs on their 42.

Woods made five yards on a pitch-out from Tyler and halfback Kenneth Price carried twice for a first down on the Ralls 44. Tyler kept for four yards, Woods added four more, and Josey went for seven yards and a first down on the 29.

Minor, Mindieta and Price got only five yards in three downs, and Tyler's keeper for three fell a yard short, with the Jackrabbits taking over on their 20.

was only the second Post touchdown in four games. The snapback was bobbled by Minor's attempted kick from placement, but the kicker picked up the ball and swept Ralls right end for two points to make the score 8-0.

A Ralls receiver bobbled the ensuing kickoff, allowing it to go into the end zone, from where it was brought out to the 20. Fullback Tony Chron made four yards, but Roger Pace came up to stack the next try for a four-yard loss, and a short Ralls punt took a Post bounce back to the 'Rabbit 40.

On the first play, Tyler faked to the first man through, then handed off to Mindieta, who went through the same hole as on his first touchdown, this time to score from 40 yards out. Minor kicked the extra point to boost Post's lead to 15-0.

On the third play of the second quarter, Woods' 37-yard punt was killed on the Ralls one-yard line, and when the Rabbits kicked out to their 42, Woods returned eight yards to the 34.

Halfback Kyle Josey ripped off a 22-yard gain to the Ralls 12, then Mindieta gained two yards and Josey five more to deposit the ball on the five, from where Mindieta crashed through for the touchdown. Johnson, in to hold for kicker Johnny Minor, threw instead to Pace, who made a diving catch in the end zone for two points, boosting the score to 23-0.

Post recovered two Ralls fumbles before the first half ended, one on the 'Rabbit 35 and the other on their 38, but was unable to capitalize on either break, mainly through not being able to get a passing game going.

The Lopes fumbled on their first series of plays after receiving the second half kickoff, and Ralls recovered on the Post 27. Chron traveled through the line for 11 to the 16, from where Flores hit Chron with a pass to the one-yard line, with the Ralls field general sneaking over on the next play. Chron was stopped short in an attempt to run over the extras, leaving the score at 23-6.

The rest of the third quarter and most of the fourth was played between the 30-yard lines, but Post drove deep into Ralls territory late in the fourth period after holding for downs on their 42.

Woods made five yards on a pitch-out from Tyler and halfback Kenneth Price carried twice for a first down on the Ralls 44. Tyler kept for four yards, Woods added four more, and Josey went for seven yards and a first down on the 29.

Minor, Mindieta and Price got only five yards in three downs, and Tyler's keeper for three fell a yard short, with the Jackrabbits taking over on their 20.

The entire Post defense and the offensive line played a good game, along with a backfield that generated a fairly consistent offense for the first time thus far this season.

Junior High grididders win one and tie one

Coach Don Black's 7th grade team won, 26 to 6, and Coach Joe Giddens' 8th graders battled to a 14-14 tie in junior high games at Roosevelt Tuesday evening.

Roosevelt came from behind in the final quarter to tie it up in the 8th grade game after Post had held a 6-0 lead at halftime and a 14-8

margin early in the fourth quarter. Post scored their first touchdown after receiving the kickoff and driving the ball downfield in a drive that consumed nearly the entire first quarter. Edward Price swept end for the touchdown.

Roosevelt went ahead, 8-6, in the third period, but Post regained the

lead on Duke Bell's 30-yard blast through the line after taking a handoff from quarterback Bryan Davis. Davis passed to end Mike Hair for the extra point.

Roosevelt tied the score on a 60-yard run, but the middle of the Post defensive line stopped the extra points try to stave off defeat.

Coach Giddens said the Post offensive line did an outstanding job of blocking throughout the game. The line starters are Mike Hair and Mike Hays, ends; Dale Odom and Benny Greene, tackles; Ray Martinez and George Hester, guards, and Ricky Mullenix, center.

Details of the 7th grade game were not available at the time The Dispatch sports page went to press Wednesday morning.

DUE HALL OF FAME SPOT

Tech Tech to honor Kirkpatrick at game

Post's Jack Kirkpatrick will be inducted into Texas Tech's Athletic Hall of Fame, along with J. C. "Buddy" Brothers, Saturday at halftime of the Tech-Texas A&M Dad's Day game.

Kirkpatrick, also an ex-Post High School sports star, won three letters and quarterbacked the 1954 Red Raider Gator Bowl winner. Brothers played halfback for Tech from 1927-30.

Kirkpatrick, who has ranching interests here and at Las Vegas, N.M., was named All-Border Con-

ference and was also the MVP in the league in 1954.

While at Tech he was a member of the rodeo team and was the leading American Junior Rodeo Association calf roper. He was president of Post Stampede, Inc., for two years and became a member of the professional Rodeo Cowboys Association in 1969.

A member of the First United Methodist Church here, Kirkpatrick teaches a Sunday School class and serves on the administrative board of the church. He and his brother, K. W. Kirkpatrick, were named outstanding ranchers of the year two years ago by the Garza Soil and Water Conservation District.

Kirkpatrick and his wife Zoe have five sons: Kent, 14; Cliff, 10; Will, 6; Joel, 4, and Ben, 2.

This Saturday, Wyoming plays Arizona at Laramie in a WAC tilt. Arizona lost to Texas Tech, 13-10, last Saturday.
