

Chop! Chop! Chop! Go Local Prices for George's Birthday!

Post merchants are going to honor George Washington on his birthday here Saturday by chopping down their prices just like the Father of His Country chopped down that cherry tree when he was a boy.

The sixth annual George Washington Birthday Sale is a town-wide promotion under sponsorship of the Post Chamber of Commerce. It will offer residents of the big Post trade area one of the biggest arrays of late winter bargains in area history.

To add a real "added attraction"

to the crowd draw this year, Post Jaycees are staging their first annual consignment sale auction across South Avenue H from the Jackson Brothers locker plant, beginning at 10 a. m. Saturday. They have a big array of items, including tractors, farm equipment, a sports car, pickups, appliances, furniture, clothing, and many miscellaneous items—last but not least of which is the proverbial kitchen sink. (See page 4 for the Jaycee auction ad.)

Harold Lucas (on page 2) comes up with an unusual offer to a new

car buyers for Saturday only. He will pay \$50 cash to anyone who buys a new 1969 Chevrolet or Oldsmobile from him Saturday, pointing out that the buyer can use the money to shop Post's Main street for many sale bargains.

"George Washington threw his money across the Potomac River," Lucas says. "I want to throw mine all over Post."

Here are just a few of the dozens of ridiculously priced bargains Dispatch readers will find in Washington Birthday Sale ads in this edition:

Three-piece luggage sets, regular \$39.95, for only \$22.22.

Postings

A lot of the columnar hat to the Post Times basketball team for winning a co-share of the district basketball championship. And congratulations to Coach Jiggs King who has worked hard to produce a district champ. We wish the Does the best of luck in the district playoff at Slaton Friday night against Idalou.

The First National Bank's "moisture ad" on Feb. 6 produced the first real moisture of 1969 when it fell an inch with perfect slowest Thursday and early Friday morning. Another .03 was recorded Saturday.

The month of January Post received but .05 of an inch total.

Once again—despite weather conditions at the time of publication—a lot of dryness ahead with signs of moisture—Dispatch advertising paid off.

Kind of wish somebody would advertise for sunshine. That's because we'd like to see a perfect spring day Saturday for the annual George Washington Birthday Sale and the Jaycees' first annual consignment sale auction.

If you'll shop this issue of The Dispatch you'll be pleasantly surprised as all the bargains offered. If you want to pinch those pennies come to Post Saturday morning and enjoy yourselves.

Never thought we would be involved in that exhaustive block argument over what to use in renaming Texas. But we did a couple of weeks ago at the winter meeting of the Texas Press Association at the Ko Palace.

Sevley, the editor of Tech's daily, made a talk to the members in which he pointed out Tech students on two major concerns concerning them (school and dormitory requirements) went through all the pro-hold channels in an effort to have their voice heard. Bill explained that both times they were rebuffed. The young editor said that the student unrest has produced very ugly and damaging results on many campuses has not as yet come to Tech, but the students continued to be heard the West Texas Press should not be surprised to see trouble to Raiderland.

made such a fine talk that the publishers immediately the rostrum to congratulate and point out he had given (See Postings, page 8)

Little roundup of Scouts set

Post Jaycees have set Sunday, March 2, as the date of their first bottle roundup for the district of local troops of Boy Scouts, Girl Scouts and Cub Scouts. Members of Post are asked to bring bottles and to bring them to the middle of Main Street in front of the First National Bank building, March 2.

John Hathaway, Jaycee chairman of the project, said all proceeds from the sale of the bottles will be given to local Scout organizations.

11 uranium mining leases are filed by Getty Oil Co.

The Getty Oil Company, named for and controlled by Paul Getty, reportedly the world's richest man, this week became the third firm to file uranium mining leases in the Garza County courthouse.

The Getty firm filed 11 leases covering a total of 3,858.3 acres. But this is believed to be only the first portion of between 10,000 and 15,000 acres Getty Oil is believed to have under lease in Garza County.

Humble Oil Co. and Kerr-McGee

Oil Co. are the other two firms who have made their mining leases a matter of record here.

A fourth firm, Amarillo Oil Co., a subsidiary of Pioneer Natural Gas Co., is reported to also have a group of mining leases within the county, but none of them have been filed as yet.

The Getty Oil Co. is expected to test drill some of their holdings within the next few months.

Western Nuclear of Denver, Colo., which has a Wyoming uranium

mill and uranium holdings in Washington, has been back "looking" in recent weeks.

The Colorado firm is not known to have begun any leasing, however.

Until thoroughly tested, the Garza-Crosby county area is considered strictly "wildcat country" as far as uranium is concerned.

Both counties have uranium. Still to be determined is whether such deposits are in sufficient quantity to support a mill somewhere in this West Texas area.

Post and Idalou in playoff game

The Post and Idalou high school girls' basketball teams, co-champions of District 4AA, will clash on the neutral Slaton High School court at 7:30 p. m. Friday, Feb. 21; to decide the 4AA representative in the bi-district playoffs.

The site and time of the district playoff game was decided on Wednesday morning at a meeting in Slaton. Post was represented by N. R. "Jiggs" King, girls' coach, and high school principal Vernon Payne. Representing Idalou were the girls' basketball coach, Jim Curtsinger, and the high

school principal, a Mr. Vaughn.

Idalou, on the flip of a coin, was designated the "home team" for Friday night's playoff game at Slaton. Admission to the game will be 75 cents for adults and 25 cents for students.

The Post girls tied with Idalou for the district championship by defeating Tahoka here Tuesday night. Both Idalou and Post finished with 5-1 records in district play, the two teams' only loop losses being to each other. The Post girls defeated Idalou by one point in overtime on Idalou's court, then lost to them by two points on the Post court.

The District 4AA playoff winner Friday night will play the District 3AA winner, which has also gone into a playoff—between Floydada and Hale Center. These two teams are to play tonight (Thursday) at Abernathy to decide their district representative in the bi-district playoff game.

Crowns placed on cage sweethearts

Glen Ann Barley and Kenneth Mitchell were crowned basketball sweetheart and beau, respectively, in a between-games ceremony in the high school gym Tuesday night during the varsity contests with Tahoka.

Mitchell, a senior student, was a crowned beau by Benita Noble of the Post Doe cage squad. Mitchell then crowned Miss Barley, also a senior, as Antelope sweetheart.

Mitchell is the son of Mr. and Mrs. Malachi Mitchell and Miss Barley is the daughter of Mr. and Mrs. Glen Barley.

Year's first meeting

Directors of CofC name Moore 'veep'

Gene Moore, local manager for the Pioneer Natural Gas Company, was named as 1969 vice president of the Post Chamber of Commerce at an organizational meeting of the board of directors Monday night at Jackson's Cafeteria.

Jim Jackson, president, welcomed the new board and told them, "There is a lot of hard work to do." He said a scrapbook would be kept so that at the end of 1969 "we can see our accomplishments."

Holidays set for Chamber obser-

No candidate filings yet for school board

No candidates had filed up to 4 p. m. Wednesday for three positions on the board of the Post Independent School District in the April 5 school election. The filing deadline is March 5.

School trustees whose terms will expire are: Jack Lott, place 2; Virgil Bilbo, place 6, and Wayne Carpenter, place 7.

Rites conducted here Tuesday for Julius A. Johnson

Funeral services for Julius A. Johnson, 80, retired farmer and a resident of Garza County since 1919, were conducted at 2 p. m. Tuesday in the First Methodist Church.

Mr. Johnson died about 11:15 a. m. Sunday in a Lubbock nursing home. He had been ill since breaking his hip in a fall shortly before Christmas and had spent much of the time in Garza Memorial Hospital and in West Texas Hospital at Lubbock.

Born Oct. 19, 1888 in Collin County, he was married to Hattie Gray on Oct. 4, 1914 at Retrop, Okla. They lived at Amarillo and Plainview before moving to Garza County in 1919. The Johnsons farmed west of town until his retirement, after which they moved into town and he served several years as constable until his retirement after suffering a stroke five years ago. Mr. Johnson was a member of the Baptist church.

His wife preceded him in death on April 20, 1958.

Mr. Johnson is survived by a son, Wagoner Johnson of Route 2, Post; a daughter, Mrs. Ralph Carpenter of San Antonio; three sisters, Mrs. Velma Bates of Livermore, Calif., Mrs. Ethel White of Ada, Okla., and Mrs. Donna Bevels of Broken Bow, Okla.; eight grandchildren and four great-grandchildren.

The Rev. O. Curtis Lee, First Methodist pastor, officiated at the funeral services.

Burial was at Plainview under direction of the Hudman Funeral Home. Grandsons of Mr. Johnson served as pallbearers.

Jaycees take on 4 new projects

Four new projects were adopted by the Post Jaycees at their regular meeting last Thursday night at the Jaycees headquarters office on the Lubbock highway.

The new projects are a soft drink bottle drive to assist the local Scouts; furnishing aid to the choir fund; a city basketball league, and hosting a work forum for Areas 1 and 2.

Seventeen members, including two new members, and 12 guests attended the meeting. The new members are Bobby James and Charles Morris.

Guests attending the meeting included: Bill Bland, John Bland, Gene Posey, David Hunt, Pete Castillo, Curtis Lee, Elwin Gill, Mason McClellan, Delwin Flutt, and Ed Sawyers.

Book Fair plans tentatively made

Tentative plans to hold the Book Fair again this year, in the month of June and in a downtown location, were made at an executive board meeting of the Friends of a Public Library held Monday night in the study of the First Presbyterian Church.

The annual meeting of the organization was set for March 18 at 7:30 p. m. in the Community Room, with Vice President Gordon Lee to be in charge of the program.

President George L. Miller appointed a nominating committee composed of Dean Sterling, chairman, and Zoe Kirkpatrick and Bettye Scott. The president also volunteered to prepare the newsletter which will be mailed to members about a week prior to the annual meeting.

Attending the meeting were: Mrs. Bill Shiver, Jack Alexander, Mrs. Bryan J. Williams, Mrs. David Newby, Dean Sterling, Mrs. Scott, Mrs. Kirkpatrick, Arnold Parrish, Gordon Lee, Mrs. Jim Cornish and Mr. Miller.

Four bands will present concert

All four Post school bands will present a benefit concert at 7:30 p. m. Tuesday, Feb. 25, in the high school gymnasium, under the direction of band director Herb Germer.

Admission prices are \$1 for adults and 50 cents for students, with the proceeds to be used to help send the high school band to the Tri-State Music Festival in Enid, Okla. Children not yet in school will be admitted to the concert free.

The concert will be the first appearance this year of the fifth grade band. While the sixth grade, junior high and senior high bands presented concerts earlier in the school year, Tuesday night's will be the first public concert of the year.

Each band will play four selections, with the high school band also playing the concert finale, "The Battle Hymn of the Republic."

The Antelope Band Booster Club will hold a spaghetti supper in the school cafeteria from 5 until 7 p. m. preceding the concert.

Municipal progress reviewed

Mayor says sales tax only auditorium route

Mayor John Hopkins in a talk before Post Rotarians Tuesday noon in City Hall said the "only way I see we can get the municipal auditorium we've been squabbling about is to vote a city sales tax."

(Texas law now provides cities can vote a one percent additional sales tax upon themselves to be returned to them from Austin by the state when retailers turn in their taxes quarterly.)

A Post city sales tax has not been publicly proposed before by any city official.

Hopkins reviewed the city's financial position, taxes, and municipal program in his 15-minute talk.

He said he would like to see the White River tax taken off completely or at least reduced for the next tax year.

The mayor said he thought the present council "is a good one" and "we get along just fine."

"I have lived in Post 22 years and watched it grow," Hopkins said in his opening remarks. He said the mill has grown, and the bank and schools are all bigger

now.

Hopkins said "the cooperation of everyone is needed" and that he is looking forward to building even a bigger and better Post.

The mayor said the city has been requested to construct adequate secondary treatment facilities so as to provide an effluent of acceptable quality by the Texas Water Quality Board.

This will cost an estimated \$75,000, but will not boost local taxes.

Syd Conner will head Rotarians

County Agent Syd Conner is the 1969-70 president-elect of the Post Rotary Club.

He was selected by the club's directors at a recent meeting this week and was announced at the club's Tuesday luncheon as the man who will succeed the Rev. Curtis Lee at the Rotary helm July 1.

The Rev. Joe Vernon, First Baptist Church pastor, was elected vice president.

Hospitalized in Japan

Sanchez wounded in Vietnam war

Sgt. Joe Sanchez, son of County Commissioner Ben Sanchez, is Post's latest Vietnam war casualty.

He suffered six wounds Jan. 28 when his patrol tripped a Viet Cong land mine booby trap and has been evacuated to an army hospital in Japan for convalescence.

Joe has written his father that he will be in the hospital in Japan two or three weeks and then return to duty in Vietnam.

According to a letter he wrote Mrs. O. L. Weakley, who corresponds with him, one man was killed and nine wounded in the land

mine explosion.

He wrote that he helped with the wounded and radioed for help. Within ten minutes five helicopters flew in to evacuate the dead and wounded.

Joe refused to tell his father where he was wounded because he said he didn't want to worry him, but apparently they were mostly flesh wounds if he is returning soon to Vietnam.

His present address in the army hospital in Japan, for those who want to write, is Sgt. Joe Sanchez, Patient 249, General Hospital, APO San Francisco, 96267.

Three more file for city offices

Candidate filings for city offices since last Thursday have added a candidate for mayor and two candidates for city councilman to the field.

Giles C. McCrary filed Monday as a candidate for mayor, where Mayor John N. Hopkins had already filed as a candidate for reelection.

Mike Mitchell filed last Thursday and E. D. Caylor filed Monday as candidates for election to the city council. Bobby Pierce filed early last week as a candidate for the city council.

Terms expiring on the council are those of Lewis C. Herron Jr., Bob Collier and D. C. "Billy" Hill, none of whom had filed for re-election up to Wednesday afternoon.

March 6 is the filing deadline for the April 5 city election.

Saturday to be big shopping day

It doesn't take an added attraction to make the annual George Washington Birthday Sale here an outstanding shopping event, but it certainly doesn't hurt to have one. This year's added attraction—and it gives every indication of being a "super" one—is the Post Jaycees' auction sale.

Tied together, these two attractions — the Chamber of Commerce's Retail Promotions Committee-sponsored George Washington Birthday Sale and the Jaycees' auction—should make Saturday one of the biggest bargain-shopping days in the city's history.

Readers are invited to check the ads in today's Dispatch for the hundreds of "chopped-price" bargains being offered by participating merchants. Among those ads will be found the Post Jaycees' auction sale ad, listing many of the articles to be offered by them to the highest bidder at their old-time auction event.

Saturday, Feb. 22, will be one of those "come early, stay late" days for bargain hunters.—CD

God dropped from 'Moon' stamp

With the Space Age full upon us, many things are being done today in the name of science. But we think it is going too far when the Post Office Department deletes the words, "In the beginning, God," from the Apollo 8 commemorative stamp to be issued from the Houston, Tex., post office May 5.

It has been revealed that the original design of the Apollo 8 stamp had on it not only the picture of the earth from the moon, which the astronauts gave to the President, but also the words, "In the beginning, God." The design was made by Leonard E. Buckley, of the Bureau of Engraving and Printing.

The Post Office Department indicated that the words, "In the beginning, God," were deleted from the original design to "eliminate any possible protests which might detract from recognition of a remarkable scientific achievement."

The phrase, "In God we trust" is on every penny, every coin, every bill—what is wrong with one little stamp carrying this recognition? Shall the Post Office Department mutilate the historic event itself, the climax of which was the Christmas Eve reading of Genesis 1:1-10?

It should also be recalled that the three-cent stamp which Americans used on their first-class mail for years has the torch of liberty with the words, "In God We Trust."

All those who believe in God should not permit the theists, the agnostics, the humanists, the Communists, and the like to eliminate reference to God from our social and national life.

The Shaw conspiracy trial

One of these days the Warren Commission Report on the assassination of President John F. Kennedy might be proved wrong, but we don't believe the outcome of the current Shaw conspiracy trial in New Orleans will do it.

Rarely, if ever, have we read of a trial in which such an unstable bunch of witnesses were paraded to the stand. In the bunch there have

been dope addicts, at least two who admitted that they could, and had, been hypnotized at the drop of a hat, and all sorts of other characters.

We're not sure just what all District Atty. Jim Garrison is trying to prove in the trial, but judging from the background of some of the witnesses, we doubt if he proves it, whatever it is. —CD

It is wiser to lock your car

We do not like the slogan in the current war against crime, "Don't help a good boy go wrong. Lock your car." It implies that a boy who steals a car just because it isn't locked is a good boy and that society is to blame if stealing automobiles is commonplace.

We are old enough to remember when it wasn't necessary to lock a car to keep it from being stolen. In fact, many people didn't even bother to lock the front door of their house. The danger of a burglary was a one-in-a-thousand

chance. And that was in the days when our society wasn't so affluent and welfare benefits so readily available.

But times have changed. There is no question about that. And although we think it is too late not to "help a good boy go wrong" by locking our car, we do lock it just the same. It's a big nuisance, but it's a lot worse and more inconvenient to come back and find your car gone.

But until kids learn it is wrong to steal, whether the car is locked or not, we don't really have much alternative.—Orlando, Fla. Sentinel.

THIS IS A cold Monday morning and I'm beginning to put more stock in the groundhog legend.

Warmer weather can't be far off, however. They held a Little League baseball meeting here Saturday night.

LOOK, GIRLS the Weather Bureau has assigned names to potential hurricanes for 1969. Is your name here?

Anna, Blanche, Carol, Debbie, Eve, Francella, Gerda, Holly, Inga, Jenny, Kara, Laurie, Martha, Nettie, Orva, Peggy, Rhoda, Sadie, Tanya, Virgy and Wenda.

If you didn't find your name there, look to see if it is in this list of names assigned by the Weather Bureau to potential hurricanes and typhoons along the West Coast:

Ava, Bernice, Claudia, Doreen, Emily, Florence, Glenda, Hazel, Irah, Jennifer, Katherine, Lillian, Mona, Natalie, Odessa, Prudence, Roslyn, Sylvia, Tillie, Victoria and Willie.

If you haven't found your name yet, keep looking. Here are the East and West Coast names assigned for 1970:

Alma, Becky, Celia, Dorothy, Ella, Felice, Greta, Hallie, Inez, Judith, Kendra, Lois, Marsha, Norman, Orpha, Patty, Rena, Sherry, Theresa, Vicky and Wilma.

Also Adele, Blanca, Connie, Dolores, Eileen, Francesca, Gretchen, Helga, Ione, Joyce, Kirsten, Lorraine, Maggie, Norma, Orlene, Patricia, Rosalie, Selma, Toni, Vivian and Winona.

HAVING BEEN born and raised south of the Mason-Dixon line, I thought the word "Yankee" had a "dam" in front of it until I was 21. But I've since learned that the word Yankee implies different things to different people. To foreigners, a Yankee is an American. To an American a Yankee is a Northerner. To a Northerner a Yankee is a New Englander. To a New Englander a Yankee is a Vermonter. To a Vermonter a Yankee is a person who eats pie for breakfast.

Getting back to names, I've just read where a Charles Brown Jr. of Milwaukee, Wis., has asked the circuit court to change his name. He is quoted as saying he was a very well satisfied with his name until another Charlie Brown in the comic strip "Peanuts" became so widely known. Well, I know two Charlie Browns here in Post, a father and a son and I'll bet neither one of them has considered changing his name because of the "Peanuts" comic strip. The Taboka High School football team's all-district quarterback is named Charlie Brown, and I'll bet he never considered changing his name. But, everyone to his own taste, and if the Charlie Brown in Wisconsin doesn't like his name, he has a perfect right to change it. And what does he want his name changed to? Alim Abd Al-Karim, that's what.

BOY SCOUT WEEK

Dear Editor: From Feb. 7 through Feb. 13 was National Boy Scout Week, in which the Scouts learn to be good American citizens. The Scouts learn to build projects and explore through new ideas.

The Cub Scouts will have their Blue and Gold banquet this month. We need more Cub Scouts and parents to work with Cub Scouts. It is important that each parent works with their boy at home.

SEEKS INFORMATION

Dear Editor: As a hobby, I am engaged in a compilation of the ancestry and descendants of my progenitor, Zachariah Martin.

Recently I was told that some of his descendants lived in Post, or elsewhere in Garza County.

Zachariah Martin, born in 1790, oldest Robert who had a daughter, Martha, born in 1832 in Louisiana.

Martha Martin was married in 1832 to Charles Palmer Miles and they had seven children, including Betty Miles, who married John Mason.

It is the descendants of Betty Miles and John Mason for whom I am looking and who are said to be in Garza County. It would certainly be appreciated if you could help me locate them through your newspaper. Thanks.

Sincerely,

'Western Day' is set for Friday

This Friday will be annual Western Day at Post Junior High School, with students dressed in appropriate garb for the occasion. Mrs. Beth Walker, who is "ram-rodding" the Western Day event, said the students will go to the junior high gymnasium at 2:30 p. m. for a Western parade and a costume contest, with judges to select the most appropriately dressed boy and girl.

A variety show, which will include trick roping, guitar-plunking, etc., will follow the parade and contest.

Happiness Is...

By Martha Jo Wallis

—a griper with something to complain about.

—knowing your lines in the Senior play.

—satisfaction and contentment.

—having someone to argue with.

—being accepted.

—silence.

—good health.

—giving of your self.

—finishing your typing.

—having someone to tell your troubles.

—finally getting enough box tops for those X-ray glasses you've always wanted.

—your ingrown toenail getting well.

—no research papers.

—having a pair of run - proof shoes.

—not having to take the immunization shots at school pretty soon.

—losing your contact three times and finding it three times.

Seniors in Spotlight

By Glen Ann Barley

This week's spotlight seniors are: DEBORAH ANN EUBANK, the daughter of Mr. and Mrs. D. W. Eubank, is 18 years old and has lived in Post all her life. Her hobby is reading. During the last four years she has participated in FHA for two years, Spanish Club for two years, and the UIL Typing Contest her Junior year. After graduation she plans a trip to California to attend college. Her favorite song is "Born Free," her favorite actor is Don Durant, and her favorite actress is Barbara Stanwyck.

KATHY HAMILTON, the daughter of Mr. and Mrs. Thomas B. Hamilton, moved to Post from Olton two years ago. Her hobbies are cooking and babysitting. During her four years in high school, she has participated in the National Honor Society, FHA, and Band. After graduation she plans to attend Isbell's of Lubbock, a hair designing institute. Her favorite song is "Love Is Blue," her favorite actor is Paul Newman, her favorite show "Hawaii Five-O" and her favorite group is The Union Gap.

SUE HARRISON, the daughter of Mr. and Mrs. Buck Harrison, is 18 years old and has lived in Post all her life. Her hobbies are playing the piano and sewing. During her high school years, she has participated in the Pep Squad, the Commercial Club, the Choir, FTA, FHA, and UIL Solo Contest. Her future plans after graduation include attending commercial college. Her favorite colors are blue and green, her favorite actor is Steve McQueen, and her favorite show is "Laugh-In."

RICKIE HINES, the 19-year-old son of Mr. and Mrs. Charlie Lee Baker, moved to Post 16 years ago from Illinois. His favorite hobby is music, taken in any way. Activities he has participated in during the last four years are Band, and FTA. After graduation he also plans to attend commercial college in Lubbock. His favorite song is "Wichita Lineman," his favorite actress is Nancy Sinatra, his favorite group is The Grassroots, and his favorite TV show is "Mission Impossible."

Period of history Day on Feb. 28

The Student Council met Wednesday of last week and set the annual play day, to be known this year as "The Period of History Day," for Friday, Feb. 28.

Everyone is to dress to represent some period of history and the ones who are the "most imaginatively" dressed will win a prize. Judges will select the winners, with members of the Student Council not eligible to win a prize.

The posters for next year's Student Council president and vice president were put up Monday. The candidates for president are Neff Walker and David Hamilton. The candidates for vice president are Peggy Bevers, Debbie Hays and Randy Hudman. The student body will vote on the candidates this Friday.

Student Council members also handed out boxes of Valentine candy from the student body. Each teacher, secretary and student teacher in Post High School received a box.

Tahoka burning off vacant lots

TAHOKA — Tahoka firemen have been putting in extra time supervising the burn-off of vacant lots inside the city limits.

The purpose of the project is to cut down fire hazards and to clear the lots for better and more efficient maintenance this summer. Persons owning vacant lots in Tahoka can request supervised burn-off of weeds and grass by calling the City Hall.

Karen's Korner

By Karen Hundley
Now that we are all plump and happy from Valentine's Day, let's go on a diet to lose weight. But if you are on the lean side, you can skip this part of my column and read the rest of it. However, if you tend to fall into the first mentioned category, you better do as I did: stop eating all that candy! You should enjoy squash, spinach, carrots and beets. (I have to agree with you. The word is UGH! Candy does taste better.)

Last Friday night "The Coachmen" from New Mexico played for the Valentine's Dance. Couples there were Debra Mason and Ricky Richards, Treva Jackson and David Hart, Nancy Hart and Clyde Cash, Liz Dalby and Timmons Bull, Sharyn Bilberry and Billy Little, Patti Peel and Roy Sappington, Kay Hundley and Jackie Huff, Kathy Jones and Joey Lee, Karen Lee and Wiley Miller, Jan Adams and Ronnie Petty, Donna Stewart and Dennis Altman, Mary Ann Wright and Ken Herron, Mary Joyce Heaton and Giles McCrary, Jan Bullock and Mike Scott, Sherry Bird and Karl Hall, Sheryl Foster and David Midkiff, Jan Wilcox and Jimmie Bartlett, Barbara Lucas and Norman Tanner, Karen Hundley and Jimmie Johnson, Glen Ann Barley and James "The Bride" and Joan Minor and Dicky Wallace.

Also representing the human race were Ben McCain, Leslie Kolb, Ronnie Williams, Paula Cravy, David Pierce, Jackie Moore, Sally Dorland, Roger Dale

Blair, Curtis Lancaster, Charles Redman, Nancy Cook, Melvena Stewart, Carol Compton, Linda Justice, Gary Workman, Rickie Hines, Cheryl Pennell, Barbe Gilmore, Kim Hundley, Janice Gordon, Leslie Davis, Randy Hudman, Karen Windham, Ben Miller, Larry Johnson, Mike Petty, Sharon Windham, Becky Brewer, Jan Olson, Ricky King, Danny Lee, Tol Thomas, Bob McWhirt, Debbie Eubank, Debbie Cummings, Larry Barner, Larry Cummings, Debbie Hundley, Phyllis Eckols, Gaynell King, Pat Johnson, Jo Beth Gandy and Garland Davis.

Many thanks go to Mrs. Maxine Cummings for the dance. And I'm glad that, in spite of all the torrential rain, a large amount of kids showed up. As of last Monday, plans for a dance this weekend were indefinite, with the name of the band unknown. If there will be a dance, it will be announced at school.

Since you have read this month of this mess, I shall endeavor to conduct a survey. If you read the rest of the school page first and my column last, hold up your right hand. And if you read this column first thing before the rest of the school page (JOY!), raise your left hand. Up with left hands. They rule the world. (Note: I'm left-handed.) Anyway, don't you feel silly standing there with your hand in the air? Definition of a ruthless hole with slippery sides.

About 2,000,000,000 barrels of oil are produced in the world annually.

Qualified young men are invited to apply for position of DPS patrolman

LUBBOCK — An invitation has been issued to any high caliber young men of this area who feel that they can compete for the position of patrolman with the Department of Public Safety. "The opportunity exists for several men to meet the challenge of the rigid qualifications for patrolmen in the four field services — Highway Patrol, License and Weight, Drivers License, and Motor Vehicle Inspection," Maj. Luther Moore said today.

The DPS commander stated, "If you are good enough, we can use you; however, we do not want anything but the best. If you cannot meet our standards there is no need of applying for the positions." Assignment to one of the above services will be made on the basis of aptitude, interest, and ability at the conclusion of a period of intense basic training. There will be training in the assigned service will be given to those who qualify after which a position will be designated. Applicants must be between 21 and 35 years old, at least 5 feet 8 inches tall, weigh not less than 150 pounds or more than 200 pounds, be in good physical condition, have a high school education, or equivalent and their record must be able to stand rigid examination pertaining to character and citizenship. Selection process will include written and oral examinations. "The law enforcement is a long and arduous career, and the DPS is rated among the top law enforcement agencies in the state," Major Moore said.

Barbara Holleman, George Reece wed here on Valentine's Day

Barbara Holleman and George Reece were united in marriage on Valentine's Day at 7 o'clock in the evening at the Calvary Church.

The bride, Barbara Holleman, 26, daughter of Mr. and Mrs. J. A. (Jimmy) Holleman, 1001 N. Loop West, was given in marriage by her father. She wore a gown of candlelight with lace flowers gracefully in front of the empire style, long petal-point sleeves. The train was overlaid with lace.

The veil of silk illusion covered a crown of pearls. She carried a cascade of carnations on a Bible. The bride wore a pearl necklace and carried out the tradition of something old, new, borrowed and blue.

Miss Lorena Anderson, cousin of the bride, was maid of honor, and Miss Carolyn Walker was bridesmaid. They wore blue chiffon dresses over blue satin and carried heart-shaped muffs of white mums.

Miss Carol Lynette Holleman, sister of the bride, was flower girl, wearing a blue satin dress with lace and white velvet bows.

Gerald Drager of Tahoka was best man. Roy Hinkle of Tahoka was groomsmen and Danny Dozier of Post and Roy Jenkins of Lubbock seated the guests.

Mrs. Jim Wells accompanied Jackie Gordon as he sang "The Twelfth of Never" and "More," and Miss Walker as she sang "The Lord's Prayer."

For travel the bride wore a white suit with red accessories.

Mr. and Mrs. Reece are at home at 116 North Ave. S.

Among the out-of-town wedding guests were Mr. and Mrs. Charles Goss and Shelly, Mrs. Denton McNews and Sonia and Mrs. Truman Goss and Linda, all of Seminole; Mr. and Mrs. R. B. Hinkle and Mrs. Opal Drager of Tahoka, and R. D. Sawyers of Lubbock.

Inaugural gowns to be featured at Salado event

SALADO, Tex. — A showing of gowns worn by Texas women at the 1969 Washington Inaugural Ball will be featured by the Central Texas Area Museum of Salado on Saturday, Feb. 22. The programs will be presented at 2 p. m. and at 7:30 p. m. in the Stagecoach Country Club.

Mrs. Earl Dodson of Georgetown, a radio commentator, speaker and traveller, will emcee the program.

Mrs. Dodson will review the background of the five gala balls. Many writers have commented on the beauty of the Texas women at these functions. This program will give Texans an opportunity to see some of the formal gowns worn in Washington.

The high point of each show will be the modeling of Mrs. Preston Smith's inaugural ball gown.

Candlelight ceremony held for Past Matrons, Patrons of OES

Past matrons and patrons were honored with a candlelight program conducted by Loree Thaxton following the regular meeting of the Post Chapter 206, Order of Eastern Star at the Masonic Hall Tuesday night.

As Jeanette Hodges led each of the honorees under a floral decorated archway, Lavella Bilberry read the highlight of their year of service. Those presented and their year of service were:

Thelma Clark, 1938; Loree Thaxton, 1948; Henrietta Nichols, 1951; Loucille Morris, 1957 and 1962; Beatrice Dodson, 1959 and 1967; Willie Cross, 1960 and 1968; and Minnie Lee and J. E. Tanner, 1963, Opal Pannel, a past matron of the Southland chapter, was also honored. A special candle was lighted in honor of a charter member, Ida Collier.

To conclude the program Mrs. Thaxton read a history of the local chapter taken from the January, 1948 issue of Texas Eastern Star magazine. It is as follows:

The dispensation of Post Chapter No. 206 was granted by Worthy Grand Matron Sister Laurea Seaman, with concurrence of the Worthy Grand Patron, Brother L. A. Neill, both deceased.

This chapter was instituted April 29, 1912, by a special deputy, Sister Rebecca Robinson of District 2, assisted by Sister Ella Barclay, Grand Marshal of Lubbock, with 17 members present. The officers selected were: Jettie Bradley, Worthy Matron; Mattie Lindsey, Worthy Patron; Mattie Williams, associate matron; Sam C. Wilks, treasurer; May Coggins, conductress; Ella Boren, associate conductress; Annie Doughty, Adah; Ida Collier, Ruth; Ira Wilks, Esther; Lula Kelly, Martha; May Robinson, Electra; Lee Ewing, warder, and David Styles, sentinel.

The 17 charter members were: Jettie Bradley, J. H. Vincent, Mattie Lindsey, Ella Boren, Mae Wilks Coggins, Ida Collier, Maude Cunningham, Elizabeth Ewing, Lou Kelly, Mattie Williams, Charlotte Porterfield, Mae Robinson, Flora Styles, Ira Wilke, David W. Styles, Lee B. Ewing, and Sam C. Wilks.

One petition for degrees was received at the first meeting and by ballot, time was dispensed with, and on May 1, 1912 the degrees were exemplified on Mrs. Annie Doughty. There were five other petitions received while the Chapter was under U. D.: Mrs. Tom Elkins, Mrs. Isabel Nichols, Mrs. Mattie Cravy, Will Cravy and O. B. Kelly.

On Nov. 8, 1912, the Chapter was constituted and these officers were elected: Jettie Bradley, Worthy Matron; O. B. Kelly, Worthy Patron; Mattie Lindsey, associate matron; Lula Kelly, associate conductress; Maude Zorns, secretary; Sam C. Wilks, treasurer; Mattie Williams, Adah; Ida Collier, Ruth; Ira Wilks, Esther; Annie Doughty, Martha; Mae Robinson, Electra; Tommie Elkins, warder, and Will Cravy, sentinel.

The first school of instruction which Post attended was held in Lubbock and the Worthy Matron received her certificate.

An organ was purchased in 1914 and two years later badges and other equipment were ordered. The Worthy Patron, Brother V. A. Robinson, attended Grand Chapter in 1916.

Study written by former minister here is released

Kenneth W. Greene, who was minister of the Post Church of Christ from 1960 to 1961, has released a study on the subject of "Guilt or the Richer Life." Century Records, a West Coast firm, produced the lessons on an LP record. They placed it in an attractive jacket with an ocean scene on the front and included Abilene Christian College A Cappella Chorus singing in stereo, "Peace, Perfect Peace."

In releasing the record Mr. Greene stated, "Worry, fear, suspicion and hate play their part in immobilizing individuals. Guilt, however, is the source of many human problems. Young persons are troubled by conscience violations; married couples are unhappy because of guilt feelings; leaders are ineffective because of guilt burdens. God intended that people be confident, dynamic and productive, qualities which are lacking in the lives of those who are shackled with guilt. The recorded lessons encourage the listener to meditate in the source and effects of guilt. Also, seven courses of action are presented for the one who desires to deal realistically with his guilt. Finally, the lessons are presented with four concertos which help the listener in order to achieve lasting peace of mind."

Mr. Greene is a 1969 graduate of Abilene Christian College, holding the B. A. and M. A. Degrees. He receives the M. R. E. Degree from Northwestern Baptist Theological Seminary in May 1969. Since 1967 he has served as minister of the College Hill Church of Christ, adjacent to Fort Worth Christian College.

A covered dish supper will be held Sunday evening at 6 o'clock at the First Presbyterian Church with all members of the church invited to attend.

It's My Turn

AN OPEN LETTER TO THE CITIZENS OF POST

How Americans interested in a crusade? Want to jump on the bandwagon and get rolling? Who wants to be the Pied Piper?

I'm talking about is a GI CLEAN-UP of the City of Post, USA. In order to make our town successful we need the cooperation of each person who lives in our town.

Everyone agrees that Post is a little ragged around the edges but it is hard to know what to do about it. The reason I use the word "hard" is because what it is going to take—work on the part of everybody in and around Post.

A lot of faith in people and I think we can accomplish it. You know, the saying: "Put your shoulder to the wheel and go, go, go." (That saying was just coined at my typewriter.)

A town that really looks like it is just a matter of time and I refuse to believe we don't have that. We've been a little negligent in that regard lately.

I propose is a Good Neighbourhood clean-up. After each and every one of us has cleaned up our own territory to the point of it being immaculate, let's combine our strength and energy (if we have it at this point) and help out those who aren't physically able to do this type of work. We have some absentee neighbors who need taken care of. We have a special "eye" at Post. So, let's get those eyesores! IT doesn't cost a penny—just work. It is to get organized and

know in what direction we are heading. Give me a call and list your "favorite" eyesore with me. Then, with your help, we can rid the city of Post of these places.

I have several on my list and intend to do something about them when spring comes. (Mr. C is groaning about this as he well knows that means that he will be involved.)

I'm sure lots of you have ideas about how to go about the BIG PUSH for a cleaner town so give me a ring or drop me a note. Then we can all get together and work out our plans.

We might even come up with a big contest for the blocks that show the most improvement. The winners could be honored with a picnic in the park where they would be waited on hand and foot; we might even offer a cash prize (I'll dig that up somewhere).

The field is fertile and the time to strike is this spring. We can't afford to keep on looking run-down. We're a town with so much potential it's almost scary at times to think what we could accomplish if we would all get together and work at one thing at a time.

My mind sees the CLEAN-UP as the most important place to start. If you agree let me know and we'll work it all out.

I'll volunteer as the PIED PIPER if I can just get enough followers. Let me hear from you soon as time is fleeing.

This is my first crusade and it will probably be my last but I'm sincere in needing your help.

THE PIED PIPER (alias Mrs. C)

Shower is held for bride-elect

Miss LaGayluah Young, who will be married to Robert Feagin this Saturday night, was honored with a bridal shower Feb. 11 in the Community Room.

Registering the guests was Miss Voda Beth Voss in a book handmade by Mrs. Golden Johnson.

The bride-elect's chosen colors of blue and white were used in the table decorations. A blue and white floral arrangement and blue candles were placed on a table laid with white chiffon over white satin. Silver appointments were used.

Miss Pam Feagin and Miss Vicki Bilbo served coffee, spiced tea, filled cookies, mints and nuts.

Hostesses were: Mmes. Jewel White, Elizabeth Duncan, Inez Ritchie, Estella Moreland, Ruth McClellan, Christine Smith, Lola Peel, Elberta Martin, Fern Jones, Mary Gist, Johnnie McDaniels, Hope Robinson, Arbeth Voss, Inez Huntley, Thelma Mitchell, June Kiker, Juanella Hays, Liberty Anthony, Wanda Potts, Golden Johnson, Irene Mitchell and Nona Lusk.

Priscilla Club meets with Valentine theme

Mrs. J. D. McCampbell was hostess for the Priscilla Club in her home on Valentine's Day with the Valentine theme being carried out in the decorations and refreshments.

Handwork and visiting was enjoyed by the members, and a guest, Mrs. Inez Satterwhite.

Others present were: Mmes. Monroe Lane, Robert Cox, Viola Kirkendoll, L. A. Barrow, C. W. Terry, Morris Neff, Dean Robinson, Thurman Francis, Stella Brashear, Ila Willis and Jess Hendrix who will be hostess at the Feb. 28 meeting.

Valentine event held at church

Approximately 75 persons attended the "George and Martha Valentine" banquet held at the Trinity Baptist Church on Valentine's Day.

The banquet hall was decorated with "George and Martha" silhouettes, cherry trees and Valentines.

Harold Saitton was narrator for the five-voice skit in which a group of young people portrayed "George and the Cherry Tree"; "George and His Friends"; "George and Martha"; "George at Valley Forge" and "George as President."

Songs sung by the group included "This Land Is Your Land" and "God Bless America." Miss Sue Harrison sang "The Sweetheart Tree."

Guest speaker was the Rev. Shelby Bishop, pastor of the Sweet Street Baptist Church at Tahoka. Other special guests included Mrs. Bishop and the Rev. and Mrs. A. T. Nixon.

Nine accidents on rural roads

The Texas Highway Patrol investigated nine accidents on rural highways in Garza County during the month of January according to Sgt. H. E. Pirtle, Highway Patrol supervisor of this area.

These accidents resulted in one death, five persons injured, and an estimated property damage of \$6,245.

In comparing the rural traffic deaths of January, 1969 to January, 1968 to the 60 counties which comprise the Lubbock DPS Region there was a 37 per cent increase in deaths.

The veteran Patrol supervisor stated, "If January is representative of the next 11 months in Texas, traffic accidents will claim 3,900 lives in 1969, an all time high."

The sergeant also issued a reminder that April 15 is the deadline for obtaining the 1969 inspection sticker of all motor vehicles registered in Texas.

Faith — "Only"

By Don Davenport

It is true that Luther inserted the word "only" in Romans 1:17, "But the righteous shall live by faith (only)." And it is true that the Methodist Discipline of 1910, article nine reads: "We are accounted righteous before God, only for the merit of our Lord and Saviour Jesus Christ, by faith, and not for our own works or deservings; wherefore, that we are justified by faith only, is a most wholesome doctrine, and very full of comfort."

But the N. T. which reveals God's Will for man contains the phrase "faith only" only once. In James 2:24 we read, "Ye see that by works a man is justified, and not only by faith." Faith "only" according to the N. T. will not justify. Then why are so many preachers teaching the doctrine of Salvation by Faith Only, when the Holy Spirit says faith only is dead. "Even so faith, if it have not works, is dead in itself. Yea, a man will say, Thou hast faith, and I have works: show me thy faith apart from thy works, and I by my works will show thee my faith. . . . But wilt thou know, O vain man, that faith apart from works is barren? Was not Abraham our father justified by works, in that he offered up Isaac his son upon the altar? Thou seest that that faith wrought with his works, and by works was faith made perfect; and the scripture was fulfilled which saith, And Abraham believed God, and it was reckoned unto him for righteousness; and he was called the friend of God. Ye see that by works a man is justified, and not only by faith. . . . for as the body apart from the spirit is dead, even so faith apart from works is dead." James 2:17-26 Basically it is a failure to "rightly divided the word of truth (2 Tim. 2:15)".

WORKS DEFINED:

When Paul says in Romans 4:5, "But to him that worketh not, but believeth on him that justifieth the ungodly, his faith is reckoned for righteousness," and "for by grace have ye been saved through faith; and that not of yourselves, it is the gift of God; not of works, that no man should glory (Eph. 2:8-9)", he was talking about meritorious

works. The Jews actually thought they were righteous on the basis of meritorious works. Luther could not reconcile the faith-plus-works of James with the faith-without-works of Paul, so he discredited the inspiration of James, and inserted the word "only" at Romans 1:17. But Paul was talking about the human meritorious works of the Old Law, whereas James spoke of the expression of faith through obedience.

FAITH DEFINED:

Paul understood faith to be inclusive of obedience. James taught that a faith without works is dead. There is not recorded in all the word of God a single instance where God blessed a man on the condition of that man's faith before his faith expressed itself in some act. But the reference in Romans 4:5 to Abraham being accounted righteous without working is thought by liberal interpreters to be ample proof to the contrary. It is believed Abraham was reckoned as righteous before his faith was expressed and before he was circumcised. The conclusion is drawn that Christians are saved the moment they mentally except Christ without baptism, just as Abraham was justified apart from any physical action. Such an interpretation assumes that Abraham did not express his faith prior to the statement in Gen. 15:6. But it was at least 15 years before this that he left his nativeland by faith, obeying God, who commanded him to go. So the scriptures do not record him as being righteous before his faith "obeyed to go out to a place which he was to receive for an inheritance." In Hebrews 11:8, if Abraham was accounted righteous by faith alone, it meant "he sat perfectly still, went nowhere, nor did anything only by faith." Men are justified on the ground or basis of faith. But the faith includes obedience, just the same as it does trust, reliance, repentance, love, gratitude, etc.

It is impossible to have anything other than a dead faith when that faith is apart from obedience. James says that we cannot show our faith apart from our works. The only way to show our faith is by our works.

PAY BILLS
To Enjoy Continued CREDIT

The credit bureau's message to the consumer is simple. Pay promptly. Spelling it out clearly—never let an account go past due without payment or immediate contact with the creditor.

Never allow an account to become an item charged off to profit and loss. This means that the merchant has given up hopes of collecting and has changed your account from an asset to an expense item. The item is automatically recorded in the files of the credit bureau. There it cannot be changed or altered unless subsequent dealings with the same firm results in a better record.

Never allow an account to be listed in the collection department of the credit bureau. Payment in full will result in better credit reports, but the item must remain on file for many years to come—perhaps for the rest of your life.

Your credit record is a picture of your character and has been found to be an extremely accurate guide to your future actions, particularly pertaining to whether you will pay future contracts and debts.

Keep your picture bright and shining and enjoy all the conveniences of the machine age. You can cut off the advantages of credit buying by disregarding or ignoring warnings of your merchant friends.

Farmers who have trouble getting a good stand of cotton can

improve their chances by following a few simple rules, says Dr. C. Wendell Horne, Extension plant pathologist at Texas A&M University.

One of the most important factors in getting a good stand of cotton is seed quality. The use of high quality seed will produce a much better stand. High quality seed will resist most seedling diseases, while seeds of low quality prove to be extremely susceptible to such diseases. Seed of high quality will produce a long taproot, says Horne, instead of the short, stubby one that results from poor quality seed.

Seed can be treated with a fungicide before planting to reduce its susceptibility to diseases. Treated seed has a protection zone immediately around the seed. When the seed germinates, and the seedling leaves this zone in its growth, it again becomes susceptible to disease. In-furrow treatment with fungicides protects the seedling until it sprouts above ground. This practice is recommended where seedling disease is a consistent problem.

A good practice for control of cotton diseases is in crop residue management. Organisms which cause diseases often live in the crop residue that is left on the surface of the soil. Deep plowing, noted the pathologist, puts the organism far enough under the seedling to eliminate infection.

New strains of "cold tolerant" cotton are being developed. Farmers should watch the performance of these new strains as they are being tested, and put them to use when they are released, stressed Horne.

ACCURATE RECORDS NEEDED ON FARM LABOR
The minimum wage for hired farm workers went up from \$1.15 to \$1.30 per hour on Feb. 1, 1969, according to James I. Mallett, farm management specialist of the Texas Agricultural Extension Service.

Farm employers who used more than 500 man-days of farm labor in any calendar quarter of the preceding year are required to pay the minimum wage during 1969. Immediate family members and hand harvest pieceworkers

4-H Club holds panel program

Members of the Post Caprock 4-H Club heard a panel program on "Citizenship" at a recent meeting at the 4-H building. Panel members were Patti Parrish, Karen Blanton, Nancy Maddox, Jo Beth James, Phyllis Kennedy, Kathie Morris and Glenna Bevers. Moderator was Mrs. D. E. Morris.

The program was presented after roll call had been answered with "How We Could Improve Our Citizenship." As an inspiration for the meeting Larry Barton read some information about Valentines. Nancy and Kathie were in charge of the recreation and Mary Ann Norman led the singing.

Kathie and Glenna were hostesses and served Valentine cup cakes and punch to those mentioned and to Jay, Genetta and Karla Kennedy and Mrs. Thurman Maddox. Garland Dudley and Jo Beth James are new members.

Director, Wage and Hour Public Contracts Division, U. S. Department of Labor, 411 N. Akard, Dallas, Tex., advises Mallett.

Funeral today for Thomas S. Hodge

Funeral services for Thomas S. Hodge, 70, who was found dead of an apparent heart attack Tuesday morning at his home at 512 West 4th St., will be held at 2 p. m. today (Thursday) at the Cumberland Presbyterian Church in Floydada.

Mr. Hodge, who was retired, moved to Post from Lubbock four years ago. He was born Sept. 21, 1898, in Ellis County.

Surviving are two sons, W. K. and George Hodge, both of Lubbock; a daughter, Mrs. Mack C. Addison, also of Lubbock; seven grandchildren and two great-grandchildren.

Bernard S. Ramsey, minister of the First Christian Church here, will officiate at the funeral services.

Burial will be in the Floydada cemetery under the direction of a Floydada funeral home. Hudman Funeral Home had charge of local arrangements.

bed trucks, a new small tractor and shredder, a rebuilt street sweeper, a new insect fogging machine, and new alley spray machine.

What's more, Hopkins said, all of this equipment was purchased on a cash basis.

The mayor also cited the rebuilding of the city dump grounds, begun only recently, via the sanitary land-fill method which will go away from the burning and piling of garbage at the dump grounds.

Hopkins pointed to the city hall remodeling of offices and council room, and the city's providing new library facilities and park facilities.

"I hope to see the city in a few years with a new school building," he said.

Mayor Hopkins will be in the city again for the opening.

The following committees were appointed, with the chairman of each to select from a list of the members the ones he wishes to serve on his committee:

Retail promotion: T. B. Odum, and Bryce Martin; beautification, parks, tourism: Ken Callaway, Dr. B. E. Young; community development: E. R. (Buster) Moreland; fine arts: Maxine Marks and Bryan J. Williams; operations: Fred Myers; publicity and advertising: John Brockman, Jim Cornish and Bill Searle; Christmas decorations: John Brockman; city and county: Jim Jackson, Silas Short and Victor Hudman.

Included in the Chamber budget for the year will be: Promotions committee; Spelling Bee awards; banquet costs; cards (illness and death); West Texas Chamber of Commerce dues; Junior Livestock Show; Historical Survey Committee; library membership; Texas Tourist membership; "One New Scene from Post" (post card) a day at White River; advertisement in the Future Farmers of America calendar; flags to servicemen; try for new Christmas decorations.

The board decided to hold an entire membership meeting in the near future.

The president said: "Anyone with any idea about community needs, or industrial prospects, or community improvements is asked to call us. Your ideas will be treated with respect and will be sincerely appreciated. The only way to make a success of the Chamber is to know what the members want and think."

Jackman presided at Monday night's meeting, with the following directors present: Lucas, Callaway, Moore, Myers, Odum and Young.

the clearest definition yet to the "generation gap."

As soon as the session was over, one of the other publishers snorted our way that the students didn't have any business making those kind of decisions.

And right there I became a participant in the "Tech name game." The students want to rid the school name of the word Tech and the alumni, steeped in tradition, refuse to break with tradition. So, we sided with the student editor and told our publisher friend he was just the kind of a guy young Bill had been talking about.

He was too. But what really disappointed us was that the Lubbock Avalanche-Journal didn't think enough of a Tech student editor addressing the West Texas Press Association to have a reporter present to hear what Bill had to say. He said plenty and the A-J missed

HOW DOES IT WORK?

Santa Fe plans area pipeline

AMARILLO — Santa Fe Railway through its subsidiary Santa Fe Pipeline Company, is currently seeking sufficient throughput agreements from the petroleum industry to justify construction of an independent common carrier pipeline to transmit natural gas liquids from West Texas - New Mexico to the Gulf Coast.

The proposed project — Chaparral Pipeline — would serve both the petroleum industry seeking an outlet for its products and the petrochemical industry seeking a new source of raw material. It would transport a variety of light hydrocarbon natural gasoline and would be of specific design to handle large quantities of ethane.

Chaparral proposes to gather products from existing and new plants in West Texas and Southeast New Mexico, transport them to the vicinity of Houston, fractionate and redeliver them to the shipper. Interconnections would be established at Houston with major transmission pipeline systems to other parts of the country as well as to pipelines serving the petrochemical industry. It is also anticipated that Santa Fe, through an affiliate, would offer to purchase ethane from various West Texas plants for movement through the line and resale in the Gulf Coast area.

A minimum commitment of 40,000 barrels of product per day has been established as a target.

Last rites held for brother of Post man

Funeral services for V. N. (Bert) Moore of Lorenzo, brother of Joe Moore of Post, were held at 10:30 a. m. Monday at the First Methodist Church in Lorenzo, with burial in the Ralls cemetery.

Mr. Moore, a retired farmer, died at his home about 6 p. m. Saturday.

Besides the brother of Post, he is survived by two sons, a daughter, two sisters, three other brothers and nine grandchildren.

Proposals would exempt taxation of small rural water companies

The hundreds of small rural water companies set up on a non-profit base to provide water for rural homes all over Texas would be exempt from taxation under a pair of proposals by Sen. Murray Watson Jr. of Mart.

SJR6 is a proposal to let the voters of Texas decide whether they want to amend the constitution to give the non-profit water supply companies an exemption from taxes on their lines and water systems. SB54 would carry the constitutional provision into effect if it is voted.

Under a program of the Farmers Home Administration hundreds of loans have been made for construction of water systems in rural areas. The loans are being repaid out of water sales.

Organizers used the voluntary water company system rather than creating water districts which would have been exempt from property taxes because they are governmental agencies. They found that organizing costs were simpler, and it was not necessary to have elections and issue bonds.

But Watson said that in some areas county tax assessors are levying taxes on the water systems.

Lt. Gov. Ben Barnes referred the proposed constitutional amendment to the Senate Constitutional Amendments Committee, and the enabling bill to the State Affairs Committee.

Floydada seeking junk car removal

FLOYDADA — A Plainview dealer in junk cars has offered to remove all junk cars in Floydada at no cost to the owner of the car or the lot owner.

Requests for removal of the junk cars are being taken at the City Hall here.

The dealer, Orville Ryan, is reported to have removed 700 cars recently from Paducah, Tex.

The city has an ordinance against property owners, occupants and lessees keeping, storing and placing junk cars on lots and other property.

Mayor Leonard Matzler, in an appeal to citizens, pointed out that this was the first opportunity the city had to remove junk cars without expensive freight cost.

Texas Highway Map available

AUSTIN — A field of bluebonnets beside a Central Texas stream enhances the cover of the 1969 Official State Highway Map just released by the Texas Highway Department.

Like the bluebonnet, the map is a perennial favorite of Texas motorists. Approximately 1.2 million maps were distributed last year and projections for 1969 call for distribution as high as 1.5 million.

The Official State Highway Map is one of the most popular of more than 7.3 million pieces of travel-oriented literature distributed each year by the Texas Highway Department. Copies of the map are available at Highway Department Tourist Bureaus and at Department District offices.

Father of two Post men dies at Graham

John Franklin Blanton Sr., 62, father of Frank and Ed Blanton of Post, died at 5 a. m. Wednesday at Graham, Tex., where he had been in a nursing home for some time.

Funeral services will be held at 2:30 p. m. today (Thursday) at the First Methodist Church in Cheyenne, Okla.

Besides the sons of Post, Mr. Blanton is survived by his wife and another son of Fort Sill, Okla.

The Frank and Ed Blanton families left for Graham early Wednesday after receiving news of Mr. Blanton's death.

Post girls nip Tahoka to tie for District 4AA crown

Does, Idalou deadlocked; playoff game necessary

Post Does tied with Idalou in District 4AA girls' basketball championship by edging Tahoka 41 to 38, here Tuesday night.

Coach Jiggs King's Does and Idalou will decide the district representative in the bi-district playoff game, the date of which had not been set at the time of the district championship game.

The Tahoka girls "came to play" Tuesday night after having lost to the Does by 12 points, 62-50, at Tahoka on Jan. 31.

In Tuesday night's close one, the Does held a one-point 12-11 lead at the end of the first quarter,

Mustangs shoot in Antelopes 84-31 score

The Denver City Mustangs rolled toward a District 4AA championship last Friday night with an 84-31 win over the Post Antelopes Mustangs' court.

In the preliminary to the varsity game, the Mustang "B" team won even more decisively, scotching the Antelope "B" cagers, 103-19.

In the varsity game, Denver City jumped off to a 21-10 first quarter lead, were ahead 48-20 at the half, and 61-28 at the end of the third period. Post's only scoring production in the final quarter was three points, all on free throws.

None of the Antelopes hit in double figures. Neff Walker just missing, however, with nine points.

Hubbard's 21 points led the Denver City scoring.

In the "B" team game, Terry Moore's 13 points topped the Post scoring. Clinton hit 28 for the winners. Other scorers for Post were E. Hoyle, seven; Butch Heaton, four; Eddie Jennings, three; and Torres and Bullock, one each.

Kentucky coach clinic speaker

CANYON — John Ray, new head football coach at the University of Kentucky, will headline the sixth annual West Texas State Coaching Clinic March 7-8.

West Texas Coach Joe Kerbel, announcing this Saturday, said several hundred high school, college and junior college coaches from at least six Southwest, Rocky Mountain, and Midwest states are expected.

Kerbel also said the clinic will include guest lecturers from the high school and junior college ranks as well as his own coaching staff.

Ray will lecture on defense, a field in which he distinguished himself as assistant head football coach at Notre Dame before taking the Kentucky job.

Fourth quarter surge beats Tahoka

'Lopes finish season with first loop win

Coach Kenny Poole's Post Antelopes "shot the works" here Tuesday night to down the Tahoka Bulldogs, 60 to 53, for their first District 4AA win of the season.

Playing their final game of the season, it was the Antelopes' last chance to register a district victory... and they came through like champions.

A mighty fourth-quarter effort paid off for the 'Lopes. Trailing by one point, 44-43, going into the final period, Post pulled into a lead on five quick points by Steve New-

by, three of them coming on a three-point play.

After Newby's five points had put the 'Lopes into the lead by four, Tahoka pulled back up to within two points, but two more by Newby from the free throw line, and two charity tosses apiece by Kenneth Mitchell and Larry Don Johnson "iced" the game for Post as time ran out.

Four players hit in double figures for the Post team's best-balanced scoring game of the season. Ray Altman, who had missed

Post girls in double win on Cooper court

Coach Jiggs King's Post High School girls' basketball teams won a doubleheader at Cooper last Friday night, the Does by a score of 63 to 49, and the Doe "B" team, 61 to 46.

Karen Windham's 24 points sparked the Post team to its win in the varsity game, with Karen Lee getting 19; Sharon Windham, 13; Sherry Bird, 12, and Jan Wilks, three.

The Post guards, who held Cooper to 13 field goals, were Kay Altman, Thresa Sims, Glen Ann Barley, Nancy Hart, Kay Herron, and Janet Ray, Nina Young and Martha Jo Walls.

The Post team trailed by one point, 13-12, at the end of the first quarter, but were ahead 35-23 at the halftime buzzer, and 46 to 35 at the end of the third quarter.

Linda Sanchez was Post's high scorer in the "B" team game with 24 points on nine field goals and six free throws. Stephanie Davis scored 16; Rita Valdez, 10; Susan Valdez, seven, and Jane Johnston, four. Others playing were Rhonda Dozier, forward, and guards, Sue Eubank, Kippy Payne, Liz Dalby, Debra Mason, Syan Thomas, Judy Norman and Patricia Cochran.

The "B" team held a 13-11 lead at the end of the first quarter, but was behind 26-25 at the half. They scored 23 points in the third quarter to Cooper's six to lead 48-32 going into the final period.

Funeral held for former resident

Funeral services for Andrew J. Mann, 42, of Oklahoma City, formerly of Post, were held at 10:30 a. m. Saturday at the Trinity Baptist Church in Bristow, Okla.

Mr. Mann died Wednesday, Feb. 12.

He had been an employe of Service Pipeline Co. for 23 years having worked in Eldorado, Tex., and in Post in recent years. He moved to Oklahoma from Post last November.

Mr. Mann was a member of the First Baptist Church of Eldorado and of the Lions Club.

Survivors include his wife, Goldie; two sons, two daughters, a brother and a stepsister.

Letters to the Editor...

DST AND ENCEPHALITIS

Dear Editor:

Your editorial comments about Daylight Saving Time gives the impression that you share my feelings about it.

However, "it's an ill wind that blows no good," or something to that effect. It just could be that DST is due some credit for the decline in encephalitis cases the past two years — particularly up in these heavily irrigated parts.

After dark, when the mosquitoes get out in full force, the clock says it is time to go home and go to bed.

Since it will soon be time to renew my subscription, a check is enclosed.

Yours truly,

Junior High teams are in conference tourney

All four of Post Junior High School's basketball teams will see action today (Thursday) in the Junior High Conference tournament under way at Idalou.

Today's game for the 7th grade boys will be their second of the tournament. Coach Gary Parnell's team having shellacked Slaton, 43 to 13, in a first round game Monday. The other three Post teams drew first round byes.

Post's 7th grade girls will play at 1 p. m. today, with the 7th grade boys playing again at 2 p. m., the 8th grade boys at 4:15 p. m. and the 8th grade girls at 7:30 p. m.

Lope 'B' team falls to Lorenzo

The sharpshooting Lorenzo Hornet "B" team swept past the Post Antelope "B" team 74 to 55, here last Thursday night.

The visitors were in command all the way, leading 13-7 at the first quarter break, 39-26 at the end of the first half, and 62-33 going into the fourth quarter.

Butch Heaton, with 17 points, paced the Post scoring. Puente led the way for Lorenzo with 19.

The scoring summary:
LORENZO — Puente 7 5 19; Byers 6 2 14; Hopkins 4 5 13; Roberts 4 4 12; Gonzales 1 2 4; Lawson 3 1 7; Anderson 2 0 4; Vistine 0 1 1. Totals: 27 20 74.

POST — Heaton 7 3 17; Torres 0 0 0; S. Hoyle 2 1 5; Moreau 3 4 14; Curtis 1 3 5; Bullock 6 1 13; B. Hodges 0 0 0; Ussery 0 1 1; Jennings 0 0 0; H. Hoyle 0 0 0. Totals: 20 13 53.

Lorenzo defeats freshman cagers

Coach Bill Smith's freshman basketball team lost to the Lorenzo freshmen, 50 to 31, here last Thursday night.

Victor Vargas was Post's high scorer with eight points, while Rubenacado led the Hornet freshmen with 21.

Lorenzo led by only one point, 9-8, at the end of the first quarter, but were out in front 23-16 at the half, and 34-21 at the end of the third quarter.

Besides Vargas' eight points, Rosas and Duran scored five each; Owen, four; Hays, three, and Josey, Rose and Lee, two apiece. Others seeing action were Hair, Monk, Norman and Branson.

Little Leaguers to meet Friday

All men interested in assisting in the Little League are urged by league president Jerry Conoly to attend a meeting at 7:30 p. m. Friday, Feb. 21, in the Community Room of the First National Bank.

Fathers of Little League players are especially urged to attend in order to become more aware of the program that is being outlined for their sons for the coming season.

Conoly said, "We need to have as much interested help as possible to carry on a good, workable program for the approximately 170 boys that we now have in our Little League and Minor League. For the boys' sake, turn out and do what you can."

1-ton Longhorn Pickup

New Chevy Longhorn for biggest camper bodies.

Only a Chevrolet pickup can tally this list of advantages that add up to more value for your investment: Start with style—bold and handsome, newest in the field. Add smoothest pickup ride, the result of tough coil springs at all four wheels on most models. Plus the biggest choice of truck 6 and V8 engines in any popular pickup. And double-wall steel in vital areas.

There's much more. (Like the new Longhorn model, first pickup designed especially for camper duty.) It's all at your Chevrolet dealer's. Buy now, while we're making things hotter than ever for competition and better than ever for you.

Southland area news

'Cold as blue blazes in Greenland,' letter says

By MRS. EDMUND WILKE
Greetings to each of you from "frosty" Southland. Yes, winter weather has at last arrived here, after what, I think, has been a very mild winter. We received a little over an inch of rain Friday, Sunday and Monday. Everything is covered with a coating of ice. Maybe a few of those "flu bugs" that have been circulating around will get their little ole heads frozen off!

M-Sgt. Charles (Chuck) Stani, who has been stationed in Greenland since Dec. 30, wrote recently that the chill factor over there was 90 degrees below zero! How's that for COLD weather? It was 30 degrees below zero and the wind was blowing 30 miles an hour and they warned everyone not to go outside because they would freeze within 30 seconds. Chuck hasn't seen the sun but once since he has been there and that was when he went up in a helicopter. He will be stationed there for a year and is the husband of the former Libby Hill.

Curtis Abshire, a student at West Texas State University, spent a recent weekend with his parents, Mr. and Mrs. Delbert Abshire.

E. L. Dunn, son of Mr. and Mrs. Herbert Dunn, was recently nominated for "man of the year" at Blytheville, Ark. What a great honor! E. L. is very active with several different organizations and his boss was elected "boss of the year."

Mrs. Gilbert Becker and four children of Kansas City, Mo., have been here several weeks visiting Mr. and Mrs. Willie Becker, and her parents in Brownfield. She was joined here by her husband last Saturday after he flew in from Kansas City. They plan to return home sometime this week.

The Southland Senior class has begun work on their play, which is entitled "Two Week's Vacation". The date has been set for March 6. Willie Becker was admitted to Methodist Hospital in Lubbock last Friday with a heart condition. May God be with Willie in his time of need.

Mrs. Spence Bevers' parents, Mr. and Mrs. B. B. Hodges of Abilene, spent a recent night in the Bevers' home.

Miss Gerry Hodges of Hale Center spent the weekend in the home of her brother-in-law and sister, Mr. and Mrs. Spence Bevers.

Mr. and Mrs. D. L. Jones of Fort Worth spent the weekend as guests of Mrs. Aubrey McNeely.

Southland High School played their last basketball games of the season Tuesday night against Wellman. Junior high played Wilson at Wilson, and will play in a district tournament Feb. 24. Good luck! Southland was put in a different district this year and played lots of schools that have so many more students than we do, therefore making it a tough district for us. Our boys and girls both played real well and we're proud of them. So far, the girls haven't won a game, but the boys beat Wilson and New Home. I think at this

point, Sundown girls and Meadow boys are first in district play.

Mr. and Mrs. Bill Basinger of Mercedes were here several days visiting his parents, Mr. and Mrs. W. A. Basinger, and other relatives and friends.

Our deepest sympathy is with Mrs. Fred Steinhauser, former resident now living in Wilson, who fell Saturday and fractured her hip and shoulder. She is in Mercy Hospital. May God be with her and ease her pains. She will have to be in the hospital for quite some time so I know she would welcome a card from YOU.

We extend our sincere sympathy to the Jerry Pennells. Mrs. Pennell's father, A. L. Johnson, who was injured in July of 1968 when he was struck by an automobile, passed away Sunday. His funeral services were held Monday in the Slaton Church of Christ at 3 p. m. and burial was in Englewood Cemetery. May God comfort this family in their grief.

Dan Eckert is living in Dallas and attending IBM school.

Congratulations to Mr. and Mrs. Ricky Jones who were united in marriage on Valentine's Day in St. Joseph Catholic Church at Slaton. Ricky is a 1964 graduate of Southland High School and is assistant manager at Anthony's in Slaton. His wife, Charmain, works at the Citizen's State Bank. May God bless this couple in marriage.

Mrs. Delbert Abshire, who drives the school bus that goes down in the canyon, had very bad luck Monday morning when her bus slipped on a slick road and overturned. We are so thankful that no one was hurt.

School Board elections are coming up soon and if you are interested and would like to serve on the board, better go over to the school and file before March 6. The terms of Donald Basinger and Jerry Melcher are expiring.

The Kenneth Callaway family were dinner guests of his parents, the F. W. Callaways, Sunday and supper guests in the D. D. Pennell home Sunday. Other supper guests were Mr. and Mrs. Donnie Pennell.

Mrs. Opal Pennell attended funeral services for A. L. Johnson in Slaton.

FIRST CHRISTIAN CHURCH
Bernard S. Ramsey, minister of the First Christian Church, has announced that his sermon topic for the 11 a. m. service Sunday will be "Broken Plans." The Lord's Supper will be observed and a nursery provided for young children. The public is cordially invited to attend.

ATTENDANCE REPORTED
Mrs. Lela Kelly reports that 44 attended Sunday School classes at the Pleasant Home Baptist Church Sunday and that Mrs. Fisher Wynn furnished the cake which was served.

EX-COUNCILMEN ARE HONORED
Ex-city councilmen Robert Cox (left) and Arnold Parrish (right) were awarded City of Post appreciation plaques at the recent Chamber of Commerce banquet for their service on the city council. The presentation was made by City Councilman Bob Collier (center).

Sen. David Ratliff named chairman of state Committee on Oil and Gas

AUSTIN — Sen. David Ratliff of Stamford has been appointed chairman of the Texas Senate Committee on Oil and Gas by Lt. Gov. Ben Barnes.

Senator Ratliff was also named as a member of the Committee on Banking; Education; Insurance; Labor and Management Relations; Nominations; Parks and Wildlife; State Affairs; Transportation; and Water and Conservation.

"I know that Senator Ratliff will do an outstanding job as Oil and Gas Committee chair," Barnes said in announcing the appointment. "His past service to the state makes him extremely well qualified for the job, which will be of high importance as we perform the tasks of the 61st Legislature."

Committees handle a large volume of the actual work load performed by the Senate. All bills introduced in the Senate are referred to an appropriate committee, which holds hearings and discussions on the proposal before making recommendations for action to the Senate as a whole.

Senator Ratliff, who is in the advertising business, was elected to the Senate in 1955 after serving three terms in the Texas House of Representatives.

In past legislative session, he

Garza SCD enters competition for Arizona journey

The Garza County Soil and Water Conservation District has entered the 22nd annual Goodyear competition to select the nation's top 53 conservation districts, according to Sam Ellis of Southland, district chairman.

Activities of the district will be weighed against the performance of other districts in the state in determining the outstanding district in the annual event sponsored by the Goodyear Tire & Rubber Company of Akron, Ohio.

Key agricultural leaders will serve as judges and will select the state winner. Soil conservation efforts from Jan. 1, 1968, through Dec. 31, 1968, will be considered.

Grand award for the 53 districts selected nationally will be an expense-paid, work-study trip to Arizona in December, 1969, for one member of the district's governing body and the outstanding farmer-cooperator in each winning district. The 106 men selected will be guests at Goodyear Farms, a 14,000-acre general farm operation near Phoenix.

The state flower of Ohio is the scarlet carnation.

17,622 crippled children, adults get help from Easter Seal Society

A record 17,622 crippled children and adults were helped during 1968 by the Easter Seal Society for Crippled Children and Adults of Texas according to Mrs. Martha Compton, who serves as the Easter Seal representative for Garza County.

Of the total, 11,300 children and 6,322 adults received treatment and other rehabilitation services financed mainly by contributions made during the Easter Seal Appeal, she reported.

These contributions made possible medical diagnosis, physical and occupational therapy, speech and hearing programs, special education classes, and other services to rehabilitate handicapped children and adults. Wheelchairs, braces, walkers, and other special equipment were also provided.

The Easter Seal Society in Texas helps support 21 treatment facilities where children and adults are treated without regard to their ability to pay. Mrs. Compton added that the Easter Seal Society is continuously seeking children and adults who can benefit from rehabilitation treatment and services offered by the society. As Easter Seal representative, she is the person to contact for Easter Seal Services. She may be contacted at the

BALLINGER GUESTS
Mr. and Mrs. James Ballinger and children of Ballinger spent the weekend in Post visiting their parents, Mr. and Mrs. W. A. Ballinger and Mr. and Mrs. Shytle.

First National Bank
The Easter Seal Society provided treatments for children suffering from cerebral palsy, muscular sclerosis, muscular dystrophy, speech disorders, hearing impairments, and many other conditions.

Mrs. Compton also announced that the 1969 Easter Seal Appeal would open March 1 and through Easter Sunday, April 13. Gov. Ben Barnes is chairman for the State.

Defeat of compulsory school consolidation plan seen by Barnes

AUSTIN — Lt. Gov. Ben Barnes predicted defeat of the proposed compulsory consolidation of school districts in Texas.

"The Governor's Committee on Public School Education has made many constructive recommenda- tions. I feel that the Texas Senate will pass many of them," Barnes said in a statement released this week.

"However, I feel that the Texas Senate will not pass compulsory consolidation," the new lieutenant governor said.

Barnes added that the recom- mendation to consolidate school districts with less than 2,600 stu- dents will probably fall on deaf ears.

"The Texas Senate and this Leg- islature will probably write an at- tractive financial incentive pro- gram to encourage voluntary consolidation but will not adopt laws making consolidation compulsory in Texas this year," Barnes said.

Compulsory consolidation and other recommendations of the Gov- ernor's Committee on Public School Education are included in Senate Bill No. 2 which was intro- duced last week by Sen. A. R. Sol- wartz of Galveston and Sen. Gary Mauzy of Dallas. The bill has been referred to the Senate Education Committee.

Last year, 175,000 snowmobiles were sold in the United States and Canada; sales of the vehicles have increased nearly 400 per cent in five years.

Frank Busby one of champ plant team's members

Frank E. Busby, Texas Tech stu- dent who has been employed by the Soil Conservation Service in Post for the last eight months, was a member of the Texas Tech range plant identification team which won international honors last week in Calgary, Canada.

Tech teams have now won this international contest five consecu- tive years.

Competition is open to teams from the United States, Canada, Mexico and Africa. The contest is held each year in conjunction with the annual meeting of the Ameri- can Society of Range Management.

The Tech team had an over- all average of 95.7 for the contest. Busby, who was a member of the team which won last year in A- buquerque, N. M., finished as sec- ond high individual with a score of 99.7 out of a possible 100. James George son of Carl George of Spur, was top man with a score of 100, and Joe Bob Watson of Sil- verton was third with a 99.5.

Busby, the son of Mr. and Mrs. Allen Busby of Nolan, is now an educational leader from the 50th and is continuing work toward a master's degree in range manage- ment.
