Garza Hospital District formed; board appointed

Finances remain a problem, says board president

The Garza Hospital District was officially created Monday by an order of the Garza County Commissioners Court, but that doesn't mean the county's "hospital financial situation" has been solved.

"It's going to be tough," Ed Sawyers, who was elected president of the board of directors of the new hospital district, told The Dispatch.

Legal requirements for the directors is that they be residents of Garza County for at least two years, over 21 years of age, and owners of land subject to taxation.

These five directors will serve until the hospital district elects a board next April.

County Treasurer Pauline Coleman announced yesterday afternoon after figuring the May 1 hospital payroll that a total of \$16,970.90 in county funds will be transferred today from the county to the new hospital district.

This includes \$4,907.55 in the hospital operating fund; \$7,065.00 from the county's general fund, and \$4,997.35 from the county's hospital sinking fund.

Before the commissioners court adjourned its special meeting Monday to canvass the election returns and officially create the district, it commended hospital trustees for services rendered in the past for

Council to get requests Monday

City designation of 'Clean Sweep' sought

A spokesman for a group of women interested in cleaning up the city of Post will ask the City Council at its May meeting Monday night to designate the week of May 12 officially for "Operation Clean Sweep" and will ask city cooperation in several clean-up categories.

The next "strike force" — and all volunteers are invited — is scheduled to turn out at 7 p. m. Monday night to clear the vacant lot between United Super Market and the Ray Spots auto agency in the 100 block North Broadway which has been a highway "eyesore" all winter.

This decision came Tuesday afternoon at the second meeting of the group following a public meeting Friday night in the primary auditorium at which Snyder City Manager George Patterson explained and showed color slides of the results of four years of effort organized as a Snyder clean-up campaign which eventually led to Snyder's receiving an All American City designation for 1968.

The women plan to offer to write letters to all absentee property owners of abandoned houses and unkept vacant lots.

Owners of locker plan remodeling

Jim Jackson of Jackson Bros. Food Locker said he and his brother, Arthur "Bo" Jackson, are making tentative plans to remodel the food locker building at 121 South Ave. H. after attending a two-day convention of the Oklahoma - Texas Locker Provisioner and Meat Processors Association in Wichita Falls.

Sharp rise here in strep throat

Rites conducted for Clay Ferguson

Graveside services for Henry Clay Ferguson, 85, who was found dead Saturday evening in his home here at 112 East 11th St., were held at 2 p. m. Sunday at the Terrace Cemetery.

Lightning knocks out power here

The city of Post was without electrical power for about 22 minutes last night when lightning is believed to have struck the Southwestern Public Service sub-station on South Avenue S during a thunderstorm which produced the biggest electrical display of the spring season.

She Cowdrey, 13, Post 7th grade student and daughter of Mr. and Mrs. Bobby Cowdrey, will represent Garza County at Lubbock Saturday in the regional spelling bee, sponsored by the Lubbock Avante Journal.

Miss Cowdrey won the Garza County spelling bee here a few weeks ago, with Sarah Vernon, a grade student, as runner-up. Competitors from some 20 counties will compete at Lubbock Saturday in the National Spelling Bee in Washington, D. C.

Ken Callaway, owner of Ken's Mobil Service, was elected president of the Post Jaycees at the organization's annual election of officers last Thursday night. He will succeed Tommy Young when new officers are installed later this month.

Officers elected were: Lonnie Peel, first vice president; Paul Cartwright, second vice president; Jerry Thuet, secretary; Charles Morris, treasurer; Joe Bailey, inter-club director; and Don Pennell, club director. Don Ammons, Gary Parnell and Dan Rankin, directors.

Library trustees award contract for remodeling

Trustees of the Post Public Library Saturday afternoon awarded the contract for complete remodeling of a city hall storeroom into a new reference room for the library to the Ben Owen Company on a bid of \$868.08.

The contract covers construction of book cases for two walls of the reference room, new tile floor, new suspended tile ceiling, four new four-foot fluorescent light fixtures, conversion of an old bathroom into a library storage closet with shelving, painting of the walls, and installation of air-conditioning ducts both for the new reference room and the children's room added last year in the conversion of the former Chamber of Commerce office.

County plans park work next week

The county will move in equipment and men next week in the city-county park to blade off parking areas around the 4-H building, clean up the debris, shred the grass and fill in the chug holes in the parking area on the north side of the lake.

Mayor Giles McCrary pointed Tuesday to this as another example of close city-county cooperation in areas of mutual interest.

Big production of 'Carousel' awaited

The Rodgers and Hammerstein musical, "Carousel," will be presented by the Post High School band and choir at 8:15 p. m. on Friday and Saturday nights, May 9-10, in the primary school auditorium.

"Carousel" takes place about 1890 in an amusement park on the New England coast. It takes the destiny of its people from youth to middle age. The characters are circus workers, sailors and their wives, fishermen, and employees of Bascombes Mill.

Hearing Monday on Interstate 27

A delegation boosting the Interstate 27 route between Lubbock and San Angelo through Slaton, Post, Snyder and Colorado City, has a 9:30 a. m. Monday hearing date with the Texas Highway Commission in Austin.

J. B. Potts, local official of the route organization, asked that everyone who can make the trip to Austin for the hearing to contact the bank so that car arrangements can be made.

FIVE LITTLE INDIAN UNIFORMS MISSING

One little, two little, three little, four little, five little Indians.

The Indians of the Babe Ruth League are missing five of their red and white uniforms with which to start the new season Tuesday night.

Last year's players who have the uniforms in the closet are asked to contact Mrs. C. R. Wilson and she will be glad to pick them up.

BANK CASHIER

Jimmy Holmes has moved here from Lubbock to succeed Vernon Scott as cashier at the First National Bank. Scott is moving to Lancaster as president of a new bank there.

When Post High Juniors get permission to use the vacant building between the bank and the post office for the Junior-Senior Prom they literally "discovered" a site which could be developed into a real community center for Post.

Since the weekend we've heard suggestions from all sides that maybe the city, or the city and county could get together with the bank which owns the property to lease it for use as a community center and for an auditorium.

The big room, which is refrigerated air - conditioned, can seat 400 for banquets and is generally big enough for all kinds of group functions.

It's well located and there is plenty of all weather parking available.

Already, Friends of a Public Library are eyeing the building as a likely site for the second annual Book Fair Saturday, June 7.

Bank officials have expressed their interest in trying to work out a way to make the room available for public functions.

The city's new fiscal year begins July 1 so the proposal comes at just the right time to work out financial arrangements.

Several councilmen already sound interested. Whether the county would want to participate is another angle. The whole thing will well hinge on the cost of using the building even on a temporary year to year arrangements.

We know there are those who would prefer a new community center building, but what we contended last year during efforts to buy the old bowling alley building we think still holds good. For the present Post doesn't need a big investment in such a building, but it does need a community center for at least infrequent use.

Leasing the bank's "extra" building until it comes up with a permanent tenant appears an ideal solution providing the annual cost isn't too great.

We'd like to see J. B. "Put a pencil to it" and see what kind of terms the bank would want.

CLEAN-UP CORNER

Edna Huffman and her daughters have a neighborhood clean-up project of their own for May. They are clearing the next lot next door from which power has been torn down. It's near the southeast corner of Fourth and Broadway.

The next "weed party" is scheduled for 7 p. m. Monday in the 100 block North Broadway to clear a vacant lot left unattended for over a year by an absentee owner. Y'all are invited.

Library Listening Post

By ROSEMARY CHAPMAN

Hans Hudman tells me that he's tried and tried to persuade his wife, Maurine, to check out "Myra Breckenridge" and "Portnoy's Complaint" so he can read them.

Which reminds me: What do you call it when passengers on a ship express their annoyance with the creaking of the left side of the vessel? Port noise complaint.

During the last couple of weeks, four or five library patrons have commented that they've asked for the McMurry book, "In a Narrow Grave," several times and find that it's always checked out.

FAT ROSE RIDES AGAIN. If there was ever any doubt that physical fitness was THE latest American cult, the fact that a book with a title like "Miss Craig's 21-day Shape-Up Program for Men and Women" has been persistently high on the best-seller list for months should prove it.

Did you see the Today Show that morning when poor Joe Garaglia was uncertainly floundering around on the floor under the critical gaze of a grim-looking old female? That was Miss Craig.

The program is presented in five sections — "21-Day Shape-Up," "Five for Good Measure," "Improving White Moving," "Tired and Noddy Muscles," and "Post-Pregnancy." The exercises are simply carefully explained, profusely illustrated, and they are designed to be done by anyone and everyone without any grunting, groaning, straining, or tearing whatsoever.

But far be it from me to discourage anyone. To all of you would-be healthies out there in Dispatch Land, I say: heartiest congratulations, and GOOD LUCK. You'll need it.

posing the fraudulent claims of a Boston medium in the 1920's, it is likely that many believers in UFO's will continue to believe for their own psychological reasons which have nothing to do with science and the rules of evidence.

It's My Turn

— By MRS. C.

There were exactly the same number of people at the primary auditorium last Friday night to hear "The Snyder Story" as there were at the first meeting in Snyder to start their clean-up which led to the honor of being selected as an "All American City."

What was the number? Thirty-eight, that's what. To judge from the impressive campaign in Snyder those 38 people were fired by enthusiasm and must have helped sell the town on what followed. So, you who attended the meeting have a nice civic job cut out for you.

The thing that impressed me the most in the presentation made by Snyder City Manager George Paterson was the sensible way that town went about changing itself from a "blight" city to its present status.

They set a goal after the initial clean-up campaign; they planned how to meet this goal through the cooperation of every civic organization and women's club in town, the city council and county commissioners court and proceeded to get with it. It didn't take a lot of money; it didn't raise taxes. It just called for enthusiastic citizens who wanted to improve their town.

It was most gratifying to have Mayor Giles McCrary and all of the city council, save one, (that one was out of town but his wife was enthusiastically present.) County Judge J. E. Parker was also there as was the president of the bank, J. B. Potts, and our new Post-Plant manager, Vic Slater. We expect a lot from these town leaders! And we expect to "give" a lot to support them!

The first "work party" of Operation Clean Sweep can be termed highly successful—certainly as far as appearances are concerned. The old flower shop building looks mighty presentable and I've heard a few people express surprise at what kind of a house that was behind the "jungle" next door.

Enjoying (?) the party were one outgoing and one incoming Jaycee, vice president; one local Jaycee who is state director of Region I; one Rosemary Chapman; one Pee Wee Pierce; one publisher; one publisher's wife; three youngins' named Donna and Deann Ammons and Rhonda Bailey, and one city councilman who scooted around on a tractor mower during the noon hour.

Refreshments were donated by Helen Livingston who couldn't work but dropped by with "coins" for Coke breaks, and the Western Lounge who sent an invitation through Levi's for coffee and

doughnuts. One thin dime was found during the clean-up to start a fund for unexpected expenses!

Due to so many people working at "jobs" on Saturday and since the advent of Daylight Savings Time, the group, not wishing to deprive others of working, has decided to meet at 7 p. m. on Monday night and work until dark.

The present goal of Operation Clean Sweep is to concentrate on Broadway to make ourselves presentable for ourselves and for the "tourists" who will soon be pouring through.

We are not sending out invitations. All are welcome to come join the fun. Besides people, we need pickup trucks for dump runs, a SHREDDER and a tractor mower.

This is no time to be shy. Those of you who have been asking what YOU can do to help, this is what you can do. See you Monday in the 100 block North Broadway.

Recent bride is shower honoree

The rural home of Mrs. Boy Hart was the setting for a bridal shower honoring Mrs. Pete Dodson of Lubbock Monday night from 8 until 9:30 o'clock.

Guests were received by Mrs. Hart, the honoree and her mother, Mrs. Robert J. Hoey of Lubbock. Miss Daphne Pemberton of Lubbock registered the guests.

Special guests at the shower included Mrs. William H. Evans, Mrs. Ruth Brown, Mrs. Jettie Garfield and Mrs. Bud Johnson of Lubbock and aunts of Mr. Dodson, Mrs. Clyde Whistler of Artesia, N. M., and Mrs. Pauline Coleman and Mrs. Jim Shipley of Post.

Misses Nancy Hart, Debbie Dennis and Voda Beth Voss served strawberry punch, white cake squares topped with a wedding bell, pink mints and nuts.

The serving table was covered with a white cloth and centered with an arrangement of iris and baby's breath Pink tapers and pink satin streamers bearing the newlyweds' names completed the decor. Crystal appointments were used.

Garden flowers adorned the entertaining rooms.

Hostesses were: Miss Thelma Clark and Mmes. Walter Duckworth, Charles Benson, Hart, John Dennis, Walter Boren, W. C. Bush, Thurman Francis, Burney Francis, James Kennedy, Bernice Eubank, Bill Carlisle and Harold Voss.

Disappointment Is

By Martha Jo Walls and Linda Josey

—Feeling GREAT that night and getting up the next morning feeling terrible.

—Opening the refrigerator and finding out that someone had eaten that piece of pie.

—Getting a once-in-a-lifetime pose, snapping the camera and the flash cube not working.

—Ordering a dill pickle and getting a sweet one.

—Running out of daisy petals on a love-me-not.

—Buying some crackercakes just to get the prize and not finding one.

—Everybody forgetting your birthday.

—Being sick and no one around to feel sorry for you.

—Having a one and only dress and then having 10 more people wear one just like it.

—Not being able to catch up in typing.

—Having a broken leg and not getting to go to the Jr.-Sr. banquet.

—Leaving your candle from the Jr.-Sr. banquet on the dash of your car and having it melt all over your program, your napkin, and all over your gloves which are now a very stiff blue.

—Doing something real bad and not even getting into trouble over it.

HEART TRANSPLANT

By Don Davenport

Probably, without doubt, the most sensational medical development of our day has been that of the heart transplant. The preservation of human life, even for a few hours, has always been a longing of mankind. And now with this significant medical development predictions are being made that the average life span may be lengthened 25 years. Just recently Dr. Cooley of Houston's St. Luke's Hospital performed the first plastic artificial heart operation. Future years may see the development of artificial plastic organs for every part of the body.

But despite the fact that life may be prolonged a few more days on this earth, man must die. "The last enemy that shall be abolished is death." I Cor. 15:26. And so there are some profound ethical and moral implications involved if man's only purpose in a longer life is that—a longer life. That kind of fatalistic escapism is doomed. The human body was not fashioned to last forever.

FALSE HOPE:

The thought that science may offer temporal immortality, by perpetual replacement of old organs, is an indication of a different kind of heart trouble than physical heart failure. Today men want a new heart in the fifties, but tomorrow—regardless of how spiritual empty they are—they will want one in the eighties. But in the end virtually all organs will falter and give out.

THE ONLY HOPE:

The truth is, man does need a new heart. The physician may say to you, "Sir, you need a new heart, your old one is inadequate." But another Physician makes this offer: "Cast away from you all the transgressions which you have committed against me, and get yourselves a new heart and a new spirit! Why will you die?" Ezekiel 18:31. When will we realize that there is another kind of death! But our hope is in the Great Physician: "A new heart I will give you, and a new spirit I will put within you and I will take out of your flesh the heart of stone and give you a heart of flesh. And I will put my spirit within you, and cause you to walk in my statutes and be careful to observe my ordinances." Ezekiel 36:26f.

THE OPERATION:

In order to obtain this kind of new heart an operation must be performed. The Physician has said: "Except you have this operation you shall perish." It's not easy, and very few people are willing to do it. "Except ye repent ye shall all likewise perish." Luke 13:3. Repentance is the only way to gain a new heart. It means a complete change of the will. One must turn with his whole heart to God. Nothing less than a complete transplant will do. But, when we realize that death is coming soon and that our Lord loved us enough to die for us, it's not too difficult to turn and serve Him. Because he has promised to give us ETERNAL LIFE.

Close City Co-op Gin barbecue attracts 250

By MRS. BARNIE JONES

Well, it's here again whether we like it or whether we don't. I don't. But the only thing I can do about it is to gripe and as I did that all last summer and it didn't do any good I hope I'll remember to save

the time this summer and do something more beneficial. It does help me know that others feel the same as I do about Daylight Saving Time though.

About 250 people attended the Close City Co-op Gin barbecue

supper at the Community Center a week ago Tuesday night.

Mr. and Mrs. Robert Kiker of Whitney have been visiting in our community with their daughter and family, the L. B. Pates. They also visited Mrs. Eula B. Smith and Sylvia and Bunny.

Mr. and Mrs. Lonnie Peel and Mr. and Mrs. Douglas Livingston went to Snyder Sunday afternoon to look at the city. They report that it is a real pretty town now. It is nice to have a city so near us that has won national honors in improvements.

Mr. and Mrs. Clarence Gunn and children visited in Abilene Sunday with his grandmother, Mrs. Bessie France, who is a patient in Hendrix Memorial Hospital, after undergoing eye surgery last week. They also visited his uncle, Harold France, and family.

Mrs. Eula B. Smith and Mrs. Barnie Jones attended the Vacation Bible School Clinic of the Lubbock Baptist Association last Thursday at the First Baptist Church in Lubbock.

The Norman Settlemire family of Lubbock were Saturday night guests in the Barnie Jones home. They came down after Carol who had visited Mr. and Mrs. Darrell Jones for a few days.

Mrs. W. D. White, Mrs. Mike Custer, Mrs. Arnold Sanderson and Mrs. James Mitchell attended the Farmers Union annual luncheon and style show in Lorenzo Saturday.

Mr. and Mrs. Bob Thomas met their daughter, Mrs. Sam West, and Jan and Julie Davis of Hereford for lunch.

Mark Blankenship is spending a few days with his grandparents, Mr. and Mrs. W. B. White.

Mr. and Mrs. Fred Gossett visited Mr. and Mrs. A. A. Ritchie Sunday afternoon and Mrs. Vernon Lively was a guest in the Ritchie home Monday night.

Mr. and Mrs. Allen Johnson and Shane spent the weekend with her parents, Mr. and Mrs. Howard Justice.

Visiting last week in the H. F. Wheatley home were their daughter, Mrs. Helen Meeks, and a friend, Mrs. Mary Lee Roach of Stanton, Mr. and Mrs. James Mitchell,

Mrs. Inez Huntley, Mrs. Edith Clary, Mr. and Mrs. W. D. White and Mrs. Daymon Ethridge and Debbie Sue.

Mr. and Mrs. Rex Prather honored her mother, Mrs. W. H. Childs with a birthday dinner last Monday at their home on the O. S. Ranch. Mrs. Douglas Tipton was also a guest.

Miss Shirley Ann Sappington returned to work Wednesday and is doing fine after being hospitalized for a couple of days.
