War Chest Drive To Begin Nov. 1 Says C. Herring

Clint Herring, chairman of the Garza County War Chest drive, stated Monday that all preliminary arrangements have been completed and everything set to put Garza county over the top in the National War Fund drive. B. J. Edwards, publicity director of the drive, announced that plans had been completed for getting the importance of the drive over to the public. The drive will begin in this county November 1. John Herd is serving as treasurer.

All churches in Post will include some phase of the movement in their programs Sunday morning. Pastors will give a resume of what the funds will be used for and the importance of each person's gift to the 17 agencies that provide for the welfare of our men in service as well as take care of the many needed peoples who are victims of the war. A committee member will call on each person. A standard of giving has been followed in similar drives, that is . . . the equivalent of two day's pay. Experience indicates that when this plan is followed the drives always prove successful. Any amount any person wishes to give will be gladly received.

The quota for Garza county is set for \$2,785.00.

There are 17 relief agencies now united in one National War Fund, and Edwards gives the five major reasons that should impel you to contribute to this fund:

If you have thrilled over the heroic resistance of our Allies in this great war against aggression, you will give out of admiration.

If you have been shaken with sorrow by the suffering of the oppressed countries, if the cries of little children, desolate mothers and tortured prisoners have rung in your ears, you will give out of pity.

If you have shoes on your feet, clothes on your back, food in your kitchen and a roof over your head, you will give out of gratitude.

If you have a husband or a son at the front, if you have faith in the American Army and Navy, the men who are enduring, fighting and dying for us, you will give because of that faith.

If you believe that the United Nations are struggling for a better world for our children and grandchildren, you will give out of wisdom.

Admiration, Pity, Gratitude, Faith, Wisdom—For Which One of These Will You Give?

The chairman believes that if a person will study the above reasons for giving that the National War Fund will meet its quota and that Garza county people will do their part in putting it over. By giving to this worthy cause, we will be helping those who are unable to help themselves.

GLOBAL WARFARE

A grim similarity in tactics is evident in these two pictures taken at opposite sides of the world. Left: A bamboo village on the outskirts of Chungking blazes after a bombing. Right: The invasion of Rotterdam. To help the victims of Axis aggression is a principal objective of the relief agencies in the National War Fund.

Soldiers Leaving For Overseas Soon May Still Get Yule Gifts

Soldiers leaving for overseas duty after October 15 may still have Christmas packages mailed to them.

So announced Phil Bouchier, postmaster, on receipt of word from the Post Office Department that men in service who are "shipped" between now and Yuletide may have parcels mailed to them up to December 10—with these provisions:

Family of a soldier sent overseas after October 15 must bring the official change of address card, with army A/C number, to the postmaster.

Same limits as on previous Christmas packages for overseas points will apply. Each parcel must not exceed 36 inches in girth and length, and must not weigh over five pounds.

One Yuletide package under the above new provision will be permissible.

Bouchier states that parcels to such overseas soldiers can be mailed up to December 10, November 1 has been set as a deadline in mailing Yuletide parcels to U. S. Navy personnel.

PROCLAMATION By The Mayor

Because of the urgent need for more men to be released for active war work and because our government believes the Women's Army Corps offers one of the best opportunities for the women to serve their country by taking essential war jobs at home, in order that more men may go to the various fighting fronts, I, Walter W. Hyde, Mayor of the City of Post, do hereby proclaim that the week of November 1st be dedicated to the Women's Army Corps.

There will be an army recruiting team in Post for that week and it is to be hoped that the eligible women of Post and vicinity will give special consideration to this their country's call and will consider it a fine opportunity to render the best service to their country.

Walter W. Hyde, Mayor.

Expense Deductions On Farm Payments Announced As 3.2%

The County Association expense deduction factor to be applied to 1943 farm payments for Garza County was recently announced as 3.2 per cent, state James A. Boyd, AAA Secretary.

This factor is slightly higher than 1942, but considerably less than the 1940 or 1941 factors, continued Boyd.

The County AAA office is submitting applications to the State office as rapidly as they can be prepared and signed. At this time almost 50 per cent of the farm applications have been submitted for audit and payment is expected within the next few days on the first ones transmitted.

Wide Drive Old Clothes Is Planned For Future

A wide collection campaign for discarded clothing, used shoes and rags being planned according to the WPB. Officially emphasized that they do not want old clothes that are worn out or can be used. The discarded clothing also will be used for relief and rehabilitation work abroad. Materials collected will be separated and used for best possible use. It is expected that the collection will be handled by individual states and communities.

BARGAIN RATES ARE ANNOUNCED BY DAILY AND THE POST DISPATCH

Good news for Post and Garza counties was made last week in an announcement that bargain rates are being offered on The Dispatch in combination with the Fort Worth Star Telegram.

The Dispatch and the Fort Worth Star Telegram, seven days a week will cost \$10.45; The Dispatch and the Star Telegram, six days a week will be \$9.25. The Fort Worth Star Telegram, daily and Sunday, \$8.95; or six days a week, \$7.75.

No new subscription to the Star Telegram will be accepted, it is pointed out by E. Z. Parr, acting agent for his son Edgar who is a Star Telegram agent for this county. Those who wish to renew are asked to bring their renewal certificates with them. These certificates must be mailed with the subscription. Parr advises all the subscribers to remember the certificates when renewing the paper. New subscriptions were frozen several weeks ago due to the paper shortage.

If At First You Don't Succeed, Try, Try Again . . . Well, We Will!

The Dispatch has for several weeks been trying to secure accurate weekly ginnings from the several gins in the county. Due to the lack of telephones in the rural sections we have not been able to contact gins as we have always done in the past. Through various sources we have given estimates and on occasions have been either below or above the ginning total of some of our gins. Last week we again sent cards to all gins asking them to report their ginnings. Only one, the Grahn-Harris, sent in a report this week. They report 1 1/2 prior to Tuesday the 26th. (Thank you Bill).

The two Post gins reported a total of 937 bales up until Tuesday night.

LIONS STILL TRYING TO SECURE MATERIALS FOR COUNTY HONOR ROLL

Ways and means by which an honor roll can be erected in honor of the Garza county boys in service are still being studied by the Post Lions club. Reports from the committee in charge of this project reported their findings Tuesday night at the regular meeting of the club at the Algerita Coffee Shop. It seems that priorities on suitable materials are hindering the plans to erect the board at an early date.

Rex Everett and Victor Hudman gave a report on the Zone meeting held in Lamesa recently.

L. W. Dalby, District Supervisor of the Duck Creek Soil Conservation District wishes to announce that a conservation planning meeting will be held at the Hackberry school house Monday night, 8:30, Nov. 1.

The purpose of the meeting will be to discuss plans for establishing soil and water conservation practices this fall and winter. All farmers of that community are urged to attend.

Southland Carnival To Present Several Added Attractions

In addition to the regular features of a Halloween carnival many added attractions will be in the program when the Southland school presents a carnival on Friday night, October 29.

In discussing the features in addition to the carnival J. P. Hesse, principal, said "There will be special music furnished by the Dunagan Studio of Music of Lubbock. They will feature several special selections on the electric steel guitar. We were lucky enough to get the services of a very talented magician, 'The Great Vernon,' who will perform modern magic miracles. There will be boxing, games, speak houses, etc. We shall be glad to have everyone seeking entertainment of a wholesome nature to be with us."

Conoco Station Wins Recognition From Dist. Supt.

Ivan Clary, manager of the Conoco Service Station, has been notified that his station has been declared one of the outstanding stations in West Texas. This notice was received from C. L. Owen, assistant division manager.

"The Conoco station was selected as one of the five outstanding properties in Texas. You can understand that your efforts in keeping your station clean and operating a nice appearing station have not gone unnoticed," Mr. Owen said.

Five superintendents visited the Conoco properties recently on an inspection tour.

Mrs. Jessie Voss left Tuesday afternoon for Henrietta to be with her sister and husband who have just had word that their youngest son, Lt. Clifford L. Boyd, was killed in action in North Africa. The nephew was known by a number of people here. The Boyds had five sons in service.

New Arrivals . . .

Yecman and Mrs. Lowell Sharbutt of Norfolk, Va., are announcing the arrival of a son born on October 13. The new baby's name is Lowell Gerald. Mrs. Sharbutt will be remembered as Miss Dorothy Harrison.

Mr. and Mrs. O. V. Morris are announcing the arrival of a 7 pound, 2 ounce daughter on Oct. 25. The new baby was named Lela Sheran.

Mrs. J. R. Lee is announcing the arrival of a baby boy on September 27 at the Saint Mary's hospital in Lubbock. The new baby was named Kenneth James. Mrs. Lee is the former Miss Rosa Vera Hall.

Honor Roll To Be Dedicated Sunday At M. E. Church

A dedication service will be held at the First Methodist church Sunday morning. At this time boys in service will be honored. An Honor Roll carrying the names of boys who are members of the Methodist church or who have been affiliated with the church, either through their families or through attendance, will be placed in the auditorium. Names will be placed on the roll of honor by some member of their family, the pastor, Rev. O. B. Herring said. Attractive name plates are being designed for this purpose. There are more than 40 names to be placed on this plaque.

Special invitations have been issued to parents of boys and a cordial invitation is being issued to all persons to attend the service Sunday morning. Letters to all church members are being mailed this week and a large attendance is expected for this dedicatory service.

Mailing Dates Announced On Xmas Packages

Postmaster Phil Bouchier has received information from the Postmaster General on mailing Christmas packages and advised all Garza citizens to read and heed the following information: "Mail packages not later than December 10 is the advice given by the postmaster, if you want your gifts to be delivered. It is up to us as good American citizens to cooperate in this movement of mailing early," Bouchier said.

Since the war has dislocated mailing, November has been declared as the month for mailing of Christmas gifts and cards. Gifts should be marked "Do not open until Christmas." It will be physically impossible for the post offices over the country to handle with any degree of efficiency the amount of mail that will be going forward this year unless it is mailed early, Bouchier asserted.

"More than 30 thousand postal employees have gone to the armed forces. They have been largely replaced with less experienced help. In the past, 200,000 temporary employees have been added to help with the holiday mails. Great numbers of these are now in the armed forces and war industries. This year postoffices must rely largely upon women and high school boys and girls, who can not work long hours or at the high speed of experienced personnel.

The only way, therefore, in which deliveries of Christmas mails can be made on time is by spreading the mailings over a longer period so that available transportation equipment and personnel can be used during more weeks, Bouchier continued.

The postmaster also advised the use of the zone numbers in all mail addressed to cities if that number is known. Unless people observe the early mailing dates it will be physically impossible to deliver the packages early in view of the war time demand on trains. So to insure delivery at the Christmas season, "please mail early."

P-T-A Halloween Carnival To Be Held October 29

The night for spooks and goblins is fast approaching. The scene of their frolic is set for the High school gymnasium at 7:30 o'clock on Friday night, Oct. 29, and Parent Teachers, room mothers and teachers are busy engaged in the business of completing arrangements for the big fun night of the year.

"An invitation is issued to everybody from far and near to come and meet the black cats, ghouls, goblins, witches and weird creatures associated with Halloween," Mrs. B. J. Edwards, carnival chairman said. "Through this fun night the P-T-A raises funds to carry on activities of the organization throughout the year. We wish to thank the merchants and people of the city for their splendid cooperation in the past and we especially thank our teachers," Mrs. Edwards continued. "There will be no admission charge to the gymnasium but all concessions will be either five or ten cents, it was announced by the chairman.

The big feature will be the coronation of the queen. Representatives from every class will take part in this event. The class queen having the largest number of votes will be crowned in an impressive ceremony and other nominees will serve as members of the royal court. Miss Barbara Cox will have charge of the coronation ceremonies. She will be assisted by Miss Ruth Haggard from the grade school, Mr. L. V. Bearden will crown the queen. Mr. Smith will assist in all arrangements.

Mrs. E. W. Williams and Mrs. M. C. Outlaw have charge of the Food Booth; Mrs. Esma Cash and Mrs. Tommy Anderson will have charge of the "Ghost House"; Mrs. Ray Smith and Mrs. Roy Mullins, "Coon Concert"; Mrs. J. E. Parks and Mrs. B. J. Edwards, "Bingo"; Cakes, Mrs. Lee Davis; Mrs. A. C. Surman and Mrs. Marshall Mason, "Doughnuts"; Miss Scott, "Grab Bag"; Mrs. Willard Kirkpatrick, "Keep Hitler Running."

The raffle prizes will have charge of the Fortune Telling booth and numerous other features not mentioned will greet the public.

Prizes will be offered this year on the costumes. All children are invited to take part in the costume parade.

"Don't forget the hour, 7:30 p.m.; the place, High school gymnasium and the date, Friday, October 29."

Oryville Cearley Knows About Battles From Experience

Second Class Petty Officer Oryville Cearley of the U. S. Navy knows plenty about the heat of battle. He has been in the North Atlantic theatre of war for 16 months and has seen plenty of action. He has been here with his parents enjoying a 30-day leave. He arrived in the United States aboard a plane tender based in Bristol, England, and came by way of Scotland to the U. S. "Our ships are going through now but for awhile they had it a little rough in the North Atlantic." He was anxious to get back to Tulsa to visit his many friends there as that was his former home. He reports to New Orleans on the 31st and will receive further orders.

Taking Basic Flight Training

Aviation Cadet Douglas G. Carradine, 21, of Post, has reported to the Coffeyville, Kansas, Army Air Field for his basic flight training. After nine weeks there he will be sent on to an advanced field where he will finish his cadet training and win his wings in the Army Air Forces.

He attended Texas Tech in 1941. Cadet Carradine is the son of Mr. and Mrs. Walker C. Carradine of Post.

Lee Wayne Hardin and Bobby Gollehon are visiting friends and relatives here this week. They are being transferred to Camp Ord, California.

The Leaning Tower of Pisa is approximately 16 1/2 feet off center.

WAC RECRUITERS TO BE IN POST NEXT WEEK

A drive for recruits will begin in Post next week for the Women's Army Corps. Mrs. B. J. Edwards is recruiting chairman of the county and persons interested in the WACs are urged to get in touch with Mrs. Edwards. The drive will take place in this county on the 4th, 5th, and 6th of November. A large number of women are needed to replace men for office work, radio workers and many other jobs. The campaign will be carried to every town on the South Plains. Seventy thousand women are needed. A large number should volunteer from Texas. Recruiters will be here to answer questions and to give valuable information to women in the area. Women will be permitted to choose the type of job for which they wish to be recommended for assignment. Contact the recruiter next week. America needs you now, is the advice of the chairman.

Bill Wood To Transfer To Civil Engineering School

Word has been received from Bill Wood that he will be sent to a specialized training college. He is now in Lincoln, Nebraska, where he took examinations for a civil engineering course. Bill has been stationed since entering the army at Denver, Colorado. It is not known yet where he will go.

Returns to California

Cpl. Jerrald Bowen returned to Camp San Luis Obispo, California Sunday after spending a fifteen day furlough with his parents, Mr. and Mrs. Mitchell Bowen.

Corporal Stanley Mathis wired his wife this week that he was "safe and well" and for her "not to worry." Corporal Mathis is with the Army Engineer Aviation Battalion and was stationed in Bangor, Maine. He has not been heard from in eight weeks.

Mrs. Irene Rodgers is expecting her son, Dan, home for a few days. He has been in Pittsburgh, Kansas, but is being transferred to another training school. Dan is a member of the United States Navy and is taking specialized training.

It takes nearly a ton of food a year to feed a soldier.

With The Men In Service

Mrs. B. F. Rodgers who has returned from a hurried trip to Florida to see her son, John Graham, before he embarked for overseas duty, said this morning that she had not received any word that Billy Donaldson was missing in action. The report was being circulated last week that she had received such a message. Various channels were checked and so far the report proves to be just a rumor. She received two letters from Billy lately, one written on Sept. 9 and one on Sept. 29. He said he was well and doing fine. Billy, the son of the late Bill Donaldson, is stationed in New Guinea.

Southland Boys In Service

Sgt. William Basinger, who is a gunnery instructor at Kaman, Arizona, visited his parents, the Alfred Basingers of Hackberry last week.

Ensign Wilmoth McArthur received his wings at the graduation at the Naval Air Training Center at Corpus Christi Saturday. Mr. and Mrs. C. A. McArthur and their daughter, Frances, attended the exercises. Wilmoth accompanied them home for several days. He reports in Atlanta, Georgia, Nov. 1.

Adolph Klesel was at home this week, but we didn't learn his rating or where he is stationed.

Recently, Slater Moore, a sailor in the Southwest Pacific, sent a box of souvenirs home to his sister, Cleon. Among them was a portion of the Rising Sun, taken from a wrecked Jap plane.

Pvt. Vonnie Peel Receives First Pass Since Entering Service

Pvt. Vonnie Lee Peel of Camp Bowie, Texas, recently spent a three day pass here. He entered the service on June 9 and was first stationed at Camp Barkeley, Abilene, then was sent from there in the early part of August to Ft. Bliss, El Paso. On Oct. 9 he was transferred to Camp Bowie at Brownwood. He is a surgical technician. His division is now taking their training before going overseas.

He missed seeing his brother, Howard, one day. This was his first pass since entering the service. His address is: Pvt. Vonnie L. Peel, 45th Field Hospital, Camp Bowie, Texas, U. S. Army.

Graduates From Mechanics School

Seymour Johnson Field, N. C.—Completing a five month's course in aircraft maintenance and repair, Private First Class Kermit E. Parr was graduated this week as an aircraft mechanic from the technical school of the Army Air Forces Eastern Technical Training Command.

The son of M. and Mrs. E. Z. Parr of Post, he was sworn into the Army on October 29, 1942 in Lubbock. A graduate of the Post High school and was then employed by the Lockheed Aircraft Corp., Los Angeles, Calif., as a trimmer.

Southwestern Life Insurance Company Sales Show Increase

At a meeting of the board of directors of Southwestern Life Insurance Company held in Dallas this week, C. F. O'Donnell, resident, reported that although a large number of the agents of the company are engaged in military service, the new business written during the first nine months of this year was almost 25 per cent greater than the new business written during the first nine months of 1942; that the increase in insurance in force during the nine months of 1943 was more than \$20,000,000, which is the largest increase in insurance in force during any comparable period since 1929.

The company now has more than \$442,000,000 insurance in force.

During 1943 the company has paid in death claims on persons engaged in military service \$201,282, and in addition has outstanding \$103,000 insurance on lives of persons reported missing in action, but the civilian mortality, due to same living habits, and limitation on the speed at which automobiles may be driven, has been so favorable that the overall mortality of the company during 1943 is far below the 1942 mortality record and compares very favorably with the over-all mortality record of the company for any comparable period during the last ten years.

Set Record Delivering "Forts"

Crews of the Ferrying Division, Air Transport Command, Army Air Forces, have set a new record by delivering eight flying fortresses to England and returning to their home station in the United States, all within 4 1/2 days, according to the War Department. The crews took off from four different stations in this country, some of them well inland, which added to the over-all flying distance.

Fifty-five Liberty ships have been named for women.

Quinine Forests Are Ruining Fields Is Believed

Reports that the Japanese are poisoning the quinine forests of the island, the result may be without its great production were expressed in a Melbourne, Australia, publication by East Indies experts. Sometime, Java produced 95 percent of the world's supply of quinine, the most effective drug for the treatment of malaria.

LETTER OF THANKS

Letter of thanks from Elder D. W. Reed and wife to their many friends whose hearts have been opened to cause them to show such esteem for past associations as to donate so liberally to the fund for an old-age home for the humble old servant of the cross.

Words are poor substitutes for the something we need to express and the feeling your generosity engenders. We are told people of all denominations and many who have no church affiliations have been donors and we appreciate the place we have won in your thoughts.

Especially do we thank the committee, Mr. Lub Burk, Prof. E. Henderson and Mr. Geo. Sartain for their sacrifice of time and effort. We truly believe we have seen the workings of God's hand in these past few weeks.

The home has been purchased and is located three miles east of Garnolia school house, one mile north of Post-Tahoka highway, where we will be at home after January 1944 and hope our many friends can visit us and help us enjoy our shelter for our declining years.

A home is worth a million dollars, as any one who is homeless will tell you and friends so true are wealth untold.

Are you a girl with a star-spangled heart? A girl who's willing to help out when her fighting men need her? A girl who wants to feel she's doing something vital to earn her own share of the victory? Have you an urge to do something about your country and the things you love? If you do—you are needed in the WAC—and needed now!

The committee has not yet disbanded as there are promises not yet fulfilled. As soon as they make their final report we will publish it so all may know the results.

We want to be of service in such ways as God approves and will do all we can to be ready when needed.

"Blest be the tie that binds our hearts in Christian love."
—Rev and Mrs. D. W. Reed

Quiet Please!

And if you don't please, be quiet anyway! This is our motto for changing classes. Our monitor system is working out wonderfully. At the first of school when we changed classes, you would have thought we were having a picnic, but now it is different. A monitor has been selected from each class. This monitor takes the names of anyone in their room who causes any disturbance and puts it on the list of "I Forgot Club." A person is allowed to have his name on the list three times in a week before he is punished in some way. As to date, everyone has conducted himself properly enough to

Second—Willie Anne Mathis, Denman Mullins.

Third—Billie Marie Williamson, Billy Bynum.

Fourth—Ann Mullins, Jack Kirkpatrick. Fifth—Anita Kennedy, Leon Miller.

Sixth—El Wanda Davies, Boyd Bowen.

Seventh—Elsie Verna West, Junior Malouf.

Choral Club

More than fifty students from grades 5, 6 and 7 have entered in the grade school choral club under the direction of Miss Irene Kral. The club has been meeting for only two weeks, but Miss Kral reports that they are a splendid group and feels as if they will make many fine appearances throughout the year. Their first performance will be Friday night, October 29, at the Hallowe'en Carnival. Come to the carnival and hear the grade school choral club.

The NEW Winning of the West

JUST 75 years ago this week, October 30, 1868, rail was laid on the first unit of the Santa Fe System Lines—a 17-mile stretch in Kansas from Topeka to Carbondale.

Today, Santa Fe System Lines are over 13,000 miles long, serving people and products from Illinois to California, and from Colorado to the Gulf of Mexico.

Looking Ahead

Farsighted men, even years back, began looking ahead to the Southwest and West not only as a land of enchantment and natural resources but as the coming theater of industrial expansion in this country.

The war has brought home the soundness of this vision—big things are happening today in the states of Santa Fe land.

States served by the Santa Fe

Thousands are flocking to Texas—great state of farm, factory and free enterprise—to man its booming plants, cultivate its soil, and ride its far-reaching ranges.

Kansas is becoming famous for its plane factories and munition plants, as well as its golden wheat fields.

Arizona is winning new fame in the fields of agriculture, live-stock, mining, and as an aviation center.

Oklahoma's oil is writing bright new pages in the science of war, and advances for the peace to come.

Freight cars are rolling out of New Mexico

loaded with essential copper, potash and zinc, as well as steers and sheep.

Illinois, Missouri and Iowa are saying it around the world with factory and food products.

The lead and silver and coal from Colorado's mineral-filled mountains are doing great things toward winning a war.

And in California, steel mills, shipyards, power dams, plane plants and lumber mills are working around the clock to supply more, more, and more of the sinews of war.

Santa Fe all the way for U. S. A.!

We of the Santa Fe are too busy "keeping 'em rolling" for Victory to take time off to celebrate the 75th anniversary of the laying of our first rail.

This is, however, an appropriate time to point out how important to the development of this New West has been the linking together of its States by Santa Fe rails. We are naturally proud to be part of this great development.

AMERICAN AIRLINES
COOPERATE

American leaders of air trans-
port believe that after the war this
nation's interests will be best
served by strong cooperation be-
tween the various lines operating
in this country, in order to meet
the competition of foreign lines or
combinations.

Free and open competition on a
worldwide basis, subject to reason-
able government regulation, is the
goal set by American air lines.
They urge that government plans
be based on private ownership
and management; fostering by the
government of the United States
of a sound worldwide air trans-
portation system; freedom of trans-
it in peaceful times; world-wide
regulation of civil and commer-
cial outlets required in the public
interest.

This nation will need an air
transportation system linking all
sections of our country with trade
areas of the world for postal ser-
vice, commerce and national
security. Undoubtedly years of in-
ternational discussions lie ahead
on this subject. But the fact that
leaders in American commercial
aviation are broadminded enough
to take the initiative in a cooper-
ative approach speaks well for
the success of continued air sup-
remacy for our nation.

Booby Trap Defector

In the snow, in the sand, on the
beaches, on the roads, in the woods,
everywhere the Axis soldiers hide
"booby traps" to slow the move-
ment of oncoming fighting men of
the United Nations. The defector
does the same work on land as the
mine sweeper does at sea.

Like buying War Bonds, the sol-
dier operating the defectors will
never know just how much they
have aided in the success of their
campaign, but he knows his work is
necessary and must be accom-
plished. If more Americans on the
home front will come to realize this,
the success of our War Bond cam-
paigns will be assured.

SAFETY IN CONGRESS

Congressmen have recently en-
joyed a long spell of getting first-
hand information from the folks
back home. They have found that
their constituents are willing and
anxious to help transfer the na-
tion's needs into realities—they
have also found, if they have
talked to Farmer Jones, Store-
keeper Brown and Manufacturer
Smith, that in cases too numerous
to mention these gentlemen are
confused, discouraged and restrict-
ed in their all-out production en-
deavors by endless and incompre-
hensible rules and demands of
various Federal agencies with
which they are confronted at
every turn.

Our lawmakers have undoubtedly
tried to do their best. "Have our
people reached a point where their
very act, their every purchase,
their every sale must be planned
by some super bureau or bureau-
crat in Washington?" It is not pos-
sible to get needed war legisla-
tion and regulation within the
framework of our government,
and leave to the producer, the
merchant and the consumer some
measure of self regulation within
prescribed limits? The people want
to cooperate. Is it not possible to
simplify the regulations under
which they must operate? Are
regulations which discourage pro-
duction going to ward off scarcities
and defeat inflation? Can subsidies
ever replace prices suffi-
cient to allow reasonable profits?
Will the consumer benefit by
"artificially lowered" supplies, as
the result of restrictive policies
which cut production?

"There must be a happy wage
and price medium which we can
help maintain to encourage the
necessary functioning of American
production and distribution in con-
junction with wartime require-
ments of our armed forces and
civilian population. As the duly
elected representatives of our peo-
ple, we cannot shift our responsi-
bilities to subordinates."

Views of
Neighboring Editors:

The Slaton Slatonite— Most of
the war jokes that I have heard
since the second world war start-
ed, have been about the Wac's and
on the difficulties men have en-
countered in getting in or out of
the armed forces. The best one I
can remember from the first world
war is about a negro who became
sea sick on a transport and when
he did not show up on deck dur-
ing fire drill, a Sergeant was sent
down into the bowels of the ship
where the negro was grooming
with pain. "Get up," said the Ser-
geant, "the ship has been torpedoed
and we're sinking fast."
"Dat's goo," said the negro.
"How long will it be?"

The Lynn County News— Rec-
ent statements made by Govern-
or Coke Stevenson and Attorney
General Gerald Mann indicate
that they will be opposing candi-
dates for the governorship next
year. Indications are too that the
Roosevelt domestic policies may
figure prominently in the cam-
paign, since Mann criticized Stev-
enson for his alleged lack of loyal-
ty to the President, asserting that
he himself approved the entire
social security program of the na-
tional administration. Governor
Stevenson has differed sharply
with the Administration on some
of its policies. There promises to
be a hot time in Texas politics next
year in spite of the absorbing in-
terest of the people in war.

Scurry County Times— October
issue of The Cattleman, consid-
ered the blue book by large and
small ranchers alike, brings up a
subject many had almost forgot-
ten about. Cactus feed for cattle
during the winter months Stock-
men remember the black years of
1934-35, and remember well how
experiments were conducted here
in burning the thorns from cacti
and making the plant edible cattle
feed and that possibilities for im-
proving cactus, especially by grow-
ing thornless varieties for cow
feed.

Cactus however, would be some-
thing of a substitute feed under
any conditions, and could not be
considered a permanent way of
feeding stock for market.

Hasell Free Press— American
soldiers who have spent several
weeks guarding German prisoners
retained in North Africa and who
were transferred to ships and
brought to our shores, relate some
strange notions which these pris-
oners have about the United States.
The soldiers were surprised to
find that nearly all their prisoners
were not only deeply religious,
many of them being Roman Cath-
olics, but that they each and all
refused to believe that Hitler was
opposed to religious freedom. In
fact, they felt hurt when their
guards informed them of Hitler's
mistreatment of the clergy and re-
fused to believe it.

Other ideas which these Ger-
man prisoners had included the
belief that New York had been
bombed many times, that Russia
had been defeated and is being
governed by the German Army,
that the Germans fight for prin-
ciples, while the Americans and Bri-
tish fight only for money, and
they expected to be stoned by
Jewish mobs when they reached
the United States. Such is the re-

Return Ration Books In Mail

Finders of lost ration books may
drop them in the mail without
prepaying postage or enclosing
them in envelopes, according to
OPA. On payment of a five-cent
postage-due charge, the Post Of-
fice Department will return the
lost book to the person whose
name and address appear on the
cover. When the addressee can-
not be found, the post office will
forward the book to the nearest
rationing board.

During the first year of the pre-
sent war the railroads transported
war freight tonnage three and a
half times as great as the military
tonnage transported in the first
year of World War I, and in addi-
tion, carried four times as many
troops.

War Department reports show
41,200,000 tons transported in the
first year of this war as against
11,200,000 tons in the first year of
World War I. In addition the rail-
ways carried 11,600,000 troops in
comparison with 2,700,000 during
the same period of World War I.

Despite this tremendous trans-
portation task, greatest in the his-
tory of any country, military and
civilian leaders in the war effort
have, publicly, announced the
creditable performance of the rail-
roads.

sult of false propoganda.

Capper's Farmer— Hundreds of
American farm boys who have
seen service in Casablanca (Moroc-
co, North Africa) will return to
their homes when the war is won
and relate most interesting ex-
periences. In parts of this section
of Morocco there has been very
little progress in the last 600 years.
The native women still wears a
one-piece, white cloak covering
her head and body—all but her
beautiful eyes. Since only her
eyes show, she gives them lavic
care. She massages the corners
with cream, oils her lashes, en-
larges her pupils with belladonna,
and colors the lids with Kohl, a
powder of antimony.

The Branding Iron— You are
today where your thoughts have
brought you; you will be tomor-
row where your thoughts take you.
We cannot escape the result of
your thoughts, but you can endure
and learn, can accept and be glad.
You will realize the vision (not
the idle wish) of your heart, be it
base or beautiful, or a mixture of
both, for you will always gravitate
towards that which you, secretly,
most love. Into your hands will
be placed the exact result of your
thoughts, your vision, your ideal.
You will become as small as your
controlling desire; as great as
your dominant aspiration.

Up Frozen Fish Prices
Winter prices on many species of frozen fish have been set at a processor level by OPA. This may mean an increase of 10 to 15 percent in retail fish prices, but it is expected to result in greater supplies of this product.

Mrs. Coy Smith of Sand Springs, Okla., will leave the last of the week for her home after visits to members of her family here.

Mrs. Hutton Attends Funeral in Collinsville

Mrs. Ralph Hutton and son, Jimmie, have returned from Collinsville, Texas, where they attended the funeral of Mrs. Hutton's brother-in-law, Cecil Hutton who died in Houston on Oct. 16. Funeral services were held in Collinsville at the Baptist church. The deceased had undergone surgery twice in the past three months.

YWA Girls Name Auxiliary After District Leader

The Ponder YWA met Monday night with 8 girls present, two visitors and one new member, making a total of eleven.

Circle two had the program. Those rendering parts on the program were: Mrs. A. A. Suits, Agnes Windham, Reeda Bell Franklin, Imogene Preston, Mary Margaret Duckworth and Maxine Tucker. The program was enjoyed by each and every girl.

We observed the Week of Prayer last Monday night with each girl giving to State Missions.

A called business meeting was held after the program when we selected Ponder as our YWA name, taking this name from Mrs. Howell Ponder, our district young people's leader.

We invite each girl to be present at our covered dish and business meeting Monday night at 7:30. —Reporter

MARtha FAYE THOMAS ENTERTAINS JUNIOR CULTURE CLUB MONDAY

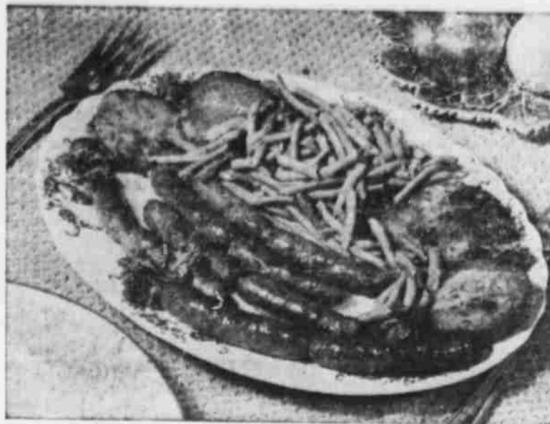

Miss Martha Faye Thomas was hostess to the Junior Culture club on Tuesday night, Oct. 26th.

The program for the evening was "Employment." Talks were given by Ethel Love on "Employment of Women," "Employment of Men" was given by Thelma Clark. Both talks were very interesting.

We had as our guest Miss Erma Lee Cass.

Cake and hot chocolate were served by Miss Thomas. —Rep.

LOW POINT MEAL FOR CHILLY DAYS

For a square meal in a jiffy, try sizzlin' pure pork sausage with tender green beans and candied sweet potatoes. Pure-pork sausage is an economical point buy, and sweet potatoes are plentiful this fall.

Brookfield Sausage Dinner

- Browned Brookfield Sausage (one half pound)
- Candied Sweet Potatoes (two large)
- Cole Slaw
- Fruit
- Cut Green Beans
- Hot Rolls
- Cookies

To pan fry pork sausage links, place in a frying pan and add a small amount of water. Cover and steam for 5 minutes, then drain any remaining water. Cook over a slow heat, turning frequently until brown and thoroughly cooked.

One half pound of pure pork sausage is enough for 4 servings and remember that the brand name is your assurance of quality and the best brand requires no more points than others.

Hallowe'en Theme Stressed At Party In J. N. Power Home

A cleverly arranged party stressing the Hallowe'en motif was held last Wednesday at the home of Mrs. Jim Power when she was hostess to the Novelty Luncheon club. The party complimented Mrs. Glenn Newman, house guest of Mrs. Belle Fairbanks, who is visiting here from San Diego, California.

Guests upon entering the house were greeted by a very pleasing setting that emphasized the approaching season. Arranged on tables around the spacious living room of the Power home were "Hallowe'en" candles, fall leaves and flowers and fall dahlias. While the hostess was making final preparations for the luncheon, guests assembled around the fireplace where a wood fire was burning. All joined in singing two popular songs, "When Lights Come On Again" and "Wait for Me Mary" as Mrs. Skeeter Slaughter played the piano accompaniment. The harmonious and gay atmosphere prevailed throughout the party hours as the group played several games of bridge following the delicious luncheon. The menu for the luncheon also stressed the chosen Hallowe'en theme in colors.

Following the bridge games war stamps were given to Mrs. D. C. Williams for winning high score and to Mrs. Newman, honored guest. She was presented with a beautiful handkerchief.

Hallowe'en place cards marked places for the honoree, Meses D. Merrel, A. C. Surman, D. C. Williams, Skeeter Slaughter, John B. Slaughter, Irene Rodgers, T. L. Jones.

Mrs. Rex Everett Is Hostess To Club On Last Friday

Mrs. Rex Everett was hostess to the Priscilla club on last Friday at the home of Mrs. Lee Smith. A delightful afternoon of visiting and sewing was enjoyed. The hostess served delicious refreshments to the following members: Meses R. H. Collier, Be Williams, L. W. Kitchen, Ira Lee Duckworth, Lester Bearden, John Cearley, A. B. Haws, Raymond Redman, Earl Thaxton, Steve Luce, Jessie Voss, Victor Hudson, Clyde Hundley, Keith Kemp, Lee Smith.

It was reported at the meeting that the club had finished two quilts for the Red Cross recently.

Peat-Bog Moss Is Used For Making Of Surgical Dressings

Peat-bog moss is today grown under the guidance of botanists as a raw material for the making of surgical dressings. Processing the moss is relatively simple. First, it is carefully cleaned of all extraneous matter, then dried, steam sterilized and formed into gauze-covered pads of various sizes. Wounds heal much more quickly with moss than with cotton bandages because of better drainage and its antiseptic properties. Moss bandages are today being utilized by the Allies in the many war theatres of the world.

Mrs. Tol Thomas Entertains Club On Friday, Oct. 22

The Needlecraft club met in the home of Mrs. Tol Thomas Friday, Oct. 22 at 3:30 p. m. with 14 members present. A very enjoyable social hour was had.

Refreshments of pineapple pie, whipped cream and coffee was served to the following: Meses Graeber, Greenfield, Gilley, Carl Clark, L. C. Carmichael, Cox, Campbell, Jones, Durrett, Evans, Terry, A. W. Bouchier, N. W. Stone and the hostess. We were glad to have Mrs. Graeber back with us after an absence of three months. She has been in Illinois attending her sister who has been critically ill.

The next meeting will be with Mrs. Carl Clark on Nov. 12. —Reporter

Leaders S. S. Class Hold Monthly Social Monday

The Leaders Sunday school class had their monthly social Monday evening at the First Baptist church with Mrs. Bernice Kemp's group entertaining.

A business meeting was called to order and the class decided to have a rummage sale Saturday. A list of prospective members was made and the members of the class will call on them in the near future.

Refreshments were served to Meses Lester Nichols, Betty Carpenter, Lucille Cass, Opal Duetz, Dan Cockrum, Charlotte Franklin, Bernice Kemp and W. L. Davis.

Mrs. John A. Sweeney spent the weekend in Lubbock with her husband who is stationed at SPAFS. She was accompanied by Mrs. J. B. Jones and Mrs. J. B. Anderson.

Mrs. G. W. Hale Is Given Gift Party In Seay Home Thursday

Mrs. G. W. Hale, a recent bride, was complimented on Thursday afternoon with a miscellaneous shower in the home of Mrs. Nettie Seay. Mrs. Hale was the former Lucille Peel of the Graham community.

A lovely array of gifts were presented to the bride after a treasure hunt of which she won the prize. Over thirty guests registered in the bride's book and several sent gifts that were unable to attend. Several of Mrs. Hale's classmates attended after school.

Lovely refreshments consisting of sandwiches, potato chips, smacks and spiced tea were served to more than thirty guests.

Mrs. W. E. Dent Is Hostess To Aid Group On Monday

The Twenty-Third Psalm was the basis of the devotional lesson studied by the Presbyterian Ladies Aid on Monday when they met in the home of Mrs. W. E. Dent. Mrs. D. C. Williams was leader.

Alaska, the Field of the World was the theme of the lesson study. Mrs. Power gave an interesting discussion on the life of Dr. Hall Young entitled, "A Parson's Strange Adventure."

Mrs. Sunket, was given a cordial welcome back into the aid group. She had been away for several weeks.

Shirley Bowen left Monday for San Antonio. She accompanied Marjorie Smith who was returning after visiting her mother here for the past few days.

'The Human Comedy' At Garza Theatre Sunday - Monday

Every once in a while an outstanding and inspirational story comes to the screen. Today, through the combined efforts of the great Metro-Goldwyn-Mayer organization, the screen has to offer William Sarayan's 'The Human Comedy,' a story of human life—the comoroma of the Macaulays.

Action is in a typical small town. The comedies, joys, sorrows and tragedies of all manner of people are viewed through the eyes of its central character, a telegraph messenger, played by Mickey Rooney.

Marsha Hunt, Donna Reed, Van Johnson, Dorothy Morris, Jack Jenkins, Mary Nash, Darryl Hickman, Rita Quigley, Barry Nelson, Henry O'Neill, Katherine Alexander, Ann Ayers and John Craven were literally hand picked for the characters they play.

Combining Grain Sorghums

By Wallace Kimbrough, County Agent

Every effort possible should be made in seeing that the combine is properly adjusted to do the most efficient job possible in harvesting this feed crop.

Every precaution should be made to prevent the wasting of feed by improper adjustment of combines, allowing so much of the grain to be blown out on the ground.

Every farmer should be on hand and see that he is getting the best job of combining he possibly can.

L. O. MITCHELL HAD HEART ATTACK LAST MONDAY

L. O. Mitchell, district maintenance man for Southwestern Associated Telephone company, was reported to be gradually improving from the severe heart attack he suffered last week while at work on the Taboka exchange switchboard.

Operators at the office, on hearing groans in an adjoining room found Mr. Mitchell lying on the floor where he had been working.

Mr. Mitchell has been located in this district for about sixteen years. For many months, since the freeze that broke down so many telephone lines, he has been hard at work, and more recently a daughter was critically injured in a car accident, adding to his burdens.

REAL DISCOVERY FOR HIGH BLOOD PRESSURE

Dangerous High Blood Pressure (Essential Hypertension) is usually marked by distressing symptoms such as dizziness, throbbing headaches, sleeplessness and nervousness.

A Chicago resident says: "I suffered from High Blood Pressure for several years with increasingly severe throbbing headaches, dizziness and shortness of breath. I showed the Diamonex formula to my doctor and, on his advice, tried the treatment for two weeks under identical conditions as previous treatments.

Diamonex goes directly to work in three different ways to aid in the relief of these dangerous symptoms. Results are speedy—within as short a time as two weeks sufferers often find that Diamonex has accomplished 75% of the total reduction possible with this formula.

Send only \$1.50 to the Diamonex Company, 318-A North Michigan Ave., Chicago, Illinois for a full TWO weeks supply of genuine DIAMONEX, prepaid. Use Diamonex according to the simple directions for only two weeks.
