

## Tuition Fees To Be Charged For Transfers In 1956-57

A tuition fee of \$137.44 for each white pupil transferred to the Post schools has been set up for the 1956-57 school year by the board of trustees of the Post Independent School District.

At the same time, a tuition fee of \$71.19 was established for each Negro pupil transferred here from other school districts.

These figures, school board members explained, equal the total cost per pupil above the foundation program, which is paid by the state.

"In other words, the education of most of these transfers has been costing the taxpayers of the Post district \$137.44 for each white transfer and \$71.19 for each Negro transfer," a member of the board said.

Members of the Post school board have conferred recently with boards of the outlying districts, S. E. Camp, board president, said. He said members of these boards "showed us every courtesy while hearing our problem," but that none of them had as yet officially indicated their feelings in the matter.

"It's something that just finally caught up with us," Camp said. "We do not feel that it is right for the taxpayers of the Post district to have to pay such a large share of the education of pupils who could be attending schools in their own district."

The board president and superintendent of schools also explained that carrying out of plans to broaden the curriculum here

would require more funds, and that these funds would not be forthcoming under the present system of operation.

Consolidation has been studied, but there are a number of problems to be worked out before it can be acted upon, the board president said. He said it would not be possible to iron out these difficulties in time to vote on consolidation for the next school year.

Assisting the board in its study of the pupil transfer problem has been the 12-member Citizens Advisory Committee.

"As a group," Camp said, "they have given their stamp of approval to our decision to set up the 1956-57 tuition fees for transfer pupils."

### COUNTY CONVENTION TO BE MONDAY

## County Teachers Elect Officers

Glenn Whittenberg, Post High School principal, was elected president of the Garza County unit of the Texas State Teachers Association at a meeting Monday night in the junior high school. He succeeds A. T. Nixon, principal of the Close City School.

Other officers elected were Roy Morrison of Post, vice president; Mrs. Nona Lusk of the Graham School, secretary; and Miss Rowena Hodges of Post, treasurer.

Named to the Constitutional Amendment committee were County Supt. Dean A. Robinson, R. K. Green, superintendent of the Post schools, and F. W. Callaway, superintendent of the Southland schools.

## Suffers Broken Leg In Loading Mishap

Hardy Parker, an employee of the Texas Highway Department here, underwent surgery in West Texas Hospital in Lubbock Tuesday after suffering a fractured left leg Monday morning at the highway barn.

The accident occurred as Parker and other employees were attempting to connect an asphalt-loaded trailer and truck. The trailer fell and pinned Parker underneath it, fracturing his leg between the knee and hip and smashing two of his fingers.

Parker, who has been employed here by the highway department for about 20 years, was given emergency treatment in Garza Memorial Hospital before being transferred to Lubbock.

## I. T. McDougle Rites Are Held Here Saturday

Funeral services for Irvin Thomas McDougle, 59, who died Wednesday of last week in Veterans' Hospital at Big Spring, were conducted at 2:30 p. m. Saturday at Calvary Baptist church with the Rev. Shelby D. Bishop, pastor, officiating.

Burial, under direction of Mason Funeral Home, was in Terrace Cemetery, where military rites were conducted by members of John Miller Post 6797, Veterans of Foreign Wars, and a firing squad from a Lubbock National Guard unit.

Pallbearers were Percy Printz, Howard Teaff, John Nichols, J. B. Jones, Ben Longshore and John Shedd. The color bearers were J. C. Steele and Ray Warren, and the color guard Ralph Dean and George Childers.

TWO TOP STUDENTS—Mozele Edwards (right) and David King have been named valedictorian and salutatorian, respectively, of this year's graduating class at Post High School. They are pictured here looking over their copies of "The Caprock," high school yearbook, which they have just received from Editor Jo Ann Moreman (center).—(Staff Photo.)

## Two Top Students Named

Mozele Edwards, daughter of Mr. and Mrs. Loyd Edwards, and David King, son of Mrs. J. D. King and the late Mr. King, have been named as valedictorian and salutatorian of the Post High School graduating class, it was announced this week by Principal Glenn Whittenberg.

Miss Edwards took valedictorian honors with a grade average of 96.05% for her junior and senior years, and King with a grade average of 94.99 for the same two years, was named as salutatorian.

Miss Edwards is a member of the Post Antelope band, in which she was an officer in 1954-55; was a class officer in 1951-52 and 1952-54; member of the Student Council in 1953-54; member of the "Modernaires," high school stage band, in 1954-55; editor of this year's "Antelope Echo"; member of the Commercial Club in 1955-56; recipient of the Science Award

for the 1953-54 school year; a junior play usherette, and a band sweetheart nominee in 1955.

King is a member of the band; editor of the Echo; a class officer; on "The Caprock" staff for the past two years; a member of the Student Council in 1951-52; a member of the "Modernaires," Commercial Club, Boys' Glee Club in 1953-54, and on the All-State Choir in 1953.

Also announced this week were the names of eight other students to round out the top 10 for the 1955-56 school year. They are: Sonja Childs, Sherry Taylor, Lee Sul-lenger, Loyce Josey, David Chatman, Carolyn Hudman, Darlyne Hulsey and Jimmy Bowen.

Commencement exercises are to be held the night of May 25.

## Commercial Teacher Is Completing 11th Year

Howard Payne, who majored in education and minored in English, business and social studies. She says her teaching ambitions date back to when she was 12 years old, but that she never became interested in commercial subjects until she took the post-graduate work at Slaton.

"One reason I like to teach commercial subjects is because they are not required courses. Students are interested," she said.

"I plan to spend the summer with my family in Sweetwater," she said.

Mrs. Fleming has taught commercial subjects for nine of the 11 years she has been in Post. As commercial teacher, she succeeded Miss Johnnie Cook, who had resigned after six weeks of a new term. Prior to that, Mrs. Fleming taught social studies in the sixth and seventh grades for two years and also taught two years in the Garnolia Rural School.

She started to school in Rowell, N. M., but completed her secondary education in the Southland and Wilson schools, graduating from high school at the latter. She holds two high school certificates, having also done post-graduate work at Slaton High School.

Mrs. Fleming completed her first 32 hours of college work at Texas Tech before transferring to

## MEET THE TEACHERS

Except for a two-week workshop at West Texas State College in Canyon, Mrs. G. E. Fleming, teacher of commercial subjects at Post High School, won't be attending school this summer for the first time in several years.

Mrs. Fleming, who is completing her eleventh year as a teacher here, received her master's degree last summer at WTSC, after having received her bachelor's degree several years earlier from Howard Payne College in Brownwood.

## May Shows Up 'Dry' April By Bringing Beneficial Rainfall

After a "dry" April, May got off to a good start in the Post area, with the first two days bringing rainfall ranging from one to three inches.

Post received 60 of an inch from Tuesday morning's rain and 47 of an inch from the one Wednesday morning, according to County Agent Lewis C. Heron's gauge.

Prior to Tuesday morning, Post had received only .66 of an inch for the first four months of 1956, and this week's rains brought the only moisture of any consequence since last October.

Tuesday morning's rain measured from 1.50 to more than two inches in the Close City community, from .40 of an inch to more than an inch in the Graham community, and between one-fourth and one-half inch in the southern and southeastern sections of the county.

There has already been considerable planting on irrigated land, and dryland planting is expected to get under way now in many areas, with hopes high for more rain.

The 1956 total in Post now stands at 1.78 inches.

## Council Appoints Cemetery Board

Creation of a five-member cemetery board and setting of annual rates for watering and upkeep of cemetery lots are provided for in an ordinance passed Monday night by the City Council.

The cemetery board is composed of Noah Stone, L. G. Thuet Jr., Mrs. Irene Rodgers, Mrs. Ruby Kirkpatrick and R. B. Dodson.

Acting in an advisory capacity to the board will be R. H. Tate, city superintendent, and Miss Kate Lowrie, city secretary.

Cemetery lot rates set by the Council are \$4 a year for watering one-half lot, \$6 a year for watering and upkeep of one-half lot, \$8 a year for watering of one lot, and \$10 a year for watering and upkeep of one lot.

The ordinance also sets forth that the watering and upkeep fees See CEMETERY BOARD, Page 8

## Voting Gets Under Way In Mother's Day Contest

Voting in Garza County's Mother's Day contest got under way this week and will continue through Saturday, May 12.

The purpose of the contest, which is being sponsored by the Tower Theatre and 14 Post business firms, is to select the county's outstanding mother for special Mother's Day honors in a program at the theater at 9 p. m. Sunday, March 13.

A fur stole now on display in the show window at Maxine's Fashions will be awarded the winner.

Ballots, in the form of coupons, will be given customers of the 14 business firms during the course of the contest. Voting and other rules are explained more fully in a page advertisement on page 15 of this issue of The Post Dispatch.

The 16 candidates for Mother of the Year honors are: Mmes. E. M. Pettigrew, M. J. Malouf, W. N. Williams, Jim Hays, Gladys Price, Ray Norman, Willie Goodgion, J. C. Steel, J. H. Cartmill, Wesley W. Stephens, Will Teaff, Edward Shaw, Hardie Smith, Garland Davies, W. D. Livingston and Donald Windham.

Firms cooperating with the theater in the contest are The Post Dispatch, First National Bank, Bill DeWalt Flowers, Morgan Studio, Fashion Cleaners, Peel's Textile Station, Forrest Lumber Co., Judy's Cafe, Wilson Bros., Maxine's Fashions, Carl Rains, Storie Motor Co., Piggly Wiggly and Hundley's Men's Wear.

Gene Young received a Division I rating and Tommy Mayfield a Division II rating in student conducting at the University Interscholastic League's regional Music Festival held Saturday in Leveland.

"Both boys did an excellent job of conducting," said Roy Silvey, director of the Post Antelope band.

The band received a Division III rating in sight reading and a Division IV rating in concert. It did not take part in the marching division.

"Considering all aspects," Silvey said, "I consider our ratings in sight reading and concert as very good."

## Wood Bees To Play At Lamesa Tonight

The Post Wood Bees, seeking their first victory after four consecutive losses, meet the Lamesa baseball team tonight at Lamesa.

Manager Walter Jones' Wood Bees lost to Snyder, 7 to 6, last Sunday on the Postex Mill diamond.

The Lamesa team they play tonight is the same one which defeated them 24-2 here two weeks ago.

The Post team's next home game will be Sunday afternoon against a colored nine from Reese Air Force Base.

## RECEIVES SERVICE PIN

Mr. and Mrs. Jake Webb and Sonny were in Austin last week where Webb received a 30-year service pin from the Texas Highway Department. He was one of 11 employees receiving a 30-year pin. He is maintenance foreman here for the highway department.

## ELECT CHEERLEADERS

Linda Davis has been elected head cheerleader at Post High School for the 1956-57 school year. Also elected were the following cheerleaders: Barbara Wheatley, senior; Bettye Porterfield, junior; Barbara Shyles, sophomore, and Sharon Wood, freshman.

## CASH PRIZES OFFERED FOR BEST FLOAT OR DECORATED CAR

Hub Haire of Southland, a member of the Post Stampede Cowboys, has been appointed parade chairman for the 15th annual Post Stampede Rodeo to be held May 23-26. Walter Duckworth, president of the rodeo association, has announced.

At the same time, Duckworth announced that the parade is to be held at 8 p. m. Thursday, May 23, the opening day of the rodeo. The route will be the same as last year, with the procession forming at the high school building,

going east on U. S. Highway 386 to U. S. Highway 84, then north to Main Street, east to the Alberger Hotel, then back up Main Street and over the same route to the starting point.

Cash prizes of \$50, \$30 and \$20 will be awarded first, second and third place winners in the parade's float or decorated car contest.

Trophies will be awarded the three top riding groups, with this part of the parade to be judged according to standards set by the

## West Texas Association of Sheriff's Posse and Riding Clubs

Shelley Camp, one of the rodeo directors, announces that invitations to take part in the parade and the opening night's grand entry have been mailed 14 riding groups. The visiting riders will be guests of the Post Stampede Cowboys at a "feed" at the City Park prior to the parade.

This year's street decorations will be in charge of Boy Scouts of Troop 18, who will put up United States flags for the occasion.

Duckworth said there would be no store front decorations this year as far as the rodeo association is concerned. "This departure is being made for the sake of economy," he said. "We feel like we should help save the business firms as much money as possible, and that is the reason we are not going to call on them to pay for decorations. We think the flags put up by the Boy Scouts will be plenty good enough."

# Thursday to Thursday

By CHARLES DIDWAY

DAYLIGHT SAVING time, which went into effect Sunday, isn't causing much of a stir here, except where television programming is concerned. Perhaps it's just as well. With no rain in sight, and all sorts of deadlines cropping up, expecting us to get used to daylight saving time would be asking just a little too much.

IT DIDN'T TAKE us long to learn the other day whether to make one or two words out of cheer leader. When we asked someone, they said: "I wouldn't worry about it. Instead of using the word 'cheer leader' in the first place, just write it 'yell leader.' That way you'll know it's two words, because there ain't no three 'I's supposed to be together."

NO SOONER DID we get over writing it "1955" instead of "1956," than we slipped back into another well-worn groove. In reporting last week that Lee Ward had been elected president of the Jaycees, we wrote it "Brownfield Junior Chamber of Commerce" instead of "Post Junior Chamber of Commerce."

THE ONLY EXPLANATION we could give Lee when he called to ask if we were trying to move him to Brownfield, was that we had spent eight years reporting Jaycee activities in that city and that when one of our frequent mental lapses occurred, we just slipped back into the past, a la Bridey Murphy.

NEXT SUNDAY, Soil Conservation Districts throughout the Nation will begin the observance of "Soil Stewardship Week." They are grateful that churches of all faiths will join with them in placing emphasis upon man's sacred obligation to be a faithful steward of God's soil.

THE POST MINISTERIAL Alliance has announced that its members are aware of and appreciate the value of soil stewardship. Many local pastors expect to observe it in their churches this Sunday.

WEEK BEFORE LAST'S Mystery Farm proved the most "mysterious" of the series thus far. We didn't get a single call on it the Friday after it appeared in the paper, but after re-running the picture last week, we were "swamped" with calls identifying the farm as that of V. H. Kuykendoll. Bill Stone received the six-months subscription for being first with a correct identification.

THE ONLY EXPLANATION we could figure out was that those who called on the Kuykendoll farm last week, didn't venture a guess the first time the picture appeared because they concluded someone already had them "beat" on the 1 p. m. Friday calling time. Incidentally, Lonnie Peel, who identified last week's farm as that of Walter Josey, also correctly identified the Kuykendoll place, but Bill Stone already had him beat on it.

LAST FRIDAY'S FFA tractor operator's contest at the Earl Rogers farm was an interesting affair. Judges Lewis C. Herron, Percy Printz and Elvus Davis admittedly had a tough job determining the winner from among contestants Harry Smith, Carrol Davis and James Brewer,

Roger W. Babson Writes This Week:

## Small Businessman And Unknown Genius May Prove To Be The Hope Of America

BABSON PARK, Mass.—I was recently asked what was the most important thing I had learned during my fifty years in active business. The answer is what New England's famous surgeon, Dr. William Warren Babson, once said to me: "Remember, Roger, that no two people are alike,—what's food for one may be poison for another and vice versa." This was brought home to me only recently when reading in the Reader's Digest an article praising aspirin for arthritis.

After finishing my reading of the Digest, I picked up an ENCYCLOPEDIA OF HEALTH, by J. I. Rodale of Emmaus, Pennsylvania, who has systematically collected what are recognized as the best opinions on a hundred physical ailments. This book lists aspirin as a very dangerous product, fifty million tablets of which are being consumed daily. I have great respect for Mr. and Mrs. DeWitt Wallace, editors of the Reader's Digest, but I wonder if they realize the tremendous risk they run as their circulation becomes bigger? My purpose, therefore, this week is to further the urge of my friend Ernest Gaunt, and appeal for a subsidy to the small publisher, the small businessman, and the unknown genius. These may be the hope of America, and not "big business," which assumes all people to be alike.

Education And Labor Unions After spending many years and millions of dollars educating young people, I am convinced of the great importance of small colleges, small schools and classes. Figures may show that costs of so-called education may be decreased by consolidated schools, state universities, and other attempts at mass education. Having learned, however, that all young people are different and are entitled to different instruction, I have concluded that the solution is to teach young people to educate themselves. When the "do-it-yourself" movement extends to education, we will begin to get good results and at very much less expense.

The Labor Union movement is fulfilling a need in combating the misused power of employers; but it will some day break up of its own weight, due to the inherent differences in people. Its present program of paying every workman in a certain grade the same wage is against human nature. I forecast that for labor unions to succeed, they must recognize that

## PRECINCT CONVENTIONS . . .

Saturday, May 5, the date of precinct conventions in Texas, is one of the most important dates on the political calendar. It's the only day in which you as a citizen can actively voice your sentiment on issues, candidates, states rights, and favorite sons, and help formulate the planks in your party's platform.

Delegates to the county convention will be chosen at Saturday's precinct conventions, which step on up to county, state and national levels.

Irrespective of your views, whether liberal, conservative, or middle-of-the-road, arrange to attend your precinct convention. Make your's a good one. Contact your friends and arrange to caucus in advance of your local convention. The group that prevails will be the one which does the following:

- 1. Gets the most people out to the precinct convention who share common views.
- 2. Arranges caucuses in advance, and has specific plans made for dominating the convention.

This is a duty and a responsibility of good citizenship. Good candidates, good party platforms and wholesome issues cannot be advanced if good citizens don't participate in precinct conventions.

who finished in that order.

AFTER THE BOYS finished their plowing and while the judges were totaling their points, Glenn Davis took a couple of turns on the tractor to show the boys how a man would do it. Glenn's plowing wasn't judged, of course, but one of the judges said he did a "pretty fair job."

EARL ROGERS, local sponsor of the contest again proved a good host by having plenty of cold drinks on hand, but the ice in the wash tub in which they were iced down didn't last as long as the drinks.

CREATING QUITE A bit of interest here one day last week was a 30-minute public showing of one of the new Scenicruisers to be operated by Texas, New Mexico & Oklahoma Coaches. The 41-passenger sightseeing Scenicruiser was parked in front of the bus station while here. It accommodates 33 passengers on a raised rear observation deck and permits four-way sightseeing through huge tinted picture windows.

BE SURE TO attend your precinct convention Saturday.

FOR THE SECOND time, the Keister "Support the Church" series, which is currently running in The Post Dispatch, has won a national award from the Freedoms Foundation, Valley Forge, Pa.

In April, 1954, the "Support the Church" series was honored by receiving the George Washington Medal for "an outstanding achievement in helping to bring about a better understanding of the American Way of Life."

Now again, in 1956, the "Support the Church" series has received the Certificate of Merit from the Freedoms Foundation, and this newspaper is proud to be among the over 950 newspapers throughout the USA, Canada and Alaska which presents this outstanding series to its readers.

The Keister "Support the Church" weekly series was first produced in 1944, and has become America's outstanding religious newspaper feature.

THE KIDS OUT at junior high and high school have received their 1955-56 yearbooks, and some of them are developing cases of writer's cramp from autographing each other's books.

Along about the same time the kids received their yearbooks, I dug up here at the office a copy of the 1922 edition of "The Caprock." Printed 34 years ago, it isn't a great deal different from this year's Caprock, except that the kids dressed differently back in those days, and the book is letterpress-printed instead of offset-printed, as are most of today's school yearbooks.

"Well," said the clerk, after thinking it over, "the 23-cent loaf costs more."—The Slaton Slatonite.

**Prefers Robin Hood**  
Our hero's medal (a chewing gum doormat) goes to the discerning, if not deserving, thief who lifted about a hundred grand in jewels from the caviar-crammed guests at the Rainier-Kelly flea circus in Monaco this week. We still tingle to tales of Robin Hood. We never miss the tv program. This unknown thief is something of a Robin Hood, robbing the rich to the delight of the poor. Maid Marian might lack something of the Grace Kelly lure, but on the other hand, Marian never hired out as a brood mare to a spendthrift prince born of a bastard mother, either. To wish success to an arrangement of this kind is a revolting repudiation of decent marriage contracts. We hope the noble thief strips our royalty-worshipping diamond-backs to their last Mercedes-Benz.—"It Sez Here" in The Ralls Banner.

**Texas Getting Drier**  
We read a long piece intended for the public prints which tells of the continuing dryness, the falling water table and the rivers carrying less water volume. Even in water-blessed deep East Texas, the article says, the Neches River carried only 21 per cent as much volume last year as the average. Floydada, Dallas, and everybody is worrying. Save every drop of water you can in every way you can, the article urges.—"Views

and Comment" in The Floyd County Hesperian.

**He Voted For Ike**  
About the Eisenhower farm bill veto, I am not happy. I voted for Ike, and I figure he was sincere—certainly he would have made more votes by playing politics. I also think he is wrong. I hope they pass the bill over his veto. I am sure they can in the Senate, but the House is maybe another question. I would still vote for Ike over Adlai Stevenson, but would definitely vote for Lyndon Johnson over Ike. Not so much because he is a Texan, but because I think he would solve a lot of our national problems.—"Hereford Bull" in The Hereford Brand.

**Run 'Em Back!**  
We've always wondered what happened to the huge jackrabbit population we used to have in this county and now we know. Over in Martin County last week, some 8,000 rabbits were slain during a two-day drive. If those fellers over there are going to kill them off, we hope they drive a few back over this way.—"Drifting Sands" in The Andrews County News.

**Nonplussed Farmer**  
President Eisenhower's veto of the farm bill left at least one Lorenzo farmer nonplussed. "What the hell was the farm bill, anyhow?" he asked. "Now there is a good question—'Main Street' in The Lorenzo Tribune.

**Only Practicing**  
Woody Young, Hamilton County's fleet-footed sheriff, said he was only practicing up Monday afternoon when he competed in the 100-yard dash with a young prisoner in the county bastille. "I was getting in shape for the race that's facing me in July," he said. "However," he added, "I think I'll wear tennis shoes in all future races instead of high-heeled boots."—"Twilight Zone" in The Hamilton Herald-News.

**Mrs. Travis Francis of Fort Worth** visited Mrs. Bettie Fortune during the weekend.

The Rev. A. T. Nixon, who is principal of the Close City School, preached for a weekend revival meeting at the Soldier Mound Baptist Church in Dickens County.

Visiting Mrs. W. J. Shepherd Sunday were Mr. and Mrs. Wilton Payne and Paula of Tahoka and Mr. and Mrs. Glenn Day, Debra and Carla of Plainview.

Mrs. Henry Wheatley and Mrs. Geo. N. Leggett were in Hale Center last week to attend the funeral of Alton Cannon, Mrs. Leggett's nephew.

**By RUBY MONTGOMERY**  
PHS received their annuals, "The Caprock," Friday afternoon. After they were distributed the students went to the gym where they spent the remainder of the afternoon autographing them. The annuals are very pretty this year. They are white with gold lettering.

Congratulations to Loyce Josey and Gene Young. They were selected as the 1956 Who's Who. They both are seniors.

The Junior-Senior Banquet was held Friday night in the school lunchroom. It was all lovely and everyone enjoyed it. Loyce Josey read the class prophecy of '56 and Lee Wayne Sullenger read the class will.

The sophomore class had a party Monday night. They went to the amusement park, went skating, and some played miniature golf at Lubbock.

There was a volleyball game Tuesday afternoon during the activity period. There will only be a few more games before school is out for the year.

The seniors are going to have a chicken supper Friday night at the school lunchroom. No tickets will be sold. Just come and pay at the door. Everyone is invited and all proceeds go to the senior class fund.

Mozelle Edwards has been selected as valedictorian for the graduating class of '56. David King as salutatorian, and Sherry Taylor will be the historian.

Members of the PHS band attended the band contest at Levelland Saturday. They have been working very hard during the past week and deserve a "pat on the back."

The seniors leave on their trip Wednesday morning and will return Sunday night.

There are actually less than two weeks of school left until the graduation exercises.

Couples seen during the past few days include: Ray Gary and Ann Osborne, Jackie Carpenter and Leslie Nichols, Novis Pennell and Rexene Welch, Travis Poik and Carolyn Hudman, Larry Sanders and Barbara Stone, Kenneth Smith and Linda Bilberry, Jerry Key and Loyce Josey, Dickey Beggs and Barbara Wheatley, Jerry McCampbell and Dot Harrison, Gene Young and JoAnn Moreman and Miss Sue Stephens and Lonnie Welborn, Jr., recently visited in Austin with Miss Margaret Welborn.

**Key Wedding Read Sunday  
Justiceburg Baptist Church**

—Photo By Morgan Studio

Miss Eva Lou Key, daughter of Mr. and Mrs. Henry Key, became the bride of Bobby Joe Page, son of Mr. and Mrs. A. E. Page of Friona, Sunday at Justiceburg.

The Rev. R. L. Howell of Plainview read the double ring ceremony at 3 o'clock in the afternoon, in the Baptist Church.

Miss Patsy Gay Pettigrew of Slaton, cousin of the bride, played a prelude of wedding music and accompanied Larry Lushy who sang "I Love You Truly."

Ronda Kay Pettigrew of Slaton and Sammie Kay Caffey of Lubbock were candlelighters.

Given in marriage by her father, the bride wore a white dress, fashioned with low neckline, fitted bodice and full skirt and topped

by a bolero jacket with three-quarter-length sleeves and blue pearl and rhinestone trimmed collar. She wore blue pearl and rhinestone earrings, white accessories and carried white carnations, tied with blue ribbon, on a white Bible.

Miss Linda Lushy, maid of honor, wore a dress of blue nylon underlaid with taffeta, white accessories and she carried a white carnation bouquet.

Jerry Key attended the bridegroom as best man, Lee Wayne and Roger Sullenger were ushers.

The couple's mothers were attired in navy with white accessories and both wore white carnation corsages.

Mr. and Mrs. Key were hosts for a reception in the church parlor immediately following the ceremony. They were assisted by Mrs. Maude Pettigrew and Mrs. Roland Sullenger.

The 55 guests were registered by Mrs. Don Robinson. Refreshments were served by Misses Willa Faye Graves and Sandra and Sara Ray.

The serving table was covered with lace over blue. Large red hearts with the couple's names in gold, decorated the wall behind the table.

For traveling, the bride chose a pink linen dress with white accessories. Mr. and Mrs. Page are at home in Friona, where he is a machine operator for a construction company.

The bride is a former Post High School student.

**Barbara Sherrod Observes Birthday**

Misses Sue Stephens and Mary Bowen alternated at showing the gifts and registering guests.

The lace covered serving table was centered with an arrangement of roses and irises. Lime sherbet punch, cookies, nuts and mints were served by Misses Virginia Caylor and Pearl Self.

**Missionary From The Holy Land To Speak Here Sunday**

The Rev. Walter J. Field, lecturer, English educator and missionary from the Holy Land will present his timely lecture and sound motion pictures on "Life in War-Torn Palestine" at the First Methodist Church on Sunday, May 6, at 11 a. m.

The speaker has just returned from the Holy Land and is now on a lecture tour. Mr. Field is a native of the British Isles and has spent more than 14 years in Palestine and middle eastern countries.

In the picture and lecture here, Mr. Field will show and discuss the explosive problem of Palestine and speak of his experiences while living and working with both the Jews and the Arabs. During the war Mr. Field served with the British Middle East Army after which he returned to the Holy Land to resume his work. From these years of first-hand experience he is a well qualified and unbiased speaker on the Jewish-Arab struggle for the land of Palestine.

The film, "The Holy Land Passing Parade", which Mr. Field will show is a complete and original sound film on Palestine. Contrasting the life of the modern Jew in the State of Israel and the life of the native Palestinian as he carries on the customs and traditions common in Bible days, it features a coverage of the entire country from Dan to Beersheba.

Mr. Field will show pictures, in sound and color, of the work of the Mission which he represents.

Look Who's New

The bride-elect was graduated from Post High School and is employed by Garza Memorial Hospital. The prospective bridegroom attended schools in Water Valley and is now serving in the air force, stationed at Keesler Air Force Base, Miss.

The couple plan to be married in Mississippi within the near future.

**Pirate Theme Is Used At Junior-Senior Banquet Friday Evening**

The Post High School junior-senior banquet was held Friday evening in the school cafeteria. A pirate theme was used and the cafeteria was decorated with brown crepe paper to give the effect of a cave. To further emphasize the theme, a rough table and wooden kegs, treasure chests and life sized pirates, drawn by Lexa Acker, were at one end of the hall. Colored tallow-dripped bottles were used as candle holders.

**1955 Club Meets At Mrs. Maddox's**

**Miss Velta Carpenter To Marry Gene King In Methodist Church**

Mr. and Mrs. G. F. Carpenter have announced the approaching marriage of their daughter, Miss Velta Carpenter, to Gene King, son of Mrs. J. D. King and the late Mr. King.

The wedding will take place at 8 o'clock in the evening Saturday, May 26, at the First Methodist Church with the Rev. Almon Martin, First Christian pastor, officiating.

Friends and relatives of the couple are being invited through the press.

Miss Carpenter is a 1954 graduate of Post High School. Her fiancé was graduated from Post High in 1951 and attended San Angelo Junior College for two years before entering military service, from which he was discharged several months ago.

**Garza HD Council Meets On Tuesday**

Garza County Home Demonstration Council met Tuesday afternoon in the office of the agent, Miss Jessie Pearce, with Mrs. Jim Graves presiding.

Reports were heard from all the clubs in the county and it was announced that the date of meeting of the 1955 Club has been changed from May 10 to May 9. It will be at Mrs. Oscar O'Neal's.

A recreation school and the 4-H Building were discussed by Miss Pearce.

The council will present a 15-minute radio program over KRWS tomorrow morning at 11:45 o'clock. Mrs. Graves will talk on "Building a Sidewalk"; Mrs. Luther Bilberry, "Emergency Food Supply" and Mrs. Ben Brewer, "Clothing."

It was announced Tuesday that Mrs. Brewer has accepted the position of recreation chairman.

Attending were Mrs. Graves, Mrs. Arthur Crockett, Mrs. N. C. Outlaw, Mrs. Percy Parsons, Mrs. Bilberry, Mrs. Brewer, Mrs. Rufus Gerner and Miss Pearce.

**Girl Scout Troop Four Attends Camp**

Girl Scout Troop Four attended Camp Las Leonitas, near Buffalo Lakes, Saturday. The group met at the Little House at 7:30 a. m. and arrived at camp about 9 o'clock for the reunion and inspection tour.

Following the flag ceremony, approximately 800 girls and leaders sang "America, The Beautiful" and "Girl Scouts Together". At 11:30, the group hiked to the area where "the cookie queen" was crowned. She won the honor after selling 200 boxes of cookies in the recent drive.

The Post girls were initiated in a "branding ceremony" as this was their first visit to the camp. Sack lunches and cold drinks were enjoyed at noon.

Those going were Ruthell Martin, Beverly Young, Linda Taylor, Judy Clary, Cheryl Billings, Doris Coppel, Linda Dulaney, Mrs. Alton Clary, troop leader, and Mrs. M. J. Malouf, troop committee chairman.

### Windham In Race For Tax Assessor

Donald Windham this week authorized The Post Dispatch to announce his candidacy for the office of tax assessor and collector of Garza County, subject to the Democratic primaries. His statement to the voters follows:

"I have decided to make the race for tax assessor and collector of Garza County with careful consideration and a weighing of my qualifications for the job.

"I am 27 years old, a lifelong

resident of Post, and a graduate of Post High School. I have been a taxpayer and in business here for a number of years.

"I feel that I am qualified for the office and, if you see fit to elect me, I promise to serve you to the best of my ability, with fairness to all and special favors to none.

"It is my intention to see each of you personally between now and the date of the elections. In the meantime, I earnestly solicit your support and influence."

### VA Questions And Answers

Q. What is considered full-time training in a Korean GI Bill trade school course that consists largely of shop practice?

A. Full-time training consists of at least 30 hours a week for at least five days a week.

Q. I surrendered my permanent National Service Life Insurance policy for cash when I went back on active military duty. I'm about to get out, and I want to know if I can reinstate my permanent policy.

A. Yes, you have the right to reinstate your permanent policy, but you must act within 120 days from discharge. It may be reinstated as of your original age and effective date, without medical examination, upon payment of the required reserve and the current premium. Any VA office can tell you how much you'll have to pay.

Q. I recently obtained a VA grant for an automobile, since I am a double leg amputee. Will VA also pay for maintenance and repairs of the car?

A. No. Under the law, VA is not authorized to pay for repairs or maintenance of the car.

Q. VA has provided me with an artificial leg, and also a prosthetic service card that I can present to a repair shop for repairs. What is the maximum cost of repairs my card will cover?

A. The Maximum is \$35.

**Achievement Tests Are Given Pupils**

Post Junior High School students took the Gray-Votaw-Rogers achievement tests last week. Principal Ellis M. Mills has announced.

Sixth graders took the intermediate tests and seventh and eighth graders the advanced tests. The purpose of the tests, the principal said, is to measure the scholastic growth of Post's Junior high school students with other students in Texas.

### Agriculture Commissioner Speaks Out Against Veto Of Farm Measure

By JOHN C. WHITE  
Commissioner of Agriculture

It's happened again. The farmer, hopefully eyeing the prospects of an even break in national economy has been left holding the bag—a bag lined with empty promises.

The presidential veto of the farm bill adds another hole to the farmer's bare and threadworn pocketbook. And the chances of patching it are mighty slim.

Our farmers are left with only the promises made in an attempt to justify this unjust action. The administration proposes as a substitute that the Congress pass a soil-bank program which, they claim, if passed right away 'could' give the farmers up to half a billion dollars in aid this crop year.

The soil bank has been the administration's mainstay, their obsession, and their cure-all for the farmers' ills. This, of course, is not entirely true. It has definite benefits, but is certainly no miracle medicine to cure the low-price plague of our farmers. No single program could be expected to dispel the recent years of mounting farm depression.

The now-dead farm bill was one which was written by the farmers themselves. The Senate and House Agricultural Committees worked tirelessly with rural people all over the nation laying groundwork for the legislation. The bill was not 100 per cent perfect, but it would have at least given the farmers something to hold on to and would have stopped the price declines which are showing farm economy steadily downward.

In the words of Congressional leaders, there is "no hope" of passing another general farm bill this session. Administration claims of immediate price boosts on some commodities will be bogged down by laws now in effect, and the old farm enemy—the sliding parity scale—will likely stay with us.

Texas farmers are tired of promises. They haven't forgotten those made by the President at

Waco during the last presidential campaign. The supports promised then were no more real than the economic boosts our farmers are now being promised.

Our agricultural population loses most through this tragic act. But in the long run, they won't suffer alone. Sound farm economy is essential to national well-being, and continued depression of agriculture is eventually sure to affect us all.

### Girl Is Top Winner In Barrel Racing

A youngster who appears to be "going places" in girl's barrel racing is 14-year-old Sue Flenniken of Hale Center, who competed last summer in Post's Junior Rodeo and is expected to be a contestant at this year's event.

She has recently won top honors in barrel racing at the Seagraves and Tulla rodeos.

Sue is the daughter of Mr. and Mrs. T. W. Flenniken and is an eighth grade student. She ranked No. 4 in the nation in junior barrel racing last year.

### Bits of News From Here and There

Mr. and Mrs. Ben Howell and daughters, Frankie Sue, Vonda and Iris of Hobbs, N. M., Mrs. L. L. Taylor and grandson, Val Joe Walker of Whiteface, Mrs. Menyard and Beverly of Artesia, N. M., visited Sunday with Mrs. Howell's and Mrs. Taylor's parents, Mr. and Mrs. Oscar Polk. The occasion was Mr. Polk's 78th birthday and he was honored with dinner.

Mrs. W. F. Presson, Mrs. Olson and Jan spent the weekend in Winters with Mr. and Mrs. Glendon F. Presson and Mrs. Sue. The Glendon Pressons recently moved into their new home in Winters.

## Light beyond the shadows

People who see the Light that shines beyond the present shadows can walk safely along the way of life. Those who stumble in darkness and fear are the people who lack the vision of faith.

A man named Saul of Tarsus groped in the darkness of the pagan world. His heart was filled with hate and he saw them stone the servants of God. Then he saw the Light and became a new man.

The skies of life are often filled with clouds and storm. Strife and hatred, selfishness and meanness, suffering and despair, rob the day of its brightness and fill the world with woe.

But those who have the penetrating vision of faith need fear no harm. If they keep their eyes fixed on the Light that lies beyond the shadows and trust in God, they may walk in the perfect security of faith.

The blackness of night cannot quench the Light of faith; the sweeping storms of adversity cannot blot it out. It shines on undimmed into the perfect day, when the storms depart and the shadows fade away.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Calvary Baptist W. M. U. met Monday night in the home of the Rev. and Mrs. Shelby Bishop for a social. Mrs. Bishop had charge of the entertainment and Mrs. Jim Hays gave the devotional. Cohostesses with Mrs. Bishop were Mrs. Hays and Mrs. John Miller. Freezer ice cream and cookies were served to Mrs. Paul Duren, Mrs. Bud Odum, Mrs. C. P. Jones, Mrs. Cannon, Mrs. Frank Smithy, Mrs. Roy James, Mrs. M. C. Hodges, Mrs. Mabel Martin, Mrs. Lola Hays, Mrs. Willie Stewart and Mrs. W. C. Kiker.

Roy Shahan, First Baptist pastor, announces that beginning Sunday evening he will deliver a series of sermons on the experiences of the Prodigal Son. The Sunday morning subject will be "Hedged About" (Job 1:1-12). At the evening hour, the subject will be "Getting Away From God" (Luke 15:11-24).

## Archery Enthusiasts Dispatch Rattlesnake

Mr. and Mrs. Roland Dobbs, archery enthusiasts from Midland, used bows and arrows to dispatch a four-foot diamond-back rattlesnake Sunday morning at the river bridge on the Rails road.

The Dobbs couple, who were here visiting his parents, Mr. and Mrs. W. R. Dobbs, slew the reptile in two shots. Dobbs' arrow pierced the snake's body and the one shot by his wife went through its head. The snake had ten rattles.

The Dobbs are members of the Permian Basin Archery Club and invite archers of the Post vicinity to visit their club and take part in its monthly tournaments and Sunday shoots.

The rattlesnake they killed here Sunday was the couple's first.

## Teacher—

(Continued From Front Page) dents take them because they are interested in them, which makes for better teacher-student relations all the way around."

She estimates that she has taught more than 1,000 commercial students in her nine years in that department, and says that a large percentage of these former students are now gainfully employed in secretarial and other fields.

"There are any number of them working here in the bank and in public and business offices. There are also a number employed in Lubbock and other surrounding towns and cities, and many boys who have been in my classes have done typing and other commercial work during their military service."

Commercial courses, she said, differ from other high school courses in that it is easier for both teacher and student to see the progress being made.

This is a busy time of year for Mrs. Fleming, who has served six years as senior class sponsor. Besides the usual rush of year-end activities, such as the junior-senior banquet, senior trip, etc., she directs plans for baccalaureate and commencement exercises. She has also served three years as junior class sponsor during her nine years at the high school here.

Mrs. Fleming is a member of the State Business Association and of the Garza County unit of the Texas State Teachers Association.

## Cemetery Board—

**Door Panes Smashed  
At K & K Food Mart**

Sheriff Carl Rains was questioning four youths Tuesday in connection with the breaking out of two glass panes in a rear door of the K and K Food Mart.

The sheriff said that apparently no attempt was made to enter the store after the door glass was broken. The vandalism was reported to his office Monday morning by Wallace Simpson, owner of the store.

The sheriff's department also reported that two hub caps were stolen Saturday night from an automobile belonging to a roomer at the Ameen Hotel.

Misses Anne Porterfield and Jo Ann Moreman accompanied Mrs. Weaver Moreman to Lubbock Wednesday, where they transacted business.

**Post Student Is To  
Edit The Toreador**

Ross Short, son of Mr. and Mrs. Lowell Short of Post, will be editor of The Toreador, student newspaper at Texas Technological College during the 1956-57 school year, the college announced Saturday.

Short, a journalism major, is Toreador business manager this year and is a member of the Press Club.

Short is also one of three Tech journalism students who have been selected for editorial internships on West Texas newspapers this summer. He will serve with the Wichita Falls Record-News.

Mr. and Mrs. Donald Jones, Mr. and Mrs. A. J. McAlister, and Miss Glenda Kitten of Slaton were in Lubbock Saturday night.

**Sheriff Takes Juvenile  
To State Reformatory**

A 15-year-old youth whose probation had been revoked in juvenile court here was taken to the state reformatory at Gatesville last Friday by Sheriff Carl Rains.

The boy is one of a group of juveniles who admitted a series of break-ins here early last year, including one at the K and K Food Mart in which more than \$350 was stolen.

He had since moved to Lubbock and revocation of his probation here came after he had been held into juvenile court at Lubbock.

Sheriff Rains was accompanied on the trip by the Rev. Roy Shahan.

Mrs. Lucy King and Mrs. Howard Brown and daughter were Sunday guests of friends and relatives in Plainview.

23-YEAR MILL EMPLOYEE—Connie Caylor, who has been employed at Postex Cotton Mills, Inc., continuously for 23 years, is shown here on a brand-new bridge spanning a drainage ditch at the mill. The ditch and bridge are additions in the current expansion program under way at the mill.—(Staff Photo.)

**Change In Ownership Of  
Mill Launched Progress**

Connie Caylor, a resident of Post since 1918, has been employed at Postex Cotton Mills, Inc., for 23 years continuously, and worked there at intervals before that time.

He began work at the mill in 1933, one of the darkest years of the depression.

"Things were pretty tough at that time and for several years thereafter," he said. "I recall one six-months shutdown period in 1935."

Caylor is employed in casing and bolting work, but started in the inspection room when he began his 23 years of continuous service. His first employment in the mill after moving to Post was in the sewing room, which he left for the farm after about eight months. He farmed in the Graham community for two years before moving back to Post.

Caylor is a native Texan, having been born in Eastland County and moving with his family to Fisher County when he was four years old. He lived in Fisher County until moving to Post.

"The end of World War I was only about two months away when we moved to Post. It wasn't much of a town then, with a population of not more than a thousand."

**Tipton Enters Race  
For Tax Assessor**

The Post Dispatch this week was authorized to announce the candidacy of T. H. (Talmage) Tipton for the office of Garza County tax assessor and collector, subject to the action of the Democratic primaries.

His statement to the voters follows:

"I submit to you my candidacy for nomination for the office of tax assessor and collector of Garza County with the belief that I am fully qualified to perform the duties of that office, having served as deputy collector in the office under three different administrations in recent years.

"If elected it shall be my purpose to render the same type of service as I did while serving as deputy in the office.

"I shall make every effort to see everyone before the election, but if I should fail to do so it will not be intentional and your vote and influence will be greatly appreciated."

T. H. (Talmage) Tipton

I've seen lots of changes since I've lived here."

Caylor also recalls numerous changes at the mill.

"The Post Estate owned it until it was purchased by Ely & Walker Dry Goods Company sometime during the 1940s, and that's when progress really began. I've been there, off and on, long enough to have seen huge strides made in the number of buildings, equipment and employees and in stepped-up production. We're producing as much or more sheets and pillow cases in a day now than we were in a week back in the early days."

The mill's current expansion program will bring even more changes and an even higher rate of production, Caylor said.

His younger brother, W. F. (Bill) Caylor, was accidentally electrocuted while employed at the mill in 1933.

"That was the only fatality I know of ever occurring out here," he said.

Mr. and Mrs. Caylor have one daughter, Virginia, who is employed here by General Telephone Company. They are members of the First Baptist Church.

Caylor says he hasn't taken a whole lot of time off since he's been employed at the mill, but that they have spent a couple of vacations in the mountains of New Mexico.

"It's always nice," he said, "but I never fail to get back before my vacation is over so I can rest up to go back to work."

**Post Student Is On  
Tech Food Council**

Delbert Shedd of Post is one of a group of Texas Tech students named to a food service council to confer with the director of food service in the college's dormitories on problems and complaints from students that might arise.

The council was organized at the suggestion of Dr. E. N. Jones, Tech president, as a method by which the students could maintain a "channel of communication" with the administration over the situation which resulted in so-called "food strikes" at the dormitories recently.

Shedd represents Doak Hall on the council.

Weekend guests in the Earl Elkins home were Mr. and Mrs. Guy Elkins of Fort Stockton.

**HIGH SCHOOL STUDENTS RECEIVE YEARBOOK**  
**1956 Edition Of 'The Caprock' Full  
Of Pictures And Various Activities**

The 1955-56 edition of "The Caprock," Post High School yearbook, was received last Friday and copies distributed to students.

Mrs. Ray N. Smith, English teacher, was faculty sponsor of the annual. Staff members were: Jo Ann Moreman, editor; Kenneth Mills, assistant editor; Carolyn Hudman, business manager; David King, photographer; and Lexa Acker, assistant business manager. Principal Glenn Whittenberg was co-sponsor.

Class representatives on The Caprock staff were: Freda Kennedy and Juanelle Nichols, seniors; Auvy Lee McBride, junior; Mike Ray, sophomore; and Jimmy Short and Victor Hudman, freshmen.

The annual contains full-page pictures of Frances Craig as "Miss PHS," Ted Tatum as "Mr. PHS," Freda Kennedy as band sweetheart, Ted Tatum as pep squad sweetheart, and half-page pictures of Sara Ray and Noel White, basketball sweethearts, and Ann Porterfield and Jackie Carpenter, FFA and FHA sweethearts.

There is also a full-page picture of Football Queen Loyce Josey, and pictures of Hallowe-

en Favorites Travis Polk, Carolyn Hudman, James Capps, Loveta Perrin, Joe McCowen, Gwen Copple, Earl Mitchell and Sandra Veach.

Senior Superlatives pictured are: Tommy Murray and Sara Ray, most athletic; David Chatham and Mozelle Edwards, most intelligent; David King and Loyce Josey, most likely to succeed; Ted Tatum and Jo Ann Moreman, best-dressed; Travis Polk and Carolyn Hudman, cutest couple; Gene Young and Bettie Sue Norman, most versatile; V. A. Dodson and Loyce Josey, most humorous; Jimmy Redman and Sherry Taylor, friendliest; and Walter Didway and Frances Craig, wittiest.

There are also pictures of Class Favorites Jerry Key and Darlyne Hulsev, seniors; Jack Rains and Jerry Rains, juniors; Sammy Martin and Bettye Porterfield, sophomores; and Billy Williams and Barbara Gary, freshmen.

Gene Young and Loyce Josey are pictured as "Who's Who" of PHS.

The yearbook also contains a page picture in memory of Student Jimenez, high school student who died last December.

**MRS. EARL MORRIS OF GORDON WRITES**

**Southland Girls Win Sportsmanship Trophy At San Angelo Meet Saturday**

Southland Baptist youth revival closed Sunday night. Don Crossland, nephew of Earl Lancaster, spoke at the afternoon service. Lunch was served in the church dining hall. Visitors were Mrs. Arthur Bloxom and granddaughter, Ophelia of Slaton, Mrs. McGowan of Lubbock, Pat Pennell, Venita Green of Slaton, who was pianist for the revival.

A revival is now in progress at Southland Methodist Church and the Rev. Leo Gee of Lubbock is doing the preaching. Services are at 7:30 p. m. daily.

Mrs. W. M. McFarlan was honored with a party on her birthday, Thursday. Members of the Church of Christ of which the honoree's husband is minister, attended. The group enjoyed supper at the Gordon school house. A set of pottery and other gifts were presented to Mrs. McFarlan.

Sunday visitors at the Gordon Church of Christ were Mr. and Mrs. Claude Jernigan, who were visiting her parents, the J. O. Reeds; Douglas and Mike Corbell and the Royce Dabbs family of Lubbock, visitors of the Charlie Dabbs family; Mrs. Roger Turner and children, guests of the Monroe Turners, and H. L. Roberson.

Mr. and Mrs. William Lester visited in Denver City Sunday with the Rev. I. J. Duff, who is seriously ill in a hospital there.

Mr. and Mrs. Olin Cox of Dimmitt were Sunday guests of her sister and family, the Jack Myers.

Sue Lancaster, Theresa Lewis, Joan Lee, Hazel Lancaster and Jerry Hitt spent the weekend at Hardin-Simmons University, Abilene. They attended services Sunday at Temple Baptist Church, where Charles Massagee, who held a meeting at Pleasant Valley recently, is conducting a revival.

Miss Lancaster also visited in the home of the Rev. and Mrs. M. O. Rowe, former residents of this community.

Mrs. William Lester was hostess to the Quilting Club on Thursday. The group completed a quilt for her.

Mrs. Haywood Basinger has been in Slaton Mercy Hospital suffering from the flu.

W. S. C. S. met at the church Monday afternoon. Mrs. J. F. Tomlinson began teaching a book on "Indian Americans."

Twelve Southland girls were entered in the track meet at San Angelo Saturday. They participated in the finals after breaking records in the 120 and 160-yard relays. They won no first places but were awarded a sportsmanship trophy. Those who went were Karen Pennell, Kay Anderson, Eva Williams, Linda Davis, Donetta Ellis, Nancy Mueller, Libby Hill, Linda Davies, Linda Halliburton, Carolyn Casinger, Arla Neugebauer and Jerry Huddleston. Mrs. Don Pennell and Mr. and Mrs. J. H. Huddleston took the girls to San Angelo.

Mr. and Mrs. Frank Crawford of Lubbock were Sunday guests of his aunt and family, the W. E. Edmunds.

Mr. and Mrs. H. H. Auserbin of Long Beach, Calif. are visiting her parents, the Tom Barnes. Other Sunday guests were his niece and her husband, the H. Eubanks, of Lovington, N. M.

Mrs. B. F. Gunnel and children of Slaton were Sunday afternoon guests of the Donald Edmunds.

Mr. and Mrs. C. A. Macker and daughters of Lubbock were Sunday guests of her parents, the Earl Morris.

Chris Gindart celebrated his birthday last Sunday. Guests were

**Walters Funeral Is Conducted Friday**

Graveside services for Ben L. Walters, 96, who fought Indians and herded cattle on the South Plains before the turn of the century, were conducted at 1 p. m. Friday at the Bomarton Cemetery, near Seymour.

Mr. Walters, who was an uncle of Ben Altman of the Pleasant Valley community, died Wednesday of last week at Methodist Hospital in Lubbock following a short illness.

Born in Alabama in 1860, "Dad" Walters, as he was called, moved to Texas with his parents when he was seven years old. He moved to Lubbock 25 years ago from Kaufman.

Since retiring from the cattle business, he had operated a small cigaret and soft drinks store at his small frame home in southeast Lubbock.

**Contract Awarded On FM 2008 Job**

A contract for the construction of grading, structures, base and surfacing on Farm-to-Market Road 2008 in Garza County has been awarded in Austin, S. C. McCarty, district highway engineer at Lubbock, announces.

The firm of Lee Moor Contracting Co. submitted the low bid of \$55,107.16 on the project, which runs from Verbena south to U. S. Highway 380.

Resident Engineer F. C. Stanley of Lubbock will be in charge of the project for the Highway Department, and it is estimated that the work will take 100 days to complete.

Miss Barbara Montgomery was a guest of Miss Jan Kirk in Slaton Friday night.

**COMBINE HEGARI AND COGWHEEL BUR CLOVER**  
**New Plant Varieties Released By Agricultural Experiment Station**

COLLEGE STATION (Spl.) — Combine Hegari, a high yielding grain sorghum, and cogwheel bur clover are new crop varieties released by the Texas Agricultural Experiment Station.

The new grain sorghum variety is adapted to combine harvesting; stalks are well braced; makes a uniform growth; produces a high yield under good growing conditions; produces highly palatable stalks; is a good livestock feed but is unsatisfactory for starch making. The heads will not dry as quickly nor do they have as good exertion from the top leaf as the dry headed varieties such as the Redbines-60 and 80 and Martin.

Seed of the new variety were released to seed growers in the spring of 1955 and certified seed are now available. Adequate supplies should be available for farmers in 1957.

Cogwheel bur clover is adapted to an area extending from the Red River on the north through central Texas and to the Gulf Coast area from Orange southward to Refugio County. It is a close relative of California bur clover but produces a spineless seed pod or bur, and is adapted to the same area as its relative.

Its advantages are: does not contaminate wool on pastures where it is grown for sheep grazing; longer growing season; seed resist shattering; seed are easily

**Post Man's Mother Is Buried Sunday**

Funeral services for Mrs. Lola Caroline Tannehill, 83, a resident of Abernathy since 1908, were conducted at 2 p. m. Sunday in the Abernathy Methodist Church with the Rev. L. E. Stanford, pastor, officiating. Burial was in Abernathy Cemetery.

Mrs. Tannehill, who was the mother of O. A. Tannehill of Post, died at 9:45 p. m. Friday in a Lubbock convalescent home after an illness of about two months. The wife of the late George W. Tannehill, a carpenter who died about 10 years ago, she came to Abernathy from Montgomery County, Ill.

**PIONEERS**  
**Curt Hamill Barely Escaped**  
**Famed Spindletop Ran Wild**

Note: This is another set of sketches compiled by "Oral History of Pioneers," University of Texas, which can be consulted for personal information, or photographs of fields should write to the University Collection, Box 2000, Station, Austin, Texas.

On Jan. 1, 1901, Curt moved his wife and four children to a small frame house near the Spindletop well. His wife cooked and washed for the crew, boiling their oily work clothes in an old washpot.

As Curt tells it in his recorded reminiscences, he was up in the derrick, on the doubleboard, when the gusher began to run wild. Soaked with oil, he scrambled down as fast as he could. By the time he reached the ground, pipe was going out the top of the derrick and falling back like crumpled macaroni.

With the well blowing wild and the prairie grass saturated with oil, fire was a threat. One careless match and all their work would be lost. Curt and Peck, armed with guns, herded curiosity seekers back from the well. But there were too many people; the area was too great.

On Sunday morning a boy dropped a match in the oil-soaked grass. Flames sprang up. Curt and Peck beat at the fire with their slicker coats until they wore them out, and then with jumpers and shirts. Finally, others came to help. Working together, they put out the fire and saved the well.

The well still had to be capped. Curt, working with the others, was gassed; the first person ever gassed on the Gulf Coast.

After the Lucas Gusher was under control, Curt went ahead in the oil business as driller, contractor, and finally as producer, chiefly along the Texas Gulf Coast.

He is now retired and living in a modern ranch house in Kerrville. But he keeps one memento of Spindletop. In the back yard is the old washpot, in which he grows petunias.

**Leggott In Statement**  
**To Voters Of County**

George N. Leggott, who recently announced his candidacy for the office of Garza County tax assessor-collector, this week makes the following formal statement to the voters:

"I have entered the race for tax assessor and collector at the request and assurance of a number of Garza County citizens, and I make this statement to the voters of Garza County whose votes and support I earnestly solicit and will appreciate.

"I intend to contact each voter personally, but should I miss you, I hereby state that I settled on the farm where I now live in 1915 and have paid taxes there and in Post ever since.

"I believe I am adequately qualified for the office, having had more than 15 years accounting experience, nine years with one firm in California, the rest for different ones in Garza County at different times.

"I believe I know values and if elected to this office will to the very best of my ability give each and every one a square deal."

**Cotton Kept Too Long In Field Before**  
**Harvesting Undergoes Harmful Changes**

LUBBOCK (Spl.)—Cotton, kept too long in the field before harvesting undergoes harmful chemical changes, according to research by Dr. Lyle E. Hessler, Texas Tech textile engineering professor.

But these changes are diminished by early harvesting, Dr. Hessler reports.

His findings demonstrate that two types of chemical changes, biological and oxidative, cause degradation in field-weathered cotton.

Biological decay, due to heavy rain or fog during harvest causes no harm to South Plains cotton, Dr. Hessler said. But oxidative degradation, because of sunlight, wind and dust, causes color changes in the area staples, he added.

Oxidation-induced cotton changes are latent, and show up in finishing and laundrying, Dr. Hessler said.

"Oxidation's effects are removed by alkali boiling and alkali bleaching," he stated. "Dye absorption is affected, and this causes shade variations in the completed fabric."

Oxidative degradation is lessened by early harvesting which necessitates stripping the cotton leaves by a chemical process, rather than waiting for the first frost to strip them, Dr. Hessler said.

Experiments leading to these results were conducted in two cotton fields—one weathered up to five months, starting Sept. 4, and the other up to two months, starting Nov. 9, according to Dr. Hessler.

Old center-post agitator problem THE LAUNDROMAT NEW WAY TO WASH

The old-fashioned Center-Post agitator washes with a jerk-jerk motion. Clothes in the center (harsh action zone) get rough treatment; clothes in the lazy outside zone hardly move.

Westinghouse removed the Center-Post entirely... put smooth agitator vanes at the outside of the wash basket. As the basket revolves, these vanes agitate the clothes by lifting, turning, flushing through sudsy water 50 times a minute. Every piece is washed all the time, thoroughly, equally well.

**USDA Pork And Lard Allocated To Texas**

COLLEGE STATION (Sp.)—Nearly four million pounds of pork and more than two million pounds of lard have been allocated to Texas by the U. S. Department of Agriculture.

John J. Slaughter, chief, southwest food distribution division, Agricultural Marketing Service, made the announcement.

These pork products are being distributed by the Texas State Department of Public Welfare to school lunch programs, state institutions and needy people.

To assist hog producers, USDA started a special pork buying program in mid-November. Since then it has bought 197,572,000 pounds of canned and frozen pork and lard. The buying was stopped last week when hog prices reached 16c.

It would take about two million head of hogs to produce the amount of pork USDA has bought, Slaughter said. And it would take a million hogs to produce the lard USDA has bought.

**Rice Springs Rodeo Set For Haskell**

HASKELL (Sp.)—The third annual Rice Springs Rodeo will open here May 17 for a three-day run. Morris Stephens of Silverton will produce the show.

Seven events will be produced nightly, including both saddle and bareback bronc riding, cowgirls' barrel race, bull riding, calf roping, ribbon roping and cutting horse contests in two divisions, open and junior.

In addition, an old timers' calf roping contest, for cowboys over 55, will be an added feature Saturday night.

Headline event on opening day will be a parade at 4 p. m. Thursday, May 17, in which 20 riding clubs and a number of high school bands have been invited to take part.

**SANTA FE CARLOADINGS**

**AN ORDINANCE REGULATING THE SALE, OFFERING FOR SALE, EXHIBITING FOR SALE OR EXHIBITING FOR THE PURPOSE OF TAKING ORDERS FOR SALE OF MERCHANDISE IN THE CITY OF POST, TEXAS, BY ITINERANT VENDORS, REGULATING VARIOUS TEMPORARY BUSINESSES AND OCCUPATIONS, AND LICENSING OF SAME, AND FOR PENALTIES FOR VIOLATION HEREOF.**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF POST, GARZA COUNTY, TEXAS:

SECTION 1.—That it shall be hereafter unlawful for itinerant or temporary merchants who may remove from place to place to sell or offer for sale any bankrupt, fire or water damaged stock of merchandise, or goods, wares, or any other commodity or for a person to go from house to house or from place to place in the City of Post, Texas, soliciting, selling or taking orders for goods, wares, merchandise, subscriptions to magazines, newspapers, to expose plates or films, or make negatives, to make pictures, or photographs for future delivery or any article for future delivery without first applying for and obtaining a permit or license to do so from the City Secretary of the City of Post, Texas.

SECTION 2.—The word "temporary" as used in the foregoing paragraph means and shall be construed to mean any such business transacted or conducted in the City of Post, for which definite arrangements have not been made for the hire, rental or lease of premises for at least Ninety (90) days in or upon which such business is to be operated or conducted, or from which said business is to be operated or conducted.

SECTION 3.—That any person desiring to engage in the business of itinerant merchant or that of peddling within the corporate limits of the City of Post, Texas, shall first make written application for a permit or license to do so to the City Marshal of the City of Post, Texas, which application shall show the name and address of the applicant, the name and address of the person, firm or corporation which such application represents; the name of the immediate last preceding three towns in which he operated, if any; the kind of goods, wares and merchandise offered or to be offered for sale, and whether such applicant upon any such order so obtained will demand, accept or receive payment or deposit of money in advance of final delivery, and the period of time such applicant so wishes to solicit, sell or take orders in the City of Post, Texas; such application shall also show satisfactory proof of his or her authority to represent the company or individual such applicant so states that he represents; such application to be in writing; such written application shall be accepted by the City Marshal as aforesaid by a fee of Two and 50/100 (\$2.50) Dollars and no permit hereunder shall be issued until such fee has been paid by such applicant and such application has been so filed with the City Marshal of the City of Post, Texas, for a period of Forty-eight (48) hours.

SECTION 4.—At the time of making application for such registration card, the applicant shall submit to and be finger printed by the City Marshal of the City of Post, Texas, and such finger print shall be kept as a permanent record in the office of the City Marshal of the City of Post, Texas.

SECTION 5.—Where the application for such permit and/or license herein provided shows that the applicant will not demand, receive or accept payment and/or deposit of money in advance of final delivery of such goods, wares or merchandise or articles to be sold and/or solicited by such applicant, it shall be the duty of the City Secretary of the City of Post, Texas, to issue to such applicant a permit to solicit, sell, and take orders for such goods, wares, merchandise and/or articles set out in such applicant's application for such permit within the City of Post, Texas, for a period of Twelve (12) months except that of itinerant merchant, from the date of the issuance of such permit, and upon the payment of the fees as hereinafter provided for. If the application shows that such applicant shall receive, demand or accept payment and/or deposit of money in advance of final delivery of goods,

(g) Where any person or corporation holding said permit shall employ any personnel other than the holder of the permit, then each such representative shall pay for the privilege of soliciting, an additional license fee of Ten (\$10.00) Dollars each.

SECTION 7.—Provided persons offering for sale agricultural products, meats, poultry, or other articles of food, grown or produced by such person shall not be required to pay the license fees, but license shall be issued to such persons by the City Secretary upon the satisfactory proof that they have produced or grown the products to be peddled and such license shall so state.

SECTION 8.—All licenses issued hereunder shall be, except as herein provided specifically otherwise, for a period of Twelve (12) months from the date of issuance.

SECTION 9.—That this license shall not be issued to any person whereby peddling shall be authorized in fire limits and any and all peddling is prohibited in the fire limits of the City of Post, as now or that may hereafter be established by the ordinances of the City of Post, Texas.

SECTION 10.—That it shall be unlawful for any peddler to take a stand, or stop or stand his vehicle on any public street within the corporate limits of the City of Post, Texas, for a longer time than Ten (10) minutes.

SECTION 11.—That all peddlers shall in all respects comply with all other ordinances of the City of Post, Texas, applicable to such persons; and this ordinance shall not be construed to repeal any of the health, sanitary, or food ordinances of the City of Post, Texas, but shall be accumulative thereof and in addition thereto.

SECTION 12.—That any person violating any of the provisions of this ordinance shall upon conviction be fined in the sum not less than Ten (\$10.00) Dollars nor more than One Hundred (\$100.00) Dollars; and each and every day's delay in complying with the terms of this ordinance, and each and every day any person shall peddle without a license shall be a separate offense.

SECTION 13.—That if any section, subdivision, clause or phrase of this ordinance is for any reason held to be unconstitutional or void, such decision shall not affect the validity of the remaining portions of this ordinance.

Passed this, the 30th day of April, A. D. 1956, by unanimous vote.

JAMES L. MINOR,  
Mayor of the City of Post, Garza County, Texas.

### Cotton Acreage Is Being Measured

Representatives of the Garza County office of the Agricultural Stabilization and Conservation Service are now pre-measuring cotton acreage on farms that have applications filed before the deadline date.

Emmarhe I. Hartel, office manager, said farm operators will receive a card from the office advising them when the reporter will be at their farm.

It is the farmer's responsibility to furnish the stakes to stake the acreage measured. These stakes should be at least 30 inches long.

Persons who have requested this service should be ready to designate exactly where they wish to plant their cotton, since no changes will be made after the measurement is made.

Misses Doti Harrison and Barbara Wheatley accompanied Jerry McCampbell and Dickey Beggs to Abilene Saturday where they attended a student's barbecue. They visited in Snyder that evening.

260 CASES REPORTED IN TEXAS, LAST YEAR

### Immunization Has Cut Diphtheria Toll Sharply In State And Nation

AUSTIN (Spl.)—Last year there were 260 cases of diphtheria reported in Texas. According to Dr. Henry A. Holle, commissioner of health, this is a "great improvement over 1946 when over 1,000 cases were reported. The sad part of it is that none of these cases needed to have occurred.

There were 2,039 diphtheria cases in the United States last year. More important is the fact that the total number of cases may be greater this year. More diphtheria has been reported thus far in 1956 than was reported during the same period in 1955. During the first 12 weeks of this year, 514 cases have been reported compared to 426 last year. Texas has had 73 cases reported up to April 21.

"It is an accepted fact," Dr. Holle said, "that any community may control its death rate from diphtheria. Immunization has proven to be a safe and effective preventive measure."

Diphtheria appears more often during cold weather and often a secondary rise occurs in the summer. In former years practically everyone was exposed to diphtheria when young, and through many small exposures became immune. As a result very few adults developed the disease and most of the cases appeared among children. Now more people grow up without exposure and the development of naturally acquired immunity, so more adults get the disease.

Young children are particularly susceptible to the disease. As soon as a baby reaches six months of age parents should take him to the family physician and have him immunized. Older children in families who have not had the preventive treatment should also be immunized.

Immunization is absolutely safe. There is but slight local reaction and practically no constitutional or troublesome after effects. To be certain that the immunization is complete the child should be taken to the physician six months after the toxoid is administered and given the Schick test. Booster doses may be needed periodically.

Mrs. Bill Lawrence, Miss Linda Lusby, and Stanley Fairchild of Brownwood were Sunday dinner guests of Mr. and Mrs. Ray Cook and children of Wilson.

PLOWING CONTEST WINNERS—Harry Smith, in the driver's seat, won first place Friday in the county FFA Tractor Operators Contest and will compete Saturday in the district contest in Lubbock. Second place winner was Carol Davis (left), while third place went to James Brewer (center).—(Staff Photo.)

### Harry Smith Is Winner Friday In Tractor Operators Contest

Harry Smith, 17-year-old son of Mr. and Mrs. A. M. Smith of the Close City community, won the annual county FFA tractor operator's contest held Friday afternoon at the Earl Rogers farm here.

Harry, a Vocational Agriculture III student, will represent Garza County Saturday in the district FFA tractor operator's contest in Lubbock. The winner there will qualify for the state contest to be held in Dallas. The state champion will be awarded a new Ford tricycle tractor, with 17-jewel wrist watches going to second and third place winners.

Second place in the contest held here Friday went to Carol Davis, son of Mr. and Mrs. Glenn C. Davis, and third place to James Brewer, son of Mr. and Mrs. F. J. Brewer. Carol and James are also VA III students.

Judges of the contest were County Agent Lewis C. Herron, Percy Printz and Elcus Davis. The contest was sponsored by Garza Tractor & Implement Co., dealer for Ford tractors.

Safety, tractor operation, tractor maintenance, tractor storage, plowing and adjusting the Ford plow sections were included in the contest and in the written examinations given FFA members to determine who would enter the competition. The tests were given by E. F. Schmedt, VA instructor at Post High School.

Some of the safety features mentioned in the 1956 Student Manual studied by the FFA members are: Always shut off the engine before refueling the tractor.

When setting the tractor in motion engage the clutch slowly.

Never run the engine in a closed garage. Carbon monoxide fumes expelled from the exhaust system are very dangerous and cannot be detected because they are odorless.

Keep the tractor in gear going down hill.

Never take off or put on the belt when the belt pulley is in motion, and never wear loose clothing when operating the belt pulley or power take-off.

Always use the safety shield when operating the power take-off.

Reduce speed on turns, hills or rough ground for safe operation.

Always pull from the draw bar. Pulling from the top link or rear axle is dangerous.

Always provide lights on front of tractor and a red light on rear of tractor or implement when traveling on the highway at night. Do not permit "riders" on tractor.

Remove key when tractor is stopped to prevent children from starting it.

Always stop power take-off before dismounting from the tractor.

Proper operation of a tractor will help to maintain its performance as well as add to the life of the tractor. The safety of the operator is also more thoroughly insured through proper operation. Here are a few principles:

When the tractor cannot pull the load without laboring, shift to a lower gear. Do not work the clutch up and down.

The oil pressure gage, the temperature gage and the ammeter should be checked often to be sure of proper engine performance and maximum life.

For longer clutch life do not rest your foot on the clutch pedal. Also do not attempt to shift gears while the tractor is in motion.

Sharp turns can be made easier and in a smaller radius by applying the inside rear wheel brake.

The manual also points out that proper and consistent maintenance of a tractor will save a great many repairs, and that tractors which are used only seasonally should be protected while in storage.

The Cooperative Extension Services of the U. S. Department of Agriculture and State Land Grant Colleges conduct the 4-H program, and the awards are coordinated by the National Committee on Boys and Girls Club Work. Complete information may be obtained from county Extension offices.

**TO TEACH IN AMARILLO**  
Martha Johnson, a graduate of Post High School, has been elected to teach in the Amarillo Public Schools system during the 1956-57 school year. She will receive her master's degree from West Texas State College, Canyon, in August.

Four county winners in Canning, Food Preparation and Clothing are eligible to receive gold-filled medals of honor, and medals will be presented to a blue award group in the County Dress Revue.

State winners in each of the four programs will receive all-expense trips to the National 4-H Club Congress in Chicago, Nov. 25-29. At the Congress, State Dress Revue winners will participate in the National 4-H Dress Revue.

National honors of \$300 college scholarships will also be presented

### Texas To Participate Again This Year In Safe Driving Project

J. O. Musick, general manager of the Texas Safety Association and state coordinator for the nation-wide "Slow Down and Live" program, has announced that Texas will participate again this year in the special summertime safe driving project.

"Slow Down and Live" is an official nation-wide traffic safety campaign conducted from Memorial Day through Labor Day when vacation and holiday travel place the greatest load on the nation's streets and highways.

Musick said that it is sponsored by the National Conference of State Safety Coordinators and is officially endorsed by the governors of the 48 states, the territory of Puerto Rico and the District of Columbia. The program concentrates on those driving violations related to speed and "in-a-hurry" driving; such as excessive speed, and speed too fast for conditions, improper passing, following too closely and failure to yield the right-of-way. According to Musick, one or more of these violations are factors in 90 per cent of all accidents.

The TSA official coordinates the campaign in Texas with the Texas Department of Public Safety and the several sheriffs and chiefs of police within the State; as well as with fleet operators.

### Wheat Measurement Is Completed Here

Wheat measurement has been completed in Garza County, according to Emmarhe I. Hartel, office manager of the county Agricultural Stabilization and Conservation Service.

The final date for destroying excess wheat is May 15.

Operators who have destroyed excess wheat should notify the ASC office so a representative can visit their farm, Mrs. Hartel said.

Mrs. I. L. Davis and daughter, Billie Ruth, of Atlanta, Ga., and her mother, Mrs. I. W. Matthews of Gainesville were here last Saturday visiting Mrs. Davis' aunt, Mrs. Geo. N. Leggett, and family.

Rogers home were Mr. and Mrs. Dolan Dempsey and children of Seagraves. Mr. and Mrs. Will Teaff of Close City and Mrs. Lee Dodson of Slaton.

Mrs. Bernice Webb Minn, left today after three weeks visiting in the home of her daughter, Mrs. Williams.
