BILL NUMBER 33.

An ordinance concerning the Judge of the Corporation Court, and the manner of collecting Fines and Costs in the Corporation Court.

Be it ordained by the City Council of the City of Amarillo, Texas as follows:

Section 1. The Judge of the Corporation Court, shall keep a docket in which he shall enter every case commenced before him, and the proceedings therein. He shall enter in his said docket the name of the complainant, the nature and character of the offense, the date of trial, the names of all witnesses sworn and examined, the findings of the Court or Jury, the judgment of the Court therein, the amount of fine and costs, the date of payment if any, the day of issuing commitment if any, and all other facts necessary to show full proceedings of the case.

Section 2. The Judge of the Corporation Court, shall perform all duties imposed on him by law, and the ordinances of this City; he shall be a conservator of the peace, shall have power to administer oaths, and may fine and imprison for contempt offered him while holding court, in the same manner, and to the same extent, as is now provided by law in Justice Courts of this State. He shall be diligent, and use all lawful means to enforce obedience to, and compliance with all orders, rules, judgments and sentences by him made.

Section 3. If any defendant plead, or be found guilty, the Judge of the Corporation Court, shall declare and assess the punishment prescribed by ordinances according to his findings, or the verdict of the Jury, and to render judgment accordingly, and for costs of suit; and it shall be a part of said judgment, that the defendants stand committed until judgment is complied with, and it shall be deemed a part of the judgment and sentence of the Court that such defendant shall work upon the public streets, highways, alleys or other public works of the City, as required by law, until the judgment of the Court shall have been complied with.

Section 4. All such defendants, as provided for in the proceeding sections, shall be committed to the custody of the City Marshal, and it shall be made his duty to see that the judgment of the Court is fully carried out as provided herein, and it shall be his duty to render a statement under oath at each regular meeting of the City Council, of the disposition of each and every defendant committed to his custody, as to the manner in which said fines and costs have been paid; and all defendants who shall have been committed to his custody, and who is default of the payment of fine and costs, shall be required to work on the public streets, alleys, &c., as herein provided, shall be under the immediate control of the Marshal or his legal deputy, by the advice and direction of the Street and Alley committee.

Section 5. All defendants who by the provisions of the proceeding sections shall be enforced to work on the Streets, alleys, or any public works, shall be allowed the sum of \$1.00 per day for each days labor performed as herein provided, and a strict account of such labor shall be kept by the Marshal, or his legally authorized deputy.

Section 6. All ordinances or parts of ordinances inconsistent with this ordinance, are hereby repealed.

Section 7. This ordinance shall take effect and be in force from and after its passage and approval.

Approved Nov. 20, 1899.

R. L. Stringfellow, Mayor.

Attest—M. W. Cunningham, City Secretary.

The Case Plainly Stated.

Capt. Mitchell—himself calls it "Cap"—the reputed, handsomely dressed editor of the Higgins News attending the Cattlemen's Convention at this place on the 23rd ult., in a good way said some good things of Amarillo and the convention. Because he did not call on us, we are tempted from spite not to notice what he did say, but our better nature overcoming, we give, anyhow the following:

THE CONVENTION.

Notwithstanding the inclement weather, the rain, mud and slush, the convention of the Panhandle Cattlemen's Association at Amarillo the 23rd inst. was a complete success. About thirty new members were enrolled representing in the neighborhood of 30,000 head of cattle. The meeting was one that is calculated to do great good, the cowmen all over the country being very enthusiastic in the cause. In our own opinion, it is certainly high time that the cattlemen of the Panhandle should organize themselves into a body of this kind for their good, their own benefit, their own protection. Every man owning cattle, no matter how large or how small a number is protected by becoming a member of this association. This association or its work is not antagonistic to that of any other organization of a like nature but it is thought by stockmen that their interests locally can be best subserved by the organization of a local association. Our Lipscomb county cattlemen speak in glowing terms of it and those who are not already, expect soon to become members. The convention was a success and its work a grand success. The members were most cordially treated and royally entertained by the people of Amarillo, who understand thoroughly how to make things pleasant. Amarillo is a good town, improving rapidly, and is certainly the coming "Queen of the Plains." Its natural resources are great; its railroad facilities unexcelled; its location most excellent and its people generous and hospitable.

Do You Advertise.

Will it pay to advertise in the Evening News? Let us see. Your ad, say, goes in for month, to-wit: Every day for 22 days, that multiplied by an average of 300 copies, equals 6,600 copies; and in 4 weeklies, multiplied by 400 copies makes 1600 added together makes 8,200. 8,200 copies circulated a month. And remember every visitor and every citizen reads the daily when he would not look at a stale weekly. Will it pay to advertise in it? Call for terms and you will answer in the affirmative. Remember, too, our subscription is constantly increasing; and remember also, that your ad in the daily also goes in the weekly.
