## Santa arrives early for cotton farmers of county

### Crop may be biggest yet

Santa Claus came early for Garza County cotton farmers this year with a real white Christmas featuring what may turn out to be the all-time biggest and certainly the most valuable cotton crop in local history.

The Dispatch's weekly "gin check" yesterday showed 19,813 Garza bales of cotton already ginned or on the gin yards, with highest-ever prices holding, and the end of the white flood not yet in sight.

Planters: 665 bales ginned, 420 more on yard, working 14 to 16 hours daily.

Storie: 1,292 bales ginned, 175 bales on yard, operating 15 hours a day.

Graham Co-op: 4,121 bales ginned, 836 more on yard, operating round the clock, expect this to be biggest year ever.

Close City Co-op: 2,657 bales ginned, 699 on yard, 14 hours a day.

Pleasant Valley: 1,287 bales ginned, 147 on yard, operating 12 hour days.

Basinger Gin: 2,139 bales ginned, 240 on yard, going 14 hours a day.

Hackberry: 6,147 bales ginned, of which half is counted as Garza cotton, 1,025 more on yard, operating 24 hours, quite a bit of rickling in area, crop appears biggest ever.

Grassland Co-op: 4,000 bales ginned, one third of which counted as Garza cotton, 650 on yard, operating 24 hours round the clock, the biggest or one of the biggest on record.

### AFTER AGREEMENT REACHED

## Consolidation of law groups snagged again

The city council was told at its regular December meeting Monday night, first by Mayor Giles C. McCrary and then by County Judge Giles W. Dalby, that a plan adopted at a joint city-county meeting last Friday night for implementation of law enforcement consolidation apparently had "gone by the boards."

The reason the procedure would not be legal, Judge Dalby said he was told, is that no officer except the county sheriff has the authority to deputize anyone for law enforcement duty outside the city limits.

Under the plan adopted Friday night, the county sheriff would continue his constitutional duties as an elected officer, but would not be the chief law enforcement officer under the consolidation plan.

Shortly after the opening of the council meeting, the mayor told the group he had learned from the county judge that the plan decided on at Friday night's joint meeting was not considered legal by either the attorney general's office, the county attorney or the city attorney.

The plan, submitted by William Carr of Fort Worth, the county's law enforcement consultant, provided for the employment of a chief law enforcement officer to coordinate the consolidation efforts of the sheriff's department, city police department and other law enforcement agencies.

The reason this plan was adopted, it was pointed out, was to assure a continuity of consolidation efforts in the future when there are changes in the sheriff's office. It was emphasized at Friday night's meeting that the adoption of the plan would not be the chief law enforcement officer under the consolidation plan.

## Autograph party for 'Wagon Wheels'

"Wagon Wheels: A History of Garza County" will be introduced to the public at an autograph party at 2 p. m. Sunday, Dec. 9, at the county museum building.

Copies of the 352-page history, compiled by the Garza County Historical Survey Committee and its history book sub-committee, arrived this week from Pioneer Book Publishers, Inc.

There will be entertainment and refreshments at the autograph party, which will last from 2 until 5 p. m.

More than 400 copies of the book were sold prior to publication, according to Mrs. Vada McCampbell and Mrs. Evelyn Neff, co-secretaries of the history book sub-committee.

## United Fund is near goal

Garza County's 1974 United Fund contributions climbed this week to \$9,700, only \$300 short of the \$10,000 goal with Drive Chairman Jim Cornish hoping the final clean-up can be made this weekend.

"We have only a few cards out in the business division and we're hopeful once they are worked we will be over our goal for the fifth straight year," Cornish said.

The present status of the drive represents a \$950 gain from a week ago and saw the last of the 16 divisions report, the postal employees.

"We want to wind this up quickly because Christmas is coming with a rush," Cornish pointed out.

The project, which will require an estimated 225 working days, will be under Highway Department Engineer Julian F. Smith of Post.

## Contract let for road work

Western Pavers, Inc., of Lubbock has been awarded a contract on its low bid of \$1,183,192.69 for 12.7 miles of construction work on U. S. Hwy. 84 in Garza County from three miles northwest of Post northwestward to Southland.

The contract is for grading, structures, salvaging base, asphalt stabilized base, hot mix asphaltic concrete pavement and seal coat on the 12.7-mile stretch of highway.

The project, which will require an estimated 225 working days, will be under Highway Department Engineer Julian F. Smith of Post.

## ASCS CONVENTION

The county convention for the purpose of electing a Garza County committeeman will be held at 9:30 a. m. Wednesday, Dec. 12, at the Garza County ASCS office. The convention will be open to the public.

Post Rotarians were treated to a concert of Christmas music at their Tuesday luncheon by The Quartet, composed of Margie Pennell, Marita Jackson, Bob Stice and George L. Miller.

Dana Pool was the piano accompanist for the singing group.

Selections, besides quartet numbers, included solos by Mrs. Pennell, Mrs. Jackson and Mr. Miller.

## Robo car wash to open Saturday

Robo, the foremost name in the automatic car wash industry, has come to Post with the opening of Joe McCowen's new Robo wash at McCowen's Texaco Service Station No. 2, 201 South Broadway.

McCowen is holding his Robo grand opening Saturday, as the reader will note in his announcement ad on page 9 of today's Dispatch, but already has the car wash in operation.

McCowen, who purchased the former Post Motel property next to the service station and cleared it for his car washing site, explains that Robo provides a quick two-minute automatic wash with the driver staying in the car.

Spray carnuba wax also is available which provides protection for your car's finish.

McCowen pointed out that Robo also has an under-car wash that cleans underneath the car. "Just bring your dirty cars and pickups in and let Robo do the work," Joe says.

McCowen also has three bays for self wash next to the Robo automatic car wash plus one truck bay that will handle tall recreational vehicles and trucks. These bays have the best equipment available according to McCowen, to provide the customer with plenty of hot water and soap at 600 pounds pressure.

Still to be completed on this new blacktopped car wash corner is the drying and vacuum area, which will be finished next week. It will include two high suction vacu-

ums under a canopy for easy cleaning of a car's interior.

Besides the Robo automatic car wash, the self wash bays, and the drying area, McCowen has spaces and hookups available for nine campers overnight on a "passing through town" basis.

### FROM WEBB AIR FORCE BASE

## Two airmen are killed in crash on rangeland

The fiery crash of a jet trainer in open rangeland some 20 miles southwest of Post killed both occupants shortly before 9 o'clock last Friday morning.

Spring identified the dead as 2nd Lt. Michael J. Dypvik, a 25-year-old student pilot from La Jolla, Calif., and Capt. Robert Alexander, 26, of Antlers, Okla.

Webb Air Force Base in Big Store burglar has probation revoked

Valentino Delgado, the persistent burglar of the Western Auto store, had his probation of a prison sentence revoked here Tuesday in a district court hearing by District Judge George Hansard.

Investigators said Lt. Dypvik apparently was killed when the T-37 trainer crashed just inside the U Lazy S Ranch and near the John Dennis Ranch. The site of the crash was about two miles west of the road from Post to Gail.

Officials said the instructor pilot apparently attempted to eject from the plane, but low altitude prevented the parachute from fully opening.

Delgado, placed on probation for burglary of the store, was then caught by officers inside the store not long after burglarizing it again.

The crash touched off a range fire which burned an estimated 150 acres before units of the Post and Fluvanna fire departments brought it under control.

Accompianists for the choir are Mary Ann Norman and Tiana Shiver.

According to an official at Webb AFB, a radar operator at the base had just given the pilot instructions when he noticed the plane disappear from his radar screen.

The crash was reported to law enforcement agencies by ranch employees who were herding cattle near the crash scene. The ranch employees, joined by oil field workers, helped contain the fire.

The girls' choir will sing: "Jesus, Jesus, Lead," "Do You Hear?," "Born, Bethlehem" and "Lamb."

The girls' choir will sing: "Day of My Life," "You So" and "Ave Prayer."

The girls' choir will sing: "Summer" and "The Down, Sport."

The "Top Twenty" My Trials" and "With Me."

The Air Force immediately convened a board of inquiry to probe the crash, but said it would be "about two weeks" before the board completed its investigation.

## 3 Burglaries at Southland

The sheriff's office was busy yesterday investigating three Southland burglaries Tuesday night.

A calculator and typewriter were stolen from the Southland school after entrance was gained via the backdoor of the luchroom, less than \$5 in change was taken from a Coke machine money box and a wooden Coke box stolen from the office of the Basinger Gin, and a stereo was taken from the office of H. Martin Basinger.

## Heavenly Christmas show

Because of the energy crunch, the Christmas lights will be dimmer this year, but a heavenly Christmas show which up until a few months ago hadn't been counted on, is already beginning. Comet Kohoutek is now visible early in the mornings (in the east) and will increase in magnitude until it is at its brightest on Dec. 28.

Scientists believe Comet Kohoutek is not a "new" comet; it probably has been around a long time and probably made its last earthly pass about 50 or 75 thousand years ago. That means it will be that long before it again is visible.

By tradition, a comet is named for its discoverer. Last March, in Hamburg, Germany, Dr. Lubos Kohoutek, discovered a fuzzy spot on a photographic plate, a spot which had not appeared in previous photos of the same subject. Many comets are discovered every year by astronomers and amateur comet hunters, but few come near enough to Earth to provide much of a show.

The tail of the comet continued to lengthen and brighten through November, and it is now almost the brightest object visible in the eastern sky. This month, Kohoutek will be approaching the sun and will be so close from Dec. 13 to Jan. 2 that it will be in the sky only during the day.

Come Dec. 28, it will make its closest approach and will be at its brightest a few degrees from the sun.

By Jan. 12, the comet will be visible in the west after sunset as Kohoutek begins its long journey back to the depths of space. The comet still will be bright the last half of January and visible in early evening hours.

The comet will become dimmer as it recedes from the sun, but should remain visible through the first part of February. It will still be visible for a month or so longer in a telescope.

No one knows for sure just what the comet will look like; nobody has seen it before. The head of the comet may show spirals; the tail may be split. The tail always points away from the sun, no matter which way the comet is moving.

The visit of Comet Kohoutek (pronounced Ka-hoe-tek) surely will add excitement to the holiday season. But a word of caution...

In late December, when the comet will be at its brightest during late afternoon hours, it will be very close to the sun. There is the danger that some people, especially small children, may be tempted to turn their telescopes or binoculars to take a look directly at the sun itself. If one should do that, however, there is the grave danger that the sun will literally burn a hole in the retina of the eye, causing a permanent blind spot.

So, pass the word: the "greatest show on earth" as Comet Kohoutek pays us a visit this Christmas season, and watch for it in the skies; but never, never look directly at the sun. — CD

## 'Wagon Wheels' finally rolls in

The Garza County Historical Survey Committee has passed another milestone down the history trail with the publication of the 352-page "Wagon Wheels: A History of Garza County."

The completed book, copies of which arrived from the publishers this week, will be introduced Sunday, Dec. 2, at an autograph party at the county museum building, beginning at 2 p. m.

Sunday's event, to which everyone is invited, is being called an "autograph party" for want of a better name. An autograph party, in the strict sense of the term, is one at which the author autographs his book. Since "Wagon Wheels" has many, many authors, the choice of who autographs each purchaser's copy will be up to the purchaser himself.

Many people had a hand in writing the book, since it contains more than 150 accounts of pioneer families, in addition to other features. So, take your choice as to who, or how many, autographs your copy.

The history book sub-committee of the GCHSC has worked long and hard in compiling the book. It has taken longer than anticipated,

but the committee members believe the finished product to be well worth all the time and effort put into its compilation.

It would take too much space to list everyone responsible for the book, but to mention some of the dedicated workers on the project those who cannot be overlooked are Mrs. A. C. Surman, chairman of the GCHSC; Mrs. Walter Boren, acting chairman of the GCHSC; Mrs. Winnie Tuffing, chairman of the history book sub-committee; Mrs. J. D. McCampbell and Mrs. Evelyn Neff, who have handled the sub-committee's secretarial work in addition to other duties; Ed Neff, who was in charge of photography; Mrs. Lottie Shelton, who saw to it that the Southland vicinity was well represented in the accounts of pioneer families; and many, many others.

Sponsors are planning quite a gala affair for Sunday afternoon's autograph party at the museum building, including entertainment and refreshments. You are invited to attend and join in the celebration of the completion of what Garza County historians consider one of the best, if not the best, county histories yet published in Texas. — CD

## Our contemporaries say . . .

The history of the American people cannot be separated from the history of American journalism. In establishing independence, the pen and the press had equal merit to that of the sword. — Dalton, Mass., News Record.

Poor old Rover! Things just aren't the same as in the good old days. When he brings a bone home today and buries it, his master digs it up and makes soup. — Vincennes, Ind., Valley Advance.

People are the same everywhere. Natives who beat drums to ward off evil spirits are objects of scorn to smart Americans who blow horns to break up traffic jams. — Buckeye Valley, Ariz., News.

Russian intellectuals are perfectly free to express dissenting opinions. And the government is perfectly free to make them wish they hadn't. — Yuba City, Calif., Independent-Herald.

Oil companies say that a vehicle driven no faster than 50 miles an hour requires 11 per cent less fuel than when driven 60 miles per hour. It would be an ironic twist of fate if highways should become safer places not because drivers are endeavoring to make them safe but are trying to save gasoline. — Oneonta, Ala., Southern Democrat.

Poison ivy is an obliging little plant. If you forget how to identify it, it reminds you.

THINGS ALWAYS are "jumping and jiving" here at The Dispatch office on Monday mornings, but this Monday more than usual.

The first telephone call Monday morning set the pattern for what was to come. It was "good news" from Vada McCampbell of the history book committee of the Garza County Historical Survey Committee, and all the other telephone calls and "drop-in" visits this Monday morning have also brought glad tidings.

PERHAPS IT'S because it's the time of year for glad tidings — the Christmas season.

Vada's first words when she called shortly after 8 a. m. was to ask if I had a chair in which to sit down. When I told her I was already sitting down, she informed me that the advance copies of the Garza County history, "Wagon Wheels," had arrived and that we could go ahead and hold our autograph party on Sunday, Dec. 9.

THAT WAS good news, indeed, since it means that those who have bought copies of the history to give as Christmas gifts will get their books in time. For awhile it had looked bleak as far as delivery of the books was concerned and we had feared we'd have to postpone the autograph party until Dec. 16, which would have been too late, in most cases, for the "Wagon Wheels" copies to have been delivered as Christmas gifts.

Then, not long after the news about the books' arrival had been received, Bill McBride dropped by the office with the news that the Post High School girls' basketball team, the Does, had won the New Home tournament. The tournament results were not in Sunday morning's paper, so the news from Bill was the first I had on the amazing Does' win.

FOLLOWING BILL'S VISIT, Joe Craig came by from the high school with some pictures I needed for this week's paper. Two of them were of the Doe and Antelope basketball teams, made by high school teacher George Pierce, and the other was one of the four high school class presidents, made by Joe, who has been a big help to The Dispatch this year on school pictures, especially football action shots.

And while I am on the subject, I want to give credit to high schooler Jerry Johnson for being such a big help to The Dispatch, as well as the athletic department, this football season by keeping individual statistics on the Antelopes. Jerry was with us in the press box at every game and radio announcer Bill McBride and I have been wondering how we got along without Jerry as long as we did.

(William H. Evans, 60, veteran editor of the Groversville-Johnstown, N. Y., Leader-Herald and opponent of the traditional small-town newspaper wedding story, wrote the following account of his marriage ceremony.)

GLOVERSVILLE, N. Y. — After a whirlwind courtship of 20 some years, most them odd, Mrs. Helen M. Andrzejewski, a blonde bombshell divorcee, became the bride last night of William H. Evans, an office-worn, brunet-tinted widower.

Sentence was pronounced by Supreme Court Justice Arthur C. Aulisi at the home of the bridegroom, 92 East State St., in the high mortgage district.

The judge, long-time friend of the bridegroom, said the sentence was for life but that he was giving the bridegroom one night out for every 25 years of good behavior. It wasn't quite like awarding a fried cake to a full-time employe of Dunkin' Donuts.

The bridegroom was attired in a green houndstooth check double-knit sports jacket, double-knit green pants and tie and socks to match. He wore black shoes and exhibited a well-worn wallet containing two photographs of George Washington. The green color matched everything else.

The bride wore a dress. The male attendant was wearing a \$1.98 sports shirt he generally uses while golfing. It was a gift last Christmas from the bridegroom and was making its 114th appearance this year. The dark-blue pants somewhat matched the shirt. The shoes and socks were sort of off-color but contained no holes.

The female attendant wore slacks, shirt, shoes and socks of multiple colors and her hair was in curlers. She did not figure she would be pressed into service for the surprise event.

The bride, who resided at 331 E. Main St., Amsterdam, N. Y., after years on Cork Hill in that

## A Message for Now

By Kenneth J. Metzger

The message of Christmas was not just for a world of 2,000 years ago, it is a message for now! This timeless message is really about what we, by faith, can be. Perhaps we fail to get this message because we get "hung-up" on all the pageantry of Christmas — the angels, the shepherds, the sweet "little baby Jesus," the holy family, etc. These are not bad in themselves and do give meaning and beauty to Christmas. But beyond this is the real message about what it means for us right here and right now.

In the Gospel According to John, the "Christmas story" is quite different from the accounts found in Matthew and Luke. Nevertheless the message of Christmas is there. In part it records:

In him was life, and the life was the light of men.

The true light that enlightens every man coming into the world. He was in the world, and the world was made through him, yet the world knew him not. He came to his own home, and his own people received him not. But to all who received him, who believed in his name, he gave power to become children of God. (John 1:4-9:12)

The message is that in Jesus Christ we can know the true light, the true life. By faith in him we become God's children. Do we hear the message? This One whose birth we celebrate is Jesus, who "will save his people from their sins." He is "Emmanuel" which is to say "God with us." He is "God with us" to give us life both abundant and eternal. So be it.

## ? Your Name ?

WHAT'S IN IT?

By CHARLES DIDWAY

### CUNNINGHAM

The surname Cunningham originated in the county of Ayrshire in southwestern Scotland and comes from that county's northern district, also named Cunningham. The meaning of the name is "dweller at a royal manor" from the Old English "cynning" (royal) and "ham" (home or manor).

One of Scotland's oldest surnames, it is the 73rd commonest family name in that country and the 74th commonest in Ireland. Its frequency in Ireland is attributed to the fact that when numerous Scottish settlers went to Ireland their surname was adopted as the modern form of a number of Irish surnames, including Cunnegan and Kinnegan.

The name is also numerous in England and in the United States, where it is the 160th commonest surname with an estimated 130,000 persons by the name.

One of the earlier instances of the name in Scotland was when Richard de Cunningham appeared as witness to a charter by Alan, son of Roland, Constable of Scotland, between 1210-33.

The first earl of Glencairn in the Scottish peerage was Alexander Cunningham, who died in 1488, a son of Sir Robert Cunningham of Kilmours in Ayrshire. James, the 14th earl, was a friend and patron of the poet Robert Burns. He was never married and when his brother and successor, John, died childless in 1796, the earldom became extinct although it was claimed by Sir Adam Fergusson, a descendant of the 10th earl.

When the Union Labor Party was formed in this country in 1887, Charles E. Cunningham of Arkansas became the vice presidential candidate on a ticket headed by Alton James Streeter of Illinois for president. The party received 146,935 votes in the election of 1888, which was won by Benjamin Harrison.

### NEVER ANALYZED

Chartreuse, a liqueur made by French monks under a secret formula that has never been successfully analyzed, is said to contain more than 130 different herbs.

nine-light candelabras. The parents of the bride are Mr. and Mrs. James Murray of Route 3, Post. The bridegroom is the son of Mr. and Mrs. John Crutchfield of 71 Lyle Lane, Nashville, Tenn.

Presented in marriage by her father, the bride wore a gown of candlelight miramist over candlelight satin. A raised waist was fashioned with a round lace yoke with beads and the long sleeves featured lace trimmed wide cuffs. The back of the dress was rows of miramist and lace ruffles, going into a long train. The bride's veil was a long mantilla which covered the train. The bridal gown was designed by the bride and her mother. Pink carnations and burgundy roses with baby's breath and white cateleya orchids made up the bridal bouquet.

Lavonia Crutchfield, aunt of the bride, was matron of honor. Maid of honor was Miss Norma Campbell of Post and Janice McDonald, cousin of the bride, was bridesmaid. They wore burgundy velvet gowns with raised waists and pink floral chiffon over pink peau skirts. Burgundy velvet bows were worn in their hair and each carried votive candles in rings of pink daisies.

Miss Sharla Riley of Post and Chad Webster of Lubbock acted as flower girl and boy.

Tom Crutchfield, brother of the groom, served as best man. James Crutchfield, of Nashville, Tenn., Quinton Murray and Wayne McDonald were ushers.

Wedding music was provided by organist Diana Hawthorne and Tom Crutchfield, with Norma Campbell as vocalist. A reading was given by Joy Laws. A miniature bride, Carlene Murray, and miniature groom, Delwin Crutchfield, dressed identical to the bride and groom, carried Bibles that were exchanged by the bride and groom.

A reception was given following the ceremony by the parents of the bride. The bride's table was covered with a candlelight lace over pink cloth, and cake and punch were served. The bridegroom's table was covered with a burgundy table cloth, and chocolate cake and coffee was served.

Mrs. Crutchfield is a 1969 graduate of Tahoka High School and is presently employed as a music teacher. The bridegroom is a 1968 graduate of Howard High School in Nashville, Tenn., and served four years with the U. S. Navy. He is presently employed by Service Optical in Lubbock.

## Club program is on 'Creativity'

The Woman's Culture Club met Nov. 28 in the community room of the First National Bank.

The theme for the meeting was "Creativity Is Fun."

Roll call was answered by each member telling of something she tried to create and failed.

Mrs. R. L. Marks showed slides of "Early American Crafts and Folk Art."

Hostesses for the meeting were Mrs. Jack Burress and Mrs. R. T. Dickson.

## Engagement is announced

Mr. and Mrs. Mack Ledbetter announce the engagement of their daughter, Debbie, to Larry Moreman, son of Mr. and Mrs. Weaver Moreman.

Miss Ledbetter is a senior at Post High School and a candidate for graduation in May.

The prospective bridegroom is a 1971 graduate of Post High School and attended McMurry College in Abilene. He is presently employed with Jackson Bros. Meat Packers.

A wedding date has not been set.

**HONORED MEMBERS** — Honored by the Post Music Club at its meeting Monday night were six persons, five of whom are pictured here. From left are George M. Willson, honorary member; Bob Stice, honorary member; Mrs. Willard Kirkpatrick, patron member, Mrs. H. J. Dietrich, patron member, and George L. Miller, honorary member. Mrs. T. L. ## Honorary and patron members honored by Post Music Club

The Post Music Club, a member of the National Federation of Music Clubs, met Monday night in the home of Mrs. Wanda Mitchell. Co-hostesses were Mrs. Maxine Marks and Mrs. Nancy Kemp.

The club president, Mrs. Sharla Wells, presented rose corsages to Mrs. H. J. Dietrich, an honorary member, and Mrs. Willard Kirkpatrick, a patron member. Boutonnieres were presented honorary members George L. Miller, Bob Stice and George M. Willson.

Mrs. T. L. Jones, also an honorary member, was unable to be present.

The Post Music Club will also present a book, "The Gershwin Years," to the Post Public Library in honor of the honorary and patron members.

The honorary members presented the Christmas program to the club at Monday night's meeting.

Mrs. Dietrich, an honorary member since 1968 and long-time music teacher, performed Christmas hymns on the piano.

Stice, who is music-education director of the First Baptist Church, director of the Community Chorus and club chorus director, sang "Every Valley Shall Be Exalted," from the "Messiah."

Willson, the club's first honorary member and high school choir director, presented a medley of Christmas bell

music on the piano, accompanied by Sharla Wells with sleigh bells.

Miller, an honorary member since 1970 and former club chorus director, sang "Glory Be To Israel."

Mrs. Kirkpatrick, the club's

## Coffee is held for bride-elect

A morning coffee was given Saturday, Nov. 24, in the home of Mrs. Hershel Bevers honoring Miss Nancy Norman, daughter of Mr. and Mrs. Glen Norman.

Nancy is the bride-elect of Michael Flanigan of Troy, Ill. The table was complemented with a large fruit bowl as the centerpiece which was encircled with frosted grapes. Miniature cupcakes and hors d'oeuvres were served with the brunch.

Miscellaneous gifts were displayed and guests called between 9:30 and 11:30 a. m. The hostess' gift was an electrical appliance.

Hostesses assisting Mrs. Bevers were: Mmes. Lewis Herron, Bill Pool, W. C. Caffey, Dee Hodges, Everette Windham, Stanley Butler, Arnold Parrish, Gary Young, L. G. Thuet Jr., and Mickey McMeans.

Miss Norman and Mrs. Flanigan are to be married in the First Baptist Church on Jan. 5. They are both students in Baylor University, Waco.

## Yule party is held by club

The Close City Home Demonstration Club held its Christmas party Dec. 4 in the Close City community center.

The meeting was opened with a prayer and each member read a Christmas poem. Names were drawn for secret pals for the coming year.

A box of food and a gift was prepared and given to Mrs. J. M. Waldrip, who has had recent surgery.

Gifts were exchanged by the members and refreshments were enjoyed by the following: Mmes. Lola Peel, Hooter Terry, Oreta Bevers, Cleo Sappington, Inez Ritchie, Thelma Thomas, Onita Ginn, Jane Terry, Jewell White, Faye Payton, and HD Agent Dana Feaster.

## Women's Division is giving its support to Christmas Seals

Deeming the current Christmas Seals program for respiratory diseases "a legitimate and worthy cause," the Women's Division of the Post Chamber of Commerce voted at its meeting Monday in the Reddy Room to sponsor an educational program on the project in the schools and among the clubs of the community, beginning the first of the coming year.

Also at Monday's meeting, Patsy McCowan made a report on the organization's Christmas decorations contest, and it was agreed that all persons, including members in both Chambers, would be eligible for prizes.

Mrs. Inez Hartel, president of the Women's Division, thanked all who helped with the Christmas Song Festival at the courthouse Saturday. She said acknowledgements were being sent Jim Cornish, publisher of the Post Dispatch, and Maxine Marks for the publicity given

the event. The group also voted to send a thank you letter and a gift certificate to Bob Stice for his coordination of the program.

Those attending Monday's meeting were: Mrs. Hartel, Betty Posey, Ruby Kirkpatrick, Geraldine Butler, Lil Nance, Edith Ramsey, Evelyn Neff, Patsy McCowan, Dana Feaster, Mrs. Marks, Marie Neff and Kay Lamb.

## Mrs. Storie hostess to club on Nov. 27

Mrs. Pearl Storie was hostess to the Merry-makers Club when they met in her home, Nov. 27.

Ten members were present for the meeting: Mmes. Pearl Crisp, Opal Williams, Bonnie McMahon, Ida Wheatley, Lola Peel, Sadie Storie, Bonnie Adamson, Alma Simms, Gladys Floyd, and two visitors, Linda Malouf and Delia Bilberry.

**COLORFUL FLAMES**  
Add color to the flames in your fireplace this winter by treating wood chips, pine cones or wood or paper logs with certain chemicals, says a landscape horticulturist for the Texas Agricultural Extension Service. Calcium chloride produces orange flames; copper chloride, blue; potassium chloride, purple; strantium nitrate, red; lithium chloride, carmine; and copper sulfate, emerald green. Dissolve one pound of chemical in a gallon of water and immerse the wood or paper material for at least 10 minutes. Allow overnight drying.

**Barbee retiring from Burlington**

GREENSBORO, N. C. — James D. Barbee of Greensboro, senior vice president of Burlington Industries, is retiring after a 40-year textile career.

Barbee has been a member of Burlington's board of directors and its management policy committee.

His retirement was announced by Charles F. Myers Jr., Burlington chairman, who noted that "Jim Barbee is one of the top men in textile manufacturing and has rendered great service, not only to Burlington but to the entire industry. His request for early retirement has been accepted with regret and with warm appreciation for his outstanding contribution."

**Firearms in vehicle not safe**

AUSTIN — Hunting from a vehicle on private land may be legal, but it sure isn't safe, according to Texas Parks and Wildlife Department hunting safety officials.

Statistics compiled from the "Hunter Casualty Reports" submitted by department game wardens show loaded guns inside or in the vicinity of vehicles accounted for approximately 22 per cent of the reported 94 hunting accidents from Sept. 1, 1972, to Aug. 31, 1973.

Six of the 28 fatalities for this time period involved loaded firearms and vehicles. According to officials, most of the injuries were to the upper body of the victim and were caused by maneuvering fire-

**FEEDERS HANDBOOK**

A new handbook for Texas cattle feeders has just been published by the Texas Agricultural Extension Service. It covers all aspects of cattle feeding, such as nutrition, feed preparation and storage, animal health, feedlot management, feedlot equipment, and government. County Extension Agents have information on ordering the new handbook.

Also, several hunters were injured when a firearm, which they had leaned against a vehicle, slipped and discharged.

EAGLE ROUNDUP

Honor Roll

The Honor Roll for the second six weeks has been announced. The high school students on the "A" honor roll are: Kelly Chaffin, Mark Maeker, Randy Thomas, Amanda Wheeler, Jenny Wheeler and Kendon Wheeler.

The junior high and high school students on the "A-B" honor roll are: Gracie Bernal, Stacy Callaway, Katrina Chaffin, Cindy Courtney, Debra Crawford, Gregg Lester, Teresa Nelson, Donna Shelton, Terry Smallwood, Camille Wheeler, Curt Wheeler, Cynthia Wheeler, Nathan Wheeler, and Jerry Winterrowd.

New Math Program

The new math program being put into effect at Southland grades 1-12 is built around Bulletin 730 and 731 of the Texas Education Agency. TEA is emphasizing individualized

instruction in these bulletins, and the changes are being put into motion here at Southland. In the individualized method of instruction, the student holds more responsibility in that he must decide to do his own work. The student is allowed to progress at his own rate and must, during the course of his four years of high school, complete at least two credits for the state requirements of graduation.

In our process of change we are beginning to let the students arrange their time and drive on a limited basis so that the method of working at their own rate will not be dropped into their laps like a bombshell. If this change is not gradual and guided a student would not learn to manage his own time. So far this has worked real well in that we have started this transition period. The students have really amazed me in that what I would have completed in perhaps four hours they can complete in about one and one-half. The material is not new but just the method of presentation. (The above feature was written by Henry Hunter, Southland's math teacher.)

Basketball News

The Southland High School girls defeated Hermleigh 35-29 last Tuesday at Hermleigh. Joy Basinger was high scorer with 15 points. Kelly Chaffin had 12 points.

In the high school game, Hermleigh won 61-39. Mark Bevers was high scorer for Southland with 17 points. Jerry Winterrowd had 16 points.

Last Friday the high school girls and boys had a home game with the girls playing the Lubbock Independent team and the boys playing the Fluvanna team.

New Southland Residents

Tom Cheak, the school's custodian, and his family moved into the school's rent-house in Southland during the Thanksgiving holidays. This house was recently refinished. The Cheak's formerly lived at Gordon.

Junior High Tournament

Southland's Junior High Basketball Tournament starts today (Thursday) and continues through Saturday. Four boys' and girls' teams will compete: Wilson's A and B teams, St. Joseph's teams from Slaton, and Southland's teams.

The Athletic Department will receive the proceeds from the gate and from the concession stand.

The games will begin each evening at 5:30 p. m.

62 aoudad bagged in 7-day season

LUBBOCK — A brief seven-day aoudad season in the Texas Panhandle yielded a record 62 of the big animals.

Hunting aoudad in the Palo Duro Canyon region is by permit only. The Parks and Wildlife Department issued area landowners 195 permits to the Nov. 10-16 season.

Most of the permits were passed on to hunters and some 32 bagged a sheep.

From the 154 permits issued last year, 46 aoudad were harvested.

The North African sheep were first released in the Palo Duro in 1957 and first hunted in 1963. Only nine aoudad were killed during that initial season.

28 Junior High students attend charter banquet

By LISA COWDREY

Twenty-eight members of the newly-organized Junior Historian Club at Post Junior High School attended the Texas Junior Historian charter banquet held Nov. 26 at Lubbock Christian College.

Also attending were four students from Post High School, where a Junior Historian Club also is to be organized, and sponsors of the junior high chapter, as well as Supt. William F. Shiver, who is a board director, and Mrs. Shiver.

# Senior students are week's top citizens

By MELINDA NELSON  
This past week's "Outstanding Citizens" at Post High School are Debbie Ledbetter and Ricky Shepherd. Congratulations, Debbie and Ricky!

Debbie is classified as a senior. She has participated in Choir for four years, Top Twenty for two years, FHA for four years, and Drama Club for one year. The most Debbie likes about school is being able to see her friends every day and share things that are important to her and to them. Also to be active in the school and in clubs. Debbie thinks the best quality

in a person is being considerate. If you are considerate to people it makes them feel better and also helps you along.

Debbie thinks the most worthwhile contribution that she can make to PHS is to be behind the school in spirit and spread it to other people. This also pertains to when she graduates, for faith in the heart and soul and not in the mind. The person that Debbie admires most is Will Rogers. She admires him because of his saying: "I never met a man I didn't like." Will Rogers always found something humorous in everything. That's what the world could use now, someone to brighten a light on things and a little love and peace instead of war. The only place war gets you is deeper into trouble. After Debbie graduates, she plans to get married and become a housewife this summer.

Ricky is also classified as a senior. Ricky participates in FFA, FCA, National Honor Society and is the Student Council president. The most Ricky likes about school is being around his friends. Ricky thinks the best qualities in a person are honesty and being yourself.

Ricky thinks the most worthwhile contribution that he can make to PHS is to participate in the school activities and trying to make Post High School a better place. The person that Ricky admires most is Roger Staubach. He admires Staubach because he is a good athlete and honest man. Ricky's future plans are to attend college at Texas Tech.

### DIRECTORS MEETING

Bobby Davis, athletic director and head coach at Post High School, and Mrs. Davis will be in Dallas this weekend where he will attend a board of directors meeting of the Texas High School Coaches Association. Davis is one of three Region I directors on the board, the other two being Pete Murray of Lubbock Estacado, formerly of Post, and Jim Warren of Sudan.

## Melanie King runner-up for FFA honors

The Post Future Farmers of America are proud to announce that their 1973-74 sweetheart, Melanie King, received the second highest number of ballots for FFA Sweetheart at the district banquet Nov. 26 in Lamesa, making her the first runner-up. Melanie, daughter of Mr. and Mrs. Robbie King, was escorted by Jay Pollard, an area officer.

The chapter was allowed three voting delegates at the district banquet. They were Joe Moore, Mark Terry and Ricky Cross. These delegates are very important to the chapter in order to get our chapter's voice in on the district's business.

Others attending the banquet included our advisors, E. A. Howard and Gene Thomas, and members Joe Craig, Bob Craig, Roger Taylor, Mark Short, Buddy Britton and our Greenhand sweetheart, Nelda Leake.

## Inside PHS

By TONYA RUDD

For a change of pace this week, I am not going to talk about a class. I am going to devote this column to tell you about a field trip taken by Mr. Pierce's consumer math class and third period physics class.

Mr. Pierce had said that he would try to take our consumer math class on a field trip; he decided that he'd take his other morning class.

The field trip was to Jones Power Station in Lubbock. We were given a tour of the plant preceded by a brief talk on how the plant was run. The class was divided into three groups, and each group was taken on the tour which lasted an hour and thirty minutes.

I think everyone enjoyed it and it proved to be very interesting. The guides told us things that made us appreciate electricity more. He made it clear that they were doing everything they could to save our natural resources and our environment. I, for one, didn't know that the electric company used sewage water to create electricity rather than fresh water. We were told of a new plant being built in Amarillo that will be able to burn any solid waste as a standby fuel rather than fuel oil.

All in all, I believe it was a worthwhile morning even if we couldn't drive over 45 miles per hour on the way up there.

## Teacher honors to Jay Wilson

By PAT NELSON

Coach Jay Wilson was named "Teacher of the Week" this past week at PHS. Coach Wilson has been teaching with the Post school system for about two years. He enjoys helping people help themselves. He graduated from WTSU with a BS and a Master's in Education. Coach Wilson teaches physical education and coaches the girls basketball team.

In his spare time Coach Wilson likes to hunt and fish. He participates in the Texas High School Girls Coaching Association and Texas State Teachers Association.

## HECE class hears talk by Dr. Butler

By DEB MCKEE

Dr. Charles Butler spoke recently to the HECE class. Dr. Butler was in Post working on a Family Practice preceptorship school. He is a senior student at University of Texas Medical School at Houston. While in Post, he worked for Dr. Tubbs and Dr. Wilson.

Dr. Butler spoke to the HECE class on the many different fields of medicine. He told the girls a little about each field and approximately the years of college and medical school, needed for each field. After discussing each of the fields, he answered questions. Also he talked about the appearance and principles that women working in public should know and follow.

## Scout banquet is Saturday

The annual banquet of the Comanche Trail District, Boy Scouts of America, is to be held this Saturday night at 7 o'clock at the Caravan Restaurant in Ralls, it is announced by Roger Robertson, district Scout executive.

The price of the banquet tickets are \$2.50. Reservations may be made by writing Walt Gilson, Box 280, Ralls, or telephoning 253-2566, Area Code 806. Tickets will also be on sale at the door.

All area Scouters and supporters of Scouting are invited to the banquet.

## Seniors in Spotlight

By LEE ANN HODGES

Our first Senior in the Spotlight is Jan Hall. She is the daughter of Mr. and Mrs. Billy Hall and has one brother, Karl Bruce. Jan was born May 17, 1956 and is 17 years old.

The activities that Jan has been involved in since she has been in high school are band, twirler, cheerleader, basketball, National Honor Society, junior play, Student Council, volleyball, track, pep squad and FFA Sweetheart contest.

Her hobby is rodeoing which includes barrel racing, pole bending, and goat tying. Her favorite food is chow mein and her favorite color is purple. Jan's favorite famous person is Olga Korbeit because of her great gymnastic ability.

After graduation Jan plans to attend Western Texas College and rodeos.

Jan spent her Thanksgiving holiday with Ricky King and his family in Abilene.

Our next Senior in the Spotlight is Randy Peel, the son of Mr. and Mrs. V. L. "Punk" Peel. He was born Dec. 19, 1955 and is 17 years old. Randy has one sister, Patti Sappington.

The activities that Randy has been involved in during high school are band, Science and Math Club, junior play and FFA.

Randy's hobbies are motor-

cycle riding and listening to music. His favorite food is barbecued ribs and his favorite color is blue. Randy's favorite famous person is Alice Cooper. After graduation he plans to go to college.

Randy spent his Thanksgiving holiday watching TV on Thanksgiving day and working the rest of his holiday.

# Varsity cage teams are bo in tourney action this wee

For the second consecutive week, the Post High School basketball teams are in tournament action, the Antelope varsity and junior varsity at Colorado City and the Does at Meadow.

Both the Antelope varsity and junior varsity are to see action today (Thursday) in the Colorado City tournament. The varsity meets the host Colorado City Wolves at 7 p. m., and the junior varsity is to play the Throckmorton varsity, a Class B team, at 8:30 in the tournament's JV division.

At Meadow, the Post Does, who won the Hub of the Plains Tournament at New Home, are to go against Ropesville at 5:20 p. m. today in their opening round action.

Coach Jay Wilson's Does will be facing strong competition in Ropesville, which won its district championship last year. If the Post team wins, its next game will be at 5:20 p. m. Friday against the winner of the Seagraves-Lubbock Christian High School game. If the Does should lose to Ropesville, they will play the Seagraves-LCHS loser earlier in the day Friday. Seagraves is the team Post came from behind in the final quarter to beat for the championship of the New Home tournament.

Other girls' teams in the tournament at Meadow are Borden County, Loop, Meadow and Lorenzo.

If Coach John Alexander's Antelopes upset Colorado City tonight, their next game will be at 1 p. m. Friday against the winner between Ballinger and Coahoma. The losers of these two games are to play at 11:30 a. m. Friday.

Other teams entered at Colorado City are Fort Stockton, Hamlin, Seminole and Pecos.

In the JV division, if Post overcomes Throckmorton, they will play next at 7 p. m. Friday against the Colorado City JV-Ballinger JV winner. If the 'Lepe JV loses to Throckmorton, they will play at 10 a. m. Friday against the Colorado City-Ballinger loser. Other teams in the JV division are Hamlin, Seminole, Coahoma and Stamford.

## VISIT IN PLAINS

Mr. and Mrs. J. D. Windham and Mrs. Wesley Stephens visited recently in Plains with the Bowen Stephens family. Other visitors were the Mansell Richardson family of Lubbock.

## Game of the year set for Dec. 13

Tired from the Christmas rush? Got the Christmas blues? Then it's time to relax and laugh awhile and see the game of the year.

Thursday night, Dec. 13, there will be a basketball game in the Post High School gym between the junior high faculty and the 8th grade girls basketball team.

The line-up for the teachers will be Klumzy Kemp, Wild Cody Collier, Mighty Mite Morris, Bomber Black, Tiny Tannehill, Luscious Lewis, Wunnerful, Wunnerful Wobbly Woods and Powerhouse Pace. The trainer will be Crazy Ruth Young.

Cheering the faculty, cheerfully to victory, will be hopeful-

## BIG LINEMAN MAKES IT BOTH WAYS

# Pollard and Tyler selected to All-District first team

Two Post Antelopes, lineman Jay Pollard and back Jerry Tyler, were selected to the All-District 5AA team at a meeting of coaches Wednesday of last week. Pollard making both the offensive and defensive team and Tyler being named to the defensive unit.

Pollard was a unanimous choice for the defensive team and lacked only one vote being a unanimous choice for the offensive team.

The only player who was unanimously named to both teams was Denver City lineman Buster Rich and Bryan Lambeth, also of Denver City, was a unanimous choice at a linebacker position.

Two other Post Antelopes, sophomore Bryan Davis and junior Tim Owen, were the only underclassmen receiving honorable mention. Davis at quarterback and Owen at linebacker. Neither were any underclassmen voted to the first string offensive and defensive teams.

The all-district teams were as follows:

**Offensive**  
Kenny Perry, Roosevelt, center; Buster Rich of Denver City and Jay Pollard of Post, guards; Michael Patschke of Roosevelt and Johnny Threet of Cooper, tackles; Rodney Young of Denver City and Andy Turnbow of Frenship, ends; Chris Marshall of Roosevelt, quarterback; Jimmy Bailey of Taboka, Gary Freeman of Denver City, Todd Hammond of Cooper and John Blackwell of Roosevelt, backs.

**Defensive**  
Jay Pollard, Buster Rich,

Clifton Davis of Frenship and Perry, linemen; Patschke, Eddie Ward of Cooper and Young, ends; Bryan Lambeth of Denver City, Greg Sokora of Slaton and Hammond, linebackers; Lee Anderson of Roosevelt, Dale Allen of Denver

## 7th graders lose by point to Frenship

After battling down to the wire, Post's 7th grade boys' basketball team lost to Frenship, 25 to 24, Monday night on Frenship's court, where the Post 8th grade boys also lost, 36 to 26.

In the 7th grade game, Post had the game tied on Cliff Kirkpatrick's free throw in the final seconds, but an official ruled he stepped over the restraining line and disallowed the point.

Frenship had led 10-8 at the end of the first quarter, 15-11 at the half, and 18-13 at the end of the third period. Post outscored Frenship 11 to 7 in the final period, but couldn't quite catch up.

Cliff Kirkpatrick was Post's high scorer with nine points, Bryan Compton getting seven and Dale Redman and Dick Kirkpatrick, four apiece. Coach Bobby Davis played all 15 players he had suited out.

In the 8th grade game, it was close until the final quarter when Frenship doubled the score on Post, 12 to 6, for its 36-26 win.

Randy Baker's nine points led the Post scoring with Evans Heaton getting seven; Brad Shepherd and Ron Bratcher, four each, and Brad Davis, two.

## Antelopes win fourth place at Plainview

The Post Antelopes lost to the Tulia Hornets, 66 to 41, at Plainview Saturday in a game to decide third place in the small school division of the annual Plainview Invitational Basketball Tournament.

Coach John Alexander's Antelopes won their first tournament game from Phillips Thursday, 49 to 36, but lost to Dimmitt, 73 to 31, in a semifinals game, with Dimmitt going on to win the tournament.

Coach Alexander said his inexperienced 'Lopes had trouble hitting the basket in all three of their games, but that he was pleased with their overall performance against the strong competition they found at the tournament.

Following are the Antelope scoring summaries for the three tournament games:

**TULIA GAME:** Bevers 1 0 2; Jefferson 2 1 5; Shepherd 4 1 9; Kirkpatrick 0 2 2; Craig 1 0 2; Blacklock 4 0 8; Wyatt 1 3 5; Johnson 2 0 4; Josey 2 0 4; Conner 0 0 0.

**DIMMITT GAME:** Bevers 2 0 4; Jefferson 2 2 6; Shepherd 5 3 13; Kirkpatrick 0 2 2; Wyatt 1 1 3; Conner 0 3 3; Craig 0 0 0; Blacklock 0 0 0; Josey 0 0 0; Johnson 0 0 0.

**PHILLIPS GAME:** Bevers 4 0 8; Jefferson 6 0 12; Shepherd 8 2 18; Kirkpatrick 2 1 5; Craig 1 0 2; Blacklock 0 0 0; Wyatt 1 1 3; Johnson 0 0 0; Josey 0 0 0; Conner 0 1 1.

## 7th, 8th grade girls win pair

Coach Sherry Woods' 7th and 8th grade girls' teams won district games from Frenship here Monday night, the 8th grade 29 to 25 and the 7th grade 23 to 20.

The 8th grade win was a come-from-behind triumph for Post, with Frenship leading until the fourth quarter. Scoring for Post were Debbie Wyatt, 16 points, Nancy Clary, 11, and Karla Kennedy, two. The guards were Nancy McCowen, Sharon Johnson, Stacy Starcher and Kelly Mitchell.

Dana Bird scored 19 points in the 7th grade team's 23-20 victory, with Kerri Pool and Karla Duren scoring two each. The guards were Lisa Cowdrey, Karla Scrivner and Larissa Shiver.

# Post sextet tops in New Home tourney

The Post Does came roaring from behind in the fourth quarter Saturday night to defeat Seagraves, 68 to 62, and win the championship of the Hub of the Plains Tournament at New Home.

Seagraves led 56-44 going into the final quarter, and for awhile it appeared that Coach Jay Wilson's Post team would absorb its first setback of the young season and have to be content with runner-up honors in the tourney. But the Does finished strong to outscore the Eaglettes 24 to 6 in the final period and bring home the "big" trophy.

Earlier in the day, the Post

girls had won a semifinals game from New Deal, 77 to 56. Their only close call up to the finals came in their second round game Friday against the Sundown Roughettes, whom they defeated, 39 to 34, in a defensive struggle. The Does won their first game of the tournament Thursday over Smyer, 72 to 37, pinning the first defeat of the season on the Smyer girls, who had won six straight.

Melanie King, who averaged 31 points a game in the four contests, was awarded a trophy as the tournament's most valuable player. She scored a whopping 43 points in the Does'

championship win over Seagraves.

Becki Dalby averaged 15 points a game; Jenda Gilmore, 14; Jodi Norman, two, and Sandy Bullard, one. The Post team average was 64 points a game.

In Saturday night's championship game, Seagraves led 15-10 at the end of the first quarter, 38-27 at the half, and 56-44 at the end of the third quarter. Besides King's 43 points, Dalby scored 13 and Gilmore, 12. Tipton, with 31 points, was the high scorer for the Eaglettes.

The Post guards in the championship game were Jan Hall, Ann Mitchell, Darla Baker and Phyllis Kennedy.

Against New Deal, the Does led 24-15, 47-24 and 60-41 at the quarter marks. King hit for a total of 36 points; Dalby, 20; Gilmore, 18 and Bullard, three, with Norman and Sandra Dudley also seeing action at the forward positions. Logging time at the guard positions were Hall, Mitchell, Baker, Kennedy and Sylvia Smith. Abbe scored 39 points for New Deal.

The Post-Sundown game was close all the way, the defeat being only the second of the season for the Roughettes as against six wins. The Does led 13-12 at the end of the first period, 21-20 at the halftime intermission and 29-24 going into the final period.

King scored 21 points, with Dalby getting 12 and Gilmore, six. Wood, with 14 points, was Sundown's top scorer.

In their opener against Smyer, the Post girls were out in front 23-5 at the end of the first quarter, 39-18 at halftime and 57-26 at the end of the third quarter. King tossed in 25 points; Gilmore, 21; Dalby, 15; Norman, eight, and Bullard, three.

Coach Wilson said he was especially proud of the defense against the undefeated Smyer team, which was held to nine field goals.

## Varsity teams win and lose against Abernathy

The Post varsity basketball teams split a pair with Abernathy on the latter's court Tuesday night, the Does winning, 69 to 38, and the Antelopes losing, 75 to 57.

Coach John Alexander said the 'Lopes made their best showing of the season thus far, even though they lost by 18 points. "We're improving, but we still have a long ways to go," the coach said.

For Coach Jay Wilson's Doe team it was their sixth win against no defeats. They led 19-6 at the end of the first quarter, 44-18 at halftime, and 55-28 going into the fourth quarter.

Melanie King led the scoring with 27 points, Jenda Gilmore scoring 22, Becki Dalby, 10; Sandy Bullard, seven; Jodi Norman, two, and Sandra Dudley, one. Cheryl Rogers led Abernathy with 15 points.

The junior varsity Does won, 44-42, in their first game of the year with a fourth quarter rally Abernathy led 12-6 at the end of the first quarter, 24-14 at the half, and 30-26 at the end of the third period.

Joni Hays, with 28 points, led the Post scoring, with Kim Lambert of Abernathy also hitting 28. Others scoring for Post were Genetta Kennedy, eight; Kim Mitchell, six, and Patricia Bilberry, two. The guards were Nancy Reno, Sherry Compton, Kim Hester

and Glenda Bevers. In the boys' game, Abernathy was out in front 18-13 at the end of the first quarter, 42-23 at halftime, and 62-37 at the end of the third quarter.

The scoring summary follows:

**POST:** Bevers 2 0 4; Jefferson 6 1 13; Shepherd 9 1 19; Kirkpatrick 2 1 5; Blacklock 1 0 2; Wyatt 1 1 3; G. Johnson 0 1 1; Conner 2 3 7; Josey 1 0 2; Davis 0 1 1; Craig 0 0 0; J. Johnson 0 0 0. Totals 24 9 57.

**ABERNATHY:** Martin 10 2 22; Betts 4 5 13; McClelland 2 2 6; Horsford 3 2 8; Riley 3 2 8; Davenport 4 5 13; Tooker 0 1 1; Dominguez 2 0 4. Totals 28 19 75.

## Frosh girls in 39-33 victory

With Karen Williams hitting 29 points, the Post freshman girls' basketball team won a district game from Frenship, 39 to 33, here Monday night.

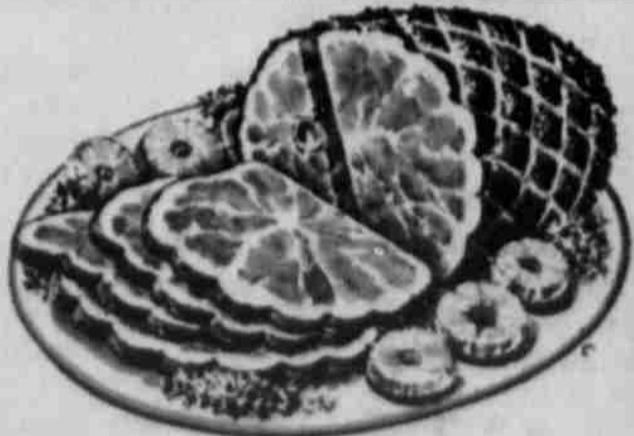

The Post team led all the way after jumping off to a 9-0 first quarter lead.

Other scorers for Post were Amy Cowdrey, five points; Brenda Weaver, three, and Nancy Gandy, two. The guards were Tina Dodson, Christie Conner, Hope Johnson and Jodine Tipton.

The win left the freshman girls with a 2-1 mark.

# Monthly adjustments of gas rates starts Jan. 1

AMARILLO — Pioneer Natural Gas Company announced today that, effective Jan. 1, 1974, the rate under which several classifications of customers are receiving gas service will be adjusted, upward or downward, each month, based on the monthly current cost of gas purchased for the company's West Texas system. This adjustment will not change the present base rate being paid by these customers. Presently, these rates are subject to the same adjustment on an annual basis.

In making the announcement, K. Bert (Tex) Watson, company president, pointed out that because of the energy crisis facing the nation, the cost of new gas supply in the field is changing at an unprecedented

rate. He went on to say, "The adjustment must be made on a monthly basis in order for Pioneer to remain in a competitive position for future gas supply." Watson continued, "Pioneer is fortunate to have pipelines into two of the most promising areas for acquiring additional gas supply. However, there are a number of gas companies with pipelines in these areas who are aggressively acquiring gas as it becomes available. Through the joint efforts of the company and its customers, the company is confident its ability to serve its customers' needs will continue to be favorable."

When this new rate plan becomes effective, more than 60 per cent of the gas delivered from the West Texas system will be subject to the monthly cost-of-gas adjustment. In addition, the company has filed applications in all incorporated cities and towns on its West Texas system for approval of the same adjustment. To date, 19 of these cities and towns, including Post, have approved the request. The adjustment is also being placed in all new industrial contracts and the existing ones as they expire and are renegotiated.

Letters detailing the rate plan and tariff sheets reflecting the new adjustment clause will be mailed to customers to be affected by this Jan. 1 adjustment. These letters will go to irrigation customers, small industrials, temporary industrials and large air conditioning customers.

## Postings —

(Continued From Page 1)

were closed Sunday in observance of the President's request. State highway patrolmen reported little traffic out on the highways and that traveling at a reduced speed.

First casualty of the gasoline shortage was the Post delivery of the evening Lubbock papers — "too many miles for too few subscribers" is the way Johnnie Willson put it when she called a halt to such deliveries Dec. 1.

J. P. Potts flew back to the nation's capital over the weekend to attend an executive committee meeting of the American Bankers Association's Insurance and Protection Division. He was visiting with Congressmen George Mahon and Omar Burleson Monday and tried to call us so we could discuss the energy crisis with the two lawmakers, but we were out hunting ads at the time.

J. B. did report both said the energy crisis is going to get worse before it gets better but that agriculture is going to get all necessary fuel priorities for the next 60 days to get the crops in.

The local banker got back Tuesday night and in his mail next morning was a letter of apology from one of Governor Briscoe's aides, concerning the governor's "goof up" on forgetting that Postex Plant was the first mill in Texas to take cotton from bale to finished product. J. B. wrote the governor a week ago on that as president of the Chamber.

County Clerk Carl Cederholm has a nice, framed "meritorious award for outstanding community service" now hanging on his office wall. It came from Frances G. Knight, director of the passport office of the U. S. Department of State in Washington for Carl's "excellent performance" in helping Garza citizens in the state department's passport application acceptance program. It's always nice to be thanked when you've done it right, isn't it, Carl? Most public officials only hear the complaints.

## City Council — Promotion —

plan was not any criticism of the present sheriff, who everyone at the meeting agreed is "for consolidation" and who "did an excellent job at supervising the work of his department and that of the city police department" after the two were combined several months ago.

Judge Dalby told the council he planned to meet "as soon as possible" with the law enforcement consultant, not only on what step to take next, but also as to why the consultant had not brought up the legality of the plan decided on at the time he submitted it last Friday night.

County Commissioners Paul Jones, Ted Aten and Herbert Walls attended the council meeting along with Judge Dalby.

Another "bombshell" dropped at the council meeting was that the city and county are even closer to being in the emergency ambulance business than they thought.

Mayor McCrory said he had been informed that Mr. and Mrs. Darrell Eckols of Hudman Funeral Home will be moving to Snyder later this month. One reason the city and county had been having to consider some plan of emergency ambulance service was because the firm now operating the service here had served notice it could not continue to do so, and gave a shortage of manpower as one of the reasons.

Judge Dalby said he had been contacted on purchase of an ambulance with all necessary equipment, and in his opinion it would be wise to investigate the possibility of purchasing the ambulance and starting a training program here for its operation.

Also Monday night, the council approved the Post Volunteer Fire Department's bill of \$11,127.50, all except \$2.50 of which will be paid by the county under its agreement to pay so much for each "fire run" outside the city limits.

The firemen's report showed 74 city fires at a cost of \$3,854.50 and 89 county fires at a cost of \$6,526. The bill for fire drills at \$1 per man per night was \$561, and the bill for the annual firemen's banquet amounted to \$200.

The council also voted to allow Fire Chief Neal Clary \$75 a month car expenses, pointing out that the fire chief had not requested the allowance but that it was being done in appreciation of his "good work" and that of the entire fire department.

Julius Stelzer was reappointed by the council to a three-year term on the board of the White River Municipal Water District, and announcement was made that Bill Pool had agreed to accept appointment to the City-County Park Board, replacing Shelley Camp, who resigned.

The council voted to have the alley behind the bank and post office buildings paved at a cost

Amarillo; one brother, Floyd Barnett of Spur; two sisters, Mrs. Clara Teague of Bakersfield, Calif., and Mrs. Jewell Byles of Fort Worth; and three grandchildren.

Following the service here at 2 p. m., a graveside service will be held at the Girard Cemetery at 4 p. m. Ministers at the services here and at Girard will be Bob Connell and Bill McBride, both of Post.

Burial will be under the direction of Mason Funeral Home. Nephews and brothers-in-law will serve as pallbearers.

of approximately \$350. The paving will be done by Williams & Peters, contractors on the new tennis courts and also on the repaving of the bank parking lot.

## Top bucking animals of '73 picked by cowboys

DENVER, Colo. — The top three bucking animals of 1973 have been named by the professional Rodeo Cowboys Association.

The prestigious title Bucking Horse of the Year went to a big bay gelding named Sam Bass, owned by Elra Beutler and Son of Elk City, Okla. A silver-mounted halter will be presented to the animal during Champions Night at the National Western Stock Show rodeo in Denver next January.

The award is sponsored annually by Rodeo Sports News, official publication of the association.

Top bareback bronc for the year is the highly-respected Moonshine, owned by Reg Kester of Missoula, Mont. Bull number 28, owned by the Billy Minick Rodeo Company of Fort Worth, Texas, was voted top bucking bull for the year.

The voting was done by the top 15 cowboys in each of the three bucking events.

Each of the animals will be seen at the National Finals Rodeo in Oklahoma City, Okla., Dec. 1-9.

Descent, the great 17-year-old Palomino gelding voted Buck-

ing Horse of the Year for a record six seasons, including 1972, will also be on hand. The horse belongs to Beutler Brothers and Cervi of Sterling, Colo.

Two horses, both owned by Jim Shoulders of Henryetta, Okla., were at the first National Finals in 1959, and are still going strong. Cactus Jack, a saddle bronc, and Prison Bar, a bareback horse, will be at the 15th Finals this year.

The two horses, both in their
