Chairman of the board of stewards at the Methodist church Tuesday night when they met in a regular meeting to close business for the church year. Walter Clark was elected secretary to replace Frank Nease who moved from Post recently.

Proceeding the business meeting the pastor was host to a delicious supper in the basement of the church.

All business of the church year was completed and the budget was closed. It was announced that the church had paid all claims and was in the best financial condition in history. It was also announced that indications point to the best financial record in history for the Northwest Texas annual conference which will be held in Lubbock next week. There are 210 pastoral charges in the conference and 40 in this immediate district. At least 20 of this latter number will see changes in their pastors. It has been said, Dr. O. P. Clark, superintendent, who has served six years will also be changed.

Plans were announced concerning the visit here of Dr. J. N. R. Score, president of Southwestern University at Georgetown. The noted educator will be here on Friday night, November 12, and will speak in the interest of McMurry college. He has a wide reputation among educators and christian leaders everywhere. Prior to his acceptance of the presidency of the University he was pastor of the First Methodist church for 7 years and of the St. Paul's Methodist church in Houston for the same length of time.

As many church members as possible are urged to attend the conference. T. R. Greenfield is the delegate.

Mr. and Mrs. J. W. James, visited their daughter and son-in-law, Mr. and Mrs. Wallace Kimbrough, last week end. They were accompanied by Mrs. W. H. Harris of Bryan and were joined by their son, Lt. J. W. James, Jr. of Camp Barkley.

Mrs. H. F. Giles left Friday night for Mineral Wells where she will undergo treatment for several days.

Mr. and Mrs. Jack Martin are announcing the arrival of a baby boy on November 2 in the Plains Hospital in Lubbock. The new son weighed 8 pounds and 7 ounces and was named Landon Kent.

Mr. and Mrs. John B. Coleman has returned from Ft. Worth and Arlington where she has been visiting her daughters, Mrs. Gilbert Griffin and Mrs. Truman Francis.

Cotton Report From Seven Gins Released Tuesday

A total of 7,168 bales of cotton have been ginned by Garza county gins, County Agent Wallace Kimbrough, reported Tuesday morning after making a tour of the seven gins in the county along with Andrew R. Alvarez of Corpus Christi who is connected with the U. S. Employment Service and who has been working with the farmers of this county in securing labor to harvest the crop. The first estimated yield set by Alvarez for this county was 13,000 bales. It is believed that the yield now will be near that. There are 38,000 acres in cotton in this county and 75 per cent of the crop will probably be out by the last of the week.

The Dispatch would like to acknowledge reports from the Pleasant Valley gin phoned in last Wednesday night by Johnny Lane, manager, and from Leslie Hughes of the Close City gin. Both reports were received too late to be used in last week's paper. Since there are no telephones in the rural communities it has been impossible for the Dispatch to publish accurate reports on the cotton ginnings this year. The report this week, however, is an accurate total up to Tuesday morning and is as follows:

Graham	1,784
Close City	1,485
Pleasant Valley	1,263
Planters (Southland)	877
Fullers (Southland)	673
Fullers (Post)	558
Planters (Post)	528
Total	7,168

(Johnny Lane of Pleasant Valley called again Tuesday night and reported an additional 73 bales. Thank you Mr. Lane.)

Board of Stewards Close Budget For Church Tuesday

T. R. Greenfield was re-elected chairman of the board of stewards at the Methodist church Tuesday night when they met in a regular meeting to close business for the church year. Walter Clark was elected secretary to replace Frank Nease who moved from Post recently.

Subsidies To Be Paid To Garza County Dairymen

Rates of payments which will be made to Garza county farmers and dairymen delivering whole milk and butterfat, to offset increases in dairy feed costs since September 1942, were recently announced according to information received by the County AAA office according to Avery Moore, Jr., chairman, AAA committee. Payments will be made at the rate of 40 cents a hundredweight for whole milk and 5c a pound for butterfat. Payments on sales of butter will be made at 80 percent of the rate on butterfat.

Payment will be made by draft direct to the producer by the county AAA committee for the county in which the producer's farm is located upon the submission of satisfactory evidence of the quantity of milk or butterfat sold, according to Moore. For dairy producers selling whole milk to cooperative associations, milk distributors, etc., the statement normally furnished the producer will constitute satisfactory evidence, provided it shows the quantity of whole milk delivered. The receipts furnished by creameries for butterfat will be accepted as satisfactory evidence under the plan outlined by the AAA committee. Producers who retail milk will need to substantiate their claims by submission of customer's lists, number of cows and amount of feed bought. Producers who sell to consumers, local stores, etc., will need to obtain receipts from the buyers.

Payments for October will be made early in November and payments for November and December will be made early in January according to Moore. The War Food Administration has announced that the present program will be in effect for October, November and December.

Halloween Observed By Southland School In Carnival Style

The Duncan Music company, which is starting a class in Slaton, gave a 30-minute program on the Hawaiian, Spanish and electric guitars Friday evening at the Southland Halloween carnival. By the time it was over, the seniors had sold out their booth of ice cream, candy and pop. The Junior class sold cake and coffee. If Dr. Bertha Duncan, who posed as a witch fortune teller had been living, she might have told all the prospective fortunes. About \$75.00 was made on the War Bond sale. A \$25 bond was won by Tim Field, Jr. B. H. Thomas, Jr. was bidding at the lucky minute which won him the cake.

The Senior candidate for Queen of the Carnival won. Her classmates had raised more than \$54.00 for the contest. The royal procession was led by Mary Lou, Duchess of the House of West, accompanied by Billy, Duke of Lancaster; Eddie, Marquess of the House of Cummings and Loyd, Duke of Mack; Alice, Duchess of the House of Fowler and Jack, Duke of West; Allawane, Duchess of the House of Bland and Roderick, Duke of Duff and King and Queen of the Carnival, Carolyn, of the House of Walker was crown-bearer.

Kernit Jackson was declared winner in the bout with Jackie Meeks, Charles Stotts and Jimmie John Spence tied, Troy Bruster won over Max Chaffin, Mack Field and Roderick Duff tied, Wesley Scott won over Max Jackson and the outside boys, Melvin Bruster and H. T. Duff tied. The four boys who boxed in the fourth and fifth bouts had returned from Whiteface that afternoon after playing the four full quarters of the football game where the score was 12-7 in the opponents' favor.

Mr. and Mrs. J. W. James, visited their daughter and son-in-law, Mr. and Mrs. Wallace Kimbrough, last week end. They were accompanied by Mrs. W. H. Harris of Bryan and were joined by their son, Lt. J. W. James, Jr. of Camp Barkley.

EFFICIENCY THE NATIONAL WAR FUND

Efficiency means power; it also means skill, it also means reliability. These are some of the secondary meanings of the word. The primary meaning is "successful effort."

The Germans aren't much given to complimenting anyone but themselves. Recently they are finding difficulty even in doing that. But there was once a German, the late Field Marshal von Hindenburg who, in a moment of candor, said that we Americans know how to make war because we are efficient.

Slowly but surely, and now at last convincingly, we are proving again von Hindenburg's words. The giant has stirred, the giant has arisen, the giant has walked; and now, in step, he is marching. Like the Mississippi in flood they roll—production, men, ships, guns, tanks, planes. One by one we conquer the threats of our enemies.

And now a new efficiency has arisen, a new weapon in our armory—THE NATIONAL WAR FUND—a chance to combine money, time, and intelligent goodwill in one, and thus save time and effort and useless expenditure.

We have all known for a long time the efficiency of the annual Community Chest. The National War Fund is an international community chest. It combines the USO; United Seamen's Service; War Prisoners Aid; and British, Chinese, Russian, Polish, and ten other major war relief organizations.

It's a "natural," isn't it? A wonderful saving of time, worry, and duplication of effort that can better be spent otherwise. So let's get ready for it and right now lay aside in our minds as generous a sum as we can afford to give to show, if nothing else, our appreciation of something so sensible.

And at the right time, let us give this generous sum to the Garza County War Fund, which this year extends its interest beyond our local agencies and supports the National War Fund member agencies.

Homecoming Plans For Texas Tech Are Announced For 13th

According to a news release from Texas Technological college, the Texas Tech football team will celebrate its Homecoming and its Parents day on Nov. 13, when the Red Raiders play the North Texas A and M Aggies. It will be a day game, starting at 2:30 p. m. The game will be at the Texas Tech stadium and more than twelve thousand fans are expected to see the classic. A large group from Post and Garza county will attend as this county is well represented at the college.

The North Texas Aggies are composed only of naval servicemen and will have from one to three years college experience in passing and carrying the leather.

The Homecoming day was originally scheduled for Oct. 16, and the Parents day for Nov. 20, but these two dates have been erased and Homecoming and Parents day have been combined for Nov. 13. The changes were necessary because the New Mexico Lobos and the University of Arizona Wildcats dropped out of football. Both teams were on Tech's schedule. The Baylor Bears were also on Tech's original 1943 gridiron schedule but dropped football and the North Texas A and M Aggies replaced the Bears.

Soap Dealers Say Everybody Can Stay Clean Next Year

Contrary to current rumors, there is going to be enough soap for everybody in this country during the next 12 months.

Sufficient quantities will be manufactured for each man, woman, and child to have 22 pounds of toilet and household soap. That is the equivalent of 16 large packages of soap chips or flakes, or 35 bars of laundry soap, or about 94 cakes of toilet soap.

In addition, three and one-half pounds of soap per person will be available to commercial laundries, institutions, and factories.

Little Noretta Janice Ticer, five year old daughter of Mr. and Mrs. L. O. Ticer of Ft. Worth, formerly of Post, fell and broke her left arm last Thursday while playing on a bed. She is improving reports say.

Free Trip Won By Alvin Davis, 4-H Club Boy

The County Agent received word last Friday that Alvin Davis, son of Mr. and Mrs. Glenn Davis of the Graham community, was listed as one of the nineteen 4-H club members to win a free trip to Chicago to attend the National 4-H club Congress and attend the International Livestock Show Nov. 28 through Dec. 1. The contest was sponsored by the Santa Fe Railroad Company.

Alvin has been an outstanding 4-H club member the last two years. He works hard and is very accurate in his record work on which the contest was based to a certain extent. Alvin has fed out three beef calves in the last two years and grown ten acres of cotton. This is his fourth year in 4-H club work. The first two years he had hogs as his demonstrations. Alvin was presented with a War Time Certificate of Merit by Texas A & M College only last week for his work this summer as a "Cotton Insect Pest Reporter."

Alvin showed two calves in the local 4-H club Calf Show held last May and sponsored by the Post Chamber of Commerce. His calf was not the grand champion of the show but Alvin was awarded the prize offered by the Lubbock Production Credit Association for the best showmanship and the best trained calf in the show. He sold his steer calf on the Ft. Worth market following the local show and his calf was one of those topping the market that day in Ft. Worth. His steer calf sold for 16 cents per pound and the steer cleared the cost of himself and feed and the heifer and her feed. So Alvin has cleared his heifer with the steer. He has built a shed for his calves. He also built feeders and put a concrete floor in the shed and a nice sign stating, "4-H Club Calves," is hung on the shed next to the road. Alvin is serving as president of his 4-H club and served as an officer once before in club work.

The 4-H club winner is only 15 years old and has made plans for bigger and better things in 4-H club work. He will be allowed to compete in 4-H club contests until he becomes 20 years of age.

14 Garza Men To Leave For Armed Services This Week

Of the 18 Garza county men sent to the Induction Station in Lubbock last week 14 were accepted and will report to various branches of the armed services within the next few days. One Garza man, Weldon Jobe, volunteered into the Seabees and will report Friday for induction and will probably be sent to Camp Perry in Virginia.

Those accepted into the army were: George W. Cannon, Robert P. Pennell, T. J. Cook, D. J. Atkinson, W. L. Thomas, Earl Max Tucker and Thomas R. Ashley.

Those accepted into the navy were: James D. Thompson, Norman E. Bedford, Paulino G. Sanez and Elmer E. Owen.

One registrant, Charles W. Wood, goes into the Marine Corps and Gaylon L. Wright was accepted in the Coast Guard.

Daughter of Harley and Billie Sadler Dies In Sweetwater

Funeral rites for Gloria Sadler Allen, daughter of Mr. and Mrs. Harley Sadler of Sweetwater, Texas, were held Saturday afternoon at 2:30 o'clock at the Baptist church of Sweetwater. Gloria, the Sadler's only daughter, died Friday morning in childbirth at the Sweetwater hospital. She had been living in Lubbock where her husband, Lieutenant J. Richard Allen, is a flight instructor at the Lubbock Army Air Field. She went to the home of her parents about a month ago. Her death came as a shock to her many friends over West Texas and to those of her parents who have through the years endeared themselves to the people of West Texas. Burial was made in the cemetery in Cameron, Texas, where she was born.

Mrs. John B. Coleman has returned from Ft. Worth and Arlington where she has been visiting her daughters, Mrs. Gilbert Griffin and Mrs. Truman Francis.

WAR FUND DRIVE OPENED IN GARZA COUNTY MONDAY

LAFS 30-Piece Band To Open WAC Drive Here

In an effort to interest women between 20 and 50 years old in enlisting in the Women's Army Corps for direct assignment to the Air Forces, Lubbock Army Air Field's Air-WAC recruiting team will arrive in Post Friday and be here through Saturday.

An Air-WAC booth is set up in the Red Cross room to acquaint women who contemplate stepping into the service to release men from specialized jobs to go into combat duty with the jobs to which they will be assigned. There are innumerable chances for women to learn technical work while in the service.

A 45 minute concert will be presented at 8 o'clock Friday night at the High school auditorium by the Lubbock Army Air Field band under the direction of Chief Warrant Officer George P. Attidge. Attidge was director of the West Point band and has in his fine group many musicians who were professionals before entering the army. The personnel is comprised of members who were formerly with Eddie Duchins orchestra, the Metropolitan Opera Company, Toscani, and other big name organizations. The band is heard over KFYO every Wednesday night and is one of the most popular musical organizations in this part of the country.

Heading the Air-WAC recruiting team at Post is 1st Lt. Gordon R. Close, assistant secretary of the twin-engine school at Lubbock. Other members of the team are WAC Lt. Jessie Gardner of the WAC recruiting station, Chief Warrant Officer L. W. Bobb and S/Sgt. Tench K. Webb, both of LAAF and Sgt. Virginia Miller. Arrangements for the visit of the team in Post were made by Mayor W. W. Hyde; Mrs. Edward Warren, editor of the Post Dispatch; B. J. Edwards, president of the Post Chamber of Commerce and Mrs. B. J. Edwards, head of the prospects committee.

Faced with drastic need in vital behind-the-line service, arrangements have been made whereby women who enlist may be assigned to duty with the Air Forces, America's fastest growing branch of the service.

More than 150 specific jobs are open to WAC's with the Air Forces, including such interesting work as photography, radio operation, weather observation, drifting and public relations work.

Supporting the recruiting drive in Post are a number of Post business men and merchants who are signing an advertisement in the Dispatch this week. "If the need for women is so urgent in many branches of the army, we are willing and eager to help in promoting this cause," they declared as they were approached by B. J. Edwards, Chamber of Commerce president.

DESERTERS, WHAT ELSE?

The head of the American Legion,
in addressing labor leaders,
said that a man who lays down
his tools on a war job to strike is
just as guilty of an act of treason
as a soldier who deserts his post
of duty.

Labor leaders bitterly assailed
this viewpoint, but their arguments
are unconvincing. Morally,
it is no less treasonable for a man
to throw down his tools which provide
a soldier with equipment to
fight than it is for the soldier to
throw down his weapons and refuse
to fight.

Strikes cannot justify desertion
of war jobs. In leaving their posts,
they are traitors to a common
cause, even though they enjoy immunity
from punishment such as
would be meted out to soldiers
who desert.

CREDIT DUE LOCAL MERCHANTS

Probably no business has had
more burdensome detail to comply
with in carrying out rationing
and price regulations, than
have the retail stores of the country.
Almost overnight, their buying
and selling methods were re-
volutionized, and their banking
and bookkeeping greatly compli-
cated. On top of that, they have
faced a manpower shortage more
serious than most businesses.
Only the inbred ingenuity and
determination of the American
merchant could have met the im-
pact of such drastic changes, and
at the same time maintained service
to consumers.

Official data appears to demon-
strate that retail food distribu-
tors have fared worse and per-
formed better than other more
articulate and better organized
groups. Chain food distributors are
in a large measure responsible for
holding the "Cost of Food Index"
at a relatively low level compared
to average earnings of United
States labor.

It is apparent from the Index
figures that retail food distribu-
tors cannot properly be charged
with "profiteering" and the Index
may well indicate the justifica-
tion for certain price adjustments.
It is but fair to give credit to any
industry that has made such a
record to have the food stores
under such drastic operating con-
ditions as they must meet.

CHANCE FOR LABOR STATESMANSHIP

If the people suffer a coal short-
age this winter, the blame will
have to be laid squarely in the lap
of government and labor, because
the wage, labor, hour and price
question is wholly in their hands.
If workers could only see it,
they are undermining the very
system they enjoy by forcing
federal government control of
their affairs in order to maintain
oil production—and production
will be maintained. Only the most
boldly labor leaders will sanction
labor trouble in the coal
mines now.

The merchant who keeps the
public sold will be sitting pretty
when the whistle blows—even if
he does have to tell them he can't
sell them all they want.

Views of Neighboring Editors:

The Scurry County Times—The
story of the creation of the world
is told in Genesis in 400 words.
The world's greatest moral code—
The Ten Commandments—contains
only 297 words. Lincoln's Gettys-
burg address is but 266 words in
length. The Declaration of Inde-
pendence required only 1,371
words to set up a new concept of
freedom.

But... the Office of Price Ad-
ministration used 2,500 words to
announce a reduction in the price
of cabbage seed.

Colorado Record— Now our pre-
sent Senate can't even pass a
resolution saying we want and
INTEND to join other nations in
keeping the peace without prying
loose the Congressional rafters as
to how we'll say it IF we say it.
And how the isolationists must
love that! (Don't tell me Senator
Wheeler isn't having fun.)

Terry County Herald— News-
week, the popular weekly that has
well taken the place of the Liter-
ary Digest as the people's favorite
weekly, has recently come out
with a Tom Thumb edition of the
magazine, that is so light in weight
that it can be mailed first class
to soldiers and other men in the
service overseas. By reducing the
size of the type, the pictures and
using thin paper, this was possi-
ble. As all service men have good
eyes, it is possible for them to
readily read the midsize sized
magazine without undue eyestrain.

Excuse— An intimation to
down-paying customers given by a
country storekeeper:
"All persons indebted to our
shop are requested to call and
settle. All indebted to our shop
and not knowing it are requested
to call and find out. Those know-
ing themselves indebted and not
wishing to call are requested to
remain in one place long enough
for us to catch them."

Liberty Vindicator— One of the
smut stacks of the East, who
writes a column of misinformation
on the war and politics, sneered
a while back at Texas because
our State leads the nation in the
number of volunteers. He said
that the standard of living is so
low down here that the Army pay
looks like a fortune. His statement
is, of course, a slander on our
patriotic soldiers and sailors who
are offering their lives for their
country—including such ingrates
as the scurrilous Eastern com-
mentator. But he keeps on writ-

ing for the big city paper so the
owner and the editor approve of
such slime, too, or else they would
have fired him.

The door of every true Amer-
ican should be closed against him
and he ought to be forced to the
offal from the swill barrels in the
back alleys along with his four-
footed brethren.

Women's Angle, Lubbock Avail-
anche— Fresh air is one of the
best tonics you can take. Too many
of us who work indoors all day
are inclined to duck over to the
nearest restaurant for lunch and
then spend the rest of the time
reading or shopping or "just look-
ing." Even the hours after work
we spend indoors at home, in the
movies or visiting friends.

If an actual clocking of the time
you spent outdoors were made
many wouldn't average more than
a half-hour a day.

Why not resolve to spend a
little more time out of doors? A
brisk two-mile walk can be broken
up by doing part of it on the
way to work, at lunchtime or on
the way home or after dinner.
You'll be delighted to discover it
will kill off those fatigue germs
which cause that let-down feel-
ing you suffer at the end of the
day.

Failures Reported In Month Of Sept.
 No commercial failures reported in September, the United States Bureau of Business has reported. This is the second successive month in which no bankruptcies were reported.
 The composite index of Texas bankruptcies reached 196.1 in September, compared with 194.1 in August and 190.7 in September of 1941.

Civilian Rice Supply Normal
 Rice will be available this year to consumers in average quantities of the past several years, but may not be adequate to meet the large demand resulting from increased buying power, the War Food Administration said recently. Under controlled distribution, however, states whose populations normally eat the most rice will get the most proportionately.

REIDSVILLE, GA.—Wiley L. Moore, Georgia's first Director of Corrections, shakes hands with convicts at the Tattnell Prison, here. The new director was installed to head the housecleaning of Georgia's prison system after Gov. Arnall had characterized the prison system in use as inhumane and archaic. The new director's job will be to install a modern and humane prison system.

Advice Given On Room Temperatures For Winter Weather

With the approach of cold weather, Dr. Geo. W. Cox, State Health Officer, has issued some timely advice concerning room temperature and its relation to health.

"It is very important that inside temperature be maintained at around 68 to 70 degrees," Dr. Cox said. "Thousands of homes are continually overheated in the winter, and a degree of heat is often demanded that would not be tolerated in the summertime."

In a room that is overheated, the body pores are open, and the moment that the outside temperature is encountered, much harm may result. Colds, influenza, bronchial troubles and even pneumonia may take advantage of this bodily abuse, and take a serious toll in sickness and even death.

"An inside temperature of from 68 to 70 degrees is not only more healthful, but actually more comfortable," Dr. Cox said. "When, added to these factors, the resulting economy is considered, it might be well to check up and see what your thermometer reads. A thermometer kept within the range suggested, plus the careful maintenance of proper humidity, will help to prevent needless sickness and protect the good health of your family."

Texas Postal Receipts Given Boost By Mailing Of Overseas Packages

Christmas packages to the boys overseas helped to boost Texas postal receipts during September to \$2,000,035, a sharp increase from receipts of \$1,627,379 in September 1941, the University of Texas Bureau of Business Research has revealed. A sharp increase was also reported from the local post office.

FARM INCOME IN TEXAS GAINS 31 PER CENT OVER LAST YEAR

Texas farmers put "money in the bank" in September, as farm cash income for the state rose to \$144,000,000, a 20 per cent increase over income received by farmers in August, the University of Texas Bureau of Business Research has reported.

Cumulative farm cash income in Texas from January through September was \$728,000,000 against \$555,000,000 during the corresponding period a year ago—a gain of 31 per cent.

The number of cattle marketed during September was a little below that for the same month of 1941, but higher prices brought a gain from cattle to \$15,000,000 compared with less than four-million the year before.

Did you know this about the WAC?

- ... that the Army needs thousands more Wacs at once?
 From all branches of the Army, officers are writing in reports: "The Wacs are doing a great job. Give us more!" But there aren't half enough Wacs to fill the requests. Your fighting men need you in the WAC—and now!
- ... that all qualified women have a chance to compete for officer training?
 If you meet the requirements, you may join the WAC as an officer candidate direct from civilian life. Or, you may join the WAC as a private and compete for selection as an officer candidate from the ranks.
- ... that WAC training may fit you for a career after the war?
 Wacs learn radio, executive and staff work, mess management, photography, and dozens of other skills that may help them to a real career when the war is over.
- ... that WAC pay is good pay?
 Even as a WAC private you get \$50 a month—all clear. Wacs are given board, room, clothing, medical and dental care. Their pay increases with each step-up in rank.
- ... that Wacs are a... members of the Army?
 Congress recently passed a bill making the WAC a part of the Army. So now a Wac gets all the benefits a soldier does—such as government life insurance at low rates, free mail, and veterans' benefits when the war is over.
- ... that being a Wac is an important way to help win the war?
 Not every woman can be a Wac—only those between 20 and 50 years of age, single, or married but without dependents, without children under 14.
 If you are one of these specially qualified women, then you belong in the WAC—that's where you can have a really vital share in helping win this war. Get full details at your nearest U. S. Army Recruiting Station. The Wac on duty will be glad to tell you all about the WAC and the thrilling opportunities it offers you. Go now!

Any erroneous reflection upon
the character of any person or
firm appearing in these
columns will be gladly and
promptly corrected upon being
brought to the attention of the
management.

Entered at the Post Office at
Post, Texas, as second class mail
matter, according to an Act of
Congress, March 3, 1879.

DESERTERS, WHAT ELSE?

The head of the American Legion,
in addressing labor leaders,
said that a man who lays down
his tools on a war job to strike is
just as guilty of an act of treason as
a soldier who deserts his post
of duty.

Labor leaders bitterly assailed
this viewpoint, but their arguments
are unconvincing. Morally,
it is no less treasonable for a man
to throw down his tools which provide
a soldier with equipment to
fight than it is for the soldier to
throw down his weapons and refuse
to fight.

Strikes cannot justify desertion
of war jobs. In leaving their posts,
they are traitors to a common
cause, even though they enjoy immunity
from punishment such as
would be meted out to soldiers
who desert.

From cotton liners, woodpulp
and soft water are manufactured
rayon, artificial horsehair, wool,
ribbon and films.

CREDIT DUE LOCAL MERCHANTS

Probably no business has had
more burdensome detail to com-
ply with in carrying out rationing
and price regulations, than
have the retail stores of the coun-
try. Almost overnight, their buy-
ing and selling methods were re-
volutionized and their banking
and bookkeeping greatly compli-
cated. On top of that, they have
fared a manpower shortage more
serious than most businesses.
Only the inbred ingenuity and
determination of the American
merchant could have met the im-
pact of such drastic changes, and
at the same time maintained ser-
vice to consumers.

Official data appears to demon-
strate that retail food distribu-
tors have fared worse and per-
formed better than other more
articulate and better organized
groups. Chain food distributors are
in a large measure responsible for
holding the "Cost of Food Index"
at a relatively low level compar-
ed to average earnings of United
States labor.

It is apparent from the Index
figures that retail food distribu-
tors cannot properly be charged
with "profiteering" and the Index
may well indicate the justification
for certain price adjustments.
It is but fair to give credit to any
industry that has made such a
record as have the food stores
under such drastic operating con-
ditions as they must meet.

CHANCE FOR LABOR STATESMANSHIP

If the people suffer a coal short-
age this winter, the blame will
have to be laid squarely in the
lap of government and labor, be-
cause the wage, labor, hour and price
control is widely in their hands.
If workmen could only see it,
they are undermining the very
system they enjoy by forcing
warrior government control of
their actions in order to maintain
and production—and production
will be maintained. Only the most
foolhardy labor leaders will ex-
acerbate labor trouble in the coal
mines now.

The merchant who keeps the
public sold will be sitting pretty
when the whistle blows—even if
he does have to tell them he can't
sell them all they want.

Views of Neighboring Editors:

The Scurry County Times—The
story of the creation of the world
is told in Genesis in 400 words.
The world's greatest moral code—
The Ten Commandments—contains
only 297 words. Lincoln's Gettys-
burg address is but 296 words in
length. The Declaration of Inde-
pendence required only 1,321
words to set up a new concept of
freedom.

But... the Office of Price Ad-
ministration used 2,500 words to
announce a reduction in the price
of cabbage seed.

Colorado Record— Now our pre-
sent Senate can't even pass a
resolution saying we want and
INTEND to join other nations in
keeping the peace without prying
nose the Congressional rafters as
to how we'll say it IF we say it
And how the isolationists must
love that! (Don't tell me Senator
Wheeler isn't having fun.)

Terry County Herald— News-
week, the popular weekly that has
well taken the place of the Liter-
ary Digest as the people's favorite
weekly, has recently come out
with a Tom Thumb edition of the
magazine, that is so light in weight
that it can be mailed first class
to soldiers and other men in the
service overseas. By reducing the
size of the type, the pictures and
using thin paper, this was possi-
ble. As all service men have good
eyes, it is possible for them to
readily read the midget sized
magazine without undue eyestrain.

Exchange— An intimation to
slow-paying customers given by
a country storekeeper.
"All persons indebted to our
shop are requested to call and
settle. All indebted to our shop
and not knowing it are requested
to call and find out. Those know-
ing themselves indebted and not
wishing to call are requested to
remain in one place long enough
for us to catch them."

Liberty Vindicator— One of the
smart alecks of the East, who
writes a column of misinformation
on the war and politics, sneered
a while back at Texas because
our State leads the nation in the
number of volunteers. He said
that the standard of living is so
low down here that the Army pay-
books like a fortune. His statement
is, of course, a slander on our
patriotic soldiers and sailors who
are offering their lives for their
country—including such ingrates
as the scurrilous Eastern com-
mentator. But he keeps on writ-

ing for the big city paper so the
owner and the editor approve of
such slime, too, or else they would
have fired him.

The door of every true Ameri-
can should be closed against him
and he ought to be forced to the
offal from the swill barrels in the
back alleys along with his four-
footed brothers.

Women's Angle, Lubbock—Aval-
anche— Fresh air is one of the
best tonics you can take. Too many
of us who work indoors all day
are inclined to duck over to the
nearest restaurant for lunch and
then spend the rest of the time
reading or shopping or "just look-
ing." Even the hours after work
we spend indoors at home, in the
movies or visiting friends.

If an actual clocking of the time
you spent outdoors were made
many wouldn't average more than
a half-hour a day.

Why not resolve to spend a
little more time out of doors? A
brisk two-mile walk can be bro-
ken up by doing part of it on the
way to work, at luncheon or on
the way home or after dinner.
You'll be delighted to discover it
will kill off those fatigue germs
which cause that let-down feel-
ing you suffer at the end of the
day.

Lawrence Snively Goes To Officer Training USN

Lawrence Snively, stationed with a navy supply depot for the past year in San Diego, has been sent to Tucson, Arizona, for officer training. Upon completion of his training he will be commissioned ensign in the Navy. He is the son of Mrs. and Mrs. Paul Snively of Colorado City and formerly taught school here. He made his home while in Post with Mr. and Mrs. F. I. Bailey.

Charles Luttrell of Sheppard Field spent Sunday with his wife, the former Sally Davis. Charles is completing basic training for aerial gunnery and mechanics in the Army Air Forces in a few weeks and will be transferred to another field.

Dan Rodgers Visits Here For Several Days

Dan Rodgers, son of Mrs. Irene Rodgers, arrived here Thursday night from Pittsburg, Kans., where he has been taking specialized training work at the University there. Dan is in the Supply Division of the United States Navy and will be transferred to Boston, Mass., where he will continue officer's training work.

Bill Cravy Reports To Fort Leonard Wood, Mo.

Bill Cravy reported to Fort Leonard Wood in Missouri from Ft. Sill, Oklahoma, it was learned here last week end. His wife, the former Jewel Satterwhite is here with her parents, Mr. and Mrs. W. J. Satterwhite of the U. Laxy S ranch temporarily.

Duke Travis Receives Letter From Bud Speck

The following letter was received by Duke Travis from Bud Speck who is stationed in North Africa. Bud formerly lived in Post and worked along with Travis in the Bryant-Lank store.

Dear Duke:
I am sending you a snap shot as to how the people over here farm. I beg your pardon—how they try to farm. They still continue to do things the hard way. So if any of those farmers around Post are discouraged about their John Deere tractor, they can always go back to the oxen and walking plow. I mean to tell you they all farm this way and some of them with a knife. So if Mr. Dalby, A. C. Howell, Henry Aten, Scott Storie, Lacy Richardson, L. G. Thuett and some more of those broke down farmers around there are kind of blue about the crops, they should come over here and see how these people do things. To walk all day in rocks and clods in their bare feet and have a plow that only plows about two inches deep then they would have something to kick about. Please do not take this paragraph seriously for I am only kidding.

Getting along O. K. I think before long we are going over to Italy to make it safe for Democracy.

I guess I had better sign off—I got to go up to supply and get two tires and tubes and wheels for these flying crates of ours. So long.

May I Say Friend—
Bud Don "Tex" Speck
P. S. We take great pride in keeping those Flying Fortresses up there. They are the best in the whole universe.

Mr. and Mrs. Harold Stotts and little Denny spent Sunday night with her parents, Mr. and Mrs. F. B. Hurt. Harold took his physical examinations for the army while here. The former Post couple now live in Lubbock.

Southland Boys In Service

Cpl. Homer Gilliland's first letter directly to his parents arrived Oct. 28, the last previous one in August. He stated that he was well and asked his parents not to worry about him. He also wrote that he had not heard from them in some time.

Norman Bedford didn't ask for a transfer to his present home, Ft. Worth, but preferred to be inducted at Lubbock, so he could visit his many friends here. He leaves for a Navy center Tuesday of this week.

Robert Pennell, another former resident, is in the army now. He has a 21-day leave, which he is spending with his wife, baby and other relatives at Post.

James Becker was given a farewell dinner at the Lunch Room a week ago Sunday. The crowd of 75 included friends from Slaton and Wilson, but, as is always the case, several local people had not heard of it.

Master Sergeant Charles Sokoll, Jr. is now flight chief and is stationed at Cook Nebraska.

Atlantic mail service must be improving—another letter reached here in 11 days. Arthur Stolle's letter was received Oct. 13, stating that he was still in Africa and getting along fine so far. Recently his father secured the requested pocket knife—after searching in Lubbock, he found one in Post and sent it to Arthur.

Pvt. Donnal Timmons is in the University of Alabama, and Avery Timmons is in Sioux Falls, S. D. These brothers of Mrs. O. E. McGaw are well known here where they have visited and helped with the Baptist revival last summer.

Stationed At Santa Anna, Calif.

A/S Albert F. Howard, son of Mr. and Mrs. Elmer Howard, of this city has been transferred recently from La Grande, Oregon, to Santa Anna, California to continue cadet training. He writes that he does not like California as well as Oregon and that Post is the best of all. He says that a rough bunch is stationed in Santa Anna. We will be confined to the post for 42 days and he expects to get lonesome during that time, so he wants all the news from home and also the hometown paper. (His father subscribed to the Dispatch for him Friday.)

"Grand To Get Home Even For A Few Hours"

L. D. Stevens of Boulder, Colorado, spent one night at home last week visiting his parents, Mr. and Mrs. B. L. Sargee. He had three days furlough from the Marine Training College in Boulder, Colorado, and had to return Friday morning in order to report back to his training center on time. L. D. did not know when he was here whether or not he would continue work in Boulder or whether he would be sent to another training school. "Its grand to get home and see everybody," he said.

Set Jack Burrus left Saturday for Camp Campbell, Ky, where he has been in training for the past several months.

Miss Helen Jo Hundley of McMurry college spent a short time visiting in Post over the weekend. She was a guest of friends in Falls who were home on leave from Pittsburg, Kansas.

Southland News

Mrs. Marvin Truelock, Correspondent

Friday afternoon, Mrs. O. J. Harmonson's Junior Sunday school class met at her home for a Halloween party. When the hungry school children arrived at 4:00, they roasted wieners. After an afternoon of games, refreshments of cookies and cocoa with marshmallows having faces of chocolate were served.

Week before last, Stotts Spence purchased the Southland Recreation club from B. Cummings. The cafe was closed last week because the cook left and could not be replaced.

Avon Bedford left for his home in Ft. Worth, after visiting friends here during the week his son, Norman, was taking physical examinations at Lubbock for the Navy.

Dinner guests of the C. W. Deans Sunday before last were their son, Harlan and family who live in the Joe Stokes community, Mr. and Mrs. Sam Martin and son Harley and Mr. and Mrs. W. A. Hamilton. The Deans will leave soon to spend the winter in South Texas.

Former residents, Mr. and Mrs. John Baker of Slaton were here Tuesday and also attended church here Sunday.

Elder Nesbitt of Abilene filled the Church of Christ pulpit at Gordon Sunday.

Mr. and Mrs. Charles Sokoll, Sr., accompanied by their three grown children at home, spent Sunday with their son, B. H. and family, at Idalou.

Mr. and Mrs. Clarence Church and Mr. and Mrs. Childers of Merkel visited the B. N. Billingsleys this past week.

Sunday was Roy Dopson's 44th birthday and he was honored at a dinner in the home of his wife's parents, Rev. and Mrs. O. J. Harmonson. Of course, his wife and children accompanied him from Ropesville.

Miss Hilda Bahlman received an operation at Lubbock General hospital. Her mother, Mrs. C. F. Bahlman, also of Winterg, has been visiting her son, George and wife of Southland.

Last Friday morning, the mothers of pupils in the first four grades gathered in the auditorium at school for the Halloween program sponsored by the Primary teachers, Mrs. Harvey Stotts and Mrs. L. J. Duff. The interesting program would have been an addition to the carnival that night, but had to be given that morning. We have time for the added attractions of the evening.

Mr. and Mrs. J. C. Rolan and children spent Sunday in Post, visiting his sisters.

Mrs. G. D. Ellis visited Mrs. B. R. Arthur Sunday and reported the invalid a worse.

Mrs. Blanton Martin (Willie Mae Davies) will arrive Tuesday from Bryan. She will visit her sister Eula Lee at Midland.

A message last week stated that the Glenn Weeks of Amarillo are parents of a daughter. Mother (Madeline Arthur) and baby are doing fine, but no name or weight was included.

Fifteen Grade school pupils, all of them either living in or near town or having relatives here, stayed after school Monday afternoon to sing. As eleven of the students attended the Baptist Sunday school, they practiced in unison on the song "Farther Along" and the three-part song "On the Jericho Road" to sing at the Baptist church Sunday morning. There were two representatives of the Lutheran church and one each of the Methodist and Church of Christ. At the next meeting, the church having the largest number present, will be honored with the second selections of our Junior choir. They decided to meet each Monday afternoon after school.

Hallowe'en Spirit Rules At Church Party Thurs. Night

A delightful party with the hallowe'en spirit predominating was given for the Young People and the Intermediate divisions of the Methodist church last Thursday night. The church basement was the scene of the party and appropriate decorations and games were effectively used to add gaiety to the occasion. Approximately 25 members attended. Sponsors for the party were class leaders, Mrs. Noah Stone, Mrs. B. E. Young and W. R. Graeber. Pop corn balls were served at the conclusion of the party.

Fifth Birthday Observed By Leslie Anita Nichols

Leslie Anita, daughter of Mr. and Mrs. Lester Nichols, observed her fifth birthday on Monday afternoon at 4 p. m. Her mother was hostess to a lovely party for Anita and about ten little friends, a number of whom were accompanied by their mothers. Birthday gifts were inspected after which the children played a variety of outdoor games. Ice cream and cake were served. Mrs. W. H. Porter and Mrs. H. G. Smith of Lubbock visited friends in Post Tuesday.

Graham Homemakers Met In Cowdrey Home October 28

The Graham Homemakers club met on Thursday afternoon, Oct. 28th with Mrs. Dorothy Cowdrey. There were fourteen members and four visitors present. The afternoon was spent in quilting for the Red Cross. Two quilts were finished.

Several wore Hallowe'en costumes. The story about Hallowe'en was also given by Alma McBride.

The next meeting will be with Mrs. Mary Cowdrey on Thursday afternoon, Nov. 11th.

Lovely refreshments were served to the following visitors and members: Mesdames R. P. Cowdrey, Lucy Gossett, Vera Mae Gossett and Stokes, visitors; members, Mmes. Alma McBride, Rene Fluit, Claude Fluit, Iris McMahon, Mary Cowdrey, Lola Peel, Mae and Naomi Notman, Myrtle Cox, Mae Gossett, Pearl Wallace, Johnnie Wallace, Ada Mae Tucker, and the hostess. —Reporter

Musical Numbers By Club Daughters Featured At Club

The Woman's Culture club met Wednesday, Oct. 27, in the Legion Hall in regular session. Business was taken care of and various committees were named for the year by the president, Mrs. Jones.

Two beautiful musical numbers were given by club daughters, Misses Iris Joy Parker and Betty Williams. Iris Joy sang "Deep River" and "Falling in Love" as an encore. She was accompanied by Betty.

Mrs. J. N. Power was leader of a Time Magazine Program, the subject of which was "The United States and a New World Pacific Relations. Mrs. John Cearley gave American Proposals for South-eastern Asia. Mrs. J. R. Durrett, "Japan and Her Place in the New World," "The United Nations and Their Place in the New World and our relations toward each other." Mrs. Power concluded the program with her subject: "American Proposals for China."

Mrs. B. E. Young assisted by Mrs. T. L. Jones were hostesses. Eleven members were present. —Reporter

Combined Meeting of P-TA and Culture Club Set For Nov. 10

A combined meeting of the Parent-Teacher Association and the Women's Culture club will be held on Wednesday, November 10, at 3:30 o'clock at the High school, according to an announcement made early this week by publicity directors of both organizations.

A patriotic program will be presented with members of both groups taking part. As a special feature a guest speaker, who has recently returned from visiting in Lincoln's birthplace, will be heard on the program. Appropriate music following the patriotic theme will also be given. Mrs. R. C. Tennison will make arrangements for the music. A Youth Panel on "Teen Trouble" will be conducted by Mrs. Esma Cash.

Members of the hospitality committee will be Mrs. Tol Thomas and Mrs. Vachel Anderson. The presidents of the P-TA and the Woman's Culture Club, Mrs. J. E. Parker and Mrs. T. L. Jones, respectively, will preside.

Sgt. Elmer Jones Honored With Party During Furlough

Mr. and Mrs. Hal Jones of the Graham community honored their son Sgt. Elmer Dee Jones, who is here on a fifteen day furlough with a birthday dinner at their home on Sunday, Oct. 31. Little Misses Jeanie Peel and Wamella McClellan presented him with a basket of gifts singing "Happy Birthday."

Those enjoying the occasion were: Mr. and Mrs. W. O. Fluit and family, Mr. and Mrs. Morris McClellan and family, Mr. and Mrs. Elmo Bush, Mr. and Mrs. Bernice Jones of Levelland, Mr. and Mrs. Walter Jones, Mr. and Mrs. Elva Peel, Mr. and Mrs. Norman Jones, Mr. and Mrs. Chester Morris, Mr. and Mrs. Paul Hederick and daughter. Afternoon callers were Mrs. Pearl Doggett, Mr. and Mrs. Tom Ferguson and sons J. T. of San Diego, Calif. and A/C C. T. who is in the U. S. Air Corps at Houston.

All the family was present but Sea. 2/c Hal Wayne Jones who is somewhere in the South Pacific.

The Post Dispatch

THE PRESIDENT:

"Those of us who have seen and know the work the Waacs are doing . . . have only admiration and respect for the spirit, the dignity, and the courage they have shown. Many additional thousands of women are needed in the WAC immediately."

FRANKLIN D. ROOSEVELT

GEN. GEORGE C. MARSHALL, Chief of Staff:

"Commanders to whom the Waacs have been assigned have spoken in the highest terms of their efficiency and value. The best evidence in the matter are the demands now being made on the War Department for increased allotments of WAC organizations, which total hundreds of thousands."

COL. OVETA CULP HOBBY, Director of the

WAC: "For every woman who comes forward to do a military job, one more father will be enabled to remain at home with his family. Women as a group have always been the exponents, the proponents, of family life. They now are given a real opportunity to preserve and protect it."

War Correspondent, ERNIE PYLE:

"The Waacs here in Africa are working out so well that many others are being called for. There is a distressing shortage of Waacs. I'm told the Air Forces alone would like to have 300,000. If you happen to have a few hundred thousand potential Waacs around the house, would you please let us know?"

SERGEANT HERBERT W. KLINE, Jr., of Army

Service Forces: "I think it is a fine thing for the Waacs to replace enlisted men in their jobs so that the men can go where they are needed more in this fight. I think all administrative jobs in the Army now held by enlisted men should be turned over to Waacs."

DR. J. QUINTER MILLER, of the Federal Council of the Churches of Christ in America, says: "Recently I visited WAC Training Centers and Army posts where Waacs are stationed. I was deeply impressed by the fine type of women I met, the seriousness with which they do their jobs, the pride they feel in being members of this splendid organization."

DR. MINNIE MAFFETT, President of the National Federation of Business and Professional Women's Club: "The WAC as a component part of the Army brings to my mind the saying: 'A nation that fights with its men alone fights with only half of its potential power.'"

Miss Carolyn Dixon gave a demonstration on how to make a draw string purse, also a spiced apple.

Miss Melba Carpenter was elected parliamentarian. There were twelve members present. Four new members were taken into the club. They were Dot Jones, Pearl Craig, Nita McClellan, Elizabeth Hoakins. The sponsor, Mrs. Guy Fleming, was a visitor. —Reporter

Grassburr News

The Ladies Victory club of Grassburr community had a program at the school house, Friday night, Oct. 29, and sold our club quilt which we had pieced and quilted. Our quilt netted us \$25.45. Mrs. McQueen drew the lucky number for the quilt.

Our club disbanded until the rush season of crop gathering is over.

Our school is progressing nicely and the kiddies are all enjoying Mrs. Buster's nice hot dinners at the lunch room.

Sunday, Nov. 7, is preaching day at the school house. Bro. F. A. Harbage of Plainview is our pastor. You are invited to hear him.

The Wayland college missionary band is to be with our church Saturday night, Nov. 16 and Sunday morning and afternoon, Nov. 7 for a program. Everyone is cordially invited to hear their program. We are sure it will do you good to hear these fine young people speak and sing. We also have Sunday school every Sunday and wish everyone in the community would come and help us to have a better Sunday school. —Reporter

"Proudly We Hail" At Garza Theatre Sunday and Monday

One of the most stirring film romances ever offered by Hollywood is about to capture the heart of Post when "So Proudly We Hail" shows Saturday night, Sunday and Monday at the Garza Theatre. The two people whose love story the picture tells are portrayed by Claudette Colbert, famous around the globe for her great acting ability and personal charm, and George Reeves, a comparative unknown, who gets his first real break as Miss Colbert's screen sweetheart.

Lovely Barbara Britton and Walter Abel have important roles and are sure to be hailed, along with everyone else in the picture, for such memorable performances as will definitely establish "So Proudly We Hail" in the movie hall of fame.

Bridal Shower Given For Mrs. Elmo Bush

A bridal shower was given in honor of Mrs. Elmo Bush Tuesday October 19, in the home of Mrs. L. G. Thuet with Mrs. L. P. Baker, Consuelo Thuet and Mary Gale Young as co-hostesses.

Hallowe'en decorations were carried out.

Several games were enjoyed after which Mrs. Bush was presented with many useful and lovely gifts.

Delicious refreshments were served to 37 guests. Several others who could not attend sent lovely gifts. —One present

POST HIGH SCHOOL NEWS

Hazel Louise Cash, Reporter GUESS WHO???

She is a member of the Senior class. Her birthday is between the 1st and the 20th of October. She has beautiful black hair and brown eyes. She is a good basketball player and is good in her school work. She is popular and very sweet. Can you guess who she is?

Senior Personality

Senior Personality this week is Alvin Davis, son of Mr. and Mrs. Glenn Davis. Alvin is sixteen and makes above average grades. He has just been awarded the honor of going to Chicago with all expenses paid. He was one of the seven boys chosen from the state of Texas because of their outstanding work in the 4-H club. His unusually quiet manner and brilliant smile makes us, the Senior class, proud to have him a member of the class.

High School Annual

There is to be an annual this year and it will be sponsored by the Senior class. The Annual Staff has been chosen and they are: Editor-In-Chief, Betty Williams, Business Manager, Marshall Mason and several reporters from each class.

The pictures will be made Tuesday of the class students.

The Best All-Round boy and girl have been selected also and they are Melba Jo Miller and Jimmy Bird. Also, the class favorites were selected and they are as follows: Seniors, Betty Williams and Marshall Mason; Juniors, Wanda Propst and Sonny West; Sophomores, Joy Shepherd and Billy Jo Woods; Freshman, Alma Outlaw and Gene Giles; 8th Grade, Jane Ann Turner and Billy Patty.

Miscellaneous Events

Monday afternoon was try-out day for parts in the Senior play.

Results of Queen Contest

It was a happy day Thursday for the Senior Class, when the bell rang just in time for the Seniors to win. The contest was opened at about 12:55 p. m. and the classes started turning in their money. I have never seen class spirit so high. The returns were given every 5 or 6 minutes and the Seniors were first, Freshmen second, Sophomores third, Juniors fourth and Eighth grade fifth. More money kept coming in and just as Mr. Bearden was giving the returns the second time the bell rang. The Seniors won with \$102.93, Juniors second with \$89—Sophomores third with \$77—the 8th grade fourth with \$55—and the eighth grade fifth with \$53.

Grade School News

Buy Bonds and Stamps!

The sale of bonds and stamps on October 26th, was \$162.65. This was the highest weekly sale during the month of October. The total sales for September and October was \$958.55. Mrs. Labeff's fifth grade students bought the highest amount in October. They bought \$112.45.

Bonds in October were bought by: Lee W. Davis, Jr., Jean Sims, Zoe Sims, Ina Jean Cato, Giles Dally, Ronnie Boughier.

Mrs. Labeff's students won first place on securing the highest percentage of parents and grandparents as members of the Parent-Teacher Association.

Elsie Verna West of the seventh grade won in the contest for "Queen of Hallowe'en." The total votes brought \$106.44. Each student worked hard for his or her grade contestant and wanted her to win, but everybody cheered highly for Elsie Verna when the winner was announced.

An Assembly Program

Thanks to Mrs. Snowden and 6-2 grade for the entertaining Hallowe'en play given during assembly, October 29. The stage was well decorated with scenes of black cats, owls, jack-o-lanterns, witches, autumn flowers and shrubs. One became frightened upon entering the dark auditorium, but the play was so jolly that the audience soon forgot Hallowe'en is the strangest night of all the year. Even the witch danced to gay music. There were ghosts and spoke, too.

We have assembly on Fridays at 1:40 p. m. We are happy to have visitors. —Reporter

Music Pupils Are Presented In Recital Wed. Afternoon

Wanda and Delta Mae Rogers, daughters of Mr. and Mrs. Earl Rogers, were presented in piano recital at the home of their teacher, Mrs. Ashley Lawson, Wednesday afternoon at 5 o'clock.

Assisting the recital program were Willie Ann Mathis, Gene Young, and Carolyn Hudman, all pupils of Mrs. Roy Mullins.

P-TA CARNIVAL—

(Continued From Front Page) the queen was read by Frank Stokes preceding the opening of the concessions.

In the costume contest Anita Davies, daughter of Mr. and Mrs. Harold Davies, was awarded first place. Sue Bell Brister, daughter of Mrs. Nola Brister won second place and third place went to Robert Smith, son of Mr. and Mrs. Ray Smith. Honorable mention was given to Rosemary Lawson, daughter of Mr. and Mrs. Ashley Lawson and Karen Sue Brooks, granddaughter of Mr. and Mrs. H. M. Tucker.

The president of the Parent-Teachers Association, Mrs. J. F. Parker, was introduced. She welcomed the patrons and made several announcements. Special recognition was given to two chairmen; Mrs. B. J. Edwards, carnival chairman, and Mrs. Tol Thomas, membership chairman. She announced that never in the history of the organization have the citizens given such whole hearted co-operation in carnival chairmen. "Roommothers, teachers, townspeople alike were wonderful," she said. A sincere vote of thanks was given to all who helped in any way to make the carnival a success. Mrs. Parker reported that there were now enrolled in the Parent-Teacher Association 204 members, the largest in the history of the school. The prize for the room having the greatest number of members enrolled went to the Fifth grade, class I, of which Mr. O. L. Labeff is teacher. The P-TA presented this class with \$5.00. Second place winner in the membership contest went to the Junior class and third place to the Freshman class.

The proceeds will be used for school projects and it is the desire of the P-TA to use it to the best advantage. Mrs. Parker declared. We have a number of plans in view and these will be discussed and weighed at a board meeting to be held in the near future. Announcements as to the plans of the organization will be made at an early date.

Paraffin wax, largely used in the electric industry, and also in manufacturing chewing gum, is a petroleum product.

Mrs. Annie Mae Pumagall and son, Tommie, of Houston visited in the home of Mr. and Mrs. Geo. Tillman several days. During their visit Mrs. Pumagall was called back home due to the sudden death of her mother. She was accompanied by Mr. and Mrs. Geo. Tillman. Mrs. S. C. Tillman was a former Post resident and has a host of friends here.

Mrs. Cecil Smith and daughter, Skeeter, left Friday for Tom where Skeeter will undergo a checkup at the Scott-White hospital.
