## Dispatch Editorials

Thursday, Oct. 28, 1976 The Post (Tex.) Dispatch 

### The 'apathy revolution'

The pollsters are hinting that more eligible voters may stay away from the polls, come Tuesday, than turn out to choose between President Ford and Jimmy Carter for a White House occupant for the next four years.

They are saying that for the first time in American history the voter turnout in a presidential election year may fall below 50

They say this is because too many voters find neither major candidate appealing.

Well, to our way of thinking, this is indeed a very real crisis in the American political process

Most do agree that the vote Tuesday is not. the most important all-time decision ever to come before the voters. Probably most folks would also agree that neither major candidate has the leadership qualities necessary to arouse the masses.

But still and all, the American presidency is a unique political position. The man who holds it is truly the most powerful man in the world. He also, by virtue of that power, speaks for and to the American people as no other

The majority of Americans cannot afford to turn their backs on the American presidency in disgust, complacency, or disdain.

If America, which celebrated its 200th birthday of freedom only four months ago, is to survive in this complicated, pressure packed world, we must do our best together.

That requires not only putting on the uniform in time of war but of casting an intelligent vote in time of peace.

The Dispatch over many years has argued that it would prefer a voter not to vote if he or she had no preference and had given no thought to his or her candidate selection.

America needs to vote, but it needs to vote intelligently after individual voters first consider the candidates and their qualifica-

Tuesday is the day of decision in the American political process. We choose not only a president but many other officials. For the presidency alone we should prepare ourselves to cast our own intelligent vote, go to the polls, and pick up that pencil.

If a minority of Americans select our next president, then as surely as the sun will rise tomorrow morning, our democratic form of government has been dealt a blow that may eventually wreck our political processes and lead us to some other form of government in which the freedom of choice would no longer be every American's birthright.

## Dispatch endorses Ford

A number of weeks ago, just after the Democratic convention had nominated Jimmy Carter for president, The Dispatch in an editorial asked: "Jimmy who?

At that time Carter had emerged from the long battle of the primaries as the victor over a host of adversaries for his party's top prize.

In asking "Jimmy who?" we wanted to know exactly what this pleasant man from a tiny Georgia town stood for - and against - as he burst onto the national scene

Almost an entire presidential election campaign later we still are asking because that campaign - and even the three so called debates - have not offered the answers.

When Jimmy began the campaign he held the biggest margin in history over an incumbent president, according to an agreement of the national polls.

But the doubts we had then have continued to spread. Today with only a few fast windup days left to the campaign, Carter's margin is down to a few points. A group of states which could swing the election either way are now rated too close to call.

Carter has not said exactly what he believes, or exactly what he is for, or exactly

Some call this strategy - even good campaign strategy.

"They" say he is not making promises which will haunt him later.

The Dispatch' editorial position in this crowned as queen at GA election year is a quite simple one. We are not ceremony: Post and Slaton to willing to enthrust the only country we have to clash at 7:30 Friday on Tiger's a man who refuses to identify himself. That is grid: Happy Homecoming, Post simply too big a risk to take.

There are a lot of admirable qualities about Jimmy Carter. But he hasn't shown us in this campaign a willingness to stand up and say what he believes. He has left us wondering too many times as he bounces back and forth on

The Dispatch editorially endorses Jerry and Miss Melinda Newby as Ford. We know for sure where he stands and runners-up what he will do tomorrow in a given situation.

From where we sit, Jimmy Carter won his nomination on one platform which most folks admired and then turned around and ran his presidential campaign as almost a completely different person. He has established contradictions which create grave doubts.

President Ford does not offer you and me a very spectacular American future. But it is a realistic one. It is one we can understand.

Carter says yes. Ford says no. What do you say? Say it on Nov. 2nd. Vote for President Ford.

## Water amendments supported

A year after Texas voters soundly rejected a proposed new state consitution, voters will go to the polls next Tuesday to return to the old constitutional amending process which has seen 320 out of 351 proposed amendments adopted since 1876.

Up for voter approval or rejection this time will be two water bond proposals which The Dispatch has supported editorially from the beginning

The first amendment on the ballot would authorize the Texas Water Development Board, with the approval of two-thirds of the membership of both houses of the legislature. to issue an additional \$400 million in Texas Water Development bonds for use in continued

provided by law.

The second amendment would authorize an increase of \$100 million in the amount of Texas Water Development Bonds that may be issued to make funds available for grants and loans to local governments for ,se in providing treatment facilities.

The White River dam, lake, filtration plant, and pipelines were built by money from one of the very first louns made by the Texas Water Development Board

Funds of the development board are now virtually depleted and unless more funds are voted their work will soon be at a standstill.

### **D-DAY FOR DEMOCRATS**

## Voters of the 101st Legislative District:

You have seen many times the following test sentence for beginning typists: "Now is the time for all good men to come to the aid of their party."

Tuesday, November 2 is it for this year, though it should be amended by substituting "Democrats" for "men," because everybody 18 years of age and older, regardless of sex, is eligible to vote.

I have two suggestions:

1. Be sure to vote. In case you plan to be away from home on election day, go to your County Clerk's office and cast an absentee ballot in the period prior to election day prescribed by law.

2. Vote a straight Democratic ticket!

I appreciate your support in the past and solicit your vote in the General Election. Call on me when I can be of service. I can be reached at my office in Paducah, except during sessions of the Legislature when I can be reached at my Austin office.

the teachers have a workday at the end of the first quarter.

Homecoming Queen and Football Hero Honored

Mary Ann Vasquez and Junior Buxkemper were announced as the Homecoming Queen and Football Hero during half-time activites at Home coming Oct. 15. Mary Ann's attendants were Stacy Rush and Elaine Buxkemper. The attendants were escorted by John Chaffin and Bobby Flores. The Queen and Hero and the attendants and escorts were driven around the football field on a float made by the freshmen and sophomore class-

A dance, sponsored by the junior and senior classes, was held in the school gym after the football game with West Texas Christian Academy (the Eagles won the game 54-6.) The Nashville Sound provided the music at the dance

Jr. High Football

Southland Junior High lost a tough one to Loop 40-33 Oct. 21. Southland scored four touchdowns the first half with Andy Wheeler San Davila Peter Diaz, and Amador Vasquez each making one apiece with Wheeler, Vasquez and Dennis Becker each adding an extra point. Loop only managed one touchdown making the score 27-6 in the first half.

Loop opened the second half allowing Southland only one touchdown as Wheeler scored again. Wheeler and Vasquez were injured in the second half as Loop scored wildly.

Note of Appreciation

Just a note of appreciation and admiration for the excellent job done by the Southland cheerleaders and other participants in our half time events at our Homecoming

Thanks again to the Band Leader and band for their part. We enjoyed it a lot

Mr. and Mrs. H. C. Dunn.

Basketball Games to Begin

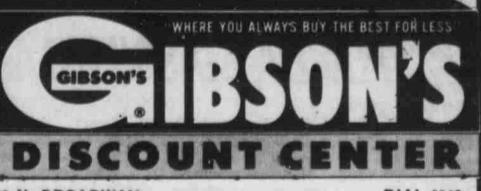

Southland's Junior High girls will open the basketball season with a game with St. Joseph at Southland Nov. 1 at 6 p. m. On Nov. 2, both the high school and junior high girls play at Patten Springs, beginning at 6:30 p. m. A complete basketball schedule for both girls and boys will be available later on cards.

Citizenship short course is program

Paula Cawthon and Sandra Bostick recently presented a program for Rotary concerning National Sandra's Citizenship Short Course and Herltage tour which she made in June and July.

She visited five states with the main points of her trip on the hertiage of our country. She was allowed to sit in on a session of the Supreme Court and met Omar Burleson. She also toured the National 4-H

### Explorers plan Spook house

By NANCY GANDY For a thrilling tour of terror, the place to be Saturday night, Oct. 30 is the Explorers 1976

You will meet Dracula, view a casket, dodging ghosts and goblins, plus getting your fortune told.

All of this will take place downtown at the Algerita Hotel. Tours will begin at 6:30 until 9 p. m., and admission will be 25 cents for primary students and 50 cents for all other ages. Pre-school children must be accompanied by an adult.

Each and everyone is invited to a fun time

Money raised will be used to help Explorers take a ski trip. Following the spook house teenagers are invited to the youth center for added fun.

Admission will be \$1 unless you are in costume, then it will be free. Prizes will be awarded for the "Scariest Costume", 'Most Original" and "Most Unrecognizable

Following the judging of the costumes, a Halloween movie will be shown, "Fiend without a Face" The movie is scheduled to begin at 11.

The Youth Center will open at 9:30 Saturday night, with the costume judging to begin at 10:30. Youth from the eighth grade to the twelfth are invited

### You talk about spirit

You have never seen spirit unless you went to last week's pep rally. The yelling nearly raised the roof off the gym.

The pep rally started off with some of the town businessmen and a lot of the junior varsity and freshmen football boys making a line for the Antelopes to run through.

The speaker this week was Coach Giddens who commented on "the Homecoming that can change the season.

Wanda Mitchell awarded this week's spirit stick to the

The pep rally was given a treat with the elementary students doing their own yells. The school song ended the pep rally

## Nelda plans to continue work after high school

Nelda Leake is working as a nurse's assistant at Garza Memorial Hospital.

Nelda's job is to help the patients in most any way that she can. She gives baths, treatments, and sometimes helps in the emergency room.

### Explorers give big hayride

The Explorer's club held a hayride for all high school students last Saturday night.

The group met at the high school gym at 7 p. m. and then traveled on two trailers to the Lott Ranch. After the group arrived at the ranch, they walked until they came to a secluded spot where they made fire and roasted marshmellows. Also served was hot chocolate and spiced tea.

The Explorers treated the group by doing several original skits which were produced and directed by club sponsor, Coach Greg Eubank.

The group returned to the gym at 11 and everyone seemed to have a good time. Everyone agreed that a good old-fashioned hayride is as much fun as it ever was.

the best qualities that a person can have," says Nelda. "I like my work because I love working with people, and it makes you feel as though you are helping someone."

The HECE program has helped Nelda realize that she would like to go on to nursing school after she graduates, and get a R.N. degree. Nelda says,

The HECE program gives students an opportunity to find out whether they are really interested in the field they are working in. We also do lessons that help us relate better to our

## Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans-not just the powerful and influential - have a

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history. Real GNP has actually declined

during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country. actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move foward a truly progressive and simplified tax system. with reduced tax rates for the average American.

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Emplayment needs to be the major thrust of the whole domestic policy of our government

Efficiency in Govern-

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hardearned money fixing up his home, the assessor raises his taxes. And the FHA no longer cares about families getting started in their own homes. intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people:

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Vote for JIMMY CARTER. A leader, for a change

## Plains cotton crop may surprise

early freeze that October 8." at end to cotton growth orthern half of the Plains, all indicato a better than crop, says a Texas gral Experiment Sta-

or physiologist. ck Gipson who has sting cetton samples the South Plains s better then average nty may push total from October estithe Lubbock Cotton

proximately 2,507,500 eres in the 25-county s area, the projected gs pegged at 1,786 es by the October 11 Gipson says. "It now rity at the time of the

Gipson says that micronaire

values will be considerably above average this season. He bases his statement on the results of samples he has taken throughout 'he High Plains region since the killing frost of October 8. Of 58 fields sampled, the average micronaire value has been slightly over 3.7. This compares with a long-time average value of 3.4. "Of the various fiber quality

measurements used in the cotton industry, micronaire is most concern to area producers since it is invariably the limiting quality character for this area," Gipson says. "Micronaire provides a measure of the maturity of cotton his estimate may be fibers. Although it is not a to better than average measure of fiber thickness per se, it is closely correlated with

cotton industry as a reliable indication of fiber maturity.

Fineness, in turn, is closely associated with yield since a coarse fiber will contain more cellulose than a fine fiber, Gipson explains. At the time of the October 11 estimate, most officials were expecting micronaire values in the range of 3.2-3.3, due to the early freeze that partially desiccated or killed a large part of the High Plains crop. Based on Gipson's samples, however, it now appears this value was "much too low, so yield should be better than anticipated at the time of the freeze.

In addition to increased yields because of higher micronaire values, marketing discounts will be less than expected, he adds. Cotton with micronaire values of 3.5 - 4.9 are not

discounted, but at 3.4 and below it is discounted by ranges, such as 3.3 - 3.4; 3.0 - 3.2; 2.7 -2.9; and 2.6 or less. On the lower micronaire ranges, a bale may be discounted by as much as \$25 to \$30. On the long-time average, about 60 percent of the crop for the 25-county area falls in the penalty range of 2.4 -3.4. Thus, a shift upward in micronaire values up to 3.5 means more dollars per bale.

Of the 58 fields sampled by Gipson, 19 fell in the 2.4 - 3.4 range. This would put 67 percent of the crop at 3.5 or

His samples showed a wide variation in micronaire values, he reports. Fields south of Lubbock in the Tahoka area which were replanted late after spring hails and fields which were hard hit by September hails averaged from 2.4 - 3.6

Earlier planted cotton in the Lubbock, values ranged from area and on south to Lamesa 2.4 to 5.4 with an over-all and west to Seminole averaged average of 3.7. In the region 4.1 to 4.8. In the areas hard-hit by the October B freeze in the Littlefield, Springlake area, 3.7 values averaged 2.7 to 4.3,

Within a 15-mile radius of have high micronaire potential.

from Lubbock to Plainview, over-all averages were again

Since producers are increadepending on the degree of singly concerned about micronmaturity at the time of the aire values, Gipson says, they are shifting to varieties that

# Lopes stun Slaton 13-6, jump back into flag rac

## 3,500 fans watch Post 'revenge' only '75 loss

gave Coach Jackie Brownd's Post Antelopes a 13 to 6 "revenge victory" over the Slaton Tigers at Slaton Friday night before a standing room only homecoming crowd of 3,500 fans.

The upset victory over the previously unbeaten and stateranked Tigers shoved the Lopes right back into the thick of the confused district 5AA championship race.

Although outrushing the favored Tigers in the first half, 86 yards to 64, the Lopes went into the dressing room at intermis-

sion trailing 6 to 0. But the game turned around on the second scrimmage play of the third period when Slaton

Quarterback Mike Tumlinson fumbled on the Tiger 20 and End Matt Allison recovered the loose football for the Lopes on the Staton 10-yard-line.

After two running plays netted three yards, Halfback Jimmy Dorland came up with the first of his two "big plays" of the night. He slammed off right tackle for seven yards and the tying touchdown.

Guard Buddy Britten then brought Post's kicking game to the fore by converting the all-important extra point to give the Lopes a 7 to 6 lead.

That stood up until about midway in the fourth period when Halfback Randy Baker fielded a long wind-aided Slaton punt on his 23 yard stripe and raced 77 yards down the east sidelines without a Tiger hand being laid on him for Post's final touchdown.

Runbacks are a part of the "kicking game" too so Baker's run helped give Post's kicking a superior rating and an outstanding advantage

The only point where it broke down was on the second center snap forced Quarterback Brad Shepherd to attempt to run the ball in. He was swarmed under short of the

The superior kicking game also showed up in Post's defense against Slaton's kick-

In the fourth period Guard Brent Terry tackled Punter Michael Bednarz who had bobbled the center snap for a big loss, turning the ball over to the Lopes on the Slaton 35.

Later in the same period, while protecting a seven-point lead, Tackie Casey Zachary blocked a Bednarz boot with Post recovering on the Slaton

After the Lopes' quick touchdown in the third period, Slaton drove from the next kickoff 60 yards to the Post 20 yard line where they lost the ball on downs to a fierce Lope defense. That proved to be the Tigers'

only scoring threat of the second half. Both teams fumbled the ball

away three times, each losing a scoring opportunity on a fumble and each setting up the other to a touchdown on a fumble. Overall, Slaton's vaunted

assing game was ineffective. Slaton Quarterback Tumlinson completed seven of 18 throws for only 62 yards. Dorland picked off a long

Tumlinson pass on the Post 22 yard line with only 35 seconds left in the game to preserve the Post victory. Tumlinson also was "sacked" three times for a hig losses by hard charging Lope forwards and several

A fierce, "big play" defense other times was hit hard just as and a superior kicking game he released the ball. His longest completion was for 12 yards Post did not attempt a single

pass in the entire game. Once Shepherd went back to pass, but couldn't find his receivers, who were open, and had to run.

Post's pass defense tightened up in the second half, permitting only two completions in eight throws for 17 yards and intercepting once. Siaton's completions in the first half mainly were on short throws through flooding the right flat zone. When Lope coaches adjusted their defense, the Tiger overhead game lost most of its punch.

Post won the coin toss before the game and chose to take the

strong south wind. It proved a good decision.

After an exchange of long kicks, Linebacker Perry Rogers recovered a Slaton fumble on the Slaton 24. With fourth and three on the Slaton 17, three plays later, Britton tried a 34-yard field goal with the wind at his back, but the boot was wide left of the goal posts.

The Tigers then marched on short passes and wide plays from their own 20 to a first down on the Post four, some 76 yards. But they fumbled after reaching the Lope three and Post recovered on about the Post five yard line to end the scoring thrust.

Fullback Randail Wyatt broke loose for 20 yards to get the Lopes out of apparent danger. But two plays later, Quarterback Shepherd apparently pulled out too quickly and the center snap bounced off his shoulder pads and was recovered by Slaton on the Post

Tumlinson passed to Wingback Piwonka for 10 yards, had his second pass go incomplete and then handed off to shifty tailback Brad Eblen who sped the final 10 yards off the right flank for the tally.

Bednarz's placement kick was wide right on the all-important point after and it was 8-0 with 7:15 left in the second

Starting from their 32 after he kickoff, the Lopes then got their only real drive of the game going. In 10 running plays they moved 49 yards to a first down on the Slaton 19.

Baker fumbled the ball away running a sweep and Slaton recovered on its 25 to end Post's second scoring threat

In the fourth period, after Post had taken the lead in the third and the Tigers consumed most of the quarter on a long march which ended with the Lopes holding on their 20, the Lopes had several scoring opportunities but were playing conservatively protecting a narrow lead and couldn't get their attack moving.

Post got the ball on Slaton's 36 when Terry tackled the punter on fourth down, and moved to a first down on the Slaton 24 when Halfback Kohen Josey picked up seven big yards on a fourth down sweep. But on a fouled up trap play. the ball was knocked from Shepherd's hands two plays later and Slaton covered the fumble on its 25.

The Tigers were held and when they kicked with the wind, Baker fielded the ball and set off on a 77 yard touchdown run, aided by Dorland's initial block and several other good downfield blocks. By the time he crossed midfield, running down the east sideline, Baker had a clear field and a teammate escort the rest of the way.

When the conversion point was missed. Slaton still could tie or win with a touchdown and either an extra point kick or a two-point conversion by pass or run. There was 5:00 left.

But Tumlinson was sacked for a 10 yard loss trying to pass. then threw incomplete. When he handed off on a draw, Slaton fumbled and End Mike Waldrip

## Freshmen bury Slaton under six touchdowns

Coach Lane Tannehill's Post Halfback Bobby Finch got the freshmen team turned in their final counter of the first half on most satisfying victory of the season in Antelope Stadium last Thursday night when they whipped the Slaton frosh, 38 to

Halfback Scott Walker, who scored three of the six Post touchdowns, set the tone of the game when he took the game opening kickoff back 80 yards for six points. The extras failed

Walker also got the second Post counter when he intercepted a Slaton pass and raced 20 yards for six more.

Fullback Larry Rodriquez slashed 10 yards off tackle for the third Post score and Walker added the extra two on a

a 15-yard sweep. Post led at the intermission 26 to 0. Walker got the fifth Post

touchdown in the third on a 20-yard run. With the reserves playing

most of the last half, reserve halfback Jackie Ayala got the final touchdown for Post when he broke 50 yards on a dive play for the tally

Slaton got its only touchdown late in the game The entire Post squad got

plenty of playing time. The freshmen now have two weeks off before winding up their schedule on the road against Roosevelt Nov. 11. The Slaton win was the freshmen's fourth win in six starts.

## Post JVs whack Slaton, in tough game

Junior Varsity thumped Slaton's tough JV club, 20 to 7, in At 'plope Stadium here last Thursday night in a rugged clash not unlike the one between the two schools' rarsity clubs 24 hours later.

Halfback Tim Morris gave Post a 6 to 0 halftime lead when he scored from 20 yards out on a dive play in the first period. Leslie Looney's conversion kick was blocked

In the third period, Quarterback Bryan Compton passed to Tight End Shorty Bilberry for yards and the second touchdown. This time Looney's

recovered on the Slaton 30. Post managed only nine yards on four running plays and ost the ball on downs back to Slaton on the Tigers' 21 with 4:23 left. Slaton moved for one first down, but two pass attempts went incomplete and then Zachary blocked the Slaton kick. Again Slaton held for downs on its 21 with 1:13 left.

At this junction the Tigers completed their only two passes of the second half for 11 and 6 yards. Then came Dorland's interception of Tumlinson's now or never shot down on the Post 22 with 35 seconds left Shepherd fell on the ball twice to run out the clock.

The only real mix-up for Post for the entire night came after the final gun when students flooded out onto the field to congratulate coaches and players and left the Post victory bell unattended and silent.

to 0 advantage. Slaton returned the following

kickoff 80 yards right up the middle for their only touchdown, and then added the point to get right back in the game, trailing only 7 to 13.

Late in the fourth with a fourth and three, Post with Looney kicking tried a #1 yard field goal which missed. But Slaton was offsides on the play, giving the locals a first down and they drove on to score the final touchdown. Shawn Scott zipped around right end for the final 20 yards and the TD. Looney again added the kick from placement.

The JVs, like the freshmen, now will have a "two week break" before journeying to Roosevelt Nov. 11 for their final game of the season.

### Archery club has tourney

The Post Archery Club held a tournament Sunday, Oct. 24 with the following results: A Free Style, first Donny Stelzer, Bowhunter, first, David Gary, second, Junior Stelzer and third, Joe Gacy:

B Bowhunter, first, Gary Goodman, second, Charles Fielder, and third, Ed Fab-sholtz, C Bowhunter, first, Mark Shedd, second, Perry

The next tournament will be Nov. 21 which will be the Turkey Shoot.

## Shorter drive home from DC

the pressure of district play is felt throughout the area, but one thing for sure. Your old prognosticator is sticking with the Post Antelopes to do what they haven't accomplished in 19 years of following Lope football beating Denver City's

Mustangs at Denver City. No, it won't come easy. The Mustangs have been shut out two weeks in a row and lost two in a row. Three straight district losses might crumple the foundations of that far West Texas oil town.

In the other 5AA game, Post fans will be watching:

SLATON at Frenship. This won't be easy either as the two Tiger clubs claw it out because the winner will be in good position to win or share the district crown. But from what we've seen of both, Slaton has more of everything, especially defense.

Cooper at TAHOKA. The Bulldogs ought to get back on the victory trail after two whippings by chewing up the Indians' defense ROOSEVELT, Open

Lockney at TULIA. Choice here is based on Tulia's home MANAGEM STATES AND STA appear evenly matched with both stronger on defense than

point-making. Ballinger at COLORADO CITY. The Wolves have scented the 6AA district championship and should win big.

Winters at COAHOMA. Coahoma recovered from its shocking whipping by Colorado City last week to thump Ballinger and is rated much stronger than Winters. Your prognosticator got cros-

sed up by the rebounding Frenship Tigers' upset of Denver City and Tahoka's inability to score points while running all over the field (they lost to Roosevelt.)

That meant only three right out of five which brings our seasonal string to 42 right out of 61 games for a slipping 687 percentage. Here are the actual results of

last week's games of Post and seasonal opponents (three were Post 13, Slaton 6.

Frenship 7, Denver City 0. Reosevelt 28, Tahoka 13. Floydada 13, Tulia 7. Coahoma 21, Ballinger 7.

Slaton whips 8th graders

Slaton overpowered Mickey Long's Post grade football team second half at Slav Thursday night to 6 three touchdowns and 28 to 6 victory. The score had been in

6 all at the intermit Slaton scored first on in the first period. Post recovered a fumble on the Slater drove it across to tie in the second Pulls Baker got the touche five yards out on an of smash

Slaton drove twice by downs in the third and final one in the for locals failed to sering en in the second half The Post team will

its nine-game season to Antelope Stadium Roosevelt seeking its victory after suffer consecutive losses.

### Aten works hitch

mule is 17. They were calmly walking up and down the rows, unaware of anyone or anything about them.

Ted also has raised and broken a hitch of Belgian horses to work the equipment and they too are part of the stock on his farm.

He has five of the Belgian horses, now, three of which he raised himself. The two older horses he acquired in 1968. both registered, from a friend in Amarillo, just simply to fill a dream of someday having the large horses to work

Ted explained that the larger horses are cold blooded and are very calm and not likely to suddenly break and go all to pieces when hitched to some of the equipment. They are very gentle and easy to work, which is good when you think of the size of the animal, approximately 1800 or 1900 pounds, that has to be in control all the time. I would hate to think what a runaway would mean when you have that much horse power controlled only by your voice

### Busy burglars

(Continued From Page One) through a bathroom window on the west side.

Only items missing from the highway department warehouse office were \$3 in silver, a three-cell flashlight, a combination wrench and one set of scales.

Nothing at all was missing at Jackson Brothers Meat Packing plant where entrance was gained through a window in the front office which had been

forced. There were some dog tracks In the storeroom of the railroad depot where the burglar gained original entrance before making his way into the office.

That leads to speculation that the burglar had his own dog

#### Broadway-

(Continued From Page One) highway film highlighting the department's present difficulties in obtaining enough highway funds to continue with a program of new road construction and essential maintenance horses in feed or grazing, it of the current road net work.

command and some pieces of

leather in your hands Ted plants, cultivates, runs a harrow and also hitches the horses to wagons.

When asked if the large horses could be ridden, he said yes. (But who could find a saddie large enough to fit the horses.) He also said that his son. Bill, who also works with the horses had ridden two of the borses Roman Style. He stated this when explaining just how even and amooth gaited the large horses were.

The art of working equipment with horses may not be ompletely lost for all in Garza County, since Ted can leave his knowledge and know-how with his son, Bill. Not many men can claim the same ability to leave this almost lost art to his family

and future generations. Ted only uses the horses at special times, but plants corn and feed with them each year, mainly just to help keep them with food to eat year round. It takes quite a little more for the larger horses, than a regular size horse, which is what is mainly used in ranching around

Ted has a knack with animals, and never seems to get out-of sorts, and is a very natient man. It's been said and must certainly be true, that to work with any kind of an animal, a man must first be smarter than the animal he is

A very large amount of skill is also needed to remember just how the old equipment works and since it is next to impossible to find repair parts for the outdated ones, many of the repairs are done from memory and handmade. Not many hardware store owners would even know what you were talking about when asked to supply a part for a birdbill or a knotter, or any part of the old equipment.

Our thanks to Ted for sharing this part of our history with us and taking the time to answer all the many questions we

asked. One advantage Ted might goes so high or supply short, if he can manage to keep his wen't matter to him at all!

(Continued From Page One)

severely by backfield injuries.

against each team

Despite the fact that several backs were out with injuries. the Mustangs outrushed Frenship 104 to 97 yards and outpassed them 54 to 49 although Frenship picked off three throws.

Jeff Logan, 177-pound junior halfback, did yoeman duty for the Mustangs against Frenship with 84 yards on 22 carries.

What makes Denver City so tough to run against is a pair of 250-pound tackles which anchor the Mustangs' defensive line They are Kenneth Harvey, 250-pound sophomore who started against Post last year as a freshman, and Tom Morgan, 252-pound junior.

A 221-pound linebacker, Max McGeary, who also plays fullback adds more heft to the Denver City defenses.

Post's squad was reported as coming out of the Slaton game in good shape. Everybody is

ready. Coach Brownd reports Desver City runs out of many of the same formations Post uses. He says his club will be ready for

the 7:30 p. m. kickoff Friday. He can see no reason why the Lopes won't be ready to play. He commented, "We've faced some big fellows on other teams

### Some changes—

(Continued From Page One) scout commissioner, also appeared with Bloomfield

Other participating agencies budgeted funds by the committee included Girl Scouts \$3,000; Salvation Army \$1,200; summer baseball \$2,500; Red Cross \$600; USO \$125; Garza County United Fund \$50 (for drive expenses), Texas Rehabilitation Center \$50 and Texas United Fund \$50

The Salvation Army, summer baseball, Red Cross, USO, Texas Rehabilitation Center and Texas United Fund will receive the same amounts as

they received this year. The Girl Scouts, which received \$3,800 last year because of extra expenses to complete and open the new Girl Scout Little House, requested \$3,359 but were held to \$3,000. Of the Girl Scout request, only approximately \$1,200 goes to its regional Girl Scout council. The rest remains in Post basically to operate the Little House as a home for all troops.

Cornish in announcing plans for the drive said already chairmen have accepted assignments for 13 out of the drive's 16 divisions.

Division chairmen who have accepted include Wyvonne Kennedy, city employes; Jack Alexander, schools; Preston Poole, county employes; Mrs. Orabeth White, farm and ranch: Walter Didway, Postex employes; Perry Hunsaker. hospital employes: Everette Windham, George R. Brown employes; Julian Smith, highway employes; Mrs. John Boren and Mrs. Biley Miller, Justiceburg: Fred Perkins, ASCS and SCS employes; the Rev. Tom Pass, ministers; and Rob Robinson, bank employes,

Cornish plans to direct the business division himself and is scheduling a kick-off meeting for business division workers. Thursday afternoon

## As It Looks From Here

Democratic primary without a WASHINGTON, D.C. - The takenly identified him with the American Federation of Gov-Yarborough political name menment Employees, an affilithough he was not related. The ate of the AFL-CIO, met here in write-ins in the race, both Washington a few days and had attorneys, are Sam Houston, on its agenda the matter of who is a district court judge unionizing the Armed Forces with another famous name, and the Army, Navy, Air Force and the Marine Corps.

If this sounds absurd - it is. If it is dismissed as impossible It isn't. To ignore the idea is lend encouragement to the effort which will doubtless

Legislation has been introduced in the Congress to prohibit the unionization of our military forces which, though not publicized, dampened the enthusiasm of the national union's leaders from developing the issue at their recent convention. It faded out as not being practical at this time but it certainly does not mean that the plan is dead.

uled to attend an "election The bills introduced will not school" in the Borden county be considered in the days left in this expiring Congress but will Wednesday to be briefed on all be reintroduced in the new Session beginning next Janu-

It is obvious that if the AFGE union could enlist the membership of more than two million men and women in uniform, their political power, which is already tremendous, would be greatly enhanced. Its power is already felt throughout Government and when, and if, the Hatch Act is repealed, nearly indication of local political three million Federal workers will be free to participate in political activity. This again will be another issue in the next Congress.

It is argued by the supporters Ford. (See School page for full of unionizing the Armed Forces that, because we now have volunteers instead of conscrip-Tuesday had voted absentee tion, it is the same as private employment. Actually and fuoffice. Some 45 others, includdamentally, the issue is wheting 33 Garza service men, have her the Government or a union been mailed ballots which if is going to determine who runs returned will be counted the military and foreign policy of the U.S. Imagine our military personnel going on strike at the order of union How some family trees leaders. Under such circumsurvive the underbrush is stances, the unions could refuse to let soldiers make an all-night

march because conditions were too harsh or the Marines were out of shape because their shop stewards insisted that physical training is too strenuous. Beyond this, it might become possible that fighters and bombers be grounded until a

new contract was negotiated. In San Francisco last year, when firemen went on strike the National Guard was called out to fight fires and save lives. It is a picture of horror to imagine that both might be on strike when your house was on

Maybe all this is a little preposterous at the time but the fact remains that this is the ambition of the union which already controls large numbers of Government employees at all levels. The power to strike essential public services has already paralyzed some cities. It is a fear in the hearts of public officials who have, for political reasons, caved in to the union's demands. This is a major reason why some of the big cities across the Nation are worse than broke, notably New York City. These cities are run by the unions, not by the elected representatives of the people. The cities of New York.

## Pecan, raisin prices to rise for holidays

pecan and raisin supplies will raise prices on those holidaybaking items, but plentiful dried prunes can help alleviate the situation somewhat, Mrs. Gwendolyne Clyatt says.

Wet weather in California's San Joaquin Valley caused the raisin shortage which will result in price increases for that fruit, she added.

'However, dried prunes are

### Some advice about credit

COLLEGE STATION - Your record of credit transactions is kept at the local credit bureau. usually consists of factual data, rather than a rating on the order of a Dunn and Bradstreet rating for corporations, Mrs. Linda McCormack, a family resource management specialist, says.

She is with the Texas Agricultural Extension Service, The Texas A&M University

"Information recorded on a personal file usually includes the following: opening or closing a retail account, making prompt payments or being consistently late, fulfilling a contract or defaulting, name, address, employer and former employer, social security num-

"Other information recorded comes from public records, such as a contract suit, a judgement, divorce notices, marriages, a tax lien or a bankruptcy, or reports of arrest, indictment or conviction of a crime."

She said that if you are interested in your credit file, you can examine it in person for a small fee or without charge, if you are challenging a credit, employment or insurance denial.

The Fair Credit Reporting vivors include a daughter, Act gives each person the right Alice Stover, of Ontario, to check their credit bureau record upon request and proper

"To establish a good credit Scott of Dallas and Homer rating, be financially respona brother, Roy sible. Pay bills on time. Do not overextend by borrowing or charging more than can be paid back. In order to take advantage of the credit market, the better a financial record, searers were Glenn Voss, the better the chances to Redman, Virgil Stone, qualify for credit, charge accounts and low cost loans when needed.

# We have the cure for unexpectitus

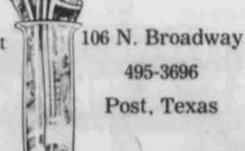

You've never heard of it? Well, sooner or later it gets us all.

It usually happens when you're totally unprepared. The TV goes on the fritz. The neighbor's kid hits a home run through the glass door to the patio. Or the lawn mower decides it just can't cut it any more.

That's when unexpectitus gets you right in the pocket book.

But there is a cure. It's called money. So, you've got to make sure you always have some close by. The way to do that is to open a savings account with us. Put a little in every month. And make a habit of it.

Then, when unexpectitus strikes, you've got a way of relieving a lot of the pain in a hurry.

NTRY SAVINGS ASSOCIATION It's a good feeling knowing you've got it. ion - Post - Tahoka - Lamesa - Lubbock

## Major changes proposed in state aid to schools

Brownsville.

In the course of the hearings,

the Committee found that there

valorem taxes are forcing

people off their land and out of

their homes. At the same time,

the State Comptroller has

projected a surplus of approxi-

available for appropriations by

the Legislation over the next

two years. The Committee

determined that education

should have first call on the

available funds for the dual

purpose of relieving ad valorem

taxpayers and equalizing edu-

cational opportunity throughout

Committee on Alternatives to Public School Financing, of which Representative W. "Bill" Heatly of Paducah is a member, is proposing sweeping revision of the manner in which Texas public schools are funded.

The proposal, which will be submitted to the 65th Legislature in January, is highlighted by the following provisions:

1 Increase the state share of the Foundation School program to 100 percent.

2. The committee recommends no new taxes at this time. Money for funding the Foudnation School Program should come from the projected available funds

3. Place a limit, or "cap" on local school districts' enrichment of the Foundation School Program, as discussed during the meeting.

4. Enact a two-year moratorium on local districts' property tax increases, require a mandatory property tax reduction, and allow property tax increases only if approved in a referendum by local voters as discussed, eliminating Subsection (c) (3) on page 6 of the proposed legislation.

5' Revise the equalization aid formula:

6. Local referendums necessary to raise property taxes will be held on the same day as school board elections.

7. The Committee intends for the proposed legislation to be permanent, not just for the 1977 78 biennium

The Committee, which has held a series of public hearings throughout the state since last February, was appointed by House Speaker Bill Clayton to determine if there were alternative sources of revenue other than the ad valorem property tax for financing Texas public schools. In appointing the Committee, Speaker Clayton stated that the Committee had the greatest responsibility of any committee in recent legislative history. The blueribbon panel included Representatives Massey; Fred J

### Revival here next week

The Post Church of the Nazarene will be in revival Nov. 2-7. Special workers for the revival will be C. B. and Pearl Keeton of Abilene, Tex.

Before entering the evangelis tic work she pastored churches at Coleman, Brownwood, Corpur Christi. Austin and for 18% years pastored the Odessa First Church She closed her pastoral ministry at Austin First and entered the evangelistic field after serving that church five

She served as president of the Odessa Ministerial Alliance while serving in that city. Mrs. Keeton also served as District Missionary President for 16 years of the San Antonio District.

While they pastored the Austin First church the church sent them to Europe, Egypt and the Holy Land. They will tell about their trip in the services.

They did some evangelistic work during the year of 1956 in what was known then as British Honduras. They plan to return for a Homecoming there in March of 1977.

### Former Garza man buried here

Burial services were held for Robert "Bob" Callis at 4 p. m. Monday in Terrace Cemetery under the direction of Wheeler Mortuary of Portales, N. M.

Mr. Wheeler of Portales, assisted by the Rev. Conrad Ryan, pastor of the First United Methodist Church of Post, conducted the graveside ser-

Chapel services were held in Wheeler Starlight Chapel in Portales at 10 a. m. Monday. Callis died Thursday, Oct. 21 in a Portales Hospital following

a lengthy illness. Callis was born in Snyder on Sept. 4, 1892, and moved with his parents to what is now Garza County in 1895. He made it his home until he moved to Portales in 1931.

### Sermon titles for Sunday announced

Edgar L. Fox, minister of the First Christian Church in Post, will be preaching on the following sermon titles this Sunday, "What Should We Believe About Jesus" at the 11

a. m. worship hour and "Batting God's Ball" at the 7 p. m, worship hour.

Other services scheduled during the week are the 7:15 mid-week prayer service in the sanctuary and church school each Sunday at 9:45 a. m.

The public is invited to attend all the services.

Survivors include one sister. Miss Ann Callis of Portales: two sisters-in-law, Mrs. Charlie Callis of Wylie, Colorado and Mrs. Joe Callis of Post; eight nieces and four nephews

## Halloween carnival at **Graham Saturday night**

By VIVA DAVIS

There will be a Halloween Carnival in the Graham Center next Saturday Oct. 30 at 7 p. m. There will be a concession stand and most all carnival games

Mr. and Mrs. Ray McClellan have returned home from their lake home Mr and Mrs. Wilburn Morris visited them while they were there and did some fishing. The Morrises visited in Kingsland with Mr. and Mrs. Alvin Morris.

Mrs. Mae Wood and son, Douglas Wood and Mrs. Loretta Owen of Colorado City visited last Saturday with their sisterin-law and aunt, Mrs. Johnnie Rogers.

Mr. and Mrs. Don Maxey and Mike and Devonnie McDaniel were Saturday night and Sunday guests of Don's parents. Mr. and Mrs. Bryan Maxey

3 TO 5 LB.

AVG.

Saturday evening visitors of Mr. and Mrs. James Stone to help James celebrate his birthday were Mr. and Mrs. Gerald Dean Jr., and family of Capitan, N. M., Mr. and Mrs. Pete Pierce and family of Lubbock and Mr. and Mrs. Jim Eblen and family of Slaton.

Mrs. David Sparlin was in Slaton Hospital a part of last

week for tests and X-rays. Mr. and Mrs. Carl Fluitt visited in Tahoka Monday afternoon with her mother, Mrs. L. W. Gandy.

The Fluitts had a lot of company last week Mrs. J. M. Bush and Mrs. W. C Bush, Nelma Gandy visited on Tuesday. Bob Fluitt of Spur, Bryan Maxey, and Lowell Scrivner were Wednesday visitors, Mrs. Bobby Cowdrey and Kurt and Mrs. Ruth McClellan Clay. visited on Thursday. Mr. and Mrs. L. H. Peel visited on Friday, Mrs. Rena Ferguson, Mr. and Mrs. Ray McClellan and Murry Crowley were Saturday visitors. Sunday visitors were Mr. and Mrs. Marion Mathews, Gail and Trenette of Lubbock, Mr. and Mrs. Pat Martin and Mr. and Mrs. Curtis Williams.

Mrs. Carrie Bell Ryne of Graham is visiting Rev. and Mrs. Conrad Ryan in Post. They visited last Tuesday evening with Mr. and Mrs. Wade Terry.

Guy Nelson and a friend of Dallas and Mrs. James Morgan visited last week with Mr. and Mrs. Troy Nelson and Danny. The group attended services at the Church of Christ. There were a number of other visitors.

Mrs. Rena Ferguson is visiting her sister and brotherin-law, Mr. and Mrs. Ray McClellan.

We extend sympathy to Mr. and Mrs. Delwin Fluitt and family. Mrs. Fluitts' brother, Patrick Daughtery, of Fulsom, N. M., passed away Sunday morning in Lubbock from an accidental gunshot wound.

We also extend sympathy to the family of Rafaila Abraham who passed away last Friday.

Mrs. Roxie Elliott of Portales, N. M., visited last Monday night in Post with Mrs. Essie Nelson, Mr. and Mrs. Ambers Parrish visited with them on Monday evening. Mrs. Elliott is a cousin of Ambers Parrish and Mrs. Nelson.

Mr. and Mrs. Carl Fluitt visited Mr. and Mrs. C. D. Morrel and the Fred Gossetts and Bobby Cowdrey family last week for a short visit.

### **Graham 4-Hers** hold meeting

By AMY COWDREY

The Graham 4-H Club held its second meeting of the year Monday night, Oct. 18, at 7:30 p m Nineteen members were present Rynn Norman presided with Patti McClellan calling the role and reading the minutes of the last meeting. Brent Mason, Channa Williams, and Kirk Stevens led the group in the 4-H

motto and pledge Syd Conner presented a program on projects, method demonstration and yearbooks. Steve White gave a short talk on the Coop Leadership Conference in Missouri, and Lina Cowdrey gave a short talk on the Share the Fun trip to A&M.

Refreshments were served by Kirk Stevens and Ronnie Bilbo. The next meeting will be the third week in November with Patu and Roxanne McClellan. and Pam Riley

AUSTIN - Texas goat and sheep raisers cannot hunt golden eagles in Texas, the U.S. Interior Department has ruled.

Gov. Dolph Briscoe's request was rejected last

Briscoe stirred up something of a storm last month when he asked Interior Secretary Thomas E. Kleppe to grant blanket authorization for stockmen to hunt the eagles in 31 counties of West Texas.

Lynn Greenwalt, director of the Interior Fish and Wildlife Service replied to Briscoe. He said the request was turned down under a policy of former Secretary of Interior Walter J. Hickel which concluded in 1970 against blanket authoriza-

The golden eagle is pro-tected under a special federal act.

The Interior policy referred to by Greenwalt permits consideration of requests from individual ranchers who can demonstrate that they need to hunt the protected birds.

Briscoe requested authority to shoot the eagles after ranchers complained about increasing numbers of the birds near the Oc-

a man in the rape of a deaf mute in Bell County.

**Hearing Slated** 

Texas Public Utilities Commission set December I as a tentative date for review of the rural rate structure of Central Power and Light Company.

The commission turned down a motion from intervening cities to delay the consolidated hearing until late December after all cities have individually considered rate requests presented to them by

Two intervening groups were named by the commission. One consists of 41 South Texas cities. The secand combines interested ratepayers in Aransas and Nueces counties, South Padre Island and the Key Alegro Canal Owners Association.

Meanwhile, the commission granted Atty. Gen. John Hill and Texas Municipal League a three-day time extension to intervene

that cotton held in 1975, and

that's clearly what they intend

This is why, according to

Johnson and other cotton

industry officials, the man-

made manufacturers are spend-

ing 40 times as much on

research (\$230 million) and 17

times as much on advertising

Johnson, "that our own fiber

research and market develop-

ment company, Cotton Incorpo

rated, so desperately needs the

added funds that will come

from a favorable vote in the CI

referendum in December this

The referendum would autho-

rize an additional producer

assessment of four-tenths of one

percent of bale value, over and

above the current \$1 per bale. It should just about double the CI

budget for research, advertis-

double the odds against synthe-

ing and premotion.

"And it is also why," believes

(\$60 million) as cotton

LUBBOCK - Why would an of the 3.06 billion pound market industry build productive capacity to fill 100 percent of a market in which it supplies less than 70 percent of the demand?

'Ask the man-made fibers industry," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, "because that's exactly what the man-made makers have done

Recent figures from the Textile Economics Bureau, Inc., reprinted in Modern Textiles magazine, show U. S. man-made fibers manufacturing capacity at 10.9 billion pounds of non-cellulosics, rayon, acetate and textile glass

"That's a quarter of a billion pounds more than the total fiber consumption of U. S. textile mills in 1975," Johnson points out.

It's true that textile fiber consumption was down in 1975, from the 1973 high of 12.5 billion pounds to only 10.639 billion. But by May of 1977 man-made capacity will have risen by almost 14 percent to 12.4 billion pounds, "within an eyelash of the record 1973 consumption figure," the Modern Textiles story reads.

"It's obvious from this that cotton's competitors in the fiber market expect a return to earlier consumption levels and a resumption of the uptrend,"

says Johnson "But if they are to utilize full capacity," he continues, 'they also will have to take a big part

### McCrary named in Ford drive

AUSTIN - Former Gov. John B. Connally, chairman of the President Ford Committee in Texas, has appointed Giles McCrary of Post as county chairman for Garza County.

"Giles McCrary will bring to the campaign the coordination needed to assure that all Texans understand the President's firm stand on the issues confronting our country today." Connally said.

"I believe President Ford speaks for the majority of Pexans in his stand on such issues as agriculture, taxation, right-to-work, national defense, energy, and needless federal spending," Connally said

"Jimmy Carter has flip-flopped so many times on the issues that few, if any, Americans problems facing the Presidency," Connally added

"Texans are becoming aware that Carter's statements on energy would destroy the tax base in Texas and lead to a state income tax," Connally said. "They are becoming aware that Carter's agriculture policies would mean the unionization of workers on every small farm in Texas."

in the Southwestern Bell Telephone rate case. The company is seeking a \$272 million annual hike

Share \$212.2 Million

Texas cities and counties pent a combined total of \$212.2 million in federal revenue sharing funds during the fiscal year ending June 30, 1975, Comptroller Bob Bullock has reported.

Bullock said cities spent 72 per cent of their \$132.3 million for capital improvements and the remaining 28 per cent on operating expenses

He said counties spent 62 per cent of a \$79.9 million allotment on capital improvements and 38 per cent. on operating expenses. Transportation accounted for 26 per cent of the revenue sharing fund expenditures by both cities and

**Bullock** reported August state expenditures of \$408.4 million ended the state's 1976 fiscal year at a total expenditure level of \$6.2 billion, an increase of \$826.4 million over the previous year. August revenues were \$633.5 million, closing the fiscal year with total revenues of \$6.6 billion - a \$917.1 million

A House sub-committee agreed Tenns' presidential preference primary law should be revived, with re-

More than 8,600 Texas coyotes have been killed by nfire from aircraft since the fegislature authorized an aerial hunting program three years ago to protect

LUBBOCK - Few participating prairie chicken hunters and unharvested grain in the fields have been listed as two reasons for a poor season Oct. 16-17 in the 12 counties hosting the annual hunt

There were several hunters with their limit, but they had to dig the birds out of the pastures since the birds were not moving," said Weldon Fromm, Amarillo district supervisor.

And in the four South Plains counties, the hunting was ever

"I saw fewer hunters and fewer birds bagged during this two-day hunt than any previous season since I started working this area," said Bill Pratt, Lubbock district supervisor.

The daily bag limit of two birds appears to have been more than adequate with most hunters bagging only one bird. The early dry spell helped produce late maturing grain and most of it was still uncut in the fields. The majority of the prairie chickens remained in the large pastures and few hunters went in after them. The prairie chicken populations are rated good in these areas.

And it should more than Sportsmen are now preparing for the upcoming November tics taking over the cotton seasons which include duck, markets that keep us all in business," concludes Johnson. goose, quail, deer and turkey.

The Rocking Chair Philosopher

Present

"Folks Ain't A Livin' No More"

A blend of mountaineer humor, country storie and gospel songs.

> **Graham Chapel United** Methodist Church 7:30 SUNDAY, OCT. 31

### Some sound reasons to keep Senator Lloyd Bentsen.

He's a hard worker who puts people and their problems ahead of all else; his record bears this out.

He's helped increase social security benefits for the elderly.

Lloyd Bentsen supported the tax cut and favored its extension to lighten the load on the average working man and woman.

He ploneered major reform of pension laws to protect retirement incomes for millions of Texans.

Lloyd Bentsen not only voted against the Congressional pay raise. but has continued his protest by returning to the Treasury each month the amount of the raise.

He's sponsored legislation to make life more productive for our blind and handicapped.

And, we can credit Senator Bentsen for taking the lead in securing increased funding for agricultural research to keep our nation's food productivity high.

It was Senator Bentsen who introduced the War Powers Act requiring Congressional consent before any President can commit U.S. troops to war.

And, the Senator was a leading proponent of campaign reform legislation to protect America from a recurrence of Watergate.

Lloyd Bentsen's diversified background and depth of experience in the military, business and public life have made him an effective representative.

He's helped steer our nation back on the road to economic recovery while working tot better management of our tax dollars. Being a man of values, he places the highest importance on integrity in

office and in delivering an honest day's work for a day's pay.

You gave him over 63% of the vote in the Democratic Primary. Let s make it a solid victory November 2nd.

Re-Elect Senator Lloyd Bentsen.

Keep at least one Democrat in the U.S. Senate working for Texas.
