

'OS weekend' raises \$44,800 for West Texas Boys Ranch

Excitedly pleased Jim Prather announced yesterday the sixth annual "OS weekend" which many termed "smoothest and best ever" will produce a new record for the West Texas Boys Ranch.

Prather told The Dispatch after checking receipts and expenses and anticipated bills still to come with Treasurer William Wilson that the "week-end" should enable the local group to send the ranch a check for approximately \$40,500. This, he said, is slightly more than last year's record high.

He added this does not include the barbecue donations which are handled directly by crews from the ranch and volunteer cooks from San Angelo.

Dave Gottshall of West Texas Boys Ranch told The Dispatch Tuesday that the barbecue was another great success and in

two days grossed some \$8,600 in donations of which approximately half would go for expenses.

Putting Prather's \$40,500 and Gottshall's \$4,300 barbecue money together would give a total of \$44,800 to the boys ranch this year.

This is a new all-time record and slightly above the overall \$42,000 raised by the 'OS weekend' in 1975.

Prather said he was "ticked to death" with the way everything turned out. The man who put the "OS weekend" together each year, and continues to expand it, said he thought it ran the smoothest this year it ever has.

"We had lots of compliments," he said in expressing his appreciation for all the volunteer work of his large Post and Garza County Committee and dozens of others who helped whom he credited with getting the big job done in a great way.

But already he was thinking ahead to 1977.

"You know we had too much going on at once, especially on Saturday," he said. "We've got to change that some. We had well over 200 roping teams and we'll have more next year."

He hinted he was looking at maybe getting some of the arena "doings" for the 'OS weekend' next year under way on Friday.

Actually, the gate receipts were down this year from last year's \$12,941 and so were total art sales in the OS ranch house.

The "gate" this year was slightly over \$10,000 Prather reported.

Total art sales this year were slightly over \$87,000, as compared to \$108,000 a year ago with the boys ranch getting a 10 percent commission on all sales.

But offsetting both these losses, and adding some gain besides, was the very successful Friday night art auction. Most of the participating artists contributed sketches or small bronzes for the auction and all the money raised went to the boys ranch.

The auction, tried experimentally last year to garner \$12,745, went on this year to raise \$18,835.

Approximately 400 attended the Friday night Art Preview Party, including guests from coast to coast, and some \$68,000 worth of art was sold during the evening, not counting the auction.

An estimated \$3,200 for boys (See OS weekend, Page 12)

Will Parker to El Paso bank

Will Parker has resigned from the First National Bank here, effective Oct. 15, to become senior vice president and comptroller of the American Bank of Commerce in El Paso.

The El Paso bank has some \$42 million in total assets and about \$40 million in deposits.

Parker, who is vice president and cashier of the local bank, submitted his resignation at the September meeting of the board of directors.

Parker, who was born and raised here, has been with the Post bank for the last 11 years.

The Parkers have obtained a home in El Paso and Mrs. Parker and daughter will be making the move early next week while Will completes his final week with the local bank.

Olin Young \$12,000 richer as OS champ

Olin Young of Peralta, N. M., 1974 world champion steer roper, had his biggest day ever at the pay window Sunday afternoon when he collected \$12,000 for winning the sixth annual OS Ranch Steer Roping.

Many of the estimated crowd of 3,500 western fans came to their feet cheering when a roper got his steer roped and down quickly. It was just like an exciting play at a football game — this roping duel for a record \$45,000 jackpot and the fans rooted favorites for fast ties.

Phil Lyne of Artesia Wells, who was the pro cowboy circuit's all-around champion two years running as a top bull rider and calf roper, really put the pressure lid on tight midway through the fourth and final go-round.

He got a sizzling 14.80 second tie — fastest of the entire day — to take the lead for the \$10,000 top prize with a 77.84 second tie for fourth.

John Miller of Pawhuska, Okla., won \$2,500 for fourth place in the four-head average with an 82.51 second time.

Temp dips here to 44 Wednesday

The temperature dipped to 44 degrees early yesterday morning after another cold front went through Monday to bring cooler temperatures to the area.

There was only a trace of moisture Monday morning. Coldest to date this season was a 43 on Sept. 29.

Get-together for parents Monday

An informal get-together for interested parents of school students is scheduled for noon Monday in the school lunchroom when they will have an opportunity to question two well known educators about the Post school program.

The two are Dr. Robert H. Anderson, nationally known dean of the school of education at Texas Tech University, and Dr. Ben M. Harris of the University of Texas at Austin, project director for the Post schools.

Dr. Kathy Dueck, teacher education director of the University of Calgary, Canada, who has been an active consultant here for four years, also will arrive that day for a week of conferences with Post teachers and sit in on the conference.

Dr. Harris and Dr. Anderson will be in Post to appear before Post school trustees at their (See Get-together, Page 12)

148 Herefords bring \$51,000

A total of 148 head were sold for approximately \$51,000 here yesterday afternoon in the UU Ranch's second annual production sale.

At Marts, ranch foreman reported that 57 bulls sold for an average of \$451

per head, 31 registered heifers for an average of \$285, and 60 commercial heifers for an average of \$285.

Approximately 25 buyers attended the sale which lasted approximately three hours.

About 250 were guests at the noon luncheon which preceded the sale. Colonels Walter and Dick Britten were auctioneers.

With the condition of today's cattle market, Marts said the sale was considered quite successful.

City may seek federal grant for street paving

The city council at its October session Monday night showed interest in applying for a federal block grant from HUD for local street paving.

Tony Plumlee, representing Environmental Engineering, Inc., of Lubbock, told councilmen his firm would work with the city in preparing the grant application at no charge to the city.

He explained other West Texas cities have obtained \$100,000 or more in such grants for water, sewer and paving projects, but that they must be aimed at aiding the disadvantaged. He said the grant is a 100 percent grant and is awarded on a basis of a priority rating.

The last time Post tried for such a grant was for the community center and it rated too low on the priority list.

Several councilmen wanted to "get going immediately". The

4-H banquet here Saturday

Other special awards given to a boy and girl are I Dare You, Best first Year Record, and Best Overall Record. Food show awards and the Foley award for food preservation will be given to outstanding 4-H girls.

Adult leaders will be honored and receive pins. The friend of 4-H award will also be given. Lynteger Electric helps sponsor this 4-H event.

\$286 taken in burglary here

A burglary of McCowen's Service Station No. 2 at 201 South Broadway sometime Friday night resulted in a cash loss of \$286.75, Chief Deputy William Shankles reports.

The intruder broke out a window in the overhead door to the wash bay to gain entrance.

Deputy Shankles said a tire tool was used to pry open a small metal safe and \$266.75 taken from it.

Another \$20 in change was taken from the cigarette and coffee machines which were moved from the service station office into the wash bay to pry open.

The burglary was reported by the man who opened the station Saturday morning.

Good for everybody

The sixth "OS weekend" is now history. From every aspect, it was highly successful. It is too early of course to know how much money it raised for West Texas Boys Ranch, which is its principal objective.

The bills haven't been paid. In fact, a lot of them aren't even in yet. Generally, it should be another good one. The crowds were big. Art sales were strong, though down a bit from a year ago. But the art auction of sketches and small sculptures given by participating artists took a big jump to \$18,000 this year from just over \$12,000 in its inaugural year last year.

The auction itself represents a dramatic new contribution by the artists as all of this money with very little in expense involved goes to the boys ranch.

The steer roping itself seemed at least to us to have stronger crowd appeal this year than ever before. This probably was due to the record \$45,000 jackpot, put up mostly by the participants themselves.

When a roper got a loop on a steer quickly, the crowd would surge to its feet and vocally urge the roper on for a quick tie and a fast time.

The fourth go-round, with all that money on the line, had real dramatics right down to the very end when Bud Upton's steer "got up" on

him and he stood there helpless to prevent the loss of \$10,000 in prize money which only seconds before appeared to be his.

House trailers poured in Friday night and some estimated 500 people literally spent the entire weekend at the OS Ranch.

The "OS weekend" has grown in the last six years to be a part of West Texas life and it is obvious that people look forward to it.

Dozens and dozens of Post and Garza folks serve as volunteers in Jim Prather's organization to help stage the weekend, and for most of them they are still doing the same job today they did six years ago.

For Post, the return of the "OS weekend" has been considerable. It has grown into the No. 1 promotion on the community calendar and in that effort brings loads of satisfaction each year to the people who contribute their time and skills to the cause of the boys ranch fund raising.

It's also very good for the town two ways: In regional and national publicity that couldn't be bought, and in achieving a worthwhile goal together it makes it so much easier to undertake other community projects with confidence and togetherness.

You can say the "OS weekend" is good for everybody.

Importing medical talent

Post's search for additional physicians, a necessary requirement to stabilizing the hospital situation most agree, has taken on international proportions.

For a number of weeks, the hospital board has been working hard to bring two young doctors here from the Philippines. This of course involves a lot of immigration paper work, as well as lots of other paper shuffling.

Last week Post got some encouragement from a young Irish physician who is visiting three small Texas towns in different parts of the state with the intention of returning to Ireland and selecting one of them in which to build his future life.

Since this writer has just finished reading "Trinity," the best seller about the Irish problem, this possibility is quite interesting. Post was the second stop on his "inspection tour."

It still seems strange to us that so many of America's small towns today are looking overseas for their doctors.

It should not be necessary. All young physicians should not aim at the cities, group practices where their work hours are limited

and their returns high.

But in this age of specialization in the medical profession it appears almost everybody wants close to the big medical centers in a specialized field of practice.

We sometimes wonder if all the money Texas taxpayers are pouring and will continue to pour into the new medical school at Texas Tech University will be worth their investment, especially for those of us who live in this region and prefer small town life.

America is still the land of opportunity for millions in all parts of the world. Small town America is that for doctors who seek a foothold in a better life.

And from a practical sense, this is the solution for the "doctor shortage" for small town America. They come to us with excellent qualifications, seeking opportunity.

When we welcome one or more of them in the weeks ahead, let us remember that they have come with essential skills to provide medical service. They are coming to a "foreign land", having given up their own way of life.

They are deserving of a real West Texas welcome.

4-Hers observe own 'week'

This is National 4-H Week in Post as well as across the land. It will be celebrated here Saturday night with the annual 4-H banquet.

The motto for America's 5,800,000 young 4-Hers this 4-H week is "4-H. Room in Grow." They will rededicate their heads to clearer thinking, their hearts to greater loyalty, their hands to larger service and their health to better living.

The 4-H week is a good time for adults to pause a moment too and consider the great benefits of the 4-H program for our youth.

Certainly, 4-H is a program which merits strong public support and the continued flow of adult leadership into the program to help guide it through succeeding generations of young people.

Four women attend 50th THDA convention

Thelma Thomas, Viva Davis, Nona Lusk and Paula Cawthon attended the 50th convention of the Texas Home Demonstration Association in College Station, September 21-23. The week was highlighted by Texas Governor Dolph Briscoe designating the week of September 20 as "Texas Home Demonstration Association Week". Almost 1,100 attended the convention.

Viva Davis was honored as a 50 year member during the celebration. Mrs. Davis received a certificate for her club

participation. Two hundred and fifty-six other fifty year members were also honored.

Membership of the organization is comprised of women who belong to home demonstration clubs throughout Texas. Over 24,000 women currently belong to home demonstration clubs in Texas.

Recounting THDA's 50 years in Tex., Dr. Daniel C. Pfannstiel, director of the Texas Agricultural Extension Service, the Texas A&M University System noted that Texas women had begun to form home demonstration clubs in early 1920's.

A group of women who attended the 1924 Farm Short Course at Texas College formally organized THDA he said.

"The women wanted to provide financial aid for her college education," Home demonstration of the state contributed to each and established a ship that was awarded Golden Evans of Maple, Tex.," Pfannstiel added.

 she's wearing a new set of

 and the mum is shedding all
 over her. Yes, the poor girl is

 luck, it begins to rain.

Yet the girls don't cry, why?
 The reason is simple — a
 homecoming mum is not a
 flower. It's a memory. It's
 something to remember your
 childhood days by. If it rains,
 you laugh about it. If it pours
 down, you roll on the floor. (A

The cost to get into the dance was 50 cents. The dance lasted from 7 to 10.

All kinds of music was played at the dance. Everything from country and western to soul.

The sponsors for the dance were Mrs. Beth Walker and Coach Greg Eubank.

"Sunrise, Sunset," "A Time for Us" and "The Lord's Prayer." Miss Mandi Childs, cousin of the bride of San Angelo registered guests at the wedding.

For a wedding trip to Dallas, the bride wore a green plaid outfit, with brown accessories and wore a yellow rosebud corsage.

The couple will reside in Post following the wedding trip where the groom is associated with Mason Funeral Home and Mason Furniture.

Serving guests from the bride's table were Tonya Rudd, Sue Cowdrey, Nancy Maddox, Sylvia Smith, and Darla Lacy. Chrystal appointments were used.

Miss Mandi Childs presided at the register table which was decorated to match the brides' table and held the rice bags.

Members of the house party were Mrs. J. D. Tipton, Maxine Cummings, Mrs. Frank Bostick, Mrs. Robert Craig, Mrs. C. R. Wilson, Mrs. Riley Miller, Mrs. Powell Shytles, Mrs. Darrell Jones and Mrs. Delmo Gossett.

Parents of the groom, Mr. and Mrs. Mason Justice, were hosts for a rehearsal dinner held Thursday night at Jackson's Cafeteria.

HONORED ON RETIREMENT — Mrs. Faye Mathis second from left is shown here with her husband, Preston Mathis, left and her daughter and husband, Mr. and Mrs. George Nelson as they admire the gift of macarame presented her during the reception held in her honor, Tuesday, Sept. 30 in Brownfield.

Faye Mathis honored at retirement luncheon

Mrs. Faye Mathis was honored at the General Telephone Company Division Office in Brownfield last Thursday, Sept. 30, with a retirement luncheon commemorating 23 years of service with the telephone company.

Her telephone career began in 1953 when she started to work as an operator in the building that now houses the Post Chamber of Commerce. When Post was cut to dial in 1960 and the operators were terminated, Mrs. Mathis remained as cashier of the local business office. When the business office was closed in 1966, she was transferred to the Brownfield office where she became business office supervisor for this district and since that time, has traveled over Texas, New Mexico and Oklahoma as an instructor.

The festivities began Thursday with Mrs. Mathis receiving guests in the foyer. A presentation service followed with Sara Bartlett presenting a macrame hanger in appreciation and on behalf of the office personnel in Brownfield.

Mr. W. F. Morris Jr., Division Manager, applauded the years of faithful and unselfish service performed by the guest of honor and presented her with a beautiful necklace featuring the General Telephone emblem enhanced with thirteen diamonds.

Kenneth Klutts, Division Service Office Manager, then presented a red candlestick telephone which was uniquely arranged on a base of green holly and "greenbacks" in denominations ranging from one to one hundred.

Mrs. George Nelson, representing the honoree's family, presented her with a gold charm bracelet holding memories of the years, beginning with the original thin, worn wedding bands which were exchanged by Faye and Preston on their wedding day on June 16, 1936.

Over 100 guests were registered as they entered the dining area where an elaborate buffet luncheon was served featuring a large cake decorated in shades of brown and beige with the words "1953-1976 Good Luck Faye Baby — God Bless You".

Candid shots were taken throughout the celebration and on display was a scrapbook which had been compiled, complete with photos, newspaper clippings, letters and handwritten greetings. This was bound in white leather and had a gold plate with the inscription, "GTE — Faye Mathis — We Will Miss You".

After lunch, many of the guests remained to reminisce and join Faye as she opened an array of gifts and cards, being interrupted occasionally by telephone calls from well-wishers who were unable to be present.

Special guests were members of Faye's family, which included Preston, Mr. and Mrs. George Nelson, Mr. and Mrs. L. J. Richardson, and Mrs. Kyle Morse. Other friends came from San Angelo, Brownwood, Jayton, Tahoka, Levelland, Littlefield, Lamesa, Garland, Brownfield, Post, Carlsbad, Hobbs, N. M., Odessa and Memphis, Tex.

MRS. DEE C. JUSTICE (Janet Childs)

Janet Childs wed to Dee C. Justice Oct. 1

Janet Childs and Dee C. Justice were united in marriage in a double ring, candle light ceremony, Friday, October 1, at 11 a.m. in the First Christian Church in Post.

Rev. Gene Prevo, minister of the Trinity Baptist Church, officiated the ceremony before baskets of yellow chrysanthemums and small baby mums.

The bride is the daughter of Mr. and Mrs. W. H. Childs and the groom is the son of Mr. and Mrs. Mason Justice all of Post. The bride was given in marriage by her father who was attired in a white tuxedo with a white length gown of white tulle and a high collar.

neckline of heavy Venise lace. A short cap sleeve edged with Venise lace medallions accented the empire bodice with a sheer see thru yolk accented with bands of lace which fell to a full a-line skirt extending into a chapel length train. Narrow Venise lace formed the headline of the skirt and train and lace appliques also adorned them. Her headpiece was a Juliet Cap of Venise lace holding a lace edged fingertip veil of illusion. She carried a bouquet of yellow roses, baby's breath and miniature dodie mums which featured streamers containing the wedding bands of her grandmothers, Mrs. Eva Childs and the late Mrs. G. C. Custer, tied in the ribbon streamers.

To carry out the traditional something old, new, borrowed and blue, she chose to wear a bracelet given to her by the late Cleo Elliott, a blue garter, her new dress, and she wore penies in her shoe depicting the birth years of both she and the groom and a six pence given to her by Maurine Hudman.

She presented a single yellow rose to her mother as she entered the church and presented one to the groom's mother as she left following the ceremony.

Attending the bride was Miss Brenda Graham of Midland as maid of honor and Miss Judy Heintz of Post and Miss Diana Kohanek of Big Spring serving as bridesmaids. They wore identical dresses of yellow Tatami crepe featuring the empire waistlines with a white lace insert filled with yellow ribbon. Their headdress was yellow tulle lace and each carried nose gays of yellow and white mums.

Junior bridesmaid was Miss Amanda Jan Ellis of Amarillo, niece of the bride, and she was attired identical to the honor attendants. Smith-Ford offering new Thunderbird

Two new automobiles — the Thunderbird and the LTD II — head the lineup of Ford Division's 1977 cars, which are on display at Smith Ford, Hwy. 84 Bypass in Slaton.

From subcompact to full-size, Ford dealers in 1977 will be offering customers the widest choice of car sizes available.

Heading the list are two all-new mid-size cars — the luxurious Thunderbird, a two-door hardtop, and the LTD II, offering sporty-looking two-door models as well as the elegant four-door models and station wagons.

The new Thunderbird is a luxurious mid-size car, and the LTD II is a stylish intermediate-size family car.

Other 1977 entries include the full-size LTD, with its renown for quiet, comfort and ride; the Granada, Ford's hot-selling "swing" car; Pinto, America's most popular subcompact; Mustang II, a small specialty car sales leader; Maverick, the proven, durable compact and the highly popular Econoline Club Wagon.

"For 1977, Ford cars are uniquely in step with the market," said Steve Smith, "Our cars give customers the opportunity to select the right size car to meet his or her driving needs."

The 1977 Thunderbird, for example, is a specialty car on a 114-inch wheelbase. Overall length is 215.5 inches. The two-door hardtop Thunderbird offers high levels of standard equipment a quiet, comfortable ride and excellent handling — all at an affordable price.

Ford Division's other new mid-size entry, the LTD II, comes in three series. The base LTD II "S" and mid-series LTD II each feature a distinctive two-door hardtop, a four-door pillared hardtop and a station wagon. The top-of-the-line LTD II Brougham offers a two- and a four-door model, and the elegantly appointed LTD II Squire is Ford's high-series mid-size station wagon.

All LTD II models have a lean, sculptured look, yet offer six-passenger comfort.

"Both of these cars will greatly strengthen our position in the largest segment of the automobile market," Smith said. "The Thunderbird and the LTD II two-door models give Ford Division a powerful one-two punch in the specialty or upper end of the segment, and the four-door LTD II models and station wagons are ideal for buyers seeking six passenger comfort and other full-size car attributes — at a smaller price."

Ford 1977, all Pinto models have a new, sportier-looking front end. A new all-glass third door (a no-extra-cost option) gives three-door Pinto models a fresh, modern look and, two- and three-door Runabout models are in a lower inertia weight class (2,750 pounds) — the same as the 1976 Pinto Pony models.

Addition of a Pinto Cruising Wagon in 1977 will greatly expand the subcompact's appeal in the youth segment of the automobile market. Other new Pinto options include a flip-up open air roof, a Sports Rally Package with tachometer and gauges and a four-way manual driver's seat.

In 1977, Granada becomes the first domestic car to offer a four-speed manual overdrive transmission as standard equipment.

Ford LTD remains full-size for 1977. The top-of-the-line LTD Landau has been repositioned into the price class of the LTD Brougham — which has been deleted from the lineup — but continues such standard luxury features as hidden headlamps, wide, color-keyed bodyside moldings and a high level flight bench seat with a fold-down center armrest.

Mustang II for 1977 offers a host of improvements, including added standard equipment on 2 plus 2 models at no added cost, the flip-up open air roof and four-way manual driver's seat, a Ghia Sports Group and other exciting new options and money-saving packages that group popular optional items.

Maverick also offers new options and convenience features four-way manual seats, wire wheel covers, and wide bodyside moldings.

New exterior paint, vinyl roof and interior trim colors add sparkle to the appearance of 1977 Ford Division Cars.

To meet the U.S. government's more stringent 1977 model emission control standards, most Ford cars have revised emission control systems that include a larger volume catalyst and Ford's new Duraspark high-energy solid-state ignition system which provides increased voltage at both starting and running speeds, allowing leaner air-fuel mixture and even longer spark plug life.

Wilson racks up win No. 5

WILSON — it was Homecoming Friday night and the Mustangs delighted the packed stadium with a 21-12 victory over the Jayton Jaybirds, making their record 5-0 in the 1976 season.

On Wilson's first play from scrimmage the tempo of the game was set as Senior Carlton Henderson threw a 21-yard pass to Senior Philip Bednarz, catching the Jaybird defense napping. The conversion attempt was wide, and Wilson held a quick lead, 6-0.

Neither team could mount an offense during the second quarter, but after the two teams returned from halftime, Junior Mikey Ramirez rambled in from the 35. He then was the recipient of a pass from Henderson for a 2-point play. Jayton got on the scoreboard moments later but missed on the PAT. In the fourth quarter both teams scored, but Wilson made their extra point, and the scoreboard read 21-12.

Coach Charles Seagler and assistant Pat Mouser and Bill West thought the game was a good test for their strong Mustangs since district wars will commence on Oct. 7. The Jaybirds had played tough Class A teams prior to the game and are re-building from a fine 1975 championship team. Wilson's attack seems to be more balanced each week as the leading ground gainer in the Jayton game was Ramirez with 170 yards followed by Senior Wes Wilke with 113.

Sands is to be the first district opponent for the Mustangs.

Tough Tahoka defense throttles Lope ground attack

Post loses 5AA district opener to Bulldogs, 12-7

A rugged Tahoka defense threw a blanket over the Post Antelope attack at Tahoka Friday night — except for a brief three minutes late in the second period — and Coach A. D. Shaver's Bulldogs rallied in the fourth period to upset the Lopes, 12 to 7, in the 5AA district opener for both clubs.

The Bulldogs, who had lost three straight times since an opening victory over Stanton, drove 75 yards in the final period for the winning touch-

downs, same as the Bulldogs, on two fumbles and two pass interceptions.

Certainly, lady luck didn't shine on the Lopes that night and the penalties came when they hurt the most.

The first was a clip on the opening kickoff after Kyle Duren had made a nice return to midfield. It cost the Lopes 35 yards all told and put them back on their 15 yard line and in a hole where they stayed most of the first half.

In the second period, Britton boomed a beautiful 75-yard kick from the Post 15 to the Tahoka 10, but it was called back on a motion penalty. Buddy's next kick from his end zone carried out only to the Post 48 and from there the Bulldogs drove to their first touchdown.

On the unsuccessful conversion play after that TD, the Lopes drew a personal foul penalty. That gave Tahoka a second shot from the 1½ yard line, but the Lopes held on the run.

The next penalty was another motion penalty on Britton's point try after the Lope score, but Britton booted the next effort through.

Post drew a 15-yard penalty for a personal foul for out-of-bounds activity on a tackle on an end run in Tahoka's winning drive. That moved the ball to the Post 10 from where Quarterback Clint Gardner tallied on the next play.

The Lopes other motion call nullified a 15 yard pass completion which would have put the ball on the Tahoka 40 with 1:41 to play in the game when the Lopes were trying desperately to get a comeback drive going for a winning score.

But while each of those penalties hurt, the tough Tahoka defense was what really did the Lopes in.

Neither team could pass successfully. Post completed two of seven and had two interceptions and Tahoka completed one of two.

In the second period, after the Tahoka touchdown, Quarterback Shepherd had Heaton five yards behind the Bulldog defense but threw short for an interception.

Tahoka's coaching strategy was to run the ball on fourth down if they thought they had a chance. It usually worked, even with a fourth and inches on their own 31 late in the third. The fourth down run also aided them in both touchdown drives.

But the one time it didn't work was the fourth and 13 situation late in the second on the Post 41 after the pass interception. From there Post went for its only score.

Halfback Randy Baker was the leading Post ball carrier by a big margin. He picked up 103 yards in 17 rushes, was stopped for no gain once and lost seven yards on three for a net of 96 in 21, tops for the season for Post ballcarriers, according to The Dispatch charts.

Both teams had difficulty in passing attempts getting the ball off. Each passer was "sacked" or forced to run more times than he actually threw.

Defensive tackle Casey Zachary had an outstanding game, being in on numerous tackles against the hard running Bailey brothers, Ernest and Clifford, who is only a sophomore.

Zachary also recovered a Tahoka fumble at midfield in the fourth.

Tahoka's only pass completion, a 21-yarder to slippery split end Danny Moore is what sparked Tahoka's winning drive from midfield to the Post 29 from where the Bulldogs got it across in two plays.

The fleet Moore fielded punts and was deep for kickoffs for the Bulldogs. After Britton's first punt, Moore got behind a screen of blockers and returned the 40-yard boot 37 yards to the Post 23. That time the Lopes held on their 13. The next time, Britton recovered a Tahoka fumble on the Post 15 to stop the second Tahoka first period thrust.

Fullback Randall Wyatt netted 37 yards for the Lopes in 14 carries.

After Tahoka's winning score in the fourth, there still was 3:37 on the clock. Post got the kickoff back only to the 39 and lost 10 yards and the ball in two plays with Baker losing the handle on a wide pitch and Ernest Bailey recovering for Tahoka on the Post 18. But three plays later Bailey fumbled the ball into the end zone from about the five in a trade back and Allison recovered in the end zone to give Post the ball on its 20.

Post got two first downs out to its 45 before getting the penalty on a pass completion and then having Shepherd smothered three times as he tried to pass without being able to find open receivers.

HARD HITTING ACTION — Tahoka Quarterback Clint Gardner is dropped behind the line of scrimmage in a real tangle of bodies in Tahoka's 12 to 7 win over the Lopes at Tahoka Friday night. Guard Buddy Britton, No. 66, is only Post player identifiable. — (Staff Photo by Don Ammons)

SHAKEN PROGNOSTICATOR SAYS

Lopes to start win streak

One musn't look back in the football guessing business, but the usually reliable Associated Press was partially to blame for the sorry prognosticating printed here last week by reversing the line score of the Merkel-Eastland game.

The AP Saturday carried Merkel the winner whereas Eastland handed the 4AA school, just climbing out of class A ball, its first loss of the season.

Colorado City made it two, 14 to 7, and of course the up-and-down Post Antelopes and Floydada Whirlwinds were down out.

But let's look ahead to Friday night and come back to that. Cooper at POST: The Lopes will come back in their homecoming effort and sack a few wigwags in Antelope Stadium Friday night.

Coahoma at CRANE: This is a real toughie. Both are unbeaten, but Crane blistered Tahoka while Coahoma only won. Anyway, it's at Plains, but remember Plains is only a Class A power and Coahoma may come on to win 4AA.

LEVELLAND at FLOYDADA: The Winds may be "up" this week but although Levelland took a walloping last week they're off to a fine AAA season so far and should have too much muscle for a not so tough Floydada line.

Abilene Wylie at COLORADO CITY: Wylie showed "nothing" in lights on their side of the scoreboard at the end of the Coahoma game last week.

DENVER CITY at Tahoka: This one may be tougher for the Mustangs than they suspect, although the gritty Bulldog attack is sluggish and the coach likes to run on fourth down.

Shallowater at FRENSHIP: The Tigers are undefeated, but are not exactly playing a tough schedule.

SLATON at ROOSEVELT: The Tigers are playing for state ranking now so every touchdown counts.

LOCKNEY at DIMMITT: Another real toughie with maybe the

home field providing the edge.

As for last week, this picker had the right "vibes" on only four out of seven selections for our poorest week of the season.

This dropped our overall winning percentage for the season out of the 700 class back to .897.

Here are the actual scores on last week's "pick games":

Tahoka 12, Post 7.
Denver City 48, Cooper 0.
Frenship 6, Roosevelt 0.
Littlefield 20, Floydada 19.
Colorado City 14, Merkel 7.
Coahoma 35, Abilene Wylie 0.
Lockney 41, River Road of Amarillo 0.

Fullback Gary Baker scored three touchdowns and ran across three two-point conversions at Tahoka last Thursday night as Coach Mickey Long's unbeaten Post Eighth Grade team handed the Tahoka eighth graders a 34 to 6 licking.

It was Post's fifth straight victory.

Baker also set up the other Post touchdown with a long run to the four-yard-line in the first period. Noel Pena ran it in for six and Baker rumbled in the conversion points to make it 8 to 0.

Tahoka bounced back for its touchdown to narrow the score to 8 to 6. After that, it was all Post's game.

7th graders in tie at Tahoka

Coach Unberhagen's seventh grade footballers broke their four-game losing streak with a 6-6 tie with Tahoka at Tahoka last Thursday night.

Tahoka scored in the first period and led 6-0 at halftime.

Post got on the board when Fullback Steve Fielder ran two yards off tackle in the third for the touchdown. Halfback Craig Peel set up the score by running 50 yards on a reverse down to the Tahoka two before being tackled.

With the score knotted at 6-6 all, Post's run for point was short of the doublestripe just as Tahoka's had been.

In the fourth period, Post drove inside the Tahoka 20, only to lose the ball on downs.

The locals will open a grid doubleheader with Cooper in Antelope Stadium here tonight with a 5:30 kickoff.

Sidelines

By JIM CORNISH
The 1966 Post Antelope bi-district football champions, who will be honored at Post High homecoming here Friday can tell the 1976 Lopes something.

If you'll look it up, though the Lopes whipped Denver City 14 to 0 that year, grabbed the district crown, and went on to win their bi-district game, they too lost to Tahoka. The score was 6 to 3.

We can remember that night almost as bitterly as Friday night's 12 to 7 loss when the Bulldogs fumbled their way to the winning touchdown. In that drive they got a 10 yard gain on one forward fumble to get the drive under way. Then down near the goal line when Lope tacklers jarred the ball loose from the Tahoka ball carrier, Bulldog Quarterback Clint Gardner alertly picked up the bounding ball and ran it into the end zone for the winning points.

The pix in the First National Bank ad on page 3 shows the Lopes in their dressing room after the victory over Denver City. That's one Editor Charlie Dwyer took and we were there with him helping to get everybody in a non-posed look.

We note by the weekend line scores that Coach Bobby Davis's Calallen team won another game Friday night, defeating Sinton, 17 to 14.

Bryan Davis, the Lopes' all-district quarterback for two years, is playing reserve tight end this year on scholarship for Howard Payne and Brownwood and playing on the kickoff team. Bryan will be here Friday for the homecoming.

While Coach Jackie Brown is shuffling his offensive line this week, Coach Bill Gravitt shuffled his backs around last week against Cooper trying to find more offensive punch. He found it too.

He moved Carl Coggin from quarterback to halfback along with Richard Haynes and Max McGeary started at fullback with Darrell Thornton moving into the quarterback slot.

Coggin celebrated his move by scoring four touchdowns and kicking six extra points and gained 104 yards rushing in 15 carries. But that wasn't so much. Quarterback Thornton ran for 141 yards on 14 tries and Haynes was the real workhorse

In the second period, Baker ran 10 yards for his first touchdown and ran across the conversion points to make the score 16 to 6 at halftime.

In the third, Baker broke away for a 40-yard touchdown gallop and Pena scored the conversion points on a run.

Charles Curtis got a two-point safety for Post when he tackled a Tahoka back in Tahoka's end zone.

Baker then capped the scoring with a 50-yard scamper for the final touchdown and ran across the points.

The local club will be back in Antelope Stadium tonight for their next start against Cooper with a 7:30 kickoff.

In the second quarter, Jeff Left tallied from 25 yards out on an end-around run, but the conversion points failed. Just before the half, Post recovered a fumble deep in Tahoka-land and Fullback Larry Rodriguez bucked it across from the two-year stripe for the third touchdown. Walker swept end for the conversion pair to make it 22 to 6 for Post at the half.

In the third period, Reserve Quarterback Rance Adkins scored on a five-yard keeper and then passed to Jackie Stelzer for the conversion points to tally Post's final points.

Tahoka scored late in the fourth for its other touchdown.

Regular quarterback Mike Macy suffered a broken hand in the first half and Jackie Stelzer went out late in the game with a broken finger.

The frosh, who play only three of their nine games at home, will take to the road again tonight, playing Cooper at Cooper at 9:30 p. m.

IN HOMECOMING GAME—

Lopes ready to bounce back

Disappointed over their loss at Tahoka last week, Coach Jackie Brown's Post High Antelopes are preparing to bounce back into the thick of the District 5AA race here Friday night when they entertain the Cooper Pirates in Antelope Stadium in the homecoming game.

Coach Brown has juggled players in his offensive line this week in an effort to get increased blocking on the right side for Lope ballcarriers.

Erik Howard has been moved from strong tackle to quick tackle. Virgil Morris has moved up from the reserves to starting quick guard. Mike Babb, who has been playing strong guard, has been shifted to strong tackle. Buddy Britton, who has been starting at quick guard has been moved over to strong guard.

"We're not out of the district race," Brown told his players this week. He said the Lopes had to play their district foes one game at a time and prepare well for each one of them.

This week the opponent is Cooper. Although the Pirates are still winless in five starts and absorbed a 48 to 0 pasting

by Denver City at home last week, the Lopes are getting ready "just as hard for this as any other," Coach Brown told The Dispatch Tuesday.

In David Martinez, 100-pound junior, the Pirates have a quarterback who can throw and run equally well. Fullback Deatherage, 175-pound junior, who was out of the Denver City game with injuries, is expected to be back for the Lopes. He will give added punch to visitors' attack.

The Pirates run a power attack and also use the option too with plenty of spirit on passes.

None of the Lopes was injured against the Bulldogs. Only their pride was hurt at Tahoka game.

Butch Booth, who suffered bruised thigh in Wednesday practice last week and did not play against Tahoka, is doubtful for Cooper.

It's a 7:30 p. m. kickoff for the football game, band and pep rally and the pep squad band will be crowned at a 3 p. m. pep rally in the high school gym to which everyone is invited including all the returning "Post exes."

Blocked punt starts Post JVs to victory

Coach Jerry Reynolds' Post Junior Varsity footballers came up with two fourth period touchdowns to beat the Tahoka JVs, 13 to 0, in Antelope Stadium last Thursday night after the two clubs battled up and down the field in a scoreless deadlock for three quarters.

The turning point came when Shorty Bilberry blocked a Tahoka punt on the visitors' 15 and Carlos Varela scooped up the bouncing football and ran it across for the touchdown with 7:26 left in the game. Leslie Looney missed the conversion kick.

After Post had held Tahoka and forced a kick, the locals

drove 50 yards to their tally with Halfback Tim Maney circling left end 12 yards for the touchdown. Looney's kick conversion was true.

Tahoka took to the air at the next kickoff in a futile effort to get back into the game. Linebacker Kelly Bazzam intercepted a Tahoka pass and the Post team ran out the clock.

The only time Post threatened in the first two periods came in the third when Charles Scott got away on a yard run to the Tahoka 20, the run was nullified by clipping penalty.

Tahoka drove about 96 yards in the first half, but failed score. They started on their yard stripe late in the first half and went all the way to the Post early in the second half losing the ball on downs.

Part of loot is recovered

A Slaton man has been arrested by Garza officers after a search of his home Monday night turned up items stolen in the burglary of the Robert Mock farm residence June 27.

Sheriff Gene Gandy said the man has been charged with theft by appropriation this time, but that investigation is continuing. Other stolen merchandise, yet identified, also is believed to have been seized by officers who obtained a warrant to look through the man's home.

The man was expected to make bond yesterday.

Sheriff Gandy estimated about 30 to 40 percent of items stolen from the home were recovered at Slaton residence.

Each of these advertised items is required to be readily available for sale at or below the advertised price in each store, except as specifically noted in this ad.

OS Ranch results---

(Continued From Page One) sorry for was Bud Upton of San Angelo.

Upton went into the final round with the fastest time on three head — 55.65 seconds — and needed a tie in a little over 20 seconds to beat Young for the crown. Having the fastest time on the three head, he was the last roper out.

He roped his steer fast enough and downed the animal, but as he came off his horse to make the tie the steer got back to its feet. In steer roping this meant Bud would have to mount his horse, run the steer, trip him again, and try again for a tie. That would take far more seconds than he had to still finish in the money, so Bud just stood there, losing \$10,000 on what cowboys figure to be a bad arena break.

Bud, who had roped each of his first three steers in under 19 seconds, took home \$2,000 for a second and a fourth in the two of the first three go-rounds.

The crowd hushed when Bill Price, Lubbock western store operator and steer roper, had his horse fall on him as it was cutting down a steer Bill had roped. But both Bill and the horse got to their feet without apparent injury.

Sixteen of the 35 ropers entered in the record \$45,000 steer roping went out of the average when they missed both loops. This included 1976 world champion Charles Good and Marvin Cantrell, leading 1976 steer roping money winner.

All told, 641 cowboys and cowgirls competed in the Saturday and Sunday program at the OS Ranch and went home with some \$70,000 in total prize money.

Go-round winners in the steer roping with \$2,000 for first, \$1,500 for second, \$1,000 for third and \$500 for fourth, were as follows:

First go-round: Troy Fort, of Lovington 17.90; Roy Thompson of Happy, 18.02; Walter Arnold of Silverton, 18.38; and Charley Noble of Yale, Okla., 18.67.

Second go-round: Monroe Tumlinson of Cresson 16.94; Bud Upton, 18.62; Olin Young, 19.07; and Lewis Kindhead of Tucumcari 19.10.

Third go-round: Eldon Dudley, 16.34; Marvin Cantrell of Nara Visa, N. M., 16.81; Randy Burchett of Pryor, Okla., 16.93; and Bud Upton, 18.06.

Fourth go-round: Phil Lyne, 14.80; Eldon Dudley, 16.19; Olin Young, 16.84; and Arnold Felts of Woodward, Okla., 18.37.

In the women's barrel race, Vicki Henry of Melrose, N. M., was the big winner, taking the average on two go-rounds in 36.35, winning the second go-round and placing second in the first go-round. For that she received checks totaling \$398.08.

Donna Saul of Fort Stockton was second in the average in 36.27 winning the first go-round and placing third in the second.

Shelly White of Plainview was third in the average of two go-rounds in 36.33 and Omie Dalton of Ropesville was fourth with a 36.39.

In the team roping, which had some 238 teams competing, Mark and Larry Howard of Odessa won the average of two calves in 18.49 seconds.

Ned Myers and James Koonsman of Lubbock were second in 21.18 and Maynard Houston and Tooter Jamison of

Andrews were third in 22.74. Fourth went to David Ellison and Doug Irwin in 23.10; fifth to W. T. Kirk and Joe Richardson of Uvalde and Eagle Pass in 23.81; and sixth to Kim Gripp and Jim Monroe of Hereford in 24.34.

In the first go-round of team roping, the Howards won first in 9.29 seconds with second going to Jimmy Rudaill and Jerry Haeber of Rock Springs in 9.62, third to Joe Richardson and Rocky Reagan of Eagle Pass in 9.66; and fourth to Pecos Shannon and Terry Leatherwood of Clovis in 9.78.

Ken and Kenny Smith of Carlsbad won the second go-round of team roping with a 7.19. Second was Ramon Maes and Brian Potter of Hereford in 7.90; third Kim Gripp and Jim Monroe in 8.08; and fourth W. T. Kirk and Joe Richardson in 8.22.

In the Saturday afternoon invitational calf roping, Butch Bode of Brenham won the average with a 37.61 on three head; Kyle Ditto of Coahoma was second in 40.08; Jim Fuller of Valley Mills was third in 40.73; and Ronny Sewalt of Chico was fourth with a 41.63.

Go-round winners in the calf roping:

First go-round: Jim Fuller, 12.20; Junior Garrison of Marlow, 12.55; Billy Doenz of Bighorn, 12.56; and Jim Brazile of Grover, 12.57.

Second go-round: Kent Youngblood of Lamesa, 12.08; Jim Fuller, 12.27; Butch Bode, 12.64; and Sylvester Mayfield of Clovis, 12.85.
