

Young Guy Allen is newest OS steer roping champion

Crowds are biggest

Guy Allen of Santa Anna, Tex., 1977 world champion steer roper, won the 8th annual OS Steer Roping Sunday afternoon before a record crowd estimated at about 4,000 western fans.

Allen, who went to the front early, roped and tied four steers in a total time of 76.14, less than a split second over the OS record of 75.55 seconds set in 1977.

Kelly Corbin of Delaware, Okla., was runnerup with a total time of 84.75 seconds. Sonny Davis of Kenna, N.M. was third in 85.56 and Olin Young of Peralta, N.M., fourth in 88.21.

It was a perfect fall day for the roping and the new terraced seats and shaded boxes were crowded. Hundreds of others lined the fences on either side of the arena.

With the long day of roping Saturday featuring the world's top calf ropers, another big crowd was on hand to watch 415 teams compete in the team roping, some 47 participated in the match calf roping on three head, and see Roy Cooper, 1977 world champion calf roper, defeat Phil Lyne, 1971-72 world champion in a 10-calf match roping by a 24.84 second margin.

Catalog sales at \$5 each were believed the heaviest ever due to the fact that Ken Curtis as Deputy Festus Haggen was autographing them for young and old.

The two barbecues also were believed to have set records.

Total revenue raised for the West Texas Boys Ranch will require a period of bill paying before that can be determined. It probably will be difficult to top the \$41,000 raised by last year's "OS weekend", but it remains a possibility.

Some 300 enthusiastic dance fans attended the special OS dance in the Post Community Center featuring the Original West Texas Playboys Saturday night.

They paid a \$50 donation per couple for the privilege and one remarked on his way out, "If you can get them back next year it would be worth \$100 to me to hear them again."

The other western dance on the Post Stampede rodeo's outdoor slab also drew big.

Willard Moody of Wynnewood, Okla., third biggest money winner this year

among U.S. calf ropers, won the Saturday afternoon invitational calf roping with a total time of 45.51 seconds for three head.

Second was Junior Garrison of Elgin, Okla. with 46.27 seconds; third was Ronnye Sewalt of Chico, Tex., No. 7 calf roping money winner this year with 47.92 and

fourth was Phil Lyne of Artesia Wells, Tx. with 47.93.

In the huge team roping field of 415 teams, Jimbo Martinez and E. Vasquez won \$3,776 by taking the average of two ties in a total time of 20.83 seconds.

The team of Mark Arnold and Gary Ellis was second

with 22.15, Reg Camarillo and G. Camarillo were third with 22.80, and Jimmy Childs and Ben Webb were fourth in 25.31.

There were three plaque presentations before the steer roping got under way Sunday afternoon.

Jim Prather was presented with a bronze

sculpture of his roping horse, Pete, who had to be put to sleep two weeks before the OS weekend. The work was done by Jim Hamilton of Pawhuska, Okla., one of the OS artist "regulars."

Toots Mansfield was honored as the steer roper (See Everything, Page 6)

Another "OS weekend" has come and gone and been judged by any standards as a sparkling success.

Blessed with ideal weather after a week of rain, the "OS weekend" had a little bit of everything for almost everybody.

One item not mentioned in The Dispatch's news coverage was the attendance Sunday by the prince of Iran, who as most Dispatch readers will recall is in flight training at Reece AFB outside of Lubbock.

The prince and his party stopped to admire the western art on display in the ranchhouse and then occupied Mayor Giles McCrary's box for the steer roping.

Guy Allen who won the steer roping Sunday afternoon shouldn't have too much trouble financing his college education. According to his grandmother who wrote for a copy of today's Dispatch for the scrapbook she is keeping for him, Guy is a student at Ranger Junior College.

Piggly Wiggly will close its super market in Post on Saturday, Oct. 14, we have been informed and are now in the process of selling out its entire stock.

Piggly Wiggly has been open the last 21 years, The Dispatch's No. 1 or 2 advertising account. As we recall Paul Jones was running the market when we arrived in Post in 1957, so our association has been a (See Postings, Page 8)

Two women charged with string of burglaries

Sheriff Jim Pippin said this week that the arrest of two Post women on felony charges has broken up a rather unique residential burglary ring here.

Charged are Margie and Angela Rivera, both of Post, who were arrested last week.

Angela Rivera was released Friday on a \$2,500

surety bond and Margie Rivera was released Saturday on a \$7,000 bail bond.

Charges against the two await grand jury consideration.

Sheriff Pippin lists five recent burglaries which he alleges the two women committed.

They include theft of \$90 from Mrs. R. L. Stanley, 716 West 13th; \$71 from Mrs. Frances Matthews; undetermined items from Matt's Hotel; green stamps and some fish plaques from Mrs. Gariand Davies at 112 E. 10th; and 13 wash cloths, two books of green stamps, three hand towels, three \$20 bills, one \$5 bill, four \$1 bills and a dollar's worth of change from Mrs. Ima (See Two women, Page 8)

Grand opening today for new Allsup store

The grand opening of Post's third new store of Allsup's Convenience Store chain is scheduled for today, Friday and Saturday.

It's Allsup's No. 124 store at 326 West Eighth.

The store purchased some months ago from Marshall Ticer has been completely remodeled by an "Allsup's construction team," all the parking repaved and new gasoline pumps installed.

Dispatch readers will find a double-page color ad on pages 4 and 5 of this edition for this Grand Opening.

A 40-channel CB radio is being given away Saturday night. Free bags of groceries are being given away every half hour from 11 a. m. to 7 p. m. each of the three days.

Jumbo cups of Coke are (See New Allsup's, Page 6)

Rites held for infant here

Graveside services for Michael Scott McClellan, infant son of Mr. and Mrs. Doyle McClellan, were held Saturday, Sept. 30 at 4:30 p.m. in Terrace Cemetery under direction of Justice-Mason Funeral Home.

Services were conducted by Rev. Tom Pass, pastor of the Presbyterian Church and assisted by Rev. Glenn Reece, pastor of the First Baptist Church.

The infant was stillborn Friday in Lubbock's West Texas Hospital.

Survivors include his parents; maternal grandparents, Mr. and Mrs. Connor Howell; paternal grandparents, Mrs. Dorothy Carter, Andrews and Ray McClellan of Elmdale, Kans.

Numbering to begin soon

The Post Rotary Club will announce plans next week for carrying out their project of painting house numbers on the curbs here.

The Rotary's Boy Scout troop No. 316 will assist.

Also coming up this month will be the club's annual Pancake Supper in the Post Community Center.

Gene Moore heads the pancake supper project. At their Tuesday luncheon, Rotarians were given a slide tour by Fritz Jacobsmire of Lubbock, on his 1977 Rotary Caribbean tour. Jacobsmire is president of the Southwest Lubbock Rotary club.

Over \$200,000 is 'take' record 'OS weekend'

With annual "OS weekend" was a record in almost every category, especially in the dollars handled.

Over \$200,000 was taken from the various OS events from Friday evening to Saturday afternoon.

Includes \$108,945 in the ranchhouse, from the art auction, evening at the party, \$11,520 just gate of that big party, \$13,189 for the party, and \$12,453 Sunday's gate. The man stand and catalog totaled \$11,861 more than two dances brought in \$7,074.

Prather reports that persons paid to eat at the Saturday noon barbecue estimated "twice as many" were fed Sunday before the 5,000 pounds of beef were all sold.

That out at \$2.50 a head and the barbecue approximately \$13,000.

That together with all the other things that add up to over \$200,000.

There were other things too. Like some from sponsors of the catalog and the income from the new hats which weren't into the gate.

Probably take a few more to gather in all the money to see how much will be left to

benefit West Texas Boys Ranch at San Angelo.

Last year the total was \$41,000 by far the best ever and that didn't count the barbecue which was handled by the boys ranch.

Reading on back burner

Post Public Library patrons literally "took time out" probably for the start of school here in September with only 524 books read during the month, according to Librarian Pee Wee Pierce's monthly library report.

Adults checked out 423 books and juveniles 101. This brought circulation for the first nine months of 1978 to 7,859 books.

Twenty-two new books were added to library shelves in September to bring 1978 acquisitions to 456.

Miscellaneous income for the month from fines, book sales, and donations totaled \$20.19 to bring this income for 1978 to date to \$222.85.

Everybody agreed that both the Saturday and Sunday crowds were the biggest ever, and Prather's new seating arrangement alongside the big roping arena proved a big help to those who in past years have had to carry their own folding chairs in.

The art at this year's OS art exhibit was worth a retail selling price of \$264,995. One got that figure just totaling up the price (See Over \$200,000, Page 8)

Only one man causes trouble

Sheriff Jim Pippin reports the "OS weekend" here went off quite peaceably despite the large crowds.

"We had trouble with only one individual," Pippin said. He reported the man had to be talked to twice because of his drinking and rowdy behavior.

Then when the crowd headed out of the OS ranch on US-84 for home Sunday afternoon the highway patrol picked him up on a charge of driving while intoxicated

highest honor Monday night when they were selected Gold Star Girl and Boy of Garza County.

The awards were made during the Garza County 4-H Achievement Banquet held in the community center.

Lisa, the daughter of Mr. and Mrs. Bobby Cowdrey, has been a member of 4-H for seven years and is a senior at Post High School. Brad is the son of Mr. and Mrs. Lewis Mason and has been active in 4-H for five years. He is a sophomore student.

The two will represent Garza County at the district banquet in Lubbock Nov. 20. The awards were presented by Billy Gunter, district extension agent, assisted by Ken Young.

Delbert Downing of Snyder, guest speaker, spoke to the crowd about the advantages of growing up in a small town.

Awards presentations were made following the ham buffet dinner with Faye Payton presenting the 4-H year pins, assisted by Russell Morris. Awards for first year went to Jerri Baumann, Derrick Dgna, Rus Graves, Tina Greene, Tammye Johnson, Kathy Kirkpatrick, Roxanne McClellan, Angela Melton, Tommy Payton, Kayla Peel, Sharia Riley, Regina Roberson, Camille Wheeler and D'Lynn Young.

Second year to Amy Ault, Mary Bassinger, Michael

Bland, Trasi Craft, Toby Craft, Curt Cowdrey, Cari Harrell, Benny Jackson, Daria Jackson, Russell Morris, and Melissa Striblin.

Third year: Cindy and Diane Basquez, Cindy Harrell, Mike Johnson, Patti McClellan and Jana Middleton.

Fourth year: Tanya

Bland, Kelly Mason, Renea Melton, Cynthia Poole and Andy Wheeler.

Fifth year: Katrina Chaffin, Bennv Kennedy, Brad (See 4-H banquet, Page 8)

In Hill its OS

Attorney General Hill, campaigning as Democratic nominee for governor, made a campaign stop at the "OS Ranch" and promised "to come back next year with Mrs. Hill for the ninth annual OS weekend."

Gold County Judge Dalby after viewing the exhibit in the ranch that both he and his wife are very interested in art and the western life of Texas and when the governor "I will give reservation of our state heritage added through my allotment."

The Post (Tex.) Dispatch Thursday, Sept. 28, 1978

On intangible property

The proposed "tax relief amendment" to the Texas Constitution, which voters will be asked to approve or reject in the November general election, first provides that taxation of intangible property — bank accounts, stocks, bonds, life insurance policies — be made unconstitutional.

At the present time, few if any taxing entities in the state made an attempt to tax intangible property. That raises the question why bother with it?

There are two reasons. The courts can make quite an issue out of unfair taxation cases if such a tax base is legal but not used. Making the taxing of intangible property illegal would remove this controversial point from future court decisions, especially as they affect school district taxation.

Second, the state's many school districts — Post's included — find themselves up in the air because the state proposes to use intangible property of the school districts as a weighing factor in determining state school aid next year, if the proposed amendment fails.

Realistically, this will mean the Post district probably will become a richer district — adding its deposits to its oil — and will receive less state aid. Less state aid means more of a taxing burden being carried locally.

As for the reasons for and against making intangible property off limits to tax collectors, they can be summed up like this:

FOR: Intangible properties are almost impossible to assess and tax fairly. Removing them from the mandatory tax base would eliminate a major obstacle to achieving equitable property tax administration and public school finance.

AGAINST: Although intangible assets may be difficult to assess and tax, they can be taxed fairly if the appropriate administrative procedures are provided. Eliminating them from the mandatory tax base will help wealthy persons and large corporations, who own the greatest portion of the intangibles, at the expense of middle-class homeowners and other small property owners.

Looking ahead—price wise

Manplan consultants of Chicago conducted a study recently to determine the prices of things in the year 2001 — which is only 23 years ahead — if the price trend for the last five years continues.

When you read these figures you may still not be able to define inflation, but you will darn well understand what it does.

A low priced car cost \$3,000 in 1973. In 1977 it cost \$5,000. At the same rate that car will cost \$17,700 in 1987 and \$105,000 in 2001.

A high priced car costs \$6,500 in 1973 and \$12,000 in 1977. In 1987 at that five-year rate of advance it will cost \$55,320 and in 2001 the price tag will read \$471,240.

What about tuition to a private college. It was \$3,000 in 1973 and \$3,840 in 1977. At that rate it will cost \$7,219 a year in 1987 and

\$17,510 in 2001.

Now take a look at the average house. It cost \$34,500 in 1973, climbed to \$54,000 in 1977. In 1987 it will cost at that rate of increase \$191,160 and in the year 2001 — grab yourself a hand hold — \$1,134,000.

A 15 cent bar of soap in 1973 jumped to 35 cents in 1977. So in 1987 it will cost \$3.01 and in 2001 \$61.12.

A rump roast, one pound size for these purposes, cost \$1.49 in 1973. Five years later it was still \$1.49. In 1987 it will be \$1.64 and in the year 2001 \$1.98 a pound.

Ground beef is a bit different. It cost 89 cents a pound in 1973, rose to \$1.19 in 1977, and at that pace will cost \$2.57 a pound in 1987 and \$7.54 a pound in 2001.

LETTERS to the Editor

ON GIVING CREDIT

Dear Editor: With the coming of football season I see the time-honored "Post Pride" signs in many front yards. I agree with the intent of recognizing the football players, but I wish, every time I see that sign, that this community similarly recognized other folks who deserve recognition, like those who play in the band,

or lead cheers, or simply invest their energies in the business of getting an education.

Perhaps if we could give credit where credit is also due, our kids would not wonder if anybody cared, or if the only way to rate this community's recognition involves a pair of shoulder pads.

Sincerely,
Thos. E. Pass

Utility bill tax maybe in October

AUSTIN — State Comptroller Bob Bullock Friday said Texas homeowners and renters should not be alarmed if their Oct. gas and electricity bills continue to carry state and local sales

taxes. "Under the law, the utility companies will continue adding the tax on their October bills if their billing cycle begins before Oct. 1," Bullock said.

Rains slowed paving here

The recent "rain week" here put the local paving project on 15th and Third street behind schedule.

Two hundred and sixty-five yards of caliche was washed away on 15th street, but has now been replaced.

City Manager Pete Maddox reports the contractor plans to top off the several blocks of paving on 15th street next week.

The blocks on Third are not quite as far along, but will be finished this fall.

her, second, 18.50; Walter Arnold third, 18.95; and Guy Allen fourth in 19.03.

Second go: Arnold Felts, first, 16.58; Eldon Dudley, second 16.80; Sonny Worrell, third 17.11; and Tom Ferguson, the world leading all-around cowboy, fourth, 18.00.

Third go: Worrell, first,

14.79; Sonny Davis, second, 15.40; Marvin Cantrell, third 16.39; and Olin Young, fourth, 17.21.

Fourth go: Sonny Davis, first, 19.27; Young, second, 19.51; Allen, third 20.26; and Kenny Call, fourth, 20.32.

Jamie Riemer won the girls' barrel race with a total time of 38.09 seconds

for the two runs. Kimbra Dorsett of Silver, Tx., was second with 38.80; Sharon Kiser of Munday was third in 19.94; and Vickie Henry of Broadview, N.M., fourth with 39.00.

Mayme McLaury of Post

placed third in the final run with a 19.14 second time. She finished out of the money in sixth place among the 61 barrel racers.

The 1978 "OS weekend" certainly was the biggest and counting all the fine new

seating for the roping arena, including covered boxes, and the two special attractions it could probably be judged to be the best.

LUBBOCK — The U.S. Department of Agriculture is calling for public comment on 1979 cotton program provisions, some of which will be announced as early as Nov. 1 of this year.

To be considered, comment must be received by Ray Fitzgerald, Acting Director of USDA's Agricultural Stabilization and Conservation Service, PO Box 2415, Washington, D.C. 20013, no later than Oct. 20.

According to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, issues most likely to elicit recommendations from High Plains cotton producers include the 1979 loan level, target price, and whether the Secretary should use one or more of the available mechanisms to reduce 1979 cotton acreage.

PCG's recommendations will be developed by the organization's Board of Directors at a meeting Oct. 11, Johnson notes. In addition to direct comment to USDA, he adds, individual producers are invited to convey their thoughts to PCG Directors in their respective counties or to the PCG office in Lubbock before Oct. 11.

The cotton loan level for 1979 must be announced no later than Nov. 1, 1978. Under existing law the loan cannot be below 48 cents per pound nor above 85 percent of a three-year average of U.S. spot market prices, based on the last five years, from which the year with the highest and the year with the lowest market quotes are excluded. According to USDA figures, this maximum for 1979 figures to be 50.23 cents per pound.

The Secretary also has authority under the law to set the loan somewhere between this minimum and maximum, provided 90 percent of the adjusted average Liverpool "A Index" for the 15-week period beginning July 1 of this year falls below 50.23 cents and above 48 cents.

The statutory minimum target price for 1979 is 51 cents per pound. The Secretary is directed to adjust the 1978 target price (52) cents to reflect any change in the cost of producing cotton from the average 1976 and 1977 cost of the average cost for the production years 1977 and 1978. The Secretary also has the authority to increase the target price if a cotton set-aside is in effect for 1979 or if the target price is increased for any other commodity for which a set-aside is in effect.

A set-aside for cotton is required if the Secretary determines the total supply of upland cotton will, in the absence of a set-aside, likely be excessive. And, if a mandatory set-aside is announced the Secretary has authority to place a limit on the average planted to cotton in the U.S.

Whether or not a required set-aside is in effect for cotton, the Secretary may make land diversion payments to producers if he determines such payments are necessary to assist in adjusting cotton acreage to desirable levels. The amount of voluntary diversion payments may be determined by the Secretary on a bid basis or through such other means as he determines appropriate.

7th and 8th grade teams still unbeaten

Post's 7th grade football team scored a 14-0 victory over Colorado City in Antelope Stadium last Thursday night on the strength of Defensive Halfback Milton Williams' two touchdown runs.

The local 8th grade club had two scoring chances and couldn't cash in on either as they fought Colorado City's 8th graders to a scoreless standoff.

The results left both teams unbeaten, the 7th with three

straight victories and the 8th graders with one win and two ties.

Coaches Joe Giddens and Mickey Long's 7th graders drove 50 yards in the first period only to lose the ball on downs when they reached the Colorado 20.

In the second period Williams intercepted a Colorado City pass on the visitors 20 yard line and ran it in for the first touchdown.

Fullback L.D. Harper ran over the extra points.

The other score came in the third period when Williams gathered in a Colorado City punt on the visitors' 35 and rambled into the end zone.

Colorado City never really threatened.

In the eighth grade game, both sides had their chances, but couldn't get the ball in the end zone.

In the second period, Post drove 50 yards to a fourth down on the Colorado City 4 where blitzing linebackers met the ballcarrier in the hole for no gain.

In the third period, Post marched 75 yards to the Colorado City 15 in a drive which consumed all but about 90 seconds of the third period. But after a penalty the ball was lost on downs.

Colorado City intercepted a Post pass in the final period and marched to the Post 15 before turning the ball over after the local defense stiffened.

The two local middle school teams will invade Coahoma today for their fourth starts of the season.

To err is human but to really foul things up requires a computer.

Well here I go apologizing again. I'm sorry the Youth Center is closed and some of you are having a difficult time trying to find something to do. It is hoped that the center will be open in the very near future in brand new quarters. NO, NO, NO, it has not been moved to my house until the opening! Thanks anyway.

Congratulations this week go to Lisa Cowdrey, Brad Mason, Katrina Chaffin and Brent Mason for winning the Gold Star Girl and Boy and the I Dare You winners during the 4-H banquet Monday night and to all the other youth who won ribbons and trophies. Also to Nita Jo Gunn and Ramona Taylor for being selected sweethearts of the FFA and Greenhand chapters.

The seniors called early Wednesday morning and told me of their car wash to be held Saturday. It was almost too late to get in the paper, so if you don't find it elsewhere in the paper, it will be held at the Robo Car Wash from 1 p. m. til finish Oct. 7 for \$5 per car. Pickup and deliver may be had by calling Dan Nelson Saturday morning at 3237.

For those of us that haven't had a chance to watch the freshmen and junior varsity in action, they are in town this week and will play Coahoma Thursday afternoon with the frosh beginning at 5:30 and JVs at 7:30. So come on out.

Well its off to Denver City Friday night and the first district game of the season. WE ALL need to get behind the Antelopes and support them 100 percent. The game will begin at 7:30 p. m. and hope to see you there. GO GET 'EM LOPES.

Frosh drop 12-0 verdict

Coach Lane Tannehill's Post freshmen team dropped a 12-0 decision to Colorado City's freshmen at Colorado City last Thursday night.

The home club scored touchdowns in the second and third periods, getting one on a long drive and with a pass interference call at the Post six setting up the other after a Post fumble.

The local eleven reached Colorado City's 31 in the fourth, their deepest penetration of the game.

The freshmen will play their first home game of the season at 5:30 p.m. tonight in Antelope Stadium against Coahoma freshmen.

Halloween party set

A Halloween party is planned for October 27 at the Senior Citizens Center as well as a bake sale, beginning at 7 p. m.

Baked goods would be greatly appreciated as all proceeds will go to the Algeria Senior Citizen Center.

A donation box will be placed by the door instead of admission charged.

Each one is invited to come and wear your goblin suit and join the fun.

Senior Citizens are also reminded of the exercise classes each Wednesday at 2 p. m., and each Tuesday, some type of arts and crafts.

A program on Christmas ideals will be presented Oct. 18 by Paula Cawthon.

Persons age 55 and over are encouraged to use the senior center as table games are played each day and a meal served at 12 noon with a minimum donation of \$1.50.

LEAVE FOR ARMY
Mr. and Mrs. Michael Maddox left Post this week for Fort Jackson, S.C. where Gloria will be stationed for six weeks and Michael, one week, then will be transferred to Fort Benning, Georgia.

Sanitarium to get roof

The Garza Museum Association has voted to go ahead with the reroofing of the Old Sanitarium Building and other repair work on the historic structure.

A low bid of \$29,800 was received Friday afternoon for the work from Neal Wilcox of the Lubbock Roofing Co.

The association, which leases the building from the county to house its historical museum, plans to do as

much work as it can afford. Such a procedure has been approved by the state historical commission which is providing a federal grant to aid with the project.

The first work which will be undertaken will be the reroofing of the building and repair of the cornice or overhang.

A new donation drive may be organized to help finance completion of the work.

Two women-

(Continued From Page One) Smithey, 508 West 7th. Sheriff Pippin describes the set procedure used by a pair of women in all of these burglaries.

The women drive into a neighborhood, get out of their car, and knock on someone's door.

They explain to whoever comes to the door that their car has broken down and they need to use the telephone to summon help.

Once inside, one of the pair keeps the occupant busy while the other steals whatever money or small objects she can find.

Sheriff Pippin suggests local residents should be wary of any such procedures being used to gain entrance into their homes.

The boys ranch receives 10 percent from the art sales in lieu of a sales commission. But it receives every penny of the art auction as these items are donated to the boys ranch by participating artists prior to the auction.

The auction this year raised an all-time high of \$21,274.

Deputy Festus Haggen, the new feature attraction, was one tired "lawman" when the crowd headed for the exits at 6:30 p. m. Sunday. He had spent the afternoon visiting in the stands and signing autographs.

Permits given for 2 homes

Building permits for two more new homes here have been issued recently by the City of Post.

One is for a 2,500 square

foot brick home with basement for Jimmy Sharp on 14th street.

The other is for a partial ready-built which is being moved onto a site in the 800 block West 15th by Dupuy Construction Co. of Crosbyton.

Containing 1,387 square feet with two-car garage, partially bricked and contain central heating and air conditioning. It is reported Dupuy plans to sell the home and additional move-ins for Post.

HEAT PUMP

"THE ELECTRIC SAVINGS MACHINE"

SAVING FOR THE FUTURE

Coin banks help teach children how to save for the future. You can save for the future, too, with the electric heat pump. That's why we call it the electric savings machine. This efficient heating/cooling system can deliver as much as two units of heat for every one heat unit of electricity it uses. But the savings don't stop there. With fuel costs expected to rise during the next two decades, the electric heat pump is a smart investment that will save energy today and in the future.

It's never too soon to start saving... with the electric heat pump. Start today before your future gets here. You'll be glad you did.

Morrisses honored at 70th reception

70th wedding anniversary honored Mr. and Mrs. W. C. W. Morris today, Oct. 1 in the First Christian Church parlor. Hosts and hostesses for the reception were the children of the couple. Wilburn, Chester Harlan of Post, Alvin of Lubbock, Leonard of Lubbock, Beatrice Dodson and Rita Downs both of Post. Great-granddaughters of the honored couple registered the 173 friends and relatives attending the occasion from a table laid with an arrangement of yellow and bronze mums in a footed base on them as a gift on their anniversary. A four-tiered cake iced in white with white lattice

work and yellow, orange and bronze mums, topped with the number '70' surrounded by mums was served with orange and green punch from a table laid with an ecru lace over orange, using crystal appointments. The table featured a centerpiece of yellow, bronze, and orange mums with red and champagne colored carnations and bronze asters with fall colored maple leaves and fern in a crystal fruit compote. Napkins were orange and green to carry out the fall color scheme. Great-granddaughters of the couple served the guests.

Another table laid with ecru lace and centered with an arrangement of yellow and orange daisies in the top of a tiered crystal server, which also was a 50th wedding gift, was attended by great-grandsons from which coffee and bunt cake was served.

Attending the reception were friends and relatives from within the state and a nephew and wife, Mr. and Mrs. Charles Edwin Morris from One Hundred Mile House, British Columbia, Canada also attended, a sister-in-law, Mrs. Nealie Little, a niece and husband, Mr. and Mrs. James Kley of Lincoln, Ark., a great-niece Theresa Kelly, a niece and husband, Mr. and Mrs. Fay Webster all of Albuquerque, N.M., and a great nephew and family, Mr. and Mrs. Russel Allen Morris of Hobbs, N.M.

The living children, grandchildren, great-grandchildren and great-great-grandchildren now number 126 which covers five generations.

Lopes grab early lead before losing to Wolves

Mistakes costly in Colorado City rally

The Post Antelopes put their first touchdown of the season on the scoreboard in the first period Friday night, but made too many mistakes to hold off the hard running Colorado City Wolves and wound up their pre-district season with a 19-6 loss.

Actually mistakes set up the game's first three scores. It wasn't until the Wolves started a drive late in the third that carried 85 yards to a fourth period touchdown that a score could be termed fully earned.

The Lopes got their fans excited when they converted the first of five Colorado City fumbles into six points. Punter Bryan Compton who had a fine night with his kicks got a 59-yarder away which rolled dead on the Wolves' five.

Tackle Jerry Perez covered the fumble on the first scrimmage play on the night.

Three plays later Wingback Cliff Kirkpatrick took a pitch from Quarterback Rance Adkins on the right flank and then cut back to slam the last five yards for the score with 6:39 left in the period.

Center Leslie Looney's point try was blocked. After an exchange of kicks, the Lopes were on their own 30 late in the quarter and started a string of errors which led to the first Colorado City touchdown.

On two consecutive plays, holding was whistled against the Lopes which backed them up to their own 10. Quarterback Adkins then was "sacked" trying to pass just outside the goal line.

Compton, kicking from the backline of the end zone, got it out to the Post 33. Wingback Ricky Sanchez zipped for 11 and a first down on the Post 18 from where Quarterback Gene Carter threw a sprintout pass to End Jay Feaster on the two and Feaster slipped on in for the tying score.

Fullback Gary Hulme converted to give Colorado City a 7-6 lead with 10:07 left in the second quarter.

Fullback Larry Rodriguez of Post took the ensuing Colorado City kickoff back to the Post 47 from where Kirkpatrick picked up 20 yards on three carries to

the Wolves 33. A fumbled handoff by Kirkpatrick ended this drive and Colorado City took over on its 32.

Forced to kick from midfield, Feaster rolled one dead on the Post six.

This time Compton fumbled a handoff which was never secured and Colorado City covered the ball on the Post nine.

A Post offside made the second touchdown easier. Carter sneaked for four and Hulme then slammed the final yard with 3:52 left in the half.

Carter tried to pass off a fake kick formation for the conversion points but the Lopes battled it all over the end zone.

The next fumble came on the second half kickoff, but Colorado City finally picked up the ball in the end zone and edged it out near the ten.

That put the Lopes in good field position on their 49 after forcing a kick but they couldn't move.

Sanchez reversed his field on Compton's next kick and rambled 41 yards to the Post 39. From there Colorado City hammered to a first down on the Post 15.

The Wolves then coughed up the football and defensive back Carlos Varela covered it for Post on the 10 to halt that threat.

Colorado City's fumbling continued. On Compton's 37 yard kick Colorado City fumbled the kick and Post recovered in great position on the Colorado City 31.

But another 15-yard holding penalty backed the Lopes out to near midfield and Compton booted to the Wolves' 10 with the ball being returned to the 15.

From here Colorado City cranked up and in 10 plays marched 85 yards for the final touchdown. A pass from Carter to End Dwayne Staats provided 18 yards of it. The final 30 yards it was all Fullback Hulme. In four plays he covered that

Lopes head west to Denver City Friday

The Denver City-Post high school game is a spirited, traditional contest each distance, battering into the end zone from one yard out with 9:00 left in the game.

A halfback pass by Ricky Sanchez on the points conversion was incomplete.

After an exchange of kicks, Post started on its nine and put together a 61 yard drive to the Colorado City 30, mostly on six completed passes in nine tries, as time ran out.

Adkins was throwing short on this drive and picking his receivers well.

Post fans went home hoping with another week of work that late passing attack might be improved upon next week at Denver City when the Lopes open their SAA district play

October. But never before will the two teams meet as they will this Friday night at Denver City's Mustang Stadium — without either owning a victory.

Coach Jackie Brownnd points out that all the SAA clubs are starting out even this weekend with no wins and no losses, as district play gets under way.

The Lope squad is practicing hard and looking forward to their "second start."

Coach Brownnd reports Clinton Curtis will be shelved until his broken thumb heals.

Other than Curtis, the squad is in reasonably good physical condition although some are just recovering from bruises suffered here last Friday night in a hard hitting game with Colorado

City. "No big changes in the starting lineup for Denver City" is the way Coach Brownnd put it Tuesday.

Darrell Reece, the JV's fullback last season, is expected to start at fullback at Denver City as the coaches continue to search for the right combination to provide the best ground punch.

Shorty Bilberry also is expected to start at tight end which means he will be playing both ways.

Coach Brownnd reports that although the Mustangs have lost three in a row they are improving each and every week against strong competition and are well coached.

Kenneth Harvey, the big 245-pound Denver City senior who is attracting a lot of college scouts, is devoting his full attentions to right offensive tackle this year.

Fans will remember he was moved into the backfield last season as the Mustangs sought a new way to get more punch into their ground game.

Jerry Hill, 150-pound senior is Denver City's best running back with Senior quarterback Perry Hunt a very capable passer.

Outside of Harvey and another 200-pound tackle, Abel Rodriguez, the Mustangs are not particularly big.

Gary Gaines, who took over this season as the Mustang's head coach, piled up a fine winning record at Petersburg before moving west.

Fans should remember the kickoff at Denver City will be at 7:30 p. m. as this is a district game. Local fans who want to eat before the game in Denver City are invited to a western supper being served by the Kappa Tau sorority in the Denver City Intermediate School cafeteria, 4 to 7, right across the street from Mustang Stadium (see sports page ad.)

OLD PROG FALLS APART—

Wanted: new grid picker

Help Wanted: The Dispatch is seeking an immediate replacement for its Old Prognosticator. The guy fell completely apart last week. He was wrong on four of five choices for a miserable 20 percent. That dropped his average for the season to but 16 right in 31 tries for a terrible .516 percentage.

If his wasn't an ego, non-salaried position, he would have been fired two weeks ago.

The Prog protests that nobody would pick Crane over Tahoka which was the West Texas shocker of the weekend, although Crane has a tough team.

Fumbles have a way of levelling everybody, the Old Prog points out, but he admitted he took to bed over the weekend.

With what he hopes will put an end to his disgraceful season to date, the Old Prog comes up with these rather pitiful picks for this Friday night with his choices in Capitals:

Post at DENVER CITY: Neither of these clubs has posted a win yet, but the Ponies do have the home field advantage. Maybe the Lopes will get so mad at the Old Pro on this one they will rise up.

LOCKNEY at Seymour. The Horns haven't won on the road yet, and who knows what Seymour has? The O.P. hasn't the faintest idea. "So why pick 'em," he contends.

FLOYDADA at Littlefield. Floydada is improving now after a slow start.

COLORADO CITY at Anson. The Wolves fear Coahoma, still unbeaten, for the 6AA district title, but should beat Anson if they can hold onto the football.

SLATON at Frenship. The Tigers of Slaton are getting it together but the Frenship Tigers have yet to do that. They have offensive problems too.

Cooper at TAHOKA. The Bulldogs to hold on to the pigskin and run a bunch. Last week's upset cost them their No. 2 state ranking.

Roosevelt at SEMINOLE. The Eagles' defenses are too weak for the newest confer-

Colo City thumps JVs

Post's junior varsity took their second loss of the season at Colorado City last Thursday night, a 24 to 6 thumping.

Colorado City opened the scoring in the second period with a 45-yard drive for its first of three tds, the scoring coming on a 20-yard pass. They ran over the conversion points.

Post got its touchdown in the third period on an 85-yard pass-run play from Quarterback Drew Kirkpatrick to Wingback Charles Curtis.

Colorado City put it away in the fourth, driving 50 yards for their second tally and then converting.

The final td came moments later when facing a fourth down on the Post 35, Colorado City ran for a touchdown from a fake kick formation.

Playing good games defensively for Post were Nose Guard Chris Beggs and Lineback Adolpho Varela.

The JVs play Coahomas JVs here tonight.

COLORADO CITY — POST GAME ACTION

POST ANTELOPES VS. DENVER CITY MUSTANGS

At Denver City --- 7.30 P.M. Friday, October 6

Four district 5AA teams have yet to win in 1978 although the district has grown into about the toughest for its class in this part of West Texas. Post and Denver City are two of the four non-winners. From their meeting one will emerge atop the district standings at least for a week.

...The Lopes and Mustangs both have had trouble getting enough strength in their offenses to score points and control games. Certainly both are searching from week to week for some added attack ingredient. Both are passing more and running less.

The defense of each team is its present strength. Like all Post-Denver City games of recent years it should be a slambang, interesting affair.

Spirit stick to juniors

By JAY YOUNG

The pep rally last Friday, Sept. 29, was a real good one and had a nice turnout, too!

The cheerleaders did a skit entitled "Little Black and Gold Riding Hood". The band played Proud Mary and Melodie Willson, the feature twirler, did her thing.

Jimmy Redman was the speaker for that week. Mrs. Suzanne Hudman decided the Juniors had the most Spirit and they received the Spirit Stick.

GREENHAND SWEETHEART — Ramona Taylor, shown with Brent Howard, president of the Greenhand chapter of the FFA, was elected the Sweetheart during a meeting last Tuesday.
