

The Post Dispatch

Fiftieth Year

Post, Garza County, Texas

Thursday, Jan. 12, 1978

Number 33

All county's salaries boosted \$52 monthly

Deputies best paid

Voting of a \$52 per month across the board salary boost for 1978 by the Garza County Commissioners Court Monday was the "big news" to come from a long agenda for the first January session at which the court is required to make a lot of decisions for the new year.

The county's hourly wage employees will receive a 30 cents an hour hike, which corresponds to a \$52 a month figured on a 40-hour week, four and a third weeks per month basis.

The increase, which includes all law enforcement personnel, continues to make Garza's certified deputy sheriffs the highest paid on the county's salary rolls, either for elected officials or employees.

With the \$52 boost, certified deputies will draw \$752 monthly, which figures out at \$9,024 annually. The highest paid of all will be the chief deputy who will draw \$779 monthly or \$9,348 annually.

Sheriff Jim Pippin with a \$52 monthly increase will draw \$8,939, which puts him below his certified deputies and chief deputy but makes him the highest paid elected county official.

The county attorney, county district clerk, county judge, and county tax assessor-collector are next with \$8,329 annual salaries after their boosts.

Under the single across the board pay hike of \$52 monthly, the county treasurer will receive \$7,904, the four county commissioners \$6,476 each. Next in line are the chief deputy tax assessor-collector, chief deputy county district clerk, and justice of the peace at \$6,269 each. The justice of the peace also receives \$900 annually for in county travel.

The county probation officer with an \$8,724 annual salary and \$900 in-county

travel allowance receives a higher salary than all elected county officials but the sheriff.

The courthouse janitor at \$7,085 receives a higher annual salary than all chief deputies, county com-

missioners, or justice of the peace.

Hourly wages, hiked 30 cents per hour, now include \$3.05 for motor grader operators, \$2.80 for loaders, \$2.70 for truck drivers as well as radio dispatch

operators and part-clerical help.

All of the salary boosts were made effective Jan. 1. In other actions, the court:

Reappointed Dr. William (Salaries set, Page 10)

City council irked over law enforcement

The Post City Council, obviously irked at its lack of communications with Sheriff Jim Pippin, decided Monday night to ask both the sheriff and the county commissioners court to meet with them Monday night, Jan. 23, to discuss law

enforcement.

The sheriff was sent a letter by the council asking him to explain handling of a recent shooting here, an emergency ambulance run to a Lubbock hospital, and "the narcotics situation."

The three items were

agreed upon after Mayor Giles McCrary told the council the sheriff had been repeatedly invited to council sessions but that the sheriff declined unless the council wanted to discuss some particular situation.

The commissioners court was invited because law enforcement is a joint city-county matter and because the council also hoped to have some street paving bids to discuss with the court at that time.

The inability to get officers in a hurry was one of the council's chief complaints. The ambulance situation is under scrutiny because of reported delays in getting an ambulance call made and the sometimes lack of trained personnel to drive the vehicle and administer to the patient en route.

The council members' displeasure over the law enforcement picture did not hinder the approval for law enforcement pay raises worked out by the commissioners court, however, the raises are to become effective as of Jan. 1.

In another major action, the council unanimously approved a hike in the city's oil occupation tax on second and final reading without any appearance before the council or an objection raised by oil industry representatives.

The amendment to the city ordinance on the oil occupation tax would raise the tax to 2.03 cents per barrel except when fair market value of oil exceeds \$1 in which case it would be three-fourths of one percent of fair market value.

Mayor McCrary said he had been in touch with the George R. Brown oil interest advising them of the council session and the action scheduled and inviting them to appear in opposition to the stiff tax increase if they so desired.

In a third major action, the council authorized engineering work to be immediately ordered and bids to be advertised on an estimated 25 blocks of seal coating of city streets and 14 blocks of new paving, including curb and gutter for 12 of those blocks. The curb and gutter is to be paid for over four years by (See City council, Page 10)

County-wide farm meeting tonight

An American Agriculture meeting will be held at 7 p.m. tonight (Thursday) in the Graham Community Center with all Garza farmers, interested merchants, and consumers invited to attend to learn about the present farm strike movement.

Richard Cornell of Dimmitt will be the speaker for the meeting.

Asked if this was to be an organizational meeting, one of the Garza backers told The Post it primarily is an information meeting to give everyone the opportunity to learn what the situation is and what the farmers are trying to do.

Essay, poster contests here

Fred J. Perkins, district conservationist, Soil Conservation Service, reports that the Garza Soil and Water Conservation District will hold its annual conservation essay and poster contests again this year.

The contest theme is "Our Soil-Foundation of our Nation." The Poster Contest is for boys and girls in kindergarten thru the sixth grade. The essay contest is open for High School boys and girls.

Perkins says the District Board of Directors voted to award prizes for the first, second and third place posters and essays of \$15, \$10, and \$5.

The poster and essay contest winners will be honored at the District Awards Banquet to be held in February.

All poster and essay entries should be turned into the Soil Conservation Service Field Office in Post by Jan. 31.

If enough interest is shown, and that appears likely, it may lead to such an organizational effort.

Such meetings are being conducted in virtually every county in West Texas. Recent sessions were held in Tahoka for Lynn County and in Snyder for Scurry County.

Approximately 17 tractors from the Close City community participated in one of the three tractorcades into Lubbock in the first phase of the farm strike.

FATHER SILVA

Father Silva new pastor

Father J. Melton Silva assumed his duties as new pastor of the Holy Cross Catholic Church here Sunday, Jan. 7. Silva replaces Father Jim O'Connor who was pastor here for the last five years. O'Connor has been transferred to Hereford.

Father Silva hails from Sri Lanka, a large island south of India. He came to Texas in August of 1975 and was administrator of the Immaculate Conception Church in Perryton and the Mission of St. Peter's Church in Booker, Tex.

While pastor here, he will also pastor the mission church at Wilson.

Political pot only simmers

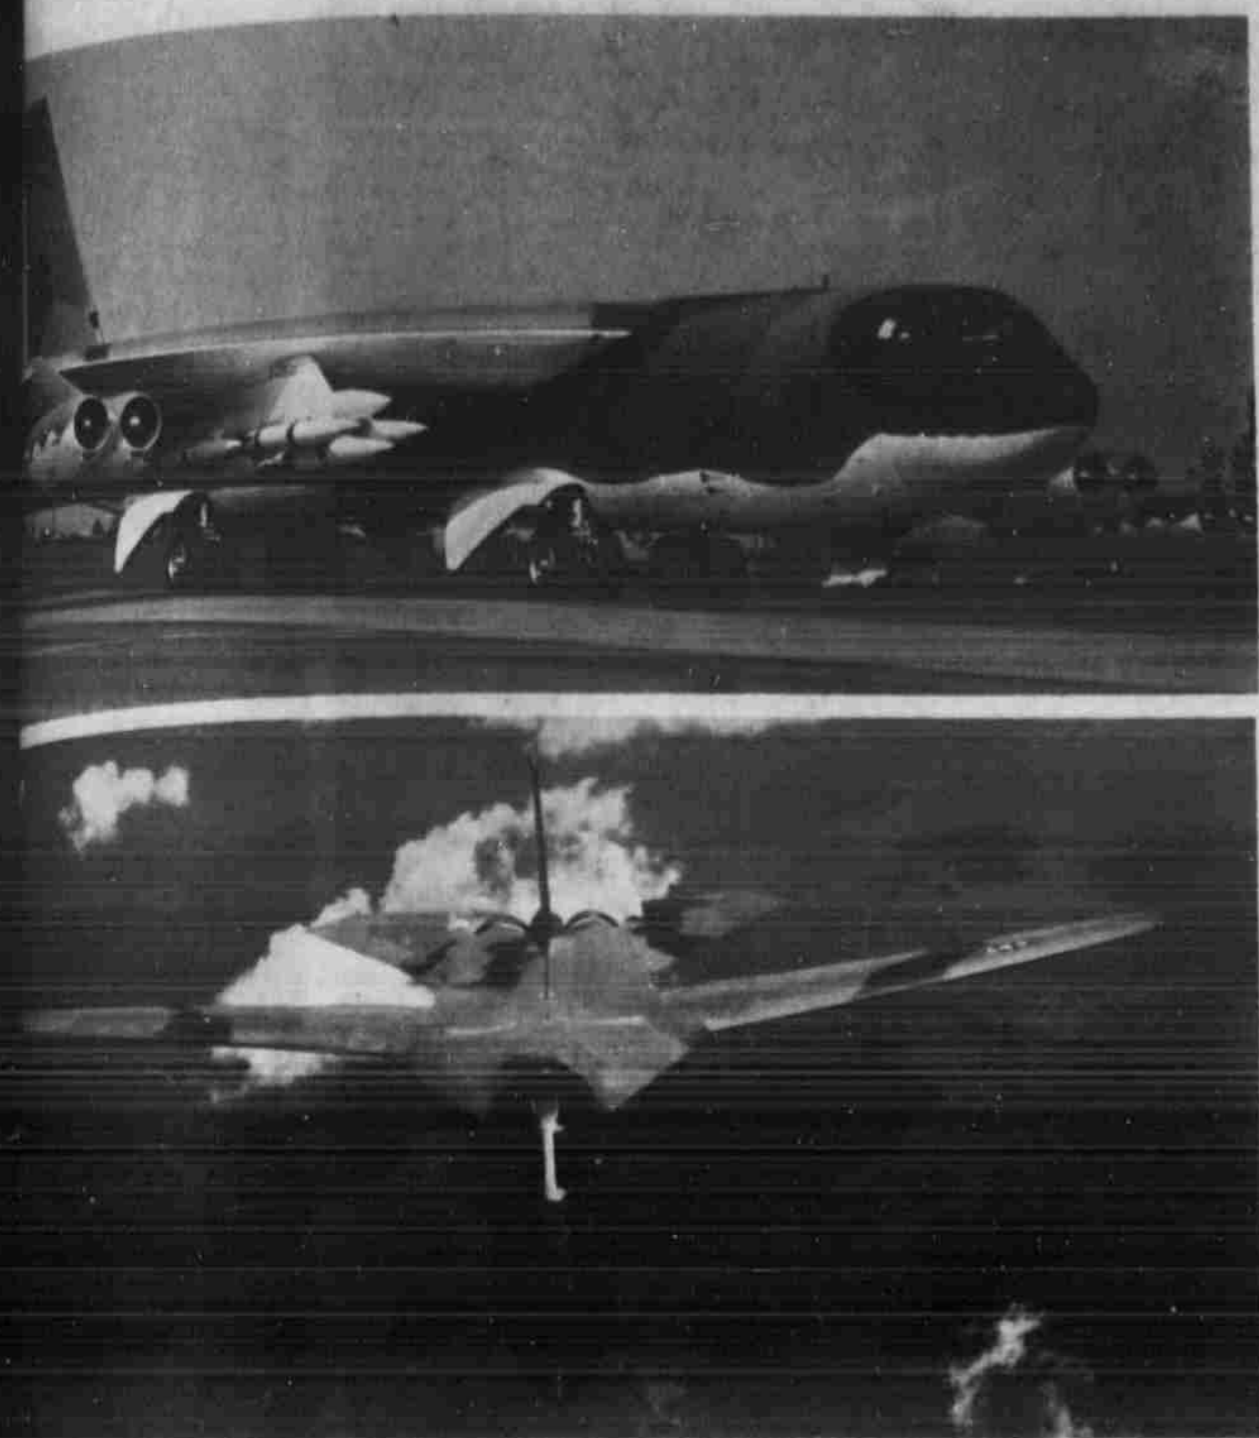

Garza county's political pot is only simmering.

Two county commissioners, Ted Aten of Precinct 2 and Herbert Walls of Precinct 3, and Justice of the Peace Racy Robinson in Precinct 1 filed for reelection this week with Democratic Chairman Dick Tanner.

That brings to five the number filing for county offices here and one for a precinct office.

County Clerk Carl Cederholm filed Wednesday for reelection.

No races have yet developed.

BOMBERS ARE COMING — These are the bombers, the big 650-mile-an-hour B-52 in upper photo and the FB-111 medium bomber, in picture, that can fly at twice the speed of the SRAMs and carry either nuclear or conventional bombs, which will be making low altitude bombing runs east of Post over the air force's new radar bomb scoring site here during

1978. The long range B-52 is America's first missile-carrying bomber and can carry up to 20 Short Range Attack Missiles (SRAMs.) Note the six SRAMs visible under the wing. The B-52 carries a six-man crew and the FB-111 a two-man crew sitting side by side in an ejection compartment. (Photos Released by Strategic Air Command Directorate of Information.)

Simulated bombing is explained by SAC

Remember when we used to have water usage in the winter time before the water came into being? Water became plentiful. The gas situation as it is with the current cold weather, we thought a report on water usage might be interesting. Gene Powell, Pioneer Natural Gas manager, estimated Tuesday that the city at an average of 100,000 feet that the town spent \$5,000 a day to keep warm. He estimated the community would use 60,000,000 feet for the winter — that figures out a Post gas bill of \$100,000.

The new air force detachment is busy getting set up just beyond the city on US-380 east of Post. When we stopped by Friday afternoon, work was under way to get the building and do a lot of things including building a mobile van to use to get into the community. We missed Master Sergeant Johnson though. He was in when we got back and when he had just left for the radar bomb scoring site.

The American Farmers Union meeting at the Graham Community Center was worth attending and how much interest the farmers are going to take in the current farm bill. We plan to be there.

Cost for jail changes cut

Cost of renovations in the Garza County Jail to meet the new state jail commission standards has been estimated to a mere \$3,000. A conference with the state inspector for the state penitentiary here in late December, County Judge Dalby told The Post Tuesday.

Contracts originally had estimated renovation costs at over \$90,000. Members of the county commissioners court considered their annual jail inspection here Monday and approved the few changes which will now be required.

Supt. Shiver voted contract extension

Post Independent School District trustees extended the contract of Supt. Bill Shiver for an additional year to June 30, 1981, at their January meeting Monday night.

The school administrator's salary was not increased by the board as he had received a substantial increase from the state a year ago.

Trustees adopted a group of personnel policies as required by the Texas Educational Agency, and had a long, but inconclusive

discussion of Post expanded athletic program.

The athletic program discussion was aimed at giving Supt. Shiver some board guidelines, but no conclusions were reached.

The personnel policies adopted by the board covers teacher resignations, suspensions and dismissals, nonrenewal of contracts, nonrenewal notices, assignments and transfers, equal opportunity employment, and contracts and compensation.

Supt. Shiver reported to trustees that an apology had been made to the parents of a boy who was given licks from a paddle as punishment.

Trustees also approved a Title III grant from the county for the purpose of making a statistical study of minority homes. The total grant will be shared with Southland.

To close the session, trustees approved expenditures of \$34,580.35 for payment of the school district's monthly bills.

Rites here for W. D. Clark

Funeral services for William Dewayne Clark, 48, of Poway, Calif., were held at 2:30 p.m. Sunday in the Mason Funeral Home Chapel with Rev. W.L. Porterfield, retired Methodist minister of Slaton officiating.

Clark, a native of Post was the son of the late Walter and Blanche Clark, who were long time Post area residents. He moved from Post to Plainview in 1944 where he finished school. He joined the Navy in 1950 and retired after 24 years of service. He made his home in Poway after retirement. Clark was a member of the Fleet Reserve and was a Methodist.

Clark died Wednesday in the Navy Hospital in San Diego, California after a lengthy illness. Services were held in Poway at 2:30 p.m. Friday. Survivors include his wife, Ruth Dean of California, Marguerite Hotaling, Thelma Clark and Doris Clark (See Clark rites, Page 10)

sent The Post this week from headquarters of the Strategic Air Command should be of wide reader interest.)

—O— Strategic Air Command bomber crews must be kept

combat-ready in peacetime in order to fulfill any future wartime mission. To help insure this readiness, radar bomb scoring (RBS) is used to test the effectiveness of all crews.

Radar bomb scoring began in 1946 with 888 bomb releases for the year against a site in San Diego, Calif. SAC bomber crews now complete nearly 100,000 simulated bomb drops annually.

During early phases of bomb scoring, crews attempted to drop sand bags or dummy bombs on circles drawn on the ground. Today, highly sophisticated electronic apparatus scores the accuracy of simulated bomb drops by SAC crews. The target can be any object within the "eyes" of the (See SAC explains, Page 10)

Robinson for reelection

Racy Robinson this week announced he will seek reelection as justice of the peace, precinct 1, in the November election, subject to the Democratic primaries.

"I have appreciated the voters' help in the past elections and I will appreciate the voters support in the upcoming primary and general election," Robinson told The Post Tuesday.

In 1977, his office collected \$74,409 in fines and court costs from wrong doers, which is a record for that JP office.

Hospital's patient load boosted

The picture is greatly improved for Garza Memorial Hospital with a greatly increased patient load during December, Ed Zingraff told the hospital directors last Thursday night at their January meeting.

The hospital averaged 10.2 patients per day in December and raised their per patient per day average for the first quarter of the fiscal year to 8.3 patients. A total of 58 patients were

admitted in December and they stayed an average of 5.5 days.

Nine babies were born during the month and there were five deaths. Outpatients treated at the hospital totaled 93 for December.

The hospital administrator reported with that the patient load increasing expenses were higher too.

He reported on a Medicare deficiency inspection made recently to see if deficiencies had been corrected with

the hospital being in good shape.

He told directors he hopes to get Dr. Rodriguez installed in his new clinic quarters in the remodeled west end of the hospital in the near future and that the holdup was a local carpet delivery.

The hospital had paid off its bank note and now has \$100,000 in tax money in savings and certificates of deposits drawing interest until needed later in the

year. The administrator also reported several delinquent accounts paid that day following last week's Dispatch story that both the hospital and city were going into small claims court to collect back accounts.

Zingraff also reported that the heating and air conditioning work is running a little behind schedule.

A total of \$223,868.88 in tax funds has been collected to date. It is currently being

used at about \$12,000 monthly to help pay operating costs over actual collections. The hospital collected \$27,534.51 on accounts in December.

Directors authorized payment of the bills outstanding and unanimously voted Zingraff a salary increase to start his fourth month as administrator. His starting salary when he took the top administrative post here was less than the hospital (See Hospital, Page 10)

Dispatch Editorials

Page 2 Thursday, Jan. 12, 1978 The Post (Tex.) Dispatch

Emphasizing Postex point

Burlington's announcement last week that it is closing its Hall plant at Memphis and consolidating that production with the Postex Plant here naturally is a tough blow for Memphis from an industrial point of view.

But it does not follow that the Postex Plant's position in the company is weakened by it. Actually, it is strengthened.

When the Hall plant was built and opened more than a decade ago it was because of the need for added production of muslin sheeting here which Postex was unable to provide because of a lack of available local labor to boost the plant's labor force.

We would guess that the Hall operation was a headache to get started and since the market began to change to printed and no-iron sheets it has returned to a headache status.

Postex Plant has always been a winner for Burlington and has been pointed to as one of its most efficient plants.

It has an experienced work force and its location in Texas instead of the Deep South

has been extremely beneficial from a freighting cost point of view.

The Dispatch does not pretend to understand the sheeting business enough to discuss the causes in detail, but we are all well aware that muslin sheets no longer are the cornerstone of the sheeting industry.

A giant industry like Burlington is pretty careful of what it says at times of plant closings. The story The Dispatch printed last week was a precise Burlington release.

We appended the editor's note as our expressed views of the situation as they reflect Burlington's situation at Postex Plant here.

We would hate to see the local "rumor mill" produce any wild rumors that "Postex is next." That is ridiculous. So we are writing this editorial to emphasize the point.

We would suggest that what we say here will be borne out as fact through Burlington announcements in the months ahead. We have seen Postex Plant grow greatly in its capabilities in recent years and we look forward to its future growth.

Our desperate rental problem

We wonder how much bigger Post would be today if it had had sufficient housing the last few years to get newcomers into town.

A newspaper office is one of the first places the newcomer visits in his or her search for housing. We have heard desperate stories of all kinds from all manners of folks seeking housing.

Actually, The Dispatch carries very few rentals in its want ads, because there aren't any or they are gobbled up before The Dispatch goes to press by folks watching closely for any vacancy.

One of the favorite ploys of the rental seekers is to call on Monday or Tuesday and ask if we have any rentals that week, so they can get the jump on others before the paper comes out.

That may work in most towns, but not here. We are obliging, of course. We sympathize sincerely with all of them. But we usually have to tell them that no rentals have come in, and if any are coming they won't be in until an hour or minutes before the deadline because landlords figure to rent without buying a \$1 classified ad.

We tell our readers this to emphasize our housing shortage, and especially our rental shortage.

We do not have the answer to the problem. It is going to take somebody with considerable finances who wants to get into

the rental business—or really several* of them—to solve it.

When oil drilling went into the decline here in the early 1960s, a lot of old rental property which had brought pretty stiff prices stood empty and simply decayed away. That brought on the drive in recent years to tear down these old "eyesores" and give the town a better appearance.

Those "eyesores" were the last of the years when Post had a lot of rental property to offer.

With the price of new construction continuing to go up, the value of older homes has risen dramatically here too.

That makes it difficult to "buy in" to town for a newcomer because the price is pretty steep.

For the last few years, most folks who had to move to town pulled their homes in with them—mobile homes. We've often wondered why somebody didn't get into the mobile home rental business here as many have done around army camps and construction projects for several decades.

The Dispatch sees housing as Post's No. 1 need today and as a newspaper we intend to spend considerable time writing about the problem in 1978.

We want everyone to be aware of the problem and to understand that we need to solve it if we want this community to grow even in a modest way in the years to come.

Remember When

10 YEARS AGO

Walter Didway joins the Postex Mill as the assistant personnel manager. Post and Garza County included on Texas Travel Trails announced Governor John Connolly, Julia Childs and Rex Frather exchange wedding vows in Trinity Baptist Church. Lonnie Gene Peel is named Jaycee of the Month. Post Antelope cage team is tied for third place in district. Kenneth Hart, son of Mr. and Mrs. J.D. Hart is ranked No. 3 jockey in Texas Racing News. The Green Thumb Garden Club meets in the home of Mrs. Jess Hendrix, with Mrs. Lester Nichols presiding. The Neighborhood Youth Corps is formed at PHS. Mrs. Rene Fluit is honored at surprise birthday party. Post Junior Chamber of Commerce begins plans for city basketball league.

15 YEARS AGO

Post Lions Club donates \$200 to Texas Lions League for Crippled Children. R.T. Smith resigns as superintendent of Post Schools. White River pipe laying underway in city limits. Airman Third Class Joe B. Pennell is assigned to Forbes AFB. Mr. and Mrs. Bob Carpenter announce the birth of a son, Allen Lee. Martha Goode of Post is candidate for Homecoming Queen at South Plains College. 22,500 bale cotton harvest appears likely final count in Garza County. Jane Francis, bride-elect of Benny George is honored with shower in home of Mrs. Chester Morris. David Nichols and Danny Pierce are top scorers for Post Antelope cage team. Junior Class presents "Suddenly It Was May" in Post Primary Auditorium. Mr. and Mrs. Donald Ray Clary announce the birth of a son, Ronald Dale, born in Garza Memorial Hospital.

25 YEARS AGO

Antelope Football squad is honored at Booster Club banquet. Nolan Williams, Darrel Stone, Pete Hays, L.W. Evans and Bobby Cowdrey named to all-conference football team. Powell Shytles named as head of Garza County Red Cross Drive. Tom Bouchier appointed to Governor's Water Conservation Committee. Jack Lott, Leonard Short, and V.A. Dodson to attend National Boy Scout Jamboree in Santa Anna, California. Mr. and Mrs. Charlie Cooper announce the birth of a daughter, Debarra Lynn. The Graham Thursday Club met in the home of Mrs. Bill McMahon. Jimmy Moore receives the World Championship Junior Cowboy award at Southwestern Exposition and Livestock Show. Post A-Capella choir to sing at teacher convention in Lubbock.

Cancer group cites services

Helen Miller, the service chairman of the local chapter of the American Cancer Society, would like to inform Garza Countians of some of the services that are available.

Mrs. Miller stated: "If you need information about the disease, or if you need help for a cancer patient, family or friend, such as someone to talk to, rehabilitation, post laryngectomy speech lessons, sickroom equipment for loan such as beds, wheelchairs, walker, commode chairs, or expendable items such as dressings, tapes, room deodorants, etc."

"Cancer patients and their families need lots of help when the patient comes home and that's what we're here for. To offer personal services that will keep the family going, ease the worry and help solve many problems.

"There is never a charge for any service we provide. When cancer strikes, we want to help. Call us at 2073 or 2750." Mrs. Miller concluded.

The local chapter of the society has approximately 25 members.

STEPHENVILLE GUEST
Visiting in the home of Mrs. Jim Hays recently was Mrs. George Greer of Stephenville.

INSTANT MARKET NEWS

Instant market news has spread so rapidly in the last few years that it is within easy access of most farmers and ranchers in Texas.

A new regional directory has been developed by the U.S. Department of Agriculture's Agricultural Marketing Service.

The new directory lists 83 instant market news numbers for Arkansas, Colorado, Kansas, Louisiana, New Mexico, Oklahoma and Texas and major numbers of states bordering them. Each number is followed by a description of information offered at that number.

National numbers are included as well as facts about market news and a glossary of market terms.

Instant market news is a federal-state market news service with offices around the country. They're connected by 23,000 miles of teletype system.

Reporters gather information from most major markets around the country, then feed the information into central computer banks operated by the major news wire services.

The market information gleaned from the teletype system is provided to farmers and ranchers via taped telephone messages, which are updated frequently.

The instant market news program brings farm market news as close as a telephone call. With the recorded news, producers can take more control over buying and selling decisions, leaving less to chance.

A copy of the directory is on file at the County Extension office.

US-84 two-laned four more miles

LUBBOCK — The State Department of Highways and Public Transportation announces that the West Roadway of US Highway 84 was closed beginning Monday, January 9, 1978 from Southland north to the Lynn-Lubbock County line, a distance of approximately four (4) miles. North bound traffic will be routed along the east roadway that will operate as a two-way road during the reconstruction of this section of US Highway 84.

WE'RE BULLISH ON GARZA COUNTY

FIRST NATIONAL BANK

P.O. BOX 490
POST, TEXAS 79356
January 12, 1978

TELEPHONE
(806) 495-2804

LARRY D. WILLARD
PRESIDENT

TO OUR CUSTOMERS:

The First National Bank is a strong financial institution dedicated to stimulating, encouraging and financing growth in the immediate economy.

We feel a responsibility for helping our customers take advantage of opportunities available in this region with its expanding economy.

In 1977 your bank increased its loans outstanding by 2.9 million dollars for a 29% increase. It paid \$914,000.00 in interest on your savings for a 26% increase. Both of these figures mark all time highs in the history of your bank.

In 1978 we intend to follow this same aggressive posture in lending and competitiveness in our savings program. Oil, farming, ranching, industry and retailing make for a well diversified economy and a bright future as we look into the new year.

We feel our staff is of the highest quality. We strive daily to stay abreast of the changing world of banking and will continue to innovate and improve to merit the enduring support of our existing customers while offering prospective customers reasons to choose us over our competition.

Thank you for a good 1977 and the prospects of a bright 1978!

Sincerely,
Larry D. Willard

ENERGY EFFICIENT HOME

Today's best bargain

IN A NEW HOME.

Costs are on the rise. Everyone knows that. So saving money is really important today. But just how much comfort and convenience are you prepared to give up in order to save? There is a new concept in home building that gives you the utmost in comfort and convenience yet saves you money on heating and cooling cost so you don't have to give up comfort and convenience. It's the ENERGY EFFICIENT HOME AND IT'S BUILT TO SAVE! It's total electric ... and it can save you 40% or more on heating and cooling costs when compared to previously accepted standards for total electric construction. Call your SOUTHWESTERN PUBLIC SERVICE COMPANY Builder Representative. He has all the facts on the ENERGY EFFICIENT HOME ... the innovative way to enjoy the finest living conditions in the world today and save. It is today's best bargain in a new home.

Thank You

We are sincerely grateful to friends and neighbors for their many kind acts of sympathy during our bereavement. Our appreciation cannot be adequately expressed.

The Family of
 Dwayne Clark

In behalf of my Mom and Dad and me, we wish to send a great big thank you to Dr. Rodriguez, the Garza Memorial Hospital Staff, the friendly Post merchants and our friends for helping me get a good start in my first year. I am well and happy, so are Mom and Dad. I was counting on my precious Jesus to take care of my debut into 1978. He surely did with the thoughtful and friendly people of Post backing me all the way. Thank you all.
 Jamey Lynn Kitchens
 1978 New Years Baby

Benny and I wish to thank the doctors and nurses at Crosbyton Clinic and hospital for service rendered during my recent heart attack. Special thank you to Brother and Mrs. Bilbro and all the members of the First Christian Church in Spur for all their prayers and visits. Thank all my friends and relatives for the beautiful flowers and cards. I would also like to thank Donna Clark and Jan Hayden for my birthday flowers. May God bless each and every one of you is my prayer.
 Jewel O'Neal Wilks

Public Notice

LYNTEGAR ELECTRIC COOPERATIVE, INC. TAHOKA, TEXAS STATEMENT OF NONDISCRIMINATION

Lynntegar Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or the Rural Electrification Administration, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purpose of the Rules and Regulations. tlc 1-12

Gilmore-Rowe vows pledged Saturday

Jenda Rye Gilmore and Frank Row, Jr. exchanged wedding vows Saturday, Jan. 7 at 7 p.m. in the Baptist Church.

The ceremony was officiated by Rev. Wyatt of Abilene. Bridesmaids were Sue Rowe, sister of the groom of Chapel Hill, North Carolina and Mary Alice Shelton from Hutchins, Tex. They wore gowns of peach and cocoa colored floral chiffon over peach silk. The gowns featured a tunic top over an A-line floor length skirt. They carried small nosegays of peach colored carnations and baby's breath.

Ring bearer was Shawn Bevers, nephew of the bride. Registering guests for the wedding was Jarita Norman, niece of the bride.

Candles were lighted by Gary Baker and Jay Norman, nephews of the bride.

Stewart Franklin Rowe, Sr. served his son as best man. Groomsmen were Mark Williams of Farwell, New Mex., and John G. Johnston Jr., of El Paso, Tex.

Acting as ushers were Calvin Scheffe, Lubbock, Larry Stroope of Caddo Mills, Tex., Bill Brown of Austin and Blake McCartney of Dallas.

Margie Pennell, vocalist, sang "Twelfth of Never" and "One Hand, One Heart" accompanied by Mary Ann Norman, organist.

A reception followed the ceremony in the fellowship hall of the church. The bride's table had a centerpiece of peach colored carnations with baby's

MRS. STEWART ROWE JR.
(Jenda Gilmore)

breath and greenery and a white three-tiered wedding cake with peach colored roses and two doves in a heart shaped arch on top. Serving the bride's table was Johnnie Norman and Barbe Beavers, both sisters of the bride. The groom's table featured a chocolate cake with dark chocolate roses and lattice work and a centerpiece of candles in a candle ring of pine cones and acorns. Serving at the groom's table was Lynn Rowe, sister of the groom and Jamie Sims, niece of the bride.

Following a wedding trip, the couple will reside in Dallas.

The bride is a 1975 graduate of Post High School and attended Texas Tech University and Lippert Court Reporting School. She is employed by Texas Commerce Bank, Preston Royal in Dallas. Rowe is a 1970 graduate of Greenville High School, a 1974 graduate of Texas Tech University and a 1977 graduate of Texas Tech University School of Law. He is now employed by Arthur Young and Company in Dallas.

Out-of-town guests attended from Lubbock, Dallas, Greenville, Abertathy, El Paso and Littlefield.

COMMUNITY CALENDAR
Thursday, Jan. 12 — Garza Trail Blazers covered Dish Luncheon; Youth Night Saturday, Jan. 14 — Youth Night
Tuesday, Jan. 17 — Rotary Luncheon; 7:30p.m. Garza County Community Action Board
Thursday, Jan. 19 — Youth Night

Program given on sewing
Paula Cawthon, extension agent presented the program, "Sewing for Fun," when the Graham Home Demonstration Club met Jan. 6 in the Graham Community Center at 2 p.m.

Rene Fluitt, vice president presided in the absence of president Loucille Morris who was ill.

Roll call was answered with "What Is Your New Year's Resolution?"

The council report was given by Nona Lusk, and the club voted to go the nursing home the first Monday afternoon in each month and take cakes and sing.

Hostess, Viva Davis served refreshments to eight members and the agent.

The club adjourned to meet with Rene Fluitt in her home in Post Jan. 20.

Heart drive plans made
Jerry Hearn, regional director for the American Heart Association, met with the Garza County chapter when it met for a sack lunch meeting Wednesday, Jan. 4 at the bank community room.

Goals for the year were reviewed and plans for the February Heart Campaign were made.

The Boy Scouts will be helping with the American Heart Association Drive during Heart Week, Feb. 14-19.

Hurst-Hudman vows exchanged in Conroe

Miss Janice Marie Hurst, daughter of Dr. and Mrs. William R. Hurst of Conroe, Tex., and James Randal Hudman, son of Mr. and Mrs. Hans Hudman, exchanged wedding vows in a double ring ceremony Dec. 30, at 4 p.m. in the Northside Baptist Church of Conroe.

The vows were spoken before decorations of white poinsettias.

Attending her sister as matron of honor was Carol Buchanan of Conroe and Neff Walker of New York served as best man.

A reception followed the ceremony in the home of Gus Derrick at Corinthian Point, Lake Conroe.

Following a wedding trip, the couple will reside in Lubbock.

Mrs. Hudman is a graduate of Conroe High School and attended the University of Wyoming. Randy is a Post High School graduate and also attended the University of Wyoming at Laramie.

Attending the wedding from Post were Mr. and Mrs. Hans Hudman and Bill and Mr. and Mrs. Bob Hudman.

Sorority sets tour of homes

A home tour was discussed by the Gamma Mu Sorority when it met Monday Jan. 9 at 7 p.m. Tentative plans were made for Jan. 23 but will be announced at a later date.

The club also discussed club absentees during the business meeting. It was decided that after five unexcused absences in a row, that a member would no longer be called for the meeting.

Helen Gerner was the clubs' special guest. She presented a program on home interior decorating. She showed carpet and drape samples and answered questions about hanging wallpaper, color combinations and the new sheer drapes.

Following the program, the club was served ice tea, sandwiches, chips and cake by hostesses, Irene Fry.

Members attending were Kathy Fluitt, Ruth Ann Young, Jana McCallister, Sherry Crownover, Irene Fry, Johnnie Norman, Susan Howard, Helen Mason, Jane Mason and Orabeth White.

Wedding to be Easter Sunday
Mr. and Mrs. Riley Miller of Justiceburg announce the engagement and approaching marriage of their daughter, Jennifer, to Jess Knight, son of Mr. and Mrs. Jess Knight of Eagle Butte, South Dakota.

The couple plan a March 26 wedding which will be Easter Sunday.

Needlecraft opens year with luncheon
A luncheon in the home of Mrs. Minnie Graeber opened the new year for the Needlecraft Club when it met in her home Friday, Jan. 6.

Mattie Collier gave a book review on "Still Meadow Calendar" by Gladys Taber.

Mrs. Ruth Little gave a talk on a project she and her husband have in Suva, Fiji Islands with missionary, Olavia Natanilla, whom they met on their trip there a few years ago.

To help introduce members to the guests attending, Mrs. Graeber gave a clue to each persons identity and asked everyone to guess who she was talking about.

Guests attending the luncheon were Mae McMahon, B. F. Evans, Rev. C. M. Ryan, Bob Collier, Mattie Collier, N. W. Stone, Eula Stone, Joy Parker and Lucille Lobban all of Post, Zaida Neely of Plainview, Ruth Little and Pernecia Rogers both of Lubbock.

Members attending were Margie Dietrich, Analue

Short concert for Rotarians

A select group from the Post High School choir provided entertainment at the Rotary Club meeting Tuesday, Jan. 10.

The group consisted of the girls' sextet of Melodie Willson, Lee Ann Babb, Pam Taylor, Jerri Blacklock, Sharon Johnson and Donna Nelson combined with the boys' quartet of David Morrow, Bryan Elliott, Steve Shedd, and Mark Williams.

The sextet sang "It was Almost Like a Song" and "Put Your Head on My Shoulder." The boys sang "This Old Hammer" and "Aura Lee" as well as their old standards "Paddlin' Madeline Home" and "No-

thin Like a Dame." Steve Shedd performed a solo "Bali Hai" accompanied by David Morrow on the oboe and the two groups combined to sing two popular numbers: "The Night Chicago Died" and "Gone with the Wind."

Piano accompaniment was provided by Mr. George Willson, choir director.

IRVING GUESTS

Mr. and Mrs. Ben Benton returned to their home in Irving Saturday following a visit here during the holidays with her mother, Mrs. Innie Thuett, her sister, Mrs. Wagoner Johnson and other relatives.

Spotlight on SENIOR

This week the senior spotlight is on Agapito Flores. Agapito is the son of Mr. and Mrs. Agapito Flores. He was born in Post and has lived here all his life.

While attending Post High School, Agapito has participated in the VAC (Vocational Training Program). All through this program he is employed by the Post Independent School District. After graduation, Agapito plans to continue his job.

The next senior in the spotlight is Rodney Gray. Rodney is the son of Mr. and Mrs. J.W. Gray and has lived in Post all his life.

Rodney has been an active member of FFA during his years at Post High. He was

elected as president sophomore year. He has also participated in football, basketball and the paper staff.

Rodney is undecided whether he will be a mechanic or farmer after graduation.

Jeff Greene is the senior in spotlight this week. Jeff is the son of Mr. and Mrs. Billy Greene and was born in Post. He attended Post High School.

Jeff has participated in football, band, and the paper staff.

At this time, he is undecided about the future, but he likes to attend college. He may work after leaving Post High.

STREET WORKER — Shown above is Michael Maddox operating some of the maintenance equipment as part of his job at the street department. Michael is a member of the HECE program at Post High School.

FHA contest to be Feb. 11

The officers of the FHA met on Friday and Tuesday to begin planning for the annual sweetheart contest. The contest, set this year for Feb. 11, is sponsored each year by the FHA.

Topics discussed included decorations, selection of Master of Ceremonies and judges, publicity, arrangement of the program, and entertainment.

Committee chairmen were appointed as follows: Gloria Martinez, supervision; Nancy Clary, programs, and entertainment; Teri Taylor, business matters; Beth Elliott, contacting judges; Steve Shedd, selection of entertainment; Donna Josey, publicity; Kelly Mitchell, stage decorations; Debbie Wyatt and Janice Bradbury, seating and clean up; Nancy McCowen, ticket sales and selections of ushers; Debbie Pearson, funds; and Virginia Fuentes, theme and stage decorations.

Church here plans singing Friday

The Assembly of God Church of Post will have a singing here Friday night, Jan. 13 at 7:30 p.m. at the church.

The feature for the night will be the Phillips Family of Arlington, Tex., who will present the singing.

The public is cordially invited to attend.

Street worker aims at water supervisor

Michael Maddox, a junior student at Post High School, is employed by the city street department. He has worked there since the summer.

Michael's hours are from 2 p.m. to 5 p.m. each afternoon, unless there is some emergency such as a water leak. His jobs include cleaning up the warehouse, operating various machinery and working with the city maintenance crew at repairing the streets and other jobs.

Tune In to Morrow

By DAVID MORROW

The student council is planning a fund-raising drive for the March of Dimes. The drive is tentatively planned for the last week of this month. Council president Donna Josey has called a meeting on Thursday to organize the drive. The March of Dimes is a very worthwhile cause, contributing millions of dollars annually for research in the prevention of birth defects. Young men and women in high school now will soon be parents, so help our student council make their contribution to the March of Dimes. Birth defects are not discriminatory; it may be your children.

The government classes have been enjoying free time, what with Coach Black being gone to a tournament with his JV girls basketball

team. However, this brief period of rest and relaxation came to an abrupt halt Monday as six-weeks tests, research papers, and book reports began to loom threateningly near in the future. By the way, did you ever get your test taken, Chuck?

The Sweetheart Contest is just around the corner and all the various clubs and organizations of PHS will be meeting to elect their candidates. The girls will be starting to drag out their tap shoes and books of piano music to prepare their talent acts for competition. Well, good luck and may the best man win. Uh, pardon me, girl win.

Briscoe tabs Garza group

AUSTIN — Six agriculture leaders from Garza County have been appointed by Governor Dolph Briscoe to serve on the Governor's Committee to Make Texas Agriculture No. 1 in Income and Profit.

Committees are being established in every Texas County as part of the statewide effort "to strengthen the economic position of agriculture—our most vital industry," Governor Briscoe said.

The County committees have the responsibility of promoting cooperation and mutual support among agencies, organizations and all groups involved in agriculture and agribusiness.

Committee members from the County include: W.W. Johnson, Route 3; Ronnie Dunn, Route 2; Luther Bilberry, Star Route; Mrs. Maxine Marks, 601 W. Main; L.G. Thuett, Jr., Route 3; and John Boren, Box 115, Justiceburg, Texas.

SATURDAY GUESTS — Visiting in the home of Mr. and Mrs. Ira Farmer Saturday night were Vera Cox of Mississippi and Jewel Parsons of Graham.

Cotton Incorporated to report at Slaton

"We plan the annual report meeting to be a yearly event in communities across the Cotton Belt," he added.

The meeting will feature a company-wide review of Cotton Incorporated's accomplishments in 1977. Included will be programs in

cotton production, textile and economic research, along with marketing, merchandising and advertising of all-cotton and predominantly cotton products.

An in-depth discussion of some of the projects will be led by a member of Cotton Incorporated's professional

staff. After the staff member's comments, the meeting will be opened for questions and discussion.

"We hope that all producers in this community will take advantage of this opportunity to hear what our company is doing with our dollars," Criswell said.

Youth enters plea of guilty here

Kenny Hair pleaded guilty before County Judge Giles Dalby Friday to a reduced charge of theft under \$200 in connection with the recent theft of a dog belonging to Johnny Andres.

He was fined \$175 and ordered to pay \$51 court costs and sentenced to 15 days in jail.

\$1,682 in bonds sold in November

November sales of 1682 in Series E and H United States Savings Bonds in Garza County were reported to day by County Bond Chairman Lewis Herron. Sales for the eleven-month period totaled \$112,680 for 87 percent of the 1977 sales goal of \$130,000.

Does win two district games, Lopes drop pa

Boys meet unbeaten Mustangs here next

Coach John Alexander's Post Antelopes dropped a 45 to 44 heartbreaker to the contending Frenship Tigers here Tuesday night when they outlasted the visitors but couldn't hit their shots.

It was the second loss during the last week for the Lopes who bowed to Tahoka at Tahoka Friday night, 53 to 46, for the same reason.

Post hit only 29 percent of its shots against Frenship and an even colder 25 percent against Tahoka Friday night.

Against Frenship here Tuesday, the Lopes had a chance to tie the game in the last five seconds when Ronald Bratcher was fouled with the locals trailing 45 to 43.

He dropped in his first free throw, but missed the second one which probably would have sent the game into overtime if it had fallen through.

The Lopes scored with four baskets in the first two minutes of the game to take the lead against Frenship but then could not hit again in the remaining six minutes of the quarter.

Trailing 22 to 15 at the half after Frenship had taken command, 16 to 7 in the second period, the Lopes outshot the visitors 16 to 11 in the third period to pull within two at 33 to 31 going into the fourth. They outscored Frenship 13 to 12 in the final period too, which meant that Frenship's big spurt in the second provided the game winning points.

Ronald Bratcher and Brad Shepherd led the Post scoring with 13 points each, followed by Evans Heaton and Cliff Kirkpatrick with seven each and Bryan Compton and Tim Morris

JV girls win over Frenship

The Post JV girls, coached by Chili Black, won a close one over Frenship Tuesday night in the first game of a triple header 27 to 23.

Carolyn Pringler led the team to victory by scoring all but two points of the game. Linda Martinez had the other two.

The girls will play in the New Deal Tournament beginning Thursday.

had two apiece.

The bigger Tigers had three players in double figures with Strong the high point for the game with 17.

At Tahoka, the Lopes canned 20 out of 34 free throws to stay in the ball game against the Bulldogs who committed 26 fouls. But the Lopes had a hard time buying a basket, getting only 12 to 24 for Tahoka.

Shepherd, normally the best shooter on the team, was held without a single fielder, although sinking seven of nine charity tosses.

Bratcher popped in 16 points to lead the locals in scoring. Heaton had 10, Kirkpatrick five, Raymie Holly four and Morris two.

Tahoka jumped into an 18 to 10 lead, but Post cut the lead to six at the half, 28 to 22.

The third quarter cost the Lopes their chances to win as they managed only five points while the Bulldogs stretched their margins to 13, 40 to 27.

The Lopes will host the Denver City Mustangs, who with Slaton are still unbeaten in district play, here Friday night and then will play Jayton, one of the best Class B teams in the area, here Tuesday night.

Both opponents will be bigger than the Lopes, who are unusually small this season.

The lack of fan support here, among both fellow students and adults, is hurting the Lopes.

Although Coach Alexander tells The Dispatch this is one of "the most enjoyable teams he has ever coached because of their desire and 100 percent effort," local fans don't see it the same way and are staying away in droves.

The visiting team usually brings more fans with them than Post can muster at home.

JV teams in tournament

The Post JV boys and girls will play in the New Deal tournament beginning Thursday.

The JV girls will play at 4:20 Thursday afternoon against Sundown and the JV boys will play at 5:40 also against Sundown.

Page 8 Thursday, Jan. 12, 1978 The Post (Tex.) Dispatch

Frosh boys are 3rd in Crosbyton meet

Post's freshman boys basketball team brought home the third place trophy from the Crosbyton freshman tourney Saturday night, defeating Frenship, 50 to 48, in the third place playoff.

The locals won their first rounder from New Deal 34 to 28, but then lost in the semi-finals Friday to Abernathy, 55 to 37.

Jessie Taylor and Raymond Raymundo led the Post attack against Frenship with 16 and 14 points respectively.

Post led by narrow margins through the first half—12 to 10 at the quarter and 25 to 23 at intermission—but fell behind in the third

quarter, 35 to 34.

Raymundo sparked the fourth quarter surge which brought victory, scoring 12 of Post's 16 fourth period points.

In the loss to Abernathy, Post had eight players in the scoring column and Abernathy 12, as the winners jumped out ahead of Post 31 to 6 in the first period and let everybody play. It was 49 to 12 at the half.

Against New Deal in the first round, Charles Curtis led the Post team in scoring with 13 and J. Taylor was next with 10, the same number he scored to lead the team in the Abernathy loss.

Freshmen girls win consolation honors

Coach Mickey Long's frosh girls came home with consolation honors in the Crosbyton tournament by defeating Floydada in a close one, 34 to 31.

Holly Giddens had high point honors for the final

game with 12, Amy Thuet had 10, Sharla Macy four, and Marinette Hays, Luann Kennedy each three and Sherry McElroy had two.

The team played three close games in the tourney losing their first one to New Deal 24 to 21. Giddens again was high point with six, Hays and Dana Holloway each had four.

Post got behind in the first period when they played Ralls in the second game but came from behind to win a squeaker 28 to 26.

Amy Thuet had nine in that one, Giddens had eight, Hays had six, Holloway three and Kennedy two.

Post JVs bow at Tahoka

The final period proved to be the turning point in the opener of a triple header at Tahoka Friday night when Coach Jerry Reynolds Post JV boys dropped the district game 54 to 43.

Post led at the end of the first period, 14 to 10 and tied 24 all at the half. The boys maintained the lead by one at the end of the third 36 to 35 but Tahoka was too strong in the final period scoring 18 to Post's eight.

Mike Macy had 11 points for the team's scoring honors, Jackie Stelzer had 10, Rance Adkins, Leslie Looney and Bobby Finch each had six.

The boys will play the first game here Friday night against Denver City.

7th girls are runners-up

The seventh grade girls coached by Lu Allen won second place in the Idalou tournament held last weekend when they lost the championship to the host team Idalou 34 to 17.

Darla Jackson had 11 points in the final game for scoring honors. Others scoring for Post were Verdy Taylor with three, Charlie Dalby had two and Rhonda Adams had one.

Jackson and Taylor shared scoring honors with 10 each in their first game of the tourney when they defeated Lorenzo seventh graders 31 to 22. Dalby had seven, Cynthia Poole and D'Linda Tyler each had two.

The second game they defeated Crosbyton 22 to 19 which earned them the right to play in the championship game.

Scoring for Post in that game was Tyler with six, Jackson with five, Tina Greene had four, Taylor, three, Dalby and Mary Raymundo each had two.

7th boys 3rd at Idalou

Coach Joe Giddens seventh grade boys won the third place trophy in the Idalou Tournament last weekend, by defeating Idalou 41 to 30.

Scoring for Post was Tim Tannehill with 14, Will Kirkpatrick and Richard Cisneros both had eight, Melvin Wynne four, Marvin Wynne three, and Bill Black and Toby Craft both had two.

Tannehill was high point with 13 in the team's first game of the tournament when they defeated Lorenzo 37 to 22. Will Kirkpatrick was not far behind with 10. Cisneros, Black and Mar Wynne had four and Irvin Price had two.

New Deal gave the boys their only defeat Friday by defeating them 25 to 18.

Post got off to a slow start by scoring only four points in the first period but drew within three at the half 14 to 11.

Tannehill had 10, Kirkpatrick, Black and Mar Wynne each had two and Cisneros and Price each had one.

Frosh girls in Roosevelt loss

Coach Mickey Long's freshman girls ran into foul trouble and a rough Roosevelt team, going down in defeat 35 to 27 at Roosevelt Monday night.

Marinette Hays had 10 points and high honors before fouling out of the game, Holly Giddens had seven before she fouled out, Amy Thuet had five and Luann Kennedy three. Sharla Macy was lost to the team late in the game with a turned ankle.

The score see-sawed back and forth throughout the game with a two point difference at the end of each quarter until the final period when the home team went cold and couldn't score a point and Roosevelt scored eight.

The girls will see action against Monday night at Cooper.

8th girls whip Roosevelt there

Coach Lu Allen's eighth grade girls team defeated Roosevelt eighth grade 23 to 15 Monday night at Roosevelt for their first game following the Christmas holidays.

Lora Pringler led the scoring with nine points, Jerri Baumann had eight, Lana D'ann four and Trushell Marts two.

The next outing for the girls will be against Cooper there next Monday night.

Post JV teams win tournament trophies

The Post Junior Varsity boys and girls team came home with trophies from the Jayton tournament held last weekend. The girls brought the championship and the boys, consolation.

The JV girls, now with a seasonal record of 11-2, defeated the Jayton JV girls handily 48 to 29 in the Saturday night final.

Never headed, the girls jumped into a first period lead 16 to 11 and was ahead at the half 28 to 20. Carolyn Pringler led the locals in scoring with 19 points, Donna Baumann had 12, and Karla Duren had seven.

The girls won over Crosbyton in their first game of the tourney, 46 to 17. Pringler again led in high points with 12, Linda Martinez and Dana Bird each had seven.

Baumann led with 15 points before fouling out, in the second game with Snyder and a closer game 38 to 31. The girls led at the half 30 to 20 and ended their scoring in the third period with 38. Going cold in the final period, Snyder scored seven points to the locals zip.

Coach Reynolds JV boys had a balanced scoring attack when they defeated the Jayton JV for consolation honors, 60 to 22.

Shawn Scott led the scoring with 10 points, Mike Macy and Jimmy Couch each eight, Rance Adkins, seven, Barry Tyler and Leslie Looney each had six, Drew Kirkpatrick and Jimmy Pruitt each had four, and Dale Redman had three.

The boys lost their first game with Crosbyton 41 to 35 placing them in the consolation bracket. Adkins led the locals with eight, Dale Redman, Jackie Stelzer and Bobby Finch each had six.

In an exciting finish Friday afternoon, the boys defeated Spur 58 to 55. Tied at the end of the first period, 12 all, Post went ahead at the half 29 to 25, and took command in the third 45 to 37. Looney led the scoring with 15, Finch, Redman, and Adkins each had six.

The boys record for the year is now 5 and 4.

TRAIL BLAZERS MEET

The Garza Trail Blazers will meet at the community center for a covered dish luncheon Thursday, Jan. 12. The center will furnish the meat, bread and drinks. Members are asked to bring vegetables, salads and desserts. Officers who were nominated at the last meeting will be elected at this meeting.

Girls play Snyder, Jayton here next

Coach John Morrow's Post Does scored their second straight district win here Tuesday night, coming from behind in the final quarter to defeat Frenship, 40 to 37, and remain unbeaten in district play.

The Does took their district opener Friday night at Tahoka with an easy 66 to 40 triumph over the Tahoka girls.

Frenship's Tigerettes led through most of the first three periods, but not by much, as the Does got one fourth quarter basket each from their four scorers to pull out the victory.

Tonya Ivie comprised most of the Frenship offense as she tallied 23 points and all but one of the points her team scored in a sparse second half.

Post's offense was pretty evenly divided among Nancy Clary with 13, Debbie Wyatt with 12, Danna Giddens with eight and Kerri Pool with seven.

Frenship jumped into a 14 to 10 first quarter lead and led 22 to 19 at the half. The Does cut into it in the third but trailed 32 to 31 going into the final canto.

At Tahoka Friday night, Wyatt was high point for the Does with 24 points, Giddens had 19 and Pool 10. Others scoring were Nancy Clary, eight; Cindy Kirkpatrick, four; and Karla Kennedy, one.

At Tahoka, the Does hit 12 of 18 from the charity line, but had few opportunities for free throws against Frenship which was only whistled for 11 fouls the entire game. Post hit two of

six in that one.

The Does will take off from district play to meet Snyder here Tuesday night. The back to district play will be real toughie, Slaton on Friday, Jan. 13.

The first half of district schedule was completed with Cooper Jan. 24 and will here Jan. 27.

The Does record for season to date now stands at 14 wins and 12 losses.

Frosh boys easy triumph

Coach Lane Tannehill's frosh boys team turned to district play Monday night with an 58 to 29 victory over Roosevelt freshman.

Post had nine shooters in the scoring column. Charles Curtis and Taylor leading the way with 15 and 14 points respectively.

Post jumped into a first period lead, led 20 to 10 at the half and really away with a 22 point lead in the third for a 48 advantage with the minutes taking over completely in the fourth.

Postings-

(Continued From Page One) its first cold and rather nasty weather of the winter yesterday when The Dispatch went to press.

The overnight lows for Sunday, Monday and Tuesday nights were 10, 10 and 11 above in that order and Monday it didn't get much over 18 during the day.

Deputies at the sheriff's office said Post had a few scattered snow flurries early Wednesday morning. Then after everybody got up came freezing light rain turning to sleet to make streets and roadways slick. It was the kind of day we wish we could afford an offset press of our own.

If the Dallas Cowboys win the Super Bowl Sunday, the Post Chamber of Commerce may not be able to afford one for a banquet speaker. The price will probably jump like you know what with sports leading the inflationary parade.

Historical group in postcard project

The Garza Historical Survey Commission held its monthly meeting in the community room of the First National Bank Tuesday, Jan. 10 at 9:30 a.m.

Purpose of the meeting was to discuss and finalize plans for printing stationery and postal cards for sale to the public. The art work is being done by Mrs. Glenda Morrow, local artist who has won acclaim for her works. Mrs. Morrow is opening her own gallery and studio in Post and plans to do watercolors of all historical sites in the county. Tentative plans for combining her works into a book for sale have been made with proceeds to be used in further historic preservation and restoration of the county's valuable heritage.

In appreciation of her work, the Historical Com-

mission awarded Mrs. Morrow a membership in the local chapter.

Mrs. C.K. Pierce presented illustrations and cost figures on both china items and stationery for consideration of the members, and it was decided to proceed with the printing of the stationery and post cards at this time.

The group expressed appreciation to David Newby and the Green Thumb organization for their volunteer work on renovating the Algerita Hotel into a center for senior citizens.

The next regular meeting will be held Feb. 7 at 9:30 a.m. in the bank room. Interested citizens are invited to attend.

City Council-

(Continued From Page One) property owners involved.

Most of the new paving is left over from the joint city-county plans for 1977, which was delayed by the inability to find a contractor to do the curb and guttering required.

Most of the new paving is on West 15th street and West Third street.

The council approved the purchase of liability insurance coverage for city council members and city employees up to a maximum of \$2,000,000 each from Bryan Williams & Son Insurance for approximately \$1,528.

The council chose the highest coverage on recommendation of Harvey Morton, attorney for the city, after also considering \$100,000 and \$1,000,000 per individual. The insurance would prevent council members and city employees from having to pay their own legal defense and liability in case they were sued.

The council voted to leave their own salaries unchanged for the year of 1978. Each councilman receives \$50 per month and the mayor \$75. These salaries have remained unchanged for many years.

Dr. Harry Tubbs was reappointed city health officer for 1978.

As for joint city-county meetings, the council is hopeful of holding joint quarterly sessions if for no other reason than for the court and council to see what is on the other's mind.

'77 circulation 11,372 books

Circulation of the Post Public Library for 1977 was 11,372 books checked out, Librarian Pee Wee Pierce disclosed in her December library report.

This is a circulation of 629 books over the 10,743 total of 1976, but slightly below 1974 circulation of 11,955 and 1975 of 11,667 books.

In December only 524 books were checked out, a normal reduction for the Christmas month when only 453 adult and 71 juvenile books were checked out.

Circulation averaged almost a thousand a month for the rest of the year.

The library added 609 new books to its shelves in 1977, 37 of them in December. Sixteen books were lost during the year and 89 discarded for a loss of 99 books.

The library's movie projector was checked out 25 times during the year and a total of 306, mostly youngsters, saw 62 film strips shown at the library during the year.

Fines, book sales, and donations for the year totaled \$383.83.

Two charged out on bond

Doyle Ray McClellan and Eloy Castro have been released on cash bonds by the sheriff's office following charges being filed against them over the weekend.

McClellan was charged with discharging a firearm within the city limits and was released on \$50 bond. According to the investigating officer the charge came following a dispute with a neighbor over a dog.

Castro put up a \$100 bond on an assault charge filed Saturday.

Hospital-

(Continued From Page One) had been paying its former administrator, and an increase had been promised after three months if he was doing a good job. Directors expressed themselves as well pleased with his work to date.

Salaries set-

(Continued From Page One)

C. Wilson as county health officer. Approved the bond of Camp Post Ranger Jerry Stegall to be the first reserve deputy (no salary) to the sheriff.

Set the following precinct voting places and judges for all 1978 elections: Pct. 1, Presbyterian Church, Faye Cockrell; Pct. 2, Southland School, Ruby Lee Ellis; Pct. 3, First National Bank, Mrs. G.H. McAfee; Pct. 4, Justiceburg school, Mrs. Jewel Reed; Pct. 5, Close City Community Center, Mrs. Cleo Sappington; Pct. 6, Graham Community Center, Quannah R. Maxey; Pct. 7, High school library, Mrs. Alton Warren; Pct. 8, junior high library, Mrs. Ruth Ann Newby; and Pct. 9, Lorenzo Alexander Community Center, Mrs. Billie Cross.

Set the salaries of election judges and clerks at \$2.70 per hour, up 40 cents, with a \$5 allowance for presiding judge for delivering election returns same day as the election. Election polls are to open at 7 a.m. and close at 7 p.m.

The high bid of \$457 by Mike Aten for a 1957 Chevrolet pickup was accepted by the county from five submitted.

Approved a proposal submitted by J.R. Johnson for a feasibility and management study to be done by Johnson and Probation Officer Ed Sawyers for the establishment of a district probation department with the cost of the study to be prorated among the four counties in the district.

Appointed David Nichols, Mrs. Robert Collier and Dillard Morris as the grievance committee for 1978 with Mrs. K.W. Kirkpatrick and Mrs. Maxine Marks as alternates.

Traded a lot on the north side of the Garza County Museum Building to Boone F. Evans for a lot on the south side of the same building, which is being used as a parking lot for the building.

Established the terms of county court for 1978.

SAC explains--

(Continued From Page One) scanning radar devices.

The electronic equipment is operated and maintained by SAC technicians located at RBS detachments. The detachments consist of mobile buildings and several trailer vans and are divided into fixed and mobile sites. The mobile electronic equipment is periodically moved to unfamiliar target sites.

Scoring bomb missions with radar gives crews realistic training in the use of radar bombing against all kinds of targets, day or night in all kinds of weather. Navigator-bombardiers receive practice in recognizing terrain features, rail center, factories and other structures used as reference points as they appear on radar.

Using a combination of radio and radar contact between aircraft and the RBS site, the effectiveness of combat crews is scored without having to drop bombs. Bombs are not carried by SAC bombers flying RBS training missions.

RBS radars "lock on" the approaching bomber, tracking it automatically on a plotting board. Just before the simulated release of the bomb, the aircraft transmits a tone to the RBS site by radio. The point of simulated bomb release is indicated by stopping the tone. The target and the radar site have been precisely plotted on the tracking board prior to this action.

By using figures of distance, direction of the bomber from its target, the aircraft's ground speed, heading, altitude, wind conditions, bomb fall characteristics and other data, RBS technicians compute the accuracy of the particular bombing mission. They can determine if the target was hit, and if not, by how far and what direction it was missed.

These missions are of value because SAC can train its combat crews in bombing techniques under conditions

George R. Brown plans new well

Joe Melton began moving in Wednesday to drill the Post Estate A No. 36 well for George R. Brown oil interest.

The well, which is scheduled to be a San Andres producer at the 3,150 foot level, will be a pumping well in the present water-flooding field.

The test is located two miles south of Post.

\$1,653 in October bond sales here

October sales of Series E and H United States Savings Bonds in Garza County totaling \$1,635 were reported today by County Bond Chairman Lewis C. Herron. Sales for the ten-month period totaled \$110,998 for 85 percent of the 1977 sales goal of \$130,000.

Texas sales during the month amounted to \$30,173, 210, while sales for the first ten months of 1977 totaled \$240,881,441 with 87 percent of the yearly sales goal of \$276.9 million achieved.

that closely simulate those of wartime.

Runs against RBS targets are made by SAC B-52's, FB-111s and the B-1. The aircraft can penetrate defenses from either high or low altitudes. When SAC aircraft fly low altitude missions they remain at least 500 feet above the terrain at all times and fly at subsonic speeds, which cause no sonic booms.

A Federal Aviation Administration agreement with SAC assure maximum safety during low-level flying, since civilians aircraft are informed which planned routes are in use by SAC bombers. During bad weather, no civilian aircraft are cleared along or through the routes while they are being used by bombers.

Clark rites-

(Continued From Page One) all of Lubbock; uncles, Surman Clark of Lubbock, John Easley of Lovington, N.M., and R.H. Easley of California; cousins, Voda Beth Voss of Post, Dr. William Clark, College Station, Gerry Johnson of Plano, Carla Clark of Lubbock and several other cousins.

Pallbearers were Neal Clary, Harold Cass, Glenn Voss, Joe Duren Jr., Johnnie Hinds and Marvin Neely.

Military graveside services were held at Terrace Cemetery under the direction of Mason Funeral Home.
