SPS Goodwill Caravan To Roll

Local Residents Boost Muleshoe

The County Democratic Executive Committee met Thursday night, according to Stanley Black, Bailey County Democratic Chairman.

They chose LaVayne Williams as their nominee to be on the ballot for Bailey County Tax Assessor in the November general election.

Mrs. Williams was named to replace incumbent Assessor, Jean Lovelady, who died recently.

Doyle Turner had the first known load of corn in elevators at Muleshoe this week.

He brought a load of corn to Ray Griffiths and Son Elevator.

Turner said he planted the corn on April 1 and watered it five times. The corn had a moisture content of 23.4 percent.

On Sunday, Sept. 17, Glenn A. Raef and Bill Seideman, field agents for the Knights of Columbus, will be at Immaculate Conception Catholic Church following both masses.

They will be serving coffee and donuts to Catholic men and explain the Knights of Columbus fraternity which is expected to be organized here.

Bailey County Commissioner's Court will meet in regular session on Monday, September 11 at 10 a.m.

On the agenda will be routine items for discussion.

Golden Gloves Boxing Slated To Begin Soon

Muleshoe Kiwanis Club announced this week that Mike Garcia has contributed a building at 214 East Avenue D for Golden Gloves practice.

Practice and training sessions will be each day as the ring has been set up and new equipment ordered.

All interested boys are asked to be at 214 E. Ave. D on any day to sign up. Instruction will be under direction of Oran Howard and Jerry Helton.

You will still have time to make a trip on Tuesday and find both business and pleasure combined to make an enjoyable day in Amarillo, according to Harmon Elliott, chairman of the Goodwill Caravan to Southwestern Public Service Company.

Elliott, along with the many team captains coordinating the caravan have emphasized that the trip will be a civic duty to boost the facilities offered in Muleshoe.

According to a Southwestern Public Service newsletter 'Along the Grapevine' SPS is urging their employees to move to Muleshoe when the construction begins immediately on the new electric power generating plant.

Charge Filed On Local Man In Shooting

Shortly after 8 p.m. Wednesday, a call was received at the Bailey County Law Enforcement Center that a man had been brought in to West Plains Medical Center, suffering from a gunshot wound.

Responding officers Ray Lynk, Chief of Police Johnny Richards and Deputy Sheriff Monte Phipps, found at the hospital that the victim was Berlin Harvey, 58.

Harvey apparently had a bullet from a small caliber weapon fired into his brain. He was given emergency treatment at West Plains and transferred to Methodist Hospital in Lubbock.

Charged with the shooting was L.E. Testerman, 75. He was booked on a charge of "assault with a deadly weapon," and the charge was changed to "attempted murder."

Testerman was released from the Bailey County Jail on a \$10,000 bond on Friday.

At presstime, Harvey was reported to be in critical condition at the hospital in Lubbock. A hospital spokesman said an attempt would be made to remove the bullet from Harvey's brain sometime on Friday if his condition warranted surgery.

near Muleshoe. The bulletin said the group would be heading for Herrington plant in Amarillo with Dave Cavitt, manager of the local SPS office, coordinating the local delegation which is expected to be in excess of 200 people.

The bulletin added, "Other purposes of the trip will be to let all SPS employees know employees will be welcome in their town. We hope all employees will consider making their home in Muleshoe."

Elliott announced at a Wednesday morning meeting that the Goodwill Tour will also be featured in a Southwestern Public Service monthly magazine.

Heading up the caravan will be at least one unit from the Bailey County Sheriff's office, who will be keeping the caravan within legal bounds and safe on the trip.

All cars in the caravan are asked to be at the XIT Drive in Theatre at 8 a.m. to form the caravan for the trip.

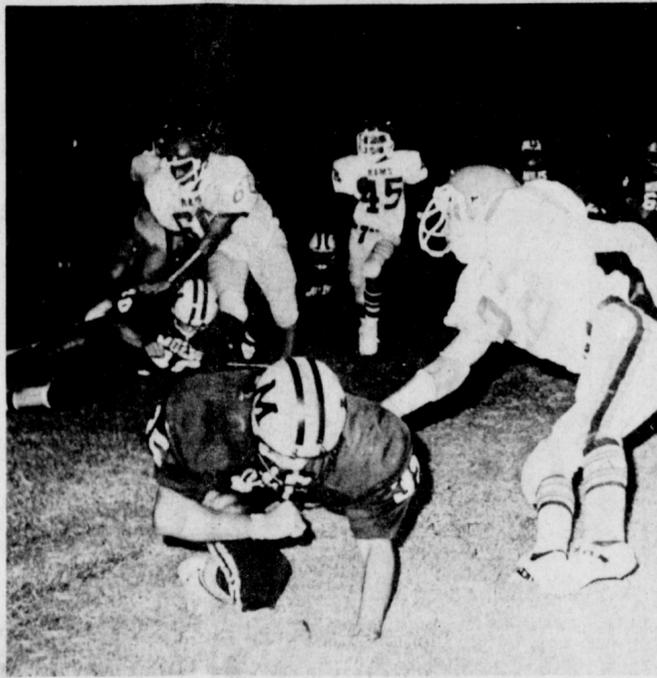

At the Wednesday morning meeting, Curtis Walker announced that the Muleshoe Jaycees will be taking at least six cars; Rotary is expected to take several cars according to Olan Burrows and Harvey Bass.

Bill Wooley of the Optimist Club of Muleshoe said several cars would make the trip and Gordon Wilson of the Lions Club said they expect some 40-50 people to make the caravan to Amarillo.

Joe Stone, pastor of the First Assembly of God Church and of the Ministerial Alliance said enthusiasm is very good and he expects a good crowd to make the trip and it was reported that the Kiwanis Club had tentatively signed up some 50 people.

Present plans are to be at Harrington Plant in Amarillo at 11 a.m., exchange greetings with SPS dignitaries and officials and tour the plant before being served a barbecue luncheon.

Attending the Wednesday morning planning meeting were Harmon Elliott, Dave Cavitt, Bill Wooley, Corky Biggerstaff, Olan Burrows, Curtis Cont. page 6, Col. 1

RAMBLIN'... Ruben Orozco, foreground, eats up more yardage as the Mules ramble on to a 20-14 victory, Friday, over the Portales Rams. In a heart-stopper game, the Mules added their first score five seconds before halftime, and the winning touchdown only 24 seconds before the end of the game.

Moisture Lack Takes Dryland Crops Toll

"The month of August, from the standpoint of a lack of moisture, is causing yield losses, especially in dryland crops in this county," said Bailey County agent Spencer Tanksley, Friday.

He also said that there is more damage from bollworms than the area is accustomed to and he said he has checked more bollworm damage than had

Longhorns Slams Happy In 41-0 Win

Happy wasn't happy Friday night when they hosted the Lazbuddie Longhorns in the season opener. Russell Windham, 'Horns halfback, found the handle on four touchdowns to lead the Longhorns to a 41-0 victory over their opponent.

At halftime, the Longhorns were out front 21-0 and added additional points were added by Johnny McDonald and Charleson Steinbock.

Three Way Eagles Blast Southland For Openers

It wasn't an air game, but the Three Way Eagles soared over Southland Friday night at Southland, leaving them with a slightly bitter taste of a 48-8 win over their host team.

Starting out with a 6-6 tie at the end of the first, the Eagles screamed back in the final three stanzas to take the 48-8 win.

Leading the screaming Eagles was James Simpson who made four of the Three Way touchdowns. Tommy Tucek added a pair of TD's and Dale Simpson ran an interception back for one score.

Southland scored a TD on a three yard run and added two points on a safety.

been realized when the infestation started.

With two-thirds of this county in dryland production, Tanksley said there is a brighter picture, however, as some dryland crops are expected to produce an above average yield.

Corn is reported to be maturing very rapidly with the hot, dry weather and Tanksley said he expected corn harvest to be in full swing in the next 10 days. He also said full corn harvest is approximately 10 days earlier this year, also attributed to the hot, dry weather.

The county agent said several things could contribute to a severe problem in harvest yields, including wet weather, high winds which could cause corn to fall down, and a heavier insect population.

Dryland wheat is still not planted, explained Tanksley, who said rain is still needed to boost crop prospects. He said showers have been very spotted and have been falling in areas which have already recorded adequate moisture.

"As a whole," he commented, "we could use from two to three inches of general rain. Moisture is our most critical need at this time. But, a prolonged spell of wet weather could hurt us in the long run right now."

At this time, insects that are causing the most problems include army worms, alfalfa caterpillars and beet armyworms in alfalfa and an expected increase in bollworm populations. Cooler weather will retard the production of bollworms, but producers were cautioned by the county agent to check fields closely if the weather turns hot again.

Tanksley said the quality of vegetables remains good and vegetable harvest is going at a fast pace. He said vegetable sheds are operating into the night hours at this time. Irrigated wheat is coming

along at a fast rate, said Tanksley, and the irrigated wheat will be used for winter grazing for cattle.

He also reminded of the 4-H Fair scheduled for Saturday, September 16 at the Bailey County Coliseum. Cont. page 6, Col. 1

4-H Leader Training Classes Set

This month 4-H adult and teen leaders will have two training opportunities at the State 4-H Center in Brownwood, according to Linda Mullin, Bailey County Extension Agent.

Food and Nutrition - "More Than the Basics" will be offered September 16-17. The content will include: "Planning of Foods and Nutrition Project"; "How to Conduct a Foods and Nutrition Educational Tour"; "Ideas for Making and Buying Kitchen Helpers" and "How to Teach Project Lessons." A special tour has been planned, she said.

On September 22-24, will be "A More Productive County 4-H Horse Program." Participants will select several workshop sessions on such topics as "How to Work With, Teach and Challenge 4-H Members"; "Visuals and Resources for 4-H Horse Programs"; "Horse Show Planning and Management"; "Try a Yearly Horse Project Calendar"; "Horsemanship"; "Horse Judging" and "Demonstrations and Records."

The County Extension Agent explained that educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin. For more information about the training sessions, contact the County Extension office in the Bailey County courthouse.

Try for openers, a team of skittish Mules, who recovered a Portales fumble, lost the ball on a penalty back to the Rams. Portales took advantage of the loss to rack up their only series of first downs in the game.

Steadily moving the ball against the Mules they sneaked to within thirteen yards of pay dirt before slamming home a touchdown on a pass from quarterback Ronnie Foster to end Ron Jackson.

The 13-yard TD pass came with 4:57 showing on the clock in the first. David Herrera added the extra point to have the Rams leading at the end of the first, 7-0.

As the game seemed to be a repeat of last year's 21-13 score, the first stanza score so far, was identical to that posted last year. Then the Rams apparently were going to create problems for the Mules as they held the Mules after a series of 12 plays to keep them away after the Mules got within 24 yards of the vital Portales end zone.

After losing the ball on downs, Portales moved three plays before losing out to defensive end James Atwood, who came out of a scramble holding the ball aloft on a Portales fumble recovery on Portales' own 13 yard line.

After failure of a pass attempt from quarterback Mike Northcutt to Jeep Shanks to Mark Northcutt in the end zone, the Mules moved within 11 yards of paydirt before losing the ball on downs after a "busted play" saw them go down at the Portales 18-yard line.

Late in the third, the first punt of the game was by Portales, when Herrera booted a 50 yard punt to the Mules on their 30-yard line.

Getting into Portales territory, the Mules again failed to tally as the Rams recovered a Mule fumble on their own 35 yard line to end a possible scoring drive.

But, Portales failed to move against the Mules and quarterback Mike Northcutt exploded, racking up a vital first down, then passing to Dickey

Sudduth for the Mules' first TD of the game, a 13 yard tally to paydirt. George Villarreal booted the point that saw the game go into halftime all tied up, 7-7. The Mules score in the first half came as five seconds to halftime showed on the clock.

Again, the 7-7 halftime score was reminiscent of the 7-7 score at halftime last year.

Eight plays into the second half, the Mules punted for the first time in the game, and it nearly spelled disaster for the game. Paul Hatch, the Portales halfback, who holds a 9.8 sprint record, latched onto the punt and ran it back 74 yards into the end zone.

At 8:36 in the game, after Herrera's boot made it a 14-7 game, it appeared as though Portales had the Mules in trouble.

But, don't sell the Mules short, as they came back on a series of drives, with quarterback Mike Northcutt slamming through on first down runs.

Portales stopped a Mule threat on their own three yard line as they recovered a Mule fumble, but the Mules retaliated by intercepting on the next series of plays and Brent Burrows, who latched onto the attempted pass again carried it right back to the Portales three. Northcutt added the frosting to the cake when he went over the right side for a Mule tally. An attempt to add two points failed and at 7:32 of the fourth, Portales was leading by one, 14-13.

Penalties became a bugaboo in the closing minutes of the game and as it

was beginning to look real bad for the host Mules, the final seconds of the game had everyone standing. At 36 seconds, the Mules were on the three yard line and with 24 seconds in the game to play, Mike Northcutt found the middle and went in to add the frosting to the cake. Villarreal's kick was good and the Mules ended the game, 20-14. Almost like last year! In the 1977 game, the Mules racked up 21 points to 13 for the Portales Rams.

Coliseum Will Open Guidelines Released

Last week, the Bailey County Commissioners Court officially accepted the keys to the new Bailey County Exhibition Center and Coliseum, as well as a set of guidelines for operation of the facility.

With acceptance of the guidelines, Bailey County Judge Glen Williams issued the following statement:

"We are enclosing a copy of the Operational Guidelines for the Exhibition Center and Coliseum, as officially adopted by the Commissioner's Court. We hope you will give it some publicity so as to inform and educate the public regarding our approach toward making the facility available on a legal, practical, fair and workable basis to the people of this area."

"We realize that these guidelines are far from perfect and will no doubt have to be modified from time to time. The 'Coliseum' as we hope it will be called, has cost a tremendous amount of money, and it has taken a long time to bring it into being. But it is a nice, well constructed, well arranged, and functional facility, and should contribute immeasurably to the total betterment of our community."

"We sincerely hope that the Coliseum will serve many worthwhile purposes, that the people will enjoy it, and that they will take care of it," concluded the judge.

"We have set the schedule of charges low enough that no one should be prohibited from using it because of financial reasons, and yet it must be made to generate revenue to help defray operational expenses. Its total cost, including land, building equipment, engineering, architectural fees, paving and everything else, is approximately \$500,000. We owe \$234,000 in certificates of obligation that will be retired over a 15 year period of time, if not sooner. And it will not be necessary to raise taxes to pay for and maintain it."

"The facility is now open and as soon as kitchen cabinets are installed, which should take about a week, it should be complete. The Chamber of Commerce, with Tommy Black, as manager, and Linda Lee as secretary, are now officing in the facility. W.L. McNabb and his wife, Elwanda, are situated nearby as caretakers."

"The guidelines are as follows:

Ceremony Unites Miss Keen, Brown

Miss Christy Lynn Keen and Robert Vernon Brown exchanged wedding vows in a double ring ceremony Saturday, August 26 in the sanctuary of the First Baptist Church of Denver City. The Rev. James Williams, pastor of Calvary Baptist Church of Muleshoe, officiated at the 4

p.m. ceremony with the Rev. Bill Merritt, pastor of the Denver City church, assisting. Parents of the bride are Mr. and Mrs. Billy Bob Keen of Denver City. The bridegroom's parents are Mr. and Mrs. Vernon Brown of Muleshoe. Vows were exchanged be-

fore an archway trimmed with greenery and enhanced with daisies, flanking the archway were heart-shaped stands featuring greenery, candles and daisy highlight. The altar setting was completed with a unity candle and yellow pew markers. Special wedding selec-

tions were provided by Claudia Sue Ferguson of Denver City, pianist, and Cheryl Matteson of Denver City, organist. Soloist, Bob Evans of Lubbock, was accompanied as he sang, "That's the Way" and "Make Us One". "What Love Is" was offered as the wedding prayer.

Escorted to the altar by her father, the bride wore an Alfred Angelo gown of polyester organza trimmed in Venice lace. The gown featured a Queen Anne neckline and ruffled sleeves. The chapel length train was trimmed with an organza ruffle. The bride's fingertip veil fell from a Juliet cap and was trimmed in Venice lace.

Mr. and Mrs. Stanley Wright, Mr. and Mrs. Royce Newton, Mr. and Mrs. Dan Beck and Mrs. Brenda Grimes.

Out of town guests were registered from Colorado City, Snyder, Muleshoe, Lubbock, Canyon, Del Rio, Perryton, Amarillo, Roscoe, Sweetwater and Odessa. New Mexico guests were registered from Portales and Hobbs.

A rehearsal dinner was hosted by the groom's parents on August 25, in the fellowship hall of the First Baptist Church of Denver City. Members of the wedding party, relatives and friends were catered by the State Line Home Demonstration Club.

SEPTEMBER WEDDING PLANS... Mr. and Mrs. Boyd Magby of Muleshoe would like to announce the engagement and approaching marriage of their daughter, Belinda to Randy Morris, son of Mr. and Mrs. Billy Pease of Dexter, N.M. The wedding is set for September 22 at 7 p.m. in the home of the bride-elect's parents, two miles north of Muleshoe. Rev. Joe Stone, pastor of the Assembly of God Church will officiate the ceremony.

chosen as AAUW Girl of the Month. Those attending were Mrs. Lynn Farley, a guest; Mrs. Gerald Allison, Mrs. R.D. Angeley, Mrs. Bill Bickel, Miss Virginia Bowers, Mrs. Charles Brewer, Miss Mary Helen Gutierrez, Mrs. Robert Hooten, Mrs. Roland McCormick, Mrs. Oscar Rudd, Mrs. Jim Shafer, Mrs. Erick Amith, Mrs. John Watson, Mrs. Roy Wrinkle and Mrs. Jim Young.

MRS. ROBERT VERNON BROWN [nee] MISS CHRISTY KEEN

The bride carried a bouquet of yellow daisies, featuring ribbon streamers tied in love knots with small daisies. The bouquet was carried atop a white Bible, a gift from her mother.

Following tradition, for something old, the bride carried a 1916 class ring belonging to her grandmother Keen. For something new, the bride chose her wedding gown and for something borrowed, the bride wore her mother's heart-shaped diamond necklace. For something blue, the bride wore the traditional blue garter.

The bride presented her mother and the groom's mother with a daisy during the ceremony. The bride was attended by her sister, Miss Cathy Lee Keen, as maid of honor. Mrs. Carol Beck, sister of the bride, was matron of honor. Miss Frances Brown, sister of the groom attended as bridesmaid.

The feminine attendants were dressed in yellow organza dresses. The floor length gowns featured empire waistlines and square necklines accented with white eyelet lace and yellow ribbon. The dresses were ruffled at the hem. Each attendant carried a long-stemmed daisy and wore daisy headpieces.

Brother of the groom, Danny Brown of Canyon, Tex., served as best man. Groomsmen were Randy Whalin of Muleshoe and Steve Beck of Portales, N.M., brother-in-law of the bride. Serving as ushers were Jeep Shanks and Sam Whalin of Muleshoe.

The groom wore a white camelot tuxedo with a yellow shirt. His attendants wore brown camelot tuxedos with yellow shirts while the ushers wore sand colored camelot tuxedos with ivory shirts.

For her daughter's wedding, the bride's mother chose an Alfred Werber original of beige double knit. The gown featured a lace bouson top and knife-pleated full flowing skirt. She wore a corsage of yellow daisies.

For the ceremony the groom's mother wore a beige and blue floral print gown featuring a peasant style neckline and self sash. She wore a yellow daisy corsage.

Fathers of the couple wore brown colored camelot tuxedos with white shirts.

Immediately following the ceremony, the bride's parents hosted a reception in the church fellowship hall. The bride's table was laid with yellow and a white lace overlay, featured a three tiered, heart-shaped wedding cake trimmed with yellow silk daisies. A kissing couple under an arch of hearts and lace topped the cake. Crystal appointments were used to serve mints and nuts.

At the groom's table,

guests were served a heart-shaped German chocolate cake. The cake was topped with a figurine of a kissing couple. The table was laid with a white lace cloth. Coffee was served from silver appointments. Serving at the bridegroom's table were Jill Burton and Carol Ritter. Kay Grubbs, Gale Richardson and Susan Grimm served at the bride's table while Stanita Wright registered guests. Shauna Newton handed rice bags to the guests.

For a wedding trip to South Texas and Mexico, the bride wore a four piece rust colored pantsuit. Silver jewelry and brown accessories completed her traveling outfit. After their trip, the couple will make their new home in Amarillo.

The bride is a 1977 graduate of Denver City High School and a May 1978 graduate of Texas State Technical Institute with a degree in office training. The groom, a 1977 graduate of Muleshoe High School, is attending Texas State Technical Institute, studying auto and diesel mechanics.

Special guests at the wedding were Mr. and Mrs. Tom Keen, Mr. and Mrs. Jess Read, Denver City and the bride's grandparents, Mr. and Mrs. Leroy Smith of Perryton. Honorary guests were Mr. and Mrs. Joe Harris.

Austin Wedding Vows Repeated By Miss Crane, Hahn

The St. Louis Church in Austin was the site of a double ring ceremony, uniting Miss Terri Crane and Michael Hahn. The ceremony took place on August 26, at 3 p.m. with Father Louis Wozniak officiating.

Parents of the couple are Mr. and Mrs. James Crane of Muleshoe and Mr. and Mrs. S.C. Hahn of Ingleside.

The bride was escorted by her father to the altar which was flanked on each side with white baskets filled with blue and white

carnations and blue streamers and bows.

Miss Crane wore a Quina knit gown with an empire waist. The bodice and sheer yoke was covered with floral lace appliques. The sheer cap sleeves were edged with scalloped lace and floral lace motifs. Her full skirt was gathered at the waist and flowed in back into a train. The edge of the skirt was trimmed in scalloped lace. Her fingertip veil of sheer illusion was edged with scalloped lace and gathered with a lace cap. She

carried a bouquet of blue and white carnations accented with blue streamers and bows.

Mrs. Richard Harwood of Denton attended the bride as matron of honor. Serving as bridesmaids were Mrs. Jimmy Brown of Denton and Miss Janie Crane of San Antonio, sisters of the bride.

The attendants wore light blue organza dresses with a white daisy print. The long gowns had empire waists and shoulder straps. They featured sheer, pale blue capes.

They wore wrist corsages of white and blue carnations and blue bows.

Cristen Brown, niece of the bride of Denton served as flower girl. She wore a long dress matching the bridesmaid's with an empire waist, short, puffed sleeves, round neck with ruffle trim and a full ruffled skirt. She carried a white basket filled with white and blue carnations.

Attending the groom as best man was Chris Andrews of Austin. Groomsman were Will Kyle of Austin and John Savage of Houston. The ringbearer was Jay Brown, nephew of the bride of Denton. Ushers for the occasion were Kim Crane, brother of the bride of Austin and Kevin Hahn, brother of the groom of Ingleside.

The groom was attired in two toned blue tuxedo with a white shirt and white carnation boutonniere. His attendants wore blue tuxedos with blue shirts and white carnations.

The bride's mother wore a blue chiffon street length

dress. The groom's mother wore a rose polyester street length dress. They wore corsages of white gardenias and white bows.

Following the ceremony, a reception was held at the restaurant atop the Holiday Inn at Austin.

For their wedding trip to New Orleans, Mrs. Hahn wore a creme colored knit jumpsuit. After their trip, they returned to Austin to make their home.

Mrs. Hahn is a 1975 graduate of Muleshoe High School. She attended North Texas State University and is presently employed with the Austin State School.

Hahn attended San Marcos University and manages Streamliner Carpet Cleaners in Austin.

A rehearsal dinner was held August 25, at the Red Barn in Austin. It was hosted by the groom's parents.

Coliseum...

Cont'd from page 1

Bailey County has recently constructed an EXHIBITION CENTER AND COLISEUM for use and enjoyment by the people of this area. It is a very fine and versatile facility, expected to serve many purposes. It has cost the taxpayers a tremendous amount of money, and it will be expensive to maintain. Therefore proper maintenance and operation is vital to its preservation, and to insure that all our people

have opportunity to share in its benefits.

To help achieve these goals, and for consideration of the Commissioner's Court, the following proposals are presented.

1. Bailey County should contract with the CHAMBER OF COMMERCE AND AGRICULTURE whereby the Chamber may office in the building rent free, and in exchange the Chamber Manager will supervise its general operation. This is, he will boot it for engagements, accept deposits, make charges for its use, and have general oversight within the guidelines herein set forth - and will appeal to the Commissioner's Court for additional authority - and for support.

2. Bailey County will employ a maintenance foreman that will supervise the actual cleaning, maintenance, and care of the coliseum. And will be responsible for opening and closing it, and for all janitor work, yard care, general maintenance and repairs. The maintenance foreman will answer to the Chamber Manager at the Coliseum, and to the County Judge at the courthouse. Final judgments on all matters will rest with the Commissioner's Court.

The Coliseum will be made available to all people of this area without regard to age, sex, creed, national origin, political persuasion, financial or social status.

4. The principle of separation of Church and State must be rigidly observed. Therefore no religious services will be held in the coliseum. "Religious services" are defined as being any form of worship that has reference to an establishment of religion. However, spiritually oriented programs are acceptable, and will be encouraged.

5. The Coliseum will not be used for commercial purposes, that is, no individual, company, or private corporation may use it for individual, business, or corporate profit, such as garage sales, vegetable stands, private auctions, or other forms of

commercial merchandising. This is not designed to prohibit equipment and automobile shows, livestock shows, art shows, and other forms of public exhibition, even though such activities might result in some sales.

6. No alcoholic beverages of any description will be allowed on the premises at any time. No intoxicated person will be allowed on the premises. And all groups - or persons - using the facility will be responsible for seeing that these rules are observed. Any

group, person, or organization that fails to comply with them will thereby jeopardize their right to further use.

7. Showing films, presenting plays, or literature are in compliance with the generally accepted moral standards of this community. But any activity that, on moral grounds, is offensive to a substantial segment of the community, will be prohibited.

8. The initial cost of the facility, together with the maintenance expense, makes it imperative that a charge be made for its use, but those charges will be kept reasonable so as to avoid placing an undue burden on anyone.

9. A good faith deposit will be required to insure that it will be left clean, and in a good state of repair. After having been used, the rental fee having been paid, and the condition approved by either the maintenance foreman or Chamber Manager, the

deposit will be returned.

10. All parties using the facility will be expected to vacate it immediately upon the termination of their activity, to remove their equipment or livestock, and to clean the facility.

11. The facility may be used by any legally constituted and law-abiding group, club or organization - except for purposes that have respect to an establishment of religion, or for commercial purposes, as those terms are defined above. PROVIDED that the facility is cared for, and the people are properly disciplined. Fighting, profane language, drinking, or other forms of immoral conduct will be strictly prohibited.

12. The group or organization using the facility will be given access to the concession stand, and may have any profits therefrom, provided that profits are for a worthy cause, and the party using the facility will control all sales or solicitation.

13. Civic slubs that meet weekly in the meeting room, and use the kitchen facilities, will be assessed \$.50 per week for each member in attendance. A \$100.00 deposit will be required, or, in the alternative, a contractual agreement in that amount may be executed, with the provision that as long as the club is meeting on a regular basis one deposit or contract may be held in perpetuity.

14. Other clubs, or similar organizations, holding monthly or periodic meetings will be charged on the same basis, if they serve meals. And, depending on the number of persons in attendance, and the nature of the meeting, the charge may be adjusted either up or down by the County Judge. (\$75.00 deposit)

15. Family reunions, small conventions, art shows, etc. will be charged \$50.00 - with adjustments possible up or down from \$25.00 to \$75.00. (\$50.00 deposit.)

16. 4-H Clubs and other groups that are

directly or indirectly related to educational activities will be charged \$50.00 for banquets and other meetings where meals are served. (\$75.00 deposit)

17. Style shows, group meetings, etc. lasting only a short while will be assessed a token charge, \$1.00 to \$5.00. (\$5.00 deposit)

18. The charge for Chamber banquets, out of town conventions, R.E.A. banquets, and other meetings of that size and type will be \$125.00, subject to minor adjustments. (\$100 deposit.)

19. Girl Scout, and Boy Scout groups, little league baseball, and other small youth organizations may use it for short meetings with a token charge - \$1.00 - \$5.00. (\$5.00 deposit)

20. Little Dribbler basketball, tennis, volleyball games, and other activities of that nature will be charged \$15.00 for each engagement. (\$50.00 deposit)

Indemnity Rate Hike Proposed

AUSTIN--Separate brucellosis indemnity rates for female calves and non-registered dairy cattle have been proposed, as well as increases in the indemnity rate for registered cattle, Agriculture Commissioner Reagan V. Brown has noted. The new rates now under consideration by the U.S. Department of Agriculture are: \$250 for registered cattle, \$150 for non-registered dairy cattle and \$25 for female calves destroyed because of brucellosis infection or exposure. The \$50 rate for other non-registered cattle would remain unchanged, Brown added.

"The changes would bring indemnities closer to the animals' true market values," Brown said. "This should encourage greater participation by cattle owners in the cooperative state-federal brucellosis eradication program."

Library News

By Anne Camp

The First Storyhour of the fall season was held Wednesday at The Muleshoe Public Library, with 35 children attending. After the flag-raising ceremony the children went to the basement of the library. A special get-acquainted time provided each child the chance to tell his

name, his age and some even knew when their birthday was. Two films were shown the children with games, songs and fingerplays between films. The HECE Girls from High School sponsored this session, with Linette Newman and Stephanie Bell assisting Anne Camp and giving

each child a treat at the close of the hour. The children sang "Goodbye, I'm Glad I Met You" to one another as they left. New films have arrived for September, along with a good variety of filmstrips for the public's use.

THE LITTLE FOLKS

FOR MULESHOE STATE BANK

Getting to know you is one of our primary assignments here at Muleshoe State Bank... primary and pleasant. Primary, because we believe the customer comes first - Pleasant, because we believe the business of banking is person-to-person. Our customers become friends. We believe that it's people that make a bank - not money. At Muleshoe State, you make our day more pleasant when you drop by - and we hope we do the same for you. It's a little thing. But then, at Muleshoe State Bank, we think the Little Things are the most important of all!

Field Day To Show Work On Cutting Weed Losses

Weeds, which can cause farmers billions of dollars of crop loss each year, will receive an in-depth look during the 69th annual field day of the Texas Agricultural Experiment Station at Lubbock and Halfway. The event will be at 1 p.m. Tuesday, Sept. 12, at the Halfway Research site, 14 miles west of Plainview on U. S. Highway 70.

The report on weed control, one of five major stops on the field day tour, will present the latest information on the benefits of herbicides for major crops of the Texas High Plains, new weed problems, and control measures for old problems, said Dr. John Abernathy, TAES weed control research scientist.

Among the new problems to be discussed, Abernathy said, are the continued spread and increase of such weeds as rough blackfoot, lanceleaf sage, prairie sunflower and oak leaf thornapple.

The latest control measures for old weed problems also will be covered, Abernathy said. Weeds in this category include lake-weed, Texas Blueweed, Johnsongrass, watergrass, careless weeds, and white-weed.

"Various new herbicides and growth regulators are being evaluated in all crops of the southern High Plains," Abernathy said. The potential for use of these new materials will be discussed at the field day.

The Texas Agricultural Experiment Station has led in the development of post-plant incorporation applications of herbicides in corn and sorghum for grass control, the researcher said. Treflon and Prowl are now labeled by the Environmental Protection Agency for this use in corn, he noted. He said the latest results of tests on this use will be reported at the field day program.

"The recirculating recovery sprayer continues to create a lot of interest," Abernathy said. The latest information on the labeling of Roundup for this use will be discussed at the

field day, he added. Some new techniques for possible control of white-weed, using the recirculating sprayer, also will be discussed.

"Various crop varieties respond differently to herbicides," Abernathy said. Visitors at the field day will be shown an update on varietal response research for corn and cotton.

In addition to reports of research on weed control, other featured stops on the tour of the 320 acre Halfway facility will report on a mobile trickle irrigation system, labor management, corn irrigation, and cotton varieties and disease control. Area implement dealers will present a display of machinery and equipment.

The field day is a cooperative presentation of

Bland Wins Rome Trip

Muleshoe Motor Company, has been honored by Ford Parts and Service Division for outstanding customer service during April through July, 1978.

Cleve Bland, Muleshoe Motor Company Service Manager, has won an all expense paid, seven day and six night trip for two to Rome, Italy, in recognition of his major contribution to improving his dealership's owner relations performance.

"This contest for dealership parts and service personnel is part of Ford's MVP (Most Valuable Player) Owner Relations Program," said W.P. Lasher, the Division's Dallas District Manager. "Muleshoe Motor Company and Mr. Bland can be justly proud of receiving this recognition for their service department employees."

Muleshoe Motor Company is one of 200 Ford and Lincoln - Mercury dealerships across the

country to be honored recently for improving customer satisfaction. The Blands will leave on Sept. 29.

STAMP OUT HUNGER IN WHEAT.

Apply a complete fertilizer with/or ahead of the drill. You'll set a full meal for your wheat, from the time it sprouts until the heads mature next summer.

The N-P-K will stimulate rapid seedling growth and deep sturdy roots for winter hardiness. Next spring it will promote growth and add bushels of high protein grain.

Let's soil test your wheat land. Let's make sure your wheat gets a balanced menu of plant food... for top yields of high protein grain. Come in to see us, or call today.

Fertilize now. Profit later.

DEEP AS THE SEA

Standing in the sand, looking at the sea, one cannot help thinking of the boundless, fathomless love of God toward us. Oh, how he loves us, uplifts us, protects us and encourages us. There comes to mind many of his precious promises and the heart swells with gratitude. Recalled first of all, perhaps, are verses like these:

"Fear thou not; for I am with thee; be not dismayed; for I am thy God; I will strengthen thee; yea, I will help thee."
 "Yea, I have loved thee with an everlasting love; therefore with loving kindness have I drawn thee." Jeremiah 31:3.
 "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."
 "For God sent not his Son into the world to condemn the world; but that the world through him might be saved."
 John 3:16, 17.

Many more words of comfort await you in the Bible and in the Church as His words are proclaimed from the pulpit. We invite you to attend church this week. You will be glad you did.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Card Of Thanks

I would like to say "Thank You" to all my friends for the many kindnesses shown to me. I really enjoyed the retirement party in the Law Enforcement Center and the group who went to Clovis with me. The gathering at the City Hall of the City employees and the men from the City Barn and the beautiful cake was such a nice surprise. I appreciated the fine group I've worked with for the past 21 years with the City and Police Department.

I would also like to say "Thank You" to the public who have been so nice and cooperative in my job as Animal Warden. I have been shown the greatest respect as I enforced the City Ordinance and I appreciate all your help. The watch which was given to me will always be a great treasure to me, but my greatest treasure is the friendship of all the fine people here. These friends make my golden years truly golden. Sincerely, Roy Bayless 15-37s-1tc
