

Abusive grid fan has self to blame

Here's some good advice to men who have burglary charges hanging over their heads. Don't get drunk, loud and abusive at a high school football game.

That's what happened here at the Post-Slaton game last Friday night.

A man got a bullhorn away from one of the cheerleaders and was using it to make high far-carrying abusive remarks about the Post players over a good portion of the Post stands.

Several Post men had to be restrained by their wives from "going after him." Some of the girls were crying, especially at his fourth quarter remarks about the Lopes after Slaton

took command of the game.

Anyway, he was finally reported to a deputy sheriff and he shortly thereafter arrested on a charge of drunkenness.

When they checked Thomas Clark out at the station, the sheriff's department found out he didn't live in either Post or Slaton, but was a Kermit man wanted on a felony burglary charge in Kermit.

The end of the story — as far as the local angle is concerned — is that Thomas Clark was picked up by a member of the sheriff's office at Kermit over the weekend and returned to Kermit to face the burglary charge.

POWDER PUFFERS — These three Powder Puffers (ladies) are members of the "Hamburger's Helpers" team which will play in a game here Saturday night in Antelope Stadium against the team of the "PHS Mean Machine". From l to r, Deb McKee, Jackie Lester and Ila Daugherty.

Powder puff grid tilt here Saturday night

The third annual Powder Puff football game will kickoff at 7:30 p.m. Saturday, Oct. 29 in Antelope Stadium.

The game will be between the "PHS Mean Machine" vs. "Hamburger's Helpers" with admission set at \$1 for adults and 50 cents for

students.

The Post Middle School band will perform at halftime and will also have a concession stand at the game. Proceeds of the game will go to the Post High School Athletic department to be used for a weight machine.

Members of the "PHS Mean Machine" are: Coach, "Tiny Tim" Owen; Rachelle "The Sneak" Smith; Josie "Cyclone" Samora; Carolina "Killer" Bridgeman; Pam "The Ham" Taylor; Kathy "Wildcat" Smith; Jalena "Big Mouth" Bilberry; Diana "The Apache Tomboy" Gonzales; Sylvia "Short Stuff" Quintana; Ruth Ann "Dynamite" Gonzales; Irene "Super Chick" Samora; Tammy "Crazy Chick" Collazo and Gloria "The Great" Greathouse.

The "Hamburger Helpers" coached by Don "Hamburger" Ellenberger and Gary "Lucky" Lester are Lu "Atom Ant" Allen; "Mad-Dog" Brenda Angerer; Cheryl "Bullet" Blair; Delores "Close City Bomber" Redman; "Innocent" Ila Daugherty; Kathy "Galloping" Gilmore; Shirley "Jaws" Josey; Jackie "Lucky Lady" Lester; "Darling" Deb McKee; Phyllis "Mighty" Morris; Terry "Pigskin" Patterson; Mary

This story is a screamer!

Early last Saturday morning, a man broke into a woman's trailer home here by beating on the door with a 12-inch crescent wrench until he could pry it open.

He then chased the woman, shouting and screaming, out her back door and across the street to a neighbor's house.

The awakened neighbors took her in. They could not call the sheriff's office because they had no phone.

But they reported it. Sunday officers arrested Leonard Lee Ellis of Crosbyton in Crosbyton and charged him with breaking and entering in the incident. Taken before the justice of the peace, bond for the felony offense was set at \$3,500.

He remained in jail here Wednesday without making bond.

Man arrested in Farwell drug case

Robert Pesch, wanted on a felony warrant at Farwell, Tex., for the sale of marijuana, was arrested by local officers last Thursday afternoon on US-84 at the south approach to Post.

A sheriff's officer from Farwell came and returned Pesch to Farwell.

LADY FOR PUPPET SHOW — These are members of the eighth grade drama class with the puppets they designed and made themselves. Top, l to r, Starlet Riedel, Ricky Perez, Patti McClellan, and Jerri Baumann. Bottom, l to r, Tina Rodriguez, Galen Murphy and Anita Looney. The puppet plays will be presented Monday night at the Halloween Carnival.

PHS class of '57 in 20-year reunion here

ORABETH WHITE members of the Post High School Class of 1957 met for their 20-year class reunion at the weekend.

After coffee following the Slaton football game held at the Community Center of the First National Bank with 36 attending. The menu included coffee, Cokes, a cake decorated as a gold mum, black ribbon streamers and Post Antelopes Ex and Class of '57 was served. The serving table was covered with a white cloth and centered with a candle and the '57 group picture.

Each class member presented themselves to their wife or husband, where they lived, occupation and number of children. The evening was filled with visiting and remembering when

approximately 60 were seated for the Saturday evening banquet at the Post Community Center. A meal consisting of chicken and dressing and the trimmings was served. The tables were

covered with white cloths and centered with dried fall arrangements and black candles in crystal holders.

\$75 prize at CC breakfast

What does it take to get Post business men out of bed and out to an early breakfast?

The Post Chamber of Commerce proposes to find out at their quarterly membership breakfast at 7 a. m. Friday in the Post Community Center.

There not only will be door prizes, but \$75 to the winner of the "early bird contest" — providing he is present, and not still in the "sack."

The quarterly breakfast is being sponsored by The Prescription Shop.

Tickets are \$1 with serving from 7 to 8. If the winner isn't present, the prize will be \$100 cash next time.

Brownfield served as master of ceremonies. The invocation was led by Noel White. Introduction of each one present followed with each one again telling about their lives in the past 20 years.

Prizes were awarded by Loveta Josey and Lometa Epley to the following:

Person traveling longest distance: Charles Kilpatrick of Medford, Ore. — Charles flew 2200 miles to attend.

Most Weight Gained — (Admitted to) — Gary Welch of Waco.

Baldest Head — Leon (See Class of '57, Page 12)

Three Post folks who love that cowboy art and annual play roles in the OS Art Exhibit flew out to Phoenix last weekend for the 12th anniversary exhibition and competition of the Cowboy Artists of America.

The trio were Mayor and Mrs. Giles McCrary and Mrs. Frances Camp. They also were accompanied by Mrs. Camp's daughter, Carol, from Houston.

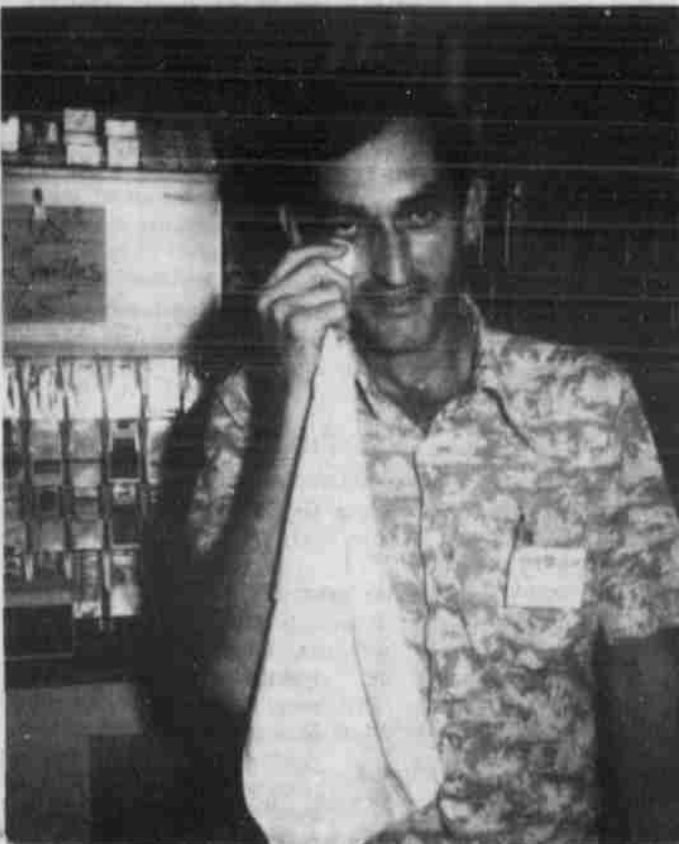

The exhibition was held at the Phoenix Art Museum.

John Hampton, one of the top painters each year in the OS Art Exhibit here, tried his hand for the first time with casting a bronze.

And that first effort, "Throwing the Holley-Ann", won the gold medal in the CAA competition for best of the bronzes. By the way, it sold for \$6,000 per.

Total art sales for the show were \$449,100, which

CRYING TOWEL OUT — Kenneth Williams, one of the partners at Corner Grocery & Market, wipes his eyes with the proverbial "crying towel" Tuesday afternoon while wearing his new Tiger Club membership badge. Kenneth bet Jim Milner, milk delivery man from Slaton, and the August pie delivery woman from Slaton, that Post would beat Slaton in last Friday night's football game. The loser or losers had to join the other town's booster club. Kenneth got quick delivery of his Tiger Club membership badge for \$5. He told The Dispatch if he had paid \$10 he could have gotten a Tiger Club cap. — (Staff Photo)

Division chairmen for UF drive named

Garza County's 1978 United Fund drive for a \$10,725 goal is underway on 15 fronts, Chairman Jim Cornish said today.

He explained the drive is divided into 15 divisions with chairmen named to head each division.

"Most of the division chairmen are back at the same jobs they held last

year," Cornish said.

Mrs. Tommie Williams, who will head the farm and ranch division, is the only newcomer. She replaces Orabeth White who "retired" from the drive organization last year after heading the rural division for several years.

Other division chairmen are Rob Robinson, bank

Caper tickets go on sale

Tickets are now on sale for "The Great Post Toasties Caper," a musical melodrama, presented by the Post Music Club on Friday and Saturday, Nov. 4 and 5, in the Post Community Center.

General admission tickets are priced at \$1.25 and may be purchased from members of the Post Music Club or the Post High School Choir.

A spaghetti supper will be served at 7:00 p.m. both nights, with spaghetti at \$1.75 a plate. Soft drinks and snacks will also be on sale.

Show time will be at 8 p.m. The benefit supper and show is sponsored as a joint project by the Post High School Choir and the Post Music Club. Proceeds to be used for projects by each group.

It promises to be a fun evening for all ages so everyone is urged to bring the family. You might see someone you know!

TRICK OR TREAT — Maybe a little early but this group of Story Hour youngsters had just read a Halloween story and was making faces for Halloween. Shown left to right, Stacy Evans, Angela Tobias, Jana Hudman, Doug Smith, Garrick Pass, Heather Heidelberg and Raylene Bagby. The Story Hour is held at the Post Public Library each Friday morning with Dedra Adams as story teller. — (Staff Photo)

Halloween carnival at Graham Saturday

There will be lots of fun, contests and goblins and good food at the annual Graham Community Center Halloween Carnival Saturday night at the center.

Activities will begin at seven o'clock with a concession stand serving sandwiches, homemade cakes, pies and brownies and coffee and punch. There will be a costume contest for the children with divisions for boys and girls. Prizes will be awarded.

An admission charge of \$1 for adults will be charged.

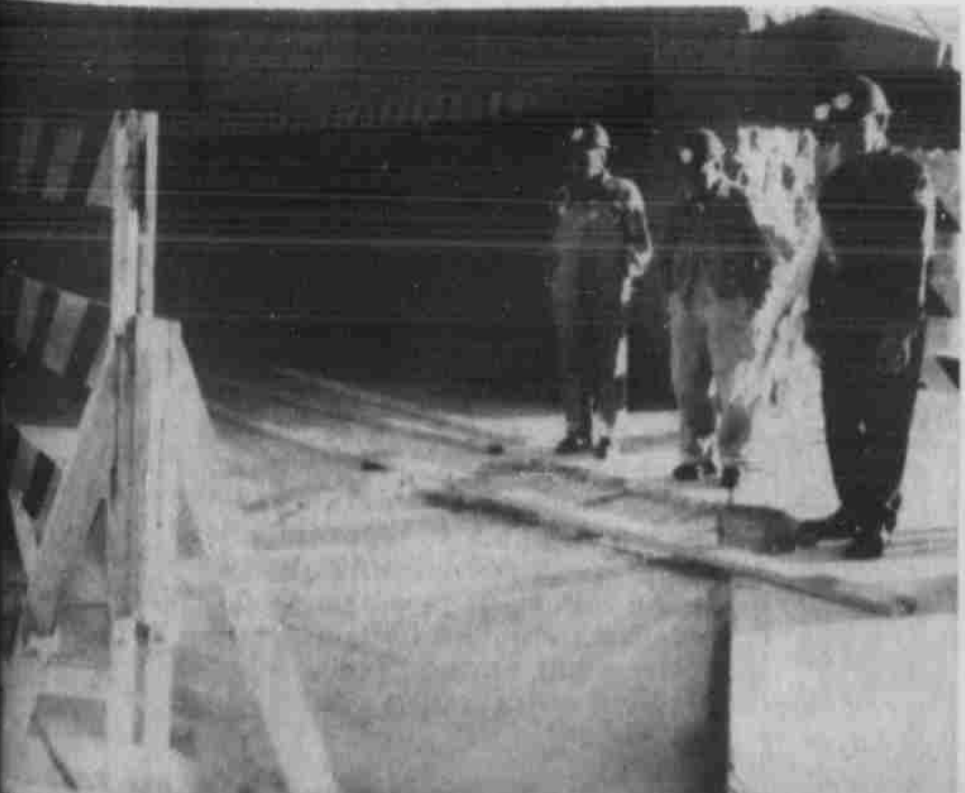

A black and white TV and red and white dutch doll will be given away

during the evening. The quilt was made by the ladies of the Graham Home Demonstration Club.

Games will include bingo with a new feature this year—instead of the spook house, horror movies and comedies will be shown. All proceeds will go to the community center improvement fund.

Each lady of the community is asked to bring a gift and a cake for the bingo, and either a dozen sandwiches, brownies, cake squares or a pie for the concession.

Plan now for this fun evening.

BUILDING SIDEWALK RAMP — Three of Post's "Green Thumbers" inspect a partially completed sidewalk ramp in the 200 block East Main Street at the start of work Wednesday morning. The Green Thumb crew of city employees jointly are constructing ramps for the aged and wheel chair persons on each side of Main street in the 200 block. Other downtown blocks have driveways available. The ramps are a project of the Women's Division of the Post Chamber of Commerce. Green Thumbers above, left to right, R. L. Reeves, J. C. Post will be back

Let's put our Post football program in proper perspective.

All knowledgeable local grid fans we talked to this week came away from the Slaton game convinced that Slaton has one of the finest teams to come out of District 5AA in years.

This takes nothing away from the Post Lopes who literally fought their hearts out, to use an over-used expression, led for the first half of the game and trailed by only six points after three periods. Then four near-perfect Slaton plays produced or set up four quick Slaton touchdowns.

Whether Slaton can improve on that fine execution and go on to win district and then turn in a great playoff record is up to Slaton's players, coaches and a certain percentage of luck in staying away from damaging injuries to their skill personnel.

Here we want to talk about Post's football program.

Post will be back. The Lopes can win their next two games and finish the season with an 8-2 record, which is a mighty good seasonal effort. They need to do that for their own pride, for the program the coaches have worked so hard to build with excellent school and adult fan support, and just because that is what this game of football is all about.

And speaking of the program, let's examine it for a moment.

The junior varsity is undefeated and in two

weeks will play Roosevelt for the district JV title. The freshman team has lost but two games, only one of them in district. The seventh grade team also is undefeated and will be playing at Roosevelt tonight for a district title.

The eighth grade team has not had winning record but it certainly is not due to the determination of effort of the youngsters who play on that squad. They are smaller in size than most of their opponents and that is difficult to overcome.

Total it all up and any fan can see Post has a highly successful football program that is working.

Post not only wins, but everybody out for football one way or another gets to play in the games. That's important and Coach Jackie Brown sees this applies to his varsity squad as well. It's great for morale and player development.

A good program means good material coming up to the varsity season after season.

Next season the sophomores and juniors off the junior varsity will be competing for varsity suits and positions. In 1979 the players on this year's freshman team will be challenging for the first time. And so on.

When somebody says, the Lopes should win the last two "for the program" it makes a lot of sense.

We wish Slaton luck this year, but this is to emphasize with confidence that "Post will be back."

And bring the kids

Read a good book lately? If you haven't you've been missing a lot.

In this age when most of us are said to be chucked full of all sorts of fantasies, books offer a very solid fantasy trip to almost anywhere. Within the pages of books you can find all the knowledge of whole generations. It's all yours just for the reading.

For the lonely, the bored, the sick, and for those who simply want something more to hold their interest than they have in their own lives, books are excellent companions.

It is the person who reads who has broad horizons, who understands so much more about living than the person who doesn't read.

If you want an education you can do it for yourself simply by reading, providing you find out what to read and adhere to a workable reading program.

For those who say they haven't time to read, they are fooling nobody but themselves. All intelligent people, no matter how busy, read regularly—or miss a tremendous slice of life.

For those who would rather watch television for hours on end instead of reading, we can only extend our sympathy—and our pity. They are just sitters and watchers.

For the youngsters who want to get ahead in the world, our first advice is learn to read and then read for enjoyment, constantly. Despite all new educational techniques being

used or experimented with, the basics of education lie upon the printed page.

A poor reader has a poor shot at an education.

That means of course if you are parents your children need to be constantly encouraged (not threatened or ordered) to read. The best way is to teach the child to enjoy reading so he or she will want to read.

For all the kinds of folks named above who need to read, the books are available in almost untold numbers at no direct charge to you in an age which may well go down in history as the Age of Inflation. So this is a tremendous bargain.

This store house of good books is your Post Public Library, which some of you good readers have been neglecting lately.

Your library board thinks perhaps its circulation problem is that the library needs to be put back in the publicity spotlight again. And we agree.

If you're not a library user it's not hard to start. Just stop by and sign up. Then browse the book shelves and start checking out books.

If you want some help in making selections just ask Librarian Pee Wee Pierce for her advice. Tell her what you like and she'll find you a whole armload of books to try.

And, oh yes, bring your kids. The library has hundreds of books just for them—no matter what their ages.

AUSTIN—Two more well-known Texas names are now on the definite list of candidates for statewide office.

Former State Insurance Board Chairman Joe Christie, who served in the State Senate from El Paso 1966-1972, announced for U.S. Senate in the Democratic primary.

Mark White Jr., a Houston lawyer who has been serving as Gov. Dolph Briscoe's secretary of state since 1973, entered the Democratic race for attorney general.

White's resignation opened another sought-after appointed position. A long line of applicants for the secretary of state's job formed quickly outside Briscoe's door.

Christie, 44, will meet U.S. Rep. Bob Krueger of New Braunfels, 41, in the senatorial primary. The winner will take on veteran U.S. Sen. John Tower in November 1978.

White, 37, collides with Price Daniel Jr., 36, 1973-74 Speaker of the House and son of former Gov. Price Daniel in the attorney general's race.

State Republican Chairman Ray Hutchison, meanwhile, formally resigned his position and reportedly has signed on a campaign consultant to make a race for governor.

James Baker III of Houston has filed forms with the secretary of state indicating an interest in running as a Republican for attorney general.

Enrollments Are Climbing

Texas college and university enrollments are up nearly four per cent over last fall. The total is expected to reach 720,679 compared with 696,005 in 1976.

Senior college campuses reported increases ranging from less than one per cent to 45 per cent. Thirty seven private senior colleges grew 2.1 percent to about 73,200.

Public community college enrollments on 56 campuses total 304,966—up 4.6 per cent over 1976. Private junior colleges declined 2.8 per cent.

Barnhart New GOP Head

Ray Barnhart of Houston was elected chairman of the state Republican party 37 votes to 26 over Collin County Judge Nathan White of Plano.

Morris Atlas of McAllen was appointed by Gov. Dolph Briscoe to the Texas Alcoholic Beverage Commission to succeed R. L. Thornton Jr. of Dallas who resigned.

Briscoe named 20 members to the Greater South Texas Cultural Basin Commission.

Commission Sets Hearing

The Railroad Commission ordered a December 16 hearing here on Arkansas Louisiana Gas Company's proposal to increase gas service rates in environs of 28 East Texas cities by 55.47 per cent.

Cities in the Arkla service area are Atlanta, Avinger, Bloomburg, Daingerfield, DeKalb, Douglassville, Gilmer, Hooks, Hughes Springs, Jefferson, Leary, Linden, Lone Star, Maud, Mt. Pleasant, Mt. Vernon, Naples, Nash, New Boston, Omaha, Ore City, Pittsburg, Queen City, Talco, Uncertain, Wake Village, Winfield and Winnaboro.

Short Snorts

Dr. Robert B. Sheldon was removed as superintendent of Rusk State Hospital following an investigation. Dr. Robert M. Inglis, San Antonio State Hospital superintendent, will assume additional duties as acting superintendent at Rusk.

The School Land Board and other boards for lease will hold an oil, gas and sulphur lease sale in the General Land Office February 7.

no electrical outlets will be furnished.

Judging for showmanship and taste will begin promptly at 3 p. m.

Cooks must provide one pint of chili for the judging. Trophies will be awarded winning teams.

There also will be a cow chip throwing contest and tobacco spitting contest.

Plenty of music and refreshments will be available. Gate charge for spectators is \$2.

The event will last until midnight, according to the Jaycees and camping spaces can even be rented for the rest of the night.

Any funds raised from the cookoff will go to support various Jaycee charities and community service projects.

The best way to reach the site is to go north from Slaton on Farm Road 406 for 2.8 miles and turn at the cook-off sign.

Death toll climbs as 4% of Texans speed

AUSTIN — The director of Texas Department of Public Safety today issued an appeal to Texas motorists to give better voluntary compliance to the 55 mile per hour speed limit on the state's highways.

Col. Wilson E. Speir said he is alarmed over the increasing percentage of deaths exceeding the speed limit, particularly in light of an increasing number of fatalities and major accidents in the state.

From our own observations as well as surveys conducted by the Department of Highways and Public Transportation, it is indicated that the vast majority of vehicles on our roads are exceeding the legal speed limit of 55 mph," he said.

Meanwhile, traffic fatalities are on the increase, showing an eight per cent increase over the same period of last year. At last report traffic deaths have increased from 2,467 at the end of last year to 2,675—an increase of 208 deaths.

What's more, the percentage of increase in deaths is becoming greater in each passing week.

The latest report indicates that some 74 per cent of motorists are exceeding 55 MPH. This compares to 69 per cent exceeding 55 during the four-quarter year ending December 1, 1976.

Speir noted that while the enforcement effort has increased tremendously—well over 100 per cent—the new speed law has not had the effect of shortening the task of highway patrol personnel when some three-

fourths of the driving public is violating the speed law.

"We are therefore issuing this appeal to motorists in the hope they will realize that slower speeds will pay off in the saving of lives, suffering and money in the form of better gas mileage and insurance costs," he said. "In addition to extra wear and tear on vehicles."

Speir reported that there is an alarming increase of 50 per cent in deaths on the interstate system over last year, clearly indicating that excessive speed is a major factor in fatal accidents.

And he said the efforts of highway patrol troopers to remove dangerous drivers from the traffic stream will be continued.

"The ultimate solution to the problem of speeding above the limits on Texas highways will come only when the majority of Texas drivers accepts their responsibilities under the law," Speir added.

Rites for father of Post woman

Funeral services were held Wednesday, Oct. 26 in the Trinity Baptist Church in Levelland for Paul Leonard McLean, 67, of Denver City, father of Mrs. Pauline Clinesmith of Post. Rev. Fred Blake of South Plains and Rev. Jimmy Kennedy of Post officiated the services.

McLean died about 4:20 a. m. Tuesday in the Yoakum County Hospital in Denver City after a brief illness.

For those who bet on sporting events, our tip is to move cautiously this football season.

Christie into senate race

AUSTIN — Joe Christie, a six-year veteran of the Texas Senate and former chairman of the State Insurance Board, has announced that he will run for United States Senator against John Tower.

Christie, with his wife and two children at his side, told a news conference Thursday he was convinced Texans are ready to turn Sen. Tower out of office.

"My campaign will be more than a carbon copy of John Tower's because I am convinced that Texans want a change in Washington," Christie said. "My ten-year record of public service offers Texas a choice for a change."

At a dinner in his behalf two days before the announcement, Christie singled out high utility bills, the financial problems of farmers and ranchers, government waste and the need for a better school system as issues that would be important in his campaign.

"These are not new challenges," Christie said. "Yet John Tower can't point to one bill, one act, one law conceived and passed by him to meet these challenges."

Christie said he plans a long swing through West Texas in the next several weeks. For the past six weeks he has toured the state extensively to personally confirm that he has the support necessary to win the senate bid, he said.

Christie said a combination of "common sense, hard work and the proper use of our resources" can deal with challenges "that will be hurled" at the next senator from Texas.

If you sacrifice principles for friendship, you lose something and gain nothing of value.

Supermarket prices to remain stable

COLLEGE STATION — Expect fairly stable supermarket prices for the rest of the year, says Gwendolyn C. Chaff, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System. Pork is trending down, along with adequate supplies of fresh seasonal vegetables and a number of fresh fruits—with apples in the lead.

Pork—as the supply increases—costs slightly less; Boston butt and loin ends, roasts, shoulder steaks, quarter loin cut into chops, ham and roll sausage. In beef, aside from chuck roasts and steaks, round steaks and beef liver.

In poultry and dairy products: egg supplies are ample—at least until holiday baking time, and currently Grade A large eggs are the best buy. Prices on fryers are reasonable, and turkey parts are low priced in some markets. Also, some dairy departments feature yogurt, sour cream and a variety of cheeses.

In produce, dry onion—now in good supply—cost less, along with new-crop cabbage and potatoes in 5.8 and 15 pound bags. Broccoli, cooking greens, sweet potatoes and hard and soft shell squash are good buys. Also carrots, cauliflower and pumpkins. And in canned vegetables, features are corn and all tomato products.

Apples are the main attraction at most fruit counters. Cranberries—of excellent quality—are priced about the same as last year, and Texas grapefruit is increasing in supply and sugar content. Oranges are generally best priced by-the-bag; red grapes are in good supply and have attractive price tags.

CONSUMER WATCHWORD
Here are some "apple figures."
one bushel—42 pounds
one bushel—96 to 144 medium size apples.

Pioneers to be guests

The Garza County Trail Blazers will meet for a covered dish luncheon at the community center Thursday, Oct. 27 at noon with Mrs. W.M. Kirkpatrick in charge.

Special guests for the luncheon will be pioneers of Garza County and members of the Woman's Culture Club. They will share humorous recollections of early days on the plains.

Anyone who wishes to share their pioneer day experiences is welcome to bring a covered dish and join in the fun. The meat dish and drinks will be furnished.

Dr. Pickett will give the invocation and pioneer hymns and special music will be presented by the Rev. F.W. Rogers and Mrs. Rogers.

Program is on western art

The El Tejas Club met Thursday, Oct. 20 in the bank community room.

The guest speaker, Dr. Charles McCook, presented the program on Western Art. He was presented a Guadalupe River Rat plaque by the club.

Refreshments were served to the following members: Jaynie Dickson, Linda Green, Jackie Hahn, Jan Hunter, Donna Lott, Nancy Wallace, Vera Wartes and Nita Burress.

Hostesses for this meeting were Jan Hunter and Nancy Wallace. The next meeting will be Nov. 17 in the Reddy Room with Nita Burress presenting the program.

Birthday party for Lizz Bilberry

A birthday party honored Lizz Alis Bilberry on the occasion of her sixth birthday Monday, Oct. 24 at 4:30 p.m.

The guests enjoyed games of spin the bottle, gossip and popping balloons, then were served punch and birthday cake.

Attending the party were Dianne Ammons, Eric Foster, Cody Crenshaw, Gina Basquez, Nanette and Shana Sanchez, Tammy and Marsha Crenshaw, Lina York, Anne Mullins, Brittney Gandy, Janie Ammons, Jeannie and Dawn Bilberry, Brandy Bilberry, Joni Huffman, John and C.J. Bilberry brothers of the honoree and her mother.

Hostesses for the party were Judi Huffman and Dian Bilberry.

LUBBOCK — Acreage sprayed in the 1977 High Plains Boll Weevil Control Program October 21 already had exceeded what was expected for the entire year, according to Ed Dean, Field Service Director for Plains Cotton Growers, Inc.

Comparatively, weevil numbers were small and infested acreage less widespread early in the year, so program officials anticipated insecticide treatments on an aggregate of around 750,000 acres. Instead the fast-maturing crop caused weevils to spread over a larger area in search of food and oviposition sites, and already it has been necessary to spray over 1,100,000 acres.

Weevils prefer to feed on and deposit eggs in cotton squares and young bolls. When there is a scarcity of this young fruit, as is the case in mature cotton, migration from field to field is greatly accelerated.

It was thought at the beginning of the program in early September this year that base acres in the control zone would be 200,000 to 250,000, but excessive migration spread the zone over about 425,000 acres. Fields have been sprayed from one to five times. The base acreage is now declining, Dean says, as some cotton in the infested area is being harvested following defoliation or desiccation. Approximately 300,000 acres were covered in the last application completed Oct. 20.

"We have had to spray many more acres than expected and the cost of the program has of course been greater," said Dean, "but weevils are still being kept in bounds and there is no reason to expect that the numbers going into hibernation will be greater than in past years."

Treatments began in the program September 6 with ten applicator planes. It was expected that no more than 20 planes would be required at the peak of spraying activities, but the unpredictable extent of migration required the use of 25 applicators at one time.

Aggregate acreage sprayed in 1976 came to 1,161,000 in a base control zone of 350,000 acres.

The assault on weevils will continue until their food supply is destroyed either by chemicals or the first freeze.

The program, initiated by PCG in 1964, has operated each year since to prevent the spread of the dreaded pest across the huge High Plains cotton acreage that lies West of the Caprock. Cost of the program is borne jointly by High Plains cotton producers, the U.S. and Texas Departments of Agriculture. USDA matches funds contributed by producers and the TDA.

The origin of the dollar sign might be the first and last letters of the Spanish word "pesos" (meaning dollar) written one over the other.

Recruiting begun for highway patrolmen

The Texas Department of Public Safety is in the midst of an intensive Recruiting Campaign for men and women interested in becoming uniformed troopers. The next Recruit Training School is scheduled to begin December 6, 1977. All employment applications must be in by Nov. 7, 1977 to enable the Department to properly consider each applicant. For the convenience of those students who are currently enrolled in college, there is also a class tentatively scheduled to begin early in 1978.

Major C.W. Bell, Regional Commander of the Texas Department of Public Safety, said, "General qualifications for DPS troopers are: 1. Applicants must be 20 to 35 years of age. 2. Good moral character. 3. Excellent physical condition. 4. Weight not less than 2 pounds, nor more than three and one-half pounds per inch of height. 5. Vision no worse than 20-40 correctable to 20-20. 6. A citizen of the United States. 7. At least 60 hours of college.

The student officer will participate in 850 hours of a variety of law enforcement subjects. The curriculum will consist of criminal law, traffic law, human relations, techniques of accident investigation, boxing, judo, marksmanship and pursuit driving. Applicants selected as cadets will enter 18 weeks of training at the Homer Garrison Junior Law Enforcement Memorial Academy, one of the most modern police training facilities in the United States located in Austin.

While in Recruit School, the pay is \$848 a month and upon completion of the 18 weeks training, the commissioned officer will draw \$968 a month. Uniforms, firearms, insurance benefits and transportation are furnished by the Department for each officer.

For additional information concerning the position of trooper, training and/or benefits, contact the nearest DPS trooper or the DPS office in Lubbock, Amarillo, Wichita Falls, or Mineral Wells.

CONSUMER ORNER

Natural gas deregulation would lead to some increased consumer costs, however, the removal of price controls would also increase the search for new domestic natural gas, as has been demonstrated in the unregulated intrastate market. Surprisingly, continued regulation could be more expensive to the consumer over the long run than a program of phased decontrol, for as natural gas reserves are depleted, shortfalls will have to be made up for with more expensive substitute fuels—synthetic natural gas, liquefied natural gas, or imported crude.

Choir is sponsoring Halloween carnival

The annual Post High School Halloween carnival is scheduled for Monday, Oct. 31. This year, the carnival will be sponsored by the high school choir as they are planning a trip to Galveston in the spring.

Lunch Menus

The Post schools lunch-room menus for the coming week are as follows:

Monday - Taco, lettuce salad, buttered corn, chocolate pudding, cornbread, half pint milk.

Tuesday - Westernburger, green beans, carrot sticks, peaches, half pint milk.

Wednesday - Turkey with gravy, sweet peas, whipped potatoes, no bake chocolate cookies, hot rolls, half pint milk.

Thursday - Corn dogs, blackeyed peas, cabbage slaw, apple cobbler, mustard, half pint milk.

Friday - Pizza, lettuce salad, pinto beans, pears, half pint milk.

SANDWICH MENU

Monday - Peanut butter and jelly sandwich, carrot sticks, apple, cookies, half pint milk.

Tuesday - Pimento cheese sandwich, lettuce wedge, banana, potato chips, cookies, half pint milk.

Wednesday - Bologna sandwich, celery sticks, pears, cookies, half pint milk.

Thursday - Chicken salad, lettuce wedge, peaches, potato chips, cookies, half pint milk.

Friday - Manager's choice, half pint milk.

Permit issued for new home in Post

A city building permit has been issued to Ray McClellan for construction of a \$26,000 home in the 700 block on West 14th street.

The carnival will be held at the 4-H barn on the south side of the City-County road.

There will be a wide variety of attractions including a dunking booth, football and basketball throws, a cakewalk, dart games, fortune telling, a marriage booth, and candle races. Refreshments will be served all during the carnival.

Doors will open at approximately 5:00 p.m., so everyone come out and enjoy the fun as you support the Post High School Choir.

Cockrums visit with son

Mr. and Mrs. Dan Cockrum returned to their home following a two weeks visit in Cape Cod, Massachusetts with Mr. and Mrs. Dan E. Cockrum and family.

While there the group drove up to Bar Harbor, Maine and Acadia National Park located on Mt. Desert Island, known as one of the most beautiful islands in the world and includes the highest point on the east coast, Cadillac Mountain.

They report the fall foliage through that area was most beautiful this time of year.

Halloween carnival Saturday at church

The Church of God of Prophecy will sponsor a Halloween Carnival Saturday night, Oct. 31 at the church with proceeds going to the building fund for the church.

The festivities will begin at 7 p.m. and last until 10 p.m. There will be a spook house, sponge throw, and lots of homemade goodies to eat. The children are welcome to wear costumes if they desire to do so.

Tune in to Morrow

By DAVID MORROW

Halloween is coming up and it's time to think about what will happen and what could happen. So many people use Halloween as an excuse for damaging other people's property and general destructiveness. This kind of behavior does not promote a good image of the young people of our community. There are plenty of ways to have fun without destroying property and acting like apes rather than human beings. And, all preaching aside, endangering the lives of others is not fun and never will be. It's not easy to forget what happened to Randy Baker on a Halloween in the past. This situation could have ended up much more tragically than it did, all because of people refusing to consider their actions. A great majority of adults and most of the students at PHS agree that the foolishness at Halloween needs to stop. Give it some serious thought.

The Antelope Band gained some valuable experience at the practice contest last Saturday. They got the feel of the astroturf (even though it was sopping wet at the time) and learned to adjust their sound to the acoustics of Jones Stadium. The band members and Mr. Stringer have high hopes of improving their rating at marching contest this year.

Everyone be sure to come to the choir's Halloween carnival and the senior class Spook House. There will be a lot of fun and thrills for everyone.

lot of fun and thrills for everyone.

The All-School play is coming along nicely. Most of the set and props are taken care of and the acting is improving. When Tim and David master the fine art of lifting Terry off the floor and Donna learns the details of going into violent hysterics, everything will be just fine. Tickets will go on sale soon, so be sure to attend.

Eagle Roundup

Southland School News

Homecoming news

Southland Homecoming activities Oct. 14 were highlighted by open house, m and the crowning of the Football Hero and the Homecoming Queen.

During halftime activities, Elaine Buxkemper was crowned as the 1977 Homecoming Queen. Elaine is the daughter of Mr. and Mrs. Monroe Buxkemper, she is a junior at Southland and a high school cheerleader.

The football Hero was Frankie Valdez, son of Mr. and Mrs. Frank Valdez. Frankie is a senior and a captain of the football team.

The other candidates for football sweetheart were Stacy Rush and Gena Farquhar.

Other Football Hero candidates were Nathan Wheeler and Steve Valderaz.

The Southland Band performed at halftime under the direction of Mary Vasquez.

Ken Brown is Band Director and Miss Lynn Heith is Pep Squad sponsor.

Southland Wins

The Junior High Eagles' score against Bethel Christian Oct. 14 was 52-6 in favor of the Eagles. The game was ended in the third quarter because of the 45-point rule.

The junior high record is 5-0 for the season. They have scored 201 points with their opponents scoring only 26.

The High School Eagles won their Homecoming game by a score of 38-6 over Bethel Christian. The game was scoreless until a minute before the half when Eddie Davila scored the first touchdown. In the second half Southland exploded for 32 points with Eddie Davila scoring twice, John Sertuche once, Nathan Wheeler once, Frankie Valdez on an interception, and David Becker with a safety. That makes the Eagles 3-4 for the season.

Coming Events

Nov. 7 - Junior high "A" girls and "A & B" boys against Whitharrel at Southland, 5 p.m.

Jr. High Undefeated

Southland's Junior High Eagles remain undefeated this season after beating the Loop Longhorns Oct. 20 at Loop. The score was 40-14 at halftime with the Eagles on top. The final score was 70-33. Amador Vasquez led the scoring with four touchdowns. Sam Davila had three touchdowns, Andy Wheeler had two, Joe Buxkemper had one, and Ray Vasquez had one. Four extra points were also scored by the Eagles. They are now 6-0 for the year and leading the district. Their next game is a home game against Wellman on Oct. 27.

Seniors plan spook house

By RAYMIE HOLLY

The senior class of Post High School will be sponsoring a Spook House on Halloween night, Monday, Oct. 31. It will be located in the old Red Front Trading Post building across the street from Handy Hardware on Main Street.

Groups will be taken through at regular intervals from 7:30 p.m. to 10:00 p.m. Admission will be \$1 for adults and fifty cents for students.

Some of the attractions in the Spook House include Frankenstein's monster, the Mummy, Dracula, the Mad Scientist's Laboratory, The Insane Asylum, and many other thrilling horrors.

Funds from admission fees will be used for the senior trip in May.

Lecture given on nutrition

Coach Alexander's health classes were visited by a guest speaker, Mrs. Paula Cawthon, Home Demonstration Agent for Garza County. She presented a lecture on nutrition in conjunction with the program of nutrition in conjunction with the program of nutrition that the classes are studying.

Mrs. Cawthon asked the students to list everything they had eaten in the past 24 hours. A general discussion was then held on the proper amounts of nutrients needed for a balanced diet and the discrepancies in the various eating habits of the students.

The students all enjoyed Mrs. Cawthon's presentation and many of them learned some startling facts about the relationship of proper diet to good health.

More youngsters for story hour sought

Post Public Library trustees expressed some concern last Thursday at their October meeting at falling attendance for the library's Friday morning Story Hour for pre-schoolers, 3-5, and a fall "fall-off" in library circulation.

Trustees decided to advertise in The Dispatch on Story Hour in an effort to interest mothers in bringing their 3 to 5 age youngsters from 10 to 11 Friday mornings.

"We started Story Hour late in the fall this year," Librarian Pee Wee Pierce explained, "and the attendance has just never been anywhere near last year's."

As for library circulation, it was down in September and is down again in October. Librarian Pierce says a lot of library "regulars" appear to have

quit reading, temporarily at least.

Trustees are thinking over a public relations campaign there too.

Trustees accepted a gift print of "Peter Pan" by Weatherford Artist Ronald Thomason in memory of Molly Rose Brenden, signed by both himself and Mary Martin who played Peter Pan on both the stage and screen. Thomason was commissioned to do a life-sized statue of the actress as Peter Pan for Weatherford which was her hometown.

Trustees also discussed a use of at least part of the \$1,000 left the library by

State tax agent to be here Nov. 9

A representative from the Lubbock office of State Comptroller Bob Bullock will be in Post Tuesday, Nov. 9, from 9 to 11 a.m. at the courthouse to assist local taxpayers and answer questions about state taxes.

Enforcement Officer Alene Knox will assist Post or area merchants or anyone else in preparing state tax forms, or answer questions about them.

George (Scotty) Samson, approved plans for cleaning and decorating the front window, and agreed that plans for use of the planter in front of the library be made and better care arranged, which includes some method of watering.

the heat pump

"THE ELECTRIC SAVINGS MACHINE"

A good bargain now that will get even better!

Of course, any machine that works as efficiently as the heat pump has to save you money. And for many people, that's the key appeal of the heat pump. Initial costs may be slightly higher than those for a combination heating and air conditioning system. Day-to-day operating expenses are the lowest of any other electric heating, cooling system available on the market today. But the savings don't stop there.

With fuel costs expected to rise during the next few decades, the electric heat pump is a smart investment that will reward your investment throughout your years. Then too, unlike other forms of energy, electricity can be generated from a variety of sources. You can count on having plenty to run your heat pump. Always!

Slaton pulverizes Post in fourth to win 40-7

Four TD burst breaks tight game wide open

Slaton's very talented Tigers broke open what had been a close, hard fought battle for three periods here Friday night before a packed stadium of 3,000 fans by exploding for four touchdowns in the fourth quarter to completely overpower Post's Antelopes, 40 to 7.

The loss, worst in several years for the Lopes, dropped them from 5AA title contention and left local rooters stunned by the devastation of Slaton's late onslaught.

Besides a slick attack which rolled up 342 yards on the ground and another 166 in the air for a fearsome 508 yards, the unbeaten visitors' tough swarming defense completely frustrated the Lopes in the second half.

Post held a 7 to 6 halftime lead, despite shutting down Post's attack in the third period. Slaton held only a 13 to 7 advantage as the fourth period began.

Substitute back Michale Piwonka, Slaton's fifth back all season, ignited the late Tiger scoring surge on the first play in the final period. He slipped through the middle of the Post line and raced 52 yards for a touchdown without a hand being laid on him.

He almost did the same thing the next time Slaton got the ball, sprinting 40 yards to the Post 20 before being dragged down. From there, the Tigers cracked it in three plays with Fullback Brad Eblen squirming across from the eight.

That made it 26 to 7 and put the game out of Lope reach.

The next time Slaton got the ball, Tailback John Johnson went around right end behind devastating blocking that put all Post defenders on that side off their feet and raced 42 yards down the east sideline for Slaton's third touchdown of the period.

The final Slaton score was a "weirdo".

Post went for a first down with fourth and inches on its 31, but Quarterback Brad Shepherd was caught by the surging Tigers and fumbled the ball away to Slaton on Post's 21.

Two 15-yard penalties in a row set the Tigers back to midfield, but Quarterback Steve White uncorked a long pass to Back Mark Hulme on the goal line for the touchdown, getting 51 yards on the play.

Actually, Slaton had a fifth fourth quarter score called back after Slaton coach Ed Cook finally put in his substitutes with one minute to play.

Sub Quarterback Ricky Davis, a junior who will be the Tigers' 1978 pilot in all probability, broke away for a 68 yard "scoring play" on a keeper, but a teammate's clip during the run cut the gain to only 28 yards as the game ended.

In the second half, Post managed only one first down and a net of 42 yards of offense and never got outside its own 40 yard line in seven possessions.

Now the first half—that was almost a different ball game.

Slaton received the game-opening kickoff, returned it to their 22, and overcame a holding penalty to march 41 yards to the Post 37 where Quarterback White pulled the string on a long one and fired for the end zone.

Defensive back Cliff Kirkpatrick outjumped the Slaton receiver for the ball and came down in the end zone with the first of Post's two first half interceptions.

From their own 20, the Lopes drove 40 yards to Slaton's 40 with an 18-yard run by Kirkpatrick the biggest gain of the drive.

Then Split End Evans Heaton took over the spotlight to ring up the Post touchdown.

First he punted 39 yards out of bounds on the Slaton one yard-stripe. The Tigers managed only one yard in three cracks and punted out but 28 yards against the wind to the Slaton 30.

That's where the first period ended.

On the first play of the second, Shepherd retreated and found Heaton behind two Tiger secondary men in the end zone for a 30-yard pass and Post's only score of the night.

Center Leslie Looney converted and Post led 7-0.

Carlos Varela stopped the next Slaton thrust by intercepting another White pass into the left flat while lying on his back on the turf on Post's 45. In the next minute, Post drew walkoffs to 35 yards for infractions to kill that opportunity to open up.

Slaton then moved 60

yards for its first half touchdown, 35 of it coming on a long pass from White to Back Steve Wood and then two more passes taking it in from the 15, the last going to Wood again for the last eight and the tally.

Slaton went for a two-point conversion, but an end jumped offside drawing a damaging penalty. So Wood tried a placement kick but it was low and wide.

Post took the kickoff back to its 33 and then drove 45 yards only to lose the ball on the Slaton 21 with 20 seconds left in the half when Heaton was knocked out of bounds inches short of a first down on an end around from a field goal formation.

In the third period, Post's frustrations began.

After receiving the kickoff and having Baker return it to Post's 38, the Lopes drew a 15 yard holding penalty, and then lost 10 more on two ground plays and had to punt from their own 15.

A five yard return set Slaton up at the 50 yard line and from here they hammered the ball across for the go-ahead touchdown in eight ground plays, Eblen scoring from the four after Johnson got 29 yards on five tries and white 14 on two keepers.

Kirkpatrick got away for 21 yards after the next kickoff, but it wasn't enough to overcome another Post holding penalty and Post had to kick.

Post's only other possession in the third came on its own 11 and it couldn't make a first and had to kick out. That's about when Slaton's late scoring avalanche began.

Heaton averaged almost 38 yards in nine kicks, despite the wind and would have been almost 40 but for one 11-yarder against the wind which bounced back 15 yards before the Lopes could down it.

There were plenty of flags all over the field most of the night with the two teams drawing a total of 255 yards in penalties for 19 infractions which were accepted, not counting several more which weren't. Slaton "won" in penalty yardage too with 140 to 115 for Post.

Post's only pass completion of the night came on the first one—the surprise touchdown loss.

To show the complete domination of Slaton's defense in the second half, Post in 21 rushing plays lost 29 yards on seven of those plays and were stopped for no gain on four others. Three runs of 21, 15, and 13

yards got them all their second half net yardage of 42 but seven more.

Sidelines

By JIM CORNISH

It's our opinion that if Slaton and Post played several more times, the Tigers wouldn't be able to come up with a "four touchdown blitz" in one quarter again.

Still, after watching those Tigers do it once we are convinced they are going to finish their regular season undefeated and win the 5AA football title without trouble.

Slaton has an excellent team to represent the district and they have such a depth of speed and talent that they could go far in the playoffs.

We were particularly impressed by the "one handed catches" of Brad Eblen of Steve White's long passes.

Speaking of playoffs, Colorado City very likely will be the 6AA winner and 5AA bi-district foe. Slaton whipped the Wolves something like 32-0 in their opener.

We look for the Lopes to bounce back with a good effort against Denver City Friday night in their last home game. After all, this will be Post's first opportunity to make it three in a row over the Mustangs.

Coach Brown reported over the weekend that the 1978 game with Denver City will be played out there instead of in Antelope Stadium as announced last week.

This will give the Lopes five home games and five on the road each season instead of an odd 6-4 arrangement. More important, though, it will prevent Post from having to make two long trips west the same season with Seminole coming into the district.

Post's first district game with Seminole will be played here next year.

Frosh bow to Slaton 21-0

Post's freshmen footballers lost their second game of the season at Slaton last Thursday night in bowing 21-0 to the Slaton frosh.

All three Slaton touchdowns were set up by Post mistakes.

A bad punt snap from center set Slaton up on the Post nine for their first touchdown "drive". Slaton next took the ball on the Post 25 when another bad snap sailed over the kicker's head and he couldn't get the punt off. It was 14-0 at the half.

Post fumbled the ball to Slaton on Post's 23 in the final period to set up the third Slaton touchdown.

Post only drive of the game ran out of downs on the Slaton 28.

Coach Lane Tannehill's freshmen will play Littlefield's freshmen here Thursday afternoon at 5:30 p.m. in their next start.

yards got them all their second half net yardage of 42 but seven more.

Post picked to win last at home

Both the Post Lopes and the Denver City Mustangs have something of their seasons to salvage here Friday night in the last home game of the season for Coach Jackie Brown's club.

The Old Prognosticator thinks the Lopes have the character to end their "losing streak" at two and to raise their "win streak" over the Mustangs to three in a row.

Here are his other picks of the weekend of the Lopes' 1977 opponents:

TULIA at Lockney—Strickly by comparative scores as the Hornets knocked off Floydada last week and the Longhorns are coming off an open week.

COAHOMA at Winter—The Bulldogs are getting better down in 6AA as the season progresses with their full-back offense.

Abernathy at FLOYDADA—The Winds aren't exactly having a winning season, but they should be able to at least defense these Antelopes.

7th graders hand Slaton first defeat

Coach Joe Gidden's seventh grade grid club remained undefeated last Thursday night in Antelope Stadium by rallying in the second half to come from behind for an 18-8 triumph over a much bigger Slaton team.

Post's eighth graders dropped the nightcap of the twin grid bill here, 40-6.

Slaton went out in front in the first period of the seventh grade game by breaking a long touchdown run and converting to take an 8-0 halftime lead.

In the third period, Quarterback Tim Tannehill broke loose around left end for 60 yards and the first Post score. All Post's conversion efforts after touchdowns failed and Post trailed 8 to 6.

Post went ahead in the fourth when Tannehill

COLORADO CITY at Ballinger—The Wolves are rolling now, although they are no tidal wave.

TAHOKA at Cooper—What happened to Fullback Clifford Bailey last week? He only got one touchdown against Roosevelt in a close one. The Pirates may make it close, but the Old Prog doubts it.

Frenship at SLATON—After what happened last week, the Old Prog is convinced the Tigers can about name the score the rest of the way. They have so much senior talent.

The Old Prognosticator slumped to a .600 percentage last weekend as his "upset special" on the Lopes didn't pan out and Floydada failed him.

That gave the Old Prog 44 games right out of 60 for a .733 percentage.

Last week's results: Slaton 40, Post 7. Tulia 12, Floydada 0. Frenship 6, Denver City 0. Tahoka 13, Roosevelt 7. Coahoma 20, Ballinger 0.

"sneaked" in from the one yard line for the second touchdown to cap a 70-yard drive.

In the final minutes, Tannehill added his third touchdown of the night by sweeping right end for 25 yards and the final score.

Coach Giddens commented that the entire team played well against their best opponent of the season, especially since they were badly outweighed.

In the eighth grade game, Dana Scott scored Post's touchdown in the third period when he broke up the middle for 65 yards.

Slaton led at the half 32 to 0.

The two Middle School teams will play Roosevelt in a twin bill at Roosevelt Thursday evening.

After Roosevelt, the two Post teams will close the season the following week in a non-district clash with Colorado City.

By defeating Roosevelt, the seventh grade team will clinch the district football crown. Slaton's seventh graders were undefeated too until Post came up with those two fourth quarter touchdowns.

Lopes out to rebound against Denver City

The Denver City Mustangs, no more the "power team" of West Texas AA football, come to town Friday night to close out the Post Antelopes home season. Although neither club is in the district 5AA title race any longer there is real incentive for both teams to go all-out for a victory.

Coach Jackie Brown's Lopes, after being knocked from the championship derby by consecutive defeats by Frenship and Slaton, will be out to end that two-game losing streak and mount a "three game win streak" over Denver City.

The Mustangs, crippled all season by injuries to key players — especially offensive backs — will be trying

to regain some victory momentum.

So far they have their worst seasonal record within memory — two wins and six losses — with but one win and three losses in district play. The Mustangs will close out the season at Roosevelt next week.

While the Lopes will be struggling to rebound from their emotional peak and 40 to 7 thumping by Slaton, the Mustangs are coming off a tremendous defensive game last week in their home finale.

They lost to Frenship's Tigers, 6-0, on two first quarter field goals, and although turning the ball over five times on fumbles and once on a pass

interception shut down the Tiger attack which was effective against the Lopes and outplayed the visitors in the final three periods. But of Frenship's field goals were set up by Mustang fumbles, one on the 15 and the other on the 41.

Denver City's attack features big Kenneth Harvey, moved from tackle to fullback three games ago when the Tahoka game was wiped out by the Denver City backfield.

The big 260-pounder is slow but hard to drag down. In 21 carries against Frenship he gained 65 yards.

Probable Mustang backfield starters here are those who played most against Frenship — Glenn Boone, 150-pound senior at quarterback; Harvey, the 260-pound junior at fullback; Jim Logan, 180-pound senior at wingback; and Jerry Hill, 155-pound junior at tailback.

The Mustangs run the I formation with the Mustang attack being similar to that of the Lopes. The Mustangs are much smaller in size than usual for a Denver City team. Line starters include two 175-pounders, two 165-pounders, two 150-pounders, and one 130-pounder.

Halfback Mark Gibson was lost for the year in the Tahoka game with a fractured hip, and halfbacks Logan and Jerry Hill suffered a shoulder injury and a severe thigh bruise against Tahoka. Ruben Briones with a knee injury did not get back for a Frenship game. Logan didn't play either, but he got back into action.

Who will be ready for the Lopes no one here could know. Basically, the Lopes remain in good physical condition.

Sixteen Lope seniors will be playing their last home game against Denver City.

They are Brad Shepherd, Brent Terry, Kohen Joe Randy Baker, Butch Bruce Waldrip, Steve Chuck Bass, Erik Howard Greene, Bud Jeff Raymie Holly, Virgil Morris, Ronald Bratcher, Steve Hair and Evans Heaton.

Unbeaten Post JVs whip Slaton, 23-6

Coach Chili Black's Post Junior Varsity football team, still unbeaten in 1977 after whipping Slaton's JV club at Slaton last Thursday night, 23 to 6, will play Roosevelt JVs for the district title here Nov. 10.

That is if Roosevelt remains unbeaten in district play the next two weeks.

The locals have open dates the next two weeks before closing out their season against the Roosevelt JVs.

At Slaton, Post's most recent victory was a tough defensive struggle most of the way.

Going into the fourth period, leading 7 to 6, Post scored a safety and two touchdowns to pull away. Post marched 60 yards

with the game-opening kickoff to their first touchdown with Quarterback Rance Adkins passing 30 yards to end Dale Redman for the score. David Hawkins kicked the extra point.

Slaton got its only touchdown of the game with about 90 seconds left in the first half on a long pass which a Post defender tipped into the hands of a Slaton player in the end zone. Slaton's conversion kick was wide.

The third period was scoreless, but Post got rolling again in the fourth. Forced to punt from its five yard line, Slaton had the center snap sail over the punter's head and out of the end zone for a two-point safety.

Post then took Slaton's free kick on its 30 and drove 70 yards for its second touchdown with Adkins scoring from two yards out. Again Hawkins converted to make the score 16 to 6.

In the closing minutes Jeff Lott intercepted a Slaton screen pass and ran it 25 yards to the Slaton 10. Adkins then passed to Redman for the touchdown and Hawkins converted to end the scoring.

CLIFF LOOKS FOR HOLE — Halfback Cliff Kirkpatrick, No. 45, moves into a hole in the Slaton line in the big game here last Friday night but Slaton's Ricky Davis (No. 10) and Center Greg Jeffcoat (No. 55) are waiting if he manages to get through. — (Staff Photo)

WHERE'LL I GO? — Slaton swiftie, John Johnson with ball, looks up to find Post's Bud Jones (No. 74) and Steve Davis (No. 51) closing for the tackle in the first half of the Post-Slaton game Friday night. In the fourth period he got away. — (Staff Photo)

POST ANTELOPES VS. DENVER CITY

FRIDAY, OCT. 28

ANTELOPE STADIUM

KICKOFF WILL BE AT 7:30 P.M.

OTHER GAMES THIS WEEK

— TONIGHT —

Post Freshmen vs. Littlefield Frosh in Antelope Stadium, 5:30 p. m. kickoff.

Post 7th and 8th grade teams at Roosevelt in final district games with 7th grade game starting at 5:30 p. m.

The Post Antelopes will be trying to break a "two game losing streak" and extend their "win streak" over Denver City to three in a row when they close out their 1977 home season here Friday night against the Denver City Mustangs. The Mustangs, hampered by many key injuries all season, have lost three out of four district starts, but held Frenship to a 6-0 win at Denver City last week in a tough defensive contest. The Lopes will be trying to "get back up" after being knocked out of the district race by Frenship and Slaton and finish with a very strong 8-2 season.

Teachers will hold district meet Friday

LUBBOCK — About 5,000 school personnel are expected for the tenth annual convention of District XVII, Texas State Teachers Association, to be held here Friday.

Most schools in the 17 West Texas counties that comprise the district TSTA group will dismiss classes Friday.

Zig Ziglar, an author and speaker from Dallas, will give the principal address at the morning general session. Ziglar has created, produced, or participated in training programs for over 50 major national and international associations. He is author of "See You At The Top."

The general session begins at 9:30 a.m. in the Lubbock Civic Center. Don Hendley, president of District XVII and middle school principal at Brownfield, will preside. Carolyn Harrell, president of TSTA, will bring greetings and a report from the state organization.

Along with teachers and administrators, educational secretaries and aides will be among the participants at the general session. All members of the teaching profession are invited to attend that meeting whether or not they belong to TSTA, according to President Hendley.

The House of Delegates for the convention will convene Thursday evening, Oct. 27, at Coronado High

School. The business session will follow a banquet at 6:30 p.m.

Convention exhibits will open at 8:00 a.m., Friday, at the Civic Center. Approximately 30 exhibitors will participate.

Numerous luncheon and afternoon sectional meetings are planned for members of several educator associations and for teachers of subject matter areas.

An afternoon session will be at 2:15 p.m. in the Monterey High School Auditorium. Speaker will be Dr. Nancy W. Bauer of Philadelphia, PA. She is presently involved as general editor and author in a senior high school curriculum project for four years of history and social studies. The session is planned for elementary teachers. Secondary school teachers who do not have sectional meetings are invited to the afternoon session.

Members of the retired teachers organization will have a luncheon meeting at John Knox Village, 1717 Norfolk.

Counties included in District XVII are Bailey, Cochran, Cottle, Crosby, Dickens, Floyd, Garza, Hale, Hockley, Kent, King, Lamb, Lubbock, Lynn, Motley, Terry and Yoakum.

Officers of the district in addition of Hendley are Mrs. Jancie Posey of Plainview, president-elect; Carey

SPECIAL GARZA AGENT — Brad Lott of Post is the special agent for Garza County for Farm Bureau Insurance, working out of its Tahoka office under Robert Harvick. A 1972 graduate of Post High School with one year at Texas Tech, Lott has been selling the full Farm Bureau Insurance line here since February. He lives here and works in Garza County.

Legal questions to be discussed

Preston Poole, Garza County attorney, will be guest speaker for the American Association of Retired Persons, Friday, Oct. 28, at the Post Community Center. The meeting will begin at 10 a.m.

Pool will discuss legal questions pertaining to retired persons, such as wills and estate planning. He will also answer questions pertaining to these subjects.

Members are urged to attend, everyone is welcome according to Mrs. Jack Dale, president of the local chapter.

White of Brownfield, secretary; Ted Dockery of Wilson schools, treasurer; and Stanley Dixon of Brownfield, parliamentarian.

New farm act will effect grain programs in area

Many grain and sugar programs will be affected this season by provisions of the new four-year Food and Agriculture Act signed by President Carter Sept. 29. Joe D. Barnes, executive director of the Garza County ASCS office, reports.

Summary of the bill's grain target prices, loan rates, sugar support program and other farm programs to be administered by the Agricultural Stabilization and Conservation Service, U.S. Department of Agriculture are as follows:

Feed grains: The per bushel target price and minimum loan rate for corn are both \$2 and the target price, \$2.10. Loan rates and target prices for barley and grain sorghum will be at levels determined to be fair and reasonable in relation to the levels set for corn.

Wheat: The target price per bushel is \$2.90 for this year and \$3.00 for 1978, but if production is reduced to 1.8 billions bushels next year, the target price will be \$3.05. Minimum loan rates will be \$2.25 in 1977 and \$2.35.

Upland cotton: Targets and loans are left unchanged for the 1977 crop. Next year the minimum target price will be 52 cents per pound and the loan rate will be the lower of 85 percent of the preceding four-year average spot market, or 90 percent of the world market.

Rice: Target price for rice is \$8.25 per hundred weight this year and the loan level is \$6.19. The 1978 levels will be the same as 1977 levels adjusted by costs of production.

Deficiency payment: Any 1977 deficiency payments for feed grain, rice and wheat will be made on the effective allotment. For feed grains and wheat, however, this year's payments will be based on the target prices announced under the old law for unplanted acreage and on the target prices of the new law for planted acreage within the allotment. After this year the payments will be based on the planted acreage rather than the allotment for all crops; but, for rice, payments will be limited to the allotment.

ACP: Continues the Agricultural Conservation Program (ACP) with an emphasis on carrying out enduring conservation measures.

Sugar: This year's and next year's crops of beets and cane are to be supported by loans and purchases at between 52.5 percent and 65 percent of parity; or at not less than 13.5 cents a pound of raw sugar equivalent.

Dairy: Extends all present provisions; price support to be adjusted semi-annually with authority for quarterly review and adjustment if so indicated by the index. Price supports are to be between 80 per cent and 90 per cent of parity through March 31, 1979, and 75 percent and 90 percent thereafter.

Peanuts: A two price poundage program beginning in 1978 setting loan levels at a minimum \$420 per ton for quota peanuts subject to adjustment and at export prices for nonquota.

Soybeans: Loans are mandatory as determined by the Secretary.

Wool and Mohair: Price supports to be adjusted annually; wool to be 99 cents per pound, mohair to be \$1.49 in 1977.

Disaster Provisions: The disaster program for feed grains, rice, wheat and upland cotton is extended for 2 years to allow time for Congress to pass new crop

The individual does not have to advertise his, or her, religion in big type.

insurance legislation.

Prevented planting (Disaster): No change in 1977, for 1978 and 1979, payments for wheat, feed grains and cotton will be based on 75 percent of the established yield (100 percent for rice) and one-third of the established price.

Low yield (disaster): A new formula will be used for computing eligibility and payment which will apply in 1977 to feed grains and wheat if the result means a larger payment than under the old formula. The new formula for feed grains and wheat provided coverage for losses below 60 percent of the established yield on the acreage planted for harvest. The new formula rate is equal to 50 percent of the established price. The new formula for rice and upland cotton provides coverage for losses below 75 percent of the established yield on the acreage planted for harvest (limited for rice to the allotment), at a rate equal to one-third of the established price.

Payment limitations: Totalling together all feed grains, wheat and upland cotton (not ELS cotton) a person's highest payment may be, for 1978, \$40,000; 1979, \$45,000; 1980-81, \$50,000. Rice payments are limited to \$52,250 in 1978 and \$50,000 in 1979. Combined rice, wheat, feed grains, and cotton payments are limited to \$50,000 for 1980 and 1981. After 1977 the payment limitations do not include disaster payments.

Reserves: The secretary shall for wheat and may for

feed grain—offer producers an extended loan program of 3 to 5 years' duration. The quantity of wheat in such a farmer-held reserve shall not be less than 100 million nor more than 700 million bushels. While no minimum reserve is specified for farmer-held feed grains, the Secretary has the option of implementing either resale or an extended loan program. As an incentive to producer participation the Secretary may pay annual storage costs of the grain as well as waive or adjust interest rates.

Producers desiring information on the new programs should contact their ASCS office.

Plenty of ducks as season nears

LUBBOCK — Reports from Texas Parks and Wildlife Department personnel in the Panhandle and South Plains indicate a large number of ducks, a few geese and an increasing number of sandhill cranes are located on area lakes and they should furnish plenty of shooting for waterfowl hunters when the season opens Nov. 1.

The duck, goose and crane season (zone A) all open Nov. 1 with the duck-goose season continuing through Jan. 22, 1978 and the crane season through Jan. 31, 1978. Crane season in Zone B will not open until Dec. 5 to allow the safe passage of the whooping cranes from Canada to reach the Texas coast.

The daily bag limit for ducks is reached when the point value of any bird taken reaches or exceeds 100

points. The number of ducks could vary from one to ten in the aggregate based on the following point system: 100-point duck-canvasback; 70-point ducks-mallard hens, redheads and wood ducks; 10-point ducks-gadwalls, pintails, scaups, shovelers, and all species of teal (blue-winged, cinnamon, and green-winged); 20-point ducks-all other species of ducks not listed above which includes the popular green-head mallard, widgeon and ring-necked ducks.

The daily bag limit for geese in West Texas is five per day not to include more than one Ross' goose nor more than two Canada or white-fronted geese combined.

The daily bag limit for sandhill cranes is three with a possession limit of six.

A free permit is required for hunting sandhill cranes which can be obtained from John Roberson, Texas Parks and Wildlife Department, 4200 Smith School Road, Austin, Texas 78744. Please give name, address and county of residence for each permit requested.

A federal migratory waterfowl stamp must be purchased at the U.S. post offices prior to hunting ducks and geese. This federal stamp is not required to hunt sandhill cranes.

One full-feathered wing must remain attached to these dressed migratory game birds while being transported between the place taken and the personal abode of the possessor. Any freshly killed migratory game bird given to another person must have a tag attached signed by the hunter who took the birds stating his name, address, total number of birds of each species and the date birds were taken.

Shooting hours for ducks, geese and sandhill cranes is one-half hour before sunrise to sunset daily. Only shotguns plugged to a three-shot capacity are legal.

The new 1977-78 Migratory Game Birds hunting regulations are available at all license vendors and all P&WD offices across Texas. The regular Texas Hunting Guide does not contain information concerning waterfowl hunting for 1977-78.

Wanted man is captured

Garza sheriff officers and highway patrolmen Saturday afternoon aided in the arrest of an armed man a mile this side of Justiceburg on US-84 who was wanted in Clyde, Tex., on breaking and entering and simple assault charges.

Officers set up a road block at Green Tank after being advised by radio by Scurry County sheriff officers that they were in pursuit of the man up US-84 toward Post.

Mickey Williams of Brownfield burned out his car's engine just this side of Justiceburg and never reached the road block. He had his small two-year-old son with him and offered no resistance.

Brought before the Justice of the Peace Racy Robinson here, bond was set at \$3,500 for breaking and entering and \$200 on the assault charge. Clyde police officers picked up Williams that night and took him back to Clyde.

Cornish is heading the big business division himself and is being assisted by Giles McCrary, Bryan J. Williams, Gene Moore, James Mitchell, Larry Willard, and Glen Barley.

The Postex Plant handles its own campaign among its employees and local teachers make their United Fund contribution through a fund of their local teachers association.

"We want to be all done before Thanksgiving this year instead of scrambling to stay ahead of Santa Claus," Cornish said.

Target shooting ordered stopped

Any further target practice shooting at the rodeo grounds will be prosecuted for violating a city ordinance against the shooting of firearms within the city limits.

Sheriff Jim Pippin announced this week that the target shooting at the rodeo grounds must stop because it is within the city limits, and also because it is close enough to human habitations to be dangerous.

Rotarians told of child abuse

Mrs. Wanda Stewart, protection service worker for the Texas Department of Human Resources, spoke from the heart on child abuse before Post Rotarians at their weekly luncheon in the community center Tuesday noon.

The Tahoka woman who works with children and families in Garza and Lynn counties also showed a filmstrip on child abuse.

Some 35,920 cases of suspected child abuse and neglect were reported in Texas last year. While many cases could not be proved, 12,321 were confirmed. Of these 449 were cases of sexual abuse.

Eighty-three deaths were caused in Texas last year by child abuse.

Mrs. Stewart urged those knowing of any child abuse to contact law enforcement authorities or dial the child abuse "hot line" which is manned 24 hours a day. It is listed in the local phone book under Child Abuse, hot line, no charge to calling party.

Airport board to meet Friday

The Post-Garza County Airport Board will meet at 4 p. m. Friday in the city council chambers in city hall, Harold Lucas, chairman, announced today.

The board is expected to approve tentative plans for a new terminal building, and to discuss ways to correct violations of airport rules and regulations at the airport.
