

With The Men In Service:

Writes From England

Captain Harry Jacobson, M. C., of the 2nd Bombardment Wing, who is somewhere in England wrote the editor this week. "Visited many places in London and was impressed with their historic background. I almost saw Winston Churchill at 10 Downing Street . . . Saw Clyde Wright a short time ago."

Jacobson before entering the army practised medicine here.

Buy a War Bond Today!

Albert Howard Transferred To La Grande, Oregon

Albert Howard was transferred recently from Sheppard Field to La Grande, Oregon, where he will go to college 5 months then finish his basic training. He is training to be a pilot and he says it will take from 5 to 18 months to finish the work and to get his wings. He likes the country fine and says it is pretty cool there after being in such a hot place before he was transferred.

Southland Boys In Service

A week ago Friday, Jack Martin came home on a ten-day furlough. His brother, Cpl. Blanton Martin had wife arrived Thursday morning to visit their parents, the Sam Martins and A. F. Davises.

Last week Mrs. Carl Raina had as her guests, her brothers, Pfc. Milburn and Wilburn Cash, who are stationed at San Diego. They also visited the John Irwins and other friends here and relatives at Slaton.

Billy Parker wrote his father, E. F. Parker that he had worn out his shoes and wished for a ration stamp. He not only received the stamp, but the money to buy another pair of shoes.

Pvt. Charles Elmer Altman whose parents live at Pleasant Valley, married Miss Lucy Nell Westbrook of Shallowater, Aug. 17. They left Thursday morning for Del Rio where Pvt. Altman is a ground mechanic of the Air Corps. He had a 15-day leave with an added 10-day extension.

Pfc. Joe Childress has been transferred to Laredo, Texas, from Bryan. His wife plans to come home to her parents, the W. W. Childresses soon.

Stationed In Kentucky

Sgt. Roger Hurt who is an aviation student has been transferred to Transylvania College, Lexington College, Ky. He will study math, geography, English and history for approximately 4 months and will also receive 10 hours of flying. He is more than pleased with the college. He says it is an old one but very nice and that the blue grass of Kentucky is beautiful.

Roland Hurt, twin brother of Roger, has also joined the Aviation Cadets. He doesn't know as yet where he will be stationed. He is now at Goodfellow Field, Texas.

Robert Johnson Begins Aviation Cadet Training

Robert Johnson, husband of Faydell Edwards, has started a three-months training course at Seymour Johnson Field in Goldsboro, N. C. Pre-technical training for aviation cadet will form the basis for the work at the North Carolina field. Johnson has been in Denver for several months and was recently transferred to Bagg Station, Florida. After two weeks

Chief Petty Officer Woodrow Dent Visited Here Two Weeks

Chief Petty Officer Woodrow Dent of the U. S. Navy returned to duty last week after spending two weeks with his parents, Mr. and Mrs. Emmett Dent. The local sailor has seen plenty of service since the United States entered the war and was in the middle of the big show at Pearl Harbor when the Japs made their treacherous attack on the Islands.

"Woodie" as he is known to his friends here was a member of a crew who were under attack as they tried to conserve the fuel of many of the ships docked in the harbor. "The Lord was with me in that battle," he said in commenting on the bombing. For the last eleven months he has been assigned to a refueling ship in the South Pacific area and operated out of New Caledonia. He couldn't and didn't make any comments on the South Pacific area except to say, "We've been plenty busy." He is now on Mare Island where he will take a course in optical training, learning to repair and keep in condition the compasses and other instruments of the ships. He will be stationed at Mare Island for six months.

He said that New Caledonia is inhabited mostly by Frenchmen and natives. The natives remind one of the characters of a movie—war paint and all. As to living conditions on the island he was non-committal.

He has been a member of the Navy for 15 years.

While here he was visited by his sisters, Mrs. Carl Hughes and Mrs. Gordon Sanders and family.

Stationed In England

Lt. James W. (Pat) Henderson, son-in-law of Mr. and Mrs. C. P. Jones of Post, and husband of the former Eva Jones of Post, is stationed somewhere in England with the 23rd Repair Squadron. His home is in Fairmont, West Virginia and he is the son of Mrs. Olive V. Henderson. He was stationed at LAFS before getting his OCS training in Miami Beach, Florida. He has been in service for four and one-half years.

Visits Parents Here

Sgt. Alex Webb of the Army Air Base at Las Vegas, Nev., spent several days with his parents, Mr. and Mrs. Jake Webb here last week. His wife was also a guest here after visiting for several days with her mother in Wichita Falls. Alex is with the base operations office and has a very interesting and important job in the headquarters department where planes are checked in and out, flying hours of the pilots tabulated and communications work is involved. Alex and wife left Sunday for Las Vegas. Mrs. Webb is employed at the base.

Grady Crowley Visits Here

Grady Crowley, Warrant Officer, junior grade, of the Army Air Force, who is stationed at Tampa, Florida, visited from Saturday until Monday in the home of his parents, Mr. and Mrs. O. B. Crowley. Other guests were Mr. and Mrs. O. T. Stephenson and family and Mrs. T. L. Morgan and two children of Oklahoma City, and Mrs. W. M. Collins and four children of Eastland.

In Florida the Officer Candidate School was moved to Goldsboro, N. C.

Staff Sgt. Scottie H. Russell Writes From North Africa

Staff Sgt. Scottie H. Russell has written several letters to his parents, Mr. and Mrs. Bob Russell, telling them of the fall of Tunisia. In his letter of June 2 he writes: "From the 8th to the 11th of December I was near Algiers. We came on west across the Atlas mountains to Medjer El Bob and were stationed in and near there from December 22 until Feb. 13.

"Christmas day was certainly one I shall never be able to forget. If you recall from the papers and news broadcasts—there was a terrible battle just out of the city. Due to the cold and rain we were unable to take our objective and were pulled back. We reorganized and on December 31st were sent up to the front again to help defend the positions already taken and we stayed there for 43 days with patrol encounters every night and terrible shelling most all the day with dive bomber raids. Relief came to us on Feb. 13 and we were so glad to see it for they told us we would get a rest. The rest didn't amount to much because on the 13th we were moved to Sebasta where the Jerries were about to break through the Allied lines. Those boys were really hard to hold. They threw just about every kind of shell at us that one could possibly imagine. They couldn't make an advance because we were prepared to meet them. We stayed at this defense position until March 9th when relief came. After a few days rest we were sent to Sheba and about the 27th of March the big drive on Fondak began. We were unable to get through the pass and the British First Army pushed through. Once through the pass we were pulled back to an airport and set up there.

"I was among the first American troops in action after the invasion of Africa started and was in most of the time until the finish.

July 27th— "It was nice and cold this morning. At 10 o'clock a. m. its 117 degrees in the shade and from noon until 2 p. m. Africa is really a warm place to be. The snakes and insects worry you too. There is every kind of insect you could imagine and if you kill one—two takes its place.

"There is so much rain here through the fall and winter and is so terribly hot through the summer that the cracks in the earth are large enough for men to step in and break their legs.

"The grain here has already been harvested. You should see the way harvest goes on. Most of the grain is cut by hand and thrashed by pulling a board over it with a horse. What little machinery they do have is all American made. It surely must cost a lot by the time it is shipped over. "I was in Tunisia the other day looking for a few things to send home. I wanted to get Robert a bride, but they wanted \$40.00 for it. I just couldn't see that much leather in it. However, I'm sending a few coins, a German watch and some metals home. They all came from the battlefields."

Mrs. Bill Edwards is a guest in the home of Mr. and Mrs. B. J. Edwards while her husband is in Louisiana on maneuvers. Bill is Supply Sergeant of the 370th Service Battalion and is with the Field Artillery. Last week the writer and Miss Marjorie Edwards spent a few days in Charlotte, N. C.

Caffey Boys Visit Parents

Pfc. Harold Caffey accompanied by his wife, the former "Doo" Loyd, and baby arrived this week for several days visit with their parents Mr. and Mrs. W. C. Caffey, Sr., and Mr. and Mrs. T. A. Loyd. Pfc. Caffey is stationed at Camp Roberts, California, and is an instructor in the infantry unit of the camp. He has been in service since October 9, and is just now getting a furlough.

Another visitor in the Caffey home who is expected to arrive this week is Corporal W. C. Caffey, Jr. of Bryan, Texas. He will be accompanied by his wife, the former Marjorie Pettigrew, daughter of Mr. and Mrs. E. C. Pettigrew of Justinburg, W. C. received his promotion in July. He is serving in the post office of the Army Air Field at Bryan.

Mrs. Mary Cantrell of Bowie, Texas, has returned home after an extended visit with her daughter, Mrs. E. Z. Parr.

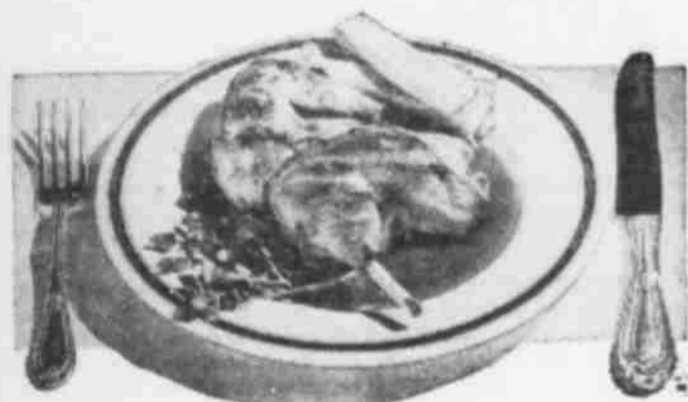

Lt. Steve Luce Visiting Here Several Days

A former Post man, Lt. Steve Luce, and his wife, the former Lena Manly, and little daughter are guests in the Manly home. Lt. Luce will leave this week for California. He is a member of the Naval Construction Battalion of the Seabee Division of the U. S. Navy and has been in training at Camp Perry, Virginia, and Camp Endicott, R. I., and Camp Holston at Gulf Port, Miss. Mrs. Luce and little daughter will remain here temporarily.

"Dad" Greenfield Completes Basic Training

Ira "Dad" Greenfield completed basic training at Fort Frances, Warren in Wyoming on July 27. An additional 8-week training period was started on August 1. Dad is assigned to the Quartermaster division of the army. He recently took part in the armyparade units during the famous Cheyenne rodeo.

FOOD DISTRIBUTION PROGRAM TO SERVICE LUBBOCK AREA
 Headquarters for the Food Distribution Administration in Lubbock, Texas area have been established in Lubbock, R. A. Metcalfe, Area Supervisor, said today in announcing duties of the new office which serves Lubbock county and 19 surrounding counties.
 The livestock slaughter licensing system, other food distribution orders controlling wartime use and distribution of vital food products, numerous farm price support programs, government as-

Some Fish Story . . .
 Pvt. Allen Julian who is here on furlough from San Luis Obispo, California, and Billy Cooper were fishing at South Lake last Friday afternoon and before the fishing party ended used Commando tactics on "the biggest fish I ever saw." Pvt. Julian said in describing the experience.
 The boys fished all afternoon catching only a few small ones and were giving up in disgust about six o'clock when they decided to call it a day. "We rowed the boat up near the shore and Billy jumped out running through the water. Just as he started running fish started jumping up all around him from under the moss. Just about the time we got our breath from the unexpectedness of such a thing, one big fish jumped in the boat. I went down on top of him and close beside me was Billy. We had only one thought in mind . . . to hold that fish at all costs and our technique was really challenged by that fish as he put up a fight for his life."
 Witnesses said the fish jumping all around the boat were a thick as frogs jumping in a pond and the sight of the jumping fish and the commando affair in the boat with the big fish was really an amazing sight.
 The story has a happy ending as the boys were winners in the fracas and came out with only a few scratches and a five pound bass. With beaming faces they declared it was the biggest fish they ever saw.
 Mrs. Joe Evans of Pecos was visiting relatives and friends here this week. Sayra Jo, attractive young daughter of the Evans' was a visitor here last week.

Southland News
Mrs. Marvin Truelock, Correspondent
 School opened last Monday morning with a complete faculty with the exception of an English teacher but Rev. O. E. McGaw had consented to substitute until the Superintendent could secure another. Then, after teaching one week, the Home Economics teacher, Miss Myrl Perdue, got married; the Grade school principal (and teacher of the 7th and 8th grades) secured a position in Roosevelt school, and his wife, Mrs. Freeman, who taught the 5th and 6th grades, went back to her former job at Sears in Lubbock. Their son was one of the bus drivers.
 The Church of Christ revival closed Sunday evening with the baptizing of three at Slaton church. The pastor, Brother S. D. Lofton gave a short talk Monday morning at the opening exercises at school, showing a large, original painting which he was to use in illustrating his sermon that night on "The Beast."
 Friday afternoon Rev. E. C. Armstrong was on the assembly program at school. Shortly afterwards this Methodist pastor left for Cooper where he will conduct a ten-day revival. He returned Sunday morning for services here. The Ed Kings were dinner guests of the Armstrongs that day.
 C. W. Dean had a cataract removed from his eye three weeks ago and is slowly regaining his sight. Later his other eye will undergo an operation. Last week, while Mr. Dean was very ill, his brother, S. A. Dean from Houston, spent several days with him. Also Judge and Mrs. W. S. Shipp of Belton came Tuesday to visit with the Deans until Thursday.
 The Baptist revival at Hackberry, which began a week ago Monday night, will continue all this week. Led by their pastor, Rev. M. O. Row, the church is studying Biblical prophecies. That community is fortunate in having a resident pastor. The Rows live across the road from Hubert Taylor, and their son attends school here at Southland.
 Mrs. H. R. Stotts had 41 pupils—beginners and second graders. Ten of the latter were transferred to Mrs. Duff's room, because she had so few pupils in the 3rd and 4th grades.
 Wednesday night Mrs. Roy Craft of Sweetwater, her two sons, and her mother came "back home" to spend several days. Mrs. Craft took her sons to their doctor at Lubbock for a pre-school day check-up.
 The Walter Voigts were Sunday dinner guests of the Herman Klesela. That afternoon the two couples visited Mr. and Mrs. Alfred Saunders at Tahoka.
 Monday morning, J. W. Stotts, formerly of Post, opened the local cafe. The manager is well-known here, having called this town his home for twenty-eight years.
 Mrs. W. W. Williams and son of McFarland, Calif., arrived Wednesday night to visit her parents, Mr. and Mrs. Ben Altman of Pleasant Valley.
 Miss Cleon Moore, accompanied by her mother's sister, Mrs. Suda Aven of Ridgeway, Texas, came home Friday morning.
 Mrs. Ed Byars of Dismack, S. D., is visiting her sister-in-law, Mrs. Joel Neubauser.
 Mrs. H. A. King received a telephone call at noon Saturday that her brother, L. S. Furrh of

CITATION BY PUBLICATION
THE STATE OF TEXAS
 TO: James C. Shirley
 GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 27th day of September, A. D., 1943, at or before 10 o'clock A. M., before the Honorable District Court of Garza County, at the Court House in Post, Texas.
 Said plaintiff's petition was filed on the 16th day of August, 1943. The file number of said suit being No. 752.
 The names of the parties in said suit are: Othine Shirley as Plaintiff, and James C. Shirley as Defendant.
 The nature of said suit being substantially as follows, to wit: **SUIT FOR DIVORCE.**
 Alleging that plaintiff is an actual Bona Fide inhabitant of the State of Texas for more than 12 months, and has resided in Garza County for six months prior to the exhibiting this petition, alleging as grounds for divorce, non-support and mental cruelty, and for care and custody of their minor son.
 Issued this the 16th day of August, 1943.
 Given under my hand and seal of said Court, at office in Post, Texas, this the 16th day of August A. D., 1943.
 (Seal) Ray N. Smith
 Clerk, District Court, Garza County, Texas.

FORMER POST TEACHER RECEIVES M. A. DEGREE FROM GREELEY, COLORADO
 Among the candidates for degrees at the summer session of Colorado State College of Education was Inez Parker of Wink, Texas, who has completed requirements for a master of arts degree with major studies in the field of fine arts.
 Men and women from twenty states were included among the 205 upon whom academic degrees were conferred by Dr. George Willard Fraiser, president of the college.
 Miss Parker is head of the Art Department of Wink High school and is well known in Post. She finished High school here and after finishing her college work was employed as a teacher in the Post schools for a number of years. She is the daughter of Mrs. Eva Parker.

Gene and Billie Caldwell spent a few days in Huidosa, New Mexico, week before last.

WORKING for VICTORY
 ON THE **SANTA FE**

Through these hectic days and busy nights, troop trains, regular trains with troop cars, and freights loaded with war materials keep rolling along the Santa Fe.
 Watch a section hand grab his pick a little lighter after a trainload of American fighting boys has rolled past. "We'll get 'em through" is his attitude these days.
 Yet—he is only one of more than 60,000 employees on the Santa Fe who are doing their bit to "keep 'em rolling" all along the line . . .
 moving millions of troops and millions of tons of materials needed for Victory, where and when they are needed.
 They know that if you stop the wheels that move them, you stop everything that floats and flies as well!
 And they never forget that thousands of boys in our armed forces came from Santa Fe towns and from the families of Santa Fe employees, and these boys who are fighting for all of us have the toughest job of all!
 You bet, we're backing them up in the best way we know—and that's by buying War Bonds, and seeing to it that movements essential to Victory come first on the Santa Fe!

SANTA FE SYSTEM LINES
 One of America's Railroads—All United for Victory

"Order Cool Now"

Stamford, was in a car wreck the night before. She called back that night to ascertain his condition and he was still unconscious.
 L. C. Weaver and family of San Diego, Calif., came Monday for a surprise visit with his parents, the W. M. Weavers.
 The Fuchs Grain company shipped five carloads of grain last week.
 J. E. Noack bought a home in Wilson last Tuesday. This Hackberry man was one of that community's earliest settlers.
 Gus Robinson had a prairie fire last Saturday. Harry King and Boone Evans, who are employed at Fuller gin, were among the fire fighters. The blaze was soon put out before much damage was done.
 Mrs. O. J. Harmonson was informed by long distance telephone Monday of the arrival of a new grandson. The parents, the John Harmonsons, live at Olney.
 The lunch room opened Monday with 135 children eating there. The personnel includes: Mesdames J. F. Moore, W. M. Weaver, and O. J. Harmonson. This is a lot of work for three women, but there is a labor shortage everywhere.
 The service flag was displayed in the Basinger Drug store Saturday for the first time since the addition of our first gold star—for Sgt. Major Joplin Carl Hord. Several have desired the stars removed of those boys who are back home again. This would hardly be fair concerning those with a medical discharge. This is your flag—please state what you want to do about it. The names of the sons of parents who live here less than a year will be removed immediately.
 W. T. Kelly of Lubbock is visiting in the home of his daughter, Mrs. Charlie Walden, and Mr. Walden, this week.

Mail IT Early . . .

MAILING REGULATIONS

1. Christmas parcels and cards for Army personnel overseas must be mailed between Sept. 15 and Oct. 15. Gifts and cards for the Navy, Marines and Coast Guard must be mailed by Nov. 1.
2. No written requests from the addressee will be required during the specified period for Army gifts. Packages should be endorsed with the words, "Christmas Parcel."
3. Parcels shall not exceed 5 pounds in weight, or 15 inches in length or 36 inches in length and girth combined. Intoxicants, inflammables, and perishables will not be accepted.
4. Addresses must be legible and complete. Packages must be securely boxed, wrapped, and tied. Only one package can be mailed in any one week to and from the same people.

PLEASURE LAST

Strictly non-essential travel on trains and buses must be eliminated and vacation travel must be rigidly limited. The Office of Defense Transportation directs the most urgent warning to everyone, and adds that it is impractical to apply a system of travel priorities, therefore, it is up to the individual. He can either assert his "privilege" to visit Aunt Hattie and possibly deprive a man of a trip home on furlough—after months of service—or forego the visit in favor of the service man.

"SPECIAL RATES"

Mr. & Mrs. H. F. Giles

Views of Neighboring Editors:

The Petersburg Journal— We have a couple of friends who are just like you and your husband about shows. She likes romances and he likes westerns. They were in Amarillo one night, so she and the daughter decided to see one show while he and son went to another. Well, the girls enjoyed their show and came to the car and waited and waited for the male members of the family. Finally they decided to investigate and they found them both asleep in the theatre. Can you imagine!

The Texas Spur— Opposing the acceptance of proffered government funds is practically unheard of. Yet that is exactly what the farmers of the county are doing in their battle against subsidies. Through their farm organizations, including their marketing co-operatives, they have made it clear that they fear subsidies for the reason that once an industry must depend upon that kind of support for existence, it is no longer free.

Above all else, farmers want to remain free.

Scurry County Times— Shopping early, Scurry Countians, for our boys overseas must be concluded within the next several days—if the boys are to get their gifts on time in the far-away outposts of civilization. We know it's hot, dry and dusty now, and that you have about all you can bear, but imagine how deeply our boys will be hurt if we do not get their gifts to them by Christmas!

September 15 has been named a deadline for sending gifts to boys overseas, and Uncle Sam feels you will not break faith with the boys—once you understand why soldier gifts must be mailed four months ahead for the joyful holiday season.

Lamesa Reporter— A poignant, true story, heard recently by this department! A Lamesa couple, living somewhere for the duration, lost a little daughter a number of years ago. Since the tragedy the mother, has each year, made an Easter dress for another child of the approximate age of her own daughter would have been. What a beautiful memorial, simple and genuine, the kind that lives.

The Branding Iron— It seems to us our Government spends a lot of time and our money setting up bureaus to operate, regulate and persuade, when one hard-boiled umpire is all that is needed in the present crisis. For example, in vital industries threatened with strikes, if our President would say to both labor and management, "I have a plan for operating this plant, which neither of you like but which will be put in operation unless you can agree on a plan of your own within twenty-four hours," we have a "sneaky feeling" both sides will come up smiling, be in perfect accord, and give him back a few hours. It may lose a few votes here, but will save some "sander" and having a definite, determined plan of action will gain a lot more "sander" and will eliminate all chance of our boys being caught between "The devil and the deep blue sea" without ammunition. Even if it should turn out to be poor politics, we still insist it would be "damn good statesmanship."

IT MUST ALWAYS BE SO

Reports drift back from the fighting fronts which indicate that some of the men in the service believe the government alone has been responsible for production achievements on the home front. Apparently they feel that the government has turned out the record-breaking number of tanks, guns and planes, and therefore it should take over industry, lock, stock and barrel after the war. Erroneous information of this character should be dispelled, even though it is held by only a small minority, for it is upon just such fallacies that the demagogue hinges his appeal.

Private industry is producing equipment with which to win the war. Private industry is producing nearly seven thousand planes a month. Private industry in this country has done in two years what the dictatorships took a decade to accomplish in the way of preparing for mechanized war. Private industry has built ships—millions of tons of them—faster than they were ever built before.

Government regulates the flow of strategic materials and takes over the finished goods. In between these acts of government, the great bulk of the war effort is being carried on by civilians. The natural resource industries, oil, mining, timber, and electric power, are the starting point in a vast assembly line that terminates on the battlefield. Private enterprise and private citizens keep the line moving. That is the fundamental difference between this country and dictatorships. On the other side of no-man's-land the initiative comes from government. Here the initiative comes from the individual. It must always be so in a free country.

Guests in the home of Mr. and Mrs. Andy King recently were their daughter, Mrs. Harvey Tol-... and sons, J. H. and Jimmy... Don of Roscoe. Sunday dinner... guests were another daughter and... family of Verbena, Mr. and Mrs. L. W. Morton and three children.

Becker, Joel Neugebauer, Walter Voigt, Waller Maeker, Marcus Wilke.

Others attending from South-... land were: Rev. E. Herber, Mes-... dames G. W. Gindorf, Sr., Wallace... Becker, and Messrs. and Mrs. O. Klaus and August Becker.

WELCOME SCHOOL KIDS and TEACHERS

WILF and JENNIE

Invite The School Kids and TEACHERS to stop in for a Quick, Delicious Lunch

Next Time you're down-town, stop in here for lunch. You'll like the prompt, efficient service, the delicious food, the low prices. We have a sandwich special every-... day. You'll like it.

AMERICAN CAFE

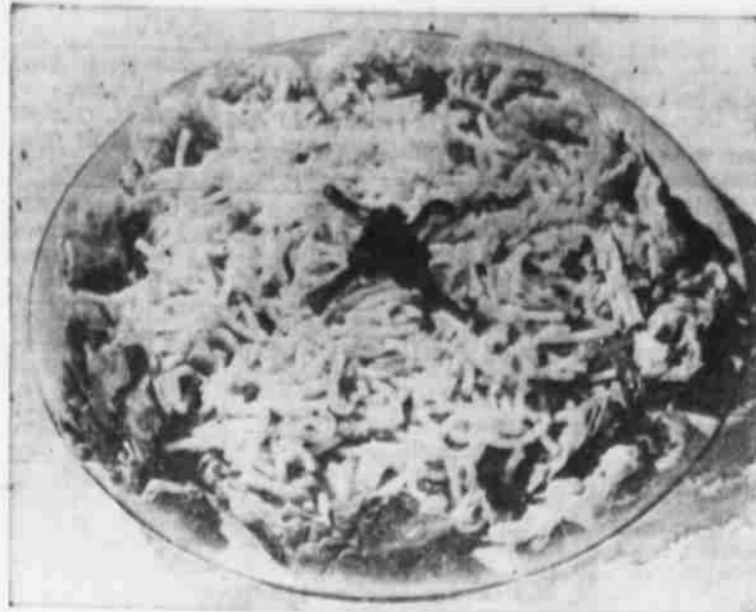

Always in Action

Like a commando on attack, your Electric servant works in the dead of night — as well as the light of day — grim in determination to produce without interruption thousands of kilowatt hours that must be ready to go on split-second notice to help make materials for your sons and brothers on the battle front.

From Power Plant to consumer, the process of generating and distributing electricity is made possible by many types of workers. There are firemen, turbine operators, electrical engineers, substation operators, linemen, trouble shooters, and others—workers of many skills—all doing their part to "pass the ammunition" to vital key war industries, business and homes 24 hours of every day.

TASTY SUMMER SPECIAL

On hot summer days vegetables make a tasty basic salad for busy housewives when combined with macaroni, tenderoni, or spaghetti. No ration points are needed; it's very simple to prepare, and you have a substantial, delicious and flavorful meal in one dish.

Tenderoni Salad

- 2 cups cooked and cooled tenderoni
- 1/2 cup cooked and diced carrots
- 3 tablespoons finely chopped celery
- 3/4 cup mayonnaise or cooked salad dressing
- 2 tablespoons finely chopped green pepper
- 1 tablespoon grated onion
- 1/2 teaspoon salt
- pepper to taste

Mix all ingredients. Chill. Serve on lettuce. Makes 4 to 6 servings.

First Meeting Of Junior Culture Club Sept. 14th

The first meeting of the Junior Culture club will be held with Mrs. Jack Martin, Sept. 14, between 7:30 and 8:30 p. m., with Miss Margaret Stone as leader. "Peace and Post War Plans" is to be the theme of study for 1943-44. Mrs. Ashley Lawson will discuss, under clothing, the "Styles," while Mrs. Surman Clark will review "Materials."

The officers for the coming year are: Mrs. W. C. Lave, president; Mrs. Ashley Lawson, Vice-President; Miss Barbara Jo Cox, Secretary; Miss Kitty Faries, Treasurer; Miss Margaret Stone, Reporter; Miss Maxine Durrett, Parliamentarian; and Mrs. Jack Martin, Librarian.

TENT REVIVAL TO BEGIN FRIDAY NIGHT, SEPT. 3

A tent revival just west of the postoffice will begin Friday night, September 3, for the Assembly of God. Services will begin at 8:45 o'clock p. m. Rev. Robert Owens will be the evangelist. Everyone is given a cordial invitation to attend.

NEEDLECRAFT CLUB

Mrs. F. A. Gilley will entertain the Needlecraft club on Friday, Sept. 3, at 3:30 p. m.

Hazel Louise Cash spent the week end in Plainview with Miss Mary Evelyn Nease. Miss Nease returned here for a short visit, before school starts.

Mrs. Shultz Is Hostess To Club Last Tuesday

On Tuesday, August 24th nineteen members of the Merry Makers club met with Mrs. Guy Shultz with Mrs. June Kiker as co-hostess. There were six visitors, Mesdames Evelyn Jones, Edith Clara, Lola Hughes, Josephine Hodges, and Mrs. Connor and Clute Cook. The afternoon was spent in visiting and fancy work. It was gift day. Many useful and beautiful gifts were exchanged. Some of the ladies heard from their club pals. Delicious refreshments of angel food, devils food cake and punch were served.

The next meeting will be with L. R. Mason with Mrs. Geo. Leggett as co-hostess. Due to five Tuesdays in this month, it will be three weeks until the next meeting on Sept. 14. —Reporter

DANIEL-SPAIN VOWS SAID

Announcement is being made of the marriage of Mrs. Olga Daniel, 1222 Fillmore Street, Amarillo, to R. T. Spain, express clerk with the Santa Fe Railroad. The vows were said at 5 o'clock the afternoon of Aug. 19 in Clovis, N. M.

Mrs. Spain, who taught school last year in Hereford, formerly lived at Post and Lubbock. She is the daughter of Mr. and Mrs. L. N. Periman of Snyder.

The couple is at home on Sky-line Drive, in Pleasant Valley, Amarillo. This week end they will leave on a week's trip to northern New Mexico and Southern Colorado.

ABOUT THAT GARDEN

... the Scotchman

Points On Planting Fall Potatoes

For fall planting of white potatoes or Irish potatoes... home gardeners may select seed from those harvested in the spring. The smaller potatoes... those about the size of a 25 or 50 cent piece may be planted whole. Larger sizes should be cut into pieces half the size of a hen's egg just before planting.

Growers sometimes have difficulty getting fall potatoes to come up. Potatoes must have six weeks rest between harvesting and planting time. They can be placed in cold storage at a temperature of 40 degrees for 30 days before planting and sprouting will be hastened. Even shorter periods of cold storage will help. Small quantities of potatoes may be spread out in a cool, shady place and covered with straw, deep sand, sawdust, or old sacks. Keep them moist for five to seven days until sprouting begins. Then plant immediately.

In preparing the soil be sure to clean off all weeds and grass. Weeds turned under at this time of year will heat and cause the soil to dry out. Trampled barnyard manure will not burn plants. If a supply is available, spread a coating over the soil and plow it under five to six inches deep. Summer manure adds plant food and increases the water holding capacity of the soil.

Five hundred pounds of seed potatoes will plant an acre, and five to six pounds will plant one hundred feet of row. But don't plant in dry soil. If necessary, irrigate a day or two before planting. In planting, open furrows four to five inches deep and drop the seed fourteen inches apart. Cover as soon as possible after dropping, and when they come up, work them every seven to ten days.

Meat Ration Recipes Are Prepared For Garza County Women

One step toward sharing-the-meat is getting acquainted with some of the unrestricted meats, the variety meats such as liver, kidneys and brains. These are almost universally obtainable, Miss Phipps says.

Here are some suggestions for preparing several of the variety meats.

Baked Stuffed Heart

Serves 6-8

- 1 beef heart
- 3 slices bacon
- 1 c fine bread crumbs
- 1 small onion, finely minced salt
- pepper
- flour for dredging
- fat for browning

Wash hearts and remove any hard parts. Dice bacon and fry until crisp. Combine with bread crumbs. Season with finely minced onion. Fill cavity in heart with stuffing and sew edges together. Roll in flour and brown quickly in hot fat. Place in a covered casserole. Add a small part of water to pan in which hearts were browned. Heat and pour over meat. Cover and bake slowly at 350 degrees F until hearts are done, about 2 hours. Thicken the liquid for gravy.

Tongue With Tomato Sauce

(18 Servings)

- 1 beef tongue (meat)
- 1 c. tomatoes
- 1 T. onion (minced)
- 1-2 c. vinegar
- 1 t. butter
- 1 t. sugar
- 1 T. salt
- 1-15 t. red pepper
- 1-5 t. black pepper
- 1 t. cinnamon

Place sliced or cubed tongue in a casserole. Make a sauce from the above ingredients. Cover tongue with sauce. Bake in a slow oven or simmer on top of stove for about 1 hour.

Braised Liver and Onions

(Serves 4 or 5)

- 1 lb. liver, sliced
- 1-2 c. chopped onion
- Pepper
- 4 slices bacon
- Salt
- Flour

Fry bacon. Remove from fat. Cook onion in bacon fat until tender. Remove from skillet. Salt and pepper liver. Flour. Brown in bacon fat. Add bacon and onions and 1-4 c hot water. Cover and simmer until tender, about 45 minutes.

Spice Adds Variety To Your Meals

Change the appeal of your French dressing by adding 1-4 tsp. of curry powder and the sieved yolk and chopped white of a hard-boiled egg... Here's a good seafood cocktail sauce—a blend of 1-3 cup chili sauce, 2-3 cup ketchup, 4 tsp. prepared yellow mustard and a dash of cayenne... Making your own chili sauce from Victory garden tomatoes? To your own favorite ingredients add the Mexican herb oregano to give it a Latin complexion. Too bland a sauce is given authority by the addition of cayenne—definitely to taste.

Spaghetti helps hold down ration troubles. Use a sprinkling of ground cloves and a good pinch of garlic salt in the sauce... Don't overlook the marvelous possibilities of hot blueberry muffins neatly enhanced with a dash of ground anise or allspice as a luncheon or dinner hot bread—and they shouldn't be too sweet... Fresh peach pie is even finer with the flavor of mace or nutmeg. And if you sprinkle fresh, sliced peaches with nutmeg you'll be an addict of this smooth combination...

Nothing but hamburger again in the market? You can fix it up, Holland style. First fry finely shaved onion in butter or substitute until golden with 1-2 tsp. of curry powder (to 1 lb. of hamburger), then combine with hamburger and 1-2 cup of bread crumbs which have been soaked in milk. Form into loose cakes and brown.

Mr. and Mrs. J. P. Manly had as their guests last week their children, Mrs. Steve Luce and Lt. Luce, and daughter Katherine, of Gulf Port, Miss. Pfc. Price Manly of Galine, Kansas, Mr. and Mrs. Edwin Manly and son of Odessa, and Mr. and Mrs. Buddie Stewart. Both Price and Steve left Sunday night for their respective camps.

Returns To Camp

Cpl. Virgil Priddy of Fredericksburg, Va., has returned to camp after spending a ten-day furlough here with his wife, Mrs. Naomi Priddy and family. He is attached to the Medical Detachment of the U. S. Army and has been in service about thirteen months.

Mr. and Mrs. Horn and son Jackie Bill of Santa Monica, Calif., are visiting her parents, Mr. and Mrs. J. F. Brandon of Close City. Also visiting them are Mr. and Mrs. W. K. Horn of Anson, Texas.

New Auto Repair Shop Opened

J. C. Carter announced the opening of a repair shop last Saturday. Tractors, trucks and cars will be repaired. The shop is located in the Gulf Garage building. Carter has been serving the public at Greenfield's Hardware in the repair shop for more than a year.

Miss Allene Stevens, formerly of Post and now living in Lubbock was a visitor here last week. She has an interesting job of the Army Air Base.

SCHOOLS TO OPEN—

(Continued From Front Page) late department. On Monday bus schedules will follow the same routes as last year. Bearden announced. Adjustments will probably be made to fill the needs as they arise. All school buses have just recently been re-conditioned and are in A-1 condition. Announcement concerning the opening of the lunch room will also be made at an early date.

All teachers have been notified of a faculty meeting on Saturday morning, September 4, at 10:00 o'clock. Several teachers are here already and others have sent word that they will arrive here Friday or Saturday.

Buildings are in order and many repairs have been completed. Bearden asserted. James F. F. Keeton of the High school and C. D. Drake of the Grade school have refinished the walls of all class rooms and halls of both buildings, replacing windows, varnishing floors and renovating other portions of buildings.

A large supply of new text books are being unpacked and marked this week by the Superintendent and two principals and several assistants. Among the new books to be used for the first time in schools over Texas this year are Literature books throughout the High school classes, histories in both the Grade and High school, new readers in the grade school and a number of new bookkeeping books.

Enrollment this year is expected to equal and perhaps exceed that of last year. Bearden said. "Everything so far points toward a smooth beginning and less changing in the personnel of the faculty." Bearden is beginning his sixth year in the school system. Smith his second and Miss Haggard her third and her first as principal.

County Faculty Roster Announced

An incomplete faculty personnel for the county schools and the schools they will serve are as follows:

Miss Ruth Richardson, Mrs. Leslie Hughes, Close City; Mrs. Albert McBride, Mrs. Bob Lusk, Graham; Miss Ruth Billingsley, Grassburg; Miss Elizabeth Fisher, Cross Roads; Mrs. V. A. Labben, Justiceburg; Mrs. Virginia Elliott Williams, Verbenia; Mrs. Edward Arnold, Mrs. G. E. Fleming, Mrs. Winnie M. Willett, Garnolia.

The communities of Hartford, Pleasant Valley, Mason and Leforest are absorbed by nearby districts.

Cotton Dean Now In San Antonio

Friends of "Cotton" Dean will be happy to know that he is beginning pre-flight training at Randolph Field in San Antonio. Cotton took his preliminary training when first entering the service at Kerns, Kansas. From there he went to Manhattan, Kansas, and is now to be a member of the class at Randolph Field. His wife visited here a short time Saturday en route to San Antonio from Richmond, California. She has been connected with the Kaiser Shipyards but was given a release to join her husband.

"Action in the North Atlantic" Coming To Garza Sun.-Mon.

When "Action in the North Atlantic" opens Saturday night 11:30, Sunday and Monday at the Garza theatre, it will bring to screen audiences the heroic story of the men of the United States Merchant Marine. They are the hardy, courageous, resolute men who make it possible to carry on a global war. They continue to "go down to the sea in ships" when every ocean highway is a road of danger from Axis raiders in the air, on the surface and under-sea.

According to the Office of War Information, the Merchant Marine, in the first year of the war, lost 3.8 percent of its total man-power in dead and missing alone—four times the loss-ratio of the Army, Navy, Marines and Coast Guard combined! This, in the year of surprise attacks on Pearl Harbor and the Philippines!

Starring Humphrey Bogart, Raymond Massey and Alan Hale, "Action in the North Atlantic" has a powerful cast befitting its hard-hitting theme. Cast as seamen are Sam Levene, Art Foster, Kane Richmond, J. M. Kerrigan, Peter Whitney and Dane Clark. Julie Bishop, attractive blonde actress, who was recently elevated to stardom, is cast as the girl Bogart marries and leaves behind when he ships out on a convoy bound for Murmansk. Others in the cast are Ruth Gordon, Miriam Watson, Chic Chandler, Michael Ames, Iris Adrian, Dick Wessel and Frank Puglia.

CARD OF THANKS

The family of John B. Faulkner wish to express their deep appreciation of your kindness and sympathy in their recent sorrow.

Mrs. John B. Faulkner
Mrs. Calvin Middleton

Buster Lusk left last week for Austin where he will enter the University of Texas this fall. Buster is one of Post High's honor students and won the Rotary Scholarship award last year. He is the son of Mr. and Mrs. R. M. Lusk. He is employed in a drug store in Austin and will enroll next week in the Electrical Engineering department.

Mrs. D. K. Allison of Palestine was a visitor here last week. Her sister, Mrs. Elliott, who has been visiting in California, returned with her and plans to remain here, it is understood.

BONDS OVER AMERICA

"Eternal vigilance is the price of Liberty."
Thomas Jefferson, author of these words, left a monument to freedom, the University of Virginia at Charlottesville.

In Europe one of the oldest seats of learning is the University of Prague in Bohemia. It was seized by the Nazis and now only Nazi theories of a super-race are taught.
