Pioneer Citizen Succumbs After Long Illness

Leonard Barrow, one of this county's true pioneers died at his home last Wednesday, May 19, after a prolonged illness. Mr. Barrow had lived in this county forty years and was one of the first cattlemen to establish a home here. He had been afflicted with each phase of aggressiveness and growth and a wise council was sought on any affairs.

He had been in ill health for some time and spent several weeks in the hospital at Lubbock about three months ago. He died at his home after a severe illness of two weeks duration. All his family were with him at the time of his death.

He was born on February 9, 1871 at Seguin, Texas, and came to West Texas in 1890. He worked on the Spur ranch until he bought his own ranch in Garza county forty years ago. In 1904 he was married to Miss Nettie Wilkes and to this union was born five children, two of whom preceded him in death—one boy, Joe and a daughter Gladys. Other survivors besides Mrs. Barrow are three daughters: Mrs. J. M. Lane of Silene, Texas, Mrs. H. B. Taylor, Jr., of Pampa, Texas, and Mrs. Eazel Perter of Post who is making her home here while her husband is in the army.

One grandchild, Lou Ann Taylor; one brother, Louie Barrow of Phillips, Texas; two sisters, Mrs. Lucy Hicks of Utopia, Texas, and Mrs. Rob Stiles of Amarillo, Texas, also survive.

Rev. R. C. Tension officiated at the funeral service held at the first Baptist church last Thursday afternoon. Rev. Noel Guice of Crosbyton assisted in the service. Special music was presented by Miss Millie Rae of Lubbock with Miss Mae Weakley accompanist in an appropriate poem was read by Mrs. Will Cravy who also was the emcee.

Flower girls were: Zelma Stephens, Betty Williams, Mrs. Homer McCrary, Emmogene Stiles, Mary Margaret Duckworth, Lou Ella Gilmore, Theda Jo Gilmore, Mrs. Ansell Wilks, Jr.

Interment was made in Terrace cemetery.

Close City School Graduated 13 In Final Exercise

Commencement exercises for thirteen members of the 1943 graduating class of the Close City school were held Friday night at 8:00 o'clock with Miss Ruth Richardson, principal of the school in charge.

Valedictorian for the class was Miss Helen Marie Williams, daughter of Mr. and Mrs. Tom Williams. Her grade average for the year was 98, an unusually high grade for the year's work. The honor student has been a student in the Close City school since she was in the second grade. She took active part in all class and school activities and is one of the most democratic pupils in the school, as well as one of the most willing workers. Her favorite subject was Arithmetic.

Miss Hazel Nelson, daughter of Mr. Palmer Nelson, was second high pupil with a grade of 95. She was an A plus student in conduct, was always quiet and reserved but was one of the most dependable students in school. Her favorite subject was English.

High point boy of the class was E. B. Teaff, son of Mr. and Mrs. Will Teaff. His grade was 85.

Eight Golden Rules For Food Rationing

Do you remember some months ago speakers were saying, "We are only in this war ankle deep?" Now all of us who have to plan meals for our families and keep track of ration points when we shop, know that we are in it at least as far as our stomachs. And seriously, those of us with sons and relatives in the service realize that we're in it much deeper than that. That's why we want to play our part well, here on the home front. That's why we have accepted the rationing of many basic food stuffs with wholehearted determination to make rationing work. That's why we have cheerfully taken on the added responsibility of wartime meal planning under the restrictions imposed by rationing. We know that almost everything we do, or fail to do, has a bearing on victory. By working together we can hasten the day that brings our boys home. If we fail to cooperate, we will but prolong the war.

Here in the "Golden Rules for Food Rationing" is an outline of eight simple things that we can do to help make rationing work. Rationing is simply another way of sharing.

1. Share your food with our fighting men.
2. Shop early in the week at hours when the stores are least busy, and no oftener than you need to.
3. Make up a shopping list and add up the points before you shop.
4. Plan your family's diet carefully—see that everyone gets enough nourishment. Make up menus for the week.
5. Include fresh fruits and vegetables, cereals, fresh fish, poultry and other unrationed foods where you can.
6. Plant a Victory Garden. Do all the home canning possible.
7. Don't blame your grocer or butcher for wartime inconveniences.
8. Take care of your ration books. Keep a record of the serial numbers and notify your Ration Board at once if a book is lost.

Charlie Bird Assists 4-H Club Boys In Program

Charley Bird of the Verbena community, Victory Demonstrator and Garza County community Victory leader, has set an example of conservation of effort. With the help of neighbors and a few 4-H Club boys, reports County Agricultural Agent W. M. Kimbrough, 250 head of cattle were rounded up and those requiring dehorning, branding, vaccinating, treatment for grubs or other services "got what they needed in a short while." Bird said he hoped to prevent losses and produce all of the beef he can.

Honor Students For Lower Classes Announced Thur.

Honor students among lower classes were announced last Thursday by officials of Post High school. The Junior class had the largest percentage of top-ranking students with the Sophomore class second.

Top ranking students in the Junior class were: Jeff Justice, 97; Gene Stephens, 96.5; Betty Jane Travis, 96.2; Mary Evelyn Nense, 96.2; and Mary Margaret Graham, 96.2.

High ranking students in the Sophomore class were: Norma Joy Hudman, 95.2; Wanda Thomas, 92.5; and Jo Nell Dean, 91.9.

Top ranking students in the Freshman class were: Leona Hulsey, 93.5 and Harriett Dietrich, 90.

"Shut-Down" Notice Posted Monday By Postex Mills

Rumor ran this week about the Postex Cotton Mills, an industrial institution that has been the backbone of the town since its organization. Verification of the posted "shut-down" orders was made this morning when a Dispatch reporter interviewed the manager, Herbert Jones. The following statement was made Monday morning by Mr. Jones to mill employees and is a concise statement of the situation as it affects the Mills:

It is with regret we announce that caught between a Government fixed ceiling on our selling prices, and rising costs, losses have skyrocketed so rapidly that continued operation of the plant is not possible.

The situation has been further complicated by the loss of workers to highly paid Government financed War Industries.

The stock in process will be run out of the Mill, so the lay off of employees will be done gradually.

To those who have cooperated with the management, in trying to make this plant successful, the writer wishes to express his sincere gratitude, and

regrets that circumstances beyond our control prevented more satisfactory results.

Postex Cotton Mills
Herbert Jones,
Vice Pres.

The loss of the fine group of mill employees, many of whom own their homes and have made their homes here since the mill was organized, together with the approximately \$4,000.00 payroll each week will be a double blow to Post and the entire county.

To avoid this, every effort is being made by the Chamber of Commerce officials to hold the Mills open and work out some solution to the problems that are now being faced by mill owners and townspeople. B. J. Edwards, president of the Chamber of Commerce, has been in contact with various sources the past few days.

It is understood that Higginbotham-Bailey-Logan Company and Sears Roebuck Company are interested in the Mills. A representative of the Smaller Interests Incorporated will be in Post today and telegrams from Senator Tom Connally in regard to ceiling price revisions have been received.

Boy Scout Drive Conducted In Post Wednesday

A kick-off breakfast for the annual financial drive in the interest of Scouting was held Wednesday morning at Imogene's Dining Room. Plans for the drive were completed during the breakfast under the supervision of Boy Scout Executive Unger of Lubbock. J. E. Parker is chairman of local scout work and a committee was appointed by him to finish up the work on this phase of the year's program. The committee was made up of 16 men who spent the major part of the day contacting business houses and other interested persons.

The movement had a fine response and all who worked on the project are to be commended for the progress they made Wednesday.

Garnolia School Closed With Picnic Last Friday

Garnolia school closed a very successful term Friday, May 14, with a picnic. Large crowds with well-filled baskets attended.

On Wednesday night of the closing week, teachers who were: Mrs. H. M. Snowden, principal; Mrs. Lester D. Adams, intermediate and Mrs. W. M. Willett, primary, together with the pupils, entertained with an interesting and well prepared program. Lester Josey and Melba Rose McClellan received grade school diplomas.

Pianist for the program was Mrs. Harlan Dikes and music between acts was furnished by Raymond Gerner, guitar, Roger Turner, guitar, Fuzzy Vaughn, fiddle, and W. H. Norman, banjo.

Former Post Woman Now Enrolled In Women's Army

AFC Mary Catherine Smith of this city has completed the six week's course at the Army Administrative School, W.A.A.C. Branch No. 4, located on the Texas State College for Women campus, Denton, Texas. She was a member of the 2nd class of auxiliaries graduated May 3. She has reported to Tallahassee, Florida for duty.

She is the daughter of the late Mr. and Mrs. J. W. Harper of Post.

Her husband, Russel D. Smith, former employee of the Double U Company in Levelland and employee of the Postex Mills in Post, is in the army and stationed at Camp Perry, Williamsburg, Virginia.

Mrs. J. E. Parker was called to Big Spring Saturday on account of the illness of her mother, Mrs. Brock.

Beef Project Is Popular Field Of 4-H Club Work

Joe and Frank Stokes, sons of Mr. and Mrs. J. J. Stokes bought eight calves to be fed out as 4-H Club calves last summer. These calves weighed 3150 pounds and cost the boys \$393.75 plus interest on the money borrowed to buy the calves with. To date they have sold five of the calves, which weighed approximately 4001 pounds and the boys received \$560.00 for the five calves. By the time these boys sell the other three calves they will have produced between 3500 and 4000 pounds of beef, which will feed a number of soldiers. At the same time the boys will have made a nice profit for themselves.

Roderic Duff, son of Mr. and Mrs. I. J. Duff is feeding out three calves and has a sow with eleven pigs. He is producing pork as well as beef for the army.

Alvin Davis, son of Mr. and Mrs. Glenn Davis bought two calves, one a steer and the other a heifer. He is working to produce beef and at the same time trying to make his steer pay for both himself and the heifer, as he hopes to clear the heifer to keep for breeding stock.

Emory Stevens bought three steer calves and to date he has already sold one which brought him \$130.00.

David and Opal Rogers, son and daughter of Mr. and Mrs. Charley Rogers, are feeding out a calf each. This is the third year these 4-H Club members have fed out club calves. Last year Opal showed the 2nd place calf in the local 4-H club and FFA calf show at Post. In 1941 the Rogers children carried their calves to Plainview and from there they went on to the Kansas City market.

Clyde King, son of Mr. and Mrs. E. L. King is in business with his father raising registered milking shorthorns. Clyde says he likes the milking shorthorns because they are high milk producers and at the same time produce beef.

Weldon Rogers, son of Mr. and Mrs. John Rogers is feeding out a 4-H Club calf.

The above club members will all have one or more 4-H Club calves in the 4-H show Saturday. Other club boys planning on showing calves are Billy Glenn West and Billy Ross Sullivan. There are a number of other club boys with beef calves in the county who are not planning to show this year and others who have already sold their calves.

Other officers were: Mrs. Mary Lawson, secretary; Mrs. Bernice Shepherd, conductress; Mrs. Bernice Propst, assistant conductress; and Mrs. Charlotte Williams, treasurer.

Plans for the school of instruction for this area was announced by Mrs. Lydia Myrtle Everett, retiring Worthy Matron, at the meeting Tuesday night.

Installation of the new officers will be held on May 31.

USN Interviewing Officer To Be In Lubbock This Week

Lieutenant Parrot of the United States navy will be in Lubbock this week to interview men who are interested in the Seabee division. Garage mechanics, filling station operators, carpenters, engine operators and other skilled men are urged to make appointments with the officer as openings are now open for these men. Officer ratings will probably be offered to those persons who can qualify for them. Inquire at the Lubbock recruiting office if you are interested and Chief Harris of the Lubbock office who visits in Post every Monday about noon.

Calf Show To Be Staged Here Saturday By 4-H Club Boys

Groundwork for next year's AAA farm program will be laid at College Station on May 21-22 under the direction of Texas agricultural leaders, George Slaughter, chairman, state AAA committee, has announced.

Representatives at the conference, which is being sponsored by the state AAA committee, composed of 12 farmers representing the major types of agriculture throughout the state, will make suggestions as to how the farm program should be operated in Texas during 1944.

Plans for drafting the 1944 program got underway in Texas three weeks ago when county AAA committeemen and administrative officers in a series of district meetings voiced their opinions and studied questions covering all phases of the new program. Using the 1943 AAA program as a guide, they were asked whether the standards now used in approving practices are satisfactory or whether they should be changed during 1944.

The recommendations from these meetings will be the guide for drafting the 1944 program plans at the conference, Slaughter said.

Pre-Flight Course To Be Offered To Limited Number

A tuition free course in pre-flight aeronautics for high school teachers will be given at Hardin Simmons University for the Civil Aeronautics Administration during June, President W. R. White announced recently.

The course, starting June 1 and ending June 30, is open to all secondary school teachers handling work in pre-flight aeronautics or who intend to start such instruction not later than the 1943-44 school year.

The CAA of the United States Department of Commerce has contracted with Hardin-Simmons for payment of tuition for the teachers and for handling instruction. Courses will include an introduction to pre-flight aeronautics, general servicing and operation of aircraft, meteorology, navigation, civil air regulations and pre-flight aeronautics in secondary schools.

Laboratory work will include servicing and operation of aircraft structures, engines, instruments and parachutes; study of the relationship of weather to flying, air pressure, map reading, distribution of oxygen and other work. Class room study will be made of teaching pre-flight work in high schools, icing conditions, and complete knowledge of air regulations.

Under the contract, the CAA is permitting a limited number of teachers to enter the class in June. Applications should be directed to L. Q. Campbell, Dean, Hardin-Simmons University, Abilene, Texas.

Hardin-Simmons recently completed a contract with the Navy and CAA for teaching a large number of Naval air cadets in pre-flight, including a majority of studies to be in the course for teachers, receiving high praise for its work.

ATTENDING ROTARY CONVENTION IN ST. LOUIS

W. F. Presson and Clint Herring are in St. Louis where they are attending the International Rotary Convention in session there. After the convention Mr. Presson will go to Carbondale, Ill. where he will visit with his sister for a few days. Mr. Herring will visit the merchandising market in St. Louis. Enroute home he and Mrs. Herring and Mrs. Herring's sister will make a trip down through the Mississippi river states.

Mrs. R. H. Collier has as her guest this week her mother, Mrs. A. A. Thomas of Tahoka, Texas.

State Triple A Meeting To Be Held May 21-22

Groundwork for next year's AAA farm program will be laid at College Station on May 21-22 under the direction of Texas agricultural leaders, George Slaughter, chairman, state AAA committee, has announced.

Public Invited To Revival At Baptist Church

Townpeople are being invited to the revival meeting now in progress at the First Baptist church. The pastor, Rev. R. C. Tension, is anxious that all persons attend the meeting and he said, "I am especially anxious to see all church members there, I want to get acquainted."

Assisting in the meeting is D. Clyde Hamilton of Vernon. Mr. Hamilton is no stranger to Post people as he has assisted in meetings here before. Pianists for the meeting are Miss Mae Weakley and Miss Mary Margaret Duckworth.

Morning services are being held at 10:00 o'clock and evening services are being held at 8:45 p. m.

New Officers Named By OES Tuesday Night

Mrs. Mary Fumigalli was elected Worthy Matron of the Order of Eastern Star at a meeting held on Tuesday night. Truett Fry was elected Worthy Patron. Mrs. Dezie Power was elected Assistant Worthy Matron and J. I. Simmons was elected Assistant Worthy Patron.

Other officers were: Mrs. Mary Lawson, secretary; Mrs. Bernice Shepherd, conductress; Mrs. Bernice Propst, assistant conductress; and Mrs. Charlotte Williams, treasurer.

Plans for the school of instruction for this area was announced by Mrs. Lydia Myrtle Everett, retiring Worthy Matron, at the meeting Tuesday night.

Installation of the new officers will be held on May 31.

New Arrivals ...

Mr. and Mrs. Martin Reynolds of the Giles Connell ranch are announcing the arrival of a baby boy on May 14 in the Lubbock General hospital. The new baby was named Forrest Connell and weighed six pounds and a few ounces.

Show To Be Held On Lots Between City Hall And Hundley's Cleaners

Several 4-H club boys of Garza county will stage a calf show Saturday, May 22 at 3:00 o'clock on the lots between the City Hall and Hundley's Cleaners. The show will be a small one as most of the boys who were feeding out calves sold them earlier in the year when it was decided not to have a show here and when Lubbock called off their competitive show, but the interest in the show is not on a small scale. The Chamber of Commerce organization is behind the movement 100 per cent and is putting up very substantial prizes along with contributions from the Graham Coop Gin, the Lubbock Production Credit Association and numerous citizens of the county.

"Next year we are going to have a whale of a show and have already started plans to that effect," one of those interested in the show stated. "County Agent Wallace Kimbrough has done a marvelous job with 4-H Club work this year and we are behind him 100 per cent," another said.

The Chamber of Commerce is offering a \$50.00 war bond for grand champion prize on Saturday, a \$25.00 bond for runner-up and numerous other prizes. O. D. Cardwell is contributing 100 lbs. of Moorman Fattening Minerals. The Graham gin contributed \$50.00 and the Lubbock Production Credit Association sent in a check for \$5.00 to be used toward prizes. Keen competition is being shown among the boys who have calves to show and an enthusiastic response is being shown among cattlemen and farmers.

One hundred and thirty-eight boys and girls are enrolled in 4-H Club work in Garza county. Two new clubs, one in Grassburg and one in Cross Roads were organized within the last few weeks. These boys of Garza county are giving Uncle Sam their highest and best efforts in the program that is gaining momentum as the summer months approach. A million and a half boys and girls are taking pride in the 4-H Club record of production that will result in \$30,000,000 of food stuffs this year.

The purpose of the 4-H expansion program is to help rural youth develop soundly in line with democratic and Christian ideals as well as to increase production of essential agricultural products. The production slogan for the 1943 4-H movement is "I will try to feed and clothe a fighter and myself." The idea came from a club last year that resolved to produce sufficient beef for all men the county had given to the armed services. The club more than doubled their production goal. The Garza county boys are striving to raise their share in this program.

The 4-H Club movement is credited to Dr. Seaman A. Knapp. Work started in Texas in 1906-1907 and it was selected for the first demonstration because it was a plant that could be profitably produced in most sections of the United States.

This work brings parents and children increasingly together in (Continued On Back Page, Col. 4)

Southland Boys In Service

Sgt. Calvin Klaus and James R. King, who are both stationed near London, recently learned that Orla Browning is also in that part of England.

H. D. Hallman, Jr., who is employed in the Navy Disbursing Office at Jacksonville, Florida, is expected on the noon train Monday or Tuesday. This is his first visit home since the Christmas holidays.

Cadet Ralph Landers of Pine Bluff, Arkansas, arrived Wednesday morning to attend his grandfather's funeral. Ralph already has 55 hours in the air and lacks 10 more to complete this second lap of training. Recently he was surprised at his instructor's command to take the controls for a solo flight.

Robert Hart, who is now stationed at Ft. Bliss, Texas came back to Southland last Tuesday for a six-day visit. He was formerly employed by A. F. Davies.

Just four whole months had elapsed between the last two letters from Ding Martin. In his letter received last week he hoped to stay on Treasure Island, San Francisco until he could have some dental work done. Another seaman, Leon King is stationed at the same place and their mothers sent the boys the other one's address.

S-Sgt. Herman Irwin, accompanied by T-Sgt. Louis Cabron of Station "C", Dallas, visited his wife and his parents Thursday night. They were en route from Roswell, New Mexico, where they have been for 4 1/2 months, to Dallas.

Mrs. W. H. Gilliland has not heard from her son, Homer, who has been in North Africa, for the past two months.

Curtis Neal Visiting Mother

Curtis Neal, third class petty officer of the United States Navy, is in Post visiting his mother on an emergency furlough. He is stationed in Norfolk, Virginia, and before being stationed there spent several weeks at a specialist Navy school in Toledo, Ohio. Curtis, before volunteering into the Navy, was associated with the Levine stores in Wichita Falls. While in Post he was employed with the Herring Dry Goods Company and The Post Dispatch. He was accompanied to Post by his wife, the former Martha Bishop, daughter of Mrs. D. K. Allison.

Writes Grandparents

A letter was received recently from Douglas Gossett who is striving in a theatre of war. He wrote to his grandparents, Mr. and Mrs. J. N. Gossett. He is the son of Mr. and Mrs. Fred Gossett. The letter follows:

These few lines will let you know that I am still OK. I was at New Caledonia for a couple of weeks. I am on another island now but not allowed to tell you the name of it. There has been fighting here but very few of the enemy is left. I am assigned now to an Ordnance Unit. I am glad to get out of the infantry and I think I will like my new outfit fine. Especially after having traveled so much and changing of officers and non-coms so much. There are a few hazards which we keep an eye on but I think I am safe and I sure have intentions of coming back to the good old USA. I'll sure tell you it sure makes a fellow appreciate home.

Three of us boys who were at Camp Wolters, Texas are still together all the way through. I ran on to about 6 or 7 more from Wolters. I also ran onto Dee Carney at New Caledonia and he told me that Elton Lee and a York boy was there too.

I often wonder how you are but I haven't had a letter in about a month. I hope you are all well. Your grandson,
Douglas

Glendon Presson Writes Letter From England

The following letter was received recently by the W. R. Graebers from Glendon Presson who is stationed somewhere in England:

Dear Folks:
Thanks for the Easter card and letter. I've received quite a bit of mail from home lately. Aunt Nellie's candy came the other day and it was really good. A rather late birthday present but it was really appreciated! I'm glad to hear that my brother is now a "shavetail" and I hope he likes his new setup.

Our quartet sang "Christ Arose" at the Easter services in our chapel. We might sing for Mother's Day also.

We tease Vera about her name. We tell her the V stands for Victory, E for England, R for Russia, and A for America.

I see by the Post paper where you had a revival around Easter-time.

I'm getting along fine; I enjoy your letters so please write again. Guess you are all working hard at the store. This is all for now.

Love,
Glendon F. Presson
Glendon cabled his mother flowers for Mother's Day. The beautiful bouquet was made up of carnations, roses and gladioli.

Food and Bullets for VICTORY

On every battle front our farm boys are fighting on to Victory. And backing them up on the farms of America are millions of 4-H Club Boys.

In Garza County alone there are 139 4-H Club Soldiers. These boys are doubling their efforts to insure "FOOD FOR VICTORY"

Let us all give these 4-H Club Boys our support and good will in their projects. They are being trained for the citizens of tomorrow.

4-H CLUB CALF SHOW

SATURDAY, MAY 22 - 3 P. M.

Greenfield Hardware Co.

Gene Caffey who is a civilian inspector at the South Plains Army Training School will have to have a hand in a cast for at least six weeks, it was learned. He will be able to continue his work at the school however. He inspects the others.

Guests in the home of Mr. and Mrs. E. Z. Parr are Mrs. Parr's mother, Mrs. Mary Cantrell of Palestine, Texas, and Mrs. E. H. Cunningham, her sister, of Wichita Falls. They will visit here for two weeks.

Iron beams first were used in American building in 1854.

Mrs. Elmer Hill arrived last weekend from Los Angeles to spend several weeks with her aunts, Mrs. W. W. Hyde and Miss Nora Stevens. While she is in Texas she will also visit in Waco with other relatives. Mrs. Hill is employed with the Firestone Rubber Company. She will be remembered as Geno Foreman.

Mrs. W. L. Holt and three children of Petersburg visited her mother, Mrs. Ricker last weekend. Betsy Ross who had spent the week in Petersburg returned with the Holts. Mr. Ricker, who works in Lariette, Texas, was home for the weekend.

Candlelight Program Held By Southland Seniors Tuesday

Miss Ben Etta Mining was valedictorian of the class of '43, Billy White made the highest grades among the boys, and Virginia Lee Ward was salutatorian. Ben Etta was absent from the candle-lit graduation exercises last Tuesday evening. She will graduate this Friday at Springfield, Mo. Her instructor in telegraphy gave her choice of immediate employment in three cities and she chose Lubbock. Ben Etta made a grade there of 95.

Lee Roy Voigt and Billy White were home from the week end. Lee Roy was employed last week by the Dalby Truck Line in Lubbock.

Last Monday evening the Seniors attended a theatre party in Lubbock. Lee Roy Voigt, Clyde King, James Field, Billy White, Betty Sue Basinger, Viola Bruedigam, their sponsor, Miss Frances Caffey, and two class mothers, Mrs. H. C. White and Mrs. Walter Voigt saw "The Amazing Mrs. Holliday" at the Tower theatre, then they enjoyed a picnic lunch by campfirelight and car lights at the Mackenzie Park.

Scurry County Rodeo To Be Held On July 2, 3 and 4

Scurry County Rodeo, despite war-time conditions, will stage its Seventh Annual Rodeo on July 2, 3 and 4, officials of the Scurry County Rodeo Association voted last week.

Decision to stage a rodeo this season was reached by association officials after numerous requests were received, not only from Snyder folks but from others in the immediate territory, it was announced.

The 1943 boots and saddle round up, it was voted, will be carried along with a patriotic theme, and all prizes will be awarded in the form of U. S. War Bonds and Savings Stamps.

HAVE YOU JOINED THE CROP CORPS?

Have you signed up for the Crop Corps yet? The food problem is a tremendous job and one that is fought on the Home Front not only by the farmers but by a large percent of townspeople and a host of school children.

Greenfield Hardware Company, appealed to the school children of the county to join the Crop Corps in the advertisement displayed in The Post Dispatch last week. There is dire need of farm labor in many places in the county; farmers here are reaching food goals and are being called upon to expand the food production output, without help they will not be able to attain the goal.

Most of the food problems must be considered community, rather than national problems. . . why not ask today about joining forces with the boys on the battle front by helping raise enough food on the home front. . . Ask your county agent, your Triple A director or those in charge of the Soil Conservation office where farm help is needed most and begin today to help win the food battle.

PATRIOTISM TO WHOM?

This country has just witnessed the humiliation of our government by American coal miners and their leaders, in war time.

There is no use trying to overlook the facts—the men walked off the job in defiance of requests of the President of the United States; they refused to go back to work at his request, and only returned to work on orders from the head of their union.

This flagrant disregard of public welfare, and established agencies of government, was but one step removed from open revolution in war time.

And yet the head of the United Mine Workers, according to news reports of May 4, says to the men who struck: "Your record of patriotism can never be challenged."

ENCOURAGE FOOD PRODUCTION NOW

In talking to fifty congressmen, Fred H. Sexauer, president of the Dairymen's League, said that as meat, butter and cheese are rationed, the public turns to substitute foods, including milk. "The choice of substitute foods is narrowing daily. The danger that milk may be added to the ration list is real. A food crisis is upon us, yet the government is concerned in regard to paying the farmers a price sufficient to encourage them to produce to the utmost. Prices should be controlled, but not discourage production."

"At the end of this war American business will have its greatest opportunity to help put the better world for which we are now fighting on the healthy economic basis which will keep it better."—Paul G. Hoffman.

MEET YOUR NEIGHBORS

MILD, SUNNY EL SALVADOR IS THE TINIEST REPUBLIC IN THE AMERICA WITH AN AREA ABOUT THAT OF MARYLAND.

EL SALVADOR'S INCOME DEPENDS ALMOST ENTIRELY ON COFFEE WHICH FORMS 96 PER CENT OF ITS EXPORTS.

Gen. Maximiliano Hernandez Martinez, President

THE NATIONAL CAPITAL

THESE ARE THE FACTS: THERE IS NO UNEMPLOYMENT AMONG EL SALVADOR'S 1,700,000 PEOPLE ALTHOUGH THE NATION HAS THE SECOND HIGHEST POPULATION PER SQUARE MILE ON THE CONTINENT. EVERY INCH OF SOIL IS CULTIVATED. CEREALS, SUGAR CANE AND BALSAM WOOD ARE AMONG OTHER PRODUCTS. THE INTERIOR HAS A WARM, PLEASANT CLIMATE AND MILES OF FORESTS. EDUCATION IS FREE AND COMPULSORY. GOVERNMENT IS BY PRESIDENT AND CHAMBER OF DEPUTIES. SAN SALVADOR IS THE CAPITAL AND LARGEST OF FOUR PRINCIPAL CITIES.

THEORIES DON'T CHANGE FACTS

The farm situation is a number one domestic problem, for after all everyone has to eat. The draft rulings have at least officially recognized this fact. The question now is how much damage has been caused by delayed decisions, that cannot be corrected this season.

To get increased milk production, once the supply has been depleted, requires several years. Cows must be milked and fed regularly, and anything that interferes with that, as has been the case for some months past, depletes supply, or prevents an increase.

Farm wages have increased until they are prohibitive on most small farms where a major part of the milk comes from. All the theorizing in the world and planning from swivel chairs will not change these facts. Fortunately the small farmers working through their marketing cooperatives, are at last making themselves heard. Otherwise, this country would be in a bad way for its milk supply right now and in the future.

American bomber speeds have been stepped up from a maximum of about 170 miles an hour in 1928, to more than 300 m. p. h.

Views of Neighboring Editors:

Texas Spur— Many young boys are eager to become old enough to become soldiers. One observer notes that a soldier has to obey orders, which is not always required of some poorly governed kids in the home circles.

This is an idea for boys who want to be soldiers. Let them play that their family is a little military unit, in which the parents are the officers, and the boys the private soldiers. Let them see how things go better when the orders of these officers are strictly obeyed. The soldier has to obey even when he feels the order is wrong, and the company profits by his obedience. So in most cases there is better work and more harmony in the family life when the arguing is cut out, and the kids do what they are told without question.

Little Potatoes Important, Too—Have you ever thought about a hill of potatoes. How there are big ones, and little ones. How the big ones are held high in the public's esteem, and how the little ones furnished food and did their part in the world.

There are also big and little men in the world. Some men become great successes; they rise to great heights in fortunes, in office-holding, in banking, and in great factories. They are necessary to the world's advancement, but the millions of little potatoes and little men in the world contribute immeasurable in keeping these great men alive. There can be no great success without the work of the little men, for there are so many more millions of little men than there are of the big ones. The little man is important too, and has his rights, must not be oppressed by the big ones. It is a duty and a privilege to stand by those who are the workers of this country.

Those who go to factories, or to great stores of the country, earn their small wages and return to their humble homes and their families at nightfall, are the real backbone of the nation. Without them this country could not exist, and the great men could not rise to their heights without them. From little potatoes and little men, spring big potatoes and big men.—Exchange.

The Scurry County Times— "Despite the fact many West Texas communities have been left out of the federal pie insofar as war contracts are concerned, such places already occupy a cabin in the sky. If they only realized it," a government official declared while stopping here briefly Monday.

West Texas communities away from actual war work areas have no critical war workers housing problems, no steep increase in rents, no special problems to work out with juvenile delinquents and no community liabilities to cope with concerning girls who go astray, so the federal representative declared.

Probably you will not agree, even in part, with his attitude, but at least the official's ideas will give one food for thought. The government attitude suggested there could be many ways West Texas communities might help win the war, besides pinning away for contracts which cannot be awarded certain areas for exceptionally good reasons.

Brides Of Sunday Honored With Tea- Shower Saturday

A beautifully planned tea was given in the home of Mr. and Mrs. Lee Duckworth on Saturday for Miss Billie and Miss June Bowen who were married in a double wedding ceremony Sunday. Hostesses for the affair were Mrs. A. W. Bouchier, R. E. Cox, Morris Neff, Curtis Davies, Jake Webb, and Duckworth.

Handsome bouquets of seasonal flowers graced the tables in the Duckworth home and were used on the attractive table. Delicious refreshments were served from an attractive tea table which was gracefully arranged.

Many useful and beautiful gifts presented by the many friends of the honorees who called during the afternoon.

L. G. Thuett, Sr. Honored With Surprise Party

The home of Mr. and Mrs. L. G. Thuett, sr., was the scene of much merriment when a host of Mr. Thuett's friends gathered to surprise him on his birthday recently with an ice cream supper. After enjoying a great feast, Mr. Thuett was presented many useful gifts. A social hour was spent following the supper.

Those present were: Messrs. and Mrs. L. P. Baker and son, Alvin Young and sons, L. G. Thuett, jr., L. J. Richardson and Bill, Floy Richardson and Larry Don, Preston Mathis and W. A. G. C. Custer and Lois, Mike Custer and family Wade Terry and sons, E. L. Duneon, H. N. Crisp, W. T. Cook, Mrs. E. B. Mathis, Miss Lucille Meador, and Mr. H. R. Hightower.

Double Wedding Ceremony Performed for Misses Bowen In First Baptist Church Sun.

The traditional nuptial music and decorations which effectively combined woodwaria fern and pink carnations were used to provide a suitable setting for the recitation of wedding vows for two of Post's most popular young girls in a double wedding ceremony which took place Sunday evening at the First Baptist church in a public ceremony at six thirty o'clock. Miss Billie Bowen and Miss June Bowen, daughters of Mr. and Mrs. Lee Bowen became brides of Orland Cannon and John Sutton respectively.

Vows were exchanged in front of a trellis archway entwined with fern and accented with pink and white bows. Flanking the archway were tall white baskets holding large bouquets of pink carnations. Back of the archway was a branched candelabra holding twelve white candles. Around the altar rail fern was arranged and potted plants gave a colorful accent to the mass of greenery. In the center of the rail was an especially attractive cluster of mock orange blossoms.

Miss Mae Weakley presented a program of music preceding the ceremony and a group of musicians dressed in white choir robes sang Carrie Jacobs Bond's "I Love You Truly." Miss Opal Smith sang as a solo, "Because" by D'Hardelot. The pianist also gave the traditional processional and recessional wedding marches for the wedding party.

Rev. R. C. Tension read an impressive double ring ceremony.

The brides, who were given in marriage by their father, Judge J. Lee Bowen, wore similarly styled tailored frocks. Miss Billie wore a navy and white alpaca crepe two-piece jacket dress and a large picture hat of white eyelet pique. Miss June wore a navy and white tailored linen suit and her hat was a fetching rolled brim navy straw beret. Both carried beautiful bride's bouquets fashioned of white lilies and white carnations and tied with streamers of satin.

Miss Shirley Bowen and Miss Mattie Evelyn Stone were maids of honor. Miss Bowen wore a pink crepe tailored dress with large pink felt hat with blue silk band and blue gloves. Her shoulder corsage was of white carnations. Miss Stone wore a two piece tailored frock of white waffle weave pique. She wore a pill-box hat of light blue woven cloth with harmonizing gloves. Her shoulder corsage was of white and red carnations.

Carroll Bowen, brother of the brides, attended Mr. Cannon as best man and Neal Wooley attended Mr. Sutton as best man. Boutonnieres of white carnations were worn by all men in the wedding party.

Ushers were Mr. Poy Smith and Mr. Dean A. Robinson. Mr. Cannon, son of Mr. and Mrs. F. H. Cannon of Idalou, is a member of the United States Air Corps and is stationed in Del Rio, Texas. Mr. Sutton, son of Mr. and Mrs. E. W. Sutton of Post, is a member of the geophysical crew of the Scholsser Surveying Company.

Mr. and Mrs. Cannon left immediately following the wedding for Del Rio and Mr. and Mrs. Sutton left for a short trip. They returned to Post Monday where Mr. Sutton is awaiting orders from the company to move to a new location. Mrs. Cannon will return to Post sometime next week where she will continue her work at the local Rationing Board.

Reception At Bowen Home Follows Wedding

A reception for members of the wedding party and the out-of-town relatives and friends was held at the Bowen home following the ceremony.

Greeting guests were Mr. and Mrs. Bowen and the brides and grooms.

The refreshment table laid with a lace cloth was attractively arranged with a beautifully decorated three tiered wedding cake of pink and white forming the center decoration. Encircling the cake which was placed on a handsome hand-painted cake tray were pink sweetpeas and fern. An unusually attractive cluster of pink carnations formed a suitable background for the cake and pink candles in crystal holders added a colorful note to the table.

The brides followed the traditional custom of cutting the first slice of cake after which Miss Merlyne Cannon, of Brownfield,

Woman's Culture Club In Final Meeting Of Year

Mrs. John Cearley

The Woman's Culture club concluded a year of useful work and study Wednesday, May 12, with a lovely spring luncheon at Imogene's Dining Room.

Huge bows of larkspur in the club colors of purple and white decorated the long table.

Mrs. J. R. Durrett, club vice-president, graciously presided, and in her charming way introduced each number on the program.

The group singing of "America the Beautiful" opened the meeting after which the club collect was read with Mrs. Manly as leader. Mrs. Tension pronounced the invocation.

Talented as well as charming daughters of club members were featured on this program. "Starlight Sonata" was sung by Mary Evelyn Nease and Hazel Cash sang "As Time Goes By." Betty Williams was accompanist. She also presented a short story, "My Private World" by Alec Templeton, telling of his handicap of blindness and his determined effort to become a great musician.

The club has been privileged several times this year to hear these young musicians and we express now our love and appreciation to them for these appearances.

Mrs. Jones was presented a Victory corsage by Mrs. Durrett as a token of esteem and appreciation from the club.

Clever larkspur-sprigged cards marked places for the following guests and club members: Mrs. A. W. Bouchier, R. C. Tension, Ira Lee Duckworth, Jake Webb, Harvey Herd, Roy Mullins, A. B. Haws, Bryan Mathis, Miss Maxine Durrett, Mary Evelyn Nease, Betty Williams, Iris Joy Parker, and Hazel Cash; and Mrs. Edwards, E. W. Williams, Nease, Durrett, Manly, W. L. Davis, Kitchen, Jones, Parker, Young and Cearley, Power.

At the conclusion of the delicious three course meal the group went to the home of Mrs. Power for the highlight of the program, the presentation of the book review by Mrs. Jones. She was assisted in introducing the book by two club daughters.

Iris Joy Parker gave a sketch of the girl, Jennifer Jones, chosen to portray the role of Bernadette on the screen.

Maxine Durrett then gave some comments of critics and reviewers on the import and effect of the book.

In her introduction of "The Song of Bernadette" by Franz Werfel, Mrs. Jones said, "It is a book about Catholics, written by a Jew and reviewed by a Protestant. It is a story of religion, but above all, of a great abiding faith."

Franz Werfel was fleeing from Nazi Germany in 1940 and on his way to Lisbon he passed through Lourdes, France and heard the story of the peasant girl and her vision.

One day he made a vow that if his fearful journey was completed safely, he would put aside all other tasks and sing, as best he could, the song of Bernadette.

As the story unfolded Mrs. Jones showed pictures and mementoes brought to Mrs. Jake Webb by her mother, Mrs. Albright of near Wichita Falls, Texas. Mrs. Albright was born and reared in Pau, a small town close to Lourdes. She came to America when she was 19 year old and has made several trips back to France; the last one was made on the Normandie on its last voyage.

Mrs. Webb told of life in a small French village and she said her mother told her during her childhood of the shrine of Lourdes and the healings that have taken place there.

Mrs. Jones in all seriousness and dignity made her listeners feel the beauty of the story. It was truly an inspiring presentation of a haunting story, as evidenced by the comments of the audience.

presided. Dainty sandwiches and tea were served with the cake.

The entertaining rooms were decorated with attractive bouquets of pink carnations.

P-TA In Final Session of School Year Last Thursday

The P-TA met Thursday, May 13, in the last regular meeting for the year.

Mrs. A. C. Surman read the history of the Parent-Teachers Association for the two terms—September 1941 - May 1943, during the presidency of Mrs. B. J. Edwards.

The by-laws of the association were read by Miss Fannie Faye Porter.

The group read the association prayer led by Mrs. Edwards.

Room mother winners were Primary, Mrs. Lee Smith; Elementary, tie between Miss Cox and Miss Duff; High School, Sophomores.

The new officers were installed by Mrs. Surman.

The Executive Committee met after the meeting was adjourned and elected the following committee chairmen:

Parliamentarian, Miss Maxine Durrett; Historian, Mrs. A. C. Surman; Goals, Miss Bonnie McMahon; Literature and Publications, Mrs. E. W. Williams; Safety, Miss Ruth Haggard; Health, Mrs. D. C. Williams; Founder's Day, Mrs. Willard Kirkpatrick.

The Program Committee met Tuesday with Mrs. J. E. Parker to discuss plans for the next year.

Barbecue Given For S-Sgt. and Mrs. Edsel Cross Recently

The Verbena community honored Mr. and Mrs. Edsel Cross with a barbecue last Wednesday night at the home of Mr. and Mrs. "Doc" Kennedy. Staff Sergeant Cross is stationed in Boston and he and Mrs. Cross were here until Sunday on a furlough visiting with their parents.

The affair which honored the home town folks was thoroughly enjoyed by the entire community. Ollie Weakley and N. C. Outlaw and a number of others from Post also attended the party. Mr. Weakley and Mr. Outlaw made impromptu talks about the boys in service.

A delicious barbecue meal was served to about seventy-five persons.

The world contains approximately 200,000 known species of fish.

Lower Egg Prices

Fixed mark-ups which retailers will use to establish their maximum prices on sales of eggs to the housewife have been set by OPA. The mark-up is figured over the retailer's costs. This action will lower prices this spring somewhat under those established by the temporary freeze of October, 1942.

Miss Zelma Stephens, daughter of Mr. and Mrs. Wesley Stevens, is here awaiting her call into the Army Nurses Corps. She has been associated with an Amarillo hospital for several months.

Fresh and Lovely

Swirls of fresh cotton lace trim this lovely white net blouse worn by Columbia Pictures' Leslie Brooks. This type of blouse is perfect to wear with dressmaker suits. The tiny collar can be worn in or out of the jacket, and when the jacket is removed, the blouse and skirt make an attractive costume.

"Cabin In the Sky" At Garza Next Sunday - Monday

In M-G-M's fast moving prize-package of music, drama and laughter, "Cabin In the Sky," playing Saturday night 11:30, Sunday and Monday at the Garza Theatre, Ethel Waters battles valiantly for the soul of Eddie (Rochester) Anderson.

Based on the Broadway musical fantasy, the film deals with the struggle between the forces of good and evil for the soul of Little Joe, played by Eddie Anderson. Lucifer, Jr., is played by Rex Ingram, well-known stage star, who enlists the aid of the beautiful temptress Lena Horne to achieve his end. The forces of good represented by Kenneth Spencer, noted concert singer, align themselves with Petunia, Little Joe's faithful and loving wife, depicted by Ethel Waters.

In spectacular musical sequences she sings the charming songs, "Happiness Is Just a Thing Called Joe," "Cabin in the Sky" and "Taking a Chance on Love." Lena Horne, sensational songstress lately seen in "Panama Hat," is a tempting temptress. She sings the ballad, "Honey in the Honeycomb," and does a delightful comic duet with Rochester called "Consequences."

Bright musical moments are provided by the swing numbers of Duke Ellington and his band and the impressive harmonies of the Hall Johnson choir.

Canning Goal Set At 100 Quarts Per Person By OPA

Numerous farm women of this county are already planning to can all surplus foods raised in Victory Gardens this year and they are being joined by town women, many of whom have never canned before.

An estimate of 100 quarts per person has been set for the canning goal this year. Any housewife who meets this goal will assure each member of her family two cups of home canned food daily for about seven months. Texas' essential wartime home-canning goal for 1943 total 641,482,400 quarts, a leading food distributor estimated. Cooperative canning will probably be followed by a large group and the government urges this practice when home facilities are not available.

The need for housewives to meet the goal was emphasized when Price Administrator Prentiss M. Brown reported that only 13,000,000 cases of commercially-canned fruits and vegetables would be available to civilians each month this year as compared to 30,000,000 cases a month last year. This means a reduction of 57 per cent, but civilians will get along on it so our armed forces and allies can get the food they need to whip the Axis.

It is believed many American housewives will fill this gap by purchasing fresh fruits and vegetables for both immediate use and for home canning inasmuch as these perishable foods require no ration points. The War Production Board has promised adequate supplies of covers and rubber rings for home canning.

Up-to-the-minute information as to when the various fruits and vegetables are available in sufficient quantities to warrant canning will be announced, government agencies declare. It is a patriotic duty this year to can fruits and vegetables in peak production periods to avoid waste.

Mr. and Mrs. C. W. Dubb left Sunday after spending the week with their daughter, Mrs. Elmer Long, and Mr. Long. Their grandson, Pat Carlson, returned to Amarillo with them for the summer. Walter Gene Carlson and his mother, Mrs. Long, accompanied them to Lubbock where Walter Gene reported for service.
