## Supervisors for Their Duties Assigned Recently

For a meat marketing program to assure equitable distribution of available supplies were assigned to area meat marketing supervisors at a meeting in Dallas, Tuesday and Friday, by E. L. Cappelman, state representative of the Distribution Administration and meat marketing supervisor for the Texas USDA War Office.

Cappelman, Dallas, regional administrator and B. F. College Station, Chairman of the Texas War Board, told the meat marketing supervisors it would be their responsibility to work with and coordinate the activities of county war meat committees, they said.

Committees, they said, were established in all Texas counties to handle local committee and distribution problems. Review slaughter permits, items which cannot be solved by the committees locally with assistance of area supervisors referred to the State War Office where they will be worked out in cooperation with the FDA supervisors and the counties which they are responsible.

The purpose of the War Meat program, which was placed in operation several weeks ago, is to meet in legitimate channels the demand for meat and provide for the requirements. It also will stamp out black markets which have been taking heavy toll of current supplies.

## Withholding Tax Explained; Wage Cutter To Benefit

W. H. Scofield, Collector of Internal Revenue, First Texas District War Bond Administration, Texas, gives the following explanation relative to the withholding tax.

Have just put Uncle Sam's withholding tax under the microscope and find it isn't as frightening as we first thought. But the next tax which goes effect July 1 is rather painful. It is brought into proper perspective if you have more than a bite of it. In fact, our examination of the withholding brackets shows that a man with a wife and two children who earns \$40 a week is now paying out of his pocket only 80 cents a week. This is 50 cents per week less than he is now paying out of his pocket for the 5 per cent Victory tax—and his entire federal tax is all paid up.

The same family earns \$50 a week, the withholding tax will be 1.25 cents a week. There is no mathematical nightmare about this. Mr. Taxpayer realizes the withholding tax includes a 10 per cent deduction from his gross pay. In many cases, the income tax deduction from his gross pay will be less than it is now.

Examine the status of a man with two children earning \$25 a week. He will pay 25 cents a week as compared to 50 cents now going to Victory tax.

The same worker makes \$30 a week, his new deduction will be 45 cents against 90 cents now going out of his pocket.

He earns \$35 weekly, he will pay 75 cents where he is now paying \$1.50.

When the man of the house with two children reaches the week it starts to become a bit sticky. His tax will be increased 20 cents a week—from \$1.50 to \$1.70.

Increases come rather frequently from there on.

Some wage-earner earning a week will see his tax jump \$2.10 to \$4.80 a week.

If he goes up to a \$100-a-week salary the Victory tax is now \$4.10 per week but the withholding tax will be \$2.10 a week out of the pay envelope.

Mr. Taxpayer gets into the red upper wage brackets, the withholding tax does not cover the total tax. Taxes begin to pile up against him for the settlement.

From our analysis of the \$33 looks as if all wage-earners are to see the extent of the increase between a 2 percent and the new Victory tax.

## War Stamps To Be Sold Patrons Of Picture Show

More than 16,000 motion picture theatres across the nation will participate in a 31-day campaign to sell at least one dollar's worth of War Savings Stamps to every man, woman and child in the country.

This effort, in which the theatres will be allied with the retail stores and newsboys of the country, is expected to return \$130,000,000 to the Treasury Department, which will be earmarked for the construction of an aircraft carrier to be called the "Shangri-La."

The drive begins today and will continue for the entire month.

The theatres will shortly begin publicizing the campaign with ads, and displays in the theatres.

We are certain that this city's inhabitants will enthusiastically support the campaign. Everyone can afford at least a dollar in memory of those American fliers who were so ruthlessly murdered by the Japanese. A dollar isn't much, but multiply it by every nation and you have a big beautiful carrier sliding down the ways, that means certain grief for the axis.

The Garza Theatre will participate in this drive.

## Enjoy Recreation Facilities Of Two Draw Urges C. of C.

A patriotic "stay-at-home" celebration of the Fourth is being urged by the Chamber of Commerce. B. J. Edwards, president of the local group said, "We are suggesting that people take advantage of the swimming, boating and fishing facilities of Two Draw lake instead of driving elsewhere, so that tires and gasoline will be saved for more essential use. We have no planned program in observance of the day; we just hope that every one has a good time."

Recreation is especially necessary during these times and much benefit as well as pleasure can be derived from spending a day in the open.

Many of the business houses will remain closed Monday, July 5th, thus giving a double holiday.

## Post Citizens Attend Funeral Of Brother June 20

A. D. Stevens, a former resident of this county, died June 18, in Waco at the home of a son, Verner. On receiving word of his serious condition, a sister, Mrs. W. W. Hyde, and a brother, Bud Stevens, left immediately, arriving there Saturday morning. Another sister, Miss Nora Stevens, went from San Antonio, where she was on vacation.

Funeral services were held Sunday morning at 10:30 at Pearl, Texas, with interment beside his mother and two brothers.

Rev. Steuder, a friend of Mr. Stevens since their school days, spoke words of consolation to the family and a host of friends gathered in final tribute. The huge floral offering attested to the esteem in which Mr. Stevens was held by friends and associates.

Survivors are the widow, three sons, Alton and Verner of Waco, Raymond, a radio technician stationed in Kansas, two grandchildren, Glenda Ray and Jerry, and the two sisters and brother of Post.

Coming here in 1923, Mr. Stevens and family resided some five years in the Close City community where he was engaged in farming. Many friends here extend to the family their sincere sympathy in the loss of this man.

## SURVEYS BEING MADE TO SOLVE THE WATER PROBLEM AT PLEASANT VALLEY

Surveys have recently been made on several adjoining farms near Pleasant Valley, to determine the number, and the size of terraces needed to solve the water problem in that area. The farms on which the surveys were made are those of Henry Wheelley, H. J. Edwards, Charles Scott and R. H. Lewis.

Conservation surveys are being made on a number of farms including those of Harold Davies, W. J. Wheeler and W. J. Long in the Barnum Springs community.

**JULY 4th**

Chamber of Commerce officials are urging every family in Garza County to take advantage of the facilities of Two Draw lake this Fourth of July. New boats, new bathing suits, new barbecue furnaces and tables have been added to the lake grounds to add to the recreation equipment of the lake. Due to gasoline and tire rationing all families are urged to enjoy a "stay-at-home" Fourth.

The majority of the stores of Post will be closed on the fifth as the Fourth falls on Sunday and many persons want to take advantage of the double holiday to relax with their families and friends.

No formal program is planned for the Fourth of July but boating, swimming, fishing and picnicking will be the order of the day.

## Ready Market For '43 Peanut Crop Assured

A ready market for peanuts when they are harvested was assured Texas farmers this week by the state USDA war boards.

Facilities of the peanut shellers and crushers throughout the state will be utilized from the very beginning of the marketing season in order to move the maximum quantity of the peanut crop directly into food and feed channels, the board emphasized.

Under this year's agricultural production program, Texas farmers have pledged 1,297,935 acres as their share of the national peanut goal. Last year's production approximated 1,060,000 acres.

The normal channels of trade, which will operate under contract with Commodity Credit Corporation, are being asked to cooperate under the purchase program. Each company will purchase, store and sell for the account of the Corporation.

Purchases from producers will be made at uniform prices averaging \$140.00 per ton for Spanish No. 1 peanuts, with appropriate differentials for grades. This price, the war board pointed out, is approximately 17 percent below the ceiling prices for farmer's stock peanuts but about 75 percent above the value of peanuts when sold for crushing for oil and meal.

In addition to disposition of this year's crop into food and feed channels, producer cooperative associations, as agents for the Corporation, also will be authorized to establish receiving points and make available storage facilities for handling the portion of the crop which is not purchased directly by processors and to distribute peanuts for planting the 1944 crop.

Restrictions on purchases, sales and deliveries will not apply to farmers' stock peanuts which county AAA committees certify are to be used solely for planting in 1944 nor will they apply to sales or deliveries to consumers by producers of peanuts which have been processed by the grower on the farm where produced.

## State Convention Opens Today At Church of God

Beginning today and continuing through Sunday, July 4, the great annual feast and State Convention of the Church of God will be held in Post, according to L. E. Silver, state director.

"Everyone is welcome and all are urged to attend and reap a spiritual blessing from the convocations," Mr. Silver said. "Take someone with you and help make the 'four day affair' one of the best in the state, he continued.

Mr. and Mrs. T. B. Greenfield and daughter, Mrs. Weldon Jobe and Sharon are in Salida this week visiting Mrs. Greenfield's relatives.

## Second Draft Call Of Month Supplies Fourteen Men

Registrants delivered for induction June 29, 1943, at the Lubbock recruiting office were:

James Samuel Bennett, Elmer Clarence Deen, William Harden Reed, Charles William Huber, George A. Harrison, Julian Vela, Comer Edward Liles, Charles Harding Jinkins, William Hobert Wood, D. J. Atkinson, Juan Ochoa Delgado.

Delivered for another board was Robert Junior Owen.

Accepted on June 14, 1943, was Albert Franklin Howard.

## Mrs. G. W. Connell's Mother Buried In Albany Monday

Mrs. Augusta Reynolds, 85, mother of Mrs. G. W. Connell, died Sunday afternoon at her home in Albany. Funeral services were held Monday afternoon at 2 p. m. from the Mathews Memorial Presbyterian church with the Rev. J. A. Owen officiating.

Mrs. Reynolds had been quite ill for several weeks and in failing health for a number of years. She was a frequent visitor here with her daughter and had many close friends here who enjoyed visiting with her during her visits and who were eager and attentive listeners when she told of her experiences in the early pioneering days.

Surviving are two daughters, Mrs. Giles Connell of Post, Mrs. L. S. Hollowell of Albany, 12 grandchildren and 16 great-grandchildren. Mrs. O. L. Weakley and Mrs. D. C. Morrel attended the funeral.

## Maximum Ceiling Prices Set On Frying Chickens

"Frying chickens are covered with a maximum price ceiling," Howard Gholson, District Director of the OPA, said today in response to queries of West Texas producers. This regulation has been effective since April 22, 1943, and is nationwide in scope. However, the maximum price ceiling will vary slightly in different localities because of the freight rates, Gholson pointed out.

In Garza County the consumer may not pay any more than \$3.494 per pound for a live chicken under four pounds. Retail stores, hotels, cafes, institutional and governmental users may not pay more than \$2.912 per pound. The wholesaler or produce companies may pay the producer as much as \$2.762 for live fryers under four pounds.

These prices for consumer, retailer and wholesaler are only maximum prices, the OPA director pointed out. Any price under this ceiling may be charged by those having chickens for sale, he added.

## Final Reports For 1943 Being Made By Farmers

Garza County farmers began last week to make final performance reports for their farms for 1943, announced James A. Boyd, secretary Garza County ACA.

Due to the shortage of labor, gasoline, and tires it will be impossible for the AAA to make measurements of every farm as they have done in the past. Now, it is the responsibility of the farm operator to report compliance of his farm by measuring the allotment and war crops and reporting these measurements to the county office.

Approximately two-thirds of the Garza county farm operators have been furnished pre-measurements of their acreages during the past two months, however, these producers are also being requested to call at the county office to verify measurements of crops and to report production practices being carried out in 1943.

Notices are being mailed to farm operators to call at the county office on a definite date and time. It is urged that each producer make every effort to attend on the time and date specified, otherwise, there will be times when the county office will be congested and it might prove difficult to attend to the desires of all persons.

If every producer will read carefully the letter of notice and enclosure, before attending the meeting, it is possible that it would prevent an additional trip.

## Ex-Rodeo Rider 'Bulldogs' Cars Of High Explosive

Disregarding the personal danger involved, George H. (Hob) Shedd, Bluenobnet ordnance plant mounted guard, and nationally known rodeo performer, "bull-dogged" two runaway freight cars loaded with high explosives and brought them to a stop just before they would have been wrecked by a derail with possible catastrophic results.

The famous rodeo celebrity is the nephew of A. T. Shedd and is well known here. He has ridden in many rodeos here and was always one of the most popular performers.

Started downhill when the ratchet holding the brakes slipped, and given some impetus by an unusually high wind, the two cars of concentrated fury started out of the plant's classification yard toward the Moody road.

The cars crossed two switches and emerged onto the main switch track leading across the highway to the Santa Fe main line.

Shedd, riding fence in that area, sighted them and sensing the danger should they be wrecked, spurred his horse along the tracks, finally drew a hand hold, left his mount, climbed to the roof of the car and applied the brakes.

The two conveyers of potent danger came to a gradual stop about 100 yards from the highway and not far from the derail. Had this been struck, the resulting wreck could have caused an explosion which would have done much damage to dwellings for a considerable distance. The plant itself was not endangered as the accident occurred many miles from any of its structures.

Information is being sought by plant authorities to determine whether Shedd is not entitled to some recognition for his quick thinking and action.

**PORK PREMIUM INCREASED**

The Office of Price Administration has increased to \$2 per hundredweight the premium that seller of wholesale pork cuts may add to maximum prices for the cuts when they deliver them to hotels and restaurants. The premium is allowed because of extra cost of selection, packing, and deliveries on sales to purveyors of meals.

Lt. Kirk Crabb, enroute to Colorado Springs from Camp Barkley, spent three days in the home of Mr. and Mrs. M. J. Malouf. He was given a ten day leave.

## Postex Cotton Mills Bought By Eastern Concern Thursday

Normal Operations To Begin Within Two Or Three Weeks Time

The cotton mills operated over a period of thirty years by the Postex Mills were sold Thursday afternoon to Leslie Evans and Company, according to a statement made by Herbert Jones, vice-president and general manager of the concern since 1919. Operation will begin in two or three weeks, Jones stated.

The mills started closing down on May 17th and prospective buyers have been investigating the set-up here for several weeks. The new company, representatives of an Eastern concern, plans to retain the Garza trademark. If conditions prove favorable they will expand the use of the products and will probably enlarge the plant. "The company was selected by Postex directors from a large number who sought to buy the mills because we believed," said Jones, a director, "that the future progress of the mills had greater possibilities than with any other company."

Sale of the properties came in the "nick of time" as the Postex Mills last week shipped out the last of their manufactured products, the famed Garza sheets and pillow cases, that are recognized by housewives throughout the nation as one of the finest household products.

Caught between government set ceiling prices and rising costs, Postex Mills announced May 17th that they would cease operations gradually, closing out each department as the work in each was finished. The mills normally employ from 250 to 300 persons with a weekly payroll of approximately \$5,600 to \$5,800. Since the shut down began, many employees have gone from Post into war work and other industries and the Evans Company has asked the U. S. Employment Bureau in Lubbock and other towns to bend all efforts to secure workers. Many employees left their families here until the mills situation was settled. An influx of former employees is expected as 95% of the payroll personnel recognize Post as their home. A large percent of the employees are of the second generation and have grown up in the mills.

All foremen of the various departments have been asked to remain in that capacity by the new owners. A complete overhauling of machinery in every department has been made the past few weeks and supervision of this work was made under the direction of heads of each department. "Operation in some departments can begin within an hour's notice," Jones stated. Foremen of each department are: C. E. Nickens, Carding and Spinning; C. H. Bailey, Weaving; V. H. Anderson, Bleaching and Finishing; L. B. Baker, Machine and Power Shop; and W. C. Love, Office.

Jones, longtime chief executive of the plant under the Post operation, will not remain permanently with the new organization although he was pressed to do so. His health, he said, will call for retirement after a few weeks. He will be available for consultation purposes only as long as he is needed. Jones probably will move to a new location following the consummation of the sales transaction.

Jones said the deal would be consummated within a few days and title transferred to the new owners. He declined to mention any figure in connection with the sale of the property or to identify the Leslie Evans and Company other than by saying "it is a large eastern concern with considerable financial backing."

He did say, however, that the new owners plan important expansion of the property after the war, providing they secure the right cooperation in Post and when machinery again will become available and when labor will not be at a premium.

Many improvements have been added through the last three decades. Following the problems of starting up and operating the mills.

(Continued on back page, col. 3)

## RATIONING CALENDAR

**Canned Foods**—Blue stamps, War Ration Book Two—To be used for canned fruits, canned vegetables, fruit juices, soups, frozen foods, catsup, etc. Stamps lettered K, L, M expire July 7. Those marked N, P, Q will remain valid through August 7.

**Meats**—Red Stamps, Stamps lettered K, L, M are now valid; stamps lettered N, P, Q, become valid on June 20, June 27, and July 4 respectively. All expire July 31.

**War Ration Book No. 3**—Mailing out of the new books should be completed by July 21.

**Sugar**—Stamp No. 13 is now valid and will be good for 5 pounds through August 15. Stamps Nos. 15 and 16 in Ration Book One may be used to obtain sugar for home canning purposes. Each of these stamps will be good for 5 pounds through October 31. Families needing more than 10 pounds of sugar per person for home canning purposes must make application to their ration boards for all over this amount. Not more than 15 additional pounds will be allotted to a family.

**Coffee**—Stamp No. 21 is good for 1 pound and will remain valid through July 21.

## Prominent Citizen Of County Buried Here Tuesday

Funeral rites for James R. Hutto were held on Tuesday afternoon at 2:30 o'clock at the First Baptist church with Rev. A. C. Hardin officiating.

Mr. Hutto was a prominent farmer-rancher in the Crossroads community where he had lived for many years. He died after a very brief illness in the Lubbock hospital on Sunday afternoon. He took sick only a few days before and was taken to the hospital on Sunday morning. He was born on May 13, 1895 in Alabama and died on June 22, 1943.

He was one of the county's finest citizens and was identified with all worthwhile projects that were for the betterment of the community and the citizens in it. He was active throughout the years in the affairs of the church and served many years as deacon. He was the champion of the underprivileged always. Making the most of his opportunities was one of his outstanding characteristics and he showed keen interest in everything and everybody in his community.

Pallbearers were Hugh Martin, Barney Martin, Nelson Hutto, M. H. Hutto, Nath Howell, and M. H. Hutto, Jr.

Honorary pallbearers were his neighbors of the Crossroads community.

Survivors are his wife, the former Esther L. Nelson of Abilene; two sons, Huser of Dallas and Marvin of Eastland; one daughter, Mrs. Andy Smallin of Grand Prairie; four brothers, J. B. of Lubbock, J. R. of Abilene, W. W. Hutto of Waco, and A. A. Hutto of Abilene. All were present but the latter brother.

Interment was made in Terrace cemetery by the side of his first wife, the former Etta May Martin of Wise County, who preceded him in death by several years.

Mason & Company directed funeral arrangements.

Miss Maxine Durrett left Monday for Midland where she will be associated with the Midland Flying Field and will be connected with the personnel department. She was accompanied to Midland by her mother, Mrs. J. B. Durrett and Miss Lucille Collier.

Miss Matilda Malouf is visiting in Rotan this week. She was accompanied there by the Malouf family and Johnnie Thomas. Before returning home she will visit in Childress and Knox City.

**Sgt. Mize To Be With Famous Rainbow Division**  
 Sergeant George Mize, who is stationed at Camp Gruber, Oklahoma, writes that he is to be with the famous Rainbow Division, the one he says that was so popular during the last war. He would like to know if any other Garza boys are in Camp Gruber and if so hopes that they get in touch with each other. His new address is: Sgt. George A. Mize, 557th F. A. Bn., Btry. A, Camp Gruber, Okla.

**"Spuds" Craddock Promoted**  
 Aris "Spuds" D. Craddock has been promoted from the rank of Corporal to that of Sergeant. He is stationed at Garden City, Kansas. He is the son of Mr. and Mrs. E. C. Craddock.  
 Clovis Tucker arrived home early this week from Camp Campbell, Kentucky where he has been for several months. He was pleased as punch over the new baby that is now ten days old. He will remain in Post until July 5.

## With The Men In Service:

### Southland Boys In Service

Third class radioman Billie Becker returned to Treasure Island, San Francisco, Saturday after a ten day leave here with his parents, Mr. and Mrs. August Becker. Billie had just received his new rating and his mother had the privilege of sewing the stripe on his sleeve.

Scottie Russell is still in North Africa. His brother states that the report that Scottie was wounded was a mistake.

Congratulations to S-Sgt. and Mrs. J. B. Fuller. Their 7 lb., 15 oz. daughter, Diana Kay, was born June 23 at Lubbock. Her father who is stationed at La Junta, Colorado, expects to see the baby last week end. Her mother, the former Doris McNabb, is a native of Southland.

Bunyon Corbell has moved about a lot since he went to Australia.

Carlos Wagoner is 1/c shipwelder, the highest he can go on his ship. He has taken an examination for officers' training school and if he passes, will take his training in the States. His buddy, who visited here with him two years ago, developed tuberculosis and arrived home Jan. 1. He has written Carlos' mother, Mrs. Walter Kellum, that he may visit her again in August.

Mrs. J. B. Jones has been seriously ill in the hospital for more than a week, and her soldier husband's notice of a safe crossing of the ocean has not yet arrived.

Lt. V. G. Cook of Camp Bowie, Brownwood has just finished his basic training and spent the week end with his wife in Lubbock. This son-in-law of the C. W. Deans was a dentist at Hobbs before his induction.

Pfc. Merle Taylor, brother of Mrs. Roy Williams was one of the four boys out of 35,000 in the group, to be lucky to get a furlough. While here, his brother, Alvis Taylor of Spur, visited him and Mrs. Taylor and the Williams family a week ago Sunday.

### Graduates From Mechanic School

Pfc. Leon F. Simpson, son of Mr. and Mrs. W. F. Simpson of Post, has graduated from an intensive course in airplane mechanics and now is prepared to blast the Axis as one of America's "commandos in coveralls." He has been in the school at Sheppard Field, Texas.

### Dad Greenfield In Wyoming

Ira Greenfield who left Fort Sill, Oklahoma early last week for an unknown camp notified his wife that he is now stationed in Fort Warren, Wyoming. He will be there for 13 weeks. The station is a quartermaster training station. "Dad" was owner and operator of the Greenfield Service Station before going into the army.

Flight Officer and Mrs. Woody Billings are visiting this week in the home of her parents, Mr. and Mrs. Bennie Sargee. Billings is stationed at SPAFS at Lubbock.

### Southland News

Mrs. Marvin Truelock, Correspondent

Mrs. A. V. Lowery of Pampa came Sunday to visit for a week with her brother, E. L. Samples and family.

Last Tuesday J. E. Noack of Hackberry was 77 years old. His daughters, Mrs. C. D. Siewert and family of Wilson and Mrs. Walter Voigt and family of Southland were present.

Mrs. Lee Lieske of Lubbock spent Thursday until Saturday with Mrs. Ed Lieske and daughter, Mrs. Leonard Angle. E. Lieske hasn't written whether he's back at work in the shipyards yet, after receiving injuries when a plank fell on his head three weeks ago.

Friday her sister, Mrs. Frank Fletcher and children of Dalhart, her father, Walter McNabb of Lubbock, Gene Draper and son of Slaton, and Mrs. M. Truelock and children were visitors of Mrs. Tim Field. Mrs. Fletcher plans to remain on the South Plains until after the annual Fourth of July McNabb reunion.

Clay Johnston went to the hospital Saturday for an appendectomy.

Friday Mrs. Caroline Wutrich of Austin left for her home after spending two weeks here with her sister, Mrs. A. Wilke. She came here from a visit with her son at Littlefield.

Mrs. Lottie Unsworth and grandson of Lubbock came Monday to spend the day with her sister, Mrs. Ada Lamb.

Rev. O. E. McGaw was one of the speakers on the Baptist Workers' Conference last week.

The father-in-law of Mrs. M. Truelock's twin brother was crushed to death by a truck last Wednesday at Plainview.

### A Bagfull Of Mail!

One sailor we know who is serving somewhere on the Guadalcanal area who hadn't received any mail for weeks and weeks received a mail bag full recently when he got 57 letters from his wife.

The lucky fellow, Si Marchbanks, is the husband of Armor Lee Greenfield, sister to Billie and Dad. He is with the Seabee Division, Armor Lee is teaching in Mobile where she and Mr. Marchbanks made their home. Letters have been coming through regularly to her but those from the States did not reach him for weeks. She was a visitor here with Billie and "Dad" before he left for the army recently.

### Douglas Carradine Completes Pre-Flight Training

One hundred and seventy-six aviation cadets from Texas were included in the latest class to complete pre-flight training for pilots at the San Antonio Aviation Cadet Center. Included in the class was Aviation Cadet Douglas G. Carradine of Star route, Post.

The future pilots headed for primary schools and first flights in training planes which they hope will carry them to assignments as pilots in the Army Air Forces. Tuned by intensive training at the cadet center the youths are prepared for the vigorous program they will undergo at primary, basic and advanced schools.

### Dan Altman Promoted to Sergeant

Dan Altman has been promoted to the rank of Sergeant, according to his wife Billie. News of his promotion was received through the return address on his letters to her. Dan, who is a mechanic on a bomber, is serving somewhere in Africa. He formerly was associated with the Connell Chevrolet Company.

### Fifteen Day Furlough For Leo Harrison

Leo Harrison, son of Mr. and Mrs. J. P. Harrison, is here on a 15 day furlough. He is stationed in Stoney Field, Charleston, S. C. He is a member of the 144th Infantry, the same company that the late Doc Thomas belonged to before he transferred to the air corps. Leo served for sometime in California after being transferred from Brownwood.

Howard Peel and Delmo Gossett of Bryan, Texas, spent three days visiting their families and friends last week-end. They are stationed at the Army Air Field at Bryan, Texas. Howard is the son of Mr. H. B. Peel and Delmo is the son of Mrs. Lola Peel.

OUR FORTUNES \* AND OUR SACRED HONOR \*  
 FREEDOM OF SPEECH \* FREEDOM FROM FEAR \* FREEDOM FROM WANT

# Honor Our Fighting Forces On July 4th

On this Fourth of July: anniversary of the fulfillment of this nation's independence. This nation, dedicated from its first cry of life, to liberty! It is impossible for us to observe that date, this year, without realizing how we once again are embattled in the same cause—now on a global scale, that all the men, women and children of the world henceforth also live free to worship and speak as they see fit . . . free from fear . . . free from want. We who work and fight under the stars and stripes have by our side, under their own brave banners, those other United Nations with whom we proclaim: "United We Are Strong, United We Will Win." And as the Fourth of July signals the independence of these United States, may some future date signal the independence of mankind everywhere, free from the despotic tyranny of the enemy . . .

You can set off some real fireworks this 4th of July . . . by buying another War Bond. America and the United Nations need your dollars to pass the ammunition along to our fighting men for . . . "United We Are Strong . . . United We Will Win." A boom in War Bond purchases means more bombs over the Axis . . . a quicker Victory for all the free nations of the world.

Each dollar you spend in War Stamps this month, will help build another SHANGRI-LA to bomb Tokio in fatal retribution for the murder of our flying heroes whose lives were so cruelly taken. Pledge your vengeance with a dollar in War Stamps. And soon again you will hear our Liberty bell ring out . . . ringing clearly for free men . . . all over the world.

## Buy Another Bond July 4th!

### Payroll Savings Buys Comfort For Your Fighting Relatives

Not all of your payroll savings and other War Bond purchases are used for tanks, planes and gunpowder. A part of your investment goes for the comfort of your father, brother, son or friend.

Put your war bond buying through your payroll savings plan on a family basis to do the most effective job in providing for the care and safety of your men in the armed forces. Figure it out for yourself how much beyond 10 per cent of the aggregate income of your family you can put into war bonds above the cost of the necessities of life.

Remember a single \$18.75 war bond will buy for a fighting soldier on the front: Two cotton undershirts at 44 cents; two pairs of cotton shorts at 76 cents; two pairs of cotton socks at 34 cents; one pair of shoes at \$4.31; a cotton khaki shirt at \$4.64; pair twill trousers at \$4.16; one web waist belt at 23 cents; two cotton neckties at 44 cents; 2 khaki caps at \$1.26 and one twill jacket at \$2.16. Total \$18.74.

An \$18.75 war bond should make a marine comfortable for the night with a 23-pound mattress at \$4.20; two blankets at \$13.54; a pillow at 56 cents and two pillow cases at 30 cents. Total \$18.60.

Or he could be provided with a rubber poncho at \$4.77; a helmet with its lining and other items of its assembly at \$5.62; a rifle cartridge belt at \$2.15; a marine corps pack consisting of haversack, knapsack and suspenders at \$5.10; a canteen and its cover at \$1.65. Total \$18.69.

Those of you who worry about the comfort of your boy in service can help insure his comfort by buying war bonds. And 10 years from now you'll take back \$25 for every \$18.75 you put in.

*U. S. Treasury Department*

## \$20,000 SHORT!

That isn't a very fine record to present before the 400 boys in service from this county. Quota for June was \$24,000.00. On this July 4th let us pledge to buy a bond a month—or a stamp a day in order that our boys might continue to light the fuse for Victory.

It's Your War, Too . . .

Get in it—don't let our boys down. They need your continued support. Give Willingly and Give NOW!

#### THE CORPS OF ENGINEERS ANNIVERSARY

The Corps of Engineers on the 16th of June celebrated their 168th Anniversary. General Washington early recognized the need for Engineers and named, after Congressional approval, Colonel Richard Gridley as the first Chief of Engineers. From this beginning the Engineers have fought and built their way to their present organization. In peace or in war the Engineers perform, and at present are completing the biggest emergency construction job ever undertaken. The emphasis is shift-

#### Views of Neighboring Editors:

The Happy Herald—"Another Sneak Attack"—The well planned closing of the nation's coal mines while United Mine Workers' demands were in process of negotiation, is on a par with the Japanese sneak attack on Pearl Harbor.

Words cannot express the contempt of the American people for individuals who are parties to such treachery, and who refuse to work while our soldiers die.

Let us hope that Congress will at last assert its authority and enact legislation providing controls for organized mutiny which endangers public safety for personal gain.

If the enemy had bombed our coal mines, the work stoppage would not have been as complete as when the united Mine Workers' deserted their posts. Therefore their action is the equivalent of an enemy attack on this nation.

The Balls Banner—Generally-sime Chiang Kaishek wasn't fooling when he started to kicking the Japs out of the rice bowl of China. He stopped the little yellow men and has proceeded to administer the worst defeat the Japs have met in China in the six years they have been there. China has been crying for aid lest she collapse. We hope the aid is getting to her in such volume that this current victory may gather strength to shake off the apparent depression the valiant Chinese were suffering the first half of this year.

The Crosbyton Review—"Who said Sacrifice?"—Our forefathers did without sugar until the 13th century, without coal fires until the 14th century, without buttered bread until the 15th century, without potatoes until the 16th, without coffee, tea and soap until the 17th, without puddings until the 18th, without gas, matches and electricity until the 19th, without canned goods until the 20th century, and we have had automobiles for only a few years. Now, what was it you were complaining about?

The Slaton Slatonite—There are a lot of things that will be different when the war is over and things that are being substituted for things that were in general use may prove more popular than the originals. It may be that several popular soft drinks may be replaced so that they will never regain their former popularity because they have been off the market or practically so, we may lose our appetite for candy bars and women may never wear hose again. It is a good opportunity for men to do away with useless ties and go to sport shirts and perhaps the Zoot Suits will have worn out their popularity before the war ends, in fact there is no telling how much improvement can be made in our daily life if we can only take advantage of the opportunities that are here.

## Two Hostesses Entertain For Merry-makers

Last Tuesday twenty-one members of the Merry Makers club met with Mrs. Lomnie Curry with Mrs. Cearley acting as co-hostesses. There were two visitors, Marilyn Curry and Mettie Lee Caldwell. The afternoon was spent in visiting and fancy work. The club decided to entertain their husbands at the school house Friday night, July 2, instead of on the 1st. All club members are urged to bring their families and come and have a big time.

Tuesday was gift day and many useful and beautiful gifts were exchanged.

Delicious refreshments of punch, cookies, salad wafers and potato chips were served.

The next meeting will be with Mrs. Pearl Storie on July 13 and will be three weeks from the present meeting as there were five Tuesdays in June. Everyone is asked to come as early in the afternoon as two quilts are to be quilted for some orphan children.

—Reporter

## First Baptist Church

R. C. Tension, Pastor

Bible school 10 a. m.; Training Union, 7:45 p. m.; Preaching 11 a. m. and 8:45 p. m.; Baptismal service at close of evening service. Wednesday—Teachers meeting 8:30; Prayer service, 9 p. m.

The pastor is to be away in revival at Dickens beginning the 8th of July but will be in his own pulpit one service each Sunday during the revival. Come to Sunday school and church this Sunday. A welcome awaits you.

## Flora Ann Hagood Honored Saturday With Birthday Party

Little Miss Flora Ann Hagood was honored Saturday afternoon when her mother was hostess at a birthday party from 3:30 till 5:30 at Imogene's Dining Room. After some time spent playing, the presents were opened. Pictures were made of the group. Little "Sally" as she is affectionately called by many, was quite thrilled by everything.

The birthdate was shared by Doris Jean Anderson so there were two cakes. The candles were lighted and then blown out by the honoree, with some help from the other little guests.

Mrs. Hagood then served ice cream with the cake to Flora Ann and Doris Jean, Betty Jean Jones, Billy and Mrs. Clark, Tommy and Mrs. Patty, Martha and Mrs. Cearley, Jo Ann and Mrs. Moreman, Mrs. Ben Williams, Doris Sparlin, Bertha Printz, and Imogene Jewel.

## Leaders S. S. Class Entertained With Lawn Party Monday

The Leaders class of the Baptist church held a lawn social at the home of the teacher, Mrs. W. L. Davis, on Monday night. A program of informality was followed and table games provided amusement for the twenty-two persons present.

Special guests were the pastor, Rev. R. C. Tension, and his wife, the Sunday School superintendent, Ray Smith, and several other persons of the church.

Punch was served throughout the evening by the hostess.

## Timely Book Review Given By Mrs. R. C. Tension Monday

A timely topic, discussed in an interesting and informal fashion, was the book review given by Mrs. R. C. Tension at the home of Mrs. A. W. Bouchier on Monday afternoon before a large group of Baptist WMU members and visitors. Mrs. Tension reviewed "Day of Dawn in Yorubaland" by Dr. Charles Maddy, a book of double interest to the women present, since it provided them with new information about Baptist missionary work in Africa and also about the continent where many of them now have sons, relatives, or friends.

Beginning with a quotation from David Livingstone in which he spoke of Africa as "the open sore of the world," Mrs. Tension continued with a discussion of the geography of the country of Nigeria and the living and social conditions existing there before the coming of the missionaries. Assisted by her daughter, Ramona, Mrs. Tension illustrated her talk with pictures of the natives and their homes, markets, and customs. The improvements brought about by the missionary efforts in the region were clearly shown in the photographs of churches, hospitals and seminaries which have been established there.

After the meeting, refreshments were served by Mrs. Bouchier, and the ladies lingered to thank Mrs. Tension for a profitable and pleasant afternoon.

## First Anniversary Observed By Kenny Cashes In Bryan

In honor of their first anniversary Pvt. and Mrs. G. K. Cash entertained with a paper party at the home of Mrs. Myra Jones at 302 West 24th Street in Bryan, Texas on the evening of June 21.

Since the first anniversary is a paper one, the paper theme was stressed throughout the party. As guests arrived many useful paper gifts such as stationery, playing cards and cigarettes were placed on a table laid with a white paper cloth and decorated with miniature flags.

Refreshments were served on the sun porch from a table laid with a red, white and blue paper cloth. Paper cups, plates and napkins of the same colors were used in serving.

After refreshments were served the group spent the remainder of the evening dancing at a downtown night club.

Ten couples attended the affair.

## Eleven Quilts Made For Red Cross By Homemakers Club

The Graham homemakers club sponsored an all-day meeting at the Graham school house on Thursday, June 24.

There were about twenty ladies present.

Four quilts were put up and quilted for the Red Cross. This makes a total of eleven quilts that the club has quilted. The school children also pieced a top and the mothers quilted it.

The next meeting will be with Mrs. Lois Peel on Thursday afternoon, July 8. This will be our Rosebud party. Every member is urged to attend this meeting and bring their gifts. A program committee was appointed to furnish entertainment at this time.

—Reporter

Guests of Miss Helen Jo Hundley last Wednesday night were R. B. and Kessell Young of Ralls. She was hostess to a small informal dinner party. Miss Hundley spent the weekend in Ralls as their guest in the home of their parents. All were classmates in McMurray college. The young men left Tuesday for Pittsburg, Kansas, where they will begin training in the United States Navy.

Mr. and Mrs. William Zetman will spend Sunday and Monday with Roscoe relatives.

Mr. and Mrs. A. G. Brant, en route to their home in Canyon from Hobbs, New Mexico, were visitors in Post Monday.

Mrs. George Flippin of Big Springs spent the weekend visiting friends here.

John Baker left Monday for Childress where he will truck wheat.

Gloria Tuffing returned to Pecos after spending a few days in Post with her mother.

## Willie Mae Davies Sgt. Blanton Martin Marry In Abilene

Miss Willie Mae Davies, daughter of Mr. and Mrs. A. F. Davies of Southland and Sgt. Blanton Martin, son of Mr. and Mrs. S. D. Martin of Post, exchanged vows in a ceremony read Monday afternoon, June 21 at the home of Rev. Reed, pastor of the Immanuel Baptist church of Abilene.

The bride wore a rose dress and a corsage of gardenias. She wore a cameo belonging to the groom's mother.

Those attending the wedding were the bride's sister, Miss Olive Davies of Hardin-Simmons, the bridegroom's mother and his brother, Harley of Post, and his uncle and aunt, Mr. and Mrs. Aaron Horton of Merkel.

Mrs. Martin is a graduate of Southland High school and a junior home economics student at Texas Technological college. Sgt. Martin is also a Southland graduate. He is stationed at Bryan where the couple will be at home.

## Priscilla Club In Delightfully Informal Parties

Attendance at recent meetings of the Priscilla club has been small due to so many members being out of town.

Mrs. Raymond Redman was hostess for the first meeting in June. After an hour spent in sewing she passed plates of delicious salad, wafers, cake and iced tea to a guest, Miss Mettie Myrl Ferguson, and the following members: Mmes. Kitchen, Outlaw, Marvin Hudman, Jim Hundley, Bearden, Everett and Cearley.

Last Friday, the hospitality of Mrs. Outlaw's home was enjoyed by Mmes. Ben Williams, Smith, Duckworth, Redman, Marvin Hudman, Everett, Collier and Cearley. The hostess was assisted by Misses Zara Ann Outlaw and Mary Margaret Duckworth in serving refreshing orange-pineapple sherbet and cookies.

## Bailey Family Holds Annual Reunion At Snyder

On Sunday June 20th, forty-two members of the Bailey family held their annual reunion at Snyder park. They celebrated Mr. Bailey's birthday which occurred on June 16. He was 92 years old. He received many useful gifts. His four daughters and two sons and grandchildren were present. Those present were Mr. and Mrs. Crumpley of Anson, Mr. and Mrs. Wilburn of Snyder, Mr. and Mrs. Bertram and children of Lamesa, Mr. and Mrs. Vasker Browning of Slaton, Mr. and Mrs. Freddie Browning of Slaton, Mr. and Mrs. John Furr and granddaughter of Jayton, Otha Richards and children of Levelland, Mr. and Mrs. Lum Richards of Levelland, Mr. and Mrs. Roy O'Conner of Slaton, Mr. and Mrs. Louis Bailey and son of Hamlin, Mr. and Mrs. Smith and children of Hamlin, Mr. and Mrs. Dolphus Richards and children of Lamesa and Mr. and Mrs. S. C. Caldwell and sons of Post.

LATEST MARCH OF TIME "INVASION" DUE AT GARZA THEATRE ON JULY 7-8

"Invasion!" the latest March of Time, will be seen here Wednesday and Thursday, July 7-8 at the Garza Theatre. This exciting new issue tells the story of the problems confronting the men who must see that the troops who are taking over Europe receive everything they need for full and complete victory.

Bringing home vividly the reality of invasion are such scenes as those which show military government classes, where officers are taught how government will function in the occupied zone.

All in all this film gives a revealing picture of the tremendous task confronting the men who plan invasion, and throws new light on the final stages of the European battle.

Wynne Collier of Tahoka and R. H. Collier and Weldon Jobe of Post spent several days in San Angelo last week where they were fishing.

Tools For Farmers

Wrenches, pliers, screwdrivers and other mechanics' hand service tools should be more generally available to farmers and home mechanics as a result of an amendment of Order E-6 by WPB. The amended order, which is designed to bring a better distribution of these tools among consumers, sets aside from 20 to 25 percent of the monthly production of specified tools for commercial distributors.

Mrs. Barry Ford and son, Edwin, of Richmond, California, arrived last Friday night for an extended visit with Mr. Ford's parents, Mr. and Mrs. H. M. Ford, and her parents, Mr. and Mrs. A. O. Kirkland of Slaton. Little Edwin has just been released from the children's hospital in San Francisco, Calif., where he spent three weeks undergoing treatment.

E. C. Pettigrew entered the Lubbock General Hospital Saturday, June 26 and was operated for mastoid Sunday, June 27. A report was received Monday that he is doing nicely.

"Immortal Sergeant" To Be Shown Sunday-Monday At Garza

From all the far-flung fields of battle, there has come no more stirring story than the heroic epic of Lybia. Appropriately enough 20th Century-Fox's picture story of John Brophy's "Immortal Sergeant," which has Lybia as its locale, showing Saturday night 11:30, Sunday and Monday at the Garza, is one of the finest films turned out on the war.

Starring Henry Fonda and Maureen O'Hara, "Immortal Sergeant" is that rare cinematic gem—a picture whose authenticity and execution matches its magnitude of theme. The timeliness of the film—focused on the crucial battle fields of North Africa—coupled with romantic appeal, puts it on a high plane.

"Immortal Sergeant" is the inspiring story of an indomitable band of fighters who conquer the enemy and the elements. Their leader is the sergeant of the title, but it is in the inner battle of the corporal which gives the film its key. Portrayed by Fonda, the corporal "finds" himself amid the inferno of battle on the Libyan sands and emerges as an inspired leader when the death of the sergeant forces him to assume leadership of the patrol.

This is not meant to convey, however, that the film deals exclusively with the battle front. For in every story of a soldier there must be some indication of what he's thinking about—in "Immortal Sergeant" Fonda's thoughts quite naturally turn to home and his sweetheart, Maureen O'Hara. By an ingenious use of the "flash-back" device, the film gives a definiteness and a body to those thoughts—and show conclusively why this fighter for freedom can never give up the battle.

Aviation Cadet R. D. Travis Wants Letters From Home

R. D. Travis, who began training recently as an aviation cadet with the U. S. Naval Preparatory School at Texas University, writes that he wants letters from home. His new address is: Av. Cl. R. D. Travis, Jr., V-5, USNR, U. S. Naval Flight Preparatory School, Roberts Hall, Room 105, Austin, 18, Texas.

R. D. is the son of Mr. and Mrs. Duke Travis.

POSTEX MILLS—

(Continued From Front Page)

plant were the problems of establishing a market for the products. Notwithstanding the fact that the owners were imbued with the idea of making the longest wearing sheet units construction that had been produced up to that time, it took a long and hard fight before recognition was finally achieved. Jones put forth every effort to create a market for the product that was second to none in quality. He made many trips in the interest of advertising campaigns and now the products are distributed in New Mexico, Texas, Louisiana, Arkansas and Oklahoma and many other states. Retailers secure their requirements through Southwestern wholesalers, and practically every wholesaler in the Southwest is a distributor of these products.

Many changes and improvements have been developed in the last few years and large sums of money have been spent by the directors in installing the latest and most effective devices for lengthening the life and improving the appearance of the well established Garza product.

The mills represent an investment of approximately \$1,500,000.

One man's vision, foresight and imagination was responsible for the organization of the industry that has been the heartbeat of the little town of Post. To that man, the late C. W. Post, the citizens here owe a deep debt. Through his efforts, industry and agriculture were blended. Industrial life, he believed, could draw its raw material from near at hand and sell the finished product back to those who supplied the raw material. The vision he had, when first coming to this section, of transforming a large section of the South Plains from ranch to agriculture was a tremendous success. Particularly was it successful in the raising of cotton and feed so the father of the change decided that as long as cotton was going to be raised it would be right in line with his original idea of development to erect a cotton mill to handle at least a part of the cotton crop, grown immediately at hand and delivered right up to the mill doors.

With Mr. Post, to think was to act. By 1912 the buildings were being erected, machinery being purchased, and in 1913 operations were begun in the only cotton mill in West Texas. Thus came into existence the Postex Cotton Mills, and thus was born the famous Garza sheets.

That the mills will continue to operate now is due in a large measure to the influence and interest of Herbert Jones, a man who has been the manager of a concern that has proven its worth to the town and to this section.

Mr. and Mrs. Rex McFall and baby of Pittsburg have been guests at the K. Stoker ranch. Accompanying them here from Abilene were Mr. and Mrs. R. L. McFall and Mrs. Stoker's father. Rex is interpreter with the Gulf Oil Company. He spent several summers on the Stoker ranch and is well known here.

Vacation At Home Celebrate At . . . Two Draw Lake

It's unpatriotic to plan long, expensive vacation trips but everybody needs a bit of relaxation now and then. All work and no play makes John Doe a dull boy. Take the day off and enjoy it by planning an inexpensive vacation at Two Draw Lake where all the family can be together in all sorts of out-door sports.

All Post stores are planning to close Monday, the 5th, thus giving every merchant who has been doubly rushed for time, labor and materials in these war torn days a double holiday in which to enjoy his family and friends.

Rural citizens too should plan to get together for that session of companionship that ties us all closer together. In days like these everybody needs a bit of fun and relaxation from the stress of daily chores and worries.

New equipment has been added at Two Draw and the Chamber of Commerce has made many improvements for the benefit of its patrons. You are invited to take advantage of the facilities there and enjoy that double week-end.
