VOLUME XVII POST, TEXAS "OUT WHERE THE WEST IS THE WEST" THURSDAY, NOV. 11, 1943 "THE GATEWAY TO THE PLAINS" NUMBER 49

Walter Crider Injured By Fall From Ladder

It was learned that Walter Crider was resting very well after serious accident Tuesday afternoon. Crider, employee of the Northwestern Public Service Co., was painting the outside of the vault building and was standing on a jointed ladder when the ladder gave away and he fell. His body was peeled half way back and several arteries were cut and he received other minor injuries. A book about three hours to dress the wounds as paint, dirt and gravel covered the patient from head to toe. Crider was unconscious most of the time. This morning he is resting well and is able to be up for a short time.

Local Couple Are Praised For Their Support To Drives

Mrs. B. J. Edwards was praised by the Women's Army Recruiting Area of Texas for her magnificent cooperation in promoting the women's army in Garza county. She was given the following certificate in the "WAC Recruiting Bulletin":

"Orchids to Mrs. B. J. Edwards of Post, Texas, chairman of the Civilian Committee for the All-Rites Campaign whose devotion to the cause is helping keep Texas in front in the WAC drive."

Mrs. Edwards is chairman of the Civilian Committee of the county and has served as publicity director in relaying the news of WACs to newspapers, clubs and individuals. The Dispatch would like to join the WAC Recruiter Bulletin editor in pinning an orchid on Mrs. Edwards for her work and to give recognition also to her husband for his untiring efforts toward the present WAC drive now in progress over the nation. Mr. Edwards, as president of the Post Chamber of Commerce, has represented the county in all phases of Government programs. The time and effort he has spent in helping the government make contacts should not go unheralded.

"The Biggest One Got Away . . ."

The old story used so often by fishermen . . . "the biggest one got away" . . . was hard to believe when "Doc" Collier and Weldon Jobe came in from a fishing trip last Thursday afternoon with a dozen or more huge fish. These two ardent fishermen had been to Green Tank and had brought home the bacon, so to speak. They were showing their catch about town and on the line were several fish weighing as much as six and seven pounds. None weighed less than four. True to fashion these men were saying, "the biggest one got away."

Fishing in the lakes around the county this year has been fine and many big catches have been reported. Among the regulars who feel that the week isn't complete without casting about for that big catch are Bennie Sogor, Marshall Mason, Ben Williams, Ira Lee Duckworth, Ray Smith, Clyde Hundley, Rex Everett, Mrs. Bryan Williams, and many others.

RATIONING CALENDAR

- Gasoline—A-B coupons are good through November 22.
- Fuel Oil—Period 1 coupons are good through January 3.
- Sugar—Stamp No. 29 in Book Four is good for 5 pounds through January 15, 1944.
- Shoes—Stamp No. 18 in Book One good for 1 pair. Stamp No. 1 on the "Airplane" sheet in Book Three good for 1 pair.
- Meats, fats—Brown stamps G, H, and J good through Dec. 4. Brown stamp K becomes good November 14 and remains good through December 4.
- Preserved Foods—Blue stamps S, Y and Z good through Nov. 20. Green stamps A, B, and C in Book Four good through December 20.

Post Rotary Club To Welcome District Governor

The Rotary Club of Post will welcome on November 16 Mr. M. W. Larmour, Governor of the 127th District of Rotary International, which includes 58 clubs in the northwest part of Texas. Mr. Larmour is owner of the National Theatre of Graham, Texas, and Vice-President and member of the loans committee of the Graham Federal Savings and Loan Association. He has been a member of the Rotary Club of Graham since June 1926, and has attended one or more Rotary Club meetings a week since July 6, 1928. He has served as program chairman, vice-president, secretary, and president of his club, and had been editor of the club publication since July 1934.

Governor Larmour has been active in the civic affairs of his city, serving as president of the Chamber of Commerce, a member of the city council, chairman of

M. W. Larmour

the budget, contracts and expenditures committee of the Possum Kingdom Fair Association. Active in Boy Scout work for the last 15 years, he has served as District Commissioner for the last three years, and only recently received the Silver Beaver Award of the Boy Scouts of America.

At the present time he is vice-president of the school board, and active in Civilian Defense and other civic work, as well as director of both his club and of the Chamber of Commerce.

He was nominated, without opposition, as governor of the conference of the 127th district held last April in Abilene, and was formally elected at the 1943 convention of Rotary International in St. Louis, Mo., in May.

Mr. Larmour will visit the Rotary Club to advise and assist President W. F. Pession, Secretary Jack Martin and other officers of the club on matters pertaining to club administration and other Rotary service activities. He is one of the 135 governors of Rotary International who are supervising the activities of 5,100 Rotary Clubs in more than 50 countries throughout the world.

"Sky's the Limit" At Garza Theatre Sunday and Monday

A year ago, if you asked your average hep cat who Freddie Slack was, this would have been his answer:

"He's the guy who makes with the boogie woogie piano for Jimmy Dorsey."

Times have changed. No longer is Mr. Slack playing piano for Dorsey's band. Now, even the youngest student of swing will tell you he runs the band that made "Mr. Five by Five" famous.

So hot has the Slack band become in the short space of a year that Slack and his boys was used in "The Sky's the Limit," starring Fred Astaire and Joan Leslie, showing Saturday night 11:30, Sunday and Monday at the Garza. The two stars dance to Slack's torrid arrangements of special tunes by Johnny Mercer and Harold Arlen.

S. D. Lofton To Preach At Graham Sunday

Bro. S. D. Lofton will fill his regular appointment on the second Sunday in November, the 14th, at the Graham Church of Christ. The public is cordially invited to attend.

Lumber Quota For 4th Quarter Issued Garza County

The Garza county USDA War Board has received the fourth quarter quota of softwood lumber for issuance to producers of this county for essential farm construction. Quota for the month of October, November and December was set at 42,000 feet.

Applications may be placed with the war board whose office is in the Triple A office, or it may be filed with the lumber dealer themselves.

Approvals cannot be granted unless your request be limited to softwood lumber for necessary maintenance and repair or new construction (excluding dwellings) essential to the food production program.

Cotton Picking Half Completed Over This Area

Harvest of the cotton crop in 11 counties in the Lubbock area is estimated to be over 50 percent advanced, with yield considerably higher than was forecast several months ago, according to information supplied by an official representing the joint set-up of the extension service.

The 11 counties are Garza, Lynn, Lubbock, Hockley, King, Yoakum, Gaines, Cochran, Crosby, Dickens and King.

The official expressed belief that the labor supply in the Lubbock area is sufficient to handle the crop. Approximately 17,200 migratory workers are in Crosby, Lubbock, Lynn, Terry, Garza and Hockley counties, he said, pointing out that this figure represents most of the "outside" labor that has come to this area this autumn.

The biggest difficulty now facing the South Plains farmer, it was agreed by the official is the shortage of tires for his automobile, trailers and tractors. "Farmers are getting their cotton in market by some method—we don't know exactly how," the man said. Tire certificates granted by local cotton boards far exceed the number of tires available. It was reported.

The employment service official said some trouble may be forthcoming in getting labor to go over cotton the second time. "The experience on the South Plains has been that migratory labor puts a itching foot for home or another kind of work elsewhere, once it gathers the first crop," he stated.

Rules Announced By OPA On Sugar Stamps 15 and 16

According to District OPA officials an announcement from Washington to the effect that no extension has been granted on sugar stamps 15 and 16 has punctured wide spread rumors that these stamps are still valid. Consumers who did not use stamps 15 and 16 may take their books to their Ration Board where certificates can be issued for sugar up to 10 pounds per person on the basis of unused stamps. Sugar for canning was set up on an annual basis of 25 pounds with the fiscal year ending February 29.

Mrs. Harvey Herd and little son, Tevis, accompanied by John Herd, left Wednesday morning for McCook, Nebraska, where they will join Lt. Harvey Herd for several weeks. Mr. Herd will return here the last of the week.

New Arrivals . . .

Mr. and Mrs. Lloyd Edwards are announcing the arrival of a 7 pound, 4 ounce baby girl on November 4. The new baby was named Carol Ann.

Mr. and Mrs. Ivon Clary are announcing the arrival of a baby boy on Wednesday, Nov. 10 in the South Plains hospital in Lubbock. He was named Richard Thomas and weighed 8 pounds, 11 ounces.

GREEK-TRAGEDY

Only the spirit of this Greek child has escaped the invader's cruel hand. The ravages of famine, followed by tuberculosis, typhoid and dysentery are checked by wholesome food and medical supplies from America made possible by Greek War Relief, a member agency of the National War Fund.

AAA Payments Being Received By Garza Farmers

Garza County has received \$18,737.11 in AAA payments under the 1943 Agricultural Conservation Program to date, stated James A. Boyd, secretary. This amount was distributed over 110 farms or approximately 17% of the farms in Garza county. A large number of applications have been approved by the State Office and are now in the Treasury Department for checks to be prepared.

New Hostess For Algerita Coffee Shop Arrives

Mrs. Dave Taylor of Tulsa, Texas, arrived in Post Tuesday and is to be in charge of the Algerita Coffee shop, according to an announcement from Mr. and Mrs. H. H. Tracy, managers of the hotel. Mrs. Taylor has the personal recommendation of Mr. and Mrs. Tracy and they are happy to announce that she will be hostess of the coffee shop. The new hostess is a woman of charming personality and has had years of experience in operating dining rooms and hotels. She has been a resident of West Texas since about 1905 and has many friends over this area.

"We want to specialize in serving good food," she said. "On Sunday we will feature chicken dinners. With the pleasant and attractive surroundings in the coffee shop and the new equipment the managers have just recently installed, the Algerita Coffee shop should attract a wide patronage. I want to help make it a place you will enjoy and extend a cordial welcome to you to visit the dining room," Mrs. Taylor continued.

Reservations for parties will be welcomed and patrons are invited to plan their parties with Mrs. Taylor.

Cream and Butter Slips Should Be Taken To AAA Office

Garza County producers are urged to bring October cream, milk or butter sales receipts to the AAA office so that an application for subsidy payment may be prepared.

This subsidy payment is being offered under the Dairy Feed program to offset the high cost of feed and all producers who sell cream, whole milk, or butter should take advantage of this offer. The payments are 40 cents per 100 pounds of whole milk, 5 cents per pound of butter fat, 4 cents per pound of butter.

Free Picture Show To Be Given On November 19th

Patrons of the Garza theatre are given the opportunity of seeing one of the outstanding pictures of the current year on next Friday, October 19, when B. J. Edwards, manager of the Garza theatre, opens the doors of the theatre to all persons who are interested. The feature show for this courtesy event will be "Mission to Moscow." The show being shown through the courtesy of Warner Brothers and was made possible through the efforts of the Woman's Culture Club and Mr. Edwards.

All school children over the county and in Post are especially urged to see the picture which has as its background authentic reproductions of scenes in Russia. It is a story of historical value and depicts life and customs as they are practiced in Russia. The leading character, former Congressman Davies, is played by the famous character actor, Walter Huston. Mr. Davies is the husband of Marjorie Post, daughter of the late C. W. Post, who founded this city. Ann Harding plays the part of Marjorie Post Davies. Other top ranking stars will be seen in supporting roles.

The show will begin at 10 o'clock and it has been announced that the Post school children will be dismissed in order that they might see the picture that stresses the good relationship between Russia and the United States.

All persons who have not seen the picture are invited to attend, Mr. Edwards said, and all school children of the county are especially invited.

Missionary From Peru To Speak Here Saturday

A missionary from Peru will speak at the Church of the Nazarene on Saturday night, according to an announcement from the pastor, Rev. A. T. Moore. Everyone is invited to attend the service which will begin at 7:30 o'clock. The speaker is in the United States on a short leave of absence and will return to his post soon. He will have very interesting things to tell his audience.

Enters Marine Corps Nov. 16

Private Archie Henry Nelson, son of John A. Nelson of Post has been ordered to report to the Lubbock Marine Station on November 16, for active duty. Private Nelson will be transferred to the Marine Corps Base at San Diego, Calif. for his 'boot camp' training. Nelson who is 17 years old, enlisted in the Marine Corps Reserve on Oct. 29, 1943.

Mrs. O. B. Herring is spending the week in Abilene and will be returning to her home in Lubbock last Friday morning. He is this week attending conference in Lubbock.

Garza County Falling Short On War Drive

Garza county is falling short on the United War Fund drive. To date only \$1,410.88 has been reported, according to Clint Herring, chairman of the drive for this county. Over a thousand dollars of this amount has been turned in from Post. The quota set for Garza county is \$2,785.00.

The drive will be continued Herring announced until the quota is reached. This is the only drive of this nature with the exception of the Red Cross membership drive that will be conducted. The War Relief Control Board combined all the drives for relief funds in order that citizens would not have to be solicited for the 17 different agencies that the people of the United States are called on to help. You are advised to make your donations now. Turn your gift in to the treasurer, John Herd, at the First National bank or give your contribution to your committee-man in your community. Names of all who are donating their time to the drive were printed last week in the Post Dispatch.

Every person in the county should feel that the drive is their personal responsibility. The needy peoples of the world are looking toward the Americans for help.

Your committee members don't like the task of begging you to give. It is just as much your job as it is theirs so don't wait for some member of the committee to ask you for a contribution, go to the bank and give your gift today.

A million kindnesses are wrapped up in your gift to the United War Fund. It will cover a federation of agencies stretching around the world, and will reach into the lives of our fighting forces, our Allies and their families. A speedier victory, a friendlier understanding will come because the American people care enough to give voluntarily. Giving is fighting too—so do your share!

Methodist To Hear Noted Educator Friday Night

People of Post are invited to attend a special service on Friday night, November 12, in the First Methodist church to hear one of the leading church men of Texas, Dr. J. N. Score. Dr. Score is president of Southwestern University at Georgetown. The noted speaker will be a guest of the church here and will speak in the interest of Christian education program. His widely influential for his citizenship of all phases of education for the young people of Texas and all who hear him will get an inspiration from his talk.

Dr. Score will speak in the interest of the \$1,750,000 Endowment and Building Fund for McMurry college in Abilene, Texas. The college is urging purchase of War Bonds in the name of McMurry to help win the war and preserve the peace.

The service will begin at 8:00 o'clock.

Mrs. Joe W. Griffin of Lubbock Spent Last Week with Her Parents

Mrs. Joe W. Griffin of Lubbock spent last week with her parents, Mr. and Mrs. Jeff Justice, at Junctionburg. Mrs. Griffin will be remembered as the former Shirley June Justice.

Lions Club To Erect Honor Roll For Servicemen

Servicemen of Garza county are to be honored with an Honor Roll bearing their name. Plans which have been in the making were started rolling Tuesday night when Committees announced that everything was now in order for the board to be erected. The Lions club has been making inquiries and investigations for several weeks and it was announced at the regular meeting of the club Tuesday night that materials, labor and a portion of the finances, it will require to get the job done, are now available. Rex Everett, Fate Williams and a corps of efficient committeemen gave the "go" signal for the beginning of the project.

The Honor Roll will be placed on the Court House lawn and will be equipped for lighting. It will be eight feet high and twenty-four feet long with wings to be added if necessary to take care of additional names. The board will cost around \$500.00.

The townspeople and citizens of the county are being asked to assist the Lions club in this project in honor of the boys who are serving in the armed forces. Garza county will give \$100.00 toward the project. Judge J. Lee Bower announced, and each committeeman has pledged \$2.50 toward helping the club get started on the project. Every person in the county should feel that it is a privilege to give to this cause. Donations will be accepted by the secretary of the club beginning now. Skinner Story will make the board which has already been designed and Frank Willis will be engaged to print the names of men on the board.

Files in the Selective Service office have only the names of boys who registered here and a few that have been transferred, so all persons are asked to help compile names of boys from this county who are in service but who enlisted in other places. The Lions are anxious to get this information as quickly as possible so spaces on the board can be arranged. "Don't wait if you know a boy in service who calls Garza county his home, turn it in today to the secretary of the Lions club," Wilbur Love, president advised.

A patriotic program was enjoyed following the supper. Mrs. Sweeney Slaughter had charge of the music and N. C. Outlaw gave a patriotic talk.

Garza County Ships 50 Carloads Grain To Southern Markets

Garza county, according to information gathered from Earl Rogers, has shipped out approximately 50 carloads of grain to the feed markets of the Southwest.

Combine maize, proving a major crop for Garza county farmers, has been bringing an average price of \$1.70 to \$2.00 per hundred pounds. Cars average 100,000 pounds to the carload.

About one fourth of the acreage is yet to be shipped, Rogers said. Cars are not available for shipping the grain from this county. The grain crop is estimated to be the most profitable one to the farmers this year.

Names Of Servicemen Wanted

The Lions club of Post is making up an Honor Roll of all men in the armed services in Garza county for the purpose of having it painted on a board on the Court House lawn.

The club is proud of all these boys and know that you are too and would like to have their names on the roll. A list of boys who have registered here is available but many boys from this county registered in other towns and perhaps this county does not have credit for them. Don't expect the secretary of the Lions club to remember that your boy once lived here and should be on the roll . . . he might forget it, or maybe doesn't know how to spell his name. Send in the proper information to Lions club, Box 644, Post, Texas.

Remember, that if your son's name, your brother's name or your husband's name does not appear on the Honor Roll, it will be your fault. Send information in today!

With The Men In Service

Graduates From Airplane Mechanics School

Sgt. Elvin H. McCampbell of Post, whose wife and son also live here, has graduated from an intensive course in airplane mechanics and is now prepared to join the ranks of "coverall commandos" who keep our American planes aloft. Sheppard Field, near Wichita Falls, Texas, is one of the largest schools of the Army Air Forces Technical Training Command, training specialist technicians for the ground crews which "Keep 'Em Flying."

Sgt. McCampbell entered the service April 18, 1941 at Randolph Field where he served 19 months transferring then to Miami Beach, Florida, where he served 5 months. He was in the training school at Sheppard Field for 5 months.

Buy a War Bond today!

Receives News Of Sons In Service

Mrs. M. C. Hodges has received word from her boys in service. Sgt. Clyde F. Hodges is now in Italy. He is seeing some beautiful country and is taking quite a number of pictures.

Sgt. Carroll D. Hodges wrote that he has seen most of North Africa, and it looks as if he will be seeing some other country before long. He has received another promotion and is now Staff Sergeant.

Promoted To Lieutenant

Merrell Harper is now a Second Lieutenant in the army air corps. He was graduated as a bombardier from Victorville Army Flying School, Victorville, Calif., Oct. 23. He was transferred for operational training to Salt Lake City, Utah. His wife and daughter are with him and enjoying the deep snow.

Merrell recently wrote his parents, Mr. and Mrs. Luther Harper, of Gatesville, Texas, a letter while he was on a mission at an altitude of 10,000 feet.

If matters not how a man dies, but how he lives.—Samuel Johnson.

James Hurt Writes From England

James Hurt, who is stationed in England, sent an interesting letter to his parents, Mr. and Mrs. F. B. Hurt, this week. He had just returned from a trip to London and describes some of the things he saw and did in the following excerpts from his letter: "I had a grand time. I saw some of the things I always wanted to see, such as Buckingham Palace, Hyde Park and Piccadilly Circus. Hyde Park is a big beautiful place, seems like it is as big as Texas. I saw them change guards at Buckingham Palace.

Piccadilly circus is about the same as Broadway in New York. I sure would like to see Piccadilly in pre-war days. I imagine it is a shade fast. I went to a couple of good dances too. Some awful pretty women here too. They are quite alright too. They ask us to dance instead of us asking them. And jitterbug—did you say. I mean they wiggle like worms. I have danced everything but Hop Scotch since I've been in England.

I ran into Capt. Harry Jacobson in London and talked for awhile with him. I haven't seen Glendon Preason as yet. We can't seem to make connections. But I hope I can see him soon.

I received two letters from you and one from Marg today. I will have to write you both in this letter for I am pushed for time.

How is Frank, Denny and all? Don't send me anything for Christmas cause all I want is the war to be over. There isn't anything I need.

Thanks for buying the bonds, that helps everything.

Well I am out of news so answer real soon.

All my love,
James

Cash Twins Still Together While Serving Uncle Sam

Sgt. Wilburn and Sgt. Milburn Cash, better known as 'Mink' and 'Wink', are again stationed at San Bernardino, California. They were in the desert at Blythe, Calif., during the summer when the temperature there was 140 degrees but not in the shade. They said there were not any trees except those that had been planted. They moved from Blythe to Muroc, Calif., and their work was the same as at Blythe, on P-38 airplanes. Muroc isn't such a bad place to be they said for they got two days off every two weeks and a three day furlough once a month, but "deserts are deserts, and we are glad to get back to our good old San Bernardino, Calif. and see our buddies we left there." The twins have never been separated and still work together.

Buy a War Bond today!

Southland News

Mrs. Marvin Truelock, Correspondent

October 7th was Rev. E. C. Armstrong's last Sunday in Southland, unless the conference sends him back. Even though the day was unusually cold, there were 59 out to the Methodist Sunday school and 30 were present that night. Part of the crowd stayed and sang about an hour after church.

The Bishop has realized his wish of moving the date of conference to the middle of the week rather than the week end. It will convene Tuesday until Friday. If the conference chooses to send our Methodist pastor elsewhere, his many friends, both of that denomination and others, will be sad at the parting.

Third Sunday is Annual Mission Festival Day at the Lutheran church.

Two weeks ago, Mrs. Ray Robinson's sister, Mrs. Troy Moore and husband and son of Cooper, moved to the farm formerly occupied by Weldon McGeehee.

Sunday all of the A. F. Davies children were at home. These were Mrs. Blanton Martin and husband of Bryan, Mrs. Fred Davies and daughter of Ft. Worth, Mrs. A. M. Spikes and family of Lubbock, Mrs. Woodrow Locklear and family of Post, Mrs. Grady King and family of Southland Winston Davies and family, Kenneth Davies and family of Southland and Misses Olive Davies of Hardin-Simmons University, and Eunice Davies of Midland Airport.

Mr. and Mrs. Roy Holt and daughter left Saturday for Houston to see his sailor brother, whom he has not seen in two years.

Mrs. A. J. Priddy of Coleman, will extend her visit with her daughter until after the letter's son S/Sgt. Herbert Row stationed at Boca Raton Field, Fla., comes home.

Last Sunday Mrs. J. T. Sommons two sons visited her; John Gibbs and wife of Lubbock, who has recently been transferred to the S. W. Investment Company from Phoenix, Ariz. and Lt. L. Harvey Gibbs, flight instructor at Wickenburg, Ariz., who had just flown to Macon, Ga., to bring back his wife and two daughters, Sandra and Beverly, who were visiting there.

Friends and relatives visiting the John Leakes while their daughter and son were here were: the R. R. Jones, the R. H. Jones, the Bob Jones, Mr. and Mrs. T. H. Basinger and family, Joe Leake and family of Wilson, Mrs. J. B. Jones and Mrs. J. Jenkins.

Friday evening the first match football game of the season was played here with Slaton. The junior team defeated the visitors by one point and senior score was 10-15 in our favor.

Mr. and Mrs. L. B. Mathis and granddaughter, Carolyn Sue Basinger, spent Sunday in their former home, Sundown.

Mrs. H. R. Stotts has a novel idea for raising money for her Primary room to purchase instruments for a rhythm band. The pupils have a "traveling rummage sale," they have taken the articles to the cotton pickers and have already made \$6. No price is set on the clothing—the purchaser pays what he thinks the article is worth.

Mrs. Robert Lee Hagler and children and Miss Velma Hagler returned Wednesday from a visit to the Turner's parents in Clifton, Ariz.

Mrs. Frank Fletcher writes from Liberal, Kansas, that their family is still homesick for the Plains.

About 25 grade school pupils met at school Monday to practice singing. As the day before was so cold, only eight were present at the Baptist church so the singing was postponed for 2 weeks. Mrs. R. O. Rankin has consented to be the pianist. The Methodist pastor has invited them to sing at his church at any time. About seven Lutheran Sunday school pupils were present but third Sunday is their Annual Mission Festival.

James Minor Receives Promotion To Captain

Word has been received here that James Minor, husband of the former Marion Lee Mason, has been promoted to the rank of Captain. Minor is with General Clark's 8th army in Italy and was a member of the first invasion forces that landed at Salerno. Minor received his Captain's bars early in October but Mrs. Minor did not know of his promotion until recently. Mrs. Minor who has been visiting her parents here has gone back to Lubbock.

Pfc. John B. Preston who is stationed at Fort Benning, Georgia, visited in the home of his parents from Thursday until Sunday night. He returned via Dublin to visit relatives before reporting back to camp.

The land area of Russia is greater than that of the entire North American continent.

IMPROVED SUNDAY SCHOOL LESSON

By RABBI D. L. LUNOVIST, D. D. Of The Hebrew Institute of Chicago. Released by Western Newspaper Union

Lesson for November 14

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

THE SANCTITY OF THE HOME

LESSON TEXT—Exodus 20:14; Matthew 5:27-30; Mark 10:2-12.

GOLDEN TEXT—Blessed are the pure in heart; for they shall see God.—Matthew 5:8.

As the divinely appointed center of man's life, the home holds a place of such importance that it is the special target of Satan's offensive. That has always been true, but it seems that in recent years the onslaught against the home has been intensified.

Books, plays, movies, magazines, all contribute their filthy efforts to break down all sense of moral responsibility. Sex is magnified, and not in any useful or normal sense, but rather for the stimulating of unholy desires and purposes, the breaking down of Christian standards of living, and the ultimate prostitution of the most sacred of all human relationships to the lowest level of which animals might well be ashamed.

All this means that this lesson should be taught with a holy boldness and plainness which will make it effective for God in our homes.

We do not like to talk about adultery and related sins. We must speak with care and tact, but perhaps the time has come for some straightforward dealing with an unpleasant situation.

I. Protect the Purity of the Home (Exod. 20:14; Matt. 5:27-30)

Any violation of the divine plan for the marriage of one man and one woman, in loving communion for the founding and maintenance of the home, is a direct violation of the law of God.

It is also a violation of the law of man. It brings serious results in the destruction of the home, and in the ruin of individual life—physical, moral, and spiritual.

The words of Jesus broaden the interpretation of the commandment to cover all sexual impurity in thought, word, or deed.

We are to be firm and definite in our dealing with this temptation to moral uncleanness even though it be as painful as tearing out an eye or losing a hand. The command here is not necessarily to be interpreted literally. Tearing out an eye will not help if there is lust in the heart. The point is, go to the root of the matter, and get rid of it even if it hurts. Most of us are far too easy on our sinful impulses. We dally with them when we should destroy them.

II. Recognize Marriage as a Divine Institution (Mark 10:2-8)

The Pharisees, who had devised some ingenious schemes for getting rid of an undesired wife, wanted to get Jesus involved in the question. They put him up against Moses who had allowed divorce.

Jesus made it clear that this was not in accord with God's plan and only took place because of their sinful hardness of heart.

As a proper background for the discussion of divorce He set up the divine origin of marriage. He made it clear that marriage was ordained by God, and that it involves a holy union of two individuals which makes them one.

All those who look forward to marriage should realize that it is not a casual thing, or a merely temporary legal contract. It is a union for life—be it for better or worse, in sickness or health, in prosperity or adversity. All who are married should highly regard their sacred vows.

The high place of marriage in Christian teaching dignifies that relationship and denials the misleading and destructive theories of men.

III. Follow God's Law on Divorce (Mark 10:9-12)

Failure to observe God's law in these matters may involve a person in the guilt of gross sin. This passage and others teach that divorce is to be permitted on the one ground of adultery (Matt. 5:32).

Divorce and remarriage other than on grounds permitted by God involves the parties in the sin of adultery. Men may make laws based on the civil contract of marriage which provide differently, but man cannot remove marriage from its place as a divine institution, nor can he add to or take away from God's law concerning it.

Aware, as we are, of the laxness of some branches of the church in such matters, and the almost entire lack of standards in the world, we cannot but present the plain teachings of our Lord and urge every reader to follow the commandment of God's Word.

There can be no question that divorce is a major evil in our day. Statistics are positively shocking, but they are cold and quickly forgotten. But who can fail to see, and who can forget, the awful evil brought into American home life by divorce?

Bad as it is, the awful effect on parents is nothing compared to the nervous, moral and spiritual shock which comes to children in broken homes. And that problem is everywhere.

Southland Boys In Service

Wm. Noel Oats of Camp Hulen, Texas, was recently promoted to Corporal.

Warrant Officer James S. Hendrix and wife spent from Thursday night to Saturday morning here visiting her parents, Mr. and Mrs. J. C. Lenke and other relatives. This soldier was being transferred from Mather Field, Calif., to Ellington Field, Texas.

Mrs. Hendrix's brother, Pvt. Bobbie C. Lenke and wife of Camp Claiborne, La., also arrived Thursday night to stay until next Wednesday.

Friday Mrs. J. V. Young received a card written at Albuquerque, N. M. by Naval recruit, Norman Bedford. His destination is probably San Diego.

Cpl. Billy Parker, who is stationed at Liberal, Kansas, arrived home Thursday for a 15-day furlough with his parents, the E. F. Parkers.

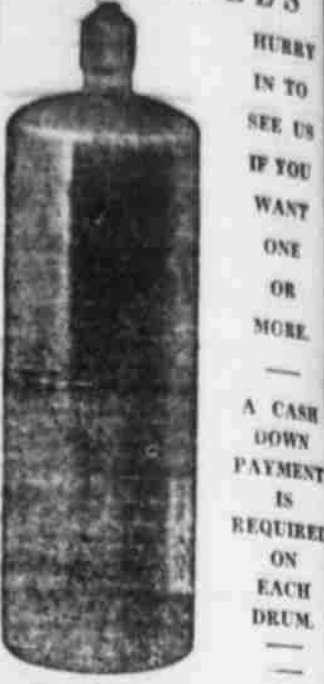

M/Sgt. Charles Sokoll, Jr., surprised his family Saturday morning when he stepped upon the back porch. He is on his way to Tucson, Ariz. and will be here about ten days.

S/Sgt. Fred Fletcher writes: Boy, we had a good shaking down the other night. About midnight a couple nights ago (Oct. 24) the granddaddy of all earthquakes cut loose here. For one time I'm glad we are living in bamboo shacks. From the looks of some of the brick buildings this country has—did have—the third little one who built his house in India out of bricks had too much dew on his brain. One guy woke up and took a flying leap right through the window of his bashed (bamboo shack) taking window, screen, and all with him. . . . don't get me wrong, there's no glass in these windows.

Pfc. Ralph Cockrell spent the weekend with his mother, Mrs. Vera Cockrell. He is stationed at Dodge City, Kansas. He recently transferred to the Army Air Corps and has gone in for pilot training.

The economic life of a New York newspaper is estimated at 30 cents.

Hazel Louise Cash, Reporter

Honor Roll For First Six Weeks

Seniors: Janell Buster, Johnnie Ruth Cato, Wilma Dixon, Mary Margaret Duckworth, Olene Gerner, Mary Margaret Graham, Jeff Justice, Marshall Mason, Melba Miller, Zora Ann Outlaw, Cecil Truell, Betty Williams and Donald Windham.

Juniors: Carroll Bowen, De Alva Darden, Lona Lois Hunt, Billie June Robinson, Imogene Preston, Bobbie Cash, Norma Joy Hud-

William Howard Transferred

William R. Howard, fireman 1c, was transferred on the 20th to Submarine Division of the Navy. He will remain on the West Coast for several weeks for special training.

man, Iris Joy Parker, Don Shirley and Wanda Thomas.

Sophomores: Nora Jo Blacklock, Harriet Dietrich, Leona Hulsey, Mary Etta Norman, Alarah Pierce and Joy Shepherd.

Freshmen: Lavena Carpenter, Betty Kennedy, Alma Outlaw and June Taylor.

8th Grade— Viola King, Bonnie Ann Bowen, Helen Thaxton, Edith Williams, Winifred Anderson, Billie Louise Nichols and Margie Edwards.

Betty Williams had the highest average with a grade of 96.30.

Senior Personality

The Senior of the week is Wilma Dixon, a new student at PHS. She lived in Snyder all her life prior to moving to Post this past summer. She is a hard worker and makes grand grades. She was born on November 8, 1926 and has brown hair and eyes.

Guess Who???

He was born February 18, 1928. He is a member of the Junior class. He has brown hair and eyes. He makes average grades and has a very peculiar laugh. Who is he? Last week's personality was Melba Jo Miller.

Miscellaneous

A library club was organized last Friday. There are twelve members and more are expected to join. Alene Gerner was elected president; Melba Jo Miller, Secretary and Mrs. Esma Cash is sponsor. It is a club of librarians and was organized to promote a better library for our school.

By the way did you hear about the cow which ate some Kentucky blue grass and Moo'd Indigo?

Yes, that one smelled but maybe you can stand this one. Kadeak, the Eskimo, was sitting on a cake of ice telling a story. He finished and got up. "My tale is told," he said.

Well . . . just must run along—so G'bye.

WAR DECLARED ON CATTLE GRUBS

A NATION-WIDE CONTROL CAMPAIGN IS NOW ON EVERYONE WHO OWNS A COW IS URGED TO VOLUNTEER THE ARMED FORCES NEED MEAT, MILK AND HIDES A LARGE INCREASE IN PRODUCTION IS NEEDED STOP THE TAX THE CATTLE GRUB IMPOSES ON YOU THE CONTROL IS SIMPLE, INEXPENSIVE AND EFFECTIVE

Cattle Grubs

By Wallace Kimbrough, County Agent of Texas A. & M. College Extension Service

Of the two million cattle slaughtered in Texas each year 840,000 are grubby . . . an average of two pounds of meat trimmed from each grubby carcass, and after trimming, the loins and ribs are devalued two cents per pound. This trimming causes a loss of 1,680,000 pounds of Texas beef, enough to feed 4,600 soldiers for one year. Cattle grubs cut holes through the thickest, best part of the hide causing a reduction of one cent per pound and the loss of enough leather to furnish shoes for one million soldiers one year. Grubs cause an average loss of \$3.86 per "Grubby Animal" in the packing house alone and as a result these animals are devalued from one-half to one and one-half cents per pound on the market. The packing plant will not take this loss, therefore, the producer of the cattle must stand the loss.

In addition to the meat and leather losses, heel flies and grubs cause as much as 25 per cent reduction in milk production in dairy cows and other indefinite losses that are difficult to estimate. The total loss to cattle producers in Texas amounts to about five million dollars every year.

There is a simple, inexpensive and effective treatment for every herd, regardless of how large or how small the herd might be.

This tremendous loss caused by cattle grubs can be prevented. Check the backs of your cattle. If they have knots about the size of the end of your finger or larger, squeeze out one of the grubs, if it is turning brown or dark it is time to start treating. Those that drop out will make heel flies next spring and will lay eggs starting another bunch of grubs. Too the heel flies will run your cattle at this time when they are in their poorest condition after coming through the winter.

If you are interested in controlling the heel flies and grubs you must do it at this time of the year. There is no other time when you have the chance to work on this saboteur. The 4-H Club Boys are now working on this program and will be happy to assist their neighbors with this program. Get in touch with your County Agent and he will give you the informa-

tion and will be able to assist you on this work. Save \$3.86 per head less cost of materials which will run from five to eight cents for three applications if that many is needed. Too beef, leather and milk is needed, they can be saved.

THANK YOU . . .

Mrs. T. L. Jones wishes to express thanks to the fine group of girls and women who assisted in the recent Poppy sale. Poppies are sold each year by the American Legion Auxiliary and the proceeds from the sales are given to the soldiers who are in the Veterans hospitals over the nation.

Miss Moriory Smith of San Antonio visited her mother last week.

YOUR GOVERNMENT ASKS YOU TO USE LESS GAS

and Help Keep War Plants Humming

HERE IS HOW YOU CAN HELP

1. Winterize your home by insulation, weather stripping, caulking and storm windows if possible.
2. Close off all unused rooms.
3. Keep home temperatures as low as possible.
4. Reduce temperatures to 55 degrees at night and when home is not occupied.
5. Do not use range ovens or top burners for room heating.
6. Save gas in other ways which will occur to you.

The natural gas that heats your home and fries your breakfast bacon is used also for many vital war purposes. Pipe lines to transport it are over-taxed. New materials cannot be secured to bring you all that is required for unrestrained consumption.

The conservation of gas is the home-front duty of every man, woman and child, at home or at place of business. Uncle Sam is counting on you to do your part.

WEST TEXAS GAS COMPANY

PUBLISHED IN SUPPORT OF THE GOVERNMENT'S PROGRAM TO CONSERVE VITAL FUELS FOR WAR PURPOSES

USED FURNITURE

"If You Want It, We Have It"

Gas Cook Stoves

We have a fairly good assortment of Good Used Gas Cook Stoves.

Oil Cook Stoves

All medium prices—In good condition.

With The Men In Service

Graduates From Airplane Mechanics School

Sgt. Elvin H. McCampbell of Post, whose wife and son also live here, has graduated from an intensive course in airplane mechanics and is now prepared to join the ranks of "overall commandos" who keep our American planes aloft. Sheppard Field, near Wichita Falls, Texas, is one of the largest schools of the Army Air Forces Technical Training Command, training specialist technicians for the ground crews which "Keep 'Em Flying."

Sgt. McCampbell entered the service April 18, 1941 at Randolph Field where he served 19 months transferring then to Miami Beach, Florida, where he served 5 months. He was in the training school at Sheppard Field for 5 months.

Buy a War Bond today!

Receives News Of Sons In Service

Mrs. M. C. Hodges has received word from her boys in service. Sgt. Clyde F. Hodges is now in Italy. He is seeing some beautiful country and is taking quite a number of pictures.

Sgt. Carroll D. Hodges wrote that he has seen most of North Africa, and it looks as if he will be seeing some other country before long. He has received another promotion and is now Staff Sergeant.

Promoted To Lieutenant

Merrell Harper is now a Second Lieutenant in the army air corps. He was graduated as a bombardier from Victorville Army Flying School, Victorville, Calif., Oct. 23. He was transferred for operational training to Salt Lake City, Utah. His wife and daughter are with him and enjoying the deep snow.

Merrell recently wrote his parents, Mr. and Mrs. Luther Harper, of Gatesville, Texas, a letter while he was on a mission at an altitude of 19,000 feet.

It matters not how a man dies, but how he lives.—Samuel Johnson.

James Hurt Writes From England

James Hurt, who is stationed in England, sent an interesting letter to his parents, Mr. and Mrs. S. B. Hurt, this week. He had just returned from a trip to London and describes some of the things he saw and did in the following excerpts from his letter: "I had a grand time. I saw some of the things I always wanted to see, such as Buckingham Palace, Hyde Park and Piccadilly Circus. Hyde Park is a big beautiful place, seems like it is as big as Texas. I saw them change guards at Buckingham Palace.

Piccadilly Circus is about the same as Broadway in New York. I sure would like to see Piccadilly in pre-war days. I imagine it is a shade fast. I went to a couple of good dances too. Some awful pretty women here too. They are quite alright too. They ask us to dance instead of us asking them. And bitterbug—did you say. I mean they wiggle like worms. I have danced everything but Hop Scotch since I've been in England.

I ran into Capt. Harry Jacobson in London and talked for awhile with him. I haven't seen Glendon Pearson as yet. We can't seem to make connections. But I hope I can see him soon.

I received two letters from you and one from Marg today. I will have to write you both in this letter for I am pushed for time.

How is Frank, Denny and all? Don't send me anything for Christmas cause all I want is the war to be over. There isn't anything I need.

Thanks for buying the bonds, that helps everything.

Well I am out of news so answer real soon.

All my love,
James

Cash Twins Still Together While Serving Uncle Sam

Sgt. Wilburn and Sgt. Milburn Cash better known as "Mink" and "Wink," are again stationed at San Bernardino, California. They were in the desert at Blythe, Calif., during the summer when the temperature there was 140 degrees but not in the shade. They said there were not any trees except those that had been planted. They moved from Blythe to Murco, Calif., and their work was the same as at Blythe, on P-38 airplanes. Murco isn't such a bad place to be they said for they got two days off every two weeks and a three day furlough once a month, but "deserts are deserts, and we are glad to get back to our good old San Bernardino, Calif. and see our buddies we left there." The twins have never been separated and still work together.

Friends and relatives visited the John Leakes while their daughter and son were here: the R. R. Jones, the R. H. Jones, the Bob Jones, Mr. and Mrs. T. H. Bassinger and family, Joe Leake and family of Wilson, Mrs. J. B. Jones and Mrs. J. Jenkins.

Friday evening the first match football game of the season was played here with Slaton. The junior team defeated the visitors by one point and senior score was 10-15 in our favor.

Mr. and Mrs. L. B. Mathis and granddaughter, Carolyn Sue Basinger, spent Sunday in their former home, Sundown.

Mrs. H. R. Stotts has a novel idea for raising money for her Primary room to purchase instruments for a rhythm band. The pupils have a "traveling rummage sale" they have taken the articles to the cotton pickers and have already made \$6. No price is set on the clothing—the purchaser pays what he thinks the article is worth.

Mrs. Robert Lee Hagler and children and Miss Velma Hagler returned Wednesday from a visit to the former's parents in Clifton, Ariz.

Mrs. Frank Fletcher writes from Liberal, Kansas, that their family is still homesick for the Plains.

About 25 grade school pupils met at school Monday to practice singing. As the day before was an cold, only eight were present at the Baptist church so the singing was postponed for 2 weeks. Mrs. R. O. Rankin has consented to be the pianist. The Methodist pastor has invited them to sing at his church at any time. About seven Lutheran Sunday school pupils were present, but third Sunday is their Annual Mission Festival.

James Minor Receives Promotion To Captain

Word has been received here that James Minor, husband of the former Marian Lee Mason, has been promoted to the rank of Captain. Minor is with General Clark's 5th army in Italy and was a member of the first invasion forces that landed at Salerno. Minor received his Captain's bars early in October but Mrs. Minor did not know of his promotion until recently. Mrs. Minor who has been visiting her parents here has gone back to Lubbock.

Pfc. John B. Preston who is stationed at Fort Benning, Georgia, visited in the home of his parents from Thursday until Sunday night. He returned via Dublin to visit relatives before reporting back to camp.

The land area of Russia is greater than that of the entire North American continent.

Southland News

Mrs. Marvin Truelock,
Correspondent

October 7th was Rev. E. C. Armstrong's last Sunday in Southland, unless the conference sends him back. Even though the day was unusually cold, there were 59 out to the Methodist Sunday school and 38 were present that night. Part of the crowd stayed and sang about an hour after church.

The Bishop has realized his wish of moving the date of conference to the middle of the week rather than the week end. It will convene Tuesday until Friday. If the conference chooses to send our Methodist pastor elsewhere, his many friends, both of that denomination and others, will be sad at the parting.

Third Sunday is Annual Mission Festival Day at the Lutheran church.

Two weeks ago, Mrs. Roy Robinson's sister, Mrs. Troy Moore and husband and son of Cooper, moved to the farm formerly occupied by Waldon McGeehee.

Sunday all of the A. F. Davies children were at home. These were Mrs. Blanton Martin and husband Bryan, Mrs. Fred Davis and daughter of Ft. Worth, Mrs. A. M. Sulkes and family of Lubbock, Mrs. Woodrow Locklear and family of Southland Winston Davies and family, Kenneth Davies and family of Southland and Misses Olive Davies of Hardin-Simmons University, and Eulalie Davies of Midland Airport.

Mr. and Mrs. Roy Holt and daughter left Saturday for Houston to see his sailor brother, whom he has not seen in two years.

Mrs. A. J. Priddy of Coleman, will extend her visit with her daughter until after the latter's son, S/Sgt. Herbert Row stationed at Boca Raton Field, Fla., comes home.

Last Sunday Mrs. J. T. Simmons two sons visited her: John Gibbs and wife of Lubbock, who has recently been transferred to the S. W. Investment Company from Phoenix, Ariz., and 1st Lt. Harvey Gibbs, flight instructor at Wickenburg, Ariz., who had just flown to Macon, Ga., to bring back his wife and two daughters, Sandra and Beverly, who were visiting there.

Friends and relatives visited the John Leakes while their daughter and son were here: the R. R. Jones, the R. H. Jones, the Bob Jones, Mr. and Mrs. T. H. Bassinger and family, Joe Leake and family of Wilson, Mrs. J. B. Jones and Mrs. J. Jenkins.

Friday evening the first match football game of the season was played here with Slaton. The junior team defeated the visitors by one point and senior score was 10-15 in our favor.

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LINCOLN, D. D., Of The Moody Bible Institute of Chicago, Released by Western Newspaper Union.

Lesson for November 14

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

THE SANCTITY OF THE HOME

LESSON TEXT—Exodus 20:14; Matthew 5:27-30; Mark 10:2-12.
GOLDEN TEXT—Blessed are the pure in heart: for they shall see God.—Matthew 5:8.

As the divinely appointed center of man's life, the home holds a place of such importance that it is the special target of Satan's offensive. That has always been true, but it seems that in recent years the onslaught against the home has been intensified.

Books, plays, movies, magazines, all contribute their filthy efforts to break down all sense of moral responsibility. Sex is magnified, and not in any useful or normal sense, but rather for the stimulating of unholy desires and purposes, the breaking down of Christian standards of living, and the ultimate prostitution of the most sacred of all human relationships to the lowest level of which animals might well be ashamed.

All this means that this lesson should be taught with a holy boldness and plainness which will make it effective for God in our homes.

We do not like to talk about adultery and related sins. We must speak with care and tact, but perhaps the time has come for some straightforward dealing with an unpleasant situation.

I. Protect the Purity of the Home (Exod. 20:14; Matt. 5:27-30).

Any violation of the divine plan for the marriage of one man and one woman, in loving communion for the founding and maintenance of the home, is a direct violation of the law of God.

It is also a violation of the law of man. It brings serious results in the destruction of the home, and in the ruin of individual life—physical, moral, and spiritual.

The words of Jesus broaden the interpretation of the commandment to cover all sexual impurity in thought, word, or deed.

We are to be firm and definite in our dealing with this temptation to moral uncleanness even though it be as painful as tearing out an eye or losing a hand. The command here is not necessarily to be interpreted literally. Tearing out an eye will not help if there is lust in the heart. The point is, go to the root of the matter, and get rid of it even if it hurts. Most of us are far too easy on our sinful impulses. We dally with them when we should destroy them.

II. Recognize Marriage as a Divine Institution (Mark 10:2-8).

The Pharisees, who had devised some ingenious schemes for getting rid of an undesired wife, wanted to get Jesus involved in the question. They put him up against Moses who had allowed divorce.

Jesus made it clear that this was not in accord with God's plan and only took place because of their sinful hardness of heart.

As a proper background for the discussion of divorce He set up the divine origin of marriage. He made it clear that marriage was ordained by God, and that it involves a holy union of two individuals which makes them one.

All those who look forward to marriage should realize that it is not a casual thing, or a merely temporary legal contract. It is a union for life—be it for better or worse, in sickness or health, in prosperity or adversity. All who are married should highly regard their sacred vows.

The high place of marriage in Christian teaching dignifies that relationship and denials the misleading and destructive theories of men.

III. Follow God's Law on Divorce (Mark 10:9-12).

Failure to observe God's law in these matters may involve a person in the guilt of gross sin. This passage and others teach that divorce is to be permitted on the one ground of adultery (Matt. 5:32).

Divorce and remarriage other than on grounds permitted by God involves the parties in the sin of adultery. Men may make laws based on the civil contract of marriage which provide differently, but man cannot remove marriage from its place as a divine institution, nor can he add to or take away from God's law concerning it.

Aware, as we are, of the laxness of some branches of the church in such matters, and the almost entire lack of standards in the world, we cannot but present the plain teachings of our Lord and urge every reader to follow the commandment of God's Word.

There can be no question that divorce is a major evil in our day. Statistics are positively shocking, but they are cold and quickly forgotten. But who can fail to see, and who can forget, the awful woe brought into American home life by divorce.

Bad as it is, the awful effects on parents is nothing compared to the nervous, moral and spiritual shock which comes to children in broken homes. Aid that problem is everywhere.

Southland Boys In Service

Wm. Noel Oats of Camp Hulen, Texas was recently promoted to Corporal.

Warrant Officer James S. Hendrix and wife spent from Thursday night to Saturday morning here visiting her parents, Mr. and Mrs. J. C. Leake and other relatives. This soldier was being transferred from Mather Field, Calif. to Ellington Field, Texas.

Mrs. Hendrix's brother, Pvt. Bobbie C. Leake and wife of Camp Claiborne, La., also arrived Thursday night to stay until next Wednesday.

Friday Mrs. J. V. Young received a card written at Albuquerque, N. M. by Naval recruit, Norman Bedford. His destination is probably San Diego.

Cpl. Billy Parker, who is stationed at Liberal, Kansas, arrived home Thursday for a 15-day furlough with his parents, the E. F. Parkers.

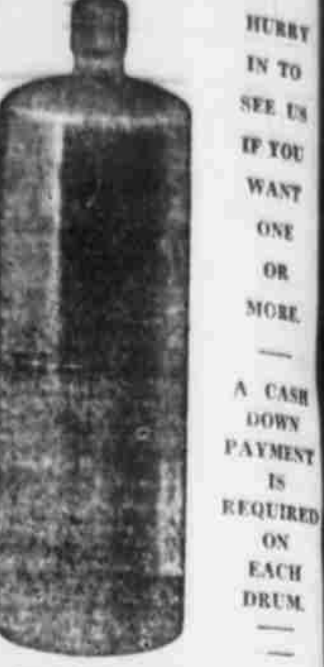

M/Sgt. Charles Sokoll Jr., surprised his family Saturday morning when he stepped upon the back porch. He is on his way to Tucson, Ariz. and will be here about ten days.

S/Sgt. Fred Fletcher writes: Boy, we had a good shaking down the other night. About midnight a couple nights ago (Oct. 24) the granddaddy of all earthquakes cut loose here. For one time I'm glad we are living in bamboo shacks—some of the folks of some of the brick buildings this country has—did have—the third little one who built his house in India out of bricks had too much dew on his brain. One guy woke up and took a flying leap right through the window of his bushie (bamboo shack) taking window, screen, and all with him... don't get me wrong, there's no glass in these windows.

Pfc. Ralph Cookrell spent the weekend with his mother, Mrs. Vera Cookrell. He is stationed at Dodge City, Kansas. He recently transferred to the Army Air Corps and has gone in for pilot training.

The economic life of a New York newspaper is estimated at 20 years.

Well... just must run along—so G'bye.

Cattle Grubs

By Wallace Kimbrough, County Agent of Texas A. & M. College Extension Service

Of the two million cattle slaughtered in Texas each year 840,000 are grubby... an average of two pounds of meat trimmed from each grubby carcass, and after trimming, the loins and ribs are devalued two cents per pound. This trimming causes a loss of 1,680,000 pounds of Texas beef, enough to feed 4,600 soldiers for one year. Cattle grubs cut holes through the thickest, best part of the hide causing a reduction of one cent per pound and the loss of enough leather to furnish shoes for one million soldiers one year. Grubs cause an average loss of \$3.86 per "Grubby Animal" in the packing house alone and as a result these animals are devalued from one-half to one and one-half cents per pound on the market. The packing plant will not take this loss, therefore, the producer of the cattle must stand the loss.

In addition to the meat and leather losses, heel flies and grubs cause as much as 25 per cent reduction in milk production in dairy cows and other indefinite losses that are difficult to estimate. The total loss to cattle producers in Texas amounts to about five million dollars every year.

There is a simple, inexpensive and effective treatment for every herd, regardless of how large or how small the herd might be.

This tremendous loss caused by cattle grubs can be prevented. Check the backs of your cattle. If they have knots about the size of the end of your finger or larger, squeeze out one of the grubs, if it is turning brown or dark it is time to start treating. Those that drop out will make heel flies next spring and will lay eggs starting another bunch of grubs. Too the heel flies will run your cattle at this time when they are in their poorest condition after coming through the winter.

If you are interested in controlling the heel flies and grubs you must do it at this time of the year. There is no other time when you have the chance to work on this saboteur. The 4-H Club Boys are now working on this program and will be happy to assist their neighbors with this program. Get in touch with your County Agent and he will give you the informa-

tion and will be able to assist you on this work. Save \$3.86 per head less cost of materials which will run from five to eight cents for three applications if that many is needed. Too beef, leather and milk is needed, they can be saved.

THANK YOU...

Mrs. T. L. Jones wishes to express thanks to the fine group of girls and women who assisted in the recent Puppy sale. Puppies are sold each year by the American Legion Auxiliary and the proceeds from the sales are given to the soldiers who are in the Veterans hospitals over the nation.

Miss Morley Smith of San Antonio visited her mother last week.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or it Will Cost You Nothing. Over two million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. Sold on 15 days' trial. Ask for "Willard's Message" which fully explains this treatment—free—at O. G. HAMILTON DRUG

Mrs. Delmo Gossett of Bryan, Texas, is visiting her parents, Mr. and Mrs. L. P. Kennedy.

Bill Brickley of Camp Carson, Colorado, visited friends here over the week end. He was en route to Brownwood to visit his mother.

Mrs. James Minor and little son, Jimmie, have returned to Lubbock after spending a short while here with Mr. and Mrs. M. L. Mason.

Mrs. Bill Edwards left early last week for Paris, Texas, where she was to have met her husband, S-Sgt. Bill Edwards, who is to be stationed at Camp Maxey.

YOUR GOVERNMENT ASKS YOU TO USE LESS GAS

and Help Keep War Plants Humming

HERE IS HOW YOU CAN HELP

1. Winterize your home by insulation, weather stripping, caulking and storm windows if possible.
2. Close off all unused rooms.
3. Keep home temperatures as low as possible.
4. Reduce temperatures to 55 degrees at night and when home is not occupied.
5. Do not use range ovens or top burners for room heating.
6. Save gas in other ways which will occur to you.

The natural gas that heats your home and fries your breakfast bacon is used also for many vital war purposes. Pipe lines to transport it are over-taxed. New materials cannot be secured to bring you all that is required for unrestrained consumption.

The conservation of gas is the home-front duty of every man, woman and child, at home or at place of business. Uncle Sam is counting on you to do your part.

WEST TEXAS GAS COMPANY

PUBLISHED IN SUPPORT OF THE GOVERNMENT'S PROGRAM TO CONSERVE VITAL FUELS FOR WAR PURPOSES

USED FURNITURE

"If You Want It, We Have It"

Gas Cook Stoves

We have a fairly good assortment of Good Used Gas Cook Stoves.

Oil Cook Stoves

All medium prices—in good condition.

What Can I BUILD? Under Government Regulations

This is the question our customers ask every day. We are listing the limits for building as passed by the War Production Board to help speed the War Effort, and we wish to advise our customers as to what they can build without special permit from WPB.

CITY AND FARM RESIDENCE

New Construction or Remodeling	\$200.00
Repair only with no structural changes	NO LIMIT
Repair in connection with Remodeling	\$200.00

Materials for new construction or remodeling of city or farm residences can be furnished only when our stock will permit. Under priority regulations we cannot replace materials sold for such use.

AGRICULTURAL BUILDINGS (Per Farm)

New Construction or Remodeling	\$1,000.00
Repair Only	NO LIMIT
Repair and Remodel	\$1,000.00

We may not be able to give you pre-war service, but we do assure you that we appreciate your business and patronage.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Entered at the Post Office at Post, Texas, as second class mail matter, according to an Act of Congress, March 3, 1879.

THE EMPTY MILK BOTTLE

Dairy leaders have again been in Washington discussing effective means of keeping milk production up with increasing war demands. The Dairywomen's League Cooperative Association, of New York, again declared that subsidies would not be effective because they would lead to "use of government funds in such a way as to destroy our cherished institutions and our representative form of government."

To be relatively as high, milk in the New York milkshed would have to be raised 35 per cent to equal high; 25 per cent to equal other farm products in the United States; and 26 per cent to equal weekly earnings of industrial workers.

Of the approximately 20 hundred million people in the world, some seven hundred million are American and European; two hundred million Russian; four hundred million Indian; two hundred million African negroes; and five hundred million Mongolian. About one hundred million of the Mongolian race are Japanese.

IT'S A HABIT

A recent national survey proved at never in the history of the world have American newspapers been read so avidly.

What You Buy With WAR BONDS

Para-Ski Troopers

When will this war end? Nobody knows, so the Army is continuing its training of Para-Ski Troopers. They're parachute troops who know their way about on skis or any other place in snow covered mountainous country.

A great measure of the success of Russia's victories last winter is attributed to these troops who move with the silence of a snowflake. Our work on the home front is not so hazardous as that of the Para-Ski Troopers but it is important that we perform our daily tasks and make every effort to increase our regular purchase of War Bonds.

U. S. Treasury Department

WHY ADD TO CONFUSION?

The problems of eating become daily more complicated. The Office of Price Administration plans to issue ration tokens before the first of the year.

William H. Albers, President of the Supermarket Institute, says that organizations is definitely opposed to the scheme and that while "the idea has some advantages... its disadvantages far outweigh the desirable features. Because of wartime conditions, we are already overburdened with a multitude of problems. So far as I can determine, nobody in the industry favors this plan, but because somebody in Washington is taken by the idea, we and the consumers must prepare to adjust ourselves to a whole new ration procedure."

In states where sales tax tokens are now in use, consumers would carry such tokens, plus food tokens, point stamps and money, to buy a can of beans.

Many trade groups are expected to join in opposition to the token plan and consumer organizations will be enlisted to oppose this further complication in daily marketing.

Buy a War Bond today!

Views of Neighboring Editors:

Exchange—Socialism—You take two cows and give one to your neighbor.

Communism—You have two cows—the government takes both and gives you some milk.

Fascism—You have two cows—the government takes both cows and sells you the milk.

Nazism—You have two cows—the government takes both and shoots you.

New Dealism—You have two cows—the government takes both, shoots one, milks the other and throws the milk away.

Capitalism—You have two cows—your sell one and buy a bull.

Scurry County Times—Now that the bulk of the cotton crop in Scurry and neighboring counties has been moved, business men and employers are going to be confronted with a problem that will need immediate attention—how to work with Selective Service System and allow boys on the farm to work three or four months in essential business enterprises without losing their Class 2-C classification.

There is no logical reason in the world why employers cannot work with Selective Service boards and allow the remaining boys of Scurry, Fisher, Mitchell, Nolan and other counties to work in oil mills, gyp mills, oil refineries and other essential businesses—while farming is at a lull—without losing farm classifications. The old idea that a person must remain in idleness three or four months a year, just to retain a certain classification, is as silly as to think we can win the war with all the Georges, Toms and Harrys doing all the work in war plants and on the home front.

Colorado Record—And what happens to Halloween when you "row up" Christmas staves fun—Thanksgiving—even birthdays. But Halloween's gone with the years once you get too big for funny faces. All right—bought funny faces, then!

Colorado Record—A young d-d washing, along with several million other young dads, that "Washington would make up its mind about this father induction business." If Washington doesn't settle the thing and keep it settled one way or another, soon, there'll be no point in attempting to induct young fathers. They'll all be nervous wrecks from the see-saw strain and will fall into 4-F from sheer mental exhaustion.

Country Comment from The Petersburg Journal—We like criticism (just like you do). A friend give us some the other day. She says we write too plain, need to use more adjectives. Somebody please send us a list of adjectives.

that mean "pretty" or "terrible" for that's the only two we know how to use, anyway.

Did you hear Jack Benny, serious for once, tell of his recent European trip. Many of the soldier boys asked him to deliver messages to their homefolks on his return to the U. S. He said when he called to do so, if a man answered the phone he always thought, when he told him who he was, that it was a joke, but if a woman answered the phone she seemed to know immediately that he had news of a loved one. Poor man—no intuition!

The Rails Banner—In a radio broadcast Emil Ludwig, famous refugee from Germany said that there will be no fighting on German soil. That Germany will quit as she did in the other war. But when the Army of occupation moves into Germany next year it will not move into a land unmarked by the evidences of destruction as we did the other time. For the winged messengers of destruction have marked every important city of the Reich. The property damage has amounted to uncounted billions of dollars, millions of people have been left homeless or driven from their homes. There may be no invasion of Germany, but Germany is getting a taste of the bitterness of war.

THE HAND IN YOUR POCKET

Even as we face present tax realities, and the enormous war cost, political pressure is being exerted to have the Federal government socialize medicine at a new annual cost of some \$3,000,000,000—three times the amount that would be raised by a demoralizing 70 per cent increase in corporate and income taxes now recommended. The reasoning that countenances such dissipation of the nation's resources seems too fantastic to be real.

On both sides of the Atlantic the British War Relief Society, a member agency of the National War Fund, supports 30 Merchant Navy Clubs. Through its activities among civilians as well as members of the armed forces, British War Relief gives help and comfort to at least ten million people a year.

James Minor Certains Bridge Club Last Friday

James Minor of Lubbock, hostess to the Bridge club at home of her parents, Mr. and Mrs. Marshall Mason, last Friday evening with a cleverly arranged program.

Entertainment in bright fall were used to grace the evening. The center pieces were also used as center pieces on the tables during the party. Players found their cards by novel instructions on the cards. The cards were designed by Mrs. Roy.

J. A. Stallings Is Hostess To Aid Society Monday

Presbyterian Ladies' Aid Monday with Mrs. J. A. Stallings as hostess.

The theme of the program "Realities That Abide." The period of meditation was based on the chapter of 1st Corinthians. A missionary theme highlighted the lesson plan and it was pointed out that the youth of rural districts provided the future and were a charge to the Christians of today.

Members discussed for the roll in honor of the boys in the A dedication service is being arranged for the near future. The hostess served delicious refreshments.

Miss Morene Tyson To Marry Marine Corps Lieutenant

Announcement has been received here of the engagement and approaching marriage of a former Post girl, Jo Morene Tyson. The bride-elect is the daughter of Mrs. H. G. Tyson of 810 North Kansas street, El Paso. Miss Tyson will marry Lt. Truman Short of the United States Marine Corps. Lt. Short is the son of Mr. and Mrs. J. H. Short of Richland, N. M.

The bride's twin sister, Ann Lorene, will be her only attendant. She will be given in marriage by her mother. Her youngest sisters, Mack and Billy, will sing wedding selections.

The bride received her high school education in Post. She attended New Mexico A and M college and received her B. A. degree from Eastern New Mexico College in Portales, N. M., where she was prominent in campus activities and musical organizations. The past two years she has been a teacher in the Carlsbad public schools.

Lieutenant Short received his B. S. degree from New Mexico A and M college where he was a member of Tau Kappa Epsilon Fraternity. He also attended Eastern New Mexico college and business college in Amarillo. Before his induction into the Marine Corps he was vocational agricultural instructor in Dora, N. M.

The bridegroom-elect received his military training in Quantico, Va., and for the past six months has been in active service in the South Pacific. He is now stationed at Sun Valley, Idaho.

Robert S. Davis, husband of the former Evelyn Pickett who is making her home here for the duration, was transferred recently to Camp Elliott, R. I., from Camp Perry where he has been taking training with the Seabee Division of the Navy. After completing Advance training at Camp Elliott he will be granted ten-day leave before going overseas.

Sub Deb Club Holds Formal Presentation Dance Friday

The highlight of the season's social events was the formal presentation dance of the Sub Deb club on last Friday night at the home of Dr. and Mrs. D. C. Williams.

A blue and white color theme was stressed in decorative features for the presentation of new members and the white color note was used effectively in styling the name of the club on the large mirror over the fireplace of the entertaining suite. A blue satin curtain gracefully draped in a doorway was used as a background for the presentation of the club members. Mrs. Harvey Herd, sponsor of the club, announced the new members and their escorts in her own inimitable manner as Mrs. R. S. Davis, sponsor, played the young ladies' favorite musical selection on the violin, accompanied by Mrs. Ashley Lawson at the piano. Each girl was attractively dressed in formal evening clothes suited to her personality and each made a lovely picture as she descended the steps.

Climaxing the presentation, the president of the club, Miss Marion Hodge, was presented. She in turn presented the Sweetheart of the club, Miss Iris Joy Parker, to the group and gave her a dozen American Beauty roses. Mrs. Herd sang as a concluding number on the formal program the club theme song, "Star Dust."

Dancing was enjoyed throughout the remainder of the evening. Punch and cake were served.

Old and new members and their escorts were as follows: Mary Carpenter, retiring president; Frank Stokes; Wanda Thomas, Ed Kelly Sims; Marion Edwards; Jimmie Kennedy; Betty Williams; Jack Wright; Billie Kennedy; James Davis Walker; Pearl Fleming; Lee Troy Lester; Miggle Graham; Johnny Thomas; pledges: Hazel Cash, Holmes McIlish; Melba Miller, Hugh Templeton; Peggy Robinson, Buddy Malouf; Maxine Doggett, Bobby Cash; Doris Propst, Kenneth Turner; Norma Joy Hudman, Ralph Seay; Betty Jo Kennedy, Jimmie Bird; Marian Hodge, Marshall Mason; and Iris Parker and J. H. Peede.

Among the stags who attended were: Ben L. Thomas, Claude Chapman, Harold Childs, Herbert Duren, Alvin Davis, Don Shirley and E. L. Short.

Several mothers of the club members were special guests.

PRESTON - SUGART

Paul Clyde Preston, son of Mr. and Mrs. J. G. Preston, of this city was married last week to Miss Katherine Sugart of Austin, Texas. The bridal couple visited enroute to Post from Austin with the groom's sister, Mrs. Harvey Fine, and Mr. Fine in Dublin. They will make their home in Lanceland for the present. The marriage took place at the home of the bride's parents, Mr. and Mrs. Joe Sugart of Austin.

Marriage of Miss Marietta Wilcox Announced

Announcement is being made of the early September marriage of Marietta Wilcox, Post High school teacher, and Cecil Carroll, MM 1-c of the United States Coast Guard. The wedding took place in Crowell with Rev. H. A. Longino reading the double ring ceremony.

For her wedding the bride chose a white wool jersey dress with black and ice blue accessories. Mr. and Mrs. Elton Carroll were the only attendants.

Mrs. Carroll is the only daughter of Chas. L. Wilcox of Abilene. She is a graduate of Abilene High school and has attended Abilene Christian College and Texas Tech. Last year she was employed in the Amherst Public Schools.

Carroll is the son of Mr. and Mrs. C. W. Carroll of Crowell. Prior to joining the Coast Guard in 1942, he was an agriculture student in Texas Tech. He is now with the fire boat patrol working out of New York City.

Following the ceremony a dinner was given for close relatives at the Carroll home.

Mrs. Carroll plans to continue her work here and join her husband at a later date.

Miss Kitty Faires Hostess To Junior Culture Club

The Junior Culture club met Tuesday Nov. 8th in the home of Mrs. Ed Warren with Miss Kitty Faires as hostess.

A very interesting book review was given by Mrs. B. E. Young to the members present. Mrs. Young reviewed Lloyd C. Douglas' "The Robe."

The Thanksgiving decorations made a very attractive table from which Mrs. Warren served the guests spiced tea, open-faced cheese sandwiches and raisin cookies.

Ten members were present. —Reporter.

Weldon Jobe Given Farewell Party By Vounteer Firemen

Members of the Post Volunteer Fire Department had a farewell party for Weldon Jobe last Wednesday night at the American Legion hall following a supper at the American Cafe.

Weldon, who volunteered into the Seabee Division of the United States Navy, was truck driver for the department. He left last Friday for the Lubbock induction station and is now en route to Camp Perry, Virginia.

Among those who attended the party for Jobe, who is one of Post's best like young men, were: Dick Wood, Walter Crider, Ralph Carpenter, Alvin Camp, J. B. Evans, Jess Barnes, Carl Hughes, Cecil Osborne, R. B. Dodson, Charlie Wadden, Homer McCrary and Charlie Williams.

Whale oil can be used not only for soap, but also for margarine, salad oil and other articles of food.

LIVER AND BACON ROLLS
Chop 1 pound sliced liver for about 5-8 minutes. Grind liver and combine with 1/2 cup bread crumbs, 2 tablespoons chopped onion, 1 teaspoon salt, 1/4 teaspoon pepper, 1/2 teaspoon sage, 1/4 cup liquid (milk or water) and 1 egg. Mix thoroughly.

Making the Rolls
Arrange one-half pound bacon on a piece of waxed paper, slightly overlapping the slices. Spread the liver mixture evenly over the bacon. Roll like a jelly roll so the ends of the slices of bacon are rolled in with the liver.

Slicing the Roll
Place wooden picks along the edge of the roll at 1-inch intervals to hold the bacon in place. Slice 1-inch thick. Broil or panbroil slowly until brown on both sides (12-15 minutes).

The Finished Rolls
Serve hot with lima beans. Fresh vegetable salad is a good accompaniment.

Restrictions Asked On Christmas Lights

Washington—The public was asked recently to confine ornamental Christmas lighting to the Christmas trees inside private homes.

J. A. Krug, director of the Office of War Utilities, requested that lighting be omitted this year from community Christmas trees, street decorations, exterior home decorations and all Christmas displays of commercial establishments.

Pins Selected By YWA Members Of First Baptist Church

The Ponder YWA held their regular business meeting Monday night at 7:30 in the Business Men's Bible class room of the First Baptist church with a covered dish supper. Each girl brought a covered dish.

After the supper a short business meeting was held. A financial report was given with the amount taken as an offering for State Missions totaling \$2.19. This offering was taken at a special meeting held for the purpose of taking an offering for State Missions.

Lorene Blacklock was recognized as a new member.

The girls voted to buy pins. They will be green and white enamel with the YWA emblem on them.

Those present were: Mrs. A. H. Suits, Reeda Bell Franklin, Frances Terry, Maxine Tucker, Lorene Blacklock, Eloise Dodson, Doris Kirkendoll, Joyce Stephens, Norma Joy Hudman, Mary Margaret Dockworth, Agnes Windham and Gretta Bilberry. —Reporter

It takes 65 trains to move a division of 15,000 men and its equipment.

One of the most important functions of water in the body is to dilute the blood.

List Many Advantages In Using Garden Compost

Compost not only adds the usual fertilizer ingredients to the garden, but also helps the garden soil to hold more water, and makes the soil easier to work. Each fall the dead plant tops, leaves from the lawn, weeds that have not gone to seed, and other waste plant material should go into the compost pile, instead of being burned.

To build the compost, alternate layers of the vegetable matter and of soil or manure are piled and kept wet so that they will rot quickly and thoroughly. Such waste products about the house as coffee grounds, fruit peelings, soot and coal ashes may be added to the compost pile. The pile should be flat on top or slightly hollowed so that rain and snow will soak in. The compost should be forked over several times to mix it well and to speed rotting.

The more manure and fertilizer one adds to the compost pile, the faster it will rot. Superphosphate is a good fertilizer to mix in the compost pile, as most compost materials are low in this element essential to a good fertilizer. Such a compost will provide nitrogen, phosphorus, potash, and humus.

Australia To Get Meat Rationing

Meat rationing will begin in Australia in January, 1944 and is expected to release an additional 150,000 to 200,000 tons of meat for the servicemen for export to Britain. Australians normally are the world's greatest meat-eaters. It is proposed to halve their consumption to 2 1-4 pounds per week.

A luke warm iron won't leave a brand mark on a steer any more than luke-warm convictions will leave a mark on life.

Sing Sing prison gets its name from the Indian words "ossine ossine" meaning "stone upon stone."

Miss Geneva Voss has accepted a position with the Military and Naval Welfare Division of the American Red Cross organization. She is supervisor of a new department and the Red Cross asked the Lubbock school board to give Miss Voss a release and urged her to report immediately. She had gone to Dallas to take her physical examination for the WAVES when the Red Cross office sent word to her. After getting a release from the Lubbock school board she left from Dallas for St. Louis.

Grade School News

Miss Bonnie McMahon, Reporter Sale of Defense Stamps

Mrs. Nola Brieter reported that on Nov. 2 the stamp sale was \$45.43. Miss McMahon's second grade students had the largest sale on that day, which amounted to \$7.70. Miss Scott's fifth grade students bought \$6.20.

New Library Books

A few weeks after school started in September several new books were added to the library. The books are attractive and colorful as well as interesting and the students are delighted when it comes time to study in the library.

Soon after we received these new books, we greatly appreciated the books Mrs. Presson added to our collection. The ones she gave were: "East O' the Sun and West O' the Moon," "Esther," "Jack North's Treasure Hunt," "The Musketeers Under Washington," "Dolly Dimple at School," "Frank Merriwell's Lads," "The Chums of Scranton High at Ice Hockey," "Over the Line," "Canoe Boys and Camp Fires."

Number Facts Are Fun When Learned Through Stories And Pictures

Through stories and pictures first and second grade students, under the teaching of Mrs. Lee Smith and Miss McMahon, enjoy learning difficult addition, multiplication and subtraction facts when they study pictures and stories and win contests.

Each boy in the second grade is a gallant knight who must travel through a deep forest, a desert, and other dangerous places if he wins the beautiful princess who lives on a hillside. He must know a certain number of facts before he is allowed to reach the castle. Each princess must in turn know these numbers before she can leave the castle with the knight.

A fourth grade pupil wrote this story:

One of the reasons the fourth grade enjoys their arithmetic class is because we have a baseball team. A baseball diamond is drawn on a big sheet of paper, with multiplication facts on the bases. If you can give the answers right you make a score. The team that gets the most scores wins the game. I hope the boys will not mind if I say the girls have the most scores now. By Ann Gates

Assembly Program

Miss Richardson's first grade pupils presented the assembly program last Friday afternoon. A play entitled "The Old Woman in the Shoe," was given in which two children, Sandra Sue Ray and Jimmie Hutton, went to visit the Old Woman and her children. While there the children of the Old Woman gave a program consisting of songs, readings, dramatizations, and pantomimes for the visiting children. Sherrie Hays played the part of the Old Woman and Tommy Malouf was master of ceremonies.

What??

Did you see the movie "The Human Comedy" in which a student said "teachers are human." Well, a few of our faculty members have been absent, and most of us didn't think much about it for someone took their places. But our principal was ill and absent, well, she was missed in the classroom, on the playground and in the office. School continued as usual, but we didn't like it when our friend, counselor and principal, Miss Haggard, gets sick. We are happy she is well again and back in her place.

Ball Game

A very interesting baseball game was played Friday afternoon at the grade school, when Mr. Smith's team played Miss Haggard's team during the last period of school a three inning game. The score was 7-9 in favor of grade school.

Grade school team: Moody Tyre, Geo. Hester, Jr. Malouf, Billy Dixon, Robert Hodge, Buddy Hays, Jim Anthony, John Raina, Boyd Bowen, Thomas Johnson, Terman James, (sub.)
High school team: Billie Bob Hoover, Wesley Bullard, L. D. Earle, Joe Ray Smith, Ted Brannon, Billy Odum, Mac McCullough, Charles Ray Casey, C. W. Wade, Charlie Cooper.

British newspapers have cut their paper consumption to about one-sixth of pre-war rates.

IMPORTANT TAX REMINDER

Now is a most opportune time to pay us those delinquent City and School Taxes.

By so doing you not only lift the lien from your property but you get a substantial deduction for all taxes paid in filing your income tax report.

Most of the Citizens of Post have paid up or are paying up their Delinquent Taxes.

If you have not as yet paid your 1943 City and School Taxes, you are reminded that you may still get 2% discount if paid in November.

W. F. PRESSON, Tax Collector
CITY HALL.

operator and instructor at Montgomery Wards in Ft. Worth. In the same city she was a member of the Modernaire Club which entertained soldiers from Camp Wolters and was a hostess at the USO club.

She is a graduate of Post High school where she won second place in the Garza County tennis tournament in 1936 and won second in a county declamation contest.

Mrs. Stanley Mathis has received word from her husband, Corp. Stanley Mathis, that he is somewhere in India. She received three letters last week and one this week.

Overweight Motor Oil Proved Non-Essential

See how safe and economical a surprisingly Light grade can be with your engine Winter OIL-PLATED

A motorist who kept a record for a month averaged only 2.7 miles between stops. Maybe you average twice that. Yet the "coupon shortage" means short runs—lots of stopping and starting. That's extra bad for your oil. The first hardships of Winter will find it unfit. This year, of all years, the height of economy is to change your oil promptly.

The lightest suitable oil you can use is best for your engine—your battery—your gasoline economy...best for lengthening your car's future! You needn't risk any overweight grade...not when you have your engine OIL-PLATED for Winter by changing to economical Conoco Nth motor oil.

The "magnetic attraction" that seems set up by a certain synthetic in Conoco Nth oil—patented—enables it to OIL-PLATE. All good plating forms a staunch protective surface, and that gives you the idea of OIL-PLATING. Now think of any OIL-PLATED part in your engine facing another OIL-PLATED part...double OIL-PLATING in between—plus Conoco Nth oil's regular-type liquid film that's extra strong! You can't get more protection than that, while with

overweight oil you'd only invite needless drag and dangerous "absentee" lubrication in starting cold. Don't risk it. Consult Your Conoco Mileage Merchant for your lightest grade of Nth, and face Winter fully confident, with your engine OIL-PLATED. Continental Oil Co.

Dread Engine Acid is Fought by OIL-PLATING

Normal combustion always leaves acids inside of your engine when it stops.

Formerly it seldom stood idle long. Soon mileage and speed heated your engine enough to oust acids.

But nowadays rationing may force long rests, while corrosive acids gnaw. To combat corrosion, metals are plated. You combat acid corrosion with your engine OIL-PLATED.

"It's The Little Things" that make a "Merry Christmas"

There is nothing so dear to a woman's heart as the little things that decorate her home. Lovely figurines hold top place.

GAMES and TOYS **FOR GIRLS and BOYS**

Make it a truly happy Christmas this year for those who are doing so much to insure your happiness. We have a fine selection of gifts for boys in service.
