Local Youth Help

Jerry's Kids

Over \$350 was raised by local youth and parents for the annual Jerry Lewis Labor Day Telethon through a car wash held Aug. 26 - 31.

The car wash was held at Allsup's No. 39 with Claudette Gill, manager, donating the water and cleaning supplies.

The money raised was given through the Allsup's store.

Jake McDougle, nine year old son of Mr and Mrs Garlon McDougle, organized the local effort with the help of friends and relatives.

Jake, "one of Jerry's Kids" suffers from Cerebral Palsy.

Others helping in the car wash included Bill Cole, Jamie Morris, Jessica McDougle, Kevin Morris, Shane Johnson;

Shane Horton, Larry Don Lee, Bobby Lee Brumley, Robert Brumley, Richard Johnson;

Terri Brumley, and adults, Evelyn McDougle, Kathy Morris, Keith Taylor, Liddie Clary and Debbie Morris.

Through the efforts of the youth and adults help and local people who brought their vehicles to be washed, Jake will receive a 20" bicycle and Bill Cole will receive a walkman radio.

Bake Sale

Boy Scout Troop 316 will hold a bake sale on Sept. 11th at United.

Post Notes

by Wes Burnett

Lewis Earl asked me Tuesday afternoon...very seriously, "how many times have you broken the law today?"

I looked at him kinda funny...then realized what he was talking about...come to think of it, I didn't snap the seatbelt once while going from place to place in town.

And, coming from a person who is "religious" about seat belts, that's a real statement about violating the law.

As most of you know by now, September 1 was the date the mandatory Texas seat belt law went into effect.

The excuse I used is very common...around town I am going fairly slow, getting in and out and so forth.

The truth of the matter is, most accidents happen within one or two miles of a person's home.

So, maybe I can re-adjust my habits and start buckling up in town...shouldn't be too much trouble, I'm already a regular seat belt user.

I still don't like the idea of the government mandating this and that.

Well, this past weekend the Burnett family celebrated the completion of three years in Post.

I must say the realization of the event gave me a good feeling.

Before arriving here, we had been shuffled around from here and there for more than 20 years...first during our Air Force career, moving 13 times in 12 years, then with a major newspaper corporation... and finally moving three times in four years with a small newspaper group.

It is nice to be settled in one place...and to be able

Hospital Gets Engineering Award

The Garza Memorial Hospital Board of Directors has authorized Bill Terpening to attend a special conference in December to accept an award to the hospital.

Terpening will represent the hospital at the

American Society for Hospital Engineering at the semiannual conference in Lake Tahoe, Nev.

ASHE director James McLarney invited Terpening to be a faculty member at the conference.

In the letter, McLarney praised Garza Memorial

Hospital for its abstract, "Plant Development for Energy Savings," identifying the hospital as one of the 12 most innovative approaches to effective hospital engineering in the nation.

The award was made by a "nationally recognized

panel of hospital engineering professionals."

"I would like to take this opportunity to congratulate you and the Garza Memorial Hospital for your exemplary efforts and contributions in health care management," McLarney commented.

Stadium Repair Work Completed

The reinforcement work on the Post High School football stadium seating has been completed, and the consulting engineering firm of Roberts and Thoma has certified the safety of the stadium in a letter to Post ISD superintendent

Bill Shiver.

"This letter is to certify that the work in connection with the contract with Braddock Welding and Construction Company of Post, Texas on subject project has been completed satisfactorily..." Evan E.

Roberts stated.

Steve Braddock had submitted the low bid for the project at \$672.49.

"This work has eliminated what I consider to be the one existing condition which has constituted a life safety hazard in your

existing stands."

"However, as I have previously stated, these existing stands will never have the strength and overall safety of new, properly designed stands," the consulting engineer added.

Art Center Plans Special Plains Exhibit

The Algerita Arts Center, 131 East Main St. in Post, Texas will be the scene of an exhibit of the American Plains Artists, on September 28 and 29, 1985.

One of the artists attend-

ing will be Herb Bryant.

Herb Bryant captures the Southwest in both water-color and oil.

A native Texan who has spent most of his life in Texas and New Mexico paints wildlife and ranch

work he knows and loves so well.

Much of the inspiration for his art comes from helping area ranchers with their spring and fall activities.

Bryant has won numerous awards for his paintings and has them in private collections throughout the country.

The Bryant's currently reside at 1406 W. Ave. H in Lovington, New Mexico.

Protecting Your Children Each year over 50,000 children are either kidnapped or simply wander off by themselves.

National efforts are being made to help parents become more alert to how this occurs.

A nonprofit agency called Child Find has been established to locate missing children.

Child Find estimates that only 5,000 of these missing children are found alive and reunited with their families each year.

Many are murdered or are never found.

Parents need to be alert to possible situations that could lead to a kidnapping.

Here are some suggestions for parents:

-Do not leave your child alone in a car, store or other public places. Know where your child is at all times.

-Teach your children how to use the telephone and make sure they know your number, including the area code. Children should also know how to dial the police for an emergency.

-Fingerprint your child and keep the prints for identification purposes.

-Develop a secret code or secret word that only you

and your child can use, especially in case of emergency or danger.

-Tell your child never to go with a stranger.

-Encourage your neighbors to participate in a neighborhood self-help program. Establish a safe home where children can go for help if they are pursued by a stranger while playing outdoors or

going to school.

Parents can take preventative measures by teaching their children to be aware of dangerous situations and to say "no".

If more parents take the time to help their children understand what possible dangers exist, perhaps the alarming number of missing children can be reduced.

RED RAIDER ROADRIDER motorcycle club past president Clifford and Shirley Berry of Lubbock will be part of the group of 500 motorcycle enthusiasts expected to be in Post September 13 and 14 for the annual rally.

Artist of the Month

Polly Cravy is representing Post Art Guild as Artist of the Month for September.

The First National Bank of Post, Texas sponsors this program and will display her work throughout the month.

Cravy has had a life long interest in Art.

She remembers, when a child, being fascinated by work her grandmother, Eula Ross, was doing.

The little house smelled of turpentine and paint. Paintings were propped against the walls to dry.

She knew some day, she too, would paint.

She began painting seriously about 17 years ago, and has had instructions from numerous artists, including, Gladys Presson, Connie Martin, Georgia Bartlett, Jean Green, Stacey Hart Orms, Warren Cullar, Pat Krahn and Mac Carow.

Cravy continues to study, and is as concerned about quality and permanence as

the esthetic properties of painting.

Her painting methods are continuously evolving to reflect her current interest; some are realistically detailed, others more impressionistic.

She paints in oil, water-color and pastel.

Oil is her favorite medium, and Still Life is her favorite subject.

She particularly enjoys Personal Still Life.

In these, she paints objects with sentimental value; belonging to whom-ever the painting is being done for.

Flowers or other objects can be added to make a pleasing arrangement.

She says, "Almost anything of interest can be worked into a pleasant painting."

One she did featured Cowboy boots, hat and pipe; another, a mothers bible, glasses and an old vase.

Cravy had been represented by Double T Ranch

POLLY CRAVY is this month's Artist of the Month. Her works are on display at The First National Bank in the front lobby.

Mannis, Tatum Exchange Vows August 30

Leslie Lynn Mannis and John Timothy Tatum exchanged vows in a double-ring ceremony on Friday, August 30, 1985, at 7 p.m. at the Post Church of Christ.

Paul D. Jones officiated the ceremonies.

Leslie is the daughter of Mr and Mrs Charles Mannis of Post.

The groom is the son of Mr and Mrs John T. Tatum also of Post.

The church was decorated with five brass candelabras cascading to a spiral focal point.

Accenting the candelabras were eight brass torchlights lighting the aisle for the bride.

Decorating the candelabras were satin teal bows with Lily of the Valley entwined with English Ivy.

Pews were outlined with matching bows and greenery.

The bride, presented in marriage by her father, Charles Mannis, who was attired in a black formal tuxedo with matching cummerbund and bowtie.

The bride wore a white gown of organza and venise lace.

The sweetheart neckline accented by embroidered seed pearls and lace motifs and bodice of venise lace peering to a "V" waistline.

Puffed sleeves with gauntlets of organza accented the full skirt of silk organza flowing to pleated flounces of crystal lace enhanced by chantilly lace.

The bridal hat, with matching lace motifs and seed pearls, held small

white roses upholding the left side.

Draping the crown was a fingertip-length veil of English net.

The bride's bouquet was a flowing cascade of white satin roses and teal nasturtiums accented by teal gypsophilia.

Each satin rose was individually hand wrapped and backed, by a croton leaf.

Stephanotis blooms highlighted the bouquet and enhanced the flowing streams of teal bridal satin draping the bouquet.

Something old was a penny reflecting the bride's

Mannis, Tatum Honored at Party

Leslie Mannis and Tim Tatum were honored with a "Build a Sundae" party at the home of Neil and Donna Craig on Sunday evening, August 18, 1985.

The patio party was hosted by the Craigs and attended by approximately 35 people.

Guests were treated to numerous toppings and 3 flavors of ice-cream.

Tables were decorated in blue, yellow, green, red and pink checked tablecloths.

Matching cups, plates and napkins rounded out the decorations.

The yard was outlined in luminars lighting the party area.

Mrs Toby Craft Honored at Shower

Mrs Toby Craft was honored with a layette shower Sunday afternoon at the home of Mrs Sherry Pollard.

Guests called between the hours of 2-3:30 p.m.

Hostesses alternated in greeting guests.

Refreshments of punch and cookies were served from a table laid in white lace over blue.

A musical hobby horse, the honoree's nursery theme, provided the centerpiece.

Special guests for the party included the honoree's grandmother, Mrs Opal Montgomery, Mrs Ruby Williams and Mrs Wynelle Craft.

The hostesses presented the honoree with a stroller and a high chair.

Hostesses for the occasion were: Mmes Linda Dye, Marilyn Williams, Penny Mason, Barbara Crenshaw, Trisha Cockrell, Andra Miller, Sammie Pollard;

Sherry Pollard, Norma Bauman, Joyce Tatum, Arleta Gary and Charlie Dalby.

Mannis Honored

Leslie Mannis, bride-elect of Tim Tatum, was honored with a bridal luncheon, Monday, August 26, 1985 in the home of Mendy Dalby.

Serving as hostesses for the occasion was Mendy Dalby and Joyce Tatum.

Special guests for the luncheon were Mary Mannis, Barbara Tatum, Shannon Mannis, Charla Tatum, Melinda Tatum;

Imogene Stone, Modena Farmer, LaDonna Craig, Karla Schooler and Monica Schooler.

birthdate.

Something new was the bride's dress.

Something borrowed was her mother-in-law's diamond ring.

Something blue as a handmade garter.

Maid of Honor was Shannon Mannis, sister of the bride.

Matron of honor was Mendy Dalby.

They both wore teal satin tea-length dresses with matching Victorian hats cascading with English net veils.

Monica Schooler served as Junior bridesmaid.

She was attired in a matching gown and hat.

All three carried accenting bouquets of white satin roses, teal gypsophilia, daisies and streamers of teal bridal satin in love-knots tied with matching daisies.

The groom wore a white formal tuxedo accented with a teal cummerbund and bowtie.

Bestmen were Ted Tatum, father of the groom, and Mike Tatum, brother of the groom.

They wore black formal tuxedos with teal cum-

buns and bowties.

Cody Stone, cousin of the groom, served as Junior groomsman wearing a black tuxedo matching those of the bestmen.

Ushers wore matching black tuxedos.

Serving as ushers were Giles Dalby, Jr., Tommy Binford, Cam Stone and Greg Williams.

Benny Jackson and Michelle Kenemer performed various wedding songs including "Truly" and "Friends".

The couple sang "With This Ring" as double rings were exchanged and "You Mean More To Me" during unity candle ceremonies.

They wore accompanying attire carrying out the color scheme of the wedding.

A reception followed in the fellowship hall.

Tables were decorated in the bride's colors and silver service was used.

Serving for the occasion were: Charla Tatum, Melinda Tatum, Cathy Davis, LaDonna Craig and Trasi Craft.

After a wedding trip to the Virgin Islands the couple plan to reside in Post.

85 Antelopes Poised for State Crown Race

"They've got a good football team and like to line up and hit you," Post Antelope football coach David Thompson observes about the Kermit Yellowjackets, who will be here Friday for the first game of the 1985 season. Starting at 8 p.m., the game is expected to be a physical contest. "They are strong and have quality athletes," Thompson adds.

The Yellowjackets are led on offense by senior quarterback Xavier Ramirez (12), who operated the team from a Wishbone set. Top running back is 190 pound junior right halfback Kevin Hicks (40). On defense the Yellowjackets are anchored by 175 pound senior end Lang Bolf. "Their offensive line gets off the football real well,"

Thompson observes. The Yellowjackets dropped a 5-1 scrimmage to Fort Stockton in the first contact workout and then last week whipped Pecos 3-0 in a controlled scrimmage. "They have a similar team as last year," Thompson continues. Last year Kermit edged Post 12-6 in the opener.

ANTELOPE ON THE LOOSE - Post Antelope tailback Tracy Price burst into the Littlefield secondary on the way to a touchdown during last Friday's scrimmage in Littlefield.

Littlefield Scrimmage

"I thought we did real good at Littlefield," Post Antelope football coach David Thompson comments about last Friday's scrimmage.

"Greg Storie just did a great job at quarterback and we had two really good defensive stands near goal-line," the coach adds.

Storie lead the offense as starting quarterback Joel Kirkpatrick watched the scrimmage on crutches.

"Joel has a pulled muscle in his lower leg, but he should be ready to play against Kermit Friday," Thompson adds.

The first string offense scored twice on Littlefield, once on a pass to Bruce Crenshaw and one long run by Tracy Price.

The Littlefield first string offense scored once against the Antelope first string defense.

"Our players had real good effort and we were really pleased with the scrimmage," Thompson says.

The Antelopes open the football season this Friday, hosting the Kermit Yellowjackets with an 8 p.m. kickoff.

Softball Tournney

The Men's Super Star of Post Softball went to the Marathon Tournament.

The tournament sponsored by the Easter Seals was sponsored locally by C & C Well Service.

The team came home with a winning trophy after beating Plainview with a score of Post-33, Plainview 16.

Players were: Shorty Hester, Roy Sappington, Bert Lopez, Armando Duran, Roger Blair, Tony Connor, George Sims; Milton Williams, Gordon Terry, Danny Gunn, Joe Duran.

The manager for the team was Joe Duran.

Notice: Cal-Maine Farms has applied under Special Permit Number S-9865 to construct a feed mill at 400 Seventh Street, Post, Texas. Additional information is contained in the public notice section of this issue.

TO ALL INTERESTED PERSONS

You are hereby notified of the opportunity to request a public hearing and/or submit written comment concerning construction permit applications No. C-9760 and No. PSD-TX-665 by Mid Plains Pipeline Company, Incorporated to construct a gas processing plant near Post, Garza County, Texas. The proposed location is approximately 2.5 miles south of Post. The proposed facility will emit the following air contaminants in amounts significant enough to require a Prevention of Significant Deterioration (PSD) permit review: sulfur oxides and oxides of nitrogen. In addition, the proposed facility will emit: carbon monoxide. No other pollutant emission increase will result from this facility.

The Executive Director of the Texas Air Control Board (TACB) has determined that the proposed facility will not violate any state or federal air quality regulations and will not have any significant adverse impact on soils, vegetation or visibility. He, therefore, has made the preliminary determination to issue these permits.

The degree of PSD increment predicted to be consumed by the proposed facility and other increment consuming sources in the area is as follows:

	Averaging Time	Maximum Increment Consumed (ug/m ³)	Maximum Allowable Increment (ug/m ³)
Sulfur Dioxide	3-hour	338	512
	24-hour	75	91
	Annual	12	20

A copy of the administrative record, including all materials submitted by the applicant and additional information, are available at the office of Mr. Gerald W. Hudson, P.E., Regional Director, Texas Air Control Board Region 2, at Briercroft South #2, 5302 South Avenue Q, Lubbock, telephone number (806) 744-0090, and at the Texas Air Control Board at 6330 Highway 290 East, Austin, Texas 78723. Interested parties may inspect these materials during regular business hours and submit written comments and/or request for hearing to the Executive Director of the TACB. Requests for hearing must be in writing and shall state the nature of the issues proposed to be raised in the hearing. Comments should be limited to the air pollution aspects of the proposed project and should not concern land use aspects which are beyond the jurisdiction of the TACB. All air pollution related comments received in writing by October 4, 1985 will be considered by the TACB in making its final decision on these applications. All comments will be available for public inspection at the TACB office in Austin.

TO ALL INTERESTED PERSONS

You are hereby notified of the opportunity to request a public hearing and/or submit written comment concerning construction permit applications No. C-9805 and No. PSD-TX-494M3 by Mid Plains Pipeline Company, Incorporated to construct a gas processing plant near Post, Garza County, Texas. The proposed location is approximately 10 miles northwest of Post. The proposed facility will emit the following air contaminants in amounts significant enough to require a Prevention of Significant Deterioration (PSD) permit review: sulfur oxides and oxides of nitrogen. In addition, the proposed facility will emit: carbon monoxide and volatile organic compounds. No other pollutant emission increase will result from this facility.

The Executive Director of the Texas Air Control Board (TACB) has determined that the proposed facility will not violate any state or federal air quality regulations and will not have any significant adverse impact on soils, vegetation or visibility. He, therefore, has made the preliminary determination to issue these permits.

The degree of PSD increment predicted to be consumed by the proposed facility and other increment consuming sources in the area is as follows:

Averaging Time	Maximum Increment Consumed (ug/m ³)	Maximum Allowable Increment (ug/m ³)
sulfur dioxide		
3-hour	149	512
24-hour	47	91
Annual	7	20

A copy of the administrative record, including all materials submitted by the applicant and additional information, are available at the office of Mr. Gerald W. Hudson, P.E., Regional Director, Texas Air Control Board Region 2, at Briercroft South #2, 5302 South Avenue Q, Lubbock, telephone number (806) 744-0090, and at the Texas Air Control Board at 6330 Highway 290 East, Austin, Texas 78723. Interested parties may inspect these materials during regular business hours and submit written comments and/or request for hearing to the Executive Director of the TACB. Requests for hearing must be in writing and shall state the nature of the issues proposed to be raised in the hearing. Comments should be limited to the air pollution aspects of the proposed project and should not concern land use aspects which are beyond the jurisdiction of the TACB. All air pollution related comments received in writing by **October 4, 1985** will be considered by the Board in making its final decision on these applications. All comments will be available for public inspection at the TACB office in Austin.
