

Postex Building Leased to Cotton Warehouses, Inc.

by Wes Burnett

Post will soon become the site of one of the largest cotton warehouses in West Texas as a result of the recent lease negotiated between the Post Economic Development Corp. and Postex Cotton Warehouses, Inc.

Principal owners of the Postex warehouse operation are from Lubbock, with negotiations being handled primarily by Joe Pate, a long-time cotton warehousing operator.

The two year lease provides for a per bale fee on storage with a minimum monthly payment of \$5,000. Postex Cotton Warehouses has contracted for

approximately 60,000 bales from area gins, although there is no firm estimate at this time as to how much of this will be stored here.

Although the warehousing operation is not expected to employ more than 10-15 people locally, its economic impact will be strong.

Truck traffic to and from a wide area of West Texas will create demands for services much greater than have been felt here in several years.

The owners of the warehousing operation said they believe Post is much better situated for warehousing than Sweetwater or Lubbock.

The company has leased

all of the available building and grounds, excluding areas currently under lease to J.I. Case and Lubbock Building Products and the rental houses.

The storage here could be as high as 100,000 bales, making it one of the largest in the southwest.

Income to the PEDC from this lease arrangement will be used to recruit smaller industries for Post.

"We are pleased to announce this lease," PEDC chairman Jack King says, "this will put us in a financial position to devote more attention to the needs of smaller industries interested in Post."

King explained that there are no other businesses interested in the Postex building.

"For the big industries, the building is just too awkward and not laid out right...and for the smaller industries it's just too much of a building," he explained.

"What we intend to do is concentrate on developing smaller industries and if necessary help them get started, look at constructing buildings to suit the needs of those folks seriously interested in Post."

Negotiations with Postex Cotton Warehouse Inc have been in various stages for the past six months.

Garza County News Briefs

4th Sunday Singing

The Fourth Sunday Singing will be held this Sunday, Oct 27 from 2-4 p.m. at the Trinity Baptist Church.

Bridge Work Begins

Work is to begin this week on the construction of five highway bridges in Garza County, according to the State Department of Highways and Public Transportation.

The bridges will replace existing structures which have deteriorated due to

age and weather.

Four of the bridges are at two sites on U.S. 84 southeast of Justiceburg, and the fifth bridge is on U.S. 380 about 6.5 miles east of Post over a fork of the Brazos River.

The five bridges will be built under one contract with a total construction cost of approximately \$3.7 million, said highway department officials.

Except for a final surface treatment on one of the bridges, construction should be completed by late 1986, said a spokesman for the contractor on the job, Clearwater Constructors, Inc. of Austin.

During construction of the four bridges on U.S. 84, traffic will be reduced to one lane in each direction at the bridge sites, but the changes will not take affect for a couple of weeks.

Highway department officials said a 35 m.p.h. speed limit will be posted at the construction sites and that once traffic is reduced to one lane, wide loads will be restricted.

Post Notes

by Wes Burnett

Got lots of local news this week, so I'll have to be brief.

Congratulations to all the folks who worked so hard to make last weekend's Garza County Fair such a success.

The community-wide event was every bit as enjoyable and fun as I had expected.

If you are one of those who had something else to do Saturday, you missed a great day in Post!

The fair committee has set September 12-13 for the 1986 event.

Mark your calendar. Hazard Corners

A citizen complained to us this week about the problem at the corner of West 15th St and U.S. Hwy 84.

"You can't see around the used cars parked at the corner and that's dangerous because of the traffic coming into town on Hwy 84," the person complained.

The "blind corner" ordinance might cover this problem.

New Industry

Hallelujah! The board of directors of the Post Economic Development Corp. have signed up a major tenant for the Postex building.

This could be the start of something big for Post!

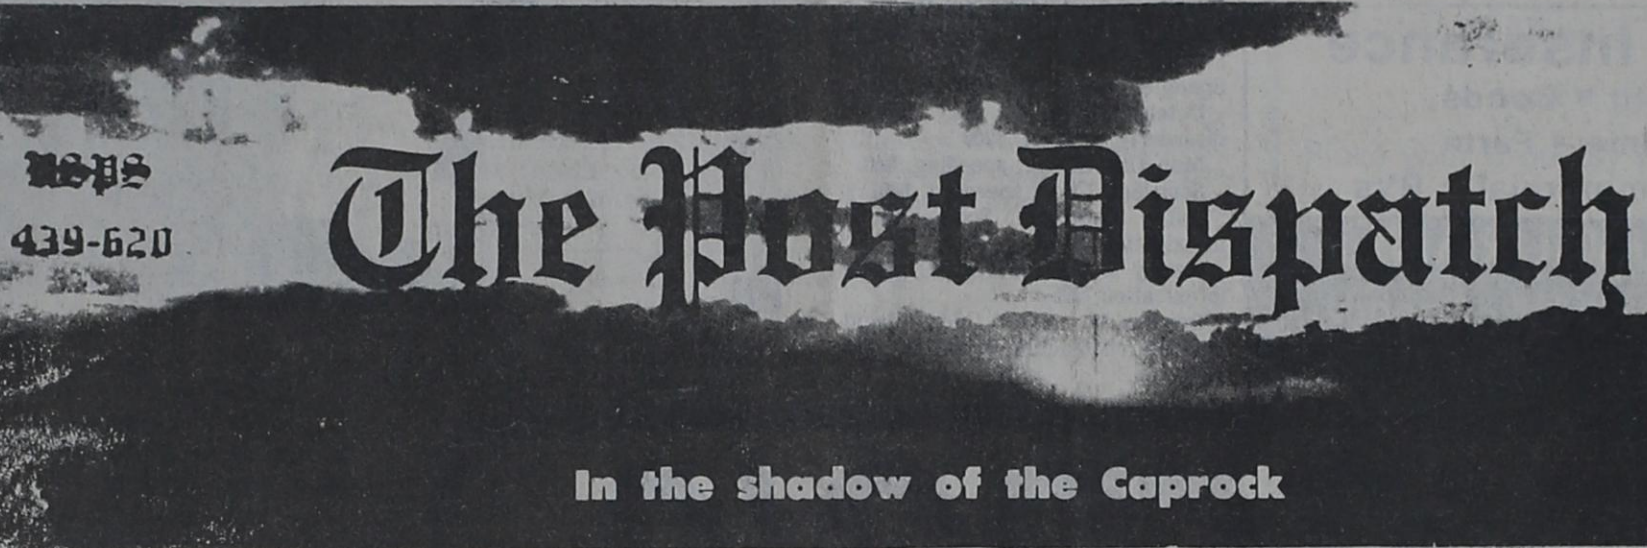

Thanks to the board members for their hard work the past couple of years trying to get more industry for your city.

No-Pass, No-Play

Hasn't worked out so bad for upper level high school, but the new rule from Austin is sure hurting extra curricular activities in the lower grades.

Come election time, perhaps the voters will remind Gov Mark (I know what's better for your kids than you do) White will get a message...he could be looking for a teaching job somewhere.

Wouldn't that be something?

'Chicago Brass' Performs Here

The nationally acclaimed Chicago Chamber Brass will perform a concert at the Post school auditorium at 10 a.m. October 29, sponsored by the Caprock Cultural Association.

The Chicago Chamber Brass consists of Richard Frazier, Arnold Jacobs, Jay Friedman, Beth Halloin, and Paul Johnson, Steven Gamble and William Camp.

"Splendid throughout...an absolute delight...they play together with the precision of a great string quartet," the Chicago Sun-Times called one of their performances.

The performance here is

offered free, through the efforts of the Caprock Cultural Association.

In 1977, after a career as a college music teacher in Texas, Richard Frazier moved to Chicago to study with CSO tubist, Arnold Jacobs.

That same year trombonist Steven Gamble migrated from another part of the sun-belt, Phoenix, Ariz., to continue his studies with CSO principal trombonist, Jay Friedman.

They soon found themselves playing chamber brass music in a group which developed into what

Hospital Board Opposes Amendment 5

The Garza Memorial Hospital board of directors expressed opposition to the proposed Texas constitutional amendment number five, which "would hurt hospital districts," board president Jack Alexander commented.

The discussion was part of the regular meeting of the hospital board last Thursday.

Amendment five, which is on the ballot of constitutional amendments for November 5, is a continuation of attempts to concentrate power in Austin and

shift financial burdens to the local taxing units, according to the review provided the hospital board by administrator Maritta Reed.

In other action, the board approved an indigent application and turned over \$11,157.75 of delinquent accounts to the hospital attorney for collection.

The board approved John Strubhart's volunteering of his time and use of hospital equipment to fluroscope "trick or treat" candy for halloween.

The community service

project will be available to the public from 6:30 to 9 p.m. Thursday, October 31 at the hospital.

The fluroscoping of candies provides insurance against potential malicious contamination.

The board approved payment of monthly bills, accepted the ambulance reports for August and September and discussed the recommendation of a representative for the Central Tax Appraisal District board of directors.

The Garza County Commissioner's Court appoints

the hospital board representative.

The board recommended Jack Alexander to serve in this capacity.

Board members at the meeting were Alexander, David Tyler, David Nichols and Zoe Kirkpatrick.

Failures Affect Students

by Wes Burnett

A survey of District 3AAA high schools last week shows Post with the smallest enrollment at 313 and Frenship with the highest at "approximately"

700. Brownfield reports "about" 622 students with Denver City showing 419 and Slaton with 418.

'Chicago Brass' Here Oct. 29

(Continued from Pg 1.)
is now Chicago Chamber Brass.
By 1980 the CCB was a concertizing organization and a business able to afford full-time salaries for its musicians.
The three other CCB members won their appointments in national auditions.
Beth Halloin, a native of Green Bay, Wisc., has been a member since the spring of 1983.
Paul Johnson of Minneapolis, Minnesota and William Camp of Niles, Mich. joined in 1984.
National and international critics praise their refined musical interpretations of Bach and Gabrieli as highly as their handling of Sousa and Gershwin.
Their repertoire of original works for brass and imaginative transcriptions of music of great composers is recognized as unique, innovative and widely appealing.
The Washington Post cited the "crisp, clean style... warm homogeneous sound and a precise ensemble approach."
The Frankfurt Neue Presse hailed their "empathy for the widest variety of styles" and the "sureness of intonation and fine dynamic differentiation which make listening a pleasure."
According to the American Record guide, recordings by Chicago Chamber Brass place the CCB "among the front ranks of the world's brass ensembles."
Two albums, "Fireworks for Brass" and "Mostly Gabrieli" are on the Pro-Arte label.
"Christmas with Chicago Chamber Brass and the Glen Ellyn Children's Chorus" is on the Crystals label.

Sales Tax Rebate Down

The City of Post has received a check from the State Comptroller's office for \$9,336.15, representing the city's portion of the sales and use tax for the period ending October 1.
The payment is slightly lower than the same period last year of \$9,656.05 but is 14.32 percent for the year higher than 1984.
The total payments to date are \$138,403.16, compared to \$121,062.43 for last year.
Other area cities on the report include Slaton at \$12,577.79, down from last year's \$13,272.05, showing a 2.88 percent increase for the year and Tahoka at \$3,937.00 up slightly from last year's \$3,813.27 and showing a 6.23 percent increase for the year.

schools shared similar failure rates with various effects on extra curricular activities.

Varsity athletics were not as adversely affected as the lower grades, such as Slaton's 17 freshmen ineligible to play football, forcing the cancellation of the remaining freshmen schedule.

None of the other schools indicated problems fielding football teams as a result of the failures.

United Fund Budget Hearing Set Oct. 30

The 1985 United Fund drive, which opens October 31, begins next week with the budget hearing, October 30 at 4 p.m. in the Community Room of the First National Bank.

The hearing is designed to determine needs for community organizations for the calneday year of 1986.

"Organizations which have not presented their requests should plan to be at the hearing," United Fund chairman Jack Alexander comments.

He emphasized that budgets for requesting organizations must also accompany the request, showing how the contributed monies will be spent.

Alexander also has announced that Wesley W. Burnett, publisher of the Post Dispatch, will serve as campaign drive chairman this year.

"The campaign opens October 31 and continues to November 30," Burnett adds, "and we'll need all the help we can get to meet the needs of our community."

Alexander pointed out that organizations which have not been included in the funding in the past, and are interested in submitting a request to be considered at the hearing, should contact him at 495-2804 to set a time to appear at the hearing.

Members of the United Fund board of directors are Alexander, Burnett, Carol Peppers, Jane Davis, Cathy Rankin, Bryan Williams III, Curtis Hudman, Jimmy Mitchell and David Nichols.

Last year's participating organizations, benefiting from donations to the United Fund, included the Garza Chapter of the Red Cross, Post Girl Scouts, Post Boy Scouts, Trail Blazers, Post Summer Baseball, Meals on Wheels, Garza County Salvation Army and the Garza County Mental Health program.

"The first donation for this year has already arrived," Alexander comments, "the unsolicited \$250 contribution came from Peter N. Heydon, a member of the Post-Montgomery estate."

"You don't have to wait for us to ask for your donation," Burnett adds, "an account has been established at the bank... just tell someone there you want to donate."

Water Issue Aired Oct. 30

A public forum on the water amendment appearing on the Nov 5 ballot will be held at 8 p.m. Oct 30 in the Home Economics building auditorium on the Texas Tech University campus.

State Sen John T. Montford, who sponsored the original legislation, will speak on the bill.

Appearing with Montford will be representatives from the High Plains Underground Water Conservation District No 1; the Water Resources Center at Texas Tech; the City of Lubbock; the Chamber of Commerce; the League of Women Voters; and the Garden Society.

Cooper and Roosevelt school principals were unable to provide the total number of failures.

Most of the principals pointed out that the number of failures is not much different than previous years, but that the impact on students this year has been more personal.

A shorter period of suspension was recommended by most of the principals.

Band programs were adversely affected in all of the schools, but particularly hard hit were Brownfield, Post, Slaton and Frenship.

Post lost 19 band members as a result of students failing one or more classes. Brownfield lost "20-24", Frenship was cut by 23 and Slaton by 22.

"It's not just athletic programs that are feeling the brunt," one principal emphasized.

Band, choir, drama, 4-H, cheerleaders...all of the extra curricular activities are suffering.

Here is a detailed breakdown by school:

Woman's Culture Club Reports

The Woman's Culture Club met in the clubhouse, Wednesday, October 9th, at 2 p.m., with Buena Bouchier and Lillian Potts as hostesses.

A business meeting was conducted by Katharine Cathcart, club president, with Joyce Strubhart, secretary, reading the minutes and calling the roll.

The Federation Report, given by Mrs Cathcart, was excerpts from Barbara Bush's address to the GFWC International Convention in Houston, which was held in June.

Mrs Bush is the wife of Vice-President George Bush and Honorary Chairman of the GFWC Literacy Project for 1984-86.

Estelle Davis gave an interesting and comprehensive report on the history of the Texas Rangers, with particular emphasize on their activities in West Texas.

An interesting and unusual display of small antiques was given by Mmes Bouchier and Potts.

Each item had a family story, all its own.

The hostesses served delicious refreshments to: Sue Chun, Ruby Kirkpatrick, and Mmes Strubhart, Davis and Cathcart.

The Caprock District Fall Board Meeting and Workshop, previously scheduled for Saturday, October 12th, has been rescheduled for Saturday, November 2nd, at Girlstown.

'Lopes Unleash Offense on Tigers

by Wes Burnett

Looking better every week, the "un-rated" Post Bold Gold Antelopes maintained an unblemished district slate last Friday, slamming the Slaton Tigers 49-6 at Slaton.

The Antelopes struck first with 3:57 remaining in the first quarter as quarterback Joel Kirkpatrick rolled to his left and found Bruce Crenshaw all alone in the end zone for a 25 yard touchdown toss.

Tracy Price, who unleashed his power on the Tigers, converted all seven extra points with precision.

Price also stunned the district opponents with a burst of high-stepping energy later with a 58 yard blast to the end zone.

Defensively, the Antelopes look more and more like a championship unit, with quickness and strength limiting the Tigers on almost every series.

What looked like a touchdown punt return by Ben Kirkpatrick following Slaton's first four-down series, was called back on a clipping call.

The 'Lopes punted after four

downs, then held the Tigers who punted from their own 37 yard line. Greg Adams took the punt from the 'Lope 39 to the 43.

Eight plays and three downs later, Kirkpatrick connected with Crenshaw.

The drive, starting at 7:20 remaining in the first period, featured a combination of Price and Benny Hair running behind a quick-starting and aggressive offensive line.

Price got a first down over right guard on a third down situation to the Slaton 46.

He then took the pitch out on a sweep around left end to the 33 and Joel Kirkpatrick pulled the quarterback keeper around his right end to the 25.

Crenshaw, showing his speed and Kirkpatrick faking inside to Price, left the Tiger defense baffled.

Second Touchdown

Early in the second quarter, the 'Lopes got on the board again, this time using a Kirkpatrick to Kirkpatrick pass and run.

The drive started with 11:31

remaining in the period, as the defense stifled a Slaton march.

The 'Lopes took the football at their own 36 following a punt and went the 74 yard distance on 11 plays.

Price was a key in the series, sharing running time with Joel Kirkpatrick on options and Ben Kirkpatrick.

Price got a first down on a power sweep around right end to the Post 45.

He sliced into Slaton territory at the 48, then Joel slipped around left end to the 34 for another first down.

Ben Kirkpatrick rammed over left guard to the 30.

And then on third down Joel found his brother on a screen pass around left end and Ben followed the clearing blocks and burst to the 24.

On first down Price got the hand off over left guard dragging defenders to the 14½.

Joel then pulled the quarterback option around left end, keeping the ball and slicing to the eight for another first down.

Then the senior quarterback rolled to his right, passing on the run to brother Ben who took the ball to the end zone with 9:31 left in the first half.

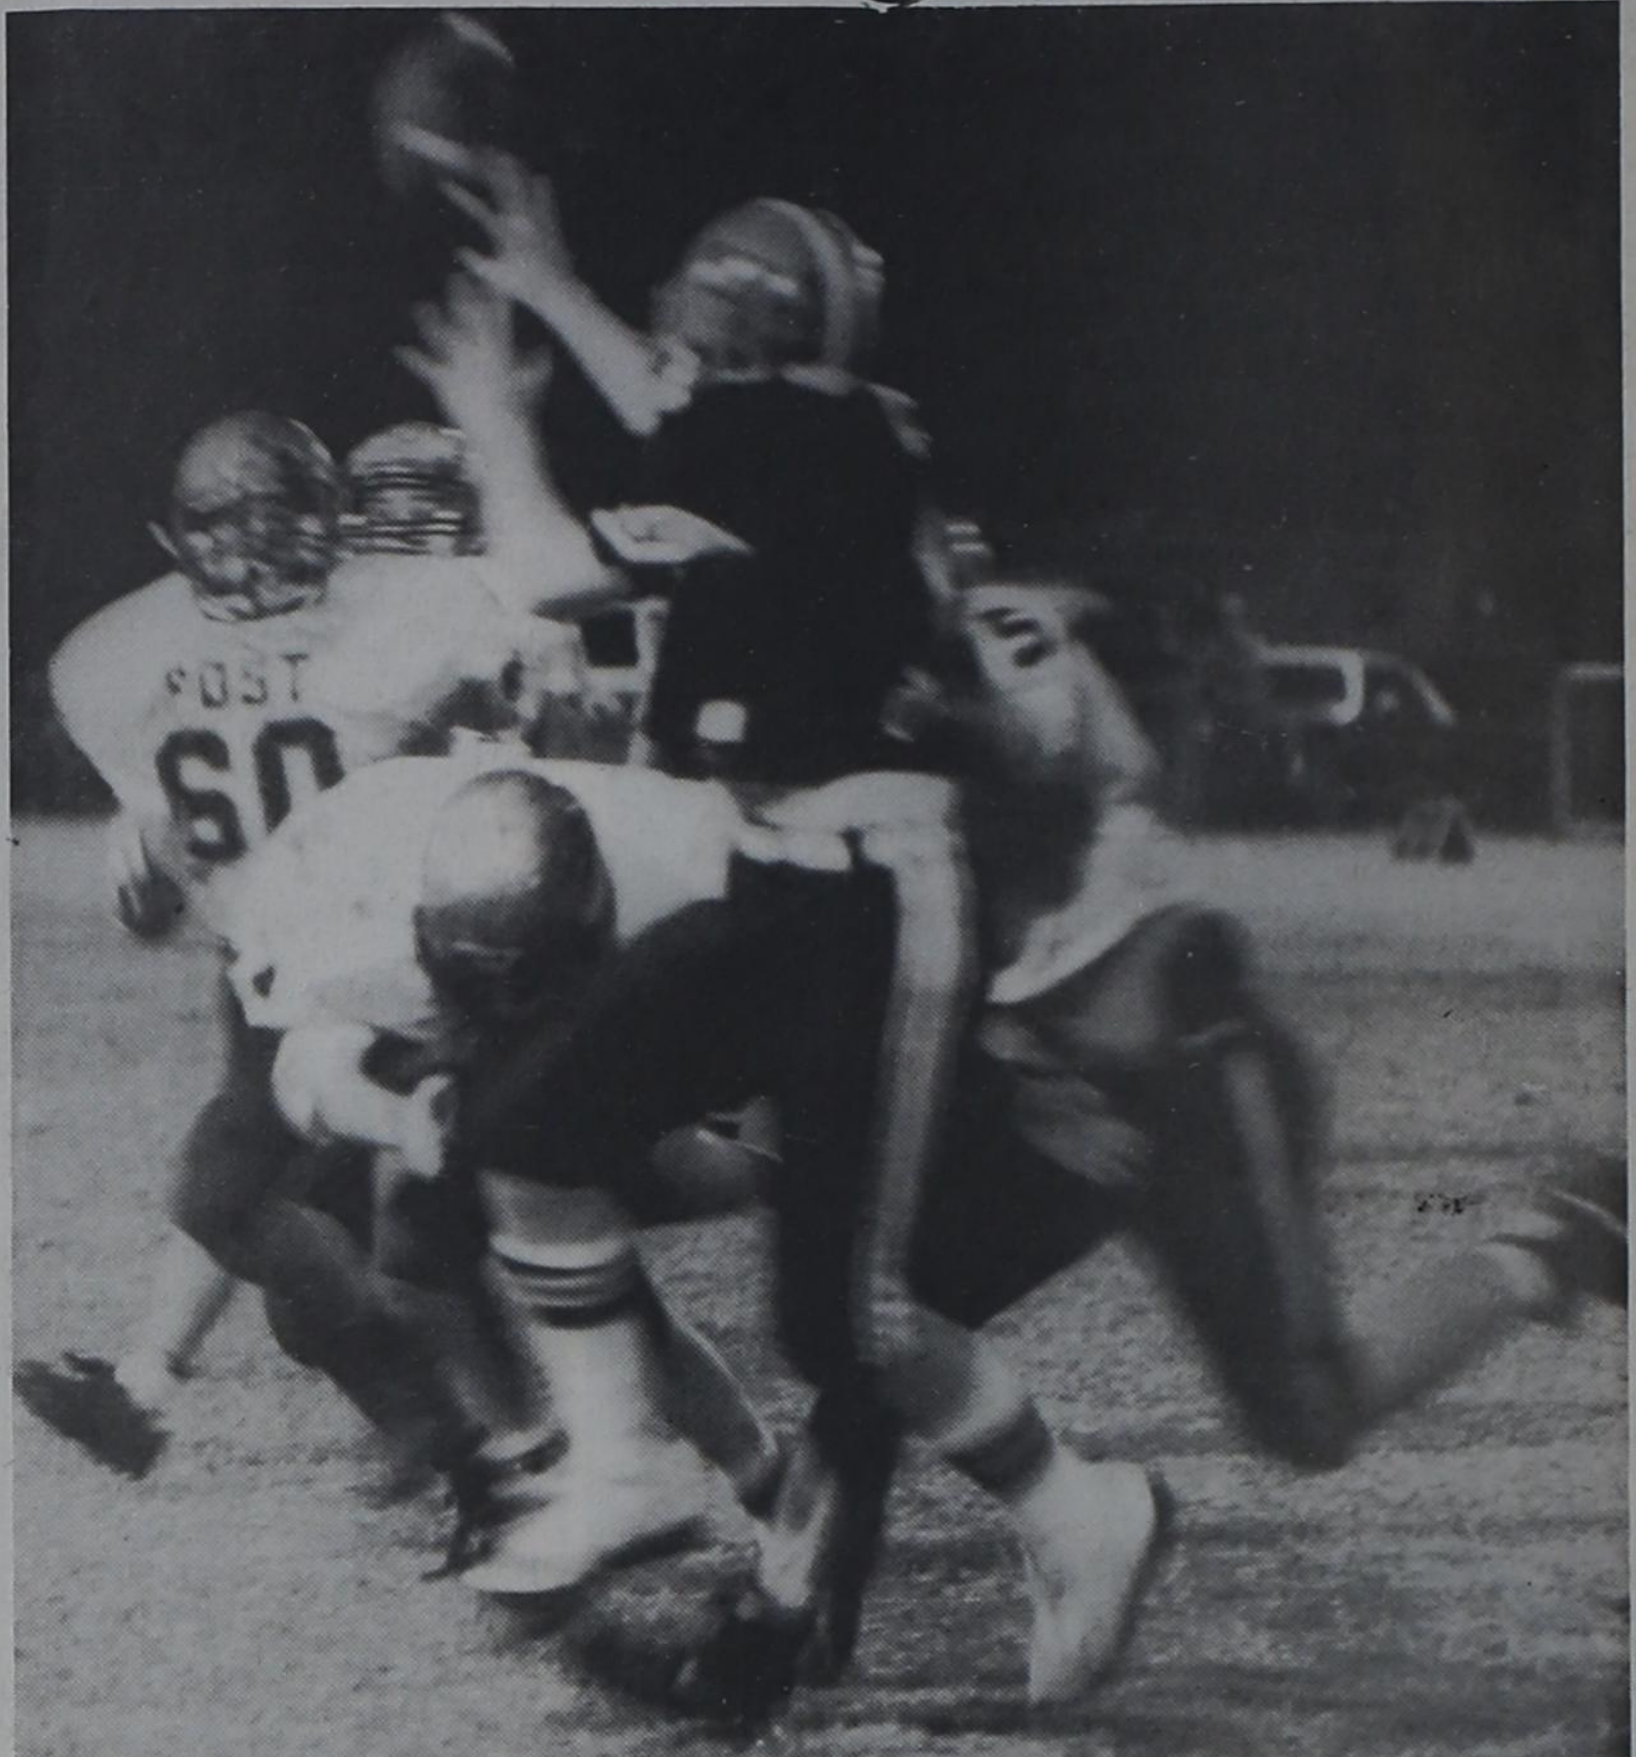

One More Time

The Bold Gold scored once more before the half, starting with 5:52 and ending at 3:17 as Price broke through the secondary on a first down play at the Post 42, running with his head up and legs pounding high, he broke through one defender at the Slaton 40 and out ran the rest to the end zone.

The 'Lopes led 21-0 at intermission.

The Tigers put on a determined drive, reaching the Post 17 before running out of steam and an aggressive Post defense.

On the second possession in the third quarter, the Antelopes added another seven points with 2:36 remaining in the period, following a seven play, 69 yard drive.

The series began following Crenshaw's crushing fourth down tackle of the Tiger running back at the Post 36.

A penalty set the ball back to the 31.

Price got a pass from Kirkpatrick to the 32.

Then Crenshaw brought the fans to their feet with an outstanding grab of a pass from Kirkpatrick across the middle of the 44 yard line.

On third down Price powered over left tackle to the 48 for a first down.

Kirkpatrick dropped back and found Crenshaw all alone at the Slaton 40, and the swift receiver turned on the afterburners, accelerating past the Tiger defense, cutting to his left and racing to the 14 yard line.

Price went over left tackle to the seven then over right tackle to the one-half yard line and again over right guard to the end zone.

The two-point conversion was unsuccessful.

A squib kick was covered by Bobby Gonzales at the Post 49 yard line.

Fourth Quarter

Going into the final period, leading 28-6, the 'Lopes put the punt return team into action as Crenshaw fell in behind a wall of blockers at the Post 46 and was finally hauled down at the Slaton 25.

Two plays later the 'Lopes led 35-6 as Hair blasted over left guard behind the blocking of Ron Graves, James Mock and Jay Fluitt from the six yard line for the score.

The touchdown was set up by a rolling left Joel Kirkpatrick fake to Price then passing to Danny Foster who grabbed the ball at the 15 and slipped away to the six.

The 'Lopes sill had 11 minutes of football.

No wasting time, the defense got the ball back as Slaton was stifled on the kickoff at the eight yard line.

Four plays later a high snap to the punter in the end zone resulted in a short punt to the Post 30, where Steve Pena grabbed the ball and returned it to the 19.

It took Price three plays to reach the end zone.

The final blast came over left tackle from the 14 yard line, as he broke two tackles on the way.

Another strong defensive effort, highlighted by Tim Tanner's sack of the Tiger running back at the 19 and Greg Storie saving tackle later at the 26, gave the ball back to the 'Lopes one more time with 6:08 left in the game.

Reserve quarterback Jay McCook guided the 'Lopes on a seven play, 40 yard scoring effort.

Greg Adams and Benny Hair shared the running, with Adams going in for the touchdown on a sweep around left end from the 13 yard line with 3:06 left in the game.

Price's extra point put the 'Lopes ahead 49-6.

Ambulance Report

The City-County Ambulance Service, operated by the Post EMS Association, reported the transporting of 26 patients during the month of September.

Ten of the patients were delivered out-of-county and 16 were in the county.

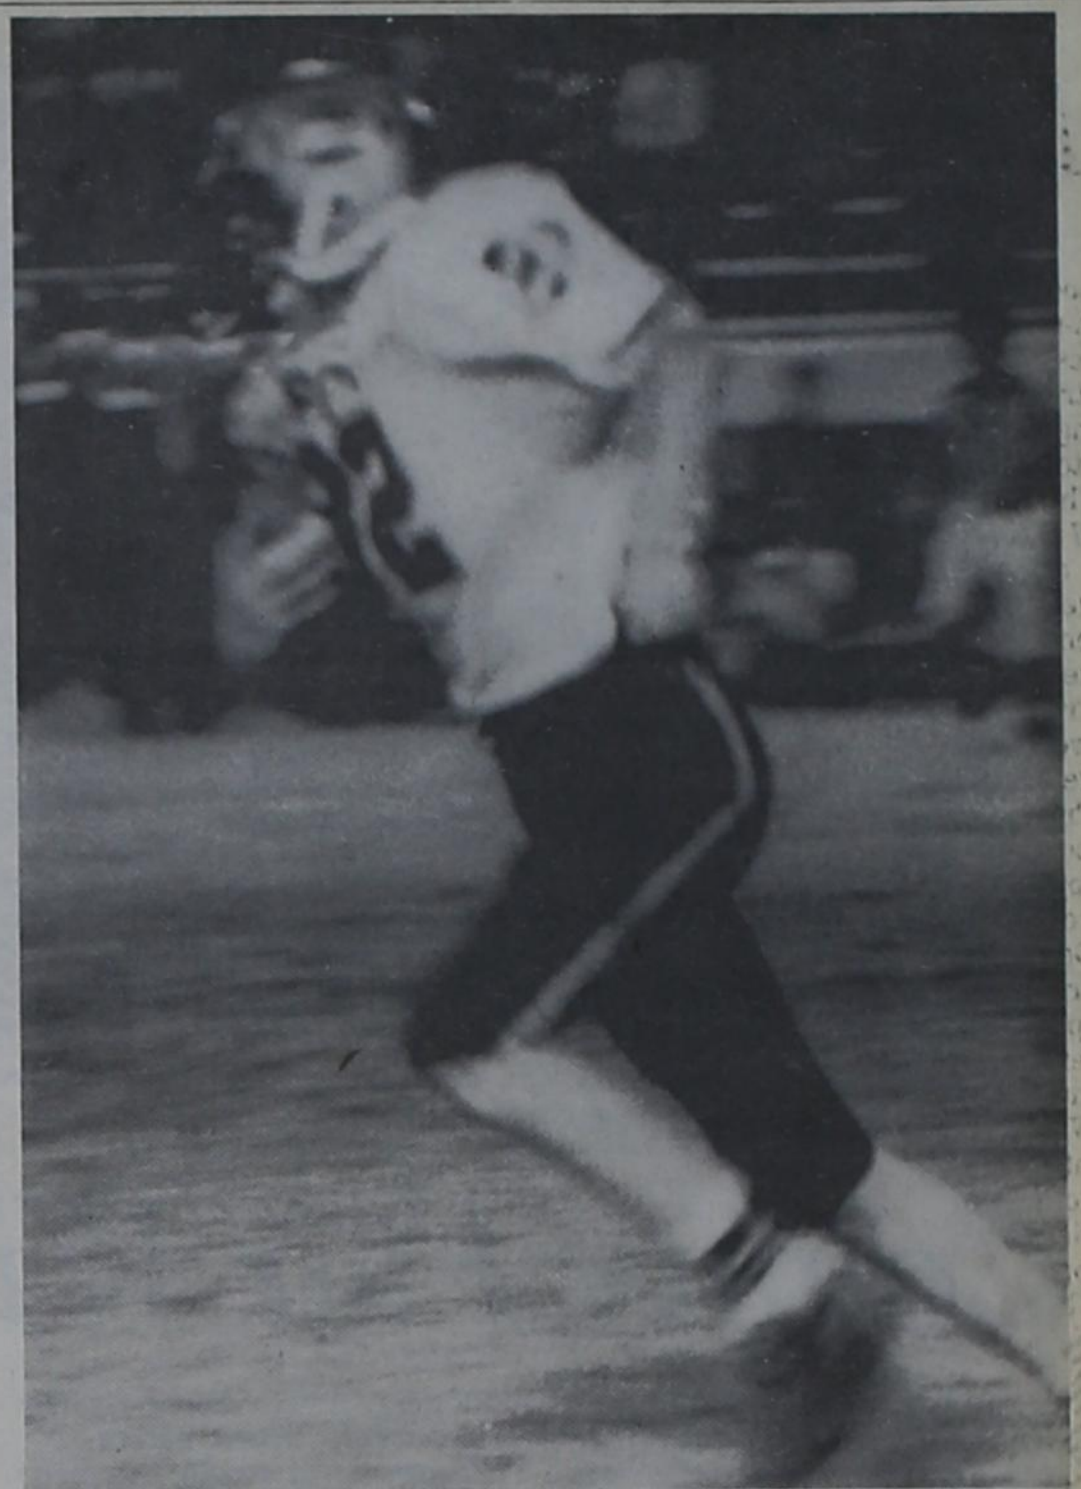

The year to date total of patients transported is 319. Total billing for September was \$1,652.

RON GRAVES anchors the offensive line at center and here gets the football to quarterback Joel Kirkpatrick on one of the second half touchdown plays.

JOEL KIRKPATRICK ran the option with precision last Friday in Slaton as the Antelopes won 49-6.

DANNY FOSTER hauled down a Joel Kirkpatrick pass for another first down during action at Slaton last Friday.

RODNEY TIDWELL, "Mad Dog," will be out of action due to a knee injury at Slaton.

Texans Killed in Accidents

Last year 107 persons were killed in the 17-county Lubbock District, according to Mel Pope, District Engineer, State Department of Highways and Public Transportation, of Lubbock.

"Alcohol, speeding and not wearing seat belts continue to be our greatest problems," said Pope. "Here in the Lubbock district, which includes 17 counties surrounding Lubbock, we had 10,669 traffic accidents."

There were 143 accidents in Garza County alone, four of which were fatal, with four people being killed during 1984.

Team Looks to Friday to Maintain 'Mo'...

"Offensively, we played really well," Post Antelope coach David Thompson comments about last Friday's win at Slaton.

"Our kicking game was just great...kickoff returns, punt returns and execution," he adds.

Thompson said he thought the defense played well also, but not with the same intensity shown in previous weeks.

He credited Delton Osborn with 'his best game this year.'

Osborn and Rodney Oden were in on 14 tackles, Eddie Moat was involved in 11 tackles and eight each were reported by Sam Hardin, James Mock and Adam Perez.

"James Mock did a great job on blocking," Thompson continues.

The coach reports that Rodney Tidwell suffered cartilage damage to his knee and was scheduled to undergo surgery Monday morning.

"The doctors say that he could be out 10 days to six weeks," Thompson says.

Tidwell was in Lubbock General Hospital.

Looking toward this Friday's home game with the Seminole Indians, Thompson believes the team "needs to continue to show

improvement and play with intensity throughout the ball game."

"We shouldn't have let Slaton score," he adds, "and that one long run was just a result of sort of letting down," the coach observes.

"Last year about this time we had a little slump, and almost lost to Seminole and Denver City, then came back on the last game and lost to Frenship after taking a 21-0 halftime lead.

"We're working hard to make sure we don't repeat those mistakes and the players know that they can't have a let down against any of the three remaining teams," Thompson emphasizes.

Seminole has won only one game this year, edging Coahoma 12-7. They have lost to Colorado City, Lamesa, Roosevelt, Denver City, Frenship and last week to Brownfield 37-0.

The Antelope defense will be protecting against a good receiver in senior end Victor Rodriguez who has good speed and catches passes from quarterback Ty Bryson.

Game time is 7:30 p.m. at Antelope Stadium.

J.V. Wins in Rain

A rain-soaked Antelope stadium limited the scoring, but the Post Junior Varsity Antelopes slogged their way to a 12-0 win over Slaton last Thursday anyway.

"The defense played extremely well," coach Dewayne Osborne comments, "we had five interceptions."

He credited Richard Curtis, Brent Jones, Derick Oden and Dewayne Warren for their efforts. Warren intercepted two passes.

"We also had two fumble recoveries and a blocked punt," the coach adds.

The scoring plays came on a 45 yard drive, capped with a 28 yard run by Anthony Perez and a one play effort from 32 yards out as reserve quarterback Marvin Lee surprised the Tiger defense.

Quarterback Eric Reece completed three of five passes for 23 yards.

The young 'Lopes were credited with 220 yards offense, limiting Slaton to 82 yards.

Lee had 82 yards on 12 carries, Perez got 111 yards on 19 carries and one pass for 17 yards and Oden had five carries for 30 yards.

The team travels to Seminole this Thursday.

Three proud mothers were bragging on their adult sons. One said, "My son dates a different beautiful woman every week." The second said, "My son married a beautiful woman, and she's a surgeon too." The third said, "My son is so brilliant. Every week he pays a psychiatrist \$75 just to lie on his couch, and you know what he talks about? Me!"

One day Jesus was confronted by a proud mother who wanted "only the best for her sons," places of honor in God's kingdom. Jesus pointed to the servant as the honored place in the kingdom. The Presbyterians of Post invite you to join with us in worship Sunday morning, as we seek to learn from Christ how to live rightly in god's kingdom.

Freshman Drown Chiefs

A steady, hard rain made an absolute mess of the Antelope Stadium football field last Thursday, but it didn't slow down the Post freshmen as they slammed the visiting Crosbyton Junior Varsity 26-6.

Slipping and sliding in the mud and rain, the freshmen scored on a nine play, 74 yard drive as Felipe Vargas took the ball in for the final 40 yards and then ran in the two point conversion.

After the Crosbyton punter was sacked later, Vargas went another 25 yards for the score and Mark Solis got the two point conversion.

Tyge Payne blocked a Crosbyton punt to set up the next touchdown, which Vargas going 25 yards for the touchdown and quarterback Trevor Thuett completed a two point conversion pass to Lupe Perez.

The young Antelopes collected 239 yards offense and "played extremely well in adverse weather conditions," coach Jay Kennedy says.

"We had to make position changes due to ineligible players and they came through," Kennedy adds.

"The whole team deserves recognition, because it was a team effort," the coach continues.

He specifically pointed to Billy Brumalaw, Richard Hudman, Matt Pennell, Lee Wayne Greathouse, Jarrett Dickson, Tyge Payne, Shawn Bevers, Mike

Bryan, Alfredo Soria, Richard Johnson, Gilbert Valdez, Chad Davis, John Hutto, Keith Peel, Vincent Slay, Britt Osborn, Cliff Johnson, Lupe Perez, Troy Timms, Felipe Vargas, Mark Solis, Dustin Ammons, Brook Capps, Trevor Thuett and Jay Green.

The team travels to Seminole this Thursday.

8th Graders Win 34-12 at Slaton Last Week

A trip to Slaton last Thursday netted the Post 8th grade football team a 34-12 win in the mud.

After giving up a 15 play Slaton touchdown drive on the first series, the young 'Lopes settled down to limit the opponents to 163 yards offense.

"Corky Saldivar and Manuel Perez played well on defense," coach Darrell Radle reports, "as well as Kevin Williams, Victor Chapa, Jr. Armendariz, Lance Bagby, Marcial Crider and Gaylon Martin."

"The offensive line played 100 percent better than the week before," Radle adds.

He praised Terry Timms, Keith Holly, Chad Overton, Mike Traw, Trey Jones, Jim Holleman, Bill Rankin and Robby Blair for their efforts.

"Tackle Harvey Polanco had an exceptional game with several key blocks," the coach says.

Tailback Lannie Lee was credited with 212 yards of the total 267 yards offense. He carried the football 14 times.

Wingbacks Williams, Jake Bustos and Rance Sappington were also praised by the coach.

Lee scored five touchdowns and two point conversions were credited to Chapa, Bobby Blair and Williams.

7th Graders Shut Out Slaton

The Post 7th grade football team blanked Slaton 26-0 there last Thursday.

"It was a great team effort," coach Fred Postell comments, "the first ten plays that Slaton had netted them a minus 30 yards offense."

Slaton had been undefeated until last week.

The Post 7th graders gave up a total of 71 yards on 35 plays, while collecting 213 yards on 21 plays.

Postell praised the efforts of Tony Patterson on offense and Dondi Steamer on defense.

Darren Brown led the rushing with 122 yards on 11 carries and three touchdowns, Patterson got 77 yards on five carries and one

touchdown;

Dustin Massey was credited with nine yards on three tries and Jr Ray Gonzales got three yards on one carry and one two-point conversion.

One touchdown electrified the crowd as Brown cut around right end and back across the field for a 60 plus yard touchdown with two seconds left in the first half.

"Patterson made probably the best run we have seen as coaches in a 7th grade game," Postell adds.

"He broke four to five tackles and carried two Tigers into the end zone on the run," the coach concludes.

The team hosts Seminole tomorrow.

County Fair Winners Listed

by Syd Conner, CEA-AG and Colleen England, CEA-HE
The Fall Fair was a tremendous success with numerous entries in the Exhibits, the Community Team competition, and the "Mrs." Post Contest.

The Best Entry Rosette winners are as follows:

Agriculture: Jr Youth - Jarrett Bland; Sr Youth - Mike Traw; Adult - Jerry Gerner

Canning: Sr Youth - Korren Payton; Adult - Teressa Oldfather
Clothing: Jr Youth - Judi Traw; Sr Youth - Keitha White; Adult - Sue Maxey

Crafts: Jr Youth - Mike Traw; Sr Youth - Robert Wood; Adult - Dan Rankin; Professional - Marj Compton

Culinary: Jr Youth - Rebecca Traw; Sr Youth - Korren Payton; Adult - Mary Peel

Flowers: Adult - Diane Graves; Professional - Wilma Yarbro
Handwork: Jr Youth - Arimary Gradine; Adult - Zoe Kirkpatrick and Henri Warren

Art: Jr Youth - Mike Wilks; Adult - D'Linda Chapman
Photography: Adult - Zoe Kirkpatrick

Educational Exhibits: Youth - Girl Scouts; Adult - ASCS
The High Point Posette winners were:

Professional Woman: Marj Compton
Extension Homemaker: Faye Payton

Non-Club Woman: Lil Conner
Man: Robert Craig
The Youth High Point Trophy winners were:

Jr Youth: Mike Traw
Sr Youth: Korren Payton
The winners in the "Mrs. Post Contest" were:

3rd Runner-Up: Syd Conner
2nd Runner-up: Bob Palmer and Johnny Haire

Winner: Jack King
Other beauties participating were: Pru Basquez, Doug Ezell, Billy McKamie, Ronnie Gradine and J.R. England.

The winners in the Community Team competition included a tie for 3rd Place between:

Graham - Jennie Cowdrey, Team Captain, and members: Steve White, Jackie White, Noel White, Stanley McNeely, Neal Francis, Johnnie Kemp, Nancy Kemp, Louis Mason, Benny George, Brent Mason and Keith Osborn and

Grassburr-Crossroads - John Bilberry, Team Captain, and members: Russell Wilks, Irvin Cross, Ronnie and Diane Graves, Alice Bilberry, Charla Tatum, Jay

and Sherry Pollard, Walter Didway, Darrell Jones and Randy Moczygemba.

2nd Place winner was the Close City team with: Jimmie Bartlett, Team Captain, and members: Jan Bartlett, Charles, Sharon, and Chuck Morris, Mack Terry, Jimmie Redman, Leon Gibbs, Clyde and Sue Cash, Larry Scrivner.

The winning Community Team was Barnum Springs with: Ken Young, Team Captain, and members: Rusty Morris, Tommy Young, Perry Smith, Mike Bland, Janet Mathies, Toby Craft, Lu Allen, Ruth Ann Young and John Bland.

Other Community Teams were Beta Watch Out (Beta Sigma Phi), Justiceburg, Hackberry-Southland, Garza County Court-house, First National Bank and Verbena.

Cotton Crop Suffers from Wet Weather Conditions

Recent cold, wet weather across the High Plains caused heavy damage to cotton leaf tissue and essentially eliminated prospects for further fiber development.

As a result, cotton producers must decide whether to terminate the crop with harvest-aid chemicals or wait for a killing freeze to desiccate and condition the crop for harvesting, advises a cotton specialist with the Texas Agricultural Extension Service.

Applying harvest-aid chemicals adds an expense that many producers would rather avoid, noted Dr James Supak, the Extension specialist.

However, it is quite possible that a killing freeze may not occur for another three to five weeks, he warned.

"Additional exposure of open cotton to weather elements could result in weight and quality losses that would more than offset the savings incurred by not applying harvest-aid chemicals.

A recent analysis by Dr Jackie Smith, Extension economist and farm management specialist, indicates that yield and quality losses can easily result in losses of \$4-5 per bale each week," he noted.

Although the cotton plants were heavily damaged by the extreme weather conditions, the plants are still alive and capable of carrying out certain functions, Supak said.

At this time, the most important of these involves the natural dehydration (hardening) of the bolls.

This process will eliminate the possibility of extensive freeze damage (formation of ice crystals within the boll that eventually result in rotting of the boll) and enable the bolls to open normally, Supak said.

Desiccants will be needed to dry and condition plant materials for harvest.

These chemicals can be applied once the boll hydration process is essentially completed, Supak said.

He recommended that the use of desiccants be delayed until 75-80 percent or more of the bolls are open and the remaining bolls are essentially mature.

"Generally, bolls are mature when they are too hard to be dented when squeezed between thumb and fingers, too hard to be sliced with a sharp knife and when the seed coat becomes light brown in color," he explained.

Desiccants which are

approved for use on cotton are paraquat and arsenic acid. These can be used alone or can be tank mixed with Accelerate, the Extension specialist said.

Recommended use rates for these chemicals are 1-2 pints paraquat per acre; 1-1.5 quarts arsenic acid per acre; tank mix of 1-2 pints paraquat plus 1-2 pints Accelerate per acre; and a tank mix of 1.5 pints arsenic acid plus 1.5 pints Accelerate per acre.

"In some instances, even lower than recommended rates may provide adequate desiccation," Supak said.

"The optimum rates may provide trial and error and are likely to change with variations in weather and plant conditions.

With adequate soil moisture, some regrowth is likely upon the return of warmer, more open conditions.

Arsenic acid is the more effective desiccant in controlling regrowth."

For best results, desiccants should be applied when winds are relatively calm, temperatures are in the 70's or higher, and 3-5 days of open, mild weather can be expected, Supak said.

"Good spray coverage is essential for effective desiccation.

Surfactants should be used to allow better distribution of the desiccant on plant parts.

Where ground equipment is to be used, the addition of drop nozzles should be considered to improve coverage.

Desiccants constitute a production expense that farmers could avoid by waiting for a freeze to kill and condition the crop for

harvest, the Extension specialist said.

"Unfortunately, delaying harvest after the crop is ready can prove to be

substantially more costly than the cost of the chemicals needed to prepare the crop for timely harvest."

Photo Club Holds Monthly Meeting

by Larry Moreman
On October 1, the Caprock Photographers held their monthly meeting with eleven members and one prospective member present.

Cecil Owen presented a program on the composition, lighting and shooting of table top photography.

During the business portion of the meeting, a treasurer's report was given concerning the proceeds from a September bake sale.

Also, for a \$1 donation to the Caprock Photographers Club anyone can be eligible

for a drawing to be held November 10.

A beautiful comforter made by Mary Owen will be given away at that time.

The comforter is on display in the store front window at Western Auto. Come by and look at it.

Further information can be obtained from any club member.

Our next meeting will be held November 5 with Bill Mueller in charge of the program.

Final plans will be made concerning the upcoming photography show to be held November 8th, 9th and 10th.

THE SIGNS OF THE TIMES ARE EVERYWHERE!

Almost 2000 years ago, Jesus Christ ascended into heaven from the Mount of Olives, east of Jerusalem. While His disciples stood looking "steadfastly toward heaven as he went up", two angels appeared and said: "Ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, who is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." Jesus had spoken earlier to his disciples and said: "Let not your heart be troubled; ye believe in God, believe also in me, in my Father's house are many mansions; if it were not so, I would have told you. And if I go and prepare a place for you, I will come again, and receive you unto myself..." (John 14:1-3)

Before His crucifixion, His disciples had asked: "...And what shall be the sign of thy coming, and of the end of the age." (Matt. 24:3) Jesus responded by telling of many things that would occur upon this earth which would indicate His return was near and He said: "...when ye shall see all these things, know that it is near, even at the doors." (Matt. 24:33)

"For the Son of man is like a man taking a far journey, who left his house, and gave authority to his servants, and to every man his work, and commanded the porter to watch. Watch ye, therefore; for ye know not when the master of the house cometh, at evening, or at midnight, or at cockcrow, or in the morning; Lest, coming suddenly, he find you sleeping. And what I say unto you I say unto all, watch." (Mark 13: 34-37)

The apostle Peter, as he wrote of the return of Jesus Christ, said: "...be mindful of the words which were spoken before by the holy prophets." In other words, recall to mind the predictions of the Old Testament prophets concerning the return of the Lord Jesus Christ to this planet. (2 Peter 3:2) The apostle wrote: "We have also a more sure word of prophecy, unto which ye do well that ye take heed, as unto a light that shineth in a dark place." (2 Peter 1: 19) God commands us to pay attention to the prophetic scriptures. There are over 500 references in the Old Testament to the return of the Lord while one out of every twenty five verses in the New Testament deals with the second coming of Christ. The prophet Amos wrote: "Surely, the Lord God will do nothing, but he revealeth his secret unto his servants, the prophets." God always warns.

The apostle Paul wrote concerning the return of the Lord: "But, ye brethren, are not in darkness, that that day should overtake you as a thief. You are all children of light, and children of the day; we are not of the night, nor of darkness. Therefore, let us not sleep as do others, but let us watch and be soberminded." (1 Thess. 5: 2-4) That day should not come upon a Christian by surprise, for Christians are commanded to watch. Jesus said: "Watch therefore; for ye know not what hour your Lord doth come." (Matt 24: 42) Over and over, throughout scripture, Christians are commanded to watch. Watch what? Jesus said: "Behold, take heed, I have foretold you all things." (Mark 13: 23) It's all in the Bible, everything we need to let us know at what hour of history we are living in. Within the pages of the Bible is contained "a more sure word of prophecy" and we do well if we take heed to it.

When Jesus began His earthly ministry almost 2000 years ago, He rebuked the

religious leaders of His day: "When it is evening, ye say, It will be fair weather; for the sky is red. And in the morning, it will be foul weather today; for the sky is red and overcast. O ye hypocrites, ye can discern the face of the sky; but can ye not discern the SIGNS OF THE TIMES." (Matt 16: 2,3) Despite the over 300 prophecies contained in the Old Testament concerning the first coming of Christ, when He arrived on the scene most rejected Him.

Today, contained in the pages of both Old Testament and New Testament are multitudes of prophecies which tell us that this generation lives on the very threshold of the return of Jesus Christ to this planet. THE SIGNS OF THE TIMES ARE EVERYWHERE.

1. THE SIGN OF ISRAEL: The second most prevalent prophecy in all the Bible, next to the return of the Lord Himself, concerns the revival and restoration of the nation Israel in the latter years of this age. In May of 1948 the nation of Israel was born, after over 2000 years of being a non-existing nation; its people scattered among all nations of the world. Thousands of years ago, God spoke through the prophet Ezekiel: "...Behold, I will take the children of Israel from among the nations to which they are gone, and will gather them on every side, and bring them into their own land. And I will make them one nation in the land upon the mountains of Israel." (Eze 36: 25) When would this regathering occur? The prophet Hosea wrote: "Afterward shall the children of Israel return, and seek the Lord their God, and David their king; and shall fear the Lord and his goodness in the LATTER DAYS." Our generation has witnessed one of the great miracles of all time, the re-establishment and restoration of the nation Israel, the only nation in history to be reborn out of ancient times. The Jewish people are the only people in history to have been scattered among the nations of the world and regathered into a nation once again. Throughout the pages of scripture, the rebirth of the nation of Israel is given as the key prophetic sign that we are living on the very precipice of the return of the Lord.

2. THE SIGN OF JERUSALEM: The prophet Zechariah wrote that, at the time of the end, just before the return of the Lord, Jerusalem would be a "burdensome stone for all peoples." (Zech 12: 3) This is the status of Jerusalem at this present hour. When Israel declared the city of Jerusalem to be her capital in 1980, she aroused the hatred of the entire Arab world. Every Mid-East peace proposal, whether coming out of the U.S., Europe, or the Arab world has one common obstacle: Jerusalem. In August of 1985, as the Pope of Rome met with Islamic leaders in Morocco, the declaration was made: "Something must be done about the status of Jerusalem." Today Jerusalem is that burdensome stone to all nations.

The prophet Joel wrote: "For, behold, in those days and in that time, when I shall bring again the captivity of Judah and Jerusalem, I will also gather all nations, and will bring them down into the Valley of Jehoshaphat, and will judge them there for my heritage, Israel, who they have scattered among the nations and parted my land." (Joel 3: 1-2) When you see the Jews back in control of their ancient homeland and in control of Jerusalem, it will be "in those days and in that time" that the Lord will gather all the armies of the world to the Middle East for the last great war of history. In June of 1967 another piece

of the prophetic puzzle fell into place: the Jews regained control of Jerusalem, during the miraculous 6 day war, after 2000 years of that city being under Gentile rule.

The Book of Revelation reveals that, in the last 3 1/2 years preceding the return of Christ to this planet, Jerusalem will once again fall to Gentile control: "...and the holy city shall they tread under foot forty and two months." (Rev 11:2) In order for the Jews to lose control of Jerusalem for those 42 months, they first had to take control of that city, which was done in 1967. The stage of the world is set for the final events of this age. In fact, the Bible says: "When the Lord shall build up Zion, he shall appear in his glory." (Psalm 102: 16) Zion is one of the hills upon which Jerusalem is built and one of the most often used names for Jerusalem in scripture. The generation that sees Jerusalem being built up once again, and in Jewish control, will be the generation that witnesses the return of the Lord. Our generation is witnessing the build-up of Jerusalem at this very hour. Christ is coming soon.

3. THE SIGN OF RUSSIA: The prophet Ezekiel wrote, in the 37th chapter, of the restoration of the nation of Israel in the latter days of this age. Then, in the 38th and 39th chapters, he describes the rise of a great and mighty military power, located to the "utmost north" of Israel, which would launch a great military invasion into Israel near the time of the end. The ruler of this end time nation is referred to simply as "Gog". He is of the land of Magog, the prince of Rosh, Meshech, and Tubal. Magog, Meshech and Tubal, all grandsons of Noah mentioned in Genesis 10, settled in what is today the nation of Russia. Lexicographers, who study the evolution of words from ancient times, tell us that Rosh is the ancient word form for Russia, Meshech is the ancient word form for Moscow and Tubal is the ancient word form for Tobolsk, a major city in eastern Russia. Three times the prophet identifies this nation as being to the "extreme north" of Israel. Look at a map; to the uttermost north of Israel lies Russia.

The prophet wrote that Russia, allied with many other countries, would launch an invasion against Israel in the latter days. He identifies some of these allies:

a. Gomer and all its hordes: Gomer and his people populated the area of Eastern Europe which today makes up the Warsaw Pact nations; strongly allied with and under Soviet control.

b. Persia - At the time Ezekiel penned this prophecy, Persia included Afghanistan, Iran, and Iraq; all either in the Soviet camp or leaning toward it.

c. Ethiopia - This north African nation fell to Communist control in the spring of 1977. President Carter expressed shock that U.S. intelligence had no forewarning of this; yet, for students of Bible prophecy, the takeover of Ethiopia (Cush) came as no surprise. Nor did the takeover of Afghanistan by Russia, in December of 1979, and the fall of Iran, a strong U.S. ally, into the Soviet sphere. Surely God has given us "a more sure word of prophecy" unto which we do well that we take heed as unto a light that shineth in a dark place.

d. Lybia (Put) - This north African nation, sponsor of world terrorism, is counted as being in the Soviet sphere and, because of its hatred for the Jew, will one day march with Russia against Israel.

Many people today ask the question: "Why the Russian military build-up?" The reason: God has commanded

it. Speaking to Soviet Russia, God says: "Be thou prepared, and prepare thyself, and all thy company that are assembled unto thee, and be thou a guard unto them (or a commander unto them)" (Eze 37:7) In other words, God tells Russia to get ready and to get her allies ready. Why? The answer is given in Ezekiel 37: 8,16 - "After many days thou shalt be visited; in the latter years thou shalt come into the land that is brought back from the sword, and is gathered out of many peoples, against the mountains of Israel." "And thou shalt come up against my people of Israel, like a cloud to cover the land; it shall be in the latter days, and I will bring thee against my land..." Soon Russia will make that invasion, foretold thousands of years ago, resulting in devastating destruction throughout the world.

3. THE NUCLEAR SIGN: The prophet Joel wrote of a massive world-wide arms race that would take place near the end of this age, coinciding with the restoration of Israel as a nation and return of Jerusalem to Jewish control: "Proclaim this among the nations, prepare war, wake up the mighty men, let all the men of war draw near; let them come up; beat your plowshares into swords, and your pruning-hooks into spears..." (Joel 3:9-10) As we look across the world today we see the greatest weapons build-up of all history taking place with a price tag of one trillion dollars. According to scripture, all of this is in preparation for the last great war of history. Devastating, unparalleled destruction looms upon the horizon as the Bible describes an "atomic nightmare" being let loose on this planet. The prophet Malachi wrote of this end-time destruction: "For, behold, the day cometh that shall burn like an oven, and all that do wickedly, shall be stubble, and the day that cometh shall burn them up..." (Mal 4:1) The prophet Isaiah wrote: "...the inhabitants of the earth are burned and few men left." (Isa 24:6) NS "...by fire and by his sword will the Lord plead with all flesh; and those slain by the Lord shall be many." (Isa 66:16) The prophet Jeremiah wrote of dead bodies being "at that day from one end of the earth even unto the other end of the earth." (Jer 25:33) The prophet Ezekiel wrote of fire being sent to the land of Russia and other nations throughout the world. (Eze 39:6) The prophet Zechariah wrote of people's flesh being consumed away while they stand on their feet, their eyes consuming away in their holes and their tongues consuming away in their mouths; a precise description of the results of an atomic blast. The prophet Joel wrote of "blood, fire, and pillars of smoke" upon the earth during those last years. In the book of Revelation, the apostle John wrote of "hail, fire, and blood" coming upon the earth burning up one-third of all trees and all green grass. He wrote of seeing "a great mountain burning with fire" falling into the sea destroying one-third of all sea life and one-third of all ships. (A hydrogen bomb exploding in the ocean looks like a great mountain covered with fire) He wrote of "a great star" falling from the heavens "burning as though it were a lamp" making the waters of the earth poison and many people dying from the poisoned waters. He wrote of a 200 million man army, marching into Israel from the east (China) across the Euphrates River. This invading army will kill one-third of the human race "by fire, smoke, and brimstone." John wrote of an end-time nation,

referred to only as Babylon, that would be destroyed in one hour, "utterly burned with fire". When its all over, the prophet Isaiah said the earth would be like a wilderness and its cities destroyed." (Isa 14) No wonder Jesus, as He spoke of those last years of this age, said: "For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved..." (Matt 24:21-22) If Jesus did not return to stop it, no human being would be left alive. The apostle Paul also wrote of those coming last years: "But understand this, that in the last days, there will set in perilous times of great stress and trouble." (2 Tim 3:1) Jesus said that during those last years prior to his return, there would be "upon the earth distress of nations" and "men's hearts failing them for fear, and for looking after those things which are coming on the earth." (Luke 21:25-26) One day, somewhere ahead, the nuclear might of the nations will be unleashed upon this planet and "that time of great trouble" will dawn upon the earth.

THE WAY OF ESCAPE: As Jesus spoke of His return to earth, He said: "But as the days of Noah were, so shall also the coming of the Son of man be." (Matt 24:36) The Bible says that before the flood came, there was a man of God, named Enoch, who was literally caught away into heaven; thus being removed from this planet before destruction came: "Because of faith Enoch was caught up and transferred to heaven, so that he did not have a glimpse of death; and he was not found, because God had translated him..." (Heb 11:5) Likewise, the Bible reveals that before the time of great trouble is unleashed upon this planet, the Lord Jesus will come and remove Christians from this planet: "For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first; then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air; and so shall we ever be with the Lord." The Greek word translated "caught up" means Christians will be removed hastily from impending disaster; we will be literally translated out of this world, as was Enoch in the days before the flood. Then the times of great destruction will fall upon the earth and all people left behind will go through years of unparalleled sufferings and sorrows.

Four thousand years ago, Noah and his family stood where we do at this hour. As Noah warned of the coming destruction, he must have pointed to that one door in the ark as the only way of escape; yet other than Noah and his family, none escaped. Jesus said: "For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came, and took them all away, so shall also the coming of the Son of man be." (Matt 24:38-39) It was business as usual, none gave heed to the warnings, and they perished. At this very hour, throughout all the world, God's people are warning masses that destruction is coming and we point to the one door of escape: Jesus said: "I am the door; by me if any man enter in, he shall be saved..." (John 10:9) Two thousand years ago God provided the solution for the sin problem that had alienated man from God; For God "hath made him

(Christ), who knew no sin, to be sin for us, that we might be made the righteousness of God in him." When Jesus hung on the cross of Calvary, He offered the supreme sacrifice: "...But now once, in the end of the ages, hath he appeared to put away sin by the sacrifice of himself." (Heb 9:26) Today, the door of safety and escape is still open, but you must personally accept the sacrifice offered by Jesus Christ on the cross 2000 years ago. The Bible says: "...the gift of God is eternal life through Jesus Christ, our Lord." (Rom 6:23) However, you must come personally to Christ, in prayer, to accept His sacrifice for your sins and receive the gift of eternal life. The Bible says concerning Christ: "Therefore He is able also to save to the uttermost completely, perfectly, finally and for all time and eternity those who come to God through Him, since He is always living to make petition to God and intercede with Him and intervene for them." (Heb 7:25) There is no other way of escape: "Neither is there salvation in any other; for there is no other name under heaven given among men, whereby, we must be saved." (Acts 4:12) The Bible says that God now commands "all men everywhere to repent, because he hath appointed a day in which he will judge the world..." (Acts 17:30-31) Turn to Jesus now while the door is still open. Don't be left behind to go through the horror that will befall the earth in the time ahead. Don't be among those who will spend eternity in hell; suffering for all eternity, when God has made the way of escape for you. Come to Christ now. The Bible says: "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved..." For whosoever shall call upon the name of the Lord shall be saved." (Rom 10:9,13) If you want to receive the gift of eternal life, pray right now: Lord Jesus, I come to you now with all my sin and ask you to forgive me. I receive you now, by faith, as my Savior and Lord. Make me the Christian you want me to be. I thank you that according to your promise, I'm saved. Did you pray to receive Christ as your Savior and Lord? John 1:12 says: "But as many as received him, to them gave he power to become the children of God, even to them that believe on his name." Every sin you have ever committed has been erased as far as God is concerned: "...the blood of Jesus Christ, his Son, Cleanseth us from all sin." (1 John 1:7) and "Their sins and iniquities will I remember no more." (Heb 10:17)

... FOR GOD SO LOVED THE WORLD, THAT HE GAVE HIS ONLY BEGOTTEN SON, THAT WHOSEVER BELIEVETH IN HIM SHOULD NOT PERISH, BUT HAVE ETERNAL LIFE." (John 3:16)

If after reading this article you have called on Jesus to save you, write to the below address and we will send you further help. In the meantime, begin reading your Bible every day. The Book of John is a good place to begin. Then begin to pray everyday, asking God to show you a church you can become a part of. You will see your life change, and by no power of your own. You will soon know what the Lord meant when He said: "Therefore, if any man be in Christ, he is a new creation; old things are passed away; behold, all things are become new." (2 Cor 5:17)

Grassland Reunion

by Stella Moyer

Remember the Grassland Homecoming October 27.

As most of you know we have started a book of old news and pictures about Grassland and it's people.

We have The Old Grassland News Printed about Five Year Ago.

We need you to look through your pictures and scrap books for church groups, school, picnic or any old pictures of Grassland people and businesses.

This could be stores, barber shops, cafes or gins.

Do you have an old wedding picture of our old Settlers?

Please help us keep the history of Grassland alive.

This book will go into the Tahoka Library in a few years. Hurry and send your collection to:

Erlene Norman Saage, Box 461, Slaton, Texas 79364 or

C.W. (Preacher) Roberts, P.O. Box 937, Tahoka, Texas 79373.

If you don't have time to mail them, bring or send to the reunion and we will have them to put in next year.

Vice-President; Michael Traw, Secretary; Wade Brideman, Reporter; Jill Richardson and Michael Traw, Council Delegates and Jana Hudman and Wade Bridgeman, alternates.

A regular business meeting was conducted.

The new business was deciding a club name and a time, date and place to meet.

The members voted on the "Lucky Clover" name for the club and the second Monday of every month as meeting days, with the time set at 7:30 p.m. at the First Christian Fellowship Hall.

Afterwards, refreshments were served to 24 members, parents and the co-organizational leaders, Sue and Steve Traw and Darrell and Ruby Jones.

The meeting was adjourned.

The next meeting of the Lucky Clover 4-H Club will be November 11th at 7:30 p.m.

Needle Craft Club News

The Needlecraft Club met Friday, October 18, at 3 p.m., with Helen Richards as hostess in Alma Hutto's home.

Katherine Johnson, club president, conducted a short business meeting.

Alma Hutto, secretary, read the minutes and called the roll.

Roll call was answered with "Plans for Thanksgiving."

After the business meeting was finished, the fun began.

The members cleaned out and carved pumpkins.

The unique jack-o-lanterns were taken to the Twin Cedars and Golden Plains nursing homes for the residents to enjoy.

Afterwards, refreshments were served to 24 members, parents and the co-organizational leaders, Sue and Steve Traw and Darrell and Ruby Jones.

The meeting was adjourned.

The next meeting of the Lucky Clover 4-H Club will be November 11th at 7:30 p.m.

Members enjoyed visiting and needlework.

Delicious refreshments were served to the following members: Bessie Bowen, Lucy Callis, Marcylee Demming, Gwendolyn Boren, Joyce Strubhart, Katharine Cathcart, Johnson, Hutto and Richards.

The next meeting will be Friday, October 25, at 3 p.m., in the home of Katherine Johnson.

Close City Extension Club

The Close city Extension Homemakers Club met at the Algerita Center, Oct 15 with Oreta Bevers, president, presiding at the business meeting.

Bossons...

by Jan Herring
(continued from last week)

The faces are full of feeling and the flesh tones done with a wonderful fineness of surface that seems to breathe.

Every mask is inspected by the artisan as it progresses through different stages of production to its completion.

Each artist is his own most severe critic and takes great pride and satisfaction in creating a perfect figure.

Production is necessarily limited.

It is unusual today in our mechanized world to find such strict quality control procedures.

Bossons Limited goes one step further by placing its products in only select shops.

Constant striving for perfection of the character masks from original sketches to finished product results in a highly interesting and attractive collection.

They may be effectively used in the decor of both modern and traditional home or office.

Mr W. Ray Bossons, an imaginative and capable artist as can be judged by his work, is continuing a forty-year tradition by creating new characters which are enthusiastically received by collectors.

His talent is reflected in the more recent additions to the collection making Bossons a prestigious name in the world of collectibles.

The latest model created is "Bretonne Lady."

It is somewhat different from the other character masks as it is quiet in coloring.

It depicts a lady in authentic lacy headdress in accordance with the traditional style of this French province.

Quality is the determinant in a work of art, in fact, the essence of art value, and that alone speaks for itself.

This marvelous group of masks, mounted for wall hanging, bears the Bossons trademark, with signature, date and backstamp:

"BOSSONS"
CONGLETON
ENGLAND

Collectors in the States are rapidly becoming more familiar with Bossons and take much pride in owning these delightful characters.

They are avidly searching for the discontinued pieces.

It might be wisdom to start a collection of Bossons by purchasing Character Masks when issued thus insuring the most economical price.

There is speculation as to how long the factory will be willing to produce each figurine.

Collectors would like a set mintage and a fixed date with each mask serially numbered.

At the termination point molds should be destroyed and the figure never to be issued again.

One is indeed fortunate to own a complete collection of Bossons Character Wall Masks.

So—invest in further knowledge about these three-dimensional works of art and put education and research back into collecting.

Shower for Workman

On October 17, Christie Workman, bride-elect of Steve Hand was given a wedding shower at the Community Center in Grassland.

Several guest's attending enjoyed fellowship, cookies, nuts, mints, punch and coffee.

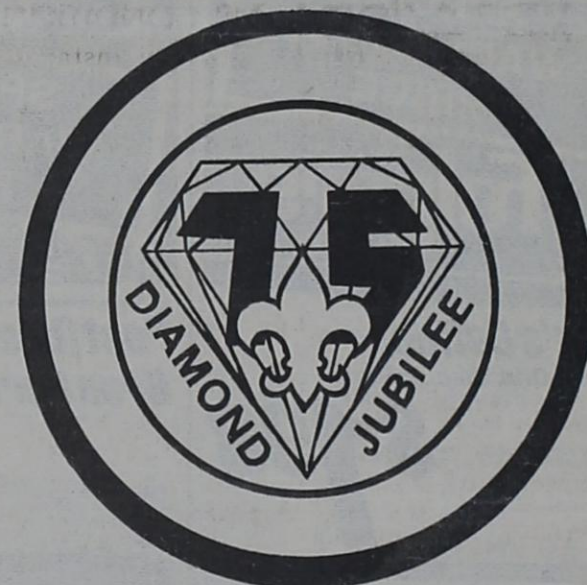

Hostess for the occasion were Faye Melton, Faye Ramsey, Faye Mathis, Marie Long, Joy Laws;

Hazel Braddock, Laverne Aten, Johnnie Francis and Lorene Gerner, all of Grassland.

Jackie Lester, Nita Case, Anita Tidwell and Margie Carpenter from Post and Lina Henzler of Slaton were also hostesses.
