### JONES COUNTY SINGING CONVENTION APRIL 3rd

Anson — On Sunday, April 3rd, people from all over Texas will gather in Anson for the 56th Annual Jones County Singing Convention which is to be held in the High School Auditorium, as is the custom on each first Sunday in April.

This convention is sponsored by the Anson Chamber of Commerce, which has made every effort to contact all organized groups and individual singers urging them to be present. Max ing equipment.

H. Ward, manager of the Anson Refreshments chamber, has asked that if any group of person has not been contacted, to please consider themselves invited and meet with the convention on the set date. The local C of C will host a luncheon for all out-of-county singers.

On the first Sunday in April. 1893, the many people in Jones county who enjoyed gospel singing met in the courthouse in Anson and organized the Jones County Singing Convention, which today, besides being the oldest, is the largest and most widely known program of its type in the state and possibly in the nation. Fifty-six years ago the singers came from over 40 miles away in buggies and wagons; today they come from the 'four-corners" of the state by some one of the various means of modern transportation.

From the date of organization, the Convention was held in a different community in Jones county each year until 1942 when Anson was made its permanent home. Since then it has been under the sponsorship of the Anson Chamber of Commerce.

On several convention dates, more than 4,000 persons assembled in Anson; last year's crowd topped all records with an estimated 5,000 in attendance. Another such attendance is expected this year.
