Football Contest
Entry Form
on Page 12

OS Washer Pitch

The annual O. S. Washer Pitch is scheduled to be held Friday, October 7 at the Garza County Livestock and 4-H Barn on Highway 84 North of Post.

An entry fee of \$100 has been set per team in the 21 or bust or three bust limit event.

Introduction of pitchers will be held at 10:30 a. m. with the pitching to begin at 12:30 p. m. and is limited to first 32 teams entered.

Belt buckles will be awarded for first, second, third and fourth place finishers and \$500 will be added back to the entry fee.

Entry fees less fifteen percent are paid back to first, second, third and fourth places in cash.

Warmups will be held from 6 til 9 on Saturday. For more information, contact Monk Palmer at 495-3460 or entries may be mailed to Garza County Washer Pitch, P. O. Box E, Post, Tex., 79356.

Sales Tax Rebate

The first quarter of 1984 State Comptroller sales use tax report shows Garza County with 121 reporting outlets with \$9,350,571 in gross sales.

This compares to \$9,592,137 for the same period in 1983.

The use tax purchases were \$48,390.

The amount of sales subject to the tax was \$3,473,687.

Class of '49

The Post High School Class of 1949 will hold its 35 class reunion Saturday, October 20 in the Fellowship Hall of the First United Methodist Church.

Registration and visiting will be held from 2 - 7 p. m. with a catered meal to follow for classmates at 7 p. m.

Anyone intested in visiting is invited to attend between the hours of 2 and 7.

Anyone knowing the address of Rudolph Jones is asked to contact Janet Stewart Hall at 495-3477 or 495-3404.

Class of '47

The Post High School class of 1947 will hold its 37th class reunion Saturday, October 20 in the Presbyterian Church (North entrance).

All friends and acquaintances are invited from 1 to 7 p. m. for visiting. Coffee and cookies will be served.

A catered meal for classmates will follow the visiting at 7 p. m.

Johnny Perez, Barbara Hardin Win Contest

First winners of the Post Dispatch football contest were Johnny Perez of 208 N. Ave. H in first place and Barbara Hardin of Idalou winning second.

Both contestants missed four games in the contest, but Perez was closest to the tie breaker, missing by five while Hardin missed by 11.

O.S. Art Exhibit, Sale Oct. 6, 7

"Her Elktooth Dress" is one of Pat Mathiesen's polychrome bronze works to be included in this year's O.S. Art Exhibit and Sale.

Pat Mathiesen will be one of the top western artists to display works at this year's O.S. Art Exhibit and Sale.

The 1984 O. S. Art Exhibit and Sale of fine western art to benefit the O. S. Charities will be held in the Post Community Center October 6 and 7.

The special preview night exhibit and sale will be held Friday, Oct. 5.

"Anyone who wishes to attend the preview event and for some reason hasn't received an invitation, may get a reservation at the First National Bank or Western Auto," art exhibit coordinator Marie Neff explains.

The preview night, which includes a meal, is \$20 per person.

There is no charge for the public showing on Saturday and Sunday, which will feature the best Western artists again this year.

A western dance is also scheduled for Saturday, Oct. 6, featuring Hoyle Nix with dancing anticipated to be in the 40,000 square foot Postex Plant air conditioned sewing room.

The dance, which starts at 8:30 p. m. and continues to midnight, will cost \$5 per person and tickets will be sold at the door only.

The art exhibit and sale will include western paintings in oil, water color, pencil and charcoal; bronzes, wood sculptures and epoxy resin sculpture.

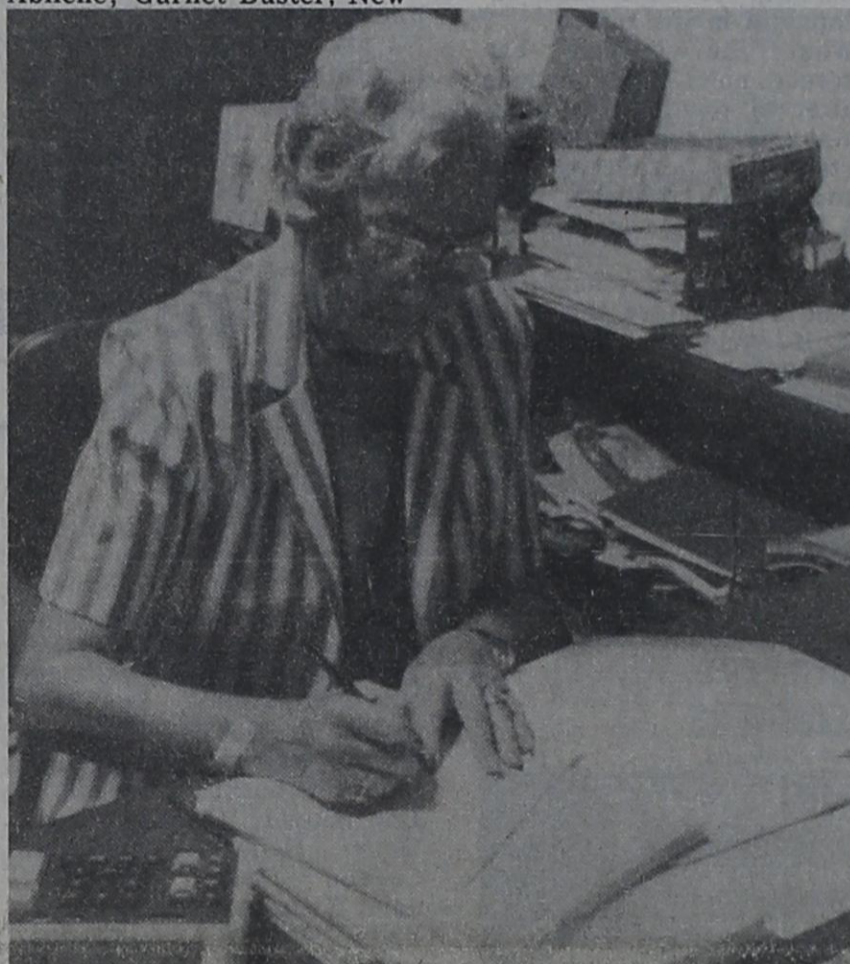

Among the artists invited

to participate is Fluvanna's Ben Miller, son of Garza County rancher Riley Miller.

Other artists include: Betty Allison, San Antonio, Toni Arnett, Lubbock; Joe Belt, Lubbock; Jodie Boren, Abilene; Garnet Buster, New

Braunsfel, Tex.; Duward Campbell, Lubbock; Mac Carow, Lubbock; Robert Chennault, Lubbock; Jerry Crandall, Sedona, Arizona; Penni Anne Cross, Salt Lake

Continued On Page 2

Marie Neff serves as coordinator for the O.S. Art Exhibit and Sale, which is scheduled for October 6 and 7 at the Post Community Center.

School Board Trustees Study New Bleachers

The Post Independent School District board of trustees at their regular meeting last week requested specifications be written for replacing the bleachers at the football stadium, following a detailed discussion of various options.

Board members quizzed Steve Mazzanti, a representative of Southern Bleacher Co. of Graham, Tex.

Mazzanti explained to board members the difference in quality of bleachers and higher standards for construction required today.

He told board members that the current structure is much lighter than what is required and that replacing the entire bleachers would be more cost efficient than trying to repair the existing facility.

The board has studied the poor condition of the football stadium bleachers for the past several months and had earlier agreed that the problem demanded an immediate solution.

The request for specifications included seating for 3,500, compared to the current 2,570.

The newly constructed bleachers would allow for space under the home stands for a dressing room building, which board member Don Payne emphasized was desperately needed.

Board member John Boren questioned the importance of the dressing room situation, pointing out that at the elementary school there is a dressing room that is being used for storage.

Board member Royce Hart reminded the board that the girls' dressing facilities at the gym were unacceptable and that should be a high priority.

"Visiting girls' basketball teams can't even take a

shower here," Hart emphasized.

Superintendent Bill Shiver offered to provide a complete report of dressing room facilities and needs at the next board meeting.

In other matters, the board discussed the appointment of a member to serve the unexpired term of Dr. Charles McCook, who resigned recently.

Board president Jack Kirkpatrick answered Hart's request by saying that the people could have the say at the April election.

Hart asked for a vote on whether the board wants to name someone to bring the member count to seven.

Kirkpatrick asked Shiver to include the matter on the next meeting's agenda.

Shiver also explained to the board the difficulty in

recruiting a middle school Spanish teacher, explaining that the teacher who had signed a contract resigned before school started to take a higher paying position in Odessa.

"We could have forced her to stay," Shiver reported, "but she didn't want to be here and I think we did the right thing by allowing her to resign."

"We aren't giving up," he added, "we're doing everything we can to find someone."

The board accepted the resignation of Mary Alice Palacios and renewed certificates of deposit for \$2,025,247.10.

Present at the meeting were Kirkpatrick, Payne, Hart, Boren, Pru Basquez and Tom Middleton.

The George R. Brown Co. has demonstrated a graphic support of the Texas Sesquicentennial celebration with its new painting on a storage tank just off Hwy 84 north.

The Way I See It

I am basically in favor of expanding the city limits to include growth areas, as was discussed at the last city council meeting, but I feel the delay of installing the eight inch water line and "loop" on Ave. S to Hwy. 84 is wrong.

For one thing, the people in that area of town deserve better water pressure now, just as others throughout the city.

Council member Weaver McKamie's suggestion that money from reserves be spent now to fix everyone's water lines met with a "Halleluja" from yours truly.

Councilman Jack Ault's concern about annexing the area outside of the city limits that would benefit from the use of an eight inch water line is unfair to those of us inside the city limits who will benefit from the better system now.

The city council, in its vote to restrict the installation of the water line until annexation is completed, is in effect saying that extending city services is limited to the growth outside of the city limits.

What about those areas of the city on the fringes that are not due to grow soon? Will they be left with the old water lines until someone outside of the city limits ask for better service? Then the whole process of annexation is run through again? Surely our council mem-

bers will see that water line improvements in the city limits should not be tied into development outside of the city.

We either need better water lines now, as city water department employee Mike Sanchez stated, or we don't.

Whether or not a proposed motel outside the city would benefit from this water line improvement is really beside the point.

Councilman Lewis Holly may be right, the motion to stall the installation of the line may have been simply a way of nullifying Holly's motion.

Holly's motion, which carried by 3-2, amended the budget to transfer funds from one area to another, without increasing the budget, so that the eight inch line could be installed inside the city limits only.

Ault's motion to deny the actual spending of the money pending annexation of the areas that would benefit from the use of the new line, was approved also on a 3-2 vote, with Mayor Pro-Tem Maxine Earl breaking both ties.

Holly was joined by Larry Mills and Ault was joined by Weaver McKamie.

As the situation now stands, the improved water line will not be installed until some unidentified area north on Hwy. 84 is annexed.

Now, annexation is pro-

(Continued on P.2)

Debbie Childers

Funeral services for Debbie Childers, 28, were held Thursday, September 13 at 2 p. m. in the Presbyterian Church with Dr. Thomas Pass officiating.

Born February 8, 1956 in Pittsburgh, Pennsylvania, she died September 11 in Garza Memorial Hospital following a lengthy illness.

She had been a resident of Post for 12 years and was a secretary and a member of the United Presbyterian Church in Richardson, Tex. Survivors include her par-

ents, Mr. and Mrs. Wayne Childers of Post; one brother, David Wayne Childers of Post; paternal grandmother, Birdie R. Childers of Fort Worth and maternal grandfather, Melvin E. Fry of Dallas.

Pallbearers were Jim Boles, Bob Palmer, Cecil Foster Jr., Monk Palmer, Dillard Morris and Donald Windham.

Burial was in Terrace Cemetery under the direction of Justice-Mason Funeral Home.

Elodie Albert

Graveside services for Elodie Mary Albert, 72, were held Friday, September 14 at 10 a. m. in Terrace Cemetery with the Rev. Harold Britton officiating.

Born January 24, 1912 in Jeanerette, La., she died Thursday, September 13 in Golden Plains Care Center where she was a resident.

Married to Clarence Albert February 16, 1935 in Biloxi, Mississippi, he preceded her in death July 19, 1982. She was a retired factory worker

in the shrimp and oyster business.

Survivors include three daughters, Mona Vance of Post, Beverly Vance of Wiggins, Mississippi, and Sylvia Moore of Gulfport, Mississippi; two sons, Jimmy Albert and Richard Albert both of Gulfport, Miss.; one brother, Zoway Landry of Franklin, La.; 16 grandchildren and six great-grandchildren.

Burial was under the direction of Hudman Funeral Home.

D. D. Pennell

Funeral services for Donald David Pennell, 71, of Southland, were held Monday, September 17 at 2 p. m. in the First Baptist Church of Southland with Rev. T. C. Bell, pastor, officiating.

Born December 11, 1912 in Myra, Tex., he died Friday, September 14 in the Golden Plains Nursing Home following a lengthy illness.

He moved to Oklahoma with his family at an early age and came to Garza County to farm and in later years, he had owned and operated Southland Butane Co., and Big State Garage in Southland. He retired in 1980.

Pennell married Opal Howard in Post in 1936. He was a past master of the Southland Masonic Lodge and Order of Eastern Star and had served as director and member of the Texas Plains Airstream Club and was past president of the

Obituaries

Camper Caravan Club. He was a member of the Southland Baptist Church serving as superintendent and song leader for many years.

Survivors include his wife, Opal of Southland; one daughter, Karen Callaway of Southland; three sons, Jerry of Harlingen; Don of Post and Harvey of Plainview; one brother, Robert of Southland; three sisters, Lynn Freeman and Johnnie Emery of Houston and Georgia Simpson of Gloucester, New Jersey and five grandchildren.

Burial was in Terrace Cemetery under the direction of Justice-Mason Funeral Home and Masonic graveside rites were conducted by the Slaton Masonic Lodge.

Pallbearers were Arthur Smallwood, C. E. Basinger, Spence Bevers, Ray Cook, Bruce Maxey, and Harley Von Johnston.

The Way I See It (Continued from P.1)

bably a good thing . . . that area of the city is growing and more growth is expected and except for water and sewer, most city services are already provided.

The increased revenue from property evaluations, oil production and sales tax will be helpful as well as the possibility of additional development in the future.

What the council has before it now, is the serious matter of funding the additional city services that will certainly be expected and demanded by property owners in the proposed annexation.

In my opinion, that cost should be budgeted this year and if necessary, trim the \$700,000 reserve fund and get it done.

As for those businesses on Hwy. 380 east who in the past had to bear the cost of sewer and water line extensions . . . that city policy was wrong.

Just as wrong as the idea of limiting water line improvements to city residents because it might benefit someone outside of the city limits.

The people who are planning to build a motel said they are prepared to pay for the cost of installing the water line from the city limits to the site.

I am somewhat puzzled as to why there is opposition to this proposed development.

It seems to me that the installation of the eight inch water line and "loop" as

proposed by Holly would serve two valuable purposes (1) help city residents along Ave. S and neighborhoods around 14th and 15th and (2) foster new development and growth for Post.

Perhaps at the next council meeting there will be another motion to go ahead and spend the money for the water improvement now.

I know a lot of folks in my neighborhood who would appreciate the improvements.

40 Western Artists Invited to O. S. Show

(Continued from P. 1)

City, Utah; Chuck DeHaan, Graford, Tex.; Steve Devynys, Cody, Wyoming; Gene Dieckhoner, Sedona, Arizona; Lincoln Fox, Santa Fe, New Mexico; Glenna Goodacre, Santa Fe, New Mexico; David Halbach, Mesa, Arizona; Jim Hamilton, Pawhuska, Oklahoma; Edd Hayes, Conrow, Tex.; Diana Hendrix, Lubbock; Covelle Jones, Granbury; John Kittelson, Cody, Wyo.; Ray Knaub, Lakewood, Colorado; Bob Lee, Belen, New Mexico; Ted Long,

North Platte, Neb.; and Tom Lorimer, Sedona, Arizona.

Also included will be Pat Mathiesen, West Yellowstone, Montana; Brownell McGrew, Quemado, N. M.; Bob Moline, Fort Worth; Gary Morton, Lincoln, N. M.; Gary Myers, Ruidoso, N. M.; Lisa Perry, Springtown, Tex.; Ken Realbird, Crow Agency, Mont.; Bill Shaddix, Sedona, Ariz.; Grant Speed, Lindon, Utah; Dr. Robert Taylor, Snyder; Ronald Thomason, Weatherford, Tex.; Herman Walker, Eldorado, Tex.; Don Yandell, Plano, Tex.; and Gene Zesch, Mason, Tex.

State Sales Tax Takes Bite' Out of Newspapers

As a result of the summer session of the Texas State Legislature, subscribers and purchasers of newspaper copies will pay sales tax beginning October 2.

Although Comptroller Bob Bullock believes the new sales tax is unworkable, a nightmare to administer and should be repealed, state legislators voted to add this tax as part of the so-called education reform bill.

State Senator John Montford and State Representative Steve Carriker opposed the tax.

Subscribers to The Post Dispatch will pay an additional 5.125 percent, or 51 cents per year on a \$10 subscription, starting October 2.

Newsstand copies will sell for 53 cents, compared to the current 50 cents.

Vendors of the newspaper will be responsible for collecting and reporting the sales tax.

The machine operated coin racks will remain at 50 cents, and the newspaper will absorb that tax cost.

"Our machines are not built to take pennies," Dispatch Publisher Wesley Burnett explains.

"I was told by an Austin political observer that this tax was imposed as a penalty to newspapers for disagreeing with the state legislature on its education bill," Burnett reports.

To beat the tax penalty, subscribers can renew before October 2 and save 51 cents and non-subscribers can realize a 70 percent savings over a one-year period.

The tax will be included in subscription renewal statements starting in October.

TEXAS 4-H CENTER EXPANSION

Plans for expansion at the Texas 4-H Center include:
1. A 300 seat auditorium with a Chapel and a new registration area.
2. Specialized housing unit to accommodate 96 people in motel-type facilities, including a new conference area.
3. New roads and rebuild existing roadways and parking areas near the main unit and near the lakeside pavilion.
4. New multi-purpose livestock training facility, including a large arena, chutes, pens, etc.
5. The existing auditorium and dining area will be converted to a large, permanent dining area and

large meeting rooms. This new construction will allow us to expand our ability to house and accommodate groups for the different types of educational buildings.

All this will greatly enhance the usefulness of our Texas 4-H Center. We hope all 4-H'ers feel that the Center belongs to them and that all of you will want to help with this exciting project.

Watch for more information on this opportunity in the near future.

Golden Plains Care Center

By Nell Mathews

We would like to take this time to tell all our friends about what is happening with us.

Mrs. Billy Hahn made apricot cobbler for the residents. 'Oh boy' it sure was good. Thank you very much.

The Gospel Trailblazers came and sang for us. The residents love good old gospel music.

We sure enjoyed the watermelon and cantelopes that Spence Bevers gave us. Thank you very much Spence.

We have three of our girls going to Ned-Aid school. We wish good luck to Pam McCalin, Doris Hamilton and Zula Portlaw.

We enjoyed the Country Cousins coming last Thursday night and playing for us.

We enjoyed the cookies from the ladies at Trinity Baptist Church. Thanks a million ladies.

If you would like to come and play music, sing, dance or just visit you are welcome. Let Nell Mathews know at 495-2848 or 495-2849.

We have had a lot of little boys and girls visit with us. We love having little ones with us, it sure brightens the eyes of our residents, we love it.

Mrs. Trulls' son and his family came Saturday afternoon and sang for us. It was great.

We here at the home extend our sympathy to Mona Vance for the loss of her mother, Elodie Albert.

We also extend our sympathy to the family of Don Pennell. May God bless all of you.

Mrs. Annie Brawley went out for lunch with Mr. and Mrs. Bill Hale. Doug Livingston went out to lunch with Helen Livingston and Billie Cross.

We do have a good time in exercise sometimes. When we are all trying to touch our toes. The bendovers sure gets to us, the activity director most of the time.

A big thank you to Kim Mills for the tomatoes. Thank you so much for thinking of us.

We wish to take this time to thank each church that comes and has our Sunday services. We look forward to our church service anytime.

Greers Honored on 25th

Friends and relatives gathered at the First National Bank Community Room Sunday, September 16 to honor Mr. and Mrs. Don Greer on their 25th wedding anniversary.

Approximately 58 guests were registered between the hours of 3 and 4:30 and were greeted by Don and Joy Greer and sons, Curt and Brad and niece, Juanetta Matsler.

A picture of the couple was on the registration table in a silver trimmed glass frame with "25 Years" etched in the glass, a gift to the couple from her parents.

Guests were served cake, nuts, punch and coffee by Naomi Matsler, sister of Joy, Karen Taylor and Jane Mason. Wedding colors of blue and white were used on a gray linen cloth with silver appointments.

A family picture surrounded the table, displaying gifts and an anniversary album made by Joy's sister, Mrs. Juanella Etheredge. A colored portable TV was presented to the couple by their sons, Brad, Curt and Mr. and Mrs. Mark Greer and grandson, Justin.

Out of town guests included, Dons' parents, Mr. and Mrs. G. W. Greer of Dublin, Tex., Mr. and Mrs. E. M. Wright, Mr. and Mrs. Charles Gray and daughters,

Gamma Mu Sorority

Members of Gamma Mu Sorority met Tuesday night, Sept. 11 in Janet Justice's back yard.

Following the presentation of Sara Briley presenting the years calendar of meetings and events, Jana McCallister president, opened the business meeting by discussing the sorority's annual rush.

The rush will be held September 25 with a supper at the Post Community Supper.

Those attending the year's first meeting were Sara Briley, Irene Fry, Janet Justice, Debbie Mason, Jana McCallister, Nancy McDonald, Sherry McNeely, Karla Schooler, and Carol Williams.

After all business was concluded, Janet served her guests to a buffet salad bar and iced tea.

Attend Arts & Crafts Sale

The West Texas Stitchers met on September 15 and traveled to Lubbock to the annual Fiesta Arts and Crafts Sale at the Garden and Arts Center.

The morning was spent browsing through the booths and then the group ate lunch before returning home.

Members attending were Carol Payne, Nancy Kemp, Alexa Collier, Lee Ann Hodges, Nancy Thuett, Eydie Capps, LuAnne Terry, Nancy Flanigan and Maggie Marsha Norman, Laura and Janie, Marianne Hart, Dorothy McCook and guest Beverly Simpson of Denver City.

The Stitchers met for their first meeting of the fall in the home of Carol Payne, President, on Sept. 17. Those attending the meeting were Lee Ann Hodges, Angie Hammond, Lu Anne Terry, Marianne Hart, Nancy Thuett, Eydie Capps, Alexa Collier, Debby Williams, Marsha Norman and Dorothy McCook.

Cheryl and Andrea of Big Spring, Dons' grandmother, Virginia Mullins of Big Spring, Mr. and Mrs. Steve Rich and Amber of Snyder, Karen Etheredge of Lubbock, Mr. and Mrs. Rick Rogers of Houston, Carl and Juanetta Matsler and Beverly Hayes of Plainview and Leta Pierce of Tahoka.

Hosts and hostesses for the occasion were the couple's sons, Brad of Lubbock, Curt of the home, Mr. and

Mrs. Mark Greer and Justin of Fayetteville, North Carolina, Joy's parents, Mr. and Mrs. Martin Nichols of Post, Mr. and Mrs. John Matsler of Plainview, Mr. and Mrs. Doyle Nichols of Grapevine, Tex., Mrs. Juanella Etheredge of Abilene, Mr. and Mrs. Kris Garrison of Greenville, Ohio, Ms. Karen Taylor of Tahoka, David Nichols and Mrs. Jane Mason of Post.

Sorority Plans Fall Rush

Plans for Fall Rush were discussed and a family picnic scheduled when Xi Delta Rho met Monday, Sept. 10 in the home of Donna Stelzer.

The picnic will be held Tuesday, Sept. 25 in the City-County Park.

Martha Hart presented the program on "The Attire Worn by American First Ladies to the President's Inaugural Ball."

Hostesses for the meeting were Diane and Donna

Stelzer. Members attending included, Peggy Ashley, Cheryl Blair, Susan Cardinal, Trisha Cockrell, Sue Chun, LaGayluah Feagin, Jenny Francis, Johnnie Francis, Voda Gradine, Thressa Harp, Martha Hart, Christy Morris, Karen Palmer and Janice Smith.

The next meeting will be held Monday, September 24 in the home of Voda Gradine.

Birth

Rodney and Vicki Gray announce the birth of a daughter, Brandi Nicole, born Monday, Sept. 10 at 3:19 p. m. in the Lynn County Hospital, weighing 6 lbs., 10 ozs. Maternal grandparents are Mr. and Mrs. Roy Teaff and maternal great-grandparents, Mr. and Mrs. V. C. Lauderdale. Paternal grandparents are Mr. and Mrs. J. W. Gray and paternal great-grandparents, Mr. and Mrs. W. A. Gray.

'Lopes Surprise 'Cats with Last Minute Comeback

by Wes Burnett

The 1984 Post Antelope football team earned the Bold Gold tag last Friday night by coming from behind twice to edge visiting Idalou 20-15 in a last-second thriller.

Trailing 6-0 near the end of the first half, the Bold Gold defense stripped the

ball from the Wildcats with Tracy Price pouncing on the loose pigskin on the Post 43 yard line.

Only 43 seconds remained in the half as 'Lope quarterback Joel Kirkpatrick opened a five-play drive to paydirt.

Coming out of the second half leading 7-6, the 'Lopes

were caught napping on defense as Wildcat quarterback Jim Pruitt skirted around left end on an option play for a 29 yard score, putting the 'Lopes behind 12-7.

Later in the third quarter, the 'Cats hit a 30 yard field goal to lead 15-7.

The second comeback drive by the 'Lopes started at the close of the third quarter and down to the 3:25 mark in the fourth quarter.

Trailing 15-13, the 'Lopes squib kicked to the Wildcats, who recovered the ball at their own 49 and had only to run out the clock.

The Bold Gold defense held together and forced the 'Cats to punt four plays later from the 50.

With less than two minutes left in the game, the punt sailed high and long against the wind, fell to the ground at about the five yard line and bounced laterally toward the west sidelines.

Bouncing in front of 'Lope running back Curt Greer, the ball hopped twice and Greer scooped it up and raced down the sidelines, picking up excellent downfield blocking and was finally hauled down from behind at the 'Cat 16 yard line.

The five play winning scoring drive opened with 1:46 on the clock and a sweep left by Simon Salinas lost a yard to the 17.

Price took the handoff on second down and pounded over right guard to the nine.

The Antelopes called time-out with 57 seconds on the clock.

The fans could taste victory.

On third down Price got the call again, this time to the seven over right guard, behind the blocking of Curt Cowdrey, Jay Fluitt and James Mock.

Idalou was called offside and the 'Lopes picked up a key first down at the four yard line with 53 second left in the game.

Kirkpatrick showed the 'Cats an Antelope quarterback can option run also, as he cut inside his right end to the one yard line.

On second down Price got the call again over right guard, bulldozing into the end zone for the winning touchdown.

The point-after was good and the 'Lopes took the lead 20-15.

Idalou took a 20 second desperation drive nowhere as the 'Lope defense sacked Pruitt and deflected passes to run out the clock.

Defensive Highlights
Idalou took its first possession at 5:56 left in the first quarter and mounted an impressive 11 play scoring threat, including five first downs.

Bruce Crenshaw interrupted the Wildcat drive when he intercepted a Pruitt pass at the two yard line and scrambled back to the four.

The second big defensive play came as Wildcat running back Issac Jackson fumbled the ball near the end of the first half. Fierce inside tackling by 'Lope defenders accounted for the fumble.

Near the end of the third quarter the 'Lope defense held off a 'Cat drive which followed a Post fumble on the 49 yard line.

Pruitt scampered to the 28 on an option run, then Jackson was stopped at the 25 over his right tackle, Jay Valdez sacked Pruitt for a loss to the 26 and Ricky Moore deflected a pass near the end zone, setting up the 'Cat field goal.

The fourth quarter defensive effort, which saved the game for the 'Lopes, was a combination of gang tackling at the line of scrimmage and outstanding pressure on the quarterback as well as excellent coverage by the 'Lope secondary.

First Touchdown Drive
The Antelopes' first scored following Price's recovery of Jackson's fumble at the Post 43 yard line.

With 43 seconds left in the first half, Kirkpatrick threw an incomplete pass to David Shultz, who wore a new number (40) Friday night.

Then Antelope coach David Thompson sent in the play that fooled everyone, as Kirkpatrick faked a handoff, then turned and flipped the ball back to Greer, who threw the football more than 40 yards downfield to Crenshaw on the 11 yard line.

Crenshaw had gotten behind the Idalou defender and the ball was thrown perfectly.

With 27 seconds left, Kirkpatrick threw what looked like a touchdown pass to Ricky Moore in the end zone, but an official rules Ricky Moore in the end zone, but an official ruled the ball had touched the ground.

Calling a time out, with 13 seconds left, the 'Lopes came out of the huddle and Kirkpatrick faked the inside run to Price, then rolled to his left and found Greer all alone in the end zone for the touchdown pass.

With Chuck Morris' extra point kick, the 'Lopes went into halftime leading 7-6.

Second Touchdown Drive
The 'Lopes mounted their second touchdown drive starting with 47 seconds left in the third quarter at their own 19.

The 18-play drive featured seven first downs and two fourth down conversions.

On third down, early in the fourth quarter, Kirkpatrick ran a keeper over his right tackle spot for a first down at the 33.

Then he optioned left to Greer, who gathered in the lateral with one hand at full speed and powered his way to the 46.

After Price penetrated over right tackle to the Idalou 47, Salinas took the pitchout around right end to the 41 for another first down.

Salinas got the call again around left end on the sweep to the 37 and Price picked up another first down with his power running over right tackle to the 30.

Kirkpatrick was sacked on first down back to the 35, then a screen pass to Greer on the left side lost another six to the 41.

Fans were getting nervous.

On third and long, Kirkpatrick rolled to his right and threw the football to Greer, who made it to the 23.

On fourth down, Kirkpatrick showed his stuff

as he optioned around left end, fooling Idalou defenders and picked up the first down at the 16.

Price then took the pitchout around left end behind good blocking to the 10.

Post was penalized for clipping back to the 26 and Kirkpatrick was sacked on first down back to the 27.

Price took the pitchout on second down around left end to the 25.

On third down and long Kirkpatrick rolled to his right and threw the pass to Shultz who went high in the air, grabbed the ball as he was hit and fell to the six yard line.

The measurement put the 'Lopes two inches short.

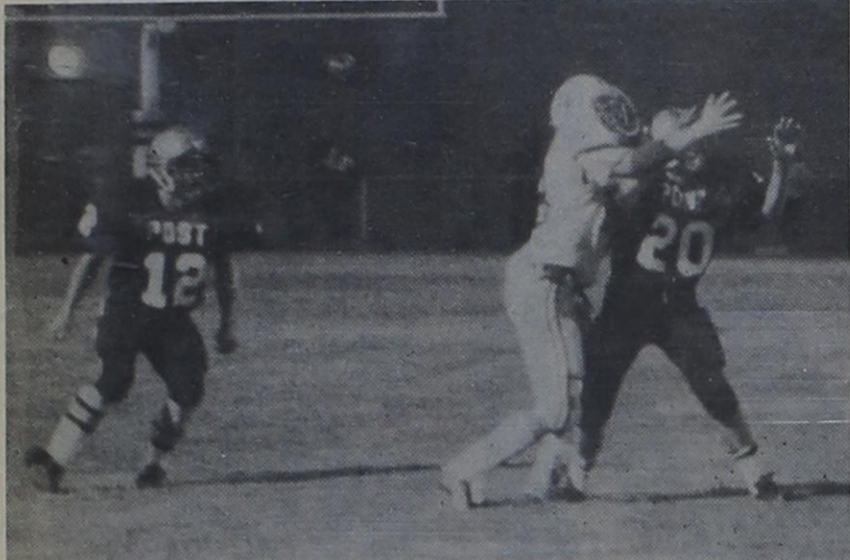

Price took the fourth down handoff over, where else, right guard to the one.

On first down Kirkpatrick gave the ball to Price and he followed the lead blocking over right guard again to the end zone.

This Friday the 'Lopes travel to Tulia, game time 8 p.m.

Curt Greer surprised the Idalou Wildcats with his special style of running during the contest here last Friday night.

Defending against Idalou's desperation passing late in the game here last Friday is Ricky Moore (12) and Rodney Tidwell (20).

The mighty Black and Gold band entertains fans during half-time at last Friday's contest here with Idalou.

Tracy Price was the big gun for the Antelopes last Friday night as he picked up 110 yards rushing against the Idalou Wildcats.

Thompson, Coaches Approve 'Bold Gold' Stickers for Team

"We played well enough to win," Post Antelope football coach David Thompson comments about last Friday night's win over visiting Idalou.

"The team earned the Bold Gold helmet stickers," he added.

Last week, following the Kermit contest, the Bold Gold stickers were removed from players' helmets and the coaches emphasized that the Bold Gold label had to be earned.

"The entire team responded," Thompson added.

He singled out the offensive line for special praise, naming quick ends Ricky Moore and Bruce Crenshaw, tackle Jay Valdez, guard Kenneth Gill, center Curt Cowdrey, guard Jay Fluitt, tackle James Mock and end David Shultz for their efforts.

On defense the coach

boasted of improvement by Rodney Hays, Rodney Tidwell, Crenshaw and Moore in the backfield and Valdez, Fluitt and Mock on the line.

"We have up only 88 yards passing and 96 rushing," Thompson reported, "and that's pretty good."

The Antelopes lost three fumbles but had no interceptions and recovered a fumble and an interception.

Tracy Price was leading rusher with 110 yards on 23 carries, followed by Simon Salinas with 54 yards and nine carries, Curt Greer with five carries and 24 yards and Joel Kirkpatrick with 13 yards on six carries.

Kirkpatrick completed six of 11 passes for 61 yards and Greer was credited with one pass for 57 yards.

Greer led receivers with four catches and 27 yards, Crenshaw caught one for 57 yards, Shultz one for 25 and Salinas one for nine yards.

Intensity Expected at Tulia Tilt Friday

The Tulia Hornets have three running backs with excellent speed, according to Post Antelope Coach David Thompson, and a quarterback who can throw the football.

The 'Lopes take on the Hornets Friday in Tulia with an 8 p. m. kickoff.

The Hornets lost to Frenship last week 28-14 and edged Lockney the previous week 20-13.

"We will have to play with intensity if we expect to win," Thompson observes.

Sophomore quarterback Todd Lacy directs a Wing-T and Pro-set offense, using a balanced passing and running offense.

The backfield includes 170 pound senior fullback Tony Powell, 161 pound sophomore tailback Steven Powell and 173 pound senior wingback Ricky Rodriguez.

On defense the Hornets rely on tackle Cy Allen, a 157 pound senior, 160 pound junior Ricky Childers and 159 pound senior-linebacker Brad Childress.

Delton Osborn, who received a bruised shoulder injury against Idalou, is expected to play this Friday, but center Curt Cowdrey, who has been hospitalized with pneumonia, is on the doubtful list.

Thompson says that Kenneth Gill will probably play at the center position.

Follow the 'Bold Gold' in The Dispatch

Idalou quarterback Jim Pruitt is about to meet Rodney Tidwell (20) and a host of Antelope defenders as the option play develops.

Letter to the Editor

Dear Editor

We, the students of the Antelope High School Band would like to say thank you for your support during our half time shows. It really means a lot to us to see you stay and watch us perform. So we say thank you.

First Touchdown Drive
The Antelopes' first scored following Price's recovery of Jackson's fumble at the Post 43 yard line.

Felipe Vargas does some nifty running for the 8th grade football team.

Freshmen Demolish Idalou in 32-14 Win

The 1984 Antelope freshman football team last Thursday whipped Idalou 32-14 there.

Blair Didway led the team in rushing with 165 yards on 17 carries, followed by Brian Gibbs with 105 yards on 11 carries.

The freshmen ripped off a total of 356 yards rushing and 66 yards passing for a total of 422 yards.

They held Idalou to a total of 176 yards.

The young 'Lopes opened the scoring on a six play 77 yard drive capped by a Ben Kirkpatrick 41 yard scamper.

Then Idalou scored on a long run and Didway came right back with a 50 yard dash.

The third Antelope score came on a Bobby Gonzales interception which he returned 80 yards for a touchdown.

Quarterback Eric Reece completed the two-point conversion with a pass to Lex Dunn.

After Idalou scored its final touchdown, Brian Gibbs broke for a 60 yard Antelope score.

The final Antelope touchdown came on a Reece pass to Rolando Armendariz.

Dale Gonzales (22) picks up yardage for the 8th grade football team as Neal Gibbs (59) provides blocking.

JV Drops 35-18 to Idalou

Idalou pounced on the Post junior varsity football team there last Thursday with a 35-18 win.

The Antelopes scored in the first quarter with a 40 yard drive, finishing with a 30 yard pass from quarterback Greg Storie to Lupe Perez.

In the second quarter the 'Lopes scored on a 75 yard drive with Eddie Moat pounding into the end zone from one yard out.

Moat got the call again in the fourth quarter as he scored on a three yard dive at the end of a 60 yard drive.

The 'Lopes had five fumbles lost and one interception, which gave Idalou several opportunities.

The 'Lopes had 350 yards total offense and held Idalou to 265.

"The offensive line played well," Coach Lane Tannehill comments, "the whole offense did a good job, except for fumbling the football," he added.

The junior varsity hosts Tulia tomorrow with a 5 p. m. kickoff.

CALIFORNIA GUESTS

Mr. and Mrs. L. T. Askins of Latham, N. Y., and Mr. and Mrs. Willard Askins of La Verne, California were recent visitors in the homes of Mr. and Mrs. Homer McCrary and Mrs. Rose Askins.

Southland Parents Sponsor Roping

The Southland Parents Association is sponsoring a benefit roping and barrel race, Saturday, Sept. 22 at the Post Rodeo Arena.

Barrels will start at 10 a. m. and entry fee has been set at \$35 with a \$100 add on.

Roping fees are three for

18 progressive after one and will continue as long as there are ropers.

A concession stand and barbecue will be available on the grounds.

Pre-entrants may call Linda Ellis at 996-5505 at night or Johnny Haire 996-5519 during the day.

Grassland Reunion

The annual Grassland Reunion will be held October 28 with a catered lunch.

Plates will sell for \$5 per plate and small children may eat free.

Tickets need to be spoken for by October 1 and reservations may be made by writing to C. W. Roberts Box 937, Tahoka, 79373 or calling 998-4750.

health hints

FACTS FROM MEDICAL DOCTORS, MEMBERS OF THE EASTERN ORTHOPAEDIC ASSOCIATION

Sports And The Child Athlete

Children love to be active, and the earlier they develop good exercise habits the better. These questions and answers will help you to better determine which sports are right for your child.

Q. My eight year old is underweight, but he wants to play football. Should I let him?

A. There's no reason not to even at his age. It is more important to learn the skills

and enjoyment of a sport first, and worry about the muscle building later. Let your child have fun with the sport—teach him how to throw and catch—and when he's older and real competition comes into play, then endurance and conditioning will play a more vital role.

Q. What sports are best for young children to play?

A. The safest sports for young "athletes" are individual sports, such as tennis,

swimming and running, where there is no physical contact and therefore less injury potential. Team sports are fine, and fun for the child, providing he or she wears the proper equipment.

For further information and hints on shaping up, write for a free brochure to: Eastern Orthopaedic Association, Suite 3F, 301 South 8th Street, Philadelphia, Pa. 19106.

United Fund Provides Important Funds for Local Groups

Publisher's Note: The Garza County United Fund drive will open in the near future and to help people understand how United Fund donations are used, we are publishing a series of articles about the agencies who benefit from United Fund. The first of these concerns the Girl Scouts. All other agencies are requested to submit information to The Dispatch explaining the purpose of the organization, who serves as volunteers or paid staff and who benefits from the service. We want to thank Girl Scout leaders for suggesting this series and for their efforts to get it started with the first article.

By Betty Dennis
The purpose of Girl Scouting is to inspire girls with the highest ideals of character, conduct, patriotism and service so they may become happy, resourceful citizens. Girl Scouts in Post offer girls a program of activities centered around the arts, the home, and the out-of-doors.

process of registering. These troops are first grade Brownie Girl Scouts with Anita Darling and Angela Hammond as leaders and Donna Stelzer as troop treasurer.

all service unit meetings, is the local spokesperson and works with council and other service team members to bring information back from council so that Girl Scout policies and activities will benefit the most girls possible.

The purpose of Girl Scouting is to inspire girls with the highest ideals of character, conduct, patriotism and service so they may become happy, resourceful citizens. Girl Scouts in Post offer girls a program of activities centered around the arts, the home, and the out-of-doors.

Post Girl Scouts is an agency of the Garza County United Fund. With the funds, we received last year we were able to serve 104 scouts and 36 adults. Approximately two-thirds of these funds are forwarded to Caprock Council to help provide training by the professional staff, printed material, use of council camping equipment and help maintain the Girl Scout camps, Rio Blanco at Crosbyton and Camp Haynes at Silverton.

The third grade Brownie Girl Scout Troop leaders are Jenny Francis and Kathie Hubble who is also the treasurer. The fourth grade Junior Girl Scout Troop leaders are Karen Palmer, Voda Gradine and Jaynie Dickson who also serves as troop treasurer.

Nell Morris, serves as troop consultant. Her job is to work directly with troop leaders to help them develop programs that stress the Girl Scout way. She also serves as troop organizer and in this capacity recruits new leaders and helps troops begin the new year.

The remainder of these funds are used locally, primarily for the maintenance of our meeting facility the Girl Scout Little House. This includes insurance, utilities and necessary repairs that aren't donated. This also covers a small startup fund for new troops. Troop activities are funded through the annual cookie sale and weekly dues of 25 cents per girl.

The fifth grade Junior Girl Scout Troop leaders are Diana Poe, Kay Mitchell, Doylene Shumard and Janie Ammons serving as troop treasurer. The sixth grade through high school troop is a combination of Junior, Cadette and Senior Girl Scouts whose leaders are Carol Tobias, Julia Hudman, and Pat Cruse. The troop treasurer is still to be chosen.

The Finance Committee members are Patty Kirkpatrick, Nell Morris and Carol Peppers. These women oversee the maintenance of the Girl Scout Little House, pay all Neighborhood bills and train troop treasurers. Carol Peppers also serves as Neighborhood Cookie Chairman. Other service team jobs are Jenny Francis as secretary, Nancy Wallace as Historian and Kay Mitchell as Day Camp Director.

Cheese, Butter Distributed

The commodity distribution for cheese and butter will be held in Post Tuesday, Sept. 25 from 1:30 til 5:30 at the 4-H Agriculture Center.

These people who work with your daughters are all volunteers. Your contribution to United Fund no matter how small, helps these girls and all other United Fund agencies.

Rules and regulations which must be met by those participating in the program are:

At times, there have been long lines and many misunderstandings; it is hoped that participants will be able to help out with the latter half of these problems.

- 1. The applicant must show an identification card with name and current address on it. Examples of these are: Driver's License, Food Stamp Eligibility Letter, Utility Bills, etc. A Social Security card is not a proper identification card.
2. The applicant must fill out an application to certify, in order to receive a card. This card, along with an identification card, will be good for a three month period.
3. If an individual is over 60, and has medical expenses, up to 20 percent of the total income may be deducted from the total income. (Handicapped included).
4. The applicant must be over 18 years of age.
5. Income includes any funds that the household receives regularly, and may spend as they wish; examples are Social Security benefits, salaries, unemployment compensation, etc.
6. Anyone that is self-employed, or farming, will be figured on NET INCOME and not GROSS INCOME. (Net income is that income after expenses.)
7. Every three months, the applicant must re-certify by filling out another application.
8. When applying for a friend, you must have a note from that individual stating that you are authorized to receive commodities for them. This note, along with identification for that individual as described above, and a signed application or card, will allow that person to pick up commodities for a friend or neighbor. Blank authorization letters are available at distribution sites.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED

CONSTITUTIONAL AMENDMENTS

GENERAL ELECTION
NOVEMBER 6, 1984

PROPOSITION NO. 1
ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

agencies and institutions of higher education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

PROPOSITION NO. 2
ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for the University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for the University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3
ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of

such officers, employees, and agents are already authorized by the Constitution.

PROPOSITION NO. 4
ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

PROPOSITION NO. 5
ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

PROPOSITION NO. 6
ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

PROPOSITION NO. 7
ON THE BALLOT

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 8
ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: "The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8
ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Check Taxes on Drought Caused Livestock Sales

By Syd Conner
Extension Agent-Agriculture

A lot of livestock has gone to market in recent weeks due to the persistent drought and producers making such sales have certain income tax implications.

Income from drought sales may be treated two ways for tax purposes, depending on whether the livestock is considered inventory or breeding stock. Both types of sales are outlined in the Farmer's Tax Guide.

Income from the sale of inventory stock — steers, heifers and calves — may be deferred for up to one year. However, this election does not apply to livestock used for breeding, draft, dairy or sporting purposes.

If, because of drought, a farmer or rancher sells livestock in excess of the number that would normally be sold, he may elect to include the proceeds in the next year's income provided that: the cash method of accounting is used; it can be established that under usual business circumstances the number sold would not have occurred; and, the drought has resulted in the area

being designated as eligible for federal assistance.

Purchased livestock, such as stocker steers or heifers, as well as "raised livestock" will qualify. In addition, sales made prior to an area being declared eligible for federal assistance may qualify.

To determine the amount of income to be deferred, a producer must first calculate the average amount received per head sold during the year and multiply this figure by the excess number of head sold due to drought.

When livestock kept for breeding, draft or dairy purposes are sold or exchanged solely because of drought, the sale or exchange is considered an involuntary conversion. In such cases a taxpayer may elect to postpone for two years taxes on the gain from sales of breeding livestock if replaced with like stock within two years from the close of the year in which the gain was realized.

Also, with an involuntary conversion, a taxpayer's principal business does not have to be farming or ranching and the area does not have to be officially declared eligible for federal assistance.

Tax on gain from involuntary conversions may be postponed two years on the number sold in excess of the usual practice while a loss is

deductible in the year it is sustained.

In either situation, direct losses may be reported either on IRS Form 4797, Supplemental Schedule of

Gains and Losses, or on Schedule F, Farm Income and Expenses, if livestock were purchased and died or were sold at a loss.

However, basic information covering tax deferral should be reported on IRA Form 4797, Supplemental Schedule of Gains and Losses. The tax return for the year of sale should include: evidence of drought; amount of gain realized; number and kind sold or replaced; and number and kind replaced.

Tax returns for the replacement year should include: replacement purchase price; number and kind of replacements; and cost of

replacement. The cost of replacement livestock must equal or exceed the proceeds from livestock sold due to drought.

Equipment Theft Problem

Texas is number one in the number of dollars lost to farm equipment theft.

With farm and ranch equipment theft on the upswing, neighborhood or community patrols can be a key deterrent to such crime, says Dr. J. Fred Cross of Stephenville.

"Neighbors working together to keep an eye on each other's property can aid in reducing or preventing farm thefts and burglaries," says Cross, a community development specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Community patrols organized in cooperation with the county sheriff enable neighbors to watch each other's homes, barns, equipment and livestock, notes the specialist.

These patrols extend the eyes and ears of law enforcement agencies.

Patrols do not get involved

in any action, but just notify the police or sheriff of suspicious activities.

Cross offers these guidelines for organizing a community watch patrol:

- Patrol members should be at least 18 years of age.
- Issue personal identification cards to patrol members (type determined by the sheriff or chief of police).
- Patrol members using radio equipment should possess FCC licenses.

- Automobiles used by citizen patrols should be easily identified by the police and other private citizen patrols operating in the general area.

- Do not permit citizen patrol members to carry weapons.

- Do not equip citizen patrol vehicles with sirens or emergency lighting.

Decisions about using spotlights for security checks should be made on a local basis.

Burglary Investigated

A burglary of a residence west of Post is under investigation by the Garza County Sheriff's Department. The burglary occurred Friday, September 14 and several guns were taken.

In other activity, a male subject was arrested for DWLS and paid \$75 court costs and spent three days in jail.

Assault charges were filed Wednesday, Sept. 12 against three male subjects with two paying \$219 fines and court costs and the other released on a \$200 bond.

A male subject was arrested Thursday, Sept. 13 for DWLS and remains in the Garza County Jail under a \$750 bond.

A male subject was arrested Sept. 15 for permitting an unlicensed operator to drive and owner permit hazardous violation. He was released from jail after paying \$218.50 on each count.

A male subject was arrested Sept. 15 for DWI and no Drivers License and failure to drive in a single lane and was released on a \$750 bond.

A male subject was arrested for DWI Sept. 16 and was released on a \$750 bond.

A male subject was arrested Sept. 16 for DWI and was also released on a \$750 surety bond.

Post Art Guild Meets

The Post Art Guild Inc., held its September meeting at glenda's gallery Monday, Sept. 10 at 6:30 p. m.

Vicki Diggs served as hostess.

Carrie Martin presented the program on "Graphic Design". Carrie is associated with Dana Deen Advertising Concepts Unlimited in Lubbock where she is the creative director.

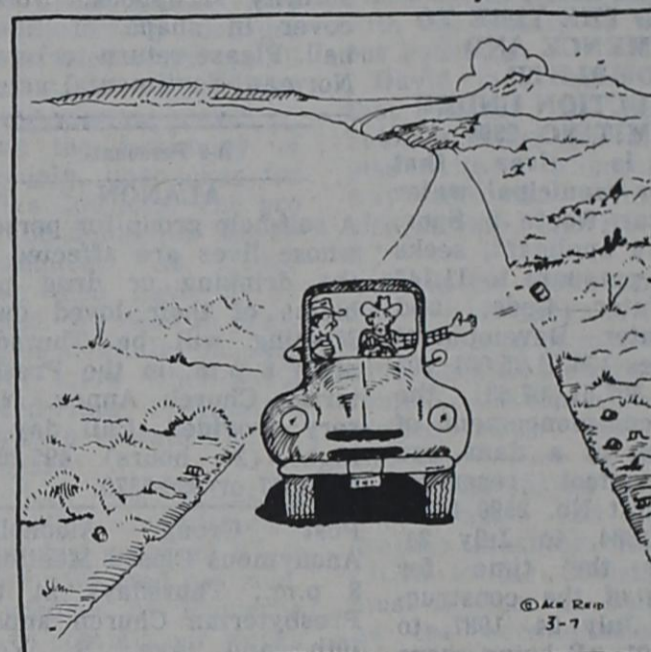

Two guests attended the meeting, Mark Martin and Juanita Peel. Juanita was welcomed as a new member.

Members attending were JoAnn Mock, Glenda Morrow, Marie Neff, Inez Hartel, Geraldine Butler, Mrs. Ruby Kirkpatrick, Mrs. Lois Williams, Lil Conner, Vicki Diggs, Juanita Peel and Linda Puckett.

A-1 Public Notices
NOTICE OF HEARING BEFORE THE TEXAS WATER COMMISSION OF AN APPLICATION TO EXTEND THE TIME TO COMMENCE AND COMPLETE CONSTRUCTION UNDER PERMIT NO. 2590
Notice is given that white river municipal water district Star Route 2 Spur, Texas 79370 applicant, seeks to extend, pursuant to 11.145 Texas Water Code, and Texas Water Development Board Rules 156.04.25.001-003 (31 TAC 307.61-307.63), the time for commencement of construction of a dam and 57,420 acre-foot reservoir under Permit No. 2590 from July 24, 1984, to July 24, 1988, and the time for completion of the construction from July 24, 1987, to July 24, 1991, all being more fully set out in the application.

The permit was issued on July 24, 1970, and originally required construction to commence on July 24, 1972, and to be completed on July 24, 1973. This is the seventh request for a time extension. The application for extension of time for Permit No. 2590 was filed on September 4, 1984, and a hearing thereon will be held by the Commission in the Stephen F. Austin State Office Building at 1700 North Congress Avenue in Austin, Texas, on October 24, 1984, at 10 a. m.

Those opposing the granting of this application may appear at the hearing and or, not less than eight days before the hearing date, may file written protests with the Commission and serve copies on the applicant with proof of service to be provided to the Commission. Written protests shall contain the name and address of the protestant, an identification of the pending application, the basis of protestant's interest, location of protestant's diversion point(s) or property, if applicable and any amendments or adjustments to the application which would result in a withdrawal of the protest. The written protest will be noted by the Commission but will not be considered as evidence since the right to cross-examine is absent. No protestant will be admitted as a party to the proceeding unless the protestant complies with Commission Rule 155.04.00.001 (31 TAC 267.1) which requires a justiciable interest and actual representative presence at the hearing. If any party participating in the hearing desires a transcript of the proceedings, it will be done at the request and expense of the party requesting the transcript. Due to the technical nature of the hearing, it may be advisable for the protestant to have an expert witness, such as an engineer, available at the hearing. Persons desiring further information in connection with this application may contact Patrick Sullivan, P. O. Box 13087, Capitol Station, Austin, Texas 78711.

Mary Ann Hefner
Chief Clerk
Texas Water Commission

A-3 Card of Thanks
I want to take this means to thank each and everyone for all their thoughtful acts of kindness during my stay in Highland Hospital and since returning home. All the cards, calls, flowers and visits were gratefully appreciated. Friends mean so much and I appreciate you one and all.

Art Association to help Post

Several members of the Caprock Cultural Association of Post recently attended an important workshop in Lubbock. The event, which was held at the Chamber of Commerce offices downtown, was designed to assist local groups, like ours to enhance the delivery of arts of all

kinds to towns like Post. The Caprock Cultural Association was created as a vehicle to sponsor musicians, painters, drama groups, sculptors, and other artists. Peter Fox of the Texas Assembly of Arts Councils, pointed to the advantages that "art" brings to towns like Post. He told the story

of one town in Texas that lost a business because the person in charge could find "nothing to do." An Art Guild might help fill that void. The annual OS Art Show brings tourists, economic benefits, personal enrichment through viewing the

art and meeting the artists, entertainment, appreciation of Western Heritage, and exposure for Post. Watch for the important benefits the Caprock Cultural Association will bring to our community. Attending the workshop were Geraldine Butler, Maxine and Lewis Earl.

Alfalfa Hay
Cow hay, some mold, \$2 a bale. Good alfalfa hay. Big bale hay grazer. Gerald Gerner 495-2485, Mobile no. 924-6600.

Pleasant Home Church

By Annie Gilbert
Oh here we are again. Holy greetings everyone this good day which the Lord has made for us to see and enjoy as his children. Also, I'm still living for our Lord and Master with a mind made up to forever be a Christian and my mind made up to be what God would have me be. Would you?

Our school subject "Do 'Good' People Sin"? Romans 2: 1, 17, 24; 3: 9-12, 19, 20. Golden text: They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no, not one. Romans 3: 12. Rev. Kelly, pastor, Rev. James Associate pastor; Sister Gilbert, reporter. Was such a beautiful lesson.

Everyone at their post of duty. Worship devotion conducted by Deacons Burleson, Osby and Sister Fisher Wynn. She read Philippians 1: 1-6. Altar call spiritually prayed by our pastor.

Choir's praises presentation to our Lord and Savior Jesus Christ. During the 11 a. m. service, our pastor delivered a most wonderful message from the Book of I Corinthians 1: 18. His sub-

ject "Cross Power". He truly preached as God was still here in the very midst as always here in His holy temple. Oh thank you Lord as he preached from his heart and soul. God is not through with us yet.

Let's pray for one another always. Amen, amen and amen.

Visit our sick ones. Our sick and shut-in list includes our First Lady Sister Lela Kelly in South Park Hospital, Lubbock, room 214. She's doing nicely and will be out Monday Sept. 17. Thank God. Sisters Lizzie Milo, Sirloma Steel, Brothers Harry Trueblood and Raymond Latson who are patients at Golden Plains Care Center. Also others not mentioned in our community.

Thought: Serve the Lord today.

Twin Cedar News

By Darla Davis

Hi, here we are again with all of our good news to tell you.

Sunday services were brought to us by the Trinity Baptist Church with Rev. Harold Britton officiating. We had a large crowd and lots of visitors. Those attending were Eva Britton, Ruby Carpenter, Doris Jones, Beulah Eilenburger, Wayne Eckols, Robert Walls, Ola Keeton, Debbie Hood, Linda Duncan, Martha Pennell, Cleo Sappington, June Kiker, Evelyn Gurley and Tammy Eckols. We sure enjoyed the sermon and good service.

We would like to thank Kim and Macee Mills for the tomatoes. We sure appreciate your thoughtfulness.

The Seniorettes were here to entertain us on Wednesday. We always enjoy their singing and joyful faces. We always look forward to Wednesday evenings and the Seniorettes.

Thursday, Virginia Babb came and brought films for us to see. We always enjoy her coming and showing us films about different places.

Visitors this past week were Mrs. W. B. Williams, Jewell White, Alvin Petty, Harold Britton, Wayne Norman, Inez Ritchie, Darrell and Glenn Roberts, Patty and Debbie Sanders, Amber, Quinton and Luke Cooper, Jerry, Laura, Lance and John Goen, and H. A. and Ola Wright.

We always enjoy visitors and just a couple of minutes out of your busy week always brightens our day.

Thought for the week: God loves us; nothing we do will change that.

Committment

Pastor Steve Traw
First Christian Church

The words came from a professional ballplayer. "Athletes have to be committed. Hours of preparation precede each game. You have to be ready because you never know when you'll be called upon to contribute to a game-winning play."

It was the testimony of Bob Breunig, linebacker for the Dallas Cowboys. The pro athlete and dedicated Christian continued, "As Christians, we also have to be committed. We need to pray, study, and meditate, because we never know when we'll be placed into a situation that needs a vibrant Christian witness."

How does one get that quality called commitment? Just how do I go about it? It is neither packaged nor sold.

The wisdom of Proverbs tells us to commit our works to the Lord, and our thoughts will then be established. Solomon wrote these words to encourage godly living. The Word used in the biblical language of his day meant to roll. Literally it instructs us to roll our cares, our burdens on the Lord. What a great sanc-

tuary! An all-loving God is always present when burdens are too great.

It is that finding of a God of care. We can seek Him for strength and guidance. There we can find happiness with His ability to manage our concerns.

David must have passed that advice to his son Solomon. The psalmist had also written, "Commit your way unto the Lord, Trust also in Him, and He will do it."

Again the instruction is to roll or cast things of this life upon the God of history. God used the same expression to remind Joshua. God had "rolled away" the taunts and reproaches of a bitter nation and spared Israel.

The word has a very graphic meaning. Its application to the Christian life must be just as deliberate. As the accomplished performer on the field, there must be dedication. Hours of preparation may be needed. One must be ready never knowing when the need may arise.

We need to pray, study, and meditate. We must be committed. Our next move may be a real game-winner.
