

W. C. W. Morris

Funeral services for W.C.W. Morris, 95, were held Tuesday, September 25 at 3 p. m. in the Graham Chapel Methodist Church.
Born April 3, 1889 in Breckenridge, he died Sunday, September 23 at Golden Plains Care Center following a lengthy illness.
The Morris family moved to Post in 1916 making their home in the Graham Chapel Community. He was married to Mary Jane Oden October 5, 1908 in Abilene and she preceded him in death January 13, 1980. Morris was

a long time member of the Methodist Church and was engaged in farming until his retirement.
Survivors include five sons: Wilburn, Chester and Harlan Morris, all of Post, Alvin of Coleman and Leonard of Lubbock; two daughters, Beatrice Dodson and Juanita Peel both of Post; 29 grandchildren, 84 great grandchildren and 39 great-great-grandchildren.
Burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

Earnest V. Bartlett

Funeral services for Earnest V. Bartlett, 79, of Crosbyton, were held Wednesday, Sept. 19 at the First United Methodist Church of Crosbyton with the Rev. Al Jennings, pastor, officiating.
Born in Tennessee, he married Vada Harrison March 16, 1924.
He died Monday, Sept. 17 at the Crosbyton Hospital following a lengthy illness.
Bartlett moved to Crosbyton from Garza County in 1941. He had previously lived in Muleshoe, Friona and White River Lake. He was a member of the Board of Trustees of the Muleshoe ISD and was a member of the First United Methodist Church of Crosbyton.
Survivors include his wife; two sons, J.R. of Lake Charles, La., and Houston of Bovina; four daughters, Jimmie Flowers of Ralls, Frances Allen of Plainview, Pat Brown of Lubbock and Geneva Gustin of Friona;

three brothers, Thurman of Muleshoe, Lee of Brownfield and Cecil of Lubbock; two sisters, Lucy Owens of Seymour and Ella Mae Gregory of Crane; 14 grandchildren and 22 great-grandchildren.
Burial was in the Crosbyton Cemetery.

Ignace Paderewski, one of the greatest concert pianists of all time, was also premier of Poland.

The town of Tarzana, Calif., was named for the fictional character, Tarzan, whose creator, Edgar Rice Burroughs, lived there for many years.

Riders Seek Pledges

Riders for the September 29 St. Jude Children's Research Hospital Wheels for Life Bike-a-Thon are asking Post citizens to pledge a contribution for each mile they ride.
Every mile our bikers go earn money bringing us closer to a cure for cancer. The life-saving study of childhood cancer at St. Jude has become critical to children all over the world," said Bike-a-Thon Chairman Genaro (Henry) Martinez.
"Let's show we care. Help this cause," Henry said. "Your generous pledge encourages riders, after the event, help them get the money to us quickly."
The ride starts at West Main at 9:30 a. m. and goes from Ave. M to Ave. S and back. "If you haven't been asked to sponsor a rider, but are interested, please call 495-3850 and a rider will

contact you," Henry said.
Each rider gets a lap card at registration," Martinez said, "everytime riders pass the checkpoint(s), the card is initialed. Following the end of the ride, cards are checked and signed to show that the rider earned what the sponsor pledged." Riders then return to their sponsors to collect the pledges.
Riders can still get sponsors registration forms at 208 East 11th.

Letter to Editor

Editor's Note: Antelope Booster Club President Jimmy Redman read this letter to the Booster Club Monday night, we thought you'd like to know about the Antelope "fame."
Attn: Chamber of Commerce
I am writing to request any information on the hunting of antelope, deer, quail, pheasant, and anything else. My husband is an avid hunter and when we passed through your town on our way to Brownwood from Amarillo, we saw your billboard announcing Gold Antelope Country or something as such.
If you are unable to give me such information I thought maybe you would know who or where to direct me to.
Thank you for any help you are able to give me.
Sincerely
Cindy S. Stone
Amarillo, Tex.

Births

Mr. and Mrs. Abel Abraham Jr., announce the birth of a son, Abel III, born September 19 at 11:11 p. m. in Garza Memorial Hospital weighing 8 lbs., 4 1/4 ozs., and was 19 1/2 inches long.
Amanda and Melinda Alaniz are very proud to announce the birth of their brother, Eric Euquerio, born Thursday, September 20 at 2:38 a. m. in Garza Memorial Hospital weighing 7 lbs., 9 1/2 ozs., and was 20 1/4 inches long. Parents of the children are Euquerio and Linda Alaniz. Maternal grandparents are Mike and Eva Gonzales of Post and paternal grandparents are Sr. and Sra Juan Alaniz of Aguascalientes Mexico.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Patterson of Tahoka announce the engagement of their daughter, Julie Dellin, to Michael James Aten, son of Mr. and Mrs. James Aten of Route 3, Post. The couple plan to be united in marriage October 20 in the Grassland Church of the Nazarene at 3 p. m. A reception will follow at the Graham Community Center. The couple both graduated from Tahoka High School. Julie is employed at the First National Bank of Tahoka and Mike is a farmer.

Attends Conference

Voda Gradine, County Treasurer, Garza County, along with some 112 other county treasurers attended the 36th annual Texas County Treasurers' Conference in Amarillo, Sept. 17-20.

President Vesta Leonard of Gatesville, Coryell County Treasurer, called the conference to order. Among the speakers were Senator Bill Sarpalius of Canyon; J. Robert Brown, executive director of the Texas County and District Retirement System; Norman Troy, Jefferson County Commissioner; District Judge Bobby L. Cummings of the 52nd Judicial District in Coryell County; and Doug Manning, president of In-Sight Books, Inc. of Hereford. Informative discussions pertaining to the duties and responsibilities of

county treasurers were also an important part of the session.

The Honorable Warren G. Harding of Brownsboro, former State Treasurer, served as master of ceremonies for the annual CTAT banquet at which Geneva Carter of Weatherford, Parker County Treasurer, was installed as president for the ensuing year.

At the conference in Amarillo, more than 200 county treasurers were awarded certificates for the completion of 20 hours of classroom training mandated by House Bill 570, which the County Treasurers' Association was instrumental in passing in 1983. In compliance with the continuing education bill, county treasurers received training in finance, management, governmental accounting, and computerization when they attended classes in April at Texas A&M University in cooperation with the V.G. Young Institute for County Government.

Voda's husband, Ronnie and daughter, Arimy, accompanied Voda to the conference.

Lori Hudman Honored on 7th

Lori Leigh Hudman, daughter of Mr. and Mrs. Curtis Hudman celebrated her seventh birthday with a "Cabbage Patch Doll" theme last weekend.

The honoree and her guests, Summer Darling, Bobbi Nell Lester, Alissa Mitchell, Becky Traw, Kristi Hodges and brother and sister, Richard and Jana were served hot dogs, chips, punch and a decorated "Cabbage Patch" cake.

The young girls enjoyed trampoline jumping, playing with dolls and a slumber party on Friday night and were then treated to a skating party and dinner at McDonald's the following day.

The Roll Arena kept the girls entertained with games and music. Miss Hudman was especially thrilled with winning another free pass to skate when she won the Limbo game by being the one who skated under the lowest rope without touching.

Womans Club Holds First

The first meeting of the new year was held by the Womans Culture Club when it met in the Club House Wednesday, Sept. 12.

The meeting was opened by Katharine Cathcart, president, with Ruby Kirkpatrick giving the opening prayer.

After answering roll call, a guest was introduced to the club, Katherine Johnson. During the business meeting, a leave of one year absences was granted to Patsy Craig, Marj Compton and Opal Pennell.

Following the business meeting, Doll Haire presented the program on "History of the Texas Federation Womens Club (TFWC)".

Refreshments were served by hostesses Maxine Earl and Judy Wall to members: Buena Bouchier, Pat Burnett, Katharine Cathcart, Danielle Chapman, Sue Chun, Estelle Davis, Doll Haire, Ruby Kirkpatrick, Lillian Potts, Sue Traw, Joyce Strubhart, Lois Williams, Dorace Wilson and guest Katherine Johnson.

The next meeting will be held Wednesday, Sept. 26 at the First Christian Church Fellowship Hall at 2 p. m. and members are reminded to bring their articles for the garage sale.

Hospital Notes . . .

Needlecraft Club

Lois Benton was hostess to the Needlecraft Club when it met in her home for the clubs' first meeting of the fall year.

Members attending answered roll call with "Giving their various views on if a woman became Vice President."

A short business meeting was held and projects for the year were discussed.

Following the business meeting, the afternoon was spent visiting and doing needlework and the hostess gave the club a preview of her husbands' paintings.

Refreshments were served to members Helen Richards, Bessie Bowen, Lucy Callis, Joyce Strubhart, Alma Hutto, Katharine Cathcart, Gwendolyn Boren, Katherine Johnson, Marcy Lee Demming and Lois Benton.

Girl Scouts Visit Fire Station

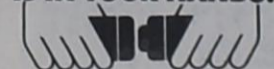

Girl Scout Troop 134 visited the fire station Monday with Fire Chief Delbert Rudd showing the girls all the different equipment in the fire house.

He explained to the girls what to do in case your house catches fire. We really appreciate Mr. Rudd taking time to show us the fire station.

This is our first year as Girl Scouts and we are really excited about all the things that we are planning to do. There are many badges to work on and awards to earn.

Members of Troop 134 are Heather Dickson, Stephanie Palmer, Julia Davis, Amber Harp, Lisa Gutierrez, Sonya Curtis, Jamie Feagin, Lou Ann Ammons, Kristy Martin, Misty Griffin, Veronica Castro, Melissa Hair, Stephanie Cox, Heather Curb, Chastity Clay, Astrid Valdez, Adale Saldivar, Ranette Cruse, Valerie Criado, and leaders Jaynie Dickson, Karen Palmer and Voda Gradine.

Agriculture
Children and Farm Machinery — A Deadly Mix

In no other industry are family members, including children, exposed to the operation of complex mechanical equipment associated with such severe injury potential as in farming or ranching. Excluded from even touring most manufacturing plants, young children often use farm equipment as a playground.

Children are strongly attracted to farm machinery. They play with tractor and machinery toys and delight in the chance to see the real thing in action. They also may plead for a ride. Before relenting, machine operators must remember that every "joy" ride contains the potential for "tragedy." Out of love for our children, we must often say 'no' to them.

The risk of serious injury can be reduced through the use of a "NO RIDERS" policy. No seat, no rider. If a rider must 'hang on', then the risk is too high.

Two things should be kept in mind about farm machinery. First, to do its job, farm machinery must be designed to perform violent movements. It is designed to cut, shred, crush, grab, compact, wrap and perform similar actions. Although major improvements have been made in machine guards, many danger areas must remain open for machines to do the job for which they are intended.

Second, farm machinery is dumb — dumb in the sense that it can't tell the difference between a stem and a finger, a stalk and an

arm, a job well done or the taking of a life.

So, what happens when children and machines come together?

Children fall from the operator's lap or lose their grip and fall under tractor wheels or into the path of trailing balers, shredders or other equipment. Children also may get caught in

operating farmstead equipment, fall from farm buildings, or even play hide and seek in windows or other crops being harvested.

These potential tragedies can be controlled through the strict policy of keeping kids away from farm machinery and work fields and enforcing the "NO RIDERS" rule.

Tips to Keep Your Kids Safe Inside Your Car

Once your child is in the carseat, there are a number of other safety considerations, including "entertaining junior." Save yourself energy and injury by following these tips from "Safe Passage."

Don't start the car until everyone (parents included) buckles up. Be firm and consistent right from the start and children will accept the child restraints far more easily.

An infant or toddler with dry pants and a full tummy, properly dressed for the vehicle's inside temperature is always a better passenger.

Although the rear seat is safer, when you are driving alone with your child, you may want to buckle the carseat in front with you. The baby may be happier and you won't be distracted from driving.

If someone else is driving, ride in the back seat with your baby; it's safer.

Babies have a short attention span. Sing, talk, or play with them. Keep some soft toys available, or a cloth book for toddlers.

In hot weather, buy or make a fabric cover for vinyl car restraint seats. Be sure there are holes for the harness. Cover the seat with a light blanket when leaving the car to keep metal parts from getting too hot and burning the baby.

In the winter, warm up the car and carseat before taking the baby out and dress the baby in a legged suit. Buntings prevent the child from being properly secured in the seat.

On long trips, make baby stops: 10-minute breaks every two hours go a long way toward making the trip more bearable.

Don't allow a child any treats on a stick. A bump or swerve could jam the stick down the throat.

If a toddler has to ride in a car without a safety seat, use the lap belt, worn low and as snug as possible.

A child should never be strapped next to or into a belt on the lap of an adult. The adult's weight, in the event of a crash, would press the belt deeply into the child's body, leading to serious or fatal internal injuries. One person to a belt, regardless of age.

South Plains Community Action Association, Inc., provides as one of its services to the community, a public rural transportation program which is called SPARTAN (South Plains Area Rural Transportation Assistance Network). The system was begun in June of 1982 as an expansion of the existing human services transportation activities carried out by the agency at that time.

One of the SPARTAN goals is to provide access for all citizens within the eight-county area served by South Plains Community Action Association to public places where services or goods are provided for the general public. This means that access will be provided by SPARTAN from the passenger's residence to post offices, shopping centers, doctor's offices, job sites, social service offices and any other location which is considered a public place or which the director of South

Plains Community Action has determined to be a public place. For instance, a residence of a person providing babysitting or day care for the children of working parents may be, upon request, designated as a public place by the director of South Plains Community Action.

Providing transportation for the disadvantaged is also a goal of the program. In this group are handicapped persons, elderly persons unable to drive, persons with a temporary disability which has deprived them from the ability to use their own vehicle, members of a one-vehicle household in which the breadwinner must use the vehicle to earn a

living or a family in which the driver has lost the privilege to drive because of legal or financial circumstances.

Proponents of the program also hope to contribute to energy conservation by combining passengers into one trip where otherwise each passenger would have to use other autos to make the same trip, such as pooling to work sites, pooling to medical clinics, family planning clinics, and pooling students traveling to higher education institutions.

SPARTAN now has a Watts Line and the number is 1-800-462-8747 (TRIP).

For more information call 806 495-2329.

Comptroller Rep. Here October 2

State Comptroller Bob Bullock has announced that Pam Thompson from his Lubbock Field Office will be at the Garza County Courthouse in the upstairs jury room on Tuesday, October 2 from 2 p. m. to 4 p. m. A Comptroller's representative is available to assist local residents at the courthouse the first Tuesday of each month except November.

Bullock urges anyone with problems or questions concerning state taxes to contact Miss Thompson at the courthouse in person or call the Lubbock Field Office at (806) 795-0691. A toll free number (1-800-252-5555) is also available to Texas taxpayers.

Offensive Mistakes Trim 'Lopes Lead to 23-23 Tie

An offensive miscue and a defensive penalty were mistakes which allowed the Tulia Hornets to come from behind to tie the Post Antelopes 23-23 last Friday in Tulia.

The non-district tilt was the first meeting for the two teams and the Antelopes led 16-8 at halftime.

The Hornets tied the game at 16-16 with 5:02 left in the third quarter as the punt snap to Curt Greer sailed over his head from the Post 45.

Unable to handle the football, Greer lost it in the end zone to Tulia, who then ran the ball in for the two point conversion.

The Antelopes jumped out in front 23-16 near the end of the third quarter, then saw their lead evaporate as Tulia took the ball over on downs

JOEL KIRKPATRICK executes the roll-out pass as the Antelopes tied the Tulia Hornets last Friday 23-23.

at their own 32 and marched in nine plays with five first downs to the end zone.

The key play in the series came with the Hornets facing third down at their own the 36, when the Antelopes were penalized for a late hit, which put the ball at the Post 44 and a first down.

It would have been fourth down and one as quarterback Todd Lacey missed the first down marker on the third down attempt.

From there the Hornets ran five plays, the biggest one by Steven Powell on a pitchout around right end to the four yard line.

Tony Powell took the ball in from the two and the extra point kick knotted the score at 23-23.

A last second field goal attempt with no time left failed, or the Hornets would have squeaked out the win.

The Antelope defense held their ground in the final two and one-half minutes of play, as the Hornets had gotten the football on the Post 39 following a second bad snap to Greer.

Antelope Scoring

The Antelopes took the opening kickoff and drove toward the Hornet end zone, only to see the drive fail at the Tulia 29 on fourth down.

Four plays later the Hornets punted and the 'Lopes got the ball at their own seven and again ran out of steam at their own 31, short six inches of a first down.

Tulia couldn't muster a drive and turned the ball over on fourth down to the Antelopes early in the second quarter at the Post 24.

Quarterback Joel Kirkpatrick hit Greer on a pass to the 31, tailback Tracy Price hammered over the 41 for a first down and after a Tulia five-yard penalty, Kirkpatrick's pass to Greer was deflected.

On third down Kirkpatrick faked a pass and Price took the draw play up the middle, dragging defenders to the Tulia 21 yard line for a first down.

Greer went over left tackle to the 27, Kirkpatrick optioned left to the six and Price pounded to the three.

Price got the call again over right guard to the one and following a quarterback sack to the three, Kirkpatrick faked to Price, rolled to his right and found Greer alone in the end zone for the touchdown.

Chuck Morris put the extra point on the board with 6:26 left in the first half.

Safety

The defense took over as Tulia managed to get the kickoff out to the two yard line.

On first down Tony Powell made it to the three, then Jay Fluitt and David Shults captured Steven Powell in the end zone on a pitchout for a safety and the Antelopes led 9-0.

Leading 16 - 0

The Antelopes got the free kick at their own 49 and with 5:32 left in the half began a second scoring drive.

The eight play march included four first downs, including one on a penalty against Tulia for a late hit.

After being sacked on the Tulia 49, Price found an opening on the sprint draw to the 26 for a first down.

Greer carried over left tackle to the 21, Price rammed to the 15 over right tackle and on first down Kirkpatrick threw a pass to Greer to the five.

Price followed blocking over left tackle to the end zone and Morris' kick made it 16-0.

Tulia got the football on their own 20 and with 2:35 left in the half and masterminded an 80 yard drive which was helped by a fourth down penalty against Post for roughing the passer.

Had the down counted, the Antelopes would have gotten the football back with 26 seconds left in the half.

With new life and a first down, the Hornets threw three passes, polishing off

the drive with a four yard toss from Lacey to Jeff George in the end zone.

The half ended as Kirkpatrick's pass was intercepted.

The Antelopes came out of the lockers and muscled the ball down field from their own 41 to the Tulia five yard line, before turning the ball over on downs.

Price carried six of seven times in the drive, the longest from the Tulia 45 to the 14 off right tackle.

On first down from the 14, Price went to the seven, then on second down got to the six.

On third down Price tried the right tackle spot and was thrown for a loss to the seven.

Needing to make it to the four, Kirkpatrick ran the option to his left, skirted inside at the last second and dove over the yard marker for what looked like a first down.

The officials spotted the ball at the five and Tulia took over on downs.

With 7:17 left in the third quarter, the Antelopes got the ball on their own 37 and after four plays were forced to punt against the wind.

That's when the bad snap gave Tulia a touchdown.

Final 'Lope Touchdown

With 2:17 left in the third quarter, the Antelopes opened up a six play drive, set up by a Rodney Hays interception on the Tulia 45, which he returned to the 29.

Greer took a pitchout around left end to the 21, Price picked up a first down over right tackle to the 17 and then went over left guard to the 14.

Kirkpatrick rolled left and Greer caught the ball to the eight and on third down Price went over right tackle to the four.

Kirkpatrick rolled to his right on first and goal and found Greer alone in the end zone for the touchdown.

With three seconds left in the third period, Morris kicked the final point and the 'Lopes led 23-16.

District play begins this Friday as the Antelopes host the Brownfield Cubs with a 7:30 p. m. kickoff time.

TRACY PRICE gained 225 yards rushing for the Antelopes against the Tulia Hornets' last week behind good offensive line blocking. Price's power running is shown in this first down off-tackle play.

ANTELOPE OFFENSIVE LINEMEN charge off the snap, getting the jump on the Tulia

Hornets. The left offensive line includes Kenneth Gill (62), Jay Fluitt (63), Jay Valdez (71) and Bruce Crenshaw (85).

Ninety-seven percent of the world's water is in the ocean.

'We Played Well Enough to Win'

"We were naturally disappointed to come home with a tie," Post Antelope coach David Thompson comments about last Friday night's game at Tulia, "but I think really we played well enough to win."

The coach praised the offensive line for their improvements and was pleased with the overall defensive effort.

The Antelopes held Tulia to 66 yards rushing and 75 yards passing and collected one interception.

Offensively Tracy Price led the team in rushing with 225 yards on 38 carries and one touchdown.

Curt Greer collected 40 yards on six carries and

Simon Salinas took the ball three times for 21 yards.

Greer caught five passes for 29 yards and two touchdowns and Ricky Moore caught one for 14 yards.

"We're working on getting our receivers to run the routes at full speed," Thompson reports, "I feel we had one or two long passes that should have been caught if we hadn't slowed down at the end of the route."

The Antelopes had 277 yards rushing and 43 passing and quarterback Joel Kirkpatrick completed six of 14 passes.

The Antelopes were the only team in District 3AAA who didn't lose last Friday night.

RODNEY HAYS (21) traps Tulia's quarterback for a loss as James Mock (75) joins in the action during the game last Friday at Tulia.

RODNEY HAYS (left) stops Steven Powell in the Hornet end zone for a safety, putting the Antelopes ahead 9-0 as Rodney Tidwell (20) comes in to help out. (Photo by Norma Baumann)

CURT GREER ran with determination against the Tulia Hornet defense last week.

'Lopes Open District With Cubs

When the Post Bold Gold Antelopes line up on the field this Friday for their first district contest, newly elected team captains, Keith Osborn, Curt Greer and Jay Valdez will meet the Brownfield Cub captains at mid-field for the toss.

The Antelopes elected the three team captains earlier this week.

Beginning the first season in the new District 3AAA, the 'Lopes will face a determined football team whose record is somewhat deceiving.

The Cubs have lost their first three games, but led late in the game in two of those contests.

Last week they were ahead 18-7 before slipping to Snyder 28-18 in the fourth quarter.

Earlier in the season, Andrews had to score two touchdowns in the fourth quarter to come from behind to defeat the Cubs 21-14.

"I know I've said this before," coach David Thompson says of the defending champions, "but we're going to have to play real good to stop Brownfield."

The Cubs are led by tailback Danny Reed, a 130 pound senior and quarterback Heath McVay, a 145 pound junior.

McVay likes to throw the pass to 185 pound senior wingback Joel Ross.

The Cubs use the I formation and on defense show a 4-3 alignment with middle linebacker Chris Billings anchoring the line and Ross in the secondary.

Brownfield High School last year was realigned to 3A status with a two year average enrollement of 625. Currently the school shows an enrollment of 645. The 3AAA limit is a two year average of 650 or more students.

J. V. Blasts Tulia 44 - 6

The Post Junior Varsity football team blasted the visiting Tulia Hornets 44-6 last Thursday.

Tulia scored first, then Anthony Perez returned the kick off 70 yards to the Hornet 18 then quarterback Jay McCook threw a touchdown pass to Marvin Lee and Adam Perez scored the two point conversion.

The next 'Lope touchdown came on a 68 yard drive with Anthony Perez crossing paydirt on a 15 yard play.

McCook threw a 15 yard pass to Scott Hair to complete a 47 yard drive for the third touchdown.

Number four followed an 80 yard drive with Eddie Moat scoring from two yards out and Keith Tidwell getting the two point conversion.

Anthony Perez scored the fifth touchdown when he scampered 33 yards to finish a 67 yard drive and Adam Perez got the two extra points.

The final touchdown followed a 36 yard drive with Jay Claborn going in from six yards out.

Coach Lane Tannehill praised Scott Hair for his intercepted pass and 25 yard return and commented, "We played much better defen-

sively."

He also praised Anthony Perez for his 154 yards on 13 carries, 35 yard pass reception and 91 yards on returns.

Adam Perez was credited with 78 yards on 14 carries.

"The line did a good job most of the game, picking up their stunts and the offensive line was great," the coach said as he praised Johnny Funk, Donny Payne, Robert Gill, Keith Craig, Bart Mason, Scott Hair, Marvin Lee and Danny Foster.

The junior varsity travels to Brownfield tomorrow.

8th Grade Wins 38-20

The Post 8th grade football team led Tulia throughout the contest there last week, coming home 38-20 winners.

Mark Solis opened the Antelope scoring in the first quarter with a 10 yard touchdown run after a 34 yard drive. Quarterback Trevor Thuet ran outside for the two point conversion.

The next drive started in the first quarter and used up much of the second period, going 17 plays and 64 yards with Felipe Vargas getting the touchdown on a three yard sluge. Fullback Vincent Slay ran in the two point conversion.

In the third quarter the young Antelopes ran 53 yards in eight plays as Solis ran off tackle for the final six yards

7th Graders Trounce Tulia

The 7th grade football team continued its undefeated season by trouncing Tulia 42-6 last Thursday in Tulia.

The young 'Lopes gobbled up 481 total yards offense including kick returns. "Everyone played well, allowing only 90 yards to the Hornets on 43 plays," coach Fred Postell observes.

The first 'Lope touchdown came on an 80 yard, two play drive as Lanny Lee went off right tackle for the 70 yard scoring run. Jaime Perez picked up the two-point conversion off left tackle.

The next touchdown was a 45 yard, three play drive as Perez and Blair carried twice the Lee went the final 30 yards and Perez got the extra points.

Then Lee returned a Hornet punt 70 yards for another touchdown.

Blair capped off the next touchdown drive on a 25 yard scamper up the middle, after Lee and Perez picked up 35 yards.

After Tulia scored, Lee returned the kickoff 70 yards for another touchdown.

The final scoring drive went 95 yards on two plays as Perez hit for five then Lee went off right tackle to the sidelines and 90 yards for the touchdown. Rance Thompson picked up the two-point conversion on a quarterback keeper around right end.

Lee was credited with a total of 386 yards, 246 rushing on 10 carries, five touchdowns and two 70 yard kick returns.

Jaime Perez picked up 45 yards on eight carries and two, two-point conversions, Blair got 33 yards on three carries, and one touchdown, Thompson 12 yards on three and one conversion. Rance Sappington, Jake Bustos and Kevin Williams each were credited with two yards.

On defense the coach praised Manuel Perez, Galen Martin, Rance Sappington, Mike Prather, Jake Bustos, Brent McDonald, Sonnie Storie, Lance Bagby and Victor Chapa.

The coach also praised the offensive play of Bill Rankin, Adam Lopez, Trey Jones, Mike Traw, Keith Holly, Manuel Perez, Roger Adams, Jim Holleman, Rance Thompson, Kevin Williams, Matt Holly, Bobby Blair, Jr. Armendariz, Lanny Lee and Jaime Perez.

The team hosts Brownfield tomorrow.

Southland Eagles Whip Silvereton 30 - 2

By Gregg Haire

The Eagles rushed for 292 yards as they defeated the Silvereton Owls 30-2 Friday, Sept. 21.

The only score that came in the first half was when the Eagles were tackled in their own end zone by the Silvereton Owls.

The half time score was 2-0 in favor of the Owls.

When the second half rolled around the Eagles were ready to play. The Eagles destroyed the Owls 30-2 when

the final seconds ticked away.

Some of the outstanding players were: Heath McGehee with 12 tackle assists and one touchdown, Dee Farquhar rushed for 116 yards, one touchdown, three tackles and 16 tackle assists; Steve Ellis also made two tackles and 15 tackle assists.

The Southland Eagles will play the Cotton Center Elks there at 7 p. m. Friday night.

The Southland Eagles defeated the Patton Springs Rangers Friday, Sept. 14 on the 6-man, 45 point rule.

The game ended in the third quarter with a score of 45-0. At the half, the Eagles were leading 22-0. In less than three minutes of the third quarter, the Eagles scored 23 points and brought the game to a halt.

Dee Farquhar rushed for 143 yards and scored four touchdowns. Near the end of the game, Ray Watson blocked a punt, and Mark Pennell recovered it on the one yard line. Quarterback Benny Arguello threw a pass to Gilbert Armendariz who brought it down in the end zone for the score.

The finale of the game was a four yard run by Shawn Turley. The one point conversion by Sean Basinger ended the game on the 45 point rule.
