Free Airshow, BBQ Sunday

The Post-Garza County Airport will be the scene of an area-wide celebration Sunday, complete with an airshow, flying demonstration, skydiving and free barbecue highlighting the dedication of the renovated facilities.

County Judge Giles Dalby will lead the official dedication ceremonies, which open at 2 p. m.

The barbecue, provided by the First National Bank of Post, will begin at noon.

The two-hour airshow will feature Kirk Fulton with his

Pitts Special, Bob Macy in a Bell Jet Ranger helicopter demonstration, Bill Coats with an ultra light, the Westex Skydiving Team;

Bob Sears in his Bellanca Decathlon National Aerobatics competition aircraft, Van White flying his Bucker Jungmann and PA J-3 Cub;

A T-38 fly-by from Reese AFB, Nick Owen flying his Marquart MA-15 aerobatic aircraft and a crowd-pleasing "dog fight" demonstration by the Confederate Air Force.

A drink concession stand

will be provided through the Post High School FFA chapter.

The airshow is sponsored by the Post Chamber of Commerce and is free to the public.

Chamber of Commerce president Bryan Williams III suggested people planning to attend the airshow should bring along lawn chairs to better enjoy the two-hour event.

DOWNTOWN RENOVATING — Businesses and building owners on the north side of East Main in Post are sprucing up building fronts as part of a revitalization campaign.

PEDC Members Elect Directors

Patty Kirkpatrick and Charles Adams along with Lewis Earl, Jack King and Giles Dalby were elected by voting members of the Post Economic Development Corp. (PEDC) as directors at the membership meeting Monday night.

The 32 voting members at the meeting also tentatively approved the corporation by-laws, and discussed various industrial development ideas.

King reported to the members that there are currently 46 subscriber vot-

ing members and that others interested in joining are encouraged to do so.

A voting membership is issued to people or organizations who donate at least \$500 and King reminded members that donations of less than \$500 are acceptable, but voting is limited to those who contribute at least that amount.

The board of directors elected by the members will be responsible for managing the approximately \$5 million in facilities donated by Burlington Industries to the non-profit organization.

The Way I See It . . .

I did watch the debate last Sunday, then stayed up until the third quarter before giving up on the Cowboys when they were behind 27-6 to New Orleans.

Found out Monday morning that I should have stayed up to see the dazzling Cowboy come-back, with poor ole Danny White back in the saddle.

Perhaps there is a connection between the two events, the presidential candidates slugging it out a few feet apart with verbal weapons, and the football players slamming into one another on the astroturf.

Dallas coach Tom Landry switched quarterbacks at halftime, going to the more experienced White, and came out a winner.

From watching the debate, I came away feeling about the same way with the two candidates.

When President Reagan asked if Americans wanted another four years like the last four, I said no to the t.v.

I think what he meant to say is four more years like the four before he became elected, but then maybe we need to give him a little break now and then.

That's the trouble with this election, it seems to me too many people are bending over backwards trying to give the president a little room for his mistakes.

I'm not particularly a fan of Walter Mondale, in fact I find much objection to his liberal "give-away" views, but I did think his reasoned approach and careful answers sounded much more like a president than Reagan's.

My feeling is that President Reagan is just flat not informed on the details of government. He leaves me

the impression that he just sort of skims over the briefing papers and stacks the material on the corner of his desk for some assistant to shuffle to a filing cabinet.

His idea of sharing sophisticated defense systems with the Soviets smacks of a person downright out of touch with reality.

The main problem I have with Reagan is his failure to get a handle on the federal deficit.

The past four years has seen the federal deficit reaching beyond the realm

USDA Advance Payments Okayed

Secretary of Agriculture John R. Block today said farmers who participate in the 1985 feed grain, cotton and rice programs announced today and the 1985 wheat program announced June 14 will be eligible for advance deficiency payments.

At the time they sign up, producers may request 50 percent of their projected 1985 deficiency payment and 50 percent of land diversion payments in those programs where land diversion payments are provided. Signup for all programs will be Oct. 15 through March 1.

USDA estimates the wheat deficiency payment rate at \$1.08 per bushel and has established the wheat land

diversion payment at \$2.70 per bushel. The advance deficiency and diversion payments will be half these rates. Details for the feed grain, cotton and rice programs are being provided in separate announcements to-

day. A producer who accepts and advance payment, but who later does not comply with program provisions, must refund the amount of the advance payment with interest plus liquidated damages.

Commissioners Approve Phone Service

In a brief meeting Monday morning, the commissioners court voted to approve an answering service for Glenda Baker for the six month trial basis. South Plains Answering Service offered to

give the service free of charge with the commissioners approving the cost of the hookup. Mrs. Baker is the new alcohol counselor for the county.

Heard Tax Collector Ruth Reno give her monthly reports and before adjourning, approved the courthouse being closed on election day, November 6.

PHS Band Earns II Rating

The Black Gold Band participated in the Marching Contest at Jones Stadium and received a II which means "Excellent."

Out of the 3A class bands there were four ones, seven twos, two threes and one four. Out of the 49 bands participating, 14 received a one.

Several compliments from other band directors were given to Mr. Willis all of which said "this is the best Post band I can remember".

Band member, Jim Rainbolt said, "we put our hearts into it and we felt really good about what we did. We have a lot of room to improve, but we looked very good and all of the band members can hold their heads very high."

TALKING OVER OLD TIMES — Former Post Antelope football players and coaches of the 1930s met last Saturday morning to renew acquaintances and recall football memories. SEN. JOHN MONTFORD STAYS WITH THE JOB.

Sen. John Montford Stays with the Job Until It's Done!

Last year Sen. John Montford faced a choice. He could have run for Congress as many urged him to do . . . or he could have stayed put in the Texas Senate.

John Montford chose to stay put in Texas so he could be close to the voters and continue to fight for West Texas in Austin. JOHN MONTFORD DOESN'T WALK AWAY FROM UNFINISHED BUSINESS . . . AND A WORKABLE WATER PLAN IS JUST ONE PIECE OF UNFINISHED BUSINESS IN AUSTIN.

Letter to the Editor

Publisher's note: The following letter was submitted to us by Jiggs King, whose niece, the former Patricia King now of Seminole, had sent to him. The letter originally appeared in the Brownwood Bulletin. To the Bulletin:

"Good intentions on the road to hell."

I don't know who wrote, or spoke that phrase, but history will record it as a most fitting epitaph, for the death of the public school system in Texas. Good intentions by the 1983-84 Legislature produced House Bill 72, known in education circles as the "early retirement bill."

The 72 Bill looks very good on paper. The good intentions are clear, the 72 Bill is supposed to mandate more classroom time. Raise the requirements for passing a course and cut down on extracurricular activity. Make lower classroom loads and test to prove the student has learned all he or she is supposed to have learned. Make tutoring programs available to help slower students keep up. Raise the standards for new teachers coming into education field. Test the older teachers to weed out the incompetent. Give teacher a pay raise. Set a system into motion which will give teachers a chance to make better pay, "by doing good work." All in all, the 72 Bill should take education and push it forward into a bright, new future. Yes, the good intentions are clear. Then why did groups like TSTA and TCTA oppose the bill? Why are teachers quitting in record numbers this year? Why is teacher morale at its lowest point in years? Why are schools having to raise taxes to implement the 72 Bill? Why are schools hiring people to fill teaching jobs that aren't certified to teach? Why is the pathway to hell always filled with good intentions? To find out why all these good intentions turned sour, all you have to do is look at your local schools. Ask your kids how things are, or better yet, ask a teacher. Only don't expect to like the answers you'll get. Politicians build lives on good intentions, unfortunately things don't always come out as intended. The good intention was to have more classroom time. What we got was more paperwork to prove we are still teaching the same things we have been teaching for years. There is now three times as much paperwork,

and less time to do it in. The good intention didn't work.

The good intention was to make class requirement harder to pass; this would make grades better.

Only, it cause more students to fail.

Godd intentions don't always work.

The good intent was to cut down on extracurricular activities like pep rallies and football, basketball and track games, which took away from educational time. What we got was less debates, spelling bees, science fairs, field trips. All the things that inspired as well as taught are now gone. The state will allow only 10 days out of class, and local school boards use up that time for the more important things, like football, basketball, track and band trips. Good intentions don't always work.

The good intention was to raise teacher pay to attract more people into the field of education. Only what we got was a starting salary that any good garbage man can make. To achieve this feat, the state changed the whole system of pay scales. Now a teacher who has worked five years gets paid the same as someone who is just out of college. Talk about your morale boosters. Good intentions don't always work.

The good intent was to reward teachers with higher pay, if they were better teachers than their peers.

Art Guild Plans Bazaar

A bazaar is being planned for the week of November 11 through November 17 by the Post Art Guild Inc.

The Guild is redecorating the front portion of the Algeria Hotel and upon completion will be an art studio, with an area for class room work, work shops and demonstrations.

The bazaar will help finance and redecorate this facility.

Any club, organization or individual may arrange for an area in the building for a booth with no charges for

the booth. There will be a 20 percent charge on all sales for persons or organizations who have a sales person present at their booth at all times or the art guild will sell it for a 30 percent commission of the sales price of each item.

Items to be sold can include paintings, craft items, crocheted items, needlepoint, stitchery, weaving, stained glass, home backed foods and other hand made gift items.

Those wishing to sell items in the bazaar are asked to call Inez Hartel at 495-2977.

Daisy Girl Scouts Form

The first meeting of the Daisy Girl Scouts was held Monday, October 22 after school.

This is a new program for girls in kindergarten and is five years of age.

The girls will be picked up at the school by Melinda Mason and Kay Mitchell each week and walked to the Girl Scout House where their parents will pick them up at 4:30.

For those girls who have morning classes, Jennie Francis will be at the Scout House.

Those girls who would like to register and have not, may do so at the meetings on Mondays from 3:30 to 4:30. There is a \$3 registration fee.

Needlecraft Tours Home

Needlecraft members enjoyed a tour of the Walter Boren home when it met there October 12 with Gwendolyn Boren as hostess.

The home is listed on the historical register.

Mrs. Boren also displayed several quilts that she and other family members had made.

Following a brief business meeting, the rest of the afternoon was spent in fellowship and sewing.

Refreshments were served to members: Katharine Cathcart, Ester Crider, Lucy Callis, Katherine Johnson, Joyce Strubhart, Helen Richards, Alma Hutto and the hostess.

ENGAGEMENT ANNOUNCED — MR. and Mrs. Donald Tanner wish to announce the engagement and approaching marriage of their daughter, Judy, to Mark Stark, son of Mr. and Mrs. Bill Terpening of Post and Mr. and Mrs. James Stark of Fort Gibson, Okla. The couple plan to be married December 27. Both are 1984 graduates of Post High School and the prospective bridegroom is now serving with the Navy stationed in Great Lakes, Illinois.

1947 Class Hold 37th class reunion

The Post High School class of 1947 held its 37th class reunion Saturday, October 20 in the Presbyterian Church.

Registration and visiting was held from 1 to 7 p. m. with coffee and cookies served.

The class of '47 also visited from 4 to 5:30 at the Methodist Church with the '49 and '50 class.

A catered barbecue meal was served at 7 p. m.

Decorations of black and gold were used with an arrangement of yellow mums flanked by large black numbers "19" and "47" on either side of the arrangement on the head table.

Visitors and classmates attending were: Jimmie Rains Lueder, husband and daughter of Albuquerque, N. M.; Bud and Jeane Everett of Ballinger; Albert and Carolyn Bayer of Meadow; Gene and Margaret Fleming Prather of Odessa; Hiram T. and Charlyn Carr of Canyon; D. T. and Dot Carey Palmer of Electra; Herbert G. (Sonny) and Peggy McCrary, Odessa;

Also Bessie Smith Sparlin, daughter and granddaughter of Lubbock; Alma Outlaw Boone of Midland; Hugh and Norma Ingram of Hobbs, N. M.; Bill and Dixie West of Hereford; W. E. and Cora Fleming and great granddaughter all of Post and H. V. and Joyce Williams of Marble Falls.

Bing and Jean Bingham of Slaton and Pete and Sammy Maddox of Brownwood also visited.

Seated at the head table were class president, Rufus and Wilmer Gerner and vice president, Sonny and Peggy McCrary.

Iris Truelock gave the welcoming address with Rita Nelson giving the class

history. The class will be read by Neal Clary amid much laughter.

June McMullen received a prize for traveling the most miles; Billy Lofton, for the most grandchildren and the youngest child; June and Billy tied for most children.

Jena Pierce received the award for the oldest child; Helen Mason, least changed; Bud Everett, most changed.

Booklets were given to classmates of summary of the past 37 years and many laughs, hugs, pictures and talking were exchanged.

The class voted to hold its next reunion in 1987 when they will celebrate their 40th.

Ladies C of C Sponsor History Book

Womens Division of the Chamber of Commerce is sponsoring a history book for Garza County residents.

This book will not include the family histories of those included in Wagon Wheels. Many of the pioneer histories were not printed in Wagon Wheels, and we encourage these pioneers to submit their history at this time.

We do not plan to limit the time a person has resided in the county, since each day we are making history.

To be eligible to submit the history of your family, each history should be on one individual family, and limited to 500 words.

Pictures should be submitted with your history also.

There is no charge for publishing your history.

We hope that each family will seriously consider participating in this project.

For information about this history book, call Iva Hudson 495-3196 or Inez Hartel 495-2977.

Dewayne Capps

Richard Dudley

The Post Volunteer Fire Department serves Post and Garza County with 25 volunteers, who attend Texas A&M Fire School every July to help keep a low key rate in insurance, as well as keeping abreast on new training. There is more than 250 years of total experience among the men who serve as volunteer firemen. Delbert Rudd serves as chief, Larry Waldrip and Dewayne Capps are assistant chiefs, Dan Hodges is secretary and Lester Josey is the

training officer. Members of the volunteer fire department also attend and help instruct at the Lubbock Fire School every spring. Volunteer firemen conduct practice sessions twice a month. In addition to fire fighting, volunteer firemen are also responsible for the operation of the "Jaws of Life" rescue work. This equipment has been used for truck accidents, pickup truck wrecks and aircraft accidents.

Antelopes Get In High Gear with 56-0 Win

BENNY HAIR (32) races into the Slaton secondary on his way to a touchdown with Ricky Moore (12) and Jay Valdez (71) leading the downfield blocking.

RICKY MOORE deflects a Slaton pass, robbing Shawn Wilson of a chance to score late in the Antelope Homecoming game here last Friday.

ALBERT NAVA (31) along with a host of Antelopes stop Slaton's Rodney Taylor dead in his tracks. Assisting are Delton Osborn, Rodney Hays and Ricky Moore. **TRACY PRICE** blasted the Slaton defenses for four touchdowns during the 56-0 Antelope win last Friday.

7th Grade Still Undefeated

The Post 7th grade football team extended its winning streak and its shut-outs by zapping visiting Slaton 30-0 last Thursday.

Lanny Lee opened up the scoring with a 70 yard kickoff return and Jaime Perez put the two-point conversion on the board.

The second touchdown followed a 16 play, 92 yard drive, following a fumble recovery at the 'Lope eight yard line.

Lee and Jaime Perez traded plays with Perez getting 44 of the 92 yards and Lee the remainder, including a 20 yard touchdown run.

The next touchdown was 64 yards on four plays, with 1:50 left in the first half. Perez went off left tackle, Lee went around right end

for nine and then another 14. The touchdown play was a reverse around left end with Lee going 40 yards to the score behind good blocks by Keith Holly and Trey Jones. Perez got the extra points to put the 'Lopes out front 22-0 at the half.

The final touchdown drive was also four plays going 51 yards. Perez picked up 20 up the middle then nine over left tackle.

Fullback Bobby Blair broke for a 22 yard scoring scamper behind the blocking of Keith Holly, Mike Traw, Trey Jones, and Adam Lopez. Perez got the two-point.

The young 'Lopes gained 305 yards rushing, and held Slaton to 133 yards on 48 plays. "Again, the entire defense

played well," coach Fred Postell reports, "Slaton came into the game averaging about 25 points per game, and our defense shut them out and allowed only 2.6 yards per play.

"This is our fourth shut-out in a row, district opponents have not scored on us," the coach adds.

He offered praise to offensive players Jim Holleman, Jaime Perez and Robby Blair who played for an ill Bill Rankin.

"He did a great job of blocking," Postell comments.

Defensively, the coach praised Holleman, Perez, Paul Robinson, Victor Chapa, Manuel Perez, Adam Lopez, Kevin Williams, Robby Blair "and the entire team."

By Wes Burnett

The 1984 Post Antelopes gave the fans a perfect Homecoming gift last Friday night with a 56-0 district shallacking of the visiting Slaton Tigers.

For the fourth year in a row the Tigers were unable to put points on the board against the Antelopes and this year's 'Lope defense maintained the tradition.

Five Antelope players were credited with touchdowns, with Tracy Price leading the scoring on four TDs.

Quarterback Joel Kirkpatrick, fullback Benny Hair, wingback Curt Greer and tight end Bruce Crenshaw all scored one touchdown.

At halftime the 'Lopes led 42-0.

Slaton won the coin toss and elected to receive at the opening of the contest, which was one of the high spots for the Tigers as they were dominated on the line of scrimmage throughout the game by an aggressive Antelope defense.

Post scored first following a Tiger fumble on an Antelope punt. Greer's punt bounced in front of Garrett Gamble, hit his knee and Simon Salinas landed on top of the loose football at the Tiger three yard line.

After an offside moved the ball back to the eight, the 'Lopes rammed into the end zone in three plays, with Price getting the call over right guard for the score.

Chuck Morris added the extra point, which he did seven more times during the night.

Albert Nava collected another fumble a few minutes later at the Slaton 21 and in two plays Hair blasted through right guard going the distance for the second touchdown.

The Tigers ran three more plays following the kick off and punted to the Post 30 yard line.

Kirkpatrick faked to Price inside, then threw a pass to the outstretched Greer at the 47 for a first down.

Greer then took the ball on a trap play over left guard to the Slaton 38 and the Tigers called a time out.

Price rammed it to the 27, then Kirkpatrick faked to Price, rolled to his left and threw a pass to Crenshaw who had broken into the end zone wide open.

Still in the first quarter, the 'Lopes picked up another Tiger fumble as Delton Osborn crashed into Rodney Taylor and David Shults covered it for the 'Lopes at the Slaton 25.

Five plays later, with 11:58 showing on the second quarter clock, Price capped off the drive, carrying all five times.

In less than 30 seconds, the 'Lopes had the ball back following a Delton Osborn interception at the Slaton 40 which he returned to the 17.

Slaton was penalized on a personal foul, moving the ball to the nine and three plays later Price went over left tackle standing up from the six for the score.

With 10:30 left in the half, the 'Lopes led 35-0.

The 'Lopes took the ball back after an exchange of punts with 2:25 remaining in the second quarter.

Starting at their own 35 yard line following a fourth down turnover by the Tigers, Kirkpatrick faked inside and threw the football to Greer on the Slaton 45 and he rammed to the seven before being hauled down.

A penalty set the ball back to the 11 and Greer took the trap play over left guard to the five and Kirkpatrick then optioned around left end, carrying the ball to the end zone.

Second Half Scoring

Post took the kickoff and marched from their own 45 after a squib kick by the Tigers.

Hair went over left guard to the 20, Price tried right guard for no gain, then Hair slipped past the defenders over right guard to the nine and Price went over left tackle to the one and then

over right tackle to the end zone.

Leading 49-0, the 'Lopes were to score one more time, still in the third quarter.

The final touchdown came on the next possession, following a punt by the Tigers to the Post 36. Two plays later Greer pulled off the "wingback around" play with precision, behind clearing blocks by Kenneth Gill

and Jay Fluitt, going 60 yards for the score.

The Antelopes had one more chance to score, but were submarined on fourth down from the one-half yard line.

The team travels to Seminole Friday, to match up with the Indians who are contending for the district title, tied for second place with Frenship following last Friday's loss to Brownfield.

Best Game This Year . . . !

"I think we played our best game on offense and defense," Post High School coach David Thompson observes about last Friday's 56-0 win over visiting Slaton. "Our defense held Slaton to 91 yards rushing and zero on passing," Thompson adds, "and that means they weren't able to complete a single pass."

The Antelope offense racked up 445 total yards offense, rushing for 276 and passing for 169.

Joel Kirkpatrick completed five of nine passes, hitting Bruce Crenshaw twice for 78 yards, Curt Greer twice for

76 and Todd Angerer once for 15 yards.

Tracy Price led the ground attack with 105 yards on 25 carries, followed by Greer with 89 yards on five tries, Benny Hair carrying six times for 49 yards, Kirkpatrick with 17 yards on four tries, Simon Salinas carrying twice for 12 yards and Albert Nava twice for four yards.

"The lone disappointment was our failure to score when we were inside the one yard line," Thompson comments.

"We feel the team is getting better each week," he adds.

Seminole Waiting . . .

The Seminole Indians, coming off a surprise 13-9 loss to Brownfield last week, are expected to give the district leading Post Antelopes the strongest test this season when the two teams meet in Seminole this Friday.

"Seminole had some players out with sickness last week," Antelope coach David Thompson reports, "but we know they're going to be ready for us."

The Indians operate from a straight T offensive formation and "they have three good running backs and two good quarterbacks who alternate," Thompson adds.

The Indians are primarily a running team, using the pass only 25 percent of the time.

When they throw, they like to hit tight end senior Carey Bailey (42) 6' 3", 220 pounds and has good speed.

Quarterback Herby Rios (12) is listed as a fair

passer with great speed.

Marlin Carter (75), 185 pound senior tackle, is a good blocker with quickness on the offensive line.

He is joined by seniors Bruce Cato (50), 175 pounds, guard Wade Spradlin (61), 170 pounds and junior Geoff Sims (64) a 187 pound guard.

Junior tackle Kirk Wisdom (74) is the biggest offensive lineman at 205 pounds.

The favorite running play is a fullback slant over right tackle with the wingback blocking down on the defensive end.

Melvin Harris (70), a 190 pound senior tackle, is listed by Antelope coaches as the best defensive lineman for the Indians.

The Indians have lost to Colorado City 41-12, Lamesa 14-13, and Brownfield 13-9 and have won over Coahoma 21-0, Roosevelt 60-14, Denver City 26-0 and Frenship 33-27.

Kickoff is at 7:30 p. m. at Seminole.

8th Grade Ties 16-16

Leading 16-8 going into the fourth quarter here last Thursday, the Post 8th grade football team ended up with a 16-16 tie with Slaton.

"The defense played well except for three or four big plays," coach Darrell Radle comments, "and we had good effort from Neal Gibbs, Pete Aguilar, Tyge Payne, Felipe Vargas and Dale Gonzales."

Kent Ammons was credited with an intercepted pass.

The first touchdown came on a 10 play, 73 yard drive with Mark Solis going the final 26 yards. Vargas got

the two-point conversion.

Then in the third quarter the 'Lopes mounted a seven play drive going 85 yards. Solis got the score on a 10 yard off-tackle dash and Gonzales went outside for the two pointer.

Slaton later scored on a long pass and although the 'Lopes drove twice to within scoring range, were unable to cross the goal line.

"Our offensive backs did a good job, especially since we did not block well for them at times," Coach Radle adds.

The team travels Thursday to Seminole.

Letter to Editor —

(Continued from P2)
They call this merit pay, only the state didn't fund all the money needed to carry out this program. They also didn't think too much about who or what got the little money they did set aside for merit pay. Local school boards have the power to give the money to anyone they see fit. Which amounts to "who likes who" not "who does good." One school system stated it would not select its merit pay personnel until the end of the school year, which means "play ball or be left out." One teacher said, "It's nothing but moral blackmail." Good intentions don't always work.

The final good intention, the one that may totally destroy our educational system, is competence testing. When we have large numbers of school systems hiring uncertified personnel to teach, and fewer students going into teaching, it is not the time to cause the few teachers we have to get out. Many teachers have been out of college for years. Is it

The Way I See It . . .

of comprehension and it is ruining the faith of the American people in the idea of working hard and someday having a little nest egg. What really is happening with the federal deficit is the robbing of the working people's savings...because the interest alone on the federal deficit can not be paid back in our lifetime. Imagine if you or I were in debt so badly that we could not even pay off the interest on our debts in our lifetime.

That is exactly what kind of shape our federal government is in now...and it is absolutely the opposite of what President Reagan promised when he blasted President Carter four years ago for his, what now appears reasonable, federal deficits.

I also take issue with President Reagan on his promise to abolish the unfair and un-American so-called "windfall profits tax"...an issue which he has just allowed to die and wishes it would go away.

Mondale wouldn't do any better, I suppose, but at least I know what not to expect of him.

On the issue of nuclear disarmament...Mondale seems to me to have a firm grasp on the critical nature of the beast we have created.

President Reagan is operating from the fear of communism he learned during the 1950s.

Nuclear destruction of the world is too important an issue to be handled as a toy among world leaders.

We have the capacity to destroy the world.

I'm not sure President Reagan is in tune with the seriousness of this problem...else why would he direct the Defense Department to prepare plans for survival of a nuclear war?

There is no survival as we know it.

In defense of his position, Reagan tells us that we haven't been attacked and that the Russians respect us for our strength, and see, it works doesn't it?

That's like saying my backyard fence is a great deterrent to rattlesnakes, because, look, we haven't seen any lately.

Basically, I don't like the evasive, simplistic and generalized nature of President Reagan's answers when he doesn't have a script in front of him.

He doesn't give me much confidence that he knows what he is doing.

And I don't appreciate Mondale's approach to domestic problems and federal involvement in our lives...

I think I'll vote for the Libertarian candidate, if for no other reason than as a protest to the failure of the major political structures to come straight with the American people.

fair to expect them to remember all they once knew? Most people remember only that which they use on a day to day basis. Is it fair to test an English teacher on math or a math teacher on English? Does this prove the teacher can't teach because they can't spell? I wonder how many of us would lose our jobs if given such a test?

All of these were good intentions on the part of our state government. So, in November, when you vote, remember all these good

intentions. Remember where all the good intentions pave the road to.

Have you been by our home and seen the beautiful flowers that we have in the front and back? If you haven't you should see what different colors we have. They are gorgeous. Did you know that the

G.A. girls from the First Baptist Church came to see us and sang for us. Their leaders are Marilyn Williams and Thressa Harp. They did a good job with 25 girls.

The Gospel Trail Blazers came and sang for us. We sang some of the old gospel songs that we all know and we got to sing along with them.

Mildred Stewart, Bill Bartlett and Eskert Stone came by and played and sang for us. They are part of the Country Cousins. We

Ollie Sappington and Abe Sparlin are home from the hospital. We have Winnie Henderson, Jewel Harris and Dovie Williams in the hospital. We are looking forward to them being home with us again.

Those having birthdays this month are Delbert Funk, Leta Mathes, Milton Hester, Saloma Steele, Douglas Livingston, Ollie Sappington and Vay Norman. Those that are 80 or over got a birthday card from President Reagan. They are Leta Mathes, Milton Hester,

Ruby Brown, Ollie Sappington and Vay Norman.

We also had a birthday party and we had cakes and punch. The VFW ladies are so faithful and we do love and appreciate all that they do for us.

We are planning a big family night October 30 at 7 p. m. We hope that all our families will be here. It is a very special night for everyone.

TV is a big past time here in the home and we sure like that country music.

Hospital Begins New Program

On Friday, October 5, 1984, West Texas Hospital began a new program which is structured to ease the financial demands of Medicare patients.

Medicare currently requires the patient to pay a \$356 deductible each 60 day period, when hospitalized. West Texas Hospital will now ease that financial burden by forgiving the \$356 deductible, and negating the Medicare patient's deductible obligation to the hospital.

This is not an insurance plan, there are no dues to pay, and there is nothing to join. All Medicare patients are eligible. The program is designed to aid those individuals, many of whom are living on a fixed income, faced with medical expenses made more difficult with the recurring \$356 expense per each 60 day period. In short, West Texas Hospital will absorb any out-of-pocket deductible amount owed, up to \$356.

The next time inpatient healthcare needs arise, consider the full service benefits West Texas Hospital provides, and put that \$356 to better use!! For additional information concerning the Medicare program at West Texas Hospital, call 765-9381.

West Texas Hospital is owned and operated by

American Medical International. AMI owns and operates more than 150 hospitals and health care centers throughout the world and provides a variety of health care services to more than 500 communities on five continents. West Texas Hospital, serving Lubbock and the area since 1920, is located at 1401 Ninth Street, Lubbock.

Reviews Reviews of FmHA Accounts

Reviews will begin soon of Farmers Home Administration (FmHA) loan accounts to see which farmers in Lynn and Garza Counties need and will qualify for a one-time set aside of part of their loan, Curtis Barlow, County Supervisor, said today.

FmHA has been authorized to set aside up to 25 percent — to a maximum of \$200,000 — of the debt owed the agency for farmers who are experiencing severe financial difficulty, if the set aside will help achieve a positive cash flow for the

borrower. "We will begin scheduling appointments for our borrowers to review their accounts, determine if they need special assistance and see if we can make that assistance available," Mr. Barlow said.

"Not every borrower will qualify for the set aside, but there might be some other

way to help, such as consolidation or rescheduling of existing loans. We will look at all alternatives." Mr. Barlow said all accounts will be reviewed. There are some exceptions, such as accounts in bankruptcy or foreclosure or those determined able to graduate to other sources of credit.

Church

Lanterns, Lambs-wool and Leadership for God

Pastor Steve Traw
First Christian Church
 A nation turned away from God. Obedience to the moral principles and law that had brought peace was only a memory. A sad epitaph hung over a now oppressed people. The sons of Israel did what was evil in the sight of the Lord. And again, every man did what was right in his own eyes. Amid this people, turned away from God, one man was chosen. The angel of the Lord came and called Gideon to lead the people.

Oppression by a marauding Midianite enemy was to be turned away. God had come to assign this great task. Times were desperate. The crops were very poor. Much of the harvest was taken each year by the raids from Midian. Gideon came from a family that was least among a vast people. And our leader-to-be was the youngest in his family. Gideon was one who felt utter inadequacy and weakness from his circumstances. Yet God uses those who know fully their own short-

comings and the difficulties of the situation. Such a person can be molded into useful vessels for God's purposes. Serving God always gives the temptation to draw upon our own inner strength. But too often this is done at the expense of using the far greater resources of the Lord's grace. To serve God otherwise brings little glory to Him. Gideon was to use the

fleece as a sign from God. He later would rout a vast enemy with only a few men armed with lanterns. It was to be the Lord's victory through an obedient servant. God called this one to serve and lead. The Lord sees us as we are, like Gideon, weak and doubting. But God sees, greater still, all that we can be yielded to Him. We dare not heed His calling us to service.

It takes, on average, 37 seconds to deal a deck of 52 cards.

 Motto: The church where everybody is somebody.

Oh yes, thank God here we are again. Holy Greetings everyone this beautiful day which the Lord has made for us to see and enjoy as his children. I'm still living for our Lord and Master with a mind made up to forever be a Christian, my mind made up to be what God would have me be. Do you?

Rev. Kelly, pastor, Rev. James, associate pastor and Sister Gilbert, reporter.

All at their post of duty, school subject "The Holy Spirit's Temple" I Corinthians 3: 16, 17; 6: 12-20; Ephesians 5: 15-20. Golden Text, "The temple of God is holy, which temple ye are" I Corinthians 3: 17.

Devotion conducted by Sisters Mozella Mitchell, Callie Harper and Sister Mitchell read the entire number 121 Psalms. Altar call prayed spiritually by our pastor choir's presentation to our Lord and Savior Jesus Christ, beautiful.

The AM service, our pastor delivered a most wonderful message from the book of Philippians 2: 9-11. Subject "It Takes Two". He preached from his heart to the Savior. God was truly still in the midst in this holy temple as always. God is not through with us yet. Let's pray for one another always, amen and amen.

Our sick shut in list includes Sisters Lizzie Milo, Sirloma Steel, Brothers Harry Trueblood, and Raymond Latson who are patients in Golden Plains Care Center. Brothers Larry Harper, Ronnie Price and Alvin Moore are patients in the hospital at Morton, Tex., room numbers unknown at this time.

Others not mentioned in the community, so let's pray for, visit our sick ones. Thought: "The temple of God is holy, which temple ye are."

Twin Cedars Nursing Home News

By Darla Davis
Hi there, guess what we have been doing? Well, let me tell you a few of the things.
To start off with Tuesday, the Country Cousins were here to entertain us. Those attending were Durwood and Bil Bartlett, Ira and Modena Farmer, Mildred Stewart and Eskar Stone. We all had such a good time dancing and singing. We had refreshments of cookies and punch. We would like to thank the

Country Cousins for coming and showing us such a good time.
Our Bingo winners this past week were Evelyn Roach, Blanche Graham, Freda Harmon and Irene Wheeler. They won fruit as prizes. Congratulations to our winners.
Sunday services were brought to us by the Graham United Methodist Church. We sure did have a

nice church service. Bea Dodson played the organ for us during the church service.
Dottie Carter was surprised Saturday with a visit from her son, Doyle Ray McClellan and grandson Jimmy Doyle from Mineral Wells. She really enjoyed the visit.
We would like to thank Lola Mae Ledbetter for the delicious cake that she made for us. We really enjoyed the cake. Thank you again Loal Mae.
Visitors this past week were Jean Tipton, Jewell White, Scott and Christopher Metsgar, Mr. and Mrs. Bill Williams, Winona Ward, Janie Hair, Mrs. S. W. Hair, Charlene Nelson, Charlie Cooper, Joy Holly and Nina Dean.
Thought for the week: Prayer can change lives.
Until next week

Church Plans Special Service

In cooperation with the Grassland Community Reunion the Grassland Church of the Nazarene is planning a special service Sunday morning, October 28. This will be a welcome home service for those coming back to the reunion.
Services will begin promptly at 10 a. m. and will close about 11:15 a. m.

Guest workers for this special service will be the Joe Webb family. They will be bringing special praises in song and in worship.
We invite everyone to come and enjoy this hour of song and fellowship, as we greet our friends, neighbors and special friends of former days.
