

PRESIDENTS ELECTED AT PHS — The four classes of Post High School held class elections this week with these four students elected president of their respective classes. Shown l to r, Elena Maldonado, freshman; Tim Tannehill, sophomore; Pam Riley, junior; and Drew Kirkpatrick, senior. (Staff Photo)

PHS classes elect officers for year

Class officers and student council representatives were elected and room mothers named for the 1980-81 school year by the four Post High School classes during first class meetings last week.

Drew Kirkpatrick was chosen as president of the senior class. Seniors also named Julie Davis, vice president; Laura Mason, secretary; Leslie Willard, treasurer; and Jolene Torres, reporter.

Senior student council representatives elected were Benny Jackson, Jackie Melvin and Barry Morris.

Room mothers selected by the seniors are Delores Redman, Patty Kirkpatrick, Jane George, Frances Craig, Juanella Hays, Sue Foster and Lynette Thuett.

Pam Riley was chosen to head the junior class. Charla Williams was elected vice president, Lana Dunn, secretary-treasurer; and Jimmy Ticer, reporter. Student council representatives are Trushell Marts, Tammie Eckols and Mike Sullivan.

Junior room mothers include Joy Greer, Jane Mason, Jane Terry, Allane Ammons, Ruthell Stanley, Norma Baumann and Kay Lamb.

Sophomore class president is Tim Tannehill. Ray Mason was chosen as vice president; Darla Jackson, secretary-treasurer; and Charlsie Dalby, Richard Cisneros and Chris Belongia, student council representatives.

Sophomore room mothers are Louise Green, Bonnie

Good rains west of Post

Garza farmlands west and northwest of Post received the first good rain in months Monday and Monday night.

Bobby Cowdrey reported 2.8 inches at his place and Noel White 2.10 inches at his in the Graham community. Grassland also reported good rains.

Post received an unofficial half inch.

County Agent Syd Conner said Calgary got "just a shower" and but .10 of an inch fell at Verbena.

Conner said the moisture isn't going to help most of the cotton but the heavier amounts could aid both grass and feed.

"We still have time to make some grass and feed," he added.

"I'd like to try a two-inch county-wide rain and see what it would do," Conner said.

Barley dismissed from hospital

Glen Barley, who underwent a triple bypass heart operation 10 days ago, was dismissed yesterday from Methodist Hospital in Lubbock and will spend the next eight or nine weeks recuperating at his home here.

"He's doing just fantastic," Mrs. Barley told The Dispatch Tuesday. "He's still weak and sleeps a lot," she added.

Tyler Nelda Dalby, Zoe Kirkpatrick and Marge Tannehill.

Elena Maldonado is the

freshman class president. Milton Williams was named vice president; Doris Pring-

(See PHS classes, Page 8)

\$1,982 is given here in telethon

Post and Garza County raised \$1,982.09 of the \$31,103,787 contributed in the 2½-hour Jerry Lewis Labor Day Telethon to fight muscular dystrophy.

A total of \$1,590 was pledged and in addition \$392.09 in cash collected.

The money came from canisters placed in local stores and via young people making house to house calls through the residential districts here.

Rosemary Rogers, pledge coordinator here, reported the Post pledge center along with many Post calls also received some from Lubbock, Spur and Andrews.

The channel 13 Lubbock TV station, which aired the

telethon in this area, raised \$150,650 with the Post contributions being counted in this total.

Those who helped in the door to door canvass included Alice and Hope Castro, Mr. and Mrs. Alfonso Castro, Lisa Holly, Gail Scott, Roshelle Smith, Judy Morris, Jeff Lamb and Greg Storie.

Those who answered phones at the pledge center in the Co-Ed Tax Service office during the telethon were Raenell Rogers, Cathy Davis, Judy Morris, Roshelle Smith, Colleen Witt, Jo Ellen Sparlin, Loyal Ryan, Ann Chaffin, Cleo Sappington, Rhonda Rogers and Jimmy Ticer.

New OS catalog is biggest ever

The catalog for the 10th annual OS Ranch Steer Roping and Art Exhibit is the biggest ever — 136 pages all told — and is now off the press and on sale at several local outlets.

It is dedicated "respectfully, and lovingly, to those wonderful people who helped bring this great event to where it is today, but who are no longer with us — Charlie Dye, Ben K. Green, Harvey Hartgrove, Pam McCrary, Mary Polk, R. O. (Hoggy) Rudd and Everett Shaw. Their memories will live on in the success of each OS Ranch steer roping

and art exhibit and barbecue."

The catalog features a historical article, "Caprock Country," by Author Elmer Kelton, and an article, "The Guns that Won the West" by William C. Griggs, director of the Panhandle-Plains Historical Museum.

The catalog contains a page on each of the 39 artists and 38 ropers who will participate in the art exhibit and the steer roping with a different western gun featured on each page.

Probably the most striking picture in the catalog is

(See OS catalog, Page 8)

Four are charged here after big 'drug bust'

Four persons, three of them from Post, were arrested in a room in the Sioux Lodge Tuesday night in what officers describe as one of the biggest "drug busts" here in recent years.

Charged with possession of marijuana over four ounces, a felony, in Justice of the Peace Zora Robinson's court Wednesday morning were Sheril Jean Ford, 35, of Wewoka, Okla., Kevin Grady Duren, Doyle Ray McClellan and Randy Joe Babb, all of Post.

JP Robinson set bond at \$25,000 each for the four who had spent the night in the county jail.

Sheriff Jim Pippin said officers armed with a search warrant arrested the four in room No. 8 of the motel and seized several pounds of marijuana and a quantity of pills suspected of being hard drugs.

The pills will be tested in the Department of Public Safety laboratory in Lubbock for contents.

Postings

Lots of Texas towns and cities aren't as fortunate as Post in having their water problems solved for the foreseeable future. Take the biggest city in Texas, Houston. It has critical problems with its water distribution system.

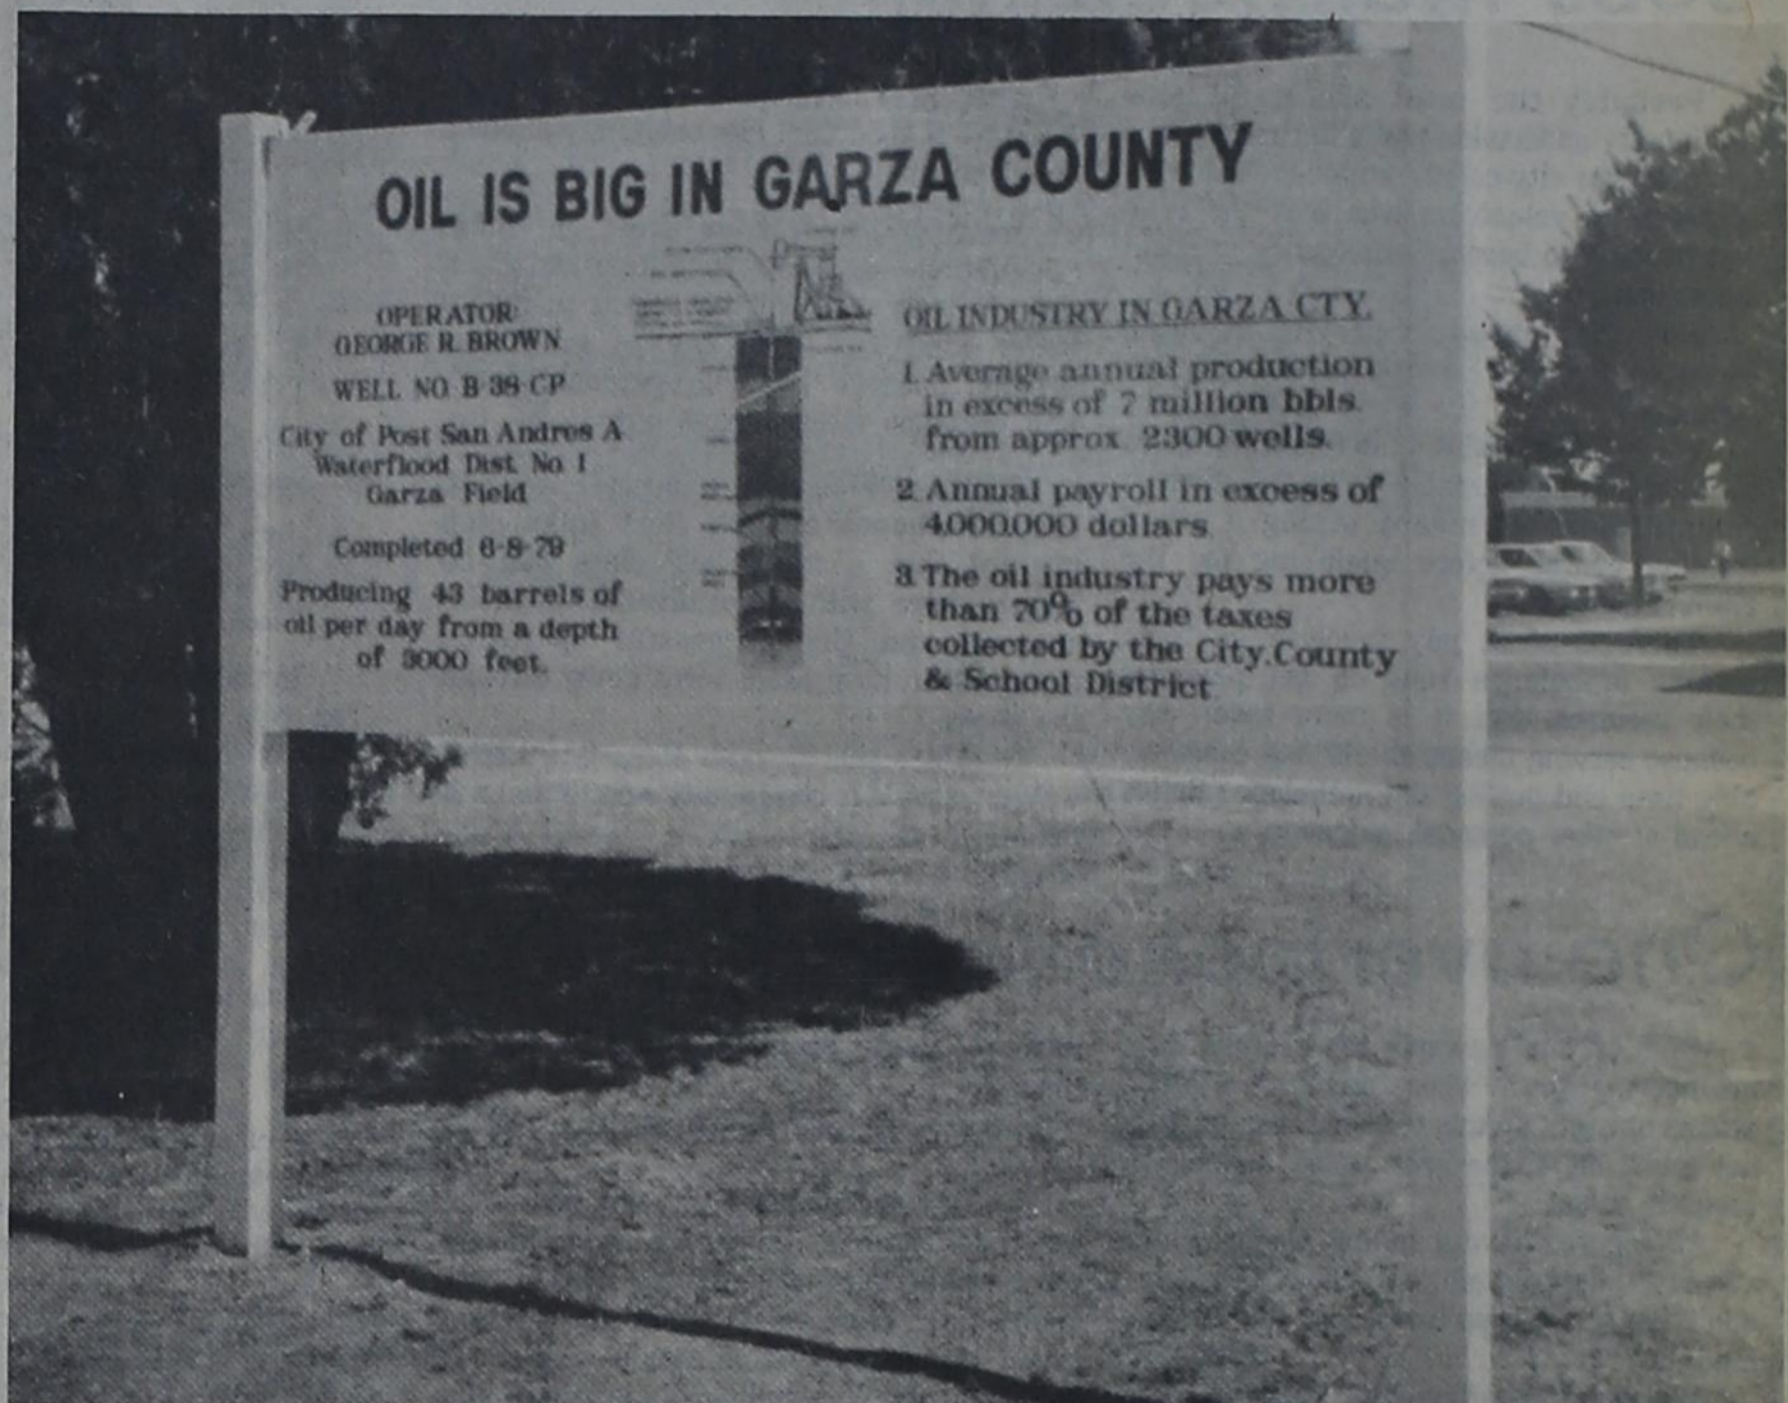

During August, Houston's water pressure in some areas dropped to three pounds per square inch as water demands soared to 430 million gallons daily. That brought the reimposing of water conservation measures — and also a lot of callers to Houston's popular radio talk shows offering solutions.

One of them which captured the headlines was the suggestion of importing the new English toilet with a two-flush mechanism. One is a half flush for liquids and the other is a full-flush for solid matter.

A spokesman for the beleaguered Houston public works department just laughs when he explains that if every household in Houston installed an English toilet, roughly only a million gallons of water a day would be saved, and that wouldn't be enough to even begin to solve the problem.

We watched the big Labor Day horse race in Ruidoso on the tube Monday evening and were surprised to see that Kenneth Hart of Post, Tx., was the jockey up on Sweet Sky Rocket, a 21 to 1 shot. The horse was squeezed from both sides at the

(See Postings, Page 8)

COURTHOUSE WELL SIGN UP — The Post Chamber of Commerce has finally completed its mission of erecting an appropriate sign for George R. Brown well drilled last year on the

back side of the courthouse lawn. It gives the pertinent facts of both the well and the size of Garza's oil industry. Read it for yourself. (Staff Photo)

The Post Dispatch

Fifty-Third Year

Post, Garza County, Texas

Thursday, Sept. 4, 1980 Number 14

Post has lowest rates for water

Post has the cheapest water rates of any town or city in thirsty West Texas in the estimate of White River Water District Manager Al O'Brien.

He bases this on the fact that the White River Water District continues to sell water to its four member cities at the original delivered price of 30 cents per 1,000 gallons, and the fact that Post has not increased its water rates for the 15 years that White River water has been supplied.

The other three member cities have:

Post's water rates today remain \$3.50 minimum for the first 3,000 gallons, 60 cents per thousand for the next 6,000, 55 cents per thousand for the next 50,000, 50 cents per thousand for the next 50,000 and 36 cents per thousand for all over 110,000 gallons a month.

When O'Brien brought in the water district's annual statement Tuesday for publication in this week's Dispatch (see page 10), a Dispatch reporter asked O'Brien for some facts and figures to show how the water district has operated.

Dispatch readers in checking the financial statement will find that the water district has built up a total of \$1,361,847.89 in

investments and last year collected \$120,929.68 in interest on these investments.

The water district borrowed \$4,500,000 from the state to build White River dam, the pipelines to member towns, and the filtration plant at the lake. When everything was paid for it had \$225,000 approximately left from the loan. Water district directors invested the money.

That was the start of the water district's conservative investment program. The statement for the fiscal year ending June 30, 1980, shows the district continues to make good money each year off the sportsmen and their families who use the lake.

The recreation fund took in \$236,206.60 last year and spent but \$68,673.15. The rest is invested. The recreational profits have enabled the water district's investment fund to grow to now well over a million dollars.

The water supply operation last year cost \$552,734.27 to operate, including a bond and interest payment of \$229,046, but the district was able to meet expenses through water sales of \$485,198.95 and investment income.

O'Brien is proud of his (See Water district, Page 8)

FATHER GEORGE RONEY
Pastor of Holy Cross Catholic Church

Father Roney is new priest here

Father George Roney this week became the new pastor of the Holy Cross Catholic Church here and the landscaping of both church and rectory.

"I am very proud of the remodeling, all of which was done by church members on a volunteer basis," Father Neyland told The Dispatch Friday. "We purchased the materials as money came available to us."

Father Neyland was a member of both the criminal (See Roney new, Page 8)

responsible for the complete remodeling of the sanctuary and parish hall, and the landscaping of both church and rectory.

This is the first pastorate for Father Roney, 28, who comes to Post from Lubbock where he was the associate pastor of Our Lady of Grace Church. He is a native West Texan.

He succeeds Father Malcolm Neyland who has been assigned to the St. Michael's Catholic Church of Ralls and the St. Joseph Catholic Church in Crosbyton. He will live in Ralls.

The new assignments were made by Bishop Leroy Matthesian of the Amarillo Diocese, effective Sept. 2. More than 14 priests in the diocese were ordered to new assignments as of Tuesday. The diocese has 120 churches.

Father Neyland had been pastor of the local church since October, 1978, and was

Lightning sets oil field fire

Post firemen extinguished a fire caused by lightning Monday night on the McGuire Oil Co. lease on the U Lazy S Ranch south of Post on the Gail highway.

Fire Chief Neal Clary said a little oil on top of the tank caught fire and was extinguished without damage.

JUNIOR VARSITY CHEERLEADERS — These Post High School Junior Varsity cheerleaders will start their season Thursday night here in Antelope Stadium when the JV football team has its start with Lockney. Shown l to r, top row, Dodie Beggs, and Norma Samora. Bottom row, l to r, Cynthia Poole, Rhonda Adams, head and Reyes Bustos. (Staff Photo)

200 attend weekend reunion at Graham

Approximately 200 attended the Graham Chapel community homecoming over the Labor Day weekend with Cordie Wilbourn Stewart (1904) the earliest day pupil present and Lillie Kitchens (1918) the earliest day teacher present.

Special recognitions were presented in a Sunday afternoon program in the community center following a Saturday night ice cream supper.

Louille Morris served as mistress of ceremonies for the program with Q. R.

Marey giving the invocation, Christy Morris, the welcome, and Juanita Gregg Nunn of Abernathy, the response.

Alvin Glen Davis was the homecoming speaker. Noel White and Jane Mason led the singing.

Mary Stone was in charge of the special recognitions. Nona Wells Lusk, 1936-1958, was the former teacher with the most pupils present.

Coming the longest distances to attend the reunion were a group of Calif-

ornians, Mr. and Mrs. Louis Wolfe of Onatao, Mr. and Mrs. Frank Rogers of Riverside, and Bernice Sheppard Lawson of Modesto.

The Jim Rogers family was the family with the most former pupils present — five. W. C. W. Morris at 92 was the oldest resident present.

Besides Cordie Stewart as the earliest day pupil present, there were Frost Marey, 1906, and Tevola Marey Howard, 1910, and (See Reunion, Page 8)

Dispatch Editorials

Page 2 Thursday, Sept. 4, 1980 The Post (Tex.) Dispatch

Jobs that need filling

Probably the most successful new community undertaking here in recent years has been the city-county ambulance service operated by volunteers who took the time and training to become emergency medical technicians.

Now that excellent service is being threatened by a dwindling supply of volunteers.

The solution is simply to find some more community-minded folks to make such a commitment. It means taking a tough training course before qualifying for the ambulance runs.

There is some pay involved as those making ambulance runs do get paid for their services. But it is more token pay because serving means sacrificing considerable time and putting the ambulance duties ahead of other personal endeavors.

The EMTs have their own organization. They are a good deal like our fine volunteer fire department.

Post firemen have been a local "institution" for a long, long time and you'll have to look over a lot of towns to find a better one — or even one as good. Our firemen undergo training, personal sacrifice, and also receive token pay.

Both services are important. The Dispatch hopes enough Post folks step forward that a new EMT class can be formed here with governmental financial support and the successful operation continued in its present form down through the years.

Give it some thought. Here is a useful way to serve our community and to make it better.

One overlooked need

One of our newspaper friends in a neighboring town where taxes are going almost straight up this year because there is not much oil in the area posed a question recently to us.

"Since you have a million dollar school surplus," he pointed out, "how come you don't have a decent pressbox at Antelope Stadium?"

We admitted after some hemming and hawing that we didn't have a reasonable answer.

There is no question about the fact that Post has the "distinction" of having the smallest, most crowded press facilities in the district.

Several towns, like Slaton and Floydada,

have two press boxes, one on each side of the field.

Denver City has a double-decker with carpet.

We're not complaining. We have one seat and one seat is all we need, though some might think we possibly need a seat and a half. But the facilities for visiting press, visiting radio, and scouts, well.....

The only outstanding thing about the Antelope Stadium press box is that it usually has half a dozen wasps inside too.

The only reason The Dispatch brings this up after all these years is that it is a real embarrassment — and at the present time we are in fairly good shape financially.

Not farmer's fault

Don't blame the farmer when you literally blow your mind at the super market checkout stand.

He's not the culprit.

The U.S. farmer's share of the consumer's food dollar is projected at only 37 to 39 cents for 1980. This compares with 47 cents back in 1950.

USDA statistics show Americans spent \$239 billion for food grown on U. S. farms last year. Only \$77 billion of this went to farmers.

Of the remaining \$162 billion, \$74 billion went to labor, \$20 billion went to packaging, \$12 billion went to transportation, and \$56

billion went to other costs associated with getting food from the producer to the consumer.

Labor costs, the largest component of the marketing bill, exceeded the farm value in 1977 and nearly equaled it in both 1978 and 1979.

While the retail price of bread went up over 50 percent in the last 10 years, the price of wheat at the farm went down four percent during the same period.

USDA figures show that the farm value of corn in a 52-cent package of corn flakes is around 4.5 cents.

"I'M AFRAID THIS IS A BAD TIME TO ASK FOR A RAISE, FENWICK."

Remember When

10 YEARS AGO

Tax cuts, paving seen if sales tax approved; Three plead guilty in school bus thefts; Museum carpet will be given by Postex; Jaycees will operate Labor Day rest stop; Weevil spraying is under way in area; David Hart, junior, Cindy Bird, freshman, Robert Pace senior and Rusty Conner, sophomore are elected class presidents of their respective classes; Enrollment hits 1,187 mark here; Only .58 of inch total in showers. Dr. Bruce Evans, former band director, joins LCC faculty; Shirley Bland, Faye Payton and Loucille Morris attend 44th annual meeting of Home Demonstration in San Antonio; Spur Bulldogs to scrimmage Antelopes here Saturday; Meet the Antelopes event set for Friday; Larry Scrivner is choir president; 13 new students are listed here.

15 YEARS AGO

Beverly Duncan is new Lions Club sweetheart; Hwy. 270 designation gets 'Okay' in Austin; Airport fund grant of \$12,000 to Post; Texas to keep 31 senators; Weevil spraying begun again; Robert Craig is awarded "Most Outstanding Young Farmer"; City tentatively approves new \$470,804.80 budget; Nazarenes begin new building; Benny Greene honored with

birthday party; McCampbell reunion is held near Garner State Park; Post Antelopes journey to Ballinger for Friday tilt.

25 YEARS AGO

Enrollment for school year shows 927 students; W. J. Daniels and Joe B. Taylor ginned first bales of cotton in Garza County; W. M. Flint of Tahoka suffered fractured hip in auto accident; Post Antelopes open season at Morton; Sheila Morris and Oneita Jones winners of Garza County Dress Revue; Mrs. Alvin Glenn Davis of Brownfield complimented with a tea-shower in Elva Peel home.

CALIFORNIA TRIP

FOOTBALL!

Post Antelopes Vs. Lockney Longhorns

8 pm Friday, Sept. 5 at Lockney

Coach David Thompson's Post Lopes, thin in depth but explosive of offense, will open their grid season at Lockney Friday night in their traditional rivalry with the Longhorns. This is usually a real ding-donger with a touchdown or less separating the two clubs on the scoreboard at the final gun. This 1980 opener should be no exception. Join the football caravan to Lockney and help the Lopes get off to a winning start of what could be a Cinderella season.

Hooper-Bass vows in Alamogordo

Traditional wedding vows were exchanged by Tonya Hooper of Tularosa, N.M., and Edward Bass in a recent ceremony in Alamogordo, N.M.

Parents of the bride are Mr. and Mrs. Sharrell Hooper of Tularosa, N.M., and the groom is the son of Mr. and Mrs. Dick Bass of Alamogordo, N.M., and former Post residents.

The couple were wed July 11 in the Alamogordo Nazarene Church with the Rev. Kenneth Yokum, pastor officiating the double ring vows.

Presented in marriage by her father and mother the bride wore a formal gown with Queen Anne neckline encrusted with lace, sheer sleeves trimmed in lace with an empire waistline encrusted with lace and pearls. The semifull skirt was softly draped to form a train. She wore a veil of sheer illusion accented with lace and pearls and carried a bouquet of blue and white carnations, baby's breath and greenery.

Serving as maid of honor was Patti Warden of Tularosa, N.M. and she wore a

gown of blue and green flower print and carried a blue tipped carnation with baby's breath. Bridesmaids were Cindy Gabaldon of Dalhart, sister of the bride, who was dressed identical to the maid of honor.

Serving as flower girl was Mandy Hooper, sister of the bride.

Bryan Compton of Post served the groom as best man with Edward Gabaldon of Dalhart serving as groomsmen.

Acting as ushers were Gary Hooper and Chuck Bass, brother of the bridegroom.

Traditional wedding music was provided by Pat Spanagall.

A reception followed the ceremony in the Tularosa Lions Club. Refreshments of cake and punch were served from a table laid with a blue satin cloth with lace overlay and featured arrangements of blue and white carnations.

Following a wedding trip to El Paso, the couple are residing in Tularosa.

Out of town guests were registered from Post, Shamrock, Tex., and Dalhart.

ENGAGEMENT ANNOUNCED — Faye Maddox and Thurman Maddox, both of Post, announce the engagement and approaching marriage of their daughter, Nancy, to Billy Griffin, son of Mrs. T. H. Griffin and the late Mr. Griffin of Andrews. The couple plan an Oct. 25 wedding in the Calvary Baptist Church of Post at 7:30 p.m. (Staff Photo)

TEEN SCENE By Norm

Sorry I missed last week, but was all involved in moving two of my chickens from the nest and now it's LONELY TIME around the coop. Kelly moved to Hobbs, N.M., where he is now employed by GTE and Donna is terrorizing the San Angelo campus.

I know there's lots of households out there this week that hear every little squeak about the ole home-stand because the stereo isn't blaring anymore, the telephone quit ringing, and the TV soaps are taking a rest. I guess you get used to it, I hope so anyway. I don't mean to complain cause I have one left at home, I'm luckier than some who don't have any.

Everyone is getting back into a routine again what with the school bell ringing, football, and college starting Tuesday. I've heard several comments about all three, but not to delve into it, all of them contained "It's too hot."

Lots of Happy Birthdays this week, some are belated since I missed last week. They go to Deann Ammons, Tim Tannehill, Danny Gunn, Amy Britnell, Derrick Walls, and Dana Dudley. I guess Deann received the most unique gift in the form of a Porsche, (a little, bitty one) Momma pulled a dirty trick.

Jody Palmer was released from the hospital following a bout with Mono. Hope she continues to feel better.

Congrats to Rodney Josey on his recent marriage. Best wishes for a long and happy life together.

Norma and Cynthia Samora returned home just in time for school. They with their parents took a week's vacation to California and Juarez. While in Juarez, they took in the dog races.

The Youth Center will open again Saturday night from 7:30 to 10 for junior high and high school. If enough interest is shown it

will stay open until 11 later on, but attendance is important, if there isn't enough there, it will close again.

College kids are spread in the four directions and I know I'll leave several out, but here goes. Texas Tech, Dale Redman, Kyle Duren, Bruce Waldrip, Dan Sawyers, Peggy Jackson, Jay Lott, Jeff Lott, Lacy McGinnis, Chuck Black, David Poole, Mike Macy, Rance Adkins, Lance Dunn, Jimmy Puritt, Susan Sawyers, Dick Kirkpatrick, Cindy Kirkpatrick, and I know others, but can't think of all of 'em. Lubbock Christian College: Melisa and Melinda Tatum, Brent Mason, Deb Palmer and Lisa Cowdrey. South Plains: Mike Dye, Bryan Compton and Darrell Reece. West Texas State: Leanna Davis, Carlos Varela and Rex Cash. University of Texas: Larisa and Tiana Shiver. Kerri Pool is at Baylor. Aggies are Mark Kirkpatrick, Shorty Bilberry and Steve White. San Angelo: Donna Baumann, Lea Ann Babb, Theresa Davis, Danny Gunn, Pat Mitchell, Jay Young, Jackie Stelzer, Cindy Terry, Darlene Gunn and Tina Rogers. Western Texas College: John Bill Hedrick. Howard County Junior College in Big Spring, Donald Edwards, Mark Greer, Lynn Simpson, and Cliff Kirkpatrick.

Congratulations to Drew Kirkpatrick, Pam Riley, Tim Tannehill and Eleno Maldonado for being elected class presidents.

Don't forget the ole football season "kicks" off this week at Lockney. The frosh and JV begin theirs here Thursday night. All need your support. So try to be there.

WOMAN CITY MANAGER — COLORADO CITY — The city council here by a unanimous vote picked Brenda Tarter, the city secretary, over 20 other applicants to become the new city manager at a \$20,000 salary.

Picnic draws record crowd

A record crowd of 118 registered for the Aug. 29th indoor picnic at the Algeria Center, which is held for area Senior Citizens.

This was the third straight monthly picnic supper sponsored by the Garza County Trail Blazers and the event grew in number each time it was held.

The meeting and supper began at 6 p.m. and lasted until after 10:30 p.m. with everyone attending, greatly enjoying the entertainment.

The invocation was led by vice-president Rev. F. W. Rogers with group singing led by the Rev. Don Travis.

Entertainment during the evening was profided by Darla and Jim Jackson; Jewell Rogers, Durwood Bartlett, Danny Shaw, Ted Brannon, Hank Huntley, all on guitars; Ira Farmer, Aubrey Ritchie and Dub Ryan on violin; Bea Dodson on drums; Esker Stone, on accordion; Emmett Shedd on harmonica and Kenneth Cook on the piano and also singing.

Bond is raised on theft charge

Steven Fielder had his bond raised from \$2,000 to \$5,000 when served Tuesday night with his indictment on a theft charge by local deputies.

Pablo T. San Miguel was arrested Sunday on charges of having no driver's license and failure to yield the right of way. He is serving out time in county jail for fine and court costs of \$28.50 on each count following guilty pleas Monday in city court.

46 PCT TAX BOOST — TAHOKA — The school board decided last week to hike taxes by 46 percent this year after winding up the last school year with a deficit. Lynn County commissioners meanwhile proposed a 24.6 percent increase in county taxes.

PRECINCTS UNITIZED — SPUR — The Dickens County Commissioners court has decided to unitize its road and bridge precincts, effective Sept. 1, and hire a road and bridge supervisor.

Post-Lockney opener is rated 'tossup'

3 sophs may be starters

The Post Antelopes with the possibility of three sophomores in the starting lineup will open the 1980 grid season at Lockney Friday night. Their traditional game with the Longhorns as usual is rated as a tossup.

Kickoff is at 8 p.m. Coach David Thompson, who got a good look at Lockney last Thursday night in the Longhorns scrimmage with New Deal (a standoff at one touch-down apiece), reports Lockney is big and strong defensively and very aggressive.

Lockney runs a veer attack with Jess McCormick, a junior, piloting the club and Junior McDonald, another junior, as their best running back. McDonald was hurt in the New Deal scrimmage but is expected to be back in the lineup against the Lopes.

The principal target in the Longhorn passing attack is Mario Gonzales, a 135-pound senior swiftness at split end.

Anchoring both the offensive and defensive lines for Lockney are a pair of seniors, John Fortenberry, 220-pound tackle, and Bryon Brock, 190-pound guard.

Although the Littlefield Wildcats scored four touchdowns to none for the Lopes in the final scrimmage here last Thursday night, Post coaches were not all that displeased with the Lopes' showing.

First off, Littlefield goes into the season as the tenth ranked AAA team in the state, according to Texas Football. The Wildcats may well be the finest club the Lopes will play all season.

Littlefield marched 70 yards the first time they had the football for their first score, but after that were held fairly well in check by a hard hitting Lopes defense until a 20-minute game type scrimmage wound it up.

The Wildcats scored three more times in that final piece of the action.

Post failed to really threaten.

Coach Thompson said coaches felt very good about certain phases of the Lopes play, pointing to line blocking and the running of Fullback Barry Wyatt and Tailback Alonzo Luna.

Defensively, coaches

thought Lopes linebackers performed well with 150-pound Chris Beggs at defensive tackle, Gary Lamb at safety, and Richard Cisneros at defensive end all playing well.

"We were not pleased to get beat," Coach Thompson said, "but we did show improvement over the Ralls scrimmage. Our young players got a lot of good experience. We were not pleased with our passing and we are working hard on that this week."

The Lopes came out of the Littlefield scrimmage without any new injuries.

Coach Thompson said David Foster, reserve quarterback who has been sidelined with a hip pointer, should be ready to play at Lockney, but that it will be another week before Russell Fluitt, defensive back and a return to action. Fluitt underwent a knee operation in the spring and is being counted on as a probably starter when he is ready to go full speed again.

Probable Lopes starters offensively include:

Mark Holly, quick end; Brad Mason, quick tackle; Kevin Craig, quick guard; Benny Kennedy, center; Mario Luna, strong guard; Mike Anthony, strong tackle; and Gary Lamb, strong end.

Drew Kirkpatrick will be at quarterback, Wyatt at fullback, Alonzo Luna at tailback, and sophomore Richard Cisneros at wingback.

The defensive platoon includes:

Brent Howard at right end, Chris Beggs, right tackle; Brad Mason or Mario Luna, left tackle; Wyatt or Cisneros, left end; Mike Sullivan, strong linebacker; sophomore Toby Craft or M. Luna, middle linebacker; Jerry Hawkins, quick linebacker; Barry Morris, rover; Sophomore Will Kirkpatrick, cornerback; Holly or D. Kirkpatrick, strong safety; and Lamb, free safety.

A good crowd of fans were on hand for the Littlefield scrimmage.

Lockney scrimmaged Hale Center after the first week of fall practice with neither team scoring. Lockney won the 1979 opener here 20 to 6.

Page 6

Thursday, Sept. 4, 1980 The Post (Tex.) Dispatch

Frosh open here tonight

The Post freshman grid-ers who will open the Post football season in Antelope Stadium here this evening against Lockney with a 5:30 p.m. kickoff, will have eight players starting both ways.

That tells you the 28-player squad doesn't have a lot of depth. Most fan interest of course will be to see whether starting tailback, 114-pound Milton Williams, will be able to break clear for some of those long scoring runs he used to make as a seventh and eighth grader.

If you think Williams light, though, how about 93-pound Jeff Lamb who will start as a defensive back?

The probably starting lineup on offense for Post besides Williams at tailback includes Robby Williams at quarterback, Giles Dalby at fullback, and Felix Bustos at wingback, R. J. Greathouse and Jeff Sharp at ends, Gilbert Perez, at 206 pounds, and Michael Valdez at tackles, Daniel Gonzales and Raul Jones at guards, and Martin Coffee at center.

The defensive platoon will take the field with M. Valdez and Greathouse at ends; Perez and Gonzales at tackles; Dalby, L.D. Harper and Coffee at linebacker; Jeff Lamb, cornerback, Williams, rover, and James Brown and Sharp, safeties.

Other players on the squad include Shannon Adkins, quarterback and halfback; Dale McVay, quarterback and safety; Danny Valdez, wingback and defensive back; Steven Fluitt, wingback and safety; Todd Wilson, center and defensive tackle; Joe Guerrero, guard and linebacker; Adam Mendoza, tackle and defensive end; Sammy Basquez, tackle; Martin Nava,

center and linebacker; Mike Brazier, guard and linebacker; Johnny Flores, tackle; Charles Johnson, end and defensive back; Kent Duren, end and safety; and Bobby Saldivar, end.

In their only scrimmage to date, the frosh played Littlefield to a scoreless deadlock at Littlefield last Thursday night.

Mark Stark and Lynn Allen are the team managers.

'Old Pro' likes Lopes by six

Ye Old Prognosticator is coming out of "retirement" to open the new football season by picking the Post Lopes by six points over the Lockney Longhorns.

He figures the Lopes will settle down in the second half of a tight ball game to finally get rolling for the victory.

His other picks in games involving all the teams on the Antelope schedule are as follows with the winner in capital letters:

SLATON at Colorado City: The Tigers, district 4AAA favorites, have too much experience and too much Jesse Titus for the Wolves.

FLOYDADA at Dimmitt: The Winds figure to be good again with Dimmitt coming up short-handed from a losing 1979 season.

DENVER CITY at Frenship?: The Mustangs (3-7 last year; and the Frenship Tigers (2-8 one season back) will both be trying to get off on the right foot for a redemption year. New

828 MORE IN RECOUNT DENVER CITY—The city undertook a recount of this community's households after the preliminary census figures showed the town's population to be 4,375. Guess what? Volunteers found 828 people they claim the census takers missed and contend Denver City's true population to be 5,203.

Letters to the Editor

HELPS YOUTH CAMP

Dear Editor:

I appreciated the long article you published about the White River Youth Camp. Also the pictures were very good.

It is articles like you published in your paper that will get the White River Youth Camp before more people. Thank you very much.

Sincerely
Mrs. Ken Bozeman
Lubbock, Tx.

JVs open here with Lockney tonight

The Post Junior Varsity will have six players going both ways tonight as the JVs open their season against Lockney in the nightcap of a twin bill with the freshmen. The kickoff is scheduled for 7 p.m.

With a squad composed of 22 sophomores and only five juniors, sophomores will draw starting assignments at 18 of the 22 positions with the other four going to juniors.

Tim Tahhehill will open at quarterback with Marvin Wynne at fullback, Dana Scott at tailback, and Dickey Odom at wingback. Up front offensively will be Bill Black and Wade Giddens at the ends, Joe Samora and Kenny Bullard at tackle, Russell Smith and Ricky Saldivar at guards, and Greg Williams at center.

The defensive platoon will include Samora and Williams as defensive tackles, Black and Bullard as defensive ends, Melvin Wynne, Odom, and Derrick Walls as halfbackers, and Tannehill at safety.

Other players on the JV squad include Ken Young, junior wingback and defensive back; Larry Phillips, soph quarterback and defensive end; Chris Belongia, sophomore center and linebacker; Jimmy Valdez, soph guard and defensive end; Raul Vega, soph guard and defensive end; Kenneth Bullard, soph guard and defensive tackle; John Helton, soph tackle either way; Eric Cravey, junior; Joe Espinosa, tackle both ways; Irvin Price, soph end both ways; and Curtis Cline-smith, soph end both ways.

The JVs bowed to the Littlefield JVs by a margin of two touchdowns to none here last Friday night with the visitors using their speed to pile up big outside yardage and score the first two times they had the ball.

After that, the Post JVs fairly well held their own although they couldn't generate any consistent offense.

Team managers are Jerry Puritt, Scott Lewis and Alphonso Reyna.

HOME HEALTH AGENCY NURSE — Jody Moore, the former Jody Norman, is shown with L. D. Jackson, one of her regular patients whom she visits twice a week. Jody may be contacted at 495-3842 for more information. (Staff Photo)

Jody Moore is new home health care nurse here

In 1969, the West Texas Home Health Agency was formed as a division of the MBFA Foundation. Its five provider home health agencies are located in Lubbock, Abilene, Dumas, Kerrville and Seymour. These agencies provide home health care to aged and disabled persons in a 134 county area of West Texas.

Jody Moore, the former Jody Norman, is the new home health care nurse for this county. Jody is a Post High School graduate and received her LVN license from the Odessa College School of Nursing. Jody replaces Bonnie Medlin in the Home Health Care position here in Garza County.

According to Jody's explanation of the agency, "It is the policy of West Texas Home Health Agency Inc. to admit and treat all clients without regard to race, color, creed or national origin. The requirements for admission to the care program are the same for all. There is no distinction in the manner of providing any services of the facility."

Payment is made through Medicare, Medicaid, Campus, Veterans Administration, insurance and private

pay. She said it is 100 percent paid by Medicare after deductible has been met for either outpatient or inpatient.

Some of the services offered in the home include

Show moved to Algerita center

The Arts and Crafts Show, which will be sponsored here on the "OS weekend" by the Post Parent-Teachers Association, will be held in the Algerita Senior Citizens Center, it was announced this week.

The show is scheduled for Saturday, Oct. 4. Those who wish to display may rent display space for \$15. Booths are to be set up from 8 to 10 a.m. with the show open to the public from 10 a.m. to 7 p.m.

Those wanting additional information should contact Sheri Riedel, 801 W. Sixth or call 495-3493.

The show originally was announced for the community center which would put it in conflict with the OS dance that Saturday night and as a backup site for the OS art exhibit.

surgical dressings, ostomy care and instruction; catheterization, including retention catheters, catheter irrigations with family instruction on irrigations; injections, such as B12; diuretic, insulin and intravenous, if some household member is capable of watching it; blood pressure and other vital signs; levine tube feeding, enemas and exercises.

Many other therapy and medical supplies are also available, as well as medical aides and referrals.

Jody may be called any day of the week at 495-3842.

HOSPITAL NOTES

Those admitted to Garza Memorial Hospital since Thursday of last week were:

Jody Palmer, medical; Robert Lusk, medical; Janie Boles, medical; Winnie Henderson, medical and Gina Lee, surgery.

Those dismissed were Debra Sims, Voda Beth Gradine, Janie Boles, Jody Palmer, J. B. Matsler and Gina Lee.

Farm Topics

SYD CONNER
Garza Extension Agent

Since 1909, the Texas Agricultural Experiment Station has been working in Lubbock and on the South Plains to help the farmer and rancher find better ways of producing his crops and livestock.

And each year, we've had an annual field day to show the public what the scientists are doing, and why. For many years the field days have alternated between the TAES research facilities at Lubbock and Halfway.

This year's field day will be at Halfway on Tuesday, Sept. 9. The facility is 14 miles west of Plainview on U.S. Hwy. 70.

The program will begin at 12:30 and continue until 5 p.m. Visitors will be conducted on motorized tours of the research plots and see demonstrations of work being done on crop varieties, irrigation, cultural practices and other research, as well as new equipment.

Key stops on the tour will feature work with low energy precision application of irrigation water, furrow diking, weed control and control of mites in corn and other crops.

Visitors will have an opportunity to discuss speci-

fic concerns with the researchers and with agents and specialists of the Texas Agricultural Extension Service.

The annual field day is a cooperative presentation of the Experiment Station, the Extension Service, High Plains Research Foundation, USDA-Science and Education Administration, and the National Weather Service.

Post student is cosmetology grad

SNYDER—Ten students who have completed their training in the cosmetology program at Western Texas College were honored with a reception last Thursday.

The graduates are Margaret Lowrance and Janet Light of Colorado City, Cathy Willis of Girard, Benita Lopez and Emily Deloera of Loraine, Janet Gattis of Morton, Billie Terrell of Post, Nancy Everton of Snyder, and Jo Beth Hicks and Kay Kidd of Sweetwater.

Persons interested in enrolling in WTC's cosmetology course are invited to contact Judy Border, cosmetology instructor, for information.

Graham reunion—

(Continued From Page One) Mildred Crowley also was second in the earliest day teacher present competition, having taught at Graham in 1923.

Mistress of Ceremonies Morris completed the Sunday afternoon program with some early day recollections entitled "Remember When." Jerry Stewart gave the benediction.

Punch and cookies were served following the program from a table featuring a centerpiece of a green map of Texas with "Graham 1904-1980", a miniature schoolhouse, apple and different types of transportation from horse, model T car and jet plane all entwined with English ivy.

Registration for the homecoming was in charge of Mrs. Bob Lusk, Mrs. Carl Fluitt and Mrs. Noel White. The homecoming was sponsored by the Graham Extension Homemakers.

The McMahon School was the first in the Graham community, starting in 1904. It was followed by the Gossett school, 1917 to 1930, Graham Chapel School, 1915 to 1930, and Graham School, 1930 to 1958.

Out of town visitors attending the reunion included:

Percy Parsons, Dimmitt; Louis and Nell Wolfe, Ontario, Calif.; J. L. and Nita Peel Coleman, Fort Worth; Jewel Parsons; and Mrs. Alice Parsons, both of Graham; Carl J. Hopper, Galveston; Rosalie Thompson Curry of Lubbock; J.N. and Nita Wright Eichelberger of Lubbock; Bruce and Katherine Sheppard of Levelland; Bernice Sheppard Lawson, Modesto, Calif.; Buck and Geneva Voss Davis, Amarillo; Harold and Bobbie Trull, McAdoo; Glen and Allene McWhirter, Alvarado; Delmo and Nonie Gossett, Lubbock; Mr. and Mrs. Elmer Dee Jones, Lubbock; Donna Borum, Lubbock; Norman Jones, Jal, N.M.; Jason and Bonnie Justice, Petersburg; and John C. and Alice Justice, Marble Falls.

Also Emma Ivy, Brady; Margie Stone Smith of Lubbock; Anna Mae Butler Dickett, Slaton; Mr. and Mrs. S. S. Butler, Slaton; J. B. and Janaria Rogers Walsler, Almagordo, N.M.; Pashiola Peggy Rogers Awalt, Odessa; Archie Rog-

ers, San Angelo; Mr. and Mrs. Pat Stephens and family of Canyon; Bill Stephens, Amarillo; Douglas and Polly Thompson Jones, Ropesville; T. J. and Texola Marvey Howard, Midland; Holbert and Lanelle Howard, Almagordo, N.M.; Mr. and Mrs. Arthur Morris, Plainview; Lenah Rogers Maxwell, Lovington, N.M.; Mr. and Mrs. Robert Rogers, Lovington; William H. Rogers, Winkelman, Ariz.; Gean and Nita Gregg Nunn, Abertathy; Mr. and Mrs. Frost Maxey, Slaton; Alvin Davis and Todd, Brownfield; Mr. and Mrs. Jerry Stewart and family of Anton; A. A. 'Buddy' Bates, Plainview; Mr. and Mrs. T. L. Morgan, Eastland; Mr. and Mrs. Ivan Collins, Big Springs; Mr. and Mrs. Howard (Gertrude Sheppard) Hopkins and family of Haskell; Kenneth Wright, Lubbock; and Mr. and Mrs. Frank Rogers of Riverside, Calif.

Roney new—

(Continued From Page One) al justice advisory committee and the drug and alcoholism committee of SPAG, representing Garza County; developed an All-teen organization here for teenagers who have parents with a drinking problem, and an Alanon organization for wives whose husbands have drinking problems.

He also represented Garza County on the board of directors of the West Texas Council on Drugs and Alcoholism and was a member of the Post Rotary Club.

Good old days recalled

Post Rotarians were treated to several "pages" of local history Tuesday when Tom Bouchier recounted a number of early day stories about buffalo hunters, cattle drives, and dugout life in this area 80 to 100 years ago.

He came up with a new angle on the census too when he noted back in 1900 Gail was the "metropolis" of this part of West Texas with 224 residents. Today Gail numbers only about 196.

Tom explained in the early days Garza and several other nearby counties were attached to Borden County for administrative reasons. Back in 1900, Bouchier pointed out, all of Lubbock county had only 293 inhabitants.

Garza County had 36 inhabitants in 1880, 14 in 1890, 185 in 1900 and "topped out" at 6,611 in 1960.

and the rate of increase has been coming down ever since. Costs increased 12.6 percent between 1977 and 1978, only 5.40 percent between 1978 and 1979, and but 1.3 percent from 1979 to 1980.

The water district's original \$4,500,000 loan was to be paid back over 40 years and after 19 years, the water district still owes \$3,427,000. It won't be paid out until 2,004.

But taxpayers of the four member cities of the water district quit paying taxes to support the district after 1971 and there is little possibility anybody will ever be taxed again for that water debt.

Post's original water district directors were Tom Bouchier, Dr. A. C. Surman, and the late Rube Jennings.

Local members today are Lewis Herron and Don Smith with Julius Stelzer having just resigned and not as yet replaced by the city council.

Others from Post who have served on the water district board through the years include James Minor, Harold Lucas, Arnold Parrish, Ed Warren, Vic Slater, J. B. Potts, the late Shelley Camp and Ed Bruton.

PHS classes—

(Continued From Page One) ler, secretary-treasurer; Rhonda Storie, reporter; and Leigh McCook, Cindee Jackson and Carol Holleman, student council representatives.

Freshman room mothers are Marita Jackson, Shirley Storie, Dorothy McCook and Delores Redman.

"The individuals covered by this legislation have made extraordinarily good faith efforts to comply with American law. They have in many cases invested their life savings in their journey to America and have the strong support of their neighbors in the Seminole area."

What's Happening in Home Economics

By MRS. CHERYL WALKER
County Extension Agent — Home Economics

Hello to Garza County. As the new county extension agent for Garza County I would like to tell you about my job. I have a variety of information on all areas of home economics. Foods and nutrition, food preservation, clothing, consumer information, family resource management, housing and home furnishing, and family life education are the broad topics in which I offer educational information. I am stocking up on a variety of free publications that will be on display in my office on the second floor of the county courthouse. Come in and take what you need from the display shelves.

If you have a question you need an answer. I will be glad to try and assist you. Through my work I will be trying to reach you with programs, news releases and a monthly newsletter entitled "On Target in Home Economics." The newsletter will go out about the middle of September. I will be putting current home economics information and hints in the letter along with information on upcoming activities.

If you would like to receive a copy of the free newsletter just call or write the extension office: 495-2050 or Cheryl Walker County extension Agent, Courthouse, Post, Texas 79356.

Those already on the previous home economics newsletter mailing list will receive the new newsletter in September. Anyone else can request the letter at anytime and be added to the mailing.

H.E. Hints

Reduce skipped stitches on synthetic knits caused by static electricity by washing fabric with fabric softener, rubbing the seamline with a moist sponge, or using a commercial needle lubricant.

Use spices and herbs to

enhance foods on a low-sodium diet. However, avoid spices such as garlic salt or celery salt which contain sodium or salt.

Keep rolled cookie dough tightly covered in the refrigerator for up to two weeks. Roll out or cut from the roll with a serrated knife.

Communication is a two way process. One person can initiate it, but the process is completed only when there is a receiver. One person cannot be both sender and receiver at the same time — even though we might try to be.

Recipe

I would like to share a favorite recipe of mine. I started making this bread when I was a 4-H'er in the Food Show competition. Since then I have shared it with many friends. Now I wish to share it once more with friends in Garza County.

Dilly Bread

1 package yeast
¼ cup warm water.
1 cup creamed cottage cheese
2 tablespoons sugar.
1 tablespoon minced onion (dry).
1 Tablespoon butter.
2 teaspoon dill seeds
1 teaspoon salt
¼ teaspoon soda
1 egg (unbeaten)
2¼ or 2½ cups flour.
Soften yeast in water. Combine cottage cheese (which has been heated to lukewarm), sugar, onion, butter, dill seed, salt, soda, egg and softened yeast. Add flour to make a stiff dough. Cover and let rise 50-60 minutes. Stir down dough, make into loaf. Let rise 30-40 minutes. Bake at 350 for 50 minutes or until brown. Brush with butter, sprinkle with salt. Sour cream may be used instead of cottage cheese. Knead lightly. This is a batter bread.

Postings—

(Continued From Page One) start and never had a chance to get going, however.

Hart is a very successful California rider who has won lots of big stakes on the West Coast.

Readers will note that the United Super Market starts off a month-long celebration of its 64th anniversary with a three-page ad in today's Dispatch, including a three-color ad on the first page. Naturally, you'll find a lot of 64 cent bargains in the ad as well as a pix of a group of United employees all dressed up in "anniversary garb" for the occasion.

With the proper clothing, a man can stand the extreme cold as low as 50 degrees below zero Fahrenheit.

OS catalog—

(Continued From Page One) a two-page color picture of the steer ropers lined up in and OS arena following introduction last year.

Six pages are devoted to West Texas Boys Ranch and the OS Ranch and how the boys ranch has benefitted from the "OS weekend" over the past decade.

In the back are eight pages of the OS scrapbook, with a page of pictures devoted to each of the first eight years of the OS event.

Miss Sue Stevens of Denver City, who died this June of injuries suffered in a fall from her horse, is saluted "In Memoriam" as rancher, philanthropist and friend. She had been a director for six years of West Texas Boys Ranch.

The cover is a striking western painting by Wayne Baize, "Through the Water, Mud & Moss." Catalog editor is Dave Gottshall, who was assisted by Tim Chandler. Both are on the premanent staff at West Texas Boys Ranch where Gottshall is executive director.

For out of County Dispatch readers who would like to purchase a catalog, the cost is \$5 plus \$1 postage and handling, and your request should be addressed to P. O. Box 310, Post, Texas 79356.

Some say it's good luck for a firefly to fly into the house.

LETTERS to the Editor

A GOOD JAMBOREE

Dear Editor:
On August 16 and 17 we attended the Second Annual Caprock CB Jamboree and we had a fantastic time. We as CB'ers attend Jamborees all over Texas and yours is one of the best. The friendly people and the Jamboree itself are what every CB'er expects a Jamboree to be.

One problem remains with every Jamboree, the public thinks a CB Jamboree is strictly for the person with a CB radio, this is not true. There is entertainment, booths of different types, prizes given away and things for children to do and win. If a person were to pay the price for the entertainment alone it would be far more than the admission price for the Jamboree.

A Jamboree takes months of hard work with the proceeds going for a specified charity. The Caprock CB'ers work for Muscular Dystrophy and The Rehab CB'ers in Abilene work for the West Texas Rehabilitation Center. I urge the people of Post and surrounding areas to support the Caprock Jamborees of the future.

We met some really great people in Post both CB'ers and non CB'ers and came home with new friends close to our hearts. Thank you for

a great weekend and your hospitality. We will see you all at the 1981 Jamboree. Rehab CBers, Abilene, Tex. Channel 3 Modulators James & Darla McKinnon Jimmy & Michael McKinnon Diane & Cindy Beasley Cjubby & Elnora McKinnon Joe & Zella Lockhart 5144 Lamesa Abilene Texas 79605
