

**TWO BLOCKERS AHEAD** — Quarterback Drew Kirkpatrick with Fullback Barry Wyatt (No. 33) and Tailback Alonzo Luna (No. 40) out in front as blockers heads for a sweep around the left side of the Lockney line in Friday

night's 7-6 loss to the Horns. The Lopes are looking forward to rebounding here Friday night in their home opener against the Colorado City Wolves. — (Staff Photo)

# City is looking over office computers

The city council Monday night purchased a new diesel sanitation truck with front power takeoff for \$45,477.84 and spent considerable time discussing how to proceed on the purchase of a city computer.

The council accepted the single bid from the Ebeling Manufacturing Corporation of Plainview for the new truck.

Several options were offered and the council selected a diesel motor by International Harvester. City Manager Pete Maddox said the new truck will have a hydraulic lift which will be quite an improvement over the present model now in operation.

The city's present sanitation truck will be kept for a "back up." The city is in the process of purchasing a computer for water billing, payroll work, general fund handling, and tax roll preparation.

Some \$20,000 was budgeted for the purchase this year and an additional \$15,000 in the new budget year beginning Oct. 1.

Four firms gave computer demonstrations here last week to city office personnel and some of the council members. A fifth demonstration will be given in the near future.

Since computers are a fast developing field in which models become "obsolete" in the matter of a few years, the council wants to get the most for its money to do the work it wants to accomplish in the city office.

Specifications for the computer here were prepared by a computer professor at Texas Tech University.

What the council wants to be sure of is that the purchase is made through a firm which can properly "program" the new computer and can service the computer without any delays.

The council agreed that a committee of council mem-

bers and city manager and city employees who will operate the computer should next consult with the Lubbock county computer expert who is now in the process of putting virtually all the operations of the

Lubbock County courthouse on computer.

His advice will be sought on specifications and what firms are reliable in programming and servicing the computers they sell and which models would best fit

Post's municipal needs. The council can't wait too long to make the purchase, however, as its old water billing machine is on "its last legs" and hand water billing may become neces- (See City looking, Page 12)

**POST MIDDLE SCHOOL CHEERLEADERS** — The Post Middle School seventh and eighth grade football teams open their season play here Thursday night against Colorado City. Colt sale also new OS feature--

## Big interest shown in fiddler contest

The "OS weekend's" first fiddlers contest for \$600 in prize money is attracting a lot of interest, Jim Prather told Post Rotarians at their Tuesday luncheon in reviewing plans for the Oct. 3-5 western extravaganza.

He said the fiddlers contest has been sanctioned by the Texas Old Fiddlers Association.

Another new event for the OS Steer Roping & Art Exhibit this year will be a Sunday morning colt sale with 15 colts being put up before bidders. Eleven of the colts are Jim's and four will be from Fort Worth horse farms.

Ten percent of the sales price for each colt will go to West Texas Boys Ranch just as does 10 percent of all the western art sold at the art exhibit.

Prather said between \$400,000 and \$500,000 worth of western art will be exhibited in the OS ranch house that weekend with much of it to be sold at the Friday night art preview party. A total of \$181,000 worth of art was sold at the OS last year.

Prather said events like the "OS weekend" keeps the 72 youngsters learning and busy at West Texas Boys Ranch near San Angelo as the ranch accepts neither state nor federal funds for its operations.

"We're pretty proud of our new 136-page OS cata-

logue," Prather said as he passed a few copies along the tables of Rotarians for their inspection. "It's the biggest we've ever put out."

The catalog sells for \$5 and is available in many local stores and can also be ordered by mail.

Twenty-seven of the participating western artists taking part in the art

exhibit plan to be in Post in person for the OS weekend's events, Prather told Rotarians.

He said that the team roping for the first time this year will be held on J. Martin Basinger's ranch, 10 miles north of Post on the Ralls road on Friday with the finals coming later at the OS.

Officers reelected are Jim Cornish, president; Mrs. Ruth Ann Newby, secretary; Charles Adams, treasurer; and Mrs. Mary Prather, memorial fund treasurer.

Librarian Pee Wee Pierce reported the library will receive \$1,617 for 1981 from the Texas State Library system with \$95 going for journal subscriptions, \$1,251 for rental fiction books under the McNaughton plan and \$271 for the purchase of non-fiction books.

The board accepted her recommendation to spend most of the non-fiction money in the purchase of a 1980 set of World Book

See Library board, Page 12

Funeral services for Arlin Sartain, 71, of Post were held at 2 p.m. Monday at the Post Church of Christ with Jack Sneed, minister, officiating.

Burial was in Terrace Cemetery under direction of Hudman Funeral Home.

Mrs. Sartain died Saturday afternoon in Methodist Hospital in Lubbock following an illness.

A Hillsboro native, she had lived in Post since 1923. The former Arlin Ferguson married George Sartain, Jan. 19, 1930 in Post. He died in 1968. Mrs. Sartain was a homemaker and was active in the Meals on Wheels and Green Thumb programs. She was a longtime member of the Church of Christ.

Survivors include a daughter, George Ann Hobbs of Lubbock; and a sister, Mattie Shropshire of Fort Worth.

Pallbearers were J. D. McCampbell, E. H. Grant, Roy Brown, Mike Custer, Ray Young and Grant Lott.

Consignments are expected from a number of area farm equipment dealers as well as individuals, and buyers from across the state and Oklahoma are expected.

Consignments may be made by calling Noel White at 327-5344 or Jerry Bush at 495-3363 or any of the association members.

The flea market will be held in the fair building (See Farm sale, Page 12)

year and named Mrs. Sue Cornell as vice president.

Officers reelected are Jim Cornish, president; Mrs. Ruth Ann Newby, secretary; Charles Adams, treasurer; and Mrs. Mary Prather, memorial fund treasurer.

See Library board, Page 12

Funeral services for Garland Davies, 69, retired George R. Brown worker, will be conducted at 3 p.m. Friday in the Post Church of Christ by Ronnie Parker of Dimmitt and Larry Hambrick of Lubbock, both former local ministers.

Davies died in his home here Tuesday after a lengthy heart illness and Justice of the Peace Pat Kitchens ruled his death was due to natural causes.

He was a native of Post, being born here Feb. 19, 1911. He attended Post schools and on March 10, 1935, he was married to Georgia Nell Wilks here.

Davies was employed by George R. Brown here for 22 years until his retirement in 1970.

He was a charter member of the local chapter of the American Association of Retired Persons and was an elder in the Church of Christ here until his health no longer allowed him to perform his duties.

Survivors include his wife; one son, Don Eugene Davies of Novi, Mich.; one daughter, Carol Tobias of Post; two brothers, William (See Davies rites, Page 12)

G. M. (MAX) CHAFFIN

## Max Chaffin in statement

G. M. (Max) Chaffin, Republican candidate for sheriff, has authorized The Dispatch to place his name in The Dispatch's political column and issues the following statement concerning his candidacy:

"I would like to take this opportunity to remind the voters of Garza County that I am the Republican candidate for the office of Sheriff of Garza County and to solicit your vote and support in the general election to be held on November 4, 1980.

"I was born and raised in Garza County, in the Pleasant Valley community where I still reside with my wife Anne, our three children, Kelly, John and Katrina who are in college except for Kelly as she graduated from the University of Texas Medical Branch at Galveston on August 22, 1980.

"I am self-employed as a farmer, spray pilot, flight instructor and contract welder. My wife has been employed as a teacher in the Southland Independent School District since 1963.

"I attended the Pleasant Valley, Post and Southland Public Schools as well as (See Chaffin in, Page 12)

## Rites here for Edna Peede

Funeral services for Mrs. Edna Peede, 75, longtime Post resident who moved to Burleson a year ago to live with her son, were conducted at 2 p.m. Wednesday in the First Baptist Church here with the Rev. Glenn Reece officiating.

Burial was in Terrace Cemetery under direction of the Justice-Mason Funeral Home.

Mrs. Peede died Monday in a Fort Worth hospital following a lengthy illness.

She was born in Kaufman County, Tx., March 23, 1905, and moved to Garza County with her husband, Jessie Hinton Peede in 1929 from Van Zant County.

Mrs. Peede was a retired Postex Plant worker and was very active in the Garza County Trail Blazers (See Peede rites, Page 12)

Funeral services for Arlin Sartain, 71, of Post were held at 2 p.m. Monday at the Post Church of Christ with Jack Sneed, minister, officiating.

Burial was in Terrace Cemetery under direction of Hudman Funeral Home.

Mrs. Sartain died Saturday afternoon in Methodist Hospital in Lubbock following an illness.

A Hillsboro native, she had lived in Post since 1923. The former Arlin Ferguson married George Sartain, Jan. 19, 1930 in Post. He died in 1968. Mrs. Sartain was a homemaker and was active in the Meals on Wheels and Green Thumb programs. She was a longtime member of the Church of Christ.

Survivors include a daughter, George Ann Hobbs of Lubbock; and a sister, Mattie Shropshire of Fort Worth.

Pallbearers were J. D. McCampbell, E. H. Grant, Roy Brown, Mike Custer, Ray Young and Grant Lott.

Consignments are expected from a number of area farm equipment dealers as well as individuals, and buyers from across the state and Oklahoma are expected.

Consignments may be made by calling Noel White at 327-5344 or Jerry Bush at 495-3363 or any of the association members.

The flea market will be held in the fair building (See Farm sale, Page 12)

## To become effective Oct. 1-- Ronnie Harden new bank veep

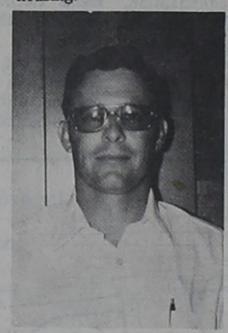

Larry D. Willard, president of the First National Bank, this week announced the appointment of Ronnie R. Harden as vice president of the bank.

Hardin has been employed by the Farmers Home Administration since 1971 in various capacities, most recently as the manager of their Tahoka office.

He is a graduate of Texas Tech University where he majored in agriculture.

Ronnie and his wife, Shirley, have two sons, Sammy and Glenn. The Hardins will move to Post

as soon as they find adequate housing.

RONNIE R. HARDIN

## Two courses are offered adults

Two vocational education night classes for adults in bookkeeping basics and beginning typing will be offered here this fall, Lane Tannehill, Post coordinator for adult education, announced this week.

The two classes will be the first vocational classes to be offered adults here in the last five years.

A minimum signup of 10 students in each class will be required if the courses are to be given, Tannehill said. Each is for adults who (See Two courses, Page 12)

What's more, this extra planning was well worth the effort. The Cowboys were uncharacteristically terrific for the opener.

There was some extra curricular activity at the Homer Cawthon home on North Avenue S Sunday night when the Cawthons' guests departed for home. That was because they stepped on a three-foot rattlesnake when they stepped out of the front door.

Homer got busy and killed (See Postings, Page 12)

The city council members are good Dallas Cowboys fans. That was best demonstrated Monday night when the September meeting was moved up 90 minutes to 6 p.m. so the session could be finished before the 8 p.m. kickoff of the Cowboys vs the Washington Redskins on the "boob tube."

Mayor pro tem Bill Pool, with one eye on his watch, kept the council on track right through the agenda and everybody departed with 10 minutes to spare.

Everybody cautioned Harvey Morton, attorney for the city who lives in Lubbock, to watch out for the highway patrol when he topped the caprock on his way home as he was slightly out of range to be in that easy chair for the kickoff.

There was some extra curricular activity at the Homer Cawthon home on North Avenue S Sunday night when the Cawthons' guests departed for home. That was because they stepped on a three-foot rattlesnake when they stepped out of the front door.

Homer got busy and killed (See Postings, Page 12)

Consignments are expected from a number of area farm equipment dealers as well as individuals, and buyers from across the state and Oklahoma are expected.

Consignments may be made by calling Noel White at 327-5344 or Jerry Bush at 495-3363 or any of the association members.

The flea market will be held in the fair building (See Farm sale, Page 12)

## Band boosters to organize Tuesday

The Band Boosters will meet for their first meeting of the year on Tuesday night, Sept. 16 at 7:30 p.m. in the Band Hall. New officers will be elected, and refreshments will be served.

All parents of band students 5 through 12 grades and any interested persons are encouraged to attend this very important meeting.

## Farm sale, flea market Sept. 27

The second Garza County Junior Livestock Association Farm Sale and Flea Market will be held Saturday, Sept. 27, at the stock barn on Highway 84, beginning at 11 a.m.

Herb Henderson auctioneer from Wolforth will be in charge of the sale. A percentage of the sale commission and any equipment donations will go to the stock barn building fund.

Consignments are expected from a number of area farm equipment dealers as well as individuals, and buyers from across the state and Oklahoma are expected.

Consignments may be made by calling Noel White at 327-5344 or Jerry Bush at 495-3363 or any of the association members.

The flea market will be held in the fair building (See Farm sale, Page 12)

## First public show here Sunday--

# Chip Polk in art 'debut'

Chip Polk, who has been drawing ever since he was a kid growing up here, is coming back to his hometown to hold his first public art show Sunday afternoon from 1 to 4 p.m. in the bank community room.

Chip, 27, is the son of Mr. and Mrs. T. C. Polk, 302 West 13th.

Since Post schools offered no art classes, Polk is largely a self taught artist. His primary medium is pencil, and most of his subjects are the pioneers and craftsmen of the Texas panhandle and plains where he lives.

"Pencil shares a quality with the people I draw," Chip says. "It's simple, honest...and not very pretentious."

In the last two years he has completed over 40 (See Chip Polk, Page 12)

**BACK TO HOMETOWN** — Chip Polk, an artist with a pencil, returns to Post Sunday afternoon for his first public art show from 1 to 5 p.m. in the bank community room. The community is invited.

## Good rains welcomed

Post and Garza county received some long-needed rains Tuesday and Wednesday, but it appears the weather bureau overdid it just a bit in putting portions of the South Plains on a flood watch.

Nick Vukad, official weather observer here, reported 1.15 inches of moisture here up to 7 a.m. Wednesday.

County Agent Syd Conner said his rain gauge had 1.50 inches Wednesday morning and about another half inch Tuesday.

The rains reportedly are an offshoot of the tropical storm which came ashore on the Texas coast last weekend.

## Knotty housing shortage

You too probably have watched the cost of a new home climb rapidly in recent years to where a modest three-bedroom without too many frills is in the \$50,000 to \$75,000 class.

So where does this leave the average American small town like Post?

Away short of housing of course. No rentals whatsoever that are new unless the government finances them. It's gotten so industry shops for locations in towns with enough houses. They used to look for people.

All of which serves to emphasize the importance of housing in today's economic picture for the small town.

Post finds itself in the same situation as about all the rest.

It behooves any small town to get all the governmental financed housing projects it can land. Post has done and is doing that.

Trailer homes are becoming more and more the answer, if not the most satisfactory one. They are more affordable by middle income folks and a truck can pull them into town on any given day.

Post recently adopted a strict trailer home ordinance. There is some question though even among city council members, whether or not it is being enforced. But at least we have updated our ordinances on mobile homes.

Building small homes is something like building small cars. Nobody wants to do it because the best profits for time and money invested are made on big cars and big houses.

That's why you don't see developers building small homes anymore. There is too little profit and too much risk involved.

But smaller-sized homes are part of the answer although their prices have doubled and tripled too in recent years.

We all complain about the high taxes

and the high cost of our national government with its weird variety of give-away programs. So we should not expect Uncle Sam to solve our housing problem for us.

We will have to find our own answers. We say answers because there is of course no single answer. We are going to have to "make do" with what we have and hope that interest rates stay down long enough for some people to be able to afford new homes.

It was only last year somebody here counted 17 families moving up the rental ladder when one family built a home of their own and opened up one top rental. The other 16 families who moved climbed the rental staircase a notch at a time, each claiming something a little better after one renter had built for himself and left a single vacancy.

The need of course is obvious. But the economic way to afford a solution is not so easy.

As a community we must face the fact that any housing solution is going to have to come from the private, not governmental sector. A well planned trailer park with a park-sized storm cellar would help. Finding some local financing for a rental development is another. Something along this line has almost started a time or two in the last 10 to 12 years but always hit a snag or the economics at the time turned bad.

It's getting to the point where a community needs a well organized "housing team" far more than an "industrial team." Because new industry is not interested in a small town with tight housing anyway.

Bleak as the picture on housing is today for the small town, there are several starting points. But the practicalities of the situation must be understood before there can be even a start toward problem solving.

## Some 'hot' amendments

Probably the most interesting group of Texas constitutional amendments in a decade or more will come up for voter decision at the November general election.

There are nine of them and they include such controversial subjects as the state's right to appeal in criminal cases, counties' participation in the single property tax appraisals and boards of equalization, making bingo games legal for charitable purposes, giving budget execution power to the governor, county road work on private roads, jurisdiction and authority of the courts of civil appeals, and conversion of marital community property into separate property.

You can pick a very hot argument generally on any one of these subjects. It will provide the only "juice" at the state level on the November ballot.

The reason we are bringing all this up in September is because on page 10 of today's Dispatch we are printing the legal publication for the constitutional amendments election. They will reappear next week, but after that you won't see them again.

Beginning in early October, we will discuss each of the amendments editorially pointing to the pro and con arguments on each amendment.

"It has come to my attention, Olsen, that you filed an estimated income this year of \$5,000,650."

## Remember When

**10 YEARS AGO**  
City goes with crowd against gas rate hike; Only slight increase in new city budget; Police Chief Otis G. Shepherd suffers heart attack; Open house set at city schools; City sales tax vote slated for Saturday; 83 attend meeting of soil directors here; W. W. Stephens home scene of Labor Day noon fish fry; Mrs. Lil Conner presented Indian burial program to club; Sgt. and Mrs. Leslie Davis of Springfield, Mass. are parents of a son, Chad Lee; City adopts new restaurant ordinance; School enrollment on Tuesday totals 1,189; Lope grid machine opens here Friday night against Hale Center Owls; Nancy and Mary Ann Strawn, Beth Peel and Jack Gordon in Lubbock Christian College chorus; Steve Hays and Wilma Bullard chosen as drum majors for band; Larry Bilberry FTA president.

**15 YEARS AGO**  
City of Post, Garza County agree at meeting to co-sponsor airport project; Enrollment rises in Post schools; Mrs. K. Stoker presents First Christian Church with new organ;

Danny Pennington is sophomore president; Nancy Norman heads Jr. High's news staff; J. B. Potts new head of Garza Savings bonds campaign; Post to take on Hamlin Pipers here Friday night; Bearcats come from behind to beat Post; Norm Cash continues homer barrage; Clyde Cash dislocates finger in football tilt; Danny Pierce at NMMI in Rosewell; Cynthia White's hobby is tumbling pigeons; Karen Potts tells of Washington trip; Charlie Wallace is senior class president; Sharla Pierce is paper editor for school.

**25 YEARS AGO**  
County to raise salaries of commissioners and treasurer 25 percent; last rites conducted for Hal Jones, Sr.; School in second week with enrollment increased; James Brewer and Darlene Husley elected presidents of FFA and FHA; Mr. and Mrs. M. C. Richey celebrate Golden Wedding anniversary; Post Volunteer Firemen and families feted with barbecue at municipal pool; Chamber of commerce committee offers help in obtaining right-of-way for proposed four-laning of highway north of Post.

With a heat pump

The heat pump saves energy and money. A lot of people are now saving more energy and money because they converted or replaced their energy wasting heating and air conditioning equipment with a heat pump.

The heat pump works efficiently both winter and

summer to help hold down your energy use. And, since the energy source for a heat pump is electricity, you receive a special lower electric rate during the off-peak months from SPS.

Get a heat pump as soon as you can... you'll save money when you do.

## Thank You

I would like to thank all my family and friends for all their concern and thoughtfulness for me before and after surgery.

Your visits, calls, food, flowers and cards, but most of all your concern and prayers have helped me so much.

A special thanks to my sisters in the Gamma Mu Sorority for all the good food and visits.

Also a special thanks to all who helped at the store while I have been off so much, my Mother, Babbie Wilson, Sis Gilmore, Ollie Stevens, Lea Ann Babb and Jennie Cowdrey and Oneita before she took a vacation.

I thank God for all my friends and family and ask for his blessings for all of you.

Johnnie Norman

I would like to thank all my friends for the lovely cards, flowers and your visits and phone calls while I was in the hospital. Also thank you for the food and visits since I have been home.

Bless you,  
Bibb Benson

## Kidie Halbert wed to Joe Moore

Kidie Halbert and Jimmy Joe Moore were united in marriage in the Saint John's Episcopal Church in Sonora August 16, at 8 p.m. The Rev. John Fritts performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Basil Manley Halbert, III of Monahans and the groom is the son of Mr. and Mrs. Jimmy Avery Moore of Post and the grandson of Mr. and Mrs. Avery Moore also of Post.

The bride given in marriage by her father wore a gown of white organza and alencon lace designed by Biljoy. The fitted bodice covered in alencon lace and pearls, featured a romantic sweetheart neckline with the empire waistline adorned with alencon lace tendrils dotted with seed pearls. The sheer Bishop sleeves fell to wide Brussels lace ruffled cuffs closed with buttons and loops. The pleated skirt swept to back fullness forming a chapel length train. The hemline and train was bordered by a Brussels lace band and a crystal pleated flounce.

To complete her ensemble the bride chose a silk illusion veil caught to an alencon lace beaded Camelot capulet. The waltz length veiling was finished in rolled satin edging and adorned with alencon lace motif and beads. She carried a white Bible inside a lace cover, and topped with a white orchid. It was given to her by her Godfather Mack Cauthorn of Sonora. Inside the Bible were the first roses given her by the groom. Something old a diamond ring given to her by her late grandmother; her gown was new; she borrowed her mother's diamond earrings and wore two blue garters, one given and made by Janet Hall of Post; and she also wore a diamond watch which belonged to the groom's grandmother.

Serving as matron of honor was Sharla Jones of Canyon with Emily Gloyd of Lubbock and Charlotte Schwiening, cousin of the bride of Sonora, serving as bridesmaids. They were attired in formal length gowns of yellow dotted quiana, fashioned with a modified blouson bodice and butterfly sleeves with a full A-line skirt. They wore flowers made of the same material in their hair and each carried a long stem yellow rose with baby's breath and yellow bows.

Tammy Gibson, of Lubbock and cousin of the groom, was flower girl. She wore a yellow organza dress fashioned with a deep scoop neckline with a self fabric ruffle edged with a band of white lace. The demi-bell skirt was fully gathered with a touch of white lace. She wore yellow daisies in her hair.

Best man was Greg Lester of Post with John Martin Beckham, brother of the bride of Sonora, Ronnie

Williams of Brownwood serving as groomsmen. Keyes Caruthers of Sonora lighted candles and served as ringbearer.

The bride's mother chose a long dusty rose pleated dress with a short chiffon cape. She wore a white orchid on her wrist. The groom's mother was attired in a long mint green dress with a chiffon cape that closed at the neckline. She also wore an orchid on her wrist.

A reception followed with the bride's table covered with a white lace cloth and centered with a four-tiered cake decorated with yellow roses. Topping the cake was white silk bells with pearls and net trim. Yellow punch, mints and nuts were served from crystal appointments. The floral arrangement was of yellow spider mums, yellow and white daisies, carnations and baby's breath.

Following a trip to New Orleans, the couple will live in Lubbock where the bride is a senior student at Texas Tech University.

The groom is employed by El Gato Drilling Co. in Post.

MRS. JOE MOORE (Kidie Halbert)

## TEEN SCENE By Norm

In case you have forgotten what that stuff is that's falling, I think it's called rain and some have forgotten how to drive in it. You don't press the accelerator down when you get on a muddy road.

Saw lots of college kids at the game in Lockney Friday night. Dick Kirkpatrick and Melinda Tatum, David Poole, Dale Redman, Mike Macy, Lance Dunn, Melisa Tatum and her roommate, Peggy Jackson and Jay Lott and his roommate Jeff Doman, Brent Mason and Deb Palmer.

Channa Williams went to school today with a new look. Several stitches in her head received while practicing a basketball maneuver on her own Tuesday afternoon. Ouch!!!

Deann and Donna Ammons, Laurie Belongia, Lisa and Melanie Holly all attended the Van Halen Concert held in Lubbock Monday night.

Gena Ainsworth and Lana Dunn are both driving their own cars now. I would tell what kind each have, but you know how that goes.

REMINDER: The Youth Center is now open on Saturday nights from 7:30 til 11. We had a good crowd there Saturday night, and hope for an even bigger one this week. Seventh grade students through high school are invited to attend and there is NO ADMISSION CHARGE. The only time there is a charge is when a dance is being held, so bring all your school friends and join the fun on Saturday nights.

The seventh and eighth graders begin their football season here Thursday night against Colorado City and the frosh and JVs travel to Colorado City. They need your support both places. The fans were excellent here last Thursday night when the frosh and JVs whipped up on Lockney and they need you again this week.

In fact the crowd was so good the concession stand went full blast right to the

very end. When the hot dogs got pretty low, Miss Cross sent Jerri and Jana to the store to obtain enough for 40 more hotdogs. Well they did, after a lengthy stay, they returned with arms full and brought back 40 more packages of buns and 40 more pounds of weiners. The store was gracious enough to take it back. That's alright Jerri and Jana you tried.

The Lopes will see action here Friday night against Colorado City and I hope the stands are full. That means a lot to the player See ya there!!!

BEAT COLORADO CITY!

Chow . . . . .

### Kelly Chaffin is physical therapist

Kelly Chaffin, daughter of Mr. and Mrs. Max Chaffin of route 2, was graduated Aug. 22 as a physical therapist from the University of Texas Medical Branch at Galveston.

She has just returned from a visit with her grandfather in Deltona, Fla., after graduation, and has been employed by the Methodist Hospital in Lubbock, beginning Sept. 15.

The Dispatch was in error last week in reporting she had just enrolled in the 15-months course at Galveston. The information came from the university on an unusual form and did not mention graduation, so the editor took it to be an enrollment.

James Hutton, British geologist, was called the "father of geology" because he originated the modern theory of evolution of the earth's crust.

## What's Happening in Home Economics

By MRS. CHERYL WALKER  
County Extension Agent — Home Economics

### 4-H FOODS & NUTRITION

Each fall 4-H'ers enroll in foods and nutrition projects. They learn about food preparation, food buying, nutrition, social skills, safety and meal planning. The 4-H'ers learn during six project meetings taught by volunteer leaders.

Now is the time for 4-H'ers to enroll in the foods and nutrition projects. You can sign up at your local 4-H Club meeting in September or call the county extension office.

4-H is open to all youth between 9 and 19 years of age regardless of socio-economic level, race, color, sex, religion or national origin. You can join 4-H by calling or stopping by the Garza County Extension Office on the second floor of the Courthouse. I will be glad to talk with you and your parents about 4-H projects and activities. Foods and Nutrition is just one of the many projects 4-H has to offer.

### Foods and Nutrition I.Q.

Since the 4-H'ers will be starting foods and nutrition projects this month, I started thinking about areas that would be studied. Nutrition was the number one choice.

Take a few moments and think about your knowledge of nutrition. No one can remember everything they have heard or read on the subject. Also, it changes from time to time.

Have you heard about the five foods groups? For the last few years all nutritional materials referred to the basic four food groups. Now, a fifth group has been added entitled "Fats, Sweets and Alcohol."

The new group includes foods that provide relatively low levels of vitamins, minerals and protein compared to calories. Vegetable oils generally do supply vitamin E and essential fatty acids.

Butter and fortified mar-

garine contribute vitamin A. Other foods in this group are mayonnaise and salad dressing; sugar, honey, syrups, candy, jams, jellies, sweet toppings, sugar-sweetened beverages, and other sweets; alcoholic beverages; and unenriched refined flour and baking products.

Use caution in adding this food group to your diet. The foods provide calories but few nutrients.

Well, did you pass the I.Q. test and name the fifth food group? Many of you probably remember the old foods divisions which included more than the basic four studied in recent years. We have gone back to a good thing.

Now, when we talk about basic foods groups we must remember five groups: vegetables and fruits; breads and cereals; meat, poultry, fish and beans; milk and cheese; and fats, sweets and alcohol.

For more information on various nutritional requirements contact me at the County Extension Office for free publications or answers to special questions.

### Airman completes basic training

Airman Donna S. Simecek, daughter of Mr. and Mrs. Bobby J. Simecek of 509 W. 11th, Post, Texas, has been assigned to Keesler Air Force Base, Miss., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the communications-electronics systems field.

### ATTENDS FUNERAL

Mr. and Mrs. Dale Hair accompanied Mr. and Mrs. S. W. Hair to Belton this past weekend where they attended funeral services for Mrs. Nola Bruton, mother of Mr. S. W. Hair. Funeral services were held Saturday at 2 p.m. Mrs. Bruton died Thursday in a Temple Hospital.

Facial tattooing was originally used, historians say, not only to beautify the wearer but to conceal expressions of fear from enemies.

## Calligraphy program given

Sally Sinclair of Shallowater, presented a program on calligraphy, to members of the Post Art Guild at their regular meeting held at 7 p.m. Monday night in the Post Public Library.

Final plans for a trip to Santa Fe for members of the Art Guild were made during a business meeting. Members will make the trip to take pictures and sketches for later paintings.

Hostess, Sherri Riedel, served refreshments to the following members and guests: Lil Conner, Marie Neff, Geraldine Butler, Billie Lou Robison, Ada Lou Bird, Glenda Morrow, Jo Ann Mock, Polly Cravey, Pee Wee Pierce and Ann Bratcher. Guest during the evening was Mrs. Bernice Sinclair, mother-in-law of the speaker.

Cauliflower and broccoli are the flowers of plants.

## HOSPITAL NOTES

Those admitted to Garza Memorial Hospital since Thursday of last week were:

Paula Miller, O.B.; Charlie Seals, medical; Eula Evans, medical; Orbie Miller, medical; Judy Rudd, O.B.; Joy Robinson, O.B.; Delray Odom, medical; Joyce Powers, medical; Marcella Sneed, medical; and Margaret Williamson, medical.

Those dismissed were Robert Lusk, Charlie Seals, Paula Miller, Winnie Henderson, Judy Rudd and baby boy, Joy Robinson and baby boy.

### Retired teachers to meet Friday

A meeting of all Garza County Retired Teachers or retired school personnel will be held Friday morning, Sept. 12, at 9:30 in the Bank Community room. Mrs. Marie McCollum, assistant state director of retired teachers, will be here to discuss points of interest for all present.

Legislation for this group will be discussed.

# Waterfowl seasons set and bag limits approved

AUSTIN — The Texas Parks and Wildlife Commission has approved season dates and bag limits for the 1980-81 waterfowl hunting seasons.

Hunters will notice very few changes in the regulations from the previous year. No changes were made in the point values assigned to the various duck species in the 100-point system of daily bag limits except for removal of the fulvous (whistling) tree duck from legal status. No changes were made in bag limits of sandhill cranes, snipe or woodcock.

The total number of days allowed for duck and goose hunting also is unchanged from the 1979-80 seasons.

The duck seasons are: High Plains Mallard Management Unit, Oct. 28, 1980 through Jan. 18, 1981, from one half-hour before sunrise to sunset.

The unit is roughly the western one-third of the state. Hunters may consult the department's 1980-81 Migratory Game Birds hunting regulations brochure to be available at hunting license outlets across the state to determine the exact boundary, as well as other specific regulations.

In the rest of the state, the duck season will be Nov. 8 - Nov. 30, and Dec. 13, 1980 through Jan. 18, 1981 from one half hour before sunrise to sunset. The season is closed on black-bellied (Whistling) ducks, fulvous (whistling) ducks and masked ducks in all counties. Last year fulvous tree ducks were 70-point ducks.

The duck daily bag limit is one to 10 in the aggregate, the specific daily limit depending on the sexes and species taken as determined by the following 100-point system: Canvasbacks are 100 points. Hen mallards, Mexican-like ducks, mottled ducks, wood ducks, hooded mergansers and redheads are 70 points each. Blue-winged teal,

green-winged teal, cinnamon teal, pintail, gadwalls, scaups, shoveler, wigeon (baldpate) and mergansers (except hooded), are 10 points. All other species and sexes of ducks are 20 points statewide. The daily bag limit will be reached when the point value of any birds taken reaches or exceeds 100 points.

The daily bag limit on coots is 15, and possession limit is 30.

The goose season west of U.S. Highway 81 will be Oct. 28, 1980, through Jan. 18, 1981. East of Highway 81, the season for all geese will be Nov. 8, 1980 through Jan. 18, 1981. Sooting hours for the entire state will be one-half hour before sunrise to sunset.

West of Highway 81, the daily bag limit is five, not to include more than two Canada or white-fronted geese in the aggregate. Possession limit is 10, not to include more than four Canada or white-fronted geese in the aggregate.

East of Highway 81, the daily bag limit is five for light geese (snow, blue, Ross' geese). The bag limit for dark geese is on Canada or one white-fronted goose. Possession limit is twice the daily bag limit.

Each waterfowl hunter 16 years of age and older must carry on his person a valid Migratory Bird Hunting and Conservation Stamp, commonly called a "duck stamp," in addition to a

valid resident or nonresident Texas hunting license.

## Small boy's rites held at Graham

Funeral services for Jackie Lee Ferguson, 2, son of Mr. and Mrs. O. L. Ferguson of Levelland, were conducted in the Graham Chapel United Methodist Church Saturday, Aug. 30, with the Rev. Gary Cotton, pastor, and the Rev. Donny Crowson of Welch officiating.

Jackie Lee was killed when he fell into a 30-foot deep sewage hole on a drilling location 40 miles northeast of Sanderson, Tx. Aug. 26.

He had gone with his mother to the well location to visit his father, a tool pusher for the Sitton Drilling Co. of Lubbock.

Apparently the little boy fell into the hole when he was playing out of view of his parents for a short time.

When the child was discovered to be missing about 7 p.m. an immediate search was launched by 50 to 60 people who began to comb the countryside with its high hills, small valleys and ravines.

Members of the Texas Highway Patrol, the U.S. Border patrol and the Terrell County sheriff's department along with company employees at the well site took part in the search which was called off after darkness fell.

It was resumed the following morning with a helicopter, three private aircraft, 10 to 12 horsemen, and a number of people in vehicles taking part in a widening search.

The drilling company decided to drain the three sewage holes near a trailer house at the drilling location. A "rat hole machine" to blow out the holes was ordered in from Odessa.

The first two holes were emptied with no trace of the child. When all the fluid was removed from the third hole, which was about 12 inches wide, searchers found a lot of rock and cuttings at the bottom of the hole.

**JACKIE LEE FERGUSON**

A relief hole was drilled next to this hole and a man lowered into it to remove some of the rock at the bottom of the sewage hole. The body of the child was finally found under this debris.

Parents include two brothers, Stephen and Mark, both of the home; his grandmothers, Mrs. Rena Ferguson of Post, Mrs. Bertha Irwin of Archer City and Hazel Irwin of Petrolia, Tx.

Pallbearers at the funeral service were Pete Sitton, Jimmy Nunn, Bruce Kenley and Ernest Rogers. Honorary pallbearers included Mason McClellan, Johnny Green, Lyndell Grainger, Ron Sitton, Rusty Lamb and Gregg Lester.

Jackie Lee was born Feb. 17, 1978 in Lubbock and had lived in Levelland since shortly after his birth.

Burial was in the Terrace Cemetery here.

### Post pair attend Tucker reunion

Maxine Cummings and Mark Drake of Post attended the reunion of descendants of the late Henry M. and Virginia Tucker recently in Brownwood.

Relatives from Lubbock, Garland, Odessa, and Abilene attended the reunion.

Activities for the weekend included fishing, swimming, table games, outside games, picture taking and family reminiscing.

The reunion will be held next year in Brownwood on Aug. 22-23.

## Drug abuse to be topic

John Roy Barton of Brownwood will speak on drug abuse at 10:45 a.m. Sunday service of the Church of the Nazarene, 202 West 10th.

Barton is a representative of the Texas Alcoholic Narcotics Education, Inc. (TANE). Barton is a Sunday school teacher and has been a lay preacher for seven years.

He is among the 200 qualified speakers who speak in almost 2,500 churches of most denominations across Texas every year.

TANE is a non-profit organization which since 1935 has pioneered the development of educational materials relating to drugs, alcohol, tobacco, gambling, and VD.

The organization works with churches, schools, law enforcement agencies, rehabilitation organizations, medical groups and others. They offer books, filmstrips and other educational materials and operate a free film lending library for churches and schools.

Anyone interested in learning about drug abuse and how you can help combat the problem is invited to attend the Sunday morning service.

# Lopes score early but bow at Lockney 7-6

## 70-yard strike on first play

Scoring a touchdown on the first scrimmage play of the 1980 season, Coach David Thompson's Post High Antelopes could do nothing more scoreboard-wise in the remaining 47 minutes and 42 seconds at Lockney Friday night and dropped their opener to the Longhorns 7-6.

Quarterback Drew Kirkpatrick with a play action pass on the first play after the kickoff caught Lockney by complete surprise.

End Mark Holly was 15 yards behind the Longhorn safety when he gathered in Kirkpatrick's long throw on the Horns' 45 and rambled into the end zone all by himself.

The first of 19 flags, which fluttered all over the field all night and kept either club from putting together any long scoring drives, came on the point after effort.

Kicker Barry Morris took too much time in tying on his kicking toe and five yards was marked off against the Lopes. Morris didn't get any leg into his kicking effort and missed the conversion.

Lockney got its touchdown in the third period after the second of three lost fumbles by the Lopes was covered by the Horns on the Post 35.

Two 15-yard penalties were too much for the Horns to make up on that drive and Quarterback Jeffrey McCormick punted out on the Lope 10.

Three plays later Mark Holly shanked a punt only 18 yards and Lockney was back in business on the Post 34.

On the next play, McCormick passed into the right flat to End Mario Gonzales on about the Post 25. He was covered one on one by Holly. Holly went for the interception and missed. That left Gonzales all alone for a 25-yard td scamper to knot the count with 6:43 left in the third.

then Fidel Blanco converted for the game winning point for Lockney.

Both teams were flagged for so many rule infractions, both were completely frustrated, although the home team got the worst of it in penalties which usually isn't the case at all.

STATISTICS	
Post	Lockney
10	First Downs 11
150	Net Yds rushing 165
5 of 7	Passes 4 of 6
106	Yds Passing 83
3-3	Fumbles—Lost 2-1
8-80	Penalties 11-125
4-30	Punts, average 5-27

Lockney was flagged for 11 infractions and lost 125 steps in penalties, including seven big 15-yarders. The Lopes were penalized eight times for 80 yards, four of them long ones.

The Lopes had a lot of missed tackles on both Halfback Junior McDonald and Quarterback McCormick, who between them piled up most of Lockney's 165 yards rushing. They would break away for good gains after a tackle or two had been missed behind or at the line of scrimmage.

The Lopes had 256 yards net, running (150) and passing (106) with Kirkpatrick connecting on five of the seven passes he threw. He had only one off target all night. The other bounced off the receiver's shoulder pads for what should have been another 15-yard gain.

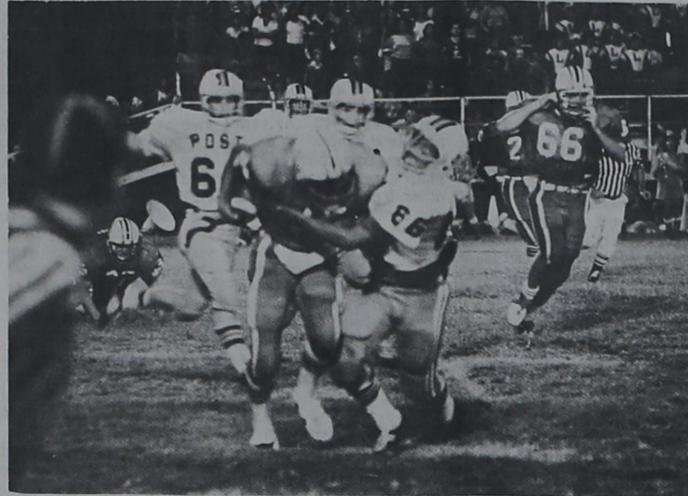

In the third period after Lockney went ahead, the Lopes took the kickoff and marched 52 yards to the Horns' 18 before losing the ball on downs.

Then in the fourth period, a Lope receiver dropped the ball after a pass completion and Lockney recovered on the Post 22 and moved to a first down on the Post eight before Mike Anthony recovered a fumbled Lockney lateral to halt that threat.

From the Post 10 with 6:20 left, the Lopes cranked up their final drive and moved 63 yards in a sustained drive before being held for downs on Lockney's 27 with 1:14 left.

The final penalty of the penalty-plagued game was the one which slowed it not halted that Lope surge. A completed pass to the Lockney 25 for a first down was called back by an offside penalty.

After that Kirkpatrick couldn't find an open receiver. He was sacked once for a five yard loss and had to run out of the pocket on the final three plays, getting 16 of the 20 yards then needed to keep the drive alive.

**CAUGHT** — Lockney's running ace, Junior McDonald, is caught by Linebacker Jerry Hawkins, 86, with two Lope mates coming up from behind to help out. — (Staff Photo)

## JVs thump Lockney with 5 touchdowns

The Post JVs buried the Lockney JVs under a five-touchdown barrage in Antelope Stadium last Thursday night as the visitors had a whole lot of problems with their kicking game.

Inability to get off punts gave the Post club good field position from which to move for four of their tallies, three coming in the second period and two in the third.

Lockney threatened once in each half, getting down to the Post 10 and 12-yard lines, but were unable to punch it across.

The locals ended the scoreless first period on Lockney's one yard line, fourth down and goal over after a long drive.

They fumbled the ball away on the first play of the second quarter, but Lockney fumbled right back to Post on their own three on the next play.

Tailback Dana Scott then zipped across for the first td on the next play, but the extra points failed.

Post recovered a Lockney fumble on a punt attempt on the visitors' 25 a few moments later to set up the second score which came on an 18-yard pass from Quarterback Tim Tannehill to Strong End Irvin Price. Again a run for the extras failed.

The third touchdown of

the period came on a six yard off tackle run by Scott after the locals took over the ball by tackling Lockney's punter on the visitors' 25 again.

Melvin Wynne scored the extras on a halfback dive to make the score 20-zip at the half.

In the third period, Post drove 49 yards for their fourth touchdown on a play-action pass from Tannehill to Wingback Melvin Wynne good for 12 yards. Scott got the extras on a quick pitch to make the score 28-0.

Post only had to move 23

yards for their final tally on another Lockney kick problem. Tannehill scored from four yards out. The extra points failed.

Post rang up 163 yards rushing and 43 passing with Scott getting 64 yards in 18 carries, Wynne 49 yards in 10 tries, and Tailback Roy Gonzales 25 yards in four carries.

"Everybody got a lot of playing time and our defense did a real good job," Coach Lane Tannehill told The Dispatch.

The JVs next start will be tonight against Colorado City at Colorado City.

## Frosh win in last 10 seconds

If all the Post football games this season are as exciting as the first one, fans are in for a spine-tingling season.

The Post freshman gridgers pulled out an opening 14 to 6 victory over Lockney in Antelope Stadium last Thursday night with just nine ticks left on the scoreboard clock.

The two teams had battled to a 6-6 draw when Lockney failed on a fourth and two at about midfield with 47 seconds left to play.

Tailback Milton Williams came through right tackle, reversed his field and broke down the east sideline on a 50-yard gainer before being knocked out of bounds on the Lockney three.

On the next play he ran off tackle for the winning touchdown.

Fullback Giles Dalby got the two extra points on a

dive play.

Lockney took the early lead when they scored on a 45-yard run via a quarterback keeper in the opening period.

In the third quarter, Post tied the game when Defensive End R. J. Greathouse picked up a blocked Lockney punt and ran it 17 yards for the touchdown.

In the first period after the Lockney score, Williams ran the kickoff back 75 yards for a touchdown which was called back on a clipping penalty.

Coaches were real pleased with the Post defense, but commented that the offense needs "a lot of work."

The freshmen will journey to Colorado City next Thursday night to play the Colorado City frosh in their next start.

## Lopes 'fired up' in workouts this week

Two high school football teams trying to overcome "first game frustrations" will clash in Post's home opener in Antelope Stadium Friday night when Coach David Thompson's Lopes entertain Coach Tom Ramsey's Colorado City Wolves. The kickoff will be at 8 p.m.

The Lopes, rebounding from their 7-6 loss at Lockney Friday night, had their best practice session of the last two years Monday afternoon.

Colorado City which was humbled by the Slaton Tigers 33 to 0 at home in its opener, managed only 69 yards on offense against the Tigers, had six passes intercepted, and fumbled the ball away four other times.

"I'm disappointed we got beat," Coach Thompson told The Dispatch when asked for his comments on the Lockney game.

He said some sloppy tackling which was evident in the Lockney game was being corrected in practice this week.

Fans who attended the game might be surprised to learn that game films did not show any Lopes offense on the pass play which was called back from the Lockney 25 in the Lopes' fourth quarter drive which fell short.

Officials also said that Lockney had 12 men on the field on the final play of that drive when Quarterback Drew Kirkpatrick was stopped four yards short of a first on fourth down and the ball went over. The official said he couldn't get his flag out of his pocket in time, whatever that meant.

Be all that as it may, Post's Kirkpatrick, Alonzo Luna, and Barry Wyatt all ran well. Kirkpatrick was right on target with his passes too.

Coach Thompson said there were no injuries in the opener and that his only

## Golf tourney this weekend

The Caprock Golf Course will sponsor a Partnership Golf Tournament Saturday and Sunday, Sept. 13 and 14.

The tourney will have three flights.

Entry fee has been set at \$25 per person or \$50 a team.

A 7 p.m. barbecue will be held Saturday at the club house following a long driving contest at 6:30 p.m.

Prizes will also be given for the one hitting closest to the No. 8 pin.

More information may be had by calling the Caprock Golf Course at 495-3029.

starting changes for Colorado City will be to switch the safeties, Mark Holly and Gary Lamb. Holly will move to free safety and Lamb to strong safety.

Lamb also will draw the place kicking chores this week.

Colorado City has its two best running backs returning from last year, seniors

Doug Johnson, 180, and Jay Green, 155. Mark Carter, 160-pound senior, is the quarterback and likes to throw.

His two main targets are Victory Jackson, 145-pound junior, and Kirk Evans, 170-pound senior.

The Wolves run a veer offense very similar to Lockney's.

## Only 2 district teams win openers

Slaton's Tigers lived up to their "district favorite" tag by walloping Colorado City 33 - 0 Friday night while four out of the other five district teams were losing.

Only Frenship with a 15 to 6 win at home over Denver City is still 1-0 for the 1980 season in the district.

Tahoka, Roosevelt and Cooper were all upset with the Lopes dropping a tossup game by a conversion point.

Ralls defeated Cooper, 7 to 0. Lorenzo surprised Roosevelt 30 to 16, and Stanton ambushed the Tahoka Bulldogs 12 to 7.

Two other Lope non-district opponents opened with wins. Floydada edged Dimmitt 14 to 7 and Coahoma lambasted Wall 22 - 0.

The Old Prognosticator "re-retired" after his disastrous opening weekend in which he was wrong five out of eight times.

In games for Post opponents this week, Lockney will be at Petersburg (21;0 loser to Abernathy), Floydada plays host to Frenship, Denver City is at Kermit, Stanton journeys to Coahoma, Tahoka plays Seminole (38 to 0 loser to Andrews), Roosevelt is at home with New Deal, Cooper will play Lorenzo at home and Slaton is at home to Idalou.

Just in case you didn't notice, Littlefield walloped Levelland 47 to 6 and will entertain Slaton in the season's third round next week.

## New grid team to open here tonight

A new Post football team will see its first game action in Antelope Stadium this evening when Coach Randy Josey's 7th grade gridgers play Colorado City with a 5:30 p.m. kickoff.

Danny Foster will start at quarterback for the new club with Rodney Tidwell at tailback, Clifford Redman at wingback and Delton Osborn at fullback.

Up front the offensive line will include David Shults at center, James Mock and Keith Craig at guards, Jerry White and Thomas Basquez at tackles, and Bruce Crenshaw and Mike Bland at ends.

The defensive platoon includes Shults and Kenneth Pearson at defensive ends, Mock and Tim Tanner at defensive tackles, Tracy Price, Osborn and Sam Binford at linebackers, Greg Storie at cornerback,

Tidwell at rover, Greg Adams at strong safety and Kurt Williams at free safety.

Other members of the 41-player squad include Adam Perez, Simon Salinas, Rodney Oden, Sammy Hardin, Keith Tidwell, Keith Hart, Willie Osby, Robert Watson, Jeff Huntley, Jo Dan Williams, Rudy Garza, Donny Payne, Bobby Redman, Teodoro Paiz, Mark Valdez, Benny Hair, Russell Graves, David Loper, Jeffery Clark, Steve Gomez, Brad Sharp and Domingo Sanchez.

Joel Kirkpatrick, David Gonzales and Sammy Bocanegra are the team managers.

Coaches Jay Kennedy and Darrell Radle assist Coach Josey.

## 8th graders kick off tonight

Coach Randy Josey's eighth grade gridgers will open their 1980 season in Antelope Stadium at 7 p.m. tonight against Colorado City in the second game of a twin bill.

Starting on offense for the 34-player local squad will be Danny Storie at quarterback, Greg Massey at tailback, Kenneth Gill at fullback, and Curt Greer at wingback. Up front will be Chuck Morris and at split end, George Rodney at quick end, Keith Osborn and Jim Rainbolt at tackles, Javier Valdez and Paul Perez at guards and Curt Cowdrey at center.

includes Perez and Morris at defensive tackles, Cowdrey and Perez at defensive ends, Osborn, Valdez, and Massey at linebackers, Terry Kennedy at corner back, Mike Ollison at rover back, Storie at free safety and Dennis Lee at strong safety.

Other squad members include Aundrey Rutledge, Albert Nava, Scotty Cline-smith, David Redman, Tony Curtis, Rodney Hays, Mike Johnson, Ray Reeves, Con-or Howell, Terry Steelman, Gary Sanderson, Donald Crenshaw, Tony Soto, Joe Lopez, Victor Robles, Todd Angerer, Ricky Benton, Ron Mason and Rusty Morris.

Radle assist in coaching the squad. Tommy Payton and Wade Smith are the managers.

### \$392,000 FROM SAM STAMFORD

—This community has just received a \$392,000 HUD revitalization grant, as phase two of a three-year \$1,200,000 revitalization program. Between \$60,000 and \$65,000 of this will be spent on improving Stamford's two parks.

### Rites held for Mrs. Cearley

Funeral services for Margaret Cearley, 70, of Denton, a former Post resident, were held Tuesday, Sept. 2 in the Cindy Nichols Chapel of the First Baptist Church in Denton. Burial was in Laurel Land Cemetery in Fort Worth.

She died Friday, Aug. 29. She was the wife of Dr. Jess Cearley former athletic director of North Texas State University.

Dr. and Mrs. Cearley lived in Post several years, while he was a teacher and football coach. She was employed at Bryant-Link Co. and was also the sister-in-law of Mrs. Stanley Butler.

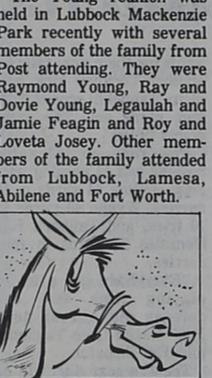

Survivors include her husband of Denton; a daughter, Mrs. Sue Norman of Corpus Christi; three brothers, Dr. Jack Galloway of Dallas and Robert Galloway of Odessa; two sisters, Mrs. Kathryn Watson of Manderville, La., and Marie Varney of San Antonio; and two grandchildren.

Mr. and Mrs. Stanley Butler attended the services.

### YOUNG REUNION

The Young reunion was held in Lubbock Mackenzie Park recently with several members of the family from Post attending. They were Raymond Young, Ray and Dovie Young, Legaulah and Jamie Feagin and Roy and Loveta Josey. Other members of the family attended from Lubbock, Lamesa, Abilene and Fort Worth.

Horses were first tamed in Asia some 10,000 years ago, historians say.

Horses were first tamed in Asia some 10,000 years ago, historians say.

## Eagle Roundup

### Flea Market and Auction

To help replace tools recently stolen from the Vocational Agriculture Building, a Flea Market and Auction will be held Saturday, Sept. 13 at the Southland School.

Farm equipment, desks, chairs, refrigerators, and other items will be for sale. The auction will begin at 10 a.m.

Individuals wishing to sell items or having questions should call 996-5599 V. Ag. Department 996-5439 Rodney Warren, or 996-5339 school. Commission: items less than \$50-30 percent, \$50-\$100, 20 percent and \$100-10 percent.

### Eagles Win Scrimmage

The Southland Eagles' High School football team came out on top in their scrimmage at home with Borden County Aug. 29.

The Eagles scored five touchdowns against their opponents who scored two. Three of those touchdowns were scored by sophomore Louis Milo. Two other sophomores, Andy Wheeler and Ernest Vasquez, each made a touchdown.

Adam Rodriguez left the scrimmage early due to a knee injury. After the game, Dennis Becker required four stitches in his chin which was cut during the game.

### Class Officers — Favorites

High school class officers and favorites were recently elected. The Senior class officers are: president-Cindy Courtney; vice-president, Sherri McElroy; secretary-treasurer, Camille Wheeler; Favorites, Ambrose Davila and Cynthia Wheeler.

Junior class officers are: president, Dennis Becker;

vice president, Sherri Alvis; secretary-treasurer, Samra Rush; favorites, Sam Davila and Bonnie Koslan.

Sophomore class officers president, Andy Wheeler; vice president, Bud Courtney, secretary-treasurer, Olga Hiracheta; favorites, Andy Wheeler and Olga Hiracheta.

Freshman class officers are: president, Ray Diaz; vice president, Terri Hiracheta; secretary-treasurer, Jerry Hiracheta; favorites, Jerry Hiracheta and Veronica Landa.

### Homecoming

Southland's Homecoming will be Friday, Sept. 12. The game is against Patton Springs and will begin at 8 p.m.

The Pep Squad Beau and Football Sweetheart will be announced at half-time. Nominees for Pep Squad Beau are Peter Diaz,

## PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1980

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 35 proposes a constitutional amendment that would authorize the Legislature to permit banks to establish and operate un-manned teller machines within the county or city where the banks are located and to share the use of teller machines on a basis consistent with anti-trust laws, if it finds such operation will serve the convenience of the public. The Legislature has already passed enabling legislation (H.B. 1510) for this proposed amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment permitting the legislature to authorize banks to use un-manned teller machines within the county or the city of their domicile on a shared basis to serve the public convenience."

### PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 97 proposes a constitutional amendment that would grant the State and the accused the right to an interlocutory appeal from the following trial court rulings in criminal cases: pretrial rulings on the constitutionality of a statute; on a motion to quash, dismiss, or set aside an indictment; and on a motion to suppress evidence. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing appeal of certain pre-trial rulings of a trial court in a criminal case by either the state or the accused."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 98 proposes a constitutional amendment that would require a single appraisal of all property subject to ad valorem taxation and would provide for a single board of equalization within each county. The con-

stitutional requirement that the county commissioners court sit as a board of equalization would be eliminated, and elected officials of the county or governing body of the taxing unit would be prohibited from serving as members of the board of equalization.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment requiring a single appraisal and a single board of equalization within each county for ad valorem tax purposes."

### PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 18 proposes a constitutional amendment that would allow the Legislature to authorize the conduct of bingo games by certain specified groups for charitable purposes, subject to the limitations that operation of the games must be approved in local option elections and that all proceeds must be spent in Texas.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize bingo games on a local option election basis if the games are conducted by a church, synagogue, religious society, volunteer fire department, nonprofit veterans organization, fraternal organization, or nonprofit organization supporting medical research or treatment programs and if the proceeds are to be spent in Texas for charitable purposes of the organizations."

### PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the ap-

proval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to grant the governor power to exercise fiscal control over the expenditure of appropriated funds as provided by law."

### PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor who appointed a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the governor to remove appointed officers with the advice and consent of the senate."

### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing counties with a population of 5000 or less to perform private road work."

### PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitution-

al amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

## AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 4 DE NOVIEMBRE DE 1980

### PROPOSICION NO. 1 EN LA BOLETA

Resolución Conjunta #35 del Senado propone una enmienda constitucional que autorice a la Legislatura permitir a los bancos establecer y operar máquinas registradoras automáticas (teller machines) dentro del condado o ciudad en donde están los bancos compartiendo el uso de las máquinas registradoras de acuerdo con las leyes antimonopolistas, si acaso esta operación resulta conveniente para el público. La Legislatura ya aprobó la autorización de esta legislación (H.B. 1510) para la proposición de esta enmienda.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a la Legislatura autorizar que los bancos usen máquinas registradoras automáticas (teller machines) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública."

### PROPOSICION NO. 2 EN LA BOLETA

Resolución Conjunta #97 de la Cámara propone una enmienda constitucional que conceda al Estado y al acusado el derecho de una apelación interlocutoria en los siguientes fallos de la corte en causas criminales: los fallos antes del juicio sobre la constitucionalidad de una ley; sobre la petición para anular, destituir, o desahuciar una acusación; y sobre una petición para suprimir la evidencia.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza la apelación de ciertos fallos antes del juicio de una corte en una causa criminal por el Estado o por el acusado."

### PROPOSICION NO. 3 EN LA BOLETA

Resolución Conjunta #98 de la Cámara propone una enmienda constitucional que requiera una evaluación de todos los bienes sujetos a los impuestos de ad valorem y proveerá únicamente una junta para

revisar avalúos dentro de cada condado. El requisito constitucional de que la corte de comisionados del condado sea la junta de avalúos será eliminado, y a los oficiales electos del condado o de la comisión directiva de la unidad fiscal se les prohibirá servir como miembros de la junta de revisión de avalúos.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional requiere solamente una evaluación y una junta para revisión de avalúos en cada condado para determinar los impuestos de ad valorem."

### PROPOSICION NO. 4 EN LA BOLETA

Resolución Conjunta #18 del Senado propone una enmienda constitucional permitiendo a la Legislatura autorizar que los bancos usen máquinas registradoras automáticas (teller machines) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública."

### PROPOSICION NO. 5 EN LA BOLETA

Resolución Conjunta #86 de la Cámara propone una enmienda constitucional que permita a la Legislatura autorizar al Gobernador para que ejerza control fiscal de los gastos de ciertos fondos financieros previamente asignados, sujeto a las condiciones y

limitaciones proveídas por la ley y sujeto a la aprobación de un comité ejecutivo del presupuesto que constará del Gobernador, Gobernador Teniente, Presidente de la Cámara de Representantes, Presidentes y Vice-presidentes del Comité de Finanzas del Senado, y Presidente y Vice-presidente del Comité de Asignaciones Fiscales de la Cámara de Representantes.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional concede al Gobernador el poder para ejercer control fiscal de los gastos de los fondos asignados según la ley."

### PROPOSICION NO. 6 EN LA BOLETA

Resolución Conjunta #8 del Senado propone una enmienda constitucional que permita al Gobernador remover a un oficial de su cargo aunque este haya sido previamente nombrado por el Gobernador y confirmado por el Senado. El remover al oficial será únicamente bajo el consentimiento del Senado, y si la Legislatura no está en sesión, se convocará una sesión extraordinaria del Senado, la cual no durará más de dos días, para considerar la eliminación del oficial en caso.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que el Gobernador remueva a los oficiales nombrados bajo consejo y consentimiento del Senado."

### PROPOSICION NO. 7 EN LA BOLETA

Resolución Conjunta #121 de la Cámara propone una enmienda constitucional que autorice a los condados con una población de 5000 o menos, que construyan y mantengan caminos privados cobrando razonablemente por el trabajo. Por ley, la Legislatura puede limitar esta autoridad. Los ingresos recibidos por trabajo en caminos privados se pueden usar solamente para construcción, para adquisición de derecho de paso, o para el mantenimiento de caminos públicos.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los condados con una población de 5000 o menos trabajen en caminos privados."

### PROPOSICION NO. 8 EN LA BOLETA

Resolución Conjunta #36

del Senado propone una enmienda constitucional que cambie la jurisdicción y autoridad de las cortes de apelación del Estado. La enmienda cambiará el nombre de Cortes de Apelaciones Civiles a, Cortes de Apelación, dando a estas cortes jurisdicción de apelación sobre casos criminales y civiles. La enmienda cambiará el título de los Jueces Asociados de la Corte Suprema a, Jueces, y requerirá que los miembros de la Corte Suprema sean abogados con licencia del estado de Texas mientras permanezcan en el puesto.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que cambia el nombre de Cortes de Apelaciones Civiles y el nombre y requisito de los Jueces de la Corte Suprema y dicta la jurisdicción y autoridad de las cortes de apelación."

### PROPOSICION NO. 9 EN LA BOLETA

Resolución Conjunta #54 de la Cámara propone una enmienda constitucional que define la propiedad que posee cualquiera de los cónyuges como separada, incluyendo las dos clases—de bienes raíces y los bienes inmuebles—los tales fueron propiedad de alguno de los cónyuges antes del matrimonio o fueron adquiridos después como un regalo, ya sea un legado de bienes raíces, o de descendencia. Las parejas que están por casarse o los que ya están casados, y sin la intención de defraudar a sus acreedores preexistentes, pueden repartirse de vez en cuando, entre si y por escrito, toda o parte de su propiedad. Pueden también intercambiar un interés común en bienes poseídos o que van a poseer por un interés común en la comunidad de bienes. La enmienda permitirá a los cónyuges convenir por escrito que los ingresos o bienes derivados de cualquier propiedad particular seguirá siendo propiedad particular en lugar de ser comunidad de bienes como sería si no existiera este convenio por escrito. La enmienda propone que el regalo de un cónyuge a otro se supone que incluye todos los ingresos y bienes derivados de tal regalo.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a los cónyuges el consentir que los ingresos o los bienes que se derivan de los bienes particulares permanecerán como bienes particulares."

# Cattle marketing by computer launched

COLLEGE STATION — The day has arrived when a producer can sell a load of feeder cattle without lifting a hand other than telling a machine what he's got to sell.

That machine is a computer and the system is called "Cattlex" (for Cattle Exchange).

Cattlex is currently in the demonstration and experimental stage in Texas for the purpose of developing trading techniques and operating procedures for computerized cattle marketing, point out Dr. Ernest Davis and Dr. Tom Sporleder. Davis and Sporleder are economists in livestock marketing with the Texas Agricultural Extension Service and Texas Agricultural Experiment Station, respectively, Texas A&M University System.

"The project will run daily for nine months as a joint effort between the Extension Service, the Experiment Station and the U.S. Department of Agriculture," says Davis and Sporleder. "During this period we hope that those involved will develop the expertise to develop a commercial system similar to this test project."

Computer terminals have been set up at 18 different locations over the state to link together feedlots, order buyers and auction markets. According to the economists, locations were selected based on cattle volumes and density as well as economy of operation. Local county Extension agents can assist producers in contacting computer terminals in their area.

Just how does the system work?

"To begin, a producer requests a grader from a computer terminal location to list and describe the cattle he wants to sell," explain Davis and Sporleder. "The description and listing fee is about \$1 per

SELLING CATTLE BY COMPUTER — Dr. Tom Sporleder and Dr. Ernest Davis check out a new system of computerized cattle marketing called "Cattlex" which is designed to streamline cattle buying and selling.

head payable before the lot is offered over the computer system. Included in the description are such things as sex of the cattle, age, grade, breed, weight and flesh condition. A seller may also put a 'no-sale price' on the lot which means that he does not want to sell for less than a certain price."

This information is then consolidated and transmitted by way of a cathode ray tube (CRT), a television-like screen which is a part of the computer terminal. The information can also be copied on paper by a printer accompanying the CRT.

Each day before the sale begins, buyers gather at the terminal site to review the day's listings on lots of cattle offered for auction. When a sale is made, a printout at both the buying

and selling terminals will present a confirmation of sale.

Both buyer and seller will also receive a copy of the individual description of the lot. Title transfer is at the time of official weighing for ranch cattle and after the sale for delivered cattle.

What are the advantages of such a system of electronic marketing?

"The basics of marketing cattle are not changed by Cattlex," emphasize Davis and Sporleder. "Buyers still bid competitively and sellers still seek the highest possible price. However, the system expands the scope of trading and reduces transportation and stress through more direct movement."

"With the Cattlex system, sellers have the advantage of more purchasers while buyers have more lots of cattle from which to choose without scurrying over the countryside," add the marketing economists.

The trend in recent years toward more local auction sales as well as direct selling on farms and ranches has resulted in more dispersed, low-volume markets too small to attract large numbers of buyers, contend Davis and Sporleder. However, Cattlex centralizes the price negotiation process in marketing livestock without the costs involved in physically centralizing buyers, sellers and livestock.

An added benefit of Cattlex is that it provides fast, up-to-date market

## August slow one for local readers

August proved to be more of a vacation month than a book reading month as far as the Post Public Library was concerned. Or you might say, those going on vacation didn't take any library books along.

Anyway Librarian Peewee Pierce's library report showed only 590 books checked out during the month to bring circulation for the first eight months of 1980 to 6,467 books.

Twenty-seven new books were added to library shelves during the month to bring total volumes to 13,689.

Seventeen reference ques-

tions were answered during the month and three books secured for patrons through interlibrary loans.

The movie projector was checked out four times during the month and 11 films shown to 118 persons to bring the total viewing library films during the year to 1,372.

Fines, book sales and gifts for the month totaled \$19.26 to bring the miscellaneous cash account to \$170.77 for the year.

If Brooklyn were not one of the five boroughs of New York City it would be the third largest city in the United States.

## Jim Huntley to manage WDEF

Jim Huntley, son of Hank Huntley of Post and former Post resident, has been named general manager of WDEF AM-FM in Chattanooga, Tenn., by Roger Turner, vice president-radio of the Park Broadcasting, Inc.

Huntley is known as Jack Starr in radio.

Starr joins the Park group from KHFI in Austin. Previously he worked at radio stations in Louisiana, New Mexico and Tennessee.

Starting at an early age, Starr, 37, grew up in radio at stations owned by his father. He also served as a broadcasting specialist in the U.S. Army.

Turner said: "In Jack Starr, we have an experienced radio professional who is well-versed in all phases of the broadcasting industry. I am confident he will further improve these two stations that are already held in extremely high regard in the Chattanooga area."

He and his wife, Carol, will settle in the Chattanooga area shortly.

Hank Huntley is the owner and operator of the Huntley Nursing Home here.

## Three more Garza wells

Three new wells have been completed in Garza County fields.

Edwin L. Cox has a 58-barrel producer in his No. 4-X B.D. Huntley, five miles northwest of Post in the Huntley field. The production zone is from 3,991 to 4,006 feet with the well drilled to a depth of 4,150 feet.

Ray J. Diekemper, Jr. also has a new oiler in the Huntley field five miles northwest of Post. It is the No. 1 B.D. Huntley which on test produced 22 barrels of oil and 75 barrels of water daily from an interval of 3,304 to 3,530 feet. The well was drilled to 3,700 feet.

The third new well is the Wil-Mc Oil Corp. No. 1 Mary Belle Macy, 14 miles southwest of Post in the Coulter, South field. It tested 60 barrels of oil daily and 90 barrels of water from a 5,250 to 5,278 feet. Total depth was 5,400 feet.

Having problems finding car insurance?

We make it easy!

Several strong companies to choose from for old age, youthful drivers, bad records. Monthly terms.

Tom Power INSURANCE AGENCY POST, TEXAS

## milestones in medicine

The good news now for some 30 million Americans is a new medicine that's been successful in the treatment, relief and control of the symptoms of asthma, emphysema and bronchitis. Phyllocontin Tablets, a prescription medicine developed in England, is being introduced here by Purdue Frederick Company, an international drug research firm. Twice-daily dosage can provide around-the-clock breathing relief.

Encyclopedias. In other board actions, Cornish appointed Mrs. Prather and Mrs. Cornell to the acquisition committee with Librarian Pierce for the selection of new books to buy and rent.

Approved a plan to spend \$30 for cassette tape for some 23 classic and opera records the library has been given on tape available for checking out by library patrons. Phil Alford has volunteered to make the tapes.

Authorized the purchase of several mats and frames for a collection of prints Tom Ryan has given the library. Librarian Pierce was instructed to purchase plexiglass instead of glass for the framing and to obtain frames in which the various prints can be interchangeable.

The prints then will be available for checking out under regulations still to be adopted.

Trustees decided against the purchase of a \$539 microfilm reader because they can foresee little need for one here and one is available at the school.

Trustees put off until their October meeting the rewriting of library policies and any decision on new shelving.

Cornish reported the city council has approved the trustees' recommendations for a salary increase for Librarian Pierce to become effective with the start of the city's new fiscal year Oct. 1, and that both city and county had approved the trustees' requests for \$1,800 from each for library operations this year.

**Chip Polk—**

(Continued From Page One) works, 30 of which were commissioned pieces.

In June, 1980, Polk's novel drawing, "First Dip" went into limited edition print allowing the entire panhandle-plains a glimpse of the pencil artistry of this young former radio personality.

Aside from the commissioned portraits, most of Polk's work is depicting of people and their skills — a bootmaker, carpenter, blacksmith. "I have a particular fascination with people who take pride in their craft, and what they are. They're a vanishing breed," says Polk.

The feature piece of his first show here is a portrait of Pearl Nance of Justiceburg.

Polk soon will be showing galleries in Lubbock, Amarillo, Dallas and Scottsdale, Ariz.

His "debut" show here will continue on a reduced scale through Friday of next week in the bank lobby.

Polk, who got his radio start here on KPOS as a 16-year-old, lives in Plainview with his wife, Robin, and their one-year-old son, Jordan. He is a salesman for Plainview radio station KKYN when he isn't drawing.

**Chaffin in—**

(Continued From Page One) the University of Hawaii, the University of Washington and Texas Tech. I am a veteran and a life member of the Veterans of Foreign Wars and have the honor of serving as commander of the local Post for the past two and a half years. I also had the privilege of serving the people of Post, Texas as a policeman for almost three years.

"I would like the voters of this county to hire me for the next four years. Garza County has been good to me and my family. I now ask you, the voters, to give me a chance to help Garza County and if I receive the cooperation that I received when I was on the police force, I know that we, the people, can make Garza County a safer and better place to live.

"I will exert every effort to visit each and every one before the election to ask for your vote, but, in these busy times, I know that I will miss some of you. To those I miss please know that I want and need your vote and influence and if you see fit to elect me I will work at the job, and you, the people, will be my only employer. Thank you all."

**FRESHMEN CHEERLEADERS** — The freshmen footballers will also start their seasons play in Wolfe Stadium at Colorado City Thursday night beginning at 5:30 p.m. Shown above are the frosh cheerleaders, l to r, Denise Smith, Cindee Jackson and Doris Pringler with Leigh McCook kneeling. (Staff Photo)

**Allsup marathon set for Oct. 4**

The 6th annual Allsup's Marathon will be held in Clovis Saturday, Oct. 4.

Those interested in participating are requested to register no later than Sept. 26. Registration fees on or before that date will be \$5. Registrations after that date will cost \$7 and will be accepted through Friday, Oct. 3 at the race headquarters in the Holiday Inn, 2700 E. Mabry Drive. All proceeds go to the Clovis Track Club.

The marathon, sanctioned and certified by the Ama-

**4-H leaders attend forum**

Several adult leaders attended the South Plains 4-H Adult Leader's Forum held last Saturday, in the Home Economics building on the Texas Tech campus in Lubbock.

Garza County was host for one session for "Involvement of Minority Youth", which had as speakers, Ralph Cisneros, the Lubbock County Agent and Martha Couch, area specialist.

Six different areas of 4-H work were available for leaders to attend and included Camping, recreation, Organizational Leader and Officer Training, 4-H Expansion and New Projects, Scholarships and Awards and Involvement of Minority Youth.

Arnold Sanderson donated one of the door prizes, a wildlife picture he had taken and framed.

Arnold is a vice-president of District 2 Adult Leaders Association.

Those attending were Arnold and Patsy Sanderson, Delores Dunn, Orabeth White, Ruby Jones and Extension Agent Cheryl Walker.

tuer Athletic Union (AAU), will give runners a choice of the full 26.2 mile course, a 13.1 mile course or a 10 kilometer course. The race will start at the Clovis High School track at 7 a.m. According to Lonnie Allsup, president of Allsup's Convenience Stores, Inc. and sponsor of the race, "The marathon will feature an Olympic finish this year. At 12 noon we will present trophies to the winners and we will again award T-shirts to all contestants who complete the race."

Competition reached new heights last year with 356 runners competing, some from as far away as New York and Florida. Individual records for the state of New Mexico were set in all three races with Benito Arellano winning the 26 mile event in 2:33:16; Joe Anaya the half marathon in 1:12:46 and Cliff McCurdy the 10 kilometer in 32:14. A field of over 400 runners is anticipated this year.

Marathon activities will begin October 3 with a spaghetti dinner. Walt Stack, an amazing 74 year old runner, will be the featured speaker. He will also participate in the race.

Persons who desire additional information about the Allsup's Marathon, or who wish to receive a registration form, may do so by writing: Gary Britt, 3201 Wallace Street, Clovis, New Mexico, 88101, or by calling (505) 762.1458.

sary in the near future.

In other actions, the council at its September session:

Named Everette Windham, division superintendent here for George R. Brown, as one of Post's directors on the White River water district board to fill the vacancy left by the recent resignation of Julius Stelzer. His current term will expire in December, 1981.

Appointed Wyvonne Kennedy as temporary city judge for the next six weeks or so while City Judge Louise Greene undergoes surgery.

Approved the sheriff department request that all of their five law enforcement cars be painted the same color. Since two are brown, the department wants the other three painted brown.

The city agreed to pay half the cost for the \$1,375 in painting of the three cars and taking out the dents in a bid submitted by Johnny Collazo, providing the county will pay the rest of the cost.

Maddox submitted the dog catcher's report which showed 40 dogs and 10 cats picked up in August.

The city manager also reported that owners of six trailer homes had been filed on in court for violation of the city's mobile home ordinance, two had paid fines for their violations and three had moved their mobile homes.

He said he plans to file on nine more mobile home owners this week and write letters to 10 to 12 more pointing out violations of the ordinance and giving them notice to meet the ordinance standards or face court action.

The "crackdown" on mobile home violators, mostly for not tying down the homes and "skirting" them, was ordered recently by the council.

The city manager also reported that three abandoned houses have been knocked down by the city's bulldozer in the last week on South Broadway and another remains to be cleared from the site in that area.

**Peede rites—**

(Continued From Page One) and other senior citizen activities here. She was a lifelong Baptist.

Survivors include one son, Jim Peede of Burleson; two brothers, Paul E. Johnson of Stillwater, Okla., and O. A. Johnson of Dallas; one sister, Lena Thrailkill of Gravette, Ark. and two grandchildren.

Pallbearers were W. H. Childs, Max Chaffin, Billy Johnson, Tom Power, Elton Lee and Punk Peel.

**Stolen pickup is recovered here**

Sheriff Jim Pippin said Wednesday Alex Lappan of Post has been arrested on a Brownfield auto theft warrant and returned by Brownfield police to that West Texas town after a pickup truck stolen in Brownfield three months ago was found here by local officers.

The pickup had been stolen from a Brownfield garage and some power and hand tools were taken with the pickup. Some of the tools were recovered in the pickup, Pippin said.

The sheriff told The Dispatch that when Billie Jean Davis, Lappan's mother came to the law enforcement complex to inquire about Lappan's arrest she was charged with false registration of a motor vehicle and paid fine and costs of \$103.50 in city court.

Thomas H. Bowers, also of Post, also came to the station and raised a ruckus over the arrest and was asked to leave. Later when he took it up again with a deputy he was charged with disorderly conduct and paid fine and court costs of \$153.50 in city court on the charge.

Freddie Lee Patterson, 24, of Spur was in the county jail here Wednesday morning charged with forgery and unable to make \$10,000 bond. He was arrested last Thursday by

officers after allegedly making several unsuccessful attempts here to pass checks on the Hudman Service station. The checks, which were reportedly stolen from the service station, were found in Patterson's possession, according to Sheriff Pippin.

Sheriff Pippin said three of the four persons arrested here Sept. 2 on charges of marijuana possession over four ounces have been released on bond. They are Sheril Jean Ford, Kevin Grady Duren, and Randy Joe Babb. Doyle Ray McClellan, the other charged in the case, remained in jail here Wednesday. The DPS lab report on some pills seized in the raid has not been received here, according to the sheriff.

**Davies rites—**

(Continued From Page One) Albert (Lefty) Davies of Post and Clarence (Jelly) Davies of El Cajon, Calif.; and four grandchildren.

Burial will be in Terrace Cemetery under the direction of the Justice-Mason Funeral Home.

The family has requested any memorials be given to the Lubbock Children's Home.

**Farm sale—**

(Continued From Page One)

from 9 a.m. until 3:30 p.m. Saturday only. Booths may be rented for \$10 by anyone interested in having an arts and crafts sale or garage sale. All profit made goes to the individual or club sponsoring the booth. You may rent a booth by calling Orabeth White at 327-5344 or Cheryl Walker at 495-2050.

A noon meal will be served for \$2.50 per plate. The menu will consist of ham, baked beans, potato salad, cobbler, hot rolls and iced tea or coffee. Anyone wanting to come out and eat lunch is welcome. All proceeds from the meal will go to the building fund.

A concession stand will be sponsored by the Garza County 4-H Clubs.

**Postings—**

(Continued From Page One) it of course. But the significance should not be missed. The snakes are coming to town now looking for moisture after the long summer drought. We hope the Tuesday shower will bring "the snake invasion" to a halt.

—O—  
A sure sign of fall arrived over the weekend — that awful taste in the White River water. The lake very obviously is starting to turn over again. But it isn't very bad yet. At least you don't smell it at the tap.
