## Worst deluge in 13 years causes little damage

The bottom fell out of the sky here Sunday morning but did surprisingly little damage.

A six-hour downpour here produced an official 4.65 inches for Post, bringing total rainfall here in a

seven-day period of 9.37 inches.

Right in the middle of it — and about church time — came a 30 to 40 minute power blackout for the entire community. Glen Barley, Southwestern Pub-

lic Service manager, told The Dispatch the problem was on a transmission line miles west of Post.

It was the biggest deluge to hit Garza County since June 8, 1968, and June 4, 1963.

These two "weather blazes" packed both high winds, hail, and a tornado funnel or two.

The 1968 storm dumped up to seven inches of rain across the northern half of Garza County, drowned half

the county's newly planted cotton crop and sent a flood crest roaring down the Salt Fork of the Brazos in north-eastern Garza County that washed out 400 feet of the 16-inch concrete pipeline that supplies Post its water

from the White River Lake. The washout produced this community's worst water emergency in the town's history.

The huge June 4, 1963, thunderstorm remained virtually motionless over Post

for five hours, producing 4.6 inches of moisture, one unconfirmed tornado on the ground near Close City, and a savage hail storm which ripped a 200 square mile area north and west of Post causing almost the entire

38,000 acre cotton crop to be replanted due to either field flooding or hail. Four highways out of Post were closed by high water.

The storm Sunday had neither the hair nor turbulence which caused so much damage in the June storms of the 1960s.

County Agent Syd Conner said many cotton fields have been flooded and all cotton sustained some damage, but the extent of the loss will be determined by whether or not the weather stays wet or turns warm and dry.

While water poured out of fields across roads from four inches to two feet deep, no roads were actually blocked.

The south lake here rose so high that it virtually came up clear across the US-84 highway curve into the city, but traffic continued to move slowly.

The rainfall Sunday appeared general over the county. Rain gauges here measured from 4 to 6 inches. One at the Graham Coop was splashing out at 5.8 inches.

Mike Sanchez, city superintendent, reported between 40 to 50 truckloads of sand and top soil had washed onto city streets in the northwest part of town.

Two loaders were being used by the city Monday to pile up the sand and dirt Monday for removal. This damage was especially heavy on 10th, 13th and 15th street, Sanchez said.

County Agent Conner said a hail storm across a north portion of Garza County two weeks ago probably did more damage than the Sunday downpour. A thousand to 1,500 acres of cotton were reported lost in that storm.

\$301,724 reduction in school surplus—

## 4.7% tax rate voted

A 4.7 cent tax rate, which would reduce the Post schools' estimated \$1,400,000 surplus by \$301,724.53 was voted by trustees at their October meeting Tuesday night.

The 4.7 cents would raise \$2,594,851.48, which is \$301,724.53 less than budgeted expenses for the 1981-82 school year to be paid from local funds.

If the board had adopted

a higher rate, even a penny more, a public tax rate hearing would be required by law because the rate would raise over 3 percent more in total taxes than raised last year.

Supt. Bill Shiver recommended the 4.7 cents. He pointed out this would leave the school district with slightly more than a million dollars in surplus funds to meet expenses until tax

funds come in.

The school district adopted its budget Aug. 25 but has been waiting for a school district taxable valuation total before setting its tax rate.

The district's 1981 tax roll is \$552,096,059, as compared to an adjusted total tax roll for 1980 of \$239,006,511. More of the increase in the tax roll was due to boosted oil valuations than to the

revaluation of all real property in the school district.

In other agenda items:

The board approved a 30-day certificate of deposit at 14 percent interest for \$1,014,271.26.

Supt. Shiver assured the board that the state law has been met locally in bilingual assessment. A total of 106 Post students are having

On \$1,340,011.22 budget—

## County sets 11 cent rate

The Garza County Commissioners Court Monday adopted a \$1,340,011.22 budget for fiscal 1981-82, which began Oct. 1, and set the tax levy at 11 cents.

The new budget includes \$80 a month pay hikes for all elected officials and appointed officials who did not receive a boost last February. The deputies and hourly employees who were hiked in February have been granted a \$60 additional boost. All increases are retroactive to Oct. 1.

The court made the

following allocation from the 1981-82 revenue sharing budget for the first quarter: treasurer commission \$911.90, Post Community Center \$3,375, Justiceburg water district \$2,500, 4-H barn \$5,000, meals on wheels \$1,600, senior citizens \$2,000 and special school \$2,500.

In other actions the court: Reappointed Judge Giles Dalby to the Garza Appraisal District Board, representing the county.

Authorized purchase of a new car for the sheriff's department.

Top candidates interviewed—

## Choice of city manager soon

The Post City Council is nearing a decision on selection of a new city manager.

After interviewing the top two candidates for the position in two separate sessions Monday, the council is expected to hold a special session on Monday night to name one or the other.

Originally the council had a number of candidates for the post. At a work session two weeks ago, the council narrowed the field to four

and invited the quartet here for interviews this week.

One of the four already had secured a city manager position since submitting his application here and another withdrew from further consideration.

That narrowed the choice between two. One was interviewed Monday noon and the other Monday night.

## Rotary pancake supper Friday

The Post Rotary Club is staging its annual benefit pancake supper Friday evening before the Tahoka game and is inviting fans of both schools to eat before going to Antelope Stadium for the AAAA district showdown game.

Funds raised for the supper will go basically to county youth needs with a hoped-for big donation to the junior livestock association's building fund.

**GOLD STAR GIRL AND BOY** — Cindy Basquez and Ken Young were awarded the county's highest 4-H awards at the annual Garza County Achievement banquet held Monday night in the community center. (Staff Photo)

## 4-H awards presented

Cindy Basquez, daughter of Mr. and Mrs. Prudencio Basquez, and Ken Young, son of Mr. and Mrs. Tommy Young, were awarded the Garza County 4-H Gold Star Girl and Boy Awards at the annual 4-H Banquet held Monday night in the Community Center.

The highest 4-H honors given at the county level were presented by Billy Gunter, district executive director.

Gunter, district supervisor. Cindy has been in 4-H for six years and has participated in clothing, foods, nutrition, citizenship, family resource management, home environment and sheep projects. She has been an active participant in the Livestock show, plus the Roundup contests. Last June she participated in the State 4-H Roundup contest at A & M University and has been an officer of her local club, the Junior Leaders.

Ken, has been active in 4-H for eight years, and has participated in all 4-H livestock projects including horse, beef, lamb, and swine projects. He has also served on livestock judging teams. He has participated in the Texas 4-H Congress, Electric Camp and Teen Leader lab activities on the District and State levels, plus a variety of county activities. One of his major achievements was winning the showmanship award for steers and the overall sportsmanship award at the

Garza County Junior Livestock Show.

Guest speaker for the evening was Dr. Bess Haley dean of the Texas Tech University College of Home Economics. She also serves as professor of Home and Family Life. She presented a very interesting and thought provoking talk to the group, stating "You see what you look for in life, so look for the good things and the successful things, be-

## Hearing set on boundaries

The Garza County Commissioners Court will hold a public hearing on proposed changes in boundaries for commissioner, justice of the peace, constable and election precincts at 7 p.m. Tuesday, Oct. 27 in the district courtroom.

The redistricting is required by law following the 1980 census.

The court has been studying the problem for some time as to how to balance the four commissioner precincts, which is the major problem involved.

The winner of this one will be favored to grab district honors. This is (See Postings, Page 16)

## United Fund goal hiked

Greater needs by participating agencies has boosted the 1982 Garza County United Fund goal to \$12,325, an approximate 10 percent increase over the \$11,175 goal for this year.

Five participating agencies were voted increases by United Fund directors at

the budget session in the bank community room last Thursday afternoon.

It is the highest goal here in over 10 years.

The United Fund drive will get under way Monday, hopefully to be concluded by Thanksgiving.

The fund has reached its

goal for the last 11 consecutive years.

"We're asking all fund givers to hike their contributions this year by 10 percent," Drive chairman Jim Cornish said.

He hoped to complete the drive organization this weekend.

Jack Alexander, president of the United Fund board pointed out that despite increases to five participating organizations the board did not grant full requests.

Increases went to the Girl Scouts from \$2,500 this year to \$3,000; Boy Scouts from (See United Fund, Page 16)

Football fever has hit Post this week as players and fans prepare for Friday night's showdown game with the Tahoka Bulldogs in Antelope stadium.

The game shapes up as 48 lively minutes of hard-nosed football. These two rivals really get after it every fall with the Bulldogs holding the upper hand since the Lopes' district title years under Bobby Davis.

This time around, Tahoka had two big bruising 200-pound backs who will hammer a much lighter Lopes line all night long. The Lopes are used to being outweighed. Their quickness offsets much of the weight disadvantage with their best linebacking corps in years helping to provide the Lopes with their best defensive unit since their title years.

## United Fund advantages

The Garza United Fund goal for 1982 has been boosted 10 percent and actual needs of participating agencies are even greater.

United Fund directors are asking that fund givers boost their contributions 10 percent to give the fund a chance to reach its goal.

A successful United Fund drive is necessary year after year after year so that organizations dependent upon public contributions for operations will remain in the fund and not drop out to organize their own individual drives throughout the year.

Garza County has been successful with its fund efforts over the years because of the hard work and drive efforts of a small group of workers and close community cooperation.

Many communities have been unable to combine their fund drives and consequently waste a lot of fund raising efforts by staging numerous drives which usually drain the community far more than a single campaign.

One of the major advantages of the United Fund concept is that fund directors, representing the community, screen the

needs of all participating organizations thus preventing higher fund requests than those actually necessary.

Budget sessions are held to set fund goals. It has helped keep a lot of balance here.

The public can help the fund organization considerably by close cooperation in making pledges and contributions. If the callbacks can be cut to a necessary minimum, the drive can be completed without a lot of wasted effort. That means those making contributions should make their decisions quickly and tell workers how and when they wish to make contributions.

The fund organization sends reminders to those wishing to pledge at drive time and pay later.

Total it up and the Garza United Fund is a business-like way for this community to make its contributions to worthwhile community organizations.

A vast amount of United Fund dollars remains right here in Garza county to finance local youth and charity work.

## In community support

This is National Newspaper Week and a time to re-examine this newspaper's role in community affairs.

Basically, it's also a time to remind ourselves of the public worth of freedom of the American press.

Freedom of the press means that the public's business is conducted in public, not behind closed doors.

In the last 24 years, The Dispatch has had a few problems in this area, but each time the problem has been worked out.

There are many tough community decisions to be made and some of them are bound to bring public criticism. So naturally, there is the tendency to ease past such decisions as quietly as possible.

The Dispatch has refused to go along with such a procedure and generally now all local public boards are cooperating well in the public's right to know field.

This is a healthy situation. Actually, an understanding public is the best guarantee for solutions to public problems.

The Garza Memorial Hospital's financial situation is a good illustration.

For many years the hospital was next to broke. It couldn't afford to do the things it needed to do and maintain its facilities. But the facts were laid out month after month for public inspection by a hospital board which believed in letting the public know.

Consequently, the public rallied behind

the hospital board and voted by a wide margin to triple the small hospital tax rate maximum so the hospital could afford to upgrade its operation and stay in good financial condition.

Another illustration is Post's law enforcement situation.

Public understanding enabled the city council and county commissioners court to combine their law enforcement efforts and split the cost.

Few "one town counties" have been able to accomplish this. But it has proved highly successful here. Law enforcement here today operates at a much more efficient level than ever before. Almost all local crimes are solved.

While some small town criticism of law enforcement officers remain, this is simply basic public psychology which is repeated everywhere.

The Dispatch over the years has had as its policy the effort to aid public understanding in the law enforcement field and to strongly support the cooperative city-county effort.

The Dispatch pledges itself to a continuation of supporting advantageous public projects, to a full presentation of the facts, and to voicing its own opinions on public problems.

We are firmly convinced all of this is in the public's interest.

## Brownie troop 123 is reorganized

Brownie Troop 123 has been reorganized with all of last years members rejoin-

ing and seven new girls to bring the total to 23. Diane Poe will again be the

Brownie leader. The assistants are Betty Dennis and Janet Matthies.

Troop members are Sara Alexander, Sandy Lu Allen, Dianne Ammons, Raelene Bagby, Misty Bartlett, Melissa Beules, Cathi Cash, Daphne Chambliss, Wendy Clay, Tamra Gerner, Lori Guerrero, Sara Hudman, Tamara Jones, Sandra Matthies, Dawna Poe, Shawna Poe, Rubie Perez, Becky Shumard, Delilah Tella, Melissa Tedwell, Angela Wallace, Shelley Wells and Trudy Woods.

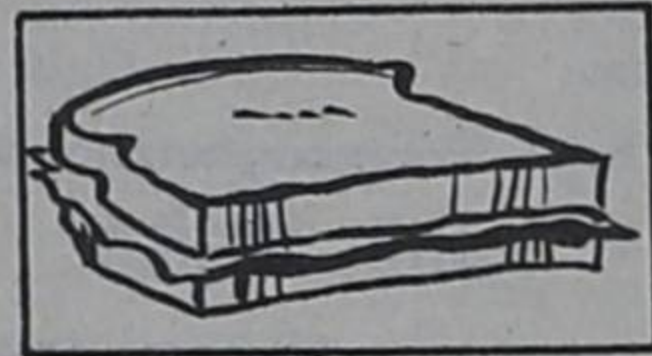

The troop has grown to a size that more adult help is needed. Parents or other interested adults who could help with perhaps one meeting a month, transportation or telephoning are asked to contact Diane Poe at 3069. The meeting time is from 3 until 4 p.m. Tuesdays.

The troop divided into patrols and each patrol elected a leader and she then conducted an election to select the patrol name. The yellow patrol elected Rubie Perez leader and chose "Rabbits" as their name. The blue patrol chose Shelley Wells as leader and decided to be the "Blue Bonnets." The "Pink Roses" elected Sara Alexander as leader.

The Brownie story was read to the girls and they then made coat hanger people to represent the characters in the story. The completed projects are on display at the Post Public Library.

The girls also enjoyed singing and playing games.

The troop appreciates Sharla Wells providing transportation to the meeting during the rain. We also want to thank Doyleene Shumard for filling in when one of the leaders could not attend.

 1/2 cup (1 stick) butter or margarine, divided  
 1 egg  
 1 can (30 oz.) Thank You Cherry Pie Filling  
 1/2 cup chopped walnuts  
 2 Tbsp. brown sugar

Preheat oven to 350°F. In mixing bowl, combine cake mix, 6 Tbsp. butter (set aside 2 Tbsp.) and 1 cup rolled oats (set aside 1/4 cup). Mix until crumbly with mixer or pastry blender. Remove 1 cup crumbs for topping. Add egg to mixture still in bowl; mix well. Pat this mixture into well-oiled 9x13x2-inch pan. Spread cherry pie filling over crust.

Make topping: To the reserved 1 cup crumbs, add the remaining 2 Tbsp. butter and 1/4 cup rolled oats, along with nuts and brown sugar. Mix till crumbly; sprinkle over cherries.

Bake at 350°F for 35-45 minutes or until golden brown. Serve slightly warm or cooled. Cut in 12 generous squares for dessert; top with whipped cream. Or serve as snack-size bars.

Other pie filling flavors (blueberry, apple, etc.) may be substituted. For apple squares, spice cake mix can be used.

### Hart-Pruitt vows said in Lubbock

Traditional wedding vows were exchanged between Cindy Hart and Jimmy Pruitt Friday, Oct. 2 at 6:30 p.m. at 3705 37th, Lubbock.

Ricky Ketron, youth minister of the Southcrest Baptist Church, read the double ring vows before an archway entwined with greenery and daisies centered with a large white bow and brass candleabra with white tapers.

Parents of the bride are Mr. and Mrs. Duane Hart of Lubbock and the groom is the son of Shirley Pruitt.

Presented in marriage by her father, the bride wore a long candlelite dress with a lace jacket and satin bow. Her bouquet was made by her mother and held silk roses and carnations.

Tammy Wreyford of Fort Worth, sister of the bride, served as matron of honor with Carla Maddox of Lubbock as bridesmaid.

They both wore street length dresses of knit and chiffon of peach and beige and carried silk flowers that were peach, brown and beige tied with beige silk ribbon.

Jerry Don Pruitt of Post, brother of the bridegroom served as best man with Randy Harris of Lubbock, groomsman.

Bruce Fellers and Kevin Copeland provided the wedding music and sang "With This Ring" and "Love Will Make Us One."

A reception followed the ceremony in the home with Mary Ann Fellers and Janet Schoter serving in the house party.

Following a trip to Ruidoso, N.M., the couple are making their home in Lubbock. Cindy is a Monterey High School graduate and is employed by Lawrence and Littfield CPA firm. Jimmy is a Post High graduate and is employed at Approved Fence Co.

Out of town guests included J.D. and Nina Pruitt of San Angelo, Norman and Tammy Wreyford of Fort Worth, Macon and Virginia Sims of Post, grandparents of the bridegroom, and Don and Ronnie Sims of Midland.

### 50th wedding reception honors Wilburn Morrises

Sunday, October 11, was a very special day for Mr. and Mrs. Wilburn Morris as they celebrated their 50th wedding anniversary with a reception held in the First United Methodist Church. The reception was hosted by the couple's children and grandchildren.

Not everyone in Garza County was glad to see the rain Sunday, but it only added fond memories for Mr. and Mrs. Morris since it was exactly the same kind of day when they were married 50 years ago in the Graham community. An old saying is that if it rains on your wedding day, it is God shedding tears of joy, and he must have because the couple has had a very rewarding 50 years, living and raising their family in Garza County.

The former Loucille Robinson and Wilburn Morris, children of Mr. and Mrs. J. E. Robinson and Mr. and Mrs. W.C.W. Morris were married in the parsonage of the First United Methodist Church in the Graham Community with E. R. Stiles, pastor, performing the ceremony. The couple made their first home in the Grassland Community where Mr. Morris farmed. They have lived in Garza County all their married life, with the exception of three years spent in Plainview. All their children attended Graham School and all are graduates of Post High School, as is Mrs. Morris.

Mrs. Morris recalled, that one of her grandchildren, Lou Ann Kennedy, graduated from Post High School, exactly 50 years following her own graduation.

Mrs. Morris in recalling some of their early experiences related the events of their rainy wedding day. They had brought Mr. Morris' brother, their witness at the wedding, to town and were returning Mrs. Stiles to her home in the Graham community, when Mr. Morris in backing out of the driveway got stuck.

When he stepped out of the car to get some help, he slipped down in the barrow ditch "mud, water and all" and had to walk to a home near by for help. The man at the house who drove a truck for Mr. Dalby, invited Mr. Morris in to spend the night, out of the storm. Mr. Morris informed the gentleman he had a new bride waiting in the car, and he most graciously got out in the rain to help the couple out.

Mr. and Mrs. Morris have been very active through the years with their children in 4-H projects and

MR. AND MRS. WILBURN MORRIS

Mrs. Morris was one of the first members of the Home Demonstration clubs when they were started in Garza County. She is a member of the Eastern Star and also an active member of the First Baptist Church.

Sunday morning, Mr. and Mrs. Morris and their children and grandchildren, 28 of them, attended services as a group at the First United Methodist Church, and her granddaughter, Lou Ann Kennedy sang a special during the service.

Children of the couple are Mrs. Gene Kennedy of Post, Christy Morris of Post and Joel Morris of Lubbock.

The fellowship hall of the church was decorated in shades of peach and brown

and a cake baked by Christy Morris and decorated by a granddaughter, Carla Josey, was served to approximately 81 guests who braved the rain to help the couple celebrate. Serving during the afternoon were grandchildren, Lou Ann Kennedy, Genetta Mosely of Arlington, Carla Josey of Fort Worth, Phyllis Walker of Post, Connie Kennedy of Post and Connie Morris, a daughter-in-law of Lubbock. Mrs. Nell Windham assisted in the serving.

## Winn's stores supporting 25 health agencies

SAN ANTONIO — As the government continues to cut back on its support to social agencies, it has become more and more necessary for the private and business sector to take up the slack through various volunteer programs.

Because of this, Winn's Stores, Incorporated has established a program that will allow local residents to support the state chapters of the twenty five National Health Agencies.

On Wednesday, Oct. 14, Winn's inserted a special

pamphlet in editions of the local papers including the Post Dispatch for Wacker's. Each time an individual brings the pamphlet into a Winn's store, Winn's will donate ten cents to the volunteer health agency of the individual's choice. There is no purchase required to make a donation.

In making the announcement, Doug Wise, president of Winn's Stores, Incorporated, said, "We have two basic goals in this program. We want to publicize the programs and services of the National Health Agencies and the important role they play in aiding hundreds of thousands of individuals throughout the state. And we want to raise enough money to make a lasting contribution at a time when government support is shrinking."

The National Health Agencies benefiting from the

program are American Cancer Society, American Diabetes Association, American Heart Association, American Kidney Fund, American Lung Association, Arthritis Foundation, Association for Retarded Citizens, City of Hope National Medical Center and Cystic Fibrosis Foundation.

Also, Epilepsy Foundation of America, Juvenile Diabetes Foundation, Leukemia Society of America, March

of Dimes Birth Defects Foundation, Muscular Dystrophy Association, Myasthenia Gravis Foundation and National Association of Sickle Cell Disease.

Other volunteer health organizations include National Easter Seal Society, National Hemophilia Foundation, National Kidney Foundation, National Mental Health Association, Na-

tional Multiple Sclerosis Society, National Retinitis Pigmentosa Foundation, National Society of Autistic Children, National Society to Prevent Blindness and United Cerebral Palsy Association.

Headquartered in San Antonio, Texas, Winn's Stores, Incorporated owns and operates 232 variety stores in cities throughout Texas, Oklahoma, New Mexico and Louisiana.

## Nursing home needs volunteers

United Convalescent of Post has some exciting activities planned. Special outings to area museums, art galleries, and the Garza County Trail Blazers Center are only a few.

Movies are shown weekly provided by the Post Public Library.

Crafts and games are also

provided for the residents. Bingo is a favorite.

Volunteers are needed to assist in many areas. Visits, reading to blind residents, domino and checker playing, and assisting with special parties are some of the ways volunteers can help. There are many others.

If you are interested in

donating an hour or two weekly, monthly, or bi-monthly, please contact Beverly Stansell the activities director at United Convalescent. She can be reached Monday through Friday from 10 a.m. to 3 p.m. Be someone special. Be a volunteer and share some love today!

# Post scores third shutout at Coahoma

## Fast finish for 23-0 win

Coach David Thompson's Antelope defense completely throttled Coahoma's offense at Coahoma Friday night as Post rang up its third shutout in five games enroute to a 23-0 triumph which closed the non-district half of the Lopes' schedule.

Score-wise, the game was a whole lot closer than the final result indicated as Post got a touchdown after recovering a fumble on the Bulldog 15 in the first period, added a safety on a strange kickoff return effort a moment later and then did not put any more points on the board until the final four minutes of the game.

Will Kirkpatrick had his finest outing of the fall with 127 yards rushing on 22 carries, one touchdown, three extra point kicks, and a nifty fourth period pass interception to set up Post's only real scoring march of the game.

The "team" in the zebra shirts almost came up with a better "offense" than either ball club as they "flagged" 22 penalties for a total of 195 yards. The Lopes were whistled 12 times for an even 100 yards in penalties while the Bulldogs were found guilty 10 times for a loss of 95.

So tough was the Lopes defense that the Bulldogs managed but four first downs, two of them on second half desperation passes, netted but 105 yards offense, and never seriously threatening the Post goal-line.

The host club crossed midfield only twice and was never inside the Post 45.

Post had the longest run of the game called back in the third period when Fullback Richard Cisneros broke 46 yards for a touchdown with five Lopes running escort. On that one, Post was flagged 10 yards for holding.

Cisneros, playing defensive end, was probably the outstanding tackler of a tremendous Post defensive effort, repeatedly making tackles at or behind the line of scrimmage.

The game saw two of the strangest plays of the season.

After Post's first period touchdown, Irvin Price kicked off to Coahoma's deep back Manuel Martinez. Martinez grabbed for the ball at the eight, but couldn't find the handle. The pigskin rolled on into the end zone where Martinez picked it up and grounded it there for what he figured to be a touchdown. Officials ruled it a two-point safety for Post and Coahoma had to punt from its 20.

The other came in the second quarter when Quarterback Tim Tannehill was "sacked" for a 25 yard loss which coupled with two penalties found the Lopes with second down and 52 yards to go for a first. They didn't make it.

This is how the action went:

Post drove to the Coahoma 45 after the game-opening kickoff and then punted to the Bulldog 12. On third down, Coahoma fumbled and Tackle Mario Luna recovered for Post on the Bulldog 15.

On third and five, Tannehill threw a 10-yard scoring strike to Wingback Melvin Wynne wide open in the end zone with 4:03 left in the quarter. Kirkpatrick converted.

On the Post kickoff came the Coahoma safety to hike the lead to 9-0. Coahoma punted short from the 20 and Gary Lamb fumbled it away on Coahoma's 44 for the only Post "lost ball" of the contest.

In the second period, the Bulldogs stopped a Lopes drive on their 23.

For the first two periods, Coahoma managed only one first down, failed to cross midfield with the ball, completed no passes and managed but 15 net yards rushing.

Cisneros' 46 yard "called back" run came early in the third as the Lopes moved 60 yards the first time they got their hands on the ball.

Three times in the second half, the Lopes "went for it" on fourth down at midfield instead of kicking. Post failed on a fourth and one in the third, but made the yardage on two occasions during their 83-yard touchdown drive in the fourth.

Coach Thompson said he didn't call for punts on these three plays because he felt the Lopes could move the ball and the defense could contain Coahoma if they failed.

The Lopes marched 61 yards in the third only to be stopped at the Bulldogs 13 from where Kirkpatrick was wide right on a 30-yard field goal try.

Kirkpatrick intercepted a long Coahoma pass down the middle on the Post 17 early in the fourth. From there, the Lopes went 83 yards on 15 plays with Kirkpatrick literally diving over right tackle from the one for the tally with 2:44 left in the game. Tannehill kept the drive alive by rambling 22 yards on a fourth and long situation after going back to pass and finding no receivers open. Kirkpatrick converted.

Coahoma gambled and lost on a fourth down try after the kickoff, giving the Lopes the ball on the Bulldog 40.

On the first play, Tannehill found End Gary Lamb behind the Coahoma secondary for a 40-yard scoring strike for the final touchdown with 42 seconds still on the clock.

The Lopes had 17 first downs, 198 net yards rushing, and added 72 more on four pass completions in seven throws for a 270 yard night.

On the final play of the game, Craig Peel picked off a long Coahoma pass and returned it 20 yards to about midfield.

Kirkpatrick had 127 yards on 22 carries, Milton Williams who alternated at tailback with Kirkpatrick 43 yards on 14, Tannehill 12 for a minus six as he was sacked four times trying to pass, Cisneros 39 yards in five not counting his 46 yard called back "scoring run", and Melvin Wynne five yards in one.

Coahoma didn't complete a pass until they put the ball up for grabs in the fourth with Bulldog receivers catching two for 44 yards and Lopes defenders two for about 27 yards.

The Bulldogs managed only four first downs and 76 yards rushing and never penetrated the Lopes 40 yard line the entire game.

It was Post's best second half offensively this season, a short coming which had become noticeable.

## JVs pile up 6 tds, thump Coahoma

The Post Junior Varsity rolled up 376 yards rushing, led by Tailback David Gonzales 267 yards in 18 carries, as it buried the Coahoma JVs 40 to zip in Antelope Stadium here last Thursday night.

Gonzales scored three touchdowns on runs of 43, 60 and 62 yards. Fullback Giles Dalby added the first td and the last one for the locals and L.D. Harper

scored the other.

Post didn't bother to put the ball in the air and the only pass Coahoma threw wound up in the arms of Post defensive back Santos Espinosa.

Post totaled 19 first downs to 6 for the visitors, who had 117 net yards offense for the night.

The locals tallied two touchdowns each in the first, second and fourth periods.

Dalby climaxed a nine-play 51 yard drive the first time Post got the ball by plunging over from a yard out. Gonzales ran the conversion points. Post then recovered a Coahoma fumble on the visitors' 24 and got the td in four plays with Fullback L.D. Harper tallying from the four.

Gonzales then uncorked his three touchdown runs of 43, 60, and 62 yards.

The final Post td came on a 52-yard drive with Dalby ramming in from the three. Wingback Felix Bustos ran in the two conversion points.

Dalby had 38 yards in nine carries, Harper 18 in 3, Bustos 25 in six, Steven Fluitt five in three, and Robbie Williams 30 in four.

The JVs now move into district play, meeting Tahoka at Tahoka tonight in the windup of a twin bill with the frosh.

## Frosh show good numbers sense

How about 30 first downs, 394 yards rushing, six completed passes in six tries for 52 yards more making it a 446 yard night? Oh yes, add Curt Greer and Mike Ollison with over 100 yards apiece!

That was the mathematics lesson the Post freshmen dished up for the Coahoma freshmen in Antelope Stadium last Thursday night in a 30 to 0 grid romp.

Greer had 171 yards on 13 carries and two touchdowns and Ollison had 110 steps on 15 runs and a pair of tds too. Add to that Greg Massey's 70 yards in 11 tries, Tony Curtis 30 in five, Rodney Hays 15 in three, and John Soto eight in two.

Rodney George and Chuck Morris each had two receptions for 20 and 21 yards respectively, Massey one for six, and Hays one for five.

Quarterback Terry Kennedy had a five for five night in the air and Danny Storie one for one throwing.

It was all pretty impressive — and one-sided.

## 8th graders win

The Post eighth grade gridders put together a long scoring drive in each quarter at Coahoma last Thursday night to score a 28 to 14 victory.

After shoving Coahoma back from their own six and

Obviously, the offensive line did a great job while the Post defensive unit was holding the visitors to 100 yards net offense.

After a scoreless first period, Ollison got the first Post touchdown in the second on a 12-yard run. The td ended a 57-yard drive set up by Hays' pass interception Greer then rambled 20 yards for the second counter and Kennedy passed to George for the conversion points to give Post a 14-0 intermission lead.

In the third, Post drove 72 yards with Greer going in from the 10 and Kennedy passing to Morris for the conversion. Ollison went four yards for the fourth six-pointer to cap a 40-yard drive.

In the fourth, Storie passed five yards to Hays for the final tally at the end of a 56-yard drive and Tony Curtis ran in the extra points.

The frosh will meet Tahoka at Tahoka at 5 p.m. tonight to open district play.

taking the ball on downs on the 15, Post drove 85 yards in the first period for their first tally with Fullback Tracy Price going over from the four. Tailback Greg Adams ran the two-

By Harris Rating System—

## Tahoka-Post clash is rated 'tossup'

The Post Antelopes and Tahoka Bulldogs, each with 4-1 records after a half season of non-district play, clash in Antelope Stadium Friday night with the winner sure to grab the "favorite role" to win the AAAA district grid crown.

Kickoff time this week moves up to 7:30 p.m.

The two teams appear so evenly matched that the Harris Rating System this week called it a tossup although Coach David Thompson's Lopes moved up from 24th to 19th in the Harris power ratings, passing Tahoka 14-13 loser at home to Dalhart. Post has a power rating of 147, Tahoka 142.

Tahoka fell to 40th in the AAA division by virtue of their loss to Dalhart although holding the panhandle club to only four first downs for the game and a net of but two yards rushing.

The Bulldogs got their second touchdown after Dalhart had taken a 14-7 lead and went for the two points and victory but failed to get the ball in.

Coach Thompson reports the Lopes as "healthy and ready."

The starting units for Post will be the same as started the 23-0 win at Coahoma Friday night.

The attack unit includes Gary Lamb, left end; Brad Mason, left tackle; Derrick Walls, left guard; Brent Howard, center; Toby Craft, right guard; Curtis Clinesmith, right tackle; Bill Black, right end; Tim Tannehill, quarterback; Richard Cisneros, fullback; Melvin Wynne, wingback; and Will Kirkpatrick, tailback, with Sophomore Mil-

ton Williams scheduled for plenty of action too at tailback.

The defensive unit lines up with Black at left end; Mario Luna at left tackle; Irvin Price at right tackle; and Cisneros at right end; Jerry Hawkins, Toby Craft and Mike Sullivan at right, middle and left linebackers respectively; Craig Peel at rover; James Lee at strong safety; Kirkpatrick at free safety; and Roy Gonzales at corner.

As in most of their starts this year, the Lopes will be considerably outweighed, but in Tahoka, Post defenders will face the biggest tandem of running backs yet in Danny Thompson, 200-pound tailback with speed, and Johnny Alverado, 225-pound fullback.

will face the biggest tandem of running backs yet in Danny Thompson, 200-pound tailback with speed, and Johnny Alverado, 225-pound fullback.

The Bulldogs primarily are a running team, although quarterback Mark

Hudlin, a 175-pound senior, can throw when necessary.

Coach A. D. Shaver's Bulldogs are expected to send Thompson and Alverado pounding away at the lighter Lope line for all four quarters in plain, hard-nosed football.

Tahoka has played all their games close to the jersey except for blowing out a weak Ballinger club, 55 to 7. Their victories include 14 to 10 over Stanton, 19 to 8 over Coahoma, and 7-6 over Seminole.

The stout Tahoka defense is led by Thompson, Alverado and Richard Payne, 185-pound defensive end. The Bulldogs will start 10 seniors and a sophomore tackle.

In other games this week, Harris calls the Tullia-Lockney clash also a tossup, picks Floydada by 16 over Childress, Roosevelt by 32 points over Cooper, Fresh-

play by two over Slaton, Colorado City by six over Abilene Wylie, and Kermit by 14 over Coahoma.

## 7th graders bow

Coahoma got its only win in five starts with local teams last weekend by pulling out a 24-14 triumph over the Post seventh graders at Coahoma last Thursday night.

After Coahoma scored two first half touchdowns for a 16-0 intermission lead, Post held in the third on its 44 and drove 56 yards for a touchdown. The scoring play was a 10-yard pass from Quarterback Jay McCook to End Steve Price.

Marvin Lee went around left end on a quick pitch for the two conversion points.

Coahoma came back with a touchdown on a long run.

Then Post started late in the third on its 35 and marched 65 yards for the final touchdown with the drive taking most of the fourth period.

Ben Kirkpatrick went right up the middle on a trap for the final 10 yards and the touchdown. A conversion pass was incomplete.

Post will begin district play against Tahoka in Antelope Stadium tonight in a game with a 5 p.m. kickoff.

### Senior Citizens News

Senior citizens of Garza County you are really missing something if you don't come to the Algeria Center for a good meal and good fellowship.

We had a very exciting week this past week. We had visitors from Odessa and Lubbock come to our center and have lunch with us. The Odessa group toured the mill after lunch. We had a group of senior citizens from the United Nursing home to come and visit us Friday afternoon. We sang and had some reading given by several with several old time waltzes played by Ethel Edwards along with other pieces played on the piano. They really enjoyed coming over and we welcome them to come back at anytime.

The senior citizens choir along with Brother Kenneth Cook went to Spur Friday night for a singing. We are to sing at Brother Cook's church the fourth Sunday of this month. We have been invited to Tahoka Nov. 1 for their singing of the month.

We sure do enjoy going and singing for these folks and we always try to make it one night a month to our nursing homes. They really enjoy this.

Ladies you are falling down on your exercise class which we have each morning at 9 a.m.

We have been missing you. We are having our tables fixed with formica tops, they are really pretty, and we only lack two having our dining room finished.

We will be having a cosmetic party Monday evening for all you ladies so come on down and join us.

Close City Extension Homemakers club met last Tuesday and had twelve members present. Anyone who would like to come down please call 2998 and let us know.

We will be having our meeting the fourth Thursday with a business meeting so be sure and attend. Nancy Flanigan will be playing the piano for us during the noon hour.

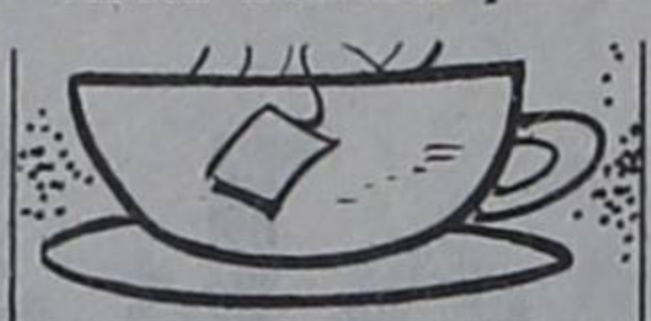

Don't forget our blood pressure check every first and third Thursday and first and fourth Tuesday. Also hearing aid assistance is twice a month. Randy Braken will be here the fourth Thursday from Belton and Mr. Noble from Zenith on Monday usually the first.

### Check time for heating

Fire Marshal Ray Bagby said this week winter is approaching and it is time to check out home heating systems. This includes cleaning the lint from the heater with a vacuum cleaner or a source of forced air.

The air filter in central heating-air conditioning units should be cleaned or replaced to allow an abundant flow of fresh air.

Carbon monoxide poison-

Great Britain imports 100 billion cups worth of tea each year.

ing is always a danger with heating, Bagby points out. You should check exhaust and fresh air vents leading into the furnace to make sure they are not clogged with a bird's nest.

Should you have any question about your heating system contact your gas company on gas heating or the electric company if you have an electric heating unit.

**Texas banks have most farm loans**

AUSTIN — As of the first of the year, 1,212 of the 1,500 banks in Texas held farm loans of more than \$2.9 billion, a spokesman for the Texas Bankers Association reports.

"Of the total amount Texas banks provided for agriculture, \$2.35 billion went for non-real estate purposes, while over \$550 million was devoted to agricultural real-estate lending," said Bob Greer, TBA president, citing results of the American Bankers Association's annual agricultural credit activities report.

"By comparison, Production Credit Associations provided \$963 million; the Federal Intermediate Credit Banks, \$146 million; the Farmers Home Administration, \$865 million; and the Commodity Credit Corporation, \$90 million in non-real estate farm loans in 1980,"

Greer said. In real estate loans, Federal Land Banks provided \$1.8 billion; life insurance companies, \$994 million; Farmers Home Administration, \$324 million; and individuals and others, \$1.9 billion.

Nationally, banks held a total of \$40.3 billion in agricultural loans, 38.3 percent of the market share for non-real estate loans and 9.5 percent of the market share for loans secured by farm land. The total farm debt held by all major lenders during 1980 was up 11.3 percent from the year before.

Greer, who is also chairman, Cullen Bank, Houston, said that banks in Texas are making every effort, through improved lending

programs, to meet the changing credit demands of Texas farmers.

**Births**

Mr. and Mrs. Bobby Jack Moore announce the birth of a baby boy, Kirt Marshall, born October 9, at 12:18 p.m. in Garza Memorial Hospital. He weighed 8 lbs. 2 oz.

Fire experts estimate that more than 600,000 fires per year are the work of arsonists.

## Nazarene church to hold revival

Rev. Bob Ferguson of Tahoka, will hold a series of revival meetings at the Church of the Nazarene, 202 W. 10th Street, Post, Tuesday through Sunday, Oct. 20-25 at 7 p.m. each evening. Along with Rev. Ferguson, Rev. Dale Peirce of Amarillo will be the song evangelist and youth worker for the week.

Rev. Ferguson was born and raised in West Texas and was called to preach shortly after he was converted at the age of 18. Since his first sermon in June, 1954, he has traveled across the Continental United States working with about eight different denominations.

In addition to his evangelistic work, Mr. Ferguson has worked extensively in prisons and spent seven years with the juvenile courts in the Houston area. He has also pastored churches in the West Texas area including, Ranger, Spur, and Higgins; and in the Houston area at churches in Conroe, Texas City and Houston.

Rev. Peirce is a pastor of the South Georgia Church of the Nazarene in Amarillo. He came to West Texas after graduation from the Nazarene Bible College, in Colorado Springs, Colo. He

has pastored at Denver City and Andrews, recently moving to Amarillo.

Rev. Peirce has had many years of work with the youth and is on the District Youth Council of the West Texas District of the Church of the Nazarene. He plans a time of activity and devotion with the teens of the church and all visiting youth of the community during this special youth week emphasis of the revival.

The week's activities will begin with a salad supper at 5:30 p.m. on Tuesday. Bring your favorite salad and join us. Teens are invited to come by the church on their lunch hour beginning on Wednesday for lunch and devotional time with Pastor Dale. Lunch will be provided. Also, Rev. Peirce will have a Bible study at the church for teens only at 6 p.m. each evening prior to the service.

The Post Church of the Nazarene has a growing conviction that the entire community needs to know more about the life Jesus can give. This conviction is shared by Rev. Ferguson and Rev. Peirce and they are committed to this cause during this special week.

Come, hear and see the exciting things happening at

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN — Filming of the movie, "The Best Little Whorehouse in Texas", continued at the State Capitol this week, and more than one tourist dallied near the set to catch a glimpse of stars Burt Reynolds and Dolly Parton.

Burt and Dolly have made themselves scarce, but the public could catch glimpses of co-stars Dom DeLuise and Charles Durning, as well as view the elaborate set-up of klieg lights in the rotunda.

The movie itself has stolen the show from regular state business. The previous gate attraction, redistricting, has moved back to the final drawing board pending official board action next week. Meanwhile, most state officials and legislators remain

back in their districts or out campaigning for one or more of the seven proposed constitutional amendments on the Nov. 3 ballot.

**Redistricting**

Following two days of public hearings, members of the Redistricting Board have moved into the back rooms to put the finishing touches on various versions of maps.

The board is expected to begin considering a vote sometime next week. It must approve a redistricting plan by Oct. 23 or turn the project over to the courts.

Comptroller Bob Bullock, one of the five board members, is still undergoing an alcoholism treatment program in California, but is ex-

pected to be back in time to vote.

In his absence his surrogate, Robert Spellings, has drawn considerable heat from both Republican and conservative Democrat factions for pairing incumbent senators and for alleged gerrymandering of GOP legislators.

Spellings said last week the pairing of Sens. Ed Howard, Roy Blake and Peyton McKnight in East Texas and Sens. Grant Jones, Bob Glasgow and Ray Farabee in West Texas was necessary.

However, some of the senators charged Bullock is conducting a personal vendetta against them. Five of the senators, as members of the Finance Committee, questioned Bullock's departmental budget requests last session, they say.

Republicans are worried that Spellings, acting for Bullock, is pairing Republican legislators with strong Democrats to enhance defeat of GOP members.

Texas Republican Party chairman Chet Upham last week called for Bullock to resign instead of assigning his duties to a substitute on the board.

Upham charged if Bullock can't handle his duties himself, he ought to quit.

Meanwhile, the Republicans found a challenger for Bullock in the 1982 election: Fred Clarke, a Dallas public accountant who has never run for office.

### Agriculture Commissioner

As expected, populist Jim Hightower formally announced his candidacy to defeat Texas Agriculture Commissioner Reagan Brown. Hightower, a former Texas Observer editor and director of the Texas Consumers Association, held a 29-city announcement tour.

He will try to build a coalition of farmers and consumers to wage a war against the corporate middlemen of the food industry, who have watched food prices go up while farm prices have gone down.

Reagan Brown's high volume publicity in the recent Medfly incident hasn't scared off Hightower. "In four years Brown has killed off more family farmers than medflies," Hightower said.

A possible third candidate, Rep. Pete Laney of Plainview, last week promised Brown and Hightower more competition, but declined to formally enter the race.

### Armstrong, Strake

One more hat was thrown into the ring in the governor races last week.

Outgoing Land Commissioner Bob Armstrong, also sitting on the Redistricting Board, officially filed his campaign for governor. Armstrong said he has been testing the waters and found

nothing negative. Now he's going to try to raise the millions of dollars it takes to win that office.

Secretary of State George Strake resigned last week to launch his Republican chal-

lenge to incumbent Lt. Gov. Bill Hobby, who already has a campaign headquarters in Austin.

Strake called Hobby "lackluster."

**Student graduates with three degrees**

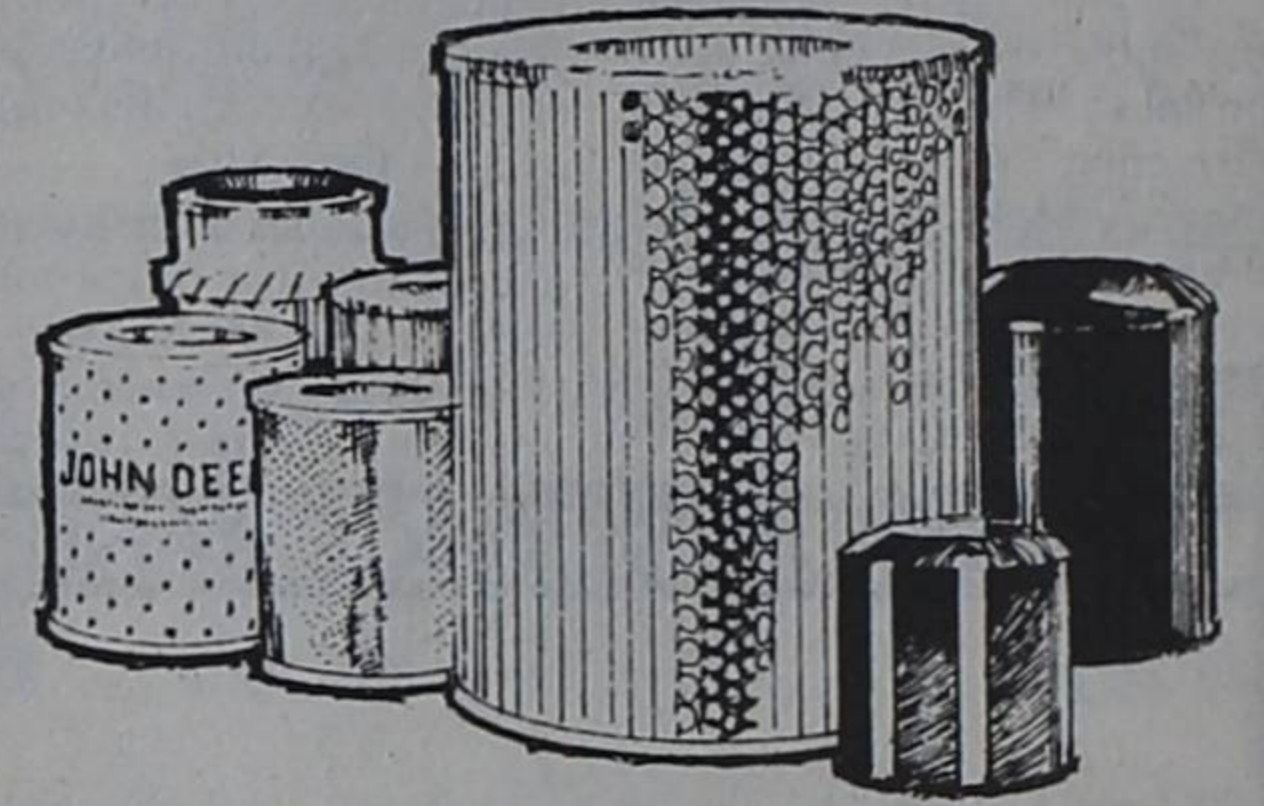

STEPHENVILLE — When Tarleton State University officials told Robert Gilbert of Brownwood he would get the third degree, they weren't kidding.

Gilbert was the first person in Tarleton's history to earn three degrees at the same time. The Air Force veteran received the rare triple undergraduate degree combination in industrial education, government and history during winter commencement. Tarleton is part of The Texas A&M University System.

**COTTON TALKS**  
FROM PLAINS COTTON GROWERS, INC.

LUBBOCK — Officials of Plains Cotton Growers, Inc., Lubbock, almost totally frustrated in efforts to get basic objectives of PCG policy into the 1982-85 farm bill, last week in Washington concentrated part of their time on the current problem of marketing the 1981 crop.

The major points in PCG legislative policy call for a minimum loan at 65 percent of parity and retention of the disaster payment program in effect since 1973.

"On continuing disaster payments, we met solid opposition from the Administration and could get almost no support from congressmen outside the Cotton Belt," reported PCG President Gary Ivey of Ralls. And, he added, "the 65 percent of parity minimum loan wouldn't even fly among congressmen from cotton producing states outside our own section of the Belt."

Meeting with Thomas

Hammer, USDA Deputy Under Secretary for International Affairs and Commodity Programs, Ivey, PCG Secretary-Treasurer Gerald Caswell of Brownfield and Bill Lovelady of El Paso, President of the Texas Association of Cotton Producer Organizations, argued for a lower interest rate on Commodity Credit Corporation (CCC) loans as one way to help reduce the pressure of the large 1981 crop on prices this fall.

Lower interest on loans, they reasoned, would encourage producers to hold some of the 1981 crop off the market in hopes of better prices to come, which in turn should lead to improved prices for cotton sold this fall.

CCC interest rates below the cost of money to government under current conditions would actually result in a saving of total government expenditures, the argument continued, because higher market

prices this fall and the smaller volume of cotton going into the market during the remainder of this year would reduce the size of target price payments.

The target price in the present farm program is 70.87 cents per pound and price deficiency payments will be made to farmers equal to the difference between the target price and the weighted average price received by all farmers for all cotton during the calendar year. The payment is made on each farmer's established yield, not actual production, and cotton going into the loan is not figured into the "average price received by farmers."

"It is estimated that each cent-per-pound of price deficiency payment made this year will cost the government between \$60 million and \$70 million," Ivey explains, "so if farmers do not use the loan this year, prices will either stay at current low levels or decline, costing the government considerably more than it would lose by reducing the CCC interest rate on a few million bales going into the loan program."

The 1981 farm bill is scheduled on the House floor October 14.

# Planning needed for new tax benefits

Rich ladies of ancient Greece seldom traveled without a she-donkey to provide the milk they used as a skin tonic.

**COLLEGE STATION** — New tax laws give individuals and businesses a chance to cut their 1981 taxes — but not without careful planning.

Recently signed legislation — the Economic Recovery Act of 1981 — makes sweeping changes in many federal tax laws, points out Dr. Richard Edwards, economist with the Texas Agricultural Extension Service, Texas A & M University System.

Changes in asset depreciation, investment tax credit, leasing, inventory methods and tax rates can all help reduce the tax bite for 1981, particularly as they relate

to agribusinesses.

**Depreciation**  
Depreciation of business assets is the most significant of the changes, believes Edwards. Previously a complex matter dictated by IRS guidelines, the depreciation process has been simplified through the Accelerated Cost Recovery System. ACRS recognizes the difference between the economic and usable lives of equipment, and most important allows businesses to recover a portion of their equipment costs over a much more realistic time period.

Classes of depreciable

assets have been reduced to three — 15-year, 5-year and 3-year, explains the economist. Most light trucks and cars fall into the 3-year class; fixtures and equipment, the 5-year group; and buildings, the 15-year class. Additionally, the depreciation method is accelerated and changes gradually over the next five years.

The new depreciation table is so structured that December purchases receive the full tax write-off, thus allowing more flexibility in year-end tax planning. An alternative to aCRS allows straight-line depreciation for periods equal to or longer than the life of the property class the equipment would be in if ACRS was elected, noted Edwards.

**Investment Credit**  
New tax laws also have simplified and liberalized investment tax credit. The time that eligible property must be held to get the full 10 percent tax credit has been reduced from seven to five years. Another change is that 6 percent credit is allowed on some eligible assets after just three years.

An additional change relates to the recapture of investment credit (if credit is taken and then the property is disposed of before the minimum number of years are met). The new law, in essence, allows an investment credit of 2 percent per year up to the maximum allowable for each year equipment is held, notes Edwards.

Remodeling of old facilities also provides increased tax incentives. Investment tax credit increases to 15 percent for structures 30 to 39 years and to 20 percent for those at least 40 years old.

**Leasing**  
In the past several restrictions were placed on the ability of leasing agents to show transactions as leases rather than conditional sales. Those restrictions have now been removed, says the economist, to simplify leasing.

**Inventory System**  
Another cost-saving device included in the new tax laws deals with adopting a LIFO (last in, first out) inventory system. This method of inventory accounting is generally preferred in times of inflation because it reduces tax liability, explains Edwards. But in the past it has been based on complex indexes. New tax legislation allows the Secretary of the Treasury to establish suitable indexes as the basis for inventory valuation. This should be especially helpful for small businesses. The changes also will allow a business to spread out the added tax liability associated with the first year of LIFO accounting over three years.

**Tax Reduction**  
Reduction in marginal tax rates for small businesses

also should benefit agribusinesses, believes the economist. Starting in 1982, the marginal rate on income under \$25,000 will drop from 17 to 16 percent, with an additional drop to 15 percent following year. For those in the \$25,000 to \$50,000 bracket, marginal tax rates will also drop 1 percent each of the new two years from the current 20 percent.

Individuals also were granted a reduction in marginal rates under the new legislation. A total reduction of 25 percent will be spread over a three-year period — 5 percent starting Oct. 1, 1981; 10 percent starting July 1, 1982; and 10 percent beginning July 1, 1983. The so-called marriage penalty tax also has been altered.

Beginning with the 1985 tax year, marginal tax brackets will be established to prevent inflation from pushing persons into higher brackets with no increase in "real" income. This should help the situation that most wage earners now face — paying a larger tax burden while seeing a decrease in spendable dollars, notes Edwards.

**Other Changes**  
Many other tax provisions have been liberalized under the 1981 tax legislation, adds the economist. These include individual retirement and Keogh plans, estate and gift taxes, new employee credits, extension of carryover periods for operating losses and tax credits, and treatment of capital gains.

Looking at the current tax year and the changes that have been initiated, Edwards suggests including as many expenses as possible

### Students design filter dispenser

**COLLEGE STATION** — Two enterprising Texas A&M University engineering students have patented a class assignment that will help reduce frustration for some coffee drinkers.

Rodney Hctor of Harlingen and Forrest Heath of Farmington, N.M. have designed a coffee filter container that dispenses one filter at a time.

The Heath-Hctor dispenser will end the annoying task "of pulling a single, fluted, cup-shaped filter from a stack," states the description on United States patent number 4,214,673.

## 4-H awards

(Continued From Page One) cause we are made up of what we are and what we can become. Life is a day at a time."

Kraig Peel was master of ceremonies for the evening with Jana Terry, Sam Butler, Derick Dunn, Rusty Morris and Kayla Peel serving on the program.

The "I Dare You" awards went to Darla Jackson, daughter of Mr. and Mrs. Jim Jackson, and Kraig Peel, son of Mr. and Mrs. Lonnie Gene Peel.

Darla's major projects have been sheep, horse judging and horse projects. She has been an officer of the 4-H Council and of her local club. Kraig has completed projects in horse and sheep projects and his leadership responsibilities include 4-H Council chairman and club chairman.

Bil Hedrick, Neal Clary and Bobby Terry were given Friends of 4-H plaques for their support of the local 4-H program. The trio spent many hours assisting with the Garza County Junior Livestock Show and with many other 4-H activities.

Jana Middleton, daughter of Mr. and Mrs. Tom Middleton, was awarded the J.L. Hedrick Memorial trophy for her accomplishments in the 4-H Horse program. Mrs. Bil Hedrick presented the trophy in memory of her husband.

Record book trophies went to Mark Tyler, son of Mr. and Mrs. David Tyler, Dana Morris, daughter of Mr. and Mrs. Jack Morris, Derick Dunn son of Mr. and Mrs. Ronnie Dunn and Angela Graves, daughter of Mr. and Mrs. Ronnie Graves.

The 1981 Foley award was presented to Korren Payton for her outstanding work in the area of foods and nutrition.

Special guests for the evening included Commissioner and Mrs. Ted Aten, Commissioner and Mrs. T. D. Craft, Commissioner and Mrs. Herbert Walls, Commissioner Mike Cisneros, Mr. and Mrs. Biney White, representing Lyntegar Electric Cooperative, Cheryl Walker and husband James and Syd Conner, and Billy Gunter.

The following awards were presented during the evening:

First year pins, Marlana Adamak, Beth Alvis, Mike Bartlett, Gina Basquez, Donica Bassinger, Sean Bassinger, Tammi Bradlock, Cathy Davis, Blair Didway, Larry DuVall, Patty DuVall, Teresa DuVall, Betsy Ethridge, Brittany Gandy, Rodney George, Jamie Gregg, Kerry Hart, Wanda Hawley, Angela Hlleman, Deana Johnson, Dana Morris, Stevedn Payton, Rebecca Ramirez, Rance Sappington, Mark Tyler, Anissa Wyatt; Second year pins, Tanya Bassinger, Darrell Becker, Traci Bush, Sam Butler, Debbie Ethridge, Angela Graves, Janis Greathouse, Kristy Haire, Shelia Haire, Janell Jones, Michelle McGehee, Keith Peel, Jill Richardson, Susan Sanders, Mandy Schults, Kim Scott, LeDonna Scott, Lisa Shults and Teresa Shults; Third year, Trevah Bush, Clay Cowdrey, Ron Graves, Bart Mason, Korren Payton, Keitha White; Fourth year, Derick Dunn, Russell Graves, Tammy Johnson, Angela Melton, Tommy Payton, Kayla Peel, Kraig Peel, D'Lynn Young; Fifth year, Michael Bland, Curt Cowdrey, Darla Jackson, Rusty Morris, and Melissa Striblin; Sixth year, Cindy Basquez, Diana Basquez, Mike Johnson and Jana Middleton; Seventh year, Tanya Bland, and Renea Melton; Eighth year, Ken Young and ninth year, Jana Terry.

District record book ribbons were given for record books that competed for district honors. Blue Ribbons in junior division, Mike Bland in Achievement; Curt Cowdrey in Shooting Sports; Derick Dunn in Swine; Angela Graves in Home Environment; Ron Graves in Poultry; Bart Mason in horse; Jana Middleton in field crops; Korren Payton in foods and nutrition; Tommy Payton in agriculture; Rance Sappington in sheep; Mark Tyler in photography; and Keitha White in clothing. The red ribbon was given to Michael Johnson in

gardening.

In the senior division record books, Cindy Basquez won third place in sheep and participation ribbons were given to Tanya Bland in Sante Fe, Jana Terry in horse and Ken Young in swine.

Achievement awards went to Rusty Morris in Achievement; Bart Mason, Michael Bland, Tanya Bland and Jana Terry in beef; Cindy Basquez and Jana Middleton in citizenship; Dana Morris and Tammi Bradlock in clothing; Keitha White and Debbie Ethridge, in fashion revue; Angela Graves and Jamie Gregg, D'Lynn Young and Gina Basquez in food and nutrition; Tanya Bland, Janis Greathouse, Kayla Peel, Melissa Striblin in food show; Tommy Payton, and Michael Johnson in gardening; Koren Payton in home environment; Clay Cowdrey in horse; Derick Dunn and Janell Jones in livestock judging; Darla Jackson, Ken Young and Kraig Peel in leadership; Ron Graves in poultry; Mark Tyler and Tammy Johnson in photography; Kayla Peel Keith Peel, Rance Sappington and Diana Basquez in sheep and Curt Cowdrey in shooting sports.

## Postings—

(Continued From Page One) Post's year from a schedule standpoint — as they play Tahoka, Slaton and Friendship all before the home folks and those three teams are rated with the Lopes as the toughest in the district.

People are always asking after a big rain if the White River Lake caught any? So we checked on that Monday. The lake rose 1 1/2 feet after a 3.72 inch rainfall in the lake area and heavy rainfall upstream. This week the water is 57 feet deep at the dam, one foot below the lake's original full level.

The Coahoma school district this summer completed a striking renovation of its grid stadium with all metal stands on both home and visitors side with restrooms beneath and well located concession stands.

Atop those two stands were a pair of the finest press boxes in West Texas. We only wished we had had the school board with us to show them these facilities — which are so badly needed here in Post.

Coahoma has an excellent, roomy press box on the home field side. We and the KPOS broadcast crew had a room to ourselves about the size of the Antelope Stadium press box, with paneled walls, a slanting down glass window, carpet on the floor, complete with both heating and air-conditioning.

We couldn't say enough nice things about it during the game to the Coahoma folks. No. 1 down there — school superintendent for the last three years — is Richard Souter, former Post coach. Souter is proud of the whole layout and well he should be.

If you rated press boxes around the district, Post's ranks last by a wide margin. We know all the school paving is important, but being able to provide for the visiting media sure helps the public image.

The Dispatches annual Oil Progress Edition is scheduled for next week to demonstrate to the community the size and strength of our present oil industry in Garza County.

Ted Aten, president of the Garza County Historical Commission, and Mrs. Ruby Kirkpatrick, president of the museum association, are pictured above with the new additions. Mrs. J. R. Shelton and the museum association jointly provided funds to purchase the Postum items. ## United Fund—

(Continued From Page One)

\$2,500 to \$3,000; Post Special School from \$200 to \$400; Meals on Wheels from \$1,250 to \$1,500; and the Salvation Army from \$500 to \$1,200.

Remaining unchanged in participation are the Red Cross, \$500; the USO \$125; Garza United Fund (for expenses) \$50; and Texas United Fund, \$50.

None of the summer baseball programs had representatives at the budget meeting to request funds.

Directors decided to lump all the baseball programs into one fund of \$2,500, down from \$3,500 last year, to be pro-rated at a special spring budget session.

If baseball needs total above \$2,500, then the fund would be able to commit any over-subscribing of the present campaign, or any United Fund reserves left after payment is made to other participating agencies.

Fund directors want to take a close look at the baseball needs before subscribing funds, pointing out that the baseball concession stand provides a good profit annually.

"We haven't had baseball representative make any requests for two years now and fairness to fund contributors we want to determine actual needs before committing funds to the baseball program," Alexander who suggested the special spring board meeting, pointed out.

One of the baseball problems is that the principal participation in the baseball program is with boys at the minor league level.

## Services held here for infant

Funeral services for Randy Alvarez, two month old son of Mr. and Mrs. Richard Alvarez, were held Tuesday, Oct. 6 in the Bethel Baptist Church with David Pequeno officiating.

The infant was born August 10 in Lubbock and died Oct. 5.

Survivors other than the parents include one brother, Ricky of the home, Mr. and Mrs. Abel Abraham, his grandparents and his grandmother, Mrs. Elena Castro Alvarez of Mexico.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

## WEST COAST VISITOR

Mr. and Mrs. John Gee of Medford, Ore. and Mr. and Mrs. Jim Copeland of California, Ore., visited here with Mrs. Zora Robinson. The Gees and Mrs. Robinson have been friends since 1936. The two couples have visited in 17 states on their current trip.

difficulty with the English language and will receive special instruction as now required by a new state law.

Trustees authorized the superintendent to draw a rough draft of board policies on evaluation of personnel and submit it to the board's attorney for his legal opinion and advice. The school district is now required by state law to evaluate personnel. It has been evaluating principals and teachers since 1975.

Trustees also adopted a board policy that it will seek the advice of the auditor (CPA) through the board president on evaluating the superintendent on his performance in financial matters effecting the district. Shiver urged the board to adopt the policy to protect itself in financial responsibility. The board will receive its annual audit at the November meeting.

Trustees voted to renominate all five present members of the Garza appraisal board. They include Jack Alexander, Judge Giles Dalby, Jack Lott, Wanda Mitchell, and Weldon McGehee.

## \$44,470 due Garza County

State Treasurer Warren G. Harding announced today that this week \$25,770,675.15 will be distributed to the 254 Texas counties. These funds are the Lateral Road Fund administered by the State Treasurer's office as allocated by the sixty-seventh legislature.

The Garza County allocation is \$44,470.28, and the funds will be used for the construction and improvement of county roads.

The lateral road fund is comprised of monies derived from gasoline taxes collected at the pump. The county allocations are based on the county square mile area, the rural population, and the county lateral road mileage. Expenditures of the funds are reported by the counties to the state Treasurer.

Treasurer Harding stated that the distribution includes money appropriated for fiscal years 1980, 1981, and 1982, as well as interest earned on these funds. The 1982 funds are being distributed now rather than at the completion of the fiscal year.
