Post Volunteer Firemen Help More Ways Than One

Thomas J. Wiley Dies Friday In San Benito, Tex.

Thomas J. Wiley, retired Grassland Community farmer, died Friday in San Benito where he had been ill for a long time. He was nearly 89 years of age.

Funeral services were held at 2:30 o'clock Monday afternoon in the Grassland Methodist Church with the Rev. J. E. Peters, pastor, and the Rev. J. E. Stephens and the Rev. D. W. Reed officiating. Pallbearers were Luther Kenley, Claud Thomas, Earl Gregg, A. L. Shepherd, Leroy Davis and Gus Porterfield.

Burial was in the Grassland Cemetery, beside the grave of his wife, who died in 1946. Huddman Funeral Home was in charge.

Survivors are four daughters, Mrs. M. C. Richey of Post, Mrs. J. W. Warrick of San Benito, Mrs. Hettie Richey of Harlingen and Mrs. J. C. Allen of Lubbock; a son, E. J. Wiley, of San Benito, and a number of grandchildren. A daughter preceded him in death.

Mr. Wiley, who was born in Louisiana, moved to Texas at an early age and was married in Blanco County to Miss Nancy Greer. He had been a member of the Methodist Church for 65 years.

All of his children and many members of their families were here for the funeral services.

Garza County Not Credited In T. B. Eradication Yet

Dr. H. L. Underwood of the Fort Worth office of the U. S. Bureau of Animal Industry arrived here Monday to spend four weeks testing Garza County cattle for tuberculosis, at no cost to the owners.

The purpose of the test is to get Garza County re-credited to Tuberculosis eradication. As this is important to the health of the nation, the government is paying all of the expense.

Dr. Underwood is working with County Agricultural Agent Lewis Herron who is asking that all stockmen and dairymen cooperate in the project.

Although all cattle owners will be contacted in time, any who desire further information are invited to inquire at Herron's office, which will be Dr. Underwood's headquarters, in the courthouse.

An effort is being made to get all counties of Texas credited.

Garza Teachers Elect Officers

The Garza County Unit of the Texas State Teachers Association, met last Thursday night at Post High School and organized for the year's program. The following officers were elected:

President, Dean Robinson; vice president, I. J. Duff of Southland; secretary, Maxine Durrett, and treasurer, Lemuel R. Guest of Graham.

Delegates to the District House of Delegates next spring will be Robinson and L. H. Welch.

After the meeting, the teachers attended the football game between Post and Crosbyton B Strings.

These boys from the Post Future Farmers of America Chapter took first place in the FFA Division of the Grass Judging Contest at the Panhandle-South Plains Fair in Lubbock last Thursday afternoon. They are, left to right, Bernard Welch, Charles Bird, Jr., and Billy Taylor, members of the team which won first place, and Melvin Williams, alternate. Bird also was the highest individual scorer among the contestants.

Rainbow Assembly To Sell Subscriptions To Papers

The annual Post Dispatch Bargain Days got underway Saturday with what looked like a record bunch of renewals and new subscriptions. The increase in new subscriptions is attributed largely to the increase in population as the majority of the home folk already take the paper.

Many people, whose subscriptions are paid up until sometime in 1950, have already taken advantage of the annual Bargain Rates to renew. Their renewals will be dated from the expiration dates of the present subscriptions.

The Bargain prices on the Post Dispatch are \$2 for subscriptions in Garza County and \$2.50 for papers going elsewhere. This amounts to a saving of 50 cents.

The Post Dispatch is also authorized to take subscriptions to the Fort Worth Star-Telegram, the Abilene Reporter-News, and the Lubbock Avalanche-Journal, during the annual Bargain Days.

As the good cotton crop prospects are making the subscription sales brisk, the Post Dispatch has engaged members of the Rainbow Assembly to help with the sales.

Any Rainbow girl can take your renewal or new subscription to the Post Dispatch. They will receive a commission for each sale. If a Rainbow girl is not handy, you may renew or subscribe in the Post Dispatch office.

Cotton Ginnings Slowed Down By Tuesday Showers

Cotton ginnings which seemed to be off to a good start last week, were slowed down in some parts of the county which received showers Tuesday. A total of only 139 bales had been ginned in the four gins of the county by yesterday afternoon. The total for the season, so far, is 359 bales.

Gins and the number of bales they have turned out to date are: Planters, 267; Close City, 4; Graham, 98, and Southland 90.

Storie's gin west of Post and the Pleasant Valley gin are just now ready for the fall business. Much of the cotton in their areas is just now beginning to open.

Fire Prevention Week is an appropriate time to pause for as long as it will take to read this article and pay tribute to the Post Volunteer Fire Department which has operated here without pay for nearly half a century and has proved highly efficient in its chosen work as well as one of the city's most consistently benevolent civic organizations.

It is true that each fireman receives from the City of Post one dollar for fighting a fire. In the course of a year's time, the dollars so earned by each fireman are from \$25 to \$30 short of what it takes to pay each man's cleaning and clothing repair bills.

As the firemen are on duty at all times, day or night, it frequently happens that the men have to fight fires in the best clothes. One dollar hardly offsets each fireman's contribution.

Sponsors Iron Lung
In addition to constantly struggling to improve the city's fire fighting equipment and each member's knowledge and skill in fire fighting, the fire department voluntarily sponsors a number of other highly appreciated civic activities, the most important of which probably is an artificial respirator which, in two years time, is credited with saving the lives of three babies.

The firemen are now sponsoring their fourth annual Fire Prevention Poster and Theme Contest in the public schools of the county. While the benefits cannot be measured in altruistic terms, nobody can argue about the wisdom of having all of the school children of the county concentrate on fire prevention during one week each year.

The contest this year will cost the fire department a total of \$37.50 in prizes plus individual time devoted to the project by Fire Chief Homer McCrary and two committees.

Bring Santa To Town
It is the volunteer firemen who spread the Christmas spirit officially in Post each year. The firemen donate their time to decorating the city and they, for four years, have been bringing Santa Claus to downtown Post for an annual visit. The fire (Continued on Back Page, Col. 2)

Baptist Revival Is Drawing Big Crowds
Good crowds are attending the First Baptist Revival services which are being held at 7:30 a. m. and 7:30 p. m. daily at the church.

The morning services are set at an early hour for the convenience of business people and students. The morning services are especially well-attended. The pastor, the Rev. T. M. Gillham, who is doing the preaching, said:

The Rev. Sheldon Russell of Tahoka is leading the singing.

TO BUY PIGS
E. F. Schmedt, Post High School vocational agriculture teacher, and several of his students will go to Oklahoma tomorrow to buy pigs for class work. They will ship the animals home and return on Saturday.

Contest Deadline To Be On Oct. 14

The Post Volunteer Fire Department, which will sponsor its annual Fire Prevention Contests in the public schools of Post and Garza County during Fire Prevention Week, Oct. 9-15, has announced that Oct. 14 will be the deadline for submitting entries. Judging will take place that afternoon.

In regard to the poster contest, Fire Chief Homer McCrary said that the teachers of the rural schools will select the top 10 entries and bring them to town where they will be put with the top 10 from the Post Grade School for final judging. From these posters, six cash prize winners will be selected, and awards will be made as follows:

First, \$7.50; second, \$5; third, \$4; fourth, \$3; fifth, \$2, and sixth, \$1. The five best posters will be sent on to the State Fire Prevention Poster Contest early in the spring.

The poster contest is being handled by Robert Cato, Bill Carter and Kenny Cash. They will display the best posters in a downtown store window after

Mrs. Albright Is Claimed By Death Saturday Morning

Mrs. Laura Louise Albright, who moved here in 1919 and would have had her 30th anniversary as an employee of the Post Mills next month, died at her home at 1:10 a. m. Saturday. She was 83 years old and had continued working, although she was in poor health, until two weeks before her death.

Funeral services were held at 3 o'clock Sunday afternoon in the Calvary Baptist Church, with the Rev. O. L. Jones and the Rev. H. E. McClain officiating. Burial was in Terrace Cemetery under the direction of Mason and Company.

Pallbearers were Ben Mathis, Hiram Sanders, Roy Baker, Bill Windham, Raymond Young and Roy Gary.

Flower girls were Rita Faye Nelson, Alma Lee Morris, Annie Odum, Beulah Earick, Nettie Bowen and Ima Lee Swanger.

Honorary pallbearers were Claude Bailey, J. D. Morris, Kike Beauchamp, Marshall Mason, O. V. McMahon, Dr. Glenn Kahler, Mitchell Bowen, Marvin Huddman and Harve Mathis.

Mrs. Albright's husband preceded her in death. She is survived by a brother, Young Hervey of Loraine and a sister, Mrs. Amanda Albright, of Roswell, N. M. As she had no children, she had been "adopted" by Mr. and Mrs. Bill Sanders who looked after her.

Mrs. Albright, who had been a Baptist since childhood, was active in church work. For many years she taught a Sunday School class and served as an organist.

She was born in Bosque County in 1865.

Rummage And Bake Sale Are Planned

The Rainbow Assembly, which is doing all sorts of things to raise money for the year's scheduled activities, will sponsor a Bake Sale and Rummage Sale in downtown Post Saturday.

The public is invited to participate, the mother adviser, Mrs. Mary Fumagalli, has announced.

LOCAL MARKETS
Eggs are up 2 cents and grain is up 10 cents over last week's prices paid by local firms. Yesterday's quotations, the courtesy of local firms, were:

No. 1 milo grain and kafir	\$1.60
No. 1 eggs	50c
Light hens, lb.	15c
Heavy hens, lb.	18c
Cocks, lb.	8c
Fryers, lb.	23c to 27c
Cream, lb.	80c

McCrary Is Supervisor Of District

SOIL CONSERVATION ELECTION IS HELD

Giles McCrary was one of approximately 30 ranchers or farmers elected to a five-year term as district Soil Conservation supervisor in the state of Texas in elections held in various parts of the state Tuesday.

Approximately 50 people, including members of two GI vocational agriculture classes, attended the local meeting which was held at the courthouse Tuesday night.

McCrary, who has done an outstanding work in the district with his own soil conservation program, was the only candidate. He succeeds Will Wright as supervisor.

Lewis Herron, county agricultural agent, was in charge of the program which was held in connection with the election. A film on growing cotton in this area was shown by Lewis Nance, coordinator for the GI vocational agriculture program in this county.

J. H. Taylor of Spur, District Conservationist, discussed the duties of the district supervisor and the work of this Soil Conservation zone.

Shallow Tests In Justiceburg Area Will Begin Soon

Two more shallow tests in the Justiceburg area are scheduled to get under way in the near future on property leased to Humble.

Location was staked Tuesday on John S. Reed's place, east of Justiceburg. It is the east half of Section 135, Block 5, H&NGN Survey.

It is understood also that a location will be staked soon on property owned by J. C. Dorwood, east of Justiceburg.

Seaboard Oil Company of Delaware No. 1 OS Ranch, scheduled 8,250-foot prospector to explore the Ellenburger 15 miles south of Post, last weekend was making hole past 6,760 feet in shale.

Rogers Brothers and Stewart of Wichita Falls No. 1 Wahlenmaier, wildcat in the Canyon Valley Community, by last weekend had treated open hole between 2,806 feet and the total depth at 2,817 feet with 2,000 gallons of acid and was swabbing approximately one barrel of oil per hour after the acid residue was swabbed out. The operator was continuing to swab while considering whether or not to retreat the pay section to try to increase the oil production.

Carter G. White Takes Fair Honors
Carter Gene White, son of Mr. and Mrs. L. C. White, west of Post won about five blue ribbons at the Panhandle-South Plains Fair in Lubbock last week.

Among the awards which he won was the Lubbock Kiwanis Club's \$10 award for the best grain sorghum display by a club boy.

At least four of his first places were won in open competition rather than in the 4-H division, in which he is a traditional prize winner.

Oil Unloaded On Caprock Highway
An oil truck unloaded a tank full of oil on Highway 84 in the Caprock area yesterday morning, and it was necessary for Jake Webb and his highway department crew to spend quite a bit of time and money putting sand on the incline to eliminate the danger involved.

Sheriff E. M. Bass, who investigated the situation, said last night that it was not known whether the truck was unloaded deliberately or accidentally.

Gearhart Horse And Bird Saddle Found
Lubbock police joined the Garza County sheriff's department last Thursday in the search for a 5-year-old, 14 hands high red and white horse, with "silver-horn saddle and bridle" which was believed to have been stolen here.

The horse was found, however, by its owner, Guy Gearhart. The saddle belonged to Jimmy Bird.

NEGRO ARRESTED
The Garza County Sheriff's Department arrested a negro man in the flats Tuesday and turned him over to the Lubbock Police Department which wanted him for forgery. He is alleged to have forged two checks here and a number of checks in other West Texas towns.

LOOK WHO'S NEW!

A son was born to Mr. and Mrs. Paul Mayr of Kerrville at 6 p. m. Saturday. He weighed 8 lb. Mr. Mayr formerly was pastor of the Church of Christ here.

ROGER W. BABSON WRITES THIS WEEK:

Proper Diet Should Be Required For Delinquent Children

BABSON PARK, MASS., Sept. 30. I am not a dietician and am not justified in discussing what the average reader should eat or not eat. This is something a physician should advise you only after a careful examination.

Importance Of Health
In connection with my colleges, Babson Institute at Babson Park, Mass., Webber College at Babson Park, Fla., and Utopia College at the "Center of the U. S.," Eureka, Kans., we have given much thought to "brain food." Of course, your sons and daughters are best able to successfully carry on their college

work by being in all round good physical condition. Good health requires a normal mixed diet along with plenty of sleep, fresh air and exercise. Diet fads are as silly as other fads. Good habits usually assure good health; and good health usually results in good marks. If your child does not do well in school or college, it probably is due to bad habits or wrong food.

What About "Brain Food?"
Authorities do tell us that certain foods are helpful to certain organs of our body. This especially applies to the brain. Our brains appear to grow best on phosphorus, glucose and oxygen. These products are most easily assimilated from salt-water fish, eggs, vegetables and fruits. We especially should avoid unnatural and adulterated products and insist upon a

good diet of proteins, mineral salts and vitamins. Those of us who are dependent upon our brains should—I am told—also cut down on sugars, starches and fats.

Doctor Louis Berman, author of the most interesting book, *Food and Character*, published by Houghton, Mifflin Company says that our brains feed upon lactic acid derived from glucose and that oxygen and lactic acid "burn to make that inner fire which is the soul." Naturally, iron and traces of other minerals function as catalysts in feeding the oxygen from the air through the blood to the brain cells. The great dependence of the brain upon oxygen is shown by the fact that, upon the failure of a sufficient supply of oxygen, our brains are the first to lose consciousness, ceasing temporarily to function.

Suggestions To Colleges
This column is not written to give any reader medical advice. My purpose is to appeal to colleges to give more attention to the eating habits of their students. Colleges insist that the students be at classes at 9:00 o'clock and remain in the class fifty minutes, yet these same colleges have no rules as to whether the students spend five minutes or thirty minutes on eating a breakfast which is far more important than their class work.

When it comes to other meals, the policy seems to be to feed the students what they want which mostly consists of starches, fats and sweets which they should eat only to a limited extent. Certainly, colleges would be justified in having a special table for those students behind in their grades, insisting that—

until they get caught up—they have regular meals, spend a half hour at the table and eat a special diet. Frankly, I believe if colleges would spend more money on food, students might learn as much in three years as they now do in four, especially if in the right climate.

The above thoughts also apply to public school lunches. Most large schools now have dieticians but these women are used chiefly to keep down costs and avoid waste. If they don't supply the children with enough hot dogs, coffee and cakes, the kids go on a strike! These dieticians know what the children should eat, but are largely helpless in getting the children to eat properly.

Certainly, the dietician should have absolute control of the lunches eaten by the children who are behind in their studies.

This is only reasonable. It would be giving the dietician no more power as to lunches than what the teachers now have as to lessons, hours and behavior. Not only would such a special diet be a real help to the backward children, but it might result in a better diet for these children at home. This would surely help their marks.

James A. Garfield, who died at 49, lived the shortest life of any U. S. President.

Garza and the World

By EVELYN BOYD

Could it be that Mr. Truman really didn't know that Russia has had the Atomic Bomb for three years?

Could it be that the President of this great, blundering United States has fallen prey to Communist Russia's intelligent poker-faced politics?

Could it be that Mr. Truman is clutching at a far-fetched straw, in an effort to substitute emergency authority for the people's fleeting confidence in him?

For instance, could it be that a dramatic disclosure of the "news" that Russia recently had an atomic explosion would arouse in the powers that be enough patriotism to settle the strike questions that are now threatening the nation's economy and peace of mind?

In this connection, could it be that Mr. Truman has forgotten that John L. Lewis' miners walked during most perilous stages in World War II?

Could it be that the President failed to anticipate the fact that Russia's propaganda specialist would seize upon his announcement as a weapon for the Communists' own political battle with the United States?

Whatever Mr. Truman's motive was in leaving the impression that the recent atomic explosion in Russia was the first indication that Russia has the atomic bomb secret, this writer is at a loss to say whether the move was good or bad.

The announcement served one great purpose in awakening the lazy, smug and uninformed U. S. public to the imminence of atomic warfare. If Truman intended to do this, he chose an excellent time for best results.

He chose a time when the United Nations needed such a reminder to keep from losing more ground.

He chose a time when the public was on the fence regarding its attitude about the strike situation. This should serve to swing the public toward industry's viewpoint without losing face for Mr. Truman who is pledged to stick by labor.

He chose a time when Socialist England was tottering on the verge of bankruptcy and so-called Capitalist U. S. didn't seem to care. An emergency would make the panicky people of this nation stick with the government in its paternalistic attitude toward England.

He chose a time when his election platform was practically proven to be a failure—at least insofar as this year's Congress is concerned. He needed prestige, and giving the people a good healthy scare might get it for him.

He chose a time when the United Nations was stymied on the all-important question of atomic control. Now, something will have to be done about control and this could release atomic energy for use in things constructive rather than merely destruction.

He chose a time when the financially bled corporations need a shot in the arm and scared potential investors need a sure thing before risking their money. The use of atomic energy in industrial development will be as economically revolutionary as was the printing press invention in the 15th Century and the invention of the steam engine in the 18th Century.

He chose a time when Congress was threatening to cut the arms aid to Europe. Calling attention to Russia's having the atomic bomb now will hasten the arming of Europe.

He chose a time when the top branches of the armed forces were at each other's throats and unity seemed

impossible. An emergency might make these various branches shelve and forget their petty jealousies, and he chose a time when Congress was wasting time over petty issues such as deep-freezes instead of attending to what he considers important pressing matters.

However, Russia's use of this "news" release in political dickering with the scared United States and the rest of the harassed world could well offset all the above advantages.

The New York Times says: "The trouble with Russia's atomic policy in the past was that it was all hook and no bait. The Russians wanted us to agree not to use atomic weapons in any circumstances whatsoever. They asked the United States to destroy all our bombs, finished and unfinished, and to prohibit the production of any other atomic weapons in the future."

"If we would agree to these things, they said, they would then agree to discuss a system of international control. Not even the pinkest fish around the Potomac would look twice at this hook."

"Now, however, Mr. Vishinsky has some bait for his hook. On the evidence of the President of the United States, he has atomic power of his own to discuss. He can now negotiate on what, in propaganda terms, appears to be equal terms."

"Very well, Mr. Vishinsky can say, let us speak in specific terms. You in America rejected our past proposals for destroying all atomic weapons. You thought we were trying to deceive you into giving up your best weapon without an equal sacrifice on our part. Well, we have the weapon now, as you admit, and we repeat the offer."

"Difficulty with such offer is that, to mean anything, it must rest on the one thing that does not exist in the relations between Moscow and Washington—good faith."

"There is not a chance that the Truman Administration would assume Moscow's willingness to establish a foolproof control system at some future date; and for all these reasons the offer to destroy the Soviet bombs would undoubtedly be rejected."

"The fear of an atomic war, so strong in Europe, would be used to encourage a policy of appeasement, and all the desires of man for peace, unity and prosperity would be invoked to pay concessions out of the United States government."

"The Soviet Union has, of course, employed the strategy of fear before. Soviet officials tried it early in the postwar period in France and Italy. They employed it with considerable success in the political development of the Communist satellites of Eastern Europe. They have been using it again during the past year in their ideological and strategic struggle with Marshal Tito in Yugoslavia."

"Now they have the mastery of the atomic secret, the supreme weapon of terror; and the best guess is that they will not hesitate to use all their resources of propaganda to gain political and economic concessions."

From this point of view, it appears that Truman's announcement of Russia's atomic explosion was much more effective than would have been Russia's announcement, without proof, of the same news.

THE POST DISPATCH

ESTABLISHED IN JUNE, 1926

Published Every Thursday at the Dispatch Publishing Company Building in Post, Garza County, Texas.

E. A. WARREN, Publisher-Editor

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Minute Editorial

Most people have a touch of the gambler in their make-up. But only a few go to extremes in wagering on the horses, the dice, and other unbeatable games. However, many millions do the most dangerous gambling in the world without knowing it. They risk their lives, their savings, their jobs, by taking unnecessary chances. Gambling with fire is a perfect example. Do you pile up junk you don't know what to do with in closets and attics? Do you put off until tomorrow the repair of that frayed electric cord? When you lack a new fuse, do you put a penny behind a burned out one to restore the circuit? Do you luxuriate in bed with a cigarette going? Do you keep on using a heating system that doesn't seem quite as efficient as it ought to be, without calling in an expert to look it over? Do you store paint and solvents and other such flammables in any old container that comes to hand? When you have a chance to learn about fire safety—as during Fire Prevention Week—do you open your mind to it or do you figure it's a dull business and no concern of yours? A list such as this could be extended for many pages. These are just a few of the "long shot" bets that can result in a fire—and do exactly that on thousands upon thousands of occasions in this country each year. The result is more than 100,000 horrible deaths and a property loss of over \$700,000,000. Are these gambles worth it?

What Our Contemporaries Are Saying:

KIDS ON BIKES AND SIDEWALKS—Canyon has an old city ordinance which prohibits riding of bicycles on the sidewalks. Perhaps it is antiquated, but all over the state there is a demand to keep the kids with bikes off the sidewalks. With kids on bikes ganged up, some one is liable to get hurt. At the same time, forcing all of the kids to ride on the heavily congested streets might be equally dangerous. Fifty-fifty proposition.—The Canyon News.

VOTING MAY COST \$2—Just what is going to happen to the poll tax situation in Texas? According to the law, poll taxes are payable on October 1. There is an election on constitutional amendments on November 8 when the question of whether or not the poll tax shall continue in Texas. The joker is that instead of repealing the poll tax in Texas the constitutional amendment would set up a registration system which would cost each and every voter \$2.00. This

applies to ALL PERSONS, regardless of age. At the present time those who are over 60 years of age are exempt from paying poll tax.

It is pretty evident that many voters are becoming so suspicious of the ten amendments that all may be defeated. So far there is no organized support for the amendments, while there is plenty of opposition to many of the amendments.—Canyon News.

HOW TO GATHER CROP—Roll out the plush carpet. Fatten the gilded pig. Move out of your home into the cotton pullers shack, redecorate and furnish your home with the best money can buy; turn it over to the cotton pullers, and you may get some Mexican nationals to help you pull your cotton this fall.—The Crosbyton Review.

Fog indicates approaching fair weather.

William Pitt was prime minister of England at the age of 24.

I WANT QUALITY DRUGS

FOOD FOR THOUGHT—J. S. Edwards, Sr., made the comment last week that as a man gets older his heart and his head get softer.

It is also said that wealth will not make one happy, but you can be miserable a lot more comfortably.—The Slaton Slatonite.

A STINKY WRECK—A nd speaking of the railroad and what they carry, one railroad man told me of the things he noticed on a list of things that were being moved on a single diesel powered freight train. One car load of toilet water, two car loads of women's rayon slips, three car loads of sulphur and a long list of other commodities. "Wouldn't that make a stinking wreck, said he."—The Slaton Slatonite.

TRUST TAKES BEATING—It is unfortunate that trust has been abused by so many people in recent years.

It is never safe to pick up a stranger on the highway. When a good turn reaps death, it is an embittering thought, indeed. The body of a Brady man was found, face down, recently in a highway ditch six miles northwest of the Central Texas town. A woman and a girl, 15, were arrested in a San Angelo bus station—and the woman has been accused of murdering and robbing the man, who had given them a ride at Brady, after being in the car only a few minutes.

This incident should serve to warn all Texas motorists not to pick up strangers... and certainly not the more dangerous of the species, a woman hitch-hiker.—The Kaufman Herald.

Twenty-one guns comprise the national salute to The Flag. Bees have four wings.

Passing through the Panama Canal from the Atlantic to the Pacific, one travels from west to east.

Women are not eligible for Rhodes Scholarships.

Only persons who have been dead for ten years can qualify for election to the Hall of Fame.

Southland Man's Father Claimed

Funeral services for E. A. Winterrowd, 82-year-old father of J. F. Winterrowd of Southland, were held Monday afternoon at the Southland Church of Christ. He died at 3 a. m. Sunday at his home in Lubbock.

Vaughn Shofner, minister of the Southland Church of Christ, officiated. Burial was in the Southland Cemetery.

Winterrowd, a resident of Lubbock for many years, was a retired carpenter.

He is survived by his wife; two sons, Clarence of Lubbock and J. F., and a daughter, Mrs. Mamie Onstead of Lubbock.

Fire Prevention Week Is Time To Check On Safety

The most dangerous years for fire are from 1 to 5. More than 2,000 children in that age-group are killed by fires, burns or scalds annually, the National Board of Fire Underwriters says.

The safest year for children from all accidents and diseases, according to life insurance statistics, is age 11. Children that age are better able to take care of themselves, are not so susceptible to children's diseases, and yet are still young enough not to wander too far from home. However, children of all ages still must be protected from fire.

Fire continues to lead all other accidental deaths in youngsters 1 to 5, the fire authorities warn, and accidents are still the leading cause of death in young children. One-third of all home accidents of small children are caused by burns.

Great strides have been made in fighting the children's diseases but fire continues to take its yearly toll. The National Board urges parents to use Fire Prevention Week this year to establish these few home rules for the children's safety:

How to Keep Children Safe

1. Keep children in sight at home. If possible, keep them out of the kitchen.
2. Keep matches out of their reach at all times.
3. Turn pot handles inward on stoves so that children's hands can't reach them.
4. Place a metal screen in front of the fireplace where children are likely to play.
5. Don't dress children in flimsy cottons or net fabrics. Many manufacturers flame-proof their masquerade costumes. Look for this information

Please Send News Not Later Than Monday to HENRIETTA NICHOLS Verbena Correspondent

Douglas Buchanan of Pecos is spending part of his vacation with relatives and friends in Verbena and Post. He is a brother of Mrs. Beulah K. Rodgers. He plans to spend part of his vacation with his mother, Mrs. Kate Buchanan in Spur.

Mr. and Mrs. Al Bird were hosts with a dinner in their home the evening of Sept. 29. Guests were Mr. and Mrs. S. F. Everett, Mr. and Mrs. Jack Taylor and Mr. and Mrs. Dick Cravy. The dinner was prepared by a cooking ware agent who demonstrated the advantages of using the utensils which he had for sale. In a contest, Mrs. Taylor won the guest prize, which was a stainless steel cake server.

Mr. and Mrs. J. W. Edwards and daughters, Evelyn and Charlene, and son, John Alfred, and two friends, Miss Eline Chancellor and Lee Roy Brant, all of New Home visited Sunday in the home of Mrs. Isabel Nichols.

J. D. Bullard and family spent the weekend in Lubbock.

Jim and Clay Ferguson arrived here Saturday from Bend to stay for an indefinite time.

Lester Nichols of Post spent Saturday night in the home of his grandmother, Mrs. Isabel Nichols. After dinner Sunday, he and John and P. S. Nichols, J. W. Edwards and son and Lee Roy Brant and Clay Ferguson attended the baseball game in Post.

Mrs. Isabel Nichols, who has been quite ill with a cold, is greatly improved but was still having to stay in bed this week.

Wayne King of Palestine, who has been visiting his uncle and aunt, Mr. and Mrs. Floyd Davis, returned to his home last Thursday.

The Jack Taylor home was the scene of an informal party the night of Sept. 28 when a group of friends spent the evening there playing forty-two. For refreshments, they "raided" Jack's watermelon patch.

Attending were Mr. and Mrs. Mike Custer and family, Mr. and Mrs. W. C. Bush, Mr. and Mrs. Walter B. Holland, Mr. and Mrs. George Carpenter, Mr. and Mrs. Wade Terry, Mr. and Mrs. J. C. Fumagalli and the Taylors.

Mrs. Ellison Allison and daughter, Peggy, of Temple were dinner guests of the Al Birds Friday. Miss Allison is spending this week with the Birds.

6. Don't permit exposed electric cords to go unrepaired. Buy only those electric toys and household appliances that bear the Underwriters' Laboratories Inc. "UL" label.

7. Instruct your baby-sitter on what to do in an emergency. Give her a telephone number where you can be reached during the evening. Show her how to call the fire department. Explain that in case of fire she should get the child out of the house first and then call the fire department.

Post FFA Team Is Winner Of Grass Judging At Fair

Post High School's first year future Farmers of America grass judging team, coached by E. F. Schmedt, won first place in the FFA Division of the grass judging contest held at the Panhandle-South Plains Fair in Lubbock last Thursday afternoon, and one of the team's members, Charles Bird, Jr., was the highest individual scorer in the division.

Members of the team, besides Bird, were Bernard Welch and Billy Taylor. Melvin Williams was the alternate.

The Tulla FFA team won second place and the Lakeview team won third.

The judging contest was open to 4-H and FFA boys competing as teams and as individuals. Contestants were required to identify by common name at least 25 of the plants in a display of more than 40 varieties.

In addition to identification, the boys and teams were required to state whether the plant was annual or perennial, cool or warm season, climax or invading, good or poor grazing.

In the 4-H Division, Autis Wade of Gaines County topped the individuals. The Hale County team won first place, Gaines County won second, and Lubbock County placed third.

The contest was held in conjunction with the introduction of a new feature, a South Plains Grass Exhibit, at the fair. Consisting of range grasses, irrigated pasture grasses and noxious weeds common to the South Plains, the exhibits were prepared by George (Scotty) Samson, superintendent of the fair's Agriculture Division, with the assistance of County Agents Homer E. Thompson of Cochran County, formerly of Post; H. G. Sprawls of Yoakum County; D. F. Eaton of Lamb County, formerly of Post, and Lewis Herron. Eaton served as superintendent of the exhibits.

The Post High School boys who captured the top FFA honors in the contest were competing with second year boys from most of the counties. This is the first year that the course has been offered in the local school, and the winning boys have been studying grass identification in the vocational agriculture classes only since the beginning of the present school term.

Schmedt said they were grateful to Samson and Herron who assisted him in collecting 54 varieties of grass for the boys to study. He is preparing a large display of these varieties for use in school work.

Each of the boys on the team received a blue ribbon award. Bird won an extra blue ribbon and the team won a rosette. These awards are on display in the vocational agriculture classroom at the high school.

Only One Owen Now In Polio Hospital

All five of the polio-stricken members of the G. W. Owen family, with the exception of Mrs. Billy Owen, have been released from the hospital.

Mrs. Billy Owen has been dismissed from treatments for polio but was detained in the San Angelo hospital a week longer because of an ear ailment. Her husband, who had been staying with his parents here since being released from the hospital several weeks ago, has gone to San Angelo to say with his wife until she can come home. They hope to arrive here Saturday. Mrs. Owen's 2 children are staying here with their maternal grandmother, Mrs. Boswell. The Billy Owen family was living at McCamey until Mr. Owen became ill. As he will be unable to work for some time, they will make their home here temporarily.

Billy's brother, Elmer Owen, and family, also former McCamey residents, are making their home here until Elmer is able to go back to work. Both he and his son, Harry, are convalescing from polio.

Shirley Owen of Littlefield a granddaughter of Mr. and Mrs. G. W. Owen, had polio earlier in the summer.

Her father, who is in the cotton business, has an office in Lubbock. He is a son of the late D. K. Allison of this community.

Hansford Hudman was embarrassed last Friday when he discovered that he had washed and greased the wrong car, but the mishap resulted happily in an extra wash and grease job for the Hudman business. Called to pick up Mrs. Marvin Williams' car at the Postex Mills, Hudman picked up Mrs. Tom Miller's car by mistake. Mrs. Miller missed her car and "had everybody in south Post helping in the search for it before it was found." She agreed that the car needed washing and greasing and paid for the job. Then Hudman went after Mrs. Williams' car again.

Denver City Defeats Millers 5-0 To Cop Oil Belt League Campaign In Post Park

The Denver City Gassers defeated the Post Millers 5-0 Sunday afternoon in the Postex Park to win the Oil Belt League baseball title. The game was witnessed by 500 fans.

The Gassers took a lead in the two-out-of-three Shaughnessy playoff the preceding Sunday by trouncing Post 10-2, and finished the series on short order Sunday.

Behind the four-hit pitching of Hook Epperson, the Gassers scored Sunday in the second, third, fourth and fifth innings, taking full advantage of hits and Post errors. The winners were able to get only seven well spaced hits, but five errors allowed the safe knocks to turn into scores.

Jones Is Relieved

Bill Jones started on the mound for Post, but he was relieved in the fifth inning by Windle Greer who held the Gassers scoreless the last four Innings. Jones struck out three men and walked four, giving up all the Denver City runs.

Epperson fanned seven and walked only one, and Greer struck out two men and walked one.

Hitting was divided on each side, with C. D. Clements tripling for the Gassers and W. Hilton getting a double.

Each team made two double plays, with Denver City squelching a rally in the bottom of the ninth with a timely double killing. With one out Doug Simpson singled and W. B. Holland hit a pinch-hit single for Deamos Altman. Then R. M. Thomas grounded a sharply hit ball to Gasser Shortstop Jackie Cook. Cook took the ball on a hop, threw to Doc Keel at second base for one out, and Keel rifled the ball to Gist at first to com-

plete the play and end the game.

Start In Second

Denver City broke the ice in the second frame with one run on Ed Gorman's single and a triple by Clements, added another single in the third when Nuel Landreth batted in Clyclore Jones from third base, and posted another tally in the fourth inning when Hilton walked, took second and advanced to third on a passed ball, being plated when Cook singled.

The final two runs were made in the fifth inning. Gorman walked and Hilton doubled, with Gorman scoring on a fielding error. Bobby Lewis then singled Hilton across the plate to conclude the scoring.

Jim Boyd made several sparkling stops for Post while playing shortstop to supply the best fielding action.

Post's other hits, both singles, were made in the second and sixth Innings. Boyd and Thomas singled.

Members of the Postex Miller team and their management asked the Post Dispatch to express their sincere appreciation for the fine support given to them during the season and post-season period by the many Garza County fans.

Duck Hunting To Be According To Original Program

It's too late to make any change in migratory water fowl hunting regulations this year, Undersecretary of the Interior Oscar L. Chapman announced in Washington, D. C., this week.

The Associated Press quoted Chapman as explaining that if the season dates for one state are changed, it would be only fair that every state be given a similar opportunity to change.

Chapman made the comments in a letter to Senator Lyndon Johnson, explaining why he is turning down a request by Texas sportsmen that duck hunting dates be changed in this state. He referred particularly to a request for a change from Publisher Gene Howe of Amarillo.

The Texas season set by federal regulations is Nov. 4-21 and Dec. 21-Jan. 7. Some Texas hunters wanted this change to a straight 45-day season starting Nov. 4.

Girls Win Over Cooper In Cage Season Opener

The Post High School Girls' Basketball Team got off to a good start when they walloped Cooper 20-14 in the season's opener there Tuesday night.

Joy Stewart, Juanella McClellan and Peggy Johnson were the starting forward line-up and Cletta Buster, Mary Nelli Bowen and Barbara Busby played guard. Later in the game Betty Mills, Bonnie Gary and Glenda Young took the forward positions.

"After the girls caught on to Cooper's only play and did a lot of spirited playing Post led all the way, Coach G. R. Day said. The score at the end of the first quarter was 7-7; at the half, 13-9 and at the end of the third, 16-13.

Other girls who did not play in Tuesday night's game but show possibilities as being good players during the season, according to Coach Day, are Mary Wilhite, Geraldine Ethridge, Gay Pierce, Juanita Williams and Virginia Carey. Mr. Day has not served as girls' coach since 1946 when the Post team won district honors and played in the state meet as the first team that Post ever sent to the state play-off.

Mr. and Mrs. Wallace Barnett transacted business in Lubbock on Tuesday.

Mr. and Mrs. "Lefty" Davies spent Wednesday in Lubbock and Slaton transacting business.

Post Antelopes Expecting Good Tussle On Trip To O'Donnell On Friday Evening

Although O'Donnell has been defeated already this season by Sundown, Meadow, Littlefield and Morton, Coach Jess Wright and several Post Antelopes who scouted O'Donnell's game last week are convinced that the Post team will not have a run-away tomorrow night on the O'Donnell grid.

A number of the Post Antelopes are suffering from injuries, some of them received last week in the B String game with Crosbyton and others in the intensive workout which the boys have been undergoing on their dry, hard football field.

Among the players recuperating from sprained ankles or other injuries are Curtis Williams, Ronald Joe Babb, Topper Bilberry, Rex King who got a shoulder knocked out of joint in the Crosbyton game, W. O. Fluitt who received a leg injury at the same time, Jack Kirkpatrick, Norman Cash and Darrell Stone. The injured players have been "taking it easy" this week and most of them will be ready for

their chores this weekend, Coach V. F. Bingham believes.

The O'Donnell players are said to be about equal to the Post Antelopes in size. Despite their poor start this season, they are expected to give the Antelopes a good game.

Coach Wright pointed out that the teams which have defeated O'Donnell are the superior Class A teams of this area. Meadow is undefeated, Littlefield is expected not only to win the North Half District 4-A championship but to go a long way in state competition this year. Morton and Sundown have lost only one game each this season.

Probable starters for the Post Antelopes tomorrow night will be:

Billy Lee Smith, center; Jack Schmidt and Calvin Storie, guards; Buddy Davis and Cletus Graves, tackles; Jerry Odum and Gene King, ends; Jack Kirkpatrick, quarterback; Billy Gwen Jones, left half; Norman Cash, right half, and Roy Wade, full-back.

Two Post High Teams To Play Football With Seagraves Teams Here Tonight

Tonight's football schedule is filled with two games with Seagraves on the Antelope field, beginning at 7:30 o'clock.

The first game will be between the Post Eighth Graders and the slightly heavier Seagraves Eighth Graders.

The second game will be between the undefeated Post Antelope B String and the Seagraves B String which defeated O'Donnell's second team worse than the local B string did two weeks ago.

Coach V. F. Bingham plans to start the following boys in the Eighth Grade game:

Topper Bilberry, center, 118 lb.; Petie Hays, 105, and Nolan Williams, 101, guards; Doyle Young, 125 and Hoppy Caylor, 130, tackles; John Sullivan, 138, and Buddy Caylor, 131, ends; James Dye, 101, quarterback; H. V. Williams, 90, left half; Mason Justice, 103, right half; and Fred Long, 150 fullback.

Seagraves plans to start with B. Elliston, 105 lb., center; J. W. McLeod, 115, left guard; J. Huntley, 130, left tackle; B. Hearne, 120, left end; W. Nelson, 125, right guard; D. Willis, 125, right tackle; R. Thomas, 115, right end; B. Johnson, 120, quarterback; E. Robinson, 105, left half; R. Hibbetts, 120, right half, and P. Stafford, 125, fullback.

Starting for the Antelope B String will be Johnny Matsler, center; Billy Taylor and Don Tatum, guards; Cletus Graves, Buddy Davis, tackles; L. W. Evans and Carroll Light, ends; Darrell Stone, quarterback; Cordell Custer, left half; Bobby Terry, right half and Pat Stephens, fullback.

Coach Bingham said the B Stringers looked mighty good in their games last Thursday night with Crosbyton, but he was disappointed that the 19-12 victory was not witnessed by more fans. The star of the game, he said, was W. O. Fluitt who was sent in twice for end around plays. The first resulted in a 55-yard run for a touchdown in the second quarter and the other gave Fluitt a 45-yard run for a tally in the final quarter. L. W. Evans kicked the only extra point of the game on one of Fluitt's scores.

The other touchdown for the locals was made by Bobby Terry, right half, on an off-tackle play in the third period.

Crosbyton caught a pass in the second quarter to score and in the last period the quarterback opponent ran through the line for another tally.

For the locals, Fred Long looked good running with the ball and also on defense. Coach Bingham said he was also pleased with the fine work done by L. W. Evans and Carroll Light in the end positions and Darrell Stone as quarterback. He also liked the good showing that Don Tatum and Billy Taylor made as guards and Johnny Matsler made as center.

TWO COLD FRONTS

Two new cold fronts hovering to the northwest of Texas are causing cotton farmers here today to say an extra prayer. One of the fronts is expected to arrive over the South Plains early Friday, lowering temperatures only slightly. The other, as yet not too definite, could bring the area some of its coldest weather of the season over the weekend, according to a report from the Weather Station at the Lubbock Municipal Airport.

Advent Will Be Sudden

But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep, as do others; but let us watch and be sober. For they that sleep, sleep in the night; and they that are drunk are drunken in the night. But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet the hope of salvation. For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake or sleep, we should live together with him. I THESSALONIANS 5:1-10.

The Mary Martha Sunday School Class of the First Methodist Church met at 1 o'clock last Thursday in the home of Mrs. T. L. Jones for a covered dish luncheon. The entertaining rooms were decorated with roses a gift from Mrs. J. P. Manly in memory of her mother, the late Mrs. Dyer of Tahoka. The tables were centered with bouquets of pink roses and white candles in crystal. Other appointments were in silver and china. After lunch a business meeting was held and the following officers were elected: Mrs. J. L. Stewart, president; Mrs. Cummings, vice president; Mrs. T. R. Greenfield, secretary-treasurer; Mrs. T. L. Jones, teacher. After the election of officers, Mrs. Ben Williams gave a devotional and Mrs. H. G. Smith told of her recent visit to Philadelphia, Pa. The group also enjoyed singing their favorite hymns.

The "Louise Chapman" Chapter of the W.F.M.S. met at the Nazarene Church at 7:30 o'clock Monday evening with 14 members and 5 visitors present. Ruth McMahon had charge of the program on the Islands of Japan. The group will meet again Oct. 17 at the church at 7:30 p. m.

There will be services at the Church of God at the corner of 12th and Jefferson Streets Sunday. Sunday School is at 10 a. m. and preaching services at 11 a. m. and 7:30 p. m.

The R. A.'s of the Calvary Baptist Church and their dads were honored with a wiener roast at second bridge Monday evening. Fifteen men and boys were present.

The "Susan Fitkin" Circle of the W.F.M.S. met at the Church of the Nazarene Monday evening for a study of Japan led by Mrs. H. E. McClain. Six members were present. The circle will meet Oct. 17 at 7:30 p. m. at the church.

The Sunbeams of the Calvary Baptist Church enjoyed a party at the church last Wednesday. Popcorn balls and ice cream were served the guests.

Mrs. T. L. Jones and Mrs. J. R. Durrett were hostesses for the W.S.C.S. Monday afternoon at 3 o'clock in the Jones home. Mrs. Charles A. Ross, district president, Mrs. Lonnie Collinsworth, district promotional secretary and Mrs. Harvey Austin of Lubbock were guests. Mrs. Ross and Mrs. Collinsworth conducted an officers training program.

The G. A.'s of the Calvary Baptist Church met at the church for a "Week of Prayer" program last Tuesday afternoon with 14 members present.

Fourteen members and 10 guests of the First Baptist T.E.L. Class met at the ranch home of Mrs. L. A. Barrow in the Grass-burr Community all day Wednesday of last week to quilt a quilt for a needy family. The group assembled at 10 a. m. and after two hours of quilting, they enjoyed a covered dish lunch. After the quilt was completed in the afternoon, watermelons grown on the hostess' ranch were served. Among the visitors were the Rev. and Mrs. T. M. Gillham who arrived at noon and stayed for two hours.

Mr. and Mrs. Mickey Edwards and children, Frances, Clyde and Orville and Leo Smith spent Sunday in Lubbock at Mackenzie park.

Mrs. W. J. Shepard celebrated her birthday Tuesday.

Page-Baker Vows Are Exchanged In Minister's Home

Miss Billie Page, daughter of Mr. and Mrs. A. E. Page, became the bride of Charlie Lon Baker, son of Mr. and Mrs. Charlie Baker, Saturday evening in Lubbock. The single ring ceremony was performed at 7:30 o'clock in the home of the officiating minister, Mr. Westbrook, a Church of Christ pastor. The bride wore a dark grey suit with white accessories and a white sweetheart rosebud corsage. Wedding guests were Misses Peevy Johnston and Juanita Williams.

The couple is at home here where the bridegroom is associated in business with his father. Mr. and Mrs. Baker attended Post High School and he served two years in the Navy.

J. E. Howells Have Golden Anniversary

Mr. and Mrs. J. E. Howell celebrated their golden wedding anniversary Sept. 28. They were married in Erath County and lived for many years in the Cross Roads Community before moving to Post.

There was no formal celebration of the event, but early that morning, a furniture company delivery truck brought to their home two platform rockers which were gifts from their children. Mr. Howell tried to convince the deliverymen that they had the wrong place until he read the card that was sent with the chairs.

Mr. and Mrs. Howell are parents of Doyle Howell of the Cross Roads Community Nathan Howell of Post and Clint Howell of

Johnnie F. Graham And Rheba Hays Are Hostesses At Party

Rheba Hays and Johnnie Faye Graham entertained their friends with a party Saturday night in the home of Mrs. Roy Gilmore. Games were enjoyed by the group and refreshments of sandwiches, potato chips, cookies and punch were served to Margaret Welborn, Darlene Rhoten, Venetta Kilpatrick, Joy Evans, Joycelyn Kiker, Lottie Faye Mathis, Lonnie Welborn, Pete Hays, Norman Johnson, Bobby Jones, George Graham, Garland McDougle, Winston James, Mrs. Travis Gilmore, Beverly and Carla Sue and Charlotte Ann Gilmore, Rheba, Johnnie Faye and Mrs. Roy Gilmore.

Millers, Wives Honored At Home Of Lee Davises

Members of the Post Mills Baseball Club and their wives were honored at a barbecue at the home of Mr. and Mrs. Lee Davises, 11 miles east of Post, last Thursday evening.

Sponsors of the barbecue were Claude Bailey, J. Henderson, Jim Hundley, John Davis, O. G. Hamilton, E. S. Stewart, J. P. Manly, Dr. L. E. Andrews, W. F. West, Skinner Storie, C. R. Thaxton, Homer McCrary, Ira Greenfield, Lee Byrd, Floyd Stanley, Earl Hodges, Oscar Garner, S. E. Camp, Raymond Redman, Harold Voss, Tom Power, Lewis Nance, A. B. Haws, J. E. Parker, Charlie Benson, Bill Long, Dee Coleman, Guy Gearhart.

Wives of the sponsors also were present. Supper was served to 119 persons.

Jean Sartain And Bud Everett Wed In Moyer Home

Miss Jean Sartain, niece of Mr. and Mrs. George Sartain of Slaton, became the bride of Bud Everett, son of Mr. and Mrs. Rex Everett Friday afternoon. Forrest Moyer, pastor of the Church of Christ, performed the double ring ceremony in his home at 5:30 o'clock.

The bride wore a brown suit with navy accessories and a yellow rose corsage. Miss Bettye Jane Travis, aunt of the bridegroom, served as maid of honor, wearing a grey suit with black accessories.

Rex Everett attended his brother as best man. After a short wedding trip, the couple is at home here, where Mrs. Everett is employed by Thaxton Cleaners and the bridegroom is employed by the R. E. Cox Lumber Company.

The bride attended Post High School and is a graduate of Slaton High School. Mr. Everett is a graduate of Post High School.

Merry Makers Club Has Gift Exchange

The Merry Makers Club met the afternoon of Sept. 27 in the home of Mrs. K. E. Bratton with 13 members and three guests present. The visitors were M. C. Conner of Graham, Tex., Mrs. Faye Martin of Post and Mrs. T. E. Fortune of Close City.

As the occasion was gift day, many useful gift items were exchanged. The club will meet Oct. 11 in the home of Vera Fulton.

Mr. and Mrs. Tom Boucher spent the weekend in Roswell, N. M., visiting their son, Ronnie, who is a student at N.M.M.I.

Gossip About Garza Guys And Gals

—by gay nellie

Eddie Stevens of Bell Flower, Calif., who has been visiting here several weeks, and his Granddad Kennedy spent Monday in Abilene with relatives. Eddie is employed by an aircraft factory in Bell Flower.

Jane Turner and Helen Thaxton are pledging Ko Jo Kai at A. C.C. this fall. Neal Clary and Ralph Cockrell will spend the weekend in Dallas attending the State Fair.

Alice Ruth and H. T. Carr, Jr., of Canyon who spent the weekend here and a group of their Post friends attended the W.T.-S.C. Tech football game in Lubbock Saturday night.

Wayne Kennedy is having the time of his life hauling all his girl friends around in the Kennedy family's new Oldsmobile.

Charles Riley and Boyd Bowen chaffered the H.S.U. kids, Billie Nichols, Rusty and Jerald Bowen, Junior Malouf and Charlie McGuire back to their alma mater Sunday after they had spent a pleasant weekend here.

Dale Cravy is out of the air corps and home for awhile, helping his parents, the Dick Cravys, with the ranch work.

Last Thursday's meet the manager feature in the Lubbock Journal featured Johnny Malouf in his new men's store. We bet by now that Johnny has been swamped with telephone calls, fan letters, etc., by the opposite sex as it was a grand picture and the story revealed that he is unmarried.

Bride Honored At Shower In McMahon Home

Mrs. Herbert Walls, the former Miss Lois Veach, was honored at a miscellaneous shower from 7 until 9 o'clock Tuesday evening in the home of Mrs. O. V. McMahon. Mrs. McMahon was assisted by her daughter, Ruth Lavelle. Violin and piano selections were presented by Miss McMahon.

The bride's twin sister, Joyce Veach, presided at the bride's book. The entertaining rooms were decorated with bouquets of dahlias. Punch and cookies were served by Miss Pauline Perkins. Approximately twenty guests called.

Doris Ritchie Is President Of 4-H

The Close City Girls' 4-H Club recently elected the following officers:

President, Doris Ritchie; vice president, Norma Ritchie; reporter, Jennie Lou Redman; secretary, Gloria Young; assistant reporter, Beverly Bartlett; recreation leaders, Marilyn Steel, Oneta Jones and Laurie Lou Livingston.

Sponsors elected were Mrs. Barney Jones, Mrs. Joyce Steel and Mrs. D. Bartlett.

Mr. and Mrs. Johnny Hopkins spent Tuesday in Spur. Mrs. Reese Carter and daughter, Melinda, are vacationing in Florida. Mr. and Mrs. E. C. Manis have a new Plymouth.

Details Of Nine-Green Post Golf Course Outlined; Last Hole To Be Ready First

The No. 9 hole on the new golf course, east of town, is being completed first so that golf club members can begin practicing putting and approaching within a few days. It is on the same site that was used for the No. 9 green on the old golf course, George Samson says.

Plans for the new nine-hole course were explained to a Post Dispatch reporter in detail by Samson who, with Jim Hundley and Jimmy Hundley, laid out the course last week. It will cover a total of 2,969 yards, being larger than the nine-hole course at Lamesa. A brief description of each green follows:

- No. 1, old green, 596 yards, par 5, near parking space and west gate to course, shoot north-east, then straight north, dog's leg fairway.
- No. 2, new green, 257 yards, par 4, shoot due east.
- No. 3, new green, 153 yards, par 3, shoot southwest.
- No. 4, old green, 394 yards, par 4, shoot east.
- No. 5, new green, 265 yards, par 4, shoot west.
- No. 6, old green, 330 yards, par 4, shoot straight south.
- No. 7, new green, old fairway, 315 yards, par 4, shoot north-east.
- No. 8, new green, 175 yards, par 3, shoot south.
- No. 9, old green, 485 yards, par 5, shoot west and stop near car parking space, as game is over.

Far on the course will be 36. Fairways will be from 125 to 150 yards wide and each will be mowed from 75 yards from the tee.

The plan calls for traps and bunkers and, on No. 4, a water hazard.

Teeing grounds will be five feet wide and 10 feet long.

Greens will be prepared with sand and oil. As indicated above, some of the original greens of the old golf course will be reconditioned and used. Standard golf cups will be used.

Stakes every 100 yards on the course will show the distance that one can expect to drive.

Samson said he believes the course will be a challenging test for the golfer, as two holes are par 5, two are par 3 and five are par 4.

Anyone interested in joining the club may do so by paying dues to E. S. (Buddy) Stewart at the First National Bank.

Sixty Garza Men In Armed Forces Benefit From USO

"Garza County now has 60 in the Armed Forces, and thru young men and women serving through the medium of the USO we here at home have an opportunity of seeing to their welfare and maintaining strong ties with them wherever they are," S. E. Camp, county chairman of the USO's reactivation campaign, reports.

"We will as good Texans look after our own whether they are serving in this country or on foreign soil," Camp said, "and the USO provides us with the opportunity we need, for it will continue as it did during the war to provide our young men and women in the Armed Forces with a home away from home."

The county chairman added that this county is being asked to contribute its share toward the \$500,000 campaign for the reactivation of the USO as requested by the President and the Secretary of Defense. The half million dollar figure is Texas' quota of the USO's national campaign of \$10,100,000.

Texas now has 98,000 of its citizens in uniform who will be benefitted by the on-the-spot services of the USO which will continue to fill its traditional role of supporting centers, lounges and area workers at all the principal army, navy and air force establishments both at home and overseas. It will also continue to finance camp shows in the 120 Veterans Hospitals across the country, including the many in Texas.

Governor Allen Shivers is general chairman of the Texas campaign, which is being dedicated as a memorial to the late Governor Beauford H. Jester. T. E. Braniff of Dallas is campaign chairman.

Water Needs Of West Texas To Have Top Role

The need for water in West Texas now has top billing in the Bureau of Reclamation of the Department of Interior and the biggest show of its kind will be held in Fort Worth, Tuesday, Nov. 22.

J. A. Krug, secretary of the Department of Interior, has accepted the invitation of the West Texas Chamber of Commerce to speak at its annual banquet there on that date. The WTCC has promised a thousand water-thirsty West Texans there to hear him, along with Reclamation Commissioner Nathan Strauss and Senator Lyndon Johnson.

This, the annual meeting of the WTCC board of directors, will be the climax of the year's work of the organization in defining water needs of the area, and establishing economic loss thru lack of water companion to flood loss.

New Water Wanted
"The federal government will learn how badly West Texas needs water at this meeting," said WTCC President John D. Mitchell in reporting the plans to his executive board in session here this week. "We have been sitting over waterholes with Winchesters or fighting to keep domestic water rights in West Texas for a long time."

"This is a program to develop new water, a program so big it can only be handled in a big way and that's what we are doing in bringing a man at cabinet level here to hear our story and tell us what the federal government can do to protect our economic loss from lack of water."

All Towns Invited
The WTCC has a nominal board of approximately 200 among its 6,000 membership in the 132 county area, but the organization hopes to take interested officials from all the towns to help the water cause, according to Manager D. A. Bandoen.

Already the Bureau of Reclamation has authorized three West Texas surveys under the direction of Harry P. Burleigh, state planning engineer, according to Bandoen. One will provide for all the area on the Brazos River shed above Possum Kingdom and below the Caprock; another is on the Colorado above the mouth of Pecan Bayou, while the other under authorization is a survey of the Prairie Dog Creek area and tributaries of the Red River in the Memphis-Childress area.

These are in addition to the \$85 million Canadian project already approved by the bureau, to supply water to a dozen West Texas towns between Borger and Lamesa.

City Tax Rate Is Same As In Former Years

It's city taxpaying time. Mrs. Lorene Benson, city secretary said last weekend that the city tax rate remains the same that it has been for a number of years, \$1.50 per \$100 valuation.

A three per cent discount is being given for taxes paid in October; 2 per cent will be given for taxes paid in November; one per cent will be given in December and no discount will be given in January. A penalty will be charged on all taxes paid after January.

Mrs. T. W. Childress and son, Houston, of Tulsa spent last week here visiting with friends. The Childresses formerly lived here and operated the Northside Grocery.

S. G. Byrd of Spur and Mr. and Mrs. Richard Swan of Spur spent Sunday with Floyd Byrd.

George Samson Retires From Work With Fairs After Close Of Show In Lubbock

The most successful Agriculture Division in the 32-year history of the Panhandle-South Plains Fair and the exhibit of native South Plains grasses and noxious weeds which added greatly to the interest of the division were George Samson's farewell contribution to the Fair World.

Having spent most of his life working on fair exhibits and having promoted Garza County in fairs of Texas all of the county's life, and having worked with the Panhandle-South Plains Fair in some official capacity for more than a quarter of a century, Samson last week sang his Swan Song.

"I have already turned down two fair invitations for next year, as I feel it is time to turn the work of judging, superintending and directing over to the younger boys, many of whom have been well trained in the work," he told the Post Dispatch last Friday.

Samson, who has plugged for the wild grass exhibit for a number of years and was able to introduce it for the first time in the nation at the fair in Lubbock last week, said the exhibit was the only natural thing in the Agriculture Division. It depicted not what man cultivated but what God put there.

Incidentally all but three of the grasses included in the exhibit came from Garza County ranches.

Although this was the first grass exhibit ever shown, the grass identification contest that was held in connection with it was the second one that the South Plains has had, and both contests were won by Garza County boys. Two years ago, the first grass identification contest ever held on the South Plains was held at the Lubbock fair grounds for 4-H boys. The Garza team won first place. Last Thursday the Post FFA team won first place, in the FFA Division of the contest.

In announcing his retirement from fair promotion and participation, Samson said the time has come when experts paid by the government can be engaged to do the work that he has been carrying on throughout the history of the county. They get good salaries and are well qualified for the work.

Samson's contribution to the fairs of Texas through the years not only has been gratis but it has cost him a mint of money. While preparing for the fair last week, he had to neglect his business for 10 days. Before that, he spent many months and hundreds of gallons of gasoline gathering native grasses and weeds for the exhibit.

Mrs. Runkles Wins Culinary Awards

The only Garza County person to win prizes on culinary exhibits at the Panhandle-South Plains Fair in Lubbock last week was Mrs. Frank Runkles of Camp Post, who won the following places:

Cinnamon rolls, third; corn bread, third, and cup cakes, first.

Mrs. Runkles also won some prizes in the textile division. These were announced in last week's Post Dispatch.

Fred Boyd of Lubbock spent the weekend in the home of the Sherrill Boyd family.

Mr. and Mrs. Hugh Gray of Snyder and Mr. and Mrs. J. W. Lasiter of Three Rivers spent the weekend in the home of Mr. and Mrs. Arthur Talley and son, W. A.

Mrs. Dave Sims had a birthday Tuesday. Mrs. Ira Weakley had a birthday Saturday.

Bids Wanted On School Building

Technicalities holding up the construction of the new grade school building here have been ironed out and the Post Independent Consolidated School Board is this week advertising for bids.

The contract will be let not later than Nov. 3, Supt. G. R. Day has announced. The exact day for letting the bids will be announced next week, he said.

Weeks this week: Sunday was World Communion Day; Monday was Yom Kippur (Jewish Day of Atonement); Physically Handicapped Week started Tuesday; National Wine Week will begin Saturday; beginning Sunday will be Fire Prevention Week and Business Women's Week; Sunday is National Children's Day.

R. E. Boucher of Gorman spent last Wednesday night in the home of Mr. and Mrs. C. J. Mangum.

Hazen Ricker And Mrs. Truelock Win Dispatch Tip Money

Hazen Ricker of San Angelo, who happened to be the first person to turn in a News Tip for last week's Post Dispatch, happened to win the first prize of \$2.50 for a news tip about Lawrence Snively, former Post School Band director, which would have been overlooked.

The second prize of \$1 went to Mrs. Marvin Truelock of Southland for an envelope packed full of interesting Southland School News, including the class elections.

Honorable mention went to Carter Gene White, for news about the Junior Rodeo Association election, to Homer McCrary for news about the course which the firemen are taking and the annual Fire Prevention Week contest, to John Lott for information about the annual fall meeting of the Flying Farmers at the U Laxy S Ranch, to Sherrill Boyd for news of Norman Burris' brother and sister-in-law being seriously burned in a Fort Worth fire, and to Henrietta Nichols for the tip that the twin children of Mr. and Mrs. Pete Kennedy were omitted from a school list previously published by the Post Dispatch.

Almost any kind of News Tip can win a cash prize. The contest will continue indefinitely.

GRASSLAND WINS

Grassland Boy Scout Troop 66 won first place at the Panhandle-South Plains Fair in Lubbock last week on an exhibit showing a model of the Boy Scout Camp.

PROCLAMATION

WHEREAS citizens of Post, Texas who are engaged in the oil and oil transportation industry have stated their desire to report on the progress the oil industry has made in serving the best interest of the public, since its beginning 90 years ago and WHEREAS it is believed that by informing our community of how free, competitive enterprise, typified by the oil industry, supplies Americans with good things of life, the public welfare will be benefited NOW, THEREFORE I, Glenn E. Kahler, acting mayor of Post do hereby proclaim October 16-22 as **POST OIL PROGRESS WEEK** and do direct the attention of our citizens to the contribution and service the oil men who live among us, and their industry, make to our public, social, business and private life. IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the City of Post to be affixed. **GLENN E. KAHLER, Acting Mayor of Post**

Amazing Progress Made By Industry Producing Petrol

Acting Mayor Glenn E. Kahler, in the above proclamation, is calling attention to Oil Progress Week, Oct. 16-22, which has been set aside throughout the nation as a time to inform Americans of oil's progress as a world benefactor.

Americans use more petroleum in two weeks than the rest of the world uses in an entire year, yet many of them have little knowledge of the miracle of oil.

Today, ninety years after America's first oil well in 1859 ushered in a new age, approximately 34,000 individual oil companies produce the fuel for 43,000,000 motor vehicles that are in use daily over a network of three million miles of roads, half of which are surfaced with concrete or petroleum asphalt. These highways were constructed almost entirely by taxes on motor fuels.

Yet the retail price of gasoline remains near the bottom of the Government's cost of living index. More than a small part of this low cost may be attributed to the nation's 153,000 miles of pipelines, America's most economical means of crude oil transportation.

Post Firemen

(Continued From Front Page) department buys enough candy for Santa Claus to distribute to every child who sees him. The candy is sacked by the firemen and their wives.

While most of the firemen are business men or steadily employed, none is ever too busy to stop what he is doing to fight a fire, attend a firemen's meeting or help with the various activities of the department. As the firemen are elected by the members, the department sees to it that only men who are reliable in the above respect qualify. Membership is limited to 20 men.

Can't Leave Service

That the firemen look upon the cost and work of being a fireman as a special privilege is evidenced by the long membership that a few men have held in the department. Fire Marshal Dick Woods, who is eligible for retirement but can't bear to leave the organization, is the oldest in point of service, having been a member about 27 years. Walter Crider and Floyd Stanley, now honorary members, have served almost that long. Dad Greenfield has been a fireman about 15 years.

The fire department is unique among civic organizations in

TRAIN CANCELED

The special train which was to take 4-H boys and girls from this district to the Texas State Fair in Dallas on Oct. 14 has been canceled. The county extension agents, Lewis C. Herron and Mrs. Jewell H. Strasner, however, are making other plans to take a group of boys and girls to the fair. The way and means probably will be announced next week.

TO JUDGE FAIR

Mrs. Jewell H. Strasner, Garza County home demonstration agent, went to Seminole today to serve as a judge in the fair there.

COUNCIL TO MEET

The Garza County Home Demonstration Council will meet at 1:30 o'clock next Wednesday afternoon in the office of the home demonstration agent, Mrs. Jewell H. Strasner. The council will sponsor a Bake Show in downtown Post Oct. 22.

that it raises all its own money for civic projects. The only time the merchants are called upon to help the fire department is once a year when money is needed to send four delegates to the state firemen's convention. In return for their contributions, the merchants in general get a better fire insurance credit rating.

Sponsor Entertainments Funds for other firemen's activities are raised through sponsorship of carnivals, tent shows and other entertainments, including an annual Firemen's Ball. Occasionally, an individual whose home or business has been saved by the alertness and skill of the firemen makes a cash contribution to the organization.

The firemen meet every first and third Wednesday night with almost 100 per cent attendance. A member who misses three meetings in a row without an acceptable excuse is automatically taken from the roll. Instruction and drill in fire fighting is included on the program of each meeting and, at least once a year, the firemen take a special training course.

Last night they had their third of a series of five weekly classes in the handling of trucks, pumps and hose taught by Bob Dodson of Texas A. and M. College.

An average of 15 of the 20 members turns out for each fire. Those who do not show up, investigation has shown, are out of town or where they cannot hear the fire alarm.

Not All Work

Being a fireman is not, however, all work, responsibility and civic-mindedness. There have more fun than anybody at their social gatherings, which include—once a year—a stag barbecue and, twice a year, a barbecue to which the women are invited. The firemen and their wives also have an annual Christmas dinner, at which they exchange gifts, dance and sack candy for Santa Claus to give away when he comes to town. The firemen and their wives are entertained each year during the Thanksgiving season with a banquet given by the city officials.

Present active firemen, besides Fire Chief McCrary and Fire Marshal Wood, are Dad Greenfield, Robert Cato, Kenny Cash, Dan Altman, John Davis, Charlie Williams, Marvin Williams, Carl Hughes, Red Mathis, D. C. Roberts, Jr., R. B. Dodson, Bill Carter, Luther Bilberry, Marshall Gibson, Dan Cockrum, Ralph Carpenter and Jess Compton.

The firemen fought 32 fires in Post and Garza County in 1948, but they believe this year's fire record will not be so high. So far, the firemen have been called to 21 fires, five of which were outside the city.

A great majority of the sounding boards used by larger piano makers are made from Sitka spruce.

THE PLEASANT VALLEY GIN

RALEIGH REESE, Manager Pleasant Valley

TO THE FARMERS:

The Pleasant Valley Gin is ready for business after undergoing general repairs and overhauling for a busy season. Every item of equipment is in tip top shape and every man is ready to do his duty. In other words we are ready to give you service as never before.

Owing to the heavy crop it will tax the capacity of the gins in the county to handle it, and we want to be of service to all that can possibly see fit to come here.

We give courteous treatment, honest weights and careful attention to every detail. Our personal interest goes into every transaction and your patronage is deeply appreciated.

Our cotton storage house, with individual stalls, is at your disposal when needed, and our every facility is yours to command. If you think we won't appreciate your business just try it and see.

We extend our thanks to our former customers and want you to realize that we are always anxious to serve new ones. Won't you accept this as an invitation to at least try us?

Your Friends,

The Pleasant Valley Gin

Repulsive Goings On Required For Club Initiation

After a repulsive program which measured their intestinal fortitude, 17 Post High School homemaking girls qualified for initiation into the Dinner Belle Club last Friday night.

The new members elected met at the high school at 7:30 "clock wearing, at the order of the regular members of the club, corny costumes, blacked out teeth and hideous hairdos. It was unofficially agreed that Mary Jo Williams, wearing a white union suit with a rope tail, was the most appropriately dressed.

After "Dinner Belle" had been written in lipstick on their foreheads, the initiation candidates were required to stage a program of humility and music in downtown Post and sell toilet tissue and potatoes to the crowd which they attracted, a project which netted \$4 for the club. Kneeling and beating on tin pans, the girls sang "I Dropped My Dolly in the Dirt" and a number of wierd and mournful tunes while the crowds gathered.

This program was followed by an "initiation supper" at the school which was served by candlelight to the girls, who were blindfolded and required to eat with their hands. The menu consisted of: Canned tomatoes and bread (blood clots), coffee grounds and raisins (censored), jello and mayonnaise (dead rat), peeled grapes and shredded wheat (cow eyeball soup), boiled spaghetti and vinegar (cat guts) and boiled okra (censored.) As each girl finished her food, she was allowed to remove the blindfold and watch the slow eaters finish.

Eventually each candidate qualified for the initiation, which was followed by a really sumptuous supper prepared by Mrs. Roy Stevens, Mrs. James Stone and Mrs. L. P. Kennedy, Jr., club mothers who served the food at the Roadside Park.

Girls initiated were Maxine Baylis, Lenona Stone, Buena Welch, Mary Jo Williams, Janyce Lobban, Delores Runkels, June Vardiman, Bobbie Genell Dickson, Sue Stevens, Judith King, Helen Jo Davis, Virgie Ammons, Patsy Mason, Nita McClellan, Joy Howell, Ellen Morton and Wilma Welch.

Old members present were Barbara Lusby, Sue Bell Brister, Joy Stewart, Glenda Young, Betty Mills, Retha Williams, Jean Lofton and Geraldine Ethridge.

Also attending was the club sponsor and high school home-making teacher, Miss Bessie Pitts.

Mr. and Mrs. Lee Mason and son, Lonnie, of Route 2 have joined the Western Square Dance Association which has approximately 1,100 members in most of the West Texas towns south of the Panhandle. An average of 54 squares has been accommodated at the monthly dances. The next one will be given at Sweetwater on a date to be announced. Spectators are allowed to attend dances where accommodations will permit them.

Juanella McClellan spent Saturday night in Post in the Harold Reno home.

Mr. and Mrs. Hal Jones and son, Johnny Wayne, of Morton and Mr. and Mrs. Elmer Due Jones and children of O'Donnell spent the weekend with Hal's and Elmer's parents, Mr. and Mrs. Hal Jones.

Gay Pierce of Post spent Sunday night with Juanella McClellan.

Robbie Gene King went to Seminole Monday for a medical check-up.

Nuel Holleman and Carl Chambers of Brownfield visited recently in the Morris McClellan home.

Mr. and Mrs. Elgie Stewart and Mr. and Mrs. C. R. Baldwin visited Sunday in Levelland with the Blanton Mason family.

Mr. and Mrs. Jess Peede of Southland and Mr. and Mrs. Will Wright visited in the Iva Reno home Saturday night.

J. F. Maxey spent last week in Portales, N. M., with his son-in-law and daughter, Mr. and Mrs. Roy Holland. Mrs. Maxey visited in the C. R. Baldwin home while he was away.

Mrs. Josie Reno spent the weekend in Post with her son and daughter-in-law, Mr. and Mrs. Marshall Reno.

Mr. and Mrs. W. O. Flutt and son, Maurice, have returned from a trip to South Texas.

Billy Ramage, Mr. and Mrs. Fred Babb and son, Ronald, Juanella McClellan, W. O. Flutt, Jr., Rex and Robbie King and Donald Gossett attended the Tahoka-Slaton football game in Tahoka Friday night.

Mrs. Elmo Bush shopped in Lubbock Monday.

Negro Badly Burned Near Post Friday

James Moore, negro employe on Henry Aten's farm, west of Post, received second degree burns over 30 to 40 per cent of his body Friday afternoon when his clothes caught fire after he and Mr. Aten and son, James, had been poisoning Johnson grass. He was taken to the Lubbock Memorial Hospital in a Mason ambulance.

Although it is not definitely known what caused the fire, it is believed that Moore's after-lunch cigaret touched the dried poison on his clothes, while he was resting on a tractor.

Mr. Aten received a burn on his hand and James Aten got both legs burned from the knees down while helping to free Moore from the burning clothes.

Moore was taken to the Vet-

District's Grain Drill Available For Cover Crops

Duck Creek Soil Conservation District cooperators have used the District's fertilizer grain drill to plant 240 acres of cover crops. Nearly all of this acreage was planted to a legume cover crop mixture using the drill. The average size planting was 30 acres.

Wren Cross of Grassburr expressed the sentiment of other farmers when he said "this is a good piece of machinery to put down fertilizer and plant cover crops at the same time." He thinks it was a wise investment on the district supervisor's part in making the drill available to cooperators on a rental basis.

For small 20 to 40 acre plantings a farmer cannot afford to own a \$600 drill. "But by the district's owning it, it will help get cover crops started," he explained. The drill already has earned \$120 in rental fees. It cost approximately \$515.

Local Soil technicians assisting the District think that with favorable moisture, a rye cover crop can be safely planted until the last of November. Rye seed is still available from E. O. Merrill, Hartford; Bill Norman, Barnum Springs; J. W. McQuien, Verbena, and C. P. Witt, Kalgary.

The drill has caught up with its schedule and, at present, is immediately available for use.

Cover crops help farmers carry out the four points of a coordinated conservation farm program. These are proper land use, the right combination of soil conservation practices, improving and maintaining soil fertility and planting cover crops.

BITS OF NEWS

Visitors in the home of Mr. and Mrs. G. E. Fleming Saturday were Mr. and Mrs. Dan Yandell, Jack and Jim Yandell of Levelland; Mr. and Mrs. U. L. Lesly, Reba, Peggy and Mr. Baker of Petersburg; Alice Ruth and H. T. Carr, Jr., and Bobby Graves of Canyon; Mrs. H. T. Carr and Helen Nita of Friona; Harold Summers of Cooper and Mr. and Mrs. H. V. Williams, Setha, H. V. Jr., Gay Pierce, Roy Josey and Carter White.

Mr. and Mrs. Royce Durham of Lubbock spent the weekend here with Mrs. Durham's parents, Mr. and Mrs. J. A. Stallings.

D. C. Roberts accompanied his daughter and grandson, Mrs. Lester Adams and son, who have been visiting here, to their home in Bryan last Thursday. Mr. Roberts will be gone two weeks.

Mrs. Ben Eckols is in Waco with a son who was injured in an automobile collision there last week.

Mrs. C. M. Jackson of Rockwall visited in the home of her brother, Dr. D. C. Williams, and family from Monday until Friday of last week.

Mr. and Mrs. Robert Cato and son, Bob, spent Sunday visiting in the home of Mr. and Mrs. J. O. Peek in Goree.

Mr. and Mrs. Edd Dye and children visited Sunday in Lubbock with their daughter and sister, Mrs. Bob Turney of Odessa, who is a patient in Lubbock Memorial Hospital.

Mr. and Mrs. Claude Miller and Lanell Brown of Lubbock spent the weekend here with relatives.

Mr. and Mrs. L. S. Turner and Mr. and Mrs. Vernon Turner spent two days last week visiting Mr. and Mrs. Kid McCoy in McLean. The L. S. Turners spent two days this week visiting their daughter, Jane Ann, at Abilene Christian College.

Mr. Moore of Brownfield visited Sunday in the home of Mr. and Mrs. E. E. Pierce. Mr. Brown and Mr. Pierce were roommates last summer while taking treatments at Mineral Wells.

Mrs. R. A. McLaurin of Justiceburg heard several compliments Monday on her attractive new haircut. One of the admirers wanted to know where she had it cut. "At Ben Williams' Barber Shop," she answered. Then she explained that she had tried to get her hair cut the way she wanted it for a long time and failed. Finally, she remembered that Williams always cut her hair the way she wanted it when she was a child, so she went to him.

Mr. and Mrs. R. M. Thomas left Tuesday for New York City to attend the World Series baseball games. Mr. and Mrs. Rebel Thomas of Grassland are staying at the R. M. Thomas home in the Grassland Community with Jan and Joy, two of the Thomas daughters. A third daughter, Judy, is staying in town with her grandparents, Mr. and Mrs. J. E. Parker, and her uncle and aunt, Mr. and Mrs. Tom Power.

Mr. and Mrs. Paul Foster and three daughters, who recently moved to Southland from Levelland, spent the weekend here. Foster is associated with the Basinger Hardware Store.

Munger Kemp will undergo a stomach operation tomorrow at Scott and White Hospital in Temple.

Mrs. Leroy McCrary and sons of Amarillo visited Mrs. S. W. McCrary and the Lucy Richardsons Tuesday.

Mrs. Vida Brant and daughter, Mrs. J. N. Power, and the latter's children, Nancy and Jim, spent Tuesday in Lubbock visiting Mr. and Mrs. Jim Cloud.

Erans Hospital in Amarillo Tuesday.

Justiceburg News

Please Send News Not Later Than Monday to **MRS. GEORGE EVANS** Justiceburg Correspondent

At last the R.E.A. is coming to our community. The company men are getting ready to set the poles for the power line this week.

Mr. and Mrs. E. M. Woodard were visitors in the home of Mr. Woodard's mother, Mrs. A. N. Woodard, in Snyder last week.

Mr. and Mrs. W. T. Parchman accompanied their daughter, Ethelyn Masters, and daughter, Shirley, to Lamesa Friday where they visited with Mrs. L. E. Matthews and Mr. and Mrs. H. B. Parchman and baby.

Mr. and Mrs. Melvin Taylor and children of Hawley recently visited in the H. L. Morgan home a few days.

Sam Elkins is visiting in the Tom Keane home in Slaton this week.

Mrs. Joyce Claiborn is working for the Santa Fe Railway Co. in Slaton.

Mrs. Cameron Justice visited her daughter and family, the Buster McNabbs, in Ropesville over the weekend.

Mrs. Pearl Nance visited recently in Amarillo with her daughter, Lois Nance.

Mr. and Mrs. George Evans were guests in the home of their son-in-law and daughter, Mr. and Mrs. Jimmie Bunger, in Lubbock Sunday.

Mr. and Mrs. Mason Justice recently transacted business in Sweetwater.

Mrs. J. G. Davis of Brownwood has been visiting in the home of her son, Doyle Gunn, and family several days.

Mr. and Mrs. V. A. Lobban and children, V. A., Jr., and Janice, and Jerry Key visited Sunday in Colorado City with Mr. Lobban's father, C. P. Lobban.

Mason Justice attended funeral services for the small son of Mr. and Mrs. Bill Sharp in Graham Sunday.

Mrs. Lois Lyles who has been seriously ill for several weeks is slightly improved and is at her home here after being released from the Mercy Hospital in Slaton.

Mr. and Mrs. Virgil Bilbo of Ruidoso, N. M., spent the weekend with her parents, Mr. and Mrs. P. E. Stevens, in the Graham Community. The Stevenses and Bilbos had Sunday dinner in Post with Mrs. Gladys Stevens Hyde and Miss Nora Stevens.

Marriage License Goes Into Effect

The new marriage license law, which requires that both parties present papers showing they have successfully passed laboratory tests before receiving a license to wed, went into effect yesterday.

Although details of the law were published several weeks ago in the Post Dispatch, County Clerk Ray N. Smith thought it advisable to issue this reminder, as it takes four or five days to get the papers after the laboratory tests are made.

Marshall Mason attended a Bendix meeting in Abilene Tuesday.

Mr. and Mrs. Carl Honolulu are expected away to visit in the Mrs. Johnson's country, Roy. They are en route Atlanta, Ga., for a visit.

POST — 0 — TEXAS

Theatres Give Big Sum To Polio Work

A check for \$170,222.01, representing funds contributed by motion picture theatre patrons of Texas in August, has been given to the Gonzales Warm Springs Foundation for Crippled Children, John Hopkins, manager of the Garza Theatre, has been informed. The local theatre collected \$233 for the fund during the drive.

The Texas Theatres Polio Fund, sponsored by theatres throughout the state because of the unprecedented polio emergency this year, had the support of Governor Allen Shivers and the Texas Press Association.

So successful was the campaign, it is probable that the drive will be repeated each year, with all of the proceeds going toward the combatting of polio in Texas.

Mrs. W. F. Martin received a broken arm in a fall at her home recently. It was the same arm that had been broken a year or two ago.

Garnolia Notes

Please Send News Not Later Than Monday to **MRS. BERT CASE** Garnolia Correspondent

Bryan Williams took the Garnolia school children to the Fair in Lubbock last Thursday.

Pearl and Frances Craig, Frank Thomas and Othel Carey were injured in a car wreck near Gordon last Tuesday night. Pearl received a broken arm, Frances and Frank received bad bruises and Othel Carey is suffering broken ribs.

Jim Thomas of Post spent several days last week here in the A. B. Thomas home.

L. R. Mason is driving a new Ford.

Recent visitors in the L. R. Mason home were Mr. and Mrs. A. R. Hill of Dalhart, Mrs. Della Redmond and son, Mansel, and Florence Mason of Tahoka.

Mr. and Mrs. T. E. Fortune have returned home after visiting with relatives in Pampa and Amarillo. A weekend guest in the Fortune home was Jim For-

Legion Presents Flags To Schools

A flag of the United States was presented to each, the Post Grade School and the Post High School, last week by the American Legion.

It is understood by the school authorities that Boy Scouts will be responsible for hoisting and taking the flags in each day.

A problem has arisen as to how the flag will be attached to the grade school flagpole, which is 30 or 40 feet high and welded to the base so that it cannot be taken down. E. E. Pierce, principal, said that there was hope that the Post Volunteer Fire Department would find a solution to the problem.

Three Funerals Are Sad News In Area

Sadness in the form of three out-of-town funerals has befallen the residents of the Verbena Community.

On Sunday Mr. and Mrs. Burdette Bibber attended two funerals in Spur, one for a friend, Mrs. Charles Bennett of that city, and the other for Will Taylor of Spur, uncle of Jack Taylor of Verbena. The Taylor funeral also was attended by Mr. and Mrs. Jack Taylor and Mr. and Mrs. Bruce Tyler.

Mr. and Mrs. Dew Davis and family and Mr. and Mrs. Charlie Davis attended funeral services in Snyder Tuesday for a young nephew of Dew Davis.

S. F. Everett of the Verbena Community made a business trip to Spur Monday.

The Rev. W. K. Horn of Anson preached at the Central Baptist Church Sunday.

Mrs. Elmer Cass and Mrs. Bettie Carmichael of Post and Mrs. Rosa Easley of California were guests in the O. R. Cook home Wednesday of last week.

The Rev. and Mrs. J. E. Peters of Grassland visited in the Edd L. Gossett home Sunday afternoon.

Mr. and Mrs. E. W. Curry and family of Muleshoe were weekend guests in the Buford Mathis home.

Mr. and Mrs. Gene Carpenter of Redwine have moved to this community.

Close City News

Please Send News Not Later Than Monday to **MAE WILL TEAFF** Close City Correspondent

Mr. and Mrs. Harvey Stotts and son, Craig, have moved from Hereford to Pecos. Mrs. Stotts is a daughter of Mr. and Mrs. Will Teaff of the Close City Community.

Visitors in the Walter Brown home Sunday night were Mr. and Mrs. Roy Breeding of Grapevine.

Mr. and Mrs. Aubrey Ritchie and family visited Sunday with Mr. and Mrs. Johnny Ray of Barnum Springs.

Visitors in the home of Mr. and Mrs. A. O. Rosenbaum Sunday were Mr. and Mrs. A. Moss of Lamesa, Mrs. L. C. White and son, Noel, of Post, Mr. and Mrs. Paul Foster and children of Southland and Mr. and Mrs. Terrell Brown.

Mr. and Mrs. Howard Teaff had as their guests Sunday Mr. and Mrs. D. White and daughter, Janice, and Mr. and Mrs. J. F. Brandon and daughter, Dian. The occasion was the celebration of Howard's and Mrs. Brandon's birthdays, Oct. 3 and 5 respectively.

Visitors in the Clyde Redman home Sunday were Mr. and Mrs. Carlos Alexander and family of Lovington, N. M., Mr. and Mrs. Hubert Cook and baby of Leveland, Mrs. Lula Floyd of Post, Mr. and Mrs. Arthur Floyd, Mr. and Mrs. Walter Brown and Mr. and Mrs. Bob Baker.

Mrs. Delbert Cockrell and son, Freddie, are spending the week in the home of Mr. and Mrs. Will Teaff.

Mrs. Elmer Cowdrey was honored with a birthday dinner Sunday in the home of her brother-in-law and sister Mr. and Mrs. Virgil Stone. Guests were Mr. and Mrs. John Gossett, Mr. and Mrs. Delmer Cowdrey and Mr. and Mrs. Elmer Cowdrey.

Visiting in the Henry Carey home Sunday were Mrs. Albert Sparlin and daughter of Post and Mr. and Mrs. J. W. Brown.

Kathaline Smith spent Friday night with her grandparents, Mr. and Mrs. L. R. Mason, and attended services at the Methodist Church at Grassland.

Mr. and Mrs. Bernard Shepherd of Olney visited the Woodrow Furrs over the weekend.

Ernest Teaff of Merkel and son, Harold of Abilene spent Wednesday night in the home of their brother and uncle, Will Teaff.

Mrs. G. R. Day of Post visited in the Barney Jones home Sunday.

Mrs. Blasingame of Cleburne, who has been visiting in the Wilson home, returned to her home Saturday. Berchard and Bera Wilson went home with her for a short visit.

Sidesaddle Caused Turner's Nickname

There generally is a story behind a nickname that is not a derivative of the person's real name or a caricature on his physical appearance, and L. S. Turner's nickname, "Hi," is no exception.

When Turner was a small boy, the women rode sidesaddles. His attempt to say sidesaddle always resulted in something which sounded like "Hi-Daddie." As sidesaddles came up often in the conversation, L. S. developed the nickname of "Hi-Daddie." In time, the moniker was cut to "Hi."

Grade School Has Two Assemblies

The Assembly program at the Post Grade School Tuesday morning was presented by the Rev. T. M. Gillham, speaker, and the Rev. Sheldon Russell of Tahoka who led group singing.

Last Friday, an assembly program was presented at the school by Supt. G. R. Day, who talked on behavior in public gatherings as it reflects on the school and parents.

Charlie Brown visited with relatives in Abilene over the weekend.

Defense Of Church Is Rotary Subject

The Rev. T. M. Gillham discussed "Defending the Church" at Tuesday's Rotary meeting in the City Hall. He read the First Chapter of Philipians and commented on how men always have risen to the defense of their country. He discussed the advantages of applying the same vigor to defense of the church.

Mr. and Mrs. Leslie Ellis of Southland and Mrs. Ellis' mother, Mrs. Sam Spikes of Lubbock, visited Sunday in the home of Mrs. John Faulkner and daughter, Mrs. Dezzie Middleton.

Mr. and Mrs. Ralph Gossett and sons, Gregg and Bob, of Lubbock visited here Monday.

Strangers' Checks Are Welcome IF . . .

Most of the Post stores are displaying "Welcome Stranger" cards which say: "Sure . . . We Will Cash Your Check IF You Will Be Fingerprinted by the Sheriff's Department."

The cards were ordered and distributed by Sheriff E. M. Bass, on the suggestion of County Attorney Joe S. Moss who had seen them in a town on a recent trip in the western states.

Sheriff Bass said he hoped the notice in each of the stores

IN DISTRICT COURT

In District Court here Monday, there were two divorces granted, one agreed judgment on property title and one instructed verdict by jury in favor of plaintiff.

NAMES OMITTED

The names of Mrs. Virgil Priddy and Mrs. Alton Warren were inadvertently omitted from the list of flower girls in last week's account of the C. E. Nickens' funeral.

Mrs. M. N. Lyle of Claco, formerly of Post, and Mrs. Elliott of Colorado City visited Sunday in the home of Mr. and Mrs. T. L. Jones. They had been to Brownfield attending the 19th district convention of the American Legion Auxiliary. Mrs. Lyle is a state vice president and Mrs. Elliott is district president of the organization.

Guests in the home of Mr. and Mrs. Sherrill Boyd and son, Don, for two days this week were J. A. McCartney and Carlos Sanchez of San Antonio.

Southland News

Please Send News Not Later Than Monday to **MRS. FLOY KING** Southland Correspondent

Richard Becker is now employed in Lubbock.

Mr. and Mrs. C. S. Lindsey recently accompanied Joy Trimble,

might reduce the "hot check" racket which seems to always go with good cotton seasons.

Thirty Post Men Attend Inter-City Rotary Program

Approximately 30 Post Rotarians were among the 500 men attending the 26th annual Inter-City Relations meeting held in Lubbock last Thursday night at Texas Technological College.

After a chicken barbecue under the east side of Jones Stadium, the group went to the Tech Gym to hear a program on which Governor Thomas J. Mabry of New Mexico was the principal speaker. Other speakers or special guests included E. V. Pesqueira, Mexican consul from Amarillo; Dr. William O. Gordon, who outlined the work and accomplishments of the Lubbock Cerebral Palsy Center which is sponsored by the Lubbock Rotary Club; Dr. J. Ralph Grant, pastor of the Lubbock First Baptist Church who delivered the invocation, and Elmo Wasson of Big Spring, district Rotary governor.

Governor Mabry, introduced as "one of the outstanding statesmen of our time," has served in the top offices of all three branches of government—legislative, executive and judicial—in New Mexico. He was a delegate to the New Mexico constitutional convention in 1910. He spoke on Democracy and expressed faith that the United States will keep the American Way of Life.

Members of 32 Rotary Clubs attended the affair.

Spanish Pictures To Be Shown Here

Beginning Saturday night, the Garza Theatre will show a Spanish picture at 11 p. m. each Saturday during the fall season.

The Spanish picture will in no way interfere with the regular double feature which is shown at the theatre every Saturday night. Patrons entering the theatre by 8:30 p. m. can see two complete pictures before the Spanish film begins.

John Hopkins, theatre manager, said a Spanish film was shown at 9 o'clock last Saturday night as an experiment to see how it would be received by the Spanish speaking people here. A good crowd attended, he said.

Dian Haire, LaVonne Ferguson, Margie Becker and Burl Carey to San Angelo to a school of instruction on school annual work.

Mr. and Mrs. J. C. Harris spent the weekend with their daughter, Mrs. Reynolds, and family at Hamlin.

Visitors in the C. W. Klaus home Sunday were Mr. and Mrs. J. B. Thomas of Ralls and Mr. and Mrs. Bill Clary of Slaton.

D. J. Dial of Ralls visited Ralph Lewis Sunday.

Sharp Child Dies Of Polio Friday In Wichita Falls

Billy Sharp, 5-year-old son of Mr. and Mrs. W. A. Sharp, Jr., of this city died from polio last Friday night in a Wichita Falls Hospital.

He became suddenly ill Friday morning in Graham, where he and his parents had been staying while his father recuperated from major surgery, and was taken to Wichita Falls in an ambulance about 9 a. m. Death came that night about two hours after surgery had been performed on his throat to permit breathing.

Funeral services were held at 3 o'clock Sunday afternoon in Graham. Among the Post friends attending were C. R. Wilson and son, Butch, and J. B. Cole.

Billy is survived by his parents and his grandparents, Mr. and Mrs. W. A. Sharp who live in Idaho and Mr. and Mrs. Gibbs of Graham. His father is employed here by the Charles E. Hipp Drilling Co.

SIX FINES PAID

Five fines for highway violations and one for drunkenness were paid during the past week in Peace Justice Jim King's court. All except one highway violation fine was for \$1 and cost each. The exception was for \$5 and cost because the defendant failed to appear within the date designated on his traffic ticket.

AUTHORIZED DEALER **WHITE** Auto Store THE HOME OF GREATER

Going to get your \$2,064 bait back?

Your shiny new automobile—with prices averaging about \$2,064—has to get you a whale of a lot of use to justify its cost.

Winter wear is the worst bait-snatcher. It can strip your car of plenty of service . . .

Unless you OIL-PLATE it!

2. Always on Guard! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine against grinding "dry-friction" starts . . . from corrosive combustion acids . . . from sludge and carbon caused by wear.

3. Oil-Plating—a feature of patented Conoco N^o Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

3. Watch Out for Winter! The frigid months are the most dangerous months for these car-killers. New and older cars both urgently need Conoco N^o. Don't wait . . . drive yours in today and armor it against winter with Conoco N^o.

See Your Conoco Mileage Merchant, NOW!
