

# 31,000 bale crop is seen

Hackberry Gin is now ginning some late hail-damaged cotton which has been defoliated in the northern part of the county, but Garza's 1981 cotton harvest still is awaiting the first hard freeze.

Hackberry has ginned some 150 bales or more of the hail-damaged cotton with several cotton strippers now running.

County Agent Syd Conner said prospects this fall are for "a slightly better than average" cotton crop.

The county committee this week still reports good probability of three-fifths a bale to the acre on the average.

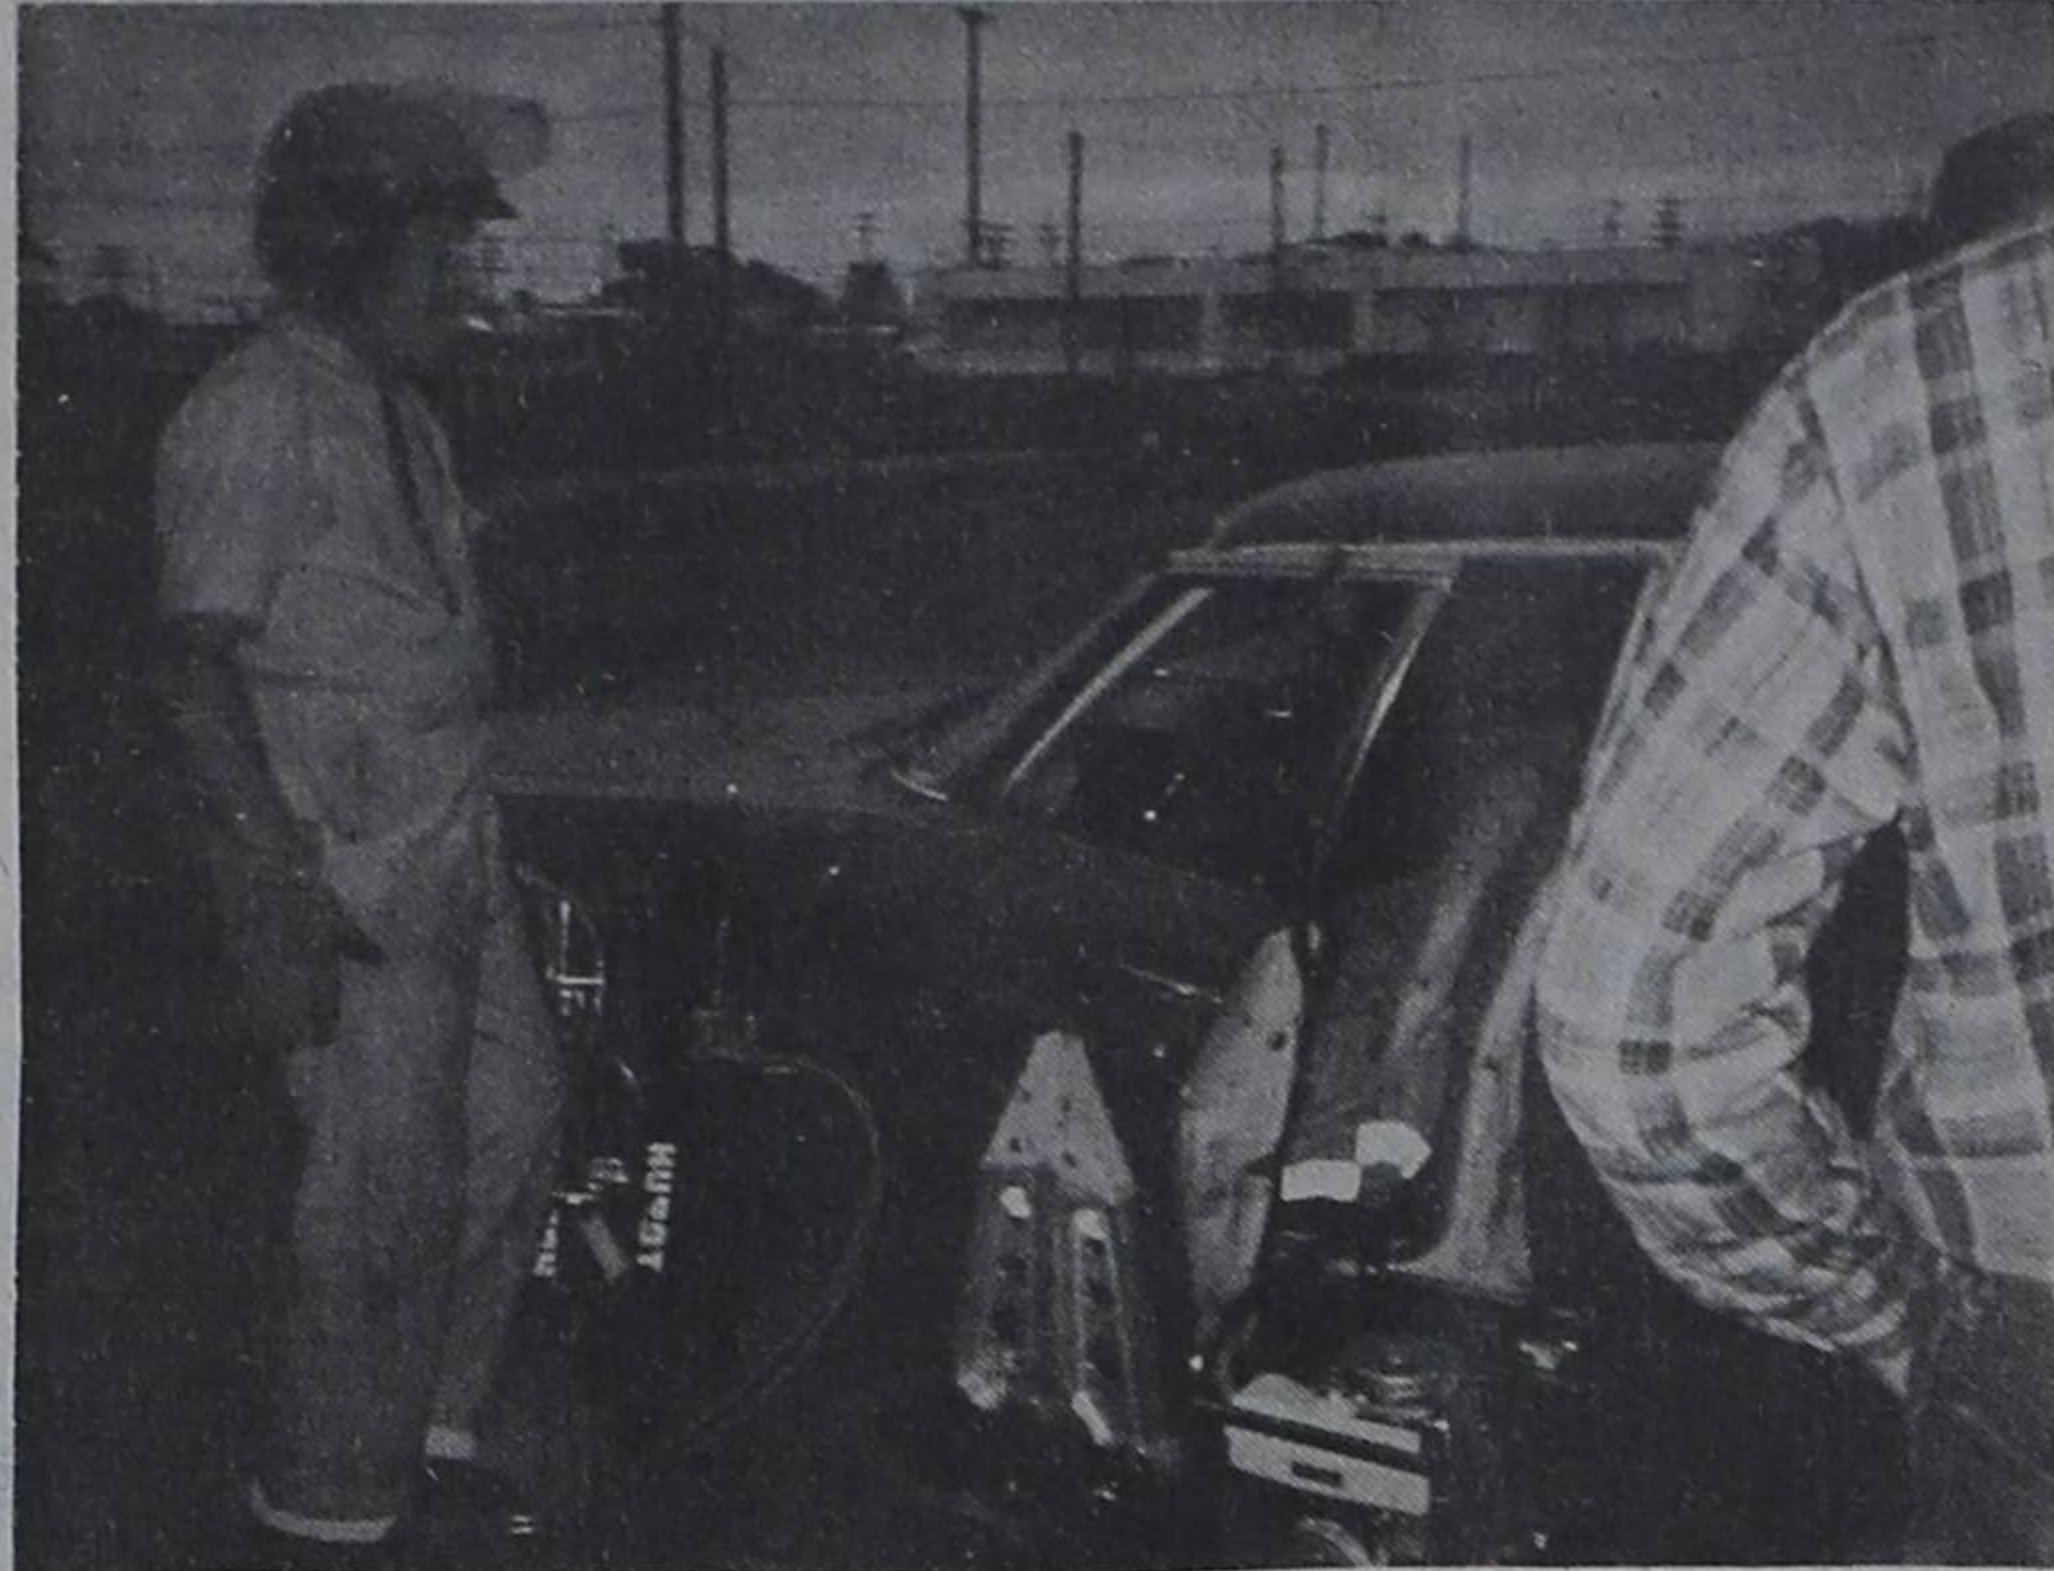

With 55,000 Garza acres planted to cotton, this will mean a 1981 crop of 31,000 to 32,000 bales.

While this is not of the bumper variety it certainly is a great deal better than the poor crop of 1980.

Some cotton was planted after June 20, County Agent Conner pointed out to The Dispatch and "it's still trying." He said the mature cotton, which was planted on time, is now about ready for a hard freeze and harvest.

Many fields of mature cotton are not dry enough now for defoliation. But Conner predicted if a hard freeze doesn't come within two weeks more farmers will begin defoliating.

Overnight lows of 33 degrees have been recorded here during the past week with light frost, but no freeze has developed.

To lesser charge of aggravated assault—

# Kent rancher found guilty

Kent County Rancher William E. McLauri III was found guilty late Tuesday afternoon of the lesser charge of aggravated assault here in his Garza district court trial for attempted murder in the admitted shooting of Spur oilfield roughneck, Roy Hodges.

The jury of five women and seven men deliberated 70 minutes before returning their verdict at 6:05 p.m. After deliberating another 14 minutes, they sentenced

McLauri to a 10-year probation of a two-year prison term.

Hodges was shot in the Long Branch tavern parking lot here the night of Nov. 19, 1980 and lost his sight as a result of the shooting.

He has a \$3,535,000 damage suit pending in district court here against McLauri. It is the largest damage suit ever filed in Garza County.

McLauri entered a not guilty plea by reason of

self defense.

He took the witness stand and admitted shooting Hodges because, he said, Hodges told him, "I'm going to cut your ..." and then reached in his pocket.

McLauri said he thought Hodges was going for a knife, so he pulled his .38 caliber special and fired. The jury got two vastly different stories as to exactly what happened in the parking lot that night after McLauri had gotten into a scuffle with another Spur man inside the tavern.

Hodges testified when he walked out of the Long Branch he was going to work and McLauri who had left just before he did called him over to McLauri's pickup.

There was just some casual conversation, Hodges said, when he saw a gun in McLauri's hand. He said he turned to run when McLauri fired, hitting him at close range in the right temple.

According to trial testimony, a group of Spur men were talking about a friend of McLauri and as McLauri admitted on the stand provoked him so much he got into a scuffle with one of the men.

There was testimony that Hodges had helped pull McLauri off the man after the scuffle broke out. Hodges said on the stand he merely had stood between the two men on his way to the restroom and was not a part of the scuffle.

District Judge George Hansard in his charge to the jury said the jury could decide upon one of four verdicts once they had determined the facts in the case — attempted murder, attempted voluntary manslaughter, aggravated assault or acquittal.

He told the jurors that if there was any reasonable doubt as to which verdict was the proper one they should select the lesser one.

The jury was selected Monday afternoon in about an hour. Testimony took most of Tuesday with the judge delivering the charge to the jury shortly after 3:30 p.m. after which attorneys presented their closing arguments.

District Attorney Joe Smith and Defense attorney Dan Sullivan of Andrews both urged the jurors to use their common sense in arriving at their verdict.

Smith who held McLauri's small gun in his hand as he talked emphasized that it was the State of Texas who had brought the charge, not Hodges.

Sullivan when he got his turn asked the jury which story they had heard made more sense — that after a casual conversation McLauri had suddenly pulled a gun and shot Hodges "for no reason at all", or whether McLauri had feared for his life when Hodges told him he was going to cut him up and reached in his pocket.

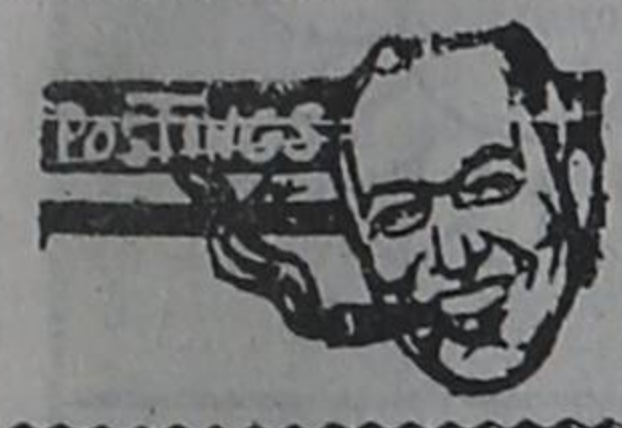

"What would you do?" he asked the jury. "If you stopped and asked all the nice questions to determine what you should do (as contained in the judge's instructions) you'd be dead."

The defense attorney pointed out that McLauri testified that after the shooting "I got out of there" but that McLauri then drove back by and saw the ambulance and officers.

Sullivan said that the defendant drove from Post to his mother's home in Plains to seek her advice. Sullivan pointed out the evidence showed that McLauri's foster father telephoned a Yoakum deputy and that Bob McDonnell, deputy in Plains, had been told exactly the same story then of what happened in the parking lot as McLauri testified Tuesday on the witness stand.

"He didn't even have a self defense."

(See Trial, Page 12)

Halloween comes up Saturday night, but we do not intend to write anything about outhouse burnings on local streets. Come to think of it, we bet they're not many outhouses left around these days.

Bobby Davis makes his homecoming of sorts here Friday night when he brings his Frenship Tigers to Antelope Stadium for a district game with the Lopes. Bobby probably will have a lot of fans look him up after the game to say hello, as he was quite a popular coach here for six years.

This should in no way distract from the Antelopes' desire to skin the Tigers and stay in the middle of the district race. The Tahoka Bulldogs lost their quarterback with a broken leg last week against Frenship and they may have trouble in handling either or both Roosevelt and Slaton in the next two weeks. The Dogs will have a week to figure it out as they meet winless Cooper this weekend and can probably name the score.

The Tech Museum lecture next Thursday night on Post's Postosuchus should attract a lot of local interest. Dr. Sankar Chatterjee, who discovered our Postosuchus, will give the lecture. He is a terrific guy and really full of knowledge about those first few hundreds of millions years.

The committee on re-drawing county commissioner district lines make their recommendations Tuesday night at a public hearing on the subject. Besides the commissioners and the committee there were only about 10 or 12 citizens attending the hearing. The court will take final action on the subject at their Nov. 9 meeting. No controversy has developed on the matter.

There are a number of See Postings, Page 12

## United drive team completed

The Garza United Fund campaign staff has been completed this week with the appointment of Patsy Craig as chairman of the farm and ranch division.

Other division chairmen include Maritta Reed, hospital employees; Preston Poole, courthouse employees; Walter Didway, Postex employees; Gwen Carlisle, ASCS and SCS employees; Beth Short, Downtown employees; Everette Windham, George R. Brown employees; Shirley Storie, private citizens;

## County agenda is routine

The county commissioners court Monday named Mrs. Sophia Martinez as election judge for voting box No. 3 for next Tuesday's election. She will replace Mrs. Ruby Jones, who is unable to serve due to illness.

In other actions, the court:

Approved bonds on Michelle Penrod, Denece Higgins and Freda Schronk, correction officers for the sheriff's department.

Requested that an inspection be made of courthouse water damage caused in recent rains and an estimated cost for replacing all downspouts and gutters be submitted by Red Oglesby of State Heating & Air Conditioning. The damage to the first two floors was minor in nature.

Judge Giles Dalby reported that the election results for the county appraisal board showed that all five current members have been reelected. They are Judge Dalby, Jack Alexander, Jack Lott, Wanda Mitchell and Wel-

(See Agenda, Page 12)

## Two burglaries reported here

Burglaries of the VFW clubhouse and the Wilson Brothers Chevron Station and Garage this week are under investigation by the sheriff's department.

Sheriff Jim Pippin said the VFW clubhouse was broken into Monday night for the second time in recent weeks with entrance gained through the same back window.

Twenty-two cases of beer, five cartons of cigarettes and 15 quarts of wine were reported missing.

A whole frozen beef was stolen from the deep freeze at Wilson station.

The cigarette and candy machines also were broken into and the money taken from them. Entrance was gained through a back window.

## Dr. Chatterjee to discuss discovery Nov. 5—

# Postosuchus lecture to be at Tech museum

LUBBOCK — Dr. Sankar Chatterjee, who recently uncovered the Postosuchus fossil near Post, will discuss his discovery with the

public at 7:30 p.m. Thursday, Nov. 5, at The Museum of Texas Tech University.

The lecture, "A New Triassic Reptile from Texas," will include an exhibit of bones and a slide presentation of the Postosuchus and other fossils found in the Dockum Rocks, 12 miles southwest of Post. Chatterjee's research in that area is funded by a grant from the National Geographic Society.

## Light election turnout seen

A light turnout is predicted here next Tuesday in the statewide election on seven constitutional amendments.

No absentee ballots had been cast here through Tuesday with absentee voting ending Friday.

Polls will open at 7 a.m. and close at 7 p.m. Not over a 20 percent turnout of voters is predicted here.

None of the seven amendments has aroused real voter interest or stirred up public controversy.

For a rundown on the

amendments see The Dispatch editorial on page 2. Because of little interest in the amendment election here, The Dispatch office will not remain open Tuesday night to give results by phone.

## First aid to be taught

There will be a first aid course taught by certified Red Cross instructors, Bob and Ann Butler of Crosbyton at the Girl Scout Hut, 506 West 7th on Saturday, Nov. 7 from 8:30 a.m. to 5 p.m.

Anyone interested in attending should call 3057 or 3069 to register by Nov. 5 as materials for the course must be reserved. There is no charge for the course except \$5.40 for materials.

The Post Girl Scout leaders will be attending the course but it is open to the general public for anyone who cares to better prepare himself for emergencies.

## Program planned for Veterans Day

The Post High School Student Council is sponsoring Veterans Day program in the newly remodeled gym on Nov. 11 with Dick Laird of Lubbock Christian College the speaker.

Laird is dean of students and political science instructor at the college.

Also on the program will be patriotic selections by

## Ag service's history told

Bill Gunter, assistant district director for the Texas extension service, gave Rotarians a historical account of the birth and development of the Texas Agriculture Service at the club's Tuesday luncheon in the community center.

Pointing out that in its early history, the United States was very much a rural nation, Gunter said the federal government in 1862 established land grants for the establishment of state colleges to teach engineering and agriculture providing the states matched federal funds.

In 1887 came the Hatch act to establish experiment stations for agriculture to match such programs in foreign nations, and in 1914 authorized the establishment of agricultural extension services.

the high school band and choir.

City and county officials will be invited as special guests for the Veterans Day occasion.

Laird also is director of students in free enterprise and executive director of the South Plains American Heritage Program, which is located on the Lubbock Christian College campus.

## Hereford sale is success

The Double U Hereford Ranch's seventh annual production sale here Oct. 21 was quite successful, Manager Tom Copeland told The Dispatch.

A good crowd was on hand. Commercial heifers were sold for an average of \$685, the registered heifers for \$775, and the registered bulls for \$745.

Eighty bred three-year-old commercial heifers, 33 registered three-year-old registered heifers, and 66 two-year-old registered bulls were sold following lunch served at the Post Ranch headquarters on West 13th street.

## White River builds million dollar fund—

# Recreation is money maker

The White River water rates to its four member cities have not been raised since originally set in 1957 at 30 cents per thousand gallons and water deliveries began in 1965.

This remarkable record has been made possible by a profitable recreational program at the lake which has built up an investment fund of over a million dollars, the water district's annual financial statement as published on page 2 of today's Dispatch shows.

White River manager Al O'Brien points out that the district is actually losing money today on its water operations but can easily make up the loss on interest earned from its recreational fund investments without a rate increase.

The water district lost approximately \$31,000 last year on its water operations and O'Brien expects this loss to increase to about \$70,000 this year due to much higher electric rates.

will be able to ask questions and visit with Chatterjee who is curator of vertebrate paleontology at The Museum. The lectures are co-sponsored by museum curators and the West Texas Museum Association.

The Postosuchus, a meat-eating reptile that preceded the dinosaur and roamed the South Plains 180 million years ago, was discovered by Chatterjee in the summer of 1980. The fossil is expected to provide clues on

the evolution of the dinosaur and to contribute evidence to the theory of continental drift — that the earth's land was once joined in one super continent.

Chatterjee will talk about the different kinds of dinosaurs, when and how long they roamed the earth, why they became extinct and how to identify their bones. He will also discuss the importance of looking for fossils.

## Construction of plant started

HOUSTON—Brown & Root, Inc. has started construction of a carbon dioxide plant for Carbon Dioxide Technology, in Lubbock. This project will pioneer a technology for the increased recovery of tertiary oil. Brown & Root, a Halliburton Company, is one of the world's largest engineering and construct-

ion firms.

The facility will remove carbon dioxide emissions from the stack of a gas-fired electric generating plant. The carbon dioxide will be transported through a pipeline, also being constructed by Brown & Root, to an oil field near Post, Texas. Carbon dioxide will be injected into the wells to enhance recovery of tertiary oil.

Completion of the job is scheduled for fall, 1982. At the peak of construction, approximately 300 people will be employed.

## Garza calf 1st at fair

Jana Middleton, daughter of Mr. and Mrs. Tom Middleton placed first with her winter heifer Hereford calf in the Dallas State fair held recently. She did not make the sale division of the show, but was very high in showing.

Thirteen Garza county 4-Hers and residents attended and participated in the fair.

4-Hers other than Jana showing and placing were Tammy Johnson and Keitha Beth White, winning blue ribbons with their cross bred steers, Sam Butler and Jana Terry winning red ribbons with their crossbred steers. Mike Johnson participated in showing also.

Adults attending were Wendell and Cindy Johnson, Noel and Orabeth White, Steve White, Tom and Janie Middleton and Extension Agent Syd Conner.

## Breakfast to be Nov. 6

The First National Bank is sponsoring the Post chamber of Commerce's quarterly membership breakfast at 7 a.m. Friday, Nov. 6, in the community center.

A \$75 cash prize will be awarded to the chamber member whose name is drawn providing he or she is in attendance. Other door prizes also will be given.

Breakfast tickets are \$1 each and may be purchased from Chamber directors Charles Hardin, Jim Pollard, Curtis Hudman, Everette Windham, Bob West, Bob Palmer, Betty Posey, Jerry Bush, Joe Giddens or at the Chamber office.

creational fund received about \$97,000 from the sale of permits last year and \$27,000 more from lot rentals along the lakefront. The district earned \$145,090.55 on interest from its recreational investment fund for the year.

The water district also received \$30,000 last year for the sale of its golf club clubhouse, built on a government loan, to the White River Retreat which is now being used for the treatment of alcoholics.

## 7 decisions coming up

It's "amendment time" again and if you are a good Texan you will do your homework in advance on seven constitutional amendments coming up for decision at a special state-wide election next Tuesday and then go vote for or against them as your judgment dictates.

The constitutional amendment election as a means of changing the Texas Constitution is certainly a horrible way to make the changes necessary for our state government to adopt to a changing world.

It's expensive. It very often brings out the worst in people via negative voting. But most important of all, the amendment decisions are made by only a handful of Texas voters. The vast majority of Texans never get near the polls to express their opinions.

To this list you might add the sorry fact that most of the voters who do go to the polls don't really understand the amendments they are voting on.

Texas tried to rewrite its constitution not many years ago and got into such a mess that it finally had to go ahead with its amendment elections despite misgivings.

Certainly, amendments should not be offered in off years at special elections because they are no real poll draws. In our opinion they should be voted upon only at general elections when the voter turnout will be larger because of political races.

Despite all these reasons for not holding a special amendment election, it will come up next Tuesday anyway and seven decisions are going to be made even if only one voter shows up to mark a ballot. So here are some thumbnail opinions on the amendments for your consideration.

Probably the most important of the amendments for West Texas is No. 4 which is called the "water amendment."

This proposition would provide that one-half of the surplus tax revenues above the spending limit of the Texas state constitution would be placed in a water assistance fund to be used as provided by law for water development and conservation.

The amendment would permit the interest rate on \$200 million in urgently needed state bonds to be raised from the present maximum of six percent to 12 percent. The money would then be loaned for various water projects just as the White River Water District borrowed \$4,500,000 from the state to build its present water system in the 1960s.

It would create a loan guaranty program to enable communities to issue water project bonds at a lower rate because of the backing of the credit of the state of Texas.

It would through surplus set aside build a fund to assist local governments in financing water and sewer projects and pay for water research.

This "water amendment" does not mean that billions of dollars will be raised to bring water by canals to the irrigated high plains

of West Texas to replenish underground supplies.

But many East Texans believe this is what the "nest egg" will be used for and are expected to oppose it.

West Texas lost its chance for state financing of water importation at a constitutional election over 10 years ago simply because they stayed home and didn't vote.

Proposition 4 has other opponents too. We think it is a good idea to always vote FOR water in Texas and recommend approval.

Proposition No. 1 would allow the state legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on an unproductive, underdeveloped or blighted area in order to encourage development.

The taxing units also could issue bonds or notes to finance such developments. It's aimed at providing a way to wipe out blighted areas.

Proposition 2 has no opposition. It would authorize a person to receive a patent to land if he has a defective title but has occupied the land and paid taxes on it for 50 years or more.

Proposition 3 would enable the legislature to grant to a state finance management committee the authority to handle state funds. This would save expensive special legislative sessions to designate use of federal funds received in new block grants favored by the Reagan administration. This is a money-saver. Vote for it.

Proposition 5 would exempt livestock and poultry from taxation. Currently all other farm products in the hands of the producer are not taxed. Some oppose it as shifting the tax burden and supporters say it will help reduce meat prices. We're in favor because it will help our ranchers.

Proposition 6 authorizes the county, city or school district to exempt from taxation a portion of the market value of a residence homestead to a maximum of 40 percent for 1982-84, 30 percent for 1985-87, and 20 percent for 1988 and after. Those favoring the amendment say homesteads have been unduly burdened by recent reappraisals and they deserve a break. This sounds good to us.

Proposal 7 would authorize the Veterans Land Board to sell \$250 million in bonds increasing the land fund's total bond issuance authorization from \$700 million to \$950 million. The fund has been stymied for lack of loan money. So why not?

Actually, the seven amendments are much more complicated than they appear here. With supporters and opponents making all kinds of claims and charges a voter needs more facts about them than are being made readily available.

As we said at the start, special amendment elections are a sorry way to patch up our state constitution.

## Remember When

### 10 YEARS AGO

Nancy Cook is Football Sweetheart with Jackie Moore, Melvina Stewart and Sue Parrish as attendants. Dejuana Hays is band sweetheart with Deborah York and Wilma Bullard as runners-up; Jay and Phylliss Kennedy, children of Mr. and Mrs. Gene Kennedy, are Garza County 4-H Gold Star boy and girl; Pickup rams into First Presbyterian Church; Garza flood results so good, unit is expanded by George R. Brown oil interests; Mrs. Janis Choat, Garza Home Demonstration Agent transfers to Mitchell county; Garza United Fund goal set at \$9,500; Johnny Minor wins "Mr. Legs" FHA contest held at PHS, runners-up were Eddie Gannon, Jay Pollard and Mark Hays.

### 15 YEARS AGO

Post 14, Denver City 0 is sweet smell of victory; Denver City paper gives

### 4-H Horse club to meet

The 4-H Horse Club meeting will be held Monday, Nov. 2, at 7 p.m. in the county 4-H building. Anyone interested in joining the horse club should attend or contact Bill Hedrick at 495-2309. You do not have to be 9 years old to be a member of the horse club, anyone under the age of 9 will be an honorary member and can participate in practice sessions, playdays and etc. However you must be 9 years of age to show at 4-H County, District and State shows.

Officers for the coming year will be elected and dates set for practice sessions and other events will be decided.

All parents are encouraged to attend.

Post credit for fighting team; Post on trail of 4AA title, to play Frenship Friday; Jim Hundley awarded plaque for Loyal Antelope Fan; Mrs. Ray Hodges breaks ankle in fall off ladder; Deputy Sheriff Bill Gordon is employed as police chief; Dr. C. H. Bauman undergoes surgery; 1,400 invitations go out for homecoming.

### 25 YEARS AGO

Judy Gossett is crowned band sweetheart and Jerry Hays chosen pep squad sweetheart; Miss Donetta Ellis named Southland football queen; W. M. Williamses hold open house at their 50th wedding anniversary; Garza County HD members will tour the homes of Percy Parsons, Ray McClellans, Jack Browns, Frank Bosticks, Hershel Bevers, Harde Smiths, Spence Bevers and N. C. Outlaws; Mr. and Mrs. Harley Wallace entertained with Halloween party in their home in the Graham community.

### 2 more locations for Garza County

Two more new drilling locations for Garza were announced last weekend.

One is George R. Brown's No. 20-D Post-Montgomery Unit No. 1 in the Garza field two miles southeast of Post which will be drilled to 3,200 feet.

The other is Ike Lovelady's No. 2 Ethridge in the Storie West field, 10 miles northwest of Post which will be drilled to 9,200 feet.

**TRAPPERS MEET**  
J. D. and Lucile Windham and granddaughter, Reitha Smithy spent the weekend in Morgan Mill Tx. where they attended the Texas Trappers and Fur Hunters association rendezvous. A barbecue, trapping demonstrations, a flea market, shotgun shooting contest, ax throwing and knife throwing contests, music and hound treeing contests were held.

Fasten a few spare strands of yarn onto the back of a finished needlepoint project. It may come in handy for future repairs.

**Public Notice**

**NOTICE OF HEARING FOR OIL AND GAS WELL PERMIT**  
**CITY OF POST, TEXAS**  
 Notice is hereby given that George R. Brown, acting under and pursuant to Ordinance No. 238, which ordinance amended Ordinance No. 89, Passed on February 14, 1950, and relating to the drilling for, mining, or in any manner engaging in operations for the purpose of extracting oil, gas or other petroleum products from the City of Post and correcting Exhibit B in Ordinance No. 89, and allowing additional drilling within the territorial limits of the City of Post as same existed on February 14, 1950; made, passed and entered on the 29th day of March, 1966, filed with the city secretary of the City of Post an application for a permit to drill a well for oil and gas upon lot number, None, in block number, None, of the town of Post, Garza County, Texas, according to the map or plat of said town of record in volume 13, page 1, of the deed records of Garza County, Texas, reference to which is here made; such well to be in drilling block number Post-Montgomery Unit No. 1 as shown in said Ordinance No. 238.

A hearing upon said application will be held at the City Hall in the City of Post, Texas, on the 29th day of October, 1981, at 1 p.m. at which time and place all persons interested may appear and contest said application.

GEORGE R BROWN  
 2 tc 10-8

**OPERATION OF UNITED CONVALESCENT OF POST IN COMPLIANCE WITH TITLE VI, CIVIL RIGHTS ACT OF 1964**

Since Jan. 19, 1980, United Convalescent of Post has been operated on a completely non-discriminatory basis insofar as race, color or national origin is concerned. All of the facilities and services of our institution have been available to employees and patients on an equal basis. Lobbies, public toilets, dining areas, therapeutic services and etc. are available to all regardless of race, color or national origin. This has resulted in the room assignments being made without regard to race, color or national origin and bi-racial room occupancy on a frequent and infrequent continuing basis.

Annual notification to the community of our compliance is necessary since our facility participates in programs using Federal Funds.

Sincerely yours,  
 Bobbie Edler

1tc 10-29

**Trio to get nurse's caps**

Josie Samora, Bertha Villa and Brenda Angerer, students of South Plains College Lubbock Vocational School of Nursing, will be receiving their nurses' caps in a capping ceremony Friday, Oct. 30 at 2:30 p.m. at Greenlawn Church of Christ in Lubbock.

For the next seven months, until graduation they will be getting their clinical experience at West Texas Hospital in Lubbock.

Relatives and friends are invited to attend the capping ceremony and the reception.

**Mengden seeks senate seat**

State Senator Walter Mengden, Republican from Harris County, has announced that he is a candidate for U.S. Senator.

Mengden charged that incumbent Lloyd Bentsen is not a conservative, and he cited Bentsen's votes to give away the Panama Canal, to create the Departments of Energy and Education, to give Washington, D.C. two U.S. Senators, and to spend tax money for abortions as examples of bad votes by Bentsen.

Mengden said he would work for a conservative agenda that included, among other things, initiative and referendum on a national level, and a constitutional amendment to prohibit deficit spending.

**Governor backs water amendment**

AUSTIN—Governor Bill Clements warned Texans this week that defeat of Amendment No. 4 in the general election Nov. 3 could lead to higher taxes in the future.

Clements made the remarks at a meeting of Water for Texas Committee, a statewide organization of prominent leaders who are backing the amendment, which would provide a plan for setting aside a "nest egg" from the state's budget surplus to help finance water projects.

The governor was responding to published claims of some opponents that passage of the amendment "will lead to higher taxes down the road."

"The truth of the matter is Texans are more likely to face increased taxes if we don't pass Amendment No. 4," Clements declared. "That's simply because the surplus will be frittered away every two years with the help of some lawmakers opposing Amendment No. 4, and we'll end up facing a water crisis down the road

that people will demand we take care of, even if it does mean a tax increase."

The proposed amendment, backed by the governor, a two-thirds majority of the legislature and a committee of prominent leaders throughout the state, would provide for three actions:

(1) Allow an increase in interest that can be paid from the current limit of six percent, now preventing sale of more than \$200 million in authorized and urgently needed state

bonds, to a more realistic rate of 12 percent.

(2) Create a loan guaranty program which will enable local communities to issue water project bonds at a lower rate because of backing of credit by the State of Texas.

(3) Set aside one-half of the state's budget surplus every two years to create a priority "nest egg" fund to assist local governments in financing of water and sewage projects and pay for vital research programs.

**SERIOUSLY ILL**

Mrs. Mell (Maude) Pearce of Canyon has just been released from a hospital in Canyon to the home of her daughter Mrs. Vivian Garner. She is not recuperating as well as expected. Her brother O. K. Bowen of Brownwood and her sister, Mr. W. W. Stephens of Post went to Canyon for a visit with Mrs. Pearce. Also visiting were Mrs. Sue Lovingood of Odessa, her mother, and uncle of Post. Mrs. Pearce's address is 1107 Third Avenue, Canyon, Tx. 79015.

**Safety tips for trick, treaters**

Major Bell also stated, "Costumes should be light in color, short enough to prevent tripping and non-inflammable. Facial make-up should be used instead of masks or hoods that restrict vision."  
 Children should be told to look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists, and children should be instructed to use sidewalks when possible.

**ENGAGEMENT ANNOUNCED** — Mr. and Mrs. Don Ammons announce the engagement and approaching marriage of their daughter, Deann, to Kenny Reiter, son of Mr. and Mrs. Bob Reiter. The couple has set Dec. 26 as their wedding date. Deann is a senior student at Post High School and Kenny is a 1980 graduate of Post High and is currently employed by George & David's Construction. (Staff Photo)

**Coffee for Donna Craig**

A get-acquainted coffee honoring Mrs. Donna Craig was held Saturday, from 10 to 11:30 a.m. in the country home of Mrs. Jimmy Mitchell.

Refreshments of fruit, sausage balls, donut holes, nuts, spiced tea, and coffee were served by Martha McLendon to the approximately 40 guests attending. Mr. and Mrs. Craig are the new owners of Garza County Abstract and Title Company. They have two daughters, LaDonna and Rene.

Hostesses for the event were Helen Miller, Irene Mitchell and Cindy Mitchell.

Variety is literally the spice of life in matters of nutrition, and dieters should be wary of special reducing diets that call for the elimination of too many foods for too long. A good low calorie meal should include a number of different kinds of food—meat, cheese, vegetable and fruit. Accompanied by a cup of hot, soothing tea, which has virtually no calories, this type of meal is nutritious as well.

**Sorority planning party**

Xi Delta Rho Chapter of Beta Sigma Phi met Monday, Oct. 26 in the Community Center meeting room.

Jennie Francis, chairman of the ways and means committee announced that the bake sale would be held Saturday Nov. 21 at United Super Market and Wackers from 9 a.m. til 1 p.m.

The Halloween costume party will be held at the Women's Club House. Also Johnnie Francis was in charge of the drawing of new secret sisters for the coming year.

There was a discussion on finding a project for the Satellite School. Margaret Price and Kay Hays were appointed to check out the matter.

Susan Cardinal asked members to bring a family picture to be included in the scrapbook. She also gave a film strip on the legend of Halloween and led the discussion on the Heritage of Women's rights as the cultural program.

Secret sisters were revealed with the exchange of gifts held.

Dinner was served to the following members: Voda Gradine, Cheryl Blair, Phyllis Bennett, Karen Pennell, Susan Cardinal, Bernice Eubanks, Jennie Francis, Kay Hays, Lois Kennedy, Margaret Price, Nancy Shaw, Janice Smith, Joyce Teaff, Peggy Ashley, Betty Dennis, LaGayluah Feagin, Martha Hart, Denice Higgins, and Vicky Howell. The meal was served by hostess, Johnnie Francis.

The next meeting will be held Tuesday, Nov. 10 in the home of Janice Smith.

**20 YEARS OF SERVICE** — Honored recently in a meeting in Postex Plant Manager Don Smith's office, Mrs. Edith Ramsey, secretary to the plant manager, is shown being presented 20-year service awards by Mr. Smith. Mrs. Ramsey, who resides with her husband, Bernard, at 317 S. Avenue F, moved to Post in 1961 when he accepted the ministry of the First Christian Church, which he served until his retirement. Mrs. Ramsey has been secretary to four Postex managers during her 20 years of employment with Burlington.

**What's Happening in Home Economics**

By MRS. CHERYL WALKER  
County Extension Agent — Home Economics

**Holiday Planning**

The Holiday season is almost here. Everyone is trying to get gifts, decorations and food ideas together. On November 10, SI can help you with the holiday food ideas.

A special Holiday program is planned for November 10. The following schedule will let you choose the most convenient time.

**Keep Halloween Special With Safety**

Keep Halloween "special" by keeping it safe. "Goblin excitement" is high for this first holiday of the school year, so parents and teachers have a serious challenge in protecting children. These are three safety areas that need the most attention. They are costumes, treats and traffic. Make sure costumes fit children so closely as possible. Avoid too-large costumes, since they can cause tripping, stumbling, or falling when children scurry from house to house. Be sure each child can see clearly through his mask. Check to see that the mask does not have a "blinder" effect. Be sure he can see out of the corners of the mask.

Look for flame-retardant costumes — or safe, flame-retardant fabrics for making costumes. Paper and most gauzy fabrics are highly flammable. Let your child wear his school shoes with the costume. Costume shoes may interfere with his running skills. Keep costumes light in color so they show up in the dark for motorists and others.

On dark costumes use reflective tape. Provide wrapped treats for all your children. Forbid your children from eating any treats until you check them first. Warn them not to sneak bites of goodies on the trick-or-treat run. Tell your child-

ren to canvass only your neighborhood for treats. Be alert to "goodies" that appear to be re-wrapped — or those smell "funny" or look "different", especially homemade products. Drive very slowly in neighborhoods on Halloween night. Watch for children darting from everywhere. Keep car lights on bright — except when meeting other cars — so you can see darting children. Trick or treat as close to home as possible. Walk with your children, rather than driving them on their rounds.

**Hints**

Remember as you prepare for the holidays, never partially cook turkey, then store, and finish cooking at a later date. Completely cook the bird at one time. Left-over turkey, brot stuffing and gravy should be separated, covered, and refrigerated. Use within one to two days. Freeze for longer storage.

The longest running variety show on television was Ed Sullivan's, from 1948-1971.

**Births**

Mr. and Mrs. Mark Williams of San Angelo, announce the birth of a baby girl, Haley Joanne, born Oct. 19 in San Angelo Community hospital. Grandparents are Mr. and Mrs. John Williams, Jr. of San Angelo and Jean Tipton of Post.

Giant bamboo stalks often reach a height of 120 feet.

## New members join Close City 4-H

By JANELL JONES  
The Close City 4-H club met Oct. 20 at 7:30 p.m. at the Junior livestock barn. Following roll call, these new members were welcomed to the club: Trena and Heath Penrod, Laura and Amber Crenshaw, Shelly and Melinda Curry, Rodney and Steven Tidwell, Lance Bland and Tyra Alexander.

The program was then turned over to Jana Terry, who was assisted by the Charles Morris, Jimmy Bartlett, Ronnie Harden and Mack Terry families, as the group joined in playing games.

A contest of costumes of TV characters was judged during the evening with Derick Dunn winning first, Heath Penrod, second and Mark Tyler third in boys division and Debbie Ethridge first, Susan Sanders, second and Jana Terry third in the girls division.

Congratulations were extended to Kayla Peel for being selected county 4-H Sweetheart.

Several members entered the South Plains Fair in Lubbock, with Janell Jones showing a barrow and a lamb; Labeth Jones showing two barrows; Korren Payton entered in culinary division and Steven Payton entering the crop exhibit.

Members present were Tommy, Korren and Steven Payton, Debbie and Betsy Ethridge, Susan Sanders, Derick Dunn, Chuck Morris, Rusty and Dana Morris, Krisha and Ray Mason, Rance Sappington, Janell Jones, Mark Tyler, Kraig, Keith and Kayla Peel, Lisa and Teresa Shults, Mandy Shults, Jana Terry, Glen and Sammy Hardin, and Mike Prather. Others attending were Darrel and Labeth Jones, Brena Payton, Ronnie and Dolores Dunn, Misty Bartlett, Nancy, Jean and Jack Morris, Patty, Roy and Rynn Sappington, David and Nellie Tyler, Janet Peel, Nedra Shults, Deretha Shults and Patricia and J. D. Penrod.

The next meeting will be Thursday, Nov. 19.

## Senior Citizens News

Well October will soon be gone. We have had a real good month, lots of fun and real good meals served to us.

Ladies we are still having exercises each morning at 9 a.m. so come down and join us. We have lots of fun doing these, also it is good for you.

Blood pressure check is each month the first and fourth Tuesdays and every first and third Thursday. Hearing aid service is offered two times a month so senior citizens take advantage of this service offered to you.

Our Senior Citizens Choir sang at our local church of God of Prophecy this past Sunday. We enjoyed it very much. You really receive a blessing from attending these singings.

We are to go to Tahoka Monday, Nov. 2 to their monthly singing. We practice each Tuesday night at 7 p.m. so if you would like to come and join us please feel free to do so.

Mike and Virginia Custer's daughter Sherry had surgery on her back. It went really well which we are very thankful for. Prayers are still answered every day. Hope for her a speedy recovery.

Mrs. J. M. Bush fell and fractured her hip or her leg. she is in the Garza

Memorial Hospital. Our prayers are with her and her family. She will be 93 or 94 years young this Saturday.

A. O. Rosenbaum is in the Methodist Hospital very ill. Let's remember him in our prayers.

Don't forget we will be having a Halloween party Friday night Oct. 30 at 7 p.m. so please put your costumes on and come join us. We will be playing some games and have refreshments and lots of fun.

We want to say thank you to Francis Matthews for the scraps she gave us. We appreciate them very much.

Well we miss all you folks when you are not down here for lunch or just come by and have a cup of coffee.

Got a few ladies doing some stitching on latch hook rugs, we appreciate this.

We are putting our quilt up so come down and help us quilt.

Alma Williams is doing better, but still doesn't feel like coming down.

We will be electing new officers and directors the third Thursday of November, which is the 19th as the fourth Thursday comes on Thanksgiving and we will be closed.

# Williams' 84-yard run sets up 13-9 win

## Kirkpatrick picks off two

Sophomore Tailback Milton Williams in his first varsity start came up with the longest Lope run of the season—an 84-yard kickoff return—to set up the winning touchdown as the Post Lopes defeated the Roosevelt Eagles 13 to 9 at Roosevelt's homecoming Friday night.

Safety Will Kirkpatrick picked off two more opponents' passes to halt Eagle scoring thrusts and run his interception total to seven for seven games.

And James Lee scored his first varsity touchdown for Post's first tally when Quarterback Tim Tannehill fumbled on Roosevelt's one yard line and Lee covered the ball in the end zone for six points.

The Lope defense gave up more yards than to any other team so far this season—287 to be exact—but when the Eagles tried to penetrate the Post 30 yard line, Lope defenders turned them back.

Roosevelt got a field goal in the first period when 235-pound guard, Homer Rocha, toed one through from 35 yards out after the Lope defense dug in to halt a Roosevelt drive on the Post 18.

The Eagles got their touchdown with a little over two minutes in the game when they blocked Gary Lamb's first varsity kick with the line of scrimmage on the Post 48. The ball rolled clear to the Post four where Roosevelt recovered. Halfback Charles Dixon skipped around right end on the first play for the score.

When Ira Jackson tried left end for a two point conversion effort, Kirkpatrick nailed him with a solid open field tackle.

Quarterback Tannehill, who has one of the best punting averages of any West Texas high school kicker this season, was knocked out of the game in the fourth period when he was flattened by a Roosevelt linesman after getting off his punt. He suffered an injury to his right knee and did not return.

That was the reason for Lamb trying his first kick.

When Post was forced to punt again with only 1:15 left and the Eagles trying to get the ball for a final scoring try, Coach David Thompson sent in Kirkpatrick, the place kicker, and Will got off a 25-yarder to midfield.

That put the Eagles far enough from the goal that they couldn't really threaten. They completed a pass to the Post 23 yard line on the final play of the game.

The win upped the Lopes' record to 1-1 in district and 5-2 for the season.

The Lopes moved the ball well in the first half, but the Eagles dominated the second half except for Williams long kickoff return.

"We didn't play well," Coach Thompson said, "but the kids battled back from their big disappointment in losing to Tahoka to get the win and that is hard to do." This is how the action went:

The Lopes drove from their 24 after the game-opening kickoff to the Roosevelt 31 where they lost the ball on downs. The big play was a 32-yard run by Fullback Richard Cisneros who shucked off a half dozen tacklers before being downed.

The next time Post got the ball Williams fumbled away a handoff on the Lope 44. Kirkpatrick stopped that Eagle thrust by intercepting Quarterback Orlin Goode's pass at the Post 15.

From there, the Lopes hammered 85 yards in a 10-play drive for their first touchdown with Tannehill fumbling on a keeper and Lee covering the ball in the end zone for the score.

The big plays in this drive were a 22-yard run by Kirkpatrick and a 26-yard pass interference penalty against the Eagles which gave the Lopes a first down on the Roosevelt 26.

The touchdown came with

STATISTICS	
Post	Roosevelt
10	First Downs 19
206	Net Yds Rushing 249
1 of 2	Passes 2 of 12
0	Yds Passing 38
2	Passes Int. by 0
6-32	Punts 4-33.5
7-62	Penalties 7-72½
3-1	Fumbles-Lost 2-0

11:13 left in the second period. Kirkpatrick converted to make the score 7-0 at halftime.

Roosevelt drove from the kickoff after the Post touchdown 60 yards to the Post 20, but again Kirkpatrick stepped in front of an Eagle receiver to halt the threat with an interception at the Post four yard line.

Kirkpatrick broke away for a 20-yard run to get Post out of trouble. An exchange of kicks found the Lopes back on their four again. With fourth down on the 13, Tannehill unloaded a 60-yard punt which rolled dead on the Eagle 27.

Midway in the third period, Roosevelt drove from its 20 to the Post 18 where the Lopes dug in and Rocha booted his field goal to make the score 7 to 3.

Then came Williams' run. He took a handoff on the Post 10 on the kickoff and raced 84 yards down the west sideline in front of the Post crowd before Roosevelt's Tim Sheppard caught him from behind on the Eagle six.

Cisneros scored in two plays, going in standing up from the five. Roosevelt was offside on a missed conversion kick, so Post tried a two-point conversion run from the 14 yard line, but Tannehill was downed before he could hand the ball off.

That made it 13 to 3 for Post with 3:05 left in the third period.

Roosevelt drove to the Post 26 and again to the Post 25 but were held for downs both times.

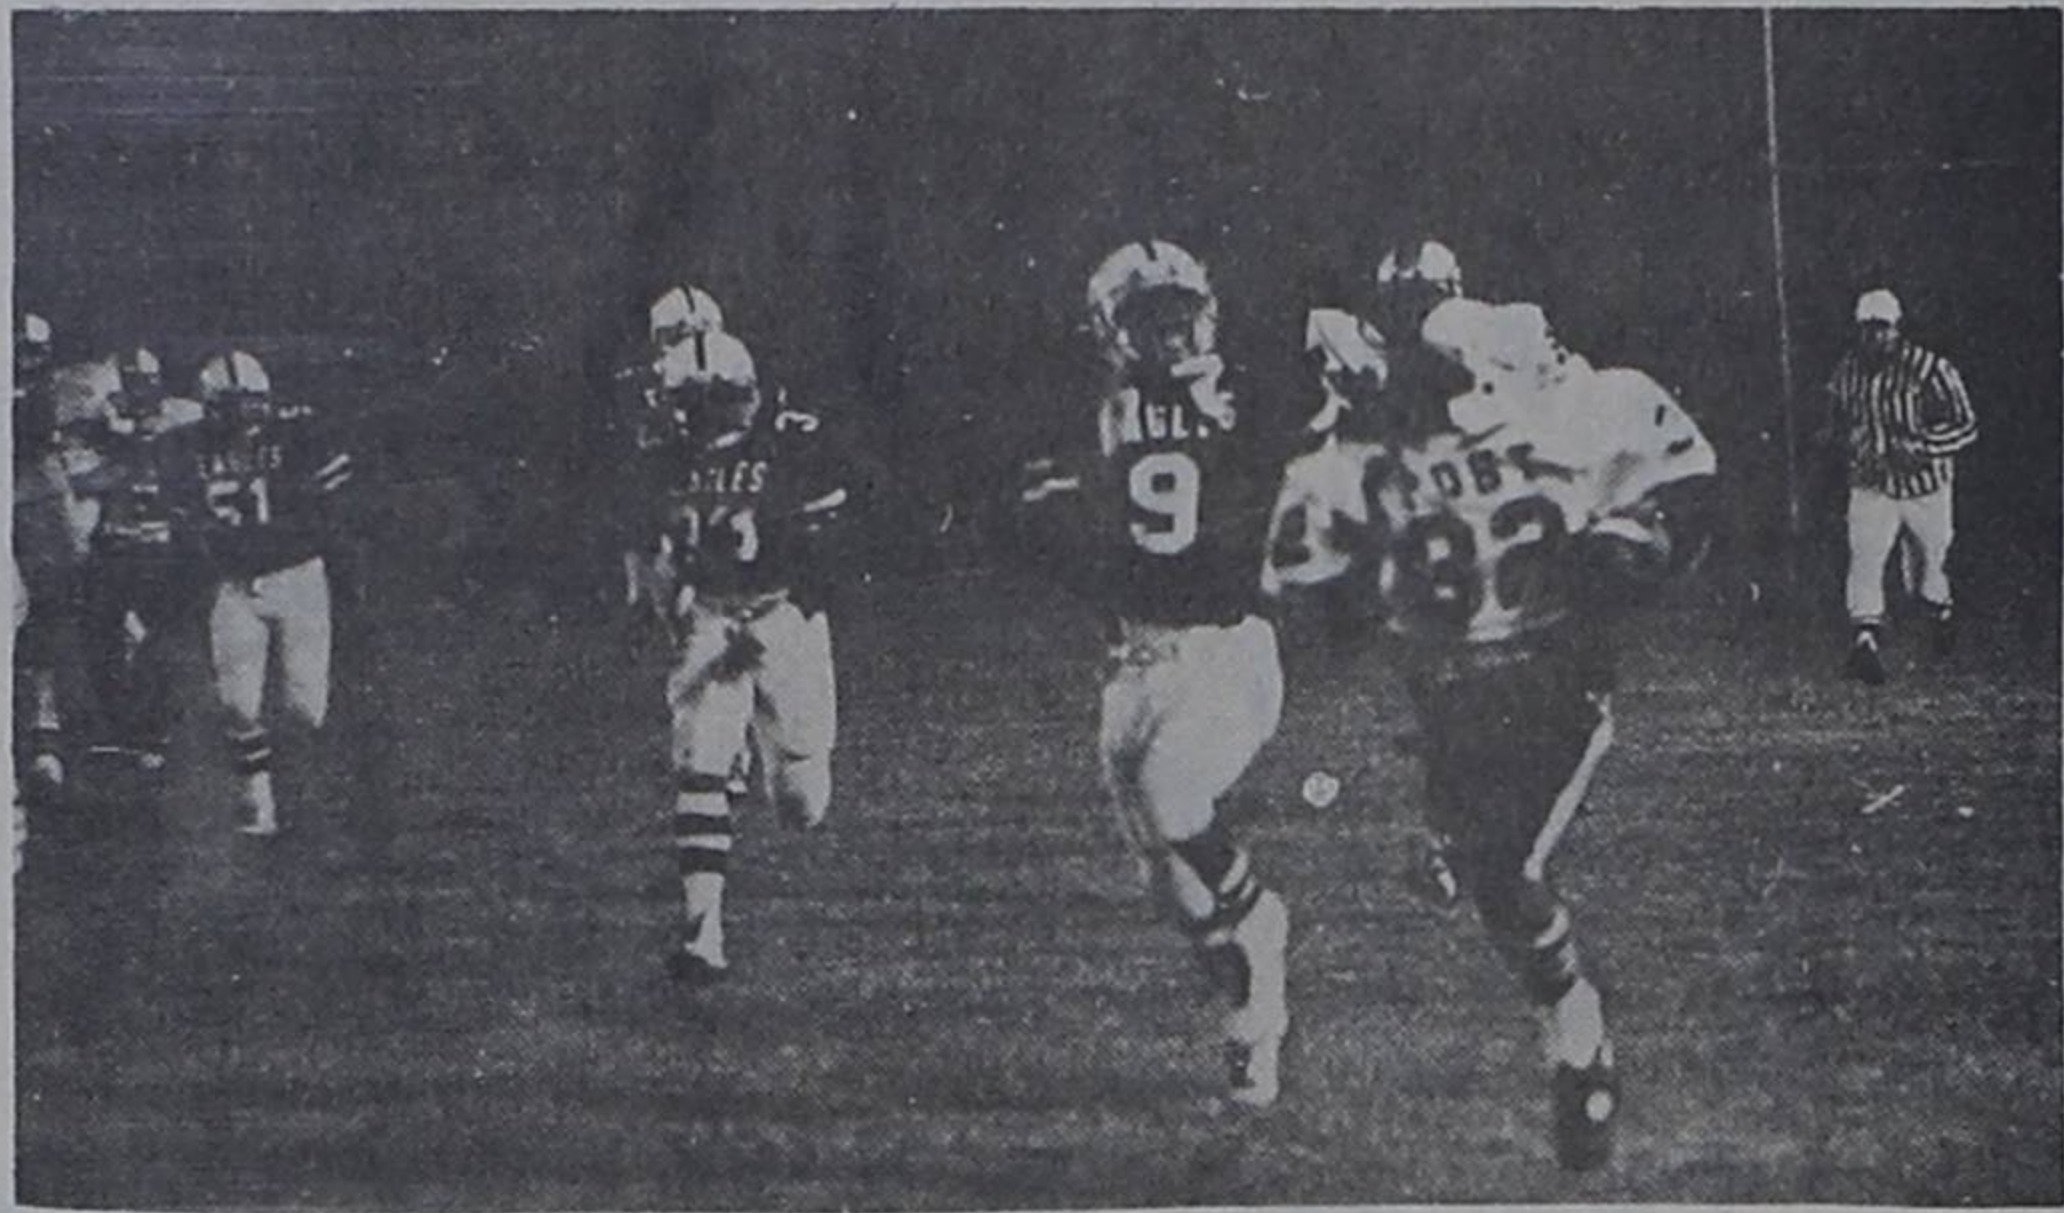

Then came the roughing the kicker penalty and Tannehill's injury.

The Lopes got it out to their own 48 before being faced with another kicking situation. Lamb got a high snap and took too long getting the ball away with the blocked ball rolling to the Post four and setting up Roosevelt's td with 2:10 left in the game.

The Eagles tried an onside kick to regain possession but kicked the ball out of bounds and Post took possession on its 41. The Eagles swarmed Williams for two big losses on wide plays and Kirkpatrick kicked away to the Roosevelt 41 with 45 seconds left. Goode got one first down to the Post 41, then fumbled and recovered, took a too much time penalty, and then passed to the Post 23 on the final play of the game.

The Lopes were held to three first downs, one on a penalty, and a net of 50 yards in the second half while the Eagles were gaining 162 net yards and 11 first downs in the final two periods.

Kirkpatrick led the Lope ballcarriers with 86 yards on 11 carries. Cisneros had 78 on 15, Williams 20 in 11, and Tannehill 15 in four.

**RACE FOR GOALLINE** — Milton Williams sprints down sideline in 84-yard kickoff return with Defensive back Tim Sheppard chasing him in Roosevelt game Friday night. Sheppard tackled Williams on the Roosevelt six. (Staff Photo)

## JVs take 14-0 win here over Roosevelt

A goalline stand and a 99-yard march which consumed virtually the entire third quarter of play gave the Post Junior Varsity a 14 to 0 triumph over Roosevelt's JVs in Antelope Stadium last Thursday night.

The locals fumbled the ball away on their 14 early in the third, but dug in and held for downs on their one yard line.

From there Post moved 99 yards in 19 plays for the clinching touchdown with Quarterback Robbie Williams passing to End R. J. Greathouse for the last eight yards and the six points.

Tailback Daniel Gonzales, who scored the first touchdown for Post in the first period, ran the extra points across.

Post got its first touchdown on a nine-play 65-yard march in the opening quarter with Gonzales div-

ing in from one yard out for the td. A 43-yard run by Wingback Felix Bustos was the "big play" of the drive. Gonzales led Post's rushers with 109 yards in 23 carries. Bustos got 56 in five carries, Fullback L. D. Harper 31 in seven, Fullback Giles Dalby 29 in six,

## 7th graders in 16 to 2 victory

Coach Fred Postell's seventh grade gridders rang up a 16 to 2 triumph over Roosevelt at Roosevelt last Thursday night.

Roosevelt got on the board with a safety in the first when Eddie Moat got a bad pitch and had to go back into the Post end zone to get the ball and was tackled there.

Post forced a Roosevelt fumble moments later on their own 25 and from the 30 drove 70 yards for its first touchdown with Quarter-

back Jay McCook passing to Anthony Perez for the final ten after Moat and Marvin Lee rang up some good runs to get the ball to the 10.

Lee ran in the conversion points. Neither team could move the ball in the third quarter. Late in the fourth, Reserve Quarterback Derrick Dunn handed off to Jay Claborn on a trap play and Claborn popped through and raced 45 yards for the final touchdown.

McCook passed to Lee for

## Tim Tannehill is doubtful starter

The Post Antelopes, who must win their last three games to have a chance at district grid honors, take on Coach Bobby Davis's Frenship Tigers in Antelope Stadium Friday night with starting quarterback Tim Tannehill a doubtful starter.

Tannehill suffered a knee injury in the fourth quarter at Roosevelt last weekend when he was decked by a charging Eagle linesman after getting off a punt.

Coach David Thompson told The Dispatch Tannehill was to be checked by a specialist Wednesday morning to determine if the knee was fit enough for him to get into the game.

If Tannehill is out, Melvin Wynne will move into the starting signal calling assignment.

The Lopes will have End Bill Black and Marvin Wynne, linebacker and backup fullback, back for action against Frenship after missing the Roosevelt game because of the flu.

Fullback Richard Cisneros has a sore neck and other players an assortment of bumps and bruises but all are expected to be ready to go.

Coach Davis, who was at the Lope grid helm here for six years and guided the Lopes to a share of the district crown in 1975, will be on "the other side of the field" Friday night when he brings his Tigers to town with his son, Brad, a 146-pound junior, as the starting quarterback, and rated by Coach Thompson as one of the Tigers' top two runners.

The other is Comas Godfrey, 180-pound senior tailback.

The Tigers are big on the line and run out of the I similar to the Lope attack formation. They play a 5-2 defense with 170-pound junior nose guard Billy Duke and 165-pound senior linebacker Tony Guerrero leading the defensive platoon.

The Lopes are a six-point See Frenship, Page 12

## 8th graders whip Roosevelt, 34-0

Coach Darrell Radle's Post eighth grade club rolled over Roosevelt 34 to 0 last Thursday night at Roosevelt with starters playing only about half the game.

Post drove 70 yards in nine plays in the first period with Fullback Tracy Price scoring the td from four

yards out. Fullback Deiton Osborn ran the PAT.

Defensive tackle James Mock blocked a Roosevelt punt to give Post the ball on Roosevelt's 30. Five plays later Wingback Rodney Tidwell scored from the eight. Tailback Adam Perez ran in the conversion points. See 8th graders, Page 12

## Freshmen thump Roosevelt, 42-12

The Post freshmen rolled up 421 yards rushing in Antelope Stadium last Thursday night as they crushed the Roosevelt frosh, 42 to 12, for their second straight district win.

Curt Greer led the Post rushers with 125 yards in 11 carries for two touchdowns. Mike Ollison had 97 yards in 18 carries, Greg Massey 80 in 14, Albert Nava 78 in eight, Rodney Hays 23 in four, Terry Kennedy 12 in four and John Soto six in one.

Greer put Post on the board in the first with a 34-yard run to climax a 69-yard drive. Ollison ran over the PAT.

In the second quarter Ollison tallied on a 28-yard run to climax a 69 yard drive. Nava then plunged two yards before halftime for the third touchdown after a 62-yard drive. Massey ran the PAT.

In the third period, Roosevelt drove 49 yards for a touchdown to make it 22-6, before Nava got away for the longest scoring run of the night—49 yards for Tannehill punted four times for a 41.5 yard average. He has averaged over 40 yards for the seven games to date.

Post's fourth td.

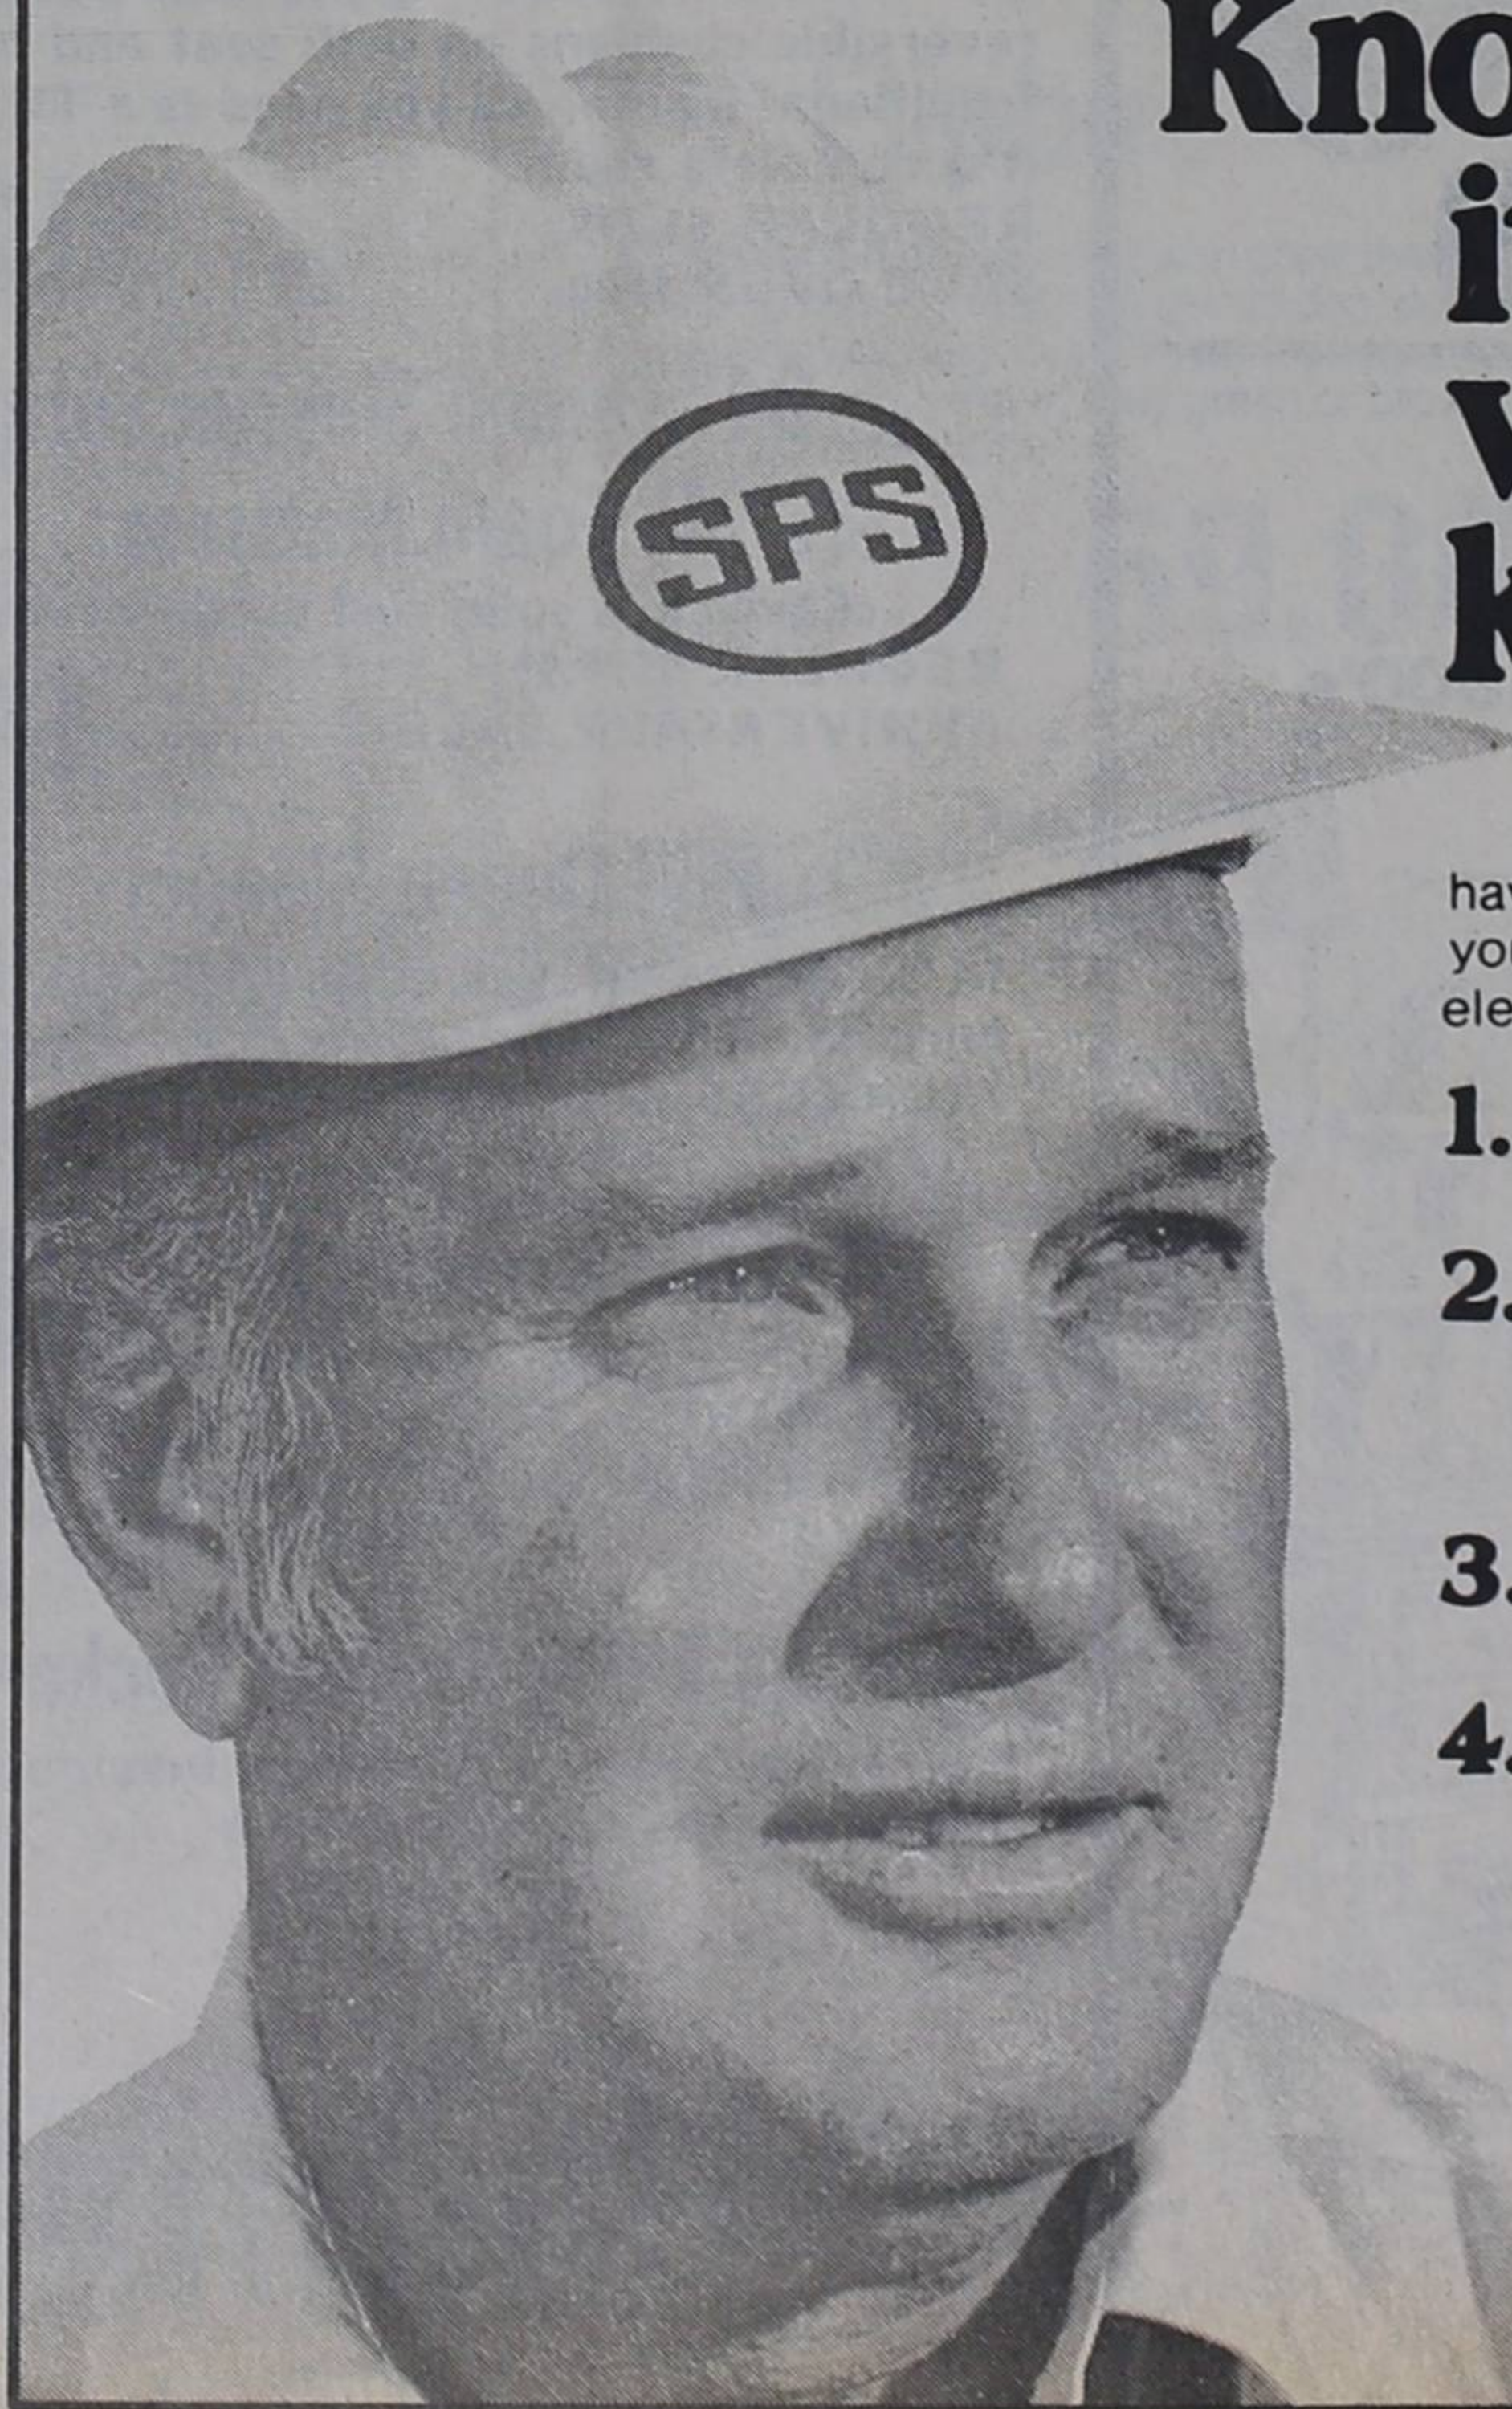

In the final quarter, Massey zipped six yards to finish off a 47-yard drive. Roosevelt got its final

touchdown on a 42-yard reverse. Greer then wound up the scoring going a dozen steps for a touchdown. Quarterback Terry Kennedy

passed to Ricky Benton for the two conversion points.

The freshmen journey to Frenship today to meet the Frenship frosh at 5:30 p.m.

# Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

- How much was your electric bill last month? \$ \_\_\_\_\_
- Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ \_\_\_\_\_
- How many people are in your family? \_\_\_\_\_
- Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ \_\_\_\_\_

Knowing what electricity is worth is worth knowing. Just look around.

# Burlington earnings are up for quarter and year

GREENSBORO, N.C. — Burlington Industries, Inc. today reported higher sales and earnings for the fourth quarter of its 1981 fiscal year compared with the final quarter of fiscal 1980.

Consolidated net earnings for the quarter ended October 3, 1981 were \$35,174,000 or \$1.25 per share on net sales of \$876,541,000. In the fourth quarter of 1980, consolidated net earnings were \$7,743,000, or 28 cents per share on net sales of \$717,008,000. The translation of foreign currency items resulted in an increase of 22 cents per share for the quarter, compared to the decrease of 32 cents per share reported for the last quarter of fiscal

1980.

For the 1981 fiscal year ended October 3, 1981, net sales were \$3,262,886,000 compared to \$2,900,649,000 reported for the fiscal 1980. Net earnings for fiscal 1981 were \$115,314,000 or \$4.10 per share on 28,098,000 average shares outstanding compared to \$81,330,000 or \$2.90 per share in 1980. The 1982 fiscal year earnings included a 90 cents per share gain due to foreign currency translation compared to a charge of 5 cents per share in 1980.

William A. Klopman, chairman and chief executive officer, stated "Burlington achieved its forecasted earnings improvement despite persistent pressure

in home furnishings and European apparel markets, and weakness in U. S. curduroy and knit apparel products.

"Financially, the Company finished 1981 in sound condition with satisfactory cash balances, lower out-

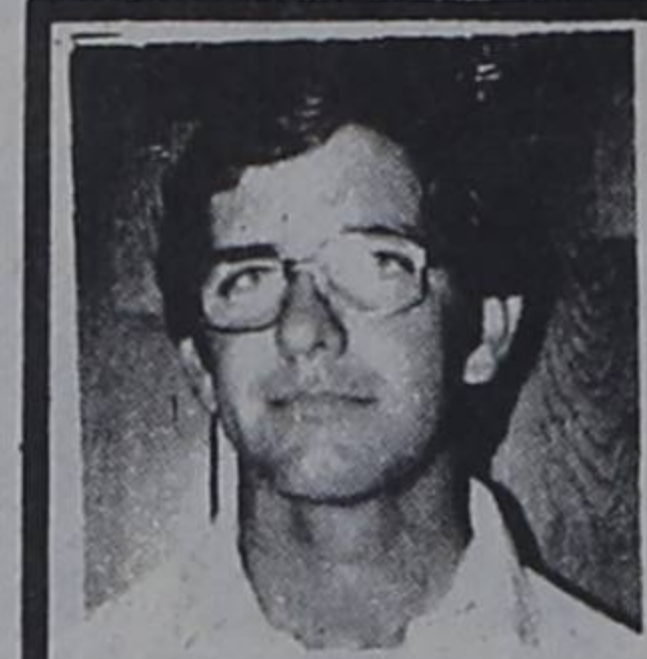

standing debt and with receivables and inventories levels in good balance. Capital expenditures for the year totaled \$217 million."

The Board of Directors previously declared a quarterly dividend of 38 cents

per share payable December 1, 1981 to shareholders of record at the close of business October 30, 1981.

## FHA to sell gift wrap

Future Homemakers of America held its regular monthly meeting, Monday, Oct. 19 in the homemaking department at Post high school.

The chapter voted to sell Christmas wrapping paper for their money-making

project this year.

Darla Davis representing Twin Cedars Nursing Home and Beverley Stansell representing United Convalescent Home were guest speakers. They presented names of the nursing home residents with a short resume about each person. Following this program each member adopted an FHA grandparent for the year.

Refreshments were served to the following members, sponsors and guests:

Melissa Striblin, Jeanette Evans, Patty Hale, Frances Cendalski, Jerri Bauman, Danny Storie, Phil Tyler, Ray Mason, Tommy Gonzales, Victor Robles, Sandra Abraham, Marie Albert, Delhanna Baldree, Chris Beggs, Greg Williams, Beth Camocho, Kim Carlisle, Charlie Dalby, Carol Holleman, Donna Massey, Vicki Teaff, Dana Dudley, Lynn Hodges, James Lee, Marvin Wynne, Rick Saldivar, Melvin Wynne, Ray Reeves, Cindy Basquez, and Regina Roberson.

Also Mrs. Sawyers, Mrs. Wheatley and guests, Darla Davis and Beverley Stansell.

## Revival will start Sunday

Evangelist Sam Cahtey of Hot Springs, Ark. will lead the Fall Revival Meeting at the First Baptist Church for four days and nights beginning Sunday.

The Jim Bob Griffin Family Singers will provide the music for the revival.

The Sunday services will be held at the regular worship service times of 10:55 a.m. and 6 p.m.

Mondays through Wednesdays, evening services will be conducted at 7:30 p.m. each night.

The Griffin family make their home in Rusk, Tx. They have sung many crusades and concerts as well as appearances at state conventions and evangelism conferences. They have

## Brownies practice picture taking

The third grade Brownie Troop 235, held their regular meeting last Thursday. The group tried their skills at picture taking, using what they had learned the week before from instruction given by Mrs. Janice Drake, guest speaker.

Those participating in the activities were Zena Bustos, Tasha, Marla, and Crystal Clay, Jana Greathouse, Jana Hudman, Angelia Tobias, Tyra Hart, Sarah Williams, Dede Byrd, Hillary Williams, Dawn Howland, Rosalind Curtis, Tina Poe and guest Krista Kemp.

Troop leaders are Julie Hudman and Carol Tobias.

recorded several long playing albums.

### Guilty verdict—

(Continued From Page One) lawyer when he told that story to deputy McDonnell," Sullivan emphasized. "McLaury is not asking for mercy, he is asking for justice," Sullivan said.

Witnesses subpoenaed by the state for the trial included Randall Whitlock, now of the Kermit police department, Maleecy Johnston of 404 South 4th, Post, Billy L. Shumard, 405 Osage, Don Hill of Spur, Jack Condon of star route 1, Spur, and McDonnell.

The defendant was the only witness for the defense to testify as to what happened Nov. 19 in the parking lot, or before it in the tavern.

The defense did have 22 character witnesses all of whom testified McLaury was a peacable and law abiding man.

The jury was composed of Wesley L. Bullard, Mrs. Sue Shytles, Mrs. Nedra Shults, Ronald Joe Thuet, Jerry Bush, Robert Wayne McDonald, Jerry R. Thuet, Charlotte Pauline Scrivner, Willard Yarbro, Ed Isaacs, Virgil Bilbo and Henryetta Cruse.

### 8th graders—

(Continued From Page 8) In the second period, Tailback Greg Adams broke off tackle 53 yards for the third td to climax a 78-yard drive.

Post recovered a Roosevelt fumble on the Roosevelt 15 in the third period. Wingback Willie Osby got the td from one yard out.

In the fourth, Quarterback Greg Storie passed to End Bruce Crenshaw who broke away from defenders for a 65-yard pass-run scoring play.

The defense limited Roosevelt to 70 total yards with defensive standouts including Mock, David Shults, Russell Graves and Safeties Sammy Hardin and Joel Kirkpatrick.

Adams led the Post attack with 132 yards in nine carries. Tailback Simon Salinas had 54 in four. Post had 249 yards rushing with Quarterback Storie adding 90 yards on two pass completions.

The eighth graders will entertain Frenship here tonight in a single game with a 6 p.m. kickoff.

### Frenship game—

(Continued From Page 8) favorite to defeat Frenship in this week's Harris grid forecast.

The Lopes were rated No. 28 among the state's AAA club this week, down four notches from a week before.

The district leading Tahoka Bulldogs lost their starting quarterback Mark Hudlin for the season in their close victory over Frenship last week. Hudlin suffered a broken leg in the first half of that game.

In other district games this week Tahoka is a prohibitive 48-point favorite over Cooper's Pirates and Slaton is a six-point favorite to win at home over the Roosevelt Eagles.

Tahoka still has Roosevelt and Slaton left on their schedule.

### County agenda—

(Continued From Page One) don McGeehee.

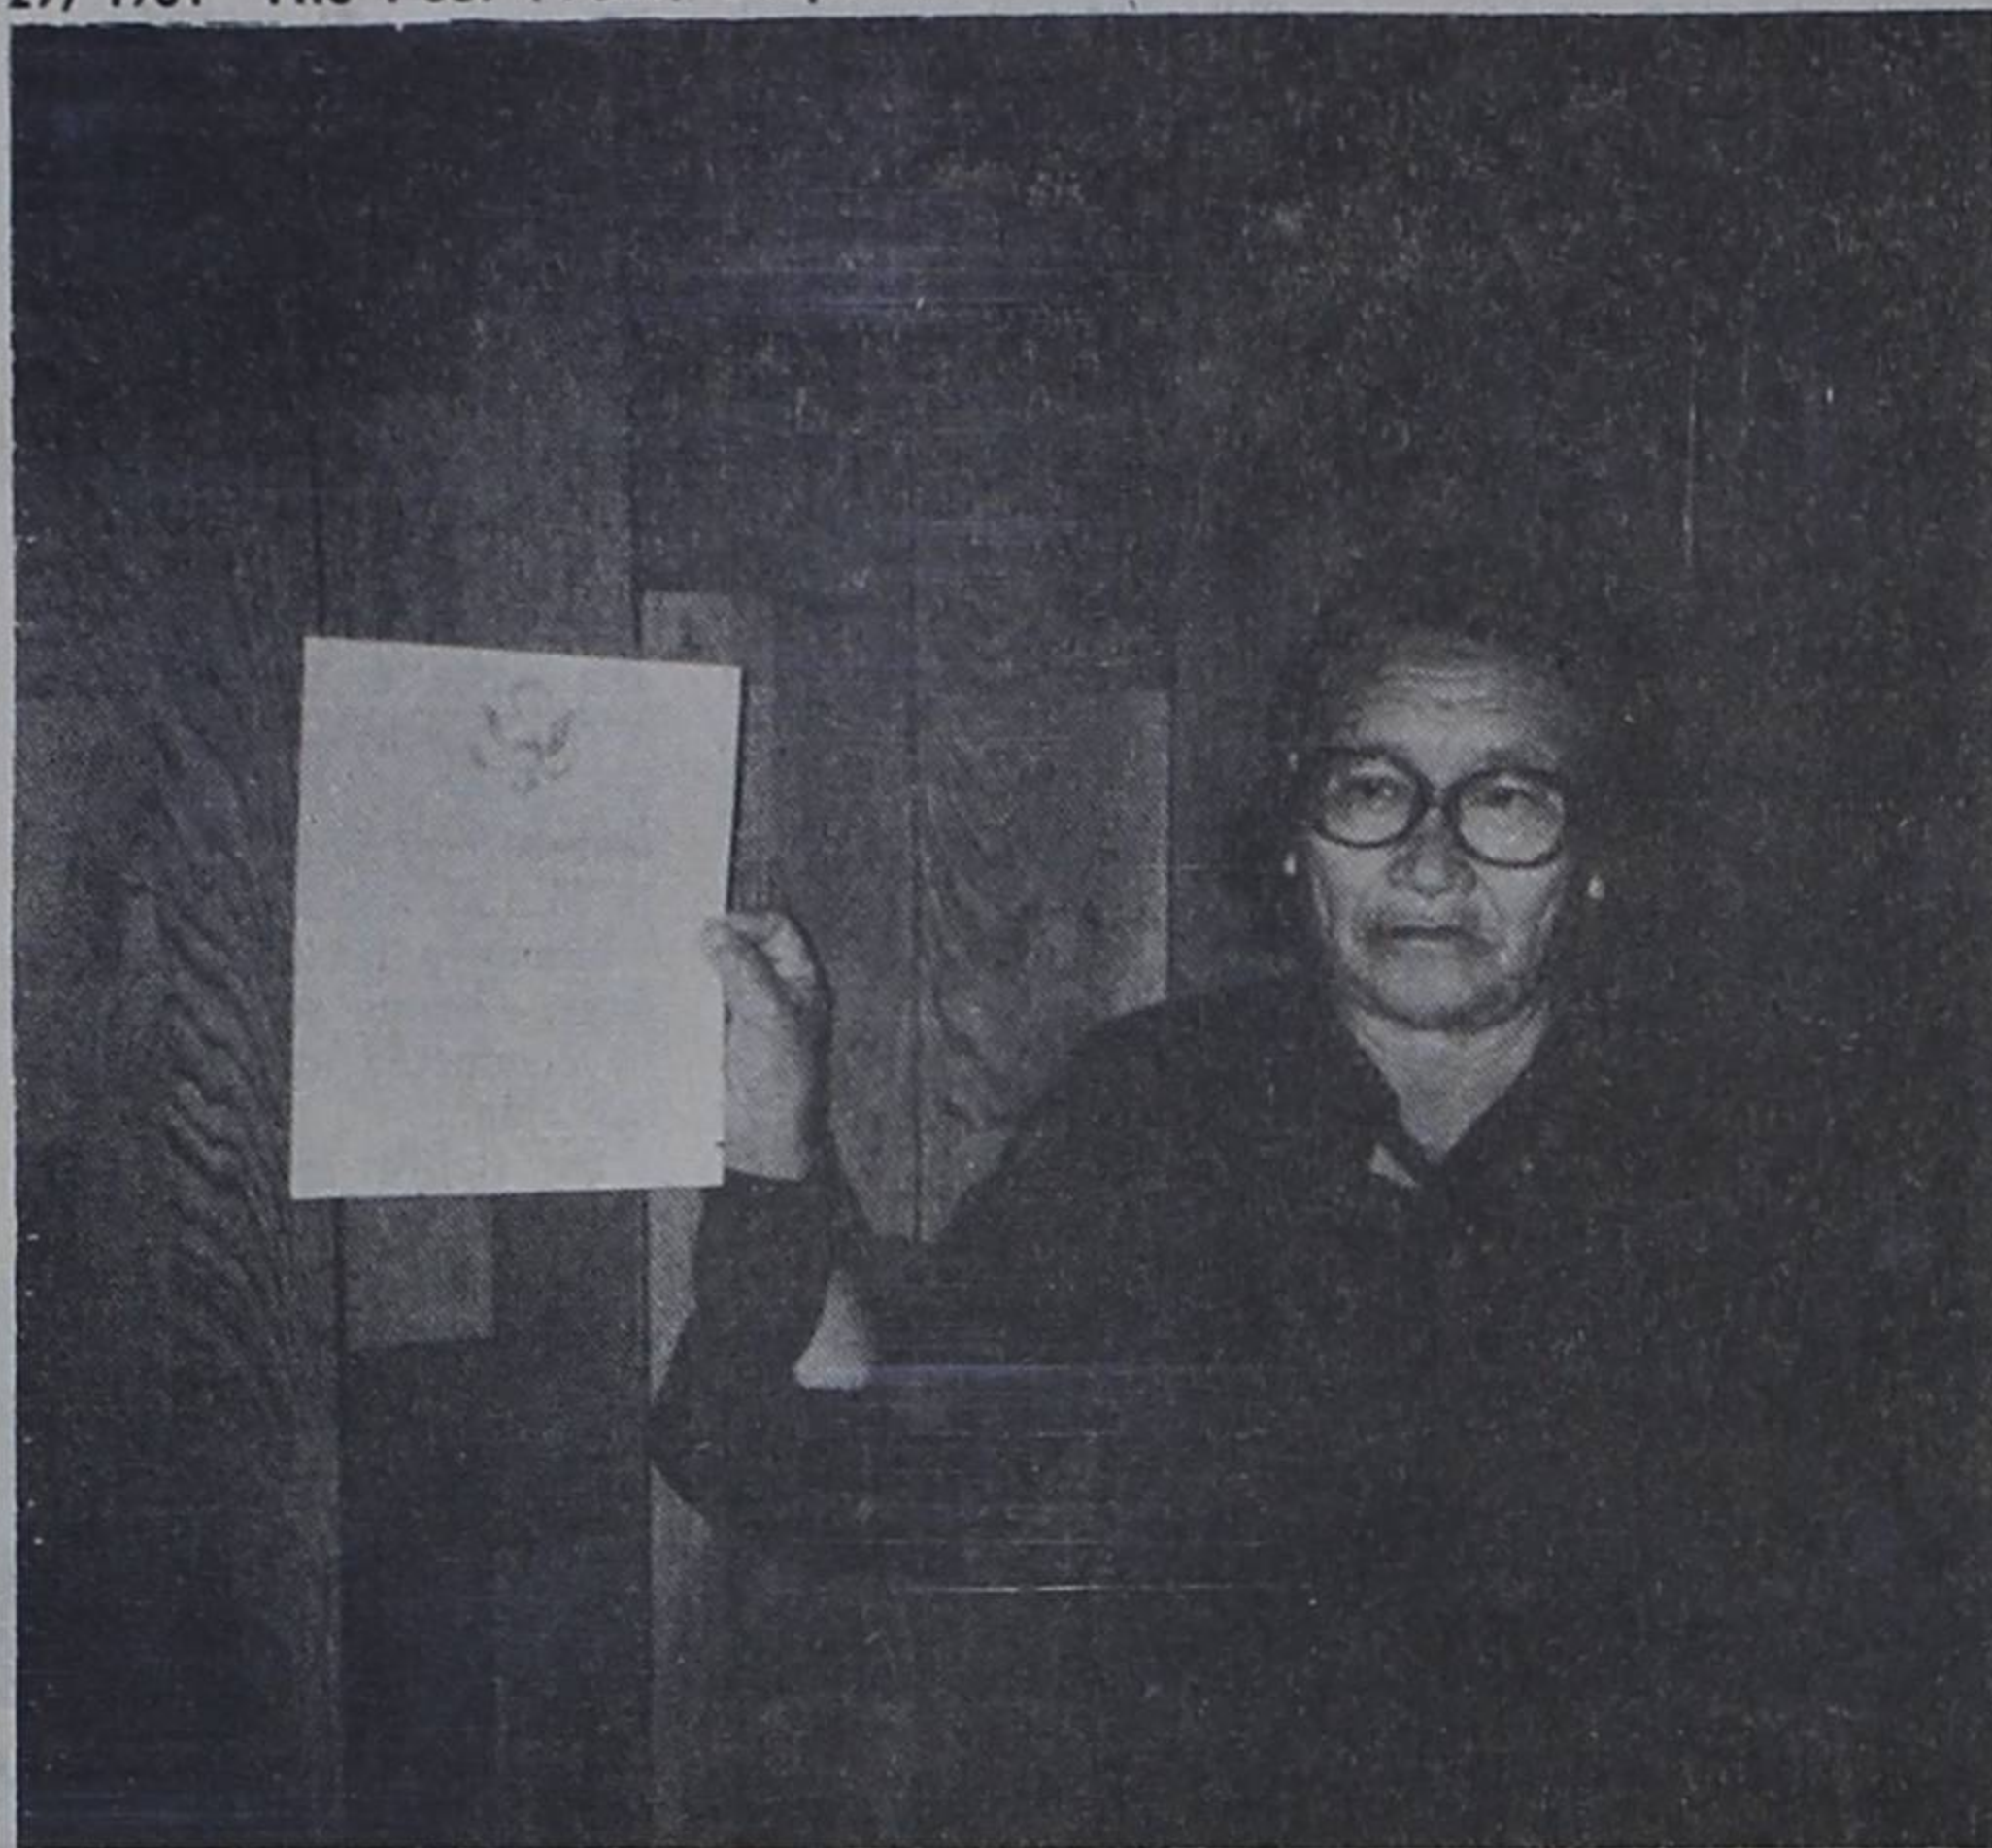

Carol Ann Dean was named to the child welfare board.

The court reviewed a letter from Gullet & Associates Inc. regarding the proposed eight-inch steel carbon dioxide pipeline crossing county roads. The court asked Dalby to check into the depth of the line at such crossings and put off action until Nov. 9.

### Postings—

(Continued From Page One) Halloween Carnivals coming up Saturday night, but the one at Justiceburg has quite a distinction. It's for the benefit of that community's water system. The carnival begins at 7:30 and will feature Sonia Carter and the Justiceburg Country Spooks. A western dance will follow. It always draws a good attendance from Post.

Ice-cream manufacturing began in the U.S. in 1851.

**SERVICE AWARD** — Mrs. Felis P. Romero is shown with an award she recently received honoring her late husband, Felis P. Romero. The award stated "The United States of America honors the memory of Felis P. Romero. This certificate is awarded by a grateful nation in recognition of devoted and selfless consecration to the service of our country in the Armed Forces of the United States." The certificate was signed by Ronald Reagan, President of the United States. (Staff Photo)

### Deadline is Nov. 25

By D'LYNN YOUNG  
Graham 4-H club met Monday night at the Graham Community center. During the short business meeting, members were told that the deadline for obtaining animals for stock show projects will be November 25. The club voted to send a \$20 donation to the Big Spring state Hospital to help with the patients Christmas party.

President Rod George appointed a recreation committee of Jay McCook, Clay Cowdrey, and Keith Craig.

Charles McCook, Don Payne, and Johnny Kemp presented a slide program on backpacking.

Refreshments were provided by Tim Terrell and Lex Dunn.

Those present were Traci and Trevah Bush, Sam Butler, Dusti Cash, Curt and Clay Cowdrey, Jarrett

Mason, Jay McCook, Jill Richardson, Tim Terrell, Keitha White and D'Lynn Young.  
Two new members joined the Graham Club, they were Keith Craig and Donny Payne.

## Library system provides aid here

Statistics for 1980-81 recently released by the West Texas Library System show that Post and Garza residents benefitted greatly from library resources and services made available to their public library through the West Texas Library System, a program funded by the State of Texas to help local public libraries.

Films made available at the Post Public Library were seen by 1,555 people. Statistics indicate that these West Texas Library System films were shown 120 times in Garza County in 1980-81. In addition, 419 people saw West Texas Library System filmstrips, which were shown 64 times. Books specially selected for young adults by library consultants at the West Texas Library System were checked out a total of 179 times during the year from the Post Public Library.

Besides making film,

strips and young adult books available, the West Texas Library System allocated \$1,522 in 1980-81 to the Post Public Library to purchase and lease new books for the library's collection. In the course of the year approximately 12 new books were purchased and 155 books leased.

In addition to realizing benefits from the West Texas Library System, another state-funded program, the Interlibrary Loan service provided for library patrons materials not available at the local library. The Post Public Library

requested 47 books and magazine articles from the Interlibrary Loan service, most of which were located at the Major Resource Center in Lubbock or from other such centers in the state or even from libraries outside of Texas. A special computer system is used by Interlibrary Loan to locate books and articles requested by the people who use the Post Public Library. There is no charge for this service.

The Interlibrary Loan Office at the Lubbock Major Resource Center processed over 6,000 requests for

interlibrary loans from the West Texas region in 1980-81. During the same period, over 500,000 people viewed films from the West Texas Library System, and a total of 13,100 new books were leased and purchased with state funds for West Texas Public Libraries.

Creative, inexpensive Christmas gift tags can be made with holiday cookie cutters and used greeting cards. Place cookie cutter over card, trace shape and cut out. Punch a hole at one end, insert piece of colored string and there you have it!

## Ranch roundup raises \$27,000

WICHITA FALLS—Three Texas charities will soon receive \$27,000 from the proceeds of the Texas Ranch Roundup held here Aug. 21-22 and co-sponsored

by Budweiser and the three benefiting charities.

The primary recipient, the North Texas Easter Seal Rehabilitation Center in Wichita Falls, will receive \$17,000. Two other charities, the Boys' Ranch in San Angelo and the West Texas Rehabilitation Center in Abilene will receive \$5,000 each.

The North Texas Easter Seal Rehabilitation Center, like the West Texas Rehabilitation Center, provides outpatient services to children and adults with physical, developmental, communicative and educational limitations. Boys' Ranch provides a home for dependent and neglected boys at its 34-year-old, 963-acre ranch.

"The Roundup was a rousing success. Not only did it generate monies for charity, but it also brought together 12 of Texas' oldest and largest ranches in the biggest, most exciting showdown since High Noon.

The ranchers and cowboys had a great time. They gave the spectators a great show, and, most importantly, they're raring to come back next year," said Mike McAfee, roundup creator and Falls Distributing Co. general manager.

After two days of roundup events, such as team branding, team penning, saddle bronc riding and team roping—all of which emphasized the cowboys' ability to work as a unit—the Lewis Ranches, headquartered in Clarendon, were named the best ranch in Texas.

## Hereford sale is success

Jeff Polk, nine-year-old son of Mr. and Mrs. Glenn Polk of Snyder, will sign a film contract with Warner Brothers of Hollywood to make his film debut in "Riders on the Storm", most of which is being filmed in Anson.

The movie will star Kathleen Quinlan and David Keith.

Over 300 youngsters auditioned for the role of Billy, which young Polk landed.

"He came through like a veteran," said Elsie Julian, casting director. "He was the only child who followed director's suggestions perfectly. He is very open and allows his emotions to show, and in film that's very important."

Young Polk's role in which he plays a nephew to the leading character will allow him quite a lot of camera exposure.

## Borden Parents host carnival

GAIL—The Borden County Parents Club is sponsoring a Halloween Carnival Saturday, Oct. 31. The carnival will be held in the county barn in Gail beginning at 7 p.m.

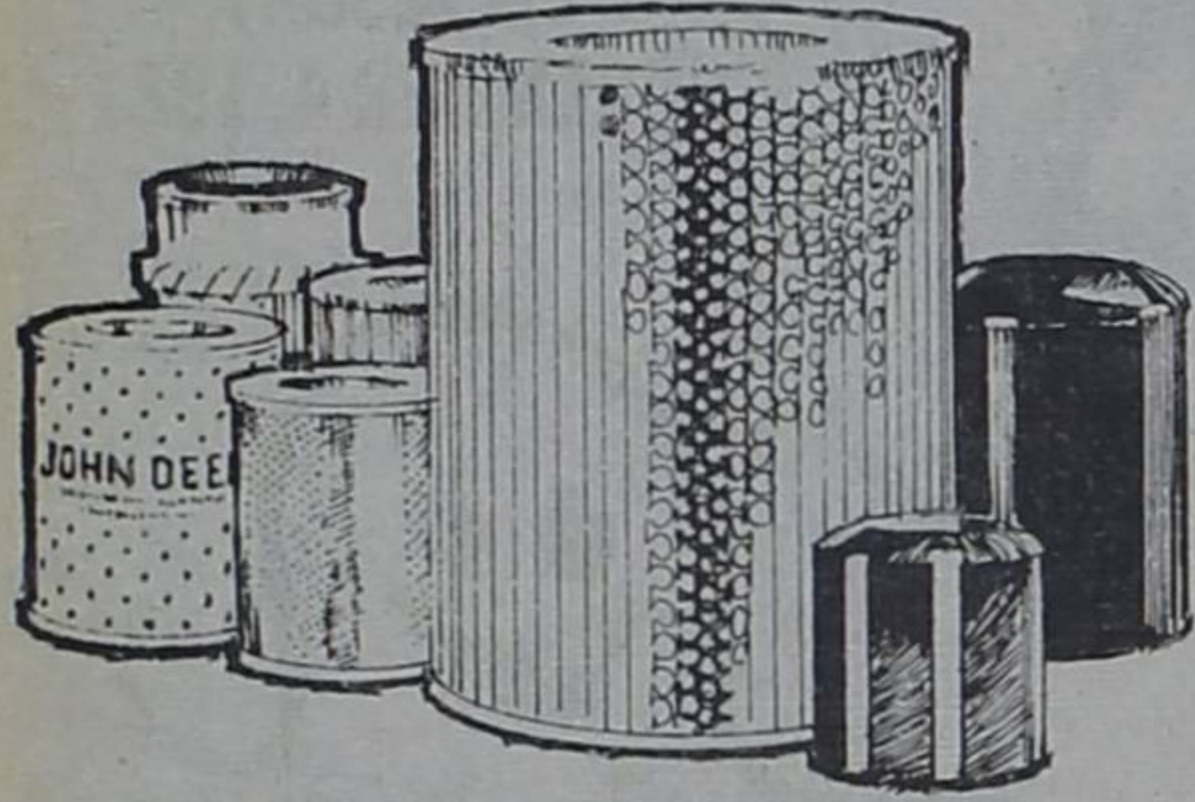

Tickets will be sold at the barn for individual booths which include bingo, cake walk, dunking booth, ring toss, bean bag throw, fish pond, dart throw, duck

pond, baseball throw, color wheel, football throw, basketball throw, spookhouse and Casper house.

Everyone is encouraged to wear a Halloween costume. Prizes will be awarded for the most original, spookiest and best of show in three age groups.

The money earned at the carnival will be used by the Elementary Parents Club for school projects.

**SAVE 10% NOW ON JOHN DEERE FILTER KITS**

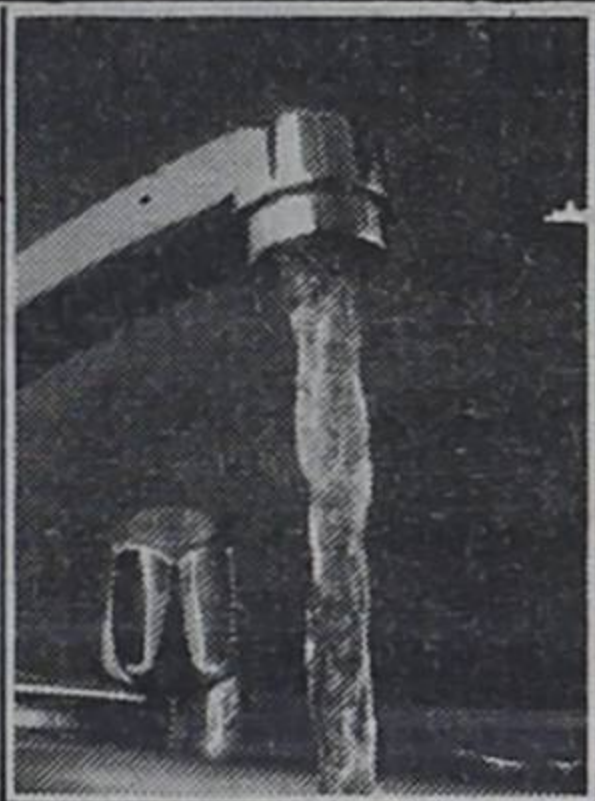

We're putting together filter kits that can save you money on dependable filter protection. Just tell us the model number of your John Deere machines and the average annual usage, and we'll build the kits right for you. And because you're buying in volume, we'll give you a discount from single filter prices.

Stop in soon. Stock up on quality John Deere filters and save.

# LET'S KEEP THE WATER RUNNING IN TEXAS!

In cities and towns all across Texas, local water problems are threatening to erupt into one enormous statewide crisis. Countless communities are facing growing water supply, water treatment, sewage treatment and flood control problems estimated to cost a staggering \$50 billion over the next 25 years. To make matters worse, federal funds for water projects have recently been slashed.

But on November 3, Texans have the opportunity to adopt a plan, already passed by two-thirds of the Legislature, which would harness a portion of our state's budget surplus to help shoulder that heavy local burden.

The plan is proposed Constitutional Amendment No. 4.

### Passage of Amendment No. 4 would:

- Make possible the sale of more than \$200 million in authorized and urgently needed state bonds to address a backlog of needed projects.
- Create a loan guaranty program to enable local communities to save millions of dollars in issuing future bonds.
- Begin to build a "nest egg" for the future from a part of the state's budget surplus to assist local governments in financing future water and sewage projects.

Texas' water needs *must* be met, either now or in the future. We can act now, and save money... or pay the higher price later for our neglect, with possible increased taxes. Sensible action now makes much more sense for Texas.

**Water For Texas**

VOTE FOR CONSTITUTIONAL AMENDMENT NO. 4 ON NOVEMBER 3!

## Salvation Army aids stranded

Alone in a strange city and stranded: it's a predicament anybody can find themselves in. It could even be you. Perhaps you are just passing through a strange city on the way to visit relatives and your car breaks down. Where can you turn? Since 1880 one answer has been The Salvation Army.

The Salvation Army can offer you short-term emergency aid in a case like this. In Post The Salvation Army is represented by a service unit committee, a group of local volunteers who offer basically the

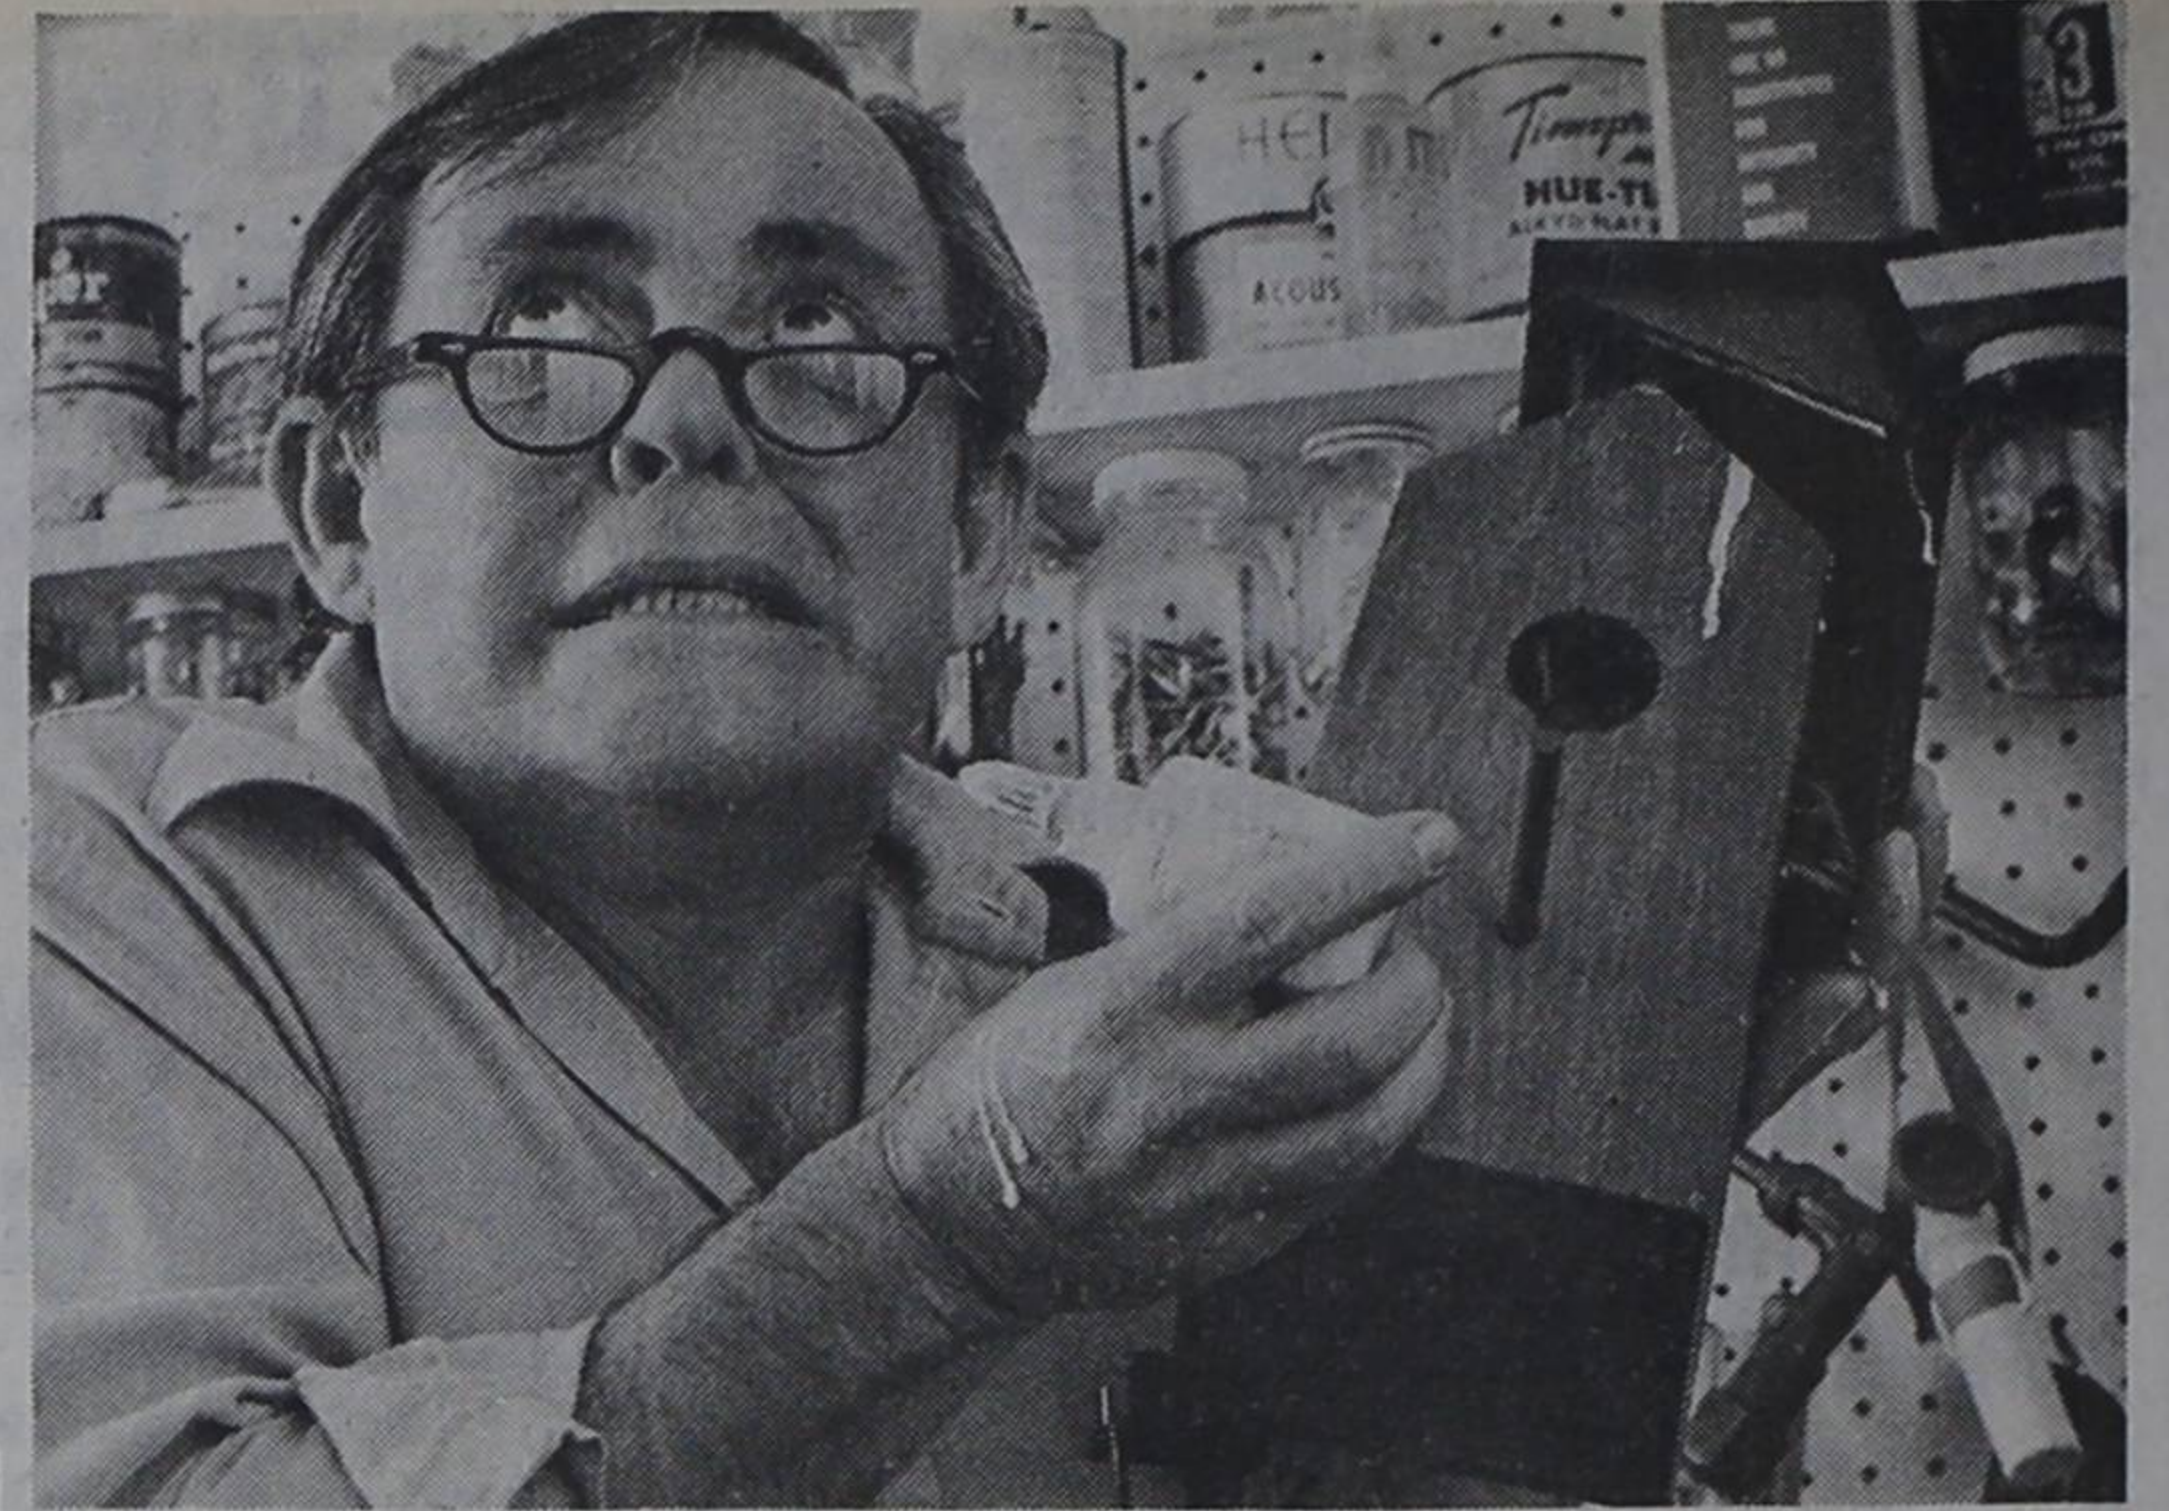

same services provided by uniformed Salvation Army officers in corps cities.

"As a United Way agency, the service unit depends on funds generated by the annual Garza United Way campaign to continue to offer these services in Post," said Bob Collier, local service unit chairman.

Members of the local service unit are Don Payne, Mrs. Janet Peel, Elton Lee, Mrs. A. C. Cash, Bud Davis and Joe Giddens.

Happy Birthday  
**Ronny Love,**  
Sis

His phone is ringing. Unfortunately it's ringing in the living room.

If he had an extension in his room, he wouldn't have to work so hard to get to it.

General Telephone offers extensions in a wide range of styles and colors. And each and every phone is backed by all our years of experience.

Extension phones are a convenience you deserve and they're not expensive. Just a few dollars per month and think of all the legwork they'll save you.

You can't be in two places at once. But your phone can.
