Page 2 Thursday, Jan. 14, 1982 The Post (Tex.) Dispatch

## City indeed fortunate

The City of Post is in excellent financial condition. If you have a single doubt about that just study the story on the 1981 audit on today's front page.

This year, The Dispatch will predict the city for the first time ever will become a million dollar business.

The city was less than \$50,000 from a million dollar income last year and from the way things are going should easily top that level in 1982.

The city has no bonded indebtedness and at the start of the current fiscal year owned only \$25,780 in notes payable, all of which should be paid off during the current fiscal year.

One of the big advantages of such an excellent financial picture — over \$800,000 in cash or CDs at the beginning of this fiscal year — is that the city can pay cash for all its purchases, including "big ticket items" like \$90,000 fire trucks, and thus save the expense of present high interest rates.

One of the major reasons for the city's good financial position is due to the local oil industry.

Most of the \$253,085 in utility taxes received last year were franchise taxes on oil production. Then add \$70,734 in oil royalties. Maybe you haven't thought about it, but the \$160,085 in sales taxes is due in considerable measure to sales taxes on oil equipment here. And the large interest income of the city comes from interest paid on all this oil income.

Add to this the ad volorem taxes paid by the oil industry within the city limits which is also quite a chunk of the \$234,214 collected in property taxes.

As to the "conservative city budgets", local taxpayers should be pleased with them.

They mean in large part that the city council is providing real stewardship for all the city's robust income. They are conservative in how they spend the money and that should make us all happy.

Other towns without the oil with which Post is blessed are having no easy time these days with inflation pushing up costs and new income requiring higher taxes.

We are indeed fortunate.

## Our cable TV problem

Those here who are the most bitter over the reception they are getting on their television sets via the cable system must remember there are at least two sides to every question.

The only real mistake High Plains Cablevision made when it purchased the Post cable system was not to immediately start rebuilding it.

And they admit this was their big mistake.

The present system is now so worn out new service failures pop up faster than technicians can find old ones and repair them.

The company appears to be making a real effort to correct poor service. They are spending far more money for service repairs here than in any other town on their West Texas network.

The firm would do a much better job of public relations, however, if it handled all the complaints through a local office, at least until the new cable system can be installed and good service restored and maintained.

The company is now pushing through a plan to completely replace the present cable system with a bigger, better and brand new one.

In the meantime, those who feel they're not getting the service they're paying for can quit the system and go back to their own individual antennae. Of course, few want to do this because the cable company offers so many additional channels, including several 24-hour stations.

We would guess the cable company will be held to an "accounting" by the City of Post, which controls both the franchise and the setting of the rates.

In this way, the company might experience a delay in even a justified rate increase to compensate for the present period in which cable customers are paying for but not receiving reasonable service.

Thus, local cable customers could eventually recoup what many now consider to be overpayments for undelivered services.

Overall, The Dispatch concludes the cable company is making a real service effort but simply can't quite cope with their current multitude of problems.

The only eventual solution of course — and it will come — is the new cable system, but the wait for its installation, may continue to be a very trying experience for all concerned, including company and customers.

"SAY, AREN'T YOU ERIK ESTRADA?"

## Remember When

**10 YEARS AGO**  
Jackie Lester is FFA Chapter Sweetheart, and Melanie King is Greenhand Sweetheart; Burglary charges were filed against three; Cotton harvest may fall below 15,000 bales here; Sheriff J. A. (Jimmy) Holleman is candidate for reelection; City and County to file for law enforcement grants; Jim Carlen, Head football coach at Texas Tech, will be annual Chamber of Commerce banquet; White River Youth Camp at White River Lake, gets \$35,000 building; Miss Kathy Napier becomes bride of James Douglas Chance; Paula Hall and Don Maxey are engaged; Women's Division of Chamber of Commerce to buy supplies for baby clinic; Jerry Bush family moves to Tahoka.

**15 YEARS AGO**  
Coach Wilbert Bigott's Post Antelopes consist of Davis Heaton, Charles Harper, Duke Altman, Jimmy Bartlett, Roy Sappington, J. O. Smith, Donnie Windham, Norman Tanner, Ronnie Pierce and Larry Johnson; Prisoner slips out of jail, likes outside better than ice cream and cookies he got in jail; Mrs. A. C. Surman is named coordinator for Cultural survey; County's school land in Bailey brings \$81,684; County resolves against 'lame duck' purchases; Post Does, coached by Jiggs King are Kay Altman, Jane Hutchins, Vickie Martin, Jaymie Josey, LaGayluah Young, Theresa Sims, Cheryl Penel, Edith Johnson, Nancy Hendrix, Benita Noble, Voda Beth Voss, Sherry Woods, Marcia Newby, Sharon Windham, Karon Windham and Linda Altman.

**25 YEARS AGO**  
Travis Loyd, former resident of Post, killed in auto accident at Cocoa Beach, Fla.; last rites for Bryant C. Childs conducted at

Grassland; Miss Barbara Lynn Cockrell of Snyder weds James Boren; Miss Virginia Caylor and James Babb exchange wedding vows; Mrs. Hansford Hudman hosts for party honoring her son, Randy, on his fifth birthday; Daymon Ethridge regains lead among Post "A" team scorers; Aic Larry McCullough of Big Spring spent the weekend here visiting friends and relatives.

## Deep wildcat small producer

A deep Garza wildcat has been completed as a 10 barrel oil well.

It is Cotton Petroleum Corp.'s No. 1 Beggs, 15 miles east of Post, which produced 10 barrels of oil and 60 of water daily on test from an interval of 8,110 to 8,133 feet. Total depth was 8,133 feet.

Kerr-McGee Corp. has come up with another good new producer in the Swenson-Barron field, 25 miles northeast of Post.

It's the No. 7-C Swenson which produces 372 barrels of oil daily from an interval of 7,675 to 7,695 feet.

### New cars to winners here

Harold Lucas announces that Harold Lucas Motors is participating in the General Motors 1982 Sweepstakes, which began Monday and runs through Feb. 12.

"Showroom visitors during the sweepstakes may become eligible to win new 1982 GM cars and other valuable prizes by filling out an entry form," Lucas said.

"These visitors also may receive a freed 96-page Rand McNally Road Atlas if they take a demonstration drive in any one of our 1982 models," Lucas added.

"Persons taking sweepstakes numbers to Harold Lucas Motors may become an instant winner of a car, or, if a person wins a car in the "second chance" drawing and submitted the coupon through Harold Lucas Motors, the local auto agency will supply the winner with free fuel for 60 days," Lucas said.

### Senior Citizens News

Hi Senior Citizens out there in Garza County: Hope everything is OK with you all. I hope you had a Merry Christmas and the New Year is going good for you all.

I have failed to get any news in the paper for the last few weeks, but hope to get back in the swing of everything. It has been rather hectic around here with the holidays and all the rest. But hope everything is getting straightened out now.

We have some of our people we know are ill, some who are better and home from the hospital. Our prayers are with you every day. If we can help anyway let us know by calling 2998 and maybe we can get you some help. Our bus is on call every day from 9 a.m. until 7 p.m. If you need it call 2998 also. It goes to Lubbock each Tuesday to take medical appointments so if you need to see a doctor in Lubbock, please make your appointments for that day.

If you can't make them for that day, make them for each Friday.

We are having lots of people coming each day to eat lunch with us and them play 42, 88 or pool or just sit and visit and enjoy a cup of coffee. Also some sit and watch TV. You will receive a blessing by coming down and having fellowship with us. We miss you when you don't come down.

We will be starting our musicals back this Friday night, which will be the third Friday night, so come and join us. We are not sure who will be on the program this time, but we will have someone.

Blood pressure check will be every first and fourth Tuesday of each month, then every first and fourth Thursday. Also hearing aid assistance is two times a month. Randy Brackeen, of Belton will be here the fourth Thursday, and Livingston Hearing Aid comes on Monday. Don't know the exact time, but will be here the 11th of this month at 2 p.m. to 3 p.m.

Also the 28th of this month, we are to have a program on Medicare on home care if you should need it please try and be here. The time is right after lunch.

The Senior Citizens choir will be singing at Brother Cook's church which is the Church of God and Prophecy and they will be having their singings each fourth Sunday afternoons at 2:30. The Sweet Street Baptist singer from Tahoka will be here, also the Calvary Baptist church usually has their singing on the fifth Sunday of the month.

The choir went to Tahoka the first Monday, which is their regular musical night and we sure had a lot of good singing and wonderful fellowship.

Ladies we are still having exercises each morning at 9 a.m. so come down and join us. There are some who have been missing these exercises and they are really good for you.

Our quilt that we made to sell chances on hasn't brought in enough money to draw yet, so you folks come and buy a chance on it. They are just \$1 each and it is really a pretty queen size comfort.

Though it has an area of more than one million square miles, less than 100 square miles of the Antarctic continent is free from a permanent blanket of ice.

MRS. MARK BEVERS  
(Pollianna Wooten)

## Wooten-Bevers vows said in Slaton

Wedding vows were exchanged between Miss Pollianna Wooten and Mark M. Bevers on Monday, December 21 at 7 p.m. in the First Baptist Church of Slaton, with the Rev. Kenneth Winchester, pastor of Pleasant Valley Baptist Church officiating.

The bride is the daughter of Mr. and Mrs. Skip Crawford of Slaton and the bridegroom is the son of Mr. and Mrs. William S. Bevers of route 2, Post.

The bride wore a gown of white silk organza lavishly trimmed in Chantilly lace. Appliques of the lace embroidered with seed pearls overlaid the bodice which was fashioned with an empire waistline and Queen Anne neckline with a stand up ruffle of organza. Full sleeves of lace gathered to fitted cuffs which were enriched with seed pearls and narrow ruffles of organza.

The full skirt featured rows of the lace and rows of ruffled organza which formed a cascade from the center of the skirt to the floor in front and which swept to a full chapel length train in back.

She wore a two-tier circle veil attached to a halo of silk blossoms and orchids with seed pearl centers.

The bride's honor attendant was Suzanne Shavor of Lake Ransom Canyon. She wore a floor length gown of

rose lustreigo with a cross-your-heart drape in the front of the bodice and a cowl design in the back.

She wore a circlet of silk sweetpeas and forget-me-nots in her hair with satin streamers of rose and pink at the back.

Best man was Billy Jack Haire of Slaton. Groomsman was Todd Taylor, also of Slaton.

Ushers were Bill Bevers of Post and Toby Wright of Slaton.

The reception followed in the fellowship hall of the church.

The bride's table featured a three-tiered wedding cake topped with a ceramic bride and groom, which was made by the bride's mother. Suzanne Shavor and Julie Haire served.

The groom's table was furnished with a German chocolate cake, made by the groom's mother. Hot punch was served in silver cups by Mrs. G. M. Chaffin of Southland. Cake was served by Mrs. Laura Conner and Sue Bevers, both of Post.

The bride is a senior at Slaton High School. The bridegroom is a graduate of Southland High School and Midland Junior College. He is employed by Kremco in Ogden, Utah.

## Jan. 30 is wedding date

Mr. and Mrs. J. W. Rogers, Jr. announce the engagement and approaching marriage of their daughter,

## Xi Delta Rho see craft film

The Xi Delta Rho chapter of Beta Sigma Phi met Monday, Jan. 11 in the meeting room at the community center.

Jenny Francis announced to the members that Christie Morris and Voda Gradine held the Christmas Dinner, Dec. 19 and the winner was Sid Conner.

Following a brief business meeting the members were treated to popcorn and Cokes while watching a film on "Colonial Women's Crafts."

Members present were Voda Gradine, Cheryl Blair, Phyllis Bennett, Susan Cardinal, Jenny Francis, Johnnie Francis, Margaret Price, Joyce Teaff, Peggy Ashley, Betty Dennis, LaGaylah Feagin, Martha Hart, Cheryl Walker and hostesses, Trisha Cockrell and Nancy Shaw.

## Needlecraft club meets

The Needlecraft club met Friday Jan. 8 in the home of Opal Williams. Selma Kennedy gave a prayer to open the meeting.

The constitution and by-laws were read for the new year during the business meeting conducted by Helen Richards.

One new member, Paula Cawthon and her little son Jonathon were welcomed during the meeting.

Refreshments were served to Katherine Carthart, Lucy Callis, Linda Malouf, Alma Hutto, Selma Kennedy, Estelle Crider, Helen Richards, and the new member and her son.

## Priscilla club meets

The Priscilla Club had its first meeting of the new year Jan. 8, in the home of Mrs. Keith Kemp.

Following an afternoon of sewing, tating and visiting, refreshments were served to the following members, Lillian Nance, Mary Goodwin, Sybil Cockrum, Thelma Epley, Hooter Terry, Alma Williams, Emma Mueller, Maudie Smith, Vada McCampbell, Annie Francis, Nell Windham, and one guest, Mrs. Evelyn Neff.

The next meeting will be Jan. 22 in the home of Mrs. Maxine Smith.

MR. AND MRS. GORDON FULLMER

## Butler-Fullmer vows said Jan. 2

Ritalynn Butler and Gordon Bruce Fullmer were united in marriage at 5 p.m. Jan. 2, in the tropical setting of the solarium at Lubbock Hilton Inn.

The bride is the daughter of Mr. and Mrs. Stanley Butler of Post and the bridegroom is the son of Dr. and Mrs. Oliver Fullmer of Berkeley, Calif.

The bride wore a formal gown of barberry wine satin caught at the waist with a woven silver belt. It featured a round lace yolk with a mandarin collar edged in lace and long puff sleeves the cuffs of which were also edged with lace. Her hair was adorned with silk flowers of burgundy and pink. Her bouquet was of burgundy, pink and gray silk flowers caught with satin ribbon.

She carried out the tradition of something old, a ruby ring which was a gift from her parents; something new, crystal earrings, a gift from the bridegroom; something borrowed, a crystal necklace belonging to her sister; and a blue garter.

The bridesmaid was Miss Duana Welch, of San Antonio, niece of the bride. She was attired in a pink and burgundy formal dress and her hair was caught with burgundy and pink silk flowers. Her bouquet was similar to that of the bride.

The bridegroom was dressed in a gray tuxedo with burgundy accented shirt and boutonniere.

The best man was Roger Shady of Lubbock. The Rev. Hank Scott, pastor of Bacon

## May 1 to be wedding day

Mr. and Mrs. Jack D. Williamson of Lubbock announce the engagement of their daughter, Sidney, to Kenneth Wayne McKamie, son of Mr. and Mrs. Billy J. McKamie of Post.

Miss Williamson is a 1974 graduate of Monterey High School and a 1978 graduate of Texas Tech University. She is employed with Lubbock Steel and Supply as an administrative assistant.

Mr. McKamie is a 1972 graduate of Post High School and attended Texas Tech University. He is a journeyman electrician employed with Clark Electric Company in Lubbock.

The couple have planned a May 1 wedding to be held in the chapel of the First Christian Church in Lubbock.

bride's cousin, Mrs. Lydia Gonzales, both of Lubbock and Mrs. Robert Craig of Post presided at the reception tables.

The bridegroom is a graduate of the University of California at Berkeley and is employed with International Harvester as District Marketing training manager of the Fresno district.

The bride attended Southwest Texas State University, The University of Maryland and is currently a student at South Plains College. At the time of her marriage she also was employed with Texas Instruments in Consumer Products Credit Group.

Following a wedding trip to Durango, Colo., the couple will be at home at 6067 North Marty Avenue, Fresno, Calif.

PLAN APRIL NUPTIALS — Michael Dean Harper and Freda Louise Schronk would like to announce their engagement and forthcoming marriage. The couple plans an April wedding.

MRS. PAUL ELMORE  
(Jane Boren)

## Jane Boren wed to Paul Elmore

Wedding vows between Mildren Jane Boren and Paul Richard Elmore, were conducted at St. Paul Presbyterian Church in San Angelo, Dec. 19 at 7 p.m.

Parents of the couple are Mrs. B. J. Boren of San Angelo, Nilvia Elmore of Albuquerque and Hubbard Elmore of Albuquerque.

The bride, given in marriage by David Boren, was attired in a floor length silk organza over taffeta gown featuring a wide circular skirt falling into a short train. The bodice was accented with a scoop neckline and enhanced with aleon lace. Carrying out tradition, something new her dress, something old the bride and groom atop the cake belonging to her mother, borrowed her mother's Bible, and blue, her garter.

Maid of honor was Mary Boren of San Angelo with bridesmaids Mrs. Tom Parlow, of San Angelo and Tevila Delcamp of Pecos.

Best man was Mickey Kidwell of Fort Worth with groomsmen John Sedlac of Fort Worth and Douglas Ezzell of San Angelo.

Ushers were John C. Boren of Justiceburg, Murray Adams of Godlen, Colo.; Paul Green, and James Green of Arlington.

Candlelighters were Elizabeth Adams of Golden, and Deborah Boren of Lubbock.

The bride is a student at the University of Texas at Arlington and the groom is an Avionics Electrical Technician for General Dynamics of Fort Worth.

# Lopes, Lady Lopes to open district play

## Idalou wins on final shot

Coach Dwayne Osborne's Post Lopes will open district basketball play on the road against the Roosevelt Eagles Friday night and then invade Slaton Tuesday night before their first district home game against Tahoka the following Friday.

The Lopes dropped their 12th game in 16 pre-district starts at Idalou Tuesday night when a 15-foot shot at the buzzer won it for the Wildcats 48 to 46.

The Idalou game was a close one all the way with the Wildcats taking a 13-10 first quarter lead. The Lopes rebounded to go in front 22 to 20 at intermission and held on in the third with a 36 to 33 advantage going into the fourth.

A stingy Lope defense gave the Wildcats, who have been averaging well over 70 points a game, all they could handle.

Post got tough rebounding from postmen Bill Black and Irvin Price with Milton Williams, James Lee and Will Kirkpatrick giving Idalou fits out front.

When Post starters got into foul trouble, the Lopes fell back on fine bench play from Melvin Wynne, Curtis Clinesmith and Jerry Hawkins.

Kirkpatrick had one of his best shooting nights in several weeks as he led the Lopes in scoring with 13 points. Price, as usual scoring well came through with an even dozen. Lee had seven, Wynne six, Black four and Williams and

Clinesmith two each. "We have steadily improved each game," Coach Osborne commented after the game. "We have become a fine defensive team and will be very competitive when district play kicks off Friday night."

## Frosh girls in easy win

Coach Sonja Curry's Post frosh girls scored an easy triumph over Roosevelt, at a district game, 37 to 23.

The Post team took the lead in the first period, 11 to 5, and were never headed, leading 20-12 at the half and 28 to 16 after three.

Marta Holly led Post in scoring with 11 points and Patricia Price was next with 10.

The girls will play Cooper at Cooper next week. The Post team is now 4-1 in district play with the only loss being to Slaton.

Because they look like deer, and because of their name, many people think that reindeer belong to the deer species. But they really belong to the caribou family.

## Seminole wins with big fourth

The Seminole Indians came up with a big fourth quarter rally here Friday night to come from behind and defeat Coach Dwayne Osborne's Post High Lopes 57 to 51.

Trailing 33 to 36 going into the final period, the visitors uncorked a 24-point rally, nine points more than the Lopes could manage for the period.

## Easter Seal cage shoot-out here

University of Texas coach Abe Lemons is again serving as Honorary Chairman of the 1982 Easter Seal Basketball Shoot-Out, which is "full steam ahead" for the month of January throughout Texas. The fund-raising event, which benefits programs for Texans with disabilities, raised over \$70,000 under Lemons' leadership in 1981. Each of 1600 junior high and high school students shot baskets for a 3-minute time period, then collected pledges for the number of baskets made.

In this year's Basketball Shoot-Out which is well underway in Post, Coach Radle will be conducting this fund raising project for Easter Seals. Field Representative Cecelia Myers feels this year will even be a bigger success.

Money is used by Easter Seals to continue their direct and indirect services programs, some of which include purchase of orthopedic equipment, speech, physical and occupational therapy and information, referral and follow-up services. The students and their coaches play an important part in helping the physically handicapped children and adults of their area.

Grand prizes for State Shoot-Out winners this year will again be a seat, with their coaches, on the bench with Coach Lemons and the

## Lockney beats Lady Lopes

The Lockney girls came on strong in the second half here Friday night to defeat Coach Sonja Curry's Lady Lopes, 55 to 43.

The Post girls took a 21 to 20 intermission lead with a 16-point second period, but Lockney came back to outshoot the locals in the final two periods 35 to 22.

Doris Pringler led the Post scorers with 14 points and Jean Price added 11.

Lockney had three players in double figures.

It was the 14th loss in 22 starts for the Lady Lopes.

Post led throughout the first three periods, 14-9 at the quarter and 28 to 22 at the half.

James Lee led Post shooters with 16 points with Bill Black ringing up nine, all in the first half, before fouling out and Will Kirkpatrick adding eight.

Harris led the visitors with 16.

Longhorns at the Rice game, Feb. 27, a chance for them to observe college basketball talent, skill and competition. Additional prizes will be basketballs autographed by the UT team and trophies to regional winners.

## Junior class play Jan. 25

The Junior Class of Post High School will present a play entitled "Frankenstein Slept Here," by Tim Kelly, Jan. 25, in the Primary auditorium.

The play is a reprise of monster tales. The cast includes of Baroness Frankenstein, Darla Jackson; Phantom Bride, Charlie Dalby; Medusa, Dana Hodges; Vampira, Norma Samora; Jacqueline Hyde, Tina Greene; Hanna Hoople, Cynthia Poole; Pauline, Crystal Mason; Ted, Wade Giddens; Igor, Tim Tannehill; Mummy, Will Kirkpatrick; Werewolf, Richard Cisneros, and Monster, Bill Black.

To make herb tea from fresh leaves, measure three teaspoons leaves to a cup of boiling water. Bruise the leaves, steep them and then strain from the liquid.

## Frosh lose in overtime

The Roosevelt freshman boys capped a tripleheader sweep here Monday night with a 40 to 38 overtime win over the Post frosh in a district game, overcoming Mike Ollison's 21-point individual effort.

Ollison had eight baskets and five frees before fouling out.

Post came up with a big third period in which they outshot Roosevelt 12 to 4 to take a 28 to 26 lead. The game was knotted at 32 all at the end of regulation play.

Tony Curtis had seven, Curt Cowdrey six and Chuck Morris four.

Roosevelt swept the tripleheader with the frosh, 8th and 7th grade teams by a total margin of five points.

## 7th graders lose by one

Roosevelt's 7th grade boys team came from behind in the fourth period here Monday night to score a 15 to 14 victory over the Post boys.

The locals were held to no field goals and two free throws in six attempts in the final period. They went into the fourth leading 12 to 9, after trailing 7-6 at the intermission.

Melvin Lee and Jay McCook did all of Post's scoring - Melvin tallying a dozen points and Jay a pair of free throws.

The 7th graders will meet Cooper here Monday night.

## 8th girls are beaten 38-15

Post's eighth grade girls team never really got into the game at Roosevelt Monday night as the host club took a 24 to 6 first half lead en route to a 38 to 15 district win.

Calli McSweeney and Golden Capps led Post scoring with six points each and Traci Craft added the other three points.

The girls will stay on the road next week, playing Cooper at Cooper Monday night.

## Lady Lopes mighty young

Coach Sonja Curry's Post Lady Lopes will open district basketball play at Roosevelt Friday night with the youngest girls' starting five here within memory taking the floor for the tipoff.

All starters are sophomores with the first player off the bench a junior.

The starters are Cindy Jackson, Rhonda Storie, Jean Price, Doris Pringler and Denise Smith. The junior is Darla Jackson who came off the bench Tuesday night at Idalou to score 11 points and lead Post's offense in a 46 to 43 loss to Idalou.

"We're really young," Coach Curry commented. "The players have to work hard."

For Post the 1981-82 season is what coaches call "a rebuilding year." But this makes prospects bright for the next two future years.

The Idalou loss was the 15th for the Lady Lopes in 23 starts.

Idalou pulled away in the third period and the Lady Lopes rallied to close the gap to three points in the fourth.

Idalou led 13-10 at the end of the quarter, 26-19 at the intermission, and 38 to 23 at the end of three.

Behind Darla Jackson's 11, Jean Price had 10 and Doris Pringler nine. Tina Greene added seven and Smith, Cindy Jackson and Storie a pair each.

The district title will be fought out between Slaton and Cooper with Cooper girls posing the best challenge to Slaton's district

## 8th graders lost 26-24

Roosevelt's 8th grade boys edged Coach Fred Postell's Post team, 26 to 24 here Monday night in a district game.

The close game went into the final period knotted 18 all.

Roosevelt led through the first half, but Post knotted it in the third when the team held the visitors to a single field goal while scoring six points to overcome a 16 to 12 halftime deficit.

Danny Foster led the Post scorers with eight. Greg Storie had six and Joel Kirkpatrick four.

The eighth graders next start will be against Cooper here Monday night.

## 7th girls win on road

Coach Lu Allen's 7th grade girl cagers coasted to a 21 to 15 triumph over Roosevelt at Roosevelt Monday night in a district game, taking a 14-4 first half lead and scoring but a single point in the final period with reserves mostly on the floor.

Kim Smith led Post with 11 points. Angie Holleman had seven.

## Public Notice

**STATE OF NONDISCRIMINATION**  
Lynegar Electric Cooperative, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D. C. 20250, or the Rural Electrification Administration, Washington D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

**NOTICE TO BIDDERS**  
The Commissioners' Court of Garza County will receive bids until 10:00 a.m. January 25, 1982 for the purchase of one (1) 1981 Loader.

If you are interested in bidding on this loader, please contact the Judge's office for the specifications. Garza County will offer in trade:  
One (1) 1965 Trojan Loader  
Motor No. 62-1064  
The Commissioners' Court of Garza County reserves the right to accept or reject any or all bids.

167" wheelbase 9 percent front 91 percent rear with 14

## Interest reduced on cotton loans

Beginning on Jan. 1, the interest rate on Commodity Credit Corporation cotton loans will be reduced from 14.5 percent to 12.25 percent, according to Victor Ashley, executive director of the local ASCS office.

The CCC interest rate will be based on the monthly rate established by the U. S. Treasury as the cost of borrowing money. Previously CCC interest rates were set semi-annually on April 1 and Oct. 1. As of now, the interest rate on all crop loans disbursed in January will be 12.25 percent subject

to adjustment each succeeding January 1.

Loans disbursed since April 1, 1981, and which have interest rates subject to change, will have their interest rates adjusted on January 1, 1982. Those loans, which had a 14.5 percent interest rate, will be adjusted to 12.25 percent on January 1 subject to adjustment each succeeding January 1.

Monthly CCC interest rates will be announced to state ASCS offices as soon as the treasury notifies the CCC.

**High School Teams Capture Trophies**  
The Southland Eagle boys team defeated Paducah to capture third place in the Jayton Tournament 50-46.

The Southland girls team after being defeated by Motley County beat Guthrie and then outscored McAdoo for the consolation trophy in the Jayton Tourney.

Both teams now are preparing to enter the district race January 15, 1982 at New Home.

**Semester Exams**  
Semester exams were this week Wednesday, Jan. 13 with school being dismissed at 3:33 p.m. and Thursday, Jan. 14 with school being dismissed at 2:00 p.m. Students will have a holiday Friday for teacher work-day.

**Basketball**

## Twin Cedars Nursing Home News

Sunday services were brought to us by the Holy Cross Catholic Church with Father George Roney officiating.

Next week the service will be held by the Nazarene Church with Rev. Tom Evans officiating.

It has been too cold for the residents to go anywhere this week, but they enjoy staying in out of the cold weather. They have been doing a little of everything, like Bible reading, singing, exercises, and playing dominoes.

We are going to miss our cook, Catherine Samples, that we love so dearly, and who has been with us for 6 1/2 years. Catherine has married Mr. Coy Samples and we wish the a very happy life together.

Visitors this past week were A. R. and Gertie Mills of Lubbock, Mae and Andrew Jackson of Post, Barbe and Slade Bevers of Post, Roy and Sis Gilmore, C. W. and Lois Ramsey of Lubbock, Beverly Baker, Shawn Bevers, Shane Bevers, Slade Bevers and Bill

Bevers, Joyce Pearson of Dickens, Zela Edwards of Dickens, Glenn Roberts of Lubbock and Darrell Roberts of Post.

We want to thank Emma Griffin for the chicken and dumplings given to all the residents. Thanks again Emma.

Happy 45th Lawrence Eugene

Winn's Advertising Policy

Winn's attempts to please our customers at all times. That includes having ample quantities of advertised items on hand. But occasionally, due to unforeseen reasons, an advertised item may not be available for purchase. In this event, Winn's will issue a Rain Check upon request for the item to be purchased at the sale price as soon as it becomes available. If the item will not be available within a reasonable time, the customer may purchase a similar item at a comparable reduction in price. Merchandise designated as available in "limited quantities" will be sold on a first come, first served basis while quantities last. Winn's reserves the right to limit quantities purchased so that as many customers as possible may benefit from advertised prices.

# 10 new locations in 1st '82 week

Ten new Garza drilling locations and two new oil well completions were announced over the weekend as oil exploration and development continued into 1982 at its fast 1981 pace.

The new wells are George R. Brown's No. 13-D Post-Montgomery Unit 1 in the Garza field, and the Kaiser-Francis Oil Co.'s No. 2-D I. N. McCrary in the Post

field.

The No. 13-D Post-Montgomery Unit 1, located two miles southeast of Post produced 93 barrels of oil and 69 of water on test from an interval of 2,840 to 2,960 feet.

The No. 2-D I.N. McCrary, located 12 miles southeast of Post, produced 10 barrels of oil and 40 of water from an interval 2,535

to 2,910 feet.

Among the 10 new locations were five by Conoco Ind. in the Huntley, East field all six miles northeast of Post. They are the No. 62, 64, 63, 60, and 61 Huntley, each of which will be drilled to 3,500 feet.

Other new locations are: The Katloco Drilling Co.'s No. 2 Buchanan, a re-entry

in the Post field, 12 miles northeast of Post, total depth 2,900 feet.

A wildcat, the Tomlinson Oil Co. Inc. No. 1 Lott, 10 miles south of Post, which will be drilled to 8,500 feet.

The other three are J. C. Stelzer's No. 1, No. 22 and No. 3 Kennedy, all two miles east of Post, each of which will be drilled to 3,200 feet.

The signup period for agricultural conservation program practices is currently underway at the local office of the Agricultural Stabilization and Conservation Service. Applications will be accepted until Jan. 22, according to ASC official Victor Ashley.

"We ask farmers to sign up as soon as possible because their practices must be approved by the

county committee before the work can begin," Ashley said. Farmers who start conservation practices before approval are ineligible for cost-shares.

Program funds are available for establishment or improvement of a permanent vegetative cover, control of competitive shrubs, construction of terraces, construction of pipelines and wells for livestock

water, construction of water impoundment reservoirs, and reorganization of irrigation systems. Ashley said these practices will provide enduring solutions to the problems of farmland being a source of agricultural pollution on land affected by wind or water erosion.

The agency encourages farmers to correct soil and water conservation problems and where needed,

assists them with the cost of applying conservation practices. Program participants will receive federal financial assistance for up to 50 percent of the cost to help meet their most critical conservation needs.

The ACP is a joint effort by farmers and the government to conserve soil and water, and to reduce agricultural pollution.

## Dividends are up on GI insurance

WACO — Nearly 192,100 Texas veterans who have kept their GI Life insurance policies in force will share in a record \$664.6 million dividend during 1982.

The Texas dividends will total more than \$34.3 million, according to the Veterans Administration.

Because of higher interest rates earned by insurance funds, the amount to be paid to policyholders during

1982 is \$45 million above the 1981 figure.

No application is needed. Dividends will be paid automatically during 1982 on the anniversary date of the individual's insurance policy.

Policyholders will receive varying amounts depending on the type of policy, the amount of insurance in force, the insured's age at issue or renewal and time

the policy has been in force.

Nationally, almost \$24 million will be paid to 78,000 World War I veterans with current policies. The average dividend for term policyholders will be \$307 and for permanent plan policyholders, \$303.

Some 3,124,000 World War II veterans with active policies will share \$590 million. Average dividend for term policyholders will

be \$121. For permanent plan policyholders the average dividend will be \$246 and modified life plan policyholders will receive an average of \$116.

Korean Conflict veterans who kept their GI insurance in force — a total of 496,000 — will receive an average payment of \$71. Their policies earned \$35 million during the past year.

More than 161,000 disabl-

ed veterans of World War II and the Korean Conflict holding Veterans Special Life Insurance policies will receive an average dividend of \$97. This is only the third year dividends will be paid in this program.

A greater share of the higher interest rates was earned by those veterans who converted their insurance plans to permanent type policies rather than continuing to hold the original term policies.

Each of the four partici-

## Gutzler rites in Saint Jo

Funeral services for Frances Ruth Gutzler, of Saint Jo, Tx. and former resident of Post were held Dec. 12. Burial was in Coker Cemetery near Saint Jo.

She was born in Post, Feb. 25, 1942 and married George Gutzler of Chicago, Ill. in 1960.

Survivors include her husband; Jeff Allen Gutzler, Jay Nelson Gutzler, Debora Ruth Moore of Saint Jo, Robb Gutzler of Oklahoma City, Ok., Chris Gutzler of Dallas, her mother, Sherry Otis of Irving; a sister, Ellen Savoie of Fort Worth, a brother Scott Otis of Dallas, her stepmother, Ruth Nelson, of Paris, Tx. a daughter, Elizabeth Anne and her father, Clarence H. Nelson preceded her in death.

Several aunts and uncles live in the Post area.

## United Fund drive closes at \$13,279

The 1982 Garza United Fund drive "officially" closed this week with a total of \$13,279.20, almost a thousand dollars more than the \$12,325 goal.

Four more donations totaling \$285 were received in the final 10 days.

It was the 13th consecutive year the United Fund has reached its goal in Garza County.

# '81 both good, bad year for Texas agriculture

**BY BILL BRADEN**  
Communications Specialist

1981 seemed to offer a lot of hope for Texas farmers and ranchers as the new year unveiled. Almost anything had to look good after the disastrous drought of the previous year. Producers who had managed to survive financially were ready to play their cards again in one of the biggest gambles going — agriculture.

**The Livestock Picture**

1981 did get off to a good start, for the most part. The winter months were mild, which was a blessing to livestock producers faced with short hay supplies due to the drought-shortened 1980 crop. Then spring rains came with regularity over the state, a sign of things to come. Grazing conditions got off to a good start over virtually all of Texas and continued throughout most of the year. Some ranchers in western areas acclaimed grazing conditions to be the best in about 20 to 25 years.

However too much rain at times also caused problems for livestock producers. Some livestock were lost to flood waters that ravaged parts of North Central and West Central Texas, the Hill Country and the Coastal Bend in late summer and early fall. Thousands of chickens also perished in northern counties of the Coastal Bend when fall rains dumped almost 200 inches in a short time.

Some livestock also were lost due to grazing poisonous range plants in western areas. Blackleg, an infectious cattle disease, reared its ugly head again in South Texas late in the year after a long absence. Many producers also continued to be concerned about another cattle disease — brucellosis, but one old enemy, the screwworm, was virtually absent from Texas this year.

All in all, then, the livestock picture generally was good in Texas except for one major drawback — prices. The cattle market, which was down as the new year dawned, continued on its sluggish path. Cattlemen kept looking for the slightest hint that things might get better. General indications pointed to some positive signs — fewer cattle on feed, continued low total cattle numbers, and a possible turnaround in the economy with a new Administration. But the

upswing in prices didn't come until mid-year, and then price gains were only mild and short-lived.

Many cattlemen are holding on "by the skin of their teeth," still waiting for an improved cattle market. Traditional heavy fall marketings were light, and cow culling has not been excessive as ranchers try to hold on to what they have, hoping that things will be better next spring. Fortunately they have plenty of hay to overwinter their herds because a bumper crop was harvested this year although some was lost to heavy rains and flooding. With a generally mild winter forecasted for this part of the country, most cattlemen should be in good shape for the coming year. But how long can the continue to face low prices? And, how long will feedlot operators continue to stay in business when they are losing so much per head on every animal fed?

**The Crop Picture**

Cattlemen were not alone with price problems in 1981. Farmers can attest to that. The past two years have been in sharp contrast to each other as far as the crop production picture is concerned, and each time farmers have come away as the losers.

In 1980 farmers saw their crops ravaged by drought. The few that managed to have something to harvest got top dollars. This year it was a different story. Farmers generally harvested bumper crops but the prices they got were near or below their cost of production. A case in point is the fact that cotton deficiency payments (the difference between the market price and the government target price) will likely be paid for the first time since this concept was devised in 1974.

1981 crops got off to a good start because of spring rains although these came a little late in some areas. Once the rains started, some were too heavy and lingered too long and often were accompanied by damaging hail. Flooding and hail caused some crop losses in South and Southwest Texas, making replanting necessary. Young crops also were hurt by heavy rains in coastal areas. As a result, some cotton and soybean crops never got off the ground along the Upper Coast. Weedy fields caused by extensive wet conditions

also plagued crops. And, to add to the woes of farmers in coastal areas, wet fall weather hampered harvest operations, causing further crop losses.

Late summer and fall flooding in North Central and West Central Texas and in parts of the Coastal Bend that caused heavy livestock and poultry losses also took its toll of some crops. Cotton quality was reduced sharply, peanut quality suffered, and some small grains that had just been planted were washed out. Some cotton stored in modules — as well as some baled cotton — was lost in the Coastal Bend. Fall rains over much of the plains and western areas also delayed cotton maturity, but a later than normal killing frost helped that situation.

Cotton root rot, a severe cotton during wet years, took a heavy toll of the crop in the Central Texas Blacklands where it is most prevalent. Losses ranged from 15 to 30 percent.

Despite these problems in some areas, Texas farmers harvested record yields of wheat, corn and grain sorghum and better-than-average yields of cotton, rice, peanuts and most other crops. But the good news ended at the marketplace.

Why the low prices for farm commodities? It's generally a problem of oversupply due to bumper crops in this country as well as abroad. Many grain warehouses are filled to the brim. Unless something unforeseen happens to sharply reduce supplies in the coming months, the outlook for significant price improvements for farm commodities in 1982 will remain bleak.

**The Year Ahead**

A lot of things are weighing on the minds of farmers and ranchers as 1981 comes to a close. How long will they be able to keep their operations afloat financially? How long can they keep producing crops and livestock at just a meager profit or, in many cases, at a loss? Those are heart-rending questions that they face at a time when the entire economy of this nation is stagnant.

Economic recovery can't come too soon, and if and when it does come, will farmers and ranchers get a fair share or will they continue to flounder for survival? The questions are

many but the answers are few. The new farm bill, when it finally surfaces, will shed some light on farm and ranch decisions for the next few years, but many problems will continue to persist.

Agriculture remains an honorable profession, one that has made this country what it is today. Nevertheless, farmers and ranchers continue to fall by the wayside almost daily, victims of the cost-price squeeze. Production expenses have been driven up by rising energy costs, spiral-

## Stenholm in 3rd term bid

Charles W. Stenholm announced Saturday that he will be a candidate for a third term in the Congress and is filing in the Democratic primary.

Before a hometown crowd ing inflation and high interest rates on borrowed capital. Yet the marketplace has been unyielding in offering higher returns to those who produce the food and fiber for this nation and for many other countries as well.

With more and more mouths to feed and bodies to clothe, those farmers and ranchers who can manage to survive the current financial crisis may be in for better times in the years ahead. And so the gamble continues.

assembled in the Stamford High School auditorium for the afternoon "Announcement Party", he and his wife Cindy reviewed the past three years in Washington. They expressed appreciation to all for their efforts in their first campaign in 1978 and asked for continuing understanding and help.

"I am optimistic about the future," Stenholm said. "Our way of life is the greatest ever enjoyed by man. We have the opportunity to participate. Our government is responsive when the people speak and working together we can make improvements."

Congressman Stenholm and his wife attended the West Texas Rehabilitation Center Telethon in Abilene on Saturday night and will be back in Washington when Congress is scheduled to reconvene on January 25th.

## FRANKLIN'S ADVICE CAN HELP PEOPLE EVERYWHERE

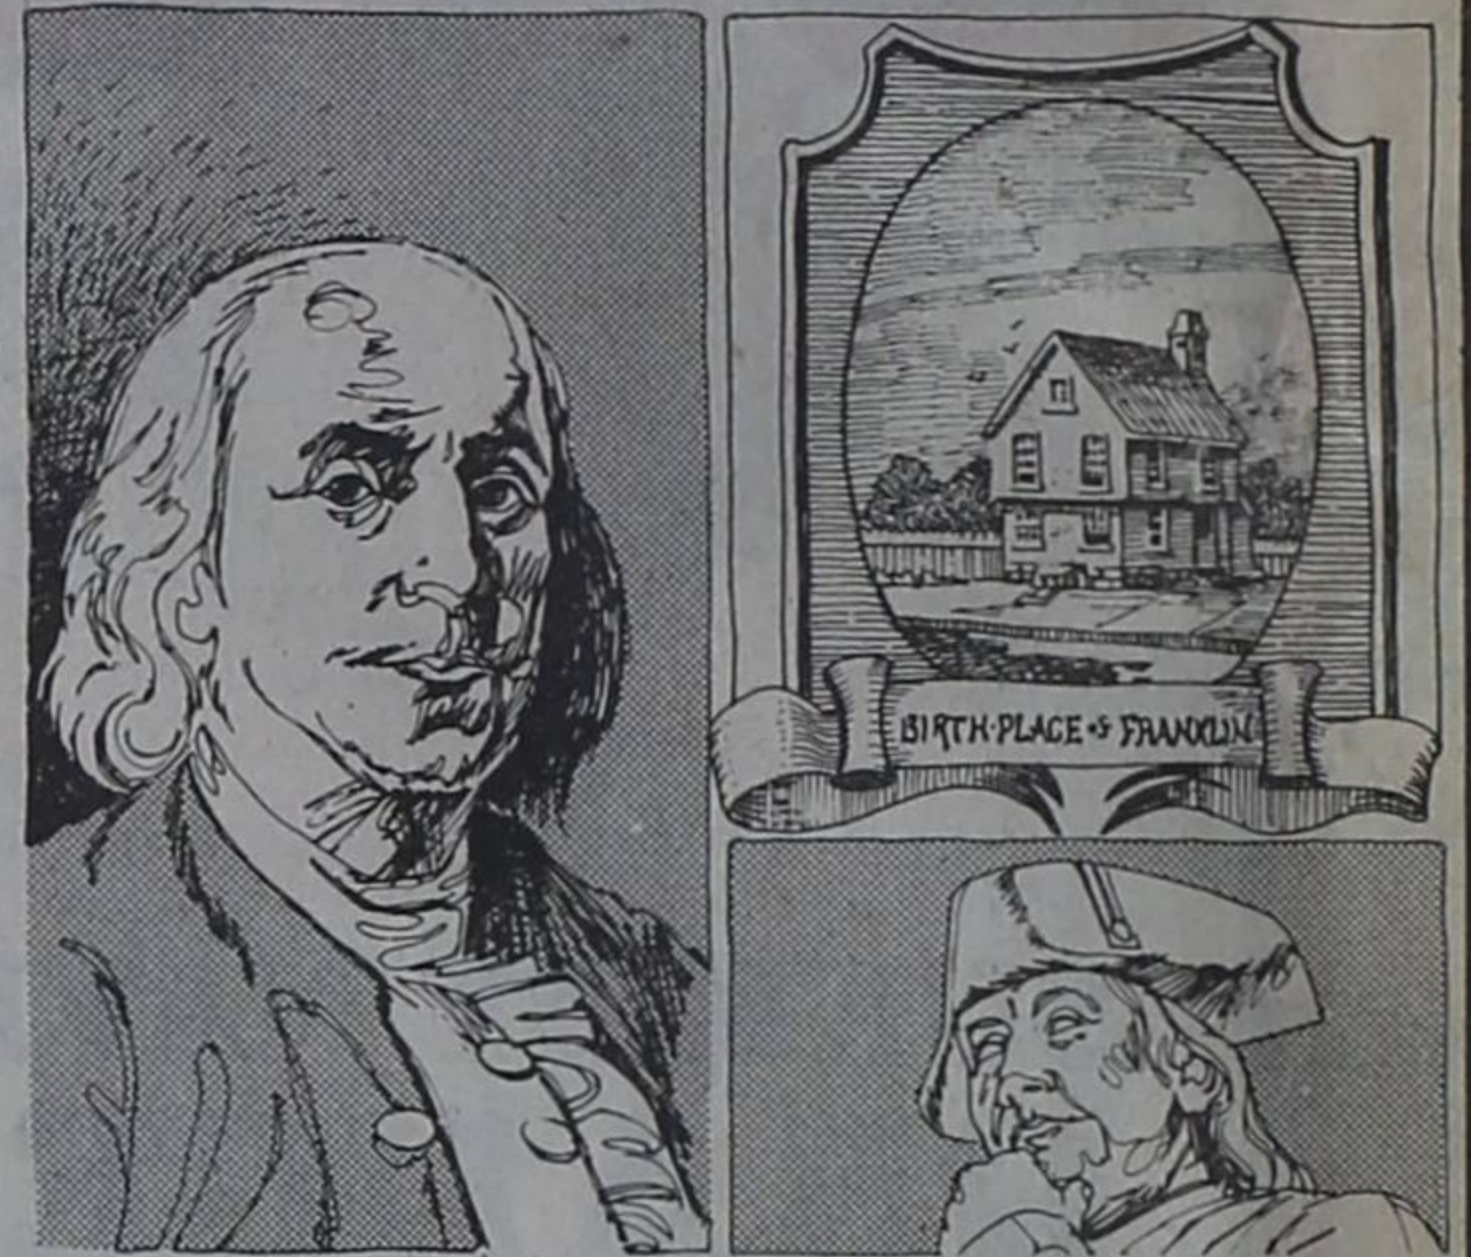

Experience keeps a dear school, but fools will learn in no other.

—Benjamin Franklin

"Let your moderation be known unto all men."

—Philippians 4:5

No matter where you live or what your lifestyle is, you could do a lot worse than to take the advice of Benjamin Franklin, whose common sense formula for living has never been surpassed. Many have lived to regret their original scorn of his "early to bed, early to rise" concept, upon learning that they could not buy back the health they might easily have retained in the first place with a little self-restraint. Franklin's faith also taught him that the simple way of life brings happiness as well as health; and you can learn this lesson by attending your House of Worship, the choice of which being one of the freedoms secured for you by the deeds and philosophy of government subscribed to by Benjamin Franklin and his many followers.

## BIG, BEAUTIFUL ALL WOOD Master Bedroom Sale

SOLID KNOTTY PINE IN DARK HONEY HIGHLIGHTED FINISH—MICARTA TOPS

A heavy, yet graceful adaptation of early Americana. Add a new glow to your home with the dark highlighted honey finish over solid pine. The easy-open, dust proofed drawers give plenty of needed storage space.

Big shipment from nationally known manufacturer is SPECIALLY PRICED FOR ONE WEEK ONLY.

All suites are all wood, priced from \$639.95. Each suite includes dresser, mirror, chest regular or queen headboard and one nightstand
