## Community spirit showing?

Is your Community Spirit showing? It should be! Post has its Diamond Jubilee celebration coming up very soon, and the people in charge could sure use your help.

The Diamond Jubilee is a great occasion for a celebration, and it can only be a great one with everyone doing their part. There is a place for everyone, and something in the making that would interest you, and you can nearly pick and choose your spot.

Charles Hardin at the bank, his secretary, Margie Pennell, and many, many others are working quietly with the preparations that seem almost insurmountable right now. So let's give a boost!

The money raising events already past the many that will be needed are planned, and why not choose these events to have a good family night out, and let your donation be used twice.

If you like volleyball, the tournament scheduled to begin tonight (Thursday), and continue through Friday and Saturday, certainly looks to be a way of having a

family night out and it might just prove to be very entertaining. These people are working, let's help!

Charles Hardin and his crew are putting together an 80 page Diamond Jubilee Edition, (which by the way, was in the planning by the late Publisher Jim Cornish) and it will take a lot of funding and a lot of information gathering. The group plans to sell memorial ads in this edition, and is explained more fully on page 1 of your Dispatch.

They are also asking for your input of information on updating the County History from 1957 until 1982. So if you know of anything that should be preserved for history, call Charles Hardin at the bank.

Let's not just sit back as a community to be observers in this celebration, but let it become even more meaningful by becoming a part of the planning and the work. Call Charles, and ask for a place to go to work. It could prove to be lots of fun! It would also be greatly appreciated by those in charge.

## 6th Annual MS dinner is set

An address by Dallas Cowboy defensive tackle Randy White will highlight the evening when the South Plains Texas Chapter of the National Multiple Sclerosis Society holds its 6th annual Dinner of Champions, Friday, April 30 at the Lubbock Country Club. A 6:45 p.m. reception will be followed by dinner at 7:30. Jeff Klotzman will serve as Master of Ceremonies.

During the evening, an autographed sports auction will be held. The highest bidder will be able to capture: a chin strap worn by Pat Haden of the LA Rams, a Pittsburgh Steeler license plate, an autographed photo of Baltimore Colt Bert Jones, TTU autographed football, basketball, and baseball, Texas A&M autographed football, SMU (1981 SWC Champs) autographed football.

Tickets, \$25 a person, may be purchased at the

MS Office (795-1268), from any MS Board or Committee member, Hemphill-Wells in the South Plains Mall and both L & H Drug locations. "New Dimension," a Barber-shop Quartet group and Inez Farrell will provide musical entertainment.

White, an All-American from Maryland is recipient of the Outland Trophy and the Vince Lombardi Award. He has played pro-football for 8 years and has been named all-pro for the past four seasons.

Jay Wischkaemper is chairman of the dinner. Others involved in its planning are John Ziwiacher, Susie Moore and Doug Hodel.

Proceeds from the Dinner of Champions, which is part of the MS Society's "Athletes vs MS" will go to aid MS persons and their families in 23 West Texas counties and to support MS research.

## Carriker in interview

In a recent interview aired over Radio Station KVRP in Haskell, W. S. (Bill) Heatley of Paducah endorsed Roby farmer Steven A. Carriker to replace him in the seat he has held for the last 28 years in the Texas House of Representatives.

Steven Carriker is opposed by Walter Grubbs, formerly of Abilene, who moved his legal residence to a trailer house in Merkel in order to run in the 78th district.

Asked if he would support anyone in the race, Heatley replied: "I've met the young man from Roby. I knew his father who was in the legislature years ago and he was a fine man and an honorable man and this young man, Steve Carriker, I'm sure coming from the same stock, would make us a good representative."

### Congressional Comment

WASHINGTON — Congressman Charles W. Stenholm has announced the selections for the Omar Burleson and Lyndon Baines Johnson Congressional Internships have been made. Four persons from the 17th Congressional District have been chosen by a committee, chaired by former Congressman Omar Burleson.

Selected for the positions were 21-year-old Karri Waddell of Roscoe, Mark Robertson, 19 of Snyder, Marjorie Maddox, 19 of Colorado City, and Paula S. Kelly, 33 of Graham.

The interns for the month of June will be Miss Maddox and Mrs. Kelly. Miss Maddox is currently enrolled at the University of Oklahoma in Norman, Okla. She is majoring in Communication and Public Administration. Miss Maddox is the daughter of Mr. and Mrs. Joe Maddox of Colorado City.

Mrs. Kelly is a business and history teacher at New castle High School. She received a Masters Degree in Business Education from the University of Mississippi and her undergraduate degree is a B.S.E. from Memphis State University. She is married to Mr. Douglas L. Kelly of Graham.

The two positions in July will be filled by Miss Waddell and Mr. Robertson. Miss Waddell will graduate in May 1983 with a major in Math and a minor in Computer Science from Angelo State University in San Angelo. She is the daughter of Mr. and Mrs. Mike Gruben of Roscoe and Mr. Don Waddell of Memphis, Tenn.

Mr. Robertson is a freshman Political Science major at Southern Metho-

dist University in Dallas. He plans to attend law school after his undergraduate studies. His parents are Rev. and Mrs. David Robertson of Snyder.

The winners were selected after meeting with the selection committee in Abilene. Members of the selection committee were Burleson - chairman, Judge Robert Work of Crosbyton, Mr. Ned Underwood of Snyder, Mr. John McGuire of Cisco, Mrs. John B. Collier, IV of Stephenville, Mr. Steven Monk of Graham, and Mrs. William Powell of Gainesville.

Mr. Burleson said, "It was a difficult decision. All of the applicants are outstanding young people and a credit to the 17th District."

## did you know?

The add-on heat pump can provide both central cooling and heating. The pump can be used with your existing heating system and can provide all your heating requirements on moderately cold days. The add-on heat pump also saves on your overall heating costs by providing up to two units of heating energy for each unit of electricity it uses. And the pump automatically switches over to your existing heating system whenever it cannot meet your home's complete heating needs.

John Kallas, Consumer Services Representative, Lubbock.

Of the known recoverable energy reserves in the United States, nearly 80% are in the form of coal deposits. This is one reason for Southwestern Public Service Company's decision to switch to coal-fired power plants. Today, more than 40% of the electricity produced by SPS is generated by coal-fueled boilers. At SPS, we expect to produce almost 60% of our customers' electricity with coal by 1985.

Earl Zwickey, Plant Engineer, Talk Station, Muleshoe.

Microwave ovens use less electricity because they cook faster than conventional ovens. Microwaves cost less to operate than conventional electric ranges and can save on summer air conditioning costs as well, since they use a cool cooking method. Faster cooking helps foods retain their natural flavors, vitamins and minerals.

Connie Moyers, Home Service Advisor, Clovis.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

**Lubbock lake site threatened**

LUBBOCK — The Lubbock Lake Site, one of the nation's most valuable and significant archeological landmarks, is threatened by road construction being carried out by the City of Lubbock.

Portions of the site have already been extensively damaged, and city work is proceeding, despite efforts by the Texas Historical Commission to get city officials to consider the impact of the construction on these major archeological remains. The THC and Texas Antiquities Committee are attempting to negotiate a solution with the city to protect this ancient site and still allow public access to adjoining recreational areas.

Lubbock Lake Site contains evidence of some of the state's earliest human residents, the Clovis hunters, who stalked and killed big-game animals such as mammoth and camel in the Lubbock area at the end of the last ice age, almost 12,000 years ago. Massive bone beds resulting from kill and butchering activities at the Lubbock Lake Site attest to the hunting skills and fortitude of these earliest Texans.

The site is a major source of scientific information concerning the lifeways of these ancient and later peoples who occupied the High Plains, ultimately to disappear or be assimilated by new populations. They left no written records of their passing, and only the remains of their camps and activity areas provide scientists with clues to an understanding of these long-extinct cultures. "Without archeological sites like Lubbock Lake, the cultural heritage of Texas and the nation would be a vacuum from which little could be learned and passed to future generations of Texans," said Acting State Archeologist Bob Mallouf.

The scientific importance of the Lubbock Lake Site is perhaps best exemplified in the various state and federal designations applied to it over the years. It is a National Historic Landmark, a National Register of Historic Places property, and a Texas State Archeological Landmark.

MR. AND MRS. BRENT TERRY

## Couple honored with shower

A bed and bath shower honoring Darla Jenkins, bride-elect of Troy Simpson, was held, Saturday, April 24, in the home of Mrs. Dan Hodges.

Approximately 30 guests registered between the hours of 9:30 and 11 a.m.

Special guests for the occasion included Bobbie Jenkins, mother of the honoree of Lubbock, Mrs. R. L. Simpson, mother of the groom-to-be, and Mrs. Barney Wilson, his grandmother of Slaton.

The serving table was laid with a lace cloth, and featured brass candle holders with a blue candle arrangement of the bride's chosen colors. A silver coffee service was also

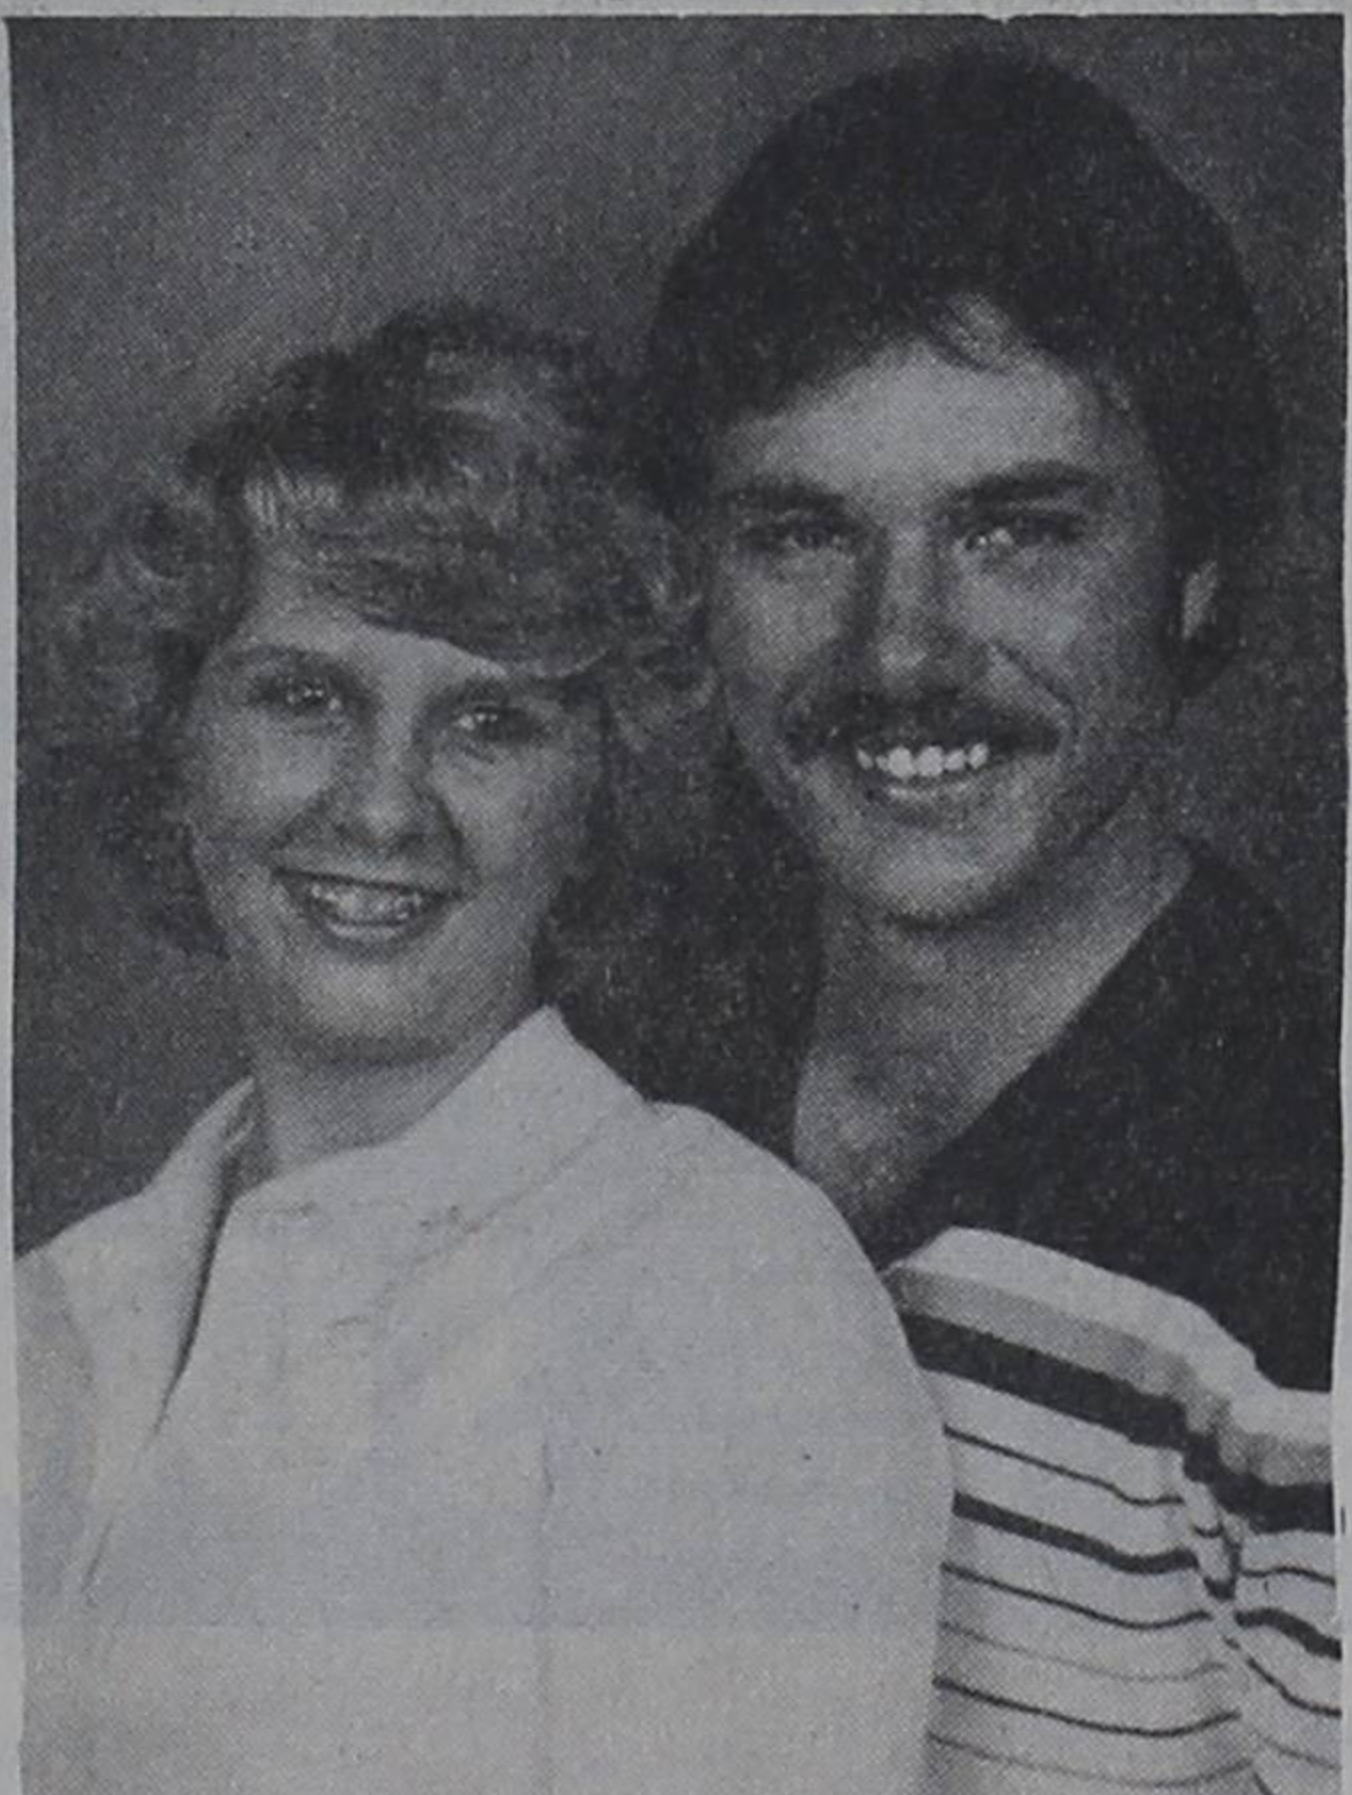

used. Coffee, cake, cinnamon rolls, and a fruit bowl, and orange juice were served to those attending.

The hostesses presented the couple with a bedspread of earth tone colors.

Hostesses for the occasion were Tommie Williams, Lee Ann Hodges, Carolyn Williams, Joyce Howard, Pat Cruse, Francis Craig, Willa Widway and Marge Tannehill.

Most topaz is white or blue. The famed golden variety is actually very rare.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Richard Massey announce the engagement and approaching marriage of their daughter, Donna Gayle, to Kelly Ray Baker, son of Mr. and Mrs. Ed Ray Baker, all of Post. The couple plan a July 3rd wedding in the Trinity Baptist Church.

## Gamma Mu is meeting

Irene Fry was elected president of the Beta Sigma Phi of Gamma Mu Sorority at its meeting held Monday night.

Other officers elected were Lois Cook, vice president; Barbara Hardin, treasurer; Diane Josey, secretary and Jana McCallister, educational director.

The hostess, Jana McCallister served sandwiches, chips, cake, relish tray and Cokes to members present.

Winner of the door prize a straw swan arrangement of ivy, was Irene Fry.

Plans for the up-coming bake sale were discussed and the sale set for Wednesday, May 5, at United Supermarket.

The annual Founder's Day banquet will be held May 11, Tuesday night, at 8:00 p.m. At that time the new officers will be installed and the "Girl of the Year" announced.

Other members other than the new officers present were Debbie Mason, Orabeth White, Sherry McNeely, Sara Briley and Helen Gerner.

## Sarah is honored

Miss Sarah Ann Cartwright celebrated her second birthday with a party in the home of her grandmother, Nelda Leake, recently.

Kermit the Frog cake, ice cream, and Coke were served to her parents, Nelda and Jeff Cartwright, her brother, Joshua, her great-grandparents, Faye and Preston Mathis, and guests, Larry, Kim and Macee Mills.

## GOSPEL SINGERS HERE

 We would like to take this means of expressing our special thanks to our many friends in Post, who have expressed their concern for Karen during her illness and recent hospital stays. Thanks so much for the many prayers, calls, cards, gifts, flowers and visits. A special thanks also to the principal and teachers of Post High School for their cooperation in helping Karen stay caught up with her school work during her illness.  
 Your thoughtfulness was greatly appreciated. May God bless each of you.  
 Leon, Marie & Karen Davis  
 I want to thank everyone for the prayers, cards, and phone calls I received while I was in the hospital.  
 Shirley J. Wise

I want to take this opportunity to thank all who visited, sent cards, offered words of encouragement and for your prayers on my behalf, while recuperating in the hospital and at home.  
 Sincerely

We have been out for a few weeks but we are back again and going strong.  
 Our patio has been poured and we are so excited. Oh if it will ever get warm enough to go outside.  
 Mrs. Willie B. Sullivan went for a few days visit with her son and his sister in Lubbock.  
 Mrs. Rose Boucher went for a few days visit with her family too.  
 Mr. Brookshire's son came and took him for a drive and visit to his nephews.  
 Our hearts go out to Mr. Warren for his loss of his son.  
 Our hearts were saddened over the loss of Mr. Wheatley last week.  
 We want to thank Mrs. Edwards, Mrs. Esker Stone, Mildren Stewart, Arbrej  
 We would like to thank everyone for their concern, and for the many acts of kindness shown us during Troy's stay in the hospital, and since his coming home. A special thank you to Dr. Wilson for his help, and to the Dairy Queen employees for all their help also.

**INSIGHT INTO EYESIGHT**  
**DAVID R. GIBSON, O. D.**  
 DOCTOR OF OPTOMETRY

**THE NEARSIGHTED EYE**  
 What happens when one eye or both eyes are nearsighted? The nearsighted eye focuses on an object too soon. The image is sharp when it enters the cornea, the "window of the eye." But it gets out of focus by the time it reaches the retina. This is the innermost lining of the eye that sends the image to the brain.  
 There are several causes of nearsightedness. One is an eyeball that is longer than normal, measured from the front of the eye to the back, where the retina is located. It is too long to hold an image in focus by the time it reaches the retina.  
 Or the problem may be the light-bending ability of the eye. It may do too good a job at bending the light, causing the image to go out of focus.  
 Nothing can be done to shorten the distance between the front and the back of the eyeball. Nothing can be done about its light-bending ability. That's the way you were born. But an eye examination will show how these problems can be corrected by wearing property fitted glasses.

## African native gives program

By JANELL JONES  
Herbert Dugmore, a native of Kenya, South Africa, gave a very interesting talk to the Close City 4-H club members, about the differences and likenesses between America and South Africa. The meeting was held on April 22.

Mr. Dugmore is studying in America the different methods of ranching. He will be spending one year on this project in different areas of the United States. Darrell Jones, chairman of the 4-H adult leaders association, spoke to the members concerning Brownwood, Electra, District II and Texas Congress

summer camps and explaining the fees and how the adult leaders will help pay part of the way for some to go to camp.

The Bud Davis, Jim Prather, and Ronnie Dunn families served refreshments to 26 members. They were Mike Bartlett, Lance Bland, Laura Crenshaw, Shellee Curry, Cathy Davis, Derick Dunn, Debbie and Betsy Ethridge, Janell Jones, Jana Middleton, Dana and Rusty Morris, Angela Melton, Tommy, Korren and Steven Payton, Kraig, Kayla, and Keith Peel, Michael Prather, Rance Sappington, David, Lisa and Teresa Shults,

Steven Tidwell, Mark Tyler, and one visitor, Molly Prather.

## Harding in statement

AUSTIN - Interest earnings on public funds in the state of Texas reached a record high as of March 31, 1982, according to State Treasurer Warren G. Harding.

From April 1981 through March 1982, earnings on public money deposited in Texas banks totaled \$306,092,907, an increase of \$73 million over the amount earned from April 1980 through March 1981.

Harding credits the increase to his sound money management policies as Treasurer. "At the end of March 1982, 99.3 percent of all public funds had been invested," Harding said. When Harding took office, only 80 percent of the state's money was earning interest.

Interest earned during March 1982 alone was \$28,453,900. "My office earned well over a million dollars per working day in March," Harding said.

Harding was appointed State Treasurer in 1977 by Governor Dolph Briscoe and was elected to a

four-year term by a landslide victory in 1978. He is seeking re-election in the Democratic primary May 1.

Harding was appointed Secretary-Treasurer in the election was cotton producer and ginner Bennie Clauch of Bula, a Bailey County director since 1980. Fondren was elected to the Board from Crosby County in 1978 and Caswell has been a Terry County director since 1977. All were currently serving on the organization's Executive Committee.

The 50-member PCG board is made up of two members from each of 25 High Plains counties. The Board meeting followed PCG's 25th annual meeting, attended by over 200 producers, ginners and other cotton-related busi-

Crosby county cotton producer and businessman Tommy Fondren of Lorenzo was elected President of Plains Cotton Growers, Inc. at the organization's Board meeting in Lubbock April 21.

Fondren succeeds Gary Ivey of Ralls, who as immediate past president automatically becomes Chairman of the Board. Ivey served one year as President of the 25-county producer group.

Elected to the office of PCG vice president was Gerald Caswell of Brownfield. Caswell, who had completed one year as Secretary-Treasurer, succeeded Myrl Mitchell of Lenora as PCG's number two officer.

Replacing Caswell as Secretary-Treasurer in the election was cotton producer and ginner Bennie Clauch of Bula, a Bailey County director since 1980. Fondren was elected to the Board from Crosby County in 1978 and Caswell has been a Terry County director since 1977. All were currently serving on the organization's Executive Committee.

The 50-member PCG board is made up of two members from each of 25 High Plains counties.

The Board meeting followed PCG's 25th annual meeting, attended by over 200 producers, ginners and other cotton-related busi-

nessmen. In addition to reports from then President Ivey and Executive Vice President Donald Johnson, speakers at the annual affair were Earl Sears, Executive Vice President of the National Cotton Council, Memphis, Tenn., and three people experienced in different aspects of High Volume Instrument classing of cotton.

In an address titled "Cotton in a Time of Trial" Sears deplored the low current cotton prices, but pointed to declining inflation, near-record total employment and recent strengths in consumer buying power as bright spots in an otherwise dismal outlook for cotton demand in the months ahead.

Speakers on cotton classing were Jesse Moore, Cotton Division Director of USDA's Agricultural Marketing Service, Washington; Bob Hale, vice president of Textile Operations, American Cotton Growers, Littlefield, and Jerry Harris, past president of Lamesa Cotton

Growers Association, Lamesa. All three appeared to agree with Harris who said "It's not a question of whether we go to instrument classing, it's a question of when." The Lamesa Classing Office used HVI to class all of its receipts from

the 1980 and 1981 crops. Harris emphasized that producer benefits from a switch to HVI were highly dependent on a learning process. He estimated that only about five percent of the producers in Lamesa's territory got higher prices

for their 1980 crops as result of instruments, but that the percentage probably doubled or tripled the 1981 crop as more producers and ginners adapted varieties, production and ginning practices to the new system.

**Disabled veteran games set**

Disabled athletes from throughout the United States will convene at the Veterans Administration Medical Center in Wood, Wis., outside Milwaukee, to take part in the Second National Veteran Wheelchair Games next August 26-29.

The special athletes are veterans with spinal cord or orthopedic disabilities that confine them to wheelchairs.

Wood Recreation Chief Lucia Dorneden, national chairperson of the four-day event, has launched an April registration drive for

the competition. It is open to both men and women. Those wishing to compete should contact recreation service at the nearest VA medical center. The competition isn't limited to hospitalized patients.

The event, first held last year as part of the United Nations International Year of Disabled Persons, is open to all veterans confined to

wheelchairs.

Four new events are being added to the games this year: archery, basketball, bowling and trap shooting. Competition will be held for the second year in track and field events, swimming, wheelchair slalom, table tennis and weightlifting.

Two national records were set last year by contestants ranging in age from 20 to 60. David Aguilera of Sacramento, California, broke the record in Class II 400-meter race with a time of 1:28.3 minutes, and Kenneth Archer of Bowie, Maryland,

scored a 4:45.4 in the Class V 1500-meter race.

Social events are part of the games program. On August 27, the guests will be honored at Mexican fiesta on the Lake Michigan water front. Participants will be saluted the next day at a pre-game pageant at Mil-

waukee's County Stadium preceding the Brewer-Athletics game.

### FISHING Facts & Fancies

- Wet the line to aid in drawing it up smoothly.
- Use plenty of line so you will be able to tie it properly.
- Keep the twists and spirals uniform so that the finished product is neat.
- Snug all knots up tightly to avoid slippage under pressure. Use an even, easy draw to tighten it, and avoid "popping" the knot.

#### The Great Knot Search

If you're an angler who gets tied up in knots whenever you have to tie one, here's some advice from the experts:

### Accent On Health

Diabetes can't be cured, but daily self care by the patients is an important part of the treatment in preventing complications.

"An important responsibility of our public health nurses is educating diabetic patients about good hygiene, nutrition, exercise, and proper skin and foot care," said Mrs. Rose Mason, R.N., of the Chronic Disease Division of the Texas Department of Health.

Mrs. Manson said diabetes affects the circulation and therefore patients may lose sensitivity to pain,

especially in their feet and legs. Diabetics may not be aware of an injury. They must learn to routinely check their feet for calluses, injuries that might become infected and lead to gangrene. Diabetes is a major contributor to gangrene and amputations.

Patients must learn to cut their toenails straight across the tip of the nail, and not to injure the fleshy tissues prone to infection. An exercise such as walking should be incorporated into their lifestyles, so that the blood is circulated to the lower extremities, she said.

In addition to helping patients follow a prescribed treatment regimen, the TDH takes an active part in diabetic case finding

through its statewide screening program. About 45,000 to 50,000 patients are screened free to chat annually. Suspected diabetics are referred to private physicians.

Dr. Clift Price, TDH Associate Commissioner of Personal Health Services says diabetes is the leading cause of death from disease in Texas and is a leading cause of blindness. He said at least 700,000 Texans have diabetes, and it is estimated that half of them don't know it.

Dr. Price said diabetes is a disease of the insulin-producing pancreas. People normally have the starch and sugars in their food changed by digestion in the stomach. The glucose is then acted upon in the blood by the hormone insulin to produce and store energy. Without insulin, the body cannot make use of the sugars and starches in a normal way.

# Post shows best ever in track meet

The Post Antelopes with their best showing of the year, came away with second place in the District Track Meet held here in Post over the weekend. The Antelopes scored 123 points, the most points scored by a Post track team in several years. Freshman high school won the meet with 156 points, with Roosevelt 90, and Slaton 79 in fourth and Cooper and Tahoka tied for last place with 37 points each.

Nine varsity athletes on the Post track team will suit up for the Regional Meet to be held at Texas Tech, May 7-8. Robbie Williams, who finished second in the meet in the pole vault, and qualified for the regional meet, broke his ankle in a trampoline accident over the weekend and will be replaced by Steven Fluitt who was the alternate, winning third place in the meet.

Mark Odum won the pole vault competition, vaulting 21'6". As a matter of fact, Post took the three top

places with Robbie Williams vaulting 12' and Steven Fluitt clearing 11'6".

Post took first and second places in the long jump as well, with Milton Williams coming back to earth 21'9 3/4" from where he took off, winning first place, and Tim Tannehill came within 2 1/4 inches of jumping the same distance. The two athletes will compete again for regional honors.

Will Kirkpatrick garnered Post's other first place win, completing the 300 meter intermediate hurdles in a time of 40.46 seconds. Ricky Saldivar finished second in the 800 meter run, with a time of 2:06.40, and qualified for the regional meet. Will Kirkpatrick also combined with Irvin Price, Adam Mendoza, and Richard Cisneros in the 1600 meter relay, to take second place, and qualify for the regional meet. Their time was 3:31.92.

Third place finishers, who would compete in the regional meet only as alternates, include the Ante-

lope 400 meter relay quartet, Will Kirkpatrick, Milton Williams, Daniel Gonzalez, and Richard Cisneros. Richard Cisneros garnered third in the 400 meter dash, and Toby Craft, hurled the discus 140'2" for a third place also.

The Freshman Tigers also captured the Freshmen title with 214 points. Post finished second with 145 1/2 points.

The Antelopes did outdistance all competitors in several events, however. The Post 9th grade 400 meter relay quartet of Albert Nava, Greg Massey, Mike Ollison, and Chuck Morris, ran the distance in 46.47 seconds to take first place. Chuck Morris won the 100 meter dash with a time of 11.68 seconds, and Mike Ollison dashed 400 meters in a winning time of 56.31 seconds. Greg Massey won the 200 meter dash in 24.50 seconds, and teammate Albert Nava finished third, seven-hundredths of a second later.

Henry Salas won the 1600 meter run, finishing the

### Diamond Jubilee benefit—

## C of C Volleyball tournament set

Most everyone around Post has heard of the Taylor Tractor Volleyball team, but have you ever heard of the Courthouse Cuties, Human Excuses, King's Queens, or the Bold Goldettes? Well tonight (Thursday) is your chance to see these new teams in action in the Post Middle School Gym, and continuing through Saturday.

Also men's teams from the First Baptist Church in Post, the Post Cards from the local Post office and the Penny Pinchers from the First National Bank, will join the ladies teams along with several teams from other surrounding towns for a weekend of good volleyball.

The tournament is sponsored by the Post Chamber of Commerce and all proceeds of the event will go toward the Diamond Jubilee celebration. A con-

cession stand operated by the Women's Division of the Chamber will be available with its' proceeds also going into the fund.

In case you are wondering where the ladies teams are from the Courthouse Cuties, from the courthouse in Post; the Human Excuses are from the Department of Human Resources; the King's Queens are from the First National Bank, and the Bold Goldettes are teachers and coaches and Taylor Tractor is a regular team from Post.

Other teams entered are Rule System Electric, Merchants, a team from Southland, Broughton's in the men's division, and in the ladies, Southland, Cook Pump, Mash, Sandyland, CWI, Super "6" and Plains. Games will begin at 7:30 p.m. tonight (Thursday, April 29.)

### Easy On The Budget

Recipes in the "budget" category usually focus on money savings. Yet another resource — time — needs budgeting, too. This Quick 'N Easy Sausage Casserole is fast to fix and economical, so the dish qualifies for the "budget" title on all counts.

Convenience comes from using brown 'n serve sausages that are fully cooked and merely need reheating before serving. The sausage links are arranged atop sliced, cooked potatoes that have been sauced with a mushroom soup-cheese mixture. Sliced celery adds a little crunch to the dish.

**Quick 'N Easy Sausage Casserole**  
Yield: 4 to 5 servings

- |   |   |
|---|---|
| 8 ounce package Swift Premium Brown 'N Serve Sausage Links                              | 4 ounce can mushrooms, drained                    |
| 2 cans (16-ounces each) potatoes, drained and sliced (or 4 cups cooked sliced potatoes) | 1/3 cup sliced celery                             |
|   | 10-3/4 ounce can condensed cream of mushroom soup |
|   | 1 cup shredded Cheddar cheese                     |

Combine potatoes, mushrooms, celery, soup and 1/2 cup shredded cheese. Spoon into buttered 1-1/2 quart casserole. Arrange brown 'n serve sausage atop casserole. Sprinkle remaining 1/2 cup cheese over top. Bake in 350°F oven for 35 to 40 minutes. For crispier sausage, broil casserole 4 inches from heat source for 5 minutes before serving.

**VOTE FOR JOHN T. MONTFORD FOR SENATOR**

POL. ADV. PAID BY JOHN T. MONTFORD

# Walter Grubbs expressed views in statement

After four years in the Texas House and 22 years of working for Congressman Omar Burleson and Congressman George Mahon, I think my record of support for this agricultural area is well substantiated. I have supported all legislation designed to be in the best interest of rural life — farmers and ranchers, and community services for our smaller towns. My opponent in the Democratic Primary is alleging otherwise, which is totally and absolutely untrue. Either he doesn't know or is engaging in a bit of mud-slinging in the closing days of this campaign. I would prefer it be the former, but likely there will be more distortions and further misrepresentations before the election on May 1st.

The opposition to my candidacy for re-election is evidently rooted in anti-business attitude, whether it be in mining, ranching or business. The philosophy represented by my opposition, disguised in a pro-rural life cloak, would advocate such measures as repealing the right-to-work law, the right to strike for public school teachers, public employees and migrant farm workers. This is not the philosophy of the 78th Legislative District. I believe that we in our area want a representative who stands for fiscal responsibility and solvency in our state and national government, who will defend our free enterprise system, — the best form of government ever devised by man.

My record in the Legislature during the past four years in public and open to examination. It will show that I was able to prevent the closing of the local health unit in Sweetwater when the State Department of Health wanted to move it. As a member of the House Appropriations Committee, I was successful in getting appropriations approved to expand on the programs of vocational and technical education at Texas State Technical Institute's campus at Sweetwater to the tune of \$2 million. I have sought to be of assistance in every way possible to the people of Roscoe and Hamlin during their problems with flooding. I voted consistently against the Tax Reform Act (the Peveto Bill) and its amendments, which is causing a shift of the ad valorem tax burden to homeowners all over Texas. I voted for passage of the gasohol bill, contrary to statements of my opponent. I voted consistently for pay raises for public school teachers, state employees and increased benefits for retired teachers. I voted to exempt livestock and poultry from taxation and in fact, co-sponsored the legislation. I voted to exempt farm implements and equipment from taxation. I voted to appraise agricultural land based on its production instead of 500 percent market value.

There has been no legislation passed in the Texas Legislature during my four years of service to raise interest rates as my oppo-

nent alleges. Interest rates are dictated by our national economy and the Federal Reserve System, not the Texas Legislature. The usury ceiling was raised by the Legislature to allow people to buy or build new homes. Otherwise, all home building would have come to an abrupt halt which would have been devastating to our statewide economy. The same type ceiling was raised to allow the smaller cash loan companies to make loans to the less fortunate people who cannot go to the bank or a savings and loan institution to borrow money. These measures were directly beneficial to consumers in all segments of our society. They did not raise interest rates, but served only to remove unrealistic ceilings in our inflationary economy. I strongly supported the largest increase in history for our junior colleges in Texas, including Western Texas College in Snyder. Western Texas and STTI are very important to this West Texas area to allow our young people to get an education closer to their homes.

It is less than truthful for my opposition to suggest my service to this rural West Texas district does not conform to the interests of the people. Political rhetoric is cheap. It is my strong belief that when a candidate attempts to discredit his opponent in a desperation crash campaign by using untruths, distortions and misrepresentations, the

people of this area will react accordingly. My voting record is open for anyone to check.

I had hoped this campaign would be kept on a higher level, free of mud-slinging type tactics. For these reasons, I urge you to ask me about any actions I have taken during my service in the Texas House, and vote for a record — not a lot of easily made political promises, in the Democratic Primary on Saturday, May 1.

# U.S. Court not to interfere in redistricting

Texas Supreme Court Justice James G. Denton, who is seeking re-election to the Supreme Court of Texas in the Democratic primary, said recently that the U.S. Supreme Court should not interfere in Texas political subdivision questions.

"Our Texas courts passed on our political subdivision lines," Denton said. "We held that the first redistricting map was unconstitutional. The U.S. Supreme Court should not have taken jurisdiction over such state questions as our political subdivision lines."

Denton is seeking his third six-year term on the Supreme Court of Texas and stressed that he will continue to be an independent, impartial voice on the court.

Judge Denton was appointed a member of Chief Justice Joe Greenhill's com-

mittee assigned to draft S.B. 265 to further equalize court dockets. During his 32-year judicial career, he served as chief justice of the Amarillo Court of Civil Appeals and as district judge and county court-at-law judge in Lubbock.

Senior Citizens News

Garza County Trail Blazers are really having fun and good meals at the Algerta Center. Haven't got our Forty-Two tournament under way yet, but haven't got very long to do so, better get going you guys and gals that are interested. Just have until May 13 to finish the tournament.

We had a wonderful musical down here at the center Friday, the 16th, and stayed until midnight singing and playing. There were a lot of singers and musicians here. Hope I don't leave anyone out, and if I do, I am sorry. Those coming were Bea Dodson, Mrs. Ethel Edwards, Brother Moore, Dwayne Binford, Brother Don Travis, Esker Stone, Noel White, Aubrey Ritchie, Ira Farmer, Mildred Stewart.

Before it was over, we were all singing and if you were not here, you really missed a blessing.

Our Mama, our head cook, has been ill. She was out a whole week and we sure missed her. But she is back at work now.

Helen has been to visit her sick mother in Mexico and she is back also.

Our prayers are with the Wheatley family on the loss of their loved one. He was truly a great person. I knew him a lot of years, he was a wonderful person to know.

There was a group of people mostly our Senior Choir and Brother Kenneth Cook, who went to Cowboy Haven and heard music and preaching Friday night.

There are a lot of sick folks in our community and we want to remember them in our prayers as we go through this week and the days to come.

Going to Cowboy Haven is a great and wonderful experience for everyone. If you get a chance, go. We then went to the Twin Cedar Nursing home and sang for them. They always enjoy this.

We sang at Brother Cook's Sunday singing the 25th, it was a wonderful blessing. There were a lot of good singers there.

There is blood pressure check here four times a month. The first and fourth Tuesdays and the first and third Thursdays are set up for this service and also hearing aid checks are on the fourth Thursday by Randy Brackeen of Beltone. Livingston Hearing Aid service is coming, but I don't know what day until I receive a letter.

Had some bad luck here at the center. One of our units went out on our air conditioner, but finally got a new one in and it is going to cost quite a bit, but we had to have it.

We go to United Convescent Home every first Tuesday to sing for them. They wure do enjoy this as much as we like to go and do this for them. We would like to invite anyone who would like to sing with us. We practice every Tuesday night at 7 p.m. at the center, so come join us. The choir sang one night at the Trinity Baptist revival last week.

Brother Morgan Ashworth who was here for a time was the preacher.

Mrs. Reed is honored

Mrs. Jewel Reed was honored Sunday, at 5 p.m. on her 75th birthday with a party held in the home of Mr. and Mrs. Weldon Reed in Justiceburg.

Hosts for the party were Mr. and Mrs. Reed, Mr. and Mrs. Fernie Reed, Mr. and Mrs. Tommy Reed, Mr. and Mrs. Dan Nelson and Alisha, and Ronnie Reed.

Guests were served hamburgers and all the trimmings and birthday cake and ice cream.

Guests included Mrs. Lillian Nance, Mrs. Pearl Nance and Eva Lou Page from Post, Mr. and Mrs. James Brooks from Olton, Mr. and Mrs. John Scales from Lubbock, Mr. and Mrs. Pete Price, Mrs. Riley Miller, Mrs. Jenny Knight and Clell, Mr. and Mrs. Jack Ainsworth and Gina all from Justiceburg.

Regional Qualifiers

Johnny Garza, sophomore at Southland, placed first recently in the District Track meet, District 4-A. He qualifies to participate in the Regional 1-A track meet next week at South Plains College in Levelland. Johnny ran the 1600-meter run, in a time of 5:15.45.

Billy Martinez, senior, is an alternate for the regional meet. Billy placed third in the shot put with a throw of 49' 2 1/2". We say congratulations and all the way to state Johnny!

Junior High Track Southland Jr. High boys won third place over-all in the recent District 4-A track meet in Post. The following people placed.

Long jump, third place, Ruben Rodriguez; Discus, sixth place, Lanny Wilborn; High jump, second place, Dee Farquhar; shot put, fourth place, Dee Farquhar; sixth place, Lanny Wilborn; 400 meter relay, fourth place, Southland, 800 meter run, second place, Billy Watson; 100 meter dash, first place Dee Farquhar, and sixth place, Ruben Rodriguez; 400 meter dash, first place, Heath McGehee; 300 meter hurdles, fifth place, Gilbert Armendariz; 200 meter dash, second place, Dee Farquhar and 1600 meter relay, first place.

TEXAS AG SALES

1981 sales from Texas agricultural products are estimated at \$9.5 billion, up about a half billion dollars from the previous year. However, net profits of farmers and ranchers continued a downward trend, notes an economist with the Texas Agricultural Extension Service, Texas A & M University System. The livestock sector, including dairy and poultry production, added about \$4.9 billion to the total agricultural sales. Crop sales contributed \$4 billion while sales of agriculturally related sources such as timber, horses, fish farming and hunting leases added another \$600 million. Beef cattle receipts alone totaled about \$3.5 billion to lead all commodities. Cotton sales topped all crops at \$1.3 billion.

Burlington Industries in second quarter report

GREENSBORO, N.C. — Burlington Industries, Inc., reported lower sales and net earnings for the second quarter of fiscal 1982 compared with the second quarter of fiscal 1981.

Net sales for the quarter ended April 3, 1982 were \$738,130,000 on which the company's consolidated net earnings were \$14,067,000, or 50 cents per share. In the comparable period last year, Burlington reported net sales of \$799,543,000 on which the company's consolidated net earnings were \$27,622,000 or 98 cents per share. For the six months

ended April 3, 1982, consolidated net sales were \$1,479,838,000 and net earnings were \$342,646,000 or \$1.12 per share compared with net sales of \$1,527,919,000 and net earnings of \$45,062,000, or \$1.60 per share for the same period in fiscal 1981. Net earnings for the second quarter included a charge of 13 cents from the devaluation of the Mexican peso. As a result of adopting FASB Statement No. 52 in the first quarter the effects of foreign currency items are not comparable with those reported in 1981 as

prior year results were not restated. The 1981 results included gains from foreign currency items of 32 cents in the second quarter and 42 cents for the six months. The devaluation charge was largely offset by gains recorded as part of an exchange of long-term debt for stock and cash which took place in early March.

In his review of the company's performance, William A. Klopman, chairman and chief executive, noted, "The second quarter results reflected the prevailing weakness of the econo-

# COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

### Senators Battle Bug

All four Senators from the Carolinas have urged support for expanding the boll weevil eradication program beyond the trial area in North Carolina down through South Carolina.

In a letter to Thad Cochran (R-Miss.), chairman, Senate Agriculture subcommittee, the Senators stated that in order to move forward with the expansion "it is essential that minimal additional funding be provided in the U.S. Department of Agriculture's FY 1983 budget."

Angelo. Also, thanks to the Terry and Middleton families for providing horses for the Horse Judging Division. Also attending was Dana Morris.

The Senators are Jesse Helms (R-N.C.), John East (R-N.C.), Ernest Hollings (D-S.C.), and Strom Thurmond (R-S.C.).

Their letter stated the expansion would involve a joint industry-government effort with cotton producers assuming the major share of the cost. If USDA's share is set at 30 percent, approximately \$2.5 million would be required.

The letter concluded: "No other program, in our view, has greater potential for reducing production costs, or improving productivity, than eradication of the boll weevil. Therefore, we strongly urge your support for this critically important program."

Expansion of FmHA Lending Authority Urged

A National Cotton Council representative has urged a Senate subcommittee on agricultural credit to continue, and if possible expand, the lending authority of the Farmers Home Administration.

In his testimony, William H. Houston, III, a Tunica, Miss., cotton farmer, said the agency's reauthorization is imperative because the farmer's financial condition is "strained almost to the breaking point." He said most cotton farmers are in extremely difficult financial situations because of circumstances beyond their control, noting many have suffered two disastrous seasons in a row, and some three.

Houston told the committee: (1) legislation is needed to correct the inequity that has resulted from the 1978 law that placed a \$100,000 ceiling on FmHA operating loans, and (2) more credit could be made available to farmers without additional government outlays by subordinating existing FmHA loans to new loans from the private sector.

The letter concluded: "No other program, in our view, has greater potential for reducing production costs, or improving productivity, than eradication of the boll weevil. Therefore, we strongly urge your support for this critically important program."

Expansion of FmHA Lending Authority Urged

Export Sales Climb  
Net new sales for the 1981-82 marketing year surged to 115,900 running bales during the week ended April 15, bringing the year's total commitments to 6,505,600.

# Xi Delta Rho gives 'Ritual of Jewels'

Eighteen members of Xi Delta Rho met in the home of Joyce Teaff, April 26. The Ritual of Jewels was given to the seven pledging members, Peggy Ashley, Betty Dennis, LaGayluah Feagin, Martha Hart, Denece Higgins, Vicky Howell, and Cheryl Walker.

Voda Gradine presided over the business meeting. Roll was called, minutes read and the treasurer's report was heard. The ways and means committee was complimented on the fine job that was done in organizing the Little Mr. and Miss Post contest.

One of the members brought to the group's attention the fact that a student was in need of dental attention. Members voted to contribute to this cause.

Margaret Price reported that the running boards have been purchased and installed on the van for the special school.

Nancy Shaw disclosed plans for the Founder's Day program which was to be held Wednesday, April 28, in Susan Cardinal's home.

An outing for the group was planned for Tuesday, May 4th with members meeting at the bank parking lot at 5:15 p.m. They will then meet at Catfish Station at 6 p.m. and following the meal will go to a movie.

The next meeting will be held in the home of Voda Gradine and will be the installation of officers for the new year.

Denece Higgins announced that one of the sheriff's deputies has volunteered to give instruction in self-defense if any interest is shown. Possibility of the class was discussed and will be on the program for the May 25th meeting.

Karen Pennell presented the program, reading excerpts from Erma Bombeck and handed out some quick-to-fix recipes and other materials of interest to the members.

Dinner was then served by the hostesses Karen Pennell and Joyce Teaff to the following members: Voda Gradine, Cheryl Blair, Trisha Cockrell, Susan Cardinal, Bernice Eubank, Jenny Francis, Johnnie Francis, Margaret Price, Nancy Shaw, Peggy Ashley, Betty Dennis, LaGayluah Feagin, Martha Hart, Denece Higgins, Vicky Howell, and Cheryl Walker.

## IT'S YOUR BENEFIT

According to a recent study, benefits paid to employees of private industry average about \$6,000 per person a year. That's about 37% of total payroll each year.

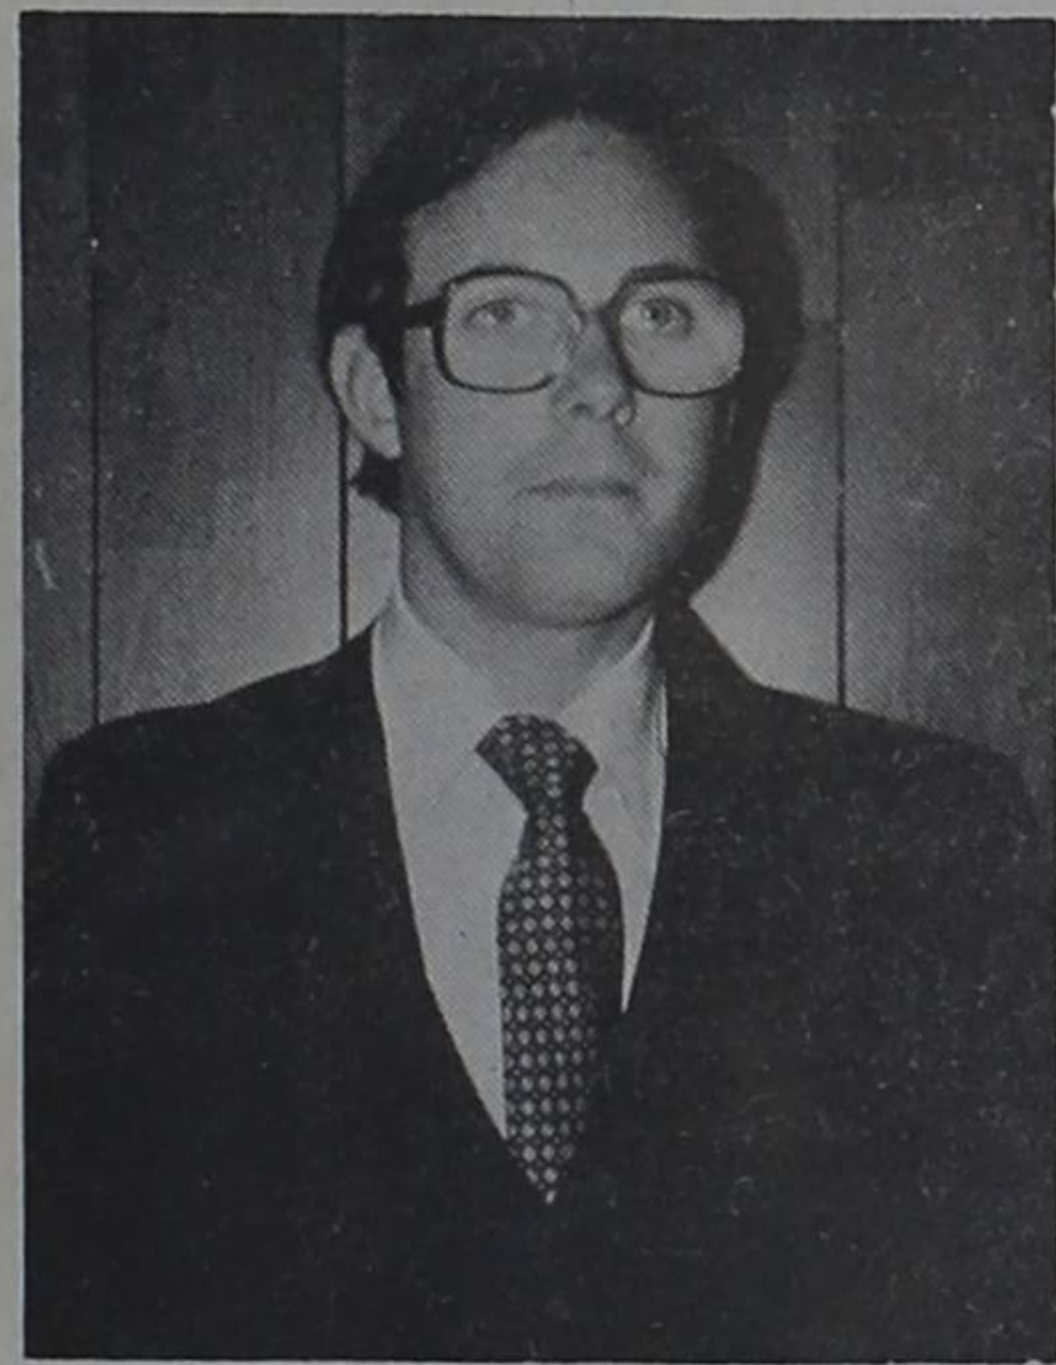

A soldier who leaves the Active Army for private industry can keep most Army benefits, by enlisting in the Army Reserve.

FOR  
JUSTICE OF THE PEACE  
PRECINCT 4

I can devote more than enough time to the office of Justice of the Peace and because of my business I will be available 24 hours a day.

Janet, since our marriage has been involved in all phases of our funeral service and she is capable of handling any need that arises.

Because Janet and I work together in our funeral business, neither office will lack sufficient attention.

I am familiar with all phases of law enforcement here in Garza County and capable of handling the sometime gruesome tasks of this job.

Your vote and influence will be greatly appreciated.

# VOTE FOR JOHN T. MONTFORD FOR SENATOR

POL. ADV. PAID BY JOHN T. MONTFORD

## Elections near—

(Continued From Page One) L. Short for his place in the Texas Senate.

Republican voters of Garza County will go to the poll at Mayor Giles McCrary's office, 130 East Main, from 7 a.m. to 7 p.m. also on Saturday. The statewide voting Saturday is Governor William P. Clements' first step in a bid for re-election to the state's highest office. Three Republicans are also bidding for the Senate seat currently held by Lloyd Bentsen. Jim Collins, Don Richardson, and Walter H. Mengden hope to be the Republican nominees to that Senate seat, which, incidentally, is being contested by Democrats Lloyd Bensen and Joe Sullivan.

In the State Senate race for the 28th District, Jim Reese, John W. Smith, and John J. C. O'Shea are seeking their party's nomination, hoping to face either John T. Montford of Lubbock, or incumbent State Senator E. L. Short of Tahoka.

Two other Republican state-wide positions are being contested, the Commissioner of General Land

Office, in which Andrew Jackson, Al Gutierrez, and Woodrow Glasscock, Jr., seek the office, and the Comptroller of Public Accounts, sought by Raymond Frank and Mike Richards.

Voting places and election judges for each voting precinct are as follows:

Number 1, Presbyterian Church, Post, Mrs. Dorothy Perdue; Number 2, Southland school house, Southland, Mrs. Ruby Lee Ellis; Number 3, Community room, First National Bank, Post, (North Post Box), Mrs. Barbe Bevers; Number 4, Justiceburg School house, Justiceburg, Mrs. Charlotte Ainsworth; Number 5, Close City Community Center, Close City, Mrs. Cleo Sappington; Number 6, Graham Community Center, Graham Chapel, Mrs. Quannah Maxey; Number 7, Post High School Library, South East Post, Mrs. LaNell Warren; Number 8, Post Junior High School, South Post, Mrs. Ruth Ann Newby, and Number 9, Lorenzo Alexander Community Center, Two Draw, Mrs. Billie Cross.

## Workday is planned May 3

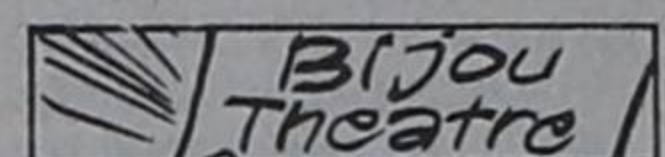

The Southland Cemetery Association met recently in the home of Dauline Dunn to plan the years work for the cemetery.

Doll Haire, president, presided over the meeting with Sam Ellis opening the meeting with a prayer.

Mr. Ellis also reported on the machinery and repairs needed for the work day which is planned for May 3.

Everyone is urged to come and make the resting place of their loved ones more beautiful.

All donations are welcome.
