## Nine Touchdowns and Lots of Defense...

#### by Wes Burnett

The Post Antelopes had possession of the football 10 times Friday night at the Tahoka Bulldog's homecoming and the 'Lopes scored on eight of those times...and added a defensive score for good measure, demolishing the Bulldogs 60-6.

Milton Williams scored five touchdowns, Giles Dalby went in twice, while Daniel Gonzales and Mike Ollison each scored once.

When the stats are added up they'll show the Antelopes only punted once and scored on all but two possessions.

An awesome display of offensive power and just as stout a defense, put the undermanned Bulldogs in a no-win situation early in the game.

Williams scored on the 'Lopes first try after a six play drive which started at their own 32. He went the distance from 31 yards out, following runs by himself, Tracy Price and Daniel Gonzales.

Reserve quarterback Dale McVay guided the Antelopes throughout the game, giving starting quarterback Joel Kirkpatrick a much needed rest to help a bruised thigh muscle.

Outstanding blocking by the offensive line set the stage for the high-scoring 'Lopes performance.

Chuck Morris did his job at kicking, as

he hit six of nine extra point attempts.

The defensive score came with 8:53 left in the game as the Bulldogs were punting on fourth down from their own 24.

Johnny Morin had a punt blocked earlier, and when he tried to kick the ball, it went sailing high in the air above his head, and Giles Dalby caught the ball at the five, then stepped into the end zone, putting the 'Lopes out front 53-0.

It was that kind of a game. C-J.

Williams got his second touchdown with 3:04 left in the first quarter, capping another six play drive with a one yard plunge over right tackle.

The Bulldogs got their only score on a reverse to Steve Pierce, who went down the sidelines from the Post 41 yard line, with 9:25 left in the first half.

That was the last time the Antelope

defense got caught offguard. The next Williams six points came with 2:45 left in the half, following a six play, three first down drive from the Tahoka 49.

Williams went over right tackle from the 14, raising the score to 21-6 after the point-after.

Gonzales set up the score on a screen pass and run from the 40 to the 14.

# ommissioners Get Some Good News

Commissioners had some rather good news during their regular meeting Tuesday when they received a letter from the TAC Group Insurance Rate Action, effective October 1, 1983 and January 1, 1984, stating that Garza County has had good experience with their medical, dental claims (paid loss ratio less than 70 percent) and that their rate increase could be minimal.

Ruby Williams met with the court to authorize the purchase of a new air conditioner unit for the community center with the cost to be around \$1,100 with the purchase approved. Ruby also advised the court of the improvements that have been made to the center, including the installation of new carpet and the Youth Center having been painted.

Sheriff Pippin met with the commissioners to approve the maintenance on the

Final Day —

transmission for the deputy's patrol car with the court approving the repairs.

In other action, commissioners approved the bond for Betty Looney and Brenda Murphy in the amount of \$2,500 to be bound to Commissioners Court of Garza County. Mrs. Looney works in the JP 4 office and Mrs. Murphy in JP 1 office.

Donald Windham was appointed by the court to represent Garza County at the **Emergency Management Program Workshop** for FY '84 on October 21 to be held in Lubbock.

Mary Lou Duncan was appointed Chief Correctional Officer for the sheriff's office and a letter was received by the court informing the commissioners that Dee Justice and Shelia Melton successfully completed a twenty hour course in the duties of the office of Justice of the Peace.

4-H Week Starts Today

4-H Achievement Banquet to be held October through exchange programs with countries

To help celebrate the National Week, a of an impressive past. By providing useful number of local activities and programs are being planned to support the 4-H theme of tomorrow, 4-H has enabled many young including a 4-H Logo contest with all 4-H'ers people to gain insights and experiences in encouraged to participate in this contest with careers they would enjoy. 4-H has also the winner being announced at the County contributed to international understanding

## Booster Club at H. S.

The Bold Gold Booster Club will meet in the High School Library at 7 p. m. on Mondays.

Boosters are also advised that the windbreakers are in and can be picked up in the middle of next week.

Tapes are also in and will be distributed next week.

## **Historical Group Meets**

The Garza County Historical Survey Commission will hold its monthly meeting Tuesday, Oct. 4 at 10 a. m. in the First National Bank Community Room.

All members are urged to be present for the meeting.

## **Church Holds Revival**

Justiceburg Baptist Church will be in Revival October 9 through October 16.

Preaching for the revival will be Bro. Abe Hester Jr. with services scheduled for 7:30 p. m. each night.

The public is invited to attend.

## Benefit for Band

WellTech is sponsoring a dance Saturday, Oct. 8 from 8 until 1 a. m. in the Post Community Center.

Proceeds from the dance will be given to the Post Band Boosters to help defray expenses towards the new air conditioners for the band hall.

Admission to the dance has been set at \$5 and ice will be furnished.

An Antelope quilt will also be given away during this time with proceeds going towards the same.

## **Band Boosters Meet**

The Post Band Boosters will meet Tuesday night, Oct. 4 at 7 p. m. in the Band Hall for its monthly meeting.

Parents of band students and any interested parties are encouraged to come and support our band students.

**Adult Classes Set** 

Adult classes will begin on October 3,

## ontinues

When the pioneers first began their journey west, they realized that to survive in this new territory that they would have to be a 'jack of all trades.' The first homemade articles were rough and strictly for use.

Gradually through ingenuity, they developed into decorative items of beauty. The Crafts and Gun & Knife Show at the 1983 OS Ranch Match Saddle Bronc Riding & Art Exhibit will have on sale hundreds of handmade items.

Handmade boots, Mexican dresses, Mexican pottery, jewelry, ceramics, handmade dolls, quilts, embroidery pieces, wood crafts and paintings are just a few of the items that will be on sale. In addition to the **Continued on Page 4** 

10:

4-H'ers will be featured on KPOS all week of October 2-8;

4-H Council Members prepared school displays promoting 4-H Week;

4-H Achievement Banquet October 10 at the Post Community Center for leaders and 4-H'ers who turned in a recordbook or project form;

4-H Clowning Workshop on October 15 at the Post Community Center, 1:30 until 4 p. m. and a 4-H Dance on October 15.

"4-H: Building on Experience" highlights the educational projects which help young people gain practical skills, develop good nutriton and health habits, explore career opportunities, generate leadership capabilities, and become involved as citizens in their local communities, the state, and the nation.

The 4-H program is built on experiences

around the world.

Youths from all backgrounds and walks of life can enjoy the unique learning experiences that 4-H has to offer. Through their 4-H experiences, these young people can play an important part in a more satisfying and rewarding future for all Americans.

## **Grassland Keumon**

The annual Grassland Reunion will be held Oct. 23, 1983 at the Grassland Community Center.

A noon meal will be catered at \$5.00 per plate and tickets may be purchased from C. W. Roberts, Box 937, Tahoka and tickets should be purchased by Oct. 5 and may be reserved by mail.

1983

These classes will be held in the High School Learning Center in the north wing of the High School.

Instruction will be given in Reading, English, Writing, Arithmetic, Science, English Speaking, Government, Family Finance, High School Equivalency and other courses.

This program is designed to improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency, and to become a more efficient consumer and a more active citizen.

Classes will start at 7:00 and will be over by 9:00 each night. This year classes will be held on Mondays and Tuesday nights.

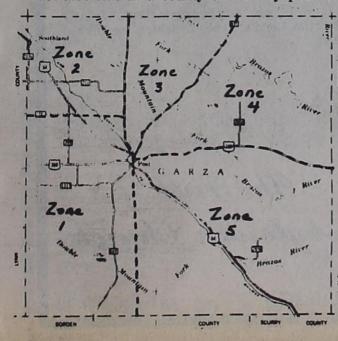

Enrollment will start on October 3rd, but students can enroll anytime during the time classes are being held.

For more information, contact Lane Tannehill at 495-2770.

## S & WD **Board Election Set Wednesday**

An election for a director to serve in which is in the district and the voter must Zone 5 on the Garza Soil and Water be 18 years of age. Conservation District Board is scheduled for Wednesday, October 5 in the Soil Conservation Office, announced Sam Ellis, chairman of the board. The election will be held at 10 a. m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 5 of the district includes an area which is shown on the map with this story.

Current members of the board of directors of the Garza SWCD are Sam Ellis, chairman, Southland; L. G. Thuett, Jr., vice chairman, Post; Preston Poole, secretary, Post; Tom Middleton, member, Post; and Walter Boren, member, Post.

The purpose of the Garza SWCD, with headquarters in Post is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landown-

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

Giles Dalby signed a Declaration this week proclaiming National 4-H Week. Shown with Kayla Peel and Jana Middleton.

SIGNS DECLARATION - County Judge Judge Dalby are 4-H members, 1 to r, Derick Dunn, Tommy Payton, Chuck Morris,

# Letters to the Editor

Dear Editor

I would like to say a few words in behalf of our Post High School, Jr. High and Elementary Bands.

I, for one, am very proud of each and every child that plays in one of our fine bands. I would like to commend the High School Band on a job well done at half-time and then again at the Parade of Bands in Lubbock. Keep up the good work!

But now I would like to turn my thoughts to the parents of these band students and to the fine towns people of Post. Our children

are what we make them. A poem that my aunt gave me patient. comes to mind that I think can say much better what I mean: CHILDREN LEARN WHAT THEY LIVE

If a child lives with criticism, He learns to con-

demn. If a child lives with fairness, hostility,

fight. If a child lives with ridicule,

shy.

shame. He learns to feel

Taking the opening kickoff in the second half, Williams blasted from the Tahoka 45 to the 31 on first down, then Gonzales ripped over left tackle to the nine and in four more tries Williams went in from the one...27-6.

Curt Greet hit Morin on the following Bulldog series, the ball popped loose and L.D. Harper got it for the 'Lopes at the Tahoka 31.

Dalby, Williams and Gonzales took turns cutting down the Bulldogs with Williams getting the final 12 yards over right tackle...34-6, 7:05 into the third quarter.

The defense took over, the Bulldogs punted from their 32 to the Post 31, and the Antelopes started another march to pay dirt.

Dably, Williams, Felix Bustos, Greer and Gonzales joined Ollison piercing Tahoka's defense, with Gonzales going the last 22 yards on a pitchout around left end ... 41-6, 1:30 left in the third quarter.

James Brown blocked Morin's punt after three downs, and the 'Lopes got another shot, starting at the 'Dogs' 15.

Three plays and Dalby crashed into the end zone over left guard, with Ollison and Bustos helping out in the drive ... 47-6, 11:05 left in the game.

The Bulldogs were by then showing signs

of fatigue, as they were almost all playing both ways, with only nine reserves on the bench.

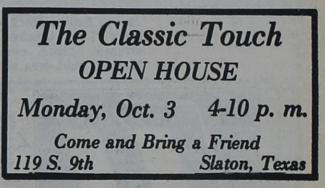

Then on fourth down Morin's punt went to Dalby for another 'Lope touchdown...53-6, 8:53 remaining.

Another three downs and the Bulldogs

punted short to their own 22, where a four play touchdown drive capped off the scoring.

Greer and Ollison got the carrying chores, as Ollison went in from the six for the touchdown...60-6, 5:29 remaining.

The Antelopes now get set to open district play this Friday, hosting Childress.

NOTICE OF **APPLICATION FOR OIL AND GAS** WASTE DISPOSAL WELL PERMIT

Rocker A Well Service, Inc., Box 97, Post, Texas 79356 has applied to the Railroad Commission of Texas for a permit to dispose of produced salt water or other oil and gas waste by well injection into a porous formation not productive of oil or gas.

The applicant proposes to dispose of oil and gas waste into the Clear Fork L. F. Long, Well Number 1. The proposed disposal well is located 10.5 miles NE of Post in the A. F. 6 Clear Fork Field, in Garza County. The waste water will be injected into strata in the subsurface depth interval from 3421 to 3483 feet.

LEGAL AUTHORITY Chapter 27 of the Texas Water Code, as running along Highamended, Title 3 of way 87 in a

cation has been filed issuance of the perwith the Texas De- mit. No public hearpartment of Water ing will be held on Resources for consid- this application unless eration to conduct a a request for a hearweather modification ing is made within 20 operation to increase days following the precipitation within date of publication of the area described the first of three and by the method consecutive weekly stated below: 1. The equipment, materials and meth- modification operaods to be used to tions. conduct this operation

include: a weather radar set, meterological analysis informaradio communications and wing-mounted racks to hold silver iodide flares; a meteorologist directs the aircraft to a radarselected cloud to be-

gin cloud-seeding at cloud base to increase rainfall in the target area. 2. The area intended to be affected by the operation is the

target area which is bounded by a line of origin at Big 7836. Spring, Texas and

notices of intention to engage in weather

**Request for further** information concerning any aspect of the application should be tion, a twin-engine submitted in writing aircraft, air-to-ground to the Weather and Climate Section, Texas Department of Water Resources, P. O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-6318.

Requests for a public hearing should be submitted in writing to the General Counsel, Texas Department of Water Resources, P. O. Box 13087, Capitol Station, Austin, Texas 78711. beginning at a point Telephone (512) 475-
