Council holds budget hearing

The Post City Council tackled a busy agenda Tuesday evening, which included the first public hearing on the 1982-83 budget.

The General Fund revenue is estimated at \$1,563,330, and the council added \$3,000 to the Meals on Wheels program, following a request by Janice Smith program director.

The additional funding was requested as a result of recent action by President Reagan in his veto of the special appropriation bill, which contained federal funding for the Green Thumb program.

"Our cooks are paid by the Green Thumb program," Mrs. Smith explained to the council, "and without this funding, we will not be able to pay them...and without cooks, there is no Meals on Wheels program."

Council members agreed to add the additional funds with the stipulation that the program continue to fill its commitments and in lieu of future federal funding.

The Meals on Wheels program currently serves 25 local residents and is contracted to serve 30 people.

The budget also includes \$51,000 for paving, curbing and guttering and \$24,000 for street repairs.

(See next week's Dispatch for details of the proposed budget)

In other action, the council selected Parkhill, Smith and Cooper of Lubbock to represent the city in its application for a Community Development Block Grant.

The second reading of an ordinance to license coin operated game machines was approved. The ordinance requires operators of coin-operated game machines to pay a \$7.50 license tax.

A mobile home ordinance amendment first reading was approved. The new language clarifies individual mobile home installation restrictions and prohibits mobile homes to be placed on lots with residential or commercial property.

Downtown parking on H and I one-half block off of Main Street will be restricted to parking on the west side only, in an effort to allow more space on the street.

Current head-in parking on the streets squeezes the street space to where only one vehicle can safely travel in that area.

The next public hearing on the proposed budget will be held Monday, Sept. 20 at 7:30 p.m. in the city hall.

Stray cat costs family \$, pain

How much would you pay for a stray cat? Probably not one penny, but Mr. and Mrs. Bill Case in a sense have purchased a dead one for around \$700.

Mrs. Nita Case was bitten on the forearm, Thursday, August 12, at a residence at 316 West 14th, when emptying trash into a dumpster. The dog catcher and Garza Officers who were called were unable to catch the cat.

Mr. Case set live traps trying to catch the cat so it could be tested for rabies, but the cat was found dead on the following Saturday. The body of the cat was taken to Dr. Larry Mills to be sent to Austin for tests, but reports indicated that the head of the cat was too decomposed to determine if it was carrying the disease. So the series of shots began for Mrs. Case.

What is so bad about the accident, along with being bitten, is the fear of having rabies, and the pain of taking the series of shots and the cost incurred by all

the events following the bite.

The test sent to Austin by Dr. Mills cost Mr. and Mrs. Case \$55. The medicine for the shots, which must be picked up at the Lubbock Health Department, cost \$346.50 and this amount must be paid when the medicine is picked up. Following the accident a tetanus shot was given which cost \$18.50 and then you must add the doctor fees for administering the shots which are very painful. The total cost to the couple when the final shots are taken on Sept. 16, will be approximately \$700.

Of course, ownership of the cats that roam the neighborhood is denied by anyone living in the area, and according to Mr. and Mrs. Case, there are quite a few stray cats in the area.

Both Mr. and Mrs. Case stated that their concern following their ordeal, is for the children of the city who could be caught in the same situation and have to go through the same series of shots to assure their safety.

Wade Peppers on the right, is pictured with his boss Jerry Moore, following his promotion to Assistant Maintenance Supervisor on Sept. 1.

Cub Scouts ??

All boys who are 7 years of age and completed the second grade, or are 8, 9 or 10 years old, you are invited to join the Cub Scouts.

A meeting will be held Monday night, Sept. 13, at 7:30 p.m. in the Post Elementary school for anyone who would like to join

this worthwhile organization.

Ray Bagby who is the cubmaster this year encourages all boys and their parents to attend this organizational meeting, and also to learn about a new facet of the organization called "Tiger Cub".

Memorial Fund

A memorial fund has been established at the First National Bank for the Davis Heaton family for anyone wishing to donate.

Those who were unable to attend the benefit dance and would care to make a

donation may do so by contacting Jack Alexander at the bank.

A benefit dance was held at the community center following the Post-Roosevelt football game with Weldon Reed and the Solid Country providing the music.

City plans fight

The Post City council has contracted with an animal control officer, who is scheduled to work two to three days a week.

Citizens are requested to call city hall with problems of stray animals.

Antelopes meet River Rd. Friday

By WES BURNETT

Tomorrow we head for Plainview, to take a look at the next opponent on the 1982 Antelope schedule, Amarillo River Road, which is also a AAA school.

Last week they won 21-8 over Friona and from the scouting reports, they are big on defense.

Nose guard Ray Neal, a 160 pound senior and linebacker Kirk Spear, 170 pound senior, lead the River Road defensive unit.

"Overall they're fairly good size," Antelope head coach David Thompson observes, "and they are returning 10 starters on offense and defense."

Gary Martin, a senior 200 pound tailback and Allen Sanders, a 170 pound senior wingback, are the two best receivers and give River Road its main offensive punch.

Clint Stoddard, a 205 pound senior fullback, adds a special dimension to their running attack.

"They have three linemen who tip the scales at 200 pounds or more," coach Thompson adds.

The quarterback, 170 pound senior Jeff Reynolds, throws the ball deep and accurate and runs the team from a Wish-Bone and I-Slot formation.

Not having seen them in action, we'll just have to wait and see if our speed can outmaneuver their size. See you in Plainview at the stadium.

The 12th Annual OS Ranch Steer Roping and Art Exhibit, is only four short weeks away with activities scheduled for October 1, 2, and 3, to benefit the West Texas Boys Ranch located near San Angelo, which has cared for over 1,000 homeless, dependent and neglected boys since 1947.

Fire guts cafe Tues.

Post Firemen were called out about 12:45 a.m. Tuesday morning to extinguish flames at the El Matamores Cafe, which is located on the Lubbock Highway at the edge of Post. Firemen remained at the scene until approximately 3:30 a.m. and were called back out again about 5 a.m.

Fire Marshall Ray Bagby stated that the upstairs living quarters were totally gutted, and the downstairs portion of the cafe suffered smoke and other damages.

Cause of the blaze was still under investigation at press time.

Peppers promoted

Wade Peppers, who has been associated with the Texas Department of Public Highways and Transportation for the past 17 years is a Maintenance Technician III, was promoted September 1 to Assistant Maintenance Construction Supervisor.

Wade will be working under Jerry Moore, who is the Maintenance Construction Supervisor.

Wade is married to the former Carol Edwards of Post, and they have one daughter, Karla, who is married to Randy Melton. Wade has been a resident of Post for the past 30 years.

WTBR is, and always has been supported entirely by donations and contributions of the public, which are tax deductible.

The Art Exhibit and Sale will be held at the OS Ranch Headquarters at 10 a.m. til 5 p.m. Saturday and Sunday, Oct. 2 and 3, with over 100 works offered for sale. Many of the artists will be present at the exhibit, a great opportunity to view some of the finest Western art available in the U.S. today.

West Texas Boys Ranch for 35 years has provided a home for boys who need some redirection for their lives by offering a varied program of learning experiences in a positive fashion. It has five basic and essential goals; to teach each boy a respect for God, to teach each boy a respect for himself, to teach each boy a respect for others, to teach each boy a respect for work, and to teach each boy the value of responsibility.

These goals are actually all interwoven and inseparable. They are not accomplished overnight, and in some cases they are not accomplished at all. The ranch does not lull itself into a false sense of accomplishment by denying the fact that some boys are not helped by the program.

The majority of the boys, however who are accepted by the Intake Committee do benefit from the excellent program of child care afforded them at West Texas Boys Ranch.

The chapel and Sunday school program at the ranch is designed to challenge the boys to a better life through faith and a trust in Jesus Christ. Many boys have been baptized in Spring Creek on the ranch, and one boy is now a missionary in South America.

Self respect and a respect for others are a direct result of being trusted, therefore, the staff and counselors must show each boy individually that he is trusted, unless he proves otherwise.

Trust begets trust, respect begets respect. Learning to work is not always the easiest thing for someone who has never learned a need for labor, and has grown up in a society where welfare is a second and third generation way of life. Sharing simple chores and bearing the responsibility for feeding animals, mowing grass, and yard work help develop a respect for work.

By depending on a youngster to perform a reasonable task within a reasonable time is encouraged to reinforce his trust in him through positive actions. Faith, trust, respect, responsibility; character qualities that indeed build men.

The continued success of the Annual OS Ranch Steer Roping and Art Exhibit plays a major role in the ranch being able to plan and maintain its programs for the boys entrusted to its care.

Lopes open strong

By WES BURNETT

It started out a little shaky...but the Antelopes pulled it all together in the second quarter and lived up to their pre-season billing by dragging Roosevelt in and around to a 28-6 victory here last Friday night.

The Eagles opened up the game with what looked like a 86 yard touchdown run on the third play from scrimmage, only to be called back to the 50 for a clipping penalty.

From there the visitors held the ball until fourth down at the Antelope three yard-line and with only 2:10 left in the first quarter.

Taking over on downs, the 'Lopes moved to the 16 on second down...and turned the ball over on a fumble.

Taking the ball on the 18, the Eagles ran five plays and two first downs to hit the score board with 10:52 remaining in the second quarter.

The extra point was blocked by L.D. Harper...and the Eagles were never a threat the rest of the game.

Antelopes' First Touchdown

Playing a superb brand of football, the Antelopes took the kick-off and in 10 plays were on the scoreboard.

Will Kirkpatrick picked up the squib kick on the 20, raced behind good blocking to the 40 and from there the 'Lopes peeled off the yardage.

Quarterback Tim Tannehill handed the ball off to Richard Cisneros over the middle to the 42, to Kirkpatrick over left guard to the 44 and then executed a slick screen pass to Kirkpatrick, who was run out of bounds at the Roosevelt 28.

With 9:06 on the clock, Post called a time-out and then came back with a two-yard loss on a run by Cisneros.

From the 30, on second down, Tannehill dropped back and found Milton Williams for a gain to the 19.

Then Cisneros got the call over right guard to the 18 and on first down Williams rambled over right tackle to the nine

and Kirkpatrick took the next play over left tackle to the one.

The touchdown came on a one-yard plunge by Cisneros and Kirkpatrick's extra point attempt put the Antelopes out front 7-6.

Second Touchdown Drive

Roosevelt couldn't handle the heat as the 'Lopes bottled up the visitors, forcing a punt on fourth down from the Eagles' 23.

Taking the ball at their own 49, the Antelopes marched down the field in seven plays to put a little margin on the board.

On first down Tannehill handed off to Williams who slipped and lost two yards to the 47...then Tannehill located Kirkpatrick all alone at the Roosevelt 35 and he was stopped at the 33.

Tannehill then sent Williams over left guard on a trap play to the 17 and from there the quarterback was sacked for a loss to the 21.

On second down Williams took a pitch out around left end to the six yard line.

Tannehill pulled a quarterback keeper over left end to the four and on second down handed the ball to Cisneros who took it in for the touchdown over right tackle.

The extra point put the 'Lopes ahead 14-6. The two teams traded the ball during the remaining 2:53 and went into half time with the same score.

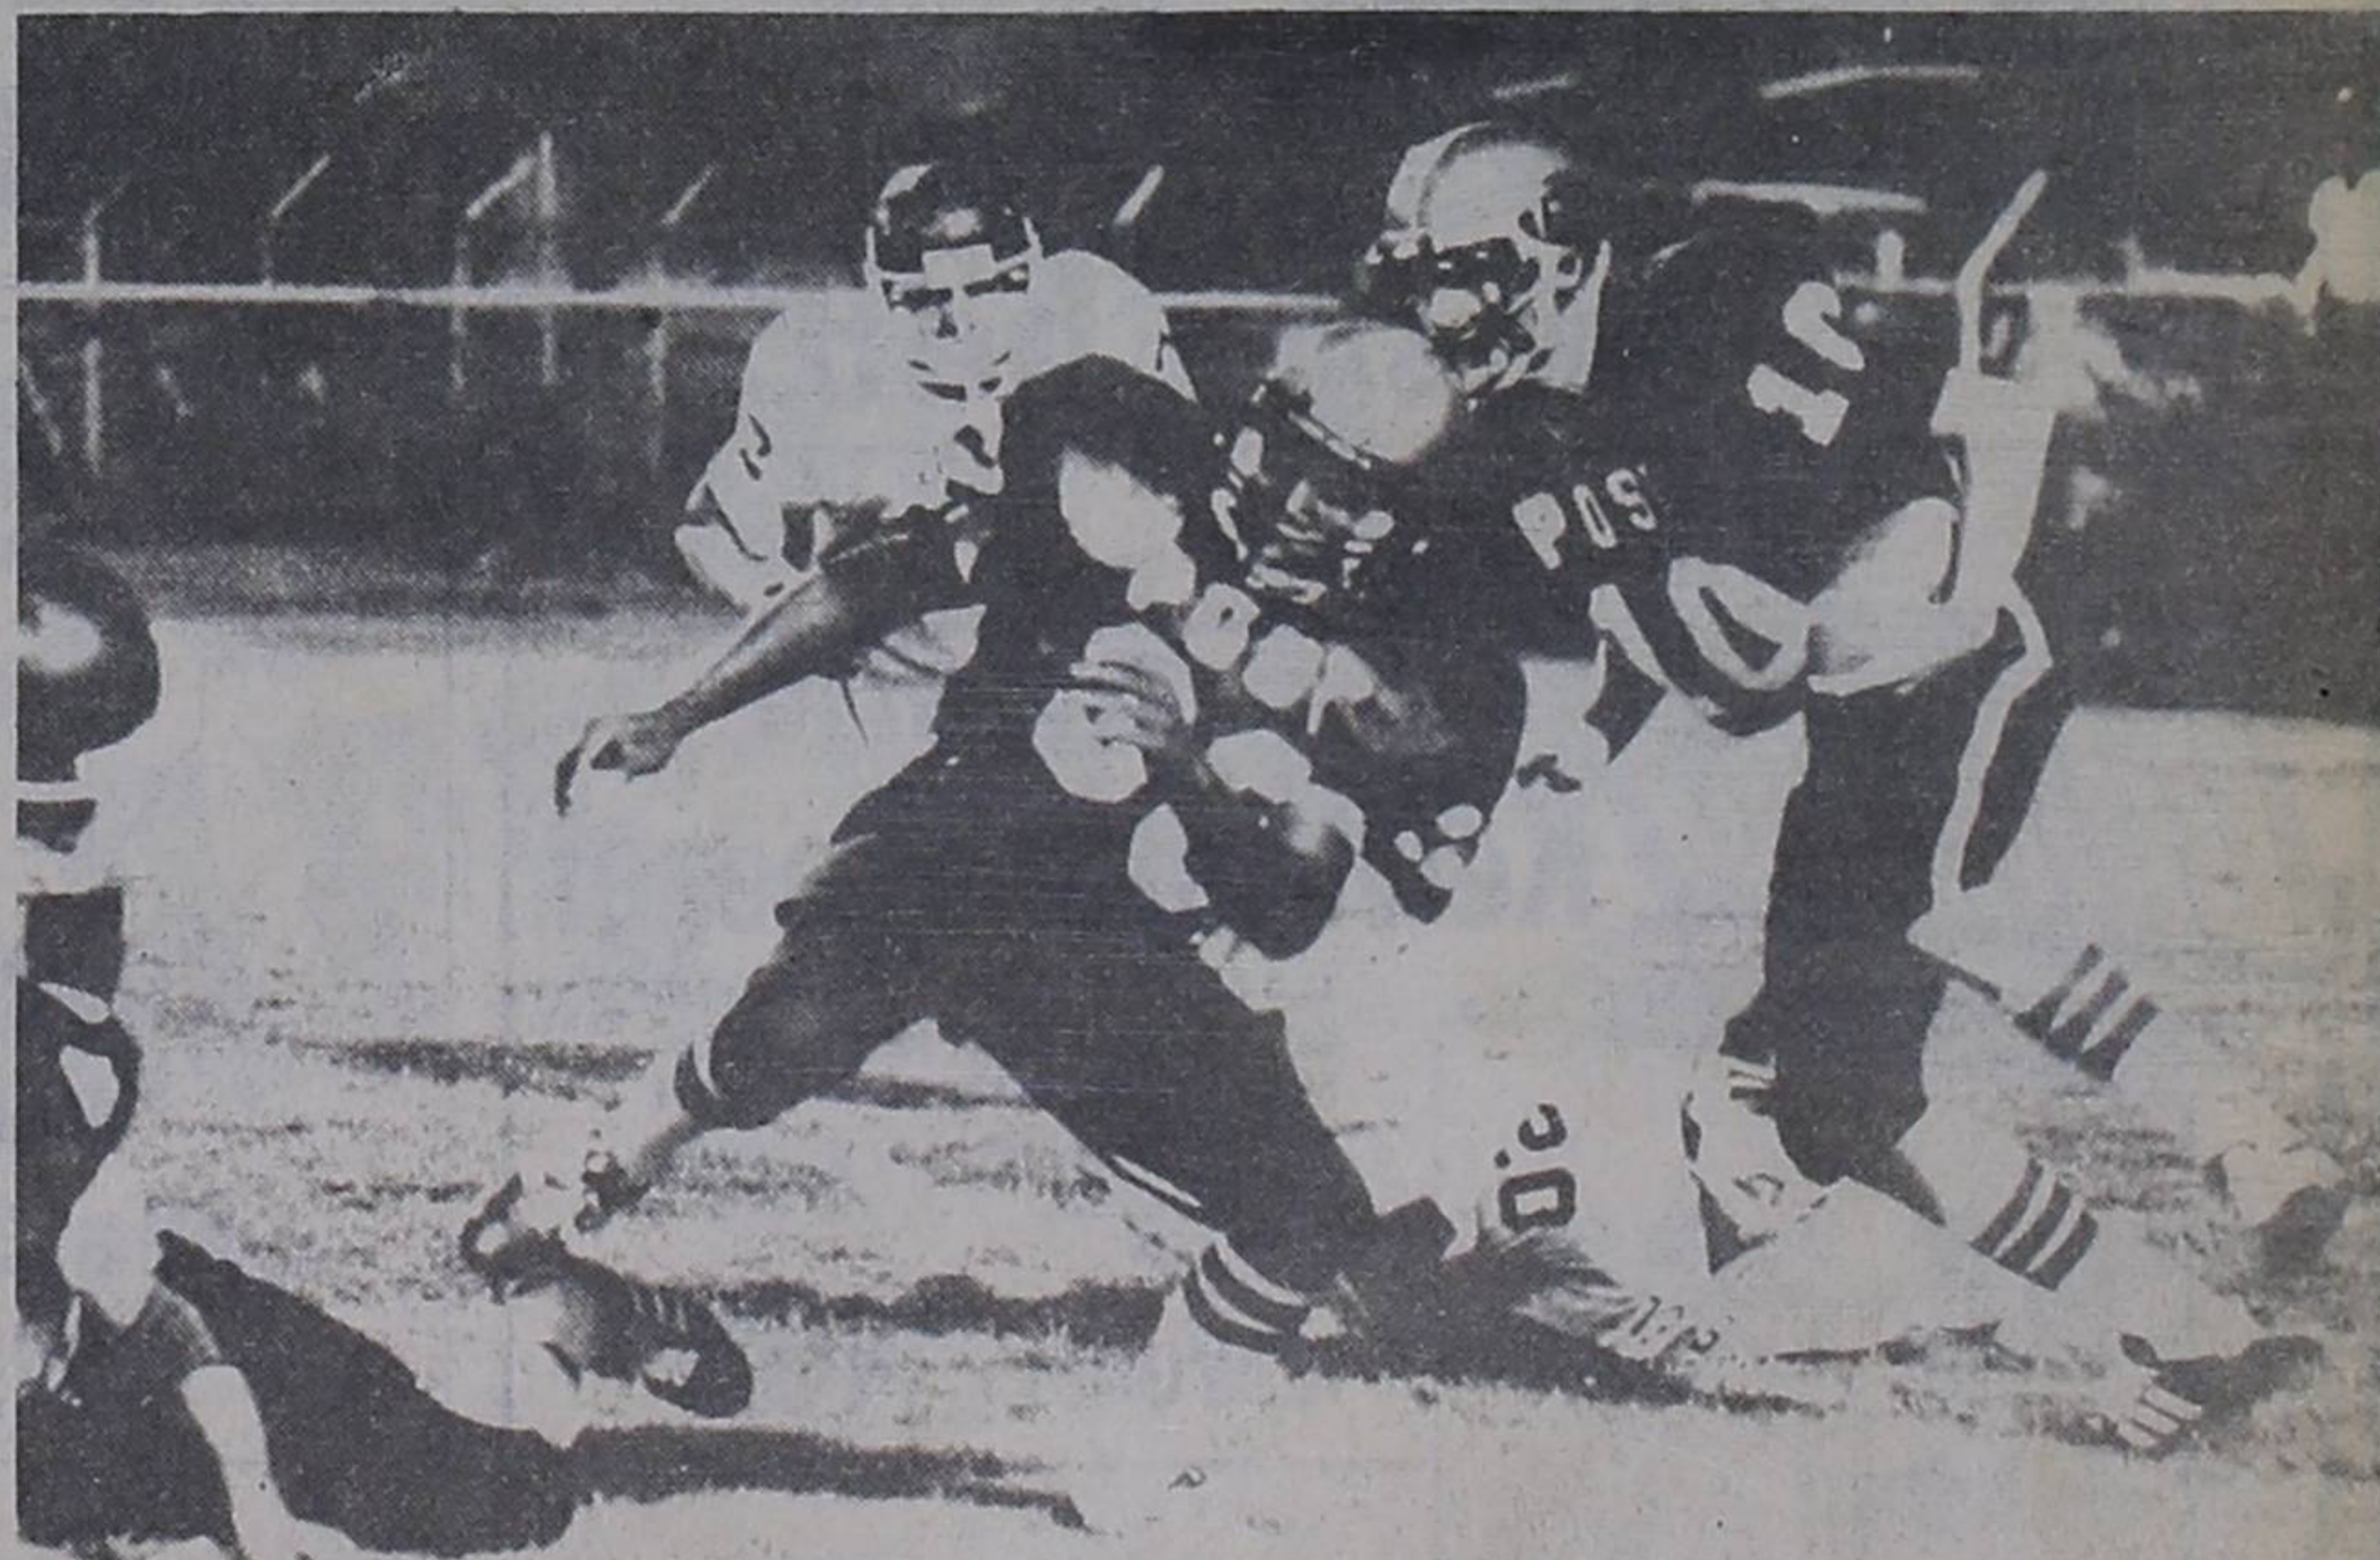

Second Half Action

Neither team could mount any real threat in the third quarter, as they exchanged punts.

Late in the third quarter, the 'Lopes took a punt from their own 25 and ate up the ground and the clock.

With 27 seconds left in the third quarter, they ran off two plays and started the fourth quarter from their own 37.

PROPERTY TAXES— GOOD INTENTIONS AREN'T ENOUGH

I want to talk this week about taxes and good intentions.

As I travel around Texas, I notice that what's known as the Peveto Bill is the subject of much talk and controversy. This bill, named after state representative Wayne Peveto, is a tax reform law: legislation of the best intention.

The law was designed to end confusion and unfairness in the way property taxes were assessed. Property was often on different tax rolls at different values. Older properties went years, sometimes decades, without being revalued or updated. New construction and newly sold property was on the rolls at more correct values and so people who owned it paid a higher share of taxes. Some property was simply left off the rolls entirely. The system was confusing and inequitable.

In an attempt to correct these problems, the Peveto Bill created property tax appraisal boards for each Texas county. These boards were charged with the responsibility of set-

ting all property at its full value—as residential or commercial property or as land used for agricultural purposes. Taxes could then be levied on this accurately assessed property according to the needs of the taxing entities.

It sounded good, but it hasn't worked. The biggest problem is that the people on the appraisal boards are appointed, not elected. They are not accountable to the taxpayers. So now we have a new, faceless bureaucracy to deal with. It amounts to taxation without representation.

My opponent has been on both sides of this issue, first supporting the bill in the legislature—then doing an about-face and calling it bad legislation after it was passed.

The Peveto Bill, though well-intentioned, has created problems which must be dealt with in the next legislature and as your next Lt. Governor, I will do just that. If you have any thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

The Way I See It . . .

By WES BURNETT
Well...it didn't take long for the new publisher to make his first mistake...in the very first issue he pulled a real blooper.

In the biographical sketch he did in last week's Dispatch, the publisher omitted one mighty big fact of his life...

The very people who made it possible for him to be here today...were not even mentioned.

Mom and Dad...I really didn't mean to leave you out...

Wesley W. Burnett was born Jan. 19, 1941 to Helen Juanita Sammel and Roy Edwin Burnett in Bonham, Texas.

Juanita is the daughter of the late Vona Brucilla Duke and Bruce Walker Samuel of Ladonia, Tx.

Juanita was born near Ladonia and she married Ed Burnett May 29, 1939... just as he finished his junior year at Texas A & M (a college of higher learning) where he graduated with a degree in agriculture in 1940.

They moved to Savoy, Tx., where Ed taught school, which included

coaching the championship six-man football team.

Ed's parents were Rosa Ella Chandler and Wesley Young Burnett, of Gober, Tx., where Ed was born and where he played basketball on the dirt court...must have been mighty tricky bouncing that ball after a good East Texas rain.

If you'd like to know more about the publisher's ancestry...try to remember what his oldest son Tim told a friend once..."if you ask him where he came from...it'll take a couple of hours."

Speaking of where I came from...it sure was difficult saying goodbye to all our friends in Ballinger...but as any of you who have moved must know...there is a mixed bag of feelings about striking out on a new adventure.

But boy have the folks in Post made us feel so comfortable and welcomed...

Not all are as fortunate in moving...we heard about a young couple here who have been living in a half dug-out somewhere around here. Times are tough...

And how about the two youngsters who were enrolling at the junior high school the same morning our daughter was in the office?

We're proud of the compassion the junior high office people showed to these youngsters...who were unable to speak English...and by the looks on their faces, were really puzzled and probably just a little frightened by not being able to keep up with normal conversation.

A gentle word and a smile put them at ease...

Not knowing a native language can be devastating...I know, because I grew up in a border town where 85 percent of the people spoke Spanish.

Not understanding Spanish was a real handicap...but not as serious as for those enrolling in our schools who can't speak English...at least I had the advantage of speaking the language that the teachers spoke in school.

But, I did learn how important it is to know more than one language...and although my Spanish is certainly far short of

fluent...I still enjoy being able to brush back the cob-webs in my brain and use my "Tex-Mex" now and then.

++++++
You'd just know I couldn't finish this first little column without saying something about our inadequate housing situation...

If you're new to Post you already that...and the shortage of rental property is really critical. Maybe some enterprising person will see the need and chance to make a few bucks and get some rental housing started.

Believe me, when the oil patch gets fired up again in the next few months...we're going to need places for lots of folks to live.

++++++
We enjoyed our Monday holiday...but sure paid for it Tuesday... The Way I See It, we could do away with those Monday holidays...

Post Contributes \$3,735 to MDA

Jerry's Kids faired pretty well in Post over the weekend, with pledges and donations amounting to \$3,735.89 coming in to go the the Jerry Lewis Muscular Dystrophy fund raisers.

Rosemary Rogers, who was in charge of activities here in Post again this year, commented she had more volunteer help than she has

ever had. Co-Ed Tax Service again donated the use of their building and telephones for the headquarters of the fund raising event.

A street dance, new this year, was held, and the "Country Legacy" band donated their time and services to play for the dance.

Answering the phones for

Rosemary this year were Jim Rainbolt, Raenell Rogers, Eva Troxell, Jimmy Ticer, Joel Warren, Rhonda Rogers, Betty Posey, Colleen Witt, Chris Moore, and taking money for the street dance were Judy and Cynthia Morris.

John Guthrie donated the proceeds from his sno-cone and cotton candy stand to

the cause, and Karla Bilbo ramrodded a bake sale to add to the proceeds.

Jake McDougle was the top volunteer kid, collecting \$58 for Jerry's Kids.

Other helpers were Cindy Isabell, Judy Seals and Sharon L'Villa.

Post was second only to Snyder in the area for raising the most money.

Several Arrested by Officers

Garza County officers arrested several over the weekend for disorderly conduct and driving while intoxicated.

Those arrested included Fredrico San Miguel, arrested Sept. 1, for disorderly conduct, and remains in the Garza County jail.

Hermelina Guerro Garcia was arrested Sept. 5, for driving while intoxicated, and was released on a \$750 bail bond.

Joe Almandarez Vega was arrested Sept. 5, for driving while intoxicated and was released on a \$750 bail bond. On August 30, the bur-

glary of two homes was reported to officers, and the cases are still under investigation.

On September 4, a vehicle was reported stolen from the Long Branch Bar, and this is still under investigation.

Two windows were repor-

ted broken out in a residence at 216 West 11th, one from a rock and the other from a BB gun.

White Reception

A reception is being planned for Linda White, wife of gubernatorial hopeful, Mark White, Thursday, Sept. 16, from 4 until 4:30 in the bank community room. The public is cordially invited to attend the reception.

The luffia gourd has a fiber network inside that makes an excellent scrub-rag for the kitchen. It is often used in place of a sponge in the bathtub.

Library Corner

Two more novels take the spotlight as new books at your Post Public Library. In the first book, Bob Renwick leaves NATO to establish Interintel, a counter-terrorist agency. About the same time, Exports Consolidated, an established American farm equipment manufacturer decides to make sophisticated military hardware, and offer it to the highest bidders.

Renwick discovers a list of nine intended assassination victims, with his own name number three on that list, the Minus List. Helen MacInnes begins ominously, and then spins her tale of intrigue, all the way to the breathless finale. She calls her twentieth nove, "Cloak of Darkness."

the second novel, "The Uninvited," reeks of psychological suspense of love stalked by terror. On a snowy November afternoon, Barry Brennan drives toward upper New York state. She strikes, and injures only slightly, a physically perfect young man. At the side of the road she discovers that he is "newborn,"

stripped of clothing, identification, unable to speak or remember anything at all. To compound the mystery, the young man bears a striking resemblance to her fiancée Ned Kramer, who was killed in a hunting accident a year earlier. Perhaps Barry's love and longing for her lost Ned had actually willed the handsome stranger to life. Her attention awakens him from his strange coma, and he chooses a name, Mark Draven, which uses the same letters as her dead fiancée's name. One reviewer said, "I read it in one horrified gulp." If you want to do the same, put your name on the list at the library. "The Uninvited" will be a popular new book, written by John Farris.

Last month you checked out 496 adult books, and 381 juvenile titles. Fifty new titles brought the total of new books in 1982 to 258. You asked 32 questions, and used the computer modules 151 times.

Keep using the Post Public Library.

That much misused word "chauvinist" was derived from the name of a soldier under Napoleon, Nicolas Chauvin. His shameless sycophancy led to his name becoming a word meaning blind attachment to a group.

Export Sales Jump
Net new sales for the 1982-83 marketing year increased by 301,500 running bales for the week ended August 19 to bring the new season's total commitments to 2,238,100.

It was the largest sales week of the season. The major buyer was South Korea with 208,500 bales.

above the June rate but dropped 23.4 percent from July last year.

For the marketing year which ended July 31, domestic cotton use equaled approximately 5.3 million bale equivalents, down 10.2 percent from the 1980-81 total of 5.9 million.

Breihan Attends Ag Roundtable

Cotton Use Edges Up

The seasonally adjusted annual rate of cotton use by U. S. textile mills reached 5.3 million 480-lb. bale equivalents in July, up 6.7 percent from June but 16.1 percent below the year-ago level, according to the National Cotton Council.

Cotton's share of total fiber use reached 25.8 percent, compared with 25 percent the previous month and 23.4 percent in July, 1981. Mill use of man-made fibers rose 1.5 percent

National Cotton Council President Ed Breihan of Lubbock, Tex., participated in the recent Ag Roundtable II at Secretary of Agriculture John Block's farm in Illinois.

The principal subjects on the agenda were agricultural trade and economic issues affecting agriculture. Leading farm and commodity organizations were invited to send representatives.

Senior Citizens News

Senior Citizens of Garza County if you are 55-plus, you are sincerely invited to come to the Algerita Center to join in our fun and fellowship. We have a great time with one another. We have a delicious meal at 12 noon, bus service to the center if you need it before noon is also available. Games of 88, 42, Skip-Bo and pool, plus others, or you can watch TV or just have a cup of coffee and visit with others. We have a wonderful place and we certainly enjoy it.

The bus will be going to Lubbock each Tuesday for our Senior Citizens for what ever you need it for, like doctors appointments and other errands. It will run in Post for your needs the other four days from 8:30 until 12:30, so be sure and make your appointments to this schedule. You may have to get up a little earlier. You can make your appointments a day ahead if need be. Let's get used to this schedule to help our bus driver and our county on the expense of the bus.

We have blood pressure checks offered to you four times a month, so take advantage of this. The days are the first and fourth Tuesdays and the first and third Thursdays. This is at no cost to you at all. Also the Beltone hearing aid man comes on the fourth Thursday at no cost, unless you need batteries.

We will be having someone in the near future to help our retired veterans, and if he can't help you, he will tell you where to get the information you need.

We have exercise classes

each morning at 9 a.m. lasting until 9:30, so if you would like to join us, please feel free to do so.

Our next Fun Night which is our musical, will be on the third Saturday instead of Friday, due to football season. Don't know for sure

if it will be at our center or at the Post Community Center where there is more room. We will know before the date comes around.

We have had several of our senior members in the hospital and our prayers have been with you and still are, for your health to be better and be back with us. Because we miss each and every one of you all the time.

Speed, Quickness Stun Eagles in Lope Win

(Continued from Page 1)

The first down came on a rolling right pass from Tannehill to Bill Black.

After an incomplete pass, Cisneros took a handoff over right tackle to the 27 and measured first downs.

On first down Cisneros plowed to the 26, then Williams took a pitch out around left end to the 15 for another first

down. In three plays the 'Lopes hit paydirt again...with Cisneros blasting through right tackle to the 11, Tannehill passing to Kirkpatrick to the three and then Kirkpatrick getting the call over right tackle to the touchdown.

His extra point kick brought the score to 21-6.

Final Touchdown
The Antelopes put their last touchdown across with 5:46 remaining in the game, following a 79 yard, seven play drive.

The defense held off a determined Eagle push into 'Lope territory, when on fourth down from the 15, Cisneros sacked the quarterback at the 21.

With 7:50 on the clock, the Antelopes began their move...first on a pitchout over left end by Williams to the 34, then another pitchout to Williams over right tackle to the 39 and a Williams scamper around right end to the Roosevelt 35.

On first down Tannehill threw a pass to Black who finally was caught at the 15 and from there Williams got the call on a pitchout around left end to the three.

A try over right tackle got no where, and on second down Tannehill kept the ball over left end for the touchdown.

Kirkpatrick made it four for four on extra points, ending the scoring 28-6.

James Lee interrupted an Eagle drive by his pass interception on the Post 30 yard line, and the game ended with the Antelopes firmly in control.

Statistics Tell the Story

Williams led the team in rushing with 138 yards on 19 carries, followed by Cisneros with 10 for 35 yards, Kirkpatrick with fove for 30 yards and Tannehill with eight for nine yards.

Tannehill hit 10 of 16 passes for 178 yards, finding Kirkpatrick five times for 90 yards, Black twice for 52 yards, Williams twice for 26 yards and Lee once for 10 yards.

The Antelopes nearly doubled their opponents on offense, with 433 total yards compared to 232.

Tannehill punted once for 40 yards and Lee recorded the only interception with a 45 yard return.

L.D. Harper led the team in tackles with 21, followed by Cisneros with 20, Toby Craft with 18, Giles Dalby and Black with 16.

Harper was credited with three quarterback sacks and one each went to Cisneros, Black and Keith Bullard.

"I thought we out-conditioned them," coach David Thompson commented on the opening game of the season, "and I think we played well, and we had good effort."

New Rules for Home Games

Post football fans are reminded of a new district rule this year that has all students purchasing their tickets in advance, otherwise students will pay the full price at the gate, same as adults.

This new rule is not a local one, but when Post was moved to the new district this year, it applies to all schools in the district.

High school students on down may purchase their tickets at the high school office hours Monday through Friday. Students will pay \$1.50 and adults \$2.50. If tickets for students are not purchased in advance, they will be required to pay \$2.50 at the gate.

If tickets are purchased in advance, you do not have to stand in the long waiting lines and may go on through as can season ticket holders.

The advance ticket purchase for students applies to all home games and all district out of town games.

Junior Varsity Swamp Roosevelt 42 - 0

— SPORTS —

The Post junior varsity football team collected 343 total yards and held the Roosevelt JV to 98 yards total offense during last week's contest in Lubbock. Scoring in every quarter, the Antelopes finished off the game 42-0.

The junior varsity opened up the scoring with a 56 yard drive, ending with a 26 yard run by fullback Curt Greer.

Later in the first quarter the Lopes finished off a 27 yard drive with a one yard run by tailback Mike Ollison

and the two-point conversion came on a run by Greer.

Greg Massey scampered for a 35 yard run to put the junior varsity on the score board again in the second quarter, followed by a 58 yard drive later as Ollison

collected a 47 yard touchdown run. Albert Nava scored the two-point conversion.

The defense gave the ball to the offense in the third quarter on the three yard line following a Roosevelt bad snap over the punter's head.

From there Ollison ran it in for another six points.

In the final quarter, quarterback Dale McVay completed a 57 yard drive with a three yard touchdown run and R. J. Greathouse put the final two points on the board with a run for the extra points.

Defensively, coach Ken Plumlee pointed out the efforts of Keith Osborne, Jim Rainbolt, Jay Valdez, Kenneth Gill, Curt Cowdrey, Chuck Morris and "the

rest of the Antelope defense."

The coach especially praised Osborne for his pass interception and Rodney

Hays for his "good play at rover and wing back."

He also paid special recognition to Todd Angerer at middle linebacker, Ray

Perez at defensive tackle and offensive guard, Morris

on his 50 yard punt and Charles Johnson for his play at offensive end and defen-

sive tackle.

The junior varsity will travel to Lubbock today to play the Coronado Sophomores, kick-off at 4:30 p.m.

A whole host of Antelopes converge on an Eagle running back...with Toby Craft (50), Irvin Price (82), Bill Black (81), Richard Cisneros (44), Daniel Gonzales (22) and Melvin Wynne (11) in on the action. (Photo by Norma Baumann)

INSIGHT INTO EYESIGHT

DAVID R. GIBSON, O. D.
DOCTOR OF OPTOMETRY

CATARACT SYMPTOMS

Trouble with lights is one of the symptoms of cataract. So are spots or ghost images. Or you may notice a milky spot in the pupil of your eye, which is normally black.

A cataract is a clouding of the lens of the eye that interferes with the passage of light. This causes blurred vision. A cataract can come on so slowly that you're not aware of it for a long time.

It is most common in your older years. It will gradually get worse and so will your vision. Surgery will then be necessary to remove the clouded lens. This is usually a simple procedure. Most patients have only a short stay in

the hospital.

The missing lens has to be replaced for you to be able to see again. Fortunately that is not a problem. Your optometrist will prescribe cataract eyeglasses or contact lenses. Then you can see as good as new again.

If you're having trouble with lights or notice any other symptoms that suggest you may have a cataract, you should have an eye examination.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for the construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$50,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget. The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exención de la imposición de impuestos de la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que exención los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gobernantes de ciertos distritos de agua y distritos de conservación y reclamación."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesoroero del condado.

Si se anula el oficio de tesoroero del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que anula el oficio de tesoroero del condado en los condados de Tarrant y Bee."

PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

AVISO PUBLICO

Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$50,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsecuente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

Assembly Lines

We hope everyone had a great Labor Day, now it's back to normal. Next Sunday, Sept. 12, at 11 a.m. we will have Mike and Vicki Hammond in service. These are singers and musicians who recently moved from the area to McKinney, Tx., where Mike is the City Superintendent. They have been at First Assembly Church before and really blessed us with their singing. Everyone is invited to attend.

Due to a mixup in schedules, our Kid's trip to Family Fun Park has been moved back one week, to Oct. 1. So, kids, this means you have an extra week in which to qualify. Remember, you must attend 3 of the 5 Sundays in order to be able to go.

We missed all of you who were out of town last Sunday and we hope to see you this Sunday. We had 60 in Sunday School and even more for church. People of Post we are on the grow for Jesus!

We are glad to have Dorothy Williams and Lynn here Sunday. Dorothy was here from Lubbock visiting her mom, Olean Seals. We are also glad Billy and Clarence Warren are back from east Texas. They have been greatly missed around here.

Congressman
Charles W. Stenholm
Congressional Comment

WASHINGTON, D.C. — Congressman Charles W. Stenholm reminds young persons that he is presently receiving applications from young persons interested in competing for nominations to the service academies, for the classes entering July 1983. Stenholm advises that he will be using the competitive method of selection, so that all young persons meeting the necessary requirements may be considered.

The service academies are the Naval Academy at Annapolis, Maryland; the Military Academy at West Point, New York; the Air Force Academy near Colorado Springs, Colorado; the Merchant Marine Academy at Kings Points, New York; and the Coast Guard Academy at New London, Connecticut. These institutions offer an excellent education and a great opportunity for young persons wishing to serve their country through a military career.

In order for Congressman Stenholm to consider applicants, a candidate must meet these requirements: (1) must be a U.S. citizen; (2) must be over 17 and under 22 years of age on July 1, 1983; (3) must be a legal resident of the 17th Congressional District; (4) must never have been married; (5) must be physically fit, including excellent eyesight; (6) must have a good overall high school record.

Stenholm stresses that political influence is not a factor in his nominations to the Academies. He is looking for bright, active, well-rounded individuals to offer as nominations.

Interested young persons who meet the above requirements should write to Congressman Charles W. Stenholm, House of Representatives, Washington, D.C., 20515, by October 1. Upon receipt of a letter on interest, the Congressman will provide information as to further steps which should be taken. Young persons should make arrangements on their own to take ACT or SAT examinations.

The competition for these nominations is keen, but Congressman Stenholm wants to assure all young persons interested in a military career that they will be given an equal opportunity to compete for nomination.

FIRST CHRISTIAN CHURCH

Grandparents Day is Sunday, September 12. Our Sunday service will celebrate this occasion with a message entitled "God's Grand Design in Grandparenting."

Grandparenting seems as a special gift to succeeding generations. They are the very important friends and confidants to grandchildren. Parents in the middle ground find their wisdom and insights most reassuring.

Yet the role of grandparents is earned more than inherited. Therefore adopted older and wiser veterans of life fill this role for the younger generation. However they reach their important position they provide a function of love and concern. It is an assignment that our world needs more today than ever, especially for those two generations behind in maturity.

VISIT HERE

Mr. and Mrs. Kelly Baumann of Hobbs, N.M., and Mr. and Mrs. J. D. Saffel of Petersburg visited in the home of Mr. and Mrs. A. J. Baumann over the Labor Day Holiday. Jerri also visited over the weekend from college. Mr. and Mrs. Baumann also visited her parents, Mr. and Mrs. Leon Davis.

CLUB WILL MEET

The Priscilla Club will meet this week, Friday, Sept. 10 in the home of Nell Windham.

An eight year old Ann Johnson once gave these insightful words:

My grandma likes to play with God,
They have a kind of game.

She plants the garden full of seeds,
He sends the sun and rain.

She likes to sit and talk with God
And knows He is right there.

She prays about the whole wide world,
Then leaves us in His care.

Two classes are planned

Adults at the First Presbyterian Church will have two new opportunities for growth and nurture on Sunday mornings. Travis Ellis will begin an intensive study of the Book of Revelation.

Another course, intended for younger adults, will consider the meaning of Christian worship, using audio-visuals, and drawing on the varied backgrounds of class participants. This second course, which is taught without lecture, will consider why certain forms of worship have come into being, and how they can have more meaning for the whole congregation.

Materials will be provided for both courses, and the public is invited to participate.

Freshmen Run Over Eagles

The Freshmen Antelopes came back from Roosevelt last week with a 16-6 victory, out-rushing their opponent 296 yards to 96.

The 'Lopes scored first with a 83 yard drive on eight plays, with the final three yards by Tracy Price on a trap play.

Then Joel Kirkpatrick pulled off a boot-leg pass to Sammy Hardin for the two-point conversion.

In the second quarter the freshmen rammed the ball to pay-day on a 64 yard, nine play drive, capped by a 37 yard pass from Kirkpatrick to Sam Binford.

"Our defense allowed only

one first down in the first half," coach Jay Kennedy comments.

"The whole team shared time at defense and all played very well," he adds.

Coach Kennedy parished the offensive line for a fine game, with three good drives stopped by fumbles inside the 15 yard line.

Special recognition by the coach went to David Shults, Keith Craig, Donny Payne, Jay Fluitt, Tommy Basquez, James Mock, Tim Tanner, Sam Binford, Bruce Crenshaw and Mike Bland.

Cooper has cancelled the Lubbock game scheduled for today.

Ladies' Golf Tournament Set

The Caprock Ladies Golf Association is sponsoring a Ladies Best-Ball Golf Tournament for all Garza County Ladies on Saturday, Sept. 11.

Entry fee for the 18-hole tournament is \$25, which includes cart fee, and lunch.

Tee-off time is 9 a.m. but

coffee and donuts will be 8 a.m.

Cash prizes in each flight will be given along with numerous door prizes. The Two-Woman team will be determined by drawing before the tournament begins.

The schedule of events are 8 a.m. coffee and donuts; 8:30 a.m. teams will

be drawn, and contestants will be briefed on rules; 9 a.m. tee-off and shotgun start; approximately 12:30, the first 9 holes completed, teams will be flighted, and discussion of teams, tee-off for second 9 holes; approximately 3 p.m., 18-holes should be completed. Winners will be determined in

each flight and awards given followed by a barbecue for all contestants and a drawing for door prizes.

Deadline for entering the tournament is Friday, Sept. 10 at noon. For information or to enter contact: Jan Bartlett at 3188 or 2874, Sharron Morris at 3413 or 3363, Barbara Hardin at 2629 or 2881.

Sgt. Joe Espinoza Awarded

Marine Sgt. Joe Espinoza, son of Manuel and Eusbua Espinoza of 208 North Avenut I, Post, Texas, was awarded the Good Conduct Medal.

The Good Conduct Medal signifies faithful and obedient service during a three-year period. To earn it, enlisted Marines must achieve and maintain an unblemished conduct record for the entire period. Espinoza is currently serving with 3rd Supply Battalion, On Okinawa.

Veterans Should Renew Policies

Veterans should review their life insurance policies periodically to assure that the beneficiary designation is correct, advises the Director, Waco Veterans Administration Regional Office.

Experience shows that the designated beneficiary may turn out to be a deceased spouse or parent or a divorced spouse. An insurance policy is a contract with which the VA is required to comply. No one, including the courts, can change it after the veteran's death.

For further information, telephone the Waco VA Regional Office toll-free number listed in your telephone directory.

First United Methodist Church. A barbecue and dance followed Saturday night with special music entertainment provided by Dale Redman and Richard Kirkpatrick.
