Our activities have been: ball, bingo, dominoes, exercises, and films. We have had many activities.

We thank the Post Methodist Church for the great service they gave us Sunday. We also thank the ladies that came and served drinks to the residents.

The Shoe Box

One day, when the sun was the hottest, Abraham sat by the door of his tent, waiting for strangers to arrive, so he could invite them to stay in his home. (You can read the story in Genesis 18).

The rabbis, who have a long tradition of reading and probing for the meaning of stories, suggest that Abraham was in the middle of prayer, and he interrupted his prayer in mid-sentence so that he could go show hospitality to strangers. "Greater than the reception of God," said the rabbis, "is the practice of hospitality." hospitality."

The Presbyterians of Post gather every Lord's Day because the Lord has promised to be in that place where people are gathered in his name. But we also assembly to provide a rest for the journey, a source of refuge and hope for the

stranger. This morning we will celebrate the Lord's Supper. It is not a "Presbyterian" Table, but the Lord's Table. We hope you will come and share in the Feast that God has prepared for you.

PUBLIC NOTICE At the request of the Office of the General Counsel of the Public

Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas, including General Telephone Of The Southwest, of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies, including General Telephone Company Of The Southwest. It is anticipated that Docket No. 5113 will be evidentiary in nature. RATES FOR GENERAL TELEPHONE COM-PANY OF THE SOUTHWEST MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING. Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512)458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.
