

CLASSROOM DISCIPLINE — Two Post ISD personnel were among the 59 public school teachers and administrators from 13 Texas school districts who attended the first weeklong Classroom Disciplinary Management and Strategy Program workshop on the Southwest Texas State University campus in San Marcos June 27 - July 1. The program, funded by a \$227,000 grant from the Criminal Justice Division of the Governor's office, is a cooperative effort of SWT's Institute of Criminal Justice Studies and School of Education. Program staff and visiting consultants reviewed model programs and approaches during the workshop. Two additional programs will be conducted at SWT this summer. Pictured left to right are Margaret Dunn, director of the Texas Juvenile Justice Center and program director; Principal Dan Rankin and teacher Rebecca Haney.

Garza County News Briefs

Lady Golfing Tourney

For all interested Lady Golfers, the Caprock Ladies Golf Association is sponsoring a Ladies Day each Tuesday afternoon at 5 p.m. at the Caprock Golf Course.

The course will be closed to everyone else, so all ladies are invited to come out and play and get some exercise and have a lot of fun.

Church to Hold Bazaar

The Holy Cross Catholic Church will have a Jamaica Sunday, July 24 on the grounds of the church.

A barbecue lunch will be served during the day.

Games and food booths will be available throughout the day and several drawings will be held.

Class of '43 Reunion

The 1943 class reunion will be next week-end.

The class graduated 52 members and 32 members will be present. The class has 9 members deceased.

Members of this class have been invited who did not graduate, but moved away and finished school elsewhere. Those who have been invited and will be attending include: Doris Hudman Kress, J.W. Hodges, Maxine Redman Cook, and Frances Lee Gollehon Crume.

Other members include: Evelyn Nelson Lemond, Earl Wheeler, Geneva Bingham Justice, Pauline Perkins Wilke, Miriam Lusk Delgado, Bill Richardson, Leona Lusk Delgado, Lois Taylor Ramsey, Betty McElroy Ethel, Laurence Bilbery, Doris Kirkendoll Lucas, Charley Luttrell and Mamie Lee Shepherd Burdick.

We the 1943 graduates of Post High School extend a special invitation to anyone wishing to visit on Saturday afternoon from 2-5. Refreshments will be served.

Library Movies

Movies scheduled for the library Friday at 3 p. m. include:

"Rikki Tikki Tavi", a 24 minute film from the Jungle Book by Kipling; "Smokey Bear", 20 minutes; "Jimmy's Kite", 12 minutes and "If I Had a Million", eight minutes long and is a W. C. Fields comedy.

Book winners for last week were Sergio Campos, Shana Sanchez and Rosa Valdez.

There are now 46 enrolled in the summer reading Rodeo and there is still time to enroll and read.

The story hour is held each Thursday morning for pre-schoolers from 10 to 11 a. m.

Vacation Bible School

The First United Methodist Church will have its Vacation Bible School August 1-5.

There will be Bible stories, crafts, recreation, singing and a lunch of sandwiches, cookies and koolaid will be served each day.

Classes will be from 9:30 - 1:00 every day, with registration on Monday, August 1, beginning at 8:45 a. m., for ages 2 through grade six.

Engine Stolen

A 350 cubic inch motor was reported stolen from the county barn in Precinct 2 June 29 with the loss valued at approximately \$1,000. The theft is still under investigation by Garza County Sheriff's officers.

Julian Saldivar was arrested July 1 on a warrant for assault and public intoxication. A \$200 bond was set on each charge.

Richardo Dela-Cerda was re-arrested June 30 for unlawfully carrying weapon in a place where intoxicating beverages were sold. Cerda was released by his bondsman, thus causing the re-arrest.

No Matter How you Slice It—

July 4th Was Fun in Post!

The weather was warm, the wind breezy and people found plenty of shade at the City-County Park Monday to enjoy a full day of old fashioned Fourth of July fun in Post.

Sponsored by the Post Chamber of Commerce, the day was filled with a wide variety of activities, topped off at dark with a dazzling display of fireworks which brought "oohs and ahhs" from sky watchers.

A threatening storm cloud from the southeast had no affect on the attendance or the enjoyment, although a traffic jam slowed down folks on leaving the park.

The only injuries reported during the day was a broken leg to a 10 year old boy, who was among a group of youngsters playing football.

Almost 780 people were served barbecued brisket and all the trimmings as an afternoon

highlight and more than \$350 was raised through the ice cream sale toward helping Nelda Cartwrights medical expenses.

The "No Sweats", coached by Sonja Curry, won the softball tournament, with second place going to the Antelope coaching staff team.

A benefit washer pitch held Sunday at the rodeo grounds was won by Monk Palmer and Ted Williams. The July 4th washer pitch was won by M. P. and Roque Gomez.

Jimmie Redman and Ronnie Dunn won the horseshoe pitching contest with Sammy Palmer and Todd Hammond getting second place.

Bill Criswell won the benefit drawing for a color TV, shotgun or microwave oven, with more than \$4,000 reported raised in the benefit to help defray medical expenses for Nelda Cartwright.

The Babe Ruth baseball ceiling fan drawing was won by Shirley Bland.

Danny Guthrie and his band and the Seniorettes provided music during the afternoon to entertain the people.

Dampening News

Local merchants spent hundreds of dollars to purchase and display American flags downtown . . . and to mar the spirit, two flags were reported stolen Monday afternoon . . . at The Post Dispatch and Post Insurance.

Although numerous individual fireworks were set off throughout the day and evening at the park, no serious injuries were reported.

The fireworks, set off primarily by youngsters, were distracting and potentially dangerous, but did not seem to attract any attention from law enforcement officers or adult supervisors.

Simply enjoying a good old fashioned Fourth of July in the park...Robby Williams (left to right), Keith Osborne, Gayland Murphy, Rodney George and Rodney Hays soak up the sun and shade. (See more July 4th photos on page 5)

A brilliant display of fireworks lit up the night skies over the city-county park Monday evening as the Post Chamber of Commerce sponsored July 4th celebration closed a full day of activities.

Farmers Need to Study PIK Plan

Many farmers in the South Plains area are apparently confused as to how the 1983 Payment-in-Kind (PIK) program relates to Social Security.

Under the PIK program, a farmer agrees to set aside part or all of his land previously used to produce a crop in exchange for receiving surplus Federal commodities of the same crop at the usual harvest time. Commodities involved are wheat, corn, grain, sorghum, rice and upland cotton.

In general, payments under the PIK program are treated the same as other Federal agricultural programs payments. They are included in the farmer's gross income. Since the PIK payments are in the form of certificates of ownership, they are not includable in gross income for 1983 until they are converted to cash for purposes of Federal Income tax

and the Social Security self-employment tax.

How the PIK payments affect receipt of Social Security benefits depends on when the farmer became entitled to those benefits.

If the farmer started getting Social Security benefits before 1983, PIK income can be excluded from gross income for purposes of the annual earnings test because it is income not attributable to significant services performed after the year in which benefits began. In this case, PIK income would have no effect on the receipt of Social Security benefits.

However, if the farmer starts getting Social Security benefits in 1983, PIK income is included in the farmers net earnings for purposes of the annual earnings test. But in this first year of retirement, a

A July 4th weekend trip ended in a puff of smoke for an unidentified Hwy 84 driver south of Post as the auto was totally demolished by a mechanical difficulty. Post volunteer firemen and Texas Department of Public Safety patrolmen were called away from the

City-County Park late Monday afternoon to respond to the accident. There were no injuries, although traffic was backed up almost a mile due to the smoke. (Photo by Tim Burnett)

Obituary

William Pettyjohn

Funeral services for William Pettyjohn, 74, will be held Thursday at 10:30 a.m. at the Church of God of Prophecy with Rev. Oscar Newdigger, pastor, officiating, assisted by Rev. LaFoy Parker, State Overseer of West Texas. Born Sept. 16, 1908 in Lafayette, Ga., Pettyjohn died Monday, July 4 in Garza Memorial Hospital following a lengthy illness. He had been a resident of Post for the last six years. He was a retired minister and a retired state overseer of West Texas for the Church of God of Prophecy. Pettyjohn married Lucille Lively, January 7, 1933 in Lafayette, Ga. Survivors include his wife; three sons, James and Jerry both of Fort Morgan, Colo., and Tim of Post; one daughter, Mrs. Joan House of Abilene; five sisters, Lela Roach of Soddy Daisy, Tenn., Tennie Stoker of Gibson, Ga., Vinnie Sherbert of Rocky Face, Ga., Eunice Webster of Tunnel Hill, Ga., and Stella Eden of Detroit, Michigan; three brothers, Sam of Greeley, Colo., J.V. of Rocky Face, Ga., and Woodrow of Rifle, Colo.; seven grandchildren and two great grandchildren. Burial will be in Terrace Cemetery under the direction of Hudman Funeral Home.

Rosemary Rogers is proud to announce the engagement and approaching marriage of her daughter Rhonda Renea, to Kelvin Thomas son of Mr. and Mrs. B.L. Thomas of Post. Kelvin is also the grandson of Mr. and Mrs. Clark Barton of Slaton and Rhonda is the granddaughter of Edith Crispin of Post. The couple will be married in First Baptist Church of Post, on September 24th.

In response to the article appearing in the Sunday Dispatch on June 26, 1983 regarding the termination of reserve deputies, I, Mike Harper, feel that the full truth should be disclosed to the public.

Contrary to the statement regarding the arrest of a 17 year old youth, he was not placed in jail. Further, there had been

previous complaints on the night of the arrest of the dangerous operation of the vehicle driven by this youth. He was initially stopped for running a red light. Pursuant to standard law enforcement procedure a check was made for his driver's license. The decision to arrest the youth was founded in sound law enforcement procedures be-

cause the youth had violated two state statutes and his attitude made me believe there was a potential danger to the youth and other citizens in the community.

The statement regarding county policy for reserve deputies is no where written down nor provided to the reserve deputies to my knowledge.

Every act that I did while a reserve deputy was done with the belief that it was correct because I had never been informed otherwise, nor had I known of other reserve deputies doing the same being reprimanded or dismissed. Further, The Sheriff verbally authorized me to drive said vehicle and no written information is

available to reserve deputies to indicate we do not have the authority to drive these county cars.

I submit that I was wrongfully fired over the incident in question and said unjustness and unfairness has now been compounded by the sheriff's decision to fire all reserve deputies. The sheriff has made it appear that all re-

serve deputies have been fired just because I exercised my option to protect my civil rights.

I reiterate that the county commissioners and the County Judge have treated me fairly; however, it is my firm belief that the sheriff has violated my civil rights and I want the public so informed and be aware that no litigation

had been attempted meeting called by prior to the special commissioners.

Mike Harper

Tahoka Church Celebrates Sunday

On Sunday, July 10th, First Baptist Church of Tahoka will celebrate its 80th Anniversary.

The morning worship service will start at 10:45 a.m. and will feature special music by individuals and ensembles, reflections on the past, challenges for the future, and a special "Anniversary" message by Dr. George E. Ray, Jr., pastor of First Baptist. Following the morning service, there will be a covered dish dinner and fellowship with time for plenty of visiting. To close the day's celebration there will be an afternoon service at 2:30 p.m. which will feature singing, special music, fellowship, and several people sharing their remembrances of the church and its ministry.

First Baptist was organized on July 5, 1903, just three months after Lynn County and Tahoka were organized. The 16 charter members "called" Ira Parrack to be the first pastor. The church worshiped in the district court room of the courthouse until November 22, 1907 when they moved into the first of three auditoriums, the last of which was completed in December of 1975. Through the 80 year history of the church, 26 pastors have led the church in sharing the gospel, discipling Christians, and glorifying God. Seventeen men from First Baptist have gone forth to serve the Lord as ministers and two are presently preparing for the

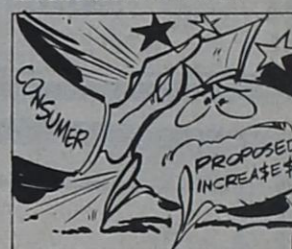

ministry. Two couples, Robert and Margaret Tucker of Columbia, South America, and Ray and Patsy Eitelman of Upper Volta, Africa are currently serving as foreign missionaries of the Southern Baptist Convention. Through its history First Baptist has sought to share the "good news" of a risen Saviour both at home and abroad.

All former members and friends of First Baptist are cordially invited to come and participate in this time of recollection, celebration, and worship.

Popular Fallacies

Some people think higher state and federal excise taxes on liquor would cause people to drink less and reduce the number of alcoholics in the U.S.

The fact is researchers have found no supportable evidence that taxes reduce alcohol abuse. Alcoholism is an illness and the alcoholic is least responsive to increases in price. It is the roughly 100 million consumers who drink in moderation who would be penalized by any tax increase, say the experts at the Distilled Spirits Council of the United States, Inc. (DISCUS), the trade association of the distilled spirits industry.

V. A. Provides Benefits

A broken air conditioner can be the best thing that ever happened to your household budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

The add-on heat pump is one of the most efficient ways to heat and cool. Call us to see what your savings can be.

SOUTHWESTERN PUBLIC SERVICE COMPANY

The Veterans Administration provides many benefits for veterans with vision impaired as a result of military service.

Those benefits include vocational rehabilitation, disability compensation, specially adapted housing and other housing grants.

The VA's Vocational Rehabilitation program provides vision-impaired veterans with counseling on the effects of their disabilities, training for such aids as laser

SUNBELT STATISTICS

Florida, also known as the Sunshine State, is one of the leading tourist states in the nation. This sunbelt state, with an area of 58,560 square miles is the 22nd largest state. Its nearly seven million population makes it the ninth most populous state in the nation. Florida became our 27th state on March 3, 1845.

Too much sunshine is one thing many sunbelt state residents have learned to avoid. Overexposure to the sun can cause a skin condition called solar keratosis, which in some cases could become malignant if left untreated. It is treatable, however, and physicians sometimes use a prescription medication made by Hoffmann-La Roche Inc. Available in cream or solution, it is often applied to the skin with good results. Symptoms of solar keratosis are red, scaly patches, usually on the hands and face.

canes, large-print readers and other technical devices. The program can assist the veteran by providing retraining assistance to obtain necessary skills for a new career. Eligible veterans receive a monthly subsistence allowance while VA pas the costs of required training.

A vision-impaired veteran may receive monthly disability compensation. The amount of the payment is based on severity of vision loss. For example, the payment for 60 percent loss is \$433 a month. A veteran with only light perception in both eyes and who has lost, or lost the use of, one foot may receive a VA grant of up to \$32,500, or half the cost of a

home specially adapted for his or her needs.

Persons interested in further benefits information may write, visit or telephone the Waco VA

Regional Office toll-free number listed in their local telephone directory under "Veterans Administration" or "U.S. Government." A VA Counselor will respond.

PUBLIC NOTICE

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas, including Poka-Lambro Rural Telephone Cooperative Inc., of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (The Access Charge Docket) as they impact all telephone companies, including Poka-Lambro Rural Telephone Cooperative, Inc. It is anticipated that Docket No. 5113 will be evidentiary in nature. **RATES FOR POKE-LAMBRO RURAL TELEPHONE COOPERATIVE, INC. MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING.** Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

More Fun at the Park

Babe Ruth baseball players sold raffle tickets, giving away a ceiling fan.

Photos
by
Tim
Burnett

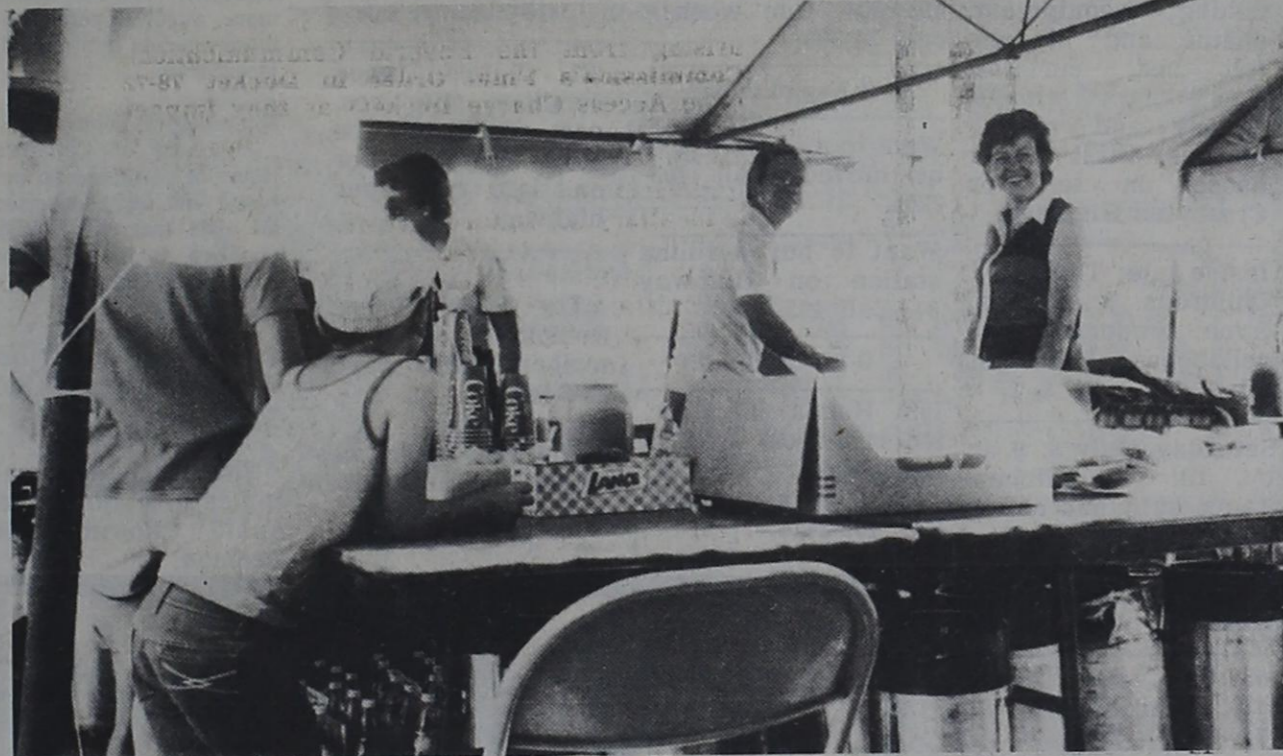

Continuing the tradition of great barbecue brisket, Bob West (left) and friends kept the fires smoking during the day Monday as people kept asking, "when will it be ready to eat?"

Shirley Hardin, Charla Tatum and Kim Mills serve ice cream to a customer during the July 4th activities. The ice cream booth raised money to offset the medical expenses of Nelda Cartwright.

Almost 780 people were served tender brisket and all the trimmings late Monday afternoon at the park.

Members of Post's EMT unit served cold drinks and eats under the protection of a canopy.

Now that the 4th of July is over, and summer has firmly set in for a while, maybe a moment's reflection is in order. How are things going? For you, I mean.

Not the way you expected? Problems you did not anticipate, or old worries you still cannot get a handle on?

The people of God expected to return from Exile and find a Promised Land, flowing again with milk and honey, the envy of all the nations of the world. But they returned to find the Temple in ruins, the land wasted, and the people divided. God seemed farther away than ever.

Then God calls them to faith once more: "I will give you rivers of prosperity, overflowing streams of wealth, abundance, comfort, gladness and joy, (Isaiah 66). "Give up the future you had planned. I have a better one in store for you. I will hold you close and nourish you, I will be like a mother to you."

Every Lord's Day the Presbyterians of Post gather together to share the hope and encouragement God offers to us. We want to share it with you, and invite you to worship with us at 11:00.

THEN / NOW!

The wonderful world of postage stamps has a fascinating history.

THEN: The first postage stamp and hobbyist appeared in 1840. On May 6th the United Kingdom and Ireland issued the world's first postage stamps, "Penny Black" and the "Two Penny Blue," depicting the young Queen Victoria.

NOW: Today there are well over 350,000 different stamp issues in Scott's world stamp catalogs. Aside from expediting our mail, collecting postage stamps is the world's most fascinating hobby. Want to know more about stamp collecting? American Stamp Dealers' Association, Five Dakota Drive, Lake Success, NY 11042.

Sentry Chek-Plus\$

The checking account
with a plus for you.

Sentry Chek-Plus is an interest bearing checking account that pays you 5 1/4% interest (the maximum permitted by law) on your account's *average* balance.

If you maintain a \$500 average balance, Chek-Plus is **FREE**. If your account falls below an average of \$500, of course, there is a service charge. In every case, however, your funds earn maximum interest from the day of deposit.

It's easy to open a Chek-Plus account. And we'll pay you to use it. Visit any Sentry Savings office for details.

The Post Dispatch welcomes new subscriber Melvis Taylor of Post.

The Post Dispatch welcomes new subscriber Roy Gary of Post.

Freeze film? Certainly!
 Some professional photographers freeze their film until they're ready to use it. Frozen, it will keep indefinitely, but it should be left in its unopened wrapper, which is designed to protect it from moisture. Frozen film should be allowed to warm up to room temperature before using.

Seeds good 3 to 7 years
 A tomato seed's life expectancy is six or seven years and that of a radish, like most vegetable seeds, is three or four years.

Much helium in blimp
 How much helium does a blimp envelop? In the case of the Goodyear's Enterprise it's 200,000 cubic feet. Two 210-horsepower engines get the blimp moving, and rudder pedals keep it headed in the right direction.

Wolf packs in Norway
 For the first time since wolves became a protected species in Norway 11 years ago, there are signs that they have started to breed. Packs have been sighted both in southern Norway and in the Trysil district close to the Swedish border.

5 percent move
 Every year about 5 percent of the United States' industrial establishments move. About 10 percent of those relocate in a non-adjacent state.

Sometimes at points, too
 Members of Canada's House of Commons sit opposite one another across an aisle that, by British tradition, is the width of two sword lengths.

The Dispatch welcomes new subscriber Mildred Wilson of San Angelo.

The Dispatch welcomes new subscriber Analu Clinesmith of Denison.

Pleasant Home Baptist News

Some experts estimate that coffee is second only to petroleum as the world's largest item of international commerce.

PUBLIC NOTICE

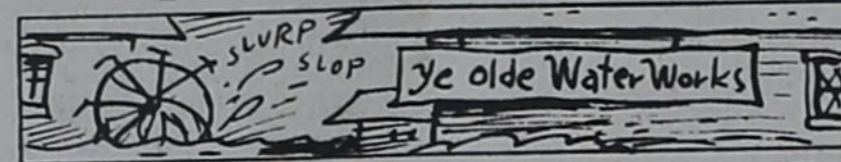

At the request of the Office of the General Counsel of the Public Utility Commission, the Commission has established Docket No. 5113 to inquire into pressing issues involving the entire telephone industry in Texas. Docket No. 5113 will deal with many issues resulting from the impending divestiture of American Telephone and Telegraph Company and Southwestern Bell Telephone Company. Some of those issues include establishing the service areas of Southwestern Bell after divestiture and assessing the impact on other telephone companies in Texas, including General Telephone Of The Southwest, of current settlement arrangements between Southwestern Bell and those companies. Additionally, Docket No. 5113 will deal with the issues arising from the Federal Communications Commission's Final Order in Docket 78-72 (the Access Charge Docket) as they impact all telephone companies, including General Telephone Company Of The Southwest. It is anticipated that Docket No. 5113 will be evidentiary in nature. **RATES FOR GENERAL TELEPHONE COMPANY OF THE SOUTHWEST MAY BE DETERMINED BY THE COMMISSION IN OR AS A RESULT OF THIS PROCEEDING.** Interested parties seeking further information or desiring to participate in Docket No. 5113 are advised to write to Rhonda Colbert Ryan, Secretary and Director of Hearings, Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757 or telephone the Public Utility Commission Consumer Affairs Division at (512)458-0223 or 458-0227, or (512) 458-0221 TTY for the deaf.

General Telephone

By Annie Gilbert
Sunday, July 3,
Pleasant Home Sunday School was in usual manner. Sister Madie Johnson taught a wonderful lesson. The lesson subject "Jephthah: Zeal Without Wisdom" from Judges 11: 1-12. She taught very beautifully and Sister Thelma Moore gave spiritual and highlights. Devotional service by Sister Fisher Wynn. Sister Madie Johnson and Sister Wynn read entire Number 127 of Psalms. Altar prayer was highly prayed by our pastor. He really poured out his heart to

the glory of God. During the 11 a. m. service, our pastor delivered a wonderful message from Matthew chapter 9 verses 36 through 38. His theme was "Standing in the need of prayer" it was spiritual food for thought and spiritual food for the soul. Thank God for Jesus. The Senior Choir is having a fish and bake sale Saturday, July 9 at 10 a. m. Your support will be very appreciated in Jesus name, bless you all.
Rev. Arthur Kelly, pastor
Rev. John James Associate pastor

Public Hearing Planned by State Water Dept.

Individuals, organizations and groups in the High Plains and Trans Pecos Region will have an opportunity to comment on the draft planning report prepared by the Texas Department of Water Resources which is to be used in amending the 1968 Texas Water Plan. A public hearing will be conducted by the Department of Water Resources at 7 p.m., on July 12, in Lubbock, at the Lubbock Civic Center.

Executive Director Charles E. Nemir has encouraged individuals, organizations, and local officials to participate in the hearing to address water needs set out in the draft report, "Water for Texas: Planning for the Future." Water quality protection, water conservation, public education, environmental protection, water supply development, flood protection, water management, and State participation in water financing are among the water issues addressed in the report.

Nemir pointed out that the "statewide water plan" package of legislation considered recently by the Texas Legislature is NOT the Texas Water Plan or amendments thereto to be discussed at the hearing. He also said that he is concerned about participation in the hearing process. In many instances it takes a drought or other emergency situation to get people to pay attention to water. Most people are unaware or unconcerned about water problems as long as they can go to the kitchen and turn on the faucet or go to the shower, turn it on, and out comes water. They're satisfied and they don't think about needing to plan and act now in order to have adequate water in the future.

Nemir added that some cities in Texas have been preparing and implementing water conservation plans, some including water rationing, in order to just meet peaking summer demands. These plans are needed primarily because of inadequate water treatment and conveyance facilities. "The problem is that by losing time and progress now," Nemir said, "we will not be ready when the next extended dry period comes or when water supply and wastewater treatment systems can no longer meet the growing needs. This will result not only in possible severe problems, but we will accordingly have to pay a much higher price later."

The hearing in Lubbock is the fourth of eight regional hearings being held in Texas during June and July. Additional hearings will be held in Abilene on July 14, El Paso on July 19, Austin on July 21, and in Baytown on July 26. Hearings have already been held in Longview, Dallas, and McAllen. Fifty-six counties are included in the High Plains and Trans Pecos Region of the State. River basins included in this region are the Canadian, Upper Red, Upper Brazos and the Pecos River.

Another Seed Among the Thorns

Pastor Steve Traw First Christian Church And other seed fell among the thorn; and the thorns grew up with it, and choked it out.

In the parable of the sower and the seed, Jesus told of the soil where the seed fell among thorn-infested ground. When the seed sprouted and grew, the thorns eventually sapped the moisture and nutrients available for proper growth and production.

While Jesus did not name the thorns that strangle the fruitfulness of Christians, He did refer to life's worries, riches and pleasures. We need not be too imaginative to think of some of the cares and concerns of the world that choke out our maturity. Greed, pride, jealousy and selfishness are some of those quick growers that seem to

get the advantage on the believer's life.

The great deceiver most have quite a store of seeds, thorns, thistles, brambles, to plant before the individual. Sometimes he even introduces things that are in themselves very good. For example, jobs, sports, friends, recreation, and rest are all well and good. But give them the wrong priority and attention and you'll have a real thorny issue on your hands. And that thorny issue is the cares and concerns that Jesus has warned us about in the parable.

When the desire and power to follow Christ is choked off by other obstacles, the result is the same, a weakened and an unproductive Christian.

Avoid such thorny issues in your Christian witness.

Continued From P. 1

self-employed person can receive a benefit for any month he or she does not perform substantial services in self-employment regardless of total income for the year. Generally, a farmer is not considered to be engaging in substantial services if he or she works 45 hours or less a month in the farming operation.

More information about how income under the PIK Program effects Social Security benefits can be obtained in the Lubbock Social Security office, located at 1611-10th Street, Lubbock, Texas 79401. The telephone number is 743-7381.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective August 1, 1983, unless otherwise determined by the Commission.

A complete copy of the new rate schedule is on file with the Texas Public Utility Commission (PUC) at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

As a result of the settlement of a lawsuit brought by the U.S. Department of Justice against AT&T, Southwestern Bell, on January 1, 1984, (or as otherwise ordered by the United States District Court) will no longer be a part of the Bell System, but will be owned by public shareholders. Under the terms of the settlement, Southwestern Bell has identified 15 areas in the state within which it may provide service, and the federal court with jurisdiction of the settlement has tentatively approved these areas, called LATAs (Local Access and Transport Area). On or about January 1, 1984, Southwestern Bell can not provide service between these LATAs, and in addition, must transfer to AT&T customer premises equipment that it leases to customers.

Southwestern Bell has filed a proposed revised rate schedule with the PUC reflecting these changes. These rates would become effective August 1, 1983, if they are not suspended by the PUC; however, it is expected that they will be suspended and that the rates ultimately set by the PUC will become effective on or about January 1, 1984. If the rates were to become effective as filed, they would produce a 48.2% increase in Southwestern Bell's unadjusted test year revenues (or a 76.36% increase in Southwestern Bell's test year revenues adjusted to reflect the effect of Southwestern Bell's divestiture from AT&T). Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of Southwestern Bell Telephone Company.

Notice to Customers of
Other Telephone Companies

While Southwestern Bell has proposed no increase in rates for intraLATA interexchange toll services, any change in those rates could also affect customers of other telephone companies. Southwestern Bell is proposing changes in the structure of the present private line and foreign exchange services. Changes in these rates may affect customers of other telephone companies. Any change in the rates for any interLATA services offered by AT&T or a subsidiary after January 1, 1984, could affect customers of other telephone companies.
